FOXO TECHNOLOGIES INC. AND SUBSIDIARIES
NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(Dollars in thousands, except per share data)

Note 1 DESCRIPTION OF BUSINESS

FOXO Technologies Inc. ("FOXO" or the "Company"), formerly known as Delwinds Insurance Acquisition Corp. ("Delwinds"), a Delaware corporation, was originally formed in April 2020 as a publicly traded special purpose company for the purpose of effecting a merger, capital stock exchange, asset acquisition, reorganization, or similar business combination involving one or more businesses. FOXO is commercializing epigenetic biomarker technology to support groundbreaking scientific research and disruptive next-generation business initiatives. The Company applies automated machine learning and artificial intelligence ("AI") technologies to discover epigenetic biomarkers of human health, wellness and aging. On October 29, 2023, the Company entered into a Letter Agreement with KR8 AI Inc., a Nevada corporation ("KR8" or the "Licensor"), to develop a Direct-to-Consumer app (iOS and Android) combining its AI Machine Learning technology to provide a commercial application of FOXO's epigenetic biomarker technology as a subscription consumer engagement platform. In January 2024, the Letter Agreement was replaced by a definitive license agreement, which is more fully discussed in Note 6.

Segments

The Company manages and classifies its business into two reportable business segments, FOXO Labs and FOXO Life. While the Company has decided to pause sales of new life insurance products, it still intends to continue to classify its business into the two reportable business segments.

The Business Combination

On February 24, 2022, Delwinds entered into a definitive Agreement and Plan of Merger, dated as of February 24, 2022, as amended on April 26, 2022, July 6, 2022 and August 12, 2022 (the "Merger Agreement"), with FOXO Technologies Inc., now known as FOXO Technologies Operating Company ("FOXO Technologies Operating Company"), DWIN Merger Sub Inc., a Delaware corporation and a wholly owned subsidiary of Delwinds ("Merger Sub"), and DIAC Sponsor LLC (the "Sponsor"), in its capacity as the representative of the stockholders of Delwinds from and after the closing (the "Closing") of the transactions contemplated by the FOXO Transaction Agreement (collectively, the "Transaction" or the "Business Combination").

The Business Combination was approved by Delwinds' stockholders on September 14, 2022, and closed on September 15, 2022 (the "Closing Date") whereby Merger Sub merged into FOXO Technologies Operating Company, with FOXO Technologies Operating Company surviving the merger as a wholly owned subsidiary of the Company (the "Combined Company"), and with FOXO Technologies Operating Company security holders becoming security holders of the Combined Company. Immediately upon the Closing, the name of Delwinds was changed to FOXO Technologies Inc.

Following the Closing, FOXO is a holding company whose wholly-owned subsidiary, FOXO Technologies Operating Company, conducts all of the core

business operations. FOXO Technologies Operating Company maintains its two wholly-owned subsidiaries, FOXO Labs Inc. and FOXO Life, LLC. FOXO Labs maintains a wholly-owned subsidiary, Scientific Testing Partners, LLC, while FOXO Life Insurance Company was a wholly-owned subsidiary of FOXO Life, LLC. On February 3, 2023, the Company sold FOXO Life Insurance Company as more fully discussed in Note 9.

Note 2 GOING CONCERN UNCERTAINTY AND MANAGEMENT'S PLAN

Under Accounting Standards Codification ("ASC"), *Presentation of Financial Statements—Going Concern (Subtopic 205-40)* ("ASC 205-40"), the Company has the responsibility to evaluate whether conditions and/or events raise substantial doubt about its ability to meet its future financial obligations as they become due within one year after the date that the financial statements are issued. As required by ASC 205-40, this evaluation shall initially not take into consideration the potential mitigating effects of plans that have not been fully implemented as of the date the financial statements are issued. Management has assessed the Company's ability to continue as a going concern in accordance with the requirement of ASC 205-40.

The Company's history of losses requires management to critically assess its ability to continue operating as a going concern. For the three months ended March 31, 2024, and 2023, the Company incurred net losses to common stockholders of \$2,160 and \$7,639, respectively. As of March 31, 2024, the Company had a working capital deficit and an accumulated deficit of \$16,810 and \$14,937, respectively. While cash of \$1,716 was provided by operating activities for the three months ended March 31, 2024, cash of \$3,360 was used in operating activities for the three months ended March 31, 2023. As of March 31, 2024, the Company had \$3 of available cash and cash equivalents.

The Company's ability to continue as a going concern is dependent on generating revenue, raising additional equity or debt capital, reducing losses and improving future cash flows. The Company will continue ongoing capital raise initiatives and has demonstrated previous success in raising capital to support its operations, including the private placements and debt financings. However, the Company is unlikely to receive proceeds from the exercise of outstanding warrants as a result of the difference between the current trading price of the Company's Common Stock and the exercise price of the warrants.

During the first quarter of 2023, we completed the sale of FOXO Life Insurance Company in order to gain access to the cash held as statutory capital and surplus at FOXO Life Insurance Company, which we used to fund a portion of our operations during 2023. To fund our operations, we continue to (i) pursue additional avenues to capitalize the Company, (ii) pursue strategic operating companies, including companies pursuant to two stock exchange agreements entered into on June 10, 2024, which are more fully discussed in Note 12, and (iii) commercialize our products to generate revenue. See Note 5 for information on promissory notes payable issued during the three months ended March 31, 2024 and Note 12 for information on financing and stock exchange agreements entered into subsequent to March 31, 2024.

Compliance with NYSE American Continued Listing Requirements

On April 17, 2024, the Company received an official notice of noncompliance from the New York Stock Exchange ("NYSE") stating that it was not in compliance with NYSE American continued listing standards due to the failure to timely file its Annual Report on Form 10-K for the year ended December 31, 2023 (the "Delinquent Report") by the filing due date of April 16, 2024 (the "Filing Delinquency").

During the six-month period from the date of the Filing Delinquency (the "Initial Cure Period"), NYSE will monitor the Company and the status of the Delinquent Report and any subsequent delayed filings, including through contact with the Company, until the Filing Delinquency is cured. If the Company fails to cure the Filing Delinquency within the Initial Cure Period, NYSE may, in NYSE's sole discretion, allow the Company's securities to be traded for up to an additional six-month period (the "Additional Cure Period") depending on its specific circumstances. If NYSE determines that an Additional Cure Period is not appropriate, suspension and delisting procedures will commence in accordance with the procedures set out in Section 1010 of the NYSE American Company Guide. If NYSE determines that an Additional Cure Period of up to six months is appropriate and the Company fails to file its Delinquent Report and any subsequent delayed filings by the end of that period, suspension and delisting procedures will generally commence. An issuer is not eligible to follow the procedures outlined in Section 1009 with respect to these criteria.

Notwithstanding the foregoing, however, NYSE may in its sole discretion decide (i) not to afford the Company any Initial Cure Period or Additional Cure Period, as the case may be, at all or (ii) at any time during the Initial Cure Period or Additional Cure Period, to truncate the Initial Cure Period or Additional Cure Period, as the case may be, and immediately commence suspension and delisting procedures if the Company is subject to delisting pursuant to any other provision of the Company Guide, including if NYSE believes, in NYSE's sole discretion, that continued listing and trading of an issuer's securities on NYSE is inadvisable or unwarranted in accordance with Sections 1001-1006 hereof.

While the Company has not received an official notice of noncompliance regarding the delinquency of this report, with the filing of the Delinquent Report, and this filing, the Company intends to regain compliance with the NYSE American continued listing standards. There can be no assurance that the Company will ultimately regain compliance with all applicable NYSE American listing standards.

On June 10, 2024, the Company received an official notice of noncompliance from NYSE stating that the Company is not in compliance with NYSE American continued listing standards (the "Delinquency Notification") due to an outstanding balance of listing fees over 180 days old and NYSE provided the Company until June 7, 2024 to provide payment before the Company would become subject to the noncompliance procedures (the "Delinquency"). The Company failed to pay the fee by June 7, 2024.

As a result, receipt of the Delinquency Notification was NYSE's official notice of noncompliance with Section 1003(f)(iv) of the Company Guide. The Company is now subject to the procedures and requirements set forth in Section 1009 of the Company Guide. In connection with its non-compliance with Section 1003(f)(iv) of the Company Guide, the Company was required to submit a written response by June 18, 2024 advising of actions it has taken or will take to pay its past-due fees in full to NYSE within 60 calendar days of receipt of the Delinquency Notification (subject to acceptance of the compliance plan by NYSE).

The Company submitted a written response to NYSE on June 18, 2024. If the written response is deemed unacceptable by NYSE, NYSE will commence delisting proceedings. Furthermore, if NYSE accepts the actions proposed by the Company in its written response and the Company does not make progress towards full payment of all past-due fees consistent with the proposed actions as accepted by NYSE, NYSE staff will initiate delisting proceedings as appropriate. The Company may appeal a staff delisting determination in accordance with Section 1010 and Part 12 of the Company Guide.

The Company has paid \$65,000 towards the delinquent balance and still owes \$146,000. The Company intends to regain compliance with the NYSE American continued listing standards. There can be no assurance that the Company will ultimately regain compliance with all applicable NYSE American

listing standards.

On June 12, 2023, the Company received an official notice of noncompliance (the "NYSE American Notice") from NYSE Regulation stating that the Company is below compliance with Section 1003(a)(i) in the NYSE American Company Guide since the Company reported stockholders' deficit of \$30 at March 31, 2023, and losses from continuing operations and/or net losses in its two most recent fiscal years ended December 31, 2022. As required by the NYSE American Notice, on July 12, 2023, the Company submitted a compliance plan (the "Plan") to NYSE advising of actions it has taken or will take to regain compliance with the NYSE American continued listing standards by December 12, 2024, and if NYSE accepts the Plan, the Company will have until December 12, 2024 to comply with the Plan. Should the Plan not be accepted, or the Company be unable to comply with the Plan, then it may make it more difficult for the Company to raise capital and the Company will be delisted in the event it is unable to cure the noncompliance by December 12, 2024.

Senior PIK Notes

As previously disclosed, on September 20, 2022, the Company issued to certain investors 15% Senior Promissory Notes (the "Senior PIK Notes") in an aggregate principal amount of \$3,457, each with a maturity date of April 1, 2024 (the "Maturity Date"). Pursuant to the terms of the Senior PIK Notes, commencing on November 1, 2023, and on each one-month anniversary thereof, the Company is required to pay the holders of the Senior PIK Notes an equal amount until their outstanding principal balance has been paid in full on the Maturity Date, or, if earlier, upon acceleration or prepayment of the Senior PIK Notes in accordance with their terms. The Company failed to make the payments due on November 1, 2023 and on each one-month anniversary thereof, which constitutes an event of default under the Senior PIK Notes. The Company is in discussions with the holders of the Senior PIK Notes with respect to certain amendments to the Senior PIK Notes to cure the event of default. However, there has been no agreement with the Senior PIK Note holders that would cure the event of default. The Senior PIK Notes and the event of default are more fully discussed in Note 5.

The Company can provide no assurance that these actions will be successful or that additional sources of financing will be available on favorable terms, if at all. As such, until additional equity or debt capital is secured and the Company begins generating sufficient revenue, there is substantial doubt about the Company's ability to continue as a going concern for the one-year period following the issuance of these unaudited condensed consolidated financial statements. Assuming the Company is successful in closing the stock exchange agreements entered into on June 10, 2024, which are more fully discussed in Note 12, the Company believes it will be able to fund its operations until the end of the fourth quarter of 2024. In any event, if the Company is unable to fund its operations, it will be required to evaluate further alternatives, which could include further curtailing or suspending its operations, selling the Company, dissolving and liquidating its assets or seeking protection under the bankruptcy laws. A determination to take any of these actions could occur at a time that is earlier than when the Company would otherwise exhaust its cash resources.

The unaudited condensed consolidated financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

Note 3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for interim financial information and the instructions to Form 10-Q and Article 10 of Regulation S-X of the SEC. Certain information or footnote disclosures normally included in financial statements prepared in accordance with U.S. GAAP have been condensed or omitted, pursuant to the rules and regulations of the SEC for interim financial reporting, and thus the accompanying unaudited condensed consolidated financial statements do not include all information and footnotes necessary for a complete presentation of financial position, results of operations or cash flows. The unaudited condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements as of and for the year ended December 31, 2023 and the notes thereto. The consolidated balance sheet data as of December 31, 2023 was derived from the audited consolidated financial statements as of that date but does not include all disclosures required by U.S. GAAP. In the opinion of management, the accompanying unaudited condensed consolidated financial statements include all adjustments of a normal or recurring nature, which are necessary for a fair presentation of financial position, operating results and cash flows for the periods presented. Operating results for the three months ended March 31, 2024 are not necessarily indicative of the results that may be expected for the year ending December 31, 2024.

The unaudited condensed consolidated financial statements include the accounts of FOXO and its wholly-owned subsidiaries. All intercompany balances and transactions are eliminated in consolidation.

