**APELLIS PHARMACEUTICALS, INC.**  
**NOTES TO UNAUDITED CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**(unaudited)**

**1. Nature of Organization and Operations**

Apellis Pharmaceuticals, Inc. (the "Company") is a commercial-stage biopharmaceutical company focused on the discovery, development and commercialization of novel therapeutic compounds to treat diseases with high unmet needs through the inhibition of the complement system, which is an integral component of the immune system, at the level of C3, the central protein in the complement cascade.

The Company was incorporated in September 2009 under the laws of the State of Delaware. The Company's principal executive offices are located in Waltham, Massachusetts. The Company's operations since inception have been limited to organizing and staffing the Company, acquiring rights to product candidates, business planning, raising capital, developing its product candidates, commercializing EMPAVELI (pegcetacoplan) for the treatment of paroxysmal nocturnal hemoglobinuria ("PNH") and SYFOVRE (pegcetacoplan injection) for the treatment of geographic atrophy secondary to age-related macular degeneration ("GA").

The Company is subject to risks common in the biotechnology industry including, but not limited to, raising additional capital, development by its competitors of new technological innovations, its ability to successfully complete preclinical and clinical development of product candidates and receive timely regulatory approval of products, market acceptance of

the Company's products, protection of proprietary technology, healthcare cost containment initiatives, and compliance with governmental regulations, including those of the U.S. Food and Drug Administration ("FDA").

#### **Liquidity and Going Concern**

The accompanying unaudited condensed consolidated financial statements have been prepared on the basis of the realization of assets and the satisfaction of liabilities and commitments in the normal course of business. From inception to **June 30, 2024** **September 30, 2024**, the Company has incurred cash outflows from operations, losses from operations and had an accumulated deficit of **\$2.9** **\$3.0** billion primarily as a result of expenses incurred through a combination of research and development activities related to the Company's various product candidates and expenses supporting those activities.

As of **August 1, 2024** **November 5, 2024**, the date of issuance of these unaudited condensed consolidated financial statements, the Company believes that its cash and cash equivalents of **\$360.1** **396.9** million as of **June 30, 2024** **September 30, 2024**, combined with cash anticipated to be generated from sales of **EMPAVELI** and **SYFOVRE** will be sufficient to fund its operations and capital expenditures for at least the next twelve months.

#### **2. Basis of Presentation and Summary of Significant Accounting Policies**

##### **Basis of Presentation**

The accompanying unaudited condensed consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation. The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP") and following the requirements of the Securities and Exchange Commission (the "SEC") for interim reporting. As permitted under those rules, certain footnotes or other financial information that are normally required by U.S. GAAP have been condensed or omitted and, accordingly, the consolidated balance sheet as of December 31, 2023 has been derived from audited consolidated financial statements at that date but does not include all of the information required by U.S. GAAP for complete financial statements. These financial statements have been prepared on the same basis as the Company's annual financial statements and, in the opinion of management, reflect all adjustments (consisting only of normal recurring adjustments) that are necessary for a fair presentation of the Company's financial information. The results of operations for the three and **six** **nine** months ended **June 30, 2024** **September 30, 2024** are not necessarily indicative of the results to be expected for the year ending December 31, 2024 or for any other interim period or for any other future year.

The accompanying unaudited condensed consolidated financial statements and related financial information should be read in conjunction with the audited consolidated financial statements and the related notes thereto for the year ended December 31, 2023 included in the Company's Annual Report on Form 10-K filed with the SEC on February 27, 2024, as amended by Amendment No. 1 thereto filed with the SEC on February 29, 2024 (the "2023 Form 10-K").

##### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates. Management considers many factors in selecting appropriate financial accounting policies and controls, and in developing the estimates and assumptions that are used in the preparation of these financial statements. Management must apply significant judgment in this process. In addition, other factors may affect estimates, including expected business and operational changes, sensitivity and volatility associated with the assumptions used in developing estimates, and whether historical trends are expected to be representative of future trends. The estimation process often may yield a range of potentially reasonable estimates of the ultimate future outcomes, and management must select an amount that falls within that range of reasonable estimates. Estimates are used in the following areas, among others: development liability, accrued expenses, prepaid expenses, convertible debt, reserves for variable consideration, reserves for excess or obsolete inventories, and income taxes.

##### **Summary of Significant Accounting Policies**

Reference is made to Note 2 Summary of Significant Accounting Policies in our 2023 Form 10-K for a detailed description of significant accounting policies. There have been no significant changes to our accounting policies as disclosed in our 2023 Form **10-K**, **10-K**, except as noted below.

##### **Accounts Receivable**

The Company's accounts receivable primarily arise from product sales. They are generally stated at the invoiced amount and do not bear interest. The accounts receivable from product sales represents receivables due from the Company's SPs or SDs. The Company has had no historical write offs of its accounts receivable as of September 30, 2024 and

December 31, 2023, and its payment terms are generally 30-65 days for EMPAVELI and 60-150 days for SYFOVRE. The Company monitors the financial performance and creditworthiness of its customers and provides reserves against trade receivables for expected credit losses that may result from a customer's inability to pay. Amounts determined to be uncollectible are written-off against the established reserve. As of September 30, 2024 and December 31, 2023, the credit profiles for the Company's customers were deemed to be in good standing and an allowance for credit losses was not considered necessary.

The Company has an agreement (the "Factoring Agreement") to sell certain trade accounts receivable to a third-party financial institution at a discount to the invoiced amount. Under the Factoring Agreement, the maximum amount of outstanding accounts receivables sold at any time is \$100.0 million. The Company accounts for the transfer of trade accounts receivable under the Factoring Agreement as a sale in accordance with ASC 860, *Transfers and Servicing*, because effective control and risk associated with the transferred accounts receivable is passed to the third-party. Accordingly, the Company derecognizes the sold trade accounts receivable from the consolidated balance sheets. Cash proceeds related to the accounts receivable sold are included in cash from operating activities in the consolidated statements of cash flows. Any discounts or fees incurred in connection with the sales are recorded within "Selling, general and administrative expenses" in the consolidated statements of operations and comprehensive loss. Pursuant to the Factoring Agreement, the Company performs certain collection and administrative functions for the receivable sold. The fair value of these administrative services is not material and therefore, the Company has not recorded any servicing assets or liabilities associated with the Factoring Agreement. See Note 3 for additional information.

#### **Inventory**

Inventory is recorded at the lower of cost or net realizable value, with cost determined on a first-in, first-out basis. Inventory costs include third-party contract manufacturing, third-party packaging services, and freight. The Company performs an assessment of the recoverability of capitalized inventory during each reporting period, and it writes down any excess and obsolete inventories to their estimated realizable value in the period in which the impairment is first identified. Such impairment charges, should they occur, are recorded within cost of sales. The determination of whether inventory costs will be realizable requires estimates by management. If actual market conditions are less favorable than projected by management, additional write-downs of inventory may be required which would be recorded as a cost of sales in the consolidated statements of operations and comprehensive loss.

Inventory not expected to be sold within the Company's normal operating cycle is classified as long-term inventory on the condensed consolidated balance sheet. Prior to regulatory approval of its product candidates, the Company expenses costs associated with the manufacturing of its product candidates to research and development expense unless the Company is reasonably certain such costs will have future commercial use and net realizable value. When the Company believes regulatory approval and subsequent commercialization of its product candidates is probable, and the Company also expects future economic benefit from the sales of the product candidates to be realized, the Company

---

#### Table of Contents

will then capitalize the costs of production as inventory. Inventory that can be used in either the production of clinical or commercial product is expensed as research and development expense when selected for use in a clinical manufacturing campaign.

Prior to receiving FDA approval for EMPAVELI on May 14, 2021, the Company included in research and development expense the costs associated with the manufacture of EMPAVELI inventory to be sold upon commercialization. As a result, the manufacturing costs related to the EMPAVELI inventory build-up incurred before FDA approval were expensed in a prior period and are, therefore, excluded from the cost of goods sold and inventory. As of September 30, 2024 and December 31, 2023, the remaining pre-FDA approved inventory was \$15.4 million and \$19.4 million, respectively, which primarily consisted of raw materials.

Shipping and handling costs for product shipments are recorded as incurred in cost of sales along with costs associated with manufacturing the product and any inventory write-downs.

#### **Recently Issued Accounting Standards**

In December 2023, the Financial Accounting Standards Board ("FASB") issued an amendment to the accounting guidance on income taxes which requires entities to provide additional information in the rate reconciliation and additional disaggregated disclosures about income taxes paid. This guidance requires public entities to disclose in their rate reconciliation table additional categories of information about federal, state, and foreign income taxes and to provide more details about the reconciling items in some categories if the items meet a quantitative threshold. The guidance is effective for annual periods beginning after December 15, 2024. The Company is currently evaluating this guidance to determine the impact it may have on its consolidated financial statements and disclosures.

In November 2023, the FASB issued an amendment to the accounting guidance on segment reporting. The amendments require disclosure of significant segment expenses and other segment items and requires entities to provide in interim periods all disclosures about a reportable segment's profit or loss and assets that are currently required annually. The amendment also requires disclosure of the title and position of the chief operating decision maker ("CODM") and an explanation of how the CODM uses the reported measure(s) of segment profit or loss in assessing segment performance and deciding how to allocate resources. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15.

2024. Retrospective application is required, and early adoption is permitted. The Company is currently evaluating the impact the guidance will have on its consolidated financial statements and disclosures.

#### **3. Product Revenues, Accounts Receivable, and Reserves for Product Sales**

The Company received FDA approval for the sale of EMPAVELI in the United States in May 2021 and approval for the sale of SYFOVRE in the United States in February 2023. The Company's product revenues consist of sales of EMPAVELI and SYFOVRE to specialty pharmacies and specialty distributors.

The table reflects product revenue by major source for the following periods (in thousands):

Products:	Three Months Ended June 30,		Six Months Ended June 30,		Three Months Ended September 30,		Nine Months Ended September 30,

The Company's accounts receivable balance of \$304.4 million as of June 30, 2024 and \$206.4 million as of December 31, 2023, consisted of EMPAVELI and SYFOVRE product sales receivable and licensing and other revenue receivables from our collaboration with Swedish Orphan Biovitrum AB ("Sobi"). The Company does not have a reserve related to expected credit losses against its receivable balance and expects to collect its accounts receivable in the ordinary course of business.

## 6. Development Liability

In 2019, the Company entered into a development funding agreement (as amended, the "SFJ agreement") with SFJ Pharmaceuticals Group ("SFJ"), under which SFJ agreed to provide funding to the Company to support the development of pegcetacoplan for the treatment of patients with PNH. Under the SFJ agreement, SFJ paid the Company an aggregate of \$140.0 million between June 2019 and January 2020.

Under the SFJ agreement, the Company granted a security interest to SFJ in all of its assets, excluding intellectual property and license agreements to which it is a party. In connection with the grant of the security interest, the Company agreed to certain affirmative and negative covenants, including restrictions on its ability to pay dividends, incur additional debt or enter into licensing transactions with respect to its intellectual property, other than specified types of licenses.

12

## Table of Contents

Following regulatory approval for the use of systemic pegcetacoplan as a treatment for PNH by the FDA in May 2021 and by the European Medicines Agency in December 2021, the Company became obligated to pay SFJ an aggregate of \$460.0 million in payments over the period from the time of each regulatory approval until the sixth anniversary of each regulatory approval. The Company paid SFJ a total of \$94.0 million through March 31, 2024.

From December 15, 2021 to the final annual payment due in December 2027, the development liability was accreted from its initial carrying amount to the total payment amount using the effective interest rate method over the remaining life of the SFJ agreement.

11

## Table of Contents

The difference between the carrying amount and the total payment amount is presented as a discount to the development liability. The accretion is recorded as interest expense in the unaudited condensed consolidated statement of operations.

In May 2024, the Company paid its remaining obligations under the SFJ agreement in full with \$326.5 million of proceeds from the Sixth Street Financing Agreement (as defined below) (see Note 8). Upon such payment, SFJ released its security interest in the Company's assets at that time. The Company concluded that the development liability was extinguished as of the payoff date, and the difference of \$1.9 million between the reacquisition price of \$326.5 million and the net carrying value of the development liability of \$324.6 million was recorded as a loss on the extinguishment of the development liability in the unaudited condensed consolidated statement of operations for the **three** **nine** month period ended **June 30, 2024** **September 30, 2024**.

The following table summarizes the development liability (in thousands):

For the three **and six** months ended **June 30, 2024** **September 30, 2024** the Company did not record interest expense for the accretion of the development liability. For the **nine** months ended **September 30, 2024**, interest expense of \$2.9 million and \$8.9 million **respectively**, was recorded for the accretion of the development liability.

For the three and **six** **nine** months ended **June 30, 2023** **September 30, 2023**, interest expense of \$6.5 **6.4** million and \$13.1 **19.5** million, respectively, was recorded for the accretion of the development liability.

## 8. Long-term Debt

### Convertible Senior Notes

On September 16, 2019, the Company completed a private offering of convertible notes (the "2019 Convertible Notes") with an aggregate principal amount of \$220.0 million issued pursuant to an indenture (the "Indenture") with U.S. Bank National Association, as trustee.

### Table of Contents

The net proceeds from the sale of the 2019 Convertible Notes were approximately \$212.9 million after deducting the initial purchasers' discounts and commissions of \$6.6 million and offering expenses of \$0.5 million. The Company used \$28.4 million of the net proceeds to pay the cost of the capped call transactions in September 2019 described below.

On May 12, 2020, the Company issued convertible notes (the "2020 Convertible Notes") with an aggregate principal amount of \$300.0 million. The net proceeds from the sale of the 2020 Convertible Notes were approximately \$322.9 million after deducting the purchasers' discounts and commission of \$5.7 million and offering expenses of \$0.3 million. The Company used \$43.1 million of the net proceeds to pay the cost of the additional capped call transactions in May 2020 described below.

#### [Table of Contents](#)

The 2019 Convertible Notes and the 2020 Convertible Notes are referred to together as the Convertible Notes. The Convertible Notes are senior unsecured obligations of the Company and bear interest at a rate of 3.5% per year payable semiannually in arrears on March 15 and September 15 of each year, beginning on March 15, 2020. The Convertible Notes will mature on September 15, 2026, unless converted earlier, redeemed or repurchased in accordance with their terms.

The Convertible Notes are convertible into shares of the Company's common stock at an initial conversion rate of 25.3405 shares per \$1,000 principal amount of Convertible Notes (equivalent to an initial conversion price of approximately \$39.4625 per share of common stock). The conversion rate is subject to customary anti-dilution adjustments. In addition, following certain events that occur prior to the maturity date or if the Company delivers a notice of redemption, the Company will increase the conversion rate for a holder who elects to convert its Convertible Notes in connection with such corporate event or a notice of redemption, as the case may be, in certain circumstances as provided in the Indenture.

Prior to March 15, 2026, the Convertible Notes are convertible only under the following circumstances:

- during any calendar quarter, if the last reported sale price of the Company's common stock for at least 20 trading days (whether or not consecutive) during a period of 30 consecutive trading days ending on, and including, the last trading day of the immediately preceding calendar quarter is greater than or equal to 130% of the conversion price on each applicable trading day;
- during the five business day period after any five consecutive trading day period in which the trading price per \$1,000 principal amount of the Convertible Notes for each such trading day was less than 98% of the product of the last reported sale price of the Company's common stock and the conversion rate on each such trading day;
- if the Company calls any or all of the Convertible Notes for redemption, at any time prior to the close of business on the second scheduled trading day immediately preceding the redemption date; or
- upon the occurrence of corporate events specified in the Indenture.

On or after March 15, 2026 until the close of business on the second scheduled trading day immediately preceding the maturity date of the Convertible Notes, holders may convert the Convertible Notes at any time regardless of the foregoing circumstances. Upon conversion of the Convertible Notes, the Company will pay or deliver, as the case may be, cash, shares of the Company's common stock or a combination of cash and shares of common stock, at the Company's election.

On or after September 20, 2023, the Company may redeem for cash all or a portion of the Convertible Notes, at its option, if the last reported sale price of the Company's common stock has been at least 130% of the conversion price then in effect for at least 20 trading days (whether or not consecutive), including the trading day immediately preceding the date on which the Company provides a notice of redemption, during any 30 consecutive trading day period ending on, and including, the trading day immediately preceding the date on which the Company provides notice of redemption. The redemption price will be equal to 100% of the principal amount of the Convertible Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date. If the Company calls any Convertible Notes for redemption, it will constitute a "make-whole fundamental change" with respect to such Convertible Notes, in which case the conversion rate applicable to the conversion of such Notes, if converted in connection with the redemption, will be increased in certain circumstances. The Company has not called for redemption or redeemed any of the Convertible Notes as of **June 30, 2024** **September 30, 2024**.

If the Company undergoes a "fundamental change," as defined in the Indenture, prior to maturity, subject to certain conditions, holders may require the Company to repurchase for cash all or any portion of their Convertible Notes at a fundamental change repurchase price equal to 100% of the principal amount of the notes to be repurchased, plus any accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

In January 2021, July 2021 and July 2022, the Company entered into separate, privately negotiated exchange agreements to modify the conversion terms with certain holders of its 2019 Convertible Notes and 2020 Convertible Notes. Under the terms of these exchange agreements, in January 2021, July 2021 and July 2022, the holders exchanged approximately \$126.1 million of 2019 Convertible Notes, \$201.1 million of 2019 Convertible Notes and 2020 Convertible Notes, and \$98.1 million of 2020 Convertible Notes, respectively, in

aggregate principal amount held by them for an aggregate of 3,906,869 shares, 5,992,217 shares and 3,027,018 shares, respectively, of common stock issued by the Company. In accordance with FASB ASC Topic 470-20, "Debt – Debt with Conversion and Other Options," ("ASC 470-20") the Company accounted for the exchange as an induced conversion based on the short period of time the conversion offer was open and the substantive conversion feature offer. The Company accounted for the conversion of the debt as an inducement by expensing the fair value of the shares that were issued in excess of the original terms of the Convertible Notes.

The conditional conversion feature of the Convertible Notes was triggered as of December 31, 2023, and as a result the Convertible Notes were convertible at the option of the holders until March 31, 2024. No Convertible Notes were converted during this period.

As of **June 30, 2024** **September 30, 2024**, the Company held in treasury Convertible Notes in principal amount of \$425.4 million which notes had not been cancelled.

The outstanding balance of the Convertible Notes as of **June 30, 2024** **September 30, 2024** and December 31, 2023 consisted of the following (in thousands):

#### Capped Call Transactions

On September 11, 2019 and May 6, 2020, concurrently with the pricings of the Convertible Notes, the Company entered into capped call transactions with two counterparties. The capped call transactions are expected generally to reduce the potential dilution to the Company's common stock upon any conversion of Convertible Notes and/or offset any cash payments the Company is required to make in excess of the principal amount of converted Convertible Notes, as the case may be, in the event that the market price per share of the Company's common stock, as measured under the terms of the capped call transactions, is greater than the strike price of the capped call transactions, which is initially \$39.4625 (the conversion price of the Convertible Notes) and is subject to anti-dilution adjustments substantially similar to those applicable to the conversion rate of such Convertible Notes. If, however, the market price per share of the Company's common stock, as measured under the terms of the capped call transactions, exceeds the cap price of the capped call transactions, which is initially \$63.14 per share, there would nevertheless be dilution and/or there would not be an offset of such potential cash payments, in each case, to the extent that such market price exceeds the cap price of the capped call transactions.

On February 27, 2024, the Company unwound a portion of the capped call transactions with the capped call counterparties, which resulted in cash proceeds to the Company of \$98.8 million. The unwind transactions were settled at a volume-weighted average price per share of \$64.11 on March 8, 2024.

As of **June 30, 2024** **September 30, 2024**, the Company holds remaining capped call transactions in a notional amount corresponding to \$93.9 million principal amount of Convertible Notes.

**Financing Agreement and Credit Facility**

On May 13, 2024, the Company and certain of its subsidiaries entered into a financing agreement (the "Sixth Street Financing Agreement") with the lenders party thereto (the "Lenders"), and Sixth Street Lending Partners ("Sixth Street"), as the administrative agent and collateral agent for the Lenders.

The Sixth Street Financing Agreement provides for a senior secured term loan facility of up to \$475.0 million (the "Credit Facility"), consisting of an initial draw of \$375.0 million at closing and a potential additional \$100.0 million draw at the Company's option upon satisfaction of a \$50.0 million minimum cash requirement and a requirement that the Company's trailing three-month sales of

[Table of Contents](#)

SYFOVRE is at least \$180.0 million prior to the \$100.0 million draw. The Company can exercise the option for the \$100.0 million draw through September 30, 2025, assuming such requirements are met.

The Credit Facility matures on May 13, 2030 (the "Maturity Date") and bears interest at (i) in the case of SOFR Loans, an annual rate equal to 3-month Term SOFR (subject to 1.00% floor), plus 5.75%, and (ii) in the case of Base Rate Loans, an annual rate equal to the base rate as defined in the agreement (subject to 2.00% floor), plus 4.75%. Certain additional commitment and undrawn amount fees are also payable in connection with the Credit Facility.

The net proceeds from the initial draw of the Credit Facility were approximately **\$363.9 358.2** million, net of **\$11.1 16.8** million of issuance costs. The Company used \$326.5 million of the proceeds from the initial draw of the Credit Facility to buy out its remaining obligations to SFJ. The buyout of the SFJ development liability eliminated \$366.0 million in payments to SFJ between 2024 and 2027, including approximately \$200.0 million payable through 2025 (See Note 6).

The Credit Facility does not provide for scheduled amortization payments during the term. All principal will be due on the Maturity Date. The Company will have the right to prepay loans under the Credit Facility at any time. The Company is required to repay loans under the Credit Facility with proceeds from certain asset sales, condemnation events and extraordinary receipts, subject, in some cases, to reinvestment rights. Repayments are subject to a prepayment premium. Repayments may be made after the first year of the loan and are subject to a prepayment premium up to 3% depending on timing.

All obligations under the Sixth Street Financing Agreement **will be are** secured on a first-priority basis, subject to certain exceptions, by security interests in substantially all assets of the Company and certain subsidiaries of the Company, including its intellectual property, and **will be are** guaranteed by certain subsidiaries of the Company, including foreign subsidiaries, subject to certain exceptions.

The Sixth Street Financing Agreement contains customary covenants, including, without limitation, a financial covenant to maintain liquidity of at least \$50.0 million if the Company's market capitalization is below \$3.0 billion, and negative covenants that, subject to certain exceptions, restrict indebtedness, liens, investments (including acquisitions), fundamental changes, asset sales and licensing transactions, dividends, modifications to material agreements, payment of subordinated indebtedness, and other matters customarily restricted in such agreements. Among other permissions, the Company is permitted, on terms and conditions set forth on the Sixth Street Financing Agreement, to enter into a separate asset-based financing arrangement with a third party in an amount of up to \$100.0 million, which amount is increased to \$200.0 million upon certain sales or market capitalization thresholds, and to have outstanding convertible unsecured notes in an amount equal to the greater of \$400.0 million and 10% of the Company's market capitalization, but not to exceed \$600.0 million. The Company is subject to restrictions on sales and licensing transactions with respect to its core intellectual property, defined to include SYFOVRE, EMPAVELI, and other pegcetacoplan product assets, subject to certain exceptions, including certain transactions related to areas outside the United States and Europe.

### **10. Fair Value Measurements**

The Company is required to disclose information on the fair value of financial instruments and inputs that enable an assessment of the fair value. The three levels of the fair value hierarchy prioritize valuation inputs based upon the observable nature of those inputs as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities;

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly;

Level 3 – Unobservable inputs that reflect the Company's own assumptions about the assumptions market participants would use in pricing the asset or liability.

The following table presents the fair value of financial instruments recorded originally at amortized cost or fair value and not remeasured on a recurring basis (in thousands):

Balance Sheet Classification	Type of Instrument	June 30, 2024				September 30, 2024				
		Level 1	Level 2	Level 3	Total	Type of Instrument	Level 1	Level 2	Level 3	Total

The Company's Convertible Notes and development liability are financial instruments that are reported in the financial statements at historical cost. The Convertible Notes are Level 1 within the fair value level hierarchy as of **June 30, 2024** **September 30, 2024** and December 31, 2023. The fair value of the Convertible Notes was **\$123.2** **103.6** million as of **June 30, 2024** **September 30, 2024** and \$140.8 million as of December 31, 2023. The Convertible Notes accrue a semi-annual coupon at an annual rate of 3.5%, which was included in accrued expenses in the consolidated balance sheets as of **June 30, 2024** **September 30, 2024** and December 31, 2023.

The fair value of the development liability was \$306.9 million as of December 31, 2023. The development liability is Level 2 within the fair value hierarchy based on the discounting of fixed cash flows using an observed bond yield for borrowers with similar credit rating. Because the development liability was paid in full in May 2024, no amount is included as of **June 30, 2024** **September 30, 2024**.

## 11. Income Taxes

For the three and **six** **nine** months ended **June 30, 2024** **September 30, 2024**, the Company recorded **\$0.1** **0.6** million and **\$0.3** **0.9** million of income tax expense, respectively, primarily pertaining to state and foreign income taxes.

For the three and **six** **nine** months ended **June 30, 2023** **September 30, 2023**, the Company recorded \$0.2 million and **\$0.5** **0.7** million of income tax expense, respectively, primarily pertaining to state and foreign income taxes.

The income tax provision during interim periods is computed by applying an estimated annual effective tax rate to year-to-date pre-tax income, plus adjustments for significant unusual or infrequently occurring items, in accordance with FASB ASC Topic 740-270, *Income Taxes – Interim Reporting*. The income tax provision differs from the U.S. federal statutory rate of 21% primarily due to the effect of valuation allowance against the Company's net deferred tax assets, which reduces the Company's net tax benefit.

Deferred tax assets and deferred tax liabilities are determined based on temporary differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse. A valuation allowance is recorded against deferred tax assets if it is more likely than not that some portion or all of the deferred tax assets will not be realized. The Company has recorded a full valuation allowance against its net deferred tax assets **for the period ended June 30, 2024** **as of September 30, 2024** and December 31, 2023.

## Table of Contents

The Company does not recognize a tax benefit for uncertain tax positions unless it is more likely than not that the position will be sustained upon examination by tax authorities, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The tax benefit that is recorded for these positions is measured at the largest amount of cumulative benefit that has greater than a 50 percent likelihood of being realized upon ultimate settlement. Deferred tax assets that do not meet these recognition criteria are not recorded and the Company recognizes a liability for uncertain tax positions that may result in tax payments. The Company has not recorded any amounts for unrecognized tax benefits **for the period ended June 30, 2024** **as of September 30, 2024** and December 31, 2023. Our policy is to review and update unrecognized tax positions as facts and circumstances change.

