Condensed Consolidated Financial StatementsSeptember 30, 2024 1. Basis of Presentation Century Communities, Inc. (which we refer to as â€œwe,â€ â€œCCS,â€ or the â€œCompanyâ€), together with its subsidiaries, is engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. In many of our projects, in addition to building homes, we entitle and develop the underlying land. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand has an emphasis on serving the entry-level homebuilding market but offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade opportunities. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade opportunities. Our homebuilding operations are organized into the following five reportable segments: West, Mountain, Texas, Southeast, and Century Complete. Our indirect wholly-owned subsidiaries, Inspire Home Loans Inc., Parkway Title, LLC, IHL Home Insurance Agency, LLC, and IHL Escrow Inc., which provide mortgage, title, insurance and escrow services, respectively, primarily to our homebuyers, have been identified as our Financial Services segment. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles (which we refer to as â€œGAAPâ€) and pursuant to the rules and regulations of the U.S. Securities and Exchange Commission (which we refer to as the â€œSECâ€). In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments consisting of normal recurring adjustments necessary for a fair presentation of our financial position and results of operations for the periods presented. Interim results of operations are not necessarily indicative of the results that may be achieved for the full year. The financial statements and related notes do not include all information and footnotes required by GAAP and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2023, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. Principles of Consolidation The condensed consolidated financial statements include the accounts of the Company, as well as all subsidiaries in which we have a controlling interest, and variable interest entities for which the Company is deemed to be the primary beneficiary. We do not have any variable interest entities in which we are deemed the primary beneficiary. Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Recently Issued Accounting Standards In December 2023, the Financial Accounting Standards Board (which we refer to as â€œFASBâ€) issued Accounting Standards Update (which we refer to as â€œASUâ€) No. 2023-09, â€œIncome Taxes (Topic 740): Improvements to Income Tax Disclosuresâ€ (â€œASU 2023-09â€). ASU 2023-09 requires more disaggregated income tax disclosures, including additional information in the rate reconciliation and additional disclosures about income taxes paid. ASU 2023-09 will become effective for us for the fiscal year ending December 31, 2025. Early adoption is permitted, and guidance should be applied prospectively, with an option to apply guidance retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-09 on our consolidated financial statements and related disclosures. In November 2023, the FASB issued ASU No. 2023-07, â€œSegment Reporting (Topic 280): Improvements to Reportable Segment Disclosuresâ€ (â€œASU 2023-07â€). ASU 2023-07 requires disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (which we refer to as â€œCODMâ€) and included within each reported measure of segment profit or loss. The guidance also expands disclosure requirements for interim periods, as well as requires disclosure of other segment items, including the title and position of the entityâ€™s CODM. ASU 2023-07 will become effective for us for the fiscal year ending December 31, 2024, and for interim periods starting in our first quarter of 2025. Early adoption is permitted, and guidance is required to be applied 7 Table of Contents retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-07 on our consolidated financial statements and related disclosures. 2. Reporting Segments Our homebuilding operations are engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand is managed by geographic location, and each of our four geographic regions offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade selections. Each of our four geographic regions is considered a separate operating segment. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade selections. Our Century Complete brand currently has operations in 11 states and it is considered a separate operating segment. The management of our four Century Communities geographic regions and Century Complete reports to our chief operating decision makers (which we refer to as â€œCODMsâ€), the Co-Chief Executive Officers of our Company. The CODMs review the results of our operations, including total revenue and income before income tax expense to determine profitability and to allocate resources. Accordingly, we have presented our homebuilding operations as the following five reportable segments: Â ï‚·West (California and Washington)ï‚·Mountain (Arizona, Colorado, Nevada, and Utah) ï‚·Texas ï‚·Southeast (Florida, Georgia, North Carolina, South Carolina, and Tennessee)ï‚·Century Complete (Alabama, Arizona, Florida, Georgia, Indiana, Kentucky, Louisiana, Michigan, North Carolina, Ohio, South Carolina) We have identified our Financial Services operations, which provide mortgage, title, insurance and escrow services to our homebuyers, as a sixth reportable segment. Our Corporate operations are a non-operating segment, as our Corporate operations serve to support our homebuilding, and to a lesser extent our Financial Services operations, through functions, such as our executive, finance, treasury, human resources, accounting and legal departments. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment.Â The following table summarizes total revenue and income (loss) before income tax expense by segment (inÂ thousands): Three Months Ended September 30, Nine Months Ended September 30, 2024 2023 2024 2023Revenue: West$ 240,722 $ 167,708 $ 617,047 $ 436,081Mountain 271,305 207,054 784,506 683,432Texas 159,502 111,694 436,782 327,844Southeast 180,226 164,968 496,032 369,414Century Complete 265,020 214,363 723,816 606,065Financial Services 20,091 23,636 66,676 63,768Corporate â€” â€” â€” â€”Total revenue$ 1,136,866 $ 889,423 $ 3,124,859 $ 2,486,604 Income (loss) before income tax expense: West$ 35,222 $ 31,419 $ 94,098 $ 54,358Mountain 31,770 25,449 93,943 77,946Texas 14,682 16,377 46,385 31,502Southeast 27,218 33,717 73,857 63,675Century Complete 34,056 30,873 84,192 61,171Financial Services 3,070 12,204 18,782 29,785Corporate (36,106) (38,040) (106,393) (93,681)Total income before income tax expense $ 109,912 $ 111,999 $ 304,864 $ 224,756 8 Table of Contents The following table summarizes total assets by segment (inÂ thousands): September 30, December 31, 2024 2023West $ 873,401 $ 786,489Mountain 1,054,141 1,051,052Texas 858,559 577,129Southeast 631,256 503,249Century Complete 506,429 386,444Financial Services 473,767 450,208Corporate 383,412 384,791Total assets $ 4,780,965 $ 4,139,362 Corporate assets primarily include costs associated with development of multi-family rental properties, certain cash and cash equivalents, certain property and equipment, deferred tax assets, certain receivables, and prepaid insurance.Â 3. Business Combinations On January 22, 2024, we closed on the acquisition of substantially all the assets and assumed certain liabilities of Landmark Homes of Tennessee, Inc. (â€œLandmarkâ€), a homebuilder with operations, including six active communities, in Nashville, Tennessee, for approximately $33.4 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, and in connection with this acquisition, we allocated $1.7 million in goodwill toÂ theÂ Southeast operating segment. We incurred $0.1 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations. On July 31, 2024, we closed on the acquisition of substantially all the assets and operations and assumed certain liabilities of Anglia Homes LP (â€œAngliaâ€), a homebuilder with operations, including 26 active communities, in the greater Houston, Texas area,Â for approximately $127.0 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, as we determined that the fair value of the gross assets acquired was not concentrated in a single identifiable asset or group of similar identifiable assets, and the acquired assets and processes have the ability to create