The Company is an "emerging growth company," as defined in Section 2(a) of the Securities Act of 1933, as modified by the Jumpstart Our Business Startups Act of 2012, and it thus may take advantage of certain exemptions from various reporting requirements that are applicable to other public companies that are not emerging growth companies.

The preparation of the unaudited condensed consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities. For further information regarding the Company's basis of presentation and use of estimates, refer to the audited consolidated financial statements as of and for the year ended December 31, 2023. The policies and estimates described in that report are used for preparing the Company's quarterly unaudited condensed consolidated financial statements.

COMPREHENSIVE LOSS

During the three months ended March 31, 2024 and 2023, comprehensive loss was equal to the net loss amounts presented in the unaudited condensed consolidated statements of operations.

REVERSE STOCK SPLIT

On October 31, 2023, the Company amended its Second Amended and Restated Certificate of Incorporation, as amended, to implement a 1-for-10 reverse stock split, such that every ten shares of the Company's Class A Common Stock will be combined into one issued and outstanding share of the Company's Class A Common Stock, with no change in the \$0.0001 par value per share (the "Reverse Stock Split").

The Company effected the Reverse Stock Split on November 6, 2023 at 4:01pm Eastern Time of its issued and outstanding shares of Class A Common Stock, which was previously approved by stockholders at the Company's annual meeting of stockholders held on May 26, 2023 to regain compliance with Section 1003(f)(v) of the NYSE Company Guide.

Trading reopened on November 7, 2023, which is when the Company's Class A Common Stock began trading on a post reverse stock split basis. All share information included in these unaudited condensed financial statements has been reflected as if the Reverse Stock Split occurred as of the earliest period presented.

RECENTLY ISSUED ACCOUNTING STANDARDS

In December 2023, the FASB issued ASU 2023-09, *Improvements to Income Tax Disclosures*, which requires enhanced annual disclosures for specific categories in the rate reconciliation and income taxes paid disaggregated by federal, state and foreign taxes. ASU 2023-09 is effective for public business entities for annual periods beginning on January 1, 2025. The Company plans to adopt ASU 2023-09 effective January 1, 2025 applying a retrospective approach to all prior periods presented in the financial statements. The Company does not believe the adoption of this new standard will have a material effect on its disclosures.

Other pronouncements issued by the FASB with future effective dates are either not applicable or are not expected to have a material impact on the Company's financial position, results of operations or cash flows.

Note 4 INTANGIBLE ASSETS

Intangible assets as of March 31, 2024 and December 31, 2023 were as follows:

	March 31, 2024	December 31, 2023
Methylation pipeline	\$ 592	\$ 592
Epigenetic APP	2,500	-
Less: accumulated amortization	(471)	(214)
Intangible assets, net	\$ 2,621	\$ 378

Amortization of the Company's intangible assets is recorded on a straight-line basis within selling, general and administrative expenses over three years. The Company recognized amortization expense of \$257 and \$922 in the three months ended March 31, 2024 and 2023, respectively for amortization of intangible assets. During the second quarter of 2023, the Company recorded impairment losses of \$2,633 for its digital insurance platform and its underwriting API and longevity API as more fully discussed in Note 4 to its consolidated financial statements included in its Annual Report on Form 10-K for the year ended December 31, 2023.

The Company's Epigenetic APP intangible asset was acquired from KR8 under the terms of a license agreement, which is more fully discussed in Note 6.

Note 5 DEBT*15% Senior PIK Notes*

On September 20, 2022, the Company entered into separate Securities Purchase Agreements with accredited investors pursuant to which the Company issued its Senior PIK Notes in the aggregate principal amount of \$3,458. The Company received net proceeds of \$2,918, after deducting fees and expenses of \$540.

The Senior PIK Notes bear interest at 15% per annum, paid in arrears quarterly by payment in kind through the issuance of additional Senior PIK Notes ("PIK Interest"). The Senior PIK Notes matured on April 1, 2024 (the "Maturity Date"). Commencing on November 1, 2023, the Company is required to pay the holders of the Senior PIK Notes and on each one-month anniversary thereof an equal amount until the outstanding principal balance has been paid in full on the Maturity Date. If the Senior PIK Notes were repaid in the first year, the Company was required to pay the holders the outstanding principal balance, excluding any increases as a result of PIK Interest, multiplied by 1.15. Payment of the Senior PIK Notes is past due, as more fully discussed below.

The Company had agreed to not obtain additional equity or debt financing, without the consent of a majority of the holders of the Senior PIK Notes, other than if a financing pays amounts owed on the Senior PIK Notes, with the exception of certain exempt issuances. The Company shall not incur other indebtedness, except for certain exempt indebtedness, until such time the Senior PIK Notes are repaid in full; however, the Senior PIK Notes are unsecured.

PIK Note Amendment

On May 26, 2023, the Company consummated two issuer tender offers: (i) the Exchange Offer (as described in Note 7) and (ii) the Offer to Amend 15% Senior Promissory Notes and Consent Solicitation that commenced on April 27, 2023 (the "PIK Note Offer to Amend"), pursuant to which the Company offered all holders of Senior PIK Notes 0.125 shares of the Company's Class A Common Stock for every \$ 1.00 of the Original Principal Amount (as defined in the Senior PIK Notes) of such holder's Senior PIK Notes, in exchange for the consent by such holder of Senior PIK Notes to amendments to the Senior Promissory Note Purchase Agreement, dated September 20, 2022, between the Company and each purchaser of Senior PIK Notes (the "PIK Note Purchase Agreement").

Pursuant to the PIK Note Offer to Amend, the Company solicited approval from holders of Senior PIK Notes to amend the PIK Note Purchase Agreement to permit the following issuances by the Company of its Class A Common Stock and Common Stock Equivalents (as defined in the PIK Note Purchase Agreement), without prepaying the Senior PIK Notes: (i) the issuance of shares of the Company's Class A Common Stock in connection with the PIK Offer Note Offer to Amend, (ii) the issuance of shares of the Company's Class A Common Stock in connection with the Exchange Offer (as defined in Note 7), (iii) the issuance of shares of the Company's Class A Common Stock or Common Stock Equivalents (as defined in the PIK Note Purchase Agreement) in connection with the 2022 Bridge Debenture Release (defined in Note 7), (iv) the issuance of shares of the Company's Class A Common Stock or Common Stock Equivalents (as defined in the PIK Note Purchase Agreement) in (a) a private placement of the Company's equity, equity-linked or debt securities resulting in gross proceeds to the Company no greater than \$5 million (a "Private Placement") and/or (b) a registered offering of the Company's equity, equity-linked or debt securities resulting in gross proceeds to the Company no greater than \$20 million (a "Public Financing"); provided that (A) the proceeds of a Private Placement resulting in gross proceeds to the Company of at least \$2 million are used by the Company to prepay not less than 25% of the Outstanding Principal Balance (as defined in the Senior PIK Notes) as of the date of prepayment on a pro rata basis upon the closing of such Private Placement, and (B) the proceeds of a Public Financing resulting in gross proceeds to the Company of at least \$10 million are used by the Company to prepay all of the Outstanding Principal Balance as of the date of prepayment upon the closing of such Public Financing, and (v) the issuance of shares of the Company's Class A Common Stock or Common Stock Equivalents (as defined in the PIK Note Purchase Agreement) as private placement additional consideration (collectively, the "PIK Note Amendment").

The Company received consents from all Senior PIK Note holders and all required approvals, including stockholder approval, and issued on a pro rata basis to the holders of the Senior PIK Notes 432,188 shares of its Class A Common Stock in consideration for the PIK Note Amendment.

The Company accounted for the PIK Note Amendment as an extinguishment as the consideration of \$ 1,339 paid to Senior PIK Note holders in the form of the Company's Class A Common Stock caused the cash flows after the PIK Note Amendment to change by more than 10%. Due to the short-term nature of the Senior PIK Notes, the Company determined the reacquisition price of debt was equal to the principal amount at the time of the amendment. The Company recognized \$1,596 of expense related to the PIK Note Amendment consisting of \$ 256 of unamortized debt issuance costs and \$1,339 for the issuance of the Company's Class A Common Stock. The Company will continue to pay PIK Interest until maturity or repayment.

Pursuant to the terms of the Senior PIK Notes, commencing on November 1, 2023, and on each one-month anniversary thereof, the Company is required to pay the holders of the PIK Notes an equal amount until their outstanding principal balance has been paid in full on the Maturity Date, or, if earlier, upon acceleration or prepayment of the Senior PIK Notes in accordance with their terms. The Company failed to make the payments due on November 1, 2023 and on each one-month anniversary thereof, which constitutes an event of default under the Senior PIK Notes. As a result of the event of default, the interest rate of the Senior PIK Notes increased from 15% per annum (compounded quarterly on each December 20, March 20, June 20 and September 20) to 22% per annum (compounded annually and computed on the basis of a 360-day year). In addition, the holders of the Senior PIK Notes may, among other remedies, accelerate the Maturity Date and declare all indebtedness under the Senior PIK Notes due and payable at 130% of the outstanding principal balance.

Given the Company's current cash constraints, as previously discussed in Note 2, the Company is currently in discussions with the holders of the Senior PIK Notes with respect to certain amendments to the Senior PIK Notes to cure the event of default; however, there can be no assurance that the Senior PIK Note holders will agree to amend the PIK Notes.

As of March 31, 2024 and December 31, 2023, the Company has recorded the \$ 4,461 and \$4,203 balance of the Senior PIK Notes, respectively, as current liabilities based on the monthly installments payment schedule. For the three months ended March 31, 2024 and 2023, the Company recognized \$258 and \$135, respectively, of contractual interest expense on the Senior PIK Notes; and \$ 0 and \$94, respectively, related to the amortization of debt issuance costs on the PIK Notes.

Promissory Notes Issued to ClearThink

During the three months ended March 31, 2024, the Company issued two promissory notes to ClearThink Capital Partners, LLC ("ClearThink"). On January 3, 2024, the Company issued ClearThink a promissory note in the principal amount of \$75. The note was issued with a \$25 original issue discount and matures on January 3, 2025. On January 30, 2024, the Company issued ClearThink a promissory note in the principal amount of up to \$750. The note was issued with a \$250 original issue discount and matures on January 30, 2025. The January 3, 2024 and the January 30, 2024 notes are referred to collectively as the "ClearThink Notes." The ClearThink Notes have interest rates of 12% per annum (22% after the occurrence of an Event of Default, as defined in the ClearThink Notes). 10% of all future purchase notices from the Second Strata Purchase Agreement with ClearThink, which is more fully discussed in Note 7, must be directed toward repayment of the ClearThink Notes until they are paid in full. The Events of Default include: failure to pay amounts owed under the ClearThink Notes, uncured breach of covenants, breach of representations and warranties, bankruptcy, delisting of the Company's Class A Common Stock from exchange or OTC Markets, failure to comply with reporting under the Exchange Act, cessation of operations, restatement of financial statements or cross-default of any other agreement with ClearThink, among others.

Finder's Fee Agreement

Under the terms of a Finder's Fee Agreement (the "Finder Agreement") dated October 9, 2023, the Company is obligated to pay the Finder a cash fee equal to 3% of the gross proceeds received by the Company from the ClearThink Notes and to issue to the Finder 5-year warrants to purchase shares of the Company's Class A Common Stock equal to 7% warrant coverage based on the gross proceeds received by the Company from third-party investors introduced to the Company by the Finder with an exercise price per share equal to 110% of the gross proceeds (as defined in the Finder Agreement) or the public market closing price of the Company's Class A Common Stock on the date of the funding, whichever is lower, subject to anti-dilutive price protection and participating registration rights. As a result of the issuances of the ClearThink Notes, the Company is obligated to issue warrants as finder's fees as more fully discussed in Note 7.

Funding of the ClearThink Notes occurred on various dates during the period January 4, 2024 through March 31, 2024. During the three months ended March 31, 2024, the Company received net cash proceeds of \$371 and it recorded interest expense of \$42 on the ClearThink Notes, including amortization of discounts of \$33. The Company recorded the fair value of the warrants issuable to the Finder in connection with the ClearThink Notes of \$17 as debt discounts and accumulated paid-in-capital and it recorded the cash Finder's Fees of \$ 17 as additional discounts on the ClearThink Notes. The balance of the ClearThink Notes at March 31, 2024 was \$386 and was net of discounts of \$ 196.