In October 2020, the Company and its subsidiaries, Apellis Switzerland GmbH and APL DEL Holdings, LLC, entered into a Collaboration and License Agreement (the "Sobi collaboration agreement") with Sobi, concerning the development and commercialization of pegcetacoplan and specified other structurally and functionally similar compstatin analogues or derivatives for use systemically or for local non-ophthalmological administration (collectively referred to as the "Licensed Products").

Under the Sobi collaboration agreement, the Company granted Sobi an exclusive (subject to certain retained rights of the Company), sublicensable license of certain patent rights and know-how to develop and commercialize Licensed Products in all countries outside of the United States.

The Company retains the right to commercialize Licensed Products in the United States, and, subject to specified limitations, to develop Licensed Products worldwide for commercialization in the United States.

Under the Sobi collaboration agreement, the Company and Sobi agreed to collaborate to develop Licensed Products for certain indications, including PNH, C3G, IC-MPGN and HSCT-TMA (collectively the "Initial Indications"), and any other indications subsequently agreed upon by the parties, for commercialization by or on behalf of the Company in the United States and by or on behalf of Sobi outside of the United States. If the parties do not agree to jointly pursue any development activities for the Licensed Products (whether for an Initial Indication or otherwise), the party proposing to pursue such activities may conduct such activities at its sole expense (with the non-proposing party having the right to obtain rights to the data generated by such development activities by paying a specified percentage of that expense), subject to agreed-upon exceptions that limit each party's unilateral development rights.

The initial development plan sets forth the initial development activities to be conducted by each of the Company and Sobi, with the Company bearing all costs incurred in conducting the activities set forth in such initial development plan, as well as certain specified additional costs that are not included in the initial development plan that may be incurred by the parties in developing Licensed Products for PNH in the European Union and the United Kingdom. The Company and Sobi formed several governance committees to oversee the development and manufacture, and to review and discuss the commercialization, of Licensed Products.

The Company shall supply Licensed Products to Sobi for development and for commercialization outside of the United States in accordance with a supply agreement to be negotiated by the parties. The Sobi collaboration agreement grants Sobi the right to perform or have performed drug product manufacturing of Licensed Products for development and for commercialization outside the United States and to manufacture or have manufactured drug substance under certain circumstances.

Sobi paid the Company an upfront payment of \$250.0 million in November 2020 and agreed to pay up to an aggregate of \$915.0 million upon the achievement of specified one-time regulatory and commercial milestone events, of which the Company received \$50.0 million in April 2022 for the achievement of a regulatory development milestone in Europe. Sobi also agreed to reimburse the Company for up to \$80.0 million in development costs, of which the Company received a total of \$65.0 million through January 2023 and waived the remaining payment of \$15.0 million in January, 2024. The Company will also be entitled to receive tiered, double-digit royalties (ranging from high teens to high twenties) on sales of Licensed Products outside of the United States, subject to customary deductions and third-party payment obligations, until the latest to occur of: (i) expiration of the last-to-expire of specified licensed patent rights; (ii) expiration of regulatory exclusivity; and (iii) ten (10) years after the first commercial sale of the applicable Licensed Product, in each case on a Licensed Product-by-Licensed Product and country-by-country basis. Under the Sobi collaboration agreement, the Company remains responsible for its license fee obligations (including royalty obligations) to the Trustees of the University of Pennsylvania ("Penn"), as a licensor of the Company.

Under the Sobi collaboration agreement, for the three and ~~six~~ nine months ended ~~June 30, 2024~~ September 30, 2024, the Company recognized \$4.4 ~~5.0~~ million and \$8.9 ~~13.9~~ million, respectively, of royalty revenue. Pursuant to such agreements, the Company may indemnify, hold harmless and defend indemnified parties for losses suffered or incurred by the indemnified party. payments the Company could be required to make under these provisions is not determinable. The Company has not incurred any cost to defend lawsuits or settle claims related to these indemnification provisions.

**Legal**—During the normal course of business, the Company may be a party to legal claims that may not be covered by insurance.

On August 2, 2023, Judith M. Soderberg filed a putative class action in the United States District Court for the District of Delaware against the Company and certain current and former executive officers of the Company (the “Complaint”). The Complaint alleges, among other things, that the defendants violated Sections 10(b) and/or 20(a) of the Exchange Act and Rule 10b-5 promulgated thereunder by misrepresenting and/or omitting certain material facts related to the design of SYFOVRE’s clinical trials and the risks associated with SYFOVRE’s commercial adoption. The Complaint seeks, among other relief, compensatory damages and equitable relief in favor of the alleged class against all defendants, including interest, and reasonable costs and expenses incurred by plaintiffs, including attorneys’ and expert fees.

On October 2, 2023, the defendants moved to transfer the action to the United States District Court for the District of Massachusetts.

On October 23, 2023, the Court appointed Ray Pelekas and Michigan Laborers’ Pension Fund together as Co-Lead Plaintiffs and assigned the action the caption In Apellis Pharmaceuticals, Inc. Securities Litigation, Case 1:23-cv-00834-MN. The Co-Lead Plaintiffs filed an amended complaint on February 8, 2024 (the “Amended Complaint”). The Amended Complaint is brought on behalf of a class of all persons and entities who purchased or otherwise acquired Apellis common stock between January 28, 2021 and July 28, 2023, inclusive, names the Company and Cedric Francois, our chief executive officer, as defendants, and makes similar allegations, asserts the same claims and seeks the same relief as the Complaint.

On October 2, 2023, the defendants moved to transfer the action to the United States District Court for the District of Massachusetts. On May 17, 2024, the United States District Court for the District of Delaware approved the motion to transfer to the United States District Court for the District of Massachusetts. For example, in August 2024, an individual filed a civil action against the Company in the United States District Court in the Northern District of Texas, alleging personal injury claims in connection with the use of SYFOVRE. We moved to dismiss this civil action in September 2024. The Court has not yet ruled on August 12, 2024, this motion to dismiss, as of the date of issuance of these unaudited condensed consolidated financial statements.

The outcome of the matter matters described above cannot be predicted with certainty and therefore any loss is neither probable nor reasonably estimable. However, the Company intends to vigorously defend against the litigation, these matters.

Shares of the Company’s common stock underlying pre-funded warrants are included in the weighted average number of shares of common stock used to calculate basic and diluted net loss per share attributable to common stockholders as they are exercisable at any time for nominal cash. Since the Company was in a loss position for all periods presented, basic net loss per common share is the same as diluted net loss per common share for all periods presented as the inclusion of all potential common shares

## **Overview**

We are a commercial-stage biopharmaceutical company focused on the discovery, development and commercialization of novel therapeutic compounds to treat diseases with high unmet needs through the inhibition of the complement system, which is an integral component of the immune system, at the level of C3, the central protein in the complement cascade. We believe that this approach can result in broad inhibition of the principal pathways of the complement system and has the potential to effectively control diseases with high unmet need and that are driven by excessive complement activation.

In February 2023, the U.S. Food and Drug Administration, or FDA, approved SYFOVRE® (pegcetacoplan injection), the first approved treatment for geographic atrophy secondary to age-related macular degeneration, or GA. In June 2024, we announced additional results from the GALE long-term extension study which demonstrated that SYFOVRE injection preserved visual function in patients with GA at 36 months. We believe SYFOVRE has the potential to be a best-in-class treatment for patients with GA, a disease that affects approximately 1.5 million people in the United States and five million people worldwide. We launched SYFOVRE in the United States in March 2023. For the three and ~~six~~ nine months ended ~~June 30, 2024~~ September 30, 2024, we generated ~~\$154.6 million~~ \$152.0 million and ~~\$292.1 million~~ \$444.0 million, respectively, in U.S. net product revenue from sales of SYFOVRE.

We have submitted a pending marketing authorization application, or MAA, to the European Medicines Agency, or EMA, applications for intravitreal pegcetacoplan SYFOVRE for the treatment of ~~GA~~ GA with regulatory authorities in various jurisdictions, including the United Kingdom and Switzerland, which are each under review by the applicable regulatory authorities. In ~~July~~ September 2024, we initiated a re-examination process following the adoption of a negative opinion by the Committee for Medicinal Products for Human Use, or CHMP. A final CHMP adopted a negative opinion from following the CHMP upon reexamination is expected in re-examination of the fourth quarter of 2024. We have also submitted marketing applications for SYFOVRE for authorization application, or MAA, with the treatment of ~~GA~~ to regulatory authorities in other jurisdictions, which are each under review by the applicable regulatory authorities. European Medicines Agency, or EMA. We have exclusive, worldwide commercialization rights for intravitreal pegcetacoplan.

In May 2021, the FDA approved EMPAVELI (systemic pegcetacoplan), the first targeted C3 therapy, for the treatment of paroxysmal nocturnal hemoglobinuria, or PNH, for use in adults who are either treatment-naïve or who are switching from C5 inhibitors eculizumab or ravulizumab. For the three and ~~six~~ nine months ended ~~June 30, 2024~~ September 30, 2024, we generated ~~\$24.5 million~~ \$24.6 million and ~~\$50.1 million~~ \$74.7 million, respectively, in U.S. net product revenue from sales of EMPAVELI and received ~~\$4.4 million~~ \$5.0 million and ~~\$8.9 million~~ \$13.9 million, respectively, in royalties from our collaboration partner, Swedish Orphan Biovitrum AB (Publ), or Sobi, which has exclusive ex-U.S. commercialization rights for systemic pegcetacoplan outside of the United States. We have commercialization rights for systemic pegcetacoplan in the United States.

We believe that EMPAVELI has the potential to be a best-in-class treatment for additional high unmet need areas. We are leading the development of systemic pegcetacoplan in C3 glomerulopathy, or C3G, and primary immune complex membranoproliferative glomerulonephritis, or primary IC-MPGN, in nephrology under our collaboration with Sobi. We plan to report in August 2024, we reported top-line data from the ongoing Phase 3 VALIANT trial investigating systemic pegcetacoplan in adolescent and adult patients with ~~native~~ native

and post-transplant recurrence IC-MPGN and C3G and provided further details at the annual meeting of the American Society of Nephrology in August/October 2024. The VALIANT study demonstrated a 68% reduction in proteinuria in C3G and IC-MPGN patients compared to placebo ( $p < 0.0001$ ), favorable results across key secondary endpoints, including stabilized estimated glomerular filtration rate, or eGFR, a key measure of kidney function, and a reduction in C3G staining intensity, and favorable safety and tolerability results, consistent with pegcetacoplan's established profile. All patients who have already completed the VALIANT study have been enrolled into the VALE

long-term extension study. We intend to submit a supplemental new drug application to the FDA in early 2025, and Sobi plans to submit an MAA to the EMA in 2025.

Sobi is leading the development of systemic pegcetacoplan for hematopoietic stem cell transplantation-associated thrombotic microangiopathy, or HSCT-TMA, in hematology.

We are also evaluating the administration of systemic pegcetacoplan as a novel approach to enabling xenotransplantation procedures and adeno associated virus, or AAV, vector administration for gene therapies.

We are developing additional product candidates with other routes of administration. These candidates include APL-3007, a small interfering RNA, or siRNA, which is in a Phase 1 clinical trial in healthy volunteers, for which we expect to report topline data later this year, as well as an oral complement inhibitor in preclinical development. Furthermore, we are collaborating with Beam Therapeutics, Inc., or Beam, on up to six research programs focused on C3 and other complement targets in the eye, liver and brain, using Beam's proprietary base editing technology to discover new treatments for complement-driven diseases.

Since our commencement of operations in May 2010, we have devoted substantially all of our resources to developing our proprietary technology, developing product candidates, undertaking preclinical studies and conducting clinical trials for pegcetacoplan, building our intellectual property portfolio, organizing and staffing our company, business planning, raising capital, preparing for and executing the commercial launch of our products and providing general and administrative support for these operations.

To date, we have financed our operations primarily through approximately \$2.6 billion in net proceeds from public and private offerings of our common stock and convertible securities, \$392.0 million in payments and royalties from Sobi pursuant to our collaboration agreement, \$532.5 million under various credit arrangements, including with Sixth Street Lending Partners, or Sixth Street, and SFJ Pharmaceuticals Group, or SFJ, and \$98.8 million relating to the unwinding of certain capped call transactions in March 2024, as well as from the proceeds of our operations. To date, we have exchanged \$425.4 million and converted \$0.7 million of aggregate principal amount of our Convertible Notes for shares of our common stock. Our non-dilutive financing activities in the six months ended June 30, 2024 September 30, 2024, including which include the Sixth Street Financing Agreement (as defined below), the repayment of our remaining obligations to SFJ and the partial unwinding of our capped call transactions, increased the amount of cash available to us through 2025 by approximately \$270.0 million, with the potential for us to access additional short-term liquidity through a second draw of \$100.0 million under the Credit Facility (as defined below).

We have incurred significant annual net operating losses in every year since our inception, and we expect to continue to incur net operating losses for at least this year. Our net losses were \$37.7 million \$57.4 million and \$122.0 million \$140.2 million for the three months ended June 30, 2024 and 2023, respectively, and \$104.1 million and \$299.8 million for the six months ended June 30, 2024 September 30, 2024 and 2023, respectively. As of June 30, 2024 September 30, 2024, we had an accumulated deficit of \$2.9 billion. \$3.0 billion.

Our operating results may fluctuate significantly from quarter to quarter and year to year. We anticipate that we will continue to incur significant commercialization expenses related to sales, marketing, medical affairs, manufacturing, distribution and other commercial infrastructure associated with the commercialization of EMPAVELI for the treatment of PNH and other indications and the commercialization of SYFOVRE for the treatment of GA. In addition, we expect to continue to incur these expenses if and as we continue to develop and conduct our ongoing and planned clinical trials of pegcetacoplan and our other product candidates; initiate and continue research and preclinical and clinical development efforts for any future product candidates; seek to identify and develop additional product candidates for complement-dependent diseases; seek regulatory and marketing approvals for our product candidates that successfully complete clinical trials, if any; establish sales, marketing, distribution and other commercial infrastructure to commercialize any additional products for which we may obtain marketing approval; require the manufacture of larger quantities of product candidates for clinical development and, potentially, commercialization; maintain, expand and protect our intellectual property portfolio; hire and retain additional personnel, such as clinical, quality control, regulatory and scientific personnel; add operational, financial and management information systems and personnel, including personnel to support our product development and add equipment and physical infrastructure to support our research and development programs and commercialization.

#### **Financing Agreement and Credit Facility**

On May 13, 2024, we entered into a financing agreement, or the Sixth Street Financing Agreement, with certain of our material subsidiaries as guarantors party thereto, the lenders party thereto, or the Lenders, and Sixth Street Lending Partners, as the administrative agent and collateral agent for the Lenders.

The Sixth Street Financing Agreement provides for a senior secured term loan facility of up to \$475.0 million, or the Credit Facility, consisting of an initial draw of \$375.0 million at closing and a potential additional \$100.0 million draw at our option upon satisfaction of a \$50.0 million minimum cash requirement and a requirement that our trailing three-month sales of SYFOVRE is at least \$180.0 million prior to the \$100.0 million draw. We can exercise the option for the additional \$100.0 million draw through September 30, 2025, assuming such requirements are met.

The Credit Facility matures on May 13, 2030 (the "Maturity Date") and bears interest at (i) in the case of SOFR Loans, an annual rate equal to 3-month Term SOFR (subject to 1.00% floor), plus 5.75%, and (ii) in the case of Base Rate Loans, an annual rate equal to the

base rate as defined in the agreement (subject to 2.00% floor), plus 4.75%. Certain additional commitment and undrawn amount fees are also payable in connection with the Credit Facility.

#### [Table of Contents](#)

The net proceeds from the initial draw of the Credit Facility were approximately ~~\$363.9 million~~ \$358.2 million, net of ~~\$11.1 million~~ \$16.8 million of issuance costs. We used the majority of the proceeds of the \$375.0 million draw at closing to buy out our remaining obligations to SFJ, in the amount of approximately \$326.5 million.

The Credit Facility does not provide for scheduled amortization payments during the term. All principal will be due on the Maturity Date. We have the right to prepay loans under the Credit Facility at any time. We are required to repay loans under the Credit Facility with proceeds from certain asset sales, condemnation events and extraordinary receipts, subject, in some cases, to reinvestment rights. Repayments are subject to a prepayment premium. Repayments may be made after the first year of the loan and are subject to a prepayment premium up to 3% depending on timing.

All obligations under the Sixth Street Financing Agreement ~~will be~~ are secured on a first-priority basis, subject to certain exceptions, by security interests in substantially all of our assets and assets of our material subsidiaries, including our intellectual property, and ~~will be~~ are guaranteed by our material subsidiaries, including foreign subsidiaries, subject to certain exceptions.

The Sixth Street Financing Agreement contains customary covenants, including, without limitation, a financial covenant to maintain liquidity of at least \$50.0 million if our market capitalization is below \$3.0 billion, and negative covenants that, subject to certain exceptions, restrict indebtedness, liens, investments (including acquisitions), fundamental changes, asset sales and licensing transactions, dividends, modifications to material agreements, payment of subordinated indebtedness, and other matters customarily restricted in such agreements. Among other permissions, we are permitted, on terms and conditions set forth on the Sixth Street Financing Agreement, to enter into a separate asset-based financing arrangement with a third party in an amount of up to \$100.0 million, which amount is increased to \$200.0 million upon certain sales or market capitalization thresholds, and to have outstanding convertible unsecured notes in an amount equal to the greater of \$400.0 million and 10% of our market capitalization, but not to exceed \$600.0 million. We are subject to restrictions on sales and licensing transactions with respect to our core intellectual property, defined to include SYFOVRE, EMPAVELI, and other pegcetacoplan product assets, subject to certain exceptions, including certain transactions related to areas outside the United States and Europe.

The Sixth Street Financing Agreement also contains certain events of default after which loans under the Credit Facility may be due and payable immediately, including payment defaults, material inaccuracy of representations and warranties, covenant defaults, bankruptcy and insolvency proceedings, cross-defaults to certain other agreements, judgments against us and our subsidiaries, and change of control.

#### **SFJ Agreement**

In 2019, we entered into a development funding agreement (as amended, the "SFJ agreement") with SFJ Pharmaceuticals Group ("SFJ"), under which SFJ agreed to provide funding to us to support the development of pegcetacoplan for the treatment of patients with PNH. Under the SFJ agreement, SFJ paid us an aggregate of \$140.0 million between June 2019 and January 2020.

Following regulatory approval for the use of systemic pegcetacoplan as a treatment for PNH by the FDA in May 2021 and by the EMA in December 2021, we became obligated to pay SFJ an aggregate of \$460.0 million in payments between 2021 and 2027. We paid SFJ an aggregate of \$94.0 million through March 31, 2024.

On May 13, 2024, we used proceeds from the Sixth Street Financing Agreement to buy out our remaining obligations owed to SFJ, in the amount of approximately \$326.5 million. The buyout of the SFJ development liability eliminated the remaining \$366.0 million in payments to SFJ, including a total of approximately \$200.0 million payable in 2024 and 2025.

#### **Convertible Notes**

On September 16, 2019, we completed a private offering of convertible notes, or the 2019 Convertible Notes, with an aggregate principal amount of \$220.0 million issued pursuant to an indenture, or the Indenture, with U.S. Bank National Association, as trustee.

The net proceeds from the sale of the 2019 Convertible Notes were approximately \$212.9 million after deducting the initial purchasers' discounts and commissions of \$6.6 million and offering expenses of \$0.5 million. We used \$28.4 million of the net proceeds from the sale of the 2019 Convertible Notes to pay the cost of the capped call transactions in September 2019 described below.

On May 12, 2020, we issued convertible notes, or the 2020 Convertible Notes, with an aggregate principal amount of \$300.0 million. The net proceeds from the sale of the 2020 Convertible Notes were approximately \$322.9 million after deducting the purchasers' discounts and commission of \$5.7 million and offering expenses of \$0.3 million. We used \$43.1 million of the net proceeds from the sale to pay the cost of the additional capped call transactions in May 2020 described below.

#### Table of Contents

The 2019 Convertible Notes and the 2020 Convertible Notes are referred to together as the Convertible Notes. The Convertible Notes are our senior unsecured obligations and bear interest at a rate of 3.5% per year payable semiannually in arrears on March 15 and September 15 of each year, beginning on March 15, 2020. The Convertible Notes will mature on September 15, 2026, unless converted earlier, redeemed or repurchased in accordance with their terms.

The Convertible Notes are convertible into shares of our common stock at an initial conversion rate of 25.3405 shares per \$1,000 principal amount of notes (equivalent to an initial conversion price of approximately \$39.4625 per share of common stock). The conversion rate is subject to customary anti-dilution adjustments. In addition, following certain events that occur prior to the maturity date or if we deliver a notice of redemption, we will increase the conversion rate for a holder who elects to convert its Convertible Notes in connection with such corporate event or a notice of redemption, as the case may be, in certain circumstances as provided in the Indenture.

Prior to March 15, 2026, the Convertible Notes are convertible only under the following circumstances:

- during any calendar quarter, if the last reported sale price of our common stock for at least 20 trading days (whether or not consecutive) during a period of 30 consecutive trading days ending on, and including, the last trading day of the immediately preceding calendar quarter is greater than or equal to 130% of the conversion price on each applicable trading day;
- during the five business day period after any five consecutive trading day period in which the trading price per \$1,000 principal amount of the Convertible Notes for each such trading day was less than 98% of the product of the last reported sale price of our common stock and the conversion rate on each such trading day;
- if we call any or all of the Convertible Notes for redemption, at any time prior to the close of business on the second scheduled trading day immediately preceding the redemption date; or upon the occurrence of corporate events specified in the Indenture.

On, or after, March 15, 2026 until the close of business on the second scheduled trading day immediately preceding the maturity date of the Convertible Notes, holders may convert the Convertible Notes at any time regardless of the foregoing circumstances. Upon conversion of the Convertible Notes, we will pay or deliver, as the case may be, cash, shares of our common stock or a combination of cash and shares of common stock, at our election.

As of September 20, 2023, we may redeem for cash all or a portion of the Convertible Notes, at our option, if the last reported sale price of our common stock has been at least 130% of the conversion price then in effect for at least 20 trading days (whether or not consecutive), including the trading day immediately preceding the date on which we provide a notice of redemption, during any 30 consecutive trading day period ending on, and including, the trading day immediately preceding the date on which we provide notice of redemption. The redemption price will be equal to 100% of the principal amount of the Convertible Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date. If we call any Convertible Notes for redemption, it will constitute a "make-whole fundamental change" with respect to such Convertible Notes, in which case the conversion rate applicable to the conversion of such Notes, if converted in connection with the redemption, will be increased in certain circumstances. We have not called for redemption any of the Convertible Notes as of **June 30, 2024** **September 30, 2024**.

If we undergo a "fundamental change," as defined in the Indenture, prior to maturity, subject to certain conditions, holders may require us to repurchase for cash all or any portion of their Convertible Notes at a fundamental change repurchase price equal to 100% of the principal amount of the notes to be repurchased, plus any accrued and unpaid interest to, but excluding, the fundamental change repurchase date.

In January 2021, July 2021 and July 2022, we entered into separate, privately negotiated exchange agreements to modify the conversion terms with certain holders of our Convertible Notes. Under the terms of these exchange agreements, in January 2021, July 2021 and July 2022, the holders exchanged approximately \$126.1 million of 2019 Convertible Notes, \$201.1 million of 2019 Convertible Notes and 2020 Convertible Notes, and \$98.1 million of 2020 Convertible Notes, respectively, in aggregate principal amount held by them for an aggregate of 3,906,869 shares, 5,992,217 shares and 3,027,018 shares, respectively, of common stock we issued. In accordance with FASB ASC Topic 470-

20, "Debt – Debt with Conversion and Other Options," or ASC 470-20, we accounted for the exchange as an induced conversion based on the short period of time the conversion offer was open and the substantive conversion feature offer. We accounted for the conversion of the debt as an inducement by expensing the fair value of the shares that were issued in excess of the original terms of the Convertible Notes.

The conditional conversion feature of the Convertible Notes was triggered as of December 31, 2023, and as a result the Convertible Notes were convertible at the option of the holders until March 31, 2024. No Convertible Notes were converted during this period.

The conditional conversion feature of the Convertible Notes was not triggered as of June 30, 2024, and as a result the Convertible Notes are not convertible during the quarter ending September 30, 2024.

The conditional conversion feature of the Convertible Notes was not triggered as of September 30, 2024, and as a result the Convertible Notes are not convertible during the quarter ending December 31, 2024.

As of **June 30, 2024** September 30, 2024, we held in treasury Convertible Notes in principal amount of \$425.4 million, which notes had not been cancelled.

### ***Collaboration Agreement with Sobi***

On October 27, 2020, we entered into the Sobi collaboration agreement, concerning the development and commercialization of pegcetacoplan and specified other structurally and functionally similar compstatin analogues or derivatives for use systemically or for local non-ophthalmological administration, collectively referred to as the licensed products. We granted Sobi an exclusive (subject to certain rights retained by us), sublicensable license of certain patent rights and know-how to develop and commercialize licensed products in all countries outside of the United States. We retained the right to commercialize licensed products in the United States, and, subject to specified limitations, to develop licensed products worldwide for commercialization in the United States. Under the Sobi collaboration agreement, Sobi made an upfront payment of \$250.0 million in November 2020, and agreed to pay up to an aggregate of \$915.0 million upon the achievement of specified one-time regulatory and commercial milestone events, including a \$50.0 million milestone payable following the first regulatory and reimbursement approval of systemic pegcetacoplan in any major European country, and to reimburse us for up to \$80.0 million in development costs.

In January 2021 we received a \$25.0 million development reimbursement payment from Sobi and in January 2022 and 2023, we received a \$20.0 million development reimbursement payment from Sobi. In January 2024, we waived the remaining reimbursement payment of \$15.0 million in connection with the decision to discontinue the cold agglutinin disease program.

The **EC European Commission** approved systemic Aspaveli (pegcetacoplan) for the treatment of adults with PNH in December 2021. In March 2022, we earned a \$50.0 million payment from Sobi related to the first regulatory and reimbursement milestone in Europe, which we received in April 2022. We are also entitled to receive tiered, double-digit royalties (ranging from high teens to high twenties) on sales of licensed products outside of the United States, subject to customary deductions and third-party payment obligations, until the latest to occur of: (i) expiration of the last-to-expire of specified licensed patent rights; (ii) expiration of regulatory exclusivity; and (iii) ten (10) years after the first commercial sale of the applicable licensed product, in each case on a licensed product-by-licensed product and country-by-country basis. We remain responsible for our license fee obligations (including royalty obligations) to the University of Pennsylvania.

### ***Financial Operations Overview***

#### ***Revenue***

Our revenues consist of product sales of EMPAVELI and SYFOVRE, and revenues derived from our collaboration agreement with Sobi.

