PDMR Holdings Update

Burford Capital Limited ("Burford"), the leading global finance and asset management firm focused on law, provides the following update on the interests in Burford's ordinary shares of nil par value ("Shares") held by persons discharging managerial responsibilities ("PDMRs").

Shares held through the Burford Capital Deferred Compensation Plan

PDMRs can elect to defer a portion of their compensation to make notional investments in Shares through the Burford Capital Deferred Compensation Plan (the "DCP"). In essence, PDMRs are able to elect to defer compensation, without incurring current income taxes, into the DCP, which in turn permits the full amount of that deferred compensation to be allocated to Shares (or other investment options). In the case of allocations to Shares, Burford may make a 33.33% matching contribution, which has a two-year vesting requirement. This is a tax-efficient way for Burford's employees to continue to accumulate exposure to Shares. Allocations to Shares by PDMRs, along with the corresponding Notification of Dealing Forms, are announced in accordance with the applicable regulations.

It has come to Burford's attention after conducting a review with the external plan administrator of the DCP, that there are minor discrepancies in five PDMR notifications between the number of matching contribution Shares actually allocated to the respective PDMR and the number of matching contribution Shares as announced in Burford's historical PDMR announcements due to differences in rounding between 33% and 33.33% for the matching contribution. Burford therefore wishes to notify of immaterial corrections to previously announced holdings of Shares by certain PDMRs as follows.

PDMR	Original date of PDMR announcement	Number of Shares allocated previously announced	Corrected number of Shares allocated	Difference between previously announced and corrected number of Shares*
Christopher Bogart	April 4, 2022	46,332 unvested notional Shares	46,799.9 unvested notional Shares	467.9 unvested notional Shares
Jonathan Molot	April 4, 2022	46,263 unvested notional Shares	46,730.3 unvested notional Shares	467.3 unvested notional Shares
Aviva Will	April 4, 2022	5,006 unvested notional Shares	5,056 unvested notional Shares	50.0 unvested notional Shares
David Perla	April 6, 2022	3,878 unvested notional Shares	3,917.5 unvested notional Shares	39.5 unvested notional Shares
Mark Klein	April 8, 2022	890 unvested notional Shares	898.7 unvested notional Shares	8.7 unvested notional Shares

*"Unvested" describes the matching contribution Shares at the time of their allocation to the respective PDMR, and such matching contribution Shares are vested at the time of this announcement.

Shares held by a non-executive director

Further, Burford wishes to amend a prior announcement made on January 18, 2024 in respect of holdings of Shares by Pamela Corrie, Burford's non-executive director, and notify of a further PDMR transaction.

On January 18, 2024, Burford reported Ms. Corrie's holding of Shares at the time of her appointment as Burford's non-executive director as 2,074 Shares (rounded down to no decimal places for the purpose of reporting), whereas the correct figure at that date was 2,083.9 Shares. The discrepancy was due to a dividend auto-reinvest option that resulted in the acquisition of an additional 9.7 Shares prior to Ms. Corrie's appointment as Burford's non-executive director.

The dividend auto-reinvest option also resulted in the acquisition of an additional 9.5 Shares on June 17, 2024, a transaction which took place after Ms. Corrie's appointment as Burford's non-executive director.

Ms. Corrie's holding of Shares is 4,445.3 as of the date of this announcement.

Burford's Director and Management Shareholdings table on its website has been updated to reflect the corrected holdings referenced above.

The Notification of Dealing Forms for the amendments and transaction set forth above are included at the end of this announcement.

Forward-looking statements

This announcement contains "forward-looking statements" within the meaning of Section 21E of the US Securities Exchange Act of 1934, as amended, regarding assumptions, expectations, projections, intentions and beliefs about future events. These statements are intended as "forward-looking statements". In some cases, predictive, future-tense or forward-looking words such as "aim", "anticipate", "believe", "continue", "could", "estimate", "expect", "forecast", "guidance", "intend", "may", "plan", "potential", "predict", "projected", "should" or "will" or the negative of such terms or other comparable terminology are intended to identify forward-looking statements, but are not the exclusive means of identifying such statements. In addition, even if Burford's results of operations, including its financial position and liquidity, and the development of the industry in which it operates are consistent with the forward-looking statements contained in this announcement, those results of operations or developments may not be indicative of results of operations or developments in subsequent periods.

Except as required by law, Burford undertakes no obligation to update or revise the forward-looking statements contained in this announcement, whether as a result of new information, future events or otherwise.
