The results of interim periods are not necessarily indicative of results for the full year or any subsequent period. In the opinion of management, all adjustments (including normal recurring accruals) considered necessary for a fair presentation of financial position, results of operations and cash flows at the dates and for the periods presented have been included. The year-end consolidated balance sheet data was derived from audited financial statements, but does not include all disclosures required by GAAP.

Certain reclassifications have been made to prior period amounts to conform to the current presentation.

Recently Issued Accounting Standards

In November 2023, the FASB issued ASU 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures" ("ASU No. 2023-07"), which expands segment disclosure requirements for public entities. ASU No. 2023-07 will require entities to disclose significant segment expenses by reportable segment if they are regularly provided to the CODM and included in each reported measure of segment profit or loss. In addition, this ASU permits entities to disclose more than one measure of segment profit or loss used by the CODM. Additionally, disclosure of the CODM's title and position will be required on an annual basis, as well as an explanation of how the CODM uses the reported measure(s). Furthermore, all existing annual disclosures about segment profit or loss and assets must be provided on an interim basis in addition to disclosure of significant segment expenses and other segment items. This ASU is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, and requires retrospective application to all prior periods presented in the financial statements. The Company is currently evaluating the impact of adopting this ASU on its consolidated financial statements and disclosures.

In December 2023, the FASB issued ASU 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU No. 2023-09"), which is intended to enhance the transparency and decision usefulness of income tax disclosures. The amendments in ASU No. 2023-09 require entities to disclose additional income tax information, primarily related to greater disaggregation of the entity's ETR reconciliation and income taxes paid by jurisdiction disclosures. This ASU is effective for annual periods beginning after December 15, 2024, and should be applied on a prospective basis; however, retrospective application is permitted. The Company is currently evaluating the impact of adopting this ASU on its consolidated financial statements and disclosures.

Reclassification of Previously Reported Revenue by LOB

In the second quarter of 2023, the Company expanded its disaggregation of revenue disclosures for MA's Decision Solutions LOB to enhance insight and transparency into this business. In conjunction with this new presentation, the Company reclassified certain revenue relating to structured finance solutions from the Decision Solutions LOB to the Research & Insights LOB. Additionally, in the first quarter of 2024, pursuant to the integration of RMS into the Company's order-to-cash systems, the Company reclassified certain prior year revenue by geography disclosures. The impact of the aforementioned reclassifications reclassification was not material and prior year revenue disclosures have been reclassified to conform to this new presentation, which is disclosed in Note 2.

Unbilled receivables, deferred revenue and remaining performance obligations

Unbilled receivables

For certain MA arrangements, the timing of when the Company has the unconditional right to consideration and recognizes revenue occurs prior to invoicing the customer. In addition, certain MIS arrangements contain contractual terms whereby the customers are billed in arrears for annual monitoring services, requiring revenue to be accrued as an unbilled receivable as such services are provided.

The following table presents the Company's unbilled receivables, which are included within accounts receivable, net, at **March 31, 2024** **June 30, 2024** and December 31, 2023:

Deferred revenue

The Company recognizes deferred revenue when a contract requires a customer to pay consideration to the Company in advance of when revenue related to that contract is recognized. This deferred revenue is relieved when the Company satisfies the related performance obligation and revenue is recognized.

Significant changes in the deferred revenue balances during the three and six months ended **March 31, 2024** **June 30, 2024** and 2023 are as follows:

Deferred revenue - non-current

The For the MA segment, the decrease in deferred revenue for the three months ended June 30, 2024 and 2023 was primarily due to the recognition of annual subscription and maintenance billings from December and January. For the six months ended June 30, 2024 and 2023, the increase in deferred revenue during both the three months ended March 31, 2024 and 2023 is primarily due attributable to the high concentration of billings in the first quarter.

For the MIS segment, the change in the deferred revenue balance for all periods presented was primarily related to the significant portion of contract renewals that occur during the first quarter within both segments, and are generally recognized over a one year period.

Remaining performance obligations

Remaining performance obligations in the MA segment include both amounts recorded as deferred revenue on the balance sheet as of **March 31, 2024** **June 30, 2024** as well as amounts not yet invoiced to customers as of **March 31, 2024** **June 30, 2024**, largely reflecting future revenue related to signed multi-year arrangements for hosted and installed subscription-based products. As of **March 31, 2024** **June 30, 2024**, the aggregate amount of the transaction price allocated to remaining performance obligations was approximately **\$3.9 billion** **\$3.6 billion**. The Company expects to recognize into revenue approximately 60% of this balance within one year, approximately 25% of this balance between one to two years and the remaining amount thereafter.

Remaining performance obligations in the MIS segment largely reflect deferred revenue related to monitoring fees for certain structured finance products, primarily CMBS, where the issuers can elect to pay the monitoring fees for the life of the security in advance. As of **March 31, 2024** **June 30, 2024**, the aggregate amount of the transaction price allocated to remaining performance obligations was approximately \$91 million. The Company expects to recognize into revenue approximately 25% of this balance within one year, approximately 50% of this balance between one to five years and the remaining amount thereafter. With respect to the remaining performance obligations for the MIS segment, the Company has applied a practical expedient set forth in ASC Topic 606 permitting the omission of unsatisfied performance obligations relating to contracts with an original expected length of one year or less.

During the first quarter half of 2024, the Company granted 0.2 million employee stock options, which had a weighted average grant date fair value of **\$120.28** **\$120.42** per share. The Company also granted 0.5 million shares of restricted stock in the first quarter half of 2024, which had a weighted average grant date fair value of **\$372.18** **\$372.33** per share. Both the employee stock options and restricted stock generally vest ratably over four years. The weighted average grant date fair value of these awards was **\$361.44** **\$361.83** per share.

The following weighted average assumptions were used in determining the fair value using the Black-Scholes option-pricing model for options granted in 2024:

Expected dividend yield	0.91 %
Expected stock volatility	28 %
Risk-free interest rate	4.34 %
Expected holding period	5.9 years

Unrecognized stock-based compensation expense at **March 31, 2024** **June 30, 2024** was **\$26 million** **\$21 million** and **\$375 million** **\$328 million** for unvested stock options and restricted stock, respectively, which is expected to be recognized over a weighted average period of 1.9 years and **2.8** **2.7** years, respectively. Additionally, there was **\$67 million** **\$66 million** of unrecognized stock-based compensation expense relating to the aforementioned non-market-based performance-based awards, which is expected to be recognized over a weighted average period of **2.7** **2.5** years.

NOTE 4. INCOME TAXES

Moody's ETR was 23.3% 23.1% and 1.0% 23.4% for the three months ended March 31, 2024 June 30, 2024 and 2023, respectively. Moody's ETR for the six months ended June 30, 2024 and 2023 was 23.2% and 12.0%, respectively. The increase in the ETR for the three six months ended March 31, 2024 June 30, 2024 compared to the same period in the prior year was primarily due to tax benefits recognized in the first quarter of 2023, which reflect the resolution of uncertain tax positions in various U.S. and non-U.S. tax jurisdictions and will not recur in 2024. The Company's year-to-date provision for income taxes differs from the tax computed by applying its estimated annual ETR to the pre-tax earnings primarily due to the following items recognized in 2024: i) net increase of \$3 million related to the establishment of UTPs; and ii) Excess Tax Benefits excess tax benefits from stock-based compensation of \$14 million \$19 million.

The Company classifies interest related to UTPs in interest expense, net in its consolidated statements of operations. Penalties, if incurred, would be recognized in other non-operating income, net. The Company had a net increase in its UTP reserves of \$6 million (\$5 \$5 million, net of federal tax) tax, during the second quarter of 2024 and an increase in its UTPs of \$11 million, net of federal tax, during the first quarter six months of 2024.

Moody's is subject to U.S. federal income tax as well as income tax in various state, local and foreign jurisdictions. The Company's U.S. federal income tax returns for 2019 through 2020 are currently under examination and 2021 through 2022 remain open to examination. The Company's New York City tax returns for 2018 through 2020 2022 are currently under examination. The Company's U.K. tax returns for 2017 through 2022 remain open to examination.

For ongoing audits, it is possible the balance of UTPs could decrease in the next twelve months as a result of the settlement of such audits, which might involve the payment of additional taxes, the adjustment of certain deferred taxes and/or the recognition of tax benefits. It is also possible that new issues will be raised by tax authorities which could necessitate increases to the balance of UTPs. As the Company is unable to predict the timing or outcome of these audits, it is unable to estimate the amount of future changes to the balance of UTPs at this time. However, the Company believes that it has adequately provided for its financial exposure relating to all open tax years, by tax jurisdiction, in accordance with the applicable provisions of ASC Topic 740 regarding UTPs.

The following table shows the amount the Company paid for income taxes:

Income taxes paid				

In August 2022, the U.S. Congress passed the Inflation Reduction Act, which included a corporate minimum tax on book earnings of 15%, an excise tax on corporate share repurchases of 1%, and certain climate change and energy tax credit incentives. The adoption of a corporate minimum tax of 15% is not expected to impact Moody's ETR. The excise tax of 1% on corporate share buybacks will not have an impact on the Company's ETR for 2024.

Multiple Effective in 2024, multiple foreign jurisdictions in which the Company operates have enacted legislation to adopt a minimum tax rate described in the Global Anti-Base Erosion tax model rules (referred to as GloBE or Pillar Two) issued by the OECD. A minimum ETR of 15% would apply applies to multinational companies with consolidated revenue above €750 million, with an effective date

beginning in 2024, €750 million. Under the GloBE rules, a company would be required to determine a combined ETR for all entities located in a jurisdiction. If the jurisdictional effective tax rate is less than 15%, an additional tax generally will be due to bring the jurisdictional ETR up to 15%. We have evaluated the potential impact of the Pillar Two global minimum tax proposals rules on our consolidated financial statements and related disclosures. As of March 31, 2024 June 30, 2024, the Pillar Two minimum tax requirement is not expected to have a material impact on our full-year 2024 results of operations or financial position.

The Company does not hold or issue derivatives for speculative purposes.

Derivatives and non-derivative instruments designated as accounting hedges:

Fair Value Hedges

Interest Rate Swaps

The Company has entered into interest rate swaps to convert the fixed interest rate on certain of its long-term debt to a floating interest rate based on the SOFR. The purpose of these hedges is to mitigate the risk associated with changes in the fair value of the long-term debt, thus the Company has designated these swaps as fair value hedges. The fair value of the swaps is adjusted quarterly with a corresponding adjustment to the carrying value of the debt. The changes in the fair value of the swaps and the underlying hedged item generally offset and the net cash settlements on the swaps are recorded each period within interest expense, net in the Company's consolidated statements of operations.

The following table summarizes the Company's interest rate swaps designated as fair value hedges:

NOTE 9. RESTRUCTURING

On June 30, 2022, the chief executive officer of Moody's approved the 2022 - 2023 Geolocation Restructuring Program. The Company estimates that the program will result in annualized savings of \$145 million to \$165 million per year. This program related to the Company's post-COVID-19 geolocation strategy and other strategic initiatives and included the rationalization and exit of certain leased office spaces and a reduction in staff, including the relocation of certain job functions. Cumulative charges related to this program are shown in the table below. The savings generated from the 2022 - 2023 Geolocation Restructuring Program are expected to strengthen the Company's operating margin, with a portion being deployed to support strategic investments, including the Company's workplace of the future program and employee retention initiatives. The 2022 - 2023 Geolocation Restructuring Program was substantially completed at the end of 2023. Cash outlays associated with this program, which primarily relate to personnel-related costs, are expected to be \$130 million to \$140 million, substantially all of which are expected to be paid by the end of 2024.

Total expense included in the accompanying consolidated statements of operations relating to the aforementioned restructuring program is below:

(1) Represents fair value of certain derivative contracts as more fully described in Note 7 to the consolidated financial statements.

The following are descriptions of the methodologies utilized by the Company to estimate the fair value of its derivative contracts, money market mutual funds and mutual funds:

Derivatives:

In determining the fair value of the derivative contracts in the table above, the Company utilizes industry standard valuation models. Where applicable, these models project future cash flows and discount the future amounts to a present value using spot rates, forward points, currency volatilities, interest rates as well as the risk of non-performance of the Company and the counterparties with whom it has derivative contracts. The Company established strict counterparty credit guidelines and only enters into transactions with financial institutions that adhere to these guidelines. Accordingly, the risk of counterparty default is deemed to be minimal.

Money market funds and mutual funds:

The mutual funds in the table above are deemed to be equity securities with readily determinable fair values with changes in the fair value recognized through net income under ASC Topic 321. The fair value of these instruments is determined using Level 1 inputs as defined in the ASC Topic 820.

Charges related to asset abandonment:

Costs of \$15 million recorded in the second quarter of 2024 relate to severance incurred pursuant to a reduction in staff due to the Company's decision to outsource the production of certain sustainability content utilized in our product offerings. Additionally, the Company has reduced the estimated useful lives of certain internally developed software and amortizable intangible assets that are associated with the sustainability content offerings for which production is being outsourced. The Company expects to incur approximately \$30 million in incremental amortization expense related to the change in estimated useful lives of these assets in the second half of 2024.

Credit Facility

On May 6, 2024, the Company entered into a five-year senior, unsecured revolving credit facility with the capacity to borrow up to \$1.25 billion, which expires in May 2029. The 2024 Credit Facility replaces the Company's \$1.25 billion 2021 Credit Facility that was scheduled to mature in December 2026. Further information on the key terms of these revolving credit facilities is below:

	Issue Date	Capacity	Maturity	June 30, 2024		December 31, 2023	
				Drawn	Undrawn	Drawn	Undrawn
2021 Credit Facility	December 17, 2021	\$ 1,250	December 17, 2026 (Terminated in 2024)	\$ —	\$ —	\$ —	\$ 1,250
2024 Credit Facility	May 6, 2024	\$ 1,250	May 6, 2029	\$ —	\$ 1,250	\$ —	\$ —

Interest on borrowings under the 2024 Credit Facility is payable at rates that are based on an adjusted term SOFR Rate plus a premium that can range from 80.5 BPS to 122.5 BPS, depending on the Company's index debt ratings, as set forth in the 2024 Credit Facility. The Company also has the option to choose other rates, such as those based on adjusted Daily Simple SOFR or an alternate base rate, as set forth in the 2024 Credit Facility. Regardless of borrowing activity under the 2024 Credit Facility, the Company pays quarterly fees for the 2024 Credit Facility that can range from 7 BPS of the 2024 Credit Facility amount to 15 BPS, depending on the Company's index debt ratings. The 2024 Credit Facility contains certain customary covenants and also contains a financial covenant that requires the Company to maintain a total debt to EBITDA Ratio of (i) not more than 4 to 1 at the end of any fiscal quarter or (ii) not more than 4.5 to 1 as of the end of the first three consecutive quarters immediately following any acquisition with consideration in excess of \$500 million, subject to certain conditions as set forth in the 2024 Credit Facility.

Notes Payable

At **March 31, 2024** **June 30, 2024**, the Company was in compliance with all covenants contained within all of the debt agreements. All of the debt agreements contain cross default provisions which state that default under one of the aforementioned debt instruments could in turn permit lenders under other debt instruments to declare borrowings outstanding under those instruments to be immediately due and payable. As of **March 31, 2024** **June 30, 2024**, there were no such cross defaults.

The Company's leases which are classified as finance leases are not material to the consolidated financial statements. Certain of the Company's leases include options to renew, with renewal terms that can extend the lease term from one year to 20 years at the Company's discretion.

NOTE 15. CONTINGENCIES

Given the nature of the Company's activities, Moody's and its subsidiaries are subject to legal and tax proceedings, governmental, regulatory and legislative investigations, subpoenas and other inquiries, and claims and litigation by governmental and private parties that are based on ratings assigned by MIS or that are otherwise incidental to the Company's business. Moody's and MIS also are subject to periodic reviews, inspections, examinations and investigations by regulators in the U.S. and other jurisdictions, any of which may result in claims, legal proceedings, assessments, fines, penalties or restrictions on business activities. MIS is responding to SEC requests for documents and information in connection with an investigation of MIS's compliance with record preservation requirements relating to certain business communications sent over electronic messaging channels that have not been approved by MIS. The SEC **is** has been conducting similar investigations of the record preservation practices of other NRSROs and other registrants subject to record preservation requirements. MIS has reached an agreement in principle with the SEC Division of Enforcement to resolve the investigation. The agreement, which remains subject to final SEC approval, includes the payment of a \$20 million civil monetary penalty. The Company has accrued that amount in its consolidated financial statements. Moody's also is subject to ongoing tax audits as addressed in Note 4 to the consolidated financial statements.

