These financial statements have been prepared in accordance with the instructions to Form 10-Q and Article 10 of Regulation S-X and, therefore, omit or condense certain footnotes and other information normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States. Certain reclassifications have been made to prior year amounts or balances to conform to the presentation adopted in the current year.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. The significant estimates made by management relate to the allowance for doubtful accounts, the costs and revenue relating to the Company's construction contracts, stock-based compensation assumptions, valuation

allowance related to deferred tax assets, fair value of long-lived assets, the useful lives of towers and intangible assets, anticipated property tax assessments, incremental borrowing rate for lease accounting, fair value of investments, and asset retirement obligations. Management develops estimates based on historical experience and on various assumptions about the future that are believed to be reasonable based on the information available. These estimates ultimately may differ from actual results and such differences could be material.

The During the first quarter of 2024, the Company is in the process of reviewing completed its assessment on the remaining estimated useful lives of its towers and intangible assets and is considering whether assets. The Company concluded through its assessment that it should modify its current estimates for asset lives based on its historical operating experience. experience and the findings obtained by its independent consultant. The Company has retained an independent consultant to assist in completing this review and analysis. If previously depreciated its towers on a straight-line basis over the shorter of the term of the underlying ground lease (including renewal options) taking into account residual value or the estimated useful life of the tower, which the Company concludes that a revision in had historically estimated to be 15 years. Based on its assessment, the Company revised the estimated useful lives of its towers and certain related intangible assets is appropriate based (which are amortized on a similar basis to its review and analysis, tower assets, as their useful lives correlate to the useful life of the towers) from 15 years to 30 years, effective January 1, 2024. The Company will account accounted for any changes the change in the estimated useful lives as a change in accounting estimate under Accounting Standards Codification (ASC) ASC 250 Accounting "Accounting Changes and Error Corrections, which will be recorded Corrections." Reference Rate Reform

On June 21, 2023, the Company amended its interest rate swap to change from LIBOR as an interest rate benchmark to the replacement benchmark of Term SOFR effective on August 1, 2023. The Company has elected the optional expedient which allows companies to change the reference rate and other critical terms related to the reference rate reform in derivative hedge documentation without having to de-designate the hedging relationship, allowing the Company to continue applying hedge accounting to its cash flow hedge. On July 3, 2023, the Company amended its 2018 Term Loan and its Revolving Credit Facility to use Term SOFR as the benchmark rate. The transition from LIBOR to Term SOFR did not have a material impact on the consolidated financial statements. Refer to Notes 10 and 17 for further discussion of the 2018 Term Loan, Revolving Credit Facility, and the Company's interest rate swap.

2. FAIR VALUE MEASUREMENTS

Items Measured at Fair Value on a Recurring Basis— The Company's asset retirement obligations are measured at fair value on a recurring basis using Level 3 inputs and are recorded in Other long-term liabilities in the Consolidated Balance Sheets. The fair value of the asset retirement obligations is calculated using a discounted cash flow model.

Refer to Note 16 for discussion of the Company's redeemable noncontrolling interests.

Items Measured at Fair Value on a Nonrecurring Basis— The Company estimates the fair value of assets subject to impairment using a discounted cash flow ("DCF") (Level 3 input) analysis. Determining fair value requires the exercise of significant judgments, including the amount and timing of expected future cash flows, long-term growth rates, discount rates and relevant comparable earnings and trading multiples. The cash flows employed in the DCF analysis are based on estimates of future revenues, earnings, and cash flows after considering factors such as tower location demographics, timing of additions of new tenants, lease rates, rate and term of renewal, attrition, ongoing cash requirements, and market multiples. Each of the assumptions are applied based on the specific facts and circumstances of the identified assets at the lowest level of identifiable cash flows. The DCF analysis used an average discount rates ranging from 6.5%^{7.8%} - 8.8%.

Asset impairment and decommission costs for all periods presented and the related impaired assets primarily relate to the Company's site leasing operating segment. The following summarizes the activity of asset impairment and decommission costs:

	For the three months ended September 30,		For the nine months ended September 30,		For the three months ended March 31,

(1) Represents impairment charges resulting from the Company's regular analysis of whether the anticipated future cash flows from certain towers are sufficient to recover the carrying value of the investment in those towers. As a result of increased churn, the Company experienced increased asset impairment charges for the three and nine months ended September 30, 2023 March 31, 2024.

(2) Amounts relate to the recognition of impairment charges on our right-of-use assets recorded in accordance with ASC 842.

The Company's long-term investments were \$31.6 million \$22.0 million and \$40.7 million \$24.5 million as of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, respectively, and are recorded in Other assets on the Consolidated Balance Sheets. The estimation of the fair value of the investment involves the use of Level 3 inputs. The Company evaluates these investments for indicators of impairment. The Company considers impairment indicators such as negative changes in industry and market conditions, financial performance, business prospects, and other relevant events and factors. If indicators exist and the fair value of the investment is less than the carrying amount, an impairment charge will be recorded. The Company did not recognize any impairment loss associated with its investments during the three months ended March 31, 2024 and 2023.

Fair Value of Financial Instruments— The carrying values of cash and cash equivalents, accounts receivable, restricted cash, accounts payable, and short-term investments approximate their estimated fair values due to the short maturity of these instruments. The Company's estimate of its short-term investments is based primarily upon Level 1 reported market values. As of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, the Company had \$1.1 million \$1.6 million and \$1.3 million \$1.0 million of short-term investments, respectively.

The Company determines fair value of its debt instruments utilizing various Level 2 sources including quoted prices and indicative quotes (non-binding quotes) from brokers that require judgment to interpret market information including implied credit spreads for similar borrowings on recent trades or bid/ask prices. The fair value of the Revolving Credit Facility is considered to approximate the carrying value because the Company does not believe its credit risk has changed materially from the date the applicable **spread to the Eurodollar Rate (or and Term SOFR as amended July 3, 2023) Rate** was set for the Revolving Credit Facility (112.5 to 150.0 basis points). Refer to Note 10 for the fair values, principal balances, and carrying values of the Company's debt instruments.

13. INCOME TAXES

The primary **reasons** for the difference between the Company's effective tax rate and the U.S. statutory rate **are** the Company's REIT election and the Company's release of the full valuation allowance on the net deferred election. A tax assets of the provision is recognized because U.S. taxable REIT subsidiary ("TRS"). The TRS concluded that it was appropriate to release the full valuation allowance of \$66.3 million during the second quarter of 2023. A foreign tax provision is recognized because and certain foreign subsidiaries of the Company have profitable operations or are in a net deferred tax liability position.

The Company elected to be taxed as a REIT commencing with its taxable year ended December 31, 2016. As a REIT, the Company generally will be entitled to a deduction for dividends that it pays, and therefore, not subject to U.S. federal corporate income tax on that portion of its net income that it distributes to its shareholders. As a REIT, the Company will continue to pay U.S. federal income tax on earnings, if any, from assets and operations held through its TRS. These assets and operations currently consist primarily of the Company's site development services and its international operations. The Company's international operations would continue to be subject, as applicable, to foreign taxes in the jurisdictions in which those operations are located. The Company may also be subject to a variety of taxes, including payroll taxes and state, local, and foreign income, property, and other taxes on its assets and operations. The Company's determination as to the timing and amount of future dividend distributions will be based on a number of factors, including REIT distribution requirements, its existing federal net operating losses ("NOLs") of approximately **\$545.2 million** **\$382.3 million** as of December 31, 2022 December 31, 2023, the Company's financial condition, earnings, debt covenants, and other possible uses of such funds. The Company may use these NOLs to offset its REIT taxable income, and thus any required distributions to shareholders may be reduced or eliminated until such time as the NOLs have been fully utilized.

The Company is subject to income tax and other taxes in the geographic areas where it holds assets or operates, and the Company periodically receives notifications of audits, assessments, or other actions by taxing authorities. In certain jurisdictions, taxing authorities may issue notices and assessments that may not be reflective of the actual tax liability for which the Company will ultimately be liable. In the process of responding to assessments of taxes that the Company believes are not reflective of the Company's actual tax liability, the Company avails itself of both administrative and judicial remedies. The Company evaluates the circumstances of each notification or assessment based on the information available and, in those instances in which the Company does not anticipate a successful defense of positions taken in its tax filings, a liability is recorded in the appropriate amount based on the underlying assessment.

In connection with a current assessment in Brazil, the taxing authorities have issued income tax deficiencies related to purchase accounting adjustments for tax years 2016 through 2019. The Company **strongly** disagrees with the assessment and has filed an appeal with the higher appellate taxing authorities as the Company believes the proposed adjustments are without merit. The Company estimates that there is a more likely than not probability that the Company's position will be sustained upon appeal. Accordingly, no liability has been recorded. The Company will continue to vigorously contest the adjustments and expects to exhaust all administrative and judicial remedies necessary to resolve the matters, which could be a lengthy process. There can be no assurance that these matters will be resolved in the Company's favor, and an adverse outcome, or any future tax examinations involving similar assertions, could have a material effect on the Company's results of operations or cash flows in any one period. As of September 30,

14. SEGMENT DATA

The Company operates principally in two business segments: site leasing and site development. The Company's site leasing business includes two reportable segments, domestic site leasing and international site leasing. The Company's business segments are strategic business units that offer different services. They are managed separately based on the fundamental differences in their operations. The site leasing segment includes results of the managed and sublease businesses. The site development segment includes the results of both consulting and construction related activities. The Company's Chief Operating Decision Maker utilizes segment operating profit and operating income as his two measures of segment profit in assessing performance and allocating resources at the reportable segment level. The Company has applied the aggregation criteria to operations within the international site leasing segment on a basis that is consistent with management's review of information and performance evaluations of the individual markets in this region.

16. REDEEMABLE NONCONTROLLING INTERESTS

The Company allocates income and losses to its redeemable noncontrolling interest holders based on the applicable membership interest percentage. At each reporting period, the redeemable noncontrolling interest is recognized at the greater of (1) the initial carrying amount of the noncontrolling interest as adjusted for accumulated income or loss attributable to the noncontrolling interest holder or (2) the redemption value as of the balance sheet date. Adjustments to the carrying amount of redeemable noncontrolling interest are charged against retained earnings (or additional paid-in capital if there are no retained earnings). The fair value of the redeemable noncontrolling interest is estimated using Level 3 inputs.

The components of redeemable noncontrolling interests as of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023 are as follows (in thousands):

17. DERIVATIVES AND HEDGING ACTIVITIES

The Company enters into interest rate swaps to hedge the future interest expense from variable rate debt and reduce the Company's exposure to fluctuations in interest rates. On August 4, 2020 As of March 31, 2024, the Company through its wholly owned subsidiary, SBA Senior Finance II, terminated an existing \$1.95 billion cash flow hedge on a portion of its 2018 Term Loan in exchange for a payment of \$176.2 million. On the same date, the Company entered into has an interest rate swap agreement on its 2024 Term Loan which swapped \$1.95 billion swaps \$1.95 billion of notional value accruing interest at one month LIBOR Term SOFR plus 175 200 basis points for a an all-in fixed rate of 1.874% 2.050% per annum through March 31, 2025. Additionally, the Company has a forward-starting interest rate

On August 4, 2020, the Company also terminated its existing interest rate swaps, which were previously de-designated as cash flow hedges. There was no cash transferred in connection with the termination of these swaps. The Company reclassifies the fair value of its interest rate swaps recorded in Accumulated other comprehensive loss, net on their de-designation date to non-cash interest expense on the Consolidated Statements of Operations over their respective remaining term end dates, which range from 2023 to 2025.

On June 21, 2023, the Company, through its wholly owned subsidiary, SBA Senior Finance II, amended its interest rate swap agreement which swapped \$1.95 billion will swap \$1.0 billion of notional value accruing interest at one month Term SOFR plus 185 200 basis points (inclusive of a CSA of 0.10%) for an all-

The Company concluded that the amendment to the interest rate swap qualifies for the relief provided by ASU 2021-01 and ASU 2022-06 and as such, has not de-designated its cash flow hedge. Refer to Note 1 for further discussion of the expedient adopted under ASU 2021-01 and ASU 2022-06. April 11, 2028.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

We are a leading independent owner and operator of wireless communications infrastructure, including tower structures, rooftops, and other structures that support antennas used for wireless communications, which we collectively refer to as "towers" or "sites." Our principal operations are in the United States and its territories. In addition, we own and operate towers in South America, Central America, Canada, South Africa, the Philippines, and Tanzania. Our primary business line is our site leasing business, which contributed 97.4% 98.8% of our total segment operating profit for the nine three months ended September 30, 2023 March 31, 2024. In our site leasing business, we (1) lease space to wireless service providers and other customers on assets that we own or operate and (2) manage rooftop and tower sites for property owners under various contractual arrangements. As of September 30, 2023 March 31, 2024, we owned 39,546 39,638 towers, a substantial portion of which have been built by us or built by other tower owners or operators who, like us, have built such towers to lease space to multiple wireless service providers. Our other business line is our site development business, through which we assist wireless service providers in developing and maintaining their own wireless service networks.

Site Leasing

Our primary focus is the leasing of antenna space on our multi-tenant towers to a variety of wireless service providers under long-term lease contracts in the United States, South America, Central America, Canada, South Africa, the Philippines, and Tanzania. As of **September 30, 2023** **March 31, 2024**, no U.S. state or territory accounted for more than 10% of our total tower portfolio by tower count, and no U.S. state or territory accounted for more than 10% of our total revenues for the **nine** **three** months ended **September 30, 2023** **March 31, 2024**. In addition, as of **September 30, 2023**,

20

[Table of Contents](#)

March 31, 2024, approximately 30% of our total towers are located in Brazil and no other international market (each country is considered a market) represented more than 5% of our total towers.

We derive site leasing revenues primarily from all the major carriers in wireless service provider tenants. Wireless service providers enter into (1) individual tenant site leases with us, each of which relates to the 16 countries in which we operate. Our tenant leases are either lease or use of space at an individual leases by tower site or governed by (2) master lease agreements with us, which provide for the material terms and conditions that will govern the terms of the use of the site. apply to multiple sites; although, in most cases, each individual site under a master lease agreement is also governed by its own site leasing agreement which sets forth pricing and other site specific terms. Our tenant leases are generally for an initial term of five years to 15 fifteen years with multiple renewal periods at the option of the tenant. Our tenant leases typically either (1) contain specific annual rent escalators, (2) escalate annually in accordance with an inflationary index, or (3) escalate using a combination of fixed and inflation adjusted escalators. In addition, our international site leases may include pass-through charges, such as rent related to ground leases and other property interests, utilities, property taxes, and fuel.

Cost of site leasing revenue primarily consists of:

- Cash and non-cash rental expense on ground leases, right-of-use, and other underlying property interests;
- Property taxes;
- Site maintenance and monitoring costs (exclusive of employee related costs);
- Utilities;
- Property insurance;
- Fuel (in those international markets that do not have an available electric grid at our tower sites); and
- Lease initial direct cost amortization.

Ground leases and other property interests are generally for an initial term of five years or more with multiple renewal periods, which are at our option. Our ground leases either (1) contain specific annual rent escalators or (2) escalate annually in accordance with an inflationary index. As of **September 30, 2023** **March 31, 2024**, approximately 70% 71% of our tower structures were located on parcels of land that we own, land subject to perpetual easements, or parcels of land in which we have a leasehold interest that extends beyond 20 years. For any given tower, costs are relatively fixed over a monthly or an annual time period. As such, operating costs for owned towers do not generally increase as a result of adding additional customers to the tower. The amount of property taxes varies from site to site depending on the taxing jurisdiction and the height and age of the tower. The ongoing maintenance requirements are typically minimal and include replacing lighting systems, painting a tower, or upgrading or repairing an access road or fencing.

In Ecuador, El Salvador, Guatemala, Nicaragua, and Panama, significantly all of our revenue, expenses, and capital expenditures arising from our new build activities are denominated in U.S. dollars. Specifically, most of our ground leases and other property interests, tenant leases, and tower-related expenses are paid in U.S. dollars. In our Central American markets, our local currency obligations are principally limited to (1) permitting and other local fees, (2) utilities, and (3) taxes. In Brazil, Canada, Chile, South Africa, and the Philippines, significantly all of our revenue, expenses, and capital expenditures, including tenant leases, ground leases and other property interests, and other tower-related expenses are denominated in local currency. In Argentina, Colombia, Costa Rica, Peru, and Tanzania, our revenue, expenses, and capital expenditures, including tenant leases, ground leases and other property interests, and other tower-related expenses are denominated in a mix of local currency and U.S. dollars.

As indicated in the table below, our site leasing business generates substantially all of our total segment operating profit. For information regarding our operating segments, see Note 14 to our Consolidated Financial Statements included in this quarterly report.

<u>Segment operating profit as a percentage of</u> <u>total operating profit</u>	September 30,		September 30,		March 31,

Total site leasing	97.4%	95.4%	97.4%	96.3%	98.8%	97.2%

We believe that the site leasing business continues to be attractive due to its long-term contracts, built-in rent escalators, high operating margins, and low customer churn (which refers to when a customer does not renew its lease that is non-renewed, cancelled, or cancels its lease discounted prior to the end of its term) other than in connection with customer consolidation or cessations of specific technology. We believe that over the

23

[Table of Contents](#)

long-term, site leasing revenues will continue to grow as wireless service providers lease additional antenna space on our towers due to increasing minutes of network use and data transfer, network expansion, and network coverage requirements.

During the remainder of 2023, 2024, we expect organic site leasing revenue in both our domestic and international segments to increase over 2022 2023 levels due in part to wireless carriers deploying unused spectrum. We believe our site leasing business is

21

[Table of Contents](#)

characterized by stable and long-term recurring revenues, predictable operating costs, and minimal non-discretionary capital expenditures. Due to the relatively young age and mix of our tower portfolio, we expect future expenditures required to maintain these towers to be minimal. Consequently, we expect to grow our cash flows by (1) adding tenants to our towers at minimal incremental costs by using existing tower capacity or requiring wireless service providers to bear all or a portion of the cost of tower modifications and (2) executing monetary amendments as wireless service providers add or upgrade their equipment. Furthermore, because our towers are strategically positioned, we have historically experienced low tenant lease terminations as a percentage of revenue other than in connection with customer consolidation or cessations of a specific technology.

Site Development

Our site development business, which is conducted in the United States only, is complementary to our site leasing business and provides us the ability to keep in close contact with the wireless service providers who generate substantially all of our site leasing revenue and to capture ancillary revenues that are generated by our site leasing activities, such as antenna and equipment installation at our tower locations. Site development revenues are earned primarily from providing a full range of end to end services to wireless service providers or companies providing development or project management services to wireless service providers. Our services include: (1) network pre-design; (2) site audits; (3) identification of potential locations for towers and antennas on existing infrastructure; (4) support in leasing of the location; (5) assistance in obtaining zoning approvals and permits; (6) tower and related site construction; (7) antenna installation; and (8) radio equipment installation, commissioning, and maintenance. We provide site development services at our towers and at towers owned by others on a local basis, through regional, market, and project offices. The market offices are responsible for all site development operations.

For information regarding our operating segments, see Note 14 to our Consolidated Financial Statements in this quarterly report.

Capital Allocation Strategy

Our capital allocation strategy is aimed at increasing shareholder value through investment in quality assets that meet our return criteria, stock repurchases when we believe our stock price is below its intrinsic value, and by returning cash generated by our operations in the form of cash dividends. In addition, in a high interest rate environment and when we believe interest rates may stay higher for longer, we believe that debt repayments, especially of our variable rate debt, may be an accretive use of our excess capital. While the addition of a cash dividend to our capital allocation strategy has dividends and debt repayments have provided us with an additional tool to return value to our shareholders, we continue to believe that our priority is to make investments focused on increasing Adjusted Funds From Operations per share. Key elements of our capital allocation strategy include:

Portfolio Growth. We intend to continue to grow our asset portfolio, domestically and internationally, primarily through tower acquisitions and the construction of new towers that meet our internal return on invested capital criteria.

Stock Repurchase Program. We currently utilize stock repurchases as part of our capital allocation policy when we believe our share price is below its intrinsic value. We believe that share repurchases, when purchased at the right price, will facilitate our goal of increasing our Adjusted Funds From Operations per share.