Note 6 RELATED PARTY TRANSACTIONS

Consulting Agreement

In April 2022, the Company executed a consulting agreement (the "Consulting Agreement") with an individual (the "Consultant") considered to be a related party of the Company as a result of his investment in 2021 Bridge Debentures. The agreement, which expired in April 2023, had a minimum term of twelve months, over which the Consultant was to provide services that included, but were not limited to, advisory services relating to the implementation and completion of the Business Combination. The Company determined that all compensation costs related to the Consulting Agreement, including both cash and equity fee paid in 2022, represented remuneration for services to be rendered evenly over the contract term. Thus, all such costs were initially recorded at fair value as prepaid consulting fees in the consolidated balance sheet and were being recognized as selling, general and administrative expenses in the unaudited condensed consolidated statement of operations on a straight-line basis over the term of the contract. For the three months ended March 31, 2023, \$2,018 of expense was recognized related to the Consulting Agreement. No expense was recorded in the three months ended March 31, 2024 as the agreement expired in April 2023.

Sponsor Loan

In order to finance transaction costs in connection with the Business Combination, the Sponsor or an affiliate of the Sponsor loaned Delwinds funds for working capital. As of March 31, 2024 and December 31, 2023, \$500 remained due to the Sponsor and is shown as a current related party payables in the unaudited condensed consolidated balance sheets.

Demand Promissory Notes

On September 19, 2023, the Company obtained a \$ 247 loan from Andrew J. Poole, a former director of the Company (the "Loan"), to be used to pay for directors' and officers' insurance through November 2023. The Company issued to Mr. Poole a demand promissory note for \$247 evidencing the Loan (the "Poole Note"). The Poole Note does not bear interest. The Poole Note is due on demand, and in the absence of any demand, the Poole Note will be due one year from the issuance date. The Poole Note may be prepaid, in whole or in part, without penalty at any time.

On October 2, 2023, the Company obtained a \$43 loan from Mr. Poole, (the "Additional Loan"), to be used to pay for the legal fees of Mitchell Silberberg & Knupp LLP, a service provider ("MSK"), through October 2023. The Company issued to Mr. Poole a demand promissory note for \$43 evidencing the Additional Loan (the "Additional Poole Note"). The Additional Poole Note accrues interest in arrears at a rate of 13.25% per annum. The Additional Poole Note is due on demand, and in the absence of any demand, one year from the issuance date. The Additional Poole Note may be prepaid, in whole or in part, without penalty at any time.

The promissory notes discussed above are shown as related parties payables and promissory notes on the unaudited condensed consolidated balance sheets.

Management, License and Maintenance Fees Under the KR8 Agreement

On October 29, 2023, the Company entered into a Letter Agreement with KR8 to develop a Direct-to-Consumer APP (iOS and Android) combining its AI Machine Learning technology to provide a commercial application of FOXO's epigenetic biomarker technology as a subscription consumer engagement platform. Effective January 12, 2024, the Letter Agreement was replaced with the Master Software and Services Agreement between the Licensor and the Company (the "KR8 Agreement"). The Company's Interim CEO and Interim CFO each are equity owners of the Licensor. Under the KR8 Agreement, the Licensor granted to the Company a limited, non-sublicensable, non-transferable perpetual license to use the "Licensor Products," which are listed in Exhibit A to the KR8 Agreement, to develop, launch and maintain license applications based upon the Company's epigenetic biomarker technology and software to develop an AI machine learning Epigenetic APP to enhance health, wellness and longevity. The territory of the KR8 Agreement is solely within the U.S., Canada and Mexico.

Under the KR8 Agreement, the Company agreed to pay to the Licensor an initial license and development fee of \$ 2,500, a monthly maintenance fee of \$50 and an ongoing royalty equal to 15% of "Subscriber Revenues," as defined in the KR8 Agreement, in accordance with the terms and subject to the minimums set forth in the schedules of the KR8 Agreement. The Company agreed to reimburse the Licensor for all reasonable travel and out-of-pocket expenses incurred in connection with the performance of the services under the KR8 Agreement, in addition to payment of any applicable hourly rates. If the Company fails to timely pay the "Minimum Royalty," as defined in the KR8 Agreement, due with respect to any calendar year, the License will become non-exclusive. (Payments of certain of these amounts in cash are restricted by the terms of a legal settlement agreement, which is more fully discussed in Note 11 under the heading, "Smithline Family Trust II vs. FOXO Technologies Inc. and Jon Sabes.")

The initial term of the KR8 Agreement commences on the effective date of the KR8 Agreement. Unless terminated earlier in accordance with the terms, the KR8 Agreement will be perpetual. Either party may terminate the KR8 Agreement, effective on written notice to the other party, if the other party materially breaches the KR8 Agreement, and such breach remains uncured 30 days after the non-breaching party provides the breaching party with written notice of such breach, in which event, the non-breaching party will then deliver a second written notice to the breaching party terminating the KR8 Agreement, in which event the KR8 Agreement, and the licenses granted under the KR8 Agreement, will terminate on the date specified in such second notice. Either party may terminate the KR8 Agreement, effective immediately upon written notice to the other party, if the other party: (i) is unable to pay, or fails to pay, its debts as they become due; (ii) becomes insolvent, files or has filed against it, a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (iii) makes or seeks to make a general assignment for the benefit of its creditors; or (iv) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

The Company may terminate the Agreement at any time upon 90 days' notice to the Licensor provided that, as a condition to such termination, the Company immediately ceases using any Licensor Products. The Licensor may terminate the KR8 Agreement at any time upon 30 days' notice to the Company if the Company fails to pay any portion of the "Initial License Fee," as defined in the KR8 Agreement.

Under the terms of the KR8 Agreement, on January 19, 2024, during the three months ended March 31, 2024, the Company issued 1,300,000 shares of its Class A Common Stock to the Licensor valued at \$ 378 and it accrued \$2,122 for the initial license and development fees. During the three months ended March 31, 2024, the Company, recorded \$150 for maintenance fees under the KR8 Agreement and \$ 100 of minimum royalties. As of March 31, 2024, the Company accrued a total of \$2,623 for the initial license and development fees, minimum royalties, maintenance fees, management fees and reimbursable expenses. The amounts owed to the KR8 are reflected as related parties payables and promissory notes on the March 31, 2024 and December 31, 2023 unaudited condensed consolidated balance sheets.

After the Exchange Offer discussed below, 25,868 Assumed Warrants remained outstanding. The Assumed Warrants include down round provisions that should the Company issue common stock or common stock equivalents, excluding certain exempt issuances, for consideration of less than the then

exercise price per share then the exercise price shall be lowered to the new consideration amount on a per share basis with a simultaneous and corresponding increase to the number of warrants. During the year ended December 31, 2023, a triggering event occurred as a result of the issuance of the Rights under the terms of the Shares for Services Agreement dated September 19, 2023. Therefore, as of December 31, 2023, 2,007,848 Assumed Warrants were outstanding with an exercise price of \$0.80 per share.

On February 23, 2024, 598,877 Assumed Warrants expired by their terms and on February 24, 2024, an Assumed Warrants exercisable into 1,408,971 shares of the Company's Common Stock was extended until February 23, 2025 in connection a legal settlement as more fully discussed in Note 11 under the heading, "*Smithline Family Trust II vs. FOXO Technologies Inc. and Jon Sabes.* "), (the "Smithline Assumed Warrant"). On February 24, 2024, the Company issued its Class A Common Stock to Tysadco Partners, as more fully discussed above, which triggered the down round provisions of the Smithline Assumed Warrant. Therefore, as of March 31, 2024, the Smithline Assumed Warrant was exercisable into 3,315,227 shares of the Company's Common Stock with an exercise price of \$0.34 per share. The incremental value of the modifications to the Smithline Assumed Warrant as a result of the trigger of the down round provisions and the extension of the expiration date was \$656 and was recorded as a deemed dividend in the three months ended March 31, 2024. The incremental value was measured using the Black Scholes valuation model with following assumptions: risk free rate of 4.74%, volatility of 158.57%, term of 1 year and expected dividend yield of \$ 0.

As part of the Exchange Offer, the Company also solicited consents from holders of the Assumed Warrants to amend and restate in its entirety the Securities Purchase Agreement, dated as of January 25, 2021 (the "Original Securities Agreement"), to include certain issuances of the Company's Class A Common Stock as exempt issuances that do not trigger the down round provisions of the Assumed Warrants. Note 8 NET LOSS PER SHARE

Shares under the Management Contingent Share Plan that are under review to the former CEO are included in the calculation of net loss per share, as more fully discussed in Note 11. The Company excluded the effect of the 15,001 and 423,700 Management Contingent Shares outstanding and not vested as of March 31, 2024 and 2023, respectively, from the computation of basic and diluted net loss available to common stockholders per share for the three months ended March 31, 2024 and 2023, as the conditions to trigger the vesting of the Management Contingent Plan Shares had not been satisfied as of March 31, 2024 and 2023. The Management Contingent Share Plan is more fully discussed in Note 8 to the consolidated financial statements included in the Company's Annual Report on Form 10-K for the year ended December 31, 2023.

The following table sets forth the calculation of basic and diluted net loss available to common stockholders per share for the periods presented based on the weighted average number of shares of the Company's Class A Common Stock outstanding during the three months ended March 31, 2024 and 2023:

	2024	2023
Net loss	\$ (1,504)	\$ (7,639)
Deemed dividends related to Assumed Warrants	(656)	-
Net loss to common stockholders	\$ (2,160)	\$ (7,639)
Basic and diluted weighted average number of Class A Common Stock (in thousands)	8,918	2,315
Basic and diluted net loss available to common stockholders per share	\$ (0.24)	\$ (3.30)

The following Class A Common Stock equivalents of the Company have been excluded from the computation of diluted net loss available to common stockholders per share as the effect would be antidilutive (shares in actuals):

	March 31, 2024	March 31, 2023
Public and private warrants	1,037,875	1,037,875
Assumed Warrants	3,315,227	190,585

Note 9 FOXO LIFE INSURANCE COMPANY

On February 3, 2023, the Company consummated the sale of FOXO Life Insurance Company to Security National Life Insurance Company (the "Buyer"). At closing, all of the FOXO Life Insurance Company's shares were cancelled and retired and ceased to exist in exchange for the assignment to the Company of FOXO Life Insurance Company's statutory capital and surplus amount of \$5,002, as of the closing date, minus \$ 200 (the "Merger Consideration"). Pursuant to the transaction, at the closing, the Company paid the Buyer's third-party out-of-pocket costs and expenses of \$51 resulting in a total loss of \$251 that was recognized in the three months ended March 31, 2023 within selling, general and administrative expense on the unaudited condensed consolidated statements of operations and in the FOXO Life segment. After the Merger Consideration and Buyer's third party expenses, the transaction resulted in the Company gaining access to \$4,751 that was previously held as statutory capital and surplus pursuant to the Arkansas Insurance Code. The Company used the funds to fund a portion of its operations during 2023.

Note 10 BUSINESS SEGMENTS

During the three months ended March 31, 2024 and 2023, the Company managed and classified its business into two reportable business segments:

- FOXO Labs is commercializing proprietary epigenetic biomarker technology to be used for underwriting risk classification in the global life insurance industry. The Company's innovative biomarker technology enables the adoption of new saliva-based health and wellness biomarker solutions for underwriting and risk assessment. The Company's research demonstrates that epigenetic biomarkers, collected from saliva, provide measures of individual health and wellness for the factors used in life insurance underwriting traditionally obtained through blood and urine specimens.

- FOXO Life was redefining the relationship between consumers and insurer by combining life insurance with a dynamic molecular health and wellness platform. FOXO Life sought to transform the value proposition of the life insurance carrier from a provider of mortality risk protection products to a partner supporting its customers' healthy longevity. FOXO Life's multi-omics health and wellness platform was to provide life insurance consumers with valuable information and insights about their individual health and wellness to support longevity. On February 3, 2023, the Company sold certain assets of FOXO Life thereby discontinuing the Company's business in life insurance due to the uneconomic nature of the business unit as discussed in Note 9.

The primary income measure used for assessing segment performance and making operating decisions is income (losses) before interest, income taxes, depreciation, amortization, and stock-based compensation. The segment measure of profitability also excludes corporate and other costs, including management, IT, overhead costs and certain other non-cash charges or benefits, such as impairment and any non-cash changes in fair value.

FOXO Labs generates revenues through performing epigenetic biomarker services and by collecting epigenetic services royalties. FOXO Life generated revenues from the sale of life insurance products. Asset information is not used by the Chief Operating Decision Maker ("CODM") or included in the information provided to the CODM to make decisions and allocate resources.

Summarized below is information about the Company's operations for the three months ended March 31, 2024 and 2023 by business segment:

	Revenues		Losses	
	2024	2023	2024	2023
FOXO Labs	\$ 4	\$ 7	\$ (154)	\$ (290)
FOXO Life	3	6	(5)	(647)
	7	13	(159)	(937)
Corporate and other (a)	-	-	(1,044)	(6,477)
Interest expense	-	-	(301)	(225)
Total	\$ 7	\$ 13	\$ (1,504)	\$ (7,639)

- (a) For the three months ended March 31, 2024, Corporate and other includes stock-based compensation, including amortization of consulting fees paid in stock, of \$144 and depreciation and amortization expense of \$ 260. For the three months ended March 31, 2023, Corporate and other includes stock-based compensation, including consulting agreement expense, of \$2,626 and depreciation and amortization expense of \$ 929.