Management periodically assesses the Company's liabilities and contingencies in connection with these matters based upon the latest information available. For claims, litigation and proceedings and governmental investigations and inquiries not related to income taxes, the Company records liabilities in the consolidated financial statements when it is both probable that a liability has been incurred and the amount of loss can be reasonably estimated and periodically adjusts these as appropriate. When the reasonable estimate of the loss is within a range of amounts, the minimum amount of the range is accrued unless some higher amount within the range is a better estimate than another amount within the range. In instances when a loss is reasonably possible but uncertainties exist related to the probable outcome and/or the amount or range of loss, management does not record a liability but discloses the contingency if material. As additional information becomes available, the Company adjusts its assessments and estimates of such matters accordingly. Moody's also discloses material pending legal proceedings pursuant to SEC rules and other pending matters as it may determine to be appropriate.

In view of the inherent difficulty of assessing the potential outcome of legal proceedings, governmental, regulatory and legislative investigations and inquiries, claims and litigation and similar matters and contingencies, particularly when the claimants seek large or indeterminate damages or assert novel legal theories or the matters involve a large number of parties, the Company often cannot predict what the eventual outcome of the pending matters will be or the timing of any resolution of such matters. The Company also may be unable to predict the impact (if any) that any such matters may have on how its business is conducted, on its competitive position or on its financial position, results of operations or cash flows. As the process to resolve any pending matters progresses, management will continue to review the latest information available and assess its ability to predict the outcome of such matters and the effects, if any, on its operations and financial condition and to accrue for and disclose such matters as and when required. However, because such matters are inherently unpredictable and unfavorable developments or resolutions can occur, the ultimate outcome of such matters, including the amount of any loss, may differ from those estimates.

NOTE 16. SEGMENT INFORMATION

The Company is organized into two operating segments: MA and MIS and accordingly, the Company reports in two reportable segments: MA and MIS.

Revenue for MA and expenses for MIS include an intersegment fee charged to MIS from MA for certain MA products and services utilized in MIS's ratings process. Additionally, revenue for MIS and expenses for MA include intersegment fees charged to MA for the rights to use and distribute content, data and products developed by MIS. These intersegment fees are generally based on the market value of the products and services being transferred between the segments.

Overhead expenses include costs such as rent and occupancy, information technology and support staff such as finance, human resources and legal. Such costs and corporate expenses that exclusively benefit one segment are fully charged to that segment.

For overhead costs and corporate expenses that benefit both segments, costs are allocated to each segment based on the segment's share of full-year 2018 actual revenue which comprises a "Baseline Pool" established in 2019, which will remain fixed over time. In subsequent periods, incremental overhead costs (or reductions thereof) will be allocated to each segment based on the prevailing shares of total revenue represented by each segment.

"Eliminations" in the following table represent intersegment revenue/expense. Moody's does not report the Company's assets by reportable segment, as this metric is not used by the CODM to allocate resources to the segments. Consequently, it is not practical to show assets by reportable segment.

Financial Information by Segment

The table below shows revenue and Adjusted Operating Income by reportable segment. Adjusted Operating Income is a financial metric utilized by the Company's CODM to assess the profitability of each reportable segment. Refer to Note 2 for further details on the components of the Company's revenue.

Current Matters Impacting Moody's Business

Current Macroeconomic Uncertainties/Market Volatility

The Company continues to monitor current macroeconomic and geopolitical uncertainties that had contributed to volatility in rated issuance volumes in 2022 and 2023. These uncertainties include, but are not limited to: i) inflation levels; ii) higher interest rates; and iii) volatility in the global capital markets partly resulting from the ongoing military conflicts further discussed below. A substantial portion of MIS's revenue is impacted by the level of issuance activity in the fixed income capital markets, both in the U.S. and internationally. Due to various uncertainties, Moody's is unable to predict the severity and duration of current macroeconomic and geopolitical uncertainties and their potential impact on future rated issuance volumes. Refer to Item 1A. "Risk Factors" contained in the Company's annual report on Form 10-K for the year ended December 31, 2023 for further disclosure relating to these risks.

Military Conflicts

The Company continues to closely monitor the impact of the ongoing Russia-Ukraine military conflict and the military conflict in Israel and surrounding areas on all aspects of its business. In response to the Russia-Ukraine military conflict, the Company is no longer conducting commercial operations in Russia for both MA and MIS and is complying with all applicable regulatory restrictions set forth by authorities in the jurisdictions in which Moody's operates. Furthermore, the Company has withdrawn MIS credit ratings on Russian entities.

While Moody's operations and net assets in Russia, Israel and the surrounding areas are not material, broader global market volatility, which partially relates to uncertainties surrounding these military conflicts, may contribute to volatility in rated issuance volumes in the future. The Company is unable to predict either the near-term or longer-term impact that these military conflicts may have on its financial position and operating results due to numerous uncertainties regarding the severity and duration of military conflicts and their broader potential macroeconomic impact.

Critical Accounting Estimates

Moody's discussion and analysis of its financial condition and results of operations are based on the Company's consolidated financial statements, which have been prepared in accordance with GAAP. The preparation of these financial statements requires Moody's to make estimates and judgments that affect reported amounts of assets and liabilities and related disclosures of contingent assets and liabilities at the dates of the financial statements and revenue and expenses during the reporting periods. These estimates are based on historical experience and on other assumptions that are believed to be reasonable under the circumstances. On an ongoing basis, Moody's evaluates its estimates, including those related to revenue recognition, accounts receivable allowances, contingencies, goodwill and acquired intangible assets, pension and other retirement benefits, investments in non-consolidated affiliates, and income taxes. Actual results may differ from these estimates under different assumptions or conditions. Item 7, MD&A, in the Company's annual report on Form 10-K for the year ended December 31, 2023, includes descriptions of some of the judgments that Moody's makes in applying its accounting estimates in these areas. Since the date of the annual report on Form 10-K, there have been no material changes to the Company's critical accounting estimates disclosures.

Notwithstanding the Tax Act, which generally eliminated federal income tax on future cash repatriation to the U.S., cash repatriation may be subject to state and local taxes or withholding or similar taxes.

Material Cash Requirements

The Company's material cash requirements consist of the following contractual and other obligations:

Financing Arrangements

Indebtedness

At March 31, 2024 June 30, 2024, Moody's had \$6.9 billion of outstanding debt and approximately \$1 billion of additional capacity available under the Company's CP Program, which is backstopped by the \$1.25 billion 2021 2024 Facility.

The repayment schedule for the Company's borrowings outstanding at March 31, 2024 June 30, 2024 is as follows:

435

For additional information on the Company's outstanding debt, refer to Note 13 to the consolidated financial statements.

Future interest payments and fees associated with the Company's debt and credit facility are expected to be \$4.8 billion, of which approximately \$300 million is expected to be paid in each of the next five years, and the remaining amount expected to be paid thereafter.

Management may consider pursuing additional long-term financing when it is appropriate in light of cash requirements for operations, share repurchases and other strategic opportunities, which could result in higher financing costs.

Purchase Obligations

Purchase obligations generally include multi-year agreements with vendors to purchase goods or services and mainly include data center/cloud hosting fees and fees for information technology licensing and maintenance. As of March 31, 2024 June 30, 2024, these purchase obligations totaled \$722 million \$683 million, of which approximately 50% 40% is expected to be paid in the next twelve months and another approximate 40% expected to be paid over the next two subsequent years, with the remainder to be paid thereafter.

Leases

The Company has remaining payments relating to its operating leases of \$415 million \$384 million at March 31, 2024 June 30, 2024, primarily related to real estate leases, of which \$119 \$117 million in payments are expected over the next twelve months. For more information on the expected cash flows relating to the Company's operating leases, refer to Note 14 to the consolidated financial statements.

Pension and Other Retirement Plan Obligations

The Company does not anticipate making significant contributions to its funded pension plan in the next twelve months. This plan is overfunded at **March 31, 2024** **June 30, 2024**, and accordingly holds sufficient investments to fund future benefit obligations. Payments for the Company's unfunded plans are not expected to be material in either the short or long-term.

Dividends and share repurchases

On **April 26, 2024** **July 22, 2024**, the Board approved the declaration of a quarterly dividend of \$0.85 per share for Moody's common stock, payable **June 7, 2024** **September 6, 2024** to shareholders of record at the close of business on **May 17, 2024** **August 16, 2024**. The continued payment of dividends at this rate, or at all, is subject to the discretion of the Board.

On **February 7, 2022**, the Board approved \$750 million in share repurchase authority, and on **February 5, 2024**, the Board approved an additional \$1 billion in share repurchase authority. At **March 31, 2024** **June 30, 2024**, the Company had approximately **\$1.2 billion** **\$975 million** of remaining authority. There is no established expiration date for the remaining authorizations.

Restructuring

As more fully discussed in Note 9 to the consolidated financial statements, the Company has substantially completed the 2022 - 2023 Geolocation Restructuring Program. Future cash outlays associated with this program, which will consist of personnel-related costs, are expected to be \$24 million, substantially all of which are expected to be paid through 2024. authorization.

Sources of Funding to Satisfy Material Cash Requirements

The Company believes that it has the financial resources needed to meet its cash requirements and expects to have positive operating cash flow over the next twelve months. Cash requirements for periods beyond the next twelve months will depend, among other things, on the Company's profitability and its ability to manage working capital requirements. The Company may also borrow from various sources as described above.

NON-GAAP FINANCIAL MEASURES

In addition to its reported results, Moody's has included in this MD&A certain adjusted results that the SEC defines as "Non-GAAP financial measures." Management believes that such adjusted financial measures, when read in conjunction with the Company's reported results, can provide useful supplemental information for investors analyzing period-to-period comparisons of the Company's performance, facilitate comparisons to competitors' operating results and can provide greater transparency to investors of supplemental information used by management in its financial and operational decision-making. These adjusted measures, as defined by the Company, are not necessarily comparable to similarly defined measures of other companies. Furthermore, these adjusted measures should not be viewed in isolation or used as a substitute for other GAAP measures in assessing the operating performance or cash flows of the Company. Below are brief descriptions of the Company's adjusted financial measures accompanied by a reconciliation of the adjusted measure to its most directly comparable GAAP measure:

Adjusted Operating Income and Adjusted Operating Margin:

The Company presents Adjusted Operating Income and Adjusted Operating Margin because management deems these metrics to be useful measures to provide additional perspective on Moody's operating performance. Adjusted Operating Income excludes the impact of: i) depreciation and amortization; and ii) restructuring charges/adjustments, adjustments; and iii) charges related to an asset abandonment. Depreciation and amortization are excluded because companies utilize productive assets of different estimated useful lives and use different methods of acquiring and depreciating productive assets. Restructuring charges/adjustments and charges related to asset abandonment are excluded as the frequency and magnitude of these charges may vary widely across periods and companies.

Management believes that the exclusion of the aforementioned items, as detailed in the reconciliation below, allows for an additional perspective on the Company's operating results from period to period and across companies. The Company defines Adjusted Operating Margin as Adjusted Operating Income divided by revenue.

Operating margin				
Operating margin				
Adjusted Operating Margin	Adjusted Operating Margin	49.6 %	43.7 %	50.2 %
Adjusted Operating Margin				44.2 %
Adjusted Operating Margin				

Adjusted Net Income and Adjusted Diluted EPS attributable to Moody's common shareholders:

The Company presents Adjusted Net Income and Adjusted Diluted EPS because management deems these metrics to be useful measures to provide additional perspective on Moody's operating performance. Adjusted Net Income and Adjusted Diluted EPS exclude the impact of: i) amortization of acquired intangible assets; and ii) restructuring charges/adjustments; and iii) charges related to asset abandonment.

The Company excludes the impact of amortization of acquired intangible assets as companies utilize intangible assets with different estimated useful lives and have different methods of acquiring and amortizing intangible assets. These intangible assets were recorded as part of acquisition accounting and contribute to revenue generation. The amortization of intangible assets related to acquisitions will recur in future periods until such intangible assets have been fully amortized. Furthermore, the timing and magnitude of business combination transactions are not predictable and the purchase price allocated to amortizable intangible assets and the related amortization period are unique to each acquisition and can vary significantly from period to period and across companies. Restructuring charges/adjustments and charges related to asset abandonment are excluded as the frequency and magnitude of these items may vary widely across periods and companies.

The Company excludes the aforementioned items to provide additional perspective when comparing net income and diluted EPS from period to period and across companies as the frequency and magnitude of similar transactions may vary widely across periods.

Free Cash Flow:

The Company defines Free Cash Flow as net cash provided by operating activities minus cash paid for capital additions. Management believes that Free Cash Flow is a useful metric in assessing the Company's cash flows to service debt, pay dividends and to fund acquisitions and share repurchases. Management deems capital expenditures essential to the Company's product and service innovations and maintenance of Moody's operational capabilities. Accordingly, capital expenditures are deemed to be a recurring use of Moody's cash flow. Below is a reconciliation of the Company's net cash flows from operating activities to Free Cash Flow:

Key Performance Metrics:

The Company presents Annualized Recurring Revenue ("ARR") on a constant currency organic basis for its MA business as a supplemental performance metric to provide additional insight on the estimated value of MA's recurring revenue contracts at a given point in time. The Company uses ARR to manage and monitor performance of its MA operating segment and believes that this metric is a key indicator of the trajectory of MA's recurring revenue base.

The Company calculates ARR by taking the total recurring contract value for each active renewable contract as of the reporting date, divided by the number of days in the contract and multiplied by 365 days to create an annualized value. The Company defines renewable contracts as subscriptions, term licenses, maintenance and renewable services. ARR excludes transaction sales including training, one-time services and perpetual licenses. In order to compare period-over-period ARR excluding the effects of foreign currency translation, the Company bases the calculation on currency rates utilized in its current year operating budget and holds these FX rates constant for the duration of all current and prior periods being reported. Additionally, ARR excludes contracts related to acquisitions to provide additional perspective in assessing growth excluding the impacts from certain acquisition activity.

The Company's definition of ARR may differ from definitions utilized by other companies reporting similarly named measures, and this metric should be viewed in addition to, and not as a substitute for, financial measures presented in accordance with GAAP.

RECENTLY ISSUED ACCOUNTING STANDARDS

Refer to Note 1 to the consolidated financial statements located in Part I of this Form 10-Q for a discussion on the impact to the Company relating to recently issued accounting pronouncements.

CONTINGENCIES

Legal proceedings in which the Company is involved also may impact Moody's liquidity or operating results. No assurance can be provided as to the outcome of such proceedings. In addition, litigation inherently involves significant costs. For information regarding legal proceedings, see Item 1 - "Financial Statements," Note 15 "Contingencies" in this Form 10-Q.

FORWARD-LOOKING STATEMENTS

Certain statements contained in this quarterly report on Form 10-Q are forward-looking statements and are based on future expectations, plans and prospects for the Company's business and operations that involve a number of risks and uncertainties. Such statements involve estimates, projections, goals, forecasts, assumptions and uncertainties that could cause actual results or outcomes to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements. Those statements appear at various places throughout this quarterly report.

on Form 10-Q, including in the sections entitled "Contingencies" under Item 2, "MD&A," commencing on page 34 of this quarterly report on Form 10-Q, under "Legal Proceedings" in Part II, Item 1, of this Form 10-Q, and elsewhere in the context of statements containing the words "believe," "expect," "anticipate," "intend," "plan," "will," "predict," "potential," "continue," "strategy," "aspire," "target," "forecast," "project," "estimate," "should," "could," "may," and similar expressions or words and variations thereof relating to the Company's views on future events, trends and contingencies or otherwise convey the prospective nature of events or outcomes generally indicative of forward-looking statements. Stockholders and investors are cautioned not to place undue reliance on these forward-looking statements. The forward-looking statements and other information in this document are made as of the date of this quarterly report on Form 10-Q, and the Company undertakes no obligation (nor does it intend) to publicly supplement, update or revise such statements on a going-forward basis, whether as a result of subsequent developments, changed expectations or otherwise, except as required by applicable law or regulation. In connection with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, the Company is identifying certain factors that could cause actual results to differ, perhaps materially, from those indicated by these forward-looking statements.

