Certain information and footnote disclosures, normally included in annual financial statements prepared in accordance with generally accepted accounting principles in the United States (GAAP), have been condensed or omitted pursuant to those rules and regulations. These unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto of Quantaâ€™s Annual Report on Form 10-K for the year ended December 31, 2023. Quanta believes that the disclosures made are adequate to make the information presented not misleading. In the opinion of management, all adjustments, consisting only of normal recurring adjustments, necessary to fairly state the financial position, results of operations, comprehensive income and cash flows with respect to the interim condensed consolidated financial statements have been included. The results of Quanta have historically been subject to seasonal fluctuations. The results of operations, comprehensive income and operating cash flows for the interim periods are not necessarily indicative of the results for the entire fiscal year. 2. NEW ACCOUNTING PRONOUNCEMENTS: Recently Adopted GuidanceIn June 2022, the FASB issued an update that clarifies the guidance in FASB ASC 820 (Fair Value Measurement) for equity securities subject to contractual sale restrictions. The update prohibits entities from taking into account contractual restrictions on the sale of equity securities when estimating fair value and introduces required disclosures for such transactions. This update is effective for interim and annual periods beginning after December 15, 2023. This guidance will increase the fair market value of the consideration paid in equity securities in a business combination, and therefore it may increase the amount allocated to goodwill. Quanta adopted this update effective January 1, 2024, and it did not have a material impact on Quantaâ€™s consolidated financial statements.New Accounting Pronouncements and Disclosure Rules Not Yet AdoptedIn March 2024, the U.S. Securities and Exchange Commission (SEC) issued its final climate disclosure rule (the Final Rule) that requires public entities to disclose certain material climate-related information in annual reports and registration statements, including disclosure of material impacts as a result of severe weather events and other natural conditions and material Scope 1 and Scope 2 greenhouse gas emissions. The Final Rule requires disclosures to be made prospectively, with information for prior periods required only to the extent the information was disclosed in a prior SEC filing. Certain requirements of the Final Rule are effective for fiscal years beginning on or after January 1, 2025, with phase-in periods for additional requirements. However, on April 4, 2024, the SEC issued a stay pending judicial review of the Final Rule in U.S. federal court. Quanta is currently assessing the effect of the Final Rule.In December 2023, the FASB issued an update that expands disclosures for tax rate reconciliation tables, primarily by requiring disaggregation of income taxes paid by jurisdiction, as well as greater disaggregation within the rate reconciliation. This update is effective for fiscal years beginning after December 15, 2024 and interim periods within fiscal years beginning after December 15, 2025. Early adoption and retrospective application are permitted. Quanta is currently assessing the effect of this update.In November 2023, the FASB issued an update that, among other things, requires public entities to disclose significant segment expenses that are regularly provided to the chief operating decision maker (CODM) and included within each reported measure of segment profit or loss, provide an amount for other segment items by reportable segment and provide all segment disclosures required on an annual basis in interim periods. Additionally, the update requires entities to disclose the title and position of the CODM and an explanation of how the CODM uses the reported measures(s) of segment profit or loss in assessing segment performance and deciding how to allocate resources. This update is effective for fiscal years beginning after 12 QUANTA SERVICES, INC. REVENUE RECOGNITION AND RELATED BALANCE SHEET ACCOUNTS:ContractsQuantaâ€™s services are generally provided pursuant to master service agreements (MSAs), repair and maintenance contracts and fixed price and non-fixed price construction contracts. These contracts are classified into three categories: unit-price contracts, cost-plus contracts and fixed price contracts. amount of partially completed units, revenue is recognized as performance obligations are satisfied over time, with the percentage of completion generally measured as the percentage of costs incurred to total estimated costs for such performance obligation. Approximately 58.2% and 54.0% of Quantaâ€™s revenues recognized during the three months ended JuneÂ 30, 2024 and 2023 were associated with this revenue recognition method, and 58.0% and 52.4% of Quantaâ€™s revenues recognized during the six months ended JuneÂ 30, 2024 and 2023 were associated with this revenue recognition method.Performance Obligations As of JuneÂ 30, 2024 and December 31, 2023, the aggregate transaction price allocated to unsatisfied or partially satisfied performance obligations was approximately $14.37 billion and $13.89 billion, with 65.8% and 66.9% expected to be recognized in the subsequent twelve months. These amounts represent managementâ€™s estimates of the consolidated revenues that are expected to be realized from the remaining portion of firm orders under fixed price contracts not yet completed or for which work had not yet begun as of such dates. For purposes of calculating remaining performance obligations, Quanta includes all estimated revenues attributable to consolidated joint ventures and variable interest entities, revenues from funded and unfunded portions of government contracts to the extent they are reasonably expected to be realized, and revenues from change orders and claims to the extent management believes additional contract revenues will be earned and are deemed probable of collection. Excluded from remaining performance obligations are potential orders under MSAs and expected revenues under certain non-fixed price contracts.Contract Estimates and Changes in EstimatesActual revenues and project costs can vary, sometimes substantially, from previous estimates due to changes in a variety of factors, including unforeseen or changed circumstances not included in Quantaâ€™s cost estimates or covered by its contracts. 13 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)Some of the factors that can result in positive changes in estimates on projects include successful execution through project risks, reduction of estimated project costs or increases of estimated revenues. Some of the factors that can result in negative changes in estimates include concealed or unknown site conditions; changes to or disputes with customers regarding the scope of services; changes in estimates related to the length of time to complete a performance obligation; changes or delays with respect to permitting and regulatory requirements and materials; changes in the cost of equipment, commodities, materials or skilled labor; unanticipated costs or claims due to delays or failure to perform by customers or third parties; customer failure to provide, or supply chain and logistical challenges related to, required materials or equipment; errors in engineering, specifications or designs; project modifications; adverse weather conditions, natural disasters, and other emergencies; and performance and quality issues causing delay (including payment of liquidated damages) or requiring rework or replacement. Any changes in estimates could result in changes to profitability or losses associated with the related performance obligations. Additionally, changes in cost estimates on certain contracts may result in the issuance of change orders, which can be approved or unapproved by the customer, or the assertion of contract claims. Quanta recognizes amounts associated with change orders and claims as revenue if it is probable that the contract price will be adjusted and the amount of any such adjustment can be reasonably estimated.As of JuneÂ 30, 2024 and December 31, 2023, Quanta had recognized revenues of $662.3 million and $778.9 million related to unapproved change orders and claims included as contract price adjustments primarily in â€œContract assetsâ€ in the accompanying consolidated balance sheets. These change orders and claims were in the process of being negotiated in the normal course of business and represent managementâ€™s estimates of additional contract revenues that have been earned and are probable of collection.The largest component of the revenues recognized related to unapproved change orders and claims as of JuneÂ 30, 2024 and December 31, 2023 is associated with a large renewable transmission project in Canada. During 2021 and 2022, decreased productivity and additional costs arose from delays, administrative requirements and labor issues due to the COVID-19 pandemic, including incremental governmental requirements and worksite restrictions. During 2023, additional costs arose from residual impacts associated with the aforementioned items, as well as work resequencing and acceleration, access delays, and logistical challenges and other issues outside of Quantaâ€™s control. As of March 31, 2024, the project was substantially completed. Changes in estimates can result in the recognition of revenue in a current period for performance obligations that were satisfied or partially satisfied in prior periods or the reversal of previously recognized revenue if the currently estimated revenue is less than the previous estimate. The impact of a change in contract estimate is measured as the difference between the revenue or gross profit recognized in the prior period as compared to the revenue or gross profit which would have been recognized had the revised estimate been used as the basis of recognition in the prior period. Changes in estimates can also result in contract losses, which are recognized in full when they are determined to be probable and can be reasonably estimated. Revenues were positively impacted by 0.4% and 0.7% during the three months ended JuneÂ 30, 2024 and 2023 as a result of changes in estimates associated with performance obligations on fixed price contracts partially satisfied prior to March 31, 2024 and 2023. Revenues were positively impacted by 0.2% and 0.3% during the six months ended JuneÂ 30, 2024 and 2023 as a result of changes in estimates associated with performance obligations on fixed price contracts partially satisfied prior to December 31, 2023 and 2022.Operating results for the three months ended JuneÂ 30, 2024 were impacted by less than 5% of gross profit as a result of aggregate changes in contract estimates related to projects that were in progress as of March 31, 2024. Operating results for the six months ended JuneÂ 30, 2024 were impacted by less than 5% of gross profit as a result of aggregate changes in contract estimates related to projects that were in progress as of December 31, 2023. However, gross profit was negatively impacted by $24.6 million as a result of increased costs related to a large solar facility project in the United States, and by $22.0 million as a result of decreased productivity associated with a large solar facility project in the United States.Operating results for the three months ended JuneÂ 30, 2023 were impacted by less than 5% of gross profit as a result of aggregate changes in contract estimates related to projects that were in progress as of March 31, 2023. There were no material changes in estimates on any individual project. 14 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)Operating results for the six months ended JuneÂ 30, 2023 were impacted by less than 5.0% of gross profit as a result of aggregate changes in contract estimates related to projects that were in progress as of December 31, 2022. However, Quantaâ€™s large renewable transmission project in Canada was negatively impacted by $20.7 million due to changes to estimated project costs during this period, as mentioned above. Contract Assets and LiabilitiesContract assets and liabilities consisted of the following (in thousands):June 30, 2024December 31, 2023Contract assets$1,227,543Â $1,413,057Â Contract liabilities$1,483,134Â $1,538,677Â Contract assets and liabilities fluctuate period to period based on various factors, including, among others, changes in the number and size of projects in progress at period end; variability in billing and payment terms, such as up-front or advance billings, interim or milestone billings, or deferred billings; and recognized unapproved change orders and contract claims. The decrease in contract assets from December 31, 2023 to JuneÂ 30, 2024 was primarily due to the completion of certain large projects and the corresponding billing of amounts previously recorded as contract assets, while the decrease in contract liabilities was primarily due to higher production on a large renewable transmission project and the associated recognition of revenue on amounts that were previously recorded as contract liabilities. During the six months ended JuneÂ 30, 2024 and 2023, Quanta recognized revenue of approximately $1.24 billion and $897.8 million related to contract liabilities outstanding as of the end of each respective prior year.Accounts Receivable, Allowance for Credit Losses and Concentrations of Credit RiskQuanta determines its allowance for credit losses based on an estimate of expected credit losses for financial instruments, primarily accounts receivable and contract assets. The assessment of the allowance for credit losses involves certain judgments and estimates. Management estimates the allowance balance using relevant available information from internal and external sources relating to past events, current conditions and reasonable and supportable forecasts. Expected credit losses are estimated by evaluating trends with respect to Quantaâ€™s historical write-off experience and applying historical loss ratios to pools of financial assets with similar risk characteristics. Quanta has determined that it has two risk pools for the purpose of calculating its historical credit loss experience.Quantaâ€™s historical loss ratio and its determination of risk pools, which are used to calculate expected credit losses, may be adjusted for changes in customer credit concentrations within its portfolio of financial assets, changes in customersâ€™ ability to pay, and other considerations, such as economic and market changes, changes to regulatory or technological environments affecting customers and the consistency between current and forecasted economic conditions and the historical economic conditions used to derive historical loss ratios. At the end of each quarter, management reassesses these and other relevant factors, including the impact of uncertainty and challenges in the overall economy and in Quantaâ€™s industries and markets, (e.g., inflationary pressure, supply chain and other logistical challenges and increased interest rates).Additional allowance for credit losses is established for financial asset balances with specific customers where collectability has been determined to be improbable based on customer specific facts and circumstances. Quanta considers accounts receivable delinquent after 30Â days but, absent certain specific considerations, generally does not consider such amounts delinquent in its credit loss analysis unless the accounts receivable are at least 120Â days outstanding. In addition, management monitors the credit quality of its receivables by, among other things, obtaining credit ratings for significant customers, assessing economic and market conditions and evaluating material changes to a customerâ€™s business, cash flows and financial condition. Should anticipated recoveries relating to receivables fail to materialize, including anticipated recoveries relating to bankruptcies or other workout situations, Quanta could experience reduced cash flows and losses in excess of current allowances provided.Accounts receivable are written-off against the allowance for credit losses if they are deemed uncollectible. 15 QUANTA SERVICES, INC. The second risk pool represents approximately 15% of Quantaâ€™s consolidated financial instruments as of JuneÂ 30, 2024 and did not have any allowance for credit loss or experience any credit loss during the periods presented. Quantaâ€™s customers generally have high credit ratings. In addition, the customers in the second risk pool typically pre-approve invoices and often receive project financing.Provision for credit losses is included in â€œSelling, general and administrative expensesâ€ in the consolidated statements of operations. Quanta is subject to concentrations of credit risk related primarily to its receivable position for services Quanta has performed for customers. Quanta grants credit under normal payment terms, generally without collateral. As of December 31, 2023, one customer within the Renewable Energy Infrastructure Solutions segment associated with the large renewable transmission project in Canada described above represented 10% of Quantaâ€™s consolidated receivable position, which includes amounts related to contracts assets. No customer represented 10% or more of Quantaâ€™s consolidated revenues for the three or six months ended JuneÂ 30, 2024 or 2023, and no customer represented 10% or more of Quantaâ€™s consolidated receivable position as of JuneÂ 30, 2024.Certain contracts allow customers to withhold a small percentage of billings pursuant to retainage provisions, and such amounts are generally due upon completion of the contract and acceptance of the project by the customer. Based on Quantaâ€™s experience in recent years, the majority of these retainage balances are expected to be collected within one year. Retainage balances with expected settlement dates within one year of JuneÂ 30, 2024 and December 31, 2023 were $646.0 million and $610.0 million, which are included in â€œAccounts receivable.â€ Retainage balances with expected settlement dates beyond one year were $103.0 million and $78.7 million as of JuneÂ 30, 2024 and December 31, 2023 and are included in â€œOther assets, net.â€ Quanta recognizes unbilled receivables for non-fixed price contracts within â€œAccounts receivableâ€ in certain circumstances, such as when revenues have been earned and recorded but the amount cannot be billed under the terms of the contract until a later date or when amounts arise from routine lags in billing. These balances do not include revenues recognized for work performed under fixed-price contracts and unit-price contracts with more than an insignificant amount of partially completed units, as these amounts are recorded as â€œContract assets.â€ As of JuneÂ 30, 2024 and December 31, 2023, unbilled receivables included in â€œAccounts receivableâ€ were $827.1 million and $743.6 million. Quanta also recognizes unearned revenues for non-fixed price contracts when cash is received prior to recognizing revenues for the related performance obligation. Unearned revenues, which are included in â€œAccounts payable and accrued expenses,â€ were $70.5 million and $58.6 million as of JuneÂ 30, 2024 and December 31, 2023.4. SEGMENT INFORMATION:Quanta reports its results under three reportable segments described below: â€¢Electric Power Infrastructure Solutions (Electric Power). Quantaâ€™s Electric Power segment provides comprehensive infrastructure solutions to customers in the electric power, technology and communications markets. â€¢Renewable Energy Infrastructure Solutions (Renewable Energy). Quantaâ€™s Renewable Energy segment provides comprehensive infrastructure solutions to customers that are involved in the renewable energy industry. â€¢Underground Utility and Infrastructure Solutions (Underground and Infrastructure). Quantaâ€™s Underground and Infrastructure segment provides comprehensive infrastructure solutions to customers involved in the transportation, distribution, storage, development and processing of natural gas, oil and other products. Corporate and Non-allocated Costs include corporate facility costs; non-allocated corporate salaries, benefits and 16 QUANTA SERVICES, INC. Quantaâ€™s entrepreneurial business model allows multiple operating companies to serve the same or similar customers and to provide a range of services across end user markets. Reportable segment information, including revenues and operating income by type of work, is gathered from each operating company. Classification of operating company revenues by type of work for segment reporting purposes can require judgment on the part of management. In addition, integrated operations and common administrative support for Quantaâ€™s operating companies require that allocations be made to determine segment profitability, including allocations of certain corporate shared and indirect operating costs as well as general and administrative costs. The following table sets forth segment revenues and segment operating income (loss) for the three and six months ended JuneÂ 30, 2024 and 2023. ACQUISITIONS:The results of operations of acquired businesses have been included in Quantaâ€™s consolidated financial statements since their respective acquisition dates. On July 17, 2024, Quanta completed the acquisition of Cupertino Electric, Inc. (Cupertino), which provides electrical infrastructure solutions, including engineering, procurement, project management, construction and modularization services, to the technology, renewable energy and infrastructure and commercial industries. Cupertino is located in the United States, and its results will be included in the Electric Power and Renewable Energy segments. The consideration, excluding cash acquired and subject to certain adjustments, was approximately $1.5Â billion, which included cash and shares of Quanta common stock (valued at $216.3 million as of the acquisition date). Additionally, the former equity holders and award holders of Cupertino are eligible for a potential

contingent consideration payment of up to $200.0 million to the extent certain financial performance targets are achieved by Cupertino during a three-year post-acquisition period beginning in January 2025. The final amount of consideration for the acquisition remains subject to certain post-closing adjustments, including with respect to net working capital (inclusive of cash) and certain assumed liabilities. Additionally, Quanta is in the process of performing procedures to determine the consideration and fair value of assets acquired and liabilities assumed related to the acquisition of Cupertino, including the fair value assessment of contingent consideration, and will include the preliminary purchase price allocation in its Quarterly Report on Form 10-Q for the period ending September 30, 2024. During the six months ended JuneÂ 30, 2024, Quanta acquired five businesses located in the United States, including: a business that provides specialty environmental solutions to industrial and petrochemical companies (primarily included in the Underground and Infrastructure segment); a business that specializes in testing, manufacturing and distributing safety equipment and supplies (primarily included in the Electric Power and Renewable Energy segments); a business that specializes in electrical infrastructure services for substations, data centers and governmental entities (primarily included in the Electric Power segment), a business that manufactures transmission and distribution equipment for the electric utility industry (primarily included in the Electric Power and Renewable Energy segments) and a business that provides services and equipment related to aerial telecommunications infrastructure and networks (primarily included in the Electric Power segment). The consideration for these businesses acquired during the six months ended JuneÂ 30, 2024 consisted of approximately $463.9 million paid or payable in cash on the acquisition dates and 286,425 shares of Quanta common stock, which had a fair value of $60.8 million as of the acquisition dates. The final amount of consideration for these acquisitions remains subject to certain post-closing adjustments, including with respect to net working capital. During the year ended December 31, 2023, Quanta acquired five businesses located in the United States, including: a business that provides services related to high-voltage transmission lines, overhead and underground distribution, emergency restoration and industrial and commercial wiring and lighting (primarily included in the Electric Power segment); a business that procures parts, assembles kits for sale, manages logistics and installs solar tracking equipment for utility and development customers (primarily included in the Renewable Energy segment); a business that provides concrete construction services (primarily included in the Electric Power and Renewable Energy segments); a business specializing in power studies, maintenance testing and commissioning primarily for utility and commercial customers (included in the Electric Power segment) and a business that manufactures power transformers for the electric utility, renewable energy, municipal power and industrial markets (included in the Electric Power and Renewable Energy segments). The consideration for these transactions 18 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)consisted of approximately $777.3 million paid or payable in cash (subject to certain adjustments) and 1,238,576 shares of Quanta common stock, which had a fair value of $158.9 million as of the dates of the acquisitions. Additionally, the former owners of certain acquired businesses are eligible to receive potential payments of contingent consideration to the extent the acquired businesses achieve certain financial performance targets over specified post-acquisition periods. Purchase Price AllocationQuanta is finalizing its purchase price allocations related to certain businesses acquired subsequent to JuneÂ 30, 2023, and further adjustments to the purchase price allocations may occur, with possible updates primarily related to intangible asset values, property and equipment values, certain contingent liabilities, tax estimates, and the finalization of closing working capital adjustments. The aggregate consideration paid or payable for businesses acquired between JuneÂ 30, 2023 and JuneÂ 30, 2024 was allocated to acquired assets and assumed liabilities, which resulted in an allocation of $183.0 million to net tangible assets, $265.5 million to identifiable intangible assets and $434.6 million to goodwill. The following table summarizes the estimated fair value of total consideration transferred or estimated to be transferred and the fair value of assets acquired and liabilities assumed as of their respective acquisition dates as of JuneÂ 30, 2024 for acquisitions completed in the six months ended JuneÂ 30, 2024 (in thousands):June 30, 2024Consideration:Cash paid or payable$463,884Â Value of Quanta common stock issued60,821Â Contingent consideration15,463Â Fair value of total consideration transferred or estimated to be transferred$540,168Â Cash and cash equivalents$9,176Â Accounts receivable57,954Â Contract assets162Â Inventories38,731Â Prepaid expenses and other current assets12,499Â Property and equipment64,914Â Operating lease right-of-use assets24,935Â Other assets573Â Identifiable intangible assets179,977Â Current maturities of long-term debt(4,431)Current portion of operating lease liabilities(4,796)Accounts payable and accrued liabilities(61,140)Contract liabilities(390)Long-term debt, net of current maturities(4,436)Operating lease liabilities, net of current portion(20,140)Deferred income taxes(48,869)Total identifiable net assets244,719Â Goodwill 295,449Â Fair value of net assets acquired$540,168Â As of JuneÂ 30, 2024, approximately $15.2 million of goodwill is expected to be deductible for income tax purposes related to acquisitions completed in the six months ended JuneÂ 30, 2024. 19 QUANTA SERVICES, INC. The amendment also (i) increased the limit on surety-backed letters of credit issued separate from the senior credit facility to $500.0Â million at any one time outstanding and (ii) increased the cross-default provisions with other debt instruments to those exceeding $400.0Â million in borrowings or availability. Additionally, on June 10, 2024, the senior credit facility was amended to establish Term CORRA (as defined in the Amended Credit Agreement) as the benchmark rate, in replacement of the CDOR Rate (as defined therein prior to giving effect to the amendment).As of and for the three and six months ended June 30, 2024As of JuneÂ 30, 2024, the credit agreement for Quantaâ€™s senior credit facility provided for a $750.0 million term loan facility and aggregate revolving commitments of $2.64 billion, with a maturity date of OctoberÂ 8, 2026. The carrying amount of the term loan under Quantaâ€™s senior credit facility approximates fair value due to its variable interest rate.Revolving Loans. As of JuneÂ 30, 2024, Quanta had $136.7 million of outstanding revolving loans under the senior credit facility, all of which were denominated in Canadian dollars. The carrying amounts of the revolving borrowings under Quantaâ€™s senior credit facility approximate fair value, as all revolving borrowings have a variable interest rate. were denominated in U.S. dollars and $154.4 million were denominated in currencies other than the U.S. dollar, primarily Australian and Canadian dollars. As of JuneÂ 30, 2024, $2.25 billion remained available under the senior credit facility for new revolving loans, letters of credit and support of the commercial paper program.Commercial Paper ProgramAs of JuneÂ 30, 2024, Quanta had no outstanding unsecured notes under its commercial paper program, although it did have borrowings during the three and six months ended JuneÂ 30, 2024 and 2023. INCOME TAXES:Quantaâ€™s effective tax rates for the three months ended JuneÂ 30, 2024 and 2023 were 28.2% and 29.4%. Quantaâ€™s effective tax rates for the six months ended JuneÂ 30, 2024 and 2023 were 23.2% and 20.0%. The tax rates for the six months ended JuneÂ 30, 2024 and 2023 were favorably impacted by the recognition of $22.4Â million and $32.4Â million of benefits that resulted from equity incentive awards vesting at a higher fair market value than their grant date fair value. Quanta regularly evaluates valuation allowances established for deferred tax assets for which future realization is uncertain, including in connection with changes in tax laws. The estimation of required valuation allowances includes estimates of future taxable income. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which those temporary differences become deductible. Quanta considers projected future taxable income and tax planning strategies in making this assessment. If actual future taxable income differs from these estimates, Quanta may not realize deferred tax assets to the extent estimated.As of JuneÂ 30, 2024, the total amount of unrecognized tax benefits relating to uncertain tax positions was $50.1 million, a net increase of $5.0 million from December 31, 2023, which resulted from positions expected to be taken in 2024. Quantaâ€™s consolidated federal income tax returns for tax years 2017, 2018, and 2020 through 2022 remain open to examination by the IRS, as the applicable statute of limitations periods have not yet expired. Additionally, various state and foreign tax returns filed by Quanta and certain subsidiaries for multiple periods remain under examination by various U.S. state and foreign tax authorities. Quanta does not consider any U.S. state in which it does business to be a major tax jurisdiction. Quanta believes it is reasonably possible that within the next 12 months unrecognized tax benefits may decrease by up to $8.9 million as a result of settlement of these examinations or as a result of the expiration of certain statute of limitations periods.11. EQUITY:Stock RepurchasesOn May 23, 2023, Quantaâ€™s Board of Directors approved a stock repurchase program that authorizes Quanta to purchase, from time to time through June 30, 2026, up to $500 million of its outstanding common stock. As of JuneÂ 30, 2024, $499.7Â million remained available under this repurchase program. Repurchases may be implemented through open market repurchases or privately negotiated transactions, at managementâ€™s discretion, based on market and business conditions, applicable contractual and legal requirements and other factors. Quanta is not obligated to acquire any specific amount of common stock, and the repurchase program may be modified or terminated by Quantaâ€™s Board of Directors at any time at its sole discretion and without notice. 26 QUANTA SERVICES, INC. As of JuneÂ 30, 2024, there was an estimated $49.5 million of total unrecognized compensation expense related to unearned and unvested PSUs. This amount is based on forecasted attainment of performance metrics and estimated forfeitures of unearned and unvested PSUs. The compensation expense related to outstanding PSUs can vary from period to period based on changes in forecasted achievement of established performance goals and the total number of shares of common stock that Quanta anticipates will be issued upon vesting of such PSUs. This cost is expected to be recognized over a weighted average period of 1.97 years. During the six months ended JuneÂ 30, 2024 and 2023, 0.3 million and 0.7 million shares of common stock were issued in connection with earned and vested PSUs. EMPLOYEE BENEFIT PLANS:Deferred Compensation Plans Quanta maintains non-qualified deferred compensation plans under which eligible directors and key employees may defer their receipt of certain cash compensation and/or the settlement of certain stock-based awards. As of JuneÂ 30, 2024 and December 31, 2023, the liability related to deferred cash compensation under these plans, including amounts contributed by Quanta, was $104.8 million and $88.9 million, the majority of which was included in â€œInsurance and other non-current liabilitiesâ€ in the accompanying condensed consolidated balance sheets. Additionally, as of JuneÂ 30, 2024 and December 31, 2023, the settlement and issuance of 170,795 and 174,079 shares of common stock underlying certain stock-based awards had been deferred under these plans, and such issuances are scheduled to occur in future periods.To provide for future obligations related to deferred cash compensation under these plans, Quanta has invested in corporate-owned life insurance (COLI) policies covering certain participants in the deferred compensation plans, the underlying investments of which are intended to be aligned with the investment alternatives elected by plan participants. The COLI assets are recorded at their cash surrender value, which is considered their fair market value, and as of JuneÂ 30, 2024 and December 31, 2023, the fair market values were $98.4 million and $83.4 million and were included in â€œOther assets, netâ€ in the accompanying condensed consolidated balance sheets. COMMITMENTS AND CONTINGENCIES:Legal ProceedingsQuanta is from time to time party to various lawsuits, claims and other legal proceedings that arise in the ordinary course of business. These actions typically seek, among other things, compensation for alleged personal injury, property damage, 28 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)breach of contract, negligence or gross negligence, environmental liabilities, wage and hour and other employment-related damages, punitive damages, consequential damages, civil penalties or other losses, or injunctive or declaratory relief. With respect to all such lawsuits, claims and proceedings, Quanta records a reserve when it is probable that a liability has been incurred and the amount of loss can be reasonably estimated. In addition, Quanta discloses matters for which management believes a material loss is at least reasonably possible. The assessment of whether a loss is probable or reasonably possible, and whether the loss or a range of loss is estimable, often involves a series of complex judgments about future events. In all instances, management has assessed the matter based on current information and made a judgment concerning its potential outcome, giving due consideration to the nature of the claim, the amount and nature of damages sought and the probability of success and taking into account, among other things, negotiations with claimants, discovery, settlements and payments, judicial rulings, arbitration and mediation decisions, advice of internal and external legal counsel, and other information and events pertaining to a particular matter. Costs incurred for litigation are expensed as incurred. Except as otherwise stated below, none of these proceedings are expected to have a material adverse effect on Quantaâ€™s consolidated financial position, results of operations or cash flows. However, managementâ€™s judgment may prove materially inaccurate, and such judgment is made subject to the known uncertainties of litigation.Peru Project DisputeIn 2015, Redes Andinas de Comunicaciones S.R.L. (Redes), a majority-owned subsidiary of Quanta, entered into two separate contracts with an agency of the Peruvian Ministry of Transportation and Communications (MTC), currently Programa Nacional de Telecomunicaciones (PRONATEL), as successor to Fondo de Inversion en Telecomunicaciones (FITEL), pursuant to which Redes would design, construct and operate certain telecommunication networks in rural regions of Peru. The aggregate consideration provided for in the contracts was approximately $248 million, consisting of approximately $151 million to be paid during the construction period and approximately $97 million to be paid during a 10-year post-construction operation and maintenance period. At the beginning of the project, FITEL made advance payments totaling approximately $87 million to Redes, which were secured by two on-demand advance payment bonds posted by Redes to guarantee proper use of the payments in the execution of the project. Redes also provided two on-demand performance bonds in the aggregate amount of $25 million to secure performance of its obligations under the contracts.During the construction phase, the project experienced numerous challenges and delays, primarily related to issues which Quanta believes were outside of the control of and not attributable to Redes, including, among others, weather-related issues, local opposition to the project, permitting delays, the inability to acquire clear title to certain required parcels of land and other delays which Quanta believes were attributable to FITEL/PRONATEL. In response to various of these challenges and delays, Redes requested and received multiple extensions to certain contractual deadlines and relief from related liquidated damages. However, in April 2019, PRONATEL provided notice to Redes claiming that Redes was in default under the contracts due to the delays and that PRONATEL would terminate the contracts if the alleged defaults were not cured. Redes responded by claiming that it was not in default, as the delays were due to events not attributable to Redes, and therefore PRONATEL was not entitled to terminate the contracts. PRONATEL subsequently terminated the contracts for alleged cause prior to completion of Redesâ€™ scope of work, exercised the on-demand performance bonds and advance payment bonds against Redes, and indicated its intention to claim damages, including liquidated damages under the contracts. As of the date of the contract terminations, Redes had incurred costs of approximately $157 million related to the design and construction of the project and had received approximately $100 million of payments (inclusive of the approximately $87 million advance payments).In May 2019, Redes filed for arbitration before the Court of International Arbitration of the International Chamber of Commerce (ICC) against PRONATEL and the MTC. In the arbitration, Redes claimed that PRONATEL: breached and wrongfully terminated the contracts; wrongfully executed the advance payment bonds and the performance bonds; and was not entitled to the alleged amount of liquidated damages, and sought compensation for various damages arising from PRONATELâ€™s actions in the initially claimed amount of approximately $190 million. In August 2022, Redes received the decision of the arbitration tribunal, which unanimously found in favor of Redes in connection with its claims and ordered, among other things, (i) repayment of the amounts collected by PRONATEL under the advance payment bonds and the performance bonds; (ii) payment of amounts owed for work completed by Redes under the contracts; (iii) payment of lost income in connection with Redesâ€™ future operation and maintenance of the networks; and (iv) payment of other related costs and damages to Redes as a result of the breach and improper termination of the contracts (including costs related to the execution of the bonds, costs related to the transfer of the networks and