Dividend. Cash dividends are an additional component of our strategy of returning value to shareholders. We do not expect our dividend to require any changes in our leverage and believe that, due to our low dividend payout ratio, we can continue to focus on building and buying quality assets and opportunistically buying back our stock. While the timing and amount of future dividends will be subject to approval by our Board of Directors, we believe that our future cash flow generation will permit us to grow our cash dividend in the future.

Critical Accounting Policies and Estimates

We have identified the policies and significant estimation processes listed below and in our Annual Report on Form 10-K as critical to our business operations and the understanding of our results of operations. The listing is not intended to be a comprehensive list. In many cases, the accounting treatment of a particular transaction is specifically dictated by accounting principles generally accepted in the United States, with no need for management's judgment in their application. In other cases, management is required to exercise judgment in the application of accounting principles with respect to particular transactions. The impact and any associated risks related to these policies on our business operations is discussed throughout "Management's Discussion and Analysis of Financial

24

Condition and Results of Operations" where such policies affect reported and expected financial results. For a detailed discussion on the application of these and other accounting policies, see Note 2 to our Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended **December 31, 2022** December 31, 2023. Our preparation of our financial statements requires us to make

22

estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of our financial statements, and the reported amounts of revenue and expenses during the reporting periods. Management bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. There can be no assurance that actual results will not differ from those estimates and such differences could be significant.

We are in During the process first quarter of reviewing 2024, we completed our assessment on the remaining estimated useful lives of our towers and intangible assets and are considering whether assets. We concluded through our assessment that we should modify our current estimates for asset lives based on our historical operating experience and the findings obtained by our independent consultant. We have retained an independent consultant previously depreciated our towers on a straight-line basis over the shorter of the term of the underlying ground lease (including renewal options) taking into account residual value or the estimated useful life of the tower, which we had historically estimated to assist in completing this review and analysis. If be 15 years. Based on our assessment, we conclude that a revision in revised the estimated useful lives of our towers and certain related intangible assets is appropriate based (which are amortized on a similar basis to our review and analysis, we will account tower assets, as their useful lives correlate to the useful life of the towers) from 15 years to 30 years, effective January 1, 2024. We accounted for any changes the change in the estimated useful lives as a change in accounting estimate under Accounting Standards Codification ASC 250 Accounting Changes and Error Corrections, which will be recorded prospectively beginning in the period of change. We expect to conclude our analysis in 2024.

Corrections." The ICE Benchmark Administration Limited ceased publication impact of the one month LIBOR on June 30, 2023 change in estimate was accounted for prospectively effective January 1, 2024, resulting in a reduction in depreciation and amortization expense of approximately \$102.7 million (\$93.0 million after tax, or an increase of \$0.86 per diluted share) for the three months ended March 31, 2024. On June 21, 2023, we amended our interest rate swap The change in useful lives is expected to change from LIBOR as reduce depreciation expense by approximately \$411.5 million (\$372.5 million after tax, or an interest rate benchmark to increase of \$3.43 per diluted share) for the replacement benchmark of Term SOFR effective on August 1, 2023 year ended December 31, 2024. We have elected the optional expedient which allows companies to change the reference rate and other critical terms related to the reference rate reform in derivative hedge documentation without having to de-designate the hedging relationship, allowing us to continue applying hedge

accounting to our cash flow hedge. On July 3, 2023, we amended our 2018 Term Loan and our Revolving Credit Facility to use Term SOFR as the benchmark rate. The transition from LIBOR to Term SOFR did not have a material impact on the consolidated financial statements.

RESULTS OF OPERATIONS

This report presents our financial results and other financial metrics on a GAAP basis and, with respect to our international and consolidated results, after eliminating the impact of changes in foreign currency exchange rates. We believe that providing these financial results and metrics on a constant currency basis, which are non-GAAP measures, gives management and investors the ability to evaluate the performance of our business without the impact of foreign currency exchange rate fluctuations. We eliminate the impact of changes in foreign currency exchange rates by dividing the current period's financial results by the average monthly exchange rates of the prior year period, as well as by eliminating the impact of realized and unrealized gains and losses on our intercompany loans.

Revenues

Domestic site leasing revenues increased **\$18.8 million** **\$6.7 million** for the three months ended **September 30, 2023** **March 31, 2024**, as compared to the prior year, primarily due to (1) organic site leasing growth, primarily from monetary lease amendments due (due in part to the new MLA our 2023 master lease agreement with AT&T) and additional equipment added to our towers as well as new leases and contractual rent escalators and (2) revenues from 7681 towers acquired and 1617 towers built since July 1, 2022 January 1, 2023, partially offset by lease non-renewals.

to (1) revenues from 2,765 towers acquired (including 2,632 sites from Grupo TorreSur ("GTS") in Brazil) and 461 towers built since July 1, 2022, (2) an increase in reimbursable pass-through expenses due primarily to increases in consumer price index escalators on our ground leases, and (3) organic site leasing growth from new leases, amendments, and contractual escalators and (2) revenues from 21 towers acquired and 399 towers built since January 1, 2023, partially offset by lease non-renewals, non-renewals and a decrease in reimbursable pass-through expenses. Site leasing revenue in Brazil represented 15.7% 15.5% of total site leasing revenue for the period. No other individual international market represented more than 5% of our total site leasing revenue.

Site development revenues decreased \$43.2 million \$28.7 million for the three months ended September 30, 2023 March 31, 2024, as compared to the prior year, as a result of decreased carrier activity driven primarily by T-Mobile, and DISH Wireless, partially offset by an increase in activity from and Verizon Wireless.

Operating Profit

Domestic site leasing segment operating profit increased \$18.4 million \$10.4 million for the three months ended September 30, 2023 March 31, 2024, as compared to the prior year, primarily due to additional profit generated by (1) towers acquired and built since July 1, 2022, (2) organic site leasing growth as noted above, (2) towers acquired and built since January 1, 2023, and (3) continued control of our site leasing cost of revenue.

International site leasing segment operating profit increased \$25.4 million \$5.9 million for the three months ended September 30, 2023 March 31, 2024, as compared to the prior year. On a constant currency basis, international site leasing segment operating profit increased \$21.9 million \$3.9 million. These changes were primarily due to (1) additional profit generated by towers acquired and built since July 1, 2022 and January 1, 2023, (2) organic site leasing growth as noted above, partially offset by and (3) continued control of our increased site leasing cost of revenues largely as a result of our new site additions, revenue, partially offset by lease non-renewals.

Site development segment operating profit decreased \$9.1 million \$7.7 million for the three months ended September 30, 2023 March 31, 2024, as compared to the prior year, as a result of decreased carrier activity driven primarily by T-Mobile, and DISH Wireless, partially offset by an increase in activity from and Verizon Wireless.

Revenues

Domestic site leasing revenues increased \$55.3 million for the nine months ended September 30, 2023, as compared to the prior year, primarily due to (1) organic site leasing growth, primarily from monetary lease amendments, due in part to the new MLA with AT&T and additional equipment added to our towers

as well as new leases and contractual rent escalators and (2) revenues from 116 towers acquired and 19 towers built since January 1, 2022, partially offset by lease non-renewals.

International site leasing revenues increased \$98.6 million for the nine months ended September 30, 2023, as compared to the prior year. On a constant currency basis, international site leasing revenues increased \$100.6 million. These changes were primarily due to (1) revenues from 3,297 towers acquired (including 2,632 sites from GTS) and 644 towers built since January 1, 2022, (2) an increase in reimbursable pass-through expenses due primarily to increases in consumer price index escalators on our ground leases, and (3) organic site leasing growth from new leases, amendments, and contractual escalators, partially offset by lease non-renewals.

International site leasing operating income increased \$27.9 million for the nine months ended September 30, 2023, as compared to the prior year, primarily due to higher segment operating profit, partially offset by increases in depreciation, accretion, and amortization expense, asset impairment and decommission costs, and selling, general, and administrative expenses.

Site development operating income decreased \$13.8 million for the nine months ended September 30, 2023, as compared to the prior year, primarily due to lower segment operating profit driven by less activity from T-Mobile and DISH Wireless, partially offset by an increase in activity from Verizon Wireless.

Other operating expense increased \$6.4 million for the nine months ended September 30, 2023, as compared to the prior year, primarily due to an increase in selling, general, and administrative expenses.

Interest income increased \$5.9 million for the nine months ended September 30, 2023, as compared to the prior year. This change was primarily due to interest received on a loan to an unconsolidated joint venture, a higher amount of interest-bearing deposits held, as well as higher effective interest rates on those deposits as compared to the prior year.

Interest expense increased \$48.3 million for the nine months ended September 30, 2023, as compared to the prior year. On a constant currency basis, interest expense increased \$48.4 million. This change was primarily due to a higher weighted-average interest rate on a higher average principal amount of cash-interest bearing debt outstanding. Based on the current rising interest rate environment, we expect interest expense will increase in future periods.

Non-cash interest expense decreased \$4.9 million for the nine months ended September 30, 2023, as compared to the prior year. This change was primarily due to lower amortization of accumulated losses related to our interest rate swaps de-designated as cash flow hedges which reached their term end date in 2023.

Other income, net includes a \$38.8 million gain on the remeasurement of U.S. dollar denominated intercompany loans with foreign subsidiaries for the nine months ended September 30, 2023, while the prior year period included an \$8.5 million gain.

Provision for income taxes decreased \$17.6 million for the nine months ended September 30, 2023, as compared to the prior year. On a constant currency basis, provision for income taxes decreased \$26.5 million. These changes were primarily due to a decrease in domestic deferred taxes related to the release of the full valuation allowance on the net deferred tax assets of the U.S. taxable REIT subsidiary, partially offset by an increase in current and deferred foreign taxes.

NON-GAAP FINANCIAL MEASURES

This report contains information regarding Adjusted EBITDA, a non-GAAP measure. We have provided below a description of Adjusted EBITDA, a reconciliation of Adjusted EBITDA to its most directly comparable GAAP measure and an explanation as to why management utilizes this measure. This report also presents our financial results and other financial metrics after eliminating the impact of changes in foreign currency exchange rates. We believe that providing these financial results and metrics on a constant currency basis, which are non-GAAP measures, gives management and investors the ability to evaluate the performance of our business without the impact of foreign currency exchange rate fluctuations. We eliminate the impact of changes in foreign currency exchange rates by dividing the current period's financial results by the average monthly exchange rates of the prior year period, as well as by eliminating the impact of the remeasurement of our intercompany loans.

Adjusted EBITDA

We define Adjusted EBITDA as net income excluding the impact of non-cash straight-line leasing revenue, non-cash straight-line ground lease expense, non-cash compensation, net loss from extinguishment of debt, other income and expenses, acquisition and new business initiatives related adjustments and expenses, asset impairment and decommission costs, interest income, interest expenses, depreciation, accretion, and amortization, and income taxes.

We believe that Adjusted EBITDA is useful to investors or other interested parties in evaluating our financial performance. Adjusted EBITDA is the primary measure used by management (1) to evaluate the economic productivity of our operations and (2) for purposes of making decisions about allocating resources to, and assessing the performance of, our operations. Management believes that Adjusted EBITDA helps investors or other interested parties to

meaningfully evaluate and compare the results of our operations (1) from period to period and (2) to our competitors, by excluding the impact of our capital structure (primarily interest charges from our outstanding debt) and asset base (primarily depreciation, amortization, and accretion) from our financial results. Management also believes Adjusted EBITDA is frequently used by investors or other interested parties in the evaluation of REITs. In addition, Adjusted EBITDA is similar to the measure of current financial performance generally used by our lenders to determine compliance with certain covenants under our Senior Credit Agreement and the indentures relating to the 2020 Senior Notes and 2021 Senior Notes. Adjusted EBITDA should be considered only as a supplement to net income computed in accordance with GAAP as a measure of our performance.

holding company that owns equity interests in entities that directly or indirectly own all of our domestic and international towers and assets. We conduct all of our business operations through Telecommunications' subsidiaries. Accordingly, our only source of cash to pay our obligations, other than financings, is distributions with respect to our ownership interest in our subsidiaries from the net earnings and cash flow generated by these subsidiaries.

Terms of the Senior Credit Agreement

On **July 3, 2023** **January 25, 2024**, we, through our wholly owned subsidiary SBA Senior Finance II LLC ("SBA Senior Finance II"), amended and restated our Senior Credit Agreement to (1) issue a new \$2.3 billion Term Loan and retire the 2018 Term Loan, (2) increase the total commitments under the Revolving Credit Facility from \$1.5 billion to \$1.75 billion, (3) extend the maturity date of the Revolving Credit Facility to replace LIBOR January 25, 2029, and (4) amend certain other terms and conditions under the Senior Credit Agreement. The proceeds from the 2024 Term Loan were used to retire our 2018 Term Loan and to pay related fees and expenses.

On February 23, 2024, we, through our wholly owned subsidiary, SBA Senior Finance II, further increased the total commitments under the Revolving Credit Facility from \$1.75 billion to \$2.0 billion.

As of March 31, 2024, SBA Senior Finance II was in compliance with **Term SOFR as the benchmark interest rate and make related changes.** financial covenants contained in the Senior Credit Agreement.

Revolving Credit Facility under the Senior Credit Agreement

The Revolving Credit Facility consists of a revolving loan under which up to **\$1.5 billion** **\$2.0 billion** aggregate principal amount may be borrowed, repaid and redrawn, based upon specific financial ratios and subject to the satisfaction of other customary conditions to borrowing. borrowing through the maturity date of January 25, 2029. In addition, SBA Senior Finance II, is required to pay a commitment fee of between 0.15% and 0.25% per annum on the amount of unused commitment. If not earlier terminated by SBA Senior Finance II, the Revolving Credit Facility will terminate on, and SBA Senior Finance II will repay all amounts outstanding on or before, July 7, 2026. Furthermore, the Revolving Credit Facility incorporates sustainability-linked targets which will adjust the Revolving Credit Facility's applicable interest and commitment fee rates upward or downward based on how we perform against those targets. Borrowings under the Revolving Credit Facility may be used for general corporate purposes. SBA Senior Finance II may, from time to time, borrow from and repay the Revolving Credit Facility. Consequently, the amount outstanding under the Revolving Credit Facility at the end of the period may not be reflective of the total amounts outstanding during such period.

Term Loan under the Senior Credit Agreement

2018 2024 Term Loan

On **April 11, 2018** **January 25, 2024**, we, through our wholly owned subsidiary, SBA Senior Finance II, obtained issued a term loan (the **“2018 2024 Term Loan”**) under the amended and restated Senior Credit Agreement. The **2018 2024 Term Loan** consists of a senior secured term loan with an initial aggregate principal amount of **\$2.4 billion** **\$2.3 billion** that matures on **April 11, 2025** **January 25, 2031**. The **2018 2024 Term Loan** accrues interest, at SBA Senior Finance II's election, at either the Base Rate plus **75 100** basis points (with a zero Base Rate floor) or the Eurodollar Rate at Term SOFR plus **175 200** basis points (with a zero Eurodollar Rate floor of 0%). The **2018 2024 Term Loan** was issued at 99.75% of par value. The proceeds from the **2024 Term Loan** were used to retire the **2018 Term Loan** and to pay related fees and expenses. In connection with the repayment, we expensed \$3.3 million of net deferred financing fees and \$1.2 million of discount related to the debt. As of **September 30, 2023** **March 31, 2024**, the **2018 2024 Term Loan** was accruing interest at **7.170%** **7.340%** per annum. On July 3, 2023, SBA Senior Finance II, amended our **2018**

Principal payments on the **2024 Term Loan** will be made in quarterly installments on the last day of each March, June, September, and December in an amount equal to replace LIBOR with Term SOFR as the benchmark interest rate. The amendment \$5.75 million beginning on June 30, 2024. We incurred financing fees of approximately \$19.4 million in relation to Term SOFR includes a CSA of 0.10% this transaction, which we include as part of interest expense.

On June 21, 2023, SBA Senior Finance II, amended our interest rate swap agreement which swapped \$1.95 billion of notional value accruing interest at Term SOFR plus 185 basis points (inclusive of a CSA of 0.10%) for an all-in fixed rate of 1.900% from August 1, 2023 are being amortized through the maturity date of the **2018 Term Loan**. We concluded that the amendment to the interest rate swap qualifies for the relief provided by Accounting Standards Update (“ASU”) 2021-01 and ASU 2022-06 and as such, have not de-designated our cash flow hedge.

During the three and nine months ended September 30, 2023, we repaid an aggregate of \$6.0 million and \$18.0 million, respectively, of principal on the **2018 Term Loan**. As of September 30, 2023, the **2018 Term Loan** had a principal balance of \$2.3 billion.

Secured Tower Revenue Securities

Tower Revenue Securities Terms

As of **September 30, 2023** **March 31, 2024**, we, through the Trust, a New York common law trust (the “**Trust**”), had issued and outstanding an aggregate of \$6.9 billion of Secured Tower Revenue Securities (“**Tower Securities**”). The sole asset of the Trust consists of a non-recourse mortgage loan made in favor of

certain of our subsidiaries that are borrowers on the mortgage loan (the "Borrowers") under which there is a loan tranche for each Tower Security outstanding with the same interest rate and maturity date as the corresponding Tower Security. The mortgage loan will be paid from the operating cash flows from the aggregate 9,895 9,889 tower sites owned by the Borrowers as of **September 30, 2023** **March 31, 2024**. The mortgage loan is secured by (1) mortgages, deeds of trust, and deeds to secure debt on a substantial portion of the tower sites, (2) a security interest in the tower sites and substantially all of the Borrowers' personal property and fixtures, (3) the Borrowers' rights under certain tenant leases, and (4) all of the proceeds of the foregoing. For each calendar month, SBA Network Management, Inc., an indirect subsidiary ("Network Management"), is entitled to receive a management fee equal to 4.5% of the Borrowers' operating revenues for the immediately preceding calendar month.

Inflation

The impact of inflation on our operations has not been material to date. However, the impact of rising interest rates, due to actions by the Federal Reserve to combat inflation, has impacted, and is expected to continue to impact, our growth rate and future operating results. Increasing interest rates has impacted, and is expected to continue to impact, the ability and willingness of wireless service providers to incur capital expenditures at prior levels to expand their networks, which would could adversely affect our future revenue growth rates. In addition, increased interest rates may adversely affect our costs to refinance our indebtedness at maturity. In addition, persistent high rates of inflation could adversely affect our future operating results particularly in light of the fact that our site leasing revenues are governed by long-term contracts with pre-determined pricing that we will not be able to increase in response to increases in inflation other than our contracts in South America, South Africa, the Philippines, and Tanzania which have inflationary index based rent escalators.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are exposed to certain market risks that are inherent in our financial instruments. These instruments arise from transactions entered into in the normal course of business.

(1) For information on the anticipated repayment date and final maturity date for each Tower Security, refer to "Debt Instruments and Debt Service Requirements" above.

Our current primary market risk exposure is (1) interest rate risk relating to our ability to refinance our debt at commercially reasonable rates, if at all, and (2) interest rate risk relating to the impact of interest rate movements on the variable portion of our 2018-2024 Term Loan and any borrowings that we may incur under our Revolving Credit Facility, which are at floating rates. We manage the interest rate risk on our outstanding debt through our large percentage of fixed rate debt, including interest rate swaps. The ICE Benchmark Administration Limited ceased publication of the one month LIBOR on June 30, 2023. On August 4, 2020, and amended June 21, 2023, we, through our wholly owned subsidiary, SBA Senior Finance II, entered into an interest rate swap which swapped \$1.95 billion of notional value accruing interest at (i) one month LIBOR plus 175 basis points for a fixed rate of 1.874% per annum through July 31, 2023 and (ii) Term SOFR plus 185 basis points (inclusive of a CSA of 0.10%) for an all-in fixed rate of 1.900% per annum from August 1, 2023 through the maturity date of the 2018 Term Loan. While we cannot predict our ability to refinance existing debt or the impact interest rate movements will have on our existing debt, we continue to evaluate our financial position on an ongoing basis. On July 3, 2023, we, through our wholly owned subsidiary, SBA Senior Finance II, amended our Revolving Credit Facility and 2018 Term Loan to replace LIBOR with Term SOFR as the benchmark interest rate. The amendment includes a 0.10% CSA for the 2018 Term Loan.