outputs in the form of revenue from the sale of single-family residences. We incurred $0.5 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations.The following is a summary of the allocation of the purchase price for Anglia based on the fair value of assets acquired and liabilities assumedÂ (in thousands): Prepaid expenses and other assets$ 7,885Inventories 111,425Property and equipment, net 127Amortizable intangible assets 1,900Goodwill 7,351Total assets$ 128,688 Accounts payable$ 1,281Accrued expenses and other liabilities 417Total liabilities 1,698Net assets acquired$ 126,990Acquired inventories consist of work in process inventories and finished lots. We estimated the fair value of the acquired inventoriesÂ based upon the stage of production of each unit and a gross margin that we believe a market participant would require to complete the remaining development and requisite selling efforts.Â We estimated a market participant would require a gross margin ranging fromÂ approximately 8%Â toÂ 20%Â based upon the stage of production of the individual lot.Amortizable intangible assets acquired include right of first refusal and non-compete agreements, which we, with the assistance of a third-party valuation firm, estimated to have fair values ofÂ $0.9Â million andÂ $1.0Â million, respectively. These intangible assets are amortized each overÂ 2Â years.Â Goodwill represents the excess of the purchase price over the fair value of assetsÂ acquired and liabilities assumed, and in connection with this acquisition, we have allocated $7.4 million in goodwill toÂ theÂ Texas operating segment. Goodwill allocated for tax purposes is expected to be deductible.We determined that Angliaâ€™s carrying costs approximated fair value for all other acquired assets and assumed liabilities. 9 Table of Contents From the acquisition date, Angliaâ€™s results of operations, which include home sales revenue of $20.3 million and loss before income tax, inclusive of purchase price accounting, of $1.5 million, are included in our accompanying condensed consolidated statements of operations for the three and nine months ended September 30, 2024. 4. Financial Services Our Financial Services are principally comprised of our mortgage lending operations, Inspire Home Loans Inc. (which we refer to as â€œInspireâ€).Â Inspire is a full-service mortgage lender and primarily originates mortgage loans for our homebuyers. Inspire sells substantially all of the loans it originates either as loans with servicing rights released, or with servicing rights retained, in the secondary mortgage market within a short period of time after origination, generally within 30 days. Inspire primarily finances these loans using its mortgage repurchase facilities.Â Mortgage loans held for sale and mortgage servicing rights are carried at fair value, with gains and losses from the changes in fair value reflected in financial services revenue on the consolidated statements of operations. Management believes carrying mortgage loans held for sale at fair value improves financial reporting by mitigating volatility in reported earnings caused by measuring the fair value of the loans and the derivative instruments used to economically hedge them. Net gains and losses from the sale of mortgage loans held for sale, which are recognized based upon the difference between the sales proceeds and carrying value of the related loans upon sale, are also included in financial services revenue on the consolidated statements of operations.Â Financial services revenue also includes fees earned from originating mortgage loans, which are recognized at the time the mortgage loans are funded, which include origination fees and discount points provided directly to our customers to reduce interest rates based on commitment agreements entered into between our homebuilding and Financial Services segments. Intercompany fees charged directly to the homebuilder are eliminated from financial services revenue on the condensed consolidated statements of operations upon consolidation.Â Â As of September 30, 2024 and December 31, 2023, Inspire had mortgage loans held for sale with an aggregate fair value of $257.2 million and $251.9 million, respectively, and an aggregate outstanding principal balance of $257.1 million and $247.7 million, respectively. Net losses on the sale of mortgage loans were $1.1 million and $4.9 million for the three and nine months ended September 30, 2024, respectively, and were $6.9 million and $3.4 million for the three and nine months ended September 30, 2023, respectively. The gain from the change in fair value for mortgage loans held for sale was $0.1 million for the three months ended September 30, 2024, and the loss from the change in fair value for mortgage loans held for sale was $4.1 million for the nine months ended September 30, 2024. Losses from the change in fair value for mortgage loans held for sale were $2.9 million and $4.9 million for the three and nine months ended September 30, 2023, respectively. Mortgage loans in process for which interest rates were locked by borrowers, or interest rate lock commitments, totaled approximately $146.0 million and $49.6 million at September 30, 2024 and December 31, 2023, respectively, and carried a weighted average interest rate of approximately 4.9% and 5.8%, respectively.Â Interest rate risks related to these obligations are typically mitigated through our interest rate hedging program or by the preselling of loans to investors. Derivative instruments used to economically hedge our market and interest rate risk are carried at fair value. Derivative instruments typically include interest rate lock commitments and forward commitments on mortgage-backed securities. Changes in fair value of these derivatives as well as any gains or losses upon settlement are reflected in financial services revenue on our condensed consolidated statements of operations. Refer to Note 13 â€“ Fair Value Disclosures for further information regarding our derivative instruments.Â 10 Table of Contents 6. Warranties Estimated future direct warranty costs are accrued and charged to cost of home sales revenues in the period when the related home sales revenues are recognized. Amounts accrued, which are included in accrued expenses and other liabilities on the condensed consolidated balance sheets, are based upon historical experience rates. We subsequently assess the adequacy of our warranty accrual on a quarterly basis through a model that incorporates historical payment trends and adjust the amounts recorded, if necessary. Based on warranty payment trends relative to our estimates at the time of home closing, we reduced our warranty reserve by $0.3 million and $0.5 million during the three months ended September 30, 2024 and 2023, respectively, and we reduced our warranty reserve by $1.9 million and $1.2 million during the nine months ended September 30, 2024 and 2023, respectively. Self-Insurance Reserve We maintain general liability insurance coverage, including coverage for certain construction defects after homes have closed and premise operations during construction. These insurance policies are designed to protect us against a portion of the risk of loss from claims, subject to certain self-insured per occurrence and aggregate retentions, deductibles, and available policy limits. In circumstances where we have elected to retain a higher portion of the overall risk for construction defect claims in return for a lower initial premium, we reserve for the estimated self-insured retention costs that we will incur that are above our coverage limits or that are not covered by our insurance policies. The reserve is recorded on an undiscounted basis at the time revenue is recognized for each home closing. Amounts accrued, which are included in accrued expenses and other liabilities on the condensed consolidated balance sheets, are based on third party actuarial analyses that are primarily based on industry data and partially on our historical claims, which include estimates of claims incurred but not yet reported. Adjustments to estimated reserves are recorded in the period in which the change in estimate occurs. Our self-insurance liability is presented on a gross basis without consideration of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any. Estimates of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any, are recorded as receivables when such recoveries are considered probable. Based on a third-party actuarial analysis, we reduced our self-insurance reserve by $0.8 million during the three and nine months ended September 30, 2024, and we reduced our self-insurance reserve by $3.4 million during the three and nine months ended September 30, 2023. Any adjustments are included inÂ cost of home sales revenues on our condensed consolidated statements of operations. As of December 31, 2023, other financing obligations included $24.7 million related to insurance premium notes and certain secured borrowings, as well as $44.9 million outstanding under construction loan agreements. Â Â Â Construction Loan Agreements Certain wholly owned subsidiaries of Century Living, LLC are parties to construction loan agreements with various banks (which we collectively refer to as â€œthe lendersâ€). These construction loan agreements collectively provide that we