legal and expert fees). Accordingly, the arbitration tribunal awarded Redes approximately $177 million. In addition, per the terms of the arbitration decision, interest will accrue on the amount owed up to the date of payment. The decision of the arbitration tribunal is final, with limited grounds on which PRONATEL and the MTC may seek to annul the decision in Peruvian courts. In December 2022, Redes filed an enforcement proceeding with respect to each project 29 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)contract to secure recovery of the arbitration award, and PRONATEL and the MTC filed an annulment proceeding with respect to each project contract. The enforcement and annulment proceedings were filed with different commercial courts in Lima, Peru. In April 2023 and August 2023, Redes received favorable rulings in each of the annulment proceedings rejecting the grounds for annulment; however, PRONATEL and the MTC are pursuing, and are expected to continue to pursue, certain remaining legal challenges to such rulings. Final decisions with respect to the enforcement proceedings are expected later in 2024. Additionally, in December 2022, following the favorable arbitration ruling, Quanta received $100.5 million pursuant to coverage under an insurance policy for the improper collection by PRONATEL and the MTC of the advance payment and performance bonds, and in January 2023 Quanta received $6.7 million pursuant to coverage under an insurance policy for nonpayment by PRONATEL and the MTC of amounts owed for work completed by Redes. Quanta is continuing to pursue collection of the ICC arbitration award and any amount collected would result in repayment of an equal amount to the insurers up to the amount received from the insurers. Quanta also reserves the right to seek full compensation for the loss of its investment under applicable legal regimes, including investment treaties and customary international law, as well as to seek resolution through direct discussions with PRONATEL or the MTC. In connection with these rights, in May 2020 Quantaâ€™s Dutch subsidiary delivered to the Peruvian government an official notice of dispute arising from the termination of the contracts and related acts by PRONATEL (which are attributable to Peru) under the Agreement on the Encouragement and Reciprocal Protection of Investments between the Kingdom of the Netherlands and the Republic of Peru (Investment Treaty). The Investment Treaty protects Quantaâ€™s subsidiaryâ€™s indirect ownership stake in Redes and the project, and provides for rights and remedies distinct from the ICC arbitration. In December 2020, Quantaâ€™s Dutch subsidiary filed a request for the institution of an arbitration proceeding against Peru with the International Centre for Settlement of Investment Disputes (ICSID) related to Peruâ€™s breach of the Investment Treaty, which was registered by ICSID in January 2021. In the ICSID arbitration, Quantaâ€™s Dutch subsidiary claims, without limitation, that Peru: (i) treated the subsidiaryâ€™s investment in Redes and the project unfairly and inequitably; and (ii) effectively expropriated the subsidiaryâ€™s investment in Redes and the project. In addition, Quantaâ€™s Dutch subsidiary is seeking full compensation for all damages arising from Peruâ€™s actions, including but not limited to (i) the fair market value of the investment and/or lost profits; (ii) attorneysâ€™ fees and arbitration costs; (iii) other related costs and damages and (iv) pre- and post-award interest. The ICSID arbitration hearing on the merits occurred in the second quarter of 2023 and a decision is currently expected in the second half of 2024.Quanta believes Redes is entitled to all amounts awarded by the ICC arbitration tribunal, and that its Dutch subsidiary is entitled to other amounts associated with the pending ICSID arbitration proceeding. Quanta and Redes intend to vigorously pursue recovery of the amounts awarded by the ICC arbitration tribunal and take additional legal actions deemed necessary to enforce the ICC arbitration decision. However, due to the inherent uncertainty involved with, among other things, the challenges to the annulment decisions, enforcement and related proceedings, the ultimate timing and conclusion with respect to collection of the amounts of the ICC arbitration award remains unknown.As a result of the contract terminations and the inherent uncertainty involved in arbitration proceedings and recovery of amounts owed, during the three months ended June 30, 2019, Quanta recorded a charge to earnings of $79.2 million, which included a reduction of previously recognized earnings on the project, a reserve against a portion of the project costs incurred through the project termination date, an accrual for a portion of the alleged liquidated damages, and the estimated costs to complete the project turnover and close out the project. Quanta also initially recorded a contract receivable of approximately $120 million related to the project during the three months ended June 30, 2019, which includes the amounts collected by PRONATEL through exercise of the advance payment bonds and performance bonds. As of JuneÂ 30, 2024, the total amount of the receivable was not changed and is included in â€œOther assets, netâ€ in the accompanying consolidated balance sheet. Additionally, with respect to the amounts received pursuant to coverage under the insurance policies described above, $107.2 million is included in â€œInsurance and other non-current liabilitiesâ€ in the accompanying condensed consolidated balance sheet as of JuneÂ 30, 2024. After considering, as discussed above, that the ultimate timing and conclusion with respect to collection of the full amounts associated with the ICC arbitration award remains unknown, Quanta has not recognized a gain in the current period. To the extent amounts in excess of the current receivable are determined to be realizable, a gain would be recorded in the period such determination is made. However, if Quanta is ultimately not successful with respect to collection of the ICC arbitration award or with respect to its claims in the pending ICSID arbitration proceeding, this matter could result in an additional significant loss that could have a material adverse effect on Quantaâ€™s consolidated results of operations and cash flows.Silverado Wildfire Matter During 2022 and 2023, two of Quantaâ€™s subsidiaries received tenders of defense and demands for preservation of evidence from Southern California Edison Company (SCE) related to lawsuits filed from April 2021 through June 2024 against 30 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)SCE and T-Mobile USA, Inc. (T-Mobile) in the Superior Court of California, County of Orange. The lawsuits generally assert property damage and related claims on behalf of certain individuals and subrogation claims on behalf of insurers relating to damages caused by a wildfire that began in October 2020 in Orange County, California (the Silverado Fire) and that is purported to have damaged approximately 13,000 acres. The lawsuits allege the Silverado Fire originated from utility poles in the area, generally claiming that each defendant failed to adequately maintain, inspect, repair or replace its overhead facilities, equipment and utility poles and remove vegetation in the vicinity; that the utility poles were overloaded with equipment from shared usage; and that SCE failed to de-energize its facilities during red flag warnings for a Santa Ana wind event. The lawsuits allege the Silverado Fire started when SCE and T-Mobile equipment contacted each other and note the Orange County Fire Department is investigating whether a T-Mobile lashing wire contacted an SCE overhead primary conductor in high winds. T-Mobile has filed cross-complaints against SCE alleging, among other things, that the ignition site of the Silverado Fire encompassed two utility poles replaced by SCE or a third party engaged by SCE, and that certain equipment, including T-Mobileâ€™s lashing wire, was not sufficiently re-secured after the utility pole replacements. One of Quantaâ€™s subsidiaries performed planning and other services related to the two utility poles, and another Quanta subsidiary replaced the utility poles and reattached the electrical and telecommunication equipment to the new utility poles in March 2019, approximately 19 months before the Silverado Fire. Pursuant to the general terms of a master services agreement and a master consulting services agreement between the Quanta subsidiaries and SCE, the subsidiaries agreed to defend and indemnify SCE against certain claims arising with respect to performance or nonperformance under the agreements. The SCE tender letters seek contractual indemnification and defense from Quantaâ€™s subsidiaries for the claims asserted against SCE in the lawsuits and the T-Mobile cross-complaints. Quantaâ€™s subsidiaries intend to vigorously defend against the lawsuits, the T-Mobile cross-complaints and any other claims asserted in connection with the Silverado Fire. Quanta will continue to review additional information in connection with this matter as litigation and resolution efforts progress, and any such information may potentially allow Quanta to determine an estimate of potential loss, if any. As of JuneÂ 30, 2024, Quanta had not recorded an accrual with respect to this matter, and Quanta is currently unable to reasonably estimate a range of reasonably possible loss, if any, because there are a number of unknown facts and legal considerations that may impact the amount of any potential liability. Quanta also believes that to the extent its subsidiaries are determined to be liable for any damages resulting from this matter, its insurance would be applied to any such liabilities over its deductible amount and its insurance coverage would be adequate to cover such potential liabilities. However, the ultimate amount of any potential liability and insurance coverage in connection with this matter remains subject to uncertainties associated with pending and potential future litigation.InsuranceQuanta is insured for, among other things, employerâ€™s liability, workersâ€™ compensation, auto liability, aviation and general liability claims. Quanta manages and maintains a portion of its casualty risk indirectly through its wholly-owned captive insurance company, which insures all claims up to the amount of the applicable deductible of its third-party insurance programs, as well as with respect to certain other amounts. As of JuneÂ 30, 2024 and December 31, 2023, the gross amount accrued for employerâ€™s liability, workersâ€™ compensation, auto liability, general liability, and group health claims totaled $398.8 million and $351.7 million, of which $252.8 million and $229.2 million are included in â€œInsurance and other non-current liabilities,â€ and the remainder is included in â€œAccounts payables and accrued expenses.â€ Related insurance recoveries/receivables as of JuneÂ 30, 2024 and December 31, 2023 were $5.5 million and $4.9 million, of which $0.9 million and $0.3 million are included in â€œPrepaid expenses and other current assetsâ€ and $4.6 million and $4.6 million are included in â€œOther assets, net.â€BondsAs of JuneÂ 30, 2024, the total amount of the outstanding performance bonds was estimated to be approximately $8.8 billion. Quantaâ€™s estimated maximum exposure related to the value of the performance bonds outstanding is lowered on each bonded project as the cost to complete is reduced, and each commitment under a performance bond generally extinguishes concurrently with the expiration of its related contractual obligation. Capital Commitments and Other Committed ExpendituresAs of JuneÂ 30, 2024, Quanta had $71.6 million of outstanding capital commitments associated with investments in unconsolidated affiliates, the majority of which relates to a limited partnership interest in a fund that targets investments in certain portfolio companies that operate businesses related to the transition to a reduced-carbon economy. As of JuneÂ 30, 2024, Quanta had $105.9 million of unfilled production orders primarily related to its fleet of vehicles, which have expected delivery dates during the remainder of 2024 and $11.9 million which have expected delivery dates during 31 QUANTA SERVICES, INC. AND SUBSIDIARIESNOTESÂ TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS - (Continued)(Unaudited)2025, in order to accommodate manufacturer lead times on certain types of vehicles. Although Quanta has committed to purchase these vehicles at the time of their delivery, Quanta anticipates that the majority of these orders will be assigned to third party leasing companies and made available under certain master equipment lease agreements, thereby releasing Quanta from its capital commitments.15. DETAIL OF CERTAIN ACCOUNTS:Cash and Cash EquivalentsAs of JuneÂ 30, 2024 and December 31, 2023, cash equivalents were $148.7 million and $610.8 million and consisted primarily of money market investments, money market mutual funds and short-term deposits. Cash and cash equivalents held by joint ventures, which are either consolidated or proportionately consolidated, are available to support joint venture operations, but Quanta cannot utilize those assets to support its other operations. Quanta generally has no right to cash and cash equivalents held by a joint venture other than participating in distributions, to the extent made, and in the event of dissolution. Managementâ€™s Discussion and Analysis of Financial Condition and Results of OperationsGeneralThe following discussion and analysis of the financial condition and results of operations of Quanta Services, Inc. (together with its subsidiaries, Quanta, we, us or our) should be read in conjunction with our condensed consolidated financial statements and related notes included elsewhere in this Quarterly Report and with our 2023 Annual Report, which was filed with the SEC on FebruaryÂ 22, 2024 and is available on the SECâ€™s website at www.sec.gov and on our website at www.quantaservices.com. The discussion below contains forward-looking statements that are based upon our current expectations and are subject to uncertainty and changes in circumstances. Actual results may differ materially from these expectations due to inaccurate assumptions and known or unknown risks and uncertainties, including those identified in Cautionary Statement About Forward-Looking Statements and Information above, in Item 1A. Risk Factors of Part II of this Quarterly Report and in Item 1A. Risk Factors of Part I of our 2023 Annual Report.Overview Our second quarter 2024 results reflect increased demand for our services, as consolidated revenue and operating income increased as compared to the second quarter of 2023, primarily due to increased revenues and operating income for our Renewable Energy Infrastructure Solutions (Renewable Energy) segment. With respect to our Electric Power Infrastructure Solutions (Electric Power) segment, utilities are continuing to invest significant capital in their electric power delivery systems through multi-year grid modernization and reliability programs, as well as system upgrades and hardening programs in response to recurring severe weather events. We have also experienced high demand for new and expanded transmission, substation and distribution infrastructure needed to reliably transport power. With respect to our Renewable Energy segment, the transition to a reduced-carbon economy is continuing to drive demand for renewable generation and related infrastructure (e.g., high-voltage electric transmission and substation infrastructure), as well as interconnection services necessary to connect and transmit renewable-generated electricity to existing electric power delivery systems. Despite these positive longer-term trends, during 2022 and into 2023, the timing of certain projects within this segment were negatively impacted by supply chain challenges that resulted in delays and shortages of, and increased costs for, materials necessary for certain projects, particularly sourcing restrictions related to solar panels necessary for the utility-scale solar industry and delays in availability of power transformers impacting the electric power and renewable energy industries. While certain challenges associated with solar panel sourcing improved during 2023, we could experience and continue to monitor other potential supply chain challenges that could impact the availability and/or cost of renewable infrastructure project components, including solar generation components, in future periods. With respect to our Underground Utility and Infrastructure Solutions (Underground and Infrastructure) segment, during the second quarter of 2024 we continued to experience strong demand for our services focused on utility spending, in particular our gas distribution services to natural gas utilities that are implementing modernization programs, and our downstream industrial services, as customers continued to move forward with certain maintenance and capital spending that was previously deferred. Additionally, although revenues associated with large pipeline projects in Canada increased in 2022 and 2023, as compared to prior years, we anticipate that revenues associated with these projects will continue to fluctuate. During the six months ended JuneÂ 30, 2024, increased revenues and operating income contributed to $629.3 million of net cash provided by operating activities, a 279% increase compared to the six months ended JuneÂ 30, 2023, which allowed us to execute our business plan, including the strategic acquisition of certain businesses, for which we utilized $450.8 million of cash, net of cash acquired, and the payment of

$27.0 million in dividends associated with our common stock. Additionally, as of JuneÂ 30, 2024, available commitments under our senior credit facility, combined with our cash and cash equivalents, totaled $2.77 billion.In July 2024, we acquired Cupertino Electric, Inc. (Cupertino). The consideration, excluding cash acquired and subject to certain adjustments, was approximately $1.5Â billion, which included cash and shares of Quanta common stock (valued at approximately $216.3 million as of the acquisition date). Additionally, as further described in Note 5 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report, there is also a potential earnout payment of up to $200.0 million associated with this acquisition. Also in July 2024, we entered into, and borrowed the full amount available under a $400.0Â million 90-day term loan facility outside of the senior credit facility and utilized these borrowings, together with $1.20 billion of borrowings under our commercial paper program and cash on hand, primarily to finance the cash portion of the acquisition of Cupertino and pay certain related costs and expenses and working capital requirements. Approximately $215.0Â million of the commercial paper borrowings were repaid with cash held by Cupertino and acquired in the acquisition. See Note 8 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report. 34 We expect the strong demand for our services will continue. Our remaining performance obligations and backlog were $14.37 billion and $31.31 billion as of JuneÂ 30, 2024, representing increases of 3.4% and 4.0% relative to December 31, 2023. For a reconciliation of backlog to remaining performance obligations, the most comparable financial measure prepared in conformity with generally accepted accounting principles in the United States (GAAP), see Non-GAAP Financial Measures below. Significant Factors Impacting ResultsOur revenues, profit, margins and other results of operations can be influenced by a variety of factors in any given period, including those described in Item 1. Business and Item 1A. Risk Factors of Part I in our 2023 Annual Report, and those factors have caused fluctuations in our results in the past and are expected to cause fluctuations in our results in the future. Additional information with respect to certain of those factors is provided below.Seasonality. Typically, our revenues are lowest in the first quarter of the year because cold, snowy or wet conditions can create challenging working environments that are more costly for our customers or cause delays on projects. In addition, infrastructure projects often do not begin in a meaningful way until our customers finalize their capital budgets, which typically occurs during the first quarter. Second quarter revenues are typically higher than those in the first quarter, as some projects begin, but continued cold and wet weather can often impact productivity. Third quarter revenues are typically the highest of the year, as a greater number of projects are underway and operating conditions, including weather, are normally more accommodating. Generally, revenues during the fourth quarter are lower than the third quarter but higher than the second quarter, as many projects are completed and customers often seek to spend their capital budgets before year end. However, the holiday season and inclement weather can sometimes cause delays during the fourth quarter, reducing revenues and increasing costs. These seasonal impacts are typical for our U.S. operations, but seasonality for our international operations may differ. For example, revenues for certain projects in Canada are typically higher in the first quarter because projects are often accelerated in order to complete work while the ground is frozen and prior to the break up, or seasonal thaw, as productivity is adversely affected by wet ground conditions during warmer months. Weather, natural disasters and emergencies.Â The results of our business in a given period can be impacted by adverse weather conditions, severe weather events, natural disasters or other emergencies, which include, among other things, heavy or prolonged snowfall or rainfall, hurricanes, tropical storms, tornadoes, floods, blizzards, extreme temperatures, wildfires, post-wildfire floods and debris flows, pandemics and earthquakes. Climate change has the potential to increase the frequency and extremity of severe weather events. These conditions and events can negatively impact our financial results due to, among other things, the termination, deferral or delay of projects, reduced productivity and exposure to significant liabilities due to failure of electrical power or other infrastructure on which we have performed services. However, severe weather events can also increase our emergency restoration services, which typically yield higher margins due in part to higher equipment utilization and absorption of fixed costs. Demand for services. We perform the majority of our services under existing contracts, including MSAs and similar agreements pursuant to which our customers are not committed to specific volumes of our services. Therefore our volume of business can be positively or negatively affected by fluctuations in the amount of work our customers assign us in a given period, which may vary by geographic region. Examples of items that may cause demand for our services to fluctuate materially from quarter to quarter include: the financial condition of our customers, their capital spending and their access to and cost of capital; acceleration of any projects or programs by customers (e.g., modernization or hardening programs); economic and political conditions on a regional, national or global scale, including availability of renewable energy tax credits; interest rates; governmental regulations affecting the sourcing and costs of materials and equipment; other changes in U.S. and global trade relationships; and project deferrals and cancellations. Revenue mix and impact on margins.Â The mix of revenues based on the types of services we provide in a given period will impact margins, as certain industries and services provide higher-margin opportunities. Our larger or more complex projects typically include, among others, transmission projects with higher voltage capacities; pipeline projects with larger-diameter throughput capacities; large-scale renewable generation projects; and projects with increased engineering, design or construction complexities, more difficult terrain or geographical requirements, or longer distance requirements. These projects typically yield opportunities for higher margins than our recurring services under MSAs described above, as we assume a greater degree of performance risk and there is greater utilization of our resources for longer construction timeframes. However, larger projects are subject to additional risk of regulatory delay and cyclicality. Project schedules also fluctuate, particularly in connection with larger, more complex or longer-term projects, which can affect the amount of work performed in a given period. Furthermore, smaller or less complex projects typically have a greater number of companies competing for them, and competitors at times may more aggressively pursue available work. A greater percentage of smaller scale or less complex work also could negatively impact margins due to the inefficiency of transitioning between a greater number of smaller projects 35 versus continuous production on fewer larger projects. As a result, at times we may choose to maintain a portion of our workforce and equipment in an underutilized capacity to ensure we are strategically positioned to deliver on larger projects when they move forward.Project variability and performance.Â Margins for a single project may fluctuate period to period due to changes in the volume or type of work performed, the pricing structure under the project contract or job productivity. Additionally, our productivity and performance on a project can vary period to period based on a number of factors, including unexpected project difficulties or site conditions (including in connection with difficult geographic characteristics); project location, including locations with challenging operating conditions; whether the work is on an open or encumbered right of way; inclement weather or severe weather events; environmental restrictions or regulatory delays; protests, public activism, other political activity or legal challenges related to a project; and the performance of third parties. Moreover, we currently generate a significant portion of our revenues under fixed price contracts, and fixed price contracts are more common in connection with our larger and more complex projects that typically involve greater performance risk. Under these contracts, we assume risks related to project estimates and execution, and project revenues can vary, sometimes substantially, from our original projections due to a variety of factors, including the additional complexity, timing uncertainty or extended bidding, regulatory and permitting processes associated with these projects. These variations can result in a reduction in expected profit, the incurrence of losses on a project or the issuance of change orders and/or assertion of contract claims against customers. See Contract Estimates and Changes in Estimates in Note 3 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report.Subcontract work and provision of materials.Â Work that is subcontracted to other service providers generally yields lower margins, and therefore an increase in subcontract work in a given period can decrease operating margins. In recent years, we have subcontracted approximately 20% of our work to other service providers. Additionally, under certain contracts, including contracts for engineering, procurement and construction services, we agree to procure all or part of the required materials. While we attempt to structure our agreements with customers and suppliers to account for the impact of increased materials procurement requirements or fluctuations in the cost of materials we procure, our margins may be lower on projects where we furnish a significant amount of materials, as our markup on materials is generally lower than our markup on labor costs, and in a given period an increase in the percentage of work with greater materials procurement requirements may decrease our overall margins, including in some cases our assuming price risk. Furthermore, fluctuations in the price or availability of materials, equipment and consumables that we or our customers utilize could impact costs to complete projects. 36 Results of OperationsConsolidated ResultsThree months ended JuneÂ 30, 2024 compared to the three months ended JuneÂ 30, 2023 The following table sets forth selected statements of operations data, such data as a percentage of revenues for the periods indicated, as well as the dollar and percentage change from the prior period (dollars in thousands). See Segment Results below for additional information and discussion related to segment revenues.Cost of services. Costs of services primarily includes wages, benefits, subcontractor costs, materials, equipment, and other direct and indirect costs, including related depreciation. The increase in cost of services generally correlates to the increase in revenues.Selling, general and administrative expenses. The increase was primarily attributable to a $19.2Â million increase related to recently acquired businesses; a $9.7Â million increase in compensation expense, largely associated with increased salaries due primarily to an increase in employees to support business growth; a $7.8Â million increase in travel and related expenses to support business growth; and a $6.6 million increase in acquisition and integration costs.Amortization of intangible assets.Â The increase was related to incremental amortization expense associated with recent acquisitions.Operating income. Operating income was positively impacted by a $52.2 million increase in operating income for our Renewable Energy segment and a $19.8 million increase in operating income for our Electric Power segment, partially offset by a $25.6 million decrease in operating income for our Underground and Infrastructure segment and an $18.5 million increase in corporate and non-allocated costs, which includes amortization expense. Results for each of our business segments and our corporate and non-allocated costs are discussed in Segment Results below. Interest and other financing expenses.Â The decrease primarily resulted from a reduction in average variable rate debt outstanding as compared to the three months ended JuneÂ 30, 2023. Provision for income taxes.Â The effective tax rates for the three months ended JuneÂ 30, 2024 and 2023 were 28.2% and 29.4%. The lower rate for the three months ended JuneÂ 30, 2024 was primarily due to changes in the mix of earnings across the jurisdictions in which we operate. 37 Comprehensive income. See Statements of Comprehensive Income in Item 1. Financial Statements of Part I of this Quarterly Report. Comprehensive income decreased by $7.7 million in the three months ended JuneÂ 30, 2024 as compared to the three months ended JuneÂ 30, 2023 due to a $33.0 million decrease related to foreign currency translation adjustments, which was partially offset by a $25.3 million increase in net income. The predominant functional currencies for our operations outside the U.S. are Canadian and Australian dollars. Foreign currency translation losses for the three months ended JuneÂ 30, 2024 primarily resulted from the strengthening of the U.S. dollar against the Canadian dollar.Six months ended JuneÂ 30, 2024 compared to the six months ended JuneÂ 30, 2023The following table sets forth selected statements of operations data, such data as a percentage of revenues for the periods indicated, as well as the dollar and percentage change from the prior period (dollars in thousands):Six Months Ended June 30,Change20242023$%Revenues$10,626,206Â 100.0Â %$9,477,436Â 100.0Â %$1,148,770Â 12.1Â %Cost of services (including related depreciation)9,191,381Â 86.5Â 8,180,142Â 86.3Â 1,011,239Â 12.4Â %Gross profit1,434,825Â 13.5Â 1,297,294Â 13.7Â 137,531Â 10.6Â %Equity in earnings of integral unconsolidated affiliates20,920Â 0.2Â 18,990Â 0.2Â 1,930Â 10.2Â %Selling, general and administrative expenses(834,696)(7.9)(768,723)(8.1)(65,973)8.6Â %Amortization of intangible assets(156,725)(1.4)(142,428)(1.5)(14,297)10.0Â %Change in fair value of contingent consideration liabilities(1,740)â€”Â â€”Â â€”Â (1,740)*Operating income462,584Â 4.4Â 405,133Â 4.3Â 57,451Â 14.2Â %Interest and other financing expenses(86,393)(0.8)(89,882)(0.9)3,489Â (3.9)%Interest income11,580Â 0.1Â 2,964Â â€”Â 8,616Â *Other income, net26,499Â 0.2Â 11,285Â 0.1Â 15,214Â 134.8Â %Income before income taxes414,270Â 3.9Â 329,500Â 3.5Â 84,770Â 25.7Â %Provision for income taxes96,295Â 0.9Â 65,946Â 0.7Â 30,349Â 46.0Â %Net income317,975Â 3.0Â 263,554Â 2.8Â 54,421Â 20.6Â %Less: Net income attributable to non-controlling interests11,456Â 0.1Â 2,609Â â€”Â 8,847Â 339.1Â %Net income attributable to common stock$306,519Â 2.9Â %$260,945Â 2.8Â %$45,574Â 17.5Â %* The change is not meaningful.Revenues.Â Revenues increased due to a $1.22 billion increase in revenues from our Renewable Energy segment and a $28.2 million increase in revenues from our Electric Power segment, partially offset by a $100.3 million decrease in revenues from our Underground and Infrastructure segment. See Segment Results below for additional information and discussion related to segment revenues.Cost of services. Costs of services primarily includes wages, benefits, subcontractor costs, materials, equipment, and other direct and indirect costs, including related depreciation. The increase in cost of services generally correlates to the increase in revenues.Selling, general and administrative expenses.Â The increase was primarily attributable to a $37.9 million increase related to recently acquired businesses; a $12.6 million increase in travel and related expenses to support business growth; and an $11.2 million loss on the disposal of a non-core business.Amortization of intangible assets. The increase was related to incremental amortization expense associated with recent acquisitions.Operating income. Operating income was positively impacted by a $91.4 million increase in operating income for our Renewable Energy segment and a $32.7 million increase in operating income for our Electric Power segment, partially offset by a $40.3 million decrease in operating income for our Underground and Infrastructure segment and a $26.4 million increase in corporate and non-allocated costs, which includes amortization expense. Results for each of our business segments and corporate and non-allocated costs are discussed in Segment Results below. 38 Interest and other financing expenses.Â The decrease primarily resulted from a reduction in average variable rate debt outstanding as compared to the six months ended JuneÂ 30, 2023.Other income (expense), net. The increase was primarily attributable to a gain of $12.6 million resulting from the sale of an investment in a non-integral unconsolidated affiliate, $5.0 million of which was attributable to a non-controlling interest, as further described in Note 6 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report. Provision for income taxes.Â The effective tax rates for the six months ended JuneÂ 30, 2024 and 2023 were 23.2% and 20.0%. The tax rate for the six months ended JuneÂ 30, 2024 was favorably impacted by the recognition of a $22.4 million benefit that resulted from equity incentive awards vesting at a higher fair market value than their grant date fair market value, as compared to the recognition of $32.4 million associated with this tax benefit for the six months ended JuneÂ 30, 2023. Net income attributable to non-controlling interests. The increase in net income attributable to non-controlling interests is primarily related to the $5.0 million gain on the sale of the investment in a non-integral equity unconsolidated affiliate recorded during the six months ended JuneÂ 30, 2024, as described above.Comprehensive income. See Statements of Comprehensive Income in Item 1. Financial Statements of Part I of this Quarterly Report. Comprehensive income decreased by $10.4 million in the six months ended JuneÂ 30, 2024 as compared to the six months ended JuneÂ 30, 2023, primarily due to a $64.0 million decrease in foreign currency translation adjustments, partially offset by a $54.4 million increase in net income. The predominant functional currencies for our operations outside the U.S. are Canadian and Australian dollars. Foreign currency translation losses for the six months ended JuneÂ 30, 2024 primarily resulted from the strengthening of the U.S. dollar against the Canadian and Australian dollars. Segment ResultsWe report our results under three reportable segments: Electric Power, Renewable Energy and Underground and Infrastructure. Reportable segment information, including revenues and operating income by type of work, is gathered from each of our operating companies. Classification of our operating company revenues by type of work for segment reporting purposes can at times require judgment on the part of management. Integrated operations and common administrative support for operating companies require that certain allocations be made to determine segment profitability, including allocations of corporate shared and indirect operating costs, as well as general and administrative costs. Certain corporate costs are not allocated, including corporate facility costs; non-allocated corporate salaries, benefits and incentive compensation; acquisition and integration costs; non-cash stock-based compensation; amortization related to intangible assets; asset impairments related to goodwill and intangible assets; and change in fair value of contingent consideration liabilities.Three months ended JuneÂ 30, 2024 compared to the three months ended JuneÂ 30, 2023 The following table sets forth segment revenues, segment operating income (loss) and operating margins for the periods indicated, as well as the dollar