Those factors, risks and uncertainties include, but are not limited to:

- the impact of general economic conditions (including significant government debt and deficit levels and inflation and related monetary policy actions by governments in response to inflation) on worldwide credit markets and on economic activity, including on the volume of mergers and acquisitions, and their effects on the volume of debt and other securities issued in domestic and/or global capital markets;
- the uncertain effectiveness and possible collateral consequences of U.S. and foreign government initiatives and monetary policy to respond to the current economic climate, including instability of financial institutions, credit quality concerns, and other potential impacts of volatility in financial and credit markets;
- the global impacts of the Russia-Ukraine military conflict and the military conflict in Israel and the surrounding areas on volatility in world financial markets, on general economic conditions and GDP in the U.S. and worldwide, on global relations and on the Company's own operations and personnel;
- other matters that could affect the volume of debt and other securities issued in domestic and/or global capital markets, including regulation, increased utilization of technologies that have the potential to intensify competition and accelerate disruption and disintermediation in the financial services industry, as well as the number of issuances of securities without ratings or securities which are rated or evaluated by non-traditional parties;
- the level of merger and acquisition activity in the U.S. and abroad;
- the uncertain effectiveness and possible collateral consequences of U.S. and foreign government actions affecting credit markets, international trade and economic policy, including those related to tariffs, tax agreements and trade barriers;
- the impact of MIS's withdrawal of its credit ratings on countries or entities within countries and of Moody's no longer conducting commercial operations in countries where political instability warrants such actions;
- concerns in the marketplace affecting our credibility or otherwise affecting market perceptions of the integrity or utility of independent credit agency ratings;
- the introduction or development of competing and/or emerging technologies and products;
- pricing pressure from competitors and/or customers;
- the level of success of new product development and global expansion;
- the impact of regulation as an NRSRO, the potential for new U.S., state and local legislation and regulations;
- the potential for increased competition and regulation in the jurisdictions in which we operate, including the EU;
- exposure to litigation related to our rating opinions, as well as any other litigation, government and regulatory proceedings, investigations and inquiries to which Moody's may be subject from time to time;
- provisions in U.S. legislation modifying the pleading standards and EU regulations modifying the liability standards, applicable to CRAs in a manner adverse to CRAs;
- provisions of EU regulations imposing additional procedural and substantive requirements on the pricing of services and the expansion of supervisory remit to include non-EU ratings used for regulatory purposes;
- uncertainty regarding the future relationship between the U.S. and China;
- the possible loss of key employees and the impact of the global labor environment;

- failures or malfunctions of our operations and infrastructure;
- any vulnerabilities to cyber threats or other cybersecurity concerns;
- the timing and effectiveness of ~~our any~~ restructuring ~~programs, such as the 2022 - 2023 Geolocation Restructuring Program;~~ programs;
- currency and foreign exchange volatility;
- the outcome of any review by tax authorities of Moody's global tax planning initiatives;
- exposure to potential criminal sanctions or civil remedies if Moody's fails to comply with foreign and U.S. laws and regulations that are applicable in the jurisdictions in which Moody's operates, including data protection and privacy laws, sanctions laws, anti-corruption laws, and local laws prohibiting corrupt payments to government officials;
- the impact of mergers, acquisitions, such as our acquisition of RMS, or other business combinations and the ability of Moody's to successfully integrate acquired businesses;
- the level of future cash flows;
- the levels of capital investments; and

- a decline in the demand for credit risk management tools by financial institutions.

These factors, risks and uncertainties as well as other risks and uncertainties that could cause Moody's actual results to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements are described in greater detail under "Risk Factors" in Part I, Item 1A of Moody's annual report on Form 10-K for the year ended December 31, 2023, and in other filings made by the Company from time to time with the SEC or in materials incorporated herein or therein. Stockholders and investors are cautioned that the occurrence of any of these factors, risks and uncertainties may cause the Company's actual results to differ materially from those contemplated, expressed, projected, anticipated or implied in the forward-looking statements, which could have a material and adverse effect on the Company's business, results of operations and financial condition. New factors may emerge from time to time, and it is not possible for the Company to predict new factors, nor can the Company assess the potential effect of any new factors on it. Forward-looking and other statements in this document may also address our corporate responsibility progress, plans, and goals (including sustainability and environmental matters), and the inclusion of such statements is not an indication that these contents are necessarily material to investors or required to be disclosed in the Company's filings with the Securities and Exchange Commission. In addition, historical, current, and forward-looking sustainability-related statements may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve, and assumptions that are subject to change in the future.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

There have been no material significant changes to the Company's market risk during the three six months ended March 31, 2024 June 30, 2024. For a discussion of the Company's exposure to market risk, refer to the Company's market risk disclosures set forth in Part II, Item 7A, "Quantitative and Qualitative Disclosures About Market Risk" of our Form 10-K for the year ended December 31, 2023.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures: The Company carried out an evaluation, as required by Rule 13a-15(b) under the Exchange Act, under the supervision and with the participation of the Company's management, including the Company's Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of the Company's disclosure controls and procedures, as defined in Rule 13a-15(e) of the Exchange Act, as of the end of the period covered by this report (the "Evaluation Date"). Based on such evaluation, such officers have concluded that, as of the Evaluation Date, the Company's disclosure controls and procedures were effective to provide reasonable assurance that information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the communication to the Company's management, including the Company's Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

The Company's management, including the Company's Chief Executive Officer and Chief Financial Officer, has determined that there were no changes in the Company's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, these internal controls over financial reporting during the three-month period ended March 31, 2024 June 30, 2024.

The Company's disclosure controls and procedures are designed to provide reasonable assurance of achieving their objectives as specified above. The Company's management does not expect, however, that our disclosure controls and procedures will prevent or detect all instances of error and fraud. Any control system, regardless of how well designed and operated, is based upon certain assumptions, and can provide only reasonable, not absolute, assurance that its objectives will be met. Further, no evaluation of controls can provide absolute assurance that misstatements due to error or fraud will not occur or that all control issues and instances of fraud, if any, within the Company have been detected.

Your option grant is subject to the terms and conditions of the Amended and Restated 2001 Moody's Corporation Key Employees' Stock Incentive Plan, as amended (the "Plan"). By accepting the grant, you agree to the terms and conditions as set forth in the Plan and in this grant letter, including the terms and conditions applicable to you based on your country of residence as set forth in the attached Appendix. A copy of the Plan, as well as the prospectus relating to the offering of shares of Moody's stock pursuant to the Plan, is enclosed with this letter. You should read the Plan and the prospectus in their entirety for a better understanding of your grant. Capitalized terms not defined herein shall have the same meaning ascribed to them in the Plan.

Moody's has engaged Fidelity Stock Plan Services, LLC ("Fidelity") as the Plan administrator. Each Moody's employee who received an option will be provided with a Fidelity on-line brokerage account, at no cost to the employee, through which Moody's options may be exercised. Generally, once you exercise your options and purchase shares, you may transfer your shares to another brokerage account or leave them in your Fidelity account, subject to applicable exchange controls and/or repatriation requirements which may apply based on the country in which you work and/or reside.

Your options provide you with a right to receive an equity stake in Moody's and an opportunity for long-term capital appreciation.

Details of Your Stock Option Grant

Your options give you the right to buy Moody's stock at a fixed price in the future. This is called the exercise price. The value of your options is tied directly to the stock market price of Moody's stock during the life span of the options. The higher the stock price, the more valuable your options become.

Your option grant is a grant of U.S. non-qualified options, which expires 10 years after the date of grant, or upon the expiration any applicable post-termination exercise period following your Termination of Employment, if earlier, as set forth in the Plan. Moody's shall have the exclusive discretion to determine when your Termination of Employment occurs for purposes of your option grant. You should review the enclosed copy of the Plan for details about the effect of a Termination of Employment on your equity award.

Subject to you continuing to provide services as an employee to Moody's or a Subsidiary or Affiliate, your options will vest and become exercisable with respect to 50% after the second anniversary of the date of the grant and 50% after the fourth anniversary of the date of the grant, so that your options will be 100% vested and exercisable after the fourth anniversary of the date of grant.

1

In the event of your Termination of Employment due to your death or Disability, the vesting of the option will be accelerated as of the date of Termination of Employment, and your options will be exercisable, as set forth in the Plan.

In the event of your Termination of Employment due to Retirement after the first anniversary of the date of grant, the option shall continue to vest during the Post-Retirement Exercise Period set forth in the Plan and, to the extent vested, shall be exercisable as set forth in the Plan.

You may exercise all or a portion of your options to purchase shares, to the extent vested, at the fixed exercise price at any time after vesting commences and on or before the expiration date as described above. You may exercise the vested portion of your options by contacting Fidelity Investments either on-line or by using the toll-free number, depending on your means of exercise. In addition, if the vested options remain outstanding on their expiration date (or, if earlier, the last trading day of the term of the vested options in the event of your Termination of Employment) and the Moody's stock trading price is higher than the exercise price on such day by more than a de minimis amount (as determined by Moody's in its discretion), unless otherwise determined by Moody's, the options will be automatically exercised pursuant to a net exercise method on such date.

Transferability of Options

Your options may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by you otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against Moody's. During your lifetime, your options are exercisable only by you.

Repayment/Forfeiture

Any payments or benefits you may receive hereunder shall be subject to repayment or forfeiture in accordance with any clawback policy adopted by Moody's. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with Moody's. By accepting this grant, you are agreeing to be bound by any such clawback policy, as in effect or as may be adopted and/or modified from time to time by Moody's in its discretion.

Nature of the Grant

In accepting the grant, you acknowledge, understand and agree that:

- (1) the Plan is established voluntarily by Moody's, it is discretionary in nature and it may be modified, amended, suspended or terminated by Moody's at any time, to the extent permitted by the Plan;
- (2) the grant of the option is exceptional, voluntary and occasional and does not create any contractual or other right to receive future option grants, or benefits in lieu of options, even if options have been granted in the past;
- (3) all decisions with respect to future option or other grants, if any, will be at the sole discretion of Moody's;
- (4) the option grant and your participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with Moody's, your employer or any Subsidiary or Affiliate of Moody's and shall not interfere with the ability of Moody's, your employer or any Subsidiary or Affiliate of Moody's, as applicable, to terminate your employment or service relationship (if any);

2

- (5) you are voluntarily participating in the Plan;
- (6) the option and the shares subject to the option do not constitute and are not intended to replace any pension rights or compensation;
- (7) the option and the shares subject to the option, and the income and value of same, do not constitute and are not part of normal or expected compensation, salary, remuneration or wages for purposes of calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement or welfare benefits or similar mandatory payments;
- (8) the future value of the underlying shares is unknown, indeterminable and cannot be predicted with certainty;
- (9) if the underlying shares do not increase in value, the options will have no value;
- (10) if you exercise your options and obtain shares, the value of those shares acquired upon exercise may increase or decrease in value, even below the fixed exercise price;

(11) unless otherwise agreed with Moody's, the option and the shares subject to the option, and the income and value of same, are not granted as consideration for, or in connection with, the service you may provide as a director of a Subsidiary or Affiliate of Moody's;

(12) unless otherwise provided in the Plan or by Moody's in its discretion, your option and the benefits evidenced by this letter do not create any entitlement to have your options or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares; and

(13) in addition to paragraphs (1) through (12) above, the following provisions shall also apply to you if you are employed outside the United States:

(a) no claim or entitlement to compensation or damages, including pro-rated compensation or damages, shall arise from forfeiture of the options or termination of your right to exercise the options or the recoupment of any shares acquired under the Plan resulting from (i) your Termination of Employment (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any) and/or (ii) the application of any recoupment policy or any recovery or clawback policy otherwise required by applicable laws. In consideration of the grant of the options to which you are otherwise not entitled, you irrevocably agree never to institute any claim against Moody's, any of its Subsidiaries and Affiliates or your employer, waive your ability, if any, to bring such a claim, and release Moody's, its Subsidiaries and Affiliates and your employer from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(b) your options and the shares subject to your options are not part of normal or expected compensation or salary for any purpose; and

(c) neither your employer nor Moody's (nor any of its Subsidiaries or Affiliates) shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar that may affect the value of your option grant or any amounts due to you pursuant to the exercise of the option or the subsequent sale of shares acquired upon exercise.

No Advice Regarding Grant

Moody's is not providing any tax, legal or financial advice, nor is Moody's making any recommendations regarding your participation in the Plan or your acquisition or sale of the underlying shares. You are advised to consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Responsibility for Taxes

You acknowledge that, regardless of any action taken by Moody's or, if different, your employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable or deemed applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount, if any, actually withheld by Moody's or your employer. You further acknowledge that Moody's and/or your employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the option or the underlying shares, including the grant, vesting or exercise of the option, the subsequent sale of shares acquired pursuant to such exercise and the receipt of any dividends, and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the option to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that Moody's and/or your employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to Moody's and/or your employer to satisfy all Tax-Related Items. In this regard, you authorize Moody's, your employer or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following:

(1) withholding from your wages or other cash compensation paid to you by Moody's and/or your employer; or

(2) withholding from proceeds of the sale of whole and fractional shares acquired upon exercise either through a voluntary sale or through a mandatory sale arranged by Moody's (on your behalf pursuant to this authorization without further consent);

Moody's and/or your employer may withhold or account for Tax-Related Items by considering applicable statutory withholding rates or other applicable withholding rates, including the maximum rate applicable in your jurisdiction. If tax-Related Items are withheld in excess of your actual tax liability, you may receive a refund of

any over-withheld amount and will have no entitlement to the shares equivalent or, if not refunded, you may seek a refund from the local tax authorities.

Finally, you shall pay to Moody's or your employer any amount of Tax-Related Items that Moody's or your employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. Moody's may refuse to deliver the shares or the proceeds from the sale of shares if you fail to comply with your obligations in connection with the Tax-Related Items.

Data Privacy Information and Consent

Moody's is located at 7 World Trade Center at 250 Greenwich Street, New York, NY, 10007, USA and grants options to employees of Moody's and its Subsidiaries and Affiliates, at its sole discretion. If you would like to participate in the Plan, please review the following information about Moody's data processing practices and declare your consent.

4

- a. **Data Collection and Usage.** Moody's collects, processes and uses personal data of employees, including name, home address, email address and telephone number, date of birth, social insurance, passport or other identification number, salary, citizenship, job title, any shares of stock or directorships held in Moody's, and details of all options canceled, vested, exercised or outstanding in your favor, which Moody's receives from you or your employer. If Moody's offers you a grant of options under the Plan, then Moody's will collect your personal data for purposes of allocating shares and implementing, administering and managing the Plan. Moody's legal basis for the processing of your personal data will be your consent.
- b. **Stock Plan Administration Service Providers.** Moody's transfers employee data to Fidelity, an independent service provider based in the United States which assists Moody's with the implementation, administration and management of the Plan. In the future, Moody's may select a different service provider and share your data with another company that serves in a similar manner. Moody's service provider will open an account for you to receive and trade shares. You will be asked to agree on separate terms and data processing practices with the service provider, which is a condition of your ability to participate in the Plan.
- c. **International Data Transfers.** Moody's and its service providers are based in the United States. If you are outside the United States, you should note that your country has enacted data privacy laws that are different from the United States. Moody's legal basis for the transfer of your personal data is your consent.
- d. **Data Retention.** Moody's will use your personal data only as long as is necessary to implement, administer and manage your participation in the Plan or as required to comply with applicable laws, exercise or defense of legal rights, and archiving, backup, and deletion process. When Moody's no longer needs your personal data, which will generally be seven years after you are granted options under the Plan, Moody's will remove it from its systems. If Moody's keeps data longer, it would be to satisfy legal or regulatory obligations and Moody's legal basis would be compliance with the relevant laws or regulations.
- e. **Voluntariness and Consequences of Consent Denial or Withdrawal.** Your participation in the Plan and your grant of consent is purely voluntary. You may deny or withdraw your consent at any time. If you do not consent, or if you withdraw your consent, you cannot participate in the Plan. This would not affect your salary as an employee or your employment; you would merely forfeit the opportunities associated with the Plan.
- f. **Data Subject Rights.** You have a number of rights under data privacy laws in your country. Depending on where you are based, your rights may include the right to (a) to request access or copies of personal data Moody's processes, (b) rectification of incorrect data, (c) deletion of data, (d) restrictions on processing, (e) portability of data, (f) to lodge complaints with competent authorities in your country, and/or (g) a list with the names and addresses of any potential recipients of your personal data. To receive clarification regarding your rights or to exercise your rights please contact HR Connect at HRConnect@moodys.com.