may borrow up to an aggregate of $187.6 million from the lenders for purposes of construction of multi-family projects in Colorado, with advances made by the lenders upon the satisfaction of certain conditions. Borrowings under the construction loan agreements bear interest at various rates, including a fixed rate and floating interest rates per annum equal to the Secured Overnight Financing Rate (which we refer to as â€œSOFRâ€) and the Bloomberg Short-term Bank Yield Index, plus an applicable margin. The outstanding principal balances and all accrued and unpaid interest is due on varying maturity dates from March 17, 2026 through March 17, 2028, with certain of the construction loan agreements allowing for the option to extend the maturity dates for a period of 12 months if certain conditions are satisfied. The construction loan agreements contain customary affirmative and negative covenants (including covenants related to construction completion, and limitations on the use of loan proceeds, transfers of land, equipment, and improvements), as well as customary events of default. Interest on our construction loan agreements is capitalized to the multi-family properties assets included in prepaid expenses and other assets on the condensed consolidated balance sheets while the related multi-family rental properties are being actively developed. As of September 30, 2024 and December 31, 2023, $110.3 million and $44.9 million was outstanding under the construction loan agreements respectively, with borrowings that bore a weighted average interest rate of 7.2% and 7.4% as of September 30, 2024 and December 31, 2023, respectively, and we were in compliance with all covenants thereunder. Revolving Line of Credit We are party to a Second Amended and Restated Credit Agreement, as amended, (which we refer to as the â€œSecond A&R Credit Agreementâ€) with Texas Capital Bank, National Association, as Administrative Agent and L/C Issuer, and the lenders party thereto. The Second A&R Credit Agreement, which amended and restated our prior Amended and Restated Credit Agreement, provides us with a senior unsecured revolving line of credit (which we refer to as the â€œrevolving line of creditâ€) of up to $800.0 million, and unless terminated earlier, will mature on April 30, 2026. The revolving line of credit includes a $250.0 million sublimit for standby letters of credit and a $50.0 million sublimit for swingline loans. Under the terms

of the Second A&R Credit Agreement, we are entitled to request an increase in the size of the revolving line of credit by an amount not exceeding $200.0 million. Our obligations under the Second A&R Credit Agreement are guaranteed by certain of our subsidiaries. The Second A&R Credit Agreement contains customary affirmative and negative covenants (including limitations on our ability to grant liens, incur additional debt, pay dividends, redeem our common stock, make certain investments and engage in certain merger, consolidation or asset sale transactions), as well as customary events of default. Borrowings under the Second A&R Credit Agreement are based on an adjusted term SOFR reference rate, which equals the greater of (i) 0.50% or (ii) the one-month quotation of the SOFR administered by the Federal Reserve Bank of New York, plus 0.10%. As of September 30, 2024, $414.0 million was outstanding under the revolving line of credit, with borrowings that bore an interest rate of 7.4%, and we were in compliance with all covenants under the Second A&R Credit Agreement. As of December 31, 2023, no amount was outstanding under the revolving line of credit. 13 Table of Contents Mortgage Repurchase Facilities â€“ Financial Services Inspire is party to mortgage warehouse facilities with J.P. Morgan Chase Bank, N.A., U.S. Bank National Association and Truist Bank, which provide Inspire with uncommitted repurchase facilities of up to an aggregate of $475.0 million as of September 30, 2024, secured by the mortgage loans financed thereunder. The repurchase facilities have varying short term maturity dates through September 26, 2025. Borrowings under the mortgage repurchase facilities bear interest at variable interest rates per annum equal to SOFR plus an applicable margin, and bore a weighted average interest rate of 6.8% as of September 30, 2024. Amounts outstanding under the repurchase facilities are not guaranteed by us or any of our subsidiaries, and the agreements contain various affirmative and negative covenants applicable to Inspire that are customary for arrangements of this type. As of September 30, 2024 and December 31, 2023, we had $247.2 million and $239.3 million outstanding under the repurchase facilities, respectively, and were in compliance with all covenants thereunder. Â 11. Interest on Senior Notes and Revolving Line of Credit Interest on our senior notes and revolving line of credit, if applicable, is capitalized to inventories while the related communities are being actively developed and until homes are completed. As our qualifying assets exceeded our outstanding debt during the three and nine months ended September 30, 2024 and 2023, we capitalized all interest costs incurred on these facilities during these periods. Our interest costs were as follows (inÂ thousands): Three Months Ended September 30, Nine Months Ended September 30, 2024 2023 2024 2023Interest capitalized beginning of period $ 77,930 $ 69,745 $ 72,598 $ 61,775Interest capitalized during period 20,821 14,234 51,778 42,281Less: capitalized interest in cost of sales (16,492) (10,652) (42,117) (30,729)Interest capitalized end of period $ 82,259 $ 73,327 $ 82,259 $ 73,327 12. Income Taxes At the end of each interim period, we are required to estimate our annual effective tax rate for the fiscal year and to use that rate to provide for income taxes for the current year-to-date reporting period. Our 2024 estimated annual effective tax rate, before discrete items, of 24.6%, is driven by our blended federal and state statutory rate of 24.6%, and certain permanent differences between GAAP and tax, including disallowed deductions for executive compensation offset by estimated federal energy home credits for current year home deliveries. For the nine months ended September 30, 2024, our estimated annual rate of 24.6% was benefitted by discrete items which had a net impact of decreasing our rate by 0.4%, including the impact of excess tax benefits for vested stock-based compensation. For the three months ended September 30, 2024 and 2023, we recorded income tax expense of $26.9 million and $28.8 million, respectively. For the nine months ended September 30, 2024 and 2023, we recorded income tax expense of $73.8 million and $56.9 million, respectively. Â 13. Fair Value Disclosures Fair value measurements are used for the Companyâ€™s mortgage loans held for sale, mortgage loans held for investment, mortgage servicing rights, interest rate lock commitments and other derivative instruments on a recurring basis. We also utilize fair value measurements on a non-recurring basis for inventories and intangible assets when events and circumstances indicate that the carrying value is not recoverable. The fair value hierarchy and its application to the Companyâ€™s assets and liabilities is as follows: LevelÂ 1 â€“ Quoted prices for identical instruments in active markets. LevelÂ 2 â€“ Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are inactive; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets at the measurement date. ï¸·Mortgage loans held for sale â€“ Fair value is based on quoted market prices for committed and uncommitted mortgage loans. Â 14 Table of Contents ï¸·Derivative assets and liabilities â€“ Derivative assets are associated with interest rate lock commitments and investor commitments on loans and may also be associated with forward mortgage-backed securities contracts. Derivative liabilities are associated with forward mortgage-backed securities contracts. Fair value is based on market prices for similar instruments. LevelÂ 3 â€“ Valuations derived from techniques where one or more significant inputs or significant value drivers are unobservable in active markets at the measurement date. ï¸·Mortgage servicing rights - The fair value of the mortgage servicing rights is calculated using third-party valuations. The key assumptions, which are generally unobservable inputs, used in the valuation of the mortgage servicing rights include mortgage prepayment rates, discount rates and cost to service. ï¸·Mortgage loans held for investment at fair value â€“ The fair value of mortgage loans held for investment at fair value is calculated based on Level 3 analysis which incorporates information including the value of underlying collateral, from markets where there is little observable trading activity. The following outlines the Companyâ€™s assets and liabilities measured at fair value on a recurring basis at SeptemberÂ 30, 2024 and December 31, 2023, respectively (in thousands): September 30, December 31, Balance Sheet Classification Hierarchy 2024 2023 Mortgage loans held for sale Mortgage loans held for sale Level 2 $ 257,187 $ 251,852Mortgage loans held for investment at fair value (1) Prepaid expenses and other assets Level 3 $ 24,032 $ 21,041Derivative assets Prepaid expenses and other assets Level 2 $ 3,757 $ 1,618Mortgage servicing rights (2) Prepaid expenses and other assets Level 3 $ 34,523 $ 30,932Derivative liabilities Accrued expenses and other liabilities Level 2 $ 1,088 $ 5,291 (1)The unobservable inputs used in the valuation of the mortgage loans held for investment at fair value include, among other items, the value of underlying collateral, from markets where there is little observable trading activity.