Underground and Infrastructure Segment ResultsRevenues. The decrease in revenues for the three months ended JuneÂ 30, 2024 was primarily due to lower revenues from large pipeline projects in Canada, which was partially offset by increased revenues associated with large pipeline projects in the United States and approximately $55 million in revenues attributable to an acquired business.Operating Income. The decrease in operating income and operating margin for the three months ended JuneÂ 30, 2024 was primarily due to the decreased revenues in Canada, which contributed to lower levels of fixed cost absorption.Corporate and Non-Allocated CostsThe increase in corporate and non-allocated costs during the three months ended JuneÂ 30, 2024 was primarily due to a $9.2 million increase in amortization of intangible assets and a $6.6 million increase in acquisition and integration costs.Six months ended JuneÂ 30, 2024 compared to the six months ended JuneÂ 30, 2023 The following table sets forth segment revenues, segment operating income (loss) and operating margins for the periods indicated, as well as the dollar and percentage change from the prior period (dollars in thousands):Six Months Ended June 30,Change20242023$%Revenues:Electric Power$4,779,448Â 44.9Â %$4,751,291Â 50.1Â %$28,157Â 0.6Â %Renewable Energy3,618,556Â 34.1Â 2,397,668Â 25.3Â 1,220,888Â 50.9Â %Underground and Infrastructure 2,228,202Â 21.0Â 2,328,477Â 24.6Â (100,275)(4.3)%Consolidated revenues$10,626,206Â 100.0Â %$9,477,436Â 100.0Â %$1,148,770Â 12.1Â %Operating income (loss):Â Â Electric Power$491,885Â 10.3Â %$459,166Â 9.7Â %$32,719Â 7.1Â %Renewable Energy237,567Â 6.6Â %146,143Â 6.1Â %91,424Â 62.6Â %Underground and Infrastructure 128,481Â 5.8Â %168,780Â 7.2Â %(40,299)(23.9)%Corporate and Non-Allocated Costs(395,349)(3.7)%(368,956)(3.9)%(26,393)7.2Â %Consolidated operating income$462,584Â 4.4Â %$405,133Â 4.3Â %$57,451Â 14.2Â %Electric Power Infrastructure Solutions Segment ResultsRevenues. The increase in revenues for the six months ended JuneÂ 30, 2024 was primarily due to increased demand for generation and transmission services for renewable generation projects. Operating Income. The increase in operating income and operating margin was primarily due to the increase in revenues during the six months ended JuneÂ 30, 2024. Additionally, operating income and operating margin during the six months ended June 30, 2023 were negatively impacted by delays, logistical challenges and other issues outside of our control that increased costs associated with a large renewable energy project in Canada. Operating margin for the six months ended JuneÂ 30, 2024 was negatively impacted by decreased operating income margins on various solar projects in the United States that were the result of decreased productivity.Underground Utility and Infrastructure Solutions Segment ResultsRevenues. The decrease in revenues for the six months ended JuneÂ 30, 2024 was primarily due to lower revenues from large pipeline projects in Canada, which was partially offset by increased revenues associated with large pipeline projects in the United States and approximately $115 million in revenues attributable to an acquired business.Operating Income. The decrease in operating income and operating margin for the six months ended JuneÂ 30, 2024 was primarily due to decreased revenues in Canada, which contributed to lower levels of fixed cost absorption, and an $11.2 million loss recorded during the six months ended JuneÂ 30, 2024 related to the disposition of a non-core business.Corporate and Non-Allocated CostsThe increase in corporate and non-allocated costs during the six months ended JuneÂ 30, 2024 was primarily due to a $14.3 million increase in intangible asset amortization, as well as an aggregate increase of $12.1 million primarily related to compensation expense, which was attributable to non-cash stock compensation expense and salaries in support of business growth.Non-GAAP Financial MeasuresEBITDA and Adjusted EBITDAEBITDA and adjusted EBITDA, financial measures not recognized under GAAP, when used in connection with net income attributable to common stock, are intended to provide useful information to investors and analysts as they evaluate our performance. EBITDA is defined as earnings before interest and other financing expenses, taxes, depreciation and amortization, and adjusted EBITDA is defined as EBITDA adjusted for certain other items as described below. These measures should not be considered as an alternative to net income attributable to common stock or other financial measures of performance that are derived in accordance with GAAP. Management believes that the exclusion of these items from net income attributable to common stock enables us and our investors to more effectively evaluate our operations period over period and to identify operating trends that might not be apparent due to, among other reasons, the variable nature of these items period over period. In addition, management believes these measures may be useful for investors in comparing our operating results with other companies that may be viewed as our peers.As to certain of the items below, (i) non-cash stock-based compensation expense varies from period to period due to acquisition activity, changes in the estimated fair value of performance-based awards, forfeiture rates, accelerated vesting and amounts granted; (ii) acquisition and integration costs vary from period to period depending on the level and complexity of our acquisition activity; (iii) equity in (earnings) losses of non-integral unconsolidated affiliates varies from period to period depending on the activity and financial performance of such affiliates, the operations of which are not operationally integral to us; (iv) gains and losses on the sale of investments and businesses vary from period to period depending on activity; and (v) change in fair value of contingent consideration liabilities varies from period to period depending on the performance in post-acquisition periods of certain acquired businesses and the effect of present value accretion on fair value calculations. Because EBITDA and adjusted EBITDA, as defined, exclude some, but not all, items that affect net income attributable to common stock, such measures may not be comparable to similarly titled measures of other companies. The most comparable GAAP 41 financial measure, net income attributable to common stock, and information reconciling the GAAP and non-GAAP financial measures, are included below. Our remaining performance obligations represent managementâ€™s estimate of consolidated revenues that are expected to be realized from the remaining portion of firm orders under fixed price contracts not yet completed or for which work has not yet begun, which includes estimated revenues attributable to consolidated joint ventures and variable interest entities, revenues from funded and unfunded portions of government contracts to the extent they are reasonably expected to be realized, and revenues from change orders and claims to the extent management believes they will be earned and are probable of collection.We have also historically disclosed our backlog, a measure commonly used in our industry but not recognized under GAAP. We believe this measure enables management to more effectively forecast our future capital needs and results and better identify future operating trends that may not otherwise be apparent. We believe this measure is also useful for investors in forecasting our future results and comparing us to our competitors. Our remaining performance obligations are a component of backlog, which also includes estimated orders under MSAs, including estimated renewals, and certain non-fixed price contracts. Our methodology for determining backlog may not be comparable to the methodologies used by other companies.As of JuneÂ 30, 2024 and December 31, 2023, MSAs accounted for 41% and 45% of our estimated 12-month backlog and 54% and 55% of our total backlog. Generally, our customers are not contractually committed to specific volumes of services under our MSAs, and most of our contracts can be terminated on short notice even if we are not in default. We determine the estimated backlog for these MSAs using recurring historical trends, factoring in seasonal demand and projected customer needs based upon ongoing communications. In addition, many of our MSAs are subject to renewal, and these potential renewals are considered in determining estimated backlog. As a result, estimates for remaining performance obligations and backlog are subject to change based on, among other things, project accelerations; project cancellations or delays, including but not limited to those caused by commercial issues, regulatory requirements, natural disasters, emergencies and adverse weather conditions; and final acceptance of change orders by customers. These factors can cause revenues to be realized in periods and at levels that are different than originally projected. 42 The following table reconciles total remaining performance obligations to our backlog (a non-GAAP financial measure) by reportable segment along with estimates of amounts expected to be realized within 12 months (in thousands): June 30, 2024December 31, 202312 MonthTotal12 MonthTotalElectric PowerRemaining performance obligations$2,910,917Â $5,381,411Â $2,762,608Â $4,505,830Â Estimated orders under MSAs and short-term, non-fixed price contracts4,935,743Â 11,787,339Â 5,597,732Â 10,995,198Â Backlog$7,846,660Â $17,168,750Â $8,360,340Â $15,501,028Â Renewable EnergyRemaining performance obligations$5,344,490Â $7,551,651Â $5,512,159Â $8,005,368Â Estimated orders under MSAs and short-term, non-fixed price contracts270,039Â 283,936Â 118,770Â 119,634Â Backlog$5,614,529Â $7,835,587Â $5,630,929Â $8,125,002Â Underground and InfrastructureRemaining performance obligations$1,195,150Â $1,436,069Â $1,017,227Â $1,383,057Â Estimated orders under MSAs and short-term, non-fixed price contracts1,962,185Â 4,870,392Â 2,222,451Â 5,099,332Â Backlog$3,157,335Â $6,306,461Â $3,239,678Â $6,482,389Â TotalRemaining performance obligations$9,450,557Â $14,369,131Â $9,291,994Â $13,894,255Â Estimated orders under MSAs and short-term, non-fixed price contracts7,167,967Â 16,941,667Â 7,938,953Â 16,214,164Â Backlog$16,618,524Â $31,310,798Â $17,230,947Â $30,108,419Â The increase in remaining performance obligations from December 31, 2023 to JuneÂ 30, 2024 was primarily attributable to multiple new project awards, while the increase in backlog from December 31, 2023 to JuneÂ 30, 2024 was primarily attributable to new project awards included in the Electric Power segment.Liquidity and Capital ResourcesOverviewWe plan to fund our working capital, capital expenditures, debt service, dividends and other cash requirements with our current available liquidity and cash from operations, which could be affected by general economic, financial, competitive, legislative, regulatory, business and other factors, many of which are beyond our control. Management monitors financial markets and national and global economic conditions for factors that may affect our liquidity and capital resources. Our capital deployment priorities that require the use of cash include: (i) working capital to fund ongoing operating needs, (ii) capital expenditures to meet anticipated demand for our services, (iii) acquisitions and investments to facilitate the long-term growth and sustainability of our business, and (iv) return of capital to stockholders, including through the payment of dividends and repurchases of our outstanding common stock. We intend to fund these requirements primarily with cash flow from operating activities, as well as debt financing as needed. Cash Requirements and Capital AllocationDuring the six months ended JuneÂ 30, 2024, there were no material changes outside the ordinary course of business in the specified contractual obligations or changes to our capital allocation priorities as set forth in Item 7. Managementâ€™s Discussion and Analysis of Financial Condition and Results of OperationsÂ in Part II of the 2023 Annual Report. Subsequent to JuneÂ 30, 2024, and as described below, we entered into, and borrowed the full amount available under, a new $400 million 90-day term loan facility, borrowed approximately $1.2 million under our commercial paper program and amended our credit facility. We anticipate that our future cash flows from operating activities, cash and cash equivalents on hand, existing borrowing capacity under our senior credit facility and commercial paper program and ability to access capital markets for additional capital will 43 provide sufficient funds to enable us to meet our cash requirements for the next twelve months and over the longer term. Significant Sources of Cash Cash flow from operating activities is primarily influenced by demand for our services and operating margins but is also influenced by the timing of working capital needs associated with the various types of services that we provide. Our working capital needs may increase when we commence large volumes of work under circumstances where project costs are required to be paid before the associated receivables are billed and collected. Additionally, operating cash flows can be negatively impacted as a result of unpaid and delayed change orders and claims. Changes in project timing due to delays or accelerations and other economic, regulatory, market and political factors that may affect customer spending could also impact cash flow from operating activities. Further information with respect to our cash flow from operating activities is set forth below and in Note 16 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report.Our available commitments under our senior credit facility and cash and cash equivalents as of JuneÂ 30, 2024 were as follows (in thousands):June 30, 2024Total capacity available for revolving loans, credit support for commercial paper program and letters of credit$2,640,000Â Less:Borrowings of revolving loans136,737Â Letters of credit outstanding249,210Â Available commitments for revolving loans, credit support for commercial paper program and letters of credit2,254,053Â Plus:Cash and cash equivalents (1)518,140Â Total available commitments under senior credit facility and cash and cash equivalents$2,772,193Â (1)Â Â Â Â Further information with respect to our cash and cash equivalents is set forth below and in Note 15 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report. This amount includes $258.8 million in jurisdictions outside of the U.S., principally in Canada and Australia. There are currently no legal or economic restrictions that would materially impede our ability to repatriate such cash.In July 2024, we entered into, and borrowed the full amount available under, a $400.0Â million 90-day term loan facility outside of our senior credit facility and utilized these borrowings, together with $1.2 billion of borrowings under our commercial paper program and cash on hand, in order to finance the acquisition of Cupertino, as well as pay certain related costs and expenses and working capital requirements. Shortly after the acquisition of Cupertino, approximately $215.0Â million of the commercial paper borrowings were repaid with cash acquired in the acquisition.On July 31, 2024, we amended our senior credit facility to, among other things, (i) increase the aggregate commitments for revolving loans from $2.64Â billion to $2.80Â billion and (ii) extend the maturity date for revolving loans under the senior credit facility from October 8, 2026 to July 31, 2029. For additional information regarding this short-term facility and the amendment to our senior credit facility, see Note 8 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report. We consider our investment policies related to cash and cash equivalents to be conservative, as we maintain a diverse portfolio of what we believe to be high-quality cash and cash equivalent investments with short-term maturities. Additionally, subject to the conditions specified in the credit agreement for our senior credit facility, we have the option to increase the capacity of our senior credit facility, in the form of an increase in the revolving commitments, term loans or a combination thereof, from time to time, upon receipt of additional commitments from new or existing lenders by up to an additional (i) $400.0 million plus (ii) additional amounts so long as the Incremental Leverage Ratio Requirement (as defined in the credit agreement) is satisfied at the time of such increase. The Incremental Leverage Ratio Requirement requires, among other things, after giving pro forma effect to such increase and the use of proceeds therefrom, compliance with the credit agreementâ€™s financial covenants as of the most recent fiscal quarter end for which financial statements were required to be delivered. Further information with respect to our debt obligations is set forth in Note 8 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report. 44 We are evaluating our longer-term debt financing options, and we may seek to access the capital markets from time to time to raise additional capital, increase liquidity as we deem necessary, refinance or extend the term of our existing indebtedness, fund acquisitions or otherwise fund our capital needs. While our financial strategy and consistent performance have allowed us to maintain investment grade ratings, our ability to access capital markets in the

future depends on a number of factors, including our financial performance and financial position, our credit ratings, industry conditions, general economic conditions, our backlog, capital expenditure commitments, market conditions and market perceptions of us and our industry. Sources and Uses of Cash, Cash Equivalents and Restricted Cash During the Six Months Ended JuneÂ 30, 2024 and 2023In summary, our cash flows for each period were as follows (in thousands):Â Six Months EndedÂ June 30,20242023Net cash provided by operating activities $629,267Â $165,822Â Net cash used in investing activities $(589,260)$(567,367)Net cash (used in) provided by financing activities $(806,298)$336,294Â Operating ActivitiesNet cash provided by operating activities of $629.3 million and $165.8 million in the six months ended JuneÂ 30, 2024 and 2023 primarily reflected earnings adjusted for non-cash items and cash provided and used by the main components of working capital: â€œAccounts and notes receivable,â€ â€œContract assets,â€ â€œAccounts payable and accrued expenses,â€ and â€œContract liabilities.â€ Net cash provided by operating activities during the six months ended June 30, 2023 was negatively impacted by incremental working capital requirements and the timing of billings related to the large renewable transmission project in Canada as discussed further in Note 3 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report.As discussed above, cash flow provided by operating activities is primarily influenced by demand for our services and operating margins but is also influenced by working capital needs. Our working capital needs may increase when we commence large volumes of work under circumstances where project costs, primarily labor, equipment and subcontractors, are required to be paid before the associated receivables are billed and collected and when we incur costs for work that is the subject of unpaid change orders and claims. Accordingly, changes within working capital in accounts receivable, contract assets and contract liabilities are normally related and are typically affected on a collective basis by changes in revenue due to the timing and volume of work performed and variability in the timing of customer billings and payments, as well as change orders and claims. Additionally, working capital needs are generally higher during the summer and fall due to increased demand for our services when favorable weather conditions exist in many of our operating regions. Conversely, working capital assets are typically converted to cash during the winter. These seasonal trends can be offset by changes in project timing due to delays or accelerations and other economic factors that may affect customer spending, including market conditions or the impact of certain unforeseen events (e.g., regulatory and other actions that impact the supply chain for certain materials).Days sales outstanding (DSO) represents the average number of days it takes revenues to be converted into cash, which management believes is an important metric for assessing liquidity. A decrease in DSO has a favorable impact on cash flow from operating activities, while an increase in DSO has a negative impact on cash flow from operating activities. DSO is calculated by using the sum of current accounts receivable, net of allowance (which includes retainage and unbilled balances), plus contract assets, less contract liabilities, and divided by average revenues per day during the quarter. DSO as of JuneÂ 30, 2024 was 68 days, which was lower than DSO of 78 days as of JuneÂ 30, 2023 and lower than our five-year historical average DSO of 82 days. This decrease in DSO as compared to JuneÂ 30, 2023 was partially due to an increase in contract liabilities related to favorable billing terms on certain large projects and increased revenues in the six months ended JuneÂ 30, 2024. Although the decrease in DSO had a positive impact on cash flow from operating activities, unapproved change orders included in contract assets from the aforementioned large renewable transmission project in Canada continued to negatively impact DSO and cash flow from operating activities as of and for the six months ended JuneÂ 30, 2024.Investing ActivitiesNet cash used in investing activities in the six months ended JuneÂ 30, 2024 included $450.8 million related to acquisitions and $244.6 million of capital expenditures. Partially offsetting these items were $55.2 million of proceeds from the sale of, and insurance settlements related to, property and equipment; $29.2 million of proceeds from the sale of a non-integral equity investment and $28.7 million of proceeds from the disposition of a non-core business. Net cash used in investing activities in the six months ended JuneÂ 30, 2023 included $452.3 million related to acquisitions and $185.6 million of capital expenditures. Partially offsetting these items were $42.3 million of proceeds from the sale of non- 45 integral equity investments and $35.0Â million of proceeds from the sale of, and insurance settlements related to, property and equipment.See Overview above for a description of our acquisition of Cupertino subsequent to June 30, 2024.Our industry is capital intensive, and we expect substantial capital expenditures and commitments for equipment purchases and equipment lease and rental arrangements to be needed for the foreseeable future in order to meet anticipated demand for our services. In addition, we expect to continue to pursue strategic acquisitions and investments, although we cannot predict the timing or amount of the cash needed for these initiatives. We also have various other capital commitments that are detailed primarily in Note 14 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report.Financing ActivitiesNet cash used in financing activities in the six months ended JuneÂ 30, 2024 included $707.0 million of net repayments under our senior credit facility and commercial paper program, $77.8 million of payments to satisfy tax withholding obligations associated with stock-based compensation and the payment of $27.0 million of dividends. Net cash provided by financing activities in the six months ended JuneÂ 30, 2023 included $491.7 million of net borrowings under our senior credit facility and commercial paper program, partially offset by $110.8 million of payments to satisfy tax withholding obligations associated with stock-based compensation and the payment of $24.5 million of dividends.See Sources of Cash above for a description of financing transactions related to our acquisition of Cupertino subsequent to June 30, 2024.We expect to continue to utilize cash for similar financing activities in the future, including repayments of our outstanding debt, payment of cash dividends and repurchases of our common stock and/or debt securities. See Significant Sources of Cash above for information about additional financing activities subsequent to June 30, 2024. Critical Accounting Estimates The discussion and analysis of our financial condition and results of operations are based on our condensed consolidated financial statements, which have been prepared in accordance with GAAP. Certain information and footnote disclosures, normally included in annual financial statements prepared in accordance with GAAP, have been condensed or omitted pursuant to those rules and regulations. The preparation of these condensed consolidated financial statements requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities known to exist as of the date the condensed consolidated financial statements are published and the reported amounts of revenues and expenses recognized during the periods presented. We review all significant estimates affecting our condensed consolidated financial statements on a recurring basis and record the effect of any necessary adjustments prior to their publication. Judgments and estimates are based on our beliefs and assumptions derived from information available at the time such judgments and estimates are made. Uncertainties with respect to such estimates and assumptions are inherent in the preparation of financial statements. There can be no assurance that actual results will not differ from those estimates. Management has reviewed its development and selection of critical accounting estimates with the audit committee of our Board of Directors. Our accounting policies are primarily described in Notes 2 and 4 of the Notes to Consolidated Financial Statements in Item 8. Financial Statements and Supplementary Data in Part II of the 2023 Annual Report and should be read in conjunction with the accounting policies identified in Item 7. Managementâ€™s Discussion and Analysis of Financial Condition and Results of Operations of Part II of our 2023 Annual Report, which we believe affect our more significant estimates. Item 3.Quantitative and Qualitative Disclosures about Market Risk.There were no material changes to our quantitative and qualitative disclosures about market risk during the six months ended JuneÂ 30, 2024. Our primary exposure to market risk relates to unfavorable changes in interest rates and currency exchange rates. Refer to the information on financial market risk related to changes in interest rates and foreign currency exchange rates in Item 7A. Quantitative and Qualitative Disclosures About Market Risk of Part II of our 2023 Annual Report. Item 4.Controls and Procedures.Attached as exhibits to this Quarterly Report on Form 10-Q are certifications of Quantaâ€™s Chief Executive Officer and Chief Financial Officer that are required in accordance with RuleÂ 13a-14 of the Securities Exchange Act of 1934, as amended 46 (the Exchange Act). This Item 4. section includes information concerning the controls and controls evaluation referred to in the certifications, and it should be read in conjunction with the certifications for a more complete understanding of the topics presented.Evaluation of Disclosure Controls and ProceduresOur management has established and maintains a system of disclosure controls and procedures that are designed to provide reasonable assurance that information required to be disclosed by us in the reports that we file or submit under the Exchange Act, such as this Quarterly Report on Form 10-Q, is recorded, processed, summarized and reported within the time periods specified in the SEC rules and forms. The disclosure controls and procedures are also designed to provide reasonable assurance that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.As of the end of the period covered by this Quarterly Report, we evaluated the effectiveness of the design and operation of our disclosure controls and procedures pursuant to RuleÂ 13a-15(b), as such disclosure controls and procedures are defined in Rule 13a-15(e) and 15d-15(e) of the Exchange Act. This evaluation was carried out under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer. Based on this evaluation, these officers have concluded that, as of JuneÂ 30, 2024, our disclosure controls and procedures were effective to provide reasonable assurance of achieving their objectives.Evaluation of Internal Control over Financial ReportingWe acquired five businesses during the six months ended JuneÂ 30, 2024. We are in the process of integrating these acquired businesses into our overall internal control over financial reporting process.Except as noted above, there has been no change in our internal control over financial reporting that occurred during the quarter endedÂ JuneÂ 30, 2024Â that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.Design and Operation of Control SystemsOur management, including the Chief Executive Officer and Chief Financial Officer, does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent or detect all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control systemâ€™s objectives will be met. The design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Further, because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that misstatements due to error or fraud will not occur or that all control issues and instances of fraud, if any, within the company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and breakdowns can occur because of simple errors or mistakes. Controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls is based in part on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with policies or procedures. 47 PARTÂ IIÂ â€” OTHER INFORMATIONItemÂ 1.Â Â Legal Proceedings.We are from time to time party to various lawsuits, claims and other legal proceedings that arise in the ordinary course of business. These actions typically seek, among other things, compensation for alleged personal injury, breach of contract, negligence or gross negligence and/or property damage, environmental liabilities, wage and hour claims and other employment-related damages, punitive damages, consequential damages, civil penalties or other losses, or injunctive or declaratory relief, as well as interest and attorneysâ€™ fees associated with such claims. With respect to all such lawsuits, claims and proceedings, we record a reserve when we believe it is probable that a loss has been incurred and the amount of loss can be reasonably estimated. In addition, we disclose matters for which management believes a material loss is at least reasonably possible. See Note 14 of the Notes to Condensed Consolidated Financial Statements in Item 1. Financial Statements of Part I of this Quarterly Report, which is incorporated by reference in this Item 1, for additional information regarding litigation, claims and other legal proceedings.Environmental MattersItem 103 of Regulation S-K requires disclosure of certain environmental matters in which a governmental authority is a party to the proceedings and when such proceedings involve the potential for monetary sanctions that management reasonably believes will exceed a specified threshold. Pursuant to SEC regulations, we use a threshold of $1.0 million for such proceedings. ItemÂ 1A.Â Â Risk Factors. Our business is subject to a variety of risks and uncertainties that are difficult to predict and many of which are outside of our control. For a detailed discussion of the risks that affect our business, refer to ItemÂ 1A. Risk Factors of PartÂ I of our 2023 Annual Report. As of the date of this filing, there have been no material changes to the risk factors previously described in our 2023 Annual Report. The matters specifically identified are not the only risks and uncertainties facing our company, and risks and uncertainties not known to us or not specifically identified also may impair our business operations. If any of these risks and uncertainties occur, our business, financial condition, results of operations and cash flows could be negatively affected, which could negatively impact the value of an investment in our company. 48 Item 2.Unregistered Sales of Equity Securities, Use of Proceeds and Issuer Purchases of Equity Securities.Unregistered Sales of Equity SecuritiesOn AprilÂ 18, 2024 and May 31, 2024, we completed acquisitions in which a portion of the consideration consisted of the unregistered issuance of shares of our common stock. The aggregate consideration for these acquisitions included 35,886 shares of our common stock, valued at $9.1 million as of the acquisition dates. Additionally, subsequent to JuneÂ 30, 2024, we completed an acquisition on July 17, 2024, in which a portion of the consideration for the acquisition consisted of the unregistered issuance of shares of our common stock. The aggregate consideration paid at closing in this acquisition included 882,926 shares of our common stock.The shares of common stock issued in these transactions were issued in reliance upon the exemption from registration provided by SectionÂ 4(a)(2) of the Securities Act of 1933, as amended, as the shares were issued to the owners of the businesses acquired in privately negotiated transactions not involving any public offering or solicitation.For additional information about these acquisitions, see Note 5 of the Notes to Condensed Consolidated Financial Statements in Item 1. (b) Wherever in this Agreement in connection with a Borrowing, conversion, continuation or prepayment of an Alternative Currency Loan or Swing Line Loan or the issuance, amendment or extension of a Letter of Credit, an amount, such as a required minimum or multiple amount, is expressed in Dollars, but such Borrowing, Swing Line Loan or Letter of Credit is denominated in an Alternative Currency, such amount shall be the relevant Alternative Currency Equivalent of such Dollar amount (rounded to the nearest unit of such Alternative Currency, rounded upward to the nearest 1000 units), as reasonably determined by the Administrative Agent or the L/C Issuers, as the case may be. (c) For purposes of determining compliance under any covenant in this Agreement, any amount in any currency other than Dollars will be converted to Dollars in a manner consistent with that used in calculating Consolidated Net Income in the annual financial statements of the Company and its Subsidiaries delivered pursuant to Section 7.01. Notwithstanding the foregoing, for purposes of determining compliance with Sections 8.01, 8.02 and 8.03, with respect to any amount of Indebtedness or Investment in any currency other than Dollars, no breach of any basket, exception or similar provision contained in such Sections shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred. Section 1.10 Additional Alternative Currencies. (a) The Company may from time to time request that Alternative Currency Loans be made under the Aggregate Revolving Commitments and/or Letters of Credit be issued in a currency other than those specifically listed in the definition of â€œAlternative Currencyâ€; provided that such requested currency is an Eligible Currency. In the case of any such request with respect to the making of Alternative Currency Loans, such request shall be subject to the approval of the Administrative Agent and each applicable Lender; and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the Administrative Agent and the applicable L/C Issuer. (b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., fifteen (15) Business Days prior to the date of the desired Credit Extension (or such later time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the applicable L/C Issuer, in its or their sole discretion). In the case of any such request pertaining to Alternative Currency Loans, the Administrative Agent shall promptly notify each applicable Lender thereof; and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the L/C Issuers thereof. Each applicable Lender (in the case of any such request pertaining to Alternative Currency Loans) or the L/C Issuers (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., seven (7) Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Alternative Currency Loans or the issuance of Letters of Credit, as the case may be, in such requested currency. (c) Any failure by a Lender or the applicable L/C Issuer, as the case may be, to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Lender or the applicable L/C Issuer, as the case may be, to 48 13608890v113608890v4 Â permit Alternative Currency Loans to be made or Letters of Credit to be issued in such requested currency. If the Administrative Agent and all the Lenders consent to making Alternative Currency Loans in such requested currency and the Administrative Agent and such Lenders reasonably determine that an appropriate interest rate is available to be used for such requested currency, the Administrative Agent shall so notify the Company and (i) the Administrative Agent, such Lenders and the Company may amend the definition of Alternative Currency Daily Rate or Alternative Currency Term Rate to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (ii) to the extent the definition of Alternative Currency Daily Rate or Alternative Currency Term Rate, as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency for purposes of any Borrowings of Alternative Currency Loans. If the Administrative Agent and the L/C Issuers consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Company and (A) the Administrative Agent, the L/C Issuers and the Company may amend the definition of Alternative Currency Daily Rate or Alternative Currency Term Rate, as applicable, to the extent necessary to add the applicable rate for such currency and any applicable adjustment for such rate and (B) to the extent the definition of Alternative Currency Daily Rate or Alternative Currency Term Rate, as applicable, has been amended to reflect the appropriate rate for such currency, such currency shall thereupon be deemed for all purposes to be an Alternative Currency for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.10, the Administrative Agent shall promptly so notify the Company. Section 1.11 Change of Currency. (a) Each obligation of a Borrower to make a payment denominated in the national currency unit of any member state of the European Union that adopts the Euro as its lawful currency after the Closing Date shall be redenominated into Euro at the time of such adoption. If, in relation to the currency of any such member state, the basis of accrual of interest expressed in this Agreement in respect of that currency shall be inconsistent with any convention or practice in the interbank market for the basis of accrual of interest in respect of the Euro, such expressed basis shall be replaced by such convention or practice with effect from the date on which such member state adopts the Euro as its lawful currency; provided that if any Borrowing in the currency of such member state is outstanding immediately prior to such date, such replacement shall take effect, with respect to such Borrowing, at the end of the then current Interest Period. (b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent, after providing notice to the Company, may from time to time specify to be appropriate to reflect the adoption of the Euro by any member state of the European Union and any relevant market conventions or practices relating to the Euro. (c) Each provision of this Agreement also shall be subject to such reasonable changes of construction as the Administrative Agent, after providing notice to the Company, may from time to time specify to be appropriate to reflect a change in currency of any other country and any relevant market conventions or practices relating to the change in currency. Section 1.12 Limitation on Obligations of Foreign Obligors. 49 13608890v113608890v4 Â Notwithstanding anything set forth in this Agreement or any other Loan Document to the contrary, no Foreign Obligor and/or Foreign Subsidiary shall at any time be liable, directly or indirectly, for any portion of the Obligations of the Domestic Obligors, including, without limitation, any interest, fees or indemnity payments payable by any Domestic Obligor hereunder (and the Domestic Obligors are solely liable for such Obligations), and no property of any Foreign Obligor and/or Foreign Subsidiary shall at any time serve, directly or indirectly, as any type of collateral or security for any portion of the Obligations of the Domestic Obligors. For the avoidance of doubt, for purposes of this Section 1.12, (a) QSI Finance II (Australia) Pty Ltd and QSI Finance X (Canada) ULC shall be considered Domestic Obligors and (b) the term â€œForeign Subsidiaryâ€ shall include any entity that is considered a â€œcontrolled foreign corporationâ€ within the meaning of Section 957 of the Internal Revenue Code and any entity owned in whole or in part directly or indirectly by such controlled foreign corporation. Section 1.13 Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to any reference rate referred to herein or with respect to any rate (including, for the avoidance of doubt, the selection of such rate and any related spread or other adjustment) that is an alternative or replacement for or successor to any such rate (including any Term SOFR Successor Rate or any Alternative Currency Successor Rate) (or any component of any of the foregoing) or the effect of any of the foregoing, or of any Term SOFR Conforming Changes or any Alternative Currency Conforming Changes. The Administrative Agent and its affiliates or other related entities may engage in transactions or other activities that affect any reference rate referred to herein, or any alternative, successor or replacement rate (including any Term SOFR Successor Rate or any Alternative Currency Successor Rate) (or any component of any of the foregoing) or any related spread or other adjustments thereto, in each