By clicking "Accept Your Grant" on the Fidelity award acceptance page, you also provide your consent to the data processing practices described in this section to the extent that such consent is required by applicable law.

Electronic Delivery and Acceptance

Moody's may, in its sole discretion, decide to deliver any documents related to current or future participation in the Plan by electronic means. You hereby consent to receive such documents by electronic

5

delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by Moody's or any third party designated by Moody's.

Governing Law, Venue, Documents and Severability

This equity award is made in the state of Delaware and is governed by, and subject to, the laws of the state of Delaware applicable to contracts made and to be performed in the state of Delaware without regard to any conflicts of law provisions, as provided in the Plan, and the requirements of the New York Stock Exchange as well as the terms and conditions set forth herein.

Any and all disputes relating to, concerning or arising from this letter, or relating to, concerning or arising from the relationship between the parties evidenced by the option grant or this letter, shall be brought and heard exclusively in the United States District Court for the District of Delaware or the Delaware Superior Court, New Castle County. Each of the parties hereby represents and agrees that such party is subject to the personal jurisdiction of said courts, hereby irrevocably consents to the jurisdiction of such courts in any legal or equitable proceedings related to, concerning or arising from such dispute, and waives, to the fullest extent permitted by law, any objection which such party may now or hereafter have that the laying of the venue of any legal or equitable proceedings related to, concerning or arising from such dispute which is brought in such courts is improper or that such proceedings have been brought in an inconvenient forum.

You acknowledge that you are proficient in the English language or have consulted with an advisor who is sufficiently proficient in English, so as to enable you to understand the terms and conditions of this letter and understand the provisions of the Plan. If you have received this letter or any other document related to the Plan translated into a language other than English, and if the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

The terms and conditions provided herein are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Compliance with Law

Notwithstanding any other provision of the Plan or this letter, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares, Moody's shall not be required to deliver any shares issuable upon exercise of the option prior to the completion of any registration or qualification of the shares under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the U.S. Securities and Exchange Commission ("SEC") or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval Moody's shall, in its absolute discretion, deem necessary or advisable. You understand that Moody's is under no obligation to register or qualify the shares with the SEC or any state or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares. Further, you agree that Moody's shall have unilateral authority to amend the Plan and the terms of the option grant without your consent to the extent necessary to comply with securities or other laws applicable to issuance of shares.

Insider Trading Restriction/Market Abuse Laws

You may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, your country and Fidelity's (or any other stock plan service provider's) country, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of shares, rights to shares (e.g., options) or rights linked to the value of shares during such times as you are considered to have "inside information" regarding Moody's (as defined by or determined under the laws in applicable jurisdictions).

Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before you possessed inside information. Furthermore, you could be prohibited from (i) disclosing the inside information to any third party, including fellow employees (other than on a "need to know" basis), and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Moody's insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you are advised to speak to your personal advisor on this matter.

Foreign Asset/Account Reporting

You may have certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold shares under the Plan or cash received from participating in the Plan (including from any dividends received or sale proceeds arising from the sale of shares) in a brokerage or bank account outside your country of residence. Your country may require that you report such accounts, assets or transactions to the applicable authorities in that country.

You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

Appendix

Notwithstanding any provisions in this letter, the option shall be subject to any additional terms and conditions set forth in any Appendix to this letter for your country. Moreover, if you relocate to one of the countries included in the Appendix, the additional terms and conditions for such country will apply to you, to the extent Moody's determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Appendix constitutes part of this letter.

Imposition of Other Requirements

Moody's reserves the right to impose other requirements on your participation in the Plan, on the option and on any shares acquired under the Plan, to the extent Moody's determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Waiver

You acknowledge that waiver by Moody's of breach of any provision of this letter shall not operate or be construed as a waiver of any other provision of this letter, or of any subsequent breach by you or any other participant in the Plan.

If you have any questions regarding this one-time grant, please contact your Human Resources representative.

[COMPANY LETTERHEAD]

[FORM OF SPECIAL LONG-TERM INCENTIVE AWARD LETTER FOR THE AMENDED AND RESTATED 2001 MOODY'S CORPORATION KEY EMPLOYEES' STOCK INCENTIVE PLAN]

Dear [Participant Name]:

Congratulations! I am pleased to inform you that the Board of Directors of Moody's Corporation ("Moody's", the "Company") awarded you [Quantity Granted] performance shares ("Performance Shares") on [Grant Date]. This letter outlines the key terms and conditions of your Performance Shares grant.

Your Performance Shares grant is subject to the terms and conditions of the Amended and Restated 2001 Moody's Corporation Key Employees' Stock Incentive Plan, as amended (the "Plan"). By accepting the grant, you agree to the terms and conditions as set forth in the Plan and in this grant letter, including the terms and conditions applicable to you based on your country of residence as set forth in the attached **Appendix C**. A copy of the Plan, as well as the prospectus relating to the offering of shares of Moody's stock pursuant to the Plan, is enclosed with this letter. You should read each of the Plan and the prospectus in their entirety for a better understanding of your grant. Capitalized terms not defined herein shall have the same meaning ascribed to them in the Plan.

Moody's has engaged Fidelity Stock Plan Services, LLC ("Fidelity") as the Plan administrator. You will be provided with a Fidelity on-line brokerage account, at no cost to you, in which shares will be delivered when and to the extent that your Performance Shares vest. Once your Performance Shares are issued, you may

transfer your shares to another brokerage account or leave them in your Fidelity account, subject to applicable exchange controls and/or repatriation requirements which may apply based on the country in which you work and/or reside.

Your Performance Shares grant provides you with a right to receive an equity stake in Moody's and an opportunity for long-term capital appreciation if performance measures are achieved.

Details of Your Performance Shares Grant

As a holder of Performance Shares, you have an unfunded, unsecured promise of Moody's to issue shares of Moody's common stock, par value \$0.01 per share, in the future if and to the extent that certain performance goals are achieved. The maximum number of shares that can be issued to you shall equal one hundred twenty-five percent (125%) of the number of target Performance Shares granted to you. You shall not have the rights of a shareholder, including any right to vote shares or receive dividends with respect to shares of Moody's common stock, unless and until such shares are issued pursuant to the terms of this letter at the conclusion of the performance period, as hereinafter defined. In the event of a stock split, a stock dividend or similar change in Moody's common stock, the number of your Performance Shares will be adjusted as determined by the Compensation & Human Resources Committee (the "Committee") under the Plan.

Your Performance Shares will vest, subject to your continued employment through the Vesting Date as hereinafter defined, to the extent that Moody's or one or more of its Subsidiaries or Affiliates, as applicable, achieves certain performance objectives which will be measured cumulatively over period from January 1, 2024 through December 31, 2025 (the "Performance

Period"); provided, however, that the number of Performance Shares treated as vested and the corresponding number of shares actually issued to you as a payout may be less than the number determined by the performance payment percentages (including zero), at the discretion of the Committee in accordance with the Plan. The vesting of Performance Shares on the Vesting Date will be determined by the Committee and shall be expressed as a percentage of the total number of target Performance Shares granted to you as determined pursuant to the following tables, subject to the Committee's discretion to reduce such percentages as defined in the Plan.

The following table indicates the weight ascribed to the four performance measures, as described in **Appendix A**:

Performance Measures			
Organic Recurring Revenue	Generative AI Enablement	Moody's Analytics ("MA") Platform Goal	MCO Data Solutions Goal
[]%	[]%	[]%	[]%

The following table indicates the cumulative targets for the Performance Period:

Performance Share Targets			
Performance Measure	Cumulative Target for Performance Period	Cumulative Threshold for Performance Period	Maximum Performance Goal for Performance Period
Organic Recurring Revenue	\$[]	\$[]	\$[]
Generative AI Enablement	[]	[]	[]
MA Platform Goal	[]	[]	[]
MCO Data Solutions Goal ¹	[]% Adoption	[]% Adoption	[]% Adoption

For a description of how these performance targets will be measured, please refer to **Appendix B**.

¹ The MA Platform Goal will be successfully achieved at the target level of performance if two of the common platform elements described in Appendix A are adopted by at least []% of MA's in-scope products (in scope products are outlined in Appendix B) by the end of the Performance Period. Threshold performance for this goal will be successfully achieved if one of the common platform elements described in Appendix A is adopted by at least []% of MA's in-scope products by the end of the Performance Period, and maximum performance will be achieved if three or more of the common platform elements described in Appendix A are adopted by at least []% of MA's in-scope products by the end of the Performance Period.

Payout attributable to the achievement of each performance measure will be determined as follows:

Performance Goal/Achievement	Payout Percentage (of Target) for Performance Goal*
<u>Organic Recurring Revenue:</u> Less than Threshold Threshold Target Maximum or Above	[]% []% []% []%
<u>MA Platform Goal and MCO Data Solutions Goal (each measured separately):</u> Less than Threshold Threshold Target Maximum or Above	[]% []% []% []%
<u>Generative AI Enablement Goal:</u> Less than Target Target Maximum or Above	[]% []% []%

* Payout Percentages (i) for the MCO Data Solutions Goal and the Organic Recurring Revenue Goal will be determined by linear interpolation for performance between the Threshold and Target goals or between the Target and Maximum goals, and (ii) for the Generative AI Enablement Goal will be determined by linear interpolation only for performance between the Target and Maximum goals.

For purposes of the foregoing, **Appendix A** includes a description of the four performance metrics.

Immediately following the conclusion of the Performance Period, the Committee shall certify whether the performance measures were attained, the percentage of payout, if any, and the date on which your Performance Shares will vest and be issued (the "Vesting Date"). For purposes of this letter, the Vesting Date shall be the date that the Committee determines the shares will be paid, which is expected to be the first day trading day in March 2026 following the conclusion of the Performance Period (but in no event after March 15, 2026).

In the event of your Termination of Employment prior to the Vesting Date (for reasons other than your Retirement after the first anniversary of the grant of the Performance Shares or your death or Disability), you will forfeit all unvested Performance Shares. Moody's shall have the exclusive discretion to determine when your Termination of Employment occurs for purposes of your Performance Shares grant (including whether you may still be considered to be employed while on a leave of absence), subject to U.S. Internal Revenue Code Section 409A ("Code Section 409A") in the event you are a U.S. taxpayer.

In the event of your Termination of Employment by (i) Retirement after the first anniversary of the date of your Performance Shares grant hereunder or (ii) death or Disability, you shall be entitled to receive as a payout a pro rata portion of the number of shares issuable pursuant to your Performance Shares based on the number of days of your actual service during the

Performance Period, such shares to be issued after the end of the Performance Period on the originally scheduled Vesting Date set forth above but only if and to the extent that such shares would have been earned by achievement of performance measures and become issuable to you had your Termination of Employment not

occurred prior to the end of the Performance Period; provided, however, that the number of shares actually issued to you may be less than the number determined by the performance payout percentage (including zero), at the discretion of the Committee.

In the event of a Change in Control, shares or, in the discretion of the Committee, cash equal to the fair market value of the shares as of immediately prior to the Change in Control, shall be issued in satisfaction of your Performance Shares immediately prior to the Change in Control as if the performance measures for the Performance Period had been achieved at 100% of Target.

Compliance with Stock Ownership Guidelines

As a holder of Performance Shares, you are subject to Moody's stock ownership guidelines. You should familiarize yourself with these guidelines, as you are solely responsible for ensuring compliance thereto. To request a copy of the guidelines, please contact your Human Resources representative.

Transferability of Performance Shares

Your Performance Shares may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by you otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against Moody's.

Repayment/Forfeiture

Any payments or benefits you may receive hereunder shall be subject to repayment or forfeiture in accordance with any clawback policy adopted by Moody's. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with Moody's. By accepting this grant, you are agreeing to be bound by any such clawback policy, as in effect or as may be adopted and/or modified from time to time by Moody's in its discretion.

Nature of the Grant

In accepting the grant, you acknowledge, understand and agree that:

(1) the Plan is established voluntarily by Moody's, it is discretionary in nature and it may be modified, amended, suspended or terminated by Moody's at any time, to the extent permitted by the Plan;

(2) the Performance Shares grant is exceptional, voluntary and occasional and does not create any contractual or other right to receive future performance shares grants, or benefits in lieu of performance shares, even if performance shares have been granted in the past;

(3) all decisions with respect to future performance shares or other grants, if any, will be at the sole discretion of Moody's;

(4) the grant of Performance Shares and your participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with Moody's, your employer or any Subsidiary or Affiliate of Moody's and shall not interfere with the ability of your employer or any Subsidiary or Affiliate of Moody's, as applicable, to terminate your employment or service relationship (if any);

(5) you are voluntarily participating in the Plan;

(6) the Performance Shares grant and the shares subject to the Performance Shares do not constitute and are not intended to replace any pension rights or compensation;

(7) the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, do not constitute and are not part of normal or expected compensation, salary, remuneration or wages for purposes of calculating any severance, resignation, termination, redundancy, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement benefits or similar mandatory payments;

(8) the future value of the underlying shares is unknown, indeterminable and cannot be predicted with certainty;

(9) unless otherwise agreed with Moody's, the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, are not granted as consideration for, or in connection with, the service you may provide as a director of a Subsidiary or Affiliate of Moody's; and

(10) in addition to paragraphs (1) through (9) above, the following provisions will also apply to you if you are employed outside the United States:

(a) the Performance Shares and the shares subject to the Performance Shares are not part of normal or expected compensation or salary for any purpose;

(b) no claim or entitlement to compensation or damages, including pro-rated compensation or damages, shall arise from forfeiture of the Performance Shares or the recoupment of any shares acquired under the Plan resulting from your (i) Termination of Employment (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any) and/or (ii) the application of any recoupment policy or any recovery or clawback policy otherwise required by applicable laws. In consideration of the grant of Performance Shares to which you are otherwise not entitled, you irrevocably agree never to institute any claim against Moody's, its Subsidiaries or Affiliates and your employer, waive your ability, if any, to bring such a claim, and release Moody's, its Subsidiaries or Affiliates and your employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim; and

(c) neither your employer nor Moody's (nor any of its Subsidiaries or Affiliates) shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar that may affect the value of your Performance Shares or any amounts due to you pursuant to the settlement of your Performance Shares or the subsequent sale of shares acquired upon settlement.

No Advice Regarding Grant

Moody's is not providing any tax, legal or financial advice, nor is Moody's making any recommendations regarding your participation in the Plan or your acquisition or sale of the underlying shares. You are advised to consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Responsibility for Taxes

You acknowledge that regardless of any action taken by Moody's or, if different, your employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefit tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable or deemed applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount, if any, actually withheld by Moody's or your employer. You further acknowledge that Moody's and/or your employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of your Performance Shares grant or the underlying shares, including the grant vesting or settlement of your Performance Shares, the subsequent sale of shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of your Performance Shares to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that Moody's and/or your employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to Moody's and/or your employer to satisfy all Tax-Related Items. In this regard, you authorize Moody's or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding in whole and fractional shares to be issued upon settlement of your Performance Shares. In the event that such withholding in shares is problematic under applicable tax or securities law or has materially adverse accounting consequences, by your acceptance of your Performance Shares, you authorize and direct Moody's and any brokerage firm determined acceptable to Moody's to sell on your behalf a whole and fractional number of shares from those shares issuable to you as Moody's determines to be appropriate to generate cash proceeds sufficient to satisfy the obligation for Tax-Related Items.

Moody's and/or your employer may withhold or account for Tax-Related Items by considering applicable statutory withholding rates or other applicable withholding rates, including the maximum rate applicable in your jurisdiction. If Tax-Related Items are withheld in excess of your actual tax liability, you may receive a refund of any over-withheld amount and will have no entitlement to the shares equivalent or, if not refunded, you may seek a refund from the local tax authorities. If the obligation for Tax-Related Items is satisfied by withholding in whole and fractional shares, for tax purposes, you will be deemed to have been issued the full number of shares subject to your Performance Shares that have been earned by achievement of performance goals hereunder, notwithstanding that a number of the shares are withheld solely for the purpose of paying the Tax-Related Items.

Finally, you shall pay to Moody's or your employer, including through withholding from your wages or other cash compensation payable to you, any amount of Tax-Related Items that Moody's or your employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied

by the means previously described. Moody's may refuse to deliver the

shares or the proceeds from your Performance Shares award if you fail to comply with your obligations in connection with the Tax-Related Items.

