looking statements. These statements are statements that are not historical facts, and are based on management's current
view and estimates of future economic circumstances, industry conditions, company performance and financial results. The
words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are
intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the
implementation of principal operating and financing strategies and capital expenditure plans, the direction of future
operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-
looking statements. Such statements reflect the current views of management and are subject to a number of risks and
uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are
based on many assumptions and factors, including general economic and market conditions, industry conditions, and
operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current
expectations. GRAPHIC 2 bbd202502116k_001.jpg GRAPHIC begin 644 bbd202502116k_001.jpg M_JC_X 02D9)1@ ! 0\$ 8 !@