case, in a manner adverse to the Borrowers. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain any reference rate referred to herein or any alternative, successor or replacement rate (including any Term SOFR Successor Rate or any Alternative Currency Successor Rate) (or any component of any of the foregoing), in each case pursuant to the terms of this Agreement, and shall have no liability to any Borrower, any Lender or any other Person for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or other action or omission related to or affecting the selection, determination, or calculation of any rate (or component thereof) provided by any such information source or service. ARTICLE II THE COMMITMENTS AND CREDIT EXTENSIONS Section 2.01 Loans. (a) Subject to the terms and conditions set forth herein, each Lender severally agrees to make loans (each such loan, a â€œRevolving Loanâ€) to the Borrowers in Dollars or in one or more Alternative Currencies from time to time on any Business Day during the Availability Period in an aggregate principal amount not to exceed at any time outstanding the amount of such Lenderâ€™s Revolving Commitment; provided, however, that after giving effect to any Borrowing of Revolving Loans, (i) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, (ii) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lenderâ€™s Revolving Commitment, 50 13608890v113608890v4 Â (iii) the aggregate Outstanding Amount of all Revolving Loans denominated in an Alternative Currency plus the aggregate Outstanding Amount of all Swing Line Loans denominated in an Alternative Currency plus the aggregate Outstanding Amount of all L/C Obligations denominated in an Alternative Currency shall not exceed the Alternative Currency Sublimit and (iv) the aggregate Outstanding Amount of all Revolving Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all Swing Line Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all L/C Obligations of the Foreign Borrowers shall not exceed the Foreign Borrower Sublimit. Within the limits of each Lenderâ€™s Revolving Commitment, and subject to the other terms and conditions hereof, the Borrowers may borrow under this Section 2.01(a), prepay under Section 2.05, and reborrow under this Section 2.01(a). Revolving Loans may be Base Rate Loans, Term SOFR Loans, Alternative Currency Daily Rate Loans or Alternative Currency Term Rate Loans, or a combination thereof, as further provided herein. (b) Delayed Draw Term Loan Borrowing. Subject to the terms and conditions set forth herein, each Lender severally agrees to make a single loan (each such loan, a â€œDelayed Draw Term Loanâ€) to the Company, in Dollars, on the Acquisition Closing Date in an amount not to exceed such Lenderâ€™s Delayed Draw Term Loan Commitment. The Borrowing of Delayed Draw Term Loans shall consist of Delayed Draw Term Loans made simultaneously by the Lenders in accordance with their Delayed Draw Term Loan Commitments. Delayed Draw Term Loans repaid or prepaid may not be reborrowed. Delayed Draw Term Loans may be Base Rate Loans or Term SOFR Loans, as further provided herein; provided, that, the Borrowing of Delayed Draw Term Loans made on the Acquisition Closing Date shall be made as Base Rate Loans unless the Company delivers a funding indemnity letter to the Administrative Agent, in form and substance reasonably satisfactory to the Administrative Agent, not less than three (3) Business Days prior to the date of the Borrowing of the Delayed Draw Term Loans. Section 2.02 Borrowings, Conversions and Continuations of Loans. (a) Each Borrowing (other than a Borrowing of Swing Line Loans), each conversion of Loans from one Type to the other, and each continuation of a Term SOFR Loan or an Alternative Currency Term Rate Loan shall be made upon the applicable Borrowerâ€™s irrevocable notice to the Administrative Agent, which may be given by (A) telephone, or (B) a Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a Loan Notice. Each such Loan Notice must be received by the Administrative Agent not later than (i) 1:00 p.m. on the requested date of any Borrowings of Base Rate Loans, (ii) 1:00 p.m. two (2) Business Days prior to the requested date of any Borrowing of, conversion to or continuation of Term SOFR Loans, of any conversion of Term SOFR Loans to Base Rate Loans, and (iii) 1:00 p.m. four (4) Business Days prior to the requested date of any Borrowing of Alternative Currency Loans or any continuation of Alternative Currency Term Rate Loans (or five (5) Business Days in the case of a Special Notice Currency); provided, however, that if such Borrower wishes to request Term SOFR Loans having an Interest Period other than one (1) or three (3) months in duration or Alternative Currency Term Rate Loans having an Interest Period other than one (1), three (3) or six (6) months in duration, in each case, as provided in the definition of â€œInterest Period,â€ the applicable notice must be received by the Administrative Agent not later than (i) 1:00 p.m. four (4) Business Days prior to the requested date of such Borrowing, conversion or continuation of Term SOFR Loans, or (ii) 1:00 p.m. five (5) Business Days (or six (6) Business Days in the case of a Special Notice Currency) prior to the requested date of such Borrowing, conversion or continuation of Alternative Currency 51 13608890v113608890v4 Â Term Rate Loans, in each case, whereupon the Administrative Agent shall give prompt notice to the applicable Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. In the case of a request pursuant to the proviso in the preceding sentence, not later than (i) 1:00 p.m. three (3) Business Days before the requested date of such Borrowing, conversion or continuation of Term SOFR Loans, or (ii) 1:00 p.m. four (4) Business Days (or five (5) Business Days in the case of a Special Notice Currency) prior to the requested date of such Borrowing, conversion or continuation of Alternative Currency Term Rate Loans, in each case, the Administrative Agent shall notify such Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the applicable Lenders. Each Borrowing of, conversion to or continuation of Term SOFR Loans shall be in a principal amount of $2,000,000 or a whole multiple of $1,000,000 in excess thereof (or, in connection with any conversion or continuation of an Incremental Term Loan, if less, the entire principal thereof then outstanding). Each Borrowing of, conversion to or continuation of Loans (A) if denominated in Canadian dollars, C$2,000,000 or a whole multiple of C$1,000,000 in excess thereof, (B) if denominated in Australian dollars, A$2,000,000 or a whole multiple of A$1,000,000 in excess thereof or (C) if the Borrowing is in any other Alternative Currency, the whole multiple of 1,000 units of such Alternative Currency that is nearest to the Alternative Currency Equivalent of $2,000,000 in such Alternative Currency, as reasonably determined by the Borrower, or a whole multiple of 1,000 units of such Alternative Currency that is nearest to the Alternative Currency Equivalent of $1,000,000 in such Alternative Currency, as reasonably determined by the Borrower, in excess thereof. Except as provided in Sections 2.03(c) and 2.04(c), each Borrowing of or conversion to Loans that are Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof (or, in connection with any conversion or continuation of an Incremental Term Loan, if less, the entire principal thereof then outstanding). Each Loan Notice shall specify (i) whether such Borrower is requesting a Borrowing, a conversion of Loans from one Type to the other, or a continuation of Term SOFR Loans or Alternative Currency Term Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto, (vi) the currency of the Loans to be borrowed and (vii) whether the Loans to be borrowed are Revolving Loans, the Delayed Draw Term Loans or an Incremental Term Loan. If a Borrower fails to specify a currency in a Loan Notice, then the applicable Loans shall be made in Dollars. If the applicable Borrower fails to specify a Type of a Loan in a Loan Notice or if such Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made as, or converted to, Base Rate Loans; provided, however, that in the case of a failure to timely request a continuation of Alternative Currency Term Rate Loans, such Loans shall be continued as Alternative Currency Term Rate Loans in their original currency with an Interest Period of one (1) month. Any such automatic conversion of Loans to Base Rate Loans, shall be effective as of the last day of the Interest Period then in effect with respect to such Loans. If the applicable Borrower requests a Borrowing of, conversion to, or continuation of Term SOFR Loans or Alternative Currency Term Rate Loans in any such Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. No Loan may be converted into or continued as a Loan denominated in a different currency, but instead must be repaid in the original currency of such Loan and reborrowed in the other currency. Any Loan Notice received by the 52 13608890v113608890v4 Â Administrative Agent after 1:00 p.m. shall be deemed received on the next following Business Day. (b) Following receipt of a Loan Notice pursuant to Section 2.02(a), the Administrative Agent shall promptly notify each Lender of the amount (and currency) of its Pro Rata Share of the applicable Loans, and if no timely notice of a conversion or continuation is provided by a Borrower, the Administrative Agent shall notify each Lender of the details of any automatic conversion to Base Rate Loans or continuation of Loans denominated in a currency other than Dollars, in each case as described in the preceding subsection. In the case of a Borrowing, each Lender shall make the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agentâ€™s Office for the applicable currency not later than 2:00 p.m., in the case of any Loan denominated in Dollars, and not later than the Applicable Time specified by the Administrative Agent in the case of any Loan in an Alternative Currency, in each case on the Business Day specified in the applicable Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 5.02 (and, if such Borrowing is the initial Credit Extension, Section 5.01), the Administrative Agent shall make all funds so received available to the applicable Borrower in like funds as received by the Administrative Agent either by (i) crediting the account of such Borrower on the books of Bank of America with the amount of such funds or (ii) wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by such Borrower; provided, however, that if, on the date of a Borrowing of Revolving Loans denominated in Dollars, there are L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied, first, to the payment in full of any such L/C Borrowings, and second, to the applicable Borrower as provided above. (c) Except as otherwise provided herein, a Term SOFR Loan or an Alternative Currency Term Rate Loan may be continued or converted only on the last day of the Interest Period for such Loan. During the existence of a Default or Event of Default, (i) no Loans may be requested as, converted to or continued as Term SOFR Loans and (ii) no Loans may be requested as, or converted to Alternative Currency Daily Rate Loans or converted to or continued as Alternative Currency Term Rate Loans, without the consent of the Required Lenders. (d) The Administrative Agent shall promptly notify the applicable Borrower and the applicable Lenders of the interest rate applicable to any Interest Period for Term SOFR Loans or Alternative Currency Term Rate Loans, as applicable, upon determination of such interest rate. The determination of the Term SOFR and Alternative Currency Term Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans are outstanding, the Administrative Agent shall notify the applicable Borrower and the Lenders of any change in Bank of Americaâ€™s prime rate used in determining the Base Rate, as applicable, promptly following the public announcement of such change. (e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than twelve (12) Interest Periods in effect with respect to Loans (or such greater number of Interest Periods as may be agreed to by the Administrative Agent, in its sole discretion). (f) Increase in Aggregate Revolving Commitments; Institution of Incremental Term Loans. The Company may at any time after the Ninth Amendment Effective Date, 53 13608890v113608890v4 Â and from time to time, upon prior written notice by the Company to the Administrative Agent, (a) increase the Aggregate Revolving Commitments (but not any Swing Line Sublimit or the Financial Letter of Credit Sublimit) with additional Revolving Commitments from any existing Lender or new Revolving Commitments from any other Person selected by the Company and approved by the Administrative Agent (not to be unreasonably withheld or delayed) (each such increase an â€œIncremental Revolving Credit Increaseâ€) and/or (b) borrow one or more tranches of term loans (each tranche of term loans incurred pursuant to this Section 2.02(f) an â€œIncremental Term Facilityâ€; and each term loan under any Incremental Term Facility, an â€œIncremental Term Loanâ€), in each case, as follows; provided that the aggregate amount of all such Incremental Revolving Credit Increases and Incremental Term Loans shall not exceed the Incremental Cap: (i) Increase in Aggregate Revolving Commitments. The Company may at any time after the Ninth Amendment Effective Date and from time to time, upon prior written notice by the Company to the Administrative Agent, institute one or more Incremental Revolving Credit Increases; provided, that: (A) any such increase shall be in a minimum principal amount of $10 million (or, if less, the remaining amount of the Incremental Cap) and in integral multiples of $5 million (or, if less, the remaining amount of the Incremental Cap) in excess thereof; (B) no Default or Event of Default shall be continuing at the time of any such increase; (C) no existing Lender shall be under any obligation to increase its Revolving Commitment and any such decision whether to increase its Revolving Commitment shall be in such Lenderâ€™s sole and absolute discretion; (D) (1) any new Lender shall join this Agreement by executing such joinder documents reasonably required by the Administrative Agent and/or (2) any existing Lender electing to increase its Revolving Commitment shall have executed a commitment agreement reasonably satisfactory to the Administrative Agent; and (E) as a condition precedent to such increase, the Company shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the date of such increase (in sufficient copies for each Lender) signed by a Responsible Officer of such Loan Party (1) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, and (2) in the case of the Company, certifying that, immediately prior to and immediately after giving effect to such increase, (x) the representations and warranties of the Company and each other Loan Party contained in Article VI and the other Loan Documents are true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality or reference to Material Adverse Effect) on and as of the date of such increase, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality or reference to Material Adverse Effect) as of such earlier date, and except that for purposes of this Section 2.02(f)(i), the 54 13608890v113608890v4 Â representations and warranties contained in subsections (a) and (b) of Section 6.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 7.01, and (y) no Default or Event of Default exists. The applicable Borrowers shall prepay any Revolving Loans owing by them and outstanding on the date of any such increase (and pay any additional amounts required pursuant to Section 3.05) to the extent necessary to keep the outstanding Revolving Loans ratable with any revised Revolving Commitments arising from any nonratable increase in the Revolving Commitments under this Section 2.02(f)(i). (ii) Institution of Incremental Term Loans. The Company may at any time after the Ninth Amendment Effective Date and from time to time, upon prior written notice by the Company to the Administrative Agent, institute one or more Incremental Term Facilities; provided, that: (A) any such Incremental Term Facility shall be in a minimum principal amount of $10 million (or, if less, the remaining amount of the Incremental Cap) and in integral multiples of $5 million (or, if less, the remaining amount of the Incremental Cap) in excess thereof; (B) no Default or Event of Default shall be continuing at the time of any such institution; (C) no existing Lender shall be under any obligation to provide an Incremental Term Loan and any such decision whether to provide an Incremental Term Loan shall be in such Lenderâ€™s sole and absolute discretion; (D) (1) any new Lender shall join this Agreement by executing such joinder documents reasonably required by the Administrative Agent and/or (2) any existing Lender electing to provide an Incremental Term Loan shall have executed a commitment agreement reasonably satisfactory to the Administrative Agent; (E) the Applicable Rate of each Incremental Term Facility shall be determined by the applicable Borrower and the Lenders providing Incremental Term Loans under such Incremental Term Facility, as set forth in the applicable Incremental Term Facility Amendment; (F) the maturity date for any Incremental Term Facility shall be as set forth in the applicable Incremental Term Facility Amendment; provided that such date shall not be earlier than the Maturity Date applicable to the Aggregate Revolving Commitments; (G) the scheduled principal amortization payments under any Incremental Term Facility shall be as set forth in the applicable Incremental Term Facility Amendment; and (H) as a condition precedent to such institution, the Company shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the date of such institution (in sufficient copies for each Lender) signed by a 55 13608890v113608890v4 Â Responsible Officer of such Loan Party (1) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such institution, and (2) in the case of the Company, certifying that, immediately prior to and immediately after giving effect to such institution, (x) the representations and warranties of the Company and each other Loan Party contained in Article VI and the other Loan Documents are true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality or reference to Material Adverse Effect) on and as of the date of such institution, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct in all material respects (and in all respects if any such representation or warranty is already qualified by materiality or reference to Material Adverse Effect) as of such earlier date, and except that for purposes of this Section 2.02(f)(ii), the representations and warranties contained in subsections (a) and (b) of Section 6.05 shall be deemed to refer to the most recent statements furnished pursuant to clauses (a) and (b), respectively, of Section 7.01, and (y) no Default or Event of Default exists. The institution of each Incremental Term Facility shall be evidenced by an amendment (an â€œIncremental Term Facility Amendmentâ€) to this Agreement, giving effect to the modifications permitted by this Section 2.02(f)(ii) (and subject to the limitations set forth in the immediately preceding paragraph), executed by the Loan Parties, the Administrative Agent and each Lender providing an Incremental Term Loan under such Incremental Term Facility; and such Incremental Term Facility Amendment, when so executed, shall amend this Agreement as provided therein. Each Incremental Term Facility Amendment shall also require such amendments to the Loan Documents, and such other new Loan Documents, as the Administrative Agent reasonably deems necessary or appropriate to effect the modifications and credit extensions permitted by this Section 2.02(f)(ii). Neither any Incremental Term Facility Amendment, nor any such amendments to the other Loan Documents or such other new Loan Documents, shall be required to be executed or approved by any Lender, other than the Lenders providing Incremental

Term Loans under such Incremental Term Facility and the Administrative Agent, in order to be effective. The effectiveness of any Incremental Term Facility Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth above and such other conditions as requested by the Lenders providing Incremental Term Loans under such Incremental Term Facility. Section 2.03 Letters of Credit. (a) The Letter of Credit Commitment. (i) Subject to the terms and conditions set forth herein, (A) each L/C Issuer agrees, in reliance upon the agreements of the other Lenders set forth in this Section 2.03, (1) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit denominated in Dollars, or, with respect to the Alternative Currency L/C Issuers, in one or more Alternative Currencies, for the account of any Borrower or any of its Subsidiaries, and to amend or extend Letters of Credit previously issued by it, in accordance with subsection (b) below, and (2) to honor drawings under the Letters of Credit; and (B) the Lenders severally agree to participate in Letters of Credit issued for the account of any Borrower or any Subsidiary and any drawings thereunder; provided that no L/C Issuer shall be 56 13608890v113608890v4 Â obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if as of the date of such L/C Credit Extension, (v) the Total Revolving Outstandings would exceed the Aggregate Revolving Commitments, (w) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans would exceed such Lenderâ€™s Revolving Commitment, (x) the Outstanding Amount of the L/C Obligations for Financial Letters of Credit would exceed the Financial Letter of Credit Sublimit, (y) the aggregate amount of the outstanding Letters of Credit issued by any L/C Issuer would exceed its L/C Commitment, or (z) the aggregate Outstanding Amount of the L/C Obligations denominated in an Alternative Currency plus the aggregate Outstanding Amount of all Swing Line Loans denominated in an Alternative Currency plus the aggregate Outstanding Amount of Revolving Loans denominated in an Alternative Currency would exceed the Alternative Currency Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrowersâ€™ ability to obtain Letters of Credit shall be fully revolving, and accordingly any Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed. (ii) No L/C Issuer shall be under any obligation to issue any Letter of Credit if: (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or request that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such L/C Issuer in good faith deems material to it; (B) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve (12) months after the date of issuance or last renewal, unless the Required Revolving Lenders have approved such expiry date; (C) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless all the Lenders have approved such expiry date; provided that the applicable L/C Issuer may issue Letters of Credit with an expiry date no later than twelve (12) months after the Letter of Credit Expiration Date so long as the Company Cash Collateralizes such Letter of Credit in an amount equal to 103% of the face amount of such Letter of Credit prior to the Letter of Credit Expiration Date in accordance with the terms of this Agreement. The Company hereby agrees that on or before the Letter of Credit Expiration Date it shall Cash Collateralize any Letter of Credit existing on the Letter of Credit Expiration Date in an amount equal to 103% of the face amount of such Letter of Credit. For the avoidance of doubt, the 57 13608890v113608890v4 Â parties hereto agree that the obligations of the Lenders hereunder to reimburse the applicable L/C Issuer for any Unreimbursed Amount with respect to any Letter of Credit shall terminate on the Maturity Date with respect to drawings occurring after that date; (D) the issuance of such Letter of Credit would violate one or more policies of such L/C Issuer applicable to borrowers generally; (E) such Letter of Credit is in an initial amount less than $100,000 (or such lesser amount as may be agreed to by such L/C Issuer, in its sole discretion); (F) a default of any Lenderâ€™s obligations to fund under Section 2.03(c) exists or any Lender is at such time a Defaulting Lender hereunder, unless such L/C Issuer has entered into satisfactory arrangements with the Company or such Lender to eliminate such L/C Issuerâ€™s actual or potential Fronting Exposure (after giving effect to Section 2.14(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which such L/C Issuer has actual or potential Fronting Exposure, it being understood and agreed that such L/C Issuer would consider the Companyâ€™s providing Cash Collateral to the Administrative Agent, for the benefit of such L/C Issuer, to secure such Lenderâ€™s Pro Rata Share of such Letter of Credit a satisfactory arrangement; (G) (i) except as otherwise agreed by the Administrative Agent and such L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars or an Alternative Currency or (ii) if such L/C Issuer is not an Alternative Currency L/C Issuer, such Letter of Credit is to be denominated in a currency other than Dollars; (H) such L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or (I) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder. (iii) No L/C Issuer shall be under any obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit. (iv) No L/C Issuer shall be under any obligation to issue or amend any Letter of Credit if such L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one (1) Business Day prior to the requested date of issuance or amendment of such Letter of Credit, that one or more applicable conditions contained in Article V shall not then be satisfied. Each L/C Issuer shall promptly provide the Company a copy of any such notice it receives from the Administrative Agent or any Lender. 58 13608890v113608890v4 Â (v) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each L/C Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Article X with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term â€œAdministrative Agentâ€ as used in Article X included such L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to the L/C Issuers. (b) Procedures for Issuance and Amendment of Letters of Credit; Auto-Extension Letters of Credit. (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of any Borrower delivered to the applicable L/C Issuer (with a copy to the Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of such Borrower. Such Letter of Credit Application may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the applicable L/C Issuer, by personal delivery or by any other means acceptable to the L/C Issuer. Such Letter of Credit Application must be received by the applicable L/C Issuer and the Administrative Agent not later than 1:00 p.m. at least three (3) Business Days (or such later date and time as the Administrative Agent and the applicable L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount and currency thereof and in the absence of specification of currency shall be deemed a request for a Letter of Credit denominated in Dollars; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) whether the requested Letter of Credit is a Financial Letter of Credit, a Performance Letter of Credit, or a commercial Letter of Credit; and (H) such other matters as the applicable L/C Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the applicable L/C Issuer may reasonably require. Additionally, the Company shall furnish to the applicable L/C Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the applicable L/C Issuer or the Administrative Agent may reasonably require. (ii) Promptly after receipt of any Letter of Credit Application, the applicable L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Company and, if not, the applicable L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the applicable L/C Issuer has received written notice from any Lender, the Administrative Agent or any Loan Party, at least one (1) Business Day 59 13608890v113608890v4 Â prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article V shall not then be satisfied, then, subject to the terms and conditions hereof, the applicable L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the applicable Borrower or the applicable Subsidiary, as the case may be, or enter into the applicable amendment, as the case may be, in each case in accordance with the applicable L/C Issuerâ€™s usual and customary business practices. Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lenderâ€™s Pro Rata Share times the amount of such Letter of Credit. (iii) If the Company so requests in any applicable Letter of Credit Application, the applicable L/C Issuer may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an â€œAuto-Extension Letter of Creditâ€); provided that any such Auto-Extension Letter of Credit must permit the applicable L/C Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the â€œNon-Extension Notice Dateâ€) in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable L/C Issuer, the Company shall not be required to make a specific request to the applicable L/C Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable L/C Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, however, that the applicable L/C Issuer shall not permit any such extension if (A) the applicable L/C Issuer has determined that it would not be permitted under the terms hereof, or would have no obligation at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (ii) or (iii) of Section 2.03(a) or otherwise), or (B) it has received notice (which may be by telephone or in writing) on or before the day that is seven (7) Business Days before the Non-Extension Notice Date (1) from the Administrative Agent that the Required Revolving Lenders have elected not to permit such extension or (2) from the Administrative Agent, any Lender or the Company that one or more of the applicable conditions specified in Section 5.02 is not then satisfied, and in each such case directing the applicable L/C Issuer not to permit such extension. (iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable L/C Issuer will also deliver to the Company and the Administrative Agent a true and complete copy of such Letter of Credit or amendment. (c) Drawings and Reimbursements; Funding of Participations. (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable L/C Issuer shall notify the Company and the Administrative Agent thereof. In the case of a Letter of Credit denominated in an Alternative Currency, the Company shall reimburse the applicable L/C Issuer in such Alternative Currency, unless (A) such L/C Issuer (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (B) in the absence of any such requirement for reimbursement in Dollars, the Company shall have notified such L/C Issuer promptly following receipt of 60 13608890v113608890v4 Â the notice of drawing that the Company will reimburse such L/C Issuer in Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the applicable L/C Issuer shall notify the Company of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof. Not later than (x) 11:00 a.m. on the date of any payment by the applicable L/C Issuer under a Letter of Credit to be reimbursed in Dollars, or the Applicable Time on the date of any payment by the applicable L/C Issuer under a Letter of Credit to be reimbursed in an Alternative Currency or (y) if the Company has not received notice of such payment from the applicable L/C Issuer by 11:00 a.m., or the Applicable Time with respect to a Letter of Credit to be reimbursed in an Alternative Currency, by 10:00 a.m. on the next succeeding Business Day following the date the Company receives notice of such payment from the applicable L/C Issuer (each such date, an â€œHonor Dateâ€), the Company shall reimburse the applicable L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing and in the applicable currency. In the event that (A) a drawing denominated in an Alternative Currency is to be reimbursed in Dollars pursuant to the second sentence in this Section 2.03(c)(i) and (B) the Dollar amount paid by the Company, whether on or after the Honor Date, shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the Alternative Currency equal to the drawing, the Company agrees, as a separate and independent obligation, to indemnify the applicable L/C Issuer for the loss resulting from its inability on that date to purchase the Alternative Currency in the full amount of the drawing. If the Company fails to so reimburse the applicable L/C Issuer by such time, the Administrative Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (expressed in Dollars in the amount of the Dollar Equivalent thereof in the case of a Letter of Credit denominated in an Alternative Currency) (the â€œUnreimbursed Amountâ€), and the amount of such Lenderâ€™s Pro Rata Share thereof. In such event, the Company shall be deemed to have requested a Borrowing of a Revolving Loan consisting of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans, but subject to the amount of the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 5.02 (other than the delivery of a Loan Notice). Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. (ii) Each Lender (including the Lender acting as L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent (and the Administrative Agent may apply Cash Collateral provided for this purpose) for the account of the applicable L/C Issuer, in Dollars, at the Administrative Agentâ€™s Office for Dollar-denominated payments in an amount equal to its Pro Rata Share of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.03(c)(iii), each Lender that so makes funds available shall be deemed to have made a Revolving Loan that is a Base Rate Loan to the Company in such amount. The Administrative Agent shall remit the funds so received to the applicable L/C Issuer in Dollars. (iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing of Base Rate Loans because the applicable conditions set forth in Section 5.02 cannot be satisfied or for any other reason, the Company shall be deemed to 61 13608890v113608890v4 Â have incurred from the applicable L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Lenderâ€™s payment to the Administrative Agent for the account of the applicable L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03. (iv) Until each Lender funds its Revolving Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the applicable L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lenderâ€™s Pro Rata Share of such amount shall be solely for the account of the applicable L/C Issuer. (v) Each Lenderâ€™s obligation to make Revolving Loans or L/C Advances to reimburse the applicable L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any set-off, counterclaim, recoupment, defense or other right which such Lender may have against any L/C Issuer, any Borrower, any Subsidiary or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or an Event of Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lenderâ€™s obligation to make Revolving Loans pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 5.02 (other than delivery by the Company of a Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Company to reimburse the applicable L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein. (vi) If any Lender fails to make available to the Administrative Agent for the account of the applicable L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), the applicable L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily

charged by such L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lenderâ€™s Revolving Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the applicable L/C Issuer submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent manifest error. (vii) Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of a Subsidiary of the Company, the Company shall be obligated to reimburse the applicable L/C Issuer hereunder for the full amount of any and all drawings under such Letter of Credit. (d) Repayment of Participations. 62 13608890v113608890v4 Â (i) At any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lenderâ€™s L/C Advance in respect of such payment in accordance with Section 2.03(c), if the Administrative Agent receives for the account of the applicable L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Company or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Pro Rata Share thereof in Dollars (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lenderâ€™s L/C Advance was outstanding) in the same funds as those received by the Administrative Agent. (ii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 11.04 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement. (e) Obligations Absolute. The obligation of the Company to reimburse the applicable L/C Issuer for each drawing under each Letter of Credit and to repay each applicable L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following: (i) any lack of validity or enforceability of such Letter of Credit, this Agreement, any other Loan Document or any other agreement or instrument relating thereto; (ii) the existence of any claim, counterclaim, set-off, defense or other right that the Company or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction; (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit; (iv) any payment by the applicable L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the applicable L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of 63 13608890v113608890v4 Â Credit, including any arising in connection with any proceeding under any Debtor Relief Law; (v) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Borrower or any Subsidiary; (vi) waiver by the applicable L/C Issuer of any requirement that exists for such L/C Issuerâ€™s protection and not the protection of the Borrowers or any waiver by the applicable L/C Issuer which does not in fact materially prejudice the Borrowers; (vii) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft; (viii) any payment made by the applicable L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable; or (ix) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to any Borrower or any Subsidiary or in the relevant currency markets generally. The Company shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Companyâ€™s instructions or other irregularity, the Company will immediately notify the applicable L/C Issuer. The Company shall be conclusively deemed to have waived any such claim against the applicable L/C Issuer and its correspondents unless such notice is given as aforesaid. (f) Role of L/C Issuer. Each Lender and each Borrower agree that, in paying any drawing under a Letter of Credit, no L/C Issuer shall have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Revolving Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. Each Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, however, that this assumption is not intended to, and shall not, preclude any Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, the Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of any L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (viii) of Section 2.03(e); provided, however, that anything in such clauses to the contrary notwithstanding, any Borrower may have a claim against the applicable L/C Issuer, and the applicable L/C Issuer may be liable to any Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by such 64 13608890v113608890v4 Â Borrower which such Borrower proves were caused by the applicable L/C Issuerâ€™s willful misconduct or gross negligence or the applicable L/C Issuerâ€™s willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. Each L/C Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary. (g) Applicability of ISP and UCP; Limitation of Liability. Unless otherwise expressly agreed by the applicable L/C Issuer and the Company when a Letter of Credit is issued (including any such agreement applicable to an Existing Letter of Credit), (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the UCP shall apply to any commercial Letter of Credit. Notwithstanding the foregoing, no L/C Issuer shall be responsible to any Borrower for, and such L/C Issuerâ€™s rights and remedies against the Borrowers shall not be impaired by, any action or inaction of such L/C Issuer required or permitted under any Law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where such L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, Inc., whether or not any Letter of Credit chooses such Law or practice. (h) Letter of Credit Fees. The Company shall pay to the Administrative Agent for the account of each Lender in accordance, subject to Section 2.15, with its Pro Rata Share, in Dollars, a Letter of Credit fee for each Letter of Credit equal to the Applicable Rate times the Dollar Equivalent of the daily maximum amount available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit). Such Letter of Credit fees shall be computed on a quarterly basis in arrears. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.07. Such Letter of Credit fees shall be due and payable on the first Business Day after the end of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. (i) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuer. The Company shall pay directly to the applicable L/C Issuer for its own account, in Dollars, a fronting fee with respect to each Letter of Credit, at the rate specified in the Administrative Agent Fee Letter or as separately agreed upon by the Company and the 65 13608890v113608890v4 Â applicable L/C Issuer, computed on the Dollar Equivalent of the daily maximum amount available to be drawn thereunder (whether or not such maximum amount is then in effect under such Letter of Credit), due and payable quarterly in arrears on the Business Day immediately following the last day of each March, June, September and December, commencing with the first such date to occur after the issuance of such Letter of Credit, and on the Letter of Credit Expiration Date. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.07. In addition, the Company shall pay directly to the applicable L/C Issuer for its own account, in Dollars, the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable on demand and are nonrefundable. (j) Conflict with Letter of Credit Application. In the event of any conflict between the terms hereof and the terms of any Letter of Credit Application, the terms hereof shall control. (k) Designation of Subsidiaries as Account Parties. Notwithstanding anything to the contrary set forth in this Agreement, including without limitation Section 2.03(a), a Letter of Credit issued hereunder shall upon the request of the Company be issued for the account of any Subsidiary or other Borrower, provided that notwithstanding such request, the Company shall be the actual account party for all purposes of this Agreement for such Letter of Credit and such request shall not affect the Companyâ€™s reimbursement obligations hereunder with respect to such Letter of Credit. (l) L/C Issuer Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each L/C Issuer shall, in addition to its notification obligations set forth elsewhere in this Section, provide the Administrative Agent a Letter of Credit Report, as set forth below: (i) reasonably prior to the time that such L/C Issuer issues, amends, renews, increases or extends a Letter of Credit, the date of such issuance, amendment, renewal, increase or extension and the Dollar Equivalent of the stated amount of the applicable Letters of Credit after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed); (ii) on each Business Day on which such L/C Issuer makes a payment pursuant to a Letter of Credit, the date and amount of such payment; (iii) on any Business Day on which the Borrower fails to reimburse a payment made pursuant to a Letter of Credit required to be reimbursed to such L/C Issuer on such day, the date of such failure and the amount of such payment; (iv) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such L/C Issuer; and (v) for so long as any Letter of Credit issued by an L/C Issuer is outstanding, such L/C Issuer shall deliver to the Administrative Agent (A) on the last Business Day of each calendar month, (B) at all other times a Letter of Credit Report is required to be delivered pursuant to this Agreement, and (C) on each date that (1) an L/C Credit Extension occurs or (2) there is any expiration, cancellation and/or disbursement, in each 66 13608890v113608890v4 Â case, with respect to any such Letter of Credit, a Letter of Credit Report appropriately completed with the information for every outstanding Letter of Credit issued by such L/C Issuer, including, without limitation, the Dollar Equivalent of the stated amount of each Letter of Credit. (m) Additional L/C Issuers. Any Lender hereunder may become an L/C Issuer (including, with the approval of the Administrative Agent (in its sole discretion), any additional Alternative Currency L/C Issuer) upon receipt by the Administrative Agent of a fully executed Notice of Additional L/C Issuer which shall be signed by the Company and such new L/C Issuer (or Alternative Currency L/C Issuer, as the case may be) and acknowledged by the Administrative Agent and each existing L/C Issuer (such acknowledgments not to be unreasonably withheld or delayed). Such new L/C Issuer shall provide its L/C Commitment in such Notice of Additional L/C Issuer and upon the receipt by the Administrative Agent of the fully executed Notice of Additional L/C Issuer, the defined term L/C Commitment shall be deemed amended to incorporate the L/C Commitment of such new L/C Issuer. Section 2.04 Swing Line Loans. (a) (i) Domestic Swing Line Facility. Subject to the terms and conditions set forth herein, the Domestic Swing Line Lender may in its sole discretion, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make loans (each such loan, a â€œDomestic Swing Line Loanâ€) to the Company in Dollars from time to time on any Business Day during the Availability Period in an aggregate principal amount not to exceed at any time outstanding the amount of the Domestic Swing Line Sublimit, notwithstanding the fact that such Domestic Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Loans, other Swing Line Loans and L/C Obligations of the Domestic Swing Line Lender in its capacity as a Lender of Revolving Loans, may exceed the amount of such Lenderâ€™s Revolving Commitment; provided, however, that (i) after giving effect to any Domestic Swing Line Loan, (A) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, and (B) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lenderâ€™s Revolving Commitment, (ii) the Company shall not use the proceeds of any Domestic Swing Line Loan to refinance any outstanding Swing Line Loan and (iii) the Domestic Swing Line Lender shall not be under any obligation to make any Domestic Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension would have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Company may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Domestic Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Domestic Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Domestic Swing Line Lender a risk participation in such Domestic Swing Line Loan in an amount equal to the product of such Lenderâ€™s Pro Rata Share times the amount of such Domestic Swing Line Loan. (ii) Australian Swing Line Facility. Subject to the terms and conditions set forth herein, the Australian Swing Line Lender may in its sole discretion, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make loans (each such loan, an â€œAustralian Swing Line Loanâ€) to the Australian Borrowers in Australian 67 13608890v113608890v4 Â dollars from time to time on any Business Day during the Availability Period in an Outstanding Amount not to exceed the Australian Swing Line Sublimit, notwithstanding the fact that such Australian Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Loans, other Swing Line Loans and L/C Obligations of the Australian Swing Line Lender in its capacity as a Lender of Revolving Loans, may exceed the amount of such Lenderâ€™s Revolving Commitment; provided, however, that (i) after giving effect to any Australian Swing Line Loan, (A) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, (B) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lenderâ€™s Revolving Commitment and (C) the aggregate Outstanding Amount of all Revolving Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all Swing Line Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all L/C Obligations of the Foreign Borrowers shall not exceed the Foreign Borrower Sublimit, (ii) the Australian Borrowers shall not use the proceeds of any Australian Swing Line Loan to refinance any outstanding Swing Line Loan and (iii) the Australian Swing Line Lender shall not be under any obligation to make any Australian Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension would have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Australian Borrowers may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Australian Swing Line Loan shall be at the applicable base rate for Australian Dollars as determined in accordance with Section 2.08(a). Immediately upon the making of an Australian Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Australian Swing Line Lender a risk participation in such Australian Swing Line Loan in an amount equal to the product of such Lenderâ€™s Pro Rata Share times the amount of such Australian Swing Line Loan. (iii) Canadian Swing Line Facility. Subject to the terms and conditions set forth herein, the Canadian Swing Line Lender may in its sole discretion, in reliance upon the agreements of the other Lenders set forth in this Section 2.04, make loans (each such loan, a â€œCanadian Swing Line Loanâ€) to the Canadian Borrower in Canadian dollars from time to time on any Business Day during the Availability Period in an Outstanding Amount not to exceed the Canadian Swing Line Sublimit, notwithstanding the fact that such Canadian Swing Line Loans, when aggregated with the Pro Rata Share of the Outstanding Amount of Revolving Loans, other Swing Line Loans and L/C

Obligations of the Canadian Swing Line Lender in its capacity as a Lender of Revolving Loans, may exceed the amount of such Lenderâ€™s Revolving Commitment; provided, however, that (i) after giving effect to any Canadian Swing Line Loan, (A) the Total Revolving Outstandings shall not exceed the Aggregate Revolving Commitments, (B) the aggregate Outstanding Amount of the Revolving Loans of any Lender, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans shall not exceed such Lenderâ€™s Revolving Commitment and (C) the aggregate Outstanding Amount of all Revolving Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all Swing Line Loans made to the Foreign Borrowers plus the aggregate Outstanding Amount of all L/C Obligations of the Foreign Borrowers shall not exceed the Foreign Borrower Sublimit, (ii) the Canadian Borrower shall not use the proceeds of any Canadian Swing Line Loan to refinance any outstanding Swing Line Loan and (iii) the 68 13608890v113608890v4 Â Canadian Swing Line Lender shall not be under any obligation to make any Canadian Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Credit Extension would have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Canadian Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Canadian Swing Line Loan shall be at the applicable base rate for Canadian Dollars as determined in accordance with Section 2.08(a). Immediately upon the making of a Canadian Swing Line Loan, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Canadian Swing Line Lender a risk participation in such Canadian Swing Line Loan in an amount equal to the product of such Lenderâ€™s Pro Rata Share times the amount of such Canadian Swing Line Loan. (b) Borrowing Procedures. Each Borrowing of Swing Line Loans shall be made upon the applicable Borrowerâ€™s irrevocable notice to the applicable Swing Line Lender and the Administrative Agent, which may be given by: (A) telephone (in the case of Domestic Swing Line Loans only) or (B) a Swing Line Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Administrative Agent of a Swing Line Loan Notice. Each such notice must be received by such Swing Line Lender and the Administrative Agent not later than (x) 1:00 p.m. on the requested borrowing date with respect to Domestic Swing Line Loans, (y) 11:00 a.m. (Sydney time) on the requested borrowing date with respect to Australian Swing Line Loans and (z) 1:00 p.m. (Toronto time) on the requested borrowing date with respect to Canadian Swing Line Loans, and shall specify (i) the amount to be borrowed, which shall be a minimum principal amount of (A) with respect to Domestic Swing Line Loans, $100,000 and integral multiples of $100,000 in excess thereof, (B) with respect to Canadian Swing Line Loans, C$100,000 and integral multiples of C$100,000 in excess thereof or (C) with respect to Australian Swing Line Loans, A$100,000 and integral multiples of A$100,000 in excess thereof, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by such Swing Line Lender of any Swing Line Loan Notice, such Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, such Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless such Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Lender) prior to (x) 2:00 p.m. on the date of the proposed Borrowing of Domestic Swing Line Loans, (y) 12:00 noon (Sydney time) on the requested borrowing date with respect to Australian Swing Line Loans and (z) 2:00 p.m. (Toronto time) on the requested borrowing date with respect to Canadian Swing Line Loans, (A) directing such Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the proviso to the first sentence of Section 2.04(a), or (B) that one or more of the applicable conditions specified in Article V is not then satisfied, then, subject to the terms and conditions hereof, such Swing Line Lender will, not later than 3:00 p.m. on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the applicable Borrower. Notwithstanding the foregoing, however, in the event that an â€œauto borrowâ€ or â€œzero balanceâ€ or similar arrangement shall then be in place with any Swing Line Lender, the Company shall request Swing Line Loans pursuant to such alternative notice arrangements, if any, provided thereunder or in connection therewith, and each Swing Line Loan advance shall be in such minimum amounts, if any, provided by such arrangement. 69 13608890v113608890v4 Â (c) Refinancing of Swing Line Loans. (i) Each Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the applicable Borrower (which hereby irrevocably requests and authorizes such Swing Line Lender to so request on its behalf), that each Lender make a Revolving Loan (that is a Base Rate Loan, in the case of a refinancing of a Domestic Swing Line Loan, or an Alternative Currency Term Rate Loan with the shortest applicable Interest Period, in the case of a refinancing of an Australian Swing Line Loan or a Canadian Swing Line Loan, as applicable) in an amount equal to such Lenderâ€™s Pro Rata Share of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 5.02. Such Swing Line Lender shall furnish the Company with a copy of the applicable Loan Notice promptly after delivering such notice to the Administrative Agent. Each Lender shall make an amount equal to its Pro Rata Share of the amount specified in such Loan Notice available to the Administrative Agent in Same Day Funds (and the Administrative Agent may apply Cash Collateral available with respect to the applicable Swing Line Loan) for the account of the applicable Swing Line Lender at the Administrative Agentâ€™s Office for such Alternative Currency not later than the Applicable Time on the day specified in such Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Lender that so makes funds available shall be deemed to have made a Revolving Loan to the applicable Borrower in such amount. The Administrative Agent shall remit the funds so received to the applicable Swing Line Lender. (ii) If for any reason any Swing Line Loan cannot be refinanced by such a Borrowing of Revolving Loans in accordance with Section 2.04(c)(i), the request for Revolving Loans submitted by the applicable Swing Line Lender as set forth herein shall be deemed to be a request by such Swing Line Lender that each of the Lenders fund its risk participation in the relevant Swing Line Loan and each Lenderâ€™s payment to the Administrative Agent for the account of such Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation. (iii) If any Lender fails to make available to the Administrative Agent for the account of the applicable Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), such Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Swing Line Lender at a rate per annum equal to the applicable Overnight Rate from time to time in effect, plus any administrative, processing or similar fees customarily charged by such Swing Line Lender in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lenderâ€™s Revolving Loan included in the relevant Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of a Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error. 70 13608890v113608890v4 Â (iv) Each Lenderâ€™s obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any set-off, counterclaim, recoupment, defense or other right that such Lender may have against any Swing Line Lender, the Borrower, any Subsidiary or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Lenderâ€™s obligation to make Revolving Loans pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 5.02. No such purchase or funding of risk participations shall relieve or otherwise impair the obligation of the applicable Borrower to repay Swing Line Loans, together with interest as provided herein. (d) Repayment of Participations. (i) At any time after any Lender has purchased and funded a risk participation in a Swing Line Loan, if a Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Lender its Pro Rata Share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lenderâ€™s risk participation was funded) in the same funds as those received by such Swing Line Lender. (ii) If any payment received by a Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such Swing Line Lender in its discretion), each Lender shall pay to such Swing Line Lender its Pro Rata Share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the applicable Overnight Rate. The Administrative Agent will make such demand upon the request of the applicable Swing Line Lender. (e) Interest for Account of Swing Line Lender. Each Swing Line Lender shall be responsible for invoicing the applicable Borrower for interest on the Swing Line Loans. Until each Lender funds its Revolving Loans or risk participation pursuant to this Section 2.04 to refinance such Lenderâ€™s Pro Rata Share of any Swing Line Loan, interest in respect of such Pro Rata Share shall be solely for the account of the applicable Swing Line Lender. (f) Payments Directly to Swing Line Lender. The Borrowers shall make all payments of principal and interest in respect of the Swing Line Loans directly to the applicable Swing Line Lender. (g) Auto-Borrow Arrangement. In order to facilitate the Borrowing of Domestic Swing Line Loans, the Company and the Domestic Swing Line Lender may mutually agree to, and are hereby authorized to, enter into an auto-borrow agreement in form and substance satisfactory to the Domestic Swing Line Lender and the Company (the â€œAuto-Borrow Agreementâ€) providing for the automatic advance by the Domestic Swing Line Lender of Domestic Swing Line Loans and for the automatic repayment by the Company of Domestic Swing Line Loans under the conditions set forth in the Auto-Borrow Agreement, subject to the conditions set forth herein. At any time an Auto-Borrow Agreement is in effect, Borrowings of Domestic Swing Line Loans under the Auto-Borrow 71 13608890v113608890v4 Â Agreement shall be made in accordance with the Auto-Borrow Agreement. For purposes of determining the Total Revolving Outstandings at any time during which an Auto-Borrow Agreement is in effect, the Outstanding Amount of all Domestic Swing Line Loans shall be deemed to be the sum of the Outstanding Amount of Domestic Swing Line Loans at such time plus the maximum amount available to be borrowed under such Auto-Borrow Agreement at such time. For purposes of determining the available amount for borrowings under the Domestic Swing Line Sublimit, the available amount shall be an amount equal to (x) the Domestic Swing Line Sublimit less (y) the maximum amount available to be borrowed under the Auto-Borrow Agreement at such time less (z) the Outstanding Amount of the Domestic Swing Line Loans at such time. Section 2.05 Prepayments. (a) Voluntary Prepayments of Loans. (i) Revolving Loans, Delayed Draw Term Loans and/or Incremental Term Loans. Any Borrower may, upon notice from such Borrower to the Administrative Agent pursuant to delivery to the Administrative Agent of a Notice of Loan Prepayment, at any time or from time to time voluntarily prepay Loans in whole or in part without premium or penalty; provided, in each case, that (v) such notice must be in a form reasonably acceptable to the Administrative Agent (including any form on an electronic platform or electronic transmission system as shall be approved by the Administrative Agent), appropriately completed and signed by a Responsible Officer of the applicable Borrower and be received by the Administrative Agent not later than (A) 1:00 p.m. two (2) Business Days prior to any date of prepayment of Term SOFR Loans, (B) 1:00 p.m. four (4) Business Days (or five (5), in the case of prepayment of Loans denominated in Special Notice Currencies) prior to any date of prepayment of any Alternative Currency Loans, and (C) 1:00 p.m. on the date of prepayment of Base Rate Loans; (w) any such prepayment of Term SOFR Loans shall be in a principal amount of $2,000,000 or a whole multiple of $1,000,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding), (x) any prepayment of Base Rate Loans shall be in a principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding), (y) any prepayment of Loans denominated in Alternative Currencies shall be in a minimum principal amount of (1) if denominated in Canadian dollars, C$2,000,000 or a whole multiple of C$1,000,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding), (2) if denominated in Australian dollars, A$2,000,000 or a whole multiple of A$1,000,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding) or (3) if the Loan is denominated in any other Alternative Currency, the whole multiple of 1,000 units of such Alternative Currency that is nearest to the Alternative Currency Equivalent of $2,000,000 in such Alternative Currency, as reasonably determined by the Company, or a whole multiple of 1,000 units of such Alternative Currency that is nearest to the Alternative Currency Equivalent of $1,000,000 in such Alternative Currency, as reasonably determined by the Company, in excess thereof (or, if less, the entire principal amount thereof then outstanding); and (z) any prepayment of the Delayed Draw Term Loans shall be applied ratably to the Delayed Draw Term Loans to the remaining principal amortization payments thereof as directed by the Company. Each such notice shall specify (1) the date and amount of such prepayment, (2) the Loans to be prepaid, (3) the Type(s) of Loans to be prepaid, (4) if Term SOFR Loans or Alternative Currency Term Rate Loans are to be prepaid, the Interest Period(s) of such Loans, (5) the currencies of the Loans to be prepaid and (6) whether the Loans to be prepaid are 72 13608890v113608890v4 Â Revolving Loans, the Delayed Draw Term Loans or Incremental Term Loans. The Administrative Agent will promptly notify each applicable Lender of its receipt of each such notice, and of the amount of such Lenderâ€™s Pro Rata Share of such prepayment. If such notice is given by a Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Loan shall be accompanied by all accrued interest on the amount prepaid, together with, in the case of any Term SOFR Loan and any Alternative Currency Loan, any additional amounts required pursuant to Section 3.05. Each prepayment of the outstanding Delayed Draw Term Loans or Incremental Term Loans pursuant to this Section 2.05(a)(i) shall be applied to the principal repayment installments thereof as directed by the Company (or, if no application is specified by the Company, ratably to the remaining principal amortization payments of the Delayed Draw Term Loans or Incremental Term Loans, as applicable). Each such prepayment shall be applied to the Revolving Loans, Delayed Draw Term Loans and/or Incremental Term Loans, as applicable, of the Lenders in accordance with their respective Pro Rata Shares. (ii) Swing Line Loans. At any time the Auto-borrow Agreement is not in effect, each Borrower may, upon notice to the Swing Line Lender pursuant to delivery to the Swing Line Lender of a Notice of Loan Prepayment (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay Swing Line Loans made to it in whole or in part without premium or penalty; provided that (i) such notice must be received by the applicable Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (ii) any such prepayment shall be in a minimum principal amount of $250,000 or a whole multiple of $100,000 in excess thereof (or, if less, the entire principal amount thereof then outstanding). Each such notice shall specify the date and amount of such prepayment. If such notice is given by a Borrower, such Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Notwithstanding the foregoing, however, in the event that an â€œauto borrowâ€ or â€œzero balanceâ€ or similar arrangement shall then be in place with the applicable Swing Line Lender, the applicable Borrower may make voluntary prepayments on Swing Line Loans pursuant to such alternative notice arrangements and in such minimum amounts, if any, provided thereunder or in connection therewith. (b) Mandatory Prepayments of Revolving Loans. If for any reason the Total Revolving Outstandings at any time exceed the Aggregate Revolving Commitments then in effect, the Borrowers shall immediately prepay Revolving Loans and/or the Swing Line Loans and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, however, that the Borrowers shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.05(b) unless after the prepayment in full of the Revolving Loans and Swing Line Loans, the Total Revolving Outstandings exceed the Aggregate Revolving Commitments then in effect. The Administrative Agent, acting reasonably, may, at any time and from time to time after the initial deposit of such Cash Collateral, request that additional Cash Collateral be provided in order to protect against the results of further exchange rate fluctuations. If the Administrative Agent notifies the Company at any time that the Outstanding Amount of all Loans denominated in Alternative Currencies plus aggregate Outstanding Amount of the L/C Obligations denominated in an Alternative Currency at such time exceeds an amount equal to 105% of the Alternative Currency Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Company shall prepay Loans in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the 73 13608890v113608890v4 Â Alternative Currency Sublimit then in effect. If the Administrative Agent notifies the Company at any time that the Outstanding Amount of all Loans made to the Foreign Borrowers plus all L/C Obligations of the Foreign Borrowers at such time exceeds an amount equal to 105% of the Foreign Borrower Sublimit then in effect, then, within two (2) Business Days after receipt of such notice, the Company shall prepay Loans in an aggregate amount sufficient to reduce such Outstanding Amount as of such date of payment to an amount not to exceed 100% of the Foreign Borrower Sublimit then in effect. All amounts required to be paid pursuant to this Section 2.05(b) shall be applied to Revolving Loans and Swing Line Loans and (after all Revolving Loans and all Swing Line Loans have been repaid) to Cash Collateralize L/C Obligations. Within the parameters of the applications set forth above, prepayments shall be applied first ratably to Base Rate Loans, then to Alternative Currency Daily Rate Loans, then to Term SOFR Loans and lastly to Alternative Currency Term Rate Loans (for Term SOFR Loans and Alternative Currency Term Rate Loans, in direct order of Interest Period maturities, beginning with the earliest maturity). All prepayments under this Section 2.05 shall be subject to Section 3.05, but otherwise without premium or penalty, and shall be accompanied by interest on the principal amount prepaid through the date of prepayment. Section 2.06 Termination or Reduction of Commitments. (a) The Company may, at any time or from time to time, upon notice to the Administrative Agent, terminate entirely, or permanently reduce, the Aggregate Revolving Commitments to an amount not less than the