CodeSection409A

For purposes of U.S. taxpayers, the provisions of this grant of Performance Shares are intended to either be exempt from Section 409A of the Code under the "short-term deferral" exception or comply with Section 409A of the Code, and the provisions of this grant will be interpreted, operated and administered in a manner that is consistent with this intent. In furtherance of this intent, the Committee may, at any time and without your consent, modify the terms of this grant as it determines appropriate to comply with the requirements of Section 409A of the Code and the related U.S. Department of Treasury guidance. Moody's makes no representation or covenant to ensure that your Performance Shares or other payment hereunder are exempt from or compliant with Section 409A of the Code, and will have no liability to you or any other party if your Performance Shares or other payment hereunder that is intended to be exempt from, or compliant with, Section 409A of the Code, is not so exempt or compliant or for any action taken by the Committee with respect thereto.

Data Privacy Information and Consent

Moody's is located at 7 World Trade Center at 250 Greenwich Street, New York, NY, 10007, USA and grants Performance Shares to employees of Moody's and its Subsidiaries and Affiliates, at its sole discretion. If you would like to participate in the Plan, please review the following information about Moody's data processing practices and declare your consent.

- a. **Data Collection and Usage.** Moody's collects, processes and uses personal data of employees, including name, home address, email address and telephone number, date of birth, social insurance, passport or other identification number, salary, citizenship, job title, any shares of stock or directorships held in Moody's, and details of all Performance Shares canceled, vested, or outstanding in your favor, which Moody's receives from you or your employer. If Moody's offers you a grant of Performance Shares under the Plan, then Moody's will collect your personal data for purposes of allocating shares and implementing, administering and managing the Plan. Moody's legal basis for the processing of your personal data will be your consent.
- b. **Stock Plan Administration Service Providers.** Moody's transfers employee data to Fidelity, an independent service provider based in the United States which assists Moody's with the implementation, administration and management of the Plan. In the future, Moody's may select a different service provider and share your data with another company that serves in a similar manner. Moody's service provider will open an account for you to receive and trade shares. You will be asked to agree on separate terms and data processing practices with the service provider, which is a condition of your ability to participate in the Plan.
- c. **International Data Transfers.** Moody's and its service providers are based in the United States. If you are outside the United States, you should note that your country has enacted data privacy laws that are different from the United States. Moody's legal basis for the transfer of your personal data is your consent.
- d. **Data Retention.** Moody's will use your personal data only as long as is necessary to implement, administer and manage your participation in the Plan or as required to comply with applicable laws, exercise or defense of legal rights, and archiving, backup, and deletion processes. When Moody's no longer needs your personal data, which will generally be seven years after you are granted Performance Shares under the Plan, Moody's will remove it from its systems. If

Moody's keeps data longer, it would be to satisfy legal or regulatory obligations and Moody's legal basis would be compliance with the relevant laws or regulations.

- e. **Voluntariness and Consequences of Consent Denial or Withdrawal.** Your participation in the Plan and your grant of consent is purely voluntary. You may deny or withdraw your consent at any time. If you do not consent, or if you withdraw your consent, you cannot participate in the Plan.

This would not affect your salary as an employee or your employment; you would merely forfeit the opportunities associated with the Plan.

f. Data Subject Rights. You have a number of rights under data privacy laws in your country. Depending on where you are based, your rights may include the right to (a) to request access or copies of personal data Moody's processes, (b) rectification of incorrect data, (c) deletion of data, (d) restrictions on processing, (e) portability of data, (f) to lodge complaints with competent authorities in your country, and/or (g) a list with the names and addresses of any potential recipients of your personal data. To receive clarification regarding your rights or to exercise your rights please contact HR Connect at HRConnect@moodys.com.

By clicking "Accept Your Grant" on the Fidelity award acceptance page, you also provide your consent to the data processing practices described in this section to the extent that such consent is required by applicable law.

Electronic Delivery and Acceptance

Moody's may, in its sole discretion, decide to deliver by electronic means any documents related to current or future participation in the Plan. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by Moody's or any third party designated by Moody's.

Governing Law, Venue, Documents and Severability

Your Performance Shares grant is made in the state of Delaware and is governed by, and subject to, the laws of the state of Delaware, applicable to contracts made and to be performed in the state of Delaware without reference to its conflicts of laws principles, and the requirements of the New York Stock Exchange as well as the terms and conditions set forth herein.

Any and all disputes relating to, concerning or arising from this letter, or relating to, concerning or arising from the relationship between the parties evidenced by your Performance Shares or this letter, shall be brought and heard exclusively in the United States District Court for the District of Delaware or the Delaware Superior Court, New Castle County. Each of the parties hereby represents and agrees that such party is subject to the personal jurisdiction of said courts, hereby irrevocably consents to the jurisdiction of such courts in any legal or equitable proceedings related to, concerning or arising from such dispute, and waives, to the fullest extent permitted by law, any objection which such party may now or hereafter have that the laying of the venue of any legal or equitable proceedings related to, concerning or arising from such dispute which is brought in such courts is improper or that such proceedings have been brought in an inconvenient forum.

You acknowledge that you are proficient in the English language or have consulted with an advisor who is sufficiently proficient in English, so as to enable you to understand the terms and conditions of this letter and understand the provisions of the Plan. If you have received this letter or any other document related to the Plan translated into a language other than English, and if the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

The terms and conditions provided herein are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Compliance with Law

Notwithstanding any other provision of the Plan or this letter, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares, Moody's shall not be required to deliver any shares issuable upon settlement of your Performance Shares prior to the completion of any registration or qualification of the shares under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the U.S. Securities and Exchange Commission ("SEC") or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval Moody's shall, in its absolute discretion, deem necessary or advisable. You understand that Moody's is under no obligation to register or qualify the shares with the SEC or any state or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares. Further, you agree that Moody's shall have unilateral authority to amend the Plan and the terms of your Performance Shares without your consent to the extent necessary to comply with securities or other laws applicable to issuance of shares.

Insider Trading Restriction/Market Abuse Laws

You may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, your country and Fidelity's (or any other stock plan service provider's) country, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of shares, rights to shares (e.g., Performance Shares) or rights linked to the value of shares (e.g., dividend equivalents) during such times as you are considered to have "inside information" regarding Moody's (as defined by or determined under the laws in applicable jurisdictions). Local insider trading laws and regulations may prohibit the

cancellation or amendment of orders you placed before you possessed inside information. Furthermore, you could be prohibited from (i) disclosing the inside information to any third party, including fellow employees (other than on a "need to know" basis), and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Moody's insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you are advised to speak to your personal advisor on this matter.

Foreign Asset/Account Reporting

You may have certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold shares under the Plan or cash received from participating in the Plan (including from any dividends received or sale proceeds arising from the sale of shares) in a brokerage or bank account outside your country of residence. Your country may require that you report such accounts, assets or transactions to the applicable authorities in that country.

You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

Appendix C

Notwithstanding any provisions in this letter, your Performance Shares grant shall be subject to any additional terms and conditions set forth for your country in **Appendix C** to this letter for your country. Moreover, if you relocate to one of the countries included in the **Appendix C**, the additional terms and conditions for such country will apply to you, to the extent Moody's determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The **Appendix C** constitutes part of this letter.

Imposition of Other Requirements

Moody's reserves the right to impose other requirements on your participation in the Plan, on your Performance Shares and on any shares acquired pursuant to your Performance Shares, to the extent Moody's determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Waiver

You acknowledge that waiver by Moody's of breach of any provision of this letter shall not operate or be construed as a waiver of any other provision of this letter, or of any subsequent breach by you or any other participant in the Plan.

If you have any questions regarding this one-time grant, please contact your Human Resources representative.

Sincerely,

[MOODY'S CORPORATION]

[COMPANY LETTERHEAD]

[FORM OF MOODY'S INVESTORS SERVICE, INC. STRATEGIC INCENTIVE AWARD LETTER FOR THE AMENDED AND RESTATED 2001 MOODY'S CORPORATION KEY EMPLOYEES' STOCK INCENTIVE PLAN]

Dear [Participant Name]:

Congratulations! I am pleased to inform you that the Board of Directors of Moody's Corporation ("Moody's") awarded you [Quantity Granted] performance shares ("Performance Shares") on [Grant Date]. This letter outlines the key terms and conditions of your Performance Shares grant.

Your Performance Shares grant is subject to the terms and conditions of the Amended and Restated 2001 Moody's Corporation Key Employees' Stock Incentive Plan, as amended (the "Plan"). By accepting the grant, you agree to the terms and conditions as set forth in the Plan and in this grant letter, including the terms and conditions applicable to you based on your country of residence as set forth in the attached Appendix. A copy of the Plan, as well as the prospectus relating to the offering of shares of Moody's stock pursuant to the Plan, is enclosed with this letter. You should read each of the Plan and the prospectus in their entirety for a better understanding of your grant. Capitalized terms not defined herein shall have the same meaning ascribed to them in the Plan.

Moody's has engaged Fidelity Stock Plan Services, LLC ("Fidelity") as the Plan administrator. You will be provided with a Fidelity on-line brokerage account, at no cost to you, in which shares will be delivered when and to the extent that your Performance Shares vest. Once your Performance Shares are issued, you may transfer your shares to another brokerage account or leave them in your Fidelity account, subject to applicable exchange controls and/or repatriation requirements which may apply based on the country in which you work and/or reside.

Your Performance Shares grant provides you with a right to receive an equity stake in Moody's and an opportunity for long-term capital appreciation if performance measures are achieved.

Details of Your Performance Shares Grant

As a holder of Performance Shares, you have an unfunded, unsecured promise of Moody's to issue shares of Moody's common stock, par value \$0.01 per share, in the future if and to the extent that certain performance goals are achieved. The maximum number of shares that can be issued to you shall equal two hundred percent (200%) of the number of target Performance Shares granted to you. You shall not have the rights of a shareholder, including any right to vote shares or receive dividends with respect to shares of Moody's common stock, unless and until such shares are issued pursuant to the terms of this letter at the conclusion of the performance period, as hereinafter defined. In the event of a stock split, a stock dividend or similar change in Moody's common stock, the number of your Performance Shares will be adjusted as determined by the Compensation & Human Resources Committee (the "Committee") under the Plan.

Your Performance Shares will vest, subject to your continued employment through the Vesting Date as hereinafter defined, to the extent that Moody's or one or more of its Subsidiaries or Affiliates, as applicable, achieves certain performance objectives by the end of the performance period from January 1, 2024 through December 31, 2027 (the "Performance Period"), as described below; provided, however, that the number of Performance Shares treated as vested and the corresponding number of shares actually issued to you as a payout may be less than the number determined by the performance payment percentages (including zero), at the discretion of the Committee in accordance with the Plan.

1

The vesting of Performance Shares on the Vesting Date will be determined by the Committee and shall be expressed as a percentage of the total number of target Performance Shares granted to you, equal the product of the applicable percentage from the Adjusted Operating Margin Table below, subject to the Committee's discretion to reduce such percentages as defined in the Plan.

Adjusted Operating Margin Table	
Adjusted Operating Margin (Average of calendar years 2026 and 2027)	Vesting Percentage
Below []%	[]%
Equal or more than []% and equal or less than []%	[]%
More than []% and less than []%	[]%
Equal or more than []% and less than []%	[]%
[]% or more	[]%

The following definitions apply for purposes of the foregoing:

- "Adjusted Operating Margin" means the average of the adjusted operating margin, as defined in the Company's Annual Report on Form 10-K for the applicable year, of Moody's Investors Services for calendar years 2026 and 2027.

Immediately following the conclusion of the Performance Period, the Committee shall certify whether the performance measures were attained, the percentage of payout, if any, and the date on which your Performance Shares will vest and be issued (the "Vesting Date"). For purposes of this letter, the Vesting Date shall be March 1, 2028.

In the event of your Termination of Employment prior to the Vesting Date (for reasons other than your Retirement after the first anniversary of the grant of the Performance Shares or your death or Disability), you will forfeit all unvested Performance Shares. Moody's shall have the exclusive discretion to determine when your Termination of Employment occurs for purposes of your Performance Shares grant (including whether you may still be considered to be employed while on a leave of absence), subject to U.S. Internal Revenue Code Section 409A ("Code Section 409A") in the event you are a U.S. taxpayer.

In the event of your Termination of Employment by (i) Retirement after the first anniversary of the date of your Performance Shares grant hereunder or (ii) death or Disability, you shall be entitled to receive as a payout a pro rata portion of the number of shares issuable pursuant to your Performance Shares based on the number of days of your actual service during the Performance Period, such shares to be issued after the end of the Performance Period on the originally scheduled Vesting Date set forth above but only if and to the extent that such shares would have been earned by achievement of performance measures and become issuable to you had your Termination of Employment not occurred prior to the end of the Performance Period; provided, however, that the number of shares actually issued to you may be less than the number determined by the performance payout percentage (including zero), at the discretion of the Committee.

In the event of a Change in Control, shares or, in the discretion of the Committee, cash equal to the fair market value of the shares as of immediately prior to the Change in Control, shall be issued in satisfaction of your

Performance Shares immediately prior to the Change in Control as if the performance measures for the Performance Period had been achieved at 100% of Target.

Compliance with Stock Ownership Guidelines

As a holder of Performance Shares, you are subject to Moody's stock ownership guidelines. You should familiarize yourself with these guidelines, as you are solely responsible for ensuring compliance thereto. To request a copy of the guidelines, please contact your Human Resources representative.

Transferability of Performance Shares

Your Performance Shares may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by you otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against Moody's.

Repayment/Forfeiture

Any payments or benefits you may receive hereunder shall be subject to repayment or forfeiture in accordance with any clawback policy adopted by Moody's. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with Moody's. By accepting this grant, you are agreeing to be bound by any such clawback policy, as in effect or as may be adopted and/or modified from time to time by Moody's in its discretion.

Nature of the Grant

In accepting the grant, you acknowledge, understand and agree that:

- (1) the Plan is established voluntarily by Moody's, it is discretionary in nature and it may be modified, amended, suspended or terminated by Moody's at any time, to the extent permitted by the Plan;
- (2) the Performance Shares grant is exceptional, voluntary and occasional and does not create any contractual or other right to receive future performance shares grants, or benefits in lieu of performance shares, even if performance shares have been granted in the past;
- (3) all decisions with respect to future performance shares or other grants, if any, will be at the sole discretion of Moody's;
- (4) the grant of Performance Shares and your participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with Moody's, your employer or any Subsidiary or Affiliate of Moody's and shall not interfere with the ability of your employer or any Subsidiary or Affiliate of Moody's, as applicable, to terminate your employment or service relationship (if any);
- (5) you are voluntarily participating in the Plan;
- (6) the Performance Shares grant and the shares subject to the Performance Shares do not constitute and are not intended to replace any pension rights or compensation;

(7) the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, do not constitute and are not part of normal or expected compensation, salary, remuneration or wages for purposes of calculating any severance, resignation, termination, redundancy, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement benefits or similar mandatory payments;

3

(8) the future value of the underlying shares is unknown, indeterminable and cannot be predicted with certainty;

(9) unless otherwise agreed with Moody's, the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, are not granted as consideration for, or in connection with, the service you may provide as a director of a Subsidiary or Affiliate of Moody's; and

(10) in addition to paragraphs (1) through (9) above, the following provisions will also apply to you if you are employed outside the United States:

(a) the Performance Shares and the shares subject to the Performance Shares are not part of normal or expected compensation or salary for any purpose;

(b) no claim or entitlement to compensation or damages, including pro-rated compensation or damages, shall arise from forfeiture of the Performance Shares or the recoupment of any shares acquired under the Plan resulting from your (i) Termination of Employment (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any) and/or (ii) the application of any recoupment policy or any recovery or clawback policy otherwise required by applicable laws. In consideration of the grant of Performance Shares to which you are otherwise not entitled, you irrevocably agree never to institute any claim against Moody's, its Subsidiaries or Affiliates and your employer, waive your ability, if any, to bring such a claim, and release Moody's, its Subsidiaries or Affiliates and your employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim; and

(c) neither your employer nor Moody's (nor any of its Subsidiaries or Affiliates) shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar that may affect the value of your Performance Shares or any amounts due to you pursuant to the settlement of your Performance Shares or the subsequent sale of shares acquired upon settlement.