Note 11 COMMITMENTS AND CONTINGENCIES

The Company is a party to various vendor and license agreements and sponsored research arrangements in the normal course of business that create commitments and contractual obligations.

As more fully discussed in Note 6, effective January 12, 2024, the Company entered into the KR8 Agreement. The Company's Interim CEO and Interim CFO each are equity owners of KR8.

Legal Proceedings

The Company accrues for costs associated with certain contingencies, including, but not limited to, settlement of legal proceedings, regulatory compliance matters and self-insurance exposures when such costs are probable and reasonably estimable. In addition, the Company records legal fees in defense of asserted litigation and regulatory matters as such legal fees are incurred. To the extent it is probable that the Company is able to recover losses and legal fees related to contingencies, it records such recoveries concurrently with the accrual of the related loss or legal fees. Significant management judgment is required to estimate the amounts of such contingent liabilities. In the Company's determination of the probability and ability to estimate contingent liabilities, it considers the following: litigation exposure based on currently available information, consultations with external legal counsel and other pertinent facts and circumstances regarding the contingency. Liabilities established to provide for contingencies are adjusted as further information develops, circumstances change, or contingencies are resolved; and such changes are recorded in the condensed consolidated statements of operations during the period of the change and appropriately reflected in the condensed consolidated balance sheets. At both March 31, 2024 and December 31, 2023, the Company had \$2,260 accrued for settlement of legal proceedings.

Smithline Family Trust II vs. FOXO Technologies Inc. and Jon Sabes

On November 18, 2022, Smithline Family Trust II ("Smithline") filed a complaint against the Company and Jon Sabes, the Company's former Chief Executive Officer and a former member of the Company's board of directors, in the Supreme Court of the State of New York, County of New York, Index 0654430/2022. The complaint asserted claims for breach of contract, unjust enrichment and fraud, alleging that (i) the Company breached its obligations to Smithline pursuant to that certain Securities Purchase Agreement, dated January 25, 2021, between Legacy FOXO and Smithline, the 2021 Bridge Debentures, due February 23, 2022, and Assumed Warrant to purchase shares of FOXO common stock until February 23, 2024 (collectively, including any amendment or other document entered into in connection therewith, the "Financing Documents"), (ii) the Company and Mr. Sabes were unjustly enriched as a result of their alleged actions and omissions in connection with the Financing Documents, and (iii) the Company and Mr. Sabes made materially false statements or omitted material information in connection with the Financing Documents. The complaint claims damages in excess of a minimum of \$6,207 on each of the three causes of action, plus attorneys' fees and costs.

On December 23, 2022, the Company removed this action from the Supreme Court of the State of New York, County of New York to the United States District Court for the Southern District of New York, Case 1:22-cv-10858-VEC. The action was assigned to Judge Valerie E. Caproni.

On February 1, 2023, Defendant Jon Sabes moved to dismiss the Complaint as to Defendant Sabes pursuant to Fed. R. Civ. P. 12(b)(2) and 12(b)(6).

On February 22, 2023, Smithline filed an Amended Complaint. The Company filed its Answer to the Amended Complaint on March 8, 2023.

On March 15, 2023, Defendant Jon Sabes moved to dismiss the Amended Complaint as to Defendant Sabes pursuant to Fed. R. Civ. P. 12(b)(1), (2) & (6).

On April 17, 2023, Smithline filed its opposition to Defendant Sabes' motion.

On November 7, 2023, Smithline and the Company and its subsidiaries entered into the Settlement Agreement, pursuant to which the parties agreed to resolve and settle all disputes and potential claims which exist or may exist among them, including without limitation those claims asserted in the Action, as more specifically set forth in, and subject to the terms and conditions of, the Settlement Agreement. Upon the execution of the Settlement Agreement, the parties agreed to jointly dismiss the action without prejudice.

Pursuant to the Settlement Agreement, the Company agreed to pay Smithline the "Cash Settlement Payment," payable in full no later than the date that is the 12-month anniversary of the effective date of the Settlement Agreement (such date, the "Settlement Deadline" and, such period, the "Settlement Period"). During the Settlement Period, the Company agreed to pay Smithline out of any Equity Financing a minimum of 25% of the gross proceeds of each Equity Financing within two business days of the Company's receipt of the proceeds from such Equity Financing, and which payment to Smithline would be applied toward the Cash Settlement Payment. Notwithstanding the foregoing, in the event that the Company has received proceeds from the Strata Purchase Agreement prior to the effective date of the Settlement Agreement, Smithline will be entitled to a minimum of 25% of the gross proceeds thereof, payment of which to Smithline would be applied toward the Cash Settlement Payment.

In addition, the Company agreed to use commercially reasonable efforts to pay \$ 300 in cash to Smithline by December 31, 2023 toward the Cash Settlement Payment. In the event that the Company has not paid in full the Cash Settlement Payment prior to the Settlement Deadline, Smithline will be entitled to retain all proceeds received pursuant to the Settlement Agreement, the Mutual Release (as defined below) will be returned to their respective parties, and Smithline may pursue any claims against, among others, the Company.

In addition, the parties agreed that prior to Smithline receiving \$ 300 in cash from the Company toward the Cash Settlement Payment, the Company may not file any resale registration statements and any amendments or supplements thereto without Smithline's written consent, except for those that cover the resale of shares of the Company's Class A Common Stock currently issued or issuable under the Strata Purchase Agreement dated October 13, 2023.

In addition, the parties agreed that after Smithline has received \$ 300 in cash from the Company, in the event the Company registers for resale shares of its Class A Common Stock, which are not issued or issuable as of the effective date of the Settlement Agreement, for a selling stockholder other than under the Strata Purchase Agreement, during the Settlement Period, then the Company will be required to issue Smithline Settlement Shares at the closing price of the Class A Common Stock immediately prior to their issuance, subject to the authorization of NYSE American if the Class A Common Stock is then traded on such exchange, which Settlement Shares will be included for resale in such registration statement, provided, however, that the amount of Settlement Shares, if any, when aggregated with other Settlement Shares, if any, will be reduced to ensure that such aggregate amount will not exceed 19.9% of the outstanding shares of the Company's Class A Common Stock as of the date of issuance (subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations, and other similar transactions that occur after the date of the Settlement Agreement). Any net proceeds (after taking into account all brokerage, transfer agent, legal and other expenses incurred in connection with the sale of the Settlement Shares, if any) received by Smithline on the sale of the Settlement Shares, if any, will be credited against the Cash Settlement Payment.

Pursuant to the Settlement Agreement, the Company agreed to use its best efforts to obtain an amendment to its Senior PIK Notes such that their maturity date and amortization dates are extended to December 31, 2024. Whether such amendment is obtained or not, the Company agreed to not make any payments in cash or stock on such Senior PIK Notes or permit such Senior PIK Notes to convert into stock prior to the satisfaction in full of the Cash Settlement Payment.

Simultaneous with the execution of the Settlement Agreement, Smithline and Puritan Partners LLC and the Company entered into a mutual release (the "Mutual Release"), which will be held in escrow pending notification from counsel for Smithline that 90 calendar days have elapsed since Smithline has received the Cash Settlement Payment in full. The Mutual Release includes the release of, in addition to the Company, Jon Sabes, Bespoke Growth Partners, Inc. and Mark Peikin, subject to their satisfaction of the conditions of the Mutual Release, including delivery of an executed release to counsel for Smithline releasing the Claiming Parties (as defined in the Mutual Release). Pursuant to the Mutual Release, in the event that the Company files for bankruptcy and the Claiming Parties are not permitted to retain the Cash Settlement Payment or the net proceeds received on the sale of Settlement Shares, if any, the Mutual Release will be null and void and void ab initio. Further, in the event that Jon Sabes, Bespoke Growth Partners, Inc., or Mark Peikin commences a lawsuit or arbitration or otherwise asserts a claim or cause of action against any of the Responding Parties (as defined in the Mutual Release) or any of the Claiming Parties, or takes any action against or otherwise hinders in any manner the Company's ability to repay the Claiming Parties the Cash Settlement Payment or deliver and register the Settlement Shares, if any, the release of such person or entity will be null and void and void ab initio.

Pursuant to the Settlement Agreement, without the prior written consent of Smithline, the Company may not (x) pay KR8, including its affiliates, in cash more than the sum of (A) (i) \$100 a month for the first three months after the effective date of the Settlement Agreement and (ii) more than \$ 50 a month for months 4 to 12 after the effective date of the Settlement Agreement and (B) a royalty for 15% of product subscriber revenues received by the Company, or (y) make any payment in cash or stock to Jon Sabes until the Cash Settlement Payment is paid in full.

Pursuant to the Settlement Agreement, the parties agreed that Smithline may retain the Smithline Assumed Warrant issued to Smithline pursuant to the Agreement and Plan of Merger, dated February 24, 2022, as amended on April 26, 2022, July 6, 2022 and August 12, 2022, by and among the Company (DWIN Merger Sub Inc., DIAC Sponsor LLC, and Legacy FOXO; provided, however, that the Smithline Assumed Warrant will be automatically cancelled immediately upon Smithline's receipt of the Cash Settlement Payment in full. Further, due to the fact that the Company did not pay the Cash Settlement Payment in full prior to the warrant's expiration on February 23, 2024, the Smithline Assumed Warrant was automatically extended for a year until February 23, 2025, subject to cancellation upon Smithline's receipt of the Cash Settlement Payment. From the effective date of the Settlement Agreement until the Settlement Deadline, Smithline may not exercise any of its rights under the Smithline Assumed Warrant so long as the Company continues to comply with the Settlement Agreement. In the event the Company or any of its subsidiaries is subject to a Bankruptcy Event (as defined in the Debenture) then immediately prior to the occurrence of such Bankruptcy Event, the Smithline Assumed Warrant will be converted into an unsecured debt obligation of the Company and its subsidiaries in the amount of \$3,500 less the cash proceeds paid by the Company to Smithline under the Settlement Agreement or the Net Proceeds received by Smithline on the sale of any Settlement Shares, if any, in satisfaction of the Cash Settlement Payment.

On May 28, 2024, the Company entered into an Exchange Agreement with Smithline pursuant to which Smithline exchanged the Smithline Assumed Warrant to purchase up to 312,500 shares, as adjusted, for the right to receive shares of the Company's Common Stock, subject to a 4.99% beneficial ownership limitation and issued without any restrictive legends. The Exchange Agreement is more fully discussed in Note 12.

The Company is currently in default of the Settlement Agreement and is currently in negotiations with Smithline on a resolution.

Former CEO Severance

As of March 31, 2024, the Board has yet to complete its review into whether the former CEO was terminated with or without cause. Accordingly, the Company has yet to make a determination on its obligations under the former CEO's employment agreement. The Company has accrued for his severance and has recognized expenses related to his equity-based compensation per the terms of his contract while the matter remains under review.

Should the review conclude that the former CEO was terminated without cause then the former CEO will receive thirty-six months of severance based on his base salary, his options granted immediately vest, and his Management Contingent Share Plan related to performance-based conditions that have been met become fully vested. As of March 31, 2024 and December 31, 2023, \$1,575 of severance and related expense was recorded within accrued severance on the unaudited condensed consolidated balance sheets. The corresponding expense was recognized within selling, general and administrative expense during the year ended December 31, 2022. In addition, during the year ended December 31, 2022, the Company recognized \$8,695 of expense related to the Management Contingent Share Plan.

Should the review conclude the former CEO was terminated with cause then no severance or continued benefits are due and the Company will account for the forfeiture of his Management Contingent Share Plan and reverse the accrual and corresponding expense related to his severance.

Additionally, the Company cancelled the Management Contingent Share Plan related to performance-based conditions that have not been met.

Disputed Severance Policy

A severance policy was drafted in early 2023 with an effective date of January 9, 2023. The policy applied to all exempt level vice presidents and above employees across various departments. It provided for a six-month salary pay out if the employee, while in good standing, was involuntarily separated from the Company. However, neither the Company's board of directors nor its remuneration committee approved the policy. If the policy were valid, five former employees would have met the guidelines to receive the severance aggregating approximately \$462 in severance payments.

Three former employees have sent letters, through their attorneys, requesting the payment of the severance. The Company has responded to the letters stating that the policy was not valid and that all of the Company's obligations related to their separation from the Company have been paid and/or fully satisfied.

The Company is also party to various other legal proceedings, claims, and regulatory, tax or government inquiries and investigations that arise in the ordinary course of business, and the Company may in the future be subject to additional legal proceedings and disputes.

The Company evaluated subsequent events and transactions that occurred after the balance sheet date up to the date that the unaudited condensed consolidated financial statements were issued in this 10-Q. The total number of Rights Shares that may be issued under the Exchange Agreement, will be limited to 19.99% of the Company's outstanding shares of Class A Common Stock, unless stockholder approval is obtained to issue more than 19.99%. Upon the execution of the Exchange Agreement and receipt of all of the Rights Shares, the Smithline Assumed Warrant, and all associated rights thereunder will be terminated.