Revenue is recognized when, or as, we satisfy a performance obligation by transferring a promised good or service to a customer. An asset is transferred when, or as, the customer obtains control of that asset. For performance obligations that are satisfied over time, we recognize revenue using an input or output measure of progress that best depicts the satisfaction of the relevant performance obligation.

#### ***Product Revenues***

Product revenue is derived from our sales of our commercial products, EMPAVELI and SYFOVRE, in the United States.

## **Licensing and Other Revenue**

Licensing and other revenue is derived from our collaboration agreement with Sobi concerning the development and commercialization of pegcetacoplan and specified other compstatin analogues or derivatives for use systemically or for local non-ophthalmic administration.

#### **Cost of Sales**

Cost of sales consists primarily of costs associated with the manufacturing of EMPAVELI and SYFOVRE, royalties owed to our licensor, costs associated with supply provided under the Sobi collaboration agreement, costs of products provided under our patient assistance programs, and certain period costs.

### [Table of Contents](#)

#### **Research and Development Expenses**

Research and development expenses consist primarily of costs incurred for our research activities, including our drug discovery efforts, and the development of our product candidates, which include:

- employee-related expenses including salaries, bonuses, benefits and share-based compensation expense related to individuals performing research and development activities;
- expenses incurred under agreements with third parties, including contract research organizations, or CROs, that conduct clinical trials and research and development activities on our behalf, and contract manufacturing organizations that manufacture quantities of drug supplies for both our preclinical studies and clinical trials;
- the cost of consultants, including share-based compensation expense; and
- various other expenses incident to the management of our preclinical studies and clinical trials.

Research and development costs are expensed as incurred. Nonrefundable advance payments for goods or services to be received in the future for use in research and development activities are deferred and capitalized. The capitalized amounts are expensed as the related goods are delivered or the services are performed. We have not provided program costs since inception because historically we have not tracked or recorded our research and development expenses on a program-by-program basis.

The successful development of our product candidates in clinical development is highly uncertain. Accordingly, at this time, we cannot reasonably estimate the nature, timing and costs of the efforts that will be necessary to complete the remainder of the clinical development of these product candidates. We are also unable to predict when, if ever, material net cash inflows will commence from pegcetacoplan in other jurisdictions and indications or any other potential product candidates. This is due to the numerous risks and uncertainties associated with developing therapeutics, including the uncertainties of:

- establishing an appropriate safety profile in preclinical studies;
- successful enrollment in, and completion of clinical trials;
- receipt of marketing approvals from applicable regulatory authorities;
- establishing commercial manufacturing capabilities or making arrangements with third-party manufacturers;
- obtaining and maintaining patent and trade secret protection and regulatory exclusivity for our product candidates;
- launching commercial sales of the products, if and when approved, whether alone or in collaboration with others; and
- an acceptable safety profile of the products following approval.

A change in the outcome of any of these variables with respect to the development of any of our product candidates would significantly change the costs and timing associated with the development of that product candidate.

Research and development activities are central to our business model. Product candidates in later stages of clinical development generally have higher development costs than those in earlier stages of clinical development, primarily due to the increased size and duration of later-stage clinical trials. We expect research and development costs to increase

for the foreseeable future as our product candidate development programs progress. However, we do not believe that it is possible at this time to accurately project total program-specific expenses through commercialization. There are numerous factors associated with the successful commercialization of any of our product candidates, including future trial design and various regulatory requirements, many of which cannot be determined with accuracy at this time based on our stage of development. Additionally, future commercial and regulatory factors beyond our control will impact our clinical development programs and plans.

#### **Selling, General and Administrative Expenses**

Selling, general and administrative expenses consist primarily of costs associated with the commercialization of approved products and general and administrative costs to support operations, including salaries, bonuses, benefits and share-based compensation. Selling expenses include product marketing, sales operations costs, and other costs incurred to support our sales efforts. General and administrative expenses include corporate support functions such as executive management, finance and accounting, business

development, legal, human resources, information technology, and associated external costs to support those functions. Other significant costs include facility costs not otherwise included in research and development expenses, legal fees relating to patent and corporate matters, and fees for accounting and consulting services.

26

#### [Table of Contents](#)

We anticipate that our selling, general and administrative expenses will increase in the future to support continued commercial activities for our approved products, potential commercialization of our product candidates and costs of operating as a public company.

#### **Critical Accounting Estimates**

This discussion and analysis of our financial condition and results of operations is based on our financial statements, which we have prepared in accordance with U.S. generally accepted accounting principles. The preparation of these financial statements requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of expenses during the reported periods. On an ongoing basis, we evaluate our estimates and judgments, including those related to product revenue, licensing revenue, costs of research collaboration arrangements, inventory, accrued research and development expenses, convertible notes, capped call transactions and development liability, which we described in our 2023 Annual Report on Form 10-K. We base our estimates on historical experience and on various other factors that we believe are reasonable under the circumstances, the results of which form the basis for making judgments about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

Our **significant critical** accounting policies are described in Note 2 of Part I, Item 1 of this Quarterly Report on Form 10-Q and in Part I, Item 7, "Critical Accounting Estimates" in our 2023 Annual Report on Form 10-K. There have been no changes to our critical accounting estimates since our 2023 Annual Report on Form 10-K, except as noted in Note 2.

#### Cost of Sales

Cost of sales was \$23.1 million \$33.6 million for the three months ended June 30, 2024 September 30, 2024 and \$8.4 million \$22.4 million for the three months ended June 30, 2023 September 30, 2023. The increase in cost of sales was primarily driven by a \$2.4 million increase due to higher volume from commercial sales and product provided under our patient assistance programs, a \$7.8 million increase due to higher volume of product supplied to Sobi, a \$3.2 million increase in royalty expense, and a \$1.3 million \$9.0 million increase in expenses incurred related to excess, obsolete or scrapped inventory and a \$6.4 million expense incurred in connection with the termination of the minimum purchase obligation of PEG in September 2024, which were partially offset by a \$3.9 million decrease in royalty expense as sales-based milestones incurred in the prior year did not recur in the current period.

In addition, prior to receiving FDA approval for EMPAVELI and SYFOVRE, the costs associated with the manufacturing of EMPAVELI and SYFOVRE inventory were expensed as incurred as research and development expense. This did not materially impact cost of sales for the three months ended **June 30, 2024** **September 30, 2024** and 2023. As of **June 30, 2024** **September 30, 2024**, the remaining pre-FDA approved inventory was **\$18.3 million** **\$15.4 million**, which primarily consisted of raw materials.

Research and development expenses **decreased increased** by **\$17.7 million** **\$9.1 million** to **\$77.9 million** **\$88.6 million** for the three months ended **June 30, 2024** **September 30, 2024** from **\$95.7 million** **\$79.4 million** for the three months ended **June 30, 2023** **September 30, 2023**, a **decrease an increase** of **19%** **12%**. The **decrease increase** in research and development expenses was primarily attributable to a **\$0.8 million decrease** **\$9.6 million increase** in program specific external costs, a **\$2.4 million decrease** **\$2.7 million increase** in non-program specific external costs and a **\$14.2 million** **\$3.2 million decrease** in compensation and related personnel costs and a **\$0.3 million decrease** in other expenses. costs. The **decrease increase** in our program-specific external costs of **\$0.8 million** **\$9.6 million** was driven by a **\$3.2 million decrease** in GA costs which largely reflects the impact of the **approval of SYFOVRE in February 2023**, partially offset by an increase of **\$2.2 million** **\$4.5 million** in GA costs and an increase of **\$4.7 million** in other development and discovery programs costs. The increases were partially offset by a decrease of **\$0.8 million** in IC-MPGN and C3G costs, costs and a decrease of **\$1.5 million** in ALS due to the discontinuation of the Phase 2 MERIDIAN study in 2024.

#### Table of Contents

The decrease in compensation and related personnel costs of **\$3.2 million** was driven by a **\$11.6 million** **\$3.8 million** decrease in salaries and benefits due to lower headcount compared to the prior year and reclassification of certain employee costs to selling, general and administrative expenses, **and which was partially offset by a \$2.6 million decrease** **\$0.6 million increase** in stock compensation expense associated with the grant of stock options and restricted stock units to employees.

\$2.2 million, \$1.8 million and an increase of \$0.9 million in travel expenses, which were partially offset by a \$1.8 million \$0.5 million reduction in professional and consulting fees. The decrease was partially offset by an increase of \$0.2 million in travel and insurance expense and factoring fees of \$0.7 million. The decrease in personnel related costs of \$1.9 million consisted \$2.1 million was primarily attributable to a decrease in salaries expenses of \$7.1 million, and a decrease of \$0.3 million in recruiting expenses, partially offset by higher stock compensation expenses of \$2.2 million \$5.3 million associated with the grant of stock options and restricted stock units to employees, partially offset by a decrease of \$0.3 million in recruiting expenses employees.

### *Loss on extinguishment of development liability*

We paid our remaining obligations under the SFJ agreement in full in May 2024. We concluded that the development liability was extinguished as of the payoff date. The difference of \$1.9 million between the reacquisition price of \$326.5 million and the net carrying value of the development liability of \$324.6 million was recorded as a loss on the extinguishment of the development liability as of June 30, 2024 September 30, 2024.

### *Interest Income*

Interest income was \$3.2 million \$2.9 million for the three months ended June 30, 2024 September 30, 2024, a decrease of \$2.8 million \$2.1 million, compared to \$6.0 million \$5.0 million for the three months ended June 30, 2023 September 30, 2023. The decrease in interest income was primarily attributable to decreased investments during the three months ended June 30, 2024 September 30, 2024.

### *Interest Expense*

Interest expense was \$9.3 million \$12.5 million for the three months ended June 30, 2024 September 30, 2024, an increase of \$2.0 million \$5.2 million, compared to \$7.3 million for the three months ended June 30, 2023 September 30, 2023. The increase is primarily due to the interest incurred under the Credit Facility and was partially offset by a decrease in the balance of the development liability.

### *Other (Expense)/Income, Net*

Other expense was \$24.0 \$70.0 thousand, for the three months ended June 30, 2024 September 30, 2024, as compared to other income of \$63.0 thousand \$0.6 million for the three months ended June 30, 2023 September 30, 2023.

The net product revenue of \$342.2 million \$518.8 million for the six nine months ended June 30, 2024 September 30, 2024, consisted of \$50.1 million \$74.7 million in net product revenue from sales of EMPAVELI and \$292.1 million \$444.0 million in net product revenue from sales of SYFOVRE. The net product revenue of \$128.4 million \$227.6 million for the six three months ended June 30, 2023 September 30, 2023, consisted of \$42.7 million \$66.7 million in net product revenue from sales of EMPAVELI and \$85.7 million \$161.0 million in net product revenue from sales of SYFOVRE. The increase in product revenue was primarily driven by an increase in volume of SYFOVRE sales in the second year of launch.

#### Licensing and Other Revenue

Licensing and other revenue of \$29.8 million during \$50.1 million for the six nine months ended June 30, 2024 included \$20.9 million September 30, 2024 consisted of \$36.2 million in revenue for product supplied to Sobi and \$8.9 million \$13.9 million in royalty revenue from Sobi. also payable in connection with the Credit Facility. We used the majority of the proceeds of the \$375.0 million draw at closing to buy out our remaining obligations owed to SFJ, in the amount of approximately \$326.5 million.

We are permitted under the Sixth Street Financing Agreement to enter into a separate asset-based financing arrangement with a third party in an amount of up to \$100.0 million, which amount is increased to \$200.0 million upon certain sales or market capitalization thresholds, and to have outstanding convertible unsecured notes in an amount equal to the greater of \$400.0 million and 10% of our market capitalization, but not to exceed \$600.0 million.

In August 2024, the Company entered into the Factoring Agreement with Citi to sell certain accounts receivable to Citi at a discount to the face value of the accounts receivable.

Under the Factoring Agreement, the maximum amount of outstanding accounts receivables sold at any time is \$100.0 million.

In November 2023, we entered into a sales agreement, or the sales agreement, with Cowen and Company, LLC, or Cowen, as agent, pursuant to which we may offer and sell shares of our common stock having an aggregate offering from of up to \$300.0 million from time to time. Any sales made under the sales agreement will be made at market prices by any method that is deemed to be an "at the market offering" as defined in Rule 415(a)(4) promulgated under the Securities Act of 1933. Any sales under the sales agreement will be made pursuant to our registration statement on Form S-3, which became effective on February 22, 2023. We agreed to pay Cowen compensation of up to 3.0% of the gross proceeds of the sale of shares made under the sales agreement. We did not make any sales under the sales agreement during the **six** **nine** months ended **June 30,**

**2024** **September 30, 2024.**

In February 2023, we issued and sold 4,007,936 shares of our common stock and, in lieu of common stock to investors who so chose, pre-funded warrants to purchase 2,380,956 shares of our common stock in a follow-on offering, including 833,333 shares sold pursuant to the underwriters' exercise in full of their option to purchase additional shares of common stock. The price to the public of the shares of common stock was \$63.00 per share and the price to the public of the pre-funded warrants was \$62.9999 per pre-funded warrant. The

pre-funded warrants have an exercise price equal to \$0.0001 per share and do not expire. The pre-funded warrants were accounted for as equity instruments. We received total net proceeds of \$384.4 million, after deducting underwriting discounts and commissions of \$18.8 million and offering cost of \$0.3 million.

In February 2024, we entered into agreements with the capped call counterparties to unwind a portion of the capped call transactions. The unwind agreements applied to the portion of the capped call transactions in a notional amount corresponding to the \$426.1 million principal amount of Convertible Notes that we held in treasury as of December 31, 2023 or have been previously converted. The unwind transactions were settled at volume-weighted average price per share of \$64.11, which resulted in cash proceeds to us of \$98.8 million. As of **June 30, 2024** **September 30, 2024**, the remaining capped call transactions had a notional amount corresponding to \$93.9 million principal amount of Convertible Notes.

### *Funding Requirements*

We expect to continue incur expenses to support our ongoing commercial activities related to product manufacturing, marketing, sales and distribution of EMPAVELI for PNH and SYFOVRE for GA. In addition, we expect to continue to incur expenses as we prioritize the ongoing development of systemic pegcetacoplan and focus our research initiatives on high potential opportunities.

Together with the cash that we anticipate will be generated from sales of EMPAVELI and SYFOVRE, we expect that our current our current cash and cash equivalents will be sufficient to fund our projected operating expenses and capital expenditure requirements for at least the next 12 months, as well as our anticipated longer-term cash requirements and obligations. Our expectations regarding our short-term and long-term funding requirements are based on assumptions that may prove to be wrong, and we may need additional capital resources to fund our operating plans and capital expenditure requirements.

We are devoting substantial resources to the commercial infrastructure for SYFOVRE for GA. We are also devoting substantial resources to the development of our product candidates. Because of the numerous risks and uncertainties associated with the commercialization of EMPAVELI and SYFOVRE and development of other product candidates, and because the extent to which we may enter into collaborations with third parties for any of these activities is unknown, we are unable to estimate the amounts of increased capital outlays and operating expenses associated with the research, development and commercialization. Our future funding requirements and long-term capital requirements will depend on many factors, including:

- our ability to continue to successfully commercialize and sell EMPAVELI and SYFOVRE in the United States;
- the cost of and our ability to obtain regulatory approvals of SYFOVRE outside of the United States and continue to build a commercial infrastructure for SYFOVRE for the United States and worldwide;
- the cost of and our ability to effectively establish and maintain, the commercial infrastructure and manufacturing capabilities required to support the continued commercialization of EMPAVELI, **systemic pegcetacoplan and** SYFOVRE and any other products for which we receive marketing approval including product sales, m affairs, marketing, manufacturing and distribution;
- the scope, progress, timing, costs and results of clinical trials of, and research and preclinical development efforts for systemic pegcetacoplan, SYFOVRE and our other product candidates;
- our ability to maintain a productive collaborative relationship with Sobi with respect to systemic pegcetacoplan, including our ability to achieve milestone payments under our agreement with Sobi;
- our ability to identify additional collaborators for any of our product candidates and the terms and timing of any collaboration agreement that we may establish for the development and any commercialization of such product candidates;
- the number and characteristics of future product candidates that we pursue and their development requirements;

33

---

#### [Table of Contents](#)

- the outcome, timing and costs of clinical trials and of seeking regulatory approvals of pegcetacoplan in other jurisdictions and indications and other product candidate may pursue;
- the costs of commercialization activities for any of our product candidates that receive marketing approval to the extent such costs are not the responsibility of any collaborators, including the costs and timing of establishing product sales, marketing, distribution and manufacturing capabilities;
- subject to receipt of marketing approval, revenue, if any, received from commercial sales of pegcetacoplan in other jurisdictions and indications and our other product candidates;
- our headcount growth and associated costs as we expand our research and development and establish a commercial infrastructure;
- the costs of preparing, filing and prosecuting patent applications, maintaining and protecting our intellectual property rights and defending against intellectual property related claims;
- the effect of competing technological and market developments;
- the effect of public health crises, including pandemics and epidemics, on the healthcare system and the economy generally and on our clinical trials and other operations specifically;

36

---

#### [Table of Contents](#)

- our ability to obtain adequate reimbursement for EMPAVELI and SYFOVRE in the United States or any other product we commercialize; and
- the costs of operating as a public company.

If our cash and cash equivalents, and cash generated from sales of EMPAVELI and SYFOVRE are not sufficient to fund our planned expenditures, we will need to finance our cash needs through external sources of funds, which may include equity offerings, debt financings, collaborations, strategic alliances or licensing arrangements. We currently do not have any committed external source of funds.

If we are unable to generate sufficient funds from sales of EMPAVELI and SYFOVRE, or raise additional funds when needed, we may be required to delay, limit, reduce or terminate our product development or future commercialization efforts or grant rights to develop and market product candidates that we would otherwise prefer to develop and market ourselves.

## **Contractual Obligations**

The disclosure of our contractual obligations and commitments is set forth under the heading "Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources—Contractual Obligations" in our 2023 Annual Report on Form 10-K. See Note 13 Commitments and Contingencies in the Notes to Unaudited Condensed Consolidated Financial Statements in Part I, Item I of this Form 10-Q for a discussion of obligations and commitments.

### **Item 3. Quantitative and Qualitative Disclosures About Market Risk.**

We are exposed to market risk related to changes in interest rates. As of **June 30, 2024** **September 30, 2024**, we had cash and cash equivalents of **\$360.1 million** **\$396.9 million**, consisting primarily of money market funds and U.S. Government obligations. Our primary exposure to market risk is interest rate sensitivity, which is affected by changes in the general level of U.S. interest rates. Due to the short-term duration of our investment portfolio and the low risk profile of our investments, an immediate 10% change in interest rates would not have a material effect on the fair market value of our investment portfolio. We have the ability to hold our marketable securities until maturity, and therefore we would not expect our operating results or cash flows to be affected to any significant degree by the effect of a change in market interest rates on our investments.

### **Item 4. Controls and Procedures.**

#### **Limitations on Effectiveness of Controls and Procedures**

The term "disclosure controls and procedures," as defined in Rules 13a-15(f) and 15d-15(e) under the Exchange Act of 1934 as amended, or the Exchange Act, refers to controls and procedures that are designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Our disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by a company in the reports that it files or submits under

34

---

#### [Table of Contents](#)

the Exchange Act is accumulated and communicated to our management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

In designing and evaluating our disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply judgment in evaluating the benefits of possible controls and procedures relative to their costs.

#### **Evaluation of Disclosure Controls and Procedures**

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated, as of the end of the period covered by this Quarterly Report on Form 10-Q, the effectiveness of our disclosure controls and procedures (as defined in Rules

37

---

#### [Table of Contents](#)

13a-15(e) and 15d-15(e) under the Exchange Act). Based on that evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective at the reasonable assurance level as of **June 30, 2024** **September 30, 2024**.

#### **Changes in Internal Control Over Financial Reporting**

No change in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) occurred during the three months ended **June 30, 2024** **September 30, 2024** that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

[Table of Contents](#)**PART II—OTHER INFORMATION****Item 1. Legal Proceedings**

See Note 13 Commitments and Contingencies in the Notes to Unaudited Condensed Consolidated Financial Statements in Part I, Item I of this Form 10-Q.

**Item 1A. Risk Factors.**

In addition to the other information set forth in this Quarterly Report on Form 10-Q, you should carefully consider the factors discussed in Part I, "Item 1A. Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2023 and in our Quarterly Report on Form 10-Q for the quarter ended June 30, 2024, which could materially affect our business, financial condition or future results. The risk factors disclosure in our Annual Report on Form 10-K for the year ended December 31, 2023 is and in our Quarterly Report on Form 10-Q for the quarter ended June 30, 2024 are qualified by the information that is described in this Quarterly Report on Form 10-Q. The risks described below and in our Annual Report on Form 10-K for the year ended December 31, 2023 are and in our Quarterly Report on Form 10-Q for the quarter ended June 30, 2024 are not our only risks. Additional risks and uncertainties not currently known to us or that we currently deem to be immaterial also may materially adversely affect our business, financial condition or future results.

The terms of our Sixth Street Financing Agreement and our indebtedness could adversely affect our operations and limit our ability to plan for or respond to changes in our business. If we are unable to comply with restrictions in our Sixth Street Financing Agreement, the repayment of our existing indebtedness could be accelerated.

Under our financing agreement, or the Sixth Street Financing Agreement, by and among us, certain of our subsidiaries, the lenders party thereto and Sixth Street Lending Partners, as the administrative agent for the lenders, we have incurred a substantial amount of debt, which could adversely affect our business. In May 2024, we drew down the senior secured term loan facility, or the Credit Facility, of \$375.0 million. The Credit Facility also includes a potential additional \$100.0 million draw at our option upon satisfaction of a \$50.0 million minimum cash requirement and a requirement that our trailing three-month sales of SYFOVRE were at least \$180.0 million prior to the \$100.0 million draw. Among other permissions, we are permitted, on terms and conditions set forth on the Sixth Street Financing Agreement, to enter into a separate asset-based financing arrangement with a third party in an amount of up to \$100.0 million, which amount is increased to \$200.0 million upon certain sales or market capitalization thresholds, and to have outstanding convertible unsecured notes in an amount equal to the greater of \$400.0 million and 10% of our market capitalization, but not to exceed \$600.0 million.

The Sixth Street Financing Agreement requires us to make certain payments of interest over time and contains several other negative covenants that, subject to certain exceptions, restrict indebtedness, liens, investments (including acquisitions), fundamental changes, asset sales and licensing transactions, dividends, modifications to material agreements, payment of subordinated indebtedness, and other matters customarily restricted in such agreements. Among other requirements of the Sixth Street Financing Agreement, we and our subsidiaries party to the Sixth Street Financing Agreement must maintain liquidity of at least \$50.0 million if our market capitalization is below \$3.0 billion. We are also subject to restrictions on sales and licensing transactions with respect to our core intellectual property, defined to include SYFOVRE, EMPAVELI, and other pegcetacoplan product assets, subject to certain exceptions, including certain transactions related to areas outside the United States and Europe. These and other terms in the Sixth Street Financing Agreement could restrict our ability to grow our business or enter into transactions that we believe would be beneficial to our business.

Our indebtedness could affect our business in the following ways, among other things: make it more difficult for us to satisfy our contractual and commercial commitments; require us to use a substantial portion of our cash flow from operations to pay interest and principal when due, which would reduce funds available for working capital, capital expenditures and other general corporate purposes; limit our ability to obtain additional financing for working capital, capital expenditures, acquisitions and other investments or general corporate purposes; heighten our vulnerability to downturns in our business, our industry or in the general economy; place us at a disadvantage compared to those of our competitors that may have proportionately less debt; limit management's discretion in operating our business; and limit our flexibility in planning for, or reacting to, changes in our business, the industry in which we operate or the general economy.

Our business may not generate cash flows from operations in the future that are sufficient to service our debt and support our growth strategies. If we are unable to generate such cash flows, we may be required to adopt one or more alternatives, such as obtaining additional equity capital on terms that may be onerous or highly dilutive, selling assets, or restructuring debt. Our ability to refinance our indebtedness will depend on the capital markets and our financial condition at such time. We may not be able to engage in any of these activities or engage in these activities on desirable terms, which could result in a default on our debt obligations.

For the avoidance of doubt, if the then-current Benchmark has any Available Tenors, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

Subject to the foregoing, calculations in connection with the definitions, covenants and other provisions hereof shall utilize accounting principles and policies in conformity with those used to prepare the Historical Financial Statements. Notwithstanding the foregoing, for purposes of determining compliance with any covenant (including the computation of any financial covenant) contained herein, (i) Indebtedness of Borrower and its Subsidiaries shall be deemed to be carried at 100% of the outstanding principal amount thereof, and the effects of FASB ASC 825 and FASB ASC 470 20 on financial liabilities shall be disregarded, (ii) with respect to the accounting for leases as either operating leases or capital leases and the impact of such accounting in accordance with FASB ASC 840 on the definitions and covenants herein, GAAP as in effect on December 31, 2018 shall be applied and (iii) with respect to revenue recognition and the impact of such accounting in accordance with FASB ASC 606 on the definitions and covenants herein, GAAP as in effect on December 31, 2017 shall be applied.

reasonably satisfactory to Administrative Agent) as in effect on the date of such incurrence or expenditure under any provision of any such Section that has an aggregate Dollar limitation provided for therein (and to the extent the respective incurrence or expenditure test regulates the aggregate amount outstanding at any time and it is expressed in terms of Dollars, all outstanding amounts originally incurred or spent in currencies other than Dollars shall be converted into Dollars on the basis of the exchange rates (as shown on the Bloomberg currency page for such currency or, if the same does not provide such exchange rate, by reference to such other recognized and publicly available service for displaying exchange rates as may be reasonably selected by Administrative Agent or, in the event no such service is available, on such other basis as is reasonably satisfactory to Administrative Agent) as in effect on the date of any new incurrence or expenditures made under any provision of any such Section that regulates the Dollar amount outstanding at any time).