No Advice Regarding Grant

Moody's is not providing any tax, legal or financial advice, nor is Moody's making any recommendations regarding your participation in the Plan or your acquisition or sale of the underlying shares. You are advised to consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Responsibility for Taxes

You acknowledge that regardless of any action taken by Moody's or, if different, your employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefit tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable or deemed applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount, if any, actually withheld by Moody's or your employer. You further acknowledge that Moody's and/or your employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of your Performance Shares grant or the underlying shares, including the grant vesting or settlement of your Performance Shares, the subsequent sale of shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of your Performance Shares to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that

4

Moody's and/or your employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to Moody's and/or your employer to satisfy all Tax-Related Items. In this regard, you authorize Moody's or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding in whole and fractional shares to be issued upon settlement of your Performance Shares. Moody's and/or your employer may withhold or account for Tax-Related Items by considering applicable statutory withholding rates or other applicable withholding rates, including the maximum rate applicable in your jurisdiction. If Tax-Related Items are withheld in excess of your actual tax liability, you may receive a refund of any over-withheld amount and will have no entitlement to the shares equivalent or, if not refunded, you may seek a refund from the local tax authorities. If the obligation for Tax-Related Items is satisfied by withholding in whole and fractional shares, for tax purposes, you will be deemed to have been issued the full number of shares subject to your Performance Shares that have been earned by achievement of performance goals hereunder, notwithstanding that a number of the shares are withheld solely for the purpose of paying the Tax-Related Items.

Finally, you shall pay to Moody's or your employer, including through withholding from your wages or other cash compensation payable to you, any amount of Tax-Related Items that Moody's or your employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. Moody's may refuse to deliver the shares or the proceeds from your Performance Shares award if you fail to comply with your obligations in connection with the Tax-Related Items.

CodeSection409A

In furtherance of this intent, the Committee may, at any time and without your consent, modify the terms of this grant as it determines appropriate to comply with the requirements of Section 409A of the Code and the related U.S. Department of Treasury guidance. Moody's makes no representation or covenant to ensure that your Performance Shares or other payment hereunder are exempt from or compliant with Section 409A of the Code, and will have no liability to you or any other party if your Performance Shares or other payment hereunder that is intended to be exempt from, or compliant with, Section 409A of the Code, is not so exempt or compliant or for any action taken by the Committee with respect thereto.

Each of the parties hereby represents and agrees that such party is subject to the personal jurisdiction of said courts, hereby irrevocably consents to the jurisdiction of such courts in any legal or equitable proceedings related to, concerning or arising from such dispute, and waives, to the fullest extent permitted by law, any objection which such party may now or hereafter have that the laying of the venue of any legal or equitable proceedings related to, concerning or arising from such dispute which is brought in such courts is improper or that such proceedings have been brought in an inconvenient forum.

You acknowledge that you are proficient in the English language or have consulted with an advisor who is sufficiently proficient in English, so as to enable you to understand the terms and conditions of this letter and understand the provisions of the Plan. If you have received this letter or any other document related to the Plan translated into a language other than English, and if the translated version is different than the English version, the English version will control, unless otherwise required by applicable law.

The terms and conditions provided herein are severable and if any one or more provisions are determined to be illegal or otherwise unenforceable, in whole or in part, the remaining provisions shall nevertheless be binding and enforceable.

Compliance with Law

Notwithstanding any other provision of the Plan or this letter, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares, Moody's shall not be required to deliver any shares issuable upon settlement of your Performance Shares prior to the completion of any registration or qualification of the shares under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the U.S. Securities and Exchange Commission ("SEC") or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval Moody's shall, in its absolute discretion, deem necessary or advisable. You understand that Moody's is under no obligation to register or qualify the shares with the SEC or any state or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares. Further, you agree that Moody's shall have unilateral authority to amend the Plan and the terms of your Performance Shares without your consent to the extent necessary to comply with securities or other laws applicable to issuance of shares.

Insider Trading Restriction/Market Abuse Laws

You may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, your country and Fidelity's (or any other stock plan service provider's) country, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of shares, rights to shares (e.g., Performance Shares) or rights linked to the value of shares (e.g., dividend equivalents) during such times as you are considered to have "inside information" regarding Moody's (as defined by or determined under the laws in applicable jurisdictions). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before you possessed inside information. Furthermore, you could be prohibited from (i) disclosing the inside information to any third party, including fellow employees (other than on a "need to know" basis), and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Moody's insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you are advised to speak to your personal advisor on this matter.

Foreign Asset/Account Reporting

7

You may have certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold shares under the Plan or cash received from participating in the Plan (including from any dividends received or sale proceeds arising from the sale of shares) in a brokerage or bank account outside your country of residence. Your country may require that you report such accounts, assets or transactions to the applicable authorities in that country.

You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

Appendix

Notwithstanding any provisions in this letter, your Performance Shares grant shall be subject to any additional terms and conditions set forth for your country in any Appendix to this letter for your country. Moreover, if you relocate to one of the countries included in the Appendix, the additional terms and conditions for such country will apply to you, to the extent Moody's determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Appendix constitutes part of this letter.

Imposition of Other Requirements

Moody's reserves the right to impose other requirements on your participation in the Plan, on your Performance Shares and on any shares acquired pursuant to your Performance Shares, to the extent Moody's determines it is necessary or advisable for legal or administrative reasons, and to require you to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

Waiver

You acknowledge that waiver by Moody's of breach of any provision of this letter shall not operate or be construed as a waiver of any other provision of this letter, or of any subsequent breach by you or any other participant in the Plan.

If you have any questions regarding this one-time grant, please contact your Human Resources representative.

[COMPANY LETTERHEAD]

Dear [Participant Name]:

Congratulations! I am pleased to inform you that the Board of Directors of Moody's Corporation ("Moody's") awarded you [Quantity Granted] performance shares ("Performance Shares") on [Grant Date]. This letter outlines the key terms and conditions of your Performance Shares grant.

Your Performance Shares grant is subject to the terms and conditions of the Amended and Restated 2001 Moody's Corporation Key Employees' Stock Incentive Plan, as amended (the "Plan"). By accepting the grant, you agree to the terms and conditions as set forth in the Plan and in this grant letter, including the terms and conditions applicable to you based on your country of residence as set forth in the attached Appendix. A copy of the Plan, as well as the prospectus relating to the offering of shares of Moody's stock pursuant to the Plan, is enclosed with this letter. You should read each of the Plan and the prospectus in their entirety for a better understanding of your grant. Capitalized terms not defined herein shall have the same meaning ascribed to them in the Plan.

Moody's has engaged Fidelity Stock Plan Services, LLC ("Fidelity") as the Plan administrator. You will be provided with a Fidelity on-line brokerage account, at no cost to you, in which shares will be delivered when and to the extent that your Performance Shares vest. Once your Performance Shares are issued, you may transfer your shares to another brokerage account or leave them in your Fidelity account, subject to applicable exchange controls and/or repatriation requirements which may apply based on the country in which you work and/or reside.

Your Performance Shares grant provides you with a right to receive an equity stake in Moody's and an opportunity for long-term capital appreciation if performance measures are achieved.

Details of Your Performance Shares Grant

As a holder of Performance Shares, you have an unfunded, unsecured promise of Moody's to issue shares of Moody's common stock, par value \$0.01 per share, in the future if and to the extent that certain performance goals are achieved. The maximum number of shares that can be issued to you shall equal two hundred percent (200%) of the number of target Performance Shares granted to you. You shall not have the rights of a shareholder, including any right to vote shares or receive dividends with respect to shares of Moody's common stock, unless and until such shares are issued pursuant to the terms of this letter at the conclusion of the performance period, as hereinafter defined. In the event of a stock split, a stock dividend or similar change in Moody's common stock, the number of your Performance Shares will be adjusted as determined by the Compensation & Human Resources Committee (the "Committee") under the Plan.

Your Performance Shares will vest, subject to your continued employment through the Vesting Date as hereinafter defined, to the extent that Moody's or one or more of its Subsidiaries or Affiliates, as applicable, achieves certain performance objectives by the end of the performance period from January 1, 2024 through December 31, 2027 (the "Performance Period"); as described below; provided, however, that the number of Performance Shares treated as vested and the corresponding number of shares actually issued to you as a payout

may be less than the number determined by the performance payment percentages (including zero), at the discretion of the Committee in accordance with the Plan.

The vesting of Performance Shares on the Vesting Date will be determined by the Committee and shall be expressed as a percentage of the total number of target Performance Shares granted to you, equal the product of (i) the applicable percentage from the 5-Year Annualized Recurring Revenue Compound Annual Growth Rate as of December 31, 2027 ("5-Year ARR CAGR") Table below, multiplied by (ii) the applicable percentage from the Adjusted Operating Margin Table ("Modifier") below, subject to the Committee's discretion to reduce such percentages as defined in the Plan.

Less than []%	[]%
[]%	[]%
[]%	[]%
[]%	[]%

(1) ARR values to be calculated using currency rates set for the 2027 operating budget.

(2) Vesting Percentage will be determined by linear interpolation for performance between goals set forth above (e.g., it would be []% for 5-Year ARR CAGR of []%).

Equal or more than []% and less than []%	[]%

The following definitions apply for purposes of the foregoing:

- "5-Year ARR CAGR" calculated using ARR, as defined in the Company's Annual Report on Form 10-K (the "Form 10-K") for the applicable year, for Moody's Analytics as of December 31, 2027; excluding the ARR related to the recurring revenue contracts obtained by the Company through an acquisition(s) on their respective acquisition date(s) during the Performance Period; but includes any increases or decreases in recurring revenue contracts after the acquisition date(s). The 5-Year ARR CAGR shall be calculated with a base year of December 31, 2022.
- "Adjusted Operating Margin" means the average of the adjusted operating margin, as defined in the Form 10-K for the applicable year, of Moody's Analytics for calendar years 2026 and 2027.

Immediately following the conclusion of the Performance Period, the Committee shall certify whether the performance measures were attained, the percentage of payout, if any, and the date on which your Performance Shares will vest and be issued (the "Vesting Date"). For purposes of this letter, the Vesting Date shall be March 1, 2028.

In the event of your Termination of Employment prior to the Vesting Date (for reasons other than your Retirement after the first anniversary of the grant of the Performance Shares or your death or Disability), you will forfeit all unvested Performance Shares. Moody's shall have the exclusive discretion to determine when your Termination of Employment occurs for purposes of your Performance Shares grant (including whether you may still be considered to be employed while on a leave of absence), subject to U.S. Internal Revenue Code Section 409A ("Code Section 409A") in the event you are a U.S. taxpayer.

In the event of your Termination of Employment by (i) Retirement after the first anniversary of the date of your Performance Shares grant hereunder or (ii) death or Disability, you shall be entitled to receive as a payout a pro rata portion of the number of shares issuable pursuant to your Performance Shares based on the number of days of your actual service during the Performance Period, such shares to be issued after the end of the Performance Period on the originally scheduled Vesting Date set forth above but only if and to the extent that such shares would have been earned by achievement of performance measures and become issuable to you had your Termination of Employment not occurred prior to the end of the Performance Period; provided, however, that the number of shares actually issued to you may be less than the number determined by the performance payout percentage (including zero), at the discretion of the Committee.

In the event of a Change in Control, shares or, in the discretion of the Committee, cash equal to the fair market value of the shares as of immediately prior to the Change in Control, shall be issued in satisfaction of your Performance Shares immediately prior to the Change in Control as if the performance measures for the Performance Period had been achieved at 100% of Target.

Compliance with Stock Ownership Guidelines

As a holder of Performance Shares, you are subject to Moody's stock ownership guidelines. You should familiarize yourself with these guidelines, as you are solely responsible for ensuring compliance thereto. To request a copy of the guidelines, please contact your Human Resources representative.

Transferability of Performance Shares

Your Performance Shares may not be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by you otherwise than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance will be void and unenforceable against Moody's.

Repayment/Forfeiture

Any payments or benefits you may receive hereunder shall be subject to repayment or forfeiture in accordance with any clawback policy adopted by Moody's. No recovery of compensation under such a clawback policy will be an event giving rise to a right to resign for "good reason" or "constructive termination" (or similar term) under any agreement with Moody's. By accepting this grant, you are agreeing to be bound by any such clawback policy, as in effect or as may be adopted and/or modified from time to time by Moody's in its discretion.

Nature of the Grant

In accepting the grant, you acknowledge, understand and agree that:

- (1) the Plan is established voluntarily by Moody's, it is discretionary in nature and it may be modified, amended, suspended or terminated by Moody's at any time, to the extent permitted by the Plan;
- (2) the Performance Shares grant is exceptional, voluntary and occasional and does not create any contractual or other right to receive future performance shares grants, or benefits in lieu of performance shares, even if performance shares have been granted in the past;
- (3) all decisions with respect to future performance shares or other grants, if any, will be at the sole discretion of Moody's;
- (4) the grant of Performance Shares and your participation in the Plan shall not create a right to employment or be interpreted as forming or amending an employment or service contract with Moody's, your employer or any Subsidiary or Affiliate of Moody's and shall not interfere with the ability of your employer or any Subsidiary or Affiliate of Moody's, as applicable, to terminate your employment or service relationship (if any);
- (5) you are voluntarily participating in the Plan;
- (6) the Performance Shares grant and the shares subject to the Performance Shares do not constitute and are not intended to replace any pension rights or compensation;
- (7) the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, do not constitute and are not part of normal or expected compensation, salary, remuneration or wages for purposes of calculating any severance, resignation, termination, redundancy, end-of-service payments, holiday pay, bonuses, long-service awards, pension or retirement benefits or similar mandatory payments;
- (8) the future value of the underlying shares is unknown, indeterminable and cannot be predicted with certainty;
- (9) unless otherwise agreed with Moody's, the Performance Shares grant and the shares subject to the Performance Shares, and the income and value of same, are not granted as consideration for, or in connection with, the service you may provide as a director of a Subsidiary or Affiliate of Moody's; and
- (10) in addition to paragraphs (1) through (9) above, the following provisions will also apply to you if you are employed outside the United States:
 - (a) the Performance Shares and the shares subject to the Performance Shares are not part of normal or expected compensation or salary for any purpose;
 - (b) no claim or entitlement to compensation or damages, including pro-rated compensation or damages, shall arise from forfeiture of the Performance Shares or the recoupment of any shares acquired under

the Plan resulting from your (i) Termination of Employment (regardless of the reason for such termination and whether or not the termination is later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any) and/or (ii) the application of

any recoupment policy or any recovery or clawback policy otherwise required by applicable laws. In consideration of the grant of Performance Shares to which you are otherwise not entitled, you irrevocably agree never to institute any claim against Moody's, its Subsidiaries or Affiliates and your employer, waive your ability, if any, to bring such a claim, and release Moody's, its Subsidiaries or Affiliates and your employer from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim; and

(c) neither your employer nor Moody's (nor any of its Subsidiaries or Affiliates) shall be liable for any foreign exchange rate fluctuation between your local currency and the United States Dollar that may affect the value of your Performance Shares or any amounts due to you pursuant to the settlement of your Performance Shares or the subsequent sale of shares acquired upon settlement.

No Advice Regarding Grant

Moody's is not providing any tax, legal or financial advice, nor is Moody's making any recommendations regarding your participation in the Plan or your acquisition or sale of the underlying shares. You are advised to consult with your own personal tax, legal and financial advisors regarding your participation in the Plan before taking any action related to the Plan.

Responsibility for Taxes

You acknowledge that regardless of any action taken by Moody's or, if different, your employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefit tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable or deemed applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount, if any, actually withheld by Moody's or your employer. You further acknowledge that Moody's and/or your employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of your Performance Shares grant or the underlying shares, including the grant vesting or settlement of your Performance Shares, the subsequent sale of shares acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of your Performance Shares to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction, you acknowledge that Moody's and/or your employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to Moody's and/or your employer to satisfy all Tax-Related Items. In this regard, you authorize Moody's or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding in whole and fractional shares to be issued upon settlement of your Performance Shares. In the event that such withholding in shares is problematic under applicable tax or securities law or has materially adverse accounting consequences, by your acceptance of your Performance Shares, you authorize and direct Moody's and any brokerage firm determined acceptable to Moody's to sell on your behalf a whole and fractional number of shares from those shares issuable to you as Moody's determines to be appropriate to generate cash proceeds sufficient to satisfy the obligation for Tax-Related Items.