Stock Exchange Agreements Dated June 10, 2024

On June 10, 2024, the Company entered into two stock exchange agreements, each with Rennova Health, Inc., a Delaware corporation, ("RHI").

("Myrtle") also was a party, provided for RHI to exchange all of its equity interest in Myrtle for \$500, payable in shares of the Company's Class A Common Stock. The number of shares of the Company's Class A Common Stock issuable to RHI will be determined by dividing \$500 by the volume weighted average price of the Company's Common Stock on the day prior to closing. The purchase price payable for the equity interest in Myrtle will be subject to certain post-closing adjustments, as provided in the Myrtle Agreement. See the pro forma financial information as if Myrtle had been acquired on March 31, 2023 below.

In the second agreement (the "RCHI Agreement"), the Company agreed to issue 20,000 shares of its to be designated Series A Cumulative Convertible Redeemable Preferred Stock (the "Preferred Stock") to RHI in exchange for all of the outstanding shares of RHI's subsidiary, Rennova Community Health, Inc. Each share of the Company's Preferred Stock will have a stated value of \$1,000. The number of shares of the Company's Preferred Stock issuable to RHI upon the closing of the RCHI Agreement is subject to adjustment as provided in the RCHI Agreement.

The closing of the RCHI Agreement is subject to a number of conditions, including the approval of the shareholders of each of the Company and RHI.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

References to the "Company," "FOXO," "us," "our" or "we" refer to FOXO Technologies Inc. and its consolidated subsidiaries. The following discussion and analysis summarizes the significant factors affecting the consolidated operating results, financial condition, liquidity, capital resources and cash flows of our Company as of and for the periods presented below. You should read the following discussion of our financial condition and results of operations in conjunction with the unaudited condensed consolidated financial statements and the related notes included elsewhere in this Form 10-Q and with our audited consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2023, as filed with the SEC. In addition to our historical consolidated financial information, the following discussion contains forward-looking statements that reflect our plans, estimates, and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements. Factors that could cause or contribute to these differences include those discussed below. We undertake no obligation to update publicly any forward-looking statements for any reason, except as required by law, even as new information becomes available or events occur in the future. Dollar amounts are in thousands, except per share amounts or unless otherwise noted.

Overview

FOXO is focused on commercializing scientific discoveries in health and longevity. A pivotal moment in the field of longevity science came with the discovery that epigenetics could be used to develop measures of health, including biological aging, according to an article published in the scientific journal, *Nature*, in 2014. In recent years, we and other scientists have extended these findings to assess tobacco, alcohol, blood cell composition, and other health measures based on discovered epigenetic biomarkers. To that end, FOXO is dedicated to research and development in order to provide data-driven insights based on the numerous health measures that can be determined through this unique dimension of biology and used to foster optimal health and longevity for both individuals and organizations. We believe there is value in what these biomarkers will be able to provide to the world. Current testing options can be inaccurate, piecemeal, and often require obtaining a blood sample. Epigenetic biomarkers may pave the path for a fully comprehensive, at-home, low-cost test that could, with other existing testing, offer a much easier, more detailed sense of one's health.

At the same time, we believe there exists a significant bottleneck in scientific research and product development using epigenetic data. Due to the complexity of the data, many scientists are unaware of how to properly process such data or take full advantage of the available tools. With our experience in bringing to market new tools (both software and hardware) and know-how (our Bioinformatics Services and analytic consulting), we believe we are well-positioned to help reduce barriers in advancing epigenetic research and the development of epigenetic-based products. Thus, we have chosen strategically to extend our expertise in epigenetic data processing and analysis to outside parties in an effort to further accelerate new discoveries. This work not only allows us to generate revenue, but also continue our work in developing improved ways in processing and analyzing this important data.

Historically, we have had two core product offerings related to the commercialization of epigenetic science: the "Underwriting Report," and the "Longevity Report™." The Underwriting Report, which has been under development and is currently paused until we increase our cash resources in order to continue additional research and development, is intended to allow us to leverage a single assay testing process to generate a panel of impairment scores that could be applied by life insurance underwriters to more efficiently assess clients during the underwriting process and provide a more personalized risk assessment. The Longevity Report, sales of which have also been paused as we redevelop and re-strategize around this product, was designed as a customer-facing consumer engagement product that provides actionable insights based on one's biological age and other epigenetic measures of health and wellness.

Historically, we were operationalizing a sales and distribution platform focused on recruiting independent life insurance agents to sell life insurance with longevity-promoting products such as our Longevity Report. We previously marketed and sold life insurance products underwritten and issued by third-party carriers through distribution relationships (the "MGA Model"). The MGA Model allowed us to appoint sales agents and producers to sell insurance products for specific carriers and earn commissions on subsequent policy sales. On October 2, 2023, we decided to pause sales of new life insurance products and move existing producers out of the MGA Model hierarchy to further conserve cash resources and focus resources on FOXO Labs.

Management, License and Maintenance Fees Under the KR8 Agreement

On October 29, 2023, we entered into a Letter Agreement with KR8 to develop a Direct-to-Consumer APP (iOS and Android) combining its artificial intelligence ("AI") Machine Learning technology to provide a commercial application of our epigenetic biomarker technology as a subscription consumer engagement platform. Effective January 12, 2024, the Letter Agreement was replaced by the KR8 Agreement. Our Interim CEO and Interim CFO each are equity owners of the Licensor. Under the KR8 Agreement, the Licensor granted to us a limited, non-sublicensable, non-transferable perpetual license to use the Licensor's products to develop, launch and maintain license applications based upon our epigenetic biomarker technology and software to develop an AI machine learning epigenetic APP to enhance health, wellness and longevity. The territory of the agreement is solely within the U.S., Canada and Mexico.

Recent Developments

Stock Exchange Agreements Dated June 10, 2024

On June 10, 2024, we entered into two stock exchange agreements, each with RHI.

The Myrtle Agreement provided for RHI to exchange all of its equity interest in Myrtle for \$500, payable in shares of our Class A Common Stock. The number of shares of our Class A Common Stock issuable to RHI will be determined by dividing \$500 by the volume weighted average price of our Class A Common Stock on the day prior to closing. The purchase price payable for the equity interest in Myrtle will be subject to certain past-closing adjustments as provided in the Myrtle Agreement.

In the RCHI Agreement, we agreed to issue the Preferred Stock to RHI in exchange for all of the outstanding shares of RCHI. RCHI owns all of the outstanding shares of Scott County Community Hospital, Inc. (operating as Big South Fork Medical Center), RHI's critical access care hospital in Oneida, Tennessee. Each share of our Preferred Stock will have a stated value of \$1,000. The number of shares of our Preferred Stock issuable to RHI upon the closing of the RCHI Agreement is subject to adjustment as provided in the RCHI Agreement.

The closing of the RCHI Agreement is subject to a number of conditions, including the approval of the shareholders of each of us and RHI.

Also see Note 12 for other recent developments.

Segments

We have managed and classified our business into two reportable business segments, FOXO Labs and FOXO Life. While we have decided to pause sales of new life insurance products, we still intend to continue to classify our business into the two reportable business segments.

FOXO Labs

FOXO Labs performs research and development and is commercializing proprietary epigenetic biomarker technology. Our research demonstrates that epigenetic biomarkers, collected from saliva or blood, provide meaningful measures of health and lifestyle factors. FOXO Labs anticipates recognizing revenue related to sales of its Bioinformatics Services and from the commercialization of research and development activities, which may include its Underwriting Report, Longevity Report, or as a result of other commercialization opportunities including a potential AI platform for the delivery of health and well-being data-driven insights to individuals, healthcare professionals and third-party service providers as discussed above.

FOXO Labs currently recognizes revenue from providing epigenetic testing services and collecting a royalty from Illumina, Inc. related to the sales of the Infinium Mouse Methylation Array. FOXO Labs conducts research and development, and such costs are recorded within research and development expenses on the unaudited condensed consolidated statements of operations.

FOXO Labs had operated its Bioinformatics Services as an ancillary offering, with revenue recognized as epigenetic biomarker services in our historical financial statements, but now looks to it as a primary offering. Bioinformatics Services provide a data processing, quality checking, and data analysis service using FOXO's cloud-based bioinformatics pipeline, referred to as our epigenetics, longevity, or methylation pipeline in our historical financial statements. FOXO Labs accepts raw data from third party labs and converts that data into usable values for customers.

FOXO Life

FOXO Life sought to redefine the relationship between consumers and insurers by combining life insurance with healthy longevity. The distribution of insurance products that may be paired with our FOXO's Longevity Report strived to provide life insurance consumers with valuable information and insights about their individual health and wellness.

FOXO Life primarily had residual commission revenues from its legacy insurance agency business. FOXO Life also began receiving insurance commissions from the distribution and sale of life insurance policies based on the size and type of policies sold to customers. FOXO Life costs are recorded within selling, general and administrative expenses on the consolidated statements of operations.

FOXO Life Insurance Company

Due to market conditions, our capitalization following the Business Combination did not materialize in the way the Company anticipated, and we did not possess the funding that we believed would be required to satisfy state regulations and regulatory bodies to issue new life insurance policies through FOXO Life Insurance Company. As such, we decided to not move forward with the launch of FOXO Life Insurance Company.

On February 3, 2023, we consummated the sale of FOXO Life Insurance Company to Security National pursuant to the Security National Merger Agreement. As a result of the merger, we were no longer required to hold cash and cash equivalents required to be held as statutory capital and surplus, as required under the Arkansas Insurance Code (the "Arkansas Code").

At the closing, all of FOXO Life Insurance's shares were cancelled and retired and ceased to exist in exchange of an amount equal to FOXO Life Insurance's statutory capital and surplus amount of \$5,002 as of the closing date, minus \$200 (the "Merger Consideration").

After the Merger Consideration and Security National's third party expenses, the transaction resulted in the Company gaining access to \$4,751 that was previously held as statutory capital and surplus pursuant to the Arkansas Code.

Non-GAAP Financial Measures

To supplement our financial information presented in accordance with U.S. GAAP, management periodically uses certain "non-GAAP financial measures," as such term is defined under the rules of the SEC, to clarify and enhance understanding of past performance and prospects for the future. Generally, a non-GAAP financial measure is a numerical measure of a company's operating performance, financial position or cash flows that excludes or includes amounts that are included in or excluded from the most directly comparable measure calculated and presented in accordance with U.S. GAAP. For example, non-GAAP measures may exclude the impact of certain items such as acquisitions, divestitures, gains, losses and impairments, or items outside of management's control. Management believes that the following non-GAAP financial measure provides investors and analysts useful insight into our financial position and operating performance. Any non-GAAP measure provided should be viewed in addition to, and not as an alternative to, the most directly comparable measure determined in accordance with U.S. GAAP. Further, the calculation of these non-GAAP financial measures may differ from the calculation of similarly titled financial measures presented by other companies and therefore may not be comparable among companies.

Adjusted EBITDA provides additional insight into our underlying, ongoing operating performance and facilitates period-to-period comparisons by excluding the earnings impact of interest, tax, depreciation and amortization, non-cash change in fair value of convertible debentures and warrants, stock-based compensation, and impairment. Management believes that presenting Adjusted EBITDA is more representative of our operational performance and may be more useful for investors. Adjusted EBITDA along with a reconciliation to net loss is shown in Other Operating Data within the Results of Operations below.

Revenues. Total revenues were \$7 for the three months ended March 31, 2024, compared to \$13 for the three months ended March 31, 2023. FOXO Labs revenues decreased by \$3 and FOXO Life revenues decreased by \$3. The decreases were due to less royalty revenue for FOXO Labs and less life insurance commissions earned for FOXO life.

Research and Development. Research and development expenses were \$165 for the three months ended March 31, 2024, compared to \$309 for the three months ended March 31, 2023. The decrease was driven by lower employee-related expenses and professional services as well as research and development projects that are no longer ongoing, which also contributed to the period over period decrease in research and development expenses.

Management Contingent Share Plan. Management Contingent Share Plan expenses were \$33 for the three months ended March 31, 2024 compared to expense of \$764 for the three months ended March 31, 2023. The decrease was due to more shares vesting under the plan during the 2023 period.

Selling, General and Administrative. Selling, general and administrative expenses were \$988 for the three months ended March 31, 2024 compared to \$6,332 for the three months ended March 31, 2023. The decrease of \$5,344, or 82%, was driven by the completion of a consulting agreement as we recognized \$1,700 less compensation costs associated with the amortization of consulting agreements in the current period compared to the prior period. Also contributing to the decrease were lower: employee related expenses due to head count reductions, legal fees, amortization of intangible assets and professional fees, among other items.

Non-operating expense. Non-operating expense was \$325 for the three months ended March 31, 2024, compared to \$247 for the three months ended March 31, 2023. The increase primarily related to additional interest expense in the three months ended March 31, 2024 compared to the 2023 period.