Outstanding Amount of Revolving Loans, Swing Line Loans and L/C Obligations; provided that (i) any such notice shall be received by the Administrative Agent not later than 12:00 noon three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $2,000,000 or any whole multiple of $1,000,000 in excess thereof and (iii) if, after giving effect to any reduction of the Aggregate Revolving Commitments, the Alternative Currency Sublimit, the Financial Letter of Credit Sublimit, the Foreign Borrower Sublimit or any Swing Line Sublimit exceeds the amount of the Aggregate Revolving Commitments, such sublimit shall be automatically reduced by the amount of such excess. The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Aggregate Revolving Commitments. The amount of any such Aggregate Revolving Commitment reduction shall not be applied to the Alternative Currency Sublimit or the Financial Letter of Credit Sublimit unless otherwise specified by the Company. Any reduction of the Aggregate Revolving Commitments shall be applied to the Revolving Commitment of each Lender according to its Pro Rata Share. All fees accrued with respect thereto until the effective date of any termination of the Aggregate Revolving Commitments shall be paid on the effective date of such termination. (b) At the Companyâ€™s option, the unutilized portion of any Delayed Draw Term Loan Commitments may be irrevocably cancelled in whole or in part at any time prior to the Acquisition Closing Date without penalty. The aggregate Delayed Draw Term Loan Commitments shall be automatically and permanently reduced to zero on the date of, and after giving effect to, the Borrowing of the Delayed Draw Term Loans. Section 2.07 Repayment of Loans. 74 13608890v113608890v4 Â 75 13608890v113608890v4 January 2023 $4,687,500 April 2022 Principal Amortization Payment April 2023 $0 $4,687,500 (a) Revolving Loans. The applicable Borrower shall repay to the Lenders on the Maturity Date the aggregate principal amount of all Revolving Loans made to it and outstanding on such date. (b) Swing Line Loans. The applicable Borrower shall repay the applicable Swing Line Lender the aggregate principal amount of each Swing Line Loan made to it on the earlier to occur of (i) demand by such Swing Line Lender and (ii) the Maturity Date. (c) Incremental Term Loans. The Company shall repay to the applicable Lenders making Incremental Term Loans the outstanding principal amount of such Incremental Term Loans in the installments, on the dates and in the amounts agreed pursuant to the Incremental Term Facility Amendment for such Incremental Term Loans (which amounts shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05), unless accelerated sooner pursuant to Section 9.02; provided, that, (i) the final principal repayment installment of such Incremental Term Loans shall be repaid on the Maturity Date set forth in the Incremental Term Facility Amendment for such Incremental Term Loans and in any event shall be in an amount equal to the aggregate principal amount of such Incremental Term Loans outstanding on such date, and (ii) (A) if any principal repayment installment to be made by the Company (other than principal repayment installments on Term SOFR Loans) shall come due on a day other than a Business Day, such principal repayment installment shall be due on the next succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be, and (B) if any principal repayment installment to be made by the Company on a Term SOFR Loan shall come due on a day other than a Business Day, such principal repayment installment shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such principal repayment installment into another calendar month, in which event such principal repayment installment shall be due on the immediately preceding Business Day. (d) Delayed Draw Term Loans. Commencing on the first Business Day of the first fiscal quarter beginning after the Acquisition Closing Date, the Company shall repay the outstanding principal amount of the Delayed Draw Term Loans in installments on the first Business Day of each January, April, July and October and on the Maturity Date, in each case, in the respective amounts set forth in the table below (which amounts shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05), unless accelerated sooner pursuant to Section 9.02: July 2023 $4,687,500 July 2022 October 2023 $0 $4,687,500 January 2022 January 2024 $4,687,500 October 2022 $0 April 2024 $0 $4,687,500 Payment Dates Â 76 13608890v113608890v4 October 2025 January 2025 $9,375,000 $9,375,000 January 2026 $18,750.000 April 2026 April 2025 $18,750.000 October 2024 $9,375,000 July 2026 July 2024 $18,750.000 $4,687,500 October 2026 July 2025 $18,750.000 $9,375,000 Maturity Date Outstanding Amount of Delayed Draw Term Loans provided, that, (i) the final principal repayment installment of the Delayed Draw Term Loans shall be repaid on the Maturity Date and in any event shall be in an amount equal to the aggregate principal amount of all Delayed Draw Term Loans outstanding on such date, and (ii)(A) if any principal repayment installment to be made by the Company (other than principal repayment installments on Term SOFR Loans) shall come due on a day other than a Business Day, such principal repayment installment shall be due on the next succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be, and (B) if any principal repayment installment to be made by the Company on a Term SOFR Loan shall come due on a day other than a Business Day, such principal repayment installment shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such principal repayment installment into another calendar month, in which event such principal repayment installment shall be due on the immediately preceding Business Day. Section 2.08 Interest and Default Rate. (a) Interest. (i) Subject to the provisions of Section 2.08(b), (A) each Term SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Term SOFR for such Interest Period plus the Applicable Rate; (B) each Base Rate Loan (other than a Swing Line Loan) shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; (C) each Alternative Currency Daily Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Alternative Currency Daily Rate plus the Applicable Rate; (D) each Alternative Currency Term Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Alternative Currency Term Rate for such Interest Period plus the Applicable Rate; (E) each Domestic Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate (or with respect to any Domestic Swing Line Loan advanced pursuant to an Auto-Borrow Agreement, such other rate as separately agreed in writing between the Company and the Domestic Swing Line Lender); (F) each Australian Swing Line Loan shall bear interest on the outstanding $4,687,500 Â principal amount thereof from the applicable borrowing date at a rate per annum equal to the Australian Base Rate plus the Applicable Rate for Alternative Currency Term Rate Loans or such other rate per annum as the Australian Swing Line Lender and the applicable Australian Borrower shall mutually agree; and (G) each Canadian Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to Canadian Prime Rate plus the Applicable Rate for Base Rate Loans or such other rate per annum as the Canadian Swing Line Lender and the Canadian Borrower shall mutually agree. (ii) Interest on each Delayed Draw Term Loan, Revolving Loan and Swing Line Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law. (b) Default Rate. If any amount payable by the Borrowers under this Agreement or any other Loan Document (including principal of any Loan, interest, fees and other amount) is not paid when due, whether at stated maturity, by acceleration or otherwise, such amount shall thereafter bear interest at a rate per annum equal to the applicable Default Rate to the fullest extent permitted by applicable Laws. (c) Interest Act (Canada). For the purposes of the Interest Act (Canada), (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the â€œdeemed yearâ€) that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields. Section 2.09 Fees. In addition to certain fees described in subsections (h) and (i) of Section 2.03: (a) Commitment Fee. The Company shall pay to the Administrative Agent for the account of each Lender in accordance with its Pro Rata Share, a commitment fee, in Dollars, at a rate per annum equal to (i) with respect to the Revolving Loans, the product of (x) the Applicable Rate times (y) the actual daily amount by which the Aggregate Revolving Commitments exceed the sum of (A) the Outstanding Amount of Revolving Loans and (B) the Outstanding Amount of L/C Obligations (ii) and with respect to the Delayed Draw Term Loans, the product of (x) the Applicable Rate times (y) the aggregate unfunded Delayed Draw Term Loan Commitments, each of the foregoing clauses (i) and (ii) subject to adjustment as provided in Section 2.15. The commitment fee (i) with respect to the Revolving Loans, shall accrue at all times during the Availability Period, including at any time during which one or more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the Maturity Date applicable to the Aggregate Revolving Commitments and (ii) with respect to the Delayed Draw Term Loans, shall accrue commencing upon the date that is sixty (60) days after the Ninth Amendment Effective Date, including at any time during which one or 77 13608890v113608890v4 Â more of the conditions in Article V is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur sixty (60) days after the Ninth Amendment Effective Date, until the termination of the Delayed Draw Term Loan Commitments. The commitment fee shall be calculated quarterly in arrears, and if there is any change in the Applicable Rate during any quarter, the actual daily amount shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect. For purposes of clarification, Swing Line Loans shall not be considered outstanding for purposes of determining the unused portion of the Aggregate Revolving Commitments. When determining the Outstanding Amount of L/C Obligations for Letters of Credit issued by Lenders other than Bank of America for purposes of calculating the commitment fee, the Administrative Agent shall make such determinations using the information provided pursuant to Section 2.03(l)(v) and any related Letter of Credit activity that posts subsequent to the date of such information but prior to the end of the calendar quarter shall be reflected in adjustments to the commitment fee for the next billing cycle. (b) Administrative Agent Fee Letter. The Company shall pay to BofA Securities (as successor in interest to Merrill Lynch, Pierce, Fenner & Smith Incorporated) and the Administrative Agent for their own respective accounts fees, in Dollars, in the amounts and at the times specified in the Administrative Agent Fee Letter. Such fees shall be fully earned when paid and shall be non-refundable for any reason whatsoever. Section 2.10 Computation of Interest and Fees; Retroactive Adjustments of Applicable Rate. (a) All computations of interest for Base Rate Loans (including Base Rate Loans determined by reference to the Term SOFR), and for Alternative Currency Term Rate Loans (x) denominated in Sterling and/or (y) determined by reference to the CDOR Rate, and for Canadian Swing Line Loans determined by reference to the Canadian Prime Rate, shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year), or, in the case of interest in respect of Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. (b) If, as a result of any restatement of or other adjustment to the financial statements of the Company, the Company or the Lenders (acting reasonably) determine that (i) the Consolidated Leverage Ratio as calculated by the Company as of any applicable date was inaccurate and (ii) a proper calculation of the Consolidated Leverage Ratio would have resulted in higher pricing for such period, the Company shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders or the applicable L/C Issuer, as the case may be, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Company under the Bankruptcy Code of the United States, automatically and without further action by the Administrative Agent, any Lender or any L/C Issuer), an amount equal to the excess of the amount of interest and fees that should have been paid for such period over the amount of interest 78 13608890v113608890v4 Â and fees actually paid for such period. This Section 2.10(b) shall not limit the rights of the Administrative Agent, any Lender or any L/C Issuer, as the case may be, under any provision of this Agreement to payment of any Obligations hereunder at the Default Rate or under Article IX. The Borrowerâ€™s obligations under this Section 2.10(b) shall survive for a period of two (2) years following the termination of the Commitments and the repayment of all other Obligations (other than any contingent indemnity obligations that, by their terms, survive the termination of this Agreement) hereunder. Section 2.11 Evidence of Debt. (a) The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made by the Lenders to the Borrowers and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrowers hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrowers shall execute and deliver to such Lender (through the Administrative Agent) a promissory note, which shall evidence such Lenderâ€™s Loans in addition to such accounts or records. Each such promissory note shall (i) in the case of Revolving Loans, be in the form of Exhibit C-1 (a â€œRevolving Noteâ€), (ii) in the case of Domestic Swing Line Loans, be in the form of Exhibit C-2 (a â€œDomestic Swing Line Noteâ€), (iii) in the case of Australian Swing Line Loans, be in the form of Exhibit C-3 (an â€œAustralian Swing Line Noteâ€), (iv) in the case of Canadian Swing Line Loans, be in the form of Exhibit C-4 (a â€œCanadian Swing Line Noteâ€), (v) in the case of Incremental Term Loans, be in the form of Exhibit C-5 (an â€œIncremental Term Noteâ€) and (vi) in the case of Delayed Draw Term Loans, be in the form of Exhibit C-6 (a â€œDelayed Draw Term Loan Noteâ€). Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount, currency and maturity of its Loans and payments with respect thereto. (b) In addition to the accounts and records referred to in subsection (a), each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit and Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Section 2.12 Payments Generally; Administrative Agentâ€™s Clawback. (a) All payments to be made by the Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or set-off. Except as otherwise expressly provided herein and except with respect to principal of and interest on Loans denominated in an Alternative Currency, all payments by the Borrowers hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agentâ€™s Office in Dollars and in Same Day Funds not later than 2:00 p.m. on the date specified herein. Except as otherwise 79 13608890v113608890v4 Â expressly provided herein, all payments by the Borrowers hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agentâ€™s Office in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the dates specified herein. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. If, for any reason, any Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount. The Administrative Agent will promptly distribute to the applicable L/C Issuer its applicable share or each Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lenderâ€™s Lending Office. All payments received by the Administrative Agent (i) after 2:00 p.m., in the case of payment in Dollars, or (ii) after the Applicable Time specified by the Administrative Agent in the case of payments in an Alternative Currency, shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. (b) Subject to Section 2.07, the definition of â€œInterest Periodâ€ and as otherwise specifically provided for in this Agreement, if any payment to be made by a Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be. (c) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, L/C Borrowings, interest and fees then due hereunder, such funds shall be applied (i) first, toward costs and expenses (including Attorney Costs and amounts payable under Article III) incurred by the Administrative Agent and each Lender, (ii) second, toward repayment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (iii) third, toward repayment of principal and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and L/C Borrowings then due to such parties. (d) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Term SOFR Loans or Alternative Currency Loans (or,

in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lenderâ€™s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the applicable Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in Same Day Funds with interest thereon, for each day from and including the date such amount is made available to such Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the Overnight Rate, plus any administrative, processing or similar fees customarily 80 13608890v113608890v4 Â charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by such Borrower, the interest rate applicable to (x) Base Rate Loans, in the case of Loans denominated in Dollars, or (y) in the case of Loans denominated in Alternative Currencies, in accordance with such market practice, in each case, as applicable. If such Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to such Borrower the amount of such interest paid by such Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lenderâ€™s Loan included in such Borrowing. Any payment by such Borrower shall be without prejudice to any claim such Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent. (e) Unless the Administrative Agent shall have received notice from the Company prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any L/C Issuer hereunder that the applicable Borrower will not make such payment, the Administrative Agent may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the appropriate Lenders or L/C Issuers, as the case may be, the amount due. With Respect to any payment that the Administrative Agent makes for the account of any Lender or any L/C Issuer hereunder as to which the Administrative Agent determines (which determination shall be conclusive absent manifest error) that any of the following applies (such payment referred to as the â€œRescindable Amountâ€): (i) the applicable Borrower has not in fact made such payment; (ii) the Administrative Agent has made a payment in excess of the amount so paid by the applicable Borrower (whether or not then owed); or (iii) the Administrative agent has for any reason otherwise erroneously made such payment; then each of the applicable Lenders or the applicable L/C Issuers, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount so distributed to such Lender or such L/C Issuer, in Same Day Funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A notice of the Administrative Agent to any Lender or the Borrowers with respect to any amount owing under this clause (b) shall be conclusive, absent manifest error. (f) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the applicable Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article V are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest. (g) The obligations of the Lenders hereunder to make Loans, to fund participations in Letters of Credit and Swing Line Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation in Letters of Credit or Swing Line Loans or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its 81 13608890v113608890v4 Â participation in Letters of Credit or Swing Line Loans or to make its payment under Section 11.04(c). (h) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner. (i) A notice of the Administrative Agent to any Lender or any Borrower with respect to any amount owing under Section 2.12(d) or (e) shall be conclusive, absent manifest error. Section 2.13 Sharing of Payments by Lenders. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations or in Swing Line Loans held by it (but not including any amounts applied by the applicable Swing Line Lender to outstanding Swing Line Loans), any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided, however, that (x) if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lenderâ€™s ratable share (according to the proportion of (i) the amount of such paying Lenderâ€™s required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon and (y) the provisions of this Section shall not be construed to apply to (A) any payment made by or on behalf of any Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) the application of Cash Collateral provided for in Section 2.14 or (C) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or subparticipations in L/C Obligations or Swing Line Loans to any assignee or participant, other than an assignment to the Company or any Subsidiary (as to which the provisions of this Section shall apply). Each Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off, but subject to Section 11.08) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased. Section 2.14 Cash Collateral. 82 13608890v113608890v4 Â (a) Certain Credit Support Events. If (i) any L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, (ii) as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, or (iii) there shall exist a Defaulting Lender, the Company shall within one (1) Business Day following any request by the Administrative Agent or an L/C Issuer provide Cash Collateral in an amount not less than the applicable Minimum Collateral Amount (determined in the case of Cash Collateral provided pursuant to clause (iii) above, after giving effect to Section 2.15(b) and any Cash Collateral provided by the Defaulting Lender). Additionally, if the Administrative Agent notifies the Company at any time that the Outstanding Amount of all L/C Obligations for Financial Letters of Credit at such time exceeds 103% of the Financial Letter of Credit Sublimit then in effect, then within two (2) Business Days after receipt of such notice, the Company shall provide Cash Collateral for the Outstanding Amount of the L/C Obligations for Financial Letters of Credit in an amount not less than the amount by which the Outstanding Amount of all L/C Obligations for Financial Letters of Credit exceeds the Financial Letter of Credit Sublimit. (b) Grant of Security Interest. The Company, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the L/C Issuers and the Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.14(c). If at any time the Administrative Agent reasonably determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent or the L/C Issuers as herein provided (other than Liens permitted under Section 8.01(m)), or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Company will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by any Defaulting Lender). All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in blocked, non-interest bearing deposit accounts at Bank of America. The Company shall pay (or shall cause the applicable Borrower to pay) on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral. (c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.14 or Sections 2.03, 2.05, 2.15 or 9.02 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein. (d) Release. Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 11.06(b)(vi))) or (ii) the determination by the Administrative Agent and the L/C Issuers that there exists excess Cash Collateral; provided, however, the Person providing Cash Collateral and the 83 13608890v113608890v4 Â L/C Issuers may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations. Section 2.15 Defaulting Lenders. (a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law: (i) Waivers and Amendment. The Defaulting Lenderâ€™s right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of â€œRequired Lendersâ€, â€œRequired Revolving Lendersâ€ and in Section 11.01. (ii) Reallocation of Payments. Any payment of principal, interest, fees or other amount received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 2.13 or Section 11.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to any L/C Issuer or Swing Line Lender hereunder; third, to Cash Collateralize the applicable L/C Issuerâ€™s Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.14; fourth, as the Company may request (so long as no Default or Event of Default exists and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Company (with respect to the Company, so long as no Default or Event of Default exists and is continuing), to be held in a non-interest bearing deposit account and released pro rata in order to (x) satisfy such Defaulting Lenderâ€™s potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the applicable L/C Issuerâ€™s future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.14; sixth, to the payment of any amounts owing to the Lenders, any L/C Issuer or any Swing Line Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any L/C Issuer or any Swing Line Lender against that Defaulting Lender as a result of that Defaulting Lenderâ€™s breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Borrower as a result of any judgment of a court of competent jurisdiction obtained by such Borrower against that Defaulting Lender as a result of that Defaulting Lenderâ€™s breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that, if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans or L/C Borrowings were made at a time when the conditions set forth in Section 5.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Borrowings owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in 84 13608890v113608890v4 Â L/C Obligations and Swing Line Loans are held by the Lenders pro rata in accordance with the applicable Commitments hereunder without giving effect to Section 2.15(b). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.15(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto. (iii) Certain Fees. (A) No Defaulting Lender shall be entitled to receive any fee payable under Section 2.09(a) for any period during which that Lender is a Defaulting Lender (and the Company shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender). (B) Each Defaulting Lender shall be entitled to receive Letter of Credit fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.14. (C) With respect to any Letter of Credit fee not required to be paid to any Defaulting Lender pursuant to clause (B) above, the Borrowers shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lenderâ€™s participation in L/C Obligations that has been reallocated to such Non-Defaulting Lender pursuant to Section 2.15(b) below, (y) pay to the applicable L/C Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such L/C Issuerâ€™s Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee. (b) Reallocation of Pro Rata Shares to Reduce Fronting Exposure. All or any part of such Defaulting Lenderâ€™s participation in L/C Obligations and Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lenderâ€™s Revolving Commitment) but only to the extent that (x) the conditions set forth in Section 5.02 are satisfied or waived at the time of such reallocation (and, unless the Company shall have otherwise notified the Administrative Agent at such time, the Company shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate Outstanding Amount of the Revolving Loans of any such Non-Defaulting Lender, plus such Non-Defaulting Lenderâ€™s Pro Rata Share of the Outstanding Amount of all L/C Obligations, plus such Non-Defaulting Lenderâ€™s Pro Rata Share of the Outstanding Amount of all Swing Line Loans to exceed such Non-Defaulting Lenderâ€™s Revolving Commitment. Subject to Section 11.23, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lenderâ€™s increased exposure following such reallocation. (c) Cash Collateral, Repayment of Swing Line Loans. If the reallocation described in Section 2.15(b) above cannot, or can only partially, be effected, the Company 85 13608890v113608890v4 Â or the applicable Borrower(s) shall, without prejudice to any right or remedy available to it hereunder or under applicable Law, (x) first, prepay the applicable Swing Line Loans in an amount equal to the applicable Swing Line Lendersâ€™ Fronting Exposure and (y) second, Cash Collateralize the applicable L/C Issuerâ€™s Fronting Exposure in accordance with the procedures set forth in Section 2.14. (d) Defaulting Lender Cure. If the Company, the Administrative Agent, the Swing Line Lenders and the L/C Issuers agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Shares (without giving effect to Section 2.15(b)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lenderâ€™s having been a Defaulting Lender. (e) Assignment of Commitments. If a Lender becomes a Defaulting Lender, such Defaulting Lender

may be replaced as provided in Section 11.14. Section 2.16 Joint and Several Liability. (a) Foreign Borrowers. The Obligations of each Foreign Borrower shall be joint and several in nature regardless of which such Person actually receives Credit Extensions hereunder or the amount of such Credit Extensions received or the manner in which the Administrative Agent or any Lender accounts for such Credit Extensions on its books and records. Each such Foreign Borrowerâ€™s obligations with respect to Credit Extensions made to it, and each such Foreign Borrowerâ€™s obligations arising as a result of the joint and several liability of such Foreign Borrower hereunder, with respect to Credit Extensions made to and other Obligations owing by the other Foreign Borrowers, shall be separate and distinct obligations, but all such obligations shall be primary obligations of each such Foreign Borrower. (b) Waivers. The obligations of the Foreign Borrowers under clause (a) above are joint and several, absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable Law, irrespective of any Law or regulation or other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 2.16 that the obligations of such Foreign Borrowers hereunder shall be absolute and unconditional under any and all circumstances. Each such Foreign Borrower agrees that with respect to its obligations under the foregoing clause (a) such Foreign Borrower shall have no right of subrogation, indemnity, 86 13608890v113608890v4 Â reimbursement or contribution against the Company or any other such Foreign Borrower for amounts paid under this Section 2.16 until such time as the Obligations have been paid in full and the Commitments have expired or terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of any such Foreign Borrower under the foregoing clause (a) which shall remain absolute and unconditional as described above: (i) at any time or from time to time, without notice to any Borrower, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived; (ii) any of the acts mentioned in any of the provisions of any of the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements, or any other agreement or instrument referred to in the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements shall be done or omitted; (iii) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements, or any other agreement or instrument referred to in the Loan Documents Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with; or (iv) any of the Obligations shall be determined to be void or voidable (including, without limitation, for the benefit of any creditor of any Borrower) or shall be subordinated to the claims of any Person (including, without limitation, any creditor of any Borrower). With respect to its obligations under the foregoing clause (a) each such Foreign Borrower hereby expressly waives diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements, or any other agreement or instrument referred to in the Loan Documents, Guaranteed Treasury Management Agreements, Guaranteed Swap Agreements, or against any other Person under any other guarantee of, or security for, any of the Obligations. ARTICLE III TAXES, YIELD PROTECTION AND ILLEGALITY Section 3.01 Taxes. (a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. (i) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any 87 13608890v113608890v4 Â Taxes, except as required by applicable Laws. If any applicable Laws (as determined in the good faith discretion of the Administrative Agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Loan Party, then the Administrative Agent or such Loan Party shall be entitled to make such deduction or withholding, upon the basis of the information and documentation to be delivered pursuant to subsection (e) below. (ii) If any Loan Party or the Administrative Agent shall be required by the Internal Revenue Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment, then (A) the Administrative Agent shall withhold or make such deductions as are determined by the Administrative Agent to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) the Administrative Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with the Internal Revenue Code, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made. (iii) If any Loan Party or the Administrative Agent shall be required by any applicable Laws other than the Internal Revenue Code to withhold or deduct any Taxes from any payment, then (A) such Loan Party or the Administrative Agent, as required by such Laws, shall withhold or make such deductions as are determined by it to be required based upon the information and documentation it has received pursuant to subsection (e) below, (B) such Loan Party or the Administrative Agent, to the extent required by such Laws, shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with such Laws, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made. (b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, the Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes. (c) Tax Indemnifications. (i) Each of the Loan Parties shall, and does hereby, jointly and severally (subject to Section 1.12) indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant 88 13608890v113608890v4 Â Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Company by a Lender or an L/C Issuer (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender or an L/C Issuer, shall be conclusive absent manifest error. Each of the Loan Parties shall, and does hereby, jointly and severally indemnify the Administrative Agent, and shall make payment in respect thereof within ten (10) days after demand therefor, for any amount which a Lender or an L/C Issuer for any reason fails to pay indefeasibly to the Administrative Agent as required pursuant to Section 3.01(c)(ii) below. (ii) Each Lender and each L/C Issuer shall, and does hereby, severally indemnify, and shall make payment in respect thereof within ten (10) days after demand therefor, (A) the Administrative Agent against any Indemnified Taxes attributable to such Lender or such L/C Issuer (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (B) the Administrative Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lenderâ€™s failure to comply with the provisions of Section 11.06(d) relating to the maintenance of a Participant Register and (C) the Administrative Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender or such L/C Issuer, in each case, that are payable or paid by the Administrative Agent or a Loan Party in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender and each L/C Issuer hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or such L/C Issuer, as the case may be, under this Agreement or any other Loan Document against any amount due to the Administrative Agent under this clause (ii). (d) Evidence of Payments. Upon request by any Loan Party or the Administrative Agent, as the case may be, after any payment of Taxes by such Loan Party or by the Administrative Agent to a Governmental Authority as provided in this Section 3.01, such Loan Party shall deliver to the Administrative Agent or the Administrative Agent shall deliver to such Loan Party, as the case may be, the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by Laws to report such payment or other evidence of such payment reasonably satisfactory to such Loan Party or the Administrative Agent, as the case may be. (e) Status of Lenders; Tax Documentation. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is 89 13608890v113608890v4 Â subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), 3.01(e)(ii)(B) and 3.01(e)(ii)(D) below) shall not be required if in the Lenderâ€™s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. (ii) Without limiting the generality of the foregoing, in the event that any Borrower is a U.S. Person, (A) any Lender that is a U.S. Person shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax; (B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), whichever of the following is applicable: 1. in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the â€œinterestâ€ article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the â€œbusiness profitsâ€ or â€œother incomeâ€ article of such tax treaty; 2. executed copies of IRS Form W-8ECI; 3. in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit 3.01(e)-1 to the effect that such Foreign Lender is not a â€œbankâ€ within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a â€œ10 percent shareholderâ€ of any Borrower within the meaning of Section 871(h)(3)(B) and 881(c)(3)(B) of the Internal Revenue Code, or a â€œcontrolled foreign corporationâ€ described in Section 881(c)(3)(C) of the Internal Revenue Code (a â€œU.S. Tax Compliance Certificateâ€) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E, as applicable; or 90 13608890v113608890v4 Â 4. to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e)-2 or Exhibit 3.01(e)-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 3.01(e)-4 on behalf of each such direct and indirect partner; (C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and (D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by Law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lenderâ€™s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), â€œFATCAâ€ shall include any amendments made to FATCA after the Closing Date. (iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so. (f) Treatment of Certain Refunds. Unless required by applicable Laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender or any L/C Issuer, or have any obligation to pay to any Lender or any L/C Issuer, any refund of Taxes withheld or deducted from funds paid for the account of such Lender or such L/C Issuer, as the case may be. If any Recipient determines, in its sole 91 13608890v113608890v4 Â discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to the Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to the Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to the Loan Party pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other Person. (g) Survival. Each partyâ€™s obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender or an L/C Issuer, the termination of the Commitments of all the Lenders and the repayment, satisfaction or discharge of all other Obligations. (h) For purposes of determining withholding Taxes imposed under FATCA, from and after the effective date of the this Agreement, the Borrowers and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) this Agreement as not qualifying as a â€œgrandfathered obligationâ€ within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i). Section 3.02 Illegality. If any Lender reasonably determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Credit Extensions whose interest is determined by reference to SOFR, Term SOFR, or a Relevant Rate or to determine or charge interest rates based upon SOFR, Term SOFR, or a Relevant Rate, then, upon notice thereof by such Lender to the Company (through the Administrative Agent), (a) any obligation of such Lender to make or continue Alternative Currency Loans in the affected currency or currencies or, in the case of Loans denominated in Dollars, any obligation of such Lender to make or continue Term SOFR Loans or to convert Base Rate Loans to Term SOFR Loans shall be, in each case, suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component