(2)The unobservable inputs used in the valuation of the mortgage servicing rights include mortgage prepayment rates, discount rates and cost to service, which were 7.8%, 10.4%, and $0.073 per year per loan, respectively, as of September 30, 2024, and 8.6%, 10.3%, and $0.072 per year per loan, respectively, as of December 31, 2023. The high and low end of the range of unobservable inputs used in the valuation did not result in a significant change to the fair value measurement. During the period ended December 31, 2023, other financing obligations included $24.7 million related to insurance premium notes and certain secured borrowings that generally bore interest rates ranging from 4.8% to 7.7%, and $44.9 million related to outstanding borrowings on the construction loan agreements that bore a weighted average interest rate of 7.4%. Non-financial assets and liabilities include items such as inventory and property and equipment that are measured at fair value when acquired and as a result of impairments, if deemed necessary. During the three months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $10.6 million for two communities in our Century Complete and Southeast segments were not recoverable. During the nine months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $15.2 million for four communities in our Century Complete and Southeast segments were not recoverable. Accordingly, during the three and nine months ended September 30, 2024, we recognized impairment charges of an aggregate $1.4 million and $1.9 million, respectively, in order to record the communities at fair value. No impairment charges were recorded in the three and nine months ended September 30, 2023. When impairment charges are recognized, the estimated fair value of communities are determined through a discounted cash flow approach utilizing Level 3 inputs. Changes in our cash flow projections in future periods related to these communities may change our conclusions on the recoverability of inventory in the future.Â 14. Stock-Based Compensation During the nine months ended September 30, 2024 and 2023, we granted restricted stock units (which we refer to as â€œRSUsâ€) covering 0.2 million and 0.2 million shares of common stock, respectively, with a grant date fair value of $86.01 and $62.68 per share, respectively, that vest over a three year period. During the nine months ended September 30, 2024 and 2023, we granted 11.0 thousand and 11.0 thousand shares of common stock, respectively, on an unrestricted basis (which we refer to as â€œstock awardsâ€) with a grant date fair value of $82.84 and $65.77 per share, respectively, to our non-employee directors. During the nine months ended September 30, 2024 and 2023, we granted performance share units (which we refer to as â€œPSUsâ€) covering up to 0.3 million and 0.5 million shares of common stock assuming maximum level of performance with a grant date fair value of $82.23 and $60.05 per share, respectively, that are subject to both service and performance vesting conditions. The quantity of shares that will ultimately vest and be issued upon settlement of the PSUs ranges from 0% to 250% of a targeted number of shares and will be determined based on an achievement of a three year adjusted pre-tax income performance goal. During the nine months ended September 30, 2024 and 2023, we issued 0.2 million and 0.3 million shares of common stock, respectively, upon the vesting and settlement of PSUs that were granted in previous periods. Approximately 1.1 million shares will vest from 2025 to 2027 if the defined maximum performance targets are met, and no shares will vest if the defined minimum performance targets are not met. A summary of our outstanding PSUs, assuming the current estimated level of performance achievement, and RSUs are as follows (inÂ thousands, except years): September 30, 2024Unvested units 1,246Unrecognized compensation cost $ 32,079Weighted-average years to recognize compensation cost 1.46 16 Table of Contents During the three months ended September 30, 2024 and 2023, we recognized stock-based compensation expense of $7.4 million and $12.2 million, respectively. During the nine months ended September 30, 2024 and 2023, we recognized stock-based compensation expense of $18.1 million and $26.5 million, respectively. Stock-based compensation expense is included in selling, general, and administrative expense on our condensed consolidated statements of operations. Stock-based compensation expense for PSUs is initially estimated based on target performance achievement and adjusted as appropriate throughout the performance period. Accordingly, future compensation cost associated with outstanding PSUs may increase or decrease based on the probability and extent of achievement with respect to the applicable performance measures. Â 15. Stockholdersâ€™ Equity The Companyâ€™s authorized capital stock consists of 100.0 million shares of common stock, par value $0.01 per share, and 50.0 million shares of preferred stock, par value $0.01 per share. Earnings Per Share We use the treasury stock method to calculate earnings per share as our currently issued non-vested RSUs and PSUs do not have participating rights. The following table sets forth the computation of basic and diluted EPS for the three and nine months ended September 30, 2024 and 2023 (inÂ thousands, except share and per share information): Three Months Ended September 30, Nine Months Ended September 30, 2024 2023 2024 2023Numerator Net income $ 83,020 $ 83,150 $ 231,075 $ 167,906Denominator Weighted average common shares outstanding - basic 31,336,756 31,962,884 31,596,995 31,967,672Dilutive effect of stock-based compensation awards 688,259 274,138 520,922 233,005Weighted average common shares outstanding - diluted 32,025,015 32,237,022 32,117,917 32,200,677Earnings per share: Basic $ 2.65 $ 2.60 $ 7.31 $ 5.25Diluted $ 2.59 $ 2.58 $ 7.19 $ 5.21 Stock-based awards are excluded from the calculation of diluted EPS in the event they are subject to unsatisfied performance conditions or are antidilutive. We excluded 0.4 million and 0.9 million common stock unit equivalents from diluted earnings per share during the three months ended September 30, 2024 and 2023, respectively, and we excluded 0.4 million and 0.8 million common stock unit equivalents from diluted earnings per share during the nine months ended September 30, 2024 and 2023, respectively, related to the PSUs for which performance conditions remained unsatisfied. Â 17. Commitments and Contingencies Letters of Credit and Performance Bonds In the normal course of business, we post letters of credit and performance and other bonds primarily related to our land development performance obligations with local municipalities. As of September 30, 2024 and December 31, 2023, we had $527.9 million and $510.5 million, respectively, in letters of credit and performance and other bonds issued and outstanding. Legal Proceedings We are subject to claims and lawsuits that arise primarily in the ordinary course of business, which consist primarily of construction claims. It is the opinion of our management that if the claims have merit, parties other than the Company would be, at least in part, liable for the claims, and the eventual outcome of these claims will not have a material adverse effect upon our consolidated financial condition, results of operations, or cash flows. When we believe that a loss is probable and estimable, we record a charge on our condensed consolidated statements of operations for our estimated loss. Under various insurance policies, we have the ability to recoup costs in excess of applicable self-insured retentions.Â Estimates of such amounts are recorded in other assets on our condensed consolidated balance sheet when recovery is probable.Â We do not believe that the ultimate resolution of any claims and lawsuits will have a material adverse effect upon our consolidated financial position, results of operations, or cash flows. 18 Table of Contents ITEM 2.