Net Loss. Net loss was \$1,504 for the three months ended March 31, 2024, an improvement of \$6,135 or 80% compared to net loss of \$7,639 for the three months ended March 31, 2023. The decrease in net loss was primarily related to the decrease in the operating loss of \$6,213, partially offset by an increase in other non-operating expenses of \$78. Additionally, a deemed dividend of \$656 related to the trigger of the down round provisions and the extension of the Smithline Assumed Warrants was recognized in the three months ended March 31, 2024 resulting in a net loss to common stockholders of \$2,160 for the current period.

Analysis of Segment Results:

The following is an analysis of our results by reportable segment for the three months ended March 31, 2024 compared to the three months ended March 31, 2023. Other Operating Data:

We use Adjusted EBITDA to evaluate our operating performance. Adjusted EBITDA does not represent and should not be considered an alternative to net income as determined by U.S. GAAP, and our calculations thereof may not be comparable to those reported by other companies. We believe Adjusted EBITDA is an important measure of operating performance and provides useful information to investors because it highlights trends in our business that may not otherwise be apparent when relying solely on U.S. GAAP measures and because it eliminates items that have less bearing on our operating performance. Adjusted EBITDA, as presented herein, is a supplemental measure of our performance that is not required by, or presented in accordance with, U.S. GAAP. We use non-GAAP financial measures as supplements to our U.S. GAAP results in order to provide a more complete understanding of the factors and trends affecting our business. Adjusted EBITDA is a measure of operating performance that is not defined by U.S. GAAP and should not be considered a substitute for net (loss) income as determined in accordance with U.S. GAAP.

We reconcile our non-GAAP financial measure to our net loss, which is its most directly comparable financial measure calculated and presented in accordance with U.S. GAAP. Our management uses Adjusted EBITDA as a financial measure to evaluate the profitability and efficiency of our business model. Adjusted EBITDA is not presented in accordance with U.S. GAAP. Adjusted EBITDA includes adjustments for provision for income taxes, as applicable, interest income and expense, depreciation and amortization, stock-based compensation, and certain other infrequent and/or unpredictable non-cash charges or benefits.

Liquidity and Capital Resources

Sources of Liquidity and Capital

We had cash and cash equivalents of \$3 and \$38 as of March 31, 2024 and December 31, 2023, respectively. We have incurred net losses since our inception. For the three months ended March 31, 2024 and the year ended December 31, 2023, we incurred net losses available to common stockholders of \$2,160 and \$29,829, respectively. At March 31, 2024, had a working capital deficit and an accumulated deficit of \$16,810 and \$14,937, respectively. While cash of \$1,716 was provided by operating activities for the three months ended March 31, 2024, our operations used cash of \$6,645 for the year ended December 31, 2023. We have generated limited revenue to date and expect to incur losses from our existing business in future periods.

Our current revenue is not adequate to fund our operations in the next twelve months and requires us to fund our business through other avenues until the time we achieve adequate scale. Securing additional capital is necessary to execute on our business strategy.

Financing

We have financed our business through a combination of equity and debt. During the third quarter of 2022, we entered into separate securities purchase agreements pursuant to which we issued our Senior PIK Notes in the aggregate principal of \$3,458. We received net proceeds of \$2,918, after deducting fees and expenses of \$540.

During the third quarter of 2023, we completed two tranches of private placements that provided gross proceeds of \$450 and \$294. After deducting placement agent fees and other offering expenses, the net proceeds from the private placements were \$260 and \$217.

During the fourth quarter of 2023, we entered into a Strata Purchase Agreement (the "Strata Purchase Agreement") with ClearThink, as supplemented by that certain Supplement to Strata Purchase Agreement, dated as of October 13, 2023, by and between us and ClearThink. During the fourth quarter of 2023, we completed two tranches of private placements under the terms of the Strata Purchase Agreement with ClearThink that provided gross proceeds of \$200 and \$256. After deducting finder's fees and other offering expenses, the net proceeds from the private placements were of \$186 and \$246.

During the first quarter of 2024, we entered into a Second Strata Purchase Agreement with ClearThink wherein, and subject to certain limitations, including the effectiveness of a registration statement as defined in the agreement, ClearThink has agreed to purchase from us, from time to time an aggregate of \$5,000 shares of our Class A Common Stock.

On January 3, 2024, we issued to ClearThink a promissory note in the principal amount of \$75, less an original issue discount of \$25, and on January 30, 2024, we issued to ClearThink a promissory note in the principal amount of up to \$750, less an original issue discount of \$250. We received net proceeds totaling \$371 during the three months ended March 31, 2024 and \$1,220 during the three months ended June 30, 2024 from the issuances of the notes payable.

On April 28, 2024, we entered into a Securities Purchase Agreement with LGH pursuant to which we issued to LGH a convertible promissory note in the principal amount of \$110 and 200,000 shares of our Class A Common Stock as inducement shares to LGH.

On June 12, 2024, we entered into a Securities Purchase Agreement (the "SPA") with an institutional investor (the "Purchaser") pursuant to which we agreed to issue to the Purchaser and subsequent purchasers who will also be parties to the SPA (the Purchaser, together with the purchasers, the "Purchasers") Senior Notes in the aggregate principal amount of up to \$2,800 (each a "Note" or, together, the "Notes").

The closings of the SPA (each a "Closing," or, together, the "Closings") are as follows:

- On the Initial Closing Date (as defined below), the Purchaser or Purchasers will purchase up to an aggregate of \$840 in principal amount of the Notes. We will also issue to the Purchaser or the Purchasers on a pro rata basis an aggregate of 1,108,755 shares of our Class A Common Stock (the "**Shares**") representing 9.99% of the outstanding shares of our Class A Common Stock on the Initial Closing Date (as defined below).
- Upon the filing of a preliminary proxy statement or information statement with the SEC relating to the approval by our stockholders of an agreement by us to acquire the shares of common stock of RCHI from RHI, and all transactions contemplated thereby (the "Acquisition"), the Purchasers will purchase up to an aggregate of \$280 in principal amount of the Notes.
- Upon the closing of the Acquisition, the Purchasers will purchase up to an aggregate of \$1,120 in principal amount of the Notes.
- Upon the filing of a registration statement by us with the SEC relating to the resale by the Purchasers (and any affiliates) of all shares of Class A Common Stock of the Company beneficially owned by each Purchaser (and any affiliate) the Purchasers will purchase up to an aggregate of \$560 in principal amount of the Notes.

Each Closing is subject to additional conditions as disclosed in the SPA.

On June 14, 2024 (the "Initial Closing Date"), pursuant to the SPA, we issued a Note in the principal amount of \$840 to the Purchaser. The Note matures on June 14, 2025 and the principal amount of the Note is the subscription amount multiplied by 1.12 which represents 12% original issuance discount. The Note does not accrue any interest except for in the event of an Event of Default (as defined in the Note) upon which it will accrue interest at 18% per annum.

The Note provides the Purchaser with rights upon a Fundamental Transaction (as defined in the Note) such as assumption rights of the Successor Entity (as defined in the Note). The Note also provides the Purchaser an exchange right upon the issuance of preferred stock (except in connection with the Acquisition) and mandatory redemption rights. There is also an optional prepayment of the Note provided to us of 100% of the Note amount. The Note is guaranteed by RHI.

As of the Initial Closing Date, we have yet to issue the Shares to the Purchaser due to the fact that their issuance is conditioned upon approval from NYSE American and, although in process, we have yet to receive approval.

Going Concern

Our primary uses of cash are to fund our operations as we continue to grow our business. We expect to continue to incur operating losses to support the growth of our business until we finalize the acquisition of RCHI. Capital expenditures have historically not been material to our consolidated operations, and we do not anticipate making material capital expenditures in 2024 or beyond. We expect that our liquidity requirements will continue to consist of working capital, including payments of outstanding debt and accrued liabilities and general corporate expenses associated with the growth of our business. Based on our current operations, we do not have sufficient capital to fund our operations for at least 12 months from the date hereof. We expect to address our liquidity needs through the pursuit of additional funding through a combination of equity or debt financings and strategic acquisitions to enable us to fund our operations.

We have taken various actions to bolster our cash position, including raising funds through the private placements and transactions with ClearThink, LGH and the Purchaser described above and conserving cash by issuing shares of our Class A Common Stock under license agreements, legal settlements, consulting agreements, finder's fees related to equity and debt financing and consulting agreements, among other transactions. As more fully discussed above under "Recent Developments," on June 10, 2024, we entered into two stock exchange agreements, each with RHI. Under the RCHI Agreement, we intend to acquire Big South Fork Medical Center, RHI's critical care hospital, which we hope and anticipate will provide us with positive operating cash flows, although there can be no assurance that we will close the transaction or that it will provide us with positive cash flows.

Based on our current operating plan, our cash position as of March 31, 2024, and after taking into account the actions described above, we expect to be able to fund our operations through the end of 2024. Even if our current operating plan is successful, we expect to need additional financing or other increase in our cash and cash equivalents balance to enable us to fund our future operations.

We have based our estimates as to how long we expect we will be able to fund our operations on assumptions that may prove to be wrong, and we could use our available capital resources sooner than we currently expect, in which case we would be required to obtain additional financing sooner than currently projected, which may not be available to us on acceptable terms, or at all. Our failure to raise capital as and when needed would have a negative impact on our financial condition and our ability to pursue our business strategy. We may raise additional capital through equity offerings, debt financings or other capital sources. If we do raise additional capital through public or private equity offerings, or convertible debt offerings, the ownership interest of our existing stockholders will be diluted, and the terms of these securities may include liquidation or other preferences that adversely impact our existing stockholders' rights. If we raise additional capital through debt financing, we may be subject to covenants limiting or restricting our ability to take certain actions.

Off-Balance Sheet Financing Arrangements

We have no obligations, assets or liabilities which would be considered off-balance sheet arrangements. We do not participate in transactions that create relationships with unconsolidated entities or financial partnerships, often referred to as variable interest entities, which would have been established for the purpose of facilitating off-balance sheet arrangements.

We have not entered into any off-balance sheet financing arrangements, established any special purpose entities, guaranteed any debt or commitments of other entities, or entered into any non-financial assets.

Contractual Obligations

Critical Accounting Policies

The preparation of the unaudited condensed consolidated financial statements and related notes included under "Item 1. Financial Statements" and related disclosures in conformity with GAAP. The preparation of these unaudited condensed consolidated financial statements requires the selection of the appropriate accounting principles to be applied and the judgments and assumptions on which to base accounting estimates, which affect the reported amounts of assets and liabilities as of the date of the balance sheets, the reported amounts of revenue and expenses during the reporting periods, and related disclosures. We base our estimates on historical experience and on various other assumptions that we believe to be reasonable under the circumstances at the time such estimates are made. Actual results and outcomes may differ materially from our estimates, judgments, and assumptions. We periodically review our estimates in light of changes in circumstances, facts, and experience. The effects of material revisions in estimates are reflected in the unaudited condensed consolidated financial statements prospectively from the date of the change in estimate.

We define our critical accounting policies and estimates as those that require us to make subjective judgments about matters that are uncertain and are likely to have a material impact on our financial condition and results of operations as well as the specific manner in which we apply those principles. We believe the critical accounting policy used in the preparation of our financial statements which required significant estimates and judgments is as follows:

Going Concern

Our history of losses requires management to critically assess our ability to continue operating as a going concern. For the three months ended March 31, 2024, and the year ended December 31, 2023, we incurred net losses to common stockholders of \$2,160 and \$29,829, respectively. As of March 31, 2024, we had a working capital deficit and an accumulated deficit of \$16,810 and \$14,937, respectively. While cash of \$1,716 was provided by operating activities for the three months ended March 31, 2024, cash of \$6,645 was used in operating activities for the three months ended December 31, 2023. As of March 31, 2024, we had \$3 of available cash and cash equivalents.

On a quarterly basis, we assess going concern uncertainty for our condensed consolidated financial statements to determine if we have sufficient cash and cash equivalents on hand and working capital to operate for a period of at least one year from the date our condensed consolidated financial statements are issued or are available to be issued (the "look-forward period"). Based on conditions that are known and reasonably knowable to us, we consider various scenarios, forecasts, projections, and estimates, and we make certain key assumptions, including the timing and nature of projected cash expenditures or programs, among other factors, and our ability to delay or curtail those expenditures or programs within the look-forward period, if necessary. Until additional equity or debt capital is secured and the Company begins generating sufficient revenue, reducing losses, and improving future cash flows, there is substantial doubt about the Company's ability to continue as a going concern. The Company will continue ongoing capital raise initiatives and has demonstrated previous success in raising capital to support its operations.