**Section 1.3 Interpretation, Etc.** Any of the terms defined herein may, unless the context otherwise requires, be used in the singular or the plural, depending on the reference. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine, and neuter forms. The word "will" shall be construed to have the same meaning and effect as the word "shall." References herein to any Section, Appendix, Schedule or Exhibit shall be to a Section, an Appendix, a Schedule or an Exhibit, as the case may be, hereof unless otherwise specifically provided. The use herein of the word "include" or "including," when following any general statement, term or matter, shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not no limiting language (such as "without limitation" or "but not limited to" or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that fall within the broadest possible scope of such general statement, term or

- 49 -

---

matter. The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any right or interest in or to assets and properties of any kind whatsoever, whether real, personal or mixed and whether tangible or intangible. Any reference herein or in any other Loan Document to the satisfaction, repayment, or payment in full of the Obligations or Guaranteed Obligations shall mean (a) the payment or repayment in full in immediately available funds of (i) the principal amount of, and interest accrued and unpaid with respect to, all outstanding Loans, together with the payment of any premium applicable to the repayment of the Loans, including any Yield Maintenance Premium and any Prepayment Premium, (ii) all costs, expenses, or indemnities payable pursuant to Section 10.2 or Section 10.3 of this Agreement that have accrued and are unpaid regardless of whether demand has been made therefor, and (iii) all fees, charges (including loan fees, service fees, professional fees, and expense reimbursement) and other Obligations that have accrued hereunder or under any other Loan Document and are unpaid, (b) the receipt by Administrative Agent of cash collateral in order to secure any other contingent Obligations for which a claim or demand for payment has been made on or prior to such time or in respect of matters or circumstances known to the Administrative Agent or a Lender at such time that are reasonably expected to result in any loss, cost, damage, or expense (including attorneys' fees and legal expenses), such cash collateral to be in such amount as the Administrative Agent reasonably determines is appropriate to secure such contingent Obligations, and (c) the termination of all of the Term Loan Commitments. Notwithstanding anything in this Agreement to the contrary, (A) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (B) all requests, rules, guidelines or directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities shall, in each case, be deemed to be enacted, adopted, issued, phased in or effective after the date of this Agreement regardless of the date enacted, adopted, issued, phased in or effective. Unless the context requires otherwise (a) any definition of or reference to any Loan Document, agreement, instrument or other document herein shall be construed as referring to such agreement, instrument or other document as from time to time amended, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth in any Loan Document), (b) any reference to any law or regulation shall (i) include all statutory and regulatory provisions consolidating, amending, replacing or interpreting or supplementing such law or regulation, and (ii) unless otherwise specified, refer to such law or regulation as amended, modified or supplemented from time to time, and (c) any reference herein to any Person shall be construed to include such Person's successors and permitted assigns. All references to (i) the United States of America, or to any subdivision, department, agency or instrumentality thereof shall be deemed to refer also to the Netherlands, Switzerland or to any subdivision, department, agency or instrumentality thereof, (ii) federal or state securities law of the United States shall be deemed to refer also to analogous securities laws in the Netherlands, Switzerland or corresponding or equivalent provisions under the laws of the Netherlands and Switzerland, and (iii) "state or federal bankruptcy laws" shall be deemed to refer also to any insolvency proceeding occurring in the Netherlands and Switzerland or under Dutch or Swiss federal, provincial or territorial law. Where it relates to any entity incorporated or established under the laws of Switzerland or the context so requires, unless a contrary indication appears, a reference to (a) a "receiver", "interim receiver", "administrative receiver", "administrator", "liquidator", "sequestrator", "trustee", "custodian" or "compulsory manager" includes a bankruptcy administrator (*Konkursverwaltung*), custodian (*Sachwalter*), interim custodian (*provisorischer Sachwalter*) or liquidator (*Liquidator*) within the meaning of the DEBA, (b) a "winding-up", "administration" or "dissolution" includes (i) a filing for the declaration of bankruptcy (*Antrag auf Konkursöffnung*) or a formal declaration of bankruptcy (*Konkursöffnung*) within the meaning of the DEBA, (ii) the filing for a request for a moratorium (*Gesuch um Nachlasstundung*) or a grant of a

provisional or definitive moratorium (*provisorische oder definitive Nachlassstundung*) within the meaning of the DEBA, and (iii) the filing for a request for an emergency moratorium (*Gesuch um Notstundung*) or a grant of an emergency moratorium (*Notstundung*) within the meaning of the DEBA, and

(c) an "order for relief" includes (i) a formal declaration of bankruptcy (*Konkursöffnung*) within the meaning of the DEBA, (ii) a grant of a provisional or definitive moratorium (*provisorische oder definitive Nachlassstundung*) within the meaning of the DEBA, and (iii) a grant of an emergency moratorium (*Notstundung*) within the meaning of the DEBA. With respect to a Dutch entity, (i) a "winding-up", "administration" or "dissolution" includes a Dutch Loan Party being declared bankrupt (*failliet verklaard*) or dissolved (*ontbonden*), (ii) a "moratorium" includes *surseance van betaling*, (iii) a "composition" includes an *akkoord* within the meaning the Dutch Bankruptcy Act (*Faillissementswet*), (iv) any "proceeding commenced" in connection with insolvency proceedings includes a Dutch Loan Party having filed a notice under Section 36 of the Dutch 1990 Tax Collection Act (*Invorderingswet 1990*) (whether or not pursuant to section 60 of the Dutch Act on the Financing of Social Insurances (*Wet financiering sociale verzekeringen*)), (v) a "liquidator" includes a *curator* and a *beoogd curator*, (vi) a "receiver" includes a *bewindvoerder* or a *beoogd bewindvoerder*, or (vii) "administrator", "compulsory manager" or "other similar officer" includes a *herstructureringsdeskundige* or an *observator*. This Section 1.3 shall apply, *mutatis mutandis*, to all Loan Documents.

**Section 1.4 Time References.** Unless otherwise indicated herein, all references to time of day refer to Eastern Standard Time or Eastern daylight saving time, as in effect in New York City on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to but excluding"; provided, however, that with respect to a computation of fees or interest payable to Administrative Agent or any Lender, such period shall in any event consist of at least one full day. Whenever any action or delivery to be taken or made under this Agreement or any other Loan Document shall be stated to be due on a day other than a Business Day, such action or delivery shall be deemed to be due on the next succeeding Business Day.

**Section 1.5 Certain Matters of Construction.** References in this Agreement to "determination" by Administrative Agent include good faith estimates by Administrative Agent (in the case of quantitative determinations) and good faith beliefs by Administrative Agent (in the case of qualitative determinations). A Default or Event of Default shall be deemed to exist at all times during the period commencing on the date that such Default or Event of Default occurs to the date on which such Default or Event of Default is waived in writing pursuant to this Agreement or, in the case of a Default, is cured within any period of cure expressly provided for in this Agreement; and an Event of Default shall "continue" or be "continuing" until such Event of Default has been waived in writing by the Required Lenders. Any Lien referred to in this Agreement or any other Loan Document as having been created in favor of Administrative Agent, any agreement entered into by Administrative Agent pursuant to this Agreement or any other Loan Document, any payment made by or to or funds received by Administrative Agent pursuant to or as contemplated by this Agreement or any other Loan Document, or any act taken or omitted to be taken by Administrative Agent, shall, unless otherwise expressly provided, be created, entered into, made or received, or taken or omitted, for the benefit or account of Administrative Agent and the Lenders. Wherever the phrase "to the knowledge of any Loan Party" or words of similar import relating to the knowledge or the awareness of any Loan Party are used in this Agreement or any other Loan Document, such phrase shall mean and refer to (i) the actual knowledge of a senior officer of any Loan Party or (ii) the knowledge that a senior officer would have obtained if such officer had engaged in good faith and diligent performance of such officer's duties, including the making of such reasonably specific inquiries as may be necessary of the employees or agents of such Loan Party and a good faith attempt to ascertain the existence or accuracy of the matter to which such phrase relates. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or otherwise within the limitations of, another covenant shall not avoid the occurrence of a default if such action is taken or condition exists. In addition, all representations and warranties hereunder

- 51 -

---

shall be given independent effect so that if a particular representation or warranty proves to be incorrect or is breached, the fact that another representation or warranty concerning the same or similar subject matter is correct or is not breached will not affect the incorrectness of a breach of a representation or warranty

hereunder.

**Section 1.6 Rates.** References Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Term SOFR Reference Rate, Term SOFR or any other Benchmark, any component definition thereof or rates referred to in the definition thereof, or with respect to any alternative, successor or replacement rate thereto (including any then-current Benchmark or any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement), as it may or may not be adjusted pursuant to Section 2.20, will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Term SOFR Reference Rate, Term SOFR or any other Benchmark, prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of the Term SOFR Reference Rate, Term SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto and such transactions may be adverse to Company. Administrative Agent may select information sources or services in its reasonable discretion to ascertain the Term SOFR Reference Rate or Term SOFR, or any other Benchmark, any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to Company, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

**Section 1.7 Obligation to Make Payments in Dollars.** All payments to be made by any Loan Party of principal, interest, fees and other Obligations under any Loan Document shall be made in Dollars in same day funds, and no obligation of any Loan Party to make any such payment shall be discharged or satisfied by any payment other than payments made in Dollars in same day funds.

## ARTICLE II

### LOANS

#### Section 2.1 Term Loans.

(a) Initial Term Loans; Delayed Draw Term Loans. Subject to the terms and conditions hereof:

(i) each Lender severally agrees to make, on the Closing Date, an Initial Term Loan to Company in an amount equal to such Lender's Initial Term Loan Commitment; and

(ii) each Lender severally agrees to make, on one occasion during the Delayed Draw Commitment Period, a Delayed Draw Term Loan to Company in an aggregate amount not to exceed such Lender's Delayed Draw Term Loan Commitment.

Company may make only one borrowing under the Initial Term Loan Commitment, which shall be on the Closing Date, and may make only one borrowing under the Delayed Draw Term Loan Commitment. Any

- 52 -

---

amount borrowed under this Section 2.1(a) and subsequently repaid or prepaid may not be reborrowed. Subject to Section 2.9, all amounts owed hereunder with respect to the Term Loan shall be paid in full no later than the Term Loan Maturity Date. Each Lender's Initial Term Loan Commitment and Delayed Draw Term Loan Commitment shall terminate immediately and without further action on the Credit Date on which such Lender funds Initial Term Loans or Delayed Draw Term Loans, respectively, after giving effect to the funding of such Term Loans on such Credit Date; provided that, for the avoidance of doubt, upon funding the Delayed Draw Term Loan pursuant to Section 2.1(a)(ii) above, any unused portion of the Delayed Draw Term Loan Commitments shall terminate on such date of funding.

(b) Borrowing Mechanics for Term Loans.

(i) Company shall deliver to Administrative Agent a fully executed Funding Notice no later than three Business Days prior to the Closing Date (or such shorter period permitted by Administrative Agent), with respect to Term Loans made on the Closing Date. Following the Closing Date (and subject to the conditions set forth in Section 3.2), whenever Company desires that Lenders make a Delayed Draw Term Loan, within thirty (30) days after the date that delivery of financial statements and other information were required to be delivered pursuant to Section 5.1(b), Company shall deliver to Administrative Agent a

fully executed and delivered Funding Notice no later than 12:00 p.m. (New York City time) at least fifteen (15) U.S. Government Securities Business Days in advance of the proposed Credit Date. Except as otherwise provided herein, a Funding Notice for a Term Loan that is a SOFR Loan shall be irrevocable on and after the related Interest Rate Determination Date, and Company shall be bound to make a borrowing in accordance therewith. Promptly upon receipt by Administrative Agent of any such Funding Notice, Administrative Agent shall notify each Lender of the proposed borrowing. Administrative Agent and Lenders (A) may act without liability upon the basis of written or facsimile notice believed by Administrative Agent in good faith to be from Company (or from any Authorized Officer thereof designated in writing purportedly from Company to Administrative Agent), (B) shall be entitled to rely conclusively on any Authorized Officer's authority to request a Term Loan on behalf of Company until Administrative Agent receives written notice to the contrary, and (C) shall have no duty to verify the authenticity of the signature appearing on any written Funding Notice.

(ii) Each Lender shall make its applicable Term Loan available to Administrative Agent not later than 12:00 p.m. on the applicable Credit Date, by wire transfer of same day funds in Dollars, at Administrative Agent's Principal Office. Upon satisfaction or waiver of the conditions precedent specified herein, Administrative Agent shall make the proceeds of the applicable Term Loans available to Company on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all such Loans received by Administrative Agent from Lenders to be wired to the account of Company at Administrative Agent's Principal Office or to such other account as may be designated in writing to Administrative Agent by Company.

(iii) During the Delayed Draw Commitment Period, Company may make one (1) draw of Delayed Draw Term Loans in a minimum amount of \$[\*\*] and integral multiples of \$[\*\*] in excess of that amount.

(c) Pro Rata Shares; Availability of Funds.

(i) Pro Rata Shares. All Loans shall be made by Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder nor shall any Term Loan Commitment of any Lender be increased or decreased as a result of a default by

- 53 -

---

any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(ii) Availability of Funds. Unless Administrative Agent shall have been notified by any Lender in writing prior to the applicable Credit Date that such Lender does not intend to make available to Administrative Agent the amount of such Lender's Loan requested on such Credit Date, Administrative Agent may assume that such Lender has made such amount available to Administrative Agent on such Credit Date and Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Company a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the customary rate set by Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. If such Lender does not pay such corresponding amount forthwith upon Administrative Agent's demand therefor, Administrative Agent shall promptly notify Company and Company shall immediately pay such corresponding amount to Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to Administrative Agent, at the rate payable hereunder for Base Rate Loans. Nothing in this Section 2.1(c)(ii) shall be deemed to relieve any Lender from its obligation to fulfill its Term Loan Commitments hereunder or to prejudice any rights that Company may have against any Lender as a result of any default by such Lender hereunder.

**Section 2.2 Use of Proceeds.** The proceeds of the Term Loans shall be applied by Company to (a) refinance the Existing Indebtedness and (b) fund working capital, capital expenditures, acquisitions, research, development and commercialization expenses, and general corporate purposes of Borrower and its Subsidiaries. No portion of the proceeds of the Term Loan shall be used in any manner that causes or might cause such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation thereof or to violate the Exchange Act.

**Section 2.3 Evidence of Debt; Register; Lenders' Books and Records; Notes.**

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Company to such Lender, including the amounts of the Term Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall

be conclusive and binding on Company, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect Company's Obligations in respect of any Term Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. Administrative Agent shall maintain at its Principal Office a register for the recordation of the names and addresses of Lenders and the principal amount of the Term Loans (and stated interest therein) of each Lender from time to time (the "Register"). The Register shall be available for inspection by Company at any reasonable time and from time to time upon reasonable prior written notice. Administrative Agent shall record in the Register the Term Loans (and stated interest thereon), and each repayment or prepayment in respect of the principal amount of the Term Loans, and any such recordation shall be conclusive and binding on Company and each Lender, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect Company's Obligations in respect of any Term Loan. Company hereby designates the entity serving as Administrative Agent to serve as Company's non-fiduciary agent solely for purposes of maintaining the Register as

- 54 -

---

provided in this Section 2.3, and Company hereby agrees that, to the extent such entity serves in such capacity, the entity serving as Administrative Agent and its officers, directors, employees, agents and affiliates shall constitute "Indemnitees."

(c) Notes. If so requested by any Lender by written notice to Company (with a copy to Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, Company shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after Company's receipt of such notice) a Note or Notes.

#### Section 2.4 Interest.

(a) Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows: (i) if a Base Rate Loan, at the Base Rate plus the Applicable Margin; or (ii) if a SOFR Loan, at Term SOFR plus the Applicable Margin.

(b) The basis for determining the rate of interest with respect to any Loan, and the Interest Period with respect to any SOFR Loan, shall be selected by Company and notified to Administrative Agent and Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be a Base Rate Loan.

(c) In connection with SOFR Loans there shall be no more than five (5) Interest Periods outstanding at any time. In the event Company fails to specify between a Base Rate Loan or a SOFR Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a SOFR Loan) will be automatically converted into a Base Rate Loan on the last day of the then current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). At any time that a Default or an Event of Default has occurred and is continuing, Company no longer shall have the option to request that any portion of the Loans be a SOFR Loan and such SOFR Loans shall automatically convert to Base Rate Loans on the last day of the then current Interest Period. As soon as practicable after 10:00 a.m. (New York City time) on each Interest Rate Determination Date, Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the SOFR Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing) to Company and each Lender.

(d) Interest payable hereunder shall be computed on the basis of a 360 day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a SOFR Loan, the date of conversion of such SOFR Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a SOFR Loan, the date of conversion of such Base Rate Loan to such SOFR Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) Except as otherwise set forth herein, interest on each Term Loan shall be payable in cash and in arrears (i) on each Interest Payment Date and (ii) upon any prepayment of that Term Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid.

(f) In connection with the use or administration of Term SOFR, Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. Administrative Agent will promptly notify Company and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

**Section 2.5 Conversion/Continuation.**

(a) Subject to Section 2.17 and so long as no Default or Event of Default shall have occurred and then be continuing, Company shall have the option:

(i) to convert at any time all or any part of any Term Loan equal to \$5,000,000 and integral multiples of \$5,000,000 in excess of that amount from one Type of Loan to another Type of Loan; provided, a SOFR Loan may only be converted on the expiration of the Interest Period applicable to such SOFR Loan unless Company shall pay all amounts due under Section 2.17 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any SOFR Loan, to continue all or any portion of such Loan equal to \$5,000,000 and integral multiples of \$5,000,000 in excess of that amount as a SOFR Loan.

(b) Company shall deliver a Conversion/Continuation Notice to Administrative Agent no later than 12:00 p.m. (New York City time) at least one (1) Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and at least three (3) Business Days in advance of the proposed conversion/continuation date (in the case of a conversion to, or a continuation of, a SOFR Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any SOFR Loans shall be irrevocable on and after the related Interest Rate Determination Date, and Company shall be bound to effect a conversion or continuation in accordance therewith. If no Conversion/Continuation Notice is delivered at the end of an Interest Period for any Loan, such Loan shall be continued as a SOFR Loan with an Interest Period of three months.

**Section 2.6 Default Interest.** Upon the occurrence and during the continuance of an Event of Default under Sections 8.1(a), (f) or (g), and after notice from the Administrative Agent acting at the direction of the Required Lenders, after the occurrence and during the continuance of any other Event of Default retroactive to the date of occurrence of such Event of Default, the principal amount of all Term Loans outstanding and, to the extent permitted by applicable law, any interest payments on the Term Loans or any fees or other amounts owed hereunder (including any Yield Maintenance Premium or Prepayment Premium, if applicable), shall thereafter bear interest (including post petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) payable on demand at a rate that is [\*\*]% per annum in excess of the interest rate otherwise payable hereunder with respect to the Term Loans (or, in the case of any such fees and other amounts, at a rate which is [\*\*]% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans) (the "Default Rate"). All interest payable at the Default Rate shall be payable in cash on demand. Payment or acceptance of the Default Rate of interest provided for in this Section 2.6 is not a permitted alternative to timely payment and shall not constitute a

waiver of any Default or Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

**Section 2.7 Fees.**

- (a) Company agrees to pay to Administrative Agent all fees payable by it in the Fee Letter in the amounts and at the times specified therein.
- (b) All fees referred to in Section 2.7(a) shall be calculated on the basis of a 360 day year and the actual number of days elapsed.

**Section 2.8 Repayment of Term Loans.** The principal amounts of the Term Loans shall be repaid, together with all other amounts owed hereunder with respect thereto, in full in cash no later than the Term Loan Maturity Date.

**Section 2.9 Voluntary Prepayments and Commitment Reductions.**

(a) Voluntary Prepayments.

(i) Subject to the payment of any applicable Yield Maintenance Premium, Prepayment Premium or accrued and unpaid interest, Company may prepay at any time the Term Loan on any Business Day in whole or in part (together with any amounts due pursuant to Section 2.19), in an aggregate minimum amount of \$5,000,000 and integral multiples of \$5,000,000 in excess of that amount.

(ii) All such prepayments shall be made (A) upon not less than one (1) Business Day's prior written notice in the case of Base Rate Loans and (B) upon not less than three (3) Business Days' prior written notice in the case of SOFR Loans, in each case given to Administrative Agent by 10:00 a.m. on the date required (and Administrative Agent will promptly transmit such or original notice by facsimile or email to each Lender). Upon the giving of any such notice, the principal amount of the Term Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.11(a) with respect to the Term Loans.

(b) Voluntary Commitment Reductions.

(i) Company may, upon not less than three Business Days' prior written confirmed in writing to Administrative Agent (which written notice Administrative Agent will promptly transmit by facsimile or email to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part any unused portion of the Delayed Draw Term Loan Commitments; provided, any such partial reduction of the Delayed Draw Term Loan Commitments shall be in an aggregate minimum amount of \$5,000,000 and integral multiples of \$5,000,000 in excess of that amount.

(ii) Company's notice to Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the Delayed Draw Term Loan Commitments shall be effective on the date specified in Company's notice and shall reduce the Delayed Draw Term Loan of each Lender proportionately to its Pro Rata Share thereof.

In the event that Company shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, Company shall promptly make an additional prepayment of the Loans, and Company shall concurrently therewith deliver to Administrative Agent a certificate of an Authorized Officer demonstrating the derivation of such excess.

#### Section 2.11 Application of Prepayments.

(a) Application of Prepayments of Term Loans. (i) Any prepayment of the Term Loan pursuant to Section 2.9 and (ii) except in connection with any Waivable Mandatory Prepayment provided for in Section 2.11(b), so long as no Application Event has occurred and is continuing, any mandatory prepayment of any Loan pursuant to Section 2.10, in each case, shall be applied as follows:

*first*, to prepay accrued and unpaid interest on the Term Loan;

*second*, to pay any Yield Maintenance Premium and Prepayment Premium payable thereon;

*third, ratably to prepay (A) the principal of the Initial Term Loan until paid in full and (B) the principal of the Delayed Draw Term Loan until paid in full; and*

*thereafter, to permanently reduce any undrawn Delayed Draw Term Loan Commitment.*

- 59 -

---

**(b) Waivable Mandatory Prepayment.** Anything contained herein to the contrary notwithstanding, in the event Company is required to make any mandatory prepayment (a "Waivable Mandatory Prepayment") of the Term Loans pursuant to Section 2.10, not less than [\*\*] prior to the date (the "Required Prepayment Date") on which Company is required to make such Waivable Mandatory Prepayment, Company shall notify Administrative Agent of the amount of such prepayment, and Administrative Agent will promptly thereafter notify each Lender holding an outstanding Term Loan of the amount of such Lender's Pro Rata Share of such Waivable Mandatory Prepayment and such Lender's option to refuse such amount. Each such Lender may exercise such option by giving written notice to Company and Administrative Agent of its election to do so on or before the first Business Day prior to the Required Prepayment Date (it being understood that any Lender which does not notify Company and Administrative Agent of its election to exercise such option on or before the first Business Day prior to the Required Prepayment Date shall be deemed to have elected, as of such date, not to exercise such option). On the Required Prepayment Date, Company shall pay to Administrative Agent the amount of the Waivable Mandatory Prepayment, which amount shall be applied (i) in an amount equal to that portion of the Waivable Mandatory Prepayment payable to those Lenders that have elected not to exercise such option, to prepay the Term Loans of such Lenders (which prepayment shall be applied in accordance with Section 2.11(a)), and (ii) to the extent of any excess, to Company for working capital and general corporate purposes.

**(c)** At any time an Application Event has occurred and is continuing, all payments shall be applied pursuant to Section 2.12(f). Nothing contained herein shall modify the provisions of Section 2.12(b) regarding the requirement that all prepayments be accompanied by accrued interest and fees on the principal amount being prepaid to the date of such prepayment and the applicable Yield Maintenance Premium and Prepayment Premium, or any requirement otherwise contained herein to pay all other amounts as the same become due and payable.

#### Section 2.12 General Provisions Regarding Payments.

**(a)** All payments by Company of principal, interest, fees and other Obligations shall be made in Dollars in immediately available funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to Administrative Agent, for the account of Lenders, not later than 12:00 p.m. (New York City time) on the date such payment is due and payable to Administrative Agent's Account. Funds received by Administrative Agent after that time on such due date shall be deemed to have been paid by Company on the next Business Day.

**(b)** All payments in respect of the principal amount of any Term Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, the Yield Maintenance Premium, the Prepayment Premium and all commitment fees and other amounts payable with respect to the principal amount being repaid or prepaid.

**(c)** Administrative Agent shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due with respect thereto, including, without limitation, all fees payable with respect thereto, to the extent received by Administrative Agent.

**(d)** Subject to the provisos set forth in the definition of "Interest Period", whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder or of the commitment fees hereunder.

- 60 -

---

(e) Administrative Agent shall deem any payment by or on behalf of Company hereunder that is not made in same day funds prior to 12:00 p.m. to be a non-conforming payment. Any such payment shall not be deemed to have been received by Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Administrative Agent shall give prompt notice to Company and each applicable Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the Default Rate determined pursuant to Section 2.6 from the date such amount was due and payable until the date such amount is paid in full.

(f) At any time an Application Event has occurred and is continuing, or the maturity of the Obligations shall have been accelerated pursuant to Section 8.2, all payments or proceeds received by Administrative Agent hereunder or under any Collateral Document in respect of any of the Obligations, including, but not limited to all proceeds received by Administrative Agent in respect of any sale, any collection from, or other realization upon all or any part of the Collateral, shall be applied in full or in part as follows:

*first*, ratably to pay the Obligations in respect of any fees (other than any Yield Maintenance Premium and any Prepayment Premium), expense reimbursements, indemnities and other amounts then due and payable to Administrative Agent until paid in full;

*second*, ratably to pay interest then due and payable in respect of Protective Advances until paid in full;

*third*, ratably to pay principal of Protective Advances then due and payable until paid in full;

*fourth*, ratably to pay the Obligations in respect of any fees (other than any Yield Maintenance Premium and any Prepayment Premium) and indemnities then due and payable to the Lenders with a Term Loan Commitment until paid in full;

*fifth*, ratably to pay interest then due and payable in respect of the Term Loan until paid in full;

*sixth*, ratably to pay (A) the principal of the Initial Term Loan until paid in full and (B) the principal of the Delayed Draw Term Loan until paid in full;

*seventh*, ratably to pay the Obligations in respect of any Yield Maintenance Premium and Prepayment Premium then due and payable to the Lenders with a Term Loan Commitment until paid in full; and

*eighth*, to the ratable payment of all other Obligations then due and payable until paid in full.

(g) For purposes of Section 2.12(f) (other than clause *eighth* of Section 2.12(f)), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and

- 61 -

---

expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding, except to the extent that default or overdue interest (but not any other interest) and loan fees, each arising from or related to a default, are disallowed in any Insolvency Proceeding; provided, however, that for purposes of clause *eighth* of Section 2.12(f), "paid in full" means payment in cash of all amounts owing under the Loan Documents according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest accrued after the commencement of any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(h) In the event of a direct conflict between the priority provisions of Section 2.12(f) and other provisions contained in any other Loan Document, it is the intention of the parties hereto that both such priority provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of Section 2.12(f) shall control and govern.