Moody's and/or your employer may withhold or account for Tax-Related Items by considering applicable statutory withholding rates or other applicable withholding rates, including the maximum rate applicable in your jurisdiction. If Tax-Related Items are withheld in excess of your actual tax liability, you may receive a refund of any

over-withheld amount and will have no entitlement to the shares equivalent or, if not refunded, you may seek a refund from the local tax authorities. If the obligation for Tax-Related Items is satisfied by withholding in whole and fractional shares, for tax purposes, you will be deemed to have been issued the full number of shares subject to your Performance Shares that have been earned by achievement of performance goals hereunder, notwithstanding that a number of the shares are withheld solely for the purpose of paying the Tax-Related Items.

Finally, you shall pay to Moody's or your employer, including through withholding from your wages or other cash compensation payable to you, any amount of Tax-Related Items that Moody's or your employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. Moody's may refuse to deliver the shares or the proceeds from your Performance Shares award if you fail to comply with your obligations in connection with the Tax-Related Items.

CodeSection409A

For purposes of U.S. taxpayers, the provisions of this grant of Performance Shares are intended to either be exempt from Section 409A of the Code under the "short-term deferral" exception or comply with Section 409A of the Code, and the provisions of this grant will be interpreted, operated and administered in a manner that is consistent with this intent. In furtherance of this intent, the Committee may, at any time and without your consent, modify the terms of this grant as it determines appropriate to comply with the requirements of Section 409A of the Code and the related U.S. Department of Treasury guidance. Moody's makes no representation or covenant to ensure that your Performance Shares or other payment hereunder are exempt from or compliant with Section 409A of the Code, and

will have no liability to you or any other party if your Performance Shares or other payment hereunder that is intended to be exempt from, or compliant with, Section 409A of the Code, is not so exempt or compliant or for any action taken by the Committee with respect thereto.

Data Privacy Information and Consent

Moody's is located at 7 World Trade Center at 250 Greenwich Street, New York, NY, 10007, USA and grants Performance Shares to employees of Moody's and its Subsidiaries and Affiliates, at its sole discretion. If you would like to participate in the Plan, please review the following information about Moody's data processing practices and declare your consent.

- a. Data Collection and Usage.** Moody's collects, processes and uses personal data of employees, including name, home address, email address and telephone number, date of birth, social insurance, passport or other identification number, salary, citizenship, job title, any shares of stock or directorships held in Moody's, and details of all Performance Shares canceled, vested, or outstanding in your favor, which Moody's receives from you or your employer. If Moody's offers you a grant of Performance Shares under the Plan, then Moody's will collect your personal data for purposes of allocating shares and implementing, administering and managing the Plan. Moody's legal basis for the processing of your personal data will be your consent.
- b. Stock Plan Administration Service Providers.** Moody's transfers employee data to Fidelity, an independent service provider based in the United States which assists Moody's with the implementation, administration and management of the Plan. In the future, Moody's may select a different service provider and share your data with another company that serves in a similar manner. Moody's service provider will open an account for you to receive and trade shares. You will be asked to agree on separate terms and data processing practices with the service provider, which is a condition of your ability to participate in the Plan.
- c. International Data Transfers.** Moody's and its service providers are based in the United States. If you are outside the United States, you should note that your country has enacted data privacy laws that are different from the United States. Moody's legal basis for the transfer of your personal data is your consent.

6

- d. Data Retention.** Moody's will use your personal data only as long as is necessary to implement, administer and manage your participation in the Plan or as required to comply with applicable laws, exercise or defense of legal rights, and archiving, backup, and deletion processes. When Moody's no longer needs your personal data, which will generally be seven years after you are granted Performance Shares under the Plan, Moody's will remove it from its systems. If Moody's keeps data longer, it would be to satisfy legal or regulatory obligations and Moody's legal basis would be compliance with the relevant laws or regulations.
- e. Voluntariness and Consequences of Consent Denial or Withdrawal.** Your participation in the Plan and your grant of consent is purely voluntary. You may deny or withdraw your consent at any time. If you do not consent, or if you withdraw your consent, you cannot participate in the Plan. This would not affect your salary as an employee or your employment; you would merely forfeit the opportunities associated with the Plan.
- f. Data Subject Rights.** You have a number of rights under data privacy laws in your country. Depending on where you are based, your rights may include the right to (a) to request access or copies of personal data Moody's processes, (b) rectification of incorrect data, (c) deletion of data, (d) restrictions on processing, (e) portability of data, (f) to lodge complaints with competent authorities in your country, and/or (g) a list with the names and addresses of any potential recipients of your personal data. To receive clarification regarding your rights or to exercise your rights please contact HR Connect at HRConnect@moodys.com.

By clicking "Accept Your Grant" on the Fidelity award acceptance page, you also provide your consent to the data processing practices described in this section to the extent that such consent is required by applicable law.

Electronic Delivery and Acceptance

Moody's may, in its sole discretion, decide to deliver by electronic means any documents related to current or future participation in the Plan. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by Moody's or any third party designated by Moody's.

Governing Law, Venue, Documents and Severability

Your Performance Shares grant is made in the state of Delaware and is governed by, and subject to, the laws of the state of Delaware, applicable to contracts made and to be performed in the state of Delaware without reference to its conflicts of laws principles, and the requirements of the New York Stock Exchange as

Any and all disputes relating to, concerning or arising from this letter, or relating to, concerning or arising from the relationship between the parties evidenced by your Performance Shares or this letter, shall be brought and heard exclusively in the United States District Court for the District of Delaware or the Delaware Superior Court, New Castle County. Each of the parties hereby represents and agrees that such party is subject to the personal jurisdiction of said courts, hereby irrevocably consents to the jurisdiction of such courts in any legal or equitable proceedings related to, concerning or arising from such dispute, and waives, to the fullest extent permitted by law, any objection which such party may now or hereafter have that the laying of the venue of any legal or equitable proceedings related to, concerning or arising from such dispute which is brought in such courts is improper or that such proceedings have been brought in an inconvenient forum.

You acknowledge that you are proficient in the English language or have consulted with an advisor who is sufficiently proficient in English, so as to enable you to understand the terms and conditions of this letter and understand the provisions of the Plan. Compliance with Law

Notwithstanding any other provision of the Plan or this letter, unless there is an available exemption from any registration, qualification or other legal requirement applicable to the shares, Moody's shall not be required to deliver any shares issuable upon settlement of your Performance Shares prior to the completion of any registration or qualification of the shares under any local, state, federal or foreign securities or exchange control law or under rulings or regulations of the U.S. Securities and Exchange Commission ("SEC") or of any other governmental regulatory body, or prior to obtaining any approval or other clearance from any local, state, federal or foreign governmental agency, which registration, qualification or approval Moody's shall, in its absolute discretion, deem necessary or advisable. You understand that Moody's is under no obligation to register or qualify the shares with the SEC or any state or foreign securities commission or to seek approval or clearance from any governmental authority for the issuance or sale of the shares. Further, you agree that Moody's shall have unilateral authority to amend the Plan and the terms of your Performance Shares without your consent to the extent necessary to comply with securities or other laws applicable to issuance of shares.

Insider Trading/Restriction/Market Abuse Laws

You may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, including the United States, your country and Fidelity's (or any other stock plan service provider's) country, which may affect your ability to accept, acquire, sell or attempt to sell or otherwise dispose of shares, rights to shares (e.g., Performance Shares) or rights linked to the value of shares (e.g., dividend equivalents) during such times as you are considered to have "inside information" regarding Moody's (as defined by or determined under the laws in applicable jurisdictions). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders you placed before you possessed inside information. Furthermore, you could be prohibited from (i) disclosing the inside information to any third party, including fellow employees (other than on a "need to know" basis), and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Moody's insider trading policy. You acknowledge that it is your responsibility to comply with any applicable restrictions, and you are advised to speak to your personal advisor on this matter.

Foreign Asset/Account Reporting

You may have certain foreign asset and/or account reporting requirements which may affect your ability to acquire or hold shares under the Plan or cash received from participating in the Plan (including from any dividends received or sale proceeds arising from the sale of shares) in a brokerage or bank account outside your country of residence. Your country may require that you report such accounts, assets or transactions to the applicable authorities in that country.

You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

Appendix

Notwithstanding any provisions in this letter, your Performance Shares grant shall be subject to any additional terms and conditions set forth for your country in any Appendix to this letter for your country. Moreover, if you relocate to one of the countries included in the Appendix, the additional terms and conditions for such country will apply to you, to the extent Moody's determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. Waiver

You acknowledge that waiver by Moody's of breach of any provision of this letter shall not operate or be construed as a waiver of any other provision of this letter, or of any subsequent breach by you or any other participant in the Plan.

(i) is on the United States payroll of a Participating Company; and

(ii) shall have executed a Severance and Release Agreement.

Notwithstanding the foregoing, an "Eligible Employee" shall not include any individual: (A) (i) designated by the Participating Company as a casual, seasonal, hourly, temporary, leased, limited duration employee or "independent contractor"; or (ii) as to whom the Participating Company does not withhold income taxes (and no such individual described in this Section 1.3(A) shall be an Eligible Employee even if he or she is later retroactively reclassified or recharacterized as a common-law employee of the Participating Company during all or any part of such period pursuant to applicable law or otherwise); (B) who is receiving or has been approved to receive income replacement benefits from a party other than a Participating Company (e.g., an insurance company) pursuant to any employee benefit plan, program or arrangement sponsored by a Participating Company; (C) who pursuant to an individual employment contract, offer letter or otherwise is or may be entitled to receive severance from the Participating Company other than pursuant to this Plan and does not waive and relinquish that entitlement in a writing that is in form and substance satisfactory to the Participating Company; or (D) who is otherwise designated by the management of the Participating Company (in its sole discretion) to be ineligible to participate in the Plan.

1.f "Eligible Termination" shall mean, on or after the Effective Date (as set forth in Article 7), (a) an involuntary termination of employment with a Participating Company by reason of a reduction in force program, job elimination, or unsatisfactory performance in the execution of an Eligible Employee's duties; (b) a resignation mutually agreed to in writing by the Participating Company and the Eligible Employee and initiated by the Participating Company; or (c) any other termination that is designated by the management of the Participating Company (in its sole discretion) to be an Eligible Termination. Notwithstanding the foregoing, an Eligible Termination shall not include (v) a termination of employment that occurs due to death; (w) a resignation for any reason other than as specified in Section 1.4(b); (x) a termination by a Participating Company for Cause; (y) a termination as a result of a sale (whether in whole or in part, of stock or assets), merger or other combination, spinoff, reorganization or liquidation, dissolution or other winding up or other similar transaction involving a Participating Company; or (z) any termination where an offer of employment is made to the Eligible Employee of a reasonably comparable position at a Participating Company or any affiliate of a Participating Company or in connection with an outsourcing transaction concurrently with his or her termination (and whether or not such offer is accepted). In addition, in no event shall an Eligible Employee be deemed to have experienced an Eligible Termination if the Committee determines that the Eligible Employee abandoned his or her position with a Participating Company.

1.g "Participating Company" shall mean the Company or any other affiliated entity more than 50% of the voting interests of which are owned, directly or indirectly, by the Company and which has elected to participate in the Plan by action of its board of directors or other governing body.

1.h "Salary" shall mean an Eligible Employee's annual base salary at the time his or her employment terminates, as reflected on the Participating Company's payroll records, and does not include bonuses, overtime pay, commissions, incentive or deferred compensation or other additional compensation.

1.i "Severance and Release Agreement" shall mean an agreement provided by the Participating Company to an Eligible Employee in connection with his or her termination of employment, pursuant to which, if executed by the Eligible Employee (and not timely revoked), the Eligible Employee will acknowledge his or her termination of employment with the Participating Company, release the Participating Company and all of its

affiliates and any other applicable persons from liability for any and all claims, and agree to comply with certain post-termination obligations, as determined by the Company.

1.j "Years of Service" shall mean an Eligible Employee's continuous service (in years and months, rounded up to the nearest whole month for partial months) as an active employee of a Participating Company since his or her most recent date of hire in a capacity in which the Eligible Employee qualified as such pursuant to the definition above; *provided that* a Participating Company may, in its sole discretion, agree to take into account Years of Service prior to the Eligible Employee's most recent hire date (e.g., service with a predecessor in connection with an acquisition).

ARTICLE 2

SEVERANCE BENEFITS

1.a Subject to the provisions of this Article 2, and in consideration of the Eligible Employee executing a Severance and Release Agreement in such form as is satisfactory to the Participating Company, in the event of an Eligible Termination, an Eligible Employee shall be entitled to receive from the Participating Company the benefits set forth on Schedule A hereto.

1.b Notwithstanding any other provision contained herein, the grant of severance benefits pursuant to Section 2.1 hereof is conditioned upon an Eligible Employee signing a Severance and Release Agreement in such form as is satisfactory to the Participating Company, in its sole discretion, under which, among other things, the Eligible Employee releases and discharges the Participating Company and all of its affiliates and any other applicable persons from all claims and liabilities relating to the Eligible Employee's employment with the Participating Company and/or the termination of the Eligible Employee's employment, including without limitation, claims under the Age Discrimination in Employment Act and the Older Workers Benefit Protection Act, where applicable, and the Eligible Employee not revoking the Severance and Release Agreement during any revocation period set forth therein. Severance shall be paid only after the Severance and Release Agreement has been signed and the time for the Eligible Employee to revoke the Severance and Release Agreement, if any, has expired and the Severance and Release Agreement has become effective in accordance with its terms. If the Eligible Employee's benefits hereunder are subject to Section 409A of the Code, the Eligible Employee must return the executed Severance and Release Agreement no later than sixty (60) days following the date of the Eligible Termination and, if such 60-day period

includes two calendar years, no benefits hereunder subject to Section 409A of the Code shall be paid to the Eligible Employee until the second calendar year. Any amounts that otherwise would have been paid during the period beginning on the date of termination and ending on the first applicable payment date shall be paid on the first applicable payment date.

1.c Notwithstanding any other provision contained herein, the Chief Executive Officer of the Participating Company, or his or her delegate, may, at any time, take such action as such officer, in such officer's sole discretion, deems appropriate to reduce or increase by any amount the benefits otherwise payable to an Eligible Employee pursuant to Schedule A or otherwise modify the terms and conditions applicable to an Eligible Employee under this Plan. Benefits granted hereunder may not exceed an amount nor be paid over a period which would cause the Plan to be other than a "welfare benefit plan" under Section 3 (1) of ERISA.

1.d Notwithstanding any other provision contained herein, if the Eligible Employee is a "specified employee" within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), as of the date of termination of his or her employment, to the extent necessary to comply with Section 409A of the Code, no severance payments or benefits will be paid or provided to the Eligible Employee before the date that is six months after the date of the termination of employment; provided, that such payments and benefits will be accumulated (without interest) and paid to the Eligible Employee as soon as practicable on or after the first day of the seventh month following the date of termination of employment. In no event shall a Participating Company be liable to any Eligible Employee for any adverse tax consequences under Section 409A of the Code for any payment made under this Plan.

ARTICLE 3

AMENDMENT AND TERMINATION

1.a By action of the Board (including any action of the CHRC or any successor committee to whom the Board has delegated authority to exercise its powers as Plan sponsor), the Company reserves the right, in its sole and absolute discretion, to terminate the Plan on behalf of any or all Participating Companies at any time and for any or no reason and without any further obligation by action of the Board or such other person or persons to whom the board properly delegates such authority. Any other Participating Company may cease participation in the Plan by action of its board of directors or such other person or persons to whom such board properly delegates such authority.

1.b By action of the Board (including any action of the CHRC or any successor committee to whom the Board has delegated authority to exercise its powers as Plan sponsor), the Company shall have the right, in its sole and absolute discretion, to modify or amend the terms of the Plan at

any time, or from time to time, for any or no reason. The Committee also shall have the right, in its sole and absolute discretion, to modify or amend the terms of the Plan at any time, or from time to time, for any or no reason.

1.c All modifications of or amendments to the Plan shall be in writing.

ARTICLE 4

ADMINISTRATION OF THE PLAN

1.a The Committee shall be the Plan administrator who has authority to control and manage the operation and administration of the Plan and to manage and control any assets to the extent such assets have been set aside pursuant to Section 5.2 of this Plan.

1.b The Committee may from time-to-time delegate its responsibilities to officers of the Company or a Participating Company. The Committee may employ one or more persons to render advice regarding any responsibility the Committee has under the Plan.