We have performed a sensitivity analysis assuming a hypothetical 1% increase in our variable interest rates as of September 30, 2023 March 31, 2024. As of September 30, 2023 March 31, 2024, the analysis indicated that such an adverse movement would have caused our interest expense to increase by approximately 4.6% 4.7% for the next twelve three months ended September 30, 2024 March 31, 2024.

We are exposed to market risk from changes in foreign currency exchange rates in connection with our operations in Brazil, Canada, Chile, Peru, Argentina, Colombia, South Africa, the Philippines, Tanzania, and to a lesser extent, our markets in Central America. In each of these countries, we pay most of our selling, general, and administrative expenses and a portion of our operating expenses, such as taxes and utilities incurred in the country in local currency. In addition, in Brazil, Canada, Chile, South Africa, and the Philippines, we receive significantly all of our revenue and pay significantly all of our operating expenses in local currency. In Argentina, Colombia, Costa Rica, Peru, and Tanzania, we receive our revenue and pay our operating expenses in a mix of local currency and U.S. dollars. All transactions denominated in currencies other than the U.S. Dollar are reported in U.S. Dollars at the applicable exchange rate. All assets and liabilities are translated into U.S. Dollars at exchange rates in effect at the end of the applicable fiscal reporting period, and all revenues and expenses are translated at average rates for the period. The cumulative translation effect is included in equity as a component of Accumulated other comprehensive income (loss), net. For the nine three months ended September 30, 2023 March 31, 2024, approximately 21.6% 22.3% of our revenues and approximately 26.8% 29.7% of our total operating expenses were denominated in foreign currencies.

We have performed a sensitivity analysis assuming a hypothetical 10% adverse movement in the Brazilian Real from the quoted foreign currency exchange rates at September 30, 2023 March 31, 2024. As of September 30, 2023 March 31, 2024, the analysis indicated that such an adverse movement would have caused our revenues and operating income to decline by approximately 1.3% and 0.9% 1.1%, respectively, for the nine three months ended September 30, 2023 March 31, 2024.

As of September 30, 2023 March 31, 2024, we had intercompany debt, which is denominated in a currency other than the functional currency of the subsidiary in which it is recorded. As settlement of this debt is anticipated or planned in the foreseeable future, any changes in the foreign currency exchange rates will result in unrealized gains or losses, which will be included in our determination of net income. A change of 10% in the underlying exchange rates of our unsettled intercompany debt at September 30, 2023 March 31, 2024 would have resulted in approximately \$130.4 million \$125.5 million of unrealized gains or losses that would have been included in Other (expense) income, (expense), net in our Consolidated Statements of Operations for the nine three months ended September 30, 2023 March 31, 2024.

Amendment Date or (ii) has been approved in writing by the Administrative Agent (such approval not to be unreasonably withheld or delayed).

"Additional Securitization Arrangements": the collective reference to the transactions and agreements, including the Additional Securitization Management Agreement, pursuant to which one or more domestic Excluded Subsidiaries owning Towers are converted to special purpose entities or Towers currently owned or subsequently acquired or built by such Excluded Subsidiaries are sold or otherwise transferred to special purpose entities, and pursuant to which certificates or evidences of Indebtedness are issued to third party investors backed by the cash flows and asset value of such Towers, and all transactions related thereto.

-8-

for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body or (b) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities denominated in the applicable Agreed Currency at such time.

(b) in the case of clause (c) of the definition of "Benchmark Transition Event", the first date on which such Benchmark (or the published component used in the calculation thereof) has been or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) have been determined and announced by the regulatory supervisor for the administrator of such Benchmark (or such component thereof) to be non-representative; provided that such non-representativeness will be determined by reference to the most recent statement or publication referenced in such clause (c) and even if such Benchmark (or such component thereof) or, if such Benchmark is a term rate, any Available Tenor of such Benchmark (or such component thereof) continues to be provided on such date.

For the avoidance of doubt, if such Benchmark is a term rate, the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Transition Event": with respect to the then-current Benchmark for any Agreed Currency, the occurrence of one or more of the following events with respect to such Benchmark:

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such Benchmark (or such component thereof) or, if such Benchmark is a term rate, all Available Tenors of such Benchmark (or such component thereof) are not, or as of a specified future date will not be, representative.

For the avoidance of doubt, if such Benchmark is a term rate, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"Benchmark Unavailability Period": with respect to any then-current Benchmark for any Agreed Currency, the period (if any) (a) beginning at the time that a Benchmark Replacement Date with respect to such Benchmark has occurred if, at such time, no Benchmark Replacement has replaced such Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.27 and (b) ending at the time that a Benchmark Replacement has replaced such Benchmark for all purposes hereunder and under any Loan Document in accordance with Section 2.27.

-44-

(b) For the avoidance of doubt, only one Pricing Certificate may be delivered in respect of any calendar year. It is further understood and agreed that the Applicable Margin will never be reduced or increased by more than 0.05% or 0.05%, respectively, and that the Commitment Fee Rate will never be reduced or increased by more than 0.01% or 0.01%, respectively, pursuant to the Sustainability Margin Adjustment and the Sustainability Commitment Fee Adjustment, respectively, during any calendar year. Notwithstanding the foregoing or anything to the contrary herein, any information in a Pricing Certificate shall be deemed to be not materially inaccurate (and no Pricing Certificate Inaccuracy shall be deemed to have occurred in respect thereof), and any calculation of the Sustainability Margin Adjustment, the Sustainability Commitment Fee Adjustment or the KPI Metrics shall be deemed proper, and in each case shall not implicate this Section 1.3(d), if such information or calculation was made by the Borrower in good faith based on information reasonably available to the Borrower at the time such calculation was made.

(e) It is understood and agreed that any Pricing Certificate Inaccuracy (and any consequences thereof) shall not constitute a Default or Event of Default; provided, that, the Borrower complies with the terms of this Section 1.3 with respect to such Pricing Certificate Inaccuracy. Notwithstanding anything to the contrary herein, unless such amounts shall be due upon the occurrence of an actual or deemed entry of an order for relief with respect to a Borrower under the bankruptcy code (or any comparable event under non-U.S. debtor relief laws), (a) any additional amounts required to be paid pursuant to the immediate preceding paragraph shall not be due and payable until the date that is ten (10) Business Days after a written demand is made for such payment by the Administrative Agent in accordance with such paragraph, (b) any nonpayment of such additional amounts prior to or upon that is ten (10) Business Days after such written demand for payment by Administrative Agent shall not constitute a Default (whether retroactively or otherwise) and (c) none of such additional amounts shall be deemed overdue prior to such date that is ten (10) Business Days after such written demand or shall accrue interest at the rate determined in accordance with Section 2.10(c) prior to the date that is ten (10) Business Days after such written demand.

(f) Each party hereto hereby agrees that the Administrative Agent shall not have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by

In addition, the Borrower shall have no obligation to disclose any further data, computations or other information to the Administrative Agent or any Lender with respect to any KPI Metric, Sustainability Target or Sustainability Threshold.

(g) As soon as available and in any event within 90 days following the end of each fiscal year of the Borrower (commencing with the fiscal year ending December 31, 2021), a Pricing Certificate for the most recently-ended calendar year; provided, that, for any calendar year the Borrowers may elect not to deliver a Pricing Certificate, and such election shall not constitute a Default or Event of Default (but such failure to so deliver a Pricing Certificate by the end of such 90-day period shall result in the Sustainability Margin Adjustment and Sustainability Commitment Fee Adjustment being applied as set forth in Section 1.3(c)).

(h) Certain Adjustments. The Borrower shall be permitted (in consultation with the Agent) to make adjustments to the Converted Towers Target and Converted Towers Threshold for any calendar year to account for (i) the decommissioning, dismantling, or

The Administrative Agent shall credit the account of the Borrower on the books of such office of the Administrative Agent with the aggregate of the amounts made available to the Administrative Agent by the Term Lenders in immediately available funds.

(b) The Borrowers may borrow under the Revolving Credit Commitments during the Revolving Credit Commitment Period on any Business Day, provided that the Borrower shall deliver to the Administrative Agent a Borrowing Notice (which Borrowing Notice must be received by the Administrative Agent prior to (x) with respect to Revolving Credit Loans denominated in Dollars, 12:00 Noon, New York City time, (a) three U.S. Government Securities Business Days prior to the requested Borrowing Date, in the case of Term SOFR Loans, or (b) one Business Day prior to the requested Borrowing Date, in the case of Base Rate Loans), and (y) in the case of Revolving Credit Loans denominated in any Alternative Currency, the applicable Specified Time for such Alternative Currency, in each case specifying (i) the currency, amount and Type of Revolving Credit Loans to be borrowed, (ii) the requested Borrowing Date and Foreign Subsidiary Borrower (if applicable) and (iii) in the case of Eurodollar Loans (other than Daily Simple RFR Loans), the length of the initial Interest Period therefor. Each borrowing under the Revolving Credit Commitments shall be in an amount equal to (x) in the case of Base Rate Loans, \$1,000,000 or a whole multiple thereof (or, if the then aggregate Available Revolving Credit Commitments are less than \$1,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$2,500,000 or a whole multiple of \$500,000 in excess thereof (or, with respect to borrowings denominated in an Alternative Currency, the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$2,500,000 or a whole multiple of the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$500,000 in excess thereof). With respect to borrowings denominated in an Alternative Currency, no such borrowing shall cause the Dollar Equivalent of the aggregate principal amount of all then outstanding Revolving Credit Loans denominated in Alternative Currencies to exceed the Alternative Currency Sublimit. Upon receipt of any such Borrowing Notice from the Borrower, the Administrative Agent shall promptly notify each Lender thereof. Each Lender will make the amount of its prorata share of each borrowing available to the Administrative Agent for the account of the Borrower (or, if applicable, the Foreign Subsidiary Borrower identified in such Borrowing Notice) at the applicable Funding Office prior to 12:00 Noon, New York City time, on the Borrowing Date requested by the Borrower in funds in Dollars or the applicable Alternative Currency, as applicable, immediately available to the Administrative Agent. The Administrative Agent shall make available to the

-49-

Borrower (or, if applicable, the Foreign Subsidiary Borrower identified in such Borrowing Notice) the aggregate of the amounts made available to the Administrative Agent by the Lenders in like funds as received by the Administrative Agent. Each Revolving Credit Lender may, at its option, make any Revolving Credit Loan available to any Borrower by causing any foreign or domestic branch or Affiliate of such Revolving Credit Lender to make such Revolving Credit Loan; provided that any exercise of such option shall not affect the obligation of such Borrower to repay such Revolving Credit Loan in accordance with the terms of this Agreement.

2.3. Repayment of Loans; Evidence of Debt. (a)(i) The Initial Term Loans of each Initial Term Lender shall be repayable on the last day of each March, June, September and December (commencing on September 30, 2018) in an amount equal to the product of (x) such Initial Term Lender's applicable Term Percentage multiplied by (y) an amount equal to 0.250% of the aggregate principal amount of the Initial Term Loans on the 2018 Refinancing Amendment Effective Date.

To the extent not previously paid, all Term Loans shall be due and payable on the applicable Term Loan Maturity Date (or such earlier date on which the Term Loans become due and payable pursuant to Section 8).

(ii) The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender on the Revolving Credit Termination Date in Dollars and the applicable Alternative Currency, as applicable (or such earlier date on which the Revolving Credit Loans become due and payable pursuant to Section 8). The Borrower hereby further agrees to pay interest on the unpaid principal amount of the Revolving Credit Loans from time to time outstanding from the 2018 Refinancing Amendment Effective Date until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.10. Each Foreign Subsidiary Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of the appropriate Lender the then unpaid principal amount of each Revolving Credit Loan of such Lender made to such Foreign Subsidiary Borrower on the Revolving Credit Termination Date in Dollars and the applicable Alternative Currency, as applicable (or such earlier date on which the Revolving Credit Loans become due and payable pursuant to Section 8). Each Foreign Subsidiary Borrower hereby further agrees to pay interest on the unpaid principal amount of such Revolving Credit Loans from time to time outstanding until payment in full thereof at the rates per annum, and on the dates, set forth in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing indebtedness of the Borrowers to such Lender resulting from each Loan of such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent, on behalf of the Borrowers, shall maintain the Register pursuant to Section 10.6(d), and a subaccount therein for each Lender, in which shall be recorded (i) the amount of each Loan made hereunder and any Note evidencing such Loan, the Type thereof and each Interest Period applicable thereto, (ii) the amount of any principal or

-50-

interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) both the amount of any sum received by the Administrative Agent hereunder from the Borrowers and each Lender's share thereof (including, in each case, in the case of Revolving Credit Loans denominated in an Alternative Currency, the applicable Alternative Currency thereof).

(d) The entries made in the Register and the accounts of each Lender maintained pursuant to Section 2.3(b) shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain the Register or any such account, or any error therein, shall not in any manner affect the obligation of the Borrowers to repay (with applicable interest) the Loans made to such Borrowers by such Lender in accordance with the terms of this Agreement.

(e) The Borrowers agree that, upon the request to the Administrative Agent by any Lender, the Borrowers will execute and deliver to such Lender a promissory note of the Borrowers evidencing any Loans of such Lender to such Borrowers, substantially in the form of Exhibit F-1 or F-2, as applicable, with appropriate insertions as to date and principal amount.

2.4. Commitment Fees, etc. (a) Subject to Section 2.21, the Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee for the period from and including the 2018 Refinancing Amendment Effective Date to the last day of the Revolving Credit Commitment Period, computed at the Commitment Fee Rate applicable at such time, in each case on the average daily amount of the Available Revolving Credit Commitment of such Lender during the period for which payment is made, payable quarterly in arrears on the last day of each March, June, September, December and on the Revolving Credit Termination Date, commencing on the first of such dates to occur after the Initial Amendment Date.

(a) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates from time to time agreed to in writing by the Borrower and the Administrative Agent.

2.5. Optional Termination or Reduction of Revolving Credit Commitments. The Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Revolving Credit Commitments or, from time to time, to reduce the amount of the Revolving Credit Commitments; provided that no such termination or reduction of Revolving Credit Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Credit Loans made on the effective date thereof, (x) the Dollar Equivalent of the Total Revolving Extensions of Credit would exceed the Total Revolving Credit Commitments or (y) the Dollar Equivalent of all Revolving Credit Loans denominated in Alternative Currencies would exceed the Alternative Currency Sublimit. Any such reduction shall be in an amount equal to \$5,000,000, or a whole multiple of \$1,000,000 in excess thereof, and shall reduce permanently the Revolving Credit Commitments then in effect.

2.6. Optional Prepayments. (a) The Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty (except in the case of

-51-

Term Loans as otherwise provided in paragraphs (b), (c) and (d) below), upon irrevocable notice delivered to the Administrative Agent at least (x) three U.S. Government Securities Business Days prior thereto in the case of Term SOFR Loans denominated in Dollars and (y) five Business Days prior thereto in the case of Eurodollar Loans denominated in any Alternative Currency and at least one Business Day prior thereto in the case of Base Rate Loans, which notice shall specify the date and amount of such prepayment, and whether such prepayment is of Eurodollar Loans or Base Rate Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower (and the Foreign Subsidiary Borrower to which such Eurodollar Loan was made) shall also pay any amounts owing pursuant to Section 2.16. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Base Rate Loans) accrued interest to such date on the amount prepaid. Optional partial prepayments of Term Loans and Revolving

Credit Loans shall be in an aggregate principal amount of \$1,000,000 or a whole multiple of \$500,000 in excess thereof.

(a) Any (i) optional prepayment of the Initial Term Loans using proceeds of Indebtedness incurred by the Borrower from a substantially concurrent incurrence of syndicated term loans for which the interest rate payable thereon on the date of such prepayment is lower than the Adjusted Term SOFR on the date of such prepayment plus the Applicable Margin with respect to such Initial Term Loans on the date of such prepayment with the primary purpose of refinancing Initial Term Loans at a lower interest rate or (ii) repricing of the Initial Term Loans pursuant to an amendment to this Agreement resulting in the interest rate payable thereon on the date of such amendment being lower than the Adjusted Term SOFR on the date immediately prior to such amendment plus the Applicable Margin with respect to the Initial Term Loans on the date immediately prior to such amendment, shall be accompanied by a prepayment fee equal to 1.00% of the aggregate principal amount of such prepayment (or, in the case of clause (ii) above, of the aggregate amount of Initial Term Loans outstanding immediately prior to such amendment) if made on or prior to the six month anniversary of the Tenth Amendment Effective Date.

2.7. Mandatory Prepayments. (a) Unless the Required Lenders shall otherwise agree, if on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale and the ratio of Consolidated Net Debt to Annualized Borrower EBITDA, calculated on a pro forma basis after giving effect to such Asset Sale, would exceed 5.50 to 1.00, then, unless a Reinvestment Notice shall be delivered in respect thereof, such Net Cash Proceeds shall be applied on or prior to the 10th day after such date to the prepayment of the Term Loans in accordance with Sections 2.7(d) and 2.13; provided, that, notwithstanding the foregoing, on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied to the prepayment of Term Loans in accordance with Sections 2.7(d) and 2.13.

(a) Unless the Required Lenders shall otherwise agree, if on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Recovery Event, then, unless a Reinvestment Notice shall be delivered in respect thereof, such Net Cash Proceeds shall be applied on or prior to the 10th day after such date to the prepayment of the Term Loans in accordance with Sections 2.7(d) and 2.13; provided, that, notwithstanding the foregoing, on

-52-

each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied to the prepayment of the Term Loans in accordance with Sections 2.7(d) and 2.13.

(b) Unless the Required Lenders shall otherwise agree, if any Indebtedness shall be incurred by the Borrower or any of its Subsidiaries (including the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements)(excluding any Indebtedness incurred in accordance with Section 7.2), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such incurrence to the prepayment of the Term Loans, in accordance with Sections 2.7(d) and 2.13.

(c) Amounts to be applied in connection with any prepayment made pursuant to Section 2.7 shall be applied to the prepayment of the Term Loans. The application of any prepayment pursuant to Section 2.7 shall be made, first, to Base Rate Loans and, second, to Eurodollar Loans. Each prepayment of Term Loans under Section 2.7 (except in the case of Base Rate Loans) shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

(d) If, on any Calculation Date, (i) the Dollar Equivalent of the aggregate outstanding principal amounts of Revolving Credit Loans in Alternative Currencies exceeds an amount equal to 105%

of the Alternative Currency Sublimit, or (ii) the Dollar Equivalent of the sum of the aggregate principal amount of all Revolving Credit Loans then outstanding and the L/C Obligations then outstanding exceeds an amount equal to 105% of the Total Revolving Credit Commitments, the Borrowers shall, following notice thereof from the Administrative Agent, without demand therefor, promptly, but in any event within 5 days after such notice, repay such of the outstanding Revolving Credit Loans in the amount of such excess.

2.8. Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert Term SOFR Loans denominated in Dollars to Base Rate Loans by giving the Administrative Agent at least two U.S. Government Securities Business Days' prior irrevocable notice of such election, provided that any such conversion of Term SOFR Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert Base Rate Loans to Term SOFR Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), provided that no Base Rate Loan may be converted into a Term SOFR Loan (i) when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders have determined in its or their sole discretion not to permit such conversions or (ii) with respect to Revolving Credit Loans, after the date that is one month prior to the final scheduled termination or maturity date of the Revolving Credit Facility and with respect to Term Loans, after the date that is one month prior to the final scheduled maturity date of such Term Loans. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(a) Any Eurodollar Loan may be continued as such in the same Agreed Currency, upon the expiration of the then current Interest Period or in the case of Daily Simple RFR Loans, upon the Interest Payment Date, with respect thereto by the Borrower giving

-53-

irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Eurodollar Loan may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuations or (ii) with respect to Revolving Credit Loans, after the date that is one month prior to the final scheduled termination or maturity date of the Revolving Credit Facility and with respect to Term Loans, after the date that is one month prior to the final scheduled maturity date of such Term Loans; and provided, further, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso, (x) in the case of Term SOFR Loans denominated in Dollars, such Loans shall be automatically converted to Base Rate Loans on the last day of such then expiring Interest Period, (y) in the case of Eurodollar Loans denominated in any Alternative Currency (other than Daily Simple RFR Loans), such Eurodollar Loans shall be continued as Eurodollar Loans in the same Alternative Currency with an Interest Period of one month on the last day of such then expiring Interest Period and (z) in the case of Daily Simple RFR Loans, such Daily Simple RFR Loans shall be continued in the same Alternative Currency bearing interest at a rate upon the applicable Adjusted Daily Simple RFR as of such Interest Payment Date. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.9. Minimum Amounts and Maximum Number of Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate

principal amount of the Eurodollar Loans comprising each Term SOFR Tranche or Eurodollar Tranche shall be equal to \$2,500,000 or a whole multiple of \$500,000 in excess thereof (or, with respect to Eurodollar Loans denominated in an Alternative Currency, the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$2,500,000 or a whole multiple of the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$500,000 in excess thereof) and (b) no more than twelve (12) Eurodollar Tranches or Term SOFR Tranches shall be outstanding at any one time in respect of the Revolving Credit Loans and the Initial Term Loans, and no more than the maximum amount of Eurodollar tranches set forth in the applicable Incremental Term Loan Amendment shall be outstanding at any one time in respect of any such Incremental Term Loans.