(i) The Lenders and Company hereby authorize Administrative Agent to, and Administrative Agent may, from time to time, charge the Loan Account with any amount due and payable by Company under any Loan Document to the extent not paid when due. Each of the Lenders and Company agrees that Administrative Agent shall have the right, upon contemporaneous notice to the Company, to make such charges whether or not any Default or Event of Default shall have occurred and be continuing or whether any of the conditions precedent in Section 3.2 have been satisfied. Any amount charged to the Loan Account shall be deemed a Loan hereunder made by the Lenders to Company, funded by Administrative Agent on behalf of the Lenders and subject to Section 2.2. The Lenders and Company confirm that any charges which Administrative Agent may so make to the Loan Account as herein provided will be made as an accommodation to Company and solely at Administrative Agent's discretion, provided that Administrative Agent shall from time to time upon the request of Administrative Agent, charge the Loan Account of Company with any amount due and payable under any Loan Document. The Administrative Agent shall provide a reasonably detailed invoice for any amounts charged to the Loan Account (unless such charge is made at the Company's request) promptly upon request by the Company.

(ii) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any SOFR Loans, Administrative Agent shall give effect thereto in apportioning payments received thereafter.

**Section 2.13 Ratable Sharing.** Lenders hereby agree among themselves that, except as otherwise provided in the Collateral Documents with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Term Loans made and applied in accordance with the terms hereof), through the exercise of any right of set off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Loan Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Loan Documents (collectively, the "Aggregate Amounts Due" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender having Term Loans, then the Lender receiving such proportionately greater payment shall (a) notify Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate.

- 62 -

---

Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders having Term Loans in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of Company or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Company expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker's lien, set off or counterclaim with respect to any and all monies owing by Company to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder.

**Section 2.14 Increased Costs; Capital Adequacy.**

(a) **Compensation For Increased Costs and Taxes.** Subject to the provisions of Section 2.15 (which shall be controlling with respect to the matters covered thereby), in the event that Administrative Agent or any Lender shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any law, treaty or governmental rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (including the introduction of any new law, treaty or governmental rule, regulation or order), or any determination of a court or Governmental Authority, in each case that becomes effective after the date hereof, or compliance by Administrative Agent or such Lender with any guideline, request or directive issued or made after the date hereof by any central bank or other governmental or quasi-Governmental Authority (whether or not having the force of law): (i) subjects Administrative Agent or such Lender (or its applicable lending office) to any additional Tax (other than any Tax on the overall net income of Administrative Agent or such Lender, or any Bank Levy (or any payment attributable to, or liability arising as a consequence of, a Bank Levy)) with respect to this Agreement or any of the other Loan Documents or any of its obligations hereunder or thereunder or any payments to Administrative Agent or such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended or participated in by, or any other acquisition of funds by, any office of Administrative Agent or such Lender (other than any such reserve or other requirements with respect to SOFR Loans that are reflected in the definition of

Term SOFR); or (iii) imposes any other condition (other than with respect to Taxes) on or affecting Administrative agent or such Lender (or its applicable lending office) or its obligations hereunder; and the result of any of the foregoing is to increase the cost to Administrative Agent or such Lender of participating in, agreeing to make, making or maintaining Loans hereunder or to reduce any amount received or receivable (whether of principal, interest, or any other amount) by Administrative Agent or such Lender (or its applicable lending office) with respect thereto; then, in any such case, Company shall promptly pay to Administrative Agent or such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as Administrative Agent or such Lender in its sole discretion shall determine) as may be necessary to compensate Administrative Agent or such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Administrative Agent or such Lender shall deliver to Company (with a copy to Administrative Agent, if applicable) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Administrative Agent or such Lender under this Section 2.14(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

- 63 -

---

(b) Capital Adequacy Adjustment. In the event that any Lender shall have determined that the adoption, effectiveness, phase in or applicability after the Closing Date of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its applicable lending office) with any guideline, request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, such Lender's Term Loans or other obligations hereunder with respect to the Term Loan to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), then from time to time, within [\*] after receipt by Company from such Lender of the statement referred to in the next sentence, Company shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling corporation on an after tax basis for such reduction. Such Lender shall deliver to Company (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.14(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

#### Section 2.15 Taxes; Withholding, Etc.

(a) Withholding of Taxes. All sums payable by any Loan Party hereunder and under the other Loan Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax, other than (i) Taxes imposed on or measured by the recipient's net income (however denominated), branch profits Taxes and franchise Taxes imposed on the recipient, in each case, (A) by the jurisdiction (or any political subdivision thereof) under the laws of which such recipient is organized or in which its principal office is located or, in the case of any Lender, in which its applicable lending office is located or (B) as the result of any other present or former connection between such recipient and the jurisdiction imposing such Tax (other than connections arising from such recipient having executed, delivered, become a party to, performed its obligations under, received payments under, received or perfected a security interest under, engaged in any other transaction pursuant to or enforced any Loan Document), (ii) Taxes attributable to such Lender's failure to comply with Section 2.15(d) and (iii) any withholding Taxes imposed under FATCA (all such Taxes described in clauses (i) through (iii), collectively or individually, "Excluded Taxes"). If any Loan Party or any other Person is required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by any Loan Party to Administrative Agent or any Lender under any of the Loan Documents: (1) Company shall notify Administrative Agent of any such requirement or any change in any such requirement as soon as Company becomes aware of it; (2) Company shall timely pay the full amount of any such Tax to the relevant Governmental Authority before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Loan Party) for its own account or (if that liability is imposed on Administrative Agent or such Lender, as the case may be) on behalf of and in the name of Administrative Agent or such Lender; (3) if such Tax is an Indemnified Tax, then the sum payable by such Loan Party shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment (including any such deductions, withholdings or payments applicable to additional sums payable under this Section 2.15), Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; and (4) within [\*] after paying any sum from which it is required by law to make any deduction or withholding, Company shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such deduction, withholding or payment, a

- 64 -

---

copy of the return reporting such withholding, deduction or payment, or other evidence satisfactory to Administrative Agent of such deduction, withholding or payment and of the remittance thereof to the relevant Governmental Authority.

(b) **Other Taxes.** The Loan Parties shall pay to the relevant Governmental Authorities (or, at the option of Administrative Agent, timely reimburse it for the payment of) any present or future stamp, court, documentary, intangible, recording, filing or similar Taxes or any other excise or property Taxes that arise from any payment made hereunder or from the execution, delivery, performance, enforcement or registration of, from the receipt or perfection of a security interest under, or otherwise with respect to, this Agreement or any other Loan Document ("Other Taxes"). Within [\*\*] after paying any such Other Taxes, each Loan Party shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment, or other evidence satisfactory to Administrative Agent that such Other Taxes have been paid to the relevant Governmental Authority.

(c) **Tax Indemnification.**

(i) The Loan Parties hereby jointly and severally indemnify and agree to hold Administrative Agent and any Lender harmless from and against the full amount of all Indemnified Taxes (including, without limitation, Indemnified Taxes imposed or asserted on or attributable to any amounts payable under this Section 2.15) payable or paid by such Person or required to be withheld or deducted from a payment to such Person and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Such indemnification shall be paid within [\*\*] from the date on which Administrative Agent or Lender makes written demand therefor. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(ii) Each Lender shall severally indemnify Administrative Agent, within [\*\*] after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Loan Parties have not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(h)(ii) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Administrative Agent to the Lender from any other source against any amount due to Administrative Agent under this paragraph.

(d) **Evidence of Exemption From Withholding Tax.**

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by Borrower or Administrative Agent, shall deliver such

other documentation prescribed by applicable law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(d)(i)(A), (i)(B) and (i)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material

unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Without limiting the generality of the foregoing, in the event that Borrower is a U.S. Borrower:

(A) any Lender that is a U.S. Person shall deliver to Borrower and Administrative Agent on or about the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of Borrower within the meaning of Section 871(h)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" related to any Loan Party described in Section 881(c)(3)(C) of the Internal Revenue Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance

- 66 -

Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(ii) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or about the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrower or Administrative Agent to determine the withholding or deduction required to be made; and

(iii) If a payment made to a Lender under any Loan Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to Company and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by Company or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by Company or Administrative Agent as may be necessary for

Company and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.15(d)(iii), FATCA shall include any amendments made to FATCA after the date of this Agreement. Notwithstanding the above, a Lender shall not be required to deliver any form or other form of documentation pursuant to this Section 2.15(d)(iii) that such Lender is not legally able to deliver. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and Administrative Agent of its legal inability to do so.

(e) Survival. Each party's obligations under this Section 2.15 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Term Loans, and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

**Section 2.16 Obligation to Mitigate**. Each Lender agrees that, as promptly as practicable after the officer of such Lender responsible for administering its Term Loans becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or that would entitle such Lender to receive payments under Section 2.13, 2.14, 2.15 or 2.19, it will, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Section 2.13, 2.14, 2.15 or 2.19 would be materially reduced and if, as determined by

- 67 -

---

such Lender in its sole discretion, the making, issuing, funding or maintaining of such Term Loans through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Term Loans or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office pursuant to this Section 2.16 unless Company agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by Company pursuant to this Section 2.16 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to Company (with a copy to Administrative Agent) shall be conclusive absent manifest error.

**Section 2.17 Defaulting Lenders**. Anything contained herein to the contrary notwithstanding, in the event that any Lender violates any provision of Section 9.5(c), or, other than at the direction or request of any regulatory agency or authority, defaults (in each case, a "Defaulting Lender") in its obligation to fund (a "Funding Default") a Term Loan (in each case, a "Defaulted Loan"), then (a) during any Default Period with respect to such Defaulting Lender, such Defaulting Lender shall be deemed not to be a "Lender" for purposes of voting on any matters (including the granting of any consents or waivers) with respect to any of the Loan Documents; and (b) to the extent permitted by applicable law, until such time as the Default Excess, if any, with respect to such Defaulting Lender shall have been reduced to zero, (i) any voluntary prepayment of the Term Loans shall, if Administrative Agent so directs at the time of making such voluntary prepayment, be applied to Term Loans of other Lenders as if such Defaulting Lender had no Term Loans outstanding and the outstanding Term Loans of such Defaulting Lender were zero, and (ii) any mandatory prepayment of the Term Loans shall, if Administrative Agent so directs at the time of making such mandatory prepayment, be applied to the Term Loans of other Lenders (but not to the Term Loans of such Defaulting Lender) as if such Defaulting Lender had funded all Defaulted Loans of such Defaulting Lender, it being understood and agreed that Company shall be entitled to retain any portion of any mandatory prepayment of the Term Loans that is not paid to such Defaulting Lender solely as a result of the operation of the provisions of this clause (b). No Term Loan Commitment of any Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 2.17, performance by Company of its obligations hereunder and the other Loan Documents shall not be excused or otherwise modified as a result of any Funding Default or the operation of this Section 2.17. The rights and remedies against a Defaulting Lender under this Section 2.17 are in addition to other rights and remedies which Company may have against such Defaulting Lender with respect to any Funding Default and which Administrative Agent or any Lender may have against such Defaulting Lender with respect to any Funding Default or violation of Section 9.5(c).

**Section 2.18 Removal or Replacement of a Lender**. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an "Increased Cost Lender") shall give notice to Company that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.14, 2.15 or 2.16, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business Days after Company's request for such withdrawal; or (b) (i) any Lender shall become a Defaulting Lender, (ii) the Default Period for such Defaulting Lender shall remain in effect, and (iii) such Defaulting Lender shall fail to cure the

default as a result of which it has become a Defaulting Lender within five Business Days after Company's request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 10.5(b), the consent of Administrative Agent and Required Lenders shall have been obtained but the consent of one or more of such other Lenders (each a "Non-Consenting Lender") whose consent is required shall not have been obtained; then, with respect to each such Increased Cost Lender, Defaulting Lender or Non-Consenting Lender (the "Terminated Lender"), Administrative Agent may (which, in the case of an Increased Cost Lender, only after receiving

---

written request from Company to remove such Increased Cost Lender), by giving written notice to Company and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Term Loans in full to one or more Eligible Assignees (each a "Replacement Lender") in accordance with the provisions of Section 10.6 and Terminated Lender shall pay any fees payable thereunder in connection with such assignment; provided, (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender and (B) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.7; (2) on the date of such assignment, Company shall pay any amounts payable to such Terminated Lender pursuant to Section 2.14 or 2.15; and (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender. Upon the prepayment of all amounts owing to any Terminated Lender, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. For the avoidance of doubt, all fees that would otherwise be due and payable to any Non-Consenting Lender, including, without limitation, any Yield Maintenance Premium and any Prepayment Premium, shall continue to be due and payable to such Non-Consenting Lender.

Section 2.19 Making or Maintaining SOFR Loans.

(a) Inability to Determine Rates. Subject to Section 2.20, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof, or

(ii) the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided written notice of such determination to the Administrative Agent,

then the Administrative Agent will promptly so notify Company and each Lender.

Upon notice thereof by the Administrative Agent to Company, any obligation of the Lenders to make SOFR Loans, and any right of Company to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (a)(ii), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) Company may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, Company will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such conversion, Company shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.19(c). Subject to Section 2.20, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent

without reference to clause (c) of the definition of "Base Rate" until the Administrative Agent revokes such determination.

(b) Illegality. If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to SOFR, the Term SOFR Reference Rate or Term SOFR (the "Affected Loans"), or to determine or charge interest based upon SOFR, the Term SOFR Reference Rate or Term SOFR, then, upon notice thereof by such Lender (an "Affected Lender") to Company (through the Administrative Agent) (an "Illegality Notice"), (a) any obligation of the Lenders to make SOFR Loans, and any right of Company to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended, and (b) the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Base Rate", in each case until each affected Lender notifies the Administrative Agent and Company that the circumstances giving rise to such determination no longer exist. Upon receipt of an Illegality Notice, Company shall, if necessary to avoid such illegality, upon demand from any Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans to Base Rate Loans (the interest rate on which Base Rate Loans shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to clause (c) of the definition of "Base Rate"), on the last day of the Interest Period therefor, if all affected Lenders may lawfully continue to maintain such SOFR Loans to such day, or immediately, if any Lender may not lawfully continue to maintain such SOFR Loans to such day, in each case until the Administrative Agent is advised in writing by each affected Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon SOFR, the Term SOFR Reference Rate or Term SOFR. Upon any such prepayment or conversion, Company shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.19(c).

(c) Compensation for Breakage or Non-Commencement of Interest Periods. Company shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or calculated to be due and payable by such Lender to lenders of funds borrowed by it to make or carry its SOFR Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any SOFR Loan does not occur on a date specified therefor in a Funding Notice, or a conversion to or continuation of any SOFR Loan does not occur on a date specified therefor in a Conversion/Continuation Notice for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its SOFR Loans occurs on any day other than the last day of an Interest Period applicable to that Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or (iii) if any prepayment of any of its SOFR Loans is not made on any date specified in a notice of prepayment given by Company.

(d) Booking of SOFR Loans. Any Lender may make, carry or transfer SOFR Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of SOFR Loans. Calculation of all amounts payable to a Lender under this Section 2.19 and under Section 2.14 shall be made as though such Lender had actually funded each of its relevant SOFR Loans through the purchase of a SOFR deposit bearing interest at Term SOFR in an amount equal to the amount of such SOFR Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such SOFR deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided,

- 70 -

however, each Lender may fund each of its SOFR Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.19 and under Section 2.14. Anything to the contrary contained herein notwithstanding, neither Administrative Agent, nor any Lender, nor any of their participants, is required actually to match fund any Obligation as to which interest accrues at Term SOFR or the Term SOFR Reference Rate.

## Section 2.20 Benchmark Replacement Setting.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, Administrative Agent and Company may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5<sup>th</sup>) Business Day after Administrative Agent has posted such proposed amendment to all affected Lenders and Company so long as Administrative Agent has not received, by such time,

written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.20(a) will occur prior to the applicable Benchmark Transition Start Date.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) Notices; Standards for Decisions and Determinations. Administrative Agent will promptly notify Company and the Lenders of (1) the implementation of any Benchmark Replacement and (2) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify Company of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.20(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.20, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.20.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (1) if the then-current Benchmark is a term rate (including the Term SOFR) and either (I) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by Administrative Agent in its reasonable discretion or (II) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (2) if a tenor that was removed pursuant to clause (1) above either (I) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (II) is not, or is no longer, subject to an announcement that it is not or will not be

- 71 -

---

representative for a Benchmark (including a Benchmark Replacement), then Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon Company's receipt of notice of the commencement of a Benchmark Unavailability Period, (1) Company may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Company will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans and (2) any outstanding affected SOFR Loans will be deemed to have been converted to Base Rate Loans at the end of the applicable Interest Period. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

## ARTICLE IV

### REPRESENTATIONS AND WARRANTIES

In order to induce the Administrative Agent and Lenders to enter into this Agreement and to make each Credit Extension to be made thereby, each Loan Party represents and warrants to the Administrative Agent and Lender, on the Closing Date and on each Credit Date, that the following statements are true and correct:

**Section 4.1 Organization; Requisite Power and Authority; Qualification.** Each of Borrower and its Subsidiaries (a) is duly organized or incorporated, validly existing and in good standing under the laws of its jurisdiction of organization or incorporation as identified in Schedule 4.1, (b) has all requisite power and authority to own and operate its properties, to carry on its business as now conducted and as proposed to be conducted, to grant the Lien under each relevant Foreign Security Document and to enter into the Loan Documents to which it is a party and to carry out the transactions contemplated thereby and, in the case of Company, to make the borrowings hereunder, and (c) is qualified to do business and in good standing in every jurisdiction where its assets are located and wherever necessary to carry out its business and operations, except in jurisdictions where the failure to be so qualified or in good standing has not had, and would not be reasonably expected to have, a Material Adverse Effect.

**Section 4.2 Capital Stock and Ownership.** The Capital Stock of each of Borrower and its Subsidiaries has been duly authorized and validly issued and is fully paid and non-assessable. Except as set forth on Schedule 4.2, as of the date hereof, there is no existing option, warrant, call, right, commitment or other agreement to which Borrower or any of its Subsidiaries is a party requiring, and there is no membership interest or other Capital Stock of Borrower or any of its Subsidiaries outstanding which upon conversion or exchange would require, the issuance by Borrower or any of its Subsidiaries of any additional membership interests or other Capital Stock of Borrower or any of its Subsidiaries or other securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, a membership interest or other Capital Stock of Borrower or any of its Subsidiaries. Schedule 4.2 correctly sets forth the ownership interest of each Subsidiary of Borrower and in their respective Subsidiaries.

**Section 4.3 Due Authorization.** The execution, delivery and performance of the Loan Documents and the consummation by each Loan Party of the transactions contemplated hereby and by the other Loan Documents have been duly authorized by all necessary action on the part of each Loan Party that is a party thereto.

**Section 4.4 No Conflict.** The execution, delivery and performance by Loan Parties of the Loan Documents to which they are parties and the consummation of the transactions contemplated by the Loan Documents do not and will not (a) (i) violate any provision of any law or any governmental rule or regulation applicable to Borrower or any of its Subsidiaries, (ii) any of the Organizational Documents of Borrower or any of its Subsidiaries, or (iii) any order, judgment or decree of any court or other agency of government binding on Borrower or any of its Subsidiaries, except, in the cases of clauses (a)(i) and (a)(iii), as would not reasonably be expected to result in a Material Adverse Effect; (b) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any Material Contract; (c) result in or require the creation or imposition of any Lien upon any of the properties or assets of Borrower or any of its Subsidiaries (other than any Liens created under any of the Loan Documents in favor of Administrative Agent, on behalf of Secured Parties); (d) result in any default, non-compliance, suspension revocation, impairment, forfeiture or non-renewal of any permit, license, authorization or approval applicable to its operations or any of its properties except as would not reasonably be expected to result in

- 77 -

---

a Material Adverse Effect; or (e) require any approval of stockholders, members or partners or any approval or consent of any Person under any Material Contract, except for such approvals or consents which will be obtained on or before the Closing Date and disclosed in writing to Lenders.

**Section 4.5 Governmental Consents.** The execution, delivery and performance by Loan Parties of the Loan Documents to which they are parties and the consummation of the transactions contemplated by the Loan Documents do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority or other authority in the Netherlands or Switzerland except for filings and recordings with respect to the Collateral to be made, or otherwise delivered to Administrative Agent for filing and/or recordation, as of the Closing Date and other than any registration of a Dutch Security Document with the Dutch tax authorities.

**Section 4.6 Binding Obligation.** Each Loan Document has been duly executed and delivered by each Loan Party that is a party thereto and is the legally valid and binding obligation of such Loan Party, enforceable against such Loan Party in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

**Section 4.7 Historical Financial Statements.** The Historical Financial Statements were prepared in conformity with GAAP and fairly present, in all material respects, the financial position, on a consolidated basis, of the Persons described in such financial statements as at the respective dates thereof and the results of operations and cash flows, on a consolidated basis, of the entities described therein for each of the periods then ended, subject, in the case of any such unaudited financial statements, to changes resulting from audit and normal year end adjustments and the absence of footnotes. As of the Closing Date, neither Borrower nor any of its Subsidiaries has any contingent liability or liability for taxes, long term lease or unusual forward or long term commitment that is not reflected in the Historical Financial Statements or the notes thereto and which in any such case is material in relation to the business, operations, properties, assets and financial condition of Borrower and any of its Subsidiaries taken as a whole.

**Section 4.8 Projections.** On and as of the Closing Date, the Projections of Borrower and its Subsidiaries for the period of Fiscal Year [\*\*] through and including Fiscal Year [\*\*], (the "Projections") are based on good faith estimates and assumptions made by the management of Borrower; provided, the Projections are not to be viewed as facts and that actual results during the period or periods covered by the Projections may differ from such Projections and that the differences may be material; provided, further, as of the Closing Date, management of Borrower believed that the Projections were reasonable and attainable. Such Projections, as so updated, shall be believed by Borrower at the time furnished to be reasonable, shall have been prepared on a reasonable basis and in good faith by Borrower, and shall have been based on assumptions believed by Borrower to be reasonable at the time made and upon the best information then reasonably available to Borrower, and Borrower shall not be aware of any facts or information that would lead it to believe that such projections, as so updated, are not attainable.

**Section 4.9 No Material Adverse Effect.** Since [\*\*], no event, circumstance or change has occurred that has caused or evidences, either in any case or in the aggregate, a Material Adverse Effect.

**Section 4.10 Adverse Proceedings, Etc.** There are no Adverse Proceedings that (a) relate to any Loan Document or the transactions contemplated hereby or thereby or (b) individually or in the aggregate, could materially impair Administrative Agent's security interest in the Collateral, Borrower's and its

Subsidiaries' respective rights, powers or remedies with respect to applicable Products or would otherwise reasonably be expected to have a Material Adverse Effect. Neither Borrower nor any of its Subsidiaries is subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules, laws or

- 78 -

---

**Section 4.11 Payment of Taxes.** All federal, state and other Tax returns and reports of Borrower and its Subsidiaries required to be filed by or with respect to any of them have been timely filed, and all Taxes due and payable and all assessments, fees and other governmental charges upon or with respect to Borrower and its Subsidiaries and upon or with respect to their respective properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable, except for (a) Taxes that are being contested in good faith by appropriate proceedings diligently conducted and for which adequate reserves are being maintained in accordance with GAAP or (b) to the extent that the failure to do so could not reasonably be expected to have a Material Adverse Effect. There is no pending or, to the knowledge of Borrower, proposed Tax assessment, deficiency, audit or other proceeding against Borrower or any of its Subsidiaries which is not being actively contested by Borrower or such Subsidiary in good faith and by appropriate proceedings; provided, such adequate reserves or other appropriate provisions, if any, as shall be required in conformity with GAAP shall have been made or provided therefor. All such properties and assets are in working order and condition, ordinary wear and tear excepted, and except as permitted by this Agreement, all such properties and assets are free and clear of Liens (other than Permitted Liens). Neither Borrower nor its Subsidiaries, nor to the knowledge of Borrower or its Subsidiaries, any other party to any Material Contract, is or was in material breach or default, under the terms of any Material Contract, and no condition existed or exists which, with the giving of notice or the lapse of time or both, could constitute a breach or default by Borrower or any of its Subsidiaries thereunder.

- 82 -

---

No condition exists or event has occurred which, in itself or with the giving of notice or lapse of time or both, would result in the suspension, revocation, impairment, forfeiture or non-renewal of any such permit, license, authorization, approval, entitlement or accreditation, and there is no claim that

- 83 -

Section 4.31 **Disclosure.** No representation or warranty of any Loan Party contained in any Loan Document or in any other documents, certificates or written statements made or furnished to Lenders by or on behalf of Borrower or any of its Subsidiaries for use in connection with the transactions contemplated hereby, when taken as a whole, contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances in which the same were made. Any projections and pro forma financial information contained in such materials are based upon good faith estimates and assumptions believed by Company to be reasonable at the time made, it being recognized by Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections

may differ materially from the projected results. There are no facts known (or which should upon the reasonable exercise of diligence be known) to Company (other than matters of a general economic nature) that, individually or in the aggregate, could have a material adverse impact on the transactions contemplated hereby or the Products that have not been disclosed herein or in such other documents, certificates and statements furnished to Lenders for use in connection with the transactions contemplated hereby. The information provided by the Loan Parties to Lenders in the Perfection Certificate (as supplemented in accordance with Section 5.1(n)) is true and correct in all material respects as of the date such Perfection Certificate was delivered.

**Section 4.33 Regulatory Compliance.**

(a) Each of Borrower and its Subsidiaries have all Registrations from the FDA, EMA, comparable foreign counterparts or any other Governmental Authority required to conduct their respective businesses as currently conducted, except where the failure to have all such Registrations would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. Each of such Registrations is valid and subsisting in full force and effect, except where the failure to do so would not reasonably be expected to, individually or in the aggregate, result in Material Regulatory Liabilities. To the knowledge of Borrower and its Subsidiaries, neither FDA, EMA, nor any comparable Governmental Authority is considering limiting, suspending, or revoking such Registrations or changing the scope of the marketing authorization or the labeling of any Products subject to such Registrations. To the knowledge of Borrower and its Subsidiaries, there is no false or materially misleading information or significant omission in any Product application or other notification, submission or report to the FDA, EMA, or any comparable Governmental Authority that was not corrected by subsequent submission, and all such applications, notifications, submissions and reports provided Borrower and its Subsidiaries were true, complete, and correct in all material respects as of the date of submission to FDA, EMA, or any comparable Governmental Authority. Borrower and its Subsidiaries have not failed in any material respect to fulfill and perform their obligations which are due under each such Registration, and no event has occurred or condition or state of facts exists which would constitute a material breach or default under any such Registration, in each case that would reasonably be expected to cause the revocation, termination or suspension or material limitation of any such Registration, including but not limited to any form of clinical hold order. other than agreements entered into in the ordinary course of business and the subject matter of which is not primarily related to Tax.