Â Â Â Â Â MANAGEMENTâ€™S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS. Business Overview Century is engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. In many of our projects, in addition to building homes, we entitle and develop the underlying land. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand has an emphasis on serving the entry-level homebuilding market but offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade opportunities. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade opportunities. Our homebuilding operations are organized into the following five reportable segments: West, Mountain, Texas, Southeast, and Century Complete. Our indirect wholly-owned subsidiaries, Inspire Home Loans Inc., Parkway Title, LLC, IHL Home Insurance Agency, LLC, and IHL Escrow Inc., which provide mortgage, title, insurance, and escrow services, respectively, primarily to our homebuyers, have been identified as our Financial Services segment. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. While we offer homes that appeal to a broad range of entry-level, move-up, and lifestyle homebuyers, our offerings are heavily weighted towards providing affordable housing options in each of our homebuyer segments. Additionally, we prefer building move-in-ready homes over built-to-order homes, which we believe allows for a faster construction process, advantageous pricing with subcontractors, and shortened time period from home sale to home delivery, thus allowing our customers greater certainty on their financing and allowing us to more appropriately price the homes and deploy our

capital. Of the 7,809 homes delivered during the first nine months of 2024, approximately 93% of our deliveries were made to entry-level homebuyers that were below the Federal Housing Administration-insured mortgage limits and approximately 98% of homes delivered were built as move-in ready homes. During 2024, we have completed two acquisitions. On July 31, 2024, we closed on the acquisition of substantially all the assets and operations and assumed certain liabilities of Anglia Homes LP (â€œAngliaâ€), a homebuilder with operations in the greater Houston, Texas area,Â for approximately $127.0 million in cash, inclusive of customary holdbacks. On January 22, 2024, we closed on the acquisition of substantially all the assets and assumed certain liabilities of Landmark Homes of Tennessee, Inc. (â€œLandmarkâ€), a homebuilder with operations, including six active communities, in Nashville, Tennessee, for approximately $33.4 million in cash, inclusive of customary holdbacks. Current housing market conditions demonstrate solid, underlying demand for affordable new homes and, coupled with a more recent moderation in mortgage rates, we experienced solid demand during the first nine months of 2024, as net new home contracts (new home contracts net of cancellations) for the three and nine months ended September 30, 2024 increased 19.3% and 26.5%, respectively, as compared to the same prior year periods. We have continued to provide, when necessary, incentive offerings across our communities during the first nine months of 2024, including discounts on base home prices, lot premiums, and options and upgrades and financing incentives, including interest rate buydowns. During the nine months ended September 30, 2024, cycle times have remained in the four- to five-month timeframe. We anticipate the homebuilding markets in each of our operating segments will continue to be tied to both the macro-economic environment and the local economy, and we expect our operating strategy will continue to adapt to market changes, though we cannot 20 Table of Contents provide any assurance that our strategies will remain consistent or continue to be successful. We believe future demand for our homes remains uncertain as future economic and market conditions remain uncertain, in particular with respect to inflation; the impact of potential future increases or decreases to the federal funds interest rate by the Federal Reserve; interest rates; availability and cost of mortgage loans to homebuyers; financial markets, credit and mortgage markets; the extent to which and how long government monetary directives, actions, and economic relief efforts will impact the U.S. economy; consumer confidence; wage growth; household formations; levels of new and existing homes for sale; prevailing home and rental prices; availability and cost of land, labor and construction materials; demographic trends; housing demand; the effect of the U.S. Presidential election on the economy, consumer confidence and homebuilding; and other factors, including those described elsewhere in this Form 10-Q. Specifically, changes in mortgage interest rates impact the costs of owning a home and affect the purchasing power of our customers and could impact homebuyer confidence. Changes in demand for our homes or cancellations due to mortgage interest rates or otherwise affect our operating results in future periods, including our net sales, home deliveries, gross margin, origination volume of and revenues from our Financial Services segment, and net income. As a result, our past performance may not be indicative of our future results. We believe we are well-positioned to benefit from any future declines in mortgage interest rates, the ongoing shortage of both new and resale homes available for purchase in our key markets, and the favorable demographics that support the need for new affordable housing. We believe our operations are prepared to withstand volatility in future market conditions as a result of our product offerings which both span the home buying segment and focus on affordable price points, and our current and future inventories of attractive land positions. We have continued to focus on maintaining an appropriate balance of home and land inventories in relation to anticipated future demand, as well as prudent leverage, and, as a result, we believe we are well positioned to continue to execute on our strategy to optimize stockholder returns. Results of Operations During the three and nine months ended September 30, 2024, we generated $109.9 million and $304.9 million, respectively, in income before income tax expense, as compared to $112.0 million and $224.8 million, respectively, in the respective prior year periods. During the three and nine months ended September 30, 2024, we generated net income of $83.0 million, or $2.59 per diluted share, and $231.1 million, or $7.19 per diluted share, respectively, as compared to $83.2 million, or $2.58 per diluted share, and $167.9 million, or $5.21 per diluted share, respectively, in the respective prior year periods. During the three and nine months ended September 30, 2024, we generated total revenues of $1.1 billion and $3.1 billion, respectively, which represent increases of 27.8% and 25.7%, respectively, as compared to the respective prior year periods, driven primarily by increased home sales revenue from increased number of homes available for sale and increased average sales prices. During the three and nine months ended September 30, 2024, we delivered 2,834 and 7,809 homes, respectively, with an average sales price of $393.8 thousand and $391.3 thousand, respectively. The number of homes delivered increased by 25.2% and 21.8%, respectively, during the three and nine months ended September 30, 2024, as compared to the respective prior year periods, representing growth across all of our segments. Average sales price increased 3.1% and 3.7%, respectively, during the three and nine months ended September 30, 2024, as compared to the respective prior year periods. During the three and nine months ended September 30, 2024, net new contracts increased 19.3% and 26.5%, respectively, to 2,563 and 8,209, respectively, as compared to the respective prior year periods. We ended the third quarter of 2024 with $149.2 million of cash and cash equivalents and $70.8 million of cash held in escrow. We had $414.0 million outstanding under our revolving line of credit, with a homebuilding debt to capital ratio of 35.8% and a net homebuilding debt to net capital ratio of 32.1%. During the three and nine months ended September 30, 2024, we paid quarterly cash dividends to our stockholders of $0.26 per share, which represents a 13% increase from the $0.23 per share quarterly dividends paid during the three and nine months ended September 30, 2023. During the nine months ended September 30, 2024, we have continued to strategically increase our lot pipeline, including both organically and through acquisitions, resulting in 80,121 lots owned and controlled at September 30, 2024. For the three and nine months ended September 30, 2024, our Financial Services segment generated income before income tax of $3.1 million and $18.8 million, respectively, representing a decrease of 74.8% and 36.9%, respectively, as compared to the respective prior year periods.