During the first quarter of 2023, we completed the sale of FOXO Life Insurance Company in order to gain access to the cash held as statutory capital and surplus at FOXO Life Insurance Company, which we used to fund a portion of our operations during 2023. To fund our operations, we continue to (i) pursue additional avenues to capitalize the Company, (ii) pursue strategic operating companies, including companies pursuant to two stock exchange agreements entered into on June 10, 2024, which are more fully discussed in Note 12 to the unaudited condensed consolidated financial statements included in this report, and (iii) commercialize our products to generate revenue.

As previously disclosed, on September 20, 2022, we issued the Senior PIK Notes in an aggregate principal amount of \$3,457, each with a maturity date of April 1, 2024. Pursuant to the terms of the Senior PIK Notes, commencing on November 1, 2023, and on each one-month anniversary thereof, we are required to pay the holders of the Senior PIK Notes an equal amount until their outstanding principal balance has been paid in full on the Maturity Date, or, if earlier, upon acceleration or prepayment of the Senior PIK Notes in accordance with their terms. We failed to make the payments due on November 1, 2023 and on each one-month anniversary thereof, which constitutes an event of default under the Senior PIK Notes. We are in discussions with the holders of the Senior PIK Notes with respect to certain amendments to the Senior PIK Notes to cure the event of default. However, there has been no agreement with the Senior PIK Note holders that would cure the event of default.

Compliance with NYSE American Continued Listing Requirements

On April 17, 2024, the Company received the Filing Delinquency. During the Initial Cure Period, NYSE will monitor the Company and the status of the Delinquent Report and any subsequent delayed filings, including through contact with the Company, until the Filing Delinquency is cured. If the Company fails to cure the Filing Delinquency within the Initial Cure Period, NYSE may, in NYSE's sole discretion, allow the Company's securities to be traded for the Additional Cure Period depending on its specific circumstances. If NYSE determines that an Additional Cure Period is not appropriate, suspension and delisting procedures will commence in accordance with the procedures set out in Section 1010 of the NYSE American Company Guide. If NYSE determines that an Additional Cure Period of up to six months is appropriate and the Company fails to file its Delinquent Report and any subsequent delayed filings by the end of that period, suspension and delisting procedures will generally commence. An issuer is not eligible to follow the procedures outlined in Section 1009 with respect to these criteria.

Notwithstanding the foregoing, however, NYSE may in its sole discretion decide (i) not to afford the Company any Initial Cure Period or Additional Cure Period, as the case may be, at all or (ii) at any time during the Initial Cure Period or Additional Cure Period, to truncate the Initial Cure Period or

Additional Cure Period, as the case may be, and immediately commence suspension and delisting procedures if the Company is subject to delisting pursuant to any other provision of the Company Guide, including if NYSE believes, in NYSE's sole discretion, that continued listing and trading of an issuer's securities on NYSE is inadvisable or unwarranted in accordance with Sections 1001-1006 hereof.

While the Company has not received an official notice of noncompliance regarding the delinquency of this report, with the filing of the Delinquent Report, and this filing, the Company intends to regain compliance with the NYSE American continued listing standards. There can be no assurance that the Company will ultimately regain compliance with all applicable NYSE American listing standards.

On June 10, 2024, the Company received an official notice of noncompliance from NYSE stating that the Company is not in compliance with NYSE American continued listing standards (the "Delinquency Notification") due to an outstanding balance of listing fees over 180 days old and NYSE provided the Company until June 7, 2024 to provide payment before the Company would become subject to the noncompliance procedures (the "Delinquency"). The Company failed to pay the fee by June 7, 2024.

As a result, receipt of the Delinquency Notification was NYSE's official notice of noncompliance with Section 1003(f)(iv) of the Company Guide. The Company is now subject to the procedures and requirements set forth in Section 1009 of the Company Guide. In connection with its non-compliance with Section 1003(f)(iv) of the Company Guide, the Company was required to submit a written response by June 18, 2024 advising of actions it has taken or will take to pay its past-due fees in full to NYSE within 60 calendar days of receipt of the Delinquency Notification (subject to acceptance of the compliance plan by NYSE).

The Company submitted a written response to NYSE on June 18, 2024. If the written response is deemed unacceptable by NYSE, NYSE will commence delisting proceedings. Furthermore, if NYSE accepts the actions proposed by the Company in its written response and the Company does not make progress towards full payment of all past-due fees consistent with the proposed actions as accepted by NYSE, NYSE staff will initiate delisting proceedings as appropriate. The Company may appeal a staff delisting determination in accordance with Section 1010 and Part 12 of the Company Guide.

The Company has paid \$65,000 towards the delinquent balance and still owes \$146,000. The Company intends to regain compliance with the NYSE American continued listing standards. There can be no assurance that the Company will ultimately regain compliance with all applicable NYSE American listing standards.

On June 12, 2023, the Company received the "NYSE American Notice from NYSE Regulation stating that the Company is below compliance with Section 1003(a)(i) in the NYSE American Company Guide since the Company reported stockholders' deficit of \$30 at March 31, 2023, and losses from continuing operations and/or net losses in its two most recent fiscal years ended December 31, 2022. As required by the NYSE American Notice, on July 12, 2023, the Company the Plan to NYSE advising of actions it has taken or will take to regain compliance with the NYSE American continued listing standards by December 12, 2024, and if NYSE accepts the Plan, the Company will have until December 12, 2024 to comply with the Plan. Should the Plan not be accepted, or the Company be unable to comply with the Plan, then it may make it more difficult for the Company to raise capital and the Company will be delisted in the event it is unable to cure the noncompliance by December 12, 2024.

However, we can provide no assurance that these actions will be successful or that additional sources of financing will be available to us on favorable terms, if at all. As such, until additional equity or debt capital is secured and we begin generating sufficient revenue, there is substantial doubt about the Company's ability to continue as a going concern for the one-year period following the issuance of the accompanying unaudited condensed consolidated financial statements. Assuming we are successful in closing the stock exchange agreements entered into on June 10, 2024, which are more fully discussed in Note 12 to the accompanying unaudited condensed consolidated financial statements, we believe we will be able to fund our operations until the end of the fourth quarter of 2024. In any event, if we are unable to fund our operations we will be required to evaluate further alternatives, which could include further curtailing or suspending operations, selling the Company, dissolving and liquidating its assets or seeking protection under the bankruptcy laws. A determination to take any of these actions could occur at a time that is earlier than when we would otherwise exhaust our cash resources.

Factors That May Adversely Affect our Results of Operations

Our results of operations may be adversely affected by various factors that could cause economic uncertainty and volatility in the financial markets, many of which are beyond our control. Our business could be impacted by, among other things, downturns in the financial markets or in economic conditions, increases in oil prices, inflation, increases in interest rates, supply chain disruptions, declines in consumer confidence and spending, the effects of the COVID-19 pandemic, including resurgences and the emergence of new variants, and geopolitical instability, such as the military conflicts in Ukraine and Israel. We cannot at this time fully predict the likelihood of one or more of the above events, their duration or magnitude or the extent to which they may negatively impact our business.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.

We are a smaller reporting company as defined by Rule 12b-2 of the Exchange Act and are not required to provide the information otherwise required under this item.

ITEM 4. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Disclosure controls and procedures are controls and other procedures designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is accumulated and communicated to management, including our principal executive officer and our principal financial officer (the "Certifying Officers"), or persons performing similar functions, as appropriate, to allow timely decisions regarding required disclosure.

Under the supervision and with the participation of our management, including our Certifying Officers, we carried out an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act. Based on the foregoing, our Certifying Officers concluded that our disclosure controls and procedures were not effective as of March 31, 2024.

Management became aware of the material weaknesses described above during the preparation of the Company's Annual Report on Form 10-K for the year ended December 31, 2023. To address the material weaknesses, the Company performed additional analyses and other procedures, including reviewing the terms of its common stock warrants and the methods used to determining the fair value of its common stock warrants as presented in its unaudited condensed consolidated financial statements at and as of March 31, 2024. However, the material weaknesses have not been fully remediated as of the filing date of this report.

Changes in Internal Control over Financial Reporting

There has been no change in the Company's internal control over financial reporting, as defined in Rules 13a-15(f) of the Exchange Act, during the Company's quarter ended March 31, 2024, that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

Limitations on Effectiveness of Controls and Procedures

We do not expect that our disclosure controls and procedures will prevent all errors and all instances of fraud. Disclosure controls and procedures, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the disclosure controls and procedures are met. Further, the design of disclosure controls and procedures must reflect the fact that there are resource constraints, and the benefits must be considered relative to their costs. Because of the inherent limitations in all disclosure controls and procedures, no evaluation of disclosure controls and procedures can provide absolute assurance that we have detected all our control deficiencies and instances of fraud, if any. The design of disclosure controls and procedures also is based partly on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions.

PART II - OTHER INFORMATION

ITEM 5. OTHER INFORMATION

During the quarter ended March 31, 2024, no director or officer adopted or terminated any Rule 10b5-1 trading arrangement or non-Rule 10b5-1 trading arrangement, as each term is defined in Item 408(a) of Regulation S-K.

This Note may not be prepaid in whole or in part except as otherwise explicitly set forth herein. Any amount of principal or interest on this Note which is not paid when due shall bear interest at the rate of twenty two percent (22%) per annum from the due date thereof until the same is paid ("Default Interest") and thereafter the Interest Rate shall be twelve percent (12%). Interest shall commence accruing on the Issue Date that the Note is fully paid and shall be computed on the basis of a 365-day year and the actual number of days elapsed. All payments due hereunder (to the extent not converted into common stock, \$0.0001 par value per share (the "Common Stock") in accordance with the terms hereof) shall be made in lawful money of the United States of America. All payments shall be made at such address as the Holder shall hereafter give to the Borrower by written notice made in accordance with the provisions of this Note. Each capitalized term used herein, and not otherwise defined, shall have the meaning ascribed thereto in that certain Securities Purchase Agreement dated the date hereof, pursuant to which this Note was originally issued (the "Purchase Agreement").

This Note is free from all taxes, liens, claims and encumbrances with respect to the issue thereof and shall not be subject to preemptive rights or other similar rights of shareholders of the Borrower and will not impose personal liability upon the holder thereof.

The following terms shall apply to this Note:

ARTICLE I. PAYMENTS

1.1 Mandatory Prepayment. 10% of future Purchase Notices from the existing ClearThink Capital Partners' STRATA Purchase Agreement must be directed toward repayment of this Note until the Note is paid off.

ARTICLE II. CERTAIN COVENANTS

2.1 Sale of Assets. So long as the Borrower shall have any obligation under this Note, the Borrower shall not, without the Holder's written consent, sell, lease or otherwise dispose of any significant portion of its assets outside the ordinary course of business. Any consent to the disposition of any assets may be conditioned on a specified use of the proceeds of disposition.

ARTICLE III. EVENTS OF DEFAULT

If any of the following events of default (each, an "Event of Default") shall occur while amounts are owed under this Note:

3.1 Failure to Pay Principal and Interest. The Borrower fails to pay the principal hereof or interest thereon when due on this Note, whether at maturity or upon acceleration and such breach continues for a period of five (5) days after written notice from the Holder.

3.2 Breach of Covenants. The Borrower breaches any material covenant or other material term or condition contained in this Note and any related collateral documents including but not limited to the Purchase Agreement and such breach continues for a period of thirty (30) days after written notice thereof to the Borrower from the Holder.

3.3 Breach of Representations and Warranties. Any representation or warranty of the Borrower made herein or in any agreement, statement or certificate given in writing pursuant hereto or in connection herewith (including, without limitation, the Purchase Agreement), shall be false or misleading in any material respect when made and the breach of which has (or with the passage of time will have) a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

3.4 Receiver or Trustee. The Borrower or any subsidiary of the Borrower shall make an assignment for the benefit of creditors, or apply for or consent to the appointment of a receiver or trustee for it or for a substantial part of its property or business, or such a receiver or trustee shall otherwise be appointed.

3.5 Bankruptcy. Bankruptcy, insolvency, reorganization or liquidation proceedings or other proceedings, voluntary or involuntary, for relief under any bankruptcy law or any law for the relief of debtors shall be instituted by or against the Borrower or any subsidiary of the Borrower.

3.6 Delisting of Common Stock. The Borrower shall fail to maintain the listing of the Common Stock on at least one of the OTC (which specifically includes the quotation platforms maintained by the OTC Markets Group) or an equivalent replacement exchange, the Nasdaq National Market, the Nasdaq SmallCap Market, the New York Stock Exchange, or the American Stock Exchange.

3.7 Failure to Comply with the Exchange Act. The Borrower shall fail to comply with the reporting requirements of the Exchange Act for a period of in excess of twenty (20) days; and/or the Borrower shall cease to be subject to the reporting requirements of the Exchange Act.

3.8 Liquidation. Any dissolution, liquidation, or winding up of Borrower or any substantial portion of its business.

3.9 Cessation of Operations. Any cessation of operations by Borrower or Borrower admits it is otherwise generally unable to pay its debts as such debts become due, provided, however, that any disclosure of the Borrower's ability to continue as a "going concern" shall not be an admission that the Borrower cannot pay its debts as they become due.