of the Base Rate, in each case, until such Lender notifies the Administrative Agent and the Company that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (i) the Company (or the applicable Borrower) shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay in full such Term SOFR Loans or Alternative Currency Loans then outstanding (which prepayment shall be made (A) with respect to Term SOFR Loans or Alternative 92 13608890v113608890v4 Â Currency Term Rate Loans, on the last day of the relevant Interest Periods of such Loans, if such Lender may lawfully continue to maintain such Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans to such day, and (B) with respect to Alternative Currency Daily Rate Loans, on the next Interest Payment Date for such Loans, if such Lender may lawfully continue to maintain such Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Loans to such day) or, if applicable and such Loans are Term SOFR Loans, convert such Term SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loans, (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Term SOFR, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR, and (iii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the CDORTerm CORRA Rate, the Administrative Agent shall during the period of such suspension compute the Canadian Prime Rate applicable to such Lender without reference to the CDORTerm CORRA Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the CDORTerm CORRA Rate. Upon any such prepayment or conversion, the Company shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 3.05. Each Lender at its option may make any Credit Extension to any Borrower by causing any domestic or foreign branch or Affiliate of such Lender (each, a â€œDesignated Lenderâ€) to make such Credit Extension (and in the case of an Affiliate, the provisions of Sections 3.01 through 3.05 and 11.04 shall apply to such Affiliate to the same extent as to such Lender); provided that any exercise of such option shall not affect the obligation of such Borrower to repay such Credit Extension in accordance with the terms of this Agreement; provided, however, if any Lender or any Designated Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Designated Lender to perform its obligations hereunder or to issue, make, maintain, fund or charge interest with respect to any Credit Extension to any Borrower who is organized under the laws of a jurisdiction other than the United States, a State thereof or the District of Columbia then, on notice thereof by such Lender to the Company through the Administrative Agent, and until such notice by such Lender is revoked, any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any such Credit Extension shall be suspended. Upon receipt of such notice, the Loan Parties shall take all reasonable actions requested by such Lender to mitigate or avoid such illegality. Section 3.03 Inability to Determine Rates. (a) If in connection with any request for a Term SOFR Loan or an Alternative Currency Loan or a conversion of Base Rate Loans to Term SOFR Loans or a continuation of any such Loans, as applicable, (i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (A)(1) no Term SOFR Successor Rate has been determined in accordance with Section 3.03(b) and the circumstances under Section 3.03(b)(i) or the Term SOFR Scheduled Unavailability Date has occurred, or (2) no Alternative Currency Successor Rate for the applicable Relevant Rate has been determined in accordance with Section 3.03(c) and the circumstances under Section 3.03(c)(i) or the Alternative Currency Scheduled Unavailability Date has occurred with respect to such Relevant Rate (as applicable) or (B) 93 13608890v113608890v4 Â adequate and reasonable means do not otherwise exist for determining Term SOFR or the applicable Relevant Rate, as applicable, for any determination date(s) or requested Interest Period, as applicable, with respect to a proposed Term SOFR Loan or Alternative Currency Loan or in connection with an existing or proposed Base Rate Loan, or (ii) the Administrative Agent or the Required Lenders determine for any reason that Term SOFR or the applicable Relevant Rate, as applicable, for any determination date(s) or requested Interest Period, as applicable, does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Administrative Agent will promptly so notify the Company and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Term SOFR Loans or the applicable Alternative Currency Loans shall be suspended (to the extent of the affected Term SOFR Loans, Alternative Currency Loans, Interest Period(s) or determination date(s), as applicable), (y) in the event of a determination described above with respect to the Term SOFR component of the Base Rate, the utilization of the Term SOFR component in determining the Base Rate shall be suspended, and (z) in the event of a determination described above with respect to the CDORTerm CORRA component of the Canadian Prime Rate, the utilization of the CDORTerm CORRA Rate component in determining the Canadian Prime Rate shall be suspended, in each case, until the Administrative Agent (or, in the case of a determination by the Required Lenders described in Section 3.03(a)(ii), until the Administrative Agent upon instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Company may revoke (without regard to any notice period that may otherwise be required hereunder) any pending request for a Borrowing of, conversion to or continuation of the applicable Loans (to the extent of the affected Term SOFR Loans, Alternative Currency Loans, Interest Periods or determination date(s), as applicable) or, failing that, with respect to any request for a Borrowing of, conversion to, or continuation of Term SOFR Loans, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount specified therein, and (ii) (A) any outstanding affected Term SOFR Loans shall be converted to Base Rate Loans at the end of their respective applicable Interest Period, and (B) any outstanding affected Alternative Currency Loans, at the Companyâ€™s election, shall either (1) be converted into a Borrowing of Base Rate Loans denominated in Dollars in the Dollar Equivalent of the amount of such outstanding Alternative Currency Loan immediately, in the case of an Alternative Currency Daily Rate Loan, or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan, or (2) be prepaid in full immediately, in the case of an Alternative Currency Daily Rate Loan, or at the end of the applicable Interest Period, in the case of an Alternative Currency Term Rate Loan; provided, that, if no election is made by the Company (x) in the case of an Alternative Currency Daily Rate Loan, by the date that is three (3) Business Days after receipt by the Company of such notice or (y) in the case of an Alternative Currency Term Rate Loan, by the last day of the current Interest Period for the applicable Alternative Currency Term Rate Loan, the Company shall be deemed to have elected clause (1) above. (b) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the Administrative Agent determines (which determination shall be conclusive and binding upon all parties hereto absent manifest error), or the Company or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined (which determination likewise shall be conclusive and binding upon all parties hereto absent manifest error), that: 94 13608890v113608890v4 Â (i) adequate and reasonable means do not exist for ascertaining one month and three month interest periods of Term SOFR, including because the Term SOFR Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or (ii) CME or any successor administrator of the Term SOFR Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or such administrator with respect to its publication of Term SOFR, in each case acting in such capacity, has made a public statement identifying a specific date after which one month and three month interest periods of Term SOFR or the Term SOFR Screen Rate shall no longer be made available, or permitted to be used for determining the interest rate of syndicated loans, or shall or will otherwise cease; provided, that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide such interest periods of Term SOFR after such specific date (the latest date on which one month and three month interest periods of Term SOFR or the Term SOFR Screen Rate are no longer available permanently or indefinitely, the â€œTerm SOFR Scheduled Unavailability Dateâ€); then, on a date and time determined by the Administrative Agent (any such date, a â€œTerm SOFR Replacement Dateâ€), which date shall be at the end of an Interest Period or on the relevant Interest Payment Date, as applicable, for interest calculated and, solely with respect to clause (ii) above, no later than the Term SOFR Scheduled Unavailability Date, Term SOFR will be replaced hereunder and under any other Loan Document with Daily Simple SOFR plus the applicable SOFR Adjustment for any payment period for interest calculated that can be determined by the Administrative Agent, in each case, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document (any such successor rate established pursuant to this Section 3.03(b), a â€œTerm SOFR Successor Rateâ€). If the Term SOFR Successor Rate is Daily Simple SOFR plus the applicable SOFR Adjustment, all interest payments will be payable on a monthly basis. Notwithstanding anything to the contrary herein, (A) if the Administrative Agent determines that Daily Simple SOFR is not available on or prior to the Term SOFR Replacement Date, or (B) if the events or circumstances of the type described in clause (i) above or clause (ii) above have occurred with respect to the Term SOFR Successor Rate then in effect, then, in each case, the Administrative Agent and the Company may amend this Agreement solely for the purpose of replacing Term SOFR or any then-current Term SOFR Successor Rate in accordance with this Section 3.03(b) at the end of any Interest Period, relevant Interest Payment Date or payment period for interest calculated, as applicable, with an alternative benchmark rate giving due consideration to any evolving or then-existing convention for similar credit facilities syndicated and agented in the United States for such alternative benchmark and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then-existing convention for similar credit facilities syndicated and agented in the United States for such benchmark, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated. For the avoidance of doubt, any such proposed rate and adjustments shall constitute a â€œTerm SOFR Successor Rateâ€. Any such amendment shall become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders 95 13608890v113608890v4 Â have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment. The Administrative Agent will promptly (in one or more notices) notify the Company and each Lender of the implementation of any Term SOFR Successor Rate. Any Term SOFR Successor Rate shall be applied in a manner consistent with market practice; provided, that, to the extent such market practice is not administratively feasible for the Administrative Agent, such Term SOFR Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent. Notwithstanding anything else herein, if at any time any Term SOFR Successor Rate as so determined would otherwise be less than zero, such Term SOFR Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents. In connection with the implementation of a Term SOFR Successor Rate, the Administrative Agent will have the right to make Term SOFR Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Term SOFR Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided, that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Term SOFR Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective. For purposes of this Section 3.03(b), those Lenders that either have not made, or do not have an obligation under this Agreement to make, Term SOFR Loans (or Loans accruing interest by reference to a Term SOFR Successor Rate, as applicable) shall be excluded from any determination of Required Lenders. (c) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive and binding upon all parties hereto absent manifest error), or the Company or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or Required Lenders (as applicable) have determined (which determination likewise shall be conclusive and binding upon all parties hereto absent manifest error), that: (i) adequate and reasonable means do not exist for ascertaining the Relevant Rate for an Alternative Currency because none of the tenors of such Relevant Rate (including any forward-looking term rate thereof) is available or published on a current basis and such circumstances are unlikely to be temporary; or (ii) the applicable Alternative Currency Authority has made a public statement identifying a specific date after which all tenors of the Relevant Rate for an Alternative Currency (including any forward-looking term rate thereof) shall or will no longer be representative or made available, or used for determining the interest rate of loans denominated in such Alternative Currency, or shall or will otherwise cease; provided, that, in each case, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent that will continue to provide such representative tenor(s) of the Relevant Rate for such Alternative Currency (the latest date on which all tenors of the Relevant Rate for such Alternative Currency (including any forward-looking term rate thereof) are no longer representative or 96 13608890v113608890v4 Â available permanently or indefinitely, the â€œAlternative Currency Scheduled Unavailability Dateâ€ for such Relevant Rate); or (iii) syndicated loans currently being executed and agented in the U.S., are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace the Relevant Rate for an Alternative Currency; or if the events or circumstances of the type described in Section 3.03(c)(i), (ii) or (iii) have occurred with respect to the Alternative Currency Successor Rate for an Alternative Currency then in effect, then, the Administrative Agent and the Company may amend this Agreement solely for the purpose of replacing the Relevant Rate for an Alternative Currency or any then current Alternative Currency Successor Rate in accordance with this Section 3.03 with an alternative benchmark rate giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the United States and denominated in such Alternative Currency for such alternative benchmarks, and, in each case, including any mathematical or other adjustments to such benchmark giving due consideration to any evolving or then existing convention for similar credit facilities syndicated and agented in the United States and denominated in such Alternative Currency for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion and may be periodically updated (and any such proposed rate, including for the avoidance of doubt, any adjustment thereto, an â€œAlternative Currency Successor Rateâ€), and any such amendment shall become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Company unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders object to such amendment. The Administrative Agent will promptly (in one or more notices) notify the Company and each Lender of the implementation of any Alternative Currency Successor Rate. Any Alternative Currency Successor Rate shall be applied in a manner consistent with market practice; provided, that, to the extent such market practice is not administratively feasible for the Administrative Agent, such Alternative Currency Successor Rate shall be applied in a manner as otherwise reasonably determined by the Administrative Agent. Notwithstanding anything else herein, if at any time any Alternative Currency Successor Rate as so determined would otherwise be less than zero, the Alternative Currency Successor Rate will be deemed to be zero for the purposes of this Agreement and the other Loan Documents. In connection with the implementation of an Alternative Currency Successor Rate, the Administrative Agent will have the right to make Alternative Currency Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Alternative Currency Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided, that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Alternative Currency Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective. For purposes of this Section 3.03(c), those Lenders that either have not made, or do not have an obligation under this Agreement to make, Loans denominated in the applicable 97 13608890v113608890v4 Â Alternative Currency shall be excluded from any determination of Required Lenders for purposes of the establishment of an Alternative Currency Successor Rate with respect to Alternative Currency. Section 3.04 Increased Cost . (a) Increased Costs Generally. If any Change in Law shall: (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or any L/C Issuer; (ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (iii) impose on any Lender or any L/C Issuer or the applicable interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loans made by such Lender or any Letter of Credit or participation therein; and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan the interest on which is determined by reference to Term SOFR (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender or such L/C Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender or such L/C Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or such L/C Issuer, the Company will pay (or cause the applicable Borrower to pay) to such Lender or such L/C Issuer, as the

case may be, such additional amount or amounts as will compensate such Lender or such L/C Issuer, as the case may be, for such additional costs incurred or reduction suffered. (b) Capital Requirements. If any Lender or any L/C Issuer determines that any Change in Law affecting such Lender or such L/C Issuer or any Lending Office of such Lender or such Lenderâ€™s or such L/C Issuerâ€™s holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lenderâ€™s or such L/C Issuerâ€™s capital or on the capital of such Lenderâ€™s or such L/C Issuerâ€™s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swing Line Loans held by, such Lender, or the Letters of Credit issued by such L/C Issuer, to a level below that which such Lender or such L/C Issuer or such Lenderâ€™s or such L/C Issuerâ€™s holding company could have achieved but for such Change in Law (taking into consideration such Lenderâ€™s or such L/C Issuerâ€™s policies and the policies of such Lenderâ€™s or such L/C Issuerâ€™s holding company with respect to liquidity or capital adequacy), then from time to time the Company will pay (or cause the applicable Borrower to pay) to such Lender or such L/C Issuer, as the case may be, such additional amount or amounts as will compensate 98 13608890v113608890v4 Â such Lender or such L/C Issuer or such Lenderâ€™s or such L/C Issuerâ€™s holding company for any such reduction suffered. (c) Certificates for Reimbursement. A certificate of a Lender or an L/C Issuer setting forth in reasonable detail the basis for and calculation of the amount or amounts necessary to compensate such Lender or such L/C Issuer or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Company shall be conclusive absent manifest error. The Company shall pay (or cause the applicable Borrower to pay) such Lender or such L/C Issuer, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. (d) Delay in Requests. Failure or delay on the part of any Lender or any L/C Issuer to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Lenderâ€™s or such L/C Issuerâ€™s right to demand such compensation, provided that the Company shall not be required to compensate a Lender or an L/C Issuer pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six (6) months prior to the date that such Lender or such L/C Issuer, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lenderâ€™s or such L/C Issuerâ€™s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof). Section 3.05 Funding Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Company shall promptly compensate (or cause the applicable Borrower to compensate) such Lender for and hold such Lender harmless from any loss, cost or reasonable expense actually incurred by it as a result of: (a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); (b) any failure by any Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by the Company or the applicable Borrower; (c) any assignment of a Term SOFR Loan or an Alternative Currency Term Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Company pursuant to Section 11.14; or (d) any failure by any Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency; including any loss of anticipated profits, any foreign exchange losses and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained or from the performance of any foreign 99 13608890v113608890v4 Â exchange contract. The Company shall also pay (or cause the applicable Borrower to pay) any customary administrative fees charged by such Lender in connection with the foregoing. Section 3.06 Matters Applicable to all Requests for Compensation. (a) If any Lender requests compensation under Section 3.04, or any Loan Party is required to pay any Indemnified Taxes or additional amount to any Lender, any L/C Issuer or any Governmental Authority for the account of any Lender or any L/C Issuer pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Company such Lender or such L/C Issuer shall, as applicable, use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender or such L/C Issuer, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender or such L/C Issuer, as the case may be, to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender or such L/C Issuer, as the case may be. The Company hereby agrees to pay (or cause the applicable Borrower to pay) all reasonable costs and expenses incurred by any Lender or any L/C Issuer in connection with any such designation or assignment. (b) If any Lender requests compensation under Section 3.04, or if any Loan Party is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 3.06(a), the Company may replace such Lender in accordance with Section 11.14. Section 3.07 Survival. All of the Loan Partiesâ€™ obligations under this Article III shall survive the termination of the Commitments of all the Lenders and repayment of all other Obligations hereunder and the resignation of the Administrative Agent. ARTICLE IV GUARANTY Section 4.01 The Guaranty. The Guarantor hereby guarantees to each Lender, each Swap Bank, each Treasury Management Bank and the Administrative Agent as hereinafter provided, as primary obligor and not as surety, the prompt payment of the Obligations in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) strictly in accordance with the terms thereof. The Guarantor hereby further agrees that if any of the Obligations are not paid in full when due (whether at stated maturity, as a mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise), the Guarantor will promptly pay the same, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Obligations, the same will be promptly paid in full when due (whether at extended maturity, as a 100 13608890v113608890v4 Â mandatory prepayment, by acceleration, as a mandatory cash collateralization or otherwise) in accordance with the terms of such extension or renewal. Notwithstanding any provision to the contrary contained herein or in any other of the Loan Documents, Swap Contracts or Treasury Management Agreements, the obligations of the Guarantor under this Agreement and the other Loan Documents shall be limited to an aggregate amount equal to the largest amount that would not render such obligations subject to avoidance under the Debtor Relief Laws or any comparable provisions of any applicable state law. Section 4.02 Obligations Unconditional. The obligations of the Guarantor under Section 4.01 are absolute and unconditional, irrespective of the value, genuineness, validity, regularity or enforceability of any of the Loan Documents, Swap Contracts or Treasury Management Agreements, or any other agreement or instrument referred to therein, or any substitution, release, impairment or exchange of any other guarantee of or security for any of the Obligations, and, to the fullest extent permitted by applicable law, irrespective of any other circumstance whatsoever which might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor, it being the intent of this Section 4.02 that the obligations of the Guarantor hereunder shall be absolute and unconditional under any and all circumstances. The Guarantor agrees that it shall have no right of subrogation, indemnity, reimbursement or contribution against any Borrower for amounts paid under this Article IV until such time as the Obligations have been paid in full and the Commitments of all the Lenders have expired or terminated. Without limiting the generality of the foregoing, it is agreed that, to the fullest extent permitted by law, the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantor hereunder, which shall remain absolute and unconditional as described above: (a) at any time or from time to time, without notice to the Guarantor, the time for any performance of or compliance with any of the Obligations shall be extended, or such performance or compliance shall be waived; (b) any of the acts mentioned in any of the provisions of any of the Loan Documents, any Swap Contract or any Treasury Management Agreement between any Loan Party and any Lender, any Affiliate of a Lender, any Swap Bank or any Treasury Management Bank or any other agreement or instrument referred to in the Loan Documents, such Swap Contracts or Treasury Management Agreement shall be done or omitted; (c) the maturity of any of the Obligations shall be accelerated, or any of the Obligations shall be modified, supplemented or amended in any respect, or any right under any of the Loan Documents, any Swap Contract between any Loan Party and a Swap Bank, any Treasury Management Agreement between any Loan Party and a Treasury Management Bank or any other agreement or instrument referred to in the Loan Documents, such Swap Contracts or such Treasury Management Agreement shall be waived or any other guarantee of any of the Obligations or any security therefor shall be released, impaired or exchanged in whole or in part or otherwise dealt with; or (d) any of the Obligations shall be determined to be void or voidable (including for the benefit of any creditor of the Guarantor) or shall be subordinated to the claims of any Person (including any creditor of the Guarantor). With respect to its obligations hereunder, the Guarantor hereby expressly waives diligence, presentment, demand of payment, protest, notice of intent to accelerate, any notice of acceleration and all 101 13608890v113608890v4 Â notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against any Person under any of the Loan Documents, any Swap Contract between any Loan Party and a Swap Bank, any Treasury Management Agreement between any Loan Party and any Treasury Management Bank, or any other agreement or instrument referred to in the Loan Documents, such Swap Contracts or such Treasury Management Agreement or against any other Person under any other guarantee of, or security for, any of the Obligations. Section 4.03 Reinstatement. The obligations of the Guarantor under this Article IV shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of any Person in respect of the Obligations is rescinded or must be otherwise restored by any holder of any of the Obligations, whether as a result of any proceedings in bankruptcy or reorganization or otherwise, and the Guarantor agrees that it will indemnify the Administrative Agent and each other holder of the Obligations on demand for all reasonable costs and expenses (including fees and expenses of counsel) incurred by the Administrative Agent or such holder of the Obligations in connection with such rescission or restoration, including any such costs and expenses incurred in defending against any claim alleging that such payment constituted a preference, fraudulent transfer or similar payment under any bankruptcy, insolvency or similar law. Section 4.04 Certain Additional Waivers. The Guarantor further agrees that the Guarantor shall have no right of recourse to security for the Obligations, except through the exercise of rights of subrogation pursuant to Section 4.02. Section 4.05 Remedies. The Guarantor agrees that, to the fullest extent permitted by law, as between the Guarantor, on the one hand, and the Administrative Agent and the holders of the Obligations, on the other hand, the Obligations may be declared to be forthwith due and payable as provided in Section 9.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in said Section 9.02) for purposes of Section 4.01 notwithstanding any stay, injunction or other prohibition preventing such declaration (or preventing the Obligations from becoming automatically due and payable) as against any other Person and that, in the event of such declaration (or the Obligations being deemed to have become automatically due and payable), the Obligations (whether or not due and payable by any other Person) shall forthwith become due and payable by the Guarantor for purposes of Section 4.01. Section 4.06 Guarantee of Payment; Continuing Guarantee. The guarantee in this Article IV is a guaranty of payment and not of collection, is a continuing guarantee, and shall apply to all Obligations whenever arising. Section 4.07 Keepwell. Each Loan Party that is a Qualified ECP Guarantor at the time the Guaranty in this Article IV by any Specified Loan Party becomes effective with respect to any Swap Obligation, hereby jointly and severally (subject to Section 1.12), absolutely, unconditionally and irrevocably undertakes to provide such funds or other support to each Specified Loan Party with respect to such Swap Obligation as may be needed by such Specified Loan Party from time to time to honor all of its obligations under this Guaranty and the other Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP 102 13608890v113608890v4 Â Guarantorâ€™s obligations and undertakings under this Article IV voidable under applicable Debtor Relief Laws, and not for any greater amount). The obligations and undertakings of each Qualified ECP Guarantor under this Section 4.07 shall remain in full force and effect until the Obligations have been indefeasibly paid and performed in full. Each Loan Party intends this Section 4.07 to constitute, and this Section 4.07 shall be deemed to constitute, a â€œkeepwell, support, or other agreementâ€ for the benefit of each Specified Loan Party for all purposes of the Commodity Exchange Act. ARTICLE V CONDITIONS PRECEDENT TO CREDIT EXTENSIONS Section 5.01 Conditions of Initial Credit Extension. The obligation of each Lender to make its initial Credit Extension hereunder is subject to satisfaction of the following conditions precedent: (a) Loan Documents. (g) Perfection and Priority of Liens on Personal Property. Receipt by the Administrative Agent of the following: (i) searches of Uniform Commercial Code filings in the jurisdiction of formation of each Loan Party or where a filing would need to be made in order to perfect the Administrative Agentâ€™s security interest in the Collateral (as defined in this Agreement immediately prior to the Sixth Amendment Effective Date), copies of the financing statements on file in such jurisdictions and evidence that no Liens exist other than Permitted Liens; (ii) all certificates evidencing any certificated Capital Stock pledged to the Administrative Agent pursuant to the Pledge Agreement (as defined in this Agreement immediately prior to the Sixth Amendment Effective Date), together with duly executed in blank, undated stock powers attached thereto (unless, with respect to the pledged Capital Stock of any Foreign Subsidiary, such stock powers are deemed unnecessary by the Administrative Agent in its reasonable discretion under the law of the jurisdiction of incorporation of such Person); (iii) searches of ownership of, and Liens on, intellectual property of each Loan Party in the appropriate governmental offices; and (iv) duly executed notices of grant of security interest in the form required by the Security Agreement (as defined in this Agreement immediately prior to the Sixth Amendment Effective Date) as were necessary, in the Administrative Agentâ€™s reasonable discretion, to perfect the Administrative Agentâ€™s security interest in the intellectual property of the Loan Parties immediately prior to the Sixth Amendment Effective Date. (h) Certified Debt Documents. The Administrative Agent shall have received copies, certified by an officer of the Company as true and complete, of the Underwriting 104 13608890v113608890v4 Â Agreement (including all exhibits and schedules thereto) as originally executed and delivered, together with any amendments or modifications to the Underwriting Agreement as of the Closing Date. (i) Evidence of Insurance. (m) Other. Receipt by the Administrative Agent and the Lenders of such other documents, instruments, agreements and information as reasonably requested by the Administrative Agent or any Lender, including, but not limited to, information regarding litigation, tax, accounting, labor, insurance, pension liabilities (actual or contingent), real estate leases, material contracts, debt agreements, property ownership, environmental matters, contingent liabilities and management of the Company and its Subsidiaries. Any Loan Party or any of its Significant Subsidiaries (other than the Fund Entities) institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its Property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any 129 13608890v113608890v4 Â material part of its Property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or (h) Inability to Pay Debts; Attachment. There is entered against any Borrower or any Subsidiary (other than any Immaterial Subsidiary and the Fund Entities) one or more final judgments or orders for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage), and any such judgments or orders shall not have been paid, discharged or bonded pending appeal (or the Company has not obtained an indemnity against on terms and conditions satisfactory to the Administrative Agent in its reasonable discretion) within thirty (30) days from the entry thereof and (A) enforcement proceedings are commenced by any creditor upon such judgment or order or (B) there is a period of thirty (30) consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or (j) ERISA. If any Event of Default occurs and is continuing, the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions: (a) declare the commitment of each Lender to make Loans, any obligation of the L/C Issuers to make L/C Credit Extensions and any obligation of the Swing Line 130 13608890v113608890v4 Â Lenders to make Swing Line Loans to be terminated, whereupon such commitments and obligation shall be terminated; (b) require that the Company Cash Collateralize the L/C Obligations (in an amount equal to the then applicable Outstanding Amount thereof); (c) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and (d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Laws; provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code of the United States, the obligation of each Lender to make Loans and any obligation of the L/C Issuers to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, and the obligation of the Company to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender. Section 9.03 Application of Funds. After the exercise of remedies provided for in Section 9.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 9.02), any amounts received on account of the Obligations shall, subject to Section 2.14, be applied by the Administrative Agent in the following order: First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including Attorney Costs and amounts payable under Article III) payable to the Administrative Agent in its capacity as such; Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them; Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and L/C Borrowings and fees, premiums and scheduled periodic payments, and any interest accrued thereon, due under any Swap Contract between any Loan Party and any Swap Bank, to the extent such Swap Contract is permitted by Section 8.03(d), ratably among the Lenders (and, in the case of such Swap Contracts, Swap Banks) in proportion to the respective amounts described in this clause Third held by them; Fourth, to (a) payment of that portion of the Obligations constituting unpaid principal of the Loans and L/C Borrowings, (b) payment of breakage, termination or other payments, and any interest accrued thereon, due under any Swap Contract between any Loan Party and any Swap Bank, to the extent such Swap Contract is permitted by Section 8.03(d), (c) payments of amounts due under any Treasury Management Agreement between any Loan Party and any Treasury 131 13608890v113608890v4 Â Management Bank, and (d) Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit, ratably among the Lenders (and, in the case of such Swap Contracts and Treasury Management Agreements, Swap Banks or Treasury Management Banks, as applicable) in proportion to the respective amounts described in this clause Fourth held by them; and Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrowers or as otherwise required by Law. Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fourth above shall be applied to satisfy drawings under such Letters of Credit, as applicable, as they occur. If any amount remains on deposit as Cash Collateral for any Letter of Credit after such Letter of Credit has either been fully drawn or expired, then (i) if any other Obligations (other than Letters of Credit that have been Cash Collateralized) are outstanding, such remaining amount shall be applied to such other Obligations, if any, in the order set forth above or (ii) if all of the Obligations (other than the Letters of Credit that have been Cash Collateralized) have been indefeasibly paid in full, such remaining amount shall be paid to the Company or as otherwise required by law. Excluded Swap Obligations with respect to the Guarantor shall not be paid with amounts received from the Guarantor or the Guarantorâ€™s assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Obligations otherwise set forth above in this Section. Notwithstanding the foregoing, Obligations arising under Guaranteed Treasury Management Agreements and Guaranteed Swap Agreements shall be excluded from the application described above if the Administrative Agent has not received a Guaranteed Party Designation Notice, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Swap Bank, as the case may be. Each Treasury Management Bank or Swap Bank not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article X for itself and its Affiliates as if a â€œLenderâ€ party hereto. ARTICLE X ADMINISTRATIVE AGENT Section 10.01 Appointment and Authority of Administrative Agent. Each of the Lenders and each L/C Issuer hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except as herein provided otherwise (including in Section 10.07), the provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and the L/C Issuers, and no Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. Section 10.02 Delegation of Duties. 132