Â During the three and nine months ended September 30, 2024, the number of mortgages originated increased 45.5% and 41.6%, respectively, as compared to the respective prior year periods, which benefited from increased capture rates, and the number of loans sold to third parties increased 35.5% and 37.0%, respectively, as compared to the respective prior year periods. While total loan origination volumes increased during the three and nine months ended September 30, 2024, the decrease in income before income tax is primarily driven by lower margins on mortgages originated due to a more competitive market, as well as a decrease in the fair value of our mortgage servicing rights portfolio. Our Century Living operations are engaged in the development, construction and management of multi-family rental properties in Colorado, and currently comprise over 1,200 total units. As of September 30, 2024, one project had been successfully completed and available for leasing, and three projects remain under construction, two of which were available for pre-leasing. As of September 30, 2024, 407 units had been completed, 193 units of which were occupied, and 872 units were under development. 21 Table of Contents The following table summarizes our results of operations for the three and nine months ended September 30, 2024 and 2023: (in thousands, except per share amounts) Three Months Ended September 30, Nine Months Ended September 30, 2024 2023 2024 2023Consolidated Statements of Operations: Revenues Home sales revenues $ 1,116,125 $ 865,065 $ 3,055,941 $ 2,419,025 Land sales and other revenues 650 722 2,242 3,811 Total homebuilding revenues 1,116,775 865,787 3,058,183 2,422,836 Financial services revenues 20,091 23,636 66,676 63,768 Total revenues 1,136,866 889,423 3,124,859 2,486,604 Homebuilding cost of revenues Cost of home sales revenues (873,081) (652,411) (2,386,208) (1,910,630) Cost of land sales and other revenues (170) â€” (207) (375) Total homebuilding cost of revenues (873,251) (652,411) (2,386,415) (1,911,005) Financial services costs (17,021) (11,432) (47,894) (33,983) Selling, general, and administrative (132,972) (111,918) (373,054) (315,351) Inventory impairment (1,373) â€” (1,942) â€” Other income (expense) (2,337) (1,663) (10,690) (1,509) Income before income tax expense 109,912 111,999 304,864 224,756 Income tax expense (26,892) (28,849) (73,789) (56,850) Net income $ 83,020 $ 83,150 $ 231,075 $ 167,906 Earnings per share: Basic $ 2.65 $ 2.60 $ 7.31 $ 5.25 Diluted $ 2.59 $ 2.58 $ 7.19 $ 5.21 Adjusted diluted earnings per share(1) $ 2.72 $ 2.58 $ 7.56 $ 5.21 Other Operating Information (dollars in thousands): Number of homes delivered 2,834 2,264 7,809 6,411 Average sales price of homes delivered $ 393.8 $ 382.1 $ 391.3 $ 377.3 Homebuilding gross margin percentage(2) 21.7% 24.6% 21.9% 21.0%Adjusted homebuilding gross margin excluding interest, inventory impairment, and purchase price accounting for acquired work in process inventory (1) 23.6% 25.8% 23.5% 22.3%Backlog at end of period, number of homes 1,580 1,887 1,580 1,887 Backlog at end of period, aggregate sales value $ 671,404 $ 707,169 $ 671,404 $ 707,169 Average sales price of homes in backlog $ 424.9 $ 374.8 $ 424.9 $ 374.8 Net new home contracts 2,563 2,149 8,209 6,488 Selling communities at period end 305 252 305 252 Average selling communities 290 246 269 233 Total owned and controlled lot inventory 80,121 68,570 80,121 68,570 Adjusted EBITDA(1) $ 137,126 $ 125,268 $ 377,388 $ 260,073 Adjusted income before income tax expense(1) $ 114,731 $ 111,999 $ 320,527 $ 224,756 Adjusted net income(1) $ 86,962 $ 83,150 $ 242,947 $ 167,906 Net homebuilding debt to net capital (1) 32.1% 25.3% 32.1% 25.3% (1) This is a non-GAAP financial measure and should not be used as a substitute for our operating results prepared in accordance with GAAP. The increases in the number of homes delivered were primarily driven by increases in the number of homes under construction, and the average sales price increases were driven by the mix of deliveries within individual communities. Mountain During the three and nine months ended September 30, 2024, our Mountain segment generated income before income tax expense of $31.8 million and $93.9 million, respectively, an increase of 24.8% and 20.5%, respectively, over the respective prior year period, which were driven by increases in home sales revenue of $64.2 million and $102.4 million, respectively. The increases in the number of homes delivered were primarily driven by increases in the number of homes under construction, and the average sales price increases were driven by the mix of deliveries within individual communities. Texas During the three months ended September 30, 2024, our Texas segment generated income before income tax expense of $14.7 million, a decrease of 10.3% over the prior year period, which was primarily driven by a decrease of 5.5% in the percentage of income before income tax expense to home sales revenues due to a decreased gross margin on home sales, which included purchase price accounting of $2.7 million related to our purchase of Anglia. This decrease was partially offset by an increase in home sales revenue of $47.8 23 Table of Contents million, primarily driven by an increase of 38.7% in the number of homes delivered and an increase of 2.9% in the average sales price per home. During the nine months ended September 30, 2024, our Texas segment generated income before income tax expense of $46.4 million, an increase of 47.2% over the prior year period, which was driven by an increase in home sales revenue of $109.0 million. an increase of 24.2% in the number of homes delivered, and an increase of 7.3% in the average sales price per home. For both the three- and nine-month comparisons, the increases in the number of homes delivered were primarily driven by increases in the number of homes under construction, and the average sales price increases were driven by the mix of deliveries within individual communities. Southeast During the three months ended September 30, 2024, our Southeast segment generated income before income tax expense of $27.2 million, a decrease of 19.3% over the prior year period, which was primarily driven by a decrease of 5.4% in the percentage of income before income tax expense to home sales revenues due to a decreased margin on home sales and impairment recognized during the current year period. This decrease was partially offset by an increase in home sales revenue of $15.4 million, primarily driven by an increase of 13.0% in the number of homes delivered, and partially offset by a decrease of 3.2% in the average sales price per home. During the nine months ended September 30, 2024, our Southeast segment generated income before income tax expense of $73.9 million, an increase of 16.0% over the prior year period, which was driven by an increase in home sales revenue of $126.6 million. The revenue increase was primarily driven by an increase of 35.7% in the number of homes delivered, and partially offset by a decrease of 1.0% in the average sales price per home. For both the three- and nine-month comparisons, the increases in the number of homes delivered were primarily driven by increases in the number of homes under construction, and the average sales price decreases were driven by the mix of deliveries within individual communities. Century Complete During the three and nine months ended September 30, 2024, our Century Complete segment generated income before income tax expense of $34.1 million and $84.2 million, respectively, an increase of 10.3% and 37.6%, respectively, over the respective prior year period, which increases were driven by increases in home sales revenue of $50.7 million and $118.0 million, respectively. The revenue increases for the three and nine- month comparisons were primarily driven by an increase of 23.9% and 17.6%, respectively, in the number of homes delivered, primarily driven by increases in the number of homes under construction. Financial Services Our Financial Services segment originates mortgages primarily for our homebuyers, and as such, the volume of loans originated typically correlates to our number of homes delivered. Fluctuations in financial services income before income tax may occur because some components of revenue fluctuate differently than loan volumes, and some expenses are not directly related to mortgage loan volume or to changes in the amount of revenue earned. For the three and nine months ended September 30, 2024, our Financial Services segment generated income before income tax of $3.1 million and $18.8 million, respectively, representing a decrease of 74.8% and 36.9%, respectively, as compared to the respective prior year periods.