**Section 5.4 Maintenance of Properties.** Each Loan Party will, and will cause each of Borrower's Subsidiaries to (a) maintain or cause to be maintained in good repair, working order and condition, ordinary wear and tear excepted, all properties used or useful in the business of Borrower and its Subsidiaries and from time to time will make or cause to be made all appropriate repairs, renewals and replacements thereof, except to the extent any such failure to maintain would not reasonably be expected to have a Material Adverse Effect, and (b) comply at all times with the provisions of all material leases to which it is a party as lessee or under which it occupies property, so as to prevent any loss or forfeiture thereof or thereunder, except to the extent any such failure to comply would not reasonably be expected to have a Material Adverse Effect. Each Loan Party shall, and shall cause its Subsidiaries to, (A) maintain adequate administrative, physical, and technical security measures and procedures to protect the confidentiality, integrity, and security of the Loan Parties' data systems and the Loan Parties' data in all material respects, in all cases including from theft, corruption, loss or unauthorized use, access, interruption, deletion, or modification by any Person, and (B) keep all Loan Party data systems operational and maintain adequate backups and disaster recovery arrangements that are at least reasonable and at least consistent with, as protective as, and no less rigorous than, industry standards for companies and businesses of similar size in similar industries. Without limiting the generality of the foregoing, each Loan Party shall, and shall cause its Subsidiaries to, (x) maintain applicable equipment and software in physically secure premises, (y) utilize industry-accepted virus and intrusion checking software and firewalls, and (z) limit access to Loan Party data to only those employees and agents who need such access for the conduct of the business of the Loan Parties and their Subsidiaries.

Each such policy of insurance shall, subject to Section 5.19, (1) name Administrative Agent, on behalf of Lenders as an additional insured thereunder as its interests may appear, and (2) in the case of each casualty insurance policy, contain a loss payable clause or endorsement, satisfactory in form and substance to Administrative Agent, that names Administrative Agent, on behalf of Secured Parties as the loss payee thereunder. If any Loan Party or any of its Subsidiaries fails to maintain such insurance, Administrative Agent may, upon contemporaneous notice to Borrower, arrange for such insurance, but at Company's expense and without any responsibility on Administrative Agent's part for obtaining the insurance, the solvency of the insurance companies, the adequacy of the coverage, or the collection

of claims. Upon the occurrence and during the continuance of an Event of Default, following contemporaneous notice to Borrower, Administrative Agent shall have the sole right, in the name of the Lenders, any Loan Party and its Subsidiaries, to file claims under any insurance policies, to receive, receipt and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies.

- 95 -

---

(b) Each of the insurance policies required to be maintained under this Section 5.5 shall, subject to Section 5.19, provide for at least [\*\*] prior written notice to Administrative Agent of the cancellation or substantial modification thereof. Receipt of such notice shall entitle Administrative Agent (but Administrative Agent shall not be obligated), upon contemporaneous written notice to Loan Parties, to renew any such policies, cause the coverages and amounts thereof to be maintained at levels required pursuant to this Section 5.5 or otherwise to obtain similar insurance (including with respect to coverage types, limits and premiums) in place of such policies, in each case at the expense of the Loan Parties.

**Section 5.6 Books and Records; Inspections.** Each Loan Party will, and will cause each of Borrower's Subsidiaries to, (a) maintain at all times at the chief executive office of Borrower copies of all material books and records of Borrower and its Subsidiaries, (b) keep adequate books of record and account in which full, true and correct entries in all material respects are made of all dealings and transactions in relation to its business and activities, and (c) permit any representatives designated by Administrative Agent (including employees of Administrative Agent, any Lender or any consultants, auditors, accountants, lawyers and appraisers retained by Administrative Agent) to visit any of the properties of any Loan Party and any of Borrower's Subsidiaries to inspect, copy and take extracts from its and their financial and accounting records, and to discuss its and their affairs, finances and accounts with its and their officers and independent accountants and auditors, all upon reasonable notice and at such reasonable times during normal business hours (so long as no Default or Event of Default has occurred and is continuing) and as often as may reasonably be requested; provided that, absent the occurrence and continuance of an Event of Default, Administrative Agent and Lenders shall not exercise such rights more often than one time during any Fiscal Year. The Loan Parties agree to pay the reasonable and documented out-of-pocket costs and expenses incurred by the examiner in connection therewith.

**Section 5.7 Lenders Meetings and Conference Calls.**

(a) Borrower will, upon the reasonable request of Administrative Agent or Required Lenders, participate in a conference call of Administrative Agent and Lenders once during each Fiscal Year at such time as may be agreed to by Borrower and Administrative Agent.

(b) Within [\*\*] after delivery of financial statements and other information required to be delivered pursuant to Section 5.1(b), Borrower shall, upon the reasonable request by Administrative Agent, cause its chief financial officer or other Authorized Officers to participate in a conference call with Administrative Agent and all Lenders who choose to participate in such conference call, during which conference call the chief financial officer or such Authorized Officer shall review the financial condition of Borrower and its Subsidiaries and such other matters as Administrative Agent or any Lender may reasonably request.

**Section 5.8 Compliance with Laws.**

(a) Each Loan Party will comply, and shall cause each of Borrower's Subsidiaries and all other Persons, if any, on or occupying any Real Property, to comply, with the requirements of all applicable laws, rules, regulations and orders of any Governmental Authority (including (i) all Environmental Laws and (ii) with respect to Apellis Securities, the Specified Massachusetts Regulations), non-compliance with which would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Without limiting the generality of the foregoing, each Loan Party shall, and shall cause each of Borrower's Subsidiaries to, comply with all FDA Laws and Public Health Laws, and with all applicable Federal Health Care Program Laws, except where the failure to comply would not reasonably

- 96 -

be expected to result, either individually or in the aggregate, in Material Regulatory Liabilities. All products developed, manufactured, tested, investigated, distributed or marketed by or on behalf of the Loan Parties and Borrower's Subsidiaries that are subject to the jurisdiction of the FDA or any comparable Governmental Authority have been and shall be developed, tested, manufactured, investigated, distributed, sold and marketed in compliance with the FDA Laws and any other Requirement of Law, including, without limitation, good manufacturing practices, labeling, advertising, record-keeping, and adverse event reporting, except where the failure to comply would not reasonably be expected to result, either individually or in the aggregate, in Material Regulatory Liabilities.

(c) Each Loan Party will comply and cause Apellis Securities to comply with the requirements of all applicable laws, rules, regulations and orders of any Governmental Authority necessary for it to remain qualified for security corporation classification pursuant to the Specified Massachusetts Regulations.

#### Section 5.9 Environmental.

(a) Each Loan Party shall (i) keep its real property free of any Environmental Liens; (ii) maintain and comply in all material respects with all Governmental Authorizations required under applicable Environmental Laws, except as any such failure would not reasonably be expected to result in a Material Adverse Effect; (iii) take all steps to prevent any Release of Hazardous Materials from any property owned or operated by any Loan Party, except as any such failure would not reasonably be expected to result in a Material Adverse Effect; and (iv) ensure that there are no Hazardous Materials on, at or migrating from any owned Real Property, except as any such failure would not reasonably be expected to result in a Material Adverse Effect.

(b) The Loan Parties shall promptly (but in any event within [\*\*]) (i) to the extent it would reasonably be expected to result in a Material Adverse Effect, notify Administrative Agent in writing (A) of any Environmental Claims asserted in writing against or Environmental Liabilities and Costs of any Loan Party, and (B) any notice of Environmental Lien filed against any owned Real Property, and (ii) provide such other documents and information as reasonably requested by Administrative Agent in relation to any matter pursuant to this Section 5.9(b).

Section 5.10 Subsidiaries. In the event that any Person becomes a Subsidiary of a Loan Party and such Person is not an Excluded Subsidiary, Company shall (a) with [\*] of such Person becoming a Subsidiary or ceasing to be an Excluded Subsidiary cause such Subsidiary to become a Guarantor hereunder and a Grantor under the Pledge and Security Agreement and/or applicable Foreign Security Document by executing and delivering to Administrative Agent a Counterpart Agreement and any other applicable required documents, and (b) take all such actions and execute and deliver, or cause to be executed and delivered, all such documents, instruments, agreements, and certificates as are similar to those described in Sections 3.1(b), 3.1(e), and 3.1(h) and otherwise requested by Administrative Agent. With respect to each such Subsidiary, Company shall promptly send to Administrative Agent written notice setting forth with respect to such Person (i) the date on which such Person became a Subsidiary of Company or ceased to be an Excluded Subsidiary, and (ii) all of the data required to be set forth in Schedules 4.1 and 4.2 with respect to all Subsidiaries of Company; provided, such written notice shall be deemed to supplement Schedules 4.1 and 4.2 for all purposes hereof. In addition, at the election of Borrower, any Excluded Subsidiary of Borrower may become a Guarantor hereunder.

Section 5.11 Real Estate Assets. In the event that any Loan Party acquires fee title to a Material Real Property during the term of this Loan, Borrower shall send to Administrative Agent a written notice of the occurrence of any such event promptly upon the occurrence of same. Within [\*\*] after the acquisition

of any such Material Real Property (or such later time as agreed to by Administrative Agent in its sole discretion), such Loan Party shall deliver to Administrative Agent: (a) a fully executed and notarized Mortgage, in proper form for creating a valid and enforceable lien on the Material Real Property described therein once recorded in the appropriate real estate records and in proper form for recording in such real estate records; (b) an opinion of counsel in the jurisdiction in which such Material Real Property is located with respect to the enforceability of such Mortgage and such other matters as Administrative Agent may reasonably request, in each case in form and substance reasonably satisfactory to Administrative Agent; (c)(i) an ALTA extended mortgagee title insurance policy or an unconditional commitment therefor with respect to such Mortgage (each, a "Title Policy") from a title company reasonably satisfactory to Administrative Agent (the "Title Company"), in an amount not less than the fair market value of such Real Estate Asset, together with a title report issued by the Title Company with respect thereto, dated not more than [\*\*] prior to the date such Material Real Property was acquired and copies of all recorded documents listed as exceptions to title or otherwise referred to therein, which Title Policy shall be effective as of the date of the Mortgage and otherwise be in form and substance reasonably satisfactory to Administrative Agent and (ii) evidence satisfactory to Administrative Agent that such Loan Party has paid to or deposited with the Title Company all expenses and premiums of the Title Company and all other sums required in connection with the issuance of such Title Policy and all recording and stamp taxes (including

mortgage recording and intangible taxes) payable in connection with recording the Mortgage for such Material Real Property in the appropriate real estate records; (d) to the extent required by law, evidence of flood insurance with respect to such Material Real Property in compliance with any applicable regulations of the Board of Governors of the Federal Reserve System, and in form and substance reasonably satisfactory to Administrative Agent; and (e) an ALTA/NSPS survey of such Material Real Property in form sufficient to permit the Title Company to issue the Title Policy in the form required by Administrative Agent and otherwise in form and substance satisfactory to Administrative Agent, which shall be either (1) certified to Administrative Agent and dated not more than [\*\*] prior to the date such Material Real Property was acquired, or (2) accompanied by a survey or "no change" affidavit executed by the owner of such Material Real Property and acceptable to the Title Company to issue the Title Policy in the form required by Administrative Agent, as applicable. In addition to the foregoing, Borrower shall, at the request of Required Lenders, deliver to Administrative Agent an appraisal of such Material Real Property to verify the amount of the Mortgage and/or Title Policy, but only if required by applicable law or regulation.

**Section 5.12 Further Assurances.** At any time or from time to time upon the request of Administrative Agent, each Loan Party will, at its expense, promptly execute, acknowledge and deliver such further documents and do such other acts and things as Administrative Agent may reasonably request in order to effect fully the purposes of the Loan Documents, including providing Lenders with any information reasonably requested pursuant to Section 10.21. In furtherance and not in limitation of the foregoing, each Loan Party shall take such actions as Administrative Agent may reasonably request from time to time to ensure that the Obligations are guaranteed by the Guarantors and are secured by substantially all of the assets of Borrower's Subsidiaries and all of the outstanding Capital Stock of Borrower's Subsidiaries. To the extent there is a change in the applicable tax law after the Closing Date that results in material adverse tax consequences to the Loan Parties (taken as a whole) solely as a result of the pledge of [\*\*]% of the voting stock of the Foreign Subsidiaries of the Loan Parties, the Administrative Agent will consider making changes (but in no event shall the Administrative Agent be required to make any changes) to the Collateral to address such material adverse tax consequences; provided, it is understood and agreed that such election to make any such changes to the Collateral shall be made in the Administrative Agent's sole discretion.

**Section 5.13 Control Agreements.** Subject to Section 5.19, each of Borrower and each Guarantor Subsidiary shall hold all of its cash and Cash Equivalents in a Deposit Account or Securities

All such Control Agreements governed under the laws of a state or territory of the United States shall provide for "springing" cash dominion with respect to each such account, including each disbursement account.

**Section 5.14 Market Capitalization.** If, at any time, (i) the aggregate market capitalization of the Company (based on the closing price of the Common Stock on the date of such calculation) is less than \$[\*\*], or (ii) the aggregate amount of cash and Cash Equivalents held by the Borrower, other Loan Parties, and Apellis Securities is less than \$[\*\*] in the aggregate, then the Loan Parties shall cause Apellis Securities to transfer (whether in the form of Permitted Intercompany Investment or Restricted Junior Payment) all its cash and Cash Equivalents (other than up to \$[\*\*] in cash and Cash Equivalents that Apellis Securities may continue to hold) to the Company.

**Section 5.15 Fiscal Unity for Dutch Tax Purposes.** Company shall, and shall cause each of the Loan Parties to, procure that, other than with the prior written consent of the Administrative Agent, none of the Loan Parties form part of any fiscal unity (*fiscale eenheid*) for Dutch tax purposes, unless such fiscal unity consists only of Loan Parties.

**Section 5.16 Allocation of Tax Assets.** If, at any time, a Loan Party forms part of a fiscal unity (*fiscale eenheid*) for Dutch corporate income tax (*vennootschapsbelasting*) purposes, and that fiscal unity is, in respect of that Loan Party, terminated (*verbroken*) or disrupted (*beëindigd*) as a result of, or in connection with, the Administrative Agent enforcing its rights under any Loan Document, such Loan Party shall, at the request of the Administrative Agent and together with the parent company (*moedermaatschappij*) or deemed parent company (*aangewezenmoedermaatschappij*) of that fiscal unity, for no consideration and as soon as reasonably practicable, lodge a request with the competent Governmental Authority to allocate and surrender any tax losses (within the meaning of Section 20 of the Dutch Corporate Income Tax Act (*Wet op de vennootschapsbelasting 1969*)) any interest expenses available for carry forward (within the meaning of Article 15b(5) Dutch CITA) to the Loan Party in respect of which the fiscal unity is terminated or disrupted (within the meaning of Section 15af of the Dutch Corporate Income Tax Act), to the extent such tax losses and interest expenses are attributable (*toerekenbaar*) to that Loan Party (within the meaning of Article 15af and Article 15ahb of the Dutch CITA).

**Section 6.11 Sales and Lease Backs.** No Loan Party shall, nor shall it permit any of Borrower's Subsidiaries to, directly or indirectly, become or remain liable as lessee or as a guarantor or other surety with respect to any lease of any property (whether real, personal or mixed), whether now owned or hereafter acquired, which such Loan Party (a) has sold or transferred or is to sell or to transfer to any other Person (other than Borrower or any of its Subsidiaries) or (b) intends to use for substantially the same purpose as any other property which has been or is to be sold or transferred by such Loan Party to any Person (other than Borrower or any of its Subsidiaries) in connection with such lease.

**Section 6.12 Transactions with Shareholders and Affiliates.** No Loan Party shall, nor shall it permit any of Borrower's Subsidiaries to, directly or indirectly, enter into or permit to exist any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any direct or indirect holder of 5% or more of any class of Capital Stock of Borrower or any of its Subsidiaries or with any Affiliate of Borrower or of any such holder; provided, that the Loan Parties and Borrower's Subsidiaries may enter into or permit to exist any such transaction if Administrative Agent has consented thereto in writing prior to the consummation thereof and the terms of such transaction are not less favorable to Borrower or that Subsidiary, as the case may be, than those that might be obtained at the time from a Person who is not such a holder or Affiliate; further, provided, further, that the foregoing restrictions shall not apply to any of the following:

(a) transactions (or series of related transactions) on terms that are not less favorable to Borrower or a Subsidiary in any material respect than would be obtainable by Borrower or such Subsidiary at such time in a comparable arm's-length transaction with a Person other than an Affiliate (as determined in good faith by the senior management or the Board of Directors of Borrower);

(b) any transaction among the Loan Parties or Subsidiaries of any Loan Party expressly permitted hereunder, or any transaction with a value of less than \$\*\*;

(c) reasonable and customary fees paid to current or former members of the Board of Directors (or similar governing body) of Borrower and its Subsidiaries;

(e) any such transaction if Administrative Agent has consented thereto in writing prior to the consummation in its sole discretion; and

(f) transactions described in Schedule 6.12 (including without limitation, any intercompany licenses or other arrangements existing on the Closing Date).

Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, Borrower shall not permit Apellis Securities to enter into, renew, extend or be a party to any transaction or series of related transactions (including, without limitation, the purchase, sale, lease, transfer or exchange of property or assets of any kind or the rendering of services of any kind) with any Affiliate in violation of the terms of this Agreement or in violation of the Specified Massachusetts Regulations.

**Section 6.13 Conduct of Business.** From and after the Closing Date, no Loan Party shall, nor shall it permit any of its Subsidiaries to, (i) engage in any material line of business other than the businesses

engaged in by such Loan Party or its Subsidiaries on the Closing Date or any business reasonably related, complementary, incidental, ancillary thereto or any reasonable extensions thereto, and (ii) permit Apellis Securities to have any liabilities, own any assets or engage in any operation or business, in each case, other than as expressly permitted under this Agreement and as expressly permitted under the Specified Massachusetts Regulations to the extent not jeopardizing in any way its qualification for security corporation classification pursuant to the Specified Massachusetts Regulations.

**Section 6.14 Changes to Certain Agreements and Organizational Documents.** No Loan Party shall (i) amend or permit any amendments to any Loan Party's Organizational Documents in a manner that is materially adverse to the Lenders in their capacities as such, including, without limitation, any amendment, modification or change to any of Loan Party's Organizational Documents to effect a division or plan of division pursuant to Section 18-217 of the Delaware Limited Liability Company Act (or any similar statute or provision under applicable law); (ii) amend or otherwise modify any provision of any Permitted Convertible Indebtedness if such amendment or change would be materially adverse to Administrative Agent or the Lenders; (iii) amend or otherwise modify any provision of any Permitted Priority Indebtedness other than (x) in accordance with the applicable intercreditor agreement (to the extent applicable) or (y) if no intercreditor agreement exists, any such amendment or change that would not be materially adverse to Administrative Agent or the Lenders or (iv) amend or permit any amendments to, or terminate or waive any provision of, any Material Contract, if such amendment, termination, or waiver would be materially adverse to Administrative Agent or the Lenders.

**Section 6.15 Accounting Methods.** The Loan Parties will not and will not permit any of their Subsidiaries to modify or change its fiscal year or its method of accounting (other than as may be required to conform to GAAP).

**Section 6.16 Deposit Accounts and Securities Accounts.** Subject to Section 5.19, no Loan Party shall establish or maintain a Deposit Account or a Securities Account that is not subject to a Control Agreement (or equivalent documentation to the extent required under any applicable Foreign Security Document for accounts located outside the U.S.) except for Excluded Accounts.

**Section 6.17 Prepayments of Certain Indebtedness.** No Loan Party shall, directly or indirectly, voluntarily purchase, redeem, defease or prepay any principal of, premium, if any, interest or other amount payable in respect of any Indebtedness for borrowed money with an aggregate principal amount outstanding that is in excess of \$[\*\*] prior to its scheduled maturity, other than (a) the Obligations, (b) Permitted Priority Indebtedness and any Permitted Refinancing Indebtedness in respect thereof, (c) Indebtedness secured by a Permitted Lien if the asset securing such Indebtedness has been sold or otherwise disposed of in accordance with Section 6.9, (e) converting (or exchanging) any Indebtedness to (or for) Qualified Capital Stock of Borrower, (f) issuance of Capital Stock (and cash in lieu of fractional shares in connection with such issuance) of Borrower in connection with any conversion, exercise, repurchase, exchange, redemption, settlement or early termination or cancellation of Permitted Convertible Indebtedness, (g) the issuance of Permitted Convertible Indebtedness that constitutes Permitted Refinancing Indebtedness in exchange for other Permitted Convertible Indebtedness, (h) the redemption, purchase, exchange, early termination or cancellation of Permitted Convertible Indebtedness in an aggregate principal amount not to exceed the net Cash proceeds received by Borrower from the substantially concurrent issuance of additional Permitted Convertible Indebtedness or Capital Stock in connection with a refinancing of the Permitted Convertible Indebtedness being redeemed, purchased, exchanged, terminated or cancelled; provided that additional Permitted Convertible Indebtedness constitutes Permitted Refinancing Indebtedness, and (i) as permitted under the applicable subordination agreement governing any subordinated Indebtedness.

**Section 6.18 Anti-Terrorism Laws.** None of the Loan Parties, nor any of their Affiliates or agents shall:

(a) conduct any business or engage in any transaction or dealing with any Blocked Person, including the making or receiving any contribution of funds, goods or services to or for the benefit of any Blocked Person,

(b) deal in, or otherwise engage in any transaction relating to, any property or interests in property blocked pursuant to the OFAC Sanctions Programs or

(c) engage in or conspire to engage in any transaction that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in the OFAC Sanctions Programs, the USA PATRIOT Act or any other Anti-Terrorism Law.

Borrower shall deliver to the Lenders any certification or other evidence requested from time to time by any Lender in its sole discretion, confirming Borrower's compliance with this Section 6.18.

**Section 6.19 Anti-Corruption Laws.** No Loan Party shall use, or permit any of its Subsidiaries to use, directly or indirectly, any of the proceeds of any Loan for the purpose of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Law.

**Section 6.20 Use of Proceeds.** The Loan Parties will not and will not permit any of their Subsidiaries to use the proceeds of any Loan to directly, or to any Loan Party's knowledge after due care and inquiry, indirectly, to make any payments to a Sanctioned Entity or a Sanctioned Person, to fund any investments, loans or contributions in, or otherwise make such proceeds available to, a Sanctioned Entity or a Sanctioned Person, to fund any operations, activities or business of a Sanctioned Entity or a Sanctioned Person or in any other manner that would result in a violation of Sanctions by any Person and no part of the proceeds of any Loan will be used directly or, to any Loan Party's knowledge after due care and inquiry, indirectly in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Sanctions, Anti-Corruption Laws or Anti-Terrorism Laws. The Loan Parties shall ensure that at any time during the term of this Agreement no proceeds of Loans borrowed under this Agreement will be used in a manner which would constitute a "harmful use of proceeds in Switzerland" (*schädliche Mittelverwendung in der Schweiz*) as interpreted by Swiss tax authorities for purposes of Swiss Withholding Tax (*Verrechnungssteuer*), except and to the extent that a written confirmation or tax ruling countersigned by the Swiss Federal Tax Administration (*Eidgenössische Steuerverwaltung*) has been obtained (in a form satisfactory to Administrative Agent) confirming that the intended "use of proceeds in Switzerland" does not result in the financing facility under this Agreement qualifying as a Swiss financing for Swiss Withholding Tax (*Verrechnungssteuer*) purposes.

**Section 6.21 Products (Core).** During the term of this Agreement, Borrower and its Subsidiaries shall not, without the prior written consent of the Required Lenders, [\*\*]:

(a) other than any Permitted Product Transaction, sell, assign, license, sublicense, pledge, encumber, grant a security interest in or otherwise transfer any or all of the assets related to any Product (Core) or any of its royalties on, or proceeds from, sales of any Product (Core) to any Person;

**Section 6.22 Royalty Monetization Transaction.** During the term of this Agreement, Borrower and its Subsidiaries shall not engage in, or consummate, any Royalty Monetization Transaction with respect to any Products (Core).

**Section 6.23 Swiss Restrictions.** During the term of this Agreement, Apellis [\*\*].

**Section 6.24 Waiver to Vote in the Dutch WHOA.** Each Loan Party waives any right it may have to vote as a creditor of any Dutch Loan Party or its estate other than in accordance with the instruction of the Administrative Agent for an *akkoord* within the meaning of the Dutch Bankruptcy Act (*Faillissementswet*) until payment in full of the Obligations and the termination of this Agreement.

**Section 6.25 Dutch Loan Party.** No Loan Party shall permit Apellis Europe B.V. [\*\*].

## ARTICLE VII

## GUARANTY

**Section 7.1 Guaranty of the Obligations.** Subject to the provisions of Section 7.2, Guarantors jointly and severally hereby irrevocably and unconditionally guaranty for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) (collectively, the "Guaranteed Obligations").

**Section 7.2 Contribution by Guarantors.** All Guarantors desire to allocate among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Guarantor shall be entitled to a contribution from each of the other Guarantors in an amount sufficient to cause each Guarantor's Aggregate Payments to equal its Fair Share as of such date. "Fair Share" means, with respect to any Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Guarantor, to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Guarantors multiplied by, (b) the aggregate amount paid or distributed on or before such date by all Guarantors under this Guaranty in respect of the obligations Guaranteed. "Fair Share Contribution Amount" means, with respect to any Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Guarantor under this Guaranty that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided, solely for purposes of calculating the "Fair Share Contribution Amount" with respect to any Guarantor for purposes of this Section 7.2, any assets or liabilities of such Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Guarantor. "Aggregate Payments" means, with respect to any Guarantor as of any date of determination, an amount equal to (A) the aggregate amount of all payments and distributions made on or before such date by such Guarantor in respect of this Guaranty (including, without limitation, in respect of this Section 7.2), minus (B) the aggregate amount of all payments received on or before such date by

- 108 -

---

such Guarantor from the other Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Guarantor. The allocation among Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way to limit the liability of any Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

**Section 7.3 Payment by Guarantors.** Subject to Section 7.2, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Company to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)), Guarantors will upon demand pay, or cause to be paid, in Cash, to Administrative Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Company's becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Company for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

**Section 7.4 Liability of Guarantors Absolute.** Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) Administrative Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Company and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Company and the obligations of any other guarantor (including any other Guarantor) of the obligations of Company, and a separate action or actions may be brought and prosecuted against such Guarantor whether or not any action is brought against Company or any of such other guarantors and whether or not Company is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if Administrative Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation,

- 109 -

---

impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith and any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or non-judicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against Company or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Loan Documents; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full in cash of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Loan Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Loan Documents or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Loan Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Loan Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Borrower or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set offs or counterclaims which Company may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

- 110 -

---

**Section 7.5 Waivers by Guarantors.** Each Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Company, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Company, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Beneficiary in favor of Company or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Company or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Company or any other Guarantor from any cause other than payment in full in cash of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Company and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

**Section 7.6 Guarantors' Rights of Subrogation, Contribution, Etc.** Until the Guaranteed Obligations shall have been indefeasibly paid in cash in full and the Delayed Draw Term Loan Commitments have been terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against Company or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including without limitation (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Company with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Company, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations shall have been indefeasibly paid in full and the Delayed Draw Term Loan Commitments have been terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including, without limitation, any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Company or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Company, to all right, title and

- 111 -

interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations shall not have been finally and indefeasibly paid in full, such amount shall be held in trust for Administrative Agent on behalf of Beneficiaries and shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

**Section 7.7 Subordination of Other Obligations.** Any Indebtedness of Company or any Guarantor now or hereafter held by any Guarantor is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by such Guarantor after an Event of Default has occurred and is continuing shall be held in trust for Administrative Agent on behalf of Beneficiaries and, upon demand by the Administrative Agent, shall forthwith be paid over to Administrative Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of such Guarantor under any other provision hereof.