1.c The Committee (and its delegates) shall have the exclusive right to interpret any and all of the provisions of the Plan and to determine any questions arising thereunder or in connection with the administration of the Plan, including those regarding any Eligible Employee's officer code or Job Group. Any decision or action by the Committee (and its delegates) shall be conclusive and binding upon all employees, members, and beneficiaries. In all instances the Committee (and its delegates) shall have complete discretionary authority to determine eligibility for participation and benefits under the Plan, as well as any other matter of fact or interpretation relating to the Plan, and to construe and interpret all provisions of the Plan and all documents relating thereto including, without limitation, all disputed and uncertain terms. It is the intention of the preceding sentences that the Committee's (and its delegates') decision(s), if reviewed by a Federal or state court or an arbitrator, are reviewed based on an abuse of discretion or "arbitrary or capricious standard," and not a "de novo standard," and that all deference permitted by law shall be given to such constructions, interpretations and determinations of the Committee (and its delegates). Should any dispute arise as to eligibility to receive, or amount of, benefits provided under the Plan, such dispute shall be resolved pursuant to the Claims Procedures attached hereto as Schedule B.

1.d Any action to be taken by the Committee shall be taken by a majority of its members either at a meeting or by written instrument approved by such majority in the absence of a meeting. A written resolution or memorandum signed by one Committee member and the secretary of the Committee shall be sufficient evidence to any person of any action taken pursuant to the Plan.

1.e Any person, corporation or other entity may serve in more than one capacity under the Plan.

1.f The Company shall indemnify any individual who is a director, officer or employee of a Participating Company, or his or her heirs and legal representatives, against all liability and reasonable expense, including counsel fees, amounts paid in settlement and amounts of judgments, fines or penalties, incurred or imposed upon him or her in connection with any claim, action, suit or proceeding, whether civil, criminal, administrative or investigative, in connection with his or her duties with respect to the Plan, provided that any act or omission giving rise to such claim, action, suit or proceeding does not constitute willful misconduct or is not performed or omitted in bad faith.

ARTICLE 5

MISCELLANEOUS

1.a Neither the establishment of the Plan nor any action of a Participating Company, the Committee, or any fiduciary shall be held or construed to confer upon any person any legal right to continue employment with a Participating Company. Each Participating Company expressly reserves the right to discharge any employee to the same extent as if the Plan had not been put into effect.

1.b Benefits payable under the Plan shall be paid out of the general assets of a Participating Company. No Participating Company needs to fund the benefits payable under this Plan; however, nothing in this Section 5.2 shall be interpreted as precluding any Participating Company from funding or setting aside amounts in anticipation of paying such benefits. Any benefits payable to an Eligible Employee under this Plan shall represent an unsecured claim by such Eligible Employee against the general assets of the Participating Company that employed such Eligible Employee.

1.c A Participating Company shall deduct from the amount of any severance benefits payable hereunder the amount required by law to be withheld for the payment of any taxes and any other amounts properly to be withheld.

1.d Benefits payable under the Plan shall not be subject to assignment, alienation, transfer, pledge, encumbrance, commutation or anticipation by the Eligible Employee. Any attempt to assign, alienate, transfer, pledge, encumber, commute or anticipate Plan benefits shall be void.

1.e This Plan shall be construed, whenever possible, to be in conformity with the requirements of ERISA, or any subsequent laws or amendments thereto. To the extent not in conflict with the preceding sentence or another provision of the Plan, the construction and administration of the Plan shall be in accordance with the laws of the State of New York applicable to contracts made and to be performed within the State of New York (without reference to its conflicts of law provisions). This Plan will be of no force or effect with respect to an Eligible Employee to the extent superseded by foreign law.

1.f This Plan supersedes any and all prior severance arrangements, policies, plans or practices of the Company and of any Participating Company (whether written or unwritten).

1.g Should any provisions of the Plan be deemed or held to be unlawful or invalid for any reason, such fact shall not adversely affect the other provisions of the Plan unless such determination shall render impossible or impracticable the functioning of the Plan, and in such case, an appropriate provision or provisions shall be adopted so that the Plan may continue to function properly.

1.h In the event that the Committee finds that an Eligible Employee (or designated beneficiary) is unable to care for his or her affairs because of illness or accident, then benefits

payable hereunder, unless claim has been made therefor by a duly appointed guardian, committee, or other legal representative, may be paid in such manner as the Committee shall determine, and the application thereof shall be a complete discharge of all liability for any payments or benefits to which such Eligible Employee (or designated beneficiary) was or would have been otherwise entitled under this Plan.

1.i Any payments to a minor from this Plan may be paid by the Committee in its sole and absolute discretion (a) directly to such minor; (b) to the legal or natural guardian of such minor; or (c) to any other person, whether or not appointed guardian of the minor, who shall have the care and custody of such minor. The receipt by such individual shall be a complete discharge of all liability under the Plan therefor.

1.j The Plan is intended to comply with Section 409A of the Code or an exemption thereunder and shall be construed and administered in accordance with such intention. Any payment under the Plan that may be excluded from coverage under Section 409A of the Code either as separation pay due to an involuntary separation from service or as a short-term deferral shall be excluded from such coverage to the maximum extent possible. For purposes of Section 409A of the Code, each installment payment provided under this Plan shall be treated as a separate payment. To the extent required by Section 409A of the Code, any payments to be made under this Plan upon a termination of employment shall be made only if such termination of employment constitutes a "separation from service" for purposes of Section 409A of the Code.

ARTICLE 6

YOUR RIGHTS UNDER ERISA

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974, as amended (ERISA). ERISA provides that all plan participants shall be entitled to:

RECEIVE INFORMATION ABOUT YOUR PLAN AND BENEFITS

Examine, without charge, at the office of the Plan Administrator (as defined below) and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan and summary plan description. The Plan Administrator may make a reasonable charge for the copies.

PRUDENT ACTIONS BY PLAN FIDUCIARIES

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including the Company or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

ENFORCE YOUR RIGHTS

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal Court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a State or Federal Court. If plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal Court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the persons you have sued to pay these cost and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

ASSISTANCE WITH YOUR QUESTIONS

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries. Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Schedule A

An Eligible Employee entitled to benefits under the Plan shall, subject to Article 2 of the Plan, receive the following:

1. Severance Benefits.

(1) If the Eligible Employee is employed in Job Group A (as defined in this paragraph), has one or more Years of Service, and incurs an Eligible Termination for any reason other than unsatisfactory performance, the Eligible Employee shall receive the higher of (i) 10 weeks of Salary or (ii) 2 weeks of Salary for each Year of Service. Job Group A consists of the following officer codes: Assistant Vice President, Assistant Vice President-Analyst, Associate Director, Assistant Director, Analyst, Associate Analyst, and Associate.

(2) If the Eligible Employee is employed in Job Group B (as defined in this paragraph), has one or more Years of Service, and incurs an Eligible Termination for any reason other than unsatisfactory performance, the Eligible Employee shall receive the higher of (i) 26 weeks of Salary or (ii) 2 weeks of Salary for each Year of Service. Job Group B consists of the following officer codes: Vice President, Vice President-Senior Analyst, Vice President-Senior Compliance Officer, Country Head, and Director.

(3) If the Eligible Employee is employed in Job Group C (as defined in this paragraph), has one or more Years of Service, and incurs an Eligible Termination for any reason other than unsatisfactory performance, the Eligible Employee shall receive 52 weeks of Salary. Job Code C consists of the following officer codes: Chief Executive Officer, Chief Executive Officer-Direct, Senior Managing Director, Group Managing Director, Managing Director, Associate Managing Director, Senior Director, and Senior Vice President.

The amount an Eligible Employee would have otherwise been entitled to receive under paragraphs 1(a) through (c) above shall be reduced by 50% if that Eligible Employee (i) incurs an Eligible Termination by reason of unsatisfactory performance, or (ii) has less than one Year of Service and incurs an Eligible Termination for any reason. The maximum payment payable under paragraph 1 shall be 52 weeks of Salary.

If an Eligible Employee serves in roles at two or more Participating Companies, the higher(est) officer code at such entities shall determine the Job Group for purposes hereof. The officer code assigned to an Eligible Employee shall be determined by the Company, in its sole discretion.

2. Payment Method.

Except as otherwise set forth in this paragraph 2 or as otherwise determined by the Company (in its sole discretion, but in all events consistent with the requirements of Section 409A of the Code), the amounts payable under paragraph 1 shall be paid in a lump-sum as soon as practicable after the Severance and Release Agreement has been signed and the time for the Eligible Employee to revoke the Severance and Release Agreement, if any, has expired and the

Severance and Release Agreement has become effective in accordance with its terms. Notwithstanding the foregoing, for Eligible Employees employed as a Managing Director or higher and/or employed in analytical roles (as determined by the Company, in its sole discretion, but in all events consistent with the requirements of Section 409A of the Code), or for any other Eligible Employees the Company determines (in its sole discretion, but in all events consistent with the requirements of Section 409A of the Code), the amounts payable under paragraph 1 shall be paid at the times the Eligible Employee's Salary would have been paid if employment had not terminated, over a period equal to the number of weeks of Salary to which such Eligible Employee is eligible under paragraph 1 ("salary continuation payments").

No payment shall be made under the Plan, and any salary continuation payments shall cease, upon reemployment of the Eligible Employee by a Participating Company. For purposes of this Schedule A, to "perform services" shall mean employment or services as a full-time employee,

consultant, owner, partner, associate, agent or otherwise on behalf of any person, principal, partnership, firm or corporation (other than a Participating Company).

3. Welfare Benefit Continuation.

Medical, dental, vision and life insurance benefits shall be provided during such number of weeks of Salary for which the Eligible Employee is eligible under paragraph 1 at the levels in effect for the Eligible Employee immediately prior to termination of employment, on the same basis as applicable to similarly-situated employees, provided that the Eligible Employee shall pay the employee portion of any required premium payments at the level in effect for employees generally of the Participating Company for such benefits. For purposes of determining an Eligible Employee's entitlement to continuation coverage as required by Title I, Subtitle B, Part 6 of ERISA (COBRA), such employee's 18-month or other period of coverage shall commence on his or her termination of employment.

4. Annual Bonus Payment.

Subject to the provisions of this paragraph 4, a cash bonus for the calendar year of termination may be paid in the event the Eligible Employee was employed by a Participating Company for at least six full months during such year and the Eligible Employee participated in an annual bonus plan (the "Annual Incentive Plan") immediately prior to termination of employment. In such event, the Eligible Employee shall receive a bonus in an amount equal to the Eligible Employee's bonus target amount in effect as of his or her termination of employment multiplied by a fraction the numerator of which is the number of full months of employment during the calendar year of termination and the denominator of which is 12. Such bonus shall be payable in a lump-sum payment as soon as practicable after the Severance and Release Agreement has been signed and the time for the Eligible Employee to revoke the Severance and Release Agreement, if any, has expired and the Severance and Release Agreement has become effective in accordance with its terms. Notwithstanding the foregoing, no amount shall be paid under this paragraph 4 in the event the Eligible Employee incurred an Eligible Termination by reason of unsatisfactory performance. The foregoing provisions of this paragraph 4 shall be appropriately modified in the case of any plan not on a calendar year basis.

5. Death.

Upon the death of an Eligible Employee while receiving salary continuation payments, the remainder of the benefits described in paragraph 1 of this Schedule A shall be paid in a lump-sum payment to his or her estate, as applicable, as soon as reasonably practicable after the Company receives acceptable proof of such death.

6. Other Benefits.

The Eligible Employee may be entitled to such outplacement services following a termination of employment as may be provided by, and in the sole discretion of, the Participating Company.

7. No Further Grants, Etc.

Following an Eligible Employee's termination of employment, no further grants, awards, contributions, accruals or continued participation (except as otherwise provided for herein) shall be made to or on behalf of such employee under any plan or program maintained by a Participating Company including, but not limited to, any qualified or nonqualified retirement, profit sharing, stock option or restricted stock plan of a Participating Company. Any unvested or unexercised options, unvested restricted stock and all other benefits under any plan or program maintained by a Participating Company (including, but not limited to, any qualified or nonqualified retirement, profit sharing, stock option or restricted stock plan) which are held or accrued by an Eligible Employee at the time of his or her termination of employment, shall be treated in accordance with the terms of such plans and programs under which such options, restricted stock or other benefits were granted or accrued; *provided, however,* that if the Eligible Employee satisfies the age and service requirements for "Retirement" treatment under the Amended and Restated 2001 Moody's Corporation Key Employees' Stock Incentive Plan as of the date of the Eligible Employee's termination of employment, the Eligible Employee shall receive such Retirement treatment with respect to any awards outstanding under such Plan to the same extent as if he or she had voluntarily retired as of the date of termination.

Schedule B

Claims Procedures

1. No Eligible Employee or beneficiary or other person or entity shall have any right or claim to benefits under the Plan, or any right or claim to payment from the Plan, except as specified herein. Any dispute as to eligibility, type, amount or duration of benefits or any right or claim to payments from the Plan shall be resolved pursuant to the Claims Procedures of this Schedule B and the provisions of the Plan.
2. All initial and disputed claims for benefits under the Plan shall be submitted to the Managing Director – Total Rewards or such other person designated by the Committee (the "Claims Administrator"). The Claims Administrator shall decide within 90 days after receiving the claim from an Eligible Employee or beneficiary (hereinafter referred to as "Claimant"), or his or her duly authorized representative.
3. If the Claims Administrator determines that an extension of time for processing is required, written or electronic notification of the extension shall be furnished to the Claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Claims Administrator expects to render the benefit determination.
4. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed in accordance with these claim procedures without regard to whether all the information necessary to make a benefit determination accompanies the filing.
5. If the claim is denied in part or in full, written or electronic notice of denial shall be sent to the Claimant or his duly authorized representative. The written or electronic notice shall be set forth in a manner calculated to be understood by the Claimant and include:
 - based;
 - (1) the specific reason or reasons for the denial;
 - (2) specific reference to pertinent Plan provisions on which the denial is
 - (3) a description of any additional material or information necessary for the Claimant to perfect the claim, and an explanation of why such material or information is necessary;
 - (4) explanation of the Plan's claim review procedures and the time limits applicable to such procedures including a statement of the Claimant's right to bring a civil action under Section 502(a) of ERISA.
6. Except as set forth in section 11 below, within 60 days after the denial of a claim, the Claimant, or his duly authorized representative, may appeal, in writing, the denial of the claim.

to the Committee and request a review. In connection with the review, the Claimant or his duly authorized representative may review pertinent documents and may submit issues and comments in writing. The Claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Claimant's claim for benefits. Such review shall take into account all

comments, documents, records, and other information submitted by the Claimant relating to the claims, without regard to whether such information was submitted or considered in the initial benefit determination.

7. The Committee shall deliver the decision on review, in writing or electronic means, to the Claimant or his duly authorized representative not later than 60 days after the receipt of the request for such review, unless there are special circumstances (such as holding a hearing, if the Committee deems necessary), which require extensions of time for processing. If the Committee determines that an extension of time for processing is required, written or electronic notification of the extension shall be furnished to the Claimant prior to the termination of the initial 60-day period. In no event shall such extension exceed a period of 60 days from the end of the initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the Committee expects to render the determination on review.

8. The period of time within which a benefit determination on review is required to be made shall begin at the time an appeal is filed in accordance with these claim procedures without regard to whether all the information necessary to make a benefit determination on review accompanies the filing. In the event that a period of time is extended due to Claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination on review shall be tolled from the date on which the notification of the extension is sent to the Claimant until the date on which the Claimant responds to the request for additional information.

9. In the case of an adverse benefit determination on review, the Committee shall provide access to, and copies of all documents, records, and other information relevant to the Claimant's claim for benefits.

10. The decision shall be sent in writing or by electronic means and shall set forth in a manner calculated to be understood by the Claimant and include:

- (1) the specific reason or reasons for the denial;
- (2) specific reference to pertinent Plan provisions on which the denial is based;
- (3) a statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claimant's claim for benefits;
- (4) a statement of the Claimant's right to bring a civil action under Section 502(a) of ERISA.

11. The Claims Administrator's decisions on claims (where no review is requested) and the Committee's decisions on review (where review is requested) shall be in the discretionary and sole and absolute authority of the Claims Administrator (where no review is requested) and the Committee (where review is requested) and shall be binding and conclusive on all interested persons as to participation, benefit eligibility and benefits and any other matter of fact or interpretation relating to the Plan. It is the intention of the preceding sentence that the Claim Administrator's decision(s) and the Committee's decision(s) if reviewed by a Federal or state court or an arbitrator are reviewed based on an abuse of discretion or "arbitrary or capricious standard", and not a de novo standard."