Â During the three and nine months ended September 30, 2024, the number of mortgages originated increased 45.5% and 41.6%, respectively, as compared to the respective prior year periods, which benefited from increased capture rates, and the number of loans sold to third parties increased 35.5% and 37.0%, respectively, as compared to the respective prior year periods. While total loan origination volumes increased during the three and nine months ended September 30, 2024, the decrease in income before income tax is primarily driven by lower margins on mortgages originated due to a more competitive market, as well as a decrease in the fair value of our mortgage servicing rights portfolio. 24 Table of Contents The following table presents selected operational data for our Financial Services segment in relation to our loan origination activities (dollars in thousands): Three Months Ended September 30, Nine Months Ended September 30, 2024 2023 2024 2023Total originations: Number of loans 1,862 1,280 5,118 3,615 Principal$ 663,789 $ 443,829 $ 1,819,786 $ 1,248,998 Capture rate of Century homebuyers 84% 71% 82% 70%Century Communities 89% 77% 87% 76%Century Complete 74% 59% 72% 59%Average FICO score 729 727 728 725 Century Communities 736 731 735 730 Century Complete 714 719 714 715 Loans sold to third parties: Number of loans sold 1,873 1,382 5,102 3,725 Principal$ 661,670 $ 473,400 $ 1,807,406 $ 1,281,823 Corporate During the three and nine months ended September 30, 2024, our Corporate segment generated losses of $36.1 million and $106.4 million, respectively as compared to a losses of $38.0 million and $93.7 million, respectively, during the same respective periods in 2023. The decrease in loss for the three-month comparison was primarily due to a decrease in compensation costs as compared to the prior year period. The increase in loss for the nine-month comparison was primarily due to increased insurance and acquisition costs and a reduction in interest income as compared to the prior year period, as well as a $7.7 million impairment related to other investments during the nine months ended September 30, 2024. Homebuilding Gross Margin Homebuilding gross margin represents home sales revenues less cost of home sales revenues and inventory impairment, if applicable. Our homebuilding gross margin percentage, which represents homebuilding gross margin divided by home sales revenues, decreased to 21.7% for the three months ended September 30, 2024 as compared to 24.6% in the prior year period, and increased to 21.9% during the nine months ended September 30, 2024 as compared to 21.0% in the prior year period.Â The decrease for the three-month comparison was primarily driven by higher incentives in the current year period. The increase for the nine-month comparison was primarily driven by deliveries during the prior year period that carried higher incentives. 25 Table of Contents In the following table, we calculate our homebuilding gross margin and our adjusted homebuilding gross margin, as adjusted to exclude inventory impairment, if applicable, and interest in cost of home sales revenues, and further adjusted to exclude the effect of purchase price accounting for acquired work in process inventory, if applicable. Â Â For the three and nine months ended September 30, 2024, our adjusted homebuilding gross margin percentage, excluding inventory impairment (if applicable), interest in cost of home sales revenues, and purchase price accounting for work in process inventory (if applicable), was 23.6% and 23.5%, respectively, as compared to 25.8% and 22.3% for the same respective periods in 2023. We believe the above information is meaningful as it isolates the impact that inventory impairment (if applicable), indebtedness, and acquisitions (if applicable) have on our homebuilding gross margin and allows for comparability of our homebuilding gross margins to previous periods and our competitors. 26 Table of Contents Selling, General and Administrative Expense (dollars in thousands) Three Months Ended September 30, Change 2024 2023 Amount % Selling, general and administrative $ 132,972 $ 111,918 $ 21,054 18.8%As a percentage of home sales revenue 11.9% 12.9% Nine Months Ended September 30, Change 2024 2023 Amount % Selling, general and administrative $ 373,054 $ 315,351 $ 57,703 18.3%As a percentage of home sales revenue 12.2% 13.0% Our selling, general and administrative expense increased $21.1 million and $57.7 million for the three and nine months ended September 30, 2024, respectively, as compared to the respective prior year periods. For both the three and nine-month comparisons, these increases were primarily attributable to an increase in internal and external commission expense associated with the increase in home sales revenue and increased compensation and other costs due to increased active community count. As a percentage of home sales revenue, our selling, general and administrative expense decreased 100 basis points and 80 basis points during the three and nine months ended September 30, 2024, respectively, driven primarily by increased revenue on a partially fixed cost base. Income Tax Expense At the end of each interim period, we are required to estimate our annual effective tax rate for the fiscal year and to use that rate to provide for income taxes for the current year-to-date reporting period. Our 2024 estimated annual effective tax rate, before discrete items, of 24.6%, is driven by our blended federal and state statutory rate of 24.6%, and certain permanent differences between GAAP and tax, including disallowed deductions for executive compensation offset by estimated federal energy home credits for current year home deliveries. For the nine months ended September 30, 2024, our estimated annual rate of 24.6% was benefitted by discrete items which had a net impact of decreasing our rate by 0.4%, including the impact of excess tax benefits for vested stock-based compensation. For the three months ended September 30, 2024 and 2023, we recorded income tax expense of $26.9 million and $28.8 million, respectively. For the nine months ended September 30, 2024 and 2023, we recorded income tax expense of $73.8 million and $56.9 million, respectively. Supplemental Guarantor Information Our 6.750% senior notes due 2027 (which we collectively refer to as our â€œ2027 Notesâ€) and our 3.875% senior notes due 2029 (which we collectively refer to as our â€œ2029 Notesâ€ and together with the 2027 Notes, the â€œSenior Notesâ€) are our unsecured senior obligations and are fully and unconditionally guaranteed on an unsecured basis, jointly and severally, by substantially all of our direct and indirect wholly-owned operating subsidiaries (which we refer to collectively as â€œGuarantorsâ€). Our subsidiaries associated with our Financial Services operations (referred to as â€œNon-Guarantorsâ€) do not guarantee the Senior Notes. The guarantees are senior unsecured obligations of the Guarantors that rank equal with all existing and future senior debt of the Guarantors and senior to all subordinated debt of the Guarantors. The guarantees are effectively subordinated to any secured debt of the Guarantors. As of September 30, 2024, Century Communities, Inc. had outstanding $1.0 billion in total principal amount of Senior Notes. Each of the indentures governing our Senior Notes provides that the guarantees of a Guarantor will be automatically and unconditionally released and discharged: (1) upon any sale, transfer, exchange or other disposition (by merger, consolidation or otherwise) of all of the equity interests of such Guarantor after which the applicable Guarantor is no longer a â€œRestricted Subsidiaryâ€ (as defined in the respective indentures), which sale, transfer, exchange or other disposition does not constitute an â€œAsset Saleâ€ (as defined in the respective indentures) or is made in compliance with applicable provisions of the applicable indenture; (2) upon any sale, transfer, exchange or other disposition (by merger, consolidation or otherwise) of all of the assets of such Guarantor, which sale, transfer, exchange or other disposition does not constitute an Asset Sale or is made in compliance with applicable provisions of the applicable indenture; provided, that after such sale, transfer, exchange or other disposition, such Guarantor is an â€œImmaterial Subsidiaryâ€ (as defined in the respective indentures); (3) unless a default has occurred and is continuing, upon the release or discharge of such Guarantor from its guarantee of any indebtedness for borrowed money of the Company and the Guarantors so long as such Guarantor would not then otherwise be required to provide a guarantee pursuant to the applicable indenture; provided that if such Guarantor has incurred any indebtedness in reliance on its status as a Guarantor in compliance with applicable provisions of the applicable Indenture, such