Section 7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations shall have been indefeasibly paid in full and the Delayed Draw Term Loan Commitments have been terminated. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

Section 7.9 Authority of Guarantors or Company. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or Company or the officers, directors or agents acting or purporting to act on behalf of any of them.

Section 7.10 Financial Condition of Company. Any Credit Extension may be made to Company or continued from time to time without notice to or authorization from any Guarantor regardless of the financial or other condition of Company at the time of any such grant or continuation is entered into, as the case may be. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Company. Each Guarantor has adequate means to obtain information from Company on a continuing basis concerning the financial condition of Company and its ability to perform its obligations under the Loan Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Company and of all circumstances bearing upon the risk of non-payment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Company now known or hereafter known by any Beneficiary.

Section 7.11 Bankruptcy, Etc.

(a) So long as any Guaranteed Obligations remain outstanding, no Guarantor shall, without the prior written consent of Administrative Agent acting pursuant to the instructions of Required Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Company or any other Guarantor. The obligations of Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, administration, reorganization, liquidation or arrangement of Company or any other Guarantor or by any defense which Company or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

- 112 -

---

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve Company of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, administrator, debtor in possession, assignee for the benefit of creditors or similar person to pay Administrative Agent, or allow the claim of Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by Company, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

Section 7.12 Discharge of Guaranty Upon Sale of Guarantor. If all of the Capital Stock of any Guarantor or any of its successors in interest hereunder shall be sold or otherwise disposed of (including by merger or consolidation) in accordance with the terms and conditions hereof, the Guaranty of such Guarantor or such successor in interest, as the case may be, hereunder shall automatically be discharged and released without any further action by any Beneficiary or any other Person effective as of the time of such Asset Sale.

**ARTICLE VIII**

**EVENTS OF DEFAULT**

Section 8.1 Events of Default. If any one or more of the following conditions or events shall occur:

(a) **Failure to Make Payments When Due.** Failure by Company to pay (i) the principal of and premium, if any, on any Term Loan when due whether at stated maturity, by acceleration, as a result of a mandatory prepayment or otherwise; or (ii) within [\*\*] when due any interest on any Term Loan or any fee or any other amount due hereunder; or

(b) **Default in Other Agreements.** (i) Failure of any Loan Party or any Loan Party's Subsidiaries to pay when due any principal of or interest on or any other amount payable in respect of one or more items of Indebtedness (other than Indebtedness referred to in Section 8.1(a)) in an individual principal amount of \$[\*\*] or more or with an aggregate principal amount of \$[\*\*] or more, in each case beyond the grace period, if any, provided therefor, or (ii) breach or default by any Loan Party with respect to any other material term of (A) one or more items of Indebtedness in the individual or aggregate principal amounts referred to in clause (i) above, or (B) any loan agreement, mortgage, indenture or other agreement relating to such item(s) of Indebtedness, in each case beyond the grace or cure period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or subject to a compulsory repurchase or redeemable) or to require the

- 113 -

prepayment, redemption, repurchase or defeasance of, or to cause Borrower or any of Borrower's Subsidiaries to make any offer to prepay, redeem, repurchase or defease such Indebtedness, prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; or

(c) **Breach of Certain Covenants.** Failure of any Loan Party to perform or comply with any term or condition contained in Section 2.2, Section 5.1(a), (b), (c), (d), (e), (g), (h), (j), (k), (l), (m), (o) or (p), Section 5.2, Section 5.3, Section 5.5, Section 5.7, Section 5.8, Section 5.10, Section 5.11, Section 5.13, Section 5.14, Section 5.15, Section 5.18, Section 5.19 or Article VI; or

(d) **Breach of Representations, Etc.** Any representation, warranty, certification or other statement made or deemed made by any Loan Party in any Loan Document or in any statement or certificate at any time given by any Loan Party or any of Borrower's Subsidiaries in writing pursuant hereto or thereto or in connection herewith or therewith shall be false in any material respect (except that such materiality qualifier shall not be applicable to any representations or warranties that already are qualified or modified as to "materiality" or "Material Adverse Effect" in the text thereof, which representations and warranties shall be true and correct in all respects subject to such qualification) as of the date made or deemed made; or

## ARTICLE IX

### ADMINISTRATIVE AGENT

#### Section 9.1 Appointment of Administrative Agent.

(a) Sixth Street is hereby appointed Administrative Agent hereunder and under the other Loan Documents and each Lender hereby authorizes Sixth Street, in such capacity, to act as its agent in accordance with the terms hereof and the other Loan Documents to perform, exercise and enforce any and all other rights and remedies of the Lenders with respect to the Loan Parties, the Obligations or otherwise related to any of same to the extent reasonably incidental to the exercise by Administrative Agent of the rights and remedies specifically authorized to be exercised by Administrative Agent by the terms of this Agreement or any other Loan Parties.

(b) Administrative Agent hereby agrees to act upon the express conditions contained herein and the other Loan Documents, as applicable. The provisions of this Article IX (other than Section 9.8(a)(ii)) are solely for the benefit of Administrative Agent and Lenders and no Loan Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, Administrative Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Borrower or any of its Subsidiaries.

**Section 9.2 Powers and Duties.** Each Lender irrevocably authorizes Administrative Agent to take such action on such Lender's behalf and to exercise such powers, rights and remedies hereunder and under the other Loan Documents as are specifically delegated or granted to Administrative Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. Administrative Agent shall have only those duties and responsibilities that are expressly specified herein and the other Loan Documents. Administrative Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. Administrative Agent shall not have, by reason hereof or any of the other Loan Documents, a fiduciary relationship in respect of any Lender; and nothing herein or any of the other Loan Documents, expressed or implied, is intended to or shall be so construed as to impose upon Administrative Agent any obligations in respect hereof or any of the other Loan Documents except as expressly set forth herein or therein.

- 116 -

#### Section 9.3 General Immunity.

(a) **No Responsibility for Certain Matters.** Administrative Agent shall not be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Loan Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by Administrative Agent to Lenders or by or on behalf of any Loan Party to Administrative Agent or any Lender in connection with the Loan Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Loan Party or any other Person liable for the payment of any Obligations, nor shall Administrative Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Loan Documents or as to the use of the proceeds of the Loans or as to the existence or possible existence of any Event of Default or Default or to make any disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, Administrative Agent shall not have any liability arising from confirmations of the amount of outstanding Term Loans or the component amounts thereof.

(b) Exculpatory Provisions. Neither Administrative Agent nor any of its officers, partners, directors, employees or agents shall be liable to Lenders for any action taken or omitted by Administrative Agent under or in connection with any of the Loan Documents except to the extent caused by Administrative Agent's gross negligence or willful misconduct, as determined by a court of competent jurisdiction in a final, non-appealable order. Administrative Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Loan Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until Administrative Agent shall have received instructions in respect thereof from Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) and, upon receipt of such instructions from Required Lenders (or such other Lenders, as the case may be), Administrative Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons, and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Borrower and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against Administrative Agent as a result of Administrative Agent acting or (where so instructed) refraining from acting hereunder or any of the other Loan Documents in accordance with the instructions of Required Lenders (or such other Lenders as may be required to give such instructions under Section 10.5).

(c) Notice of Default. Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to Events of Default in the payment of principal, interest and fees required to be paid to Administrative Agent for the account of the Lenders, unless Administrative Agent shall have received written notice from a Lender or the Loan Party referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." Administrative Agent will notify the Lenders of its receipt of any such notice. Administrative Agent shall take such action with respect to any such Default or Event of Default as may be directed by the Required Lenders in accordance with Article VIII; provided, however, that unless and until Administrative Agent has received any such direction, Administrative Agent may (but shall not be obligated

- 117 -

to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.4 Administrative Agent Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, Administrative Agent in its individual capacity as a Lender hereunder. With respect to its participation in the Term Loans, Administrative Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include Administrative Agent in its individual capacity. Administrative Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Borrower or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from Company for services in connection herewith and otherwise without having to account for the same to Lenders.

Section 9.5 Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Borrower and its Subsidiaries in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Borrower and its Subsidiaries. Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Term Loans or at any time or times thereafter, and Administrative Agent shall not have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to this Agreement and funding its Term Loan on the Closing Date, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be approved by Administrative Agent, Required Lenders or Lenders, as applicable on the Closing Date.

(c) Each Lender (i) represents and warrants that as of the Closing Date neither such Lender nor its Affiliates or Related Funds owns or controls, or owns or controls any Person owning or controlling, any trade debt or Indebtedness of any Loan Party other than the Obligations or any Capital Stock of any Loan Party and (ii) covenants and agrees that from and after the Closing Date neither such Lender nor its Affiliates and Related Funds shall purchase any

trade debt or Indebtedness of any Loan Party other than the Obligations or Capital Stock described in clause (i) above without the prior written consent of Administrative Agent.

Section 9.6 Right to Indemnity. EACH LENDER, IN PROPORTION TO ITS PRO RATA SHARE, SEVERALLY AGREES TO INDEMNIFY ADMINISTRATIVE AGENT, ITS AFFILIATES AND ITS RESPECTIVE OFFICERS, PARTNERS, DIRECTORS, TRUSTEES, EMPLOYEES AND AGENTS OF ADMINISTRATIVE AGENT (EACH, AN "INDEMNITEE AGENT PARTY"), TO THE EXTENT THAT SUCH INDEMNITEE AGENT PARTY SHALL NOT HAVE BEEN REIMBURSED BY ANY LOAN PARTY, FOR AND AGAINST ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES (INCLUDING COUNSEL FEES AND DISBURSEMENTS) OR DISBURSEMENTS OF ANY KIND OR NATURE WHATSOEVER WHICH MAY BE IMPOSED ON, INCURRED BY OR ASSERTED AGAINST SUCH INDEMNITEE AGENT PARTY IN EXERCISING ITS POWERS, RIGHTS AND

- 118 -

---

REMEDIES OR PERFORMING ITS DUTIES HEREUNDER OR UNDER THE OTHER LOAN DOCUMENTS OR OTHERWISE IN ITS CAPACITY AS SUCH INDEMNITEE AGENT PARTY IN ANY WAY RELATING TO OR ARISING OUT OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS, IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE AGENT PARTY; PROVIDED, NO LENDER SHALL BE LIABLE FOR ANY PORTION OF SUCH LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, EXPENSES OR DISBURSEMENTS RESULTING FROM SUCH INDEMNITEE AGENT PARTY'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AS DETERMINED BY A COURT OF COMPETENT JURISDICTION IN A FINAL, NON-APPEALABLE ORDER. IF ANY INDEMNITY FURNISHED TO ANY INDEMNITEE AGENT PARTY FOR ANY PURPOSE SHALL, IN THE OPINION OF SUCH INDEMNITEE AGENT PARTY, BE INSUFFICIENT OR BECOME IMPAIRED, SUCH INDEMNITEE AGENT PARTY MAY CALL FOR ADDITIONAL INDEMNITY AND CEASE, OR NOT COMMENCE, TO DO THE ACTS INDEMNIFIED AGAINST UNTIL SUCH ADDITIONAL INDEMNITY IS FURNISHED; PROVIDED, IN NO EVENT SHALL THIS SENTENCE REQUIRE ANY LENDER TO INDEMNIFY ANY INDEMNITEE AGENT PARTY AGAINST ANY LIABILITY, OBLIGATION, LOSS, DAMAGE, PENALTY, ACTION, JUDGMENT, SUIT, COST, EXPENSE OR DISBURSEMENT IN EXCESS OF SUCH LENDER'S PRO RATA SHARE THEREOF; AND PROVIDED FURTHER, THIS SENTENCE SHALL NOT BE DEEMED TO REQUIRE ANY LENDER TO INDEMNIFY ANY INDEMNITEE AGENT PARTY AGAINST ANY LIABILITY, OBLIGATION, LOSS, DAMAGE, PENALTY, ACTION, JUDGMENT, SUIT, COST, EXPENSE OR DISBURSEMENT DESCRIBED IN THE PROVISO IN THE IMMEDIATELY PRECEDING SENTENCE.

Section 9.7 Successor Administrative Agent.

(a) Administrative Agent may resign at any time by giving thirty days' (or such shorter period as shall be agreed by the Required Lenders) prior written notice thereof to Lenders and Company. Upon any such notice of resignation, Required Lenders shall have the right, upon five Business Days' notice to Company, to appoint a successor Administrative Agent. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders appoint a successor Administrative Agent from among the Lenders. Upon the acceptance of any appointment as Administrative Agent hereunder by a successor Administrative Agent that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall promptly (i) transfer to such successor Administrative Agent all sums, securities or Capital Stock and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Administrative Agent under the Loan Documents, and (ii) execute and deliver to such successor Administrative Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Administrative Agent of the security interests created under the Collateral Documents, whereupon such retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The parties hereto acknowledge and agree that (1) any resignation by the retiring Administrative Agent is not effective with respect to its rights and obligations under the Dutch Parallel Debts until such rights and obligations have been assigned to and assumed by the successor Administrative Agent and (2) the retiring Administrative Agent will reasonably cooperate in assigning its rights under the Dutch Parallel Debts to any such successor Administrative Agent and will reasonably cooperate in transferring all rights under any Dutch Security Document to such successor Administrative Agent. After

- 119 -

(b) Notwithstanding anything herein to the contrary, Administrative Agent may assign its rights and duties as Administrative Agent, as applicable, hereunder to an Affiliate of Sixth Street without the prior written consent of, or prior written notice to, Company or the Lenders; provided that Company and the Lenders may deem and treat such assigning Administrative Agent as Administrative Agent for all purposes hereof, unless and until such assigning Administrative Agent provides written notice to Company and the Lenders of such assignment. Upon such assignment such Affiliate shall succeed to and become vested with all rights, powers, privileges and duties as Administrative Agent hereunder and under the other Loan Documents.

(c) Administrative Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Loan Document by or through any one or more sub-agents appointed by Administrative Agent. Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of Section 9.3, Section 9.6 and of this Section 9.7 shall apply to any of the Affiliates of Administrative Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. All of the rights, benefits and privileges (including the exculpatory and indemnification provisions) of Section 9.3, Section 9.6 and of this Section 9.7 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by Administrative Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory and rights to indemnification) and shall have all of the rights, benefits and privileges of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Loan Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to Administrative Agent and not to any Loan Party, Lender or any other Person and no Loan Party, Lender or any other Person shall have the rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent.

#### Section 9.8 Collateral Documents and Guaranty.

(a) Administrative Agent under Collateral Documents and Guaranty. Each Lender hereby further authorizes Administrative Agent on behalf of and for the benefit of Lenders, to be the agent for and representative of Lenders with respect to the Guaranty, the Collateral and the Collateral Documents. In particular, in relation to (i) any Swiss Security Document which provides for a non-accessory security interest (*nicht-akzessorische Sicherheit*), the Administrative Agent shall enter into, execute, hold, administer and, as the case may be, release and (subject to it having become enforceable) realize any such Swiss Security Document in its own name and on its own behalf and as indirect representative (*indirekter Stellvertreter*) in its own name but for the benefit of the other Lenders; and (ii) any Swiss Security Document governed by Swiss law which provides for an accessory security interest (*akzessorische Sicherheit*), the Administrative Agent shall enter into, execute, hold, administer and, as the case may be, release and (subject to it having become enforceable) realize any such Swiss Security Document in its own name and on its own behalf and as direct representative (*direkter Stellvertreter*) in the name and on behalf

- 120 -

of the other Lenders. Subject to Section 10.5, without further written consent or authorization from Lenders, Administrative Agent (i) may execute any documents or instruments necessary to (A) release any Lien encumbering any item of Collateral that is the subject of a sale or other disposition of assets permitted hereby or to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented, or (B) release any Guarantor from the Guaranty pursuant to Section 7.12 or with respect to which Required Lenders (or such other Lenders as may be required to give such consent under Section 10.5) have otherwise consented and (ii) shall (A) enter into an intercreditor agreement, on terms and in form and substance reasonably satisfactory to Administrative Agent in its sole discretion, with respect to Permitted Priority Indebtedness, (B) if requested by Borrower, enter into customary non-disturbance agreements, in form and substance reasonably satisfactory to the Administrative Agent, in connection with the entry by Borrower or any Subsidiary into any Permitted Product Agreement and (C) in connection with any Permitted Product Agreement in respect of a Product (Non-Core) solely to the extent required by the

applicable licensee to consummate such Permitted Product Agreement on terms that are reasonably acceptable to Borrower, release its security interest in the Intellectual Property Rights directly relating to such Product(s), excluding any Product (Core) Intellectual Property Right) subject to such Permitted Product Agreement; provided, that prior to or concurrently with making any request pursuant to this Section 9.8(a)(ii)(C), Borrower shall have used commercially reasonable efforts to negotiate the Permitted Product Agreement without a Lien release (and shall provide Administrative Agent reasonable documentation of the same); provided, further that the Administrative Agent, on behalf of and for the benefit of Lenders, will have a First Priority security interest in all cash proceeds received or to be received by Borrower or any Subsidiary from such Permitted Product Agreement and Borrower shall use commercially reasonable efforts to grant to Administrative Agent, on behalf of and for the benefit of Lenders, a First Priority security in such Permitted Product Agreement.

(b) **Right to Realize on Collateral and Enforce Guaranty.** Anything contained in any of the Loan Documents to the contrary notwithstanding, Company, Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by Administrative Agent, on behalf of Lenders in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by Administrative Agent, and (ii) in the event of a foreclosure by Administrative Agent on any of the Collateral pursuant to a public or private sale or any sale of the Collateral in a case under the Bankruptcy Code, Administrative Agent or any Lender may be the purchaser of any or all of such Collateral at any such sale and Administrative Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Administrative Agent at such sale. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required Lenders on a ratable basis (with Obligations

- 121 -

---

with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in this Agreement), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt

instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

**Section 9.9 Agency for Perfection.** Administrative Agent and each Lender hereby appoints each other Lender as agent and bailee for the purpose of perfection the security interests in and liens upon the Collateral in assets which, in accordance with Article 9 of the UCC, can be perfected only by possession or control (or where the security interest of a secured party with possession or control has priority over the security interest of another secured party) and Administrative Agent and each Lender hereby acknowledges that it holds possession of or otherwise controls any such Collateral for the benefit of the Lenders as secured party. Should any Lender obtain possession or control of any such Collateral, such Lender shall notify Administrative Agent thereof, and, promptly upon Administrative Agent's request therefore shall deliver such Collateral to Administrative Agent or in accordance with Administrative Agent's instructions. In addition, Administrative Agent shall also have the power and authority hereunder to appoint such other sub-agents as may be necessary or required under applicable state law or otherwise to perform its duties and enforce its rights with respect to the Collateral and under the Loan Documents. Each Loan Party by its execution and delivery of this Agreement hereby consents to the foregoing.

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Administrative Agent or other party performing any audit or examination will inspect only specific information regarding Borrower and its Subsidiaries and will rely significantly upon Borrower's and its Subsidiaries' books and records, as well as on representations of such Person's personnel,

(d) agrees to keep all Reports and other material, non-public information regarding Borrower and its Subsidiaries and their operations, assets, and existing and contemplated business plans in a confidential manner in accordance with Section 10.17, and

(e) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Administrative Agent and any other Lender preparing a Report harmless from any action the indemnifying Lender may take or fail to take or any conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Company, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Company, and (ii) to pay and protect, and indemnify, defend and hold Administrative Agent, and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses, and other amounts (including, attorneys' fees and costs) incurred by Administrative Agent and any such other Lender or agent preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender or Administrative Agent.

In addition to the foregoing: (x) any Lender may from time to time request of Administrative Agent in writing that Administrative Agent provide to such Lender a copy of any report or document provided by Borrower or its Subsidiaries to Administrative Agent that has not been contemporaneously provided by Borrower or such Subsidiary to such Lender, and, upon receipt of such request, Administrative Agent promptly shall provide a copy of same to such Lender, (y) to the extent that Administrative Agent is entitled, under any provision of the Loan Documents, to request additional reports or information from Borrower or its Subsidiaries, any Lender may, from time to time, reasonably request Administrative Agent to exercise such right as specified in such Lender's notice to Administrative Agent, whereupon Administrative Agent promptly shall request of Company the additional reports or information reasonably specified by such Lender, and, upon receipt thereof from Company or such Subsidiary, Administrative Agent promptly shall provide a copy of same to such Lender, and (z) any time that Administrative Agent renders to Company a statement regarding the Loan Account, Administrative Agent shall send a copy of such statement to each Lender.

**Section 9.11 Protective Advances.** Subject to the limitations set forth below, and whether or not an Event of Default or a Default shall have occurred and be continuing, Administrative Agent is authorized by Company and the Lenders, from time to time in Administrative Agent's sole discretion (but Administrative Agent shall have absolutely no obligation to), to make disbursements or advances to Company, which Administrative Agent, in its sole discretion, deems necessary or desirable (i) to preserve or protect the Collateral, or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations, or (iii) to pay any other amount chargeable to or required to be paid by Company pursuant to the terms of this Agreement and the other Loan Documents, including, without limitation, payments of principal, interest, fees and reimbursable expenses (any of such Loans are in this clause (c) referred to as "Protective Advances"). Protective Advances may be made even if the conditions precedent set forth in Article III have not been satisfied. The interest rate on all Protective Advances shall be at the Base Rate plus the Applicable Margin. Each Protective Advance shall be secured by the Liens in favor of Administrative Agent in and to the Collateral and shall constitute Obligations hereunder. The Protective Advances shall constitute Obligations hereunder which may be charged to the Loan Account in accordance with Section 2.12(i). Company shall pay the unpaid principal amount and all unpaid and accrued interest of each Protective Advance on the earlier of the Term Loan Maturity Date and the date on which demand for payment is made by Administrative Agent. Administrative Agent shall notify each Lender and Company in writing of each such Protective Advance, which notice shall include a description of the purpose of such Protective Advance. Without limitation to its obligations pursuant to Section 9.6, each Lender agrees that it shall make available to Administrative Agent, upon such Administrative Agent's demand, in Dollars in immediately available funds, the amount equal to such Lender's Pro Rata Share of each such Protective Advance. If such funds are not made available to Administrative Agent by such Lender, Administrative Agent shall be entitled to recover such funds on demand from such Lender, together with interest thereon for each day from the date such payment was due until the date such amount is paid to Administrative Agent, at the Federal Funds Rate for three (3) Business Days and thereafter at the Base Rate.

**Section 9.12 Erroneous Distribution.** If all or any part of any payment or other distribution by or on behalf of the Administrative Agent to any Company, Lender, or other Person is determined by the Administrative Agent in its sole discretion to have been made in error as determined by the Administrative Agent (any such distribution, an "Erroneous Distribution"), then the relevant Company, Lender or other Person shall forthwith on written demand (accompanied by a reasonably detailed calculation of such Erroneous Distribution) repay to the Administrative Agent the amount of such Erroneous Distribution received by such Person. Any determination by the Administrative Agent, in its sole discretion, that all or a portion of any distribution to a Company, Lender or other Person was an Erroneous Distribution shall be conclusive absent manifest error. Each Company, Lender and other potential recipient of an Erroneous Distribution hereunder waives any claim of discharge for value and any other claim of entitlement to, or in respect of, any Erroneous Distribution.

in connection with the custody or preservation of any of the Collateral; (f) all the actual documented costs and reasonable and documented out-of-pocket expenses of Administrative Agent and Lenders in connection with the attendance at any meetings in connection with this Agreement and the other Loan Documents (including the meetings referred to in Section 5.7); (g) all other actual and reasonable costs and expenses incurred by Administrative Agent in connection with the syndication of the Loans and Commitments and the negotiation, preparation and execution of the Loan Documents and any consents, amendments, waivers or other modifications thereto and the transactions contemplated thereby; and (h) after the occurrence of a Default or an Event of Default, all costs and expenses, including reasonable attorneys' fees (including allocated costs of internal counsel) and costs of settlement, incurred by Administrative Agent and Lenders in enforcing any Obligations or in collecting any payments due from any Loan Party hereunder or under the other Loan Documents by reason of such Default or Event of Default (including in connection with the sale of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work out" or pursuant to any insolvency or bankruptcy cases or proceedings.

**Section 10.3 Indemnity.**

(a) IN ADDITION TO THE PAYMENT OF EXPENSES PURSUANT TO SECTION 10.2, WHETHER OR NOT THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSUMMATED, EACH LOAN PARTY AGREES TO DEFEND (SUBJECT TO INDEMNITEES' SELECTION OF COUNSEL), INDEMNIFY, PAY AND HOLD HARMLESS, ADMINISTRATIVE AGENT AND LENDER, THEIR AFFILIATES AND THEIR RESPECTIVE OFFICERS, PARTNERS, DIRECTORS, TRUSTEES, EMPLOYEES AND AGENTS OF ADMINISTRATIVE AGENT AND EACH LENDER (EACH, AN "INDEMNITEE"), FROM AND AGAINST ANY AND ALL INDEMNIFIED LIABILITIES, IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY, OR SOLE NEGLIGENCE OF SUCH INDEMNITEE; PROVIDED, NO LOAN PARTY SHALL HAVE ANY OBLIGATION TO ANY INDEMNITEE HEREUNDER WITH RESPECT TO ANY INDEMNIFIED LIABILITIES TO THE EXTENT SUCH INDEMNIFIED LIABILITIES ARISE FROM THE

GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, AS DETERMINED BY A COURT OF COMPETENT JURISDICTION IN A FINAL, NON-APPEALABLE ORDER, OF THAT INDEMNITEE. TO THE EXTENT THAT THE UNDERTAKINGS TO DEFEND, INDEMNIFY, PAY AND HOLD HARMLESS SET FORTH IN THIS SECTION 10.3 MAY BE UNENFORCEABLE IN WHOLE OR IN PART BECAUSE THEY ARE VIOLATIVE OF ANY LAW OR PUBLIC POLICY, THE APPLICABLE LOAN PARTY SHALL CONTRIBUTE THE MAXIMUM PORTION THAT IT IS PERMITTED TO PAY AND SATISFY UNDER APPLICABLE LAW TO THE PAYMENT AND SATISFACTION OF ALL INDEMNIFIED LIABILITIES INCURRED BY INDEMNITEES OR ANY OF THEM.

