The full detailed presentation of Patria's fourth quarter and full year 2024 results can be accessed on the Shareholders section of Patriaâ€™s website at <https://ir.patria.com/>. Alex Saigh, Patriaâ€™s CEO, said: â€œThe fourth quarter capped a very exciting and transformational year for Patria. We raised \$5.5 billion in 2024, inclusive of \$300 million in our Advisory business, exceeding our \$5 billion target. A wide variety of strategies and products, most of which did not exist at the time of our IPO four years ago, contributed to our fundraising. Our Fee Earning AUM reached \$33 billion representing year-over-year growth of 38%, and we achieved our target FRE of \$170 million for the full year, reflecting 15% year-over-year growth. Also, we generated Performance Related Earnings, or PRE, of \$41 million, primarily reflecting the sale of Aguas Pacifico, a highly successful infrastructure investment in our Infrastructure Fund III. Overall, driven by strong FRE growth and PRE, we delivered \$89 million of Distributable Earnings or \$0.58 per share in the quarter and \$189 million or \$1.24 per share for the full year. As we look ahead to 2025, we believe we are well positioned to generate the \$6 billion of fundraising and \$200 to \$225 million of FRE we are targeting for the full year. Our success highlights how the increased diversification of our platform and the investments we are making in distribution and new product development are translating into stronger and more diverse growth for the firm, leaving us very excited about what lies ahead.â€ Financial Highlights (reported in \$ USD) IFRS results included \$56.8 million of net income attributable to Patria in Q4 2024 and \$73.4 million for the full year. Patria generated Fee Related Earnings of \$54.8 million in Q4 2024, up 18% from \$46.7 million in Q4 2023, with an FRE margin of 59%. For the full year 2024, Patria generated Fee Related Earnings of \$170.1 million, up 15% from \$147.7 million in 2023, with an FRE margin of 57%. Distributable Earnings were \$89.1 million for Q4 2024, or \$0.58 per share, and \$189.2 million for the full year, or \$1.24 per share. Dividends Patria declared a quarterly dividend of \$0.15 per share to record holders of common stock at the close of business on February 28th, 2025. This dividend will be paid on March 17th, 2024.