Guarantorâ€™s obligations under such indebtedness, as the case may be, so incurred are satisfied in full and discharged or are otherwise permitted to be incurred by a Restricted Subsidiary (other than a Guarantor) in compliance with applicable provisions of the applicable Indenture; (4) upon the designation of such Guarantor as an â€œUnrestricted Subsidiaryâ€ (as defined in the respective Indentures), in accordance with the applicable indenture; (5) if the Company exercises its legal defeasance option or covenant defeasance option under the applicable indenture or if the obligations of the Company and the Guarantors are discharged in compliance with applicable provisions of the applicable indenture, upon such exercise or discharge; or (6) in connection with the dissolution of such Guarantor under applicable law in accordance with the applicable indenture. If a guarantor were to become a debtor in a case under the US Bankruptcy Code, a court may decline to enforce its guarantee of the Senior Notes. This may occur when, among other factors, it is found that the guarantor originally received less than fair consideration for the guarantee and the guarantor would be rendered insolvent by enforcement of the guarantee. On the basis of historical financial information, operating history and other factors, we believe that each of the guarantors, after giving effect to the issuance of its guarantee of the Senior Notes when the guarantee was issued, was not insolvent and did not and has not incurred debts beyond its ability to pay 30 Table of Contents such debts as they mature. The Company cannot predict, however, what standard a court would apply in making these determinations or that a court would agree with our conclusions in this regard. Only the 2027 Notes and the related guarantees are registered securities under the Securities Act of 1933, as amended (the â€œSecurities Actâ€). The offer and sale of the 2029 Notes and the related guarantees were not and will not be registered under the Securities Act or the securities laws of any other jurisdiction and instead were issued in reliance upon an exemption from such registration. Unless they are subsequently registered under the Securities Act, neither the 2029 Notes nor the related guarantees may be offered and sold only in transactions that are exempt from the registration requirements under the Securities Act and the applicable securities laws of any other jurisdiction. The Guarantorsâ€™ condensed supplemental financial information is presented in this report as if the Senior Note guarantees existed during the periods presented pursuant to applicable SEC rules and guidance. If any Guarantors are released from the guarantees in future periods, the changes are reflected prospectively. We have determined that separate, full financial statements of the Guarantors would not be material to investors, and accordingly, supplemental financial information is presented below. We base our estimates and judgments on historical experiences and various other factors that we believe to be appropriate under the circumstances. Actual results may differ from these estimates, and the estimates included in our financial statements might be impacted if we used different assumptions or conditions. A summary of our critical accounting policies is included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, filed with the SEC on February 5, 2024, in the section entitled â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€”Critical Accounting Policies.â€Â Liquidity and Capital Resources Overview Our liquidity, consisting of our cash and cash equivalents and cash held in escrow and revolving line of credit availability, was $605.9 million as of September 30, 2024 and $1.1 billion as of December 31, 2023. Our principal uses of capital for the nine months ended September 30, 2024 were our land purchases, land development, home construction, the acquisition of Anglia and Landmark, share repurchases, dividends, and the payment of routine liabilities. Cash flows for each of our communities depend on the stage in the development cycle and can differ substantially from reported earnings. Early stages of development or expansion require significant cash outlays for land acquisitions, entitlements and other approvals, and construction of model homes, roads, utilities, general landscaping and other amenities. Because these costs are a component of our inventory and not recognized in our consolidated statements of operations until a home closes, we incur significant cash outlays prior to our recognition of earnings. In the later stages of community development, cash inflows may significantly exceed earnings reported for financial statement purposes, as the cash outflow associated with home and land construction was previously incurred. From a liquidity standpoint, we continue to acquire and develop lots in our markets when they meet our current investment criteria. Short-term Liquidity and Capital Resources We use funds generated by operations, available borrowings under our revolving line of credit, and proceeds from issuances of debt or equity to fund our short-term working capital obligations and our purchases of land, as well as land development, home construction activities, and other cash needs. We had $414.0 million outstanding under our revolving line of credit as of September 30, 2024, as compared to no amounts outstanding as of December 31, 2023, which increase was primarily driven by increased community count and an increase in our investment in homes under construction during the period, as well as our acquisitions of Anglia and Landmark. Our Financial Services operations use funds generated from operations and availability under our mortgage repurchase facilities to finance its operations, including originations of mortgage loans to our homebuyers. Our Century Living operations use excess cash from our operations, as well as project specific secured financing under construction loan agreements to fund development of multi-family projects. We believe that we will be able to fund our current liquidity needs for at least the next twelve months with our cash on hand, cash generated from operations, and cash expected to be available from our revolving line of credit or through accessing debt or equity capital, as needed or appropriate, although no assurance can be provided that such additional debt or equity capital will be available or on acceptable terms based on the macro-economy and market conditions at the time. In a higher interest rate environment, we may incur additional interest expense on borrowings that bear floating interest rates, such as our revolving line of credit. We believe we are well positioned from a cash and liquidity standpoint to operate in an uncertain environment, and to pursue other ways to properly deploy capital to enhance returns, which may include taking advantage of strategic opportunities as they arise. Long-term Liquidity and Capital Resources Beyond the next twelve months, we believe that our principal uses of capital will be land and inventory purchases and other expenditures, as well as principal and interest payments on our long-term debt obligations. We believe that we will be able to fund our long-term liquidity needs with cash generated from operations and cash expected to be available from our revolving line of credit or through accessing debt or equity capital, as needed or appropriate, although no assurance can be provided that such additional debt or equity capital will be available, or on favorable terms, especially if interest rates remain high. In a higher interest rate environment, we may incur additional interest expense on borrowings that bear floating interest rates, such as under our revolving line of credit, repurchase facilities, and construction loan agreements. To the extent these sources of capital are insufficient to meet our needs, we may also conduct additional public or private offerings of our securities, refinance debt, or dispose of certain assets to fund our operating activities and capital needs. 32 Table of Contents Material Cash Requirements In the normal course of business, we enter into contracts and commitments that obligate us to make payments in the future in addition to our outstanding debt obligations and debt service requirements described below. These obligations impact our short-term and long-term liquidity and capital resource needs. For the three and nine months ended September 30, 2024, there were no material changes to the contractual obligations we previously described in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. In the ordinary course of business, we enter into land purchase contracts in order to procure lots for the construction of our homes. We are subject to customary obligations associated with entering into contracts for the purchase