2.10. Interest Rates and Payment Dates. (a) Each Eurodollar Loan (other than Term SOFR Loans and Daily Simple RFR Loans) shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(a) Each Term SOFR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term SOFR determined for such day plus the Applicable Margin.

(b) Each Base Rate Loan shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin.

-54-

(c) Each Daily Simple RFR Loan shall bear interest at a rate per annum equal to the Adjusted Daily Simple RFR plus the Applicable Margin.

(d) (i) If all or a portion of the principal amount of any Term Loan, Revolving Credit Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum that is equal to (x) in the case of the Term Loans and the Revolving Credit Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section plus 2% or (y) in the case of Reimbursement Obligations, the rate applicable to Base Rate Loans plus 2%, and (ii) if all or a portion of any interest payable on any Term Loan, Revolving Credit Loan or Reimbursement Obligation or any commitment fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to Base Rate Loans plus 2%, in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (after as well as before judgment).

(e) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (e) of this Section shall be payable from time to time on demand.

2.11. Computation of Interest and Fees. (a) Interest, fees and commissions payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to (i) Base Rate Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed and (ii) Revolving Credit Loans denominated in Pound Sterling, the interest thereon shall be calculated on the basis of a 365-day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the Base Rate or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on

which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(a) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.10(a).

2.12. Inability to Determine Interest Rate. with respect to any RFR Loan or Eurodollar Loan, subject to Section 2.27:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that:

-55-

(i) (A) if Adjusted Daily Simple RFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, "Adjusted Daily Simple RFR" cannot be determined pursuant to the definition thereof or (B) if Adjusted Term SOFR or Eurodollar Rate is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, "Adjusted Term SOFR" or "Eurodollar Rate", as applicable, cannot be determined pursuant to the definition thereof on or prior to the first day of any Interest Period;

(b) with respect to any Eurodollar Loan or any request therefor or a conversion thereto or a continuation thereof, the Required Lenders determine (which determination shall be conclusive and binding absent manifest error) that deposits in the applicable Agreed Currency are not being offered to banks in the applicable offshore interbank market for the applicable Agreed Currency, amount or Interest Period of such Eurodollar Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent;

(c) the Required Lenders determine that for any reason in connection with any request for such Loan or a conversion thereto or a continuation thereof that (i) if Adjusted Daily Simple RFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, Adjusted Daily Simple RFR does not adequately and fairly reflect the cost to such Lenders of making or maintaining such Loans due to changes in administrative costs, fees, tariffs and taxes and other matters outside of Lender's reasonable control or (ii) if Adjusted Term SOFR or if Eurodollar Rate is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, Adjusted Term SOFR or Eurodollar Rate, as applicable, does not adequately and fairly reflect the cost to such Lenders of making or maintaining such Loan during the applicable Interest Period due to changes in administrative costs, fees, tariffs and taxes and other matters outside of the Lender's reasonable control, and, in the case of (i) or (ii), the Required Lenders have provided notice of such determination to the Administrative Agent:

then, in each case, the Administrative Agent will promptly so notify the Borrower and each applicable Lender. Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make RFR Loans or Eurodollar Loans, as applicable, in each such Currency, and any right of the Borrower to convert any Loan in each such Currency (if applicable) to or continue any Loan as an RFR Loan or a

Eurodollar Loan, as applicable, in each such Currency, shall be suspended (to the extent of the affected RFR Loans or Eurodollar Loans or, in the case of Term SOFR Loans or Eurodollar Loans, the affected Interest Periods) until the Administrative Agent (with respect to clause (b) or (c), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (A) the Borrower may revoke any pending request for a borrowing of, conversion to, or continuation of RFR Loans or Eurodollar Loans in each such affected Currency (to the extent of the affected RFR Loans or Eurodollar Loans or, in the case of Term SOFR Loans or Eurodollar Loans, the affected Interest Periods) or, failing that, (I) in the case of any request for an affected RFR Borrowing in Dollars, the Borrower will be deemed to have converted any such request into a request for a Borrowing of, or conversion to, Base Rate Loans in the amount specified therein and (II) in the case of any request for an affected RFR Borrowing or Eurodollar Rate borrowing in an Alternative Currency,

-56-

then such request shall be ineffective and (B)(I) any outstanding affected Term SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (II) any outstanding affected Loans denominated in an Alternative Currency, at the Borrower's election, shall either (1) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or, in the case of Eurodollar Loans, at the end of the applicable Interest Period or (2) be prepaid in full immediately or, in the case of Eurodollar Loans, at the end of the applicable Interest Period; provided that if no election is made by the Borrower by the date that is the earlier of (x) three Business Days after receipt by the Borrower of such notice or (y) with respect to a Eurodollar Loan, the last day of the current Interest Period, the Borrower shall be deemed to have elected clause (1) above. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest (except with respect to any prepayment or conversion of a Daily Simple RFR Loan) on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16. Subject to Section 2.27, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition.

(d) Any and all such decisions by the Administrative Agent or the Required Lenders pursuant to this Section 2.12 shall be made in accordance with how such decisions generally affect similarly situated borrowers in the syndicated loan market, taking into account any internal policy, regulatory and credit requirements of the Lenders and shall to the extent practicable be generally consistent with any evolving or then-prevailing market convention for determining a rate of interest as a replacement to the Term SOFR Reference Rate for multi-currency credit facilities for syndicated loans located in the U.S.

2.13. Pro Rata Treatment and Payments. (a) Each borrowing of Revolving Credit Loans by the Borrowers from the Lenders hereunder, each payment by the Borrowers on account of any commitment fee in respect of the Revolving Credit Loans and any reduction of the Revolving Credit Commitments of the Lenders shall be made pro rata according to the respective Revolving Credit Percentages of the Lenders. Each payment in respect of fees payable hereunder, and each payment in respect of Reimbursement Obligations, shall be applied to the amounts of such obligations owing to the Lenders pro rata according to the respective amounts then due and owing to the Lenders.

(a) (i) Each payment (including each prepayment) by the Borrowers on account of principal of and interest on the Revolving Credit Loans shall be allocated among the Lenders prorata based on the outstanding principal amounts of the Revolving Credit Loans then held by the Lenders. (ii) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Term Loans, shall be allocated among the Lenders prorata based on the outstanding principal amounts of the Term

Loans then held by the Lenders. The amount of each principal prepayment of the Term Loans shall be applied to reduce the then remaining installments of the Term Loans in direct order (or, in the case of Incremental Term Loans, as specified in the Incremental Term Loan Amendment for such Incremental Term Loans). Amounts prepaid on account of the Term Loans may not be reborrowed.

-57-

(b) The application of any payment of Loans (including mandatory prepayments but excluding optional prepayments) shall be made, first, to Base Rate Loans and, second, to Eurodollar Loans. The application of optional prepayments shall be as directed by the Borrower, subject to clause (d)(y) below in the case of Revolving Credit Loans denominated in any Alternative Currency. Each payment of the Loans (except in the case of Base Rate Loans) shall be accompanied by accrued interest to the date of such payment on the amount paid.

(c) (x) All payments (including prepayments) to be made by the Borrowers hereunder, whether on account of principal, interest, fees or otherwise (other than in respect of the principal or interest on any Revolving Credit Loan denominated in any Alternative Currency), shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the applicable Payment Office, in Dollars and in immediately available funds and (y) all payments (including prepayments) to be made by the Borrowers hereunder on account of principal or interest on any Revolving Credit Loan denominated in any Alternative Currency shall be made without setoff or counterclaim and shall be made prior to the Specified Time applicable to the applicable Alternative Currency for the applicable due date thereof to the Administrative Agent, for the account of the Revolving Credit Lenders, at the applicable Payment Office, in the applicable Alternative Currency and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(d) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrowers a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average NYFRB Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to Base Rate Loans, on demand, from the applicable Borrowers.

-58-

(e) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective prorata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average NYFRB Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

(f) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.13(e), 2.13(f), 3.4(a) or 9.7, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision of this Agreement), apply any amounts thereafter received by the Administrative Agent or the Issuing Lender for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

2.14. Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the date hereof:

(i) shall subject any Lender, Transferee or the Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender, Transferee or the Issuing Lender in respect thereof (except for Non-Excluded Taxes covered by Section 2.15 and changes in the rate of tax on the overall net income of such Lender, Transferee or the Issuing Lender);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender (or, in the case of (i), to such Lender, Transferee or Issuing Lender), by an amount which such Lender (or, in the case of (i), such Lender, Transferee or Issuing Lender) deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans (or, in the case of (i), any Loans) or issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower (and each Foreign Subsidiary Borrower as to extensions of credit to such Foreign Subsidiary Borrower) shall promptly pay such Lender (or, in the case of (i), such Lender, Transferee or Issuing Lender), upon its demand, any additional

-59-

amounts necessary to compensate such Lender (or, in the case of (i), such Lender, Transferee or Issuing Lender) for such increased cost or reduced amount receivable. If any Lender, Transferee or Issuing Lender becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled provided that the Borrowers shall not be required to compensate a Lender, Transferee or Issuing

Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date on which such Lender, Transferee or Issuing Lender notifies the Borrower of such Lender's, Transferee's or Issuing Lender's intention to claim compensation therefor; and providedfurther that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority made subsequent to the date hereof shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor, the Borrower (and each Foreign Subsidiary Borrower as to extensions of credit to such Foreign Subsidiary Borrower) shall pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction; provided that the Borrowers shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date on which such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; and providedfurther that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect. If any Lender becomes entitled to claim any additional amounts pursuant to this Section, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(c) A certificate as to any additional amounts payable pursuant to this Section submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be conclusive in the absence of manifest error. The obligations of the Borrowers pursuant to this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(d) Notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof, and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to

-60-

Basel III, shall in each case be deemed to a change in Requirements of Law, regardless of the date enacted, adopted, issued or implemented.

(e) With respect to Revolving Credit Loans denominated in any Alternative Currency, if by reason of any change in a Requirement of Law, disruption of currency or foreign exchange markets, war or civil disturbance or similar event, the funding of any such Revolving Credit Loan in any relevant Alternative Currency or the funding of any such Revolving Credit Loan in any relevant Alternative Currency to the office of the Administrative Agent as set forth herein shall be impossible or, in the reasonable judgment of any Revolving Credit Lender, such Alternative Currency is no longer available or readily convertible to Dollars, or the Dollar Equivalent of such Alternative Currency is no longer readily calculable, then, at the election of any affected Revolving Credit Lender, no Revolving Credit Loans in the

affected Alternative Currency shall be made or any Revolving Credit Loan in the affected Alternative Currency shall be made to another office of the Administrative Agent as the Administrative Agent may agree in its sole discretion, as the case may be.

(f) With respect to Revolving Credit Loans denominated in any Alternative Currency, (i) if payment in respect of any such Revolving Credit Loan shall be due in a currency other than Dollars and if, by reason of any change in a Requirement of Law, disruption of currency or foreign exchange markets, war or civil disturbance or similar event, payment of such Obligations in such currency or the applicable place of payment shall be impossible or, in the reasonable judgment of any Revolving Credit Lender, such Alternative Currency is no longer available or readily convertible to Dollars, or the Dollar Equivalent of such Alternative Currency is no longer readily calculable, then, at the election of any such affected Revolving Credit Lender, the Borrower (and each Foreign Subsidiary Borrower as to extensions of credit to such Foreign Subsidiary Borrower) shall make payment of such Revolving Credit Loan to such affected Revolving Credit Lender in Dollars (based upon the Spot Rate in effect for the day on which such payment occurs, as determined by the Administrative Agent in accordance with the terms hereof) and/or to another office of the Administrative Agent as the Administrative Agent may agree in its sole discretion or (ii) if any Alternative Currency in which Revolving Credit Loans are outstanding is redenominated then, at the election of any such affected Revolving Credit Lender, such affected Revolving Credit Loan and all Obligations of the Borrowers in respect thereof shall be converted into obligations in Dollars (based upon the Spot Rate in effect on such date, as determined by the Administrative Agent in accordance with the terms hereof), and, in each case, the Borrower (and each Foreign Subsidiary Borrower as to extensions of credit to such Foreign Subsidiary Borrower) shall indemnify the Revolving Credit Lenders, against any currency exchange losses or out-of-pocket costs, fees and expenses that it shall sustain as a result of such alternative payment.

2.15.Taxes. (a) All payments made by or on behalf of any Loan Party under this Agreement or any other Loan Document shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority, excluding net income taxes and franchise taxes (imposed in lieu of net income taxes) imposed on the Administrative Agent or any Lender as a result of a present or former connection between the Administrative Agent or such Lender and the jurisdiction of the Governmental Authority

-61-

imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from the Administrative Agent's or such Lender's having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document); provided that, if any such non-excluded taxes, levies, imposts, duties, charges, fees, deductions or withholdings ("Non-Excluded Taxes") or Other Taxes are required to be withheld from any amounts payable to the Administrative Agent or any Lender hereunder, as determined in good faith by the applicable Withholding Agent, (i) such amounts shall be paid to the relevant Governmental Authority in accordance with applicable law and (ii) the amounts so payable by the applicable Loan Party to the Administrative Agent or such Lender shall be increased to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest on any such other amounts payable hereunder at the rates or in the amounts specified in this Agreement as if such withholding or deduction has not been made, providedfurther, however, that the Borrower shall not be required to increase any such amounts payable to any Lender with respect to any Non-Excluded Taxes (i) that are attributable to such Lender's failure to comply with the requirements of paragraph (e) or (f) of this Section or (ii) that are United States withholding taxes resulting from any Requirement of Law in effect (including FATCA) on the date such Lender becomes a party to this Agreement, except to the extent that

such Lender's assignor (if any) was entitled, at the time of assignment, to receive additional amounts from the Borrowers with respect to such Non-Excluded Taxes pursuant to this Section 2.15(a).

(a) In addition, the applicable Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(b) Whenever any Non-Excluded Taxes or Other Taxes are payable by any applicable Loan Party, as promptly as possible thereafter such Loan Party shall send to the Administrative Agent for the account of the relevant Agent or Lender, as the case may be, a certified copy of an original official receipt received by such Loan Party showing payment thereof. If (i) an applicable Loan Party fails to pay any Non-Excluded Taxes or Other Taxes when due to the appropriate taxing authority, (ii) an applicable Loan Party fails to remit to the Administrative Agent the required receipts or other required documentary evidence or (iii) any Non-Excluded Taxes or Other Taxes are imposed directly upon the Administrative Agent or any Lender, the applicable Loan Party or Loan Parties, as the case may be, shall indemnify the Administrative Agent and the Lenders for such amounts and any incremental taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure, in the case of (i) or (ii), or any such direct imposition, in the case of (iii). The agreements in this Section 2.15 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(c) Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for the full amount of any taxes, levies, imposts, duties, charges, fees, deductions, withholdings or similar charges imposed by any Governmental Authority (i) that are attributable to such Lender or (ii) that are attributable to such Lender's failure to comply with the provisions of Section 10.6(b) relating to the maintenance of a Participant Register, in either case, that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto, as determined by the Administrative Agent in good faith, whether or not such taxes were correctly

-62-

or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(d) Each Lender (or Transferee) that is a "United States person" as defined in Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly signed copies of U.S. Internal Revenue Service ("IRS") Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal withholding tax. Each Lender (or Transferee) that is not a "United States person" as defined in Section 7701(a)(30) of the Code (a "Non-U.S. Lender") shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) (i) two properly completed and duly signed copies of U.S. IRS Form W-8BEN, Form W-8BEN-E, Form W-8ECI or Form W-8IMY (together with any applicable underlying IRS forms), (ii) in the case of a Non-U.S. Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of Exhibit G and the applicable IRS Form W-8, or any subsequent versions thereof or successors thereto properly completed and duly executed by such Non-U.S. Lender claiming complete exemption from, or a reduced rate of, U.S. federal withholding tax on payments under this

Agreement and the other Loan Documents, or (iii) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made. Such forms shall be delivered by each Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the Borrower or the Administrative Agent. In addition, each Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the U.S. taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, a Lender shall not be required to deliver any form pursuant to this paragraph that such Lender is not legally able to deliver.

(e) A Lender that is entitled to an exemption from or reduction of non-U.S. withholding tax under the law of the jurisdiction in which a Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate, provided that such Lender is legally entitled to complete, execute and deliver such documentation and in

-63-

such Lender's reasonable judgment such completion, execution or submission would not materially prejudice the legal or commercial position of such Lender.

(f) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrowers and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph (g), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) For purposes of determining withholding Taxes imposed under FATCA, from and after the 2018 Refinancing Amendment Effective Date, the Borrower and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Loans as not qualifying as a "grandfathered obligation" within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

2.16.Indemnity. The Borrower (and each Foreign Subsidiary Borrower, as to any extensions of credit to such Foreign Subsidiary Borrower) agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by any Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrowers in making any prepayment after the Borrower has given a notice thereof in

accordance with the provisions of this Agreement or (c) the making of a prepayment or conversion of (i) Eurodollar Loans (other than Daily Simple RFR Loans) on a day that is not the last day of an Interest Period with respect thereto and (ii) Daily Simple RFR Loans on a day other than on the Interest Payment Date therefor. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

-64-

2.17. Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Eurodollar Loans, continue Eurodollar Loans as such and convert Base Rate Loans to Eurodollar Loans shall forthwith be canceled and (b) such Lender's Loans then outstanding as Eurodollar Loans, if any, shall be converted automatically to Base Rate Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period or Interest Payment Date, as applicable, with respect thereto, the Borrower (and each Foreign Subsidiary Borrower, as to any extensions of credit to such Foreign Subsidiary Borrower) shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.16.

2.18. Change of Lending Office; Replacement of Lenders.

(a) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.14, 2.15(a) or 2.17 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.14, 2.15(a) or 2.17.

(b) If any Lender (i) requests compensation under Sections 2.14 or 2.17, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15(a), (ii) becomes a Defaulting Lender or (iii) does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of each of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained pursuant to Section 10.1), then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 10.6), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if

a Lender accepts such assignment); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent (and if a Revolving Credit Commitment is being assigned, the Issuing Lender), which consent shall not unreasonably be withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Term Loans, Revolving Credit Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (iii) in the case of any such assignment resulting from a claim for compensation under Sections 2.14 or 2.17 or payments required to be made pursuant to Section 2.15(a), such assignment will result in a material

-65-

reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

2.19. Increase of Revolving Credit Commitments. (a) In the event that the Borrower wishes to increase the Total Revolving Credit Commitments at any time when no Default or Event of Default has occurred and is continuing, it shall notify the Administrative Agent in writing of the amount (the "Offered Increase Amount") of such proposed increase (such notice, a "Revolving Credit Commitment Increase Notice"), and the Administrative Agent shall notify each Lender of such proposed increase and provide such additional information regarding such proposed increase as any Lender may reasonably request. The Borrower may, at its election and with the consent of the Administrative Agent and the Issuing Lender (which consents shall not be unreasonably withheld), (i) offer one or more of the Lenders the opportunity to participate in all or a portion of the Offered Increase Amount pursuant to paragraph (c) below and/or (ii) offer one or more additional banks, financial institutions or other entities the opportunity to participate in all or a portion of the Offered Increase Amount pursuant to paragraph (b) below. Each Revolving Credit Commitment Increase Notice shall specify which Lenders and/or banks, financial institutions or other entities the Borrower desires to participate in such Revolving Credit Commitment increase. The Borrower or, if requested by the Borrower, the Administrative Agent, will notify such Lenders and/or banks, financial institutions or other entities of such offer.