3.10 Financial Statement Restatement. The restatement of any financial statements filed by the Borrower with the SEC at any time after 180 days after the Issuance Date for any date or period until this Note is no longer outstanding, if the result of such restatement would, by comparison to the un-restated financial statement, have constituted a material adverse effect on the rights of the Holder with respect to this Note or the Purchase Agreement.

3.11 Replacement of Transfer Agent. In the event that the Borrower proposes to replace its transfer agent, the Borrower fails to provide, prior to the effective date of such replacement, a fully executed Irrevocable Transfer Agent Instructions in a form as initially delivered pursuant to the Purchase Agreement (including but not limited to the provision to irrevocably reserve shares of Common Stock in the Reserved Amount) signed by the successor transfer agent to Borrower and the Borrower.

3.12 Cross-Default. Notwithstanding anything to the contrary contained in this Note or the other related or companion documents, a breach or default by the Borrower of any covenant or other term or condition contained in any of the Other Agreements, after the passage of all applicable notice and cure or grace periods, shall, at the option of the Holder, be considered a default under this Note and the Other Agreements, in which event the Holder shall be entitled (but in no event required) to apply all rights and remedies of the Holder under the terms of this Note and the Other Agreements by reason of a default under said Other Agreement or hereunder. "Other Agreements" means, collectively, all agreements and instruments between, among or by: (1) the Borrower, and, or for the benefit of, (2) the Holder and any affiliate of the Holder, including, without limitation, promissory notes; provided, however, the term "Other Agreements" shall not include the related or companion documents to this Note. Each of the loan transactions will be cross-defaulted with each other loan transaction and with all other existing and future debt of Borrower to the Holder.

ARTICLE IV. MISCELLANEOUS

4.1 Failure or Indulgence Not Waiver. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privileges. All rights and remedies existing hereunder are cumulative to, and not exclusive of, any rights or remedies otherwise available.

4.2 Notices. All notices, demands, requests, consents, approvals, and other communications required or permitted hereunder shall be in writing and, unless otherwise specified herein, shall be (i) personally served, (ii) deposited in the mail, registered or certified, return receipt requested, postage prepaid, (iii) delivered by reputable air courier service with charges prepaid, or (iv) transmitted by hand delivery, telegram, or facsimile, addressed as set forth below or to such other address as such party shall have specified most recently by written notice. 4.7 Purchase Agreement. By its acceptance of this Note, each party agrees to be bound by the applicable terms of the Purchase Agreement.

4.8 Remedies. The Borrower acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Holder, by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Borrower acknowledges that the remedy at law for a breach of its obligations under this Note will be inadequate and agrees, in the event of a breach or threatened breach by the Borrower of the provisions of this Note, that the Holder shall be entitled, in addition to all other available remedies at law or in equity, and in addition to the penalties assessable herein, to an injunction or injunctions restraining, preventing or curing any breach of this Note and to enforce specifically the terms and provisions thereof, without the necessity of showing economic loss and without any bond or other security being required.

PURCHASE AGREEMENT

This **PURCHASE AGREEMENT** (this "**Agreement**"), dated as of January 30, 2024, is entered into by and between FOXO Technologies, Inc., a Delaware corporation, (the "**Company**"), and ClearThink Capital Partners, LLC, a Delaware limited liability company (the "**Buyer**").

A. The Company and the Buyer are executing and delivering this Agreement in reliance upon the exemption from securities registration afforded by the rules and regulations as promulgated by the United States Securities and Exchange Commission (the "**SEC**") under the Securities Act of 1933, as amended (the "**1933 Act**").

B. Upon the terms and conditions stated in this Agreement, the Buyer desires to purchase and the Company desires to issue and sell, upon the terms and conditions set forth in this Agreement (i) a Promissory Note of the Company, in the form attached hereto as **Exhibit A** (the "**Note**"), in the original principal amount of up to \$750,000.00 (the "**Original Principal Amount**") (together with any note(s) issued in replacement thereof or as a dividend thereon or otherwise with respect thereto in accordance with the terms thereof, the "**Note**").

NOW THEREFORE, the Company and the Buyer hereby agree as follows:

1. **Purchase and Sale.** On the Closing Dates (as defined below), the Company shall issue and sell to the Buyer and the Buyer agrees to purchase from the Company the (i) Notes in the original principal amount of up to \$750,000.00.

1.1. **Form of Payment.** On the Closing Dates, (i) the Buyer shall pay the purchase price of \$100,000 (the "**Purchase Price**") at the initial Closing or subsequent Closings (as defined below) by wire transfer of immediately available funds to a Company account designated by the Company, in accordance with the Company's written wiring instructions, against delivery of the Securities, and (ii) the Company shall deliver such duly executed Securities on behalf of the Company, to the Buyer, against delivery of such Purchase Price.

1.2. **Closing Dates.** The date and time of the issuance and sale of the Securities pursuant to this Agreement (the "**Closing Dates**") shall be on or about January 30, 2024, and other mutually agreed upon times through April 30, 2024. The closings of the transactions contemplated by this Agreement (the "**Closings**") shall occur on the Closing Dates at such location as may be agreed to by the parties.

2. **Buyer's Investment Representations; Governing Law; Miscellaneous.**

2.1 **Buyer's Investment Representations.**

(a) This Agreement is made in reliance upon the Buyer's representation to the Company, which by its acceptance hereof Buyer hereby confirms, that the Securities to be received by it will be acquired for investment for its own account, not as a nominee or agent, and not with a view to the sale or distribution of any part thereof, and that it has no present intention of selling, granting participation in, or otherwise distributing the same, but subject nevertheless to any requirement of law that the disposition of its property shall at all times be within its control.

(b) The Buyer understands that the Securities are not registered under the 1933 Act, on the basis that the sale provided for in this Agreement and the issuance of securities hereunder is exempt from registration under the 1933 Act pursuant to Section 4(a)(2) thereof, and that the Company's reliance on such exemption is predicated on the Buyer's representations set forth herein. The Buyer realizes that the basis for the exemption may not be present if, notwithstanding such representations, the Buyer has in mind merely acquiring shares of the Securities for a fixed or determinable period in the future, or for a market rise, or for sale if the market does not rise. The Buyer does not have any such intention.

(c) The Buyer understands that the Securities may not be sold, transferred, or otherwise disposed of without registration under the 1933 Act or an exemption therefrom, and that in the absence of an effective registration statement covering the Securities or an available exemption from registration under the 1933 Act, the Stock must be held indefinitely. In particular, the Buyer is aware that the Securities may not be sold pursuant to Rule 144 or Rule 701 promulgated under the 1933 Act unless all of the conditions of the applicable Rules are met. Among the conditions for use of Rule 144 is the availability of current information to the public about the Company. Such information is not now available, and the Company has no present plans to make such information available. The Buyer represents that, in the absence of an effective registration statement covering the Securities, it will sell, transfer, or otherwise dispose of the Securities only in a manner consistent with its representations set forth herein and then only in accordance with the provisions of Section 5(d) hereof.

(d) The Buyer agrees that in no event will it make a transfer or disposition of any of the Securities (other than pursuant to an effective registration statement under the 1933 Act), unless and until (i) the Buyer shall have notified the Company of the proposed disposition and shall have furnished the Company with a statement of the circumstances surrounding the disposition, and (ii) if requested by the Company, at the expense of the Buyer or transferee, the Buyer shall have furnished to the Company either (A) an opinion of counsel, reasonably satisfactory to the Company, to the effect that such transfer may be made without registration under the 1933 Act or (B) a "no action" letter from the Securities and Exchange Commission to the effect that the transfer of such securities without registration will not result in a recommendation by the staff of the Securities and Exchange Commission that action be taken with respect thereto. The Company will not require such a legal opinion or "no action" letter in any transaction in compliance with Rule 144.

(e) The Buyer represents and warrants to the Company that it is an "accredited investor" within the meaning of Securities and Exchange Commission Rule 501 of Regulation D, as presently in effect and, for the purpose of Section 25102(f) of the Delaware Corporations Code, he or she is excluded from the count of "purchasers" pursuant to Rule 260.102.13 thereunder.

2.2 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York without regard to principles of conflicts of laws. Any action brought by either party against the other concerning the transactions contemplated by this Agreement shall be brought only in the state courts of New York or in the federal courts located in New York, New York. The parties to this Agreement hereby irrevocably waive any objection to jurisdiction and venue of any action instituted hereunder and shall not assert any defense based on lack of jurisdiction or venue or based upon *forum non conveniens*. In the event that any provision of this Agreement or any other agreement delivered in connection herewith is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any such provision which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision of any agreement. Each party hereby irrevocably waives personal service of process and consents to process being served in any suit, action or proceeding in connection with this Agreement or any other Transaction Document by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by law. THE COMPANY HEREBY IRREVOCABLY WAIVES ANY RIGHT IT MAY HAVE TO, AND AGREES NOT TO REQUEST, A JURY TRIAL FOR THE ADJUDICATION OF ANY DISPUTE

2.3 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party.

2.4 Headings. The headings of this Agreement are for convenience of reference only and shall not form part of, or affect the interpretation of, this Agreement.

2.5 Severability. In the event that any provision of this Agreement is invalid or unenforceable under any applicable statute or rule of law, then such provision shall be deemed inoperative to the extent that it may conflict therewith and shall be deemed modified to conform with such statute or rule of law. Any provision hereof which may prove invalid or unenforceable under any law shall not affect the validity or enforceability of any other provision hereof.

2.6 Entire Agreement; Amendments. This Agreement and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor the Buyer makes any representation, warranty, covenant or undertaking with respect to such matters. No provision of this Agreement may be waived or amended other than by an instrument in writing signed by the Buyer.

2.7 Notices. Any notice required or permitted hereunder shall be given in writing (unless otherwise specified herein) and shall be deemed effectively given on the earliest of:

2.7.1 the date delivered, if delivered by personal delivery as against written receipt therefor or by e-mail to an executive officer, or by confirmed facsimile,

2.7.2 the fifth Trading Day after deposit, postage prepaid, in the United States Postal Service by registered or certified mail, or

2.7.3 the third Trading Day after mailing by domestic or international express courier, with delivery costs and fees prepaid, in each case, addressed to each of the other parties thereunto entitled at the following addresses (or at such other addresses as such party may designate by ten (10) calendar days' advance written notice similarly given to each of the other parties hereto):

2.8 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. Notwithstanding anything to the contrary herein, the rights, interests or obligations of the Company hereunder may not be assigned, by operation of law or otherwise, in whole or in part, by the Company without the prior written consent of the Buyer, which consent may be withheld at the sole discretion of the Buyer; *provided, however*, that in the case of a merger, sale of substantially all of the Company's assets or other corporate reorganization, the Buyer shall not unreasonably withhold, condition or delay such consent. This Agreement or any of the severable rights and obligations inuring to the benefit of or to be performed by Buyer hereunder may be assigned by Buyer to a third party, including its financing sources, in whole or in part, without the need to obtain the Company's consent thereto.

2.9 Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

2.10 Survival. The representations and warranties of the Company and the agreements and covenants set forth in this Agreement shall survive the Closing hereunder notwithstanding any due diligence investigation conducted by or on behalf of the Buyer. The Company agrees to indemnify and hold harmless the Buyer and all its officers, directors, employees, attorneys, and agents for loss or damage arising as a result of or related to any breach or alleged breach by the Company of any of its representations, warranties and covenants set forth in this Agreement or any of its covenants and obligations under this Agreement, including advancement of expenses as they are incurred.

2.11 No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

2.12 Remedies. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Buyer by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Agreement will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Agreement, that the Buyer shall be entitled, in addition to all other available remedies at law or in equity, and in addition to the penalties assessable herein, to an injunction or injunctions restraining, preventing or curing any breach of this Agreement and to enforce specifically the terms and provisions hereof, without the necessity of showing economic loss and without any bond or other security being required.

2.13 Buyer's Rights and Remedies Cumulative. All rights, remedies, and powers conferred in this Agreement and the Transaction Documents on the Buyer are cumulative and not exclusive of any other rights or remedies, and shall be in addition to every other right, power, and remedy that the Buyer may have, whether specifically granted in this Agreement or any other Transaction Document, or existing at law, in equity, or by statute; and any and all such rights and remedies may be exercised from time to time and as often and in such order as the Buyer may deem expedient.

2.14 Attorneys' Fees and Cost of Collection. In the event of any action at law or in equity to enforce or interpret the terms of this Agreement or any of the other Transaction Documents, the parties agree that the party who is awarded the most money shall be deemed the prevailing party for all purposes and shall therefore be entitled to an additional award of the full amount of the attorneys' fees and expenses paid by such prevailing party in connection with the litigation and/or dispute without reduction or apportionment based upon the individual claims or defenses giving rise to the fees and expenses. Nothing herein shall restrict or impair a court's power