(b) To the extent permitted by applicable law, no party hereto shall assert, and each party hereto hereby waives, any claim against each other party hereto and their respective Affiliates, directors, employees, attorneys or agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Loan Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each party hereto hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

- 126 -

**Section 10.4 Set-Off.** In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence of any Event of Default each Lender, and their respective Affiliates is hereby authorized by each Loan Party at any time or from time to time subject to the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed), without notice to any Loan Party or to any other Person (other than Administrative Agent), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts (in whatever currency)) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Loan Party (in whatever currency) against and on account of the obligations and liabilities of any Loan Party to such Lender hereunder, the participations under the other Loan Documents, including all claims of any nature or description arising out of or connected hereto, or with any other Loan Document, irrespective of whether or not (a) such Lender shall have made any demand hereunder, (b) the principal of or the interest on the Term Loans or any other amounts due hereunder shall have become due and payable pursuant to Article II and although such obligations and liabilities, or any of them, may be contingent or unmatured or (c) such obligation or liability is owed to a branch or office of such Lender different from the branch or office holding such deposit or obligation or such Indebtedness.

**Section 10.5 Amendments and Waivers.**

(a) **Required Lenders' Consent.** Subject to Section 10.5(b) and 10.5(b)(i), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written consent of Administrative Agent and the Required Lenders.

(b) **Affected Lenders' Consent.** Without the written consent of each Lender (other than a Defaulting Lender) that would be affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

(i) extend the scheduled final maturity of any Loan or Note;

(ii) waive, reduce or postpone any scheduled repayment (but not prepayment);

(iii) reduce the rate of interest on any Loan (other than any waiver of any increase in the interest rate applicable to any Loan pursuant to Section 2.6) or any fee payable hereunder;

(iv) extend the time for payment of any such interest or fees;

(v) reduce the principal amount of any Loan;

(vi) amend, modify, terminate or waive any provision of this Section 10.5(b) or Section 10.5(b)(i);

(vii) amend the definition of "Required Lenders" or "Pro Rata Share";

(viii) release all or substantially all of the Collateral or all or substantially all of the Guarantors from the Guaranty except as expressly provided in the Loan Documents;

(ix) subordinate (x) any of the Obligations or (y) any Lien created by this Agreement or any other Loan Document, except, in the case of this clause (y), Liens securing Permitted

- 127 -

---

Priority Indebtedness, Permitted Product Transaction, Permitted Royalty Transaction or other transaction expressly permitted hereunder that is contemplated to have priority over the Liens securing the Obligations and any Permitted Refinancing Indebtedness in respect thereof; or

(x) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under any Loan Document.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall amend, modify, terminate or waive any provision of Article IX as the same applies to Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of Administrative Agent, in each case without the consent of Administrative Agent.

(d) Execution of Amendments, Etc. Administrative Agent may, but shall have no obligation to, with the consent of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

#### Section 10.6 Successors and Assigns; Participations.

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of Lenders. No Loan Party's rights or obligations hereunder nor any interest therein may be assigned or delegated by any Loan Party without the prior written consent of all Lenders. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, Indemnitee Agent Parties under Section 9.6, Indemnitees under Section 10.3, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of each of Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Maintenance of the Register. Company, Administrative Agent and Lenders shall, in accordance with the Register provisions of Section 2.3(b), deem and treat the Persons listed as Lenders in the Register as the holders and owners of the corresponding Commitments and Loans listed therein for all purposes hereof, and no assignment or transfer of any such Term Loan Commitment or Loan shall be effective, in each case, unless and until an Assignment Agreement effecting the assignment or transfer thereof shall have been delivered to and accepted by Administrative Agent and recorded in the Register as provided in Section 10.6(e). Prior to such recordation, all amounts owed with respect to the applicable Term Loan Commitment or Loan shall be owed to the Lender listed in the Register as the owner thereof.

(c) Right to Assign. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including, without limitation, all or a portion of its Term Loan Commitment or Loans owing to it or other Obligations (provided, however, that each such assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any Loan and any related Commitments):

- 128 -

(i) to any Person meeting the criteria of clause (a) of the definition of the term "Eligible Assignee" upon the giving of notice to Company and Administrative Agent; and

(ii) to any Person otherwise constituting an Eligible Assignee with the consent of Administrative Agent and, so long as no Default or Event of Default has occurred and is continuing, Company (provided, that if Company shall not have responded in writing within [\*\*] after receipt of written notice of the proposed assignment, Company shall be deemed to have approved such assignment); provided, each such assignment pursuant to this Section 10.6(c)(ii), shall be in an aggregate amount of not less than \$[\*\*] (or such lesser amount as may be agreed to by Administrative Agent).

(d) Mechanics. The assigning Lender and the assignee thereof shall execute and deliver to Administrative Agent an Assignment Agreement, together with such forms or certificates with respect to tax withholding matters as the assignee under such Assignment Agreement may be required to deliver to Administrative Agent pursuant to Section 2.15(d) and all "know your customer" documentation.

(e) Notice of Assignment. Upon its receipt and acceptance of a duly executed and completed Assignment Agreement, any forms or certificates required by this Agreement in connection therewith, Administrative Agent shall record the information contained in such Assignment Agreement in the Register, shall give prompt notice thereof to Company and shall maintain a copy of such Assignment Agreement.

(f) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon executing and delivering an Assignment Agreement, as the case may be, represents and warrants as of the Closing Date or as of the applicable Effective Date (as defined in the applicable Assignment Agreement) that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Term Loan Commitments or Loans, as the case may be; (iii) it will make or invest in, as the case may be, its Term Loan Commitments or Loans for its own account in the ordinary course of its business and without a view to distribution of such Term Loan Commitments or Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws; and (iv) such Lender does not own or control, or own or control any Person owning or controlling, any trade debt or Indebtedness of any Loan Party other than the Obligations or any Capital Stock of any Loan Party.

(g) Effect of Assignment. Subject to the terms and conditions of this Section 10.6, as of the later (i) of the "Effective Date" specified in the applicable Assignment Agreement or (ii) the date such assignment is recorded in the Register: (A) the assignee thereunder shall have the rights and obligations of a "Lender" hereunder to the extent such rights and obligations hereunder have been assigned to it pursuant to such Assignment Agreement and shall thereafter be a party hereto and a "Lender" for all purposes hereof; (B) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned thereby pursuant to such Assignment Agreement, relinquish its rights (other than any rights which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an Assignment Agreement covering all or the remaining portion of an assigning Lender's rights and obligations hereunder, such Lender shall cease to be a party hereto; provided, anything contained in any of the Loan Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (C) the Commitments shall be modified to reflect the Commitment of such assignee and any Commitment of such assigning Lender, if any; and (D) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter

- 129 -

---

as practicable, surrender its applicable Notes to Administrative Agent for cancellation, and thereupon Company shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(h) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations to any Person (other than Borrower, any of its Subsidiaries or any of its Affiliates) in all or any part of its Commitments, Loans or in any other Obligation. The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (i) extend the final scheduled maturity of any Term Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an

increase in any Term Loan Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof, (ii) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement, or (iii) release all or substantially all of the Collateral under the Collateral Documents or all or substantially all of the Guarantors from the Guaranty (in each case, except as expressly provided in the Loan Documents) supporting the Loans hereunder in which such participant is participating. Company agrees that each participant shall be entitled to the benefits of Sections 2.14, 2.15 and 2.19(c) (it being understood that the documentation required under Section 2.15(d) shall be delivered to the participating Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.6(c); provided, a participant shall not be entitled to the benefits of Section 2.15 unless, at the time such participant is claiming such benefits, Company is notified of the participation sold to such participant and such participant agrees, for the benefit of Company, to comply with Section 2.15 as though it were a Lender. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender, provided such participant agrees to be subject to Section 2.13 as though it were a Lender.

(ii) In the event that any Lender sells participations in its Commitments, Loans or in any other Obligation hereunder, such Lender shall, acting solely for this purpose as a non-fiduciary agent of Company, maintain a register on which it enters the name and address of all participants in the Commitments, Loans or Obligations held by it and the principal amount (and stated interest thereon) of the portion of such Commitments, Loans or Obligations which are the subject of the participation (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. A Commitment, Loan or Obligation hereunder may be participated in whole or in part only by registration of such participation on the Participant Register (and each Note shall expressly so provide). The Participant Register shall be available for inspection by Company at any reasonable time and from time to time upon reasonable prior notice. For

- 130 -

---

the avoidance of doubt, Administrative Agent (in its capacity as administrative agent) shall not have any responsibility for maintaining a Participant Register. This obligation: (a) shall, pursuant to this paragraph, be also registered as to both principal and any stated interest with Borrower or its agent, and (b) may be transferred by Lender only by (1) surrender of the old instrument and either (i) the reissuance by the Borrower of the old instrument to the new Lender or (ii) the issuance by the Borrower of a new instrument to the new Payee, or (2) confirmation with Borrower that the right to the principal and stated interest on the obligation is maintained through the Participant Register book entry system kept by the Lender or its agent. This provision is intended to qualify the interest paid hereunder as portfolio interest and therefore not subject to U.S. interest withholding tax pursuant to the portfolio interest exemption under the Internal Revenue Code. The parties agree that they may amend or reform any part of this provision from time to time, and with retroactive effect, to ensure qualification as intended hereunder.

(i) Certain Other Assignments. In addition to any other assignment permitted pursuant to this Section 10.6, any Lender or Administrative Agent may assign, pledge and/or grant a security interest in, all or any portion of its Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender or Administrative Agent or any of its Affiliates to any Person providing any loan, letter of credit or other extension of credit or financial arrangement to or for the account of such Lender or Administrative Agent or any of its Affiliates and any agent, trustee or representative of such Person (without the consent of, or notice to, or any other action by, any other party hereto), including, without limitation, any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any operating circular issued by such Federal Reserve Bank; provided, no Lender or Administrative Agent, as between Company and such Lender or Administrative Agent, shall be relieved of any of its obligations hereunder as a result of any such assignment and pledge; provided further, in no event shall such Person, agent, trustee or representative of such Person or the applicable Federal Reserve Bank be considered to be a "Lender" or "Agent" or be entitled to require the assigning Lender or Administrative Agent to take or omit to take any action hereunder.

**Section 10.7 Independence of Covenants**. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action or condition exists.

**Section 10.8 Survival of Representations, Warranties and Agreements**. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each

Loan Party set forth in Sections, 2.14, 2.15, 2.19(c), 10.2, 10.3, 10.4, and 10.10 and the agreements of Lenders set forth in Section 2.13, 9.3(b) and 9.6 shall survive the payment of the Term Loans and the termination hereof.

**Section 10.9 No Waiver; Remedies Cumulative.** No failure or delay on the part of Administrative Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to Administrative Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any

- 131 -

---

right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

**Section 10.10 Marshalling; Payments Set Aside.** Neither Administrative Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to Administrative Agent or Lenders (or to Administrative Agent, on behalf of Lenders), or Administrative Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

**Section 10.11 Severability.** In case any provision in or obligation hereunder or any Note or other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

**Section 10.12 Obligations Several; Independent Nature of Lenders' Rights.** The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and, subject to Section 9.8, each Lender shall be entitled to protect and enforce its rights arising under this Agreement and the other Loan Documents and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

**Section 10.13 Contingent Payment Debt Instrument Rules.** The parties hereto agree (i) that the Loans are intended to be treated as debt for U.S. federal income and any other applicable tax purposes, (ii) that any contingency associated with the Term Loans is described in Treasury Regulations Section 1.1272-1(c) and/or Treasury Regulations Section 1.1275-2(h), and therefore no Term Loan is governed by the rules set out in Treasury Regulations Section 1.1275-4, (iii) except for a Lender described in Sections 871(h)(3) or 881(c)(3) of the Internal Revenue Code, absent a change in law, all interest on the Term Loans is "portfolio interest" within the meaning of Sections 871(h) or 881(c) of the Internal Revenue Code, and therefore is exempt from withholding tax under Sections 1441(c)(9) and 1442(a) of the Internal Revenue Code, and (iv) to adhere to this Section 10.13 for U.S. federal income and any other applicable Tax purposes and not to take any action or file any Tax return, report or declaration inconsistent herewith unless otherwise required by applicable law. The inclusion of this Section 10.13 is not an admission by any Lender that it is subject to United States taxation.

**Section 10.14 Original Issue Discount.** For purposes of Sections 1272, 1273 and 1275 of the Internal Revenue Code, each Term Loan is being issued with original issue discount; please contact the chief financial officer of the Borrower to obtain information regarding the issue price, the amount of original issue discount and the yield to maturity.

**Section 10.19 Confidentiality.** Administrative Agent and Lender shall hold all non-public information regarding Company and its Subsidiaries and their businesses identified as such by Company and obtained by such Lender from Company or its Subsidiaries pursuant to the requirements hereof in accordance with such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by Company that, in any event, Administrative Agent or Lender may make (i) disclosures of such information to Affiliates of Administrative Agent or Lender and to their agents, advisors, directors, officers, and shareholders (and to other persons authorized by a Lender or Administrative Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.19), (ii) disclosures of such information reasonably required by any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation by any such Lender of any Loans or any participations therein, (iii) disclosure to any rating agency when required by it, (iv) disclosure to any Lender's financing sources, provided that prior to any disclosure, such financing source is informed of the confidential nature of the information, (v) disclosures of such information to any actual or potential investors, members, and partners of Administrative Agent any Lender or their Affiliates, provided that prior to any disclosure, such investor or partner is informed of the confidential nature of the information, and (vi) disclosure required or requested in connection with any public filings, whether pursuant to any securities laws or regulations or rules promulgated therefor (including the Investment Company Act of 1940 or otherwise) or representative thereof or by the National Association of Insurance Commissioners (and any successor thereto) or pursuant to legal or judicial process; provided, unless specifically prohibited by applicable law or court order, Administrative Agent and Lender shall make reasonable efforts to notify Company of any request by any Governmental Authority or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender by such Governmental Authority) for disclosure of any such non-public information prior to disclosure of such information. Notwithstanding anything to the contrary set forth herein, each party (and each of their respective employees, representatives or other agents) may disclose to any and all persons, without limitations of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions and other tax analyses) that are provided to any such party relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure shall remain subject to the confidentiality provisions hereof (and the foregoing sentence shall not apply) to the extent reasonably necessary to enable the parties hereto, their respective Affiliates, and their and their respective Affiliates' directors and employees to comply with applicable securities laws. For this

- 134 -

---

purpose, "tax structure" means any facts relevant to the federal income tax treatment of the transactions contemplated by this Agreement but does not include information relating to the identity of any of the parties hereto or any of their respective Affiliates. Notwithstanding the foregoing, on or after the Closing Date, Administrative Agent and any Lender may, at its own expense, issue news releases and publish "tombstone" advertisements and other announcements relating to this transaction in newspapers, trade journals and other appropriate media (which may include use of logos of one or more of the Loan Parties) (collectively, "Trade Announcements"). No Loan Party shall (i) issue any Trade Announcement or (ii) disclose the name of any Administrative Agent or any Lender except in the case of clause (ii) (A) disclosures required by applicable law, regulation, legal process or the rules of the Securities and Exchange Commission, (B) on a confidential basis to the Company's controlled Affiliates and Subsidiaries and the Company's and their controlled Affiliates' and Subsidiaries' Board of Directors (or equivalent governing body), employees, representatives and professional advisors, subject, in the case of this clause (B), to such person being subject to customary confidentiality obligations with respect to this Agreement, (C) to the extent such information becomes publicly available other than by reason of improper disclosure in violation of the confidentiality obligations set forth in this Section 10.19, (D) to a Tax authority, to the extent reasonably necessary in connection with the Tax affairs of the Company and/or any of its Affiliates or (E) with the prior approval of Administrative Agent and such Lender.

**Section 10.20 Usury Savings Clause.** Notwithstanding any other provision herein, the aggregate interest rate charged or agreed to be paid with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted

by law, Company shall pay to Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and Company to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to Company. In determining whether the interest contracted for, charged, or received by Administrative Agent or a Lender exceeds the Highest Lawful Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest, throughout the contemplated term of the Obligations hereunder.

**Section 10.21 Counterparts.** This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means shall be effective as delivery of a manually executed counterpart of this Agreement. The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection

- 135 -

with this Agreement and the other Loan Documents and the transactions contemplated hereby and thereby (including without limitation Assignment Agreement, amendments, Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

**Section 10.22 Effectiveness.** This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by Company and Administrative Agent of written notification of such execution and authorization of delivery thereof.

**Section 10.23 PATRIOT Act Notice.** Each Lender and Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the PATRIOT Act, it may be required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of the Loan Parties and other information that will allow such Lender or Administrative Agent, as applicable, to identify the Loan Parties in accordance with the PATRIOT Act or other Anti-Terrorism Laws of the Loan Parties and other information that will allow such Lender or Administrative Agent, as applicable, to identify the Loan Parties in connection with the PATRIOT Act.

**Section 10.24 Waiver of Immunity.** To the extent that any Loan Party has or hereafter may acquire (or may be attributed, whether or not claimed) any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service of process or notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property, such Loan Party hereby irrevocably waives and agrees not to plead or claim, to the fullest extent permitted by law, such immunity in respect of (a) its obligations under the Loan Documents, (b) any legal proceedings to enforce such obligations and (c) any legal proceedings to enforce any judgment rendered in any proceedings to enforce such obligations. Each Loan Party hereby agrees that the waivers set forth in this Section 10.24 shall be to the fullest extent permitted under the Foreign Sovereign Immunities Act and are intended to be irrevocable for purposes of the Foreign Sovereign Immunities Act.

**Section 10.25 Representation of a Dutch Loan Party.** If, with respect to a Dutch Loan Party, this Agreement or any other Loan Document is signed or executed by another person (a "Dutch Attorney-in-Fact") acting on behalf of such Dutch Loan Party pursuant to a power of attorney executed and delivered by such Dutch Loan Party, it is hereby expressly acknowledged and accepted in accordance with Article 14 of the Hague Convention on the Law Applicable to Agency of 14 March 1978 by the parties to this Agreement or any other Loan Document that the existence and extent of such Dutch Attorney-in-Fact's authority and the effects of such Dutch Attorney-in-Fact's exercise or purported exercise of his or her authority shall be governed by the laws of the Netherlands.

**Section 10.26 Dutch Parallel Debt.**

(a) Each Loan Party irrevocably and unconditionally undertakes to pay to the Administrative Agent amounts equal to its Dutch Underlying Debts as they may exist from time to time (each a "Dutch Parallel Debt"). Each Dutch Parallel Debt will become due and payable at the same time as the

corresponding Dutch Underlying Debt becomes due and payable.

- 136 -

(b) The rights of the Administrative Agent under each Dutch Parallel Debt are its own claims to receive payment from the relevant Loan Party, several and independent from any right that a Secured Party may have under the Loan Documents.

(c) An amount received by the Administrative Agent in discharge of a Dutch Parallel Debt will discharge the corresponding Dutch Underlying Debt in an equal amount.

(d) The aggregate amount outstanding under the Dutch Parallel Debts will never exceed the aggregate amount outstanding under the Dutch Underlying Debts.

(e) For purposes of this Section 10.26, the Administrative Agent acts in its own name and for itself and not as agent, trustee or representative of any other agent or Lender.

#### Section 10.27 Swiss Limitations.

(a) If and to the extent any obligations assumed (including by granting a guaranty, assuming indemnity or other obligations, including joint and several liability, and subordinating any claims) or any security interest granted by a Swiss Guarantor under this Agreement or any other Loan Document guarantee, secure or otherwise benefit obligations of its Affiliates other than its wholly owned Subsidiaries (the "Restricted Obligations") and if and to the extent the payment under, or the enforcement of, such obligations or using the proceeds from the enforcement of such security interest to discharge the Restricted Obligations constitutes a repayment of capital (*Einlagerückgewähr/Kapitalrückzahlung*), a violation of the legally protected reserves (*gesetzlich geschützte Reserven*) or the payment of a (constructive) dividend (*Gewinnausschüttung*) under then applicable Swiss corporate law or would otherwise not be permitted by then applicable mandatory Swiss law, the payment under, or the enforcement of, such obligations or using the proceeds from the enforcement of such security interest to be used to discharge the Restricted Obligations shall be limited to the amount of unrestricted equity capital surplus (including the unrestricted portion of general and statutory reserves, other free reserves, retained earnings and, to the extent permitted by then applicable law, current net profits) available for distribution as dividends to the shareholders of such Swiss Guarantor (the "Maximum Amount"), provided that this is a requirement under then applicable mandatory Swiss law and understood that such limitation shall not free such Swiss Guarantor from its obligations in excess of the Maximum Amount, but that it shall merely postpone the performance or the enforcement date of those obligations until such time or times as performance or enforcement is again permitted under then applicable law. The Maximum Amount shall be determined in accordance with Swiss law and applicable Swiss accounting principles, and, if and to the extent required by applicable Swiss law, shall be confirmed by the auditors of the relevant Swiss Guarantor on the basis of an interim audited balance sheet as of that time.

(b) Immediately after having been requested to perform the Restricted Obligations under the Loan Documents, such Swiss Guarantor shall, if and to the extent requested by the Administrative Agent or required under then applicable Swiss law, provide the Administrative Agent with an interim balance sheet audited by the statutory auditors of such Swiss Guarantor setting out the Maximum Amount, take any further corporate and other action as may be required by the Administrative Agent (such as (i) board and shareholders' resolutions to approve the payment or use of the enforcement proceeds, which may be required as a matter of Swiss mandatory law in force at the time payment is requested or at the time of enforcement in order to allow a prompt payment or use of the enforcement proceeds, (ii) the receipt of any confirmations from such Swiss Guarantor's statutory auditors that the relevant amount represents the Maximum Amount, (iii) conversion of restricted reserves into profits and reserves freely available for the distribution as dividends (to the extent permitted by mandatory Swiss law), (iv) revaluation of hidden reserves (to the extent permitted by mandatory Swiss law), and (v) to the extent permitted by applicable

- 137 -

law, Swiss accounting standards and the Loan Documents, write-up or realize any of its assets that are shown in its balance sheet with a book value that is significantly lower than the market value of the assets, in case of realization, however, only if such assets are not necessary for such Swiss Guarantor's business (*nicht betriebsnotwendig*) and other measures required to allow such Swiss Guarantor to make the payments agreed hereunder with a minimum of limitations and, immediately thereafter, pay up to the Maximum Amount to the Administrative Agent.

(c) In respect of Restricted Obligations, the relevant Swiss Guarantor shall, as concerns the payment under, or performance of, any obligation or the use of proceeds resulting from the enforcement of the guaranty, indemnity or security interest granted by such Swiss Guarantor under this Agreement or any other Loan Document:

(i) if and to the extent the Swiss Guarantor is obliged to pay Swiss Withholding Tax in relation thereto required by applicable law and subject to any applicable double tax treaties in force at the relevant time:

- (A) procure that such payments, performance or enforcement proceeds can be used to discharge Restricted Obligations without deduction of Swiss Withholding Tax, or with deduction of Swiss Withholding Tax at a reduced rate, or by discharging the liability for Swiss Withholding Tax by notification pursuant to applicable law (including tax treaties) rather than payment of the tax (*Meldeverfahren*);
- (B) if necessary, deduct (respectively ask the Administrative Agent to deduct) Swiss Withholding Tax at the rate of 35 per cent. (or such other rate as is in force at that time) from any such payment, performance or enforcement proceeds used to discharge Restricted Obligations;
- (C) pay (respectively ask the Administrative Agent to pay), without delay, any such taxes deducted to the Swiss Federal Tax Administration; and
- (D) notify and provide evidence to the Administrative Agent that such deduction or notification, as the case may be, has been made and, if applicable, that the taxes deducted have been paid to the Swiss Federal Tax Administration;

(ii) as soon as possible after a deduction for Swiss Withholding Tax is made as required by applicable law:

- (A) ensure that any person which is entitled to a full or partial refund of the Swiss Withholding Tax deducted from such payment or enforcement proceeds will, as soon as possible after such deduction;
- (B) request a refund of the Swiss Withholding Tax under applicable law (including tax treaties); and
- (C) pay to the Administrative Agent promptly upon receipt any amount so refunded.

- 138 -

---

(d) If such Swiss Guarantor is obliged to withhold Swiss Withholding Tax in accordance with clause (c)(i)(B) above, the Administrative Agent shall be entitled to further enforce its rights under the Loan Documents, including, for the avoidance of doubt, under Section 2.15 of this Agreement, and/or further apply proceeds therefrom (taking into account any amount paid pursuant to clause (c)(ii)(B) above) up to an amount which is equal to that amount which would have been obtained if no withholding of Swiss Withholding Tax were required, whereby such further enforcements/applications of proceeds shall always be limited to the Maximum Amount.

Section 10.28 Judgment Currency. This is an international financial transaction in which the specification of a currency and payment in New York is of the essence. Dollars shall be the currency of account in the case of all payments pursuant to or arising under this Agreement or under any other Loan Document, and all such payments shall be made to the Administrative Agent's Accounts in New York in immediately available funds. To the fullest extent permitted by applicable law, the obligations of each Loan Party to the Secured Parties under this Agreement and under the other Loan Documents shall not be discharged by any amount paid in any other currency or in a place other than to the Administrative Agent's Accounts in New York to the extent that the amount so paid after conversion under this Agreement and transfer to New York does not yield the amount of Dollars in New York due under this Agreement and under the other Loan Documents. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder in Dollars into another currency (the "Other Currency"), to the fullest extent permitted by applicable law, the rate of exchange used shall be that at which the Administrative Agent could, in accordance with

normal procedures, purchase Dollars with the Other Currency on the Business Day preceding that on which final judgment is given. The obligation of each Loan Party in respect of any such sum due from it to the Secured Parties hereunder shall, notwithstanding any judgment in such Other Currency, be discharged only to the extent that, on the Business Day immediately following the date on which the Administrative Agent receives any sum adjudged to be so due in the Other Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase Dollars with the Other Currency. If the Dollars so purchased are less than the sum originally due to the Secured Parties in Dollars, each Loan Party agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Secured Parties against such loss, and if the Dollars so purchased exceed the sum originally due to the Secured Parties in Dollars, the Secured Parties agrees to remit to the Loan Parties such excess.

**Section 10.29 English Language.** This Agreement and each other Loan Document have been negotiated and executed in English. All certificates, reports, notices and other documents and communications given or delivered by any party hereto pursuant to this Agreement or any other Loan Document shall be in English or, if not in English, accompanied by a certified English translation thereof. The English version of any such document shall control the meaning of the matters set forth herein.