(a) Any additional bank, financial institution or other entity which the Borrower selects to offer participation in the increased Revolving Credit Commitments and which elects to become a party to this Agreement and provide a Revolving Credit Commitment in an amount so offered and accepted by it pursuant to Section 2.19(a)(ii) shall execute a New Lender Supplement with the Borrower and the Administrative Agent whereupon such bank, financial institution or other entity (herein called a "New Revolving Lender") shall become a Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement, provided that the Revolving Credit Commitment of any such New Revolving Lender shall be in an amount not less than \$5,000,000.

(b) Any Lender which accepts an offer to it by the Borrower to increase its Revolving Credit Commitment pursuant to 2.19(a)(i) shall, in each case, execute a Revolving Credit Commitment Increase Supplement with the Borrower and the Administrative Agent, substantially in the form of Exhibit L, whereupon such Lender shall be bound by and entitled to the benefits of this Agreement with respect to the full amount of its Revolving Credit Commitment as so increased, and Schedule 1 to such Lender's Lender Addendum (or such Lender's Assignment and Acceptance, if applicable) shall be deemed to be amended to so increase the Revolving Credit Commitment of such Lender.

(c) Notwithstanding anything to the contrary in this Section 2.19, (i) in no event shall any transaction effected pursuant to this Section 2.19 cause the ratio of Consolidated Net Debt to Annualized Borrower EBITDA, calculated on a pro forma basis after giving effect to the proposed increased

effect to any proceeds thereof received for purposes of determining Consolidated Net Debt) and any concurrent incurrence of Incremental Term Loans pursuant to Section 2.20 (and the use of proceeds of such Incremental Term Loans and of any concurrent incurrence of Revolving Credit Loans, and without giving any effect to any proceeds thereof received for purposes of determining Consolidated Net Debt), to exceed 6.50 to 1.00, (ii) no Lender shall have any obligation to increase its Revolving Credit Commitment unless it agrees to do so in its sole discretion and (iii) if the interest rates and fees applicable to any increased Revolving Credit Commitments (including any upfront fees, any interest rate floors, and any original issue discount ("OID"), with upfront fees and OID being equated to interest rates as reasonably determined by the Administrative Agent based on an assumed three-year life to maturity, but excluding any arrangement, underwriting or similar fee paid by the Borrower)(the "Incremental Revolving Margin") exceed the interest rate margin applicable to the existing Revolving Credit Commitments (including any upfront fees, any interest rate floors, and any OID, with upfront fees and OID being equated to interest rates as reasonably determined by the Administrative Agent based on an assumed three-year life to maturity, but excluding any arrangement, underwriting or similar fee paid by the Borrower) then such interest rate margin applicable to the existing Revolving Credit Commitments shall be increased to equal the Incremental Revolving Margin.

2.20. Incremental Term Loans

(a) In the event that the Borrower wishes to add one or more tranches of term loans (the "Incremental Term Loans"), it shall notify the Administrative Agent in writing of the amount of such proposed Incremental Term Loans (such notice, an "Incremental Term Loan Notice"), and the Administrative Agent shall notify each Lender of such proposed Incremental Term Loans and provide such additional information regarding such Incremental Term Loans as any Lender may reasonably request. The Borrower may, at its election, (i) offer one or more of the Lenders or (ii) offer one or more additional banks, financial institutions or other entities (a "New Term Lender") the opportunity to participate in all or a portion of the Incremental Term Loans; provided that an Affiliate of the Borrower may not be a New Term Lender. Each Incremental Term Loan Notice shall specify which Lenders and/or New Term Lenders the Borrower desires to participate in such Incremental Term Loans. The Borrower or, if requested by the Borrower, the Administrative Agent, will notify such Lenders and/or New Term Lenders of such offer.

(b) Notwithstanding anything to the contrary in this Section 2.20, (i) in no event shall any transaction effected pursuant to this Section 2.20 cause the ratio of Consolidated Net Debt to Annualized Borrower EBITDA, calculated on a pro forma basis after giving effect to the borrowing of the proposed Incremental Term Loans and the use of proceeds thereof and of any concurrent incurrence of Revolving Credit Loans (but without giving any effect to any proceeds thereof received for purposes of determining Consolidated Net Debt in any event), to exceed 6.50 to 1.00, (ii) the Incremental Term Loans shall (A) rank pari passu in right of payment and of security with the Revolving Credit Loans and any then outstanding Term Loans and (B) not mature earlier than the Term Loan Maturity Date for the Initial Term Loans made on the 2018 Refinancing Amendment Effective Date, (iii) the weighted average life to maturity of any Incremental Term Loan shall be greater than or equal to the then remaining weighted average life to maturity of the Initial Term Loans made on the 2018 Refinancing Amendment Effective Date;

provided that up to \$250,000,000 in the aggregate of such Incremental Term Loans may be made without regard to clause (ii)(B) and this clause (iii); provided, however, that no Incremental Term Loans may mature earlier than the Revolving Credit Termination Date, (iv) no Lender shall have any obligation to participate in any Incremental Term Loans unless it agrees to do so in its sole discretion and (v) with respect to any Incremental Term Loans made on or prior to the six month anniversary of the 2018 Refinancing Amendment Effective Date, if the total yield in respect of any Incremental Term Loan (including any upfront fees, any interest rate floors, and any OID, with upfront fees and OID being equated to interest rates as reasonably determined by the Administrative Agent based on an assumed four-year life to maturity, but excluding any arrangement, underwriting or similar fee paid by the Borrower) (the "Incremental Term Margin") exceeds the total yield for the Initial Term Loans made on the 2018 Refinancing Amendment Effective Date (including any upfront fees, any interest rate floors, and any OID, with upfront fees and OID being equated to interest rates as reasonably determined by the Administrative Agent based on an assumed four-year life to maturity, but excluding any arrangement, underwriting or similar fee paid by the Borrower) by more than 50 basis points, then the Applicable Margin for the Initial Term Loans shall be increased to equal the Incremental Term Margin minus 50 basis points.

(c) Commitments in respect of Incremental Term Loans shall become effective under this Agreement pursuant to an amendment (an "Incremental Term Loan Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, each Lender agreeing to provide such Incremental Term Loan, if any, each New Term Lender, if any, and the Administrative Agent. The Incremental Term Loan Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent to effect the provisions of this Section 2.20. The effectiveness of any Incremental Term Loan Amendment shall be subject to the satisfaction on the date thereof (the "Incremental Term Loan Closing Date") of the following conditions precedent: (A) the delivery by the Borrower to the Administrative Agent of a certificate signed by an authorized officer of each Loan Party certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such Incremental Term Loan Amendment; (B) pro forma compliance after giving effect to any Incremental Term Loan Amendment (and the making of any Incremental Term Loans) with Section 7.1 together with updated Projections of the type referred to in Section 6.2(c) giving effect to such Incremental Term Loan Amendment and the making of any Incremental Term Loans; (C) payment of fees and expenses in connection with such Incremental Term Loan Amendment prior to or simultaneously with the effectiveness of such Incremental Term Loan Amendment; and (D) if reasonably requested by the Administrative Agent, delivery of customary legal opinions from counsel substantially consistent, to the extent applicable, with those delivered on the Initial Amendment Date and reasonably satisfactory in form and substance to the Administrative Agent. Such additional term loans shall be subject to the terms of this Agreement and each of the other Loan Documents and, to the extent not specified or inconsistent with the terms and conditions set forth herein or therein, the terms and conditions applicable to each Incremental Term Loan as set forth in the Incremental Term Loan Amendment. From and after the Incremental Term Loan Closing Date for any Incremental Term Loans, such Incremental Term Loans shall be "Term Loans" for all purposes of the Loan Documents.

-68-

(d) This Section 2.20 shall supersede any provisions in Section 10.1 which would otherwise subject the Incremental Term Loan Amendment to the consent of Required Lenders.

2.21. Defaulting Lenders

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) fees shall cease to accrue on the unfunded portion of the Revolving Credit Commitment of such Defaulting Lender pursuant to Section 2.4;

(b) the Revolving Credit Commitment and Aggregate Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders or the Majority Revolving Facility Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 10.1); provided, that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of each Lender or each Lender affected thereby (and such Defaulting Lender is affected);

(c) if any L/C Obligations exist at the time a Lender becomes a Defaulting Lender then:

(i) all or any part of such L/C Obligations shall be reallocated among the non-Defaulting Lenders in accordance with their respective Revolving Credit Percentages but only to the extent (x) the sum of all non-Defaulting Lenders' Aggregate Exposures plus such Defaulting Lender's L/C Obligations does not exceed the total of all non-Defaulting Lenders' Revolving Credit Commitments and (y) the conditions set forth in Section 5.3 are satisfied at such time; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize such Defaulting Lender's L/C Obligations (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 8 for so long as such L/C Obligations are outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's L/C Obligations pursuant to Section 2.21(c), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are cash collateralized;

(iv) if the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to Section 2.21(c), then the fees payable to the Lenders pursuant to Section 2.4 and Section 3.3(a) shall be adjusted in accordance with the non-Defaulting Lenders' Revolving Credit Percentages; or

-69-

(v) if any Defaulting Lender's L/C Obligations are neither cash collateralized nor reallocated pursuant to Section 2.21(c), then, without prejudice to any rights or remedies of the Issuing Lender or any Lender hereunder, all fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Revolving Credit Commitment that was utilized by such L/C Obligations) and letter of credit fees payable under Section 3.3(a) with respect to such Defaulting Lender's L/C Obligations shall be payable to the Issuing Lender until such L/C Obligations are cash collateralized and/or reallocated; and

(d) so long as any Lender is a Defaulting Lender, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.21(c), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.21(c)(i) (and Defaulting Lenders shall not participate therein).

In the event that the Administrative Agent, the Borrower and the Issuing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting

Lender, then the L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Credit Loans in accordance with its Revolving Credit Percentage.

2.22. Extension Offers.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders of the applicable tranche, on a pro rata basis (based on the aggregate outstanding principal amount of the applicable tranche of Term Loans or the Revolving Credit Commitments, as applicable) and on the same terms to each such Lender, the Borrower may from time to time extend (i) the maturity date of any tranche of Term Loans or (ii) the maturity date and availability period of the Revolving Credit Commitments, and otherwise modify the terms of any tranche of Term Loans or the Revolving Credit Commitments, as applicable, pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of the Term Loans or the Revolving Credit Commitments, as applicable (and related outstandings)) (each, an "Extension", and each group of Loans as so extended, as well as the original Loans (in each case not so extended), being a "tranche"; any Extension Loans shall constitute a separate tranche of Term Loans or Revolving Credit Commitments from the tranche of Term Loans or Revolving Credit Commitments, as applicable, from which such Loans were converted), so long as the following terms are satisfied: (i) no Default or Event of Default shall have occurred and be continuing at the time the offering document in respect of an Extension Offer is delivered to the applicable Lenders and as of the date of such Extension, (ii) except as to interest rates, fees, final maturity date and premium (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Loans or the

-70-

Revolving Credit Commitments of any Lender extended pursuant to any Extension ("Extension Loans") shall have the same terms (save for any terms that apply solely after the latest maturity date of the Loans or the Commitments hereunder prior to giving effect to such Extension) as the tranche of the applicable Term Loans or Revolving Credit Commitments subject to such Extension Offer, (iii) the final maturity date of any Extension Loans in respect of any tranche of Term Loans shall be no earlier than the then latest maturity date of the Term Loans or Revolving Credit Commitments hereunder, (iv) any Extension Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer, (v) if the aggregate principal amount of Term Loans or Revolving Credit Commitments (calculated on the face amount thereof), in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of the Term Loans or Revolving Credit Commitments offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Commitments, as applicable, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer, (vi) all documentation in respect of such Extension shall be consistent with the foregoing, and (vii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower. For the avoidance of doubt, no Lender shall be required to participate in any Extension.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.22, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to

consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Term Loans or Revolving Credit Commitments be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.22 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extension Loans on the such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.22.

(c) The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Loan Parties as may be necessary in order to establish new tranches or sub-tranches in respect of Term Loans or Revolving Credit Commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new tranches or sub-tranches, in each case on terms consistent with this Section 2.22.

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice of the applicable Extension Offer, and shall

-71-

agree to such procedures, if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.22.

(e) The conversion of any Term Loans or Revolving Credit Commitments hereunder into Extension Loans in accordance with this Section 2.22 shall not constitute an optional or mandatory payment or prepayment, an increase in the Revolving Credit Commitments or an issuance of Incremental Term Loans for purposes of this Agreement.

(f) This Section 2.22 shall supersede any provisions in Section 10.1 which would otherwise subject an Extension to the consent of Required Lenders.

2.23. Refinancing Facilities.

(a) The Borrower may, on one or more occasions, by written notice to the Administrative Agent, request the establishment hereunder of (i) a new Class of revolving commitments (the "Refinancing Revolving Commitments") pursuant to which each Person providing such a commitment (a "Refinancing Revolving Lender") will make revolving loans to the Borrower ("Refinancing Revolving Loans") and acquire participations in the Letters of Credit and (ii) one or more additional Classes of term loan commitments (the "Refinancing Term Loan Commitments") pursuant to which each Person providing such a commitment (a "Refinancing Term Lender") will make term loans to the Borrower (the "Refinancing Term Loans"); provided that (A) each Refinancing Revolving Lender and each Refinancing Term Lender shall be reasonably acceptable to the Administrative Agent, (B) each Refinancing Revolving Lender shall be approved by the Issuing Lender (such approval not to be unreasonably withheld) and (C) no Lender shall have any obligation to agree to become a Refinancing Revolving Lender or a Refinancing Term Lender unless it agrees to do so in its sole discretion.

(b) The Refinancing Commitments shall be effected pursuant to one or more Refinancing Facility Agreements executed and delivered by the Borrower, each Refinancing Lender providing such Refinancing Commitment, the Administrative Agent and, in the case of Refinancing Revolving Commitments, the Issuing Lender; provided that no Refinancing Commitments shall become effective

unless (i) no Default shall have occurred and be continuing on the date of effectiveness thereof, (ii) on the date of effectiveness thereof, the representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct (A) in the case of the representations and warranties qualified as to materiality, in all respects and (B) otherwise, in all material respects, in each case on and as of such date, except in the case of any such representation and warranty that specifically relates to an earlier date, in which case such representation and warranty shall be so true and correct on and as of such earlier date, (iii) the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent in connection with any such transaction, (iv) in the case of any Refinancing Revolving Commitments, substantially concurrently with the effectiveness thereof, all the Revolving Credit Commitments then in effect shall be terminated, and all the Revolving Credit Loans then outstanding, together with all interest thereon, and all other amounts accrued for the benefit of the Revolving Credit Lenders, shall be repaid or paid (it being understood, however, that any Letters of Credit may

-72-

continue to be outstanding hereunder), and the aggregate amount of such Refinancing Revolving Commitments does not exceed the aggregate amount of the Revolving Commitments so terminated and (v) in the case of any Refinancing Term Loan Commitments, substantially concurrently with the effectiveness thereof, the Borrower shall obtain Refinancing Term Loans thereunder and shall repay or prepay then outstanding borrowings of Term Loans of any Class in an aggregate principal amount equal to the aggregate amount of such Refinancing Term Loan Commitments (less the aggregate amount of accrued and unpaid interest with respect to such outstanding borrowings and any reasonable fees, premium and expenses relating to such refinancing) (and any such prepayment of such borrowings of any Class shall be applied to reduce the subsequent scheduled repayments of such borrowings of such Class to be made pursuant to Section 2.3 as directed by the Borrower).

(c) The Refinancing Facility Agreement shall set forth, with respect to the Refinancing Commitments established thereby and the Refinancing Loans and other extensions of credit to be made thereunder, to the extent applicable, the following terms thereof: (i) the designation of such Refinancing Commitments and Refinancing Loans as a new "Class" for all purposes hereof, (ii) the stated termination and maturity dates applicable to the Refinancing Commitments or Refinancing Loans of such Class; provided that such stated termination and maturity dates shall not be earlier than the Revolving Credit Termination Date (in the case of Refinancing Revolving Commitments and Refinancing Revolving Loans) or the applicable Term Loan Maturity Date (in the case of Refinancing Term Loan Commitments and Refinancing Term Loans), (iii) in the case of any Refinancing Term Loans, any amortization applicable thereto and the effect thereon of any prepayment of such Refinancing Term Loans, (iv) the interest rate or rates applicable to the Refinancing Loans of such Class, (v) the fees applicable to the Refinancing Commitment or Refinancing Loans of such Class, (vi) in the case of any Refinancing Term Loans, any original issue discount applicable thereto, (vii) the initial Interest Period or Interest Periods applicable to Refinancing Loans of such Class, (viii) any voluntary or mandatory commitment reduction or prepayment requirements applicable to Refinancing Commitments or Refinancing Loans of such Class (which prepayment requirements, in the case of any Refinancing Term Loans, may provide that such Refinancing Term Loans may participate in any mandatory prepayment on a pro rata basis with other existing Term Loans, but may not provide for prepayment requirements that are more favorable to the Lenders holding such Refinancing Term Loans than to the Lenders holding other existing Term Loans) and any restrictions on the voluntary or mandatory reductions or prepayments of Refinancing Commitments or Refinancing Loans of such Class and (ix) any financial covenant with which the Borrower shall be required to comply (provided that any such financial covenant for the benefit of any Class of Refinancing Lenders shall also be for the benefit of all other Lenders). Except as contemplated

by the preceding sentence, the terms of the Refinancing Revolving Commitments and Refinancing Revolving Loans and other extensions of credit thereunder shall be substantially the same as the Revolving Credit Commitments and Revolving Credit Loans and other extensions of credit thereunder, and the terms of the Refinancing Term Loan Commitments and Refinancing Term Loans shall be substantially the same as the terms of the Term Commitments and the Term Loans. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Facility Agreement. Each Refinancing Facility Agreement may, without the consent of any Lender other than the applicable Refinancing Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the

-73-

opinion of the Administrative Agent, to give effect to the provisions of this Section 2.23, including any amendments necessary to treat the applicable Refinancing Commitments and Refinancing Loans as a new "Class" of loans and/or commitments hereunder.

(d) This Section 2.23 shall supersede any provisions in Section 10.1 which would otherwise subject a Refinancing Facility Agreement to the consent of Required Lenders.

2.24. Currency Fluctuations.

(a) No later than 11:00 A.M. (London time) on each Calculation Date, the Administrative Agent shall determine the Spot Rate as of such Calculation Date with respect to Revolving Extensions of Credit in each applicable Alternative Currency, provided that, upon receipt of a Borrowing Notice pursuant to Section 2.2(b) requesting a Revolving Credit Loan in an Alternative Currency, the Administrative Agent shall determine the Spot Rate with respect to the relevant Alternative Currency on the related Calculation Date (it being acknowledged and agreed that the Administrative Agent shall use such Spot Rate for the purposes of determining compliance with Section 2.2(b) with respect to such Borrowing Notice). The Spot Rates so determined shall become effective on the relevant Calculation Date (a "Reset Date"), shall remain effective until the next succeeding Reset Date and shall for all purposes of this Agreement (other than Section 10.20 and any other provision expressly requiring the use of a current Spot Rate) be the Spot Rates employed in converting any amounts relating to Revolving Extensions of Credit between Dollars and any Alternative Currency.

(b) No later than 11:00 A.M. (London time) on each Reset Date, the Administrative Agent shall determine the Dollar Equivalent of the principal amounts of the Revolving Credit Loans then outstanding (after giving effect to any such Loans to be made or repaid on such date).

(c) The Administrative Agent shall notify the Borrower and the Revolving Credit Lenders of each determination of a Spot Rate hereunder.

2.25. Additional Alternative Currencies. (a) The Borrower may from time to time request that Eurodollar Revolving Credit Loans be made in a currency other than those specifically listed in the definition of "Alternative Currency", provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars. In the case of any such request with respect to the making of Eurodollar Revolving Credit Loans, such request shall be subject to the approval of the Administrative Agent and each Revolving Credit Lender.