13608890v113608890v4 Â The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents. Section 10.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent: (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing; (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its reasonable opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable (i) to any Lender for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 9.02) or (ii) for any action taken or not taken by it in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Company, a Lender or an L/C Issuer. The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made by any other party in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered by any other party hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance by any other party of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, 133 13608890v113608890v4 Â effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. Section 10.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message (to the extent permitted by this Agreement), Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an L/C Issuer, the Administrative Agent may presume that such condition is satisfactory to such Lender or such L/C Issuer unless the Administrative Agent shall have received notice to the contrary from such Lender or such L/C Issuer prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Section 10.05 Non-Reliance on Administrative Agent, Arrangers and Other Lenders. Each Lender and each L/C Issuer expressly acknowledges that none of the Administrative Agent nor the Arrangers has made any representation or warranty to it, and that no act by the Administrative Agent or any Arranger hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent or any Arranger to any Lender or each L/C Issuer as to any matter, including whether the Administrative Agent or the Arrangers have disclosed material information in their (or their Related Partiesâ€™) possession. Each Lender and each L/C Issuer represents to the Administrative Agent and the Arrangers that it has, independently and without reliance upon the Administrative Agent, any Arranger, any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender and each L/C Issuer also acknowledges that it will, independently and without reliance upon the Administrative Agent, any Arranger, any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Each Lender and each L/C Issuer represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or L/C Issuer for the purpose of making, acquiring or holding commercial loans and providing other facilities set forth herein as may be applicable to such Lender or L/C Issuer, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each L/C Issuer agrees not to assert a claim in contravention of the 134 13608890v113608890v4 Â foregoing. Each Lender and each L/C Issuer represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such L/C Issuer, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities. Section 10.06 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term â€œLenderâ€ or â€œLendersâ€ shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders. Section 10.07 Resignation of Administrative Agent. (a) The Administrative Agent may at any time give notice of its resignation to the Lenders, the L/C Issuers and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Company (except during the continuance of an Event of Default), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders and the Company) (the â€œResignation Effective Dateâ€), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders and the L/C Issuers, in consultation with the Company, appoint a successor Administrative Agent meeting the qualifications set forth above. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. (b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable Law, by notice in writing to the Company and such Person remove such Person as Administrative Agent and, with the consent of the Company (except during the continuance of an Event of Default), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days (or such earlier day as shall be agreed by the Required Lenders and the Company) (the â€œRemoval Effective Dateâ€), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date. (c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders or the L/C Issuers under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a 135 13608890v113608890v4 Â successor Administrative Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each L/C Issuer directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successorâ€™s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. The retiring Administrative Agent shall refund to the Company the pro rata portion of the agency fee paid to such retiring Administrative Agent pursuant to the Administrative Agent Fee Letter for any days in the applicable period occurring after the date of the retiring Administrative Agentâ€™s resignation. After the retiring or removed Administrative Agentâ€™s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent. (d) Any resignation by Bank of America as Administrative Agent pursuant to this Section shall also constitute its resignation as an L/C Issuer and a Swing Line Lender. If Bank of America resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as L/C Issuer and all L/C Obligations with respect thereto, including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c). If Bank of America resigns as a Swing Line Lender, it shall retain all the rights of a Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment by the Company of a successor L/C Issuer or Swing Line Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as applicable, (ii) the retiring L/C Issuer and Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents and (iii) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to Bank of America to effectively assume the obligations of Bank of America with respect to such Letters of Credit. Section 10.08 Administrative Agent May File Proofs of Claim. 136 13608890v113608890v4 Â In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrowers) shall be entitled and empowered, by intervention in such proceeding or otherwise (a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the L/C Issuers and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the L/C Issuers and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders, the L/C Issuers and the Administrative Agent under Sections 2.03(i) and (j), 2.09, 2.10(b) and 11.04) allowed in such judicial proceeding; and (b) to collect and receive any monies or other Property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each L/C Issuer to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the L/C Issuers, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.09, 2.10(b) and 11.04. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any L/C Issuer any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any L/C Issuer to authorize the Administrative Agent to vote in respect of the claim of any Lender or any L/C Issuer or in any such proceeding. Section 10.09 No Other Duties, Etc. Anything herein to the contrary notwithstanding, neither any bookrunner nor any lead arranger, syndication agent or documentation agent listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent, a Lender or an L/C Issuer hereunder. Section 10.10 Guaranteed Swap Agreements and Guaranteed Treasury Management Agreements. No Treasury Management Bank or Swap Bank that obtains the benefit of Section 9.03 or the Guaranty by virtue of the provisions hereof shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or of the Guaranty) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article X to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Guaranteed Treasury Management Agreements and Guaranteed Swap 137 13608890v113608890v4 Â Agreements except to the extent expressly provided herein and unless the Administrative Agent has received a Guaranteed Party Designation Notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Treasury Management Bank or Swap Bank, as the case may be. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Guaranteed Treasury Management Agreements and Guaranteed Swap Agreements in the case of the Maturity Date. Section 10.11 Recovery of Erroneous Payments. Without limitation of any other provision in this Agreement, if at any time the Administrative Agent makes a payment hereunder in error to any Lender or any L/C Issuer (each, a â€œCredit Partyâ€), whether or not in respect of an Obligation due and owing by any Borrower at such time, where such payment is a Rescindable Amount, then in any such event, each Credit Party receiving a Rescindable Amount severally agrees to repay to the Administrative Agent forthwith on demand the Rescindable Amount received by such Credit Party in immediately available funds in the currency so received, with interest thereon, for each day from and including the date such Rescindable Amount is received by it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. Each Credit Party irrevocably waives any and all defenses, including any â€œdischarge for valueâ€ (under which a creditor might otherwise claim a right to retain funds mistakenly paid by a third party in respect of a debt owed by another) or similar defense to its obligation to return any Rescindable Amount. The Administrative Agent shall inform each Credit Party promptly upon determining that any payment made to such Credit Party comprised, in whole or in part, a Rescindable Amount. (b) waive any condition set forth in Section 5.02 as to any Credit Extension under the Revolving Commitments without the written consent of the Required Revolving Lenders; (c) postpone any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of 138 13608890v113608890v4 Â them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; (d) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; (e) (i) change Section 2.12(c) or Section 2.13 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly affected thereby or (ii) change Section 9.03 without the written consent of each Lender; (f) except as otherwise permitted by this Section 11.01, change (i) any provision of this Section or the definition of â€œRequired Lendersâ€ or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender directly affected thereby or (ii) the definition of â€œRequired Revolving Lendersâ€ without the written consent of each Lender that has a Revolving Commitment and/or Revolving Loan and/or participation in L/C Obligations or Swing Line Loans at such time; (g) release the Company (from its obligations as a Borrower or as the Guarantor hereunder) or any Foreign Borrower, in each case, from its obligations under the Loan Documents without the written consent of each Lender directly affected thereby; or (h) amend Section 1.10 or the definition of â€œAlternative Currencyâ€ without the written consent of each Lender directly affected thereby, other than as set forth below; provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the applicable L/C Issuer in addition to the Lenders required above, affect the rights or duties of the applicable L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lenders in addition to the Lenders required above, affect the rights or duties of the Swing Line Lenders under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; (iv) the Administrative Agent Fee Letter and any Auto-Borrow Agreement may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; (v) the Administrative Agent and the Company shall be permitted to amend any provision of the Loan Documents (and such amendment shall become effective without any further action or consent of any other Person) if the Administrative Agent and the Company shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature in any such provision; (vi) (A) in order to implement any Term SOFR Successor Rate or any Term SOFR Conforming Changes, in each case in accordance with Section 3.03(b), this Agreement may be amended for such purpose as provided in Section 3.03(b), and (B) in order to implement any Alternative Currency Successor Rate or any Alternative Currency Conforming Changes, in each case in accordance with Section 3.03(c), this Agreement may be amended for such purpose as provided in Section 3.03(c); and (ix) (A) the Administrative Agent shall have the right, from time to time, to make Term SOFR Conforming Changes and any amendments implementing such Term SOFR Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document, so long as, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Term SOFR Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective, and (B) the Administrative Agent shall have the right, from time to time, to make Alternative Currency Conforming Changes and any amendments implementing such Alternative Currency Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document, so long as, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such Alternative Currency Conforming Changes to the Company and the Lenders reasonably promptly after such amendment becomes effective. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (i) the Commitment of such Lender may not be increased or extended without the consent of such Lender, (ii) the principal amount of any Loan owing to such Lender may not be decreased without the consent of such Lender, and (iii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender. Notwithstanding anything in this Agreement to the contrary, (a) each Lender hereby irrevocably authorizes the Administrative Agent on its behalf, and without further consent, to enter into amendments or modifications to this Agreement (including amendments to this Section 11.01) or any of the other Loan Documents or to enter into additional Loan Documents as the Administrative Agent reasonably deems appropriate in order to effectuate the terms of Section 2.02(f) (including, as applicable, (1) to permit the Incremental Revolving Credit Increases and the Incremental Term Loans to share ratably in the benefits of this Agreement and the other Loan Documents and (2) to include the Incremental Revolving Credit Increase and the Incremental Term Loans in any determination of (i) Required Lenders, (ii) if applicable, Required Revolving Lenders or (iii) similar required lender terms applicable thereto); provided that no amendment or modification shall result in any increase in the amount of any Lenderâ€™s Revolving Commitment or institution of Incremental Term Loans of such Lender without the written consent of such affected Lender and (b) Incremental Term Facility Amendments may be effected in accordance with Section 2.02(f)(ii). Notwithstanding any provision herein to the contrary, this Agreement may be amended with the written consent of the Administrative Agent, the L/C Issuers, the Borrowers and the Lenders affected thereby to amend the definition of â€œAlternative Currencyâ€, â€œAlternative Currency Daily Rateâ€, or â€œAlternative Currency Term Rateâ€ solely to add additional currency options and the applicable interest rate with respect thereto, in each case solely to the extent permitted pursuant to Section 1.10. 140 13608890v113608890v4 Â Notwithstanding the fact that the consent of all the Lenders is required in certain circumstances as set forth above, (x) each Lender is entitled to vote as such Lender sees fit on any bankruptcy reorganization plan that affects the Loans, and each Lender acknowledges that the provisions of Section 1126(c) of the United States Bankruptcy Code supersedes the unanimous consent provisions set forth herein and (y) the Required Lenders shall determine whether or not to allow a Loan Party to use cash collateral in the context of a bankruptcy or insolvency proceeding and such determination shall be binding on all of the Lenders. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition: (A) the consent of the Company (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that the Company shall be deemed to have consented to any such assignment in respect of an Incremental Term Loan or Delayed Draw Term Loan unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof; (B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of (1) any Revolving Commitment if such assignment is to a Person that is not a Lender with a Revolving Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender, (2) any Incremental Term Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund and 147 13608890v113608890v4 Â (3) any Delayed Draw Term Loan to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund; and (C) the consent of the applicable L/C Issuer (such consent not to be unreasonably withheld or delayed) shall be required for any assignment that increases the obligation of the assignee to participate in exposure under one or more Letters of Credit (whether or not then outstanding); and (D) the consent of the Swing Line Lenders (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Commitments. (iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of $3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire. (v) No Assignment to Certain Persons. No such assignment shall be made (A) to the Company or any of the Companyâ€™s Affiliates or Subsidiaries, or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof. (vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person). (vii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Company and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit and Swing Line Loans in accordance with its Pro Rata Share. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this 148 13608890v113608890v4 Â Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lenderâ€™s rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05 and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lenderâ€™s having been a Defaulting Lender. Upon request, the Company (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section. (c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Company, shall maintain at the Administrative Agentâ€™s Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the â€œRegisterâ€). The entries in the Register shall be conclusive absent manifest error, and the Company, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Company and any Lender, at any reasonable time and from time to time upon reasonable prior notice. (d) Participations. Any Lender may at any time, without the consent of, or notice to, the Company or the Administrative Agent, sell participations to any Person (other than a natural person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person, or a Defaulting Lender or the Company or any of the Companyâ€™s Affiliates or Subsidiaries) (each, a â€œParticipantâ€) in all or a portion of such Lenderâ€™s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lenderâ€™s participations in L/C Obligations and/or Swing Line Loans) owing to it); provided that (i) such Lenderâ€™s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Company, the Administrative Agent, the Lenders and the L/C Issuers shall continue to deal solely and directly with such Lender in connection with such Lenderâ€™s rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 11.04(c) without regard to the existence of any participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 11.01(a) that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section (it being understood that the documentation required under Section 3.01(e) shall be delivered to 149 13608890v113608890v4 Â the Lender who sells the participation) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 3.06 and 11.13 as if it were an assignee under paragraph (b) of this Section and (B) shall not be entitled to receive any greater payment under Sections 3.01 or 3.04, with respect to any participation, than the Lender from whom it acquired the applicable participation would have been

entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Companyâ€™s request and expense, to use reasonable efforts to cooperate with the Company to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by Law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participantâ€™s interest in the Loans or other obligations under the Loan Documents (the â€œParticipant Registerâ€); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participantâ€™s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. (e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. (f) Resignation as an L/C Issuer or Swing Line Lender after Assignment. Notwithstanding anything to the contrary contained herein, (i) if at any time any L/C Issuer assigns all of its Commitments and Loans pursuant to subsection (b) above, such L/C Issuer may upon thirty (30) daysâ€™ notice to the Company and the Lenders, resign as an L/C Issuer and (ii) if at any time Bank of America assigns all of its Commitments and Loans pursuant to subsection (b) above, Bank of America may upon thirty (30) daysâ€™ notice to the Company, resign as Swing Line Lender. In the event of any such resignation as an L/C Issuer or Swing Line Lender, the Company shall be entitled to appoint from among the Lenders a successor L/C Issuer or Swing Line Lender hereunder; provided, however, that no failure by the Company to appoint any such successor shall affect the resignation of such L/C Issuer as an L/C Issuer or Bank of America as Swing Line Lender, as the case may be. If any L/C Issuer resigns as an L/C Issuer, it shall retain all the rights, powers, privileges and duties of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If Bank of America resigns as a Swing Line Lender, it shall retain all the rights of a Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of 150 13608890v113608890v4 Â the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c). Upon the appointment of a successor L/C Issuer and/or Swing Line Lender, (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring L/C Issuer or Swing Line Lender, as the case may be, and (b) the successor L/C Issuer shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangements satisfactory to such L/C Issuer to effectively assume the obligations of such L/C Issuer with respect to such Letters of Credit. (g) Disqualified Institutions. (i) No assignment or participation shall be made to any Person that was a Disqualified Institution as of the date (the â€œTrade Dateâ€) on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Company has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Institution after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of â€œDisqualified Institutionâ€), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Company of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Institution. Any assignment in violation of this Section 11.06(g)(i) shall not be void, but the other provisions of this Section 11.06(g) shall apply. (ii) If any assignment or participation is made to any Disqualified Institution without the Companyâ€™s prior written consent in violation of Section 11.06(g)(i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Company may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) terminate any Commitment of such Disqualified Institution and repay all obligations of the Loan Parties owing to such Disqualified Institution in connection with such Commitment and/or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 11.06), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder; provided that (i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 11.06(b) and (ii) such assignment does not conflict with applicable Laws. (iii) Notwithstanding anything to the contrary contained in this Agreement, (A) Disqualified Institutions will not (x) have the right to receive information, reports or other materials provided to Lenders by the Company, any other Loan Party, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of 151 13608890v113608890v4 Â the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any Plan of Reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such Plan of Reorganization, (2) if such Disqualified Institution does vote on such Plan of Reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be â€œdesignatedâ€ pursuant to Section 1126(e) of the United States Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Plan of Reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the applicable bankruptcy court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2). (iv) The Administrative Agent shall have the right, and the Company hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Institutions provided by the Company and any updates thereto from time to time (collectively, the â€œDQ Listâ€) on the Platform, including that portion of the Platform that is designated for â€œpublic sideâ€ Lenders, and/or (B) provide the DQ List to each Lender requesting the same. Section 11.07 Confidentiality. Each of the Administrative Agent, the L/C Issuers, the Swing Line Lenders and the Lenders agrees to (and to cause its and its Affiliatesâ€™ directors, officers and employees to) maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliatesâ€™ directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and that the Administrative Agent, any L/C Issuer or any Lender, as applicable, shall be responsible for any violation of this Section 11.07 by such Persons); (b) to the extent required by any regulatory authority having jurisdiction over such Person; (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) to the extent reasonably required in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any direct or indirect contractual counterparty or prospective counterparty (or such contractual counterpartyâ€™s or prospective counterpartyâ€™s professional advisor) to any credit derivative transaction relating to obligations of the Loan Parties; (g) with the prior written consent of the Company; (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any L/C Issuer, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Company; or (i) to the National Association of Insurance Commissioners or any other similar organization or any nationally recognized rating agency that requires access to information about a Lenderâ€™s or its Affiliatesâ€™ investment portfolio in connection with ratings issued with respect to such Lender or its Affiliates (it being understood that 152 13608890v113608890v4 Â the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential). In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Administrative Agent and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For purposes of this Section, â€œInformationâ€ means all information received from or on behalf of any Loan Party or any of its Subsidiaries relating to any Loan Party or any of its Subsidiaries or their respective businesses, other than any such information that is available to the Administrative Agent, any Lender or any L/C Issuer on a nonconfidential basis prior to disclosure by any Loan Party or any Subsidiary thereof. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Each of the Administrative Agent, the Lenders and the L/C Issuers acknowledges that (a) the Information may include material non-public information concerning a Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including Federal and state securities Laws. The Company hereby acknowledges that (a) the Administrative Agent and/or BofA Securities will make available to the Lenders and the L/C Issuers materials and/or information provided by or on behalf of the Company hereunder (collectively, â€œBorrower Materialsâ€) by posting the Borrower Materials on Syndtrak or another substantially similar electronic transmission system (the â€œPlatformâ€) and (b) certain of the Lenders may be â€œpublic-sideâ€ Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Company or its securities) (each, a â€œPublic Lenderâ€). The Company hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (w) all such Borrower Materials shall be clearly and conspicuously marked â€œPUBLICâ€ which, at a minimum, shall mean that the word â€œPUBLICâ€ shall appear prominently on the first page thereof; (x) by marking Borrower Materials â€œPUBLIC,â€ the Company shall be deemed to have authorized the Administrative Agent, BofA Securities, the L/C Issuers and the Lenders to treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Company or its securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in this Section 11.07); (y) all Borrower Materials marked â€œPUBLICâ€ are permitted to be made available through a portion of the Platform designated â€œPublic Investor;â€ and (z) the Administrative Agent and BofA Securities shall treat any Borrower Materials that are not marked â€œPUBLICâ€ as being suitable only for posting on a portion of the Platform not designated â€œPublic Investor.â€ Section 11.08 Set-off. In addition to any rights and remedies of the Lenders provided by law, upon the occurrence and during the continuance of any Event of Default, each Lender and any Affiliate of any Lender is authorized at any time and from time to time, without prior notice to the Company or any other Loan Party, any such notice being waived by the Company (on its own behalf and on behalf of each Loan Party) to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held by, and other indebtedness (in whatever currency) at any time owing by, such Lender to or for the credit or the account of the 153 13608890v113608890v4 Â respective Loan Parties against any and all Obligations owing to such Lender hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not the Administrative Agent or such Lender shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or indebtedness; provided, that, in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.14 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Company and the Administrative Agent after any such set-off and application made by such Lender; provided, however, that the failure to give such notice shall not affect the validity of such set-off and application. Section 11.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the â€œMaximum Rateâ€). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Company. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder. Section 11.10 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Section 11.11 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided that the inclusion of supplemental rights or remedies in favor of the Administrative Agent or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof. Section 11.12 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent 154 13608890v113608890v4 Â or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. Without limiting the foregoing provisions of this Section 11.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, the L/C Issuers or the Swing Line Lenders, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited. Section 11.13 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Section 11.14 Replacement of Lenders. If (a) any Lender requests compensation under Section 3.04, (b) the Company is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (c) a Lender (a â€œNon-Consenting Lenderâ€) does not consent to a proposed change, waiver, discharge or termination with respect to any Loan Document that has been approved by the Required Lenders as provided in Section 11.01 but

requires unanimous consent of all Lenders or all Lenders directly affected thereby (as applicable) or (d) any Lender is a Defaulting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights and obligations under this Agreement and the Loan Documents to an assignee that shall assume such obligations (which assignee may, but is not required to, be another Lender, if a Lender accepts such assignment), provided that: (i) the Company shall have paid (or caused the applicable Borrower) to the Administrative Agent the assignment fee specified in Section 11.06(b)(iv); (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and L/C Advances, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.05) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (or the applicable Borrower) (in the case of all other amounts); (iii) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter; (iv) such assignment does not conflict with applicable Laws; and 155 13608890v113608890v4 Â (v) in the case of any such assignment resulting from a Non-Consenting Lenderâ€™s failure to consent to a proposed change, waiver, discharge or termination with respect to any Loan Document, the applicable replacement bank, financial institution or Fund consents to the proposed change, waiver, discharge or termination; provided that the failure by such Non-Consenting Lender to execute and deliver an Assignment and Assumption shall not impair the validity of the removal of such Non-Consenting Lender and the mandatory assignment of such Non-Consenting Lenderâ€™s Commitments and outstanding Loans and participations in L/C Obligations and Swing Line Loans pursuant to this Section 11.14 shall nevertheless be effective without the execution by such Non-Consenting Lender of an Assignment and Assumption. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply. Section 11.15 Governing Law. (a) THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (EXCEPT AS TO ANY OTHER LOAN DOCUMENT, AS EXPRESSLY SET FORTH THEREIN) AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK; PROVIDED THAT THE PARTIES HERETO SHALL RETAIN ALL RIGHTS ARISING UNDER FEDERAL LAW. (b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY, NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HERETO CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE NON-EXCLUSIVE JURISDICTION OF THOSE COURTS. EACH PARTY HERETO IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO WAIVES PERSONAL SERVICE OF ANY SUMMONS, COMPLAINT OR OTHER PROCESS, WHICH MAY BE MADE BY ANY OTHER MEANS PERMITTED BY THE LAW OF SUCH STATE. Notwithstanding the foregoing, it is understood and agreed that (a) the interpretation of the definition of â€œMaterial Adverse Effectâ€ (as defined in the Acquisition Agreement) (and whether or not a â€œMaterial Adverse Effectâ€ has occurred), (b) the determination of the accuracy of any representation and warranty made by or on behalf of the Acquired Company and its subsidiaries in the Acquisition Agreement and whether as a result of any inaccuracy thereof the Company or its applicable affiliate has the right to terminate any obligations under the Acquisition Agreement or decline to consummate the Acquisition and (c) the determination of whether the Acquisition has been consummated in accordance with the terms of the Acquisition Agreement and, in any case, claims or disputes arising out of any such interpretation 156 13608890v113608890v4 Â or determination or any aspect thereof, in each case, shall be governed by, and construed and interpreted in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. Section 11.16 Waiver of Right to Trial by Jury. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. Section 11.17 Designated Senior Indebtedness. The Indebtedness evidenced by this Agreement is hereby specifically designated as â€œDesignated Senior Indebtednessâ€ (or any comparable term) for purposes of any documentation governing the Permitted Subordinated Indebtedness. Section 11.18 USA Patriot Act Notice. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrowers that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the â€œActâ€), it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Borrowers in accordance with the Act. Each Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable â€œknow your customerâ€ and anti-money laundering rules and regulations, including the Act and the Beneficial Ownership Regulation. Section 11.19 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the applicable Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the â€œJudgment Currencyâ€) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the â€œAgreement Currencyâ€), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance 157 13608890v113608890v4 Â with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the applicable Borrower in the Agreement Currency, such Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the applicable Borrower (or to any other Person who may be entitled thereto under applicable law). Section 11.20 No Advisory or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Company acknowledges and agrees, and acknowledges its Affiliatesâ€™ understanding, that: (a)(i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Lenders and the Arrangers are armâ€™s-length commercial transactions between the Company and its Affiliates, on the one hand, and the Administrative Agent, the Lenders and the Arrangers, on the other hand, (ii) the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Company is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b)(i) the Administrative Agent, the Lenders and the Arrangers each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary, for the Company or any of its Affiliates and (ii) none of the Administrative Agent, any Lender nor any Arranger has any obligation to the Company or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Lenders and the Arrangers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company and its Affiliates, and none of the Administrative Agent, any Lender nor any Arranger has any obligation to disclose any of such interests to the Company or its Affiliates. To the fullest extent permitted by Law, the Company hereby waives and releases, any claims that it may have against the Administrative Agent, any Lender or any Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby. Section 11.21 Electronic Execution. This Agreement and any instrument, amendment, approval, consent, waiver, information, notice, certificate, request, statement, disclosure, authorization or other document related to this Agreement (each a â€œDocumentâ€), including Documents required to be in writing, may be in the form of an Electronic Record and may be signed, executed or delivered using Electronic Signatures. Each Loan Party agrees that any Electronic Signature on or associated with any Document shall be valid and binding on such Loan Party to the same extent as a manual, original signature, and that any Document entered into by Electronic Signature, will constitute the legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Document may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Document. For the avoidance of doubt, the authorization under this Section 11.21 may include use or acceptance by the Administrative Agent and each holder of the Obligations of a manually signed paper Document which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Document converted into another format, for 158 13608890v113608890v4 Â transmission, delivery and/or retention. The Administrative Agent and each holder of the Obligations may, at its option, create one or more copies of any Document in the form of an imaged Electronic Record (â€œElectronic Copyâ€), which shall be deemed created in the ordinary course of such Personâ€™s business, and destroy the original paper document. All Documents in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, that, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each holder of the Obligations shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. Section 11.22 Cashless Settlement. Notwithstanding anything to the contrary in this Agreement, solely in connection with the amendment and restatement of the Existing Credit Agreement via this Agreement, any Lender may exchange, continue or rollover all or the portion of its Loans in connection with such refinancing, pursuant to a cashless settlement mechanism approved by the Company, the Administrative Agent and such Lender. Section 11.23 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority. Section 11.24 ERISA Representation. (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Loan Party, that at least one of the following is and will be true: (i) such Lender is not using â€œplan assetsâ€ (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lenderâ€™s 159 13608890v113608890v4 Â entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments, or this Agreement, (ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lenderâ€™s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, (iii) (A) such Lender is an investment fund managed by a â€œQualified Professional Asset Managerâ€ (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lenderâ€™s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or (iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender. (b) In addition, unless Section 11.24(a)(i) is true with respect to a Lender or such Lender has not provided another representation, warranty and covenant as provided in Section 11.24(a)(iv), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lenderâ€™s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto). Section 11.25 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Contract or any other agreement or instrument that is a QFC (such support, â€œQFC Credit Supportâ€, and each such QFC, a â€œSupported QFCâ€), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the â€œU.S. Special Resolution Regimesâ€) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the 160 13608890v113608890v4 Â Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a â€œCovered Partyâ€) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under such U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan

Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under such U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support. Section 11.26 Appointment of Company. Each Loan Party hereby appoints the Company to act as its agent for all purposes of this Agreement, the other Loan Documents and all other documents and electronic platforms entered into in connection herewith and agrees that (a) the Company may execute such documents and provide such authorizations on behalf of each Loan Party as the Company deems appropriate in its sole discretion and each Loan Party shall be obligated by all of the terms of any such document and/or authorization executed on its behalf, (b) any notice or communication delivered by the Administrative Agent, any L/C Issuer, or any Lender to the Company shall be deemed delivered to each Loan Party, and (c) the Administrative Agent, the L/C Issuers, or the Lenders may accept, and be permitted to rely on, any document, authorization, instrument or agreement executed by the Company on behalf of each of the Loan Parties. Section 11.27 ENTIRE AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES. [SIGNATURE PAGES OMITTED] 161 13608890v113608890v4 Â EX-31.1 3 pwr06-30x2024ex311.htm EX-31.1 DocumentExhibitÂ 31.1I, Earl C.