(a) Any such request shall be made to the Administrative Agent not later than 11:00 a.m. (New York time), ten (10) Business Days prior to the date of the desired borrowing (or such other time or date as may be agreed by the Administrative Agent). The Administrative Agent shall promptly notify each Revolving Credit Lender thereof. Each Revolving Credit Lender shall notify the Administrative Agent, not later than 11:00 a.m. (New York time), five Business Days after receipt of such request whether it

consents, in its sole discretion, to the making of Eurodollar Revolving Credit Loans in such requested currency.

-74-

(b) Any failure by a Revolving Credit Lender to respond to such request within the time period specified in the preceding paragraph shall be deemed to be a refusal by such Revolving Credit Lender to permit Eurodollar Revolving Credit Loans to be made in such requested currency. If the Administrative Agent and all the Revolving Credit Lenders consent to making Eurodollar Revolving Credit Loans in such requested currency, the Administrative Agent shall so notify the Borrower and such currency shall thereupon be deemed for all purposes to be an Alternative Currency hereunder for purposes of any Eurodollar Revolving Credit Loans. If the Administrative Agent shall fail to obtain any consent to any request for an additional currency under this Section, the Administrative Agent shall promptly so notify the Borrower.

2.26. Borrower Representative; Joint and Several Obligations. (a) Each Foreign Subsidiary Borrower hereby designates and appoints the Borrower as its agent, attorney-in-fact and legal representative on its behalf for all purposes hereunder, including delivering Borrowing Notices; giving instructions with respect to the disbursement of the proceeds of Revolving Credit Loans; paying, prepaying and reducing Revolving Credit Loans, Revolving Credit Commitments or any other amounts owing under the Loan Documents; selecting interest rate options; giving, receiving, accepting and rejecting all other notices, consents or other communications hereunder or under any of the other Loan Documents; and taking all other actions (including in respect of compliance with covenants) on behalf of such Foreign Subsidiary Borrower under the Loan Documents. The Borrower accepts each such appointment. The Administrative Agent and each Revolving Credit Lender may regard any notice or other communication pursuant to any Loan Document from the Borrower on behalf of a Foreign Subsidiary Borrower as a notice or communication from such Foreign Subsidiary Borrower. Each warranty, covenant, agreement and undertaking made on behalf of a Foreign Subsidiary Borrower by the Borrower shall be deemed for all purposes to have been made by such Foreign Subsidiary Borrower and shall be binding upon and enforceable against such Foreign Subsidiary Borrower to the same extent as if the same had been made directly by such Foreign Subsidiary Borrower. Any action, notice, delivery, receipt, acceptance, approval, rejection or any other undertaking under any of the Loan Documents to be made by the Borrower in respect of the Obligations of a Foreign Subsidiary Borrower shall be deemed, where applicable, to be made in the Borrower's capacity as representative and agent on behalf of such Foreign Subsidiary Borrower, and any such action, notice, delivery, receipt, acceptance, approval, rejection or other undertaking shall be deemed for all purposes to have been made by such Foreign Subsidiary Borrower and shall be binding upon and enforceable against such Foreign Subsidiary Borrower to the same extent as if the same had been made directly by such Foreign Subsidiary Borrower.

(a) The Borrower shall have joint and several liability in respect of all Obligations of each Foreign Subsidiary Borrower hereunder and under any other Loan Document to which the Borrower or any such Foreign Subsidiary Borrower is a party, without regard to any defense (other than the defense that payment in full has been made), setoff or counterclaim which may at any time be available to or be asserted by Parent or any of its Subsidiaries against the Lenders, or by any other circumstance whatsoever (with or without notice to or knowledge of the Borrower) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower's or such Foreign Subsidiary Borrower's liability hereunder, in bankruptcy or in any other instance, and the Obligations of the Borrower and the Foreign Subsidiary Borrowers hereunder shall not be conditioned or contingent upon

-75-

the pursuit by the Lenders or any other Person at any time of any right or remedy against the Borrower or the Foreign Subsidiary Borrowers or against any other Person which may be or become liable in respect of all or any part of the Obligations or against any Collateral or Guarantee Obligation therefor or right of offset with respect thereto. The Borrower and the Foreign Subsidiary Borrowers hereby acknowledge that this Agreement is the independent and several obligation of the Borrower and the Foreign Subsidiary Borrowers and may be enforced against any such Person separately, whether or not enforcement of any right or remedy hereunder has been sought against the Borrower or any other Foreign Subsidiary Borrower. Each of the Borrower and the Foreign Subsidiary Borrowers hereby expressly waive, with respect to any of the Loans made to any other Person hereunder and any of the amounts owing hereunder by such other Person in respect of such Loans, diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that the Administrative Agent or any Lender exhaust any right, power or remedy or proceed against such other Person under this Agreement or any other agreement or instrument referred to herein or against any other person under any other guarantee of, or security for, any of such amounts owing hereunder.

2.27. Benchmark Replacement Setting

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of any Benchmark, then such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.27(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.27, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or

-76-

refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.27.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a

Benchmark Replacement), (i) if any then-current Benchmark is a term rate (including the Term SOFR Reference Rate, EURIBOR or TIBOR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a given Benchmark, (i) the Borrower may revoke any pending request for an RFR Borrowing of, conversion to or continuation of RFR Loans, or a Eurodollar Rate borrowing of, conversion to or continuation of Eurodollar Loans, in each case, to be made, converted or continued during any Benchmark Unavailability Period denominated in the applicable Currency and, failing that, (A) in the case of any request for any affected Term SOFR Borrowing, if applicable, the Borrower will be deemed to have converted any such request into a request for a Base Rate Loan or conversion to Base Rate Loans in the amount specified therein and (B) in the case of any request for any affected RFR Borrowing or Eurodollar Rate borrowing, in each case, in an Alternative Currency, if applicable, then such request shall be ineffective and (ii)(A) any outstanding affected Term SOFR Loans, if applicable, will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period and (B) any outstanding affected RFR Loans or Eurodollar Loans, in each case, denominated in an Alternative Currency, at the Borrower's election, shall either (I) be converted into Base Rate Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternative Currency) immediately or, in the case of Eurodollar Loans, at the end of the applicable Interest Period or Interest Payment Date, as applicable or (II) be prepaid in full immediately or, in the case of Eurodollar Loans, at the end of the applicable Interest Period or Interest Payment Date, as applicable; provided that, with respect to any Daily Simple RFR Loan, if no election is made by the Borrower by the date that is three Business Days after receipt by the Borrower of such notice, the Borrower shall be deemed to have elected clause (I) above; provided,further that, with respect to any Eurodollar Loan (other than a Daily Simple RFR Loan), if no election is made by the Borrower by the earlier of (x) the date that is three Business Days after receipt by the Borrower of such notice

-77-

and (y) the last day of the current Interest Period for the applicable Eurodollar Loan, the Borrower shall be deemed to have elected clause (I) above. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest (except with respect to any prepayment or conversion of a Daily Simple RFR Loan) on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.16. During a Benchmark Unavailability Period with respect to any Benchmark or at any time that a tenor for any then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark that is the subject of such Benchmark Unavailability Period or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

Section 3.LETTERS OF CREDIT

3.1.L/C Commitment. (a) Subject to the terms and conditions hereof, the Issuing Lender, in reliance on the agreements of the other Lenders set forth in Section 3.4(a), agrees to issue letters of credit ("Letters of Credit") for the account of the Borrower on any Business Day during the Revolving Credit Commitment Period in such form as may be approved from time to time by the Issuing Lender; provided that the Issuing Lender shall not issue any Letter of Credit if, after giving effect to such issuance, (i) the L/C Obligations would exceed the L/C Commitment or (ii) either the aggregate amount of the Available Revolving Credit Commitments or the Total Availability would be less than zero. Each Letter of Credit shall (i) be denominated in Dollars, (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date which is five Business Days prior to the Revolving Credit Termination Date and (iii) only be payable on a sight basis with conforming certificates, if applicable.

(a) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2.Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender (with a copy to the Administrative Agent) at its address for notices specified herein an Application therefor, completed to the satisfaction of the Issuing Lender, and such other certificates, documents and other papers and information as the Issuing Lender may request. Upon receipt of any Application, the Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly (but in no event more than five Business Days following the receipt of such Application) issue the Letter of Credit requested thereby by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by the Issuing Lender and the Borrower (but in no event shall the Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto). Promptly after issuance by the Issuing Lender of a Letter of Credit, the Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower. The Issuing Lender shall, within three days of such issuance, give to the Administrative Agent notice of the issuance of each Letter of Credit (including the amount thereof). Upon the written request of any

-78-

Lender, the Administrative Agent will, within three Business Days of such request, inform such Lender of the aggregate drawable amount of all Letters of Credit outstanding on the date of such request.

3.3.Fees and Other Charges. (a) The Borrower will pay to the Administrative Agent, for the account of the Lenders, a fee on the aggregate drawable amount of all outstanding Letters of Credit at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans, to be shared ratably among the Lenders in accordance with their respective Revolving Credit Percentages and payable quarterly in arrears on each L/C Fee Payment Date after the issuance date.

(a) In addition to the foregoing fees, the Borrower shall pay to the Issuing Lender for its own account a fronting fee for each outstanding Letter of Credit, equal to the greater of (x) $\frac{1}{4}$ of 1.00% per annum on the aggregate drawable amount of such Letter of Credit and (y) \$500. Such fronting fees shall be payable quarterly in arrears on each L/C Fee Payment Date and shall be nonrefundable.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse the Issuing Lender for such normal and customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4. L/C Participations. (a) The Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lender to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Revolving Credit Percentage in the Issuing Lender's obligations and rights under each Letter of Credit issued hereunder (including the Letters of Credit referred to on Schedule 7.2(d) which for all purposes of this Agreement shall be deemed issued hereunder) and the amount of each drawing paid by the Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with the Issuing Lender that, if a drawing is paid under any Letter of Credit for which the Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to the Issuing Lender upon demand at the Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Revolving Credit Percentage of the amount of such drawing, or any part thereof, that is not so reimbursed.

(a) If any amount required to be paid by any L/C Participant to the Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is paid to the Issuing Lender within three Business Days after the date such payment is due, such L/C Participant shall pay to the Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average NYFRB Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant

-79-

pursuant to Section 3.4(a) is not made available to the Issuing Lender by such L/C Participant within three Business Days after the date such payment is due, the Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to Base Rate Loans. A certificate of the Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(b) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its prorata share of such payment in accordance with Section 3.4(a), the Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will distribute to such L/C Participant its prorata share thereof; provided, however, that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such L/C Participant shall return to the Issuing Lender the portion thereof previously distributed by the Issuing Lender to it.

3.5. Reimbursement Obligation of the Borrower. The Borrower agrees to reimburse the Issuing Lender on the next Business Day after each date on which the Issuing Lender notifies the Borrower of the date and amount of a drawing presented under any Letter of Credit and paid by the Issuing Lender for the amount of (a) such drawing so paid and (b) any taxes, fees, charges or other costs or expenses incurred by the Issuing Lender in connection with such payment (the amounts described in the foregoing clauses (a) and (b) in respect of any drawing, collectively, the "Payment Amount"). Each such payment shall be made to the Issuing Lender at its address for notices specified herein in lawful money of the United States of America and in immediately available funds. Interest shall be payable on each Payment Amount from the date of the applicable drawing until payment in full at the rate set forth in (i) until the second Business Day following the date of the applicable drawing, Section 2.10(b) and (ii) thereafter,

Section 2.10(d). Each drawing under any Letter of Credit shall (unless an event of the type described in clause (i) or (ii) of Section 8(e) shall have occurred and be continuing with respect to the Borrower, in which case the procedures specified in Section 3.4 for funding by L/C Participants shall apply) constitute a request by the Borrower to the Administrative Agent for a borrowing pursuant to Section 2.2 of Base Rate Loans in the amount of such drawing. The Borrowing Date with respect to such borrowing shall be the first date on which a borrowing of Revolving Credit Loans could be made pursuant to Section 2.2 if the Administrative Agent had received a notice of such borrowing at the time the Administrative Agent receives notice from the Issuing Lender of such drawing under such Letter of Credit.

3.6.Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against the Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with the Issuing Lender that the Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such

-80-

Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. The Issuing Lender shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Issuing Lender. The Borrower agrees that any action taken or omitted by the Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards or care specified in the Uniform Commercial Code in effect in the State of New York or, if applicable to such Letter of Credit, the Uniform Customs and Practice for Documentary Credits or the International Standby Practices as published by the International Chamber of Commerce most recently at the time of issuance of any Letter of Credit, shall be binding on the Borrower and shall not result in any liability of the Issuing Lender to the Borrower.

3.7.Letter of Credit Payments. If any drawing shall be presented for payment under any Letter of Credit, the Issuing Lender shall promptly notify the Borrower of the date and amount thereof. The responsibility of the Issuing Lender to the Borrower in connection with any drawing presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each drawing) delivered under such Letter of Credit in connection with such presentment appear on their face to be in conformity with such Letter of Credit.

3.8.Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

3.9.Additional Issuing Lenders. The Borrower, the Administrative Agent and any Lender may agree to designate such Lender as an additional Issuing Lender pursuant to documentation and other arrangements as the Borrower, the Administrative Agent and such Lender may agree, and including as to fees therefor and sublimits with respect thereto as agreed between the Borrower and such Issuing Lender. The terms of this Agreement shall be deemed amended to incorporate any such terms as the Borrower, the Administrative Agent and such Issuing Lender may agree. No Lender shall have any obligation to agree to be, or be designated as, an Issuing Lender unless it agrees to do so in its sole discretion.

Section 4.REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make Loans and issue or participate in the Letters of Credit, the Borrower hereby represents and warrants to the Administrative Agent and each Lender that:

4.1. Financial Condition. The audited consolidated balance sheets of the Parent and its consolidated Subsidiaries and the Borrower and its consolidated Subsidiaries (including, in each case, (x) the Securitization Manager, if applicable, and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) as of December 31, 2017 and

-81-

the related statements of income and of cash flows for the fiscal years ended on such dates, reported on by and accompanied by an unqualified report from Ernst & Young LLP, present fairly in all material respects the consolidated financial condition of the Parent and its consolidated Subsidiaries and the Borrower and its consolidated Subsidiaries (including, in each case, (x) the Securitization Manager, if applicable, and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) as of such dates, and the consolidated results of its operations and its consolidated cash flows for the respective fiscal years then ended. All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein). The Parent and its consolidated Subsidiaries and the Borrower and its consolidated Subsidiaries (including, in each case, (x) the Securitization Manager, if applicable, and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) do not have any material Guarantee Obligations, contingent liabilities and liabilities for taxes, or any long-term leases or unusual forward or long-term commitments, including, without limitation, any interest rate or foreign currency swap or exchange transaction or other obligation in respect of derivatives, that are not reflected in the most recent financial statements referred to in this paragraph. During the period from December 31, 2017 to and including the date hereof there has been no Disposition by the Parent or the Borrower of any material part of their respective businesses or Properties.

4.2. No Change. Since December 31, 2017 there has been no development or event that has had or could reasonably be expected to have a Material Adverse Effect.

4.3. Corporate Existence; Compliance with Law. Each of the Borrower and its Subsidiaries (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has the corporate power and authority, and the legal right, to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification except to the extent the failure to be so qualified could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Corporate Power; Authorization; Enforceable Obligations. Each Loan Party has the corporate power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary corporate action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any

Governmental Authority or any other Person is required in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except the filings referred to in Section 4.19. Each Loan Document has been

-82-

duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance of this Agreement and the other Loan Documents, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof (a) will not violate any Requirement of Law or any Contractual Obligation of the Borrower or any of its Subsidiaries except (x) as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect and (y) for such Contractual Obligations pursuant to which the Administrative Agent is required to execute and deliver a non-disturbance agreement and (b) will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents). No Requirement of Law or Contractual Obligation applicable to the Borrower or any of its Subsidiaries could reasonably be expected to have a Material Adverse Effect.

4.6. No Material Litigation. No litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened by or against the Borrower or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7. No Default. Neither the Borrower nor any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8. Ownership of Property; Liens. Each of the Borrower and its Subsidiaries has title in fee simple to, a valid leasehold interest in, or an easement, license or permit to occupy, all its real property, and good title to, a valid leasehold interest in, or an easement, license or permit to occupy, all its other Property, and none of such Property is subject to any Lien except as permitted by Section 7.3.

4.9. Intellectual Property. The Borrower and each of its Subsidiaries owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use of any Intellectual Property or the validity or effectiveness of any Intellectual Property, nor does the Borrower know of any valid basis for any such claim. The use of Intellectual Property by the Borrower and its Subsidiaries does not infringe on the rights of any Person in any material respect.

4.10. Taxes. Each of the Borrower and each of its Subsidiaries has filed or

-83-

caused to be filed all Federal, state and other material tax returns that are required to be filed and has paid all taxes shown to be due and payable on said returns or on any assessments made against it or any of its Property and all other taxes, fees or other charges imposed on it or any of its Property by any

Governmental Authority that are due and payable (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Borrower or its Subsidiaries, as the case may be) except with respect to state and local tax returns relating to taxes in an aggregate amount not exceeding \$2,000,000 at any one time outstanding (after applying loss probability factors in accordance with GAAP) and with respect to which reserves in conformity with GAAP have been provided on the books of the Borrower or its Subsidiaries, as the case may be; no tax Lien has been filed, and, to the knowledge of the Borrower, no claim is being asserted, with respect to any such tax, fee or other charge.

4.11. Federal Regulations. No part of the proceeds of any Loans will be used for "purchasing" or "carrying" any "margin stock" within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect or for any purpose that violates the provisions of the Regulations of the Board. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1 referred to in Regulation U.

4.12. Labor Matters. There are no strikes or other labor disputes against the Borrower or any of its Subsidiaries pending or, to the knowledge of the Borrower, threatened that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. Hours worked by and payment made to employees of the Borrower and its Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect. All payments due from the Borrower or any of its Subsidiaries on account of employee health and welfare insurance that (individually or in the aggregate) could reasonably be expected to have a Material Adverse Effect if not paid have been paid or accrued as a liability on the books of the Borrower or the relevant Subsidiary.

4.13. ERISA. Neither a Reportable Event nor any failure to satisfy the minimum funding standards (within the meaning of Section 412 or 430 of the Code or Section 302 of ERISA), including any "accumulated funding deficiency," whether or not waived, has occurred during the five-year period prior to the date on which this representation is made or deemed made with respect to any Plan, and each Plan has complied in all material respects with the applicable provisions of ERISA and the Code. There has been no failure to make by its due date a required installment under Section 430(j) of the Code with respect to any Single Employer Plan nor a failure by any Loan Party or any Commonly Controlled Entity to make any required contribution to a Multiemployer Plan. There has been no determination that any Single Employer Plan is or is expected to be in "at risk" status (within the meaning of Section 430 of the Code or Section 303 of ERISA). No termination of a Single Employer Plan has occurred, and no Lien in favor of the PBGC or a Plan has arisen, during such five-year period. The present value of all accrued benefits under each Single Employer Plan (based on those assumptions used to fund such Plans) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such Plan allocable to

-84-

such accrued benefits by a material amount. Neither the Borrower nor any Commonly Controlled Entity has had a complete or partial withdrawal from any Multiemployer Plan that has resulted or could reasonably be expected to result in a material liability under ERISA, and neither the Borrower nor any Commonly Controlled Entity would become subject to any material liability under ERISA if the Borrower or any such Commonly Controlled Entity were to withdraw completely from all Multiemployer Plans as of the valuation date most closely preceding the date on which this representation is made or deemed made. No such Multiemployer Plan is in Reorganization or Insolvent or is expected to be in "endangered" or "critical" status (within the meaning of Section 432 of the Code or Section 305 of ERISA).

4.14. Investment Company Act; Other Regulations. No Loan Party is an “investment company,” or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law (other than Regulation X of the Board) which limits its ability to incur Indebtedness.

4.15. Subsidiaries. (a) The Subsidiaries listed on Schedule 4.15(a) constitute all the Subsidiaries of the Borrower as of the Second Amendment and Restatement Effective Date. Schedule 4.15(a) sets forth as of the Second Amendment and Restatement Effective Date the name and jurisdiction of incorporation of each Subsidiary and, as to each such Subsidiary, the percentage of each class of Capital Stock owned by any Loan Party.

(a) There are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees or directors and directors' qualifying shares) of any nature relating to any Capital Stock of any Loan Party (other than the Parent) or any Subsidiary of any Loan Party except as set forth on Schedule 4.15(b).

4.16. Use of Proceeds. A portion of proceeds of the loans and commitments provided under the 2018 Refinancing Amendment shall refinance and replace in full all Loans and Commitments outstanding immediately prior to the 2018 Refinancing Amendment Effective Date and pay fees, expenses and other amounts incurred in connection with the foregoing. The proceeds of the Loans made on or after the 2018 Refinancing Amendment Effective Date shall be used for general corporate purposes of the Borrower and its Subsidiaries, including distributions to SBA Senior Finance.

4.17. Environmental Matters. Other than exceptions to any of the following that could not, individually or in the aggregate, reasonably be expected to result in a Material Environmental Loss:

(a) the Borrower and its Subsidiaries: (i) are, and within the period of all applicable statutes of limitation have been, in compliance with all applicable Environmental Laws; (ii) hold all Environmental Permits (each of which is in full force and effect) required for any of their current or intended operations or for any property owned, leased, or otherwise operated by any of them; (iii) are, and within the period of all applicable statutes of limitation have been, in compliance with all of their Environmental Permits; and (iv) reasonably believe that: each of their Environmental Permits will be timely renewed and complied with, without

-85-

material expense; any additional Environmental Permits that may be required of any of them will be timely obtained and complied with, without material expense; and compliance with any Environmental Law that is or is expected to become applicable to any of them will be timely attained and maintained, without material expense.

(b) Materials of Environmental Concern are not present at, on, under, in, or about any real property now or formerly owned, leased or operated by the Borrower or any of its Subsidiaries, or at any other location (including, without limitation, any location to which Materials of Environmental Concern have been sent for re-use or recycling or for treatment, storage, or disposal) which could reasonably be expected to (i) give rise to liability of the Borrower or any of its Subsidiaries under any applicable Environmental Law or otherwise result in costs to the Borrower or any of its Subsidiaries, or (ii) interfere with the Borrower's or any of its Subsidiaries' continued operations, or (iii) impair the fair saleable value of any real property owned or leased by the Borrower or any of its Subsidiaries.

(c) There is no judicial, administrative, or arbitral proceeding (including any notice of violation or alleged violation) under or relating to any Environmental Law to which the Borrower or any of its Subsidiaries is, or to the knowledge of the Borrower or any of its Subsidiaries will be, named as a party that

is pending or, to the knowledge of the Borrower or any of its Subsidiaries, threatened; and to the knowledge of the Borrower or any of its Subsidiaries, there are no judicial, administrative, or arbitral proceedings under or relating to any Environmental Law pending or threatened against any Person, other than the Borrower or any of its Subsidiaries, that could reasonably be expected to affect the Borrower or any of its Subsidiaries.

(d) Neither the Borrower nor any of its Subsidiaries has received any written request for information, or been notified that it is a potentially responsible party under or relating to the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, or any similar Environmental Law, or with respect to any Materials of Environmental Concern.

(e) Neither the Borrower nor any of its Subsidiaries has entered into or agreed to any consent decree, order, or settlement or other agreement, or is subject to any judgment, decree, or order or other agreement, in any judicial, administrative, arbitral, or other forum for dispute resolution, relating to compliance with or liability under any Environmental Law.

(f) Neither the Borrower nor any of its Subsidiaries has assumed or retained, by contract or operation of law, any liabilities of any kind, fixed or contingent, known or unknown, under any Environmental Law or with respect to any Material of Environmental Concern.

4.18. Accuracy of Information, etc. No statement or information contained in this Agreement, any other Loan Document or any other written document, certificate or statement furnished to the Administrative Agent or the Lenders or any of them, by or on behalf of any Loan Party for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the date such statement, information, document or certificate was so furnished, any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained herein or therein not misleading. The

-86-

projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There is no fact actually known to any Loan Party that could reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents or in any other documents, certificates and statements furnished to the Administrative Agent and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

4.19. Security Documents. The Guarantee and Collateral Agreement is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described therein and proceeds thereof. In the case of the Pledged Stock described in the Guarantee and Collateral Agreement, upon stock certificates representing such Pledged Stock having been delivered to the Administrative Agent and in the case of the other Collateral described in the Guarantee and Collateral Agreement, upon financing statements in appropriate form having been filed in the offices specified on Schedule 4.19 and upon such other filings as are specified on Schedule 3 to the Guarantee and Collateral Agreement having been duly completed, the Guarantee and Collateral Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral and the proceeds thereof, as security for the Obligations (as defined in the Guarantee and Collateral Agreement) to the extent a Lien on such Collateral can be perfected by the filing of a financing statement, by other filings specified on Schedule 3 to the Guarantee and Collateral

Agreement or, in the case of Pledged Stock, control, in each case prior and superior in right to any other Person (except, in the case of Collateral other than Pledged Stock, Liens permitted by Section 7.3). Notwithstanding the foregoing, it is understood that neither mortgages nor fixture filings shall be made in respect of Tower or office locations.

4.20. Solvency. Each Loan Party is, and after giving effect to the incurrence of all Indebtedness and obligations being incurred in connection herewith will be and will continue to be, Solvent.

4.21. Real Property Leases. The present and contemplated use of the real property owned or leased by the Borrower or any of its Subsidiaries for the operation of Towers is in compliance in all material respects with all applicable zoning ordinances and regulations and other laws and regulations where failure so to comply would result, or create reasonable risk of resulting, in a Material Adverse Effect. Each lease pursuant to which the Borrower or any of its Subsidiaries, as lessee, acquired rights in real property upon which any Tower is situated is in full force and effect, the Borrower or such Subsidiary has all rights of the lessee thereunder, there has been no default in the performance of any of its terms or conditions by the Borrower or any such Subsidiary nor (to the best of the Borrower's knowledge) any other party thereto, and no claims of default have been asserted with respect thereto, in each case except as would not result, or would not create a reasonable risk of resulting, in a Material Adverse Effect.

4.22. FCC and FAA Matters; State Regulatory Compliance. (a) The Borrower (i) has duly and timely filed all material reports, registrations and other material filings, if any,

-87-

which are required to be filed by it or any of its Subsidiaries under the Communications Act or any other applicable law, rule or regulation of any Governmental Authority, including the FCC and the FAA, the non-filing of which would not result, or be reasonably likely to result, in a Material Adverse Effect and (ii) is in compliance with all such laws, rules, regulations and ordinances, including those promulgated by the FCC and the FAA, to the extent the non-compliance with which would result, or be reasonably likely to result, in a Material Adverse Effect. All information provided by or on behalf of the Borrower or any Affiliate in any material filing, if any, with the FCC and the FAA relating to the business of the Borrower and its Subsidiaries was, to the knowledge of such Person at the time of filing, complete and correct in all material respects when made, and the FCC and the FAA have been notified of any substantial or significant changes in such information as may be required in accordance with applicable Requirements of Law.

(a) The Borrower and its Subsidiaries have all permits, certificates, licenses, tariff approvals and other authorizations from all state and federal Governmental Authorities required to conduct their current business except for such permits, certificates, licenses, tariff approvals and other authorizations as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) The Borrower has no knowledge of any investigation, notice of apparent liability, violation, forfeiture or other order or complaint issued by or before any state or federal Governmental Authority, or of any other proceedings of or before any state or federal Governmental Authority, which could reasonably be expected to have a Material Adverse Effect.

4.23. Anti-Corruption Laws and Sanctions. As of the 2018 Refinancing Amendment Effective Date, the Borrower has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower, its Subsidiaries and their respective directors, officers, employees and agents with Anti-Corruption Laws, and the Borrower, and its Subsidiaries are in compliance with Anti-Corruption Laws and Sanctions in all material respects, and to the knowledge of the Borrower and its Subsidiaries their respective directors, officers, employees and agents are also in compliance with Anti-Corruption Laws and Sanctions in all material respects as pertains to their conduct for or on behalf of the Borrower or its Subsidiaries. As of the 2018 Refinancing Amendment Effective Date, none of the Borrower, any Subsidiary

or to the knowledge of the Borrower or such Subsidiary any of their respective directors, officers, or employees is a Sanctioned Person. The Borrower will not, directly or, to its knowledge, indirectly, use the proceeds of the Loans or any Letter of Credit, or lend, contribute, or otherwise make available such proceeds or Letter of Credit to any subsidiary or joint venture partner, or other Person in violation of Anti-Corruption Laws. The Borrower will not directly or, to its knowledge, indirectly, use the proceeds of the Loans or any Letter of Credit, or lend, contribute or otherwise make available such proceeds to any other Person (i) to fund activities or business of or with any Sanctioned Person or in or with any Sanctioned Country, or (ii) in any other manner that will, to the Borrower's knowledge, result in a violation by any person of Sanctions.

Section 5.CONDITIONS PRECEDENT

5.1. Conditions to Effectiveness. The occurrence of the Second Amendment

-88-

All governmental and third party approvals necessary or, in the discretion of the Administrative Agent, advisable in connection with the continuing operations of the Borrower and its Subsidiaries and the transactions contemplated hereby shall have been obtained and be in full force and effect, except for such approvals as could not reasonably be expected to have a Material Adverse Effect.

5.2. [Reserved].

5.3. Conditions to Each Extension of Credit. The agreement of each Lender to make any extension of credit requested to be made by it on any date (including, without limitation, its initial extension of credit) is subject to the satisfaction of the following conditions precedent:

The Agents may deem and treat the payee of any

Note as the owner thereof for all purposes unless such Note shall have been transferred in accordance with Section 10.6 and all actions required by such Section in connection with such transfer shall have been taken. Each Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement), and such request and any action taken or failure to act pursuant thereto shall be

-112-

binding upon all the Lenders and all future holders of the Loans.

9.5. Notice of Default. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless such Agent shall have received notice from a Lender, Holdings or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent shall receive such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or any other instructing group of Lenders specified by this Agreement); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither any of the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of such Agent or any of its officers, directors, employees, agents, advisors, attorneys-in-fact or Affiliates.

9.7. Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, Affiliates, agents, advisors and controlling persons (each, an "Agent Indemnitee") (to the extent not reimbursed by a Loan Party and without limiting the obligation of each Loan Party to do so), ratably

according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Revolving Credit Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), for, and to save each Agent

-113-

harmless from and against, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (including, without limitation, at any time following the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Revolving Credit Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon fifteen days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is fifteen days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

9.10. Authorization to Release Liens. The Administrative Agent is hereby irrevocably authorized by each of the Lenders to release any Lien covering any Property of the Borrower or any of its

Subsidiaries that is the subject of a Disposition which is permitted by this Agreement or which has been consented to in accordance with Section 10.1 and to release any

-114-

obligations under any Loan Document of any Person being Disposed of in such Disposition or which has been consented to in accordance with Section 10.1.

9.11. Agents. None of the Joint Lead Arrangers or the Bookrunners, or any syndication agents, documentation agents, lead arrangers or bookrunners or other holders of titles conferred, in each case in respect of any Loan Document, in their respective capacities as such, shall have any duties or responsibilities, or shall incur any liability, under this Agreement and the other Loan Documents.

9.12. Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, Issuing Lender or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Lender or Secured Party such Lender or Issuing Lender (any such Lender, Issuing Lender, Secured Party or other recipient, a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Lender, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Lender or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Lender or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Lender or Secured Party such Lender or Issuing Lender, hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Lender or Secured Party, or other such

-115-

recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i)(A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Lender or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.12(b).

(c) Each Lender, Issuing Lender or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Lender or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Lender or Secured Party from any source, against any amount due to the Administrative Agent under immediately preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender or Issuing Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender or Issuing Lender at any time, (i) such Lender or Issuing Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Acceptance by reference pursuant to a Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or Issuing Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or Issuing Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning Issuing Lender shall cease to be a Lender or Issuing Lender, as applicable, hereunder with

-116-

respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning Issuing Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or Issuing Lender shall be reduced by the net

proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or Issuing Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or Issuing Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, Issuing Lender or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.12 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Lender, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

Section 10. MISCELLANEOUS

10.1. Amendments and Waivers. Neither this Agreement or any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or (with the written consent of the Required Lenders) the Administrative Agent and each Loan Party party to the relevant Loan Document

117-

may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents (including amendments and restatements hereof or thereof) for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as may be specified in the instrument of waiver, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall:

(i) forgive or reduce the principal amount or extend the final scheduled date of maturity of any Term Loan, Revolving Credit Loan or Reimbursement Obligation, extend the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Revolving Credit Commitment of any Lender, in each case without the consent of each Lender directly affected thereby;

(ii) amend, modify or waive any provision of this Section or reduce the percentage specified in the definition of Required Lenders, consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents, release all or substantially all of the Collateral or release all or substantially all of the Subsidiary Guarantors from their guarantee obligations under the Guarantee and Collateral Agreement, or subordinate any of the Indebtedness under this Agreement, in each case without the consent of all Lenders;

(iii) amend, modify or waive any provision of Section 2.13 without the consent of each Lender directly affected thereby;

(iv) amend, modify or waive any provision of Section 9 or any other provision of any Loan Document affecting the rights or responsibilities of the Administrative Agent, without the consent of the Administrative Agent;

(v) amend, modify or waive any provision of Section 3 without the consent of the Issuing Lender;

(vi) impose restrictions on assignments and participations that are more restrictive than, or additional to, those set forth in Section 10.6, without the consent of all Lenders;

(vii) amend, modify or waive any provision of Section 2.21 without the consent of the Administrative Agent and the Issuing Lender;

(viii) amend, modify or waive any condition precedent set forth in Section 5.3 and any related definitions (as used therein) without the written consent of the Majority Revolving Facility Lenders; or

(ix) reduce the percentage specified in the definition of Majority Revolving Facility Lenders without the consent of all Revolving Credit Lenders.

-118-

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon. Any such waiver, amendment, supplement or modification shall be effected by a written instrument signed by the parties required to sign pursuant to the foregoing provisions of this Section; provided, that delivery of an executed signature page of any such instrument by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart thereof.

Notwithstanding the foregoing, (1) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to cure any ambiguity, omission, mistake, defect or inconsistency so long as, in each case, the Lenders shall have received at least five Business Days prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from (x) the Required Lenders stating that the Required Lenders object to such amendment or (y) if affected by such amendment, the Issuing Lender stating that it objects to such amendment and (2) no agreement referred to in the immediately preceding sentence shall waive any condition set forth in Section 5.3 without the written consent of the Required Lenders (it being understood and agreed that any amendment or waiver of, or any consent with respect to, any provision of this Agreement (other than any waiver expressly relating to Section 5.3) or any other Loan Document, including any amendment of an affirmative or negative covenant

set forth herein or in any other Loan Document or any waiver of a Default or an Event of Default, shall not be deemed to be a waiver of any condition set forth in Section 5.3).

10.2. Notices. All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered, or three Business Days after being deposited in the mail, postage prepaid, or, in the case of telecopy notice, when received, addressed (a) in the case of the Borrower and the Administrative Agent, as follows and (b) in the case of the Lenders, as set forth in an administrative questionnaire delivered to the Administrative Agent or on Schedule 1 to the Lender Addendum to which such Lender is a party or, in the case of a Lender which becomes a party to this Agreement pursuant to an Assignment and Acceptance, in such Assignment and Acceptance or (c) in the case of any party, to such other address as such party may hereafter notify to the other parties hereto:

provided that any notice, request or demand to or upon the Administrative Agent, the Issuing Lender or any Lender shall not be effective until received.

Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made herein, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5. Payment of Expenses. The Borrower agrees (a) to pay or reimburse the Agents for all their reasonable out-of-pocket costs and expenses incurred in connection with the syndication of the Revolving Credit Facility and the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan

Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including, without limitation, the reasonable fees and disbursements and other charges of one counsel to the Administrative Agent in each applicable jurisdiction and the charges of Intralinks, (b) to pay or reimburse each Lender and the Agents for all their costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any other documents prepared in connection herewith or therewith, including, without limitation, the fees and disbursements of counsel to each Lender and of counsel to the Agents, (c) to pay, indemnify, or reimburse each Lender and the Agents for, and hold each Lender and the Agents harmless from, (x) any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents and (y) any and all currency exchange out-of-pocket costs, fees and expenses sustained in connection with any conversion of Obligations, fees, payments or any other amounts payable hereunder to such Revolving Credit Lender or Agent, as applicable, from any currency other than Dollars to Dollars, (d) to pay, indemnify, or reimburse each Lender, the Agents, their respective Affiliates, and their respective officers, directors, trustees, employees, advisors, agents and controlling persons (each, an "Indemnitee") for, and hold each Indemnitee harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including, without limitation, any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of Parent, any of its Subsidiaries (including (x) the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) or any property at any time owned, leased, or in any way used by Parent, any Subsidiary of Parent (including (x) the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) or any other entity for which Parent or any of its Subsidiaries (including the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to (x) the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) is alleged to be responsible, and the fees and disbursements and other charges of legal counsel (but limited to the attorneys' fees of one outside counsel to all Indemnitees taken as a whole and one local counsel to all Indemnitees taken as a whole in each relevant jurisdiction (which may include a single counsel acting in multiple jurisdictions) (and, solely in the case of an actual or perceived conflict of interest where the Indemnitee affected by such conflict of interest has informed Borrower in writing of such conflict and thereafter retains its own counsel, one additional counsel in each relevant jurisdiction to each group of Indemnitees similarly situated taken as a whole, and, in all cases excluding, for the avoidance of doubt, the allocated costs of internal counsel)) in connection with claims, actions or proceedings by any Indemnitee against any Loan Party

hereunder and (e) to pay, indemnify, or reimburse the Administrative Agent and its Affiliates, and their respective officers, directors, trustees, employees, advisors, agents and controlling persons (each, an "Administrative Agent Indemnitee") for, and hold each Administrative Agent Indemnitee harmless from and

against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the matters referred to in the payoff letter from the Borrower to Toronto Dominion (Texas) LLC, dated February 11, 2010, and the fees and disbursements and other charges of legal counsel in connection with claims, actions or proceedings by any Administrative Agent Indemnitee against any Loan Party hereunder (all the foregoing in clauses (d) and (e), collectively, the "Indemnified Liabilities"), provided, that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities (i) are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from (x) the bad faith, gross negligence or willful misconduct of such Indemnitee or (y) a material breach by such Indemnitee of its material obligations under this Agreement or the other Loan Documents or (ii) arise from any dispute solely among Indemnitees other than any claims against any Indemnitee in its capacity or in fulfilling its role as an Agent, an Arranger or any similar role under this Agreement and the other Loan Documents and other than any claims involving any act or omission on the part of the Borrower or its Subsidiaries. No Indemnitee shall be liable for any damages arising from the use by unauthorized persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such persons, and neither the Borrower, any other Loan Party nor any Indemnitee shall be liable for any special, indirect, consequential or punitive damages in connection with the credit facilities established hereunder or the transactions related hereto; provided that, this sentence shall not relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries (including (x) the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) not to assert, and hereby waives and agrees to cause its Subsidiaries (including (x) the Securitization Manager and, if any, the subsidiary acting in a capacity analogous to the Securitization Manager pursuant to any Additional Securitization Arrangements and (y) the Specified Unrestricted Foreign Entities) so to waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this Section shall be payable not later than 30 days after written demand therefor. Statements payable by the Borrower pursuant to this Section shall be submitted to the Borrower as set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section shall survive repayment of the Loans and all other amounts payable hereunder.

10.6. Successors and Assigns; Participations and Assignments. (a) This Agreement shall be binding upon and inure to the benefit of the Borrower, the Lenders, the Agents, all future holders of the Loans and their respective successors and assigns, except that the Borrower may not assign or transfer any of its rights or obligations under this Agreement

-122-

without the prior written consent of the Agents and each Lender.

(a) Any Lender may, without the consent of the Borrowers, in accordance with applicable law, at any time sell to one or more banks, financial institutions or other entities (each, a "Participant") participating interests in any Loan owing to such Lender, any Revolving Credit Commitment of such Lender or any other interest of such Lender hereunder and under the other Loan Documents. In the event of any such sale by a Lender of a participating interest to a Participant, such Lender's obligations under this Agreement to the other parties to this Agreement shall remain unchanged, such Lender shall

remain solely responsible for the performance thereof, such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, and the Borrower and the Agents shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and the other Loan Documents. In no event shall any Participant under any such participation have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would require the consent of all Lenders pursuant to Section 10.1. The Borrowers agree that if amounts outstanding under this Agreement and the Loans are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that, in purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Section 10.7(a) as fully as if such Participant were a Lender hereunder. The Borrower also agrees that each Participant shall be entitled to the benefits of, and subject to the limitations of, Sections 2.14, 2.15 and 2.16 with respect to its participation in the Revolving Credit Commitments and the Loans outstanding from time to time and such other interest as if such Participant were a Lender; provided that, in the case of Section 2.15, such Participant shall have complied with the requirements of said Section as if it were a Lender and provided, further, that no Participant shall be entitled to receive any greater amount pursuant to any such Section than the transferor Lender would have been entitled to receive in respect of the amount of the participation transferred by such transferor Lender to such Participant had no such transfer occurred. Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrowers, shall maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Revolving Credit Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Revolving Credit Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender, each Loan Party and the Administrative Agent shall treat each person whose name is recorded in the Participant Register pursuant to the terms hereof as the owner of such participation for all purposes of this Agreement, notwithstanding notice to the contrary.

-123-

(b) Any Lender (an "Assignor") may, in accordance with applicable law and upon written notice to the Administrative Agent, at any time and from time to time assign to any Lender or any Affiliate, Related Fund or Control Investment Affiliate thereof or, with the consent of the Administrative Agent, the Issuing Lender (other than with respect to assignments of Term Loans) and, other than upon the occurrence and during the continuance of a Default or Event of Default, the Borrower (which, in each case, shall not be unreasonably withheld or delayed); provided that the Borrower shall be deemed to have consented to any such assignment and delegation of Term Loans unless it shall object thereto by notice to the Administrative Agent within ten (10) Business Days after having received notice thereof, to an additional bank, financial institution or, notwithstanding any provision of Section 2.20 to the contrary, other entity (in each case, other than a natural person) (an "Assignee") all or any part of its rights and obligations under this Agreement pursuant to an Assignment and Acceptance, substantially in the form of Exhibit D, executed by such Assignee and such Assignor (and, where the consent of the Administrative

Agent, the Issuing Lender or the Borrower is required pursuant to the foregoing provisions, by such other Persons) and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that no such assignment to an Assignee (other than any Lender, Related Fund or any Affiliate of a Lender or Related Fund) shall be in an aggregate principal amount of less than \$2,000,000 (or, in the case of any Term Loans, \$1,000,000 and, in the case of Revolving Credit Loans denominated in a Alternative Currency, the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$2,000,000) (other than in the case of an assignment of all of a Lender's interests under this Agreement), unless otherwise agreed by the Borrower and the Administrative Agent; providedfurther that, after giving effect to such assignment, the aggregate principal amount of such Assignor's Revolving Credit Commitment or Revolving Credit Loans or Term Loans shall be at least \$2,000,000 (or, in the case of Revolving Credit Loans denominated in an Alternative Currency, the smallest amount of such Alternative Currency that has a Dollar Equivalent in excess of \$2,000,000) (other than in the case of an assignment to a Related Fund or to an Affiliate of such Assignor or of all of a Lender's interests under this Agreement), unless otherwise agreed by the Borrower and the Administrative Agent. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Acceptance, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Acceptance, have the rights and obligations of a Lender hereunder with Revolving Credit Commitments and/or Revolving Credit Loans and/or Term Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of an Assignor's rights and obligations under this Agreement, such Assignor shall cease to be a party hereto, except as to Section 2.14, 2.15 and 10.5); providedhowever, if the Borrower or any Affiliate thereof shall be an Assignee, the Loans acquired by such Assignee shall, immediately upon such acquisition and without any further act or deed by such Assignee, the Borrower, the Administrative Agent or any other Person, be deemed cancelled and, with respect to an assignment of Term Loans to such Assignee pursuant to this Section 10.6(c), the provisions of Section 2.13 shall not apply. For purposes of the minimum assignment amounts set forth in this paragraph, multiple assignments by two or more Related Funds shall be aggregated. For the purposes of the minimum Revolving Credit Commitment and Loans to be held by any Assignor after giving effect to any assignment, such amounts shall be aggregated in respect of each Lender and its Affiliates or Related Fund, if any.

-124-

(c) The Administrative Agent shall, on behalf of the Borrowers, maintain at its address referred to in Section 10.2 a copy of each Assignment and Acceptance delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Revolving Credit Commitment of, and principal amount (and stated interest) of the Revolving Credit Loans and/or Term Loans owing to, each Lender from time to time. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrowers, each Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing such Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Acceptance; thereupon one or more new Notes in the same aggregate principal amount shall be issued to the designated Assignee, and the old Notes shall be returned by the Administrative Agent to the Borrower marked "canceled." The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(d) Upon its receipt of an Assignment and Acceptance executed by an Assignor and an Assignee (and, in any case where the consent of any other Person is required by Section 10.6(c), by each such other Person) together with payment to the Administrative Agent of a registration and processing fee of \$3,500 (treating multiple, simultaneous assignments by or to two or more Related Funds as a single assignment) (except that no such registration and processing fee shall be payable (y) in connection with an assignment by or to any Agent or (z) in the case of an Assignee which is already a Lender or is an Affiliate or Related Fund of a Lender or a Person under common management with a Lender), the Administrative Agent shall (i) promptly accept such Assignment and Acceptance and (ii) on the effective date determined pursuant thereto record the information contained therein in the Register and give notice of such acceptance and recordation to the Borrower. On or prior to such effective date, the Borrower (and, the applicable Foreign Subsidiary Borrower, if any), at the Borrower's own expense, upon request, shall execute and deliver to the Administrative Agent (in exchange for the Note of the assigning Lender) a new Note to the order of such Assignee in an amount equal to the Revolving Credit Commitment and/or Term Loan assumed or acquired by it pursuant to such Assignment and Acceptance and, if the Assignor has retained a Revolving Credit Commitment and/or Term Loan, upon request, a new Note to the order of the Assignor in an amount equal to the Revolving Credit Commitment retained by it hereunder. Such new Note or Notes shall be dated the Initial Amendment Date and shall otherwise be in the form of the Note or Notes replaced thereby.

(e) For avoidance of doubt, the parties to this Agreement acknowledge that the provisions of this Section concerning assignments of Loans and Notes relate only to absolute assignments and that such provisions do not prohibit assignments creating security interests in Loans and Notes, including, without limitation, any pledge or assignment by a Lender of any Loan or Note to any Federal Reserve Bank or other central bank in accordance with applicable law.

(f) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPC"), identified as

-125-

such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Revolving Credit Loan by an SPC hereunder shall utilize the Revolving Credit Commitment of the Granting Lender to the same extent, and as if, such Revolving Credit Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other indebtedness of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any state thereof. In addition, notwithstanding anything to the contrary in this Section 10.6(g), any SPC may (A) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender, or with the prior written consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld) to any financial institutions providing liquidity and/or credit support to or for the account of such SPC to support the funding or maintenance of Loans, and (B) disclose on a confidential basis any non-public information

relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPC; provided that non-public information with respect to the Borrower may be disclosed only with the Borrower's consent which will not be unreasonably withheld. This paragraph (g) may not be amended without the written consent of any SPC with Loans outstanding at the time of such proposed amendment.

(g) Notwithstanding anything else to the contrary contained in this Agreement, any Lender may assign and delegate all or a portion of its Term Loans to any Purchasing Borrower Party in accordance with this paragraph (which assignment and delegation will not constitute a prepayment of Loans for any purposes of this Agreement and the other Loan Documents); provided that:

(i) no Event of Default has occurred and is continuing or would result therefrom;

(ii) each Auction Purchase Offer shall be made to all Term Lenders of each applicable Class ratably and shall be conducted in accordance with the procedures, terms and conditions set forth in this paragraph and the definition of Auction;

(iii) the assigning Lender and Purchasing Borrower Party purchasing such Lender's Term Loans, as applicable, shall execute and deliver to the Administrative Agent an Affiliated Lender Assignment and Assumption in lieu of an Assignment and Acceptance;

-126-

(iv) for the avoidance of doubt, the Lenders shall not be permitted to assign or delegate Revolving Credit Commitments or Revolving Credit Loans to a Purchasing Borrower Party;

(v) any Term Loans assigned and delegated to any Purchasing Borrower Party shall be automatically and permanently cancelled upon the effectiveness of such assignment and delegation and will thereafter no longer be outstanding for any purpose hereunder (it being understood and agreed that except as expressly set forth in any such definition, any gains or losses by any Purchasing Borrower Party upon purchase or acquisition and cancellation of such Term Loans shall not be taken into account in the calculation of Consolidated Net Income and Consolidated Adjusted EBITDA);

(vi) the Purchasing Borrower Party shall not have any MNPI that has not been disclosed to the assigning Lender (other than any such Lender that does not wish to receive MNPI) on or prior to the date of any initiation of an Auction by such Purchasing Borrower Party; and

(vii) unless otherwise agreed by all Revolving Credit Lenders, no Purchasing Borrower Party may use the proceeds from Revolving Credit Loans to purchase any Term Loans.

Notwithstanding anything to the contrary in this Agreement or any other Loan Document, no Purchasing Borrower Party holding any Term Loans shall have any right to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent and/or the Lenders to which representatives of the Borrower and the Subsidiaries are not invited, (ii) receive any information or material prepared by the Administrative Agent, any other Agent or any Lender or any communication by or among the Administrative Agent, the Joint Lead Arrangers and/or the Lenders, except to the extent such information or materials have been made available to the Borrower, any Subsidiary or their respective representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or (iii) make or bring (or participate in, other than as a passive participant in or recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against any of the Administrative Agent, the Issuing Lender or any other Lender with respect to any duties or obligations or alleged duties or obligations of the

Administrative Agent, the Issuing Lender or any Lender under this Agreement or any other Loan Document. Furthermore, notwithstanding anything in Section 10.6 or the definition of the term "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders or any other requisite Class vote required by this Agreement have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to this Agreement or any other Loan Document or (iii) directed or required the Administrative Agent, the Issuing Lender or any Lender to undertake any action (or refrain from taking any action) with respect to or under this Agreement or any other Loan Document, all Term Loans held by any Purchasing Borrower Party holding any Term Loans shall be deemed to be not outstanding for all purposes of calculating

-127-

whether the Required Lenders or the requisite vote of any Class of Lenders have taken any actions.

10.7. Adjustments; Set-off. (a) Except to the extent that this Agreement provides for payments to be allocated to a particular Lender, if any Lender (a "Benefitted Lender") shall at any time receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Obligations, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Obligations, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest; provided further, that to the extent prohibited by applicable law as described in the definition of "Excluded Swap Obligation", no amounts received from, or set off with respect to, any Subsidiary Guarantor shall be applied to any Excluded Swap Obligations of such Subsidiary Guarantor.

(a) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrowers, any such notice being expressly waived by the Borrowers to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrowers hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Borrowers. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement or of a Lender Addendum by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability

without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

-128-

10.10. Integration. This Agreement and the other Loan Documents represent the entire agreement of the Borrowers, the Agents and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Agents or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

10.12. Submission To Jurisdiction; Waivers. Each of the parties hereto hereby irrevocably and unconditionally:

(a) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the United States of America for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and appellate courts from any thereof; provided that nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Issuing Lender or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower, any Loan Party or its Property in the courts of any jurisdiction;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the applicable Person at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13. Acknowledgments. Each of the Borrowers hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

-129-

(b) neither the Agents nor any Lender has any fiduciary relationship with or duty to the Borrowers arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and the Lenders, on one hand, and the Borrowers, on the other hand, in connection herewith or therewith is solely that of debtor and creditor;

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Agents and the Lenders or among the Borrowers and the Lenders;

(d) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrowers and the other Loan Parties, on the one hand, and the Agents, the Lenders and the other Secured Parties on the other hand, and the Borrowers and the other Loan Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof); and

(e) the Agents and their Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers, the other Loan Parties and their respective Affiliates, shareholders, creditors or employees or any other Person, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship.

10.14. Confidentiality; Public Disclosure. (a) Each of the Agents and the Lenders agrees to keep confidential all non-public information provided to it by any Loan Party pursuant to this Agreement that is designated by such Loan Party as confidential; provided that nothing herein shall prevent any Agent or any Lender from disclosing any such information (i) to any Agent, any other Lender or any Affiliate of any thereof, (ii) to any Participant or Assignee or any other assignee hereto pursuant to Section 10.6(f) (each, a "Transferee") or prospective Transferee that agrees to comply with the provisions of this Section or substantially equivalent provisions, (iii) to any of its or its Affiliates' employees, directors, agents, attorneys, accountants and other professional advisors, (iv) to any financial institution that is a direct or indirect contractual counterparty in swap agreements or such contractual counterparty's professional advisor (so long as such contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section), (v) upon the request or demand of any Governmental Authority having jurisdiction over it, (vi) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (vii) in connection with any litigation or similar proceeding, (viii) that has been publicly disclosed other than in breach of this Section, (ix) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender or (x) in connection with the exercise of any remedy hereunder or under any other Loan Document.

130-

(a) None of the Loan Parties shall issue any press release or other public disclosure (other than any filing required to be made with the SEC) using the name of any of the Lenders or any Affiliate of a Lender in connection with this transaction without both (i) providing any such Lender with at least two Business Days' prior notice and (ii) obtaining the Lender's or such Lender's Affiliate's prior written consent. Nothing in the immediately preceding sentence shall prevent any disclosure of the name of any Lender or of any Affiliate of such Lender to the extent (and only to the extent) required by any Requirement of Law, provided that, the person or entity making such disclosure shall nonetheless consult

with the affected Lender or the relevant Affiliate of such Lender prior to issuing such press release or other public disclosure.

(b) Notwithstanding the foregoing, the Lenders and their Affiliates shall have the right to (i) list and exhibit the Borrower's name and logo, as provided by the Borrower from time to time, and describe the transaction that is the subject of this Agreement in their marketing materials and (ii) post such information, including, without limitation, a customary "tombstone," on their web site.

10.15. Release of Collateral Security and Guarantee Obligations.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Disposition of Property permitted by the Loan Documents or consented to in accordance with Section 10.1, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Affiliate of any Lender that is a party to any Specified Hedge Agreement) take such actions as shall be required to release its security interest in any Collateral being Disposed of in such Disposition and to release any guarantee obligations under any Loan Document of any Person being Disposed of in such Disposition are complied with in connection therewith, to the extent necessary to permit consummation of such Disposition or substitutions in accordance with the Loan Documents.

(a) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than obligations in respect of any Specified Hedge Agreement) have been paid in full, all Revolving Credit Commitments have terminated or expired and no Letter of Credit shall be outstanding, upon request of the Borrower, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Affiliate of any Lender that is a party to any Specified Hedge Agreement) take such actions as shall be required to release its security interest in all Collateral, and to release all guarantee obligations under any Loan Document, whether or not on the date of such release there may be outstanding Obligations in respect of Specified Hedge Agreements. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Subsidiary Guarantor or any Foreign Subsidiary Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Subsidiary Guarantor or any Foreign Subsidiary Borrower or any substantial part of its property, or otherwise, all as though such payment had not been made.

-131-

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, effective as of the Initial Amendment Date, the Administrative Agent shall (without notice to, or vote or consent of, any Lender, any Affiliate of any Lender that is a party to any Specified Hedge Agreement) take such actions as shall be required to release its security interest in all Collateral of the entities set forth on Schedule 7.5, and to release all guarantee obligations of the entities set forth on Schedule 7.5 under any Loan Document.

10.16. Accounting Changes. In the event that any "Accounting Change" (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then the Borrower and the Administrative Agent agree to enter into negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Changes with the desired result that the criteria for evaluating the Borrower's financial condition shall be the same after such Accounting Changes as if such Accounting Changes had not been made. Until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders, all financial covenants, standards and terms in this

Agreement shall continue to be calculated or construed as if such Accounting Changes had not occurred. "Accounting Changes" refers to changes in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC.

10.17. Delivery of Lender Addenda. Each initial Lender shall become a party to this Agreement by delivering to the Administrative Agent a Lender Addendum duly executed by such Lender.

10.18. WAIVERS OF JURY TRIAL. THE BORROWERS, THE AGENTS AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

10.19. Effect of Amendment and Restatement. Upon the Second Amendment and Restatement Effective Date, this Agreement shall amend, and restate as amended, the Existing Credit Agreement, but shall not constitute a novation thereof. The Existing Credit Agreement as amended and restated hereby shall be deemed to be a continuing agreement among the parties, and all documents, instruments and agreements delivered pursuant to or in connection with the Existing Credit Agreement not amended and restated in connection with the entry of the parties into this Agreement shall remain in full force and effect, each in accordance with its terms, as of the date of delivery or such other date as contemplated by such document, instrument or agreement to the same extent as if the modifications to the Existing Credit Agreement contained herein were set forth in an amendment to the Existing Credit Agreement in a customary form, unless such document, instrument or agreement has otherwise been terminated or has expired in accordance with or pursuant to the terms of this Agreement, the Existing Credit Agreement or such document, instrument or agreement or as otherwise agreed by the required parties hereto or thereto.

10.20. Judgment Currency. (a) If, for the purpose of obtaining judgment in any

-132-

court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that which, in accordance with normal, reasonable banking procedures, the Administrative Agent could purchase the first currency with such other currency in New York on the Business Day preceding that on which final judgment is given.

(b) The Obligations of the Loan Parties in respect of any sum due to the Administrative Agent or any Lender hereunder or under any other Loan Document shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may, in accordance with normal, reasonable banking procedures, purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due, in the Agreement Currency, the Borrowers agree, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such Obligation was owing against such loss. If the amount in the Agreement Currency so purchased is greater than the sum originally due, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable law).

10.21. Foreign Subsidiary Borrowers. (a) If at any time the Borrower intends to designate a Foreign Subsidiary as a Foreign Subsidiary Borrower the Borrower shall, upon not less than 15 Business Days' prior notice, deliver to the Administrative Agent a designation letter duly executed by the Borrower

and such respective Foreign Subsidiary which shall designate such Foreign Subsidiary as a Foreign Subsidiary Borrower for purposes of this Agreement. The Administrative Agent shall promptly notify each Revolving Credit Lender of each such designation by the Borrower and the identity of the respective Foreign Subsidiary. If the Borrower shall so designate a Foreign Subsidiary Borrower, any Revolving Credit Lender may, with notice to the Administrative Agent and the Borrower, fulfill its Revolving Credit Commitment by causing an Affiliate of such Revolving Credit Lender to act as the Revolving Credit Lender in respect of such Foreign Subsidiary Borrower.

(b) As soon as practicable after receiving notice from the Administrative Agent of the Borrower's intent to designate a Foreign Subsidiary as a Foreign Subsidiary Borrower, and in any event at least 10 Business Days prior to the delivery of the definitive documentation set forth in Section 5.4, any Revolving Credit Lender that may not legally lend to, establish credit for the account of and/or do any business whatsoever with such designated Foreign Subsidiary Borrower directly or through an Affiliate of such Revolving Credit Lender as provided in the immediately preceding paragraph (a "Protesting Bank") shall so notify the Borrower and the Administrative Agent in writing. With respect to each Protesting Bank, the Borrower shall, effective on or before the date that such designated Foreign Subsidiary Borrower shall have the right to borrow hereunder, (A) notify the Administrative Agent and such Protesting Bank of the replacement of such Protesting Bank to assume the Revolving Credit Commitments and the obligations of such Protesting Bank; provided, that such assumption shall be consummated in accordance with the terms and conditions of Section 2.18, (B) notify the Administrative Agent and such Protesting Bank that the Revolving Credit Commitments of such Protesting Bank shall be

-133-

terminated; provided that such Protesting Bank shall have received payment of an amount equal to the outstanding principal of its Revolving Credit Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), or (C) cancel its request to designate such Foreign Subsidiary as a Foreign Subsidiary Borrower hereunder.

(c) Without limiting Section 10.2, each Foreign Subsidiary Borrower hereby irrevocably designates, appoints, authorizes and empowers the Borrower (the "Process Agent"), as its agent to receive on behalf of itself and its property, service of copies of the summons and complaint and any other process delivered pursuant to Section 10.2 which may be served in any suit, action or proceeding brought in accordance with Sections 10.11 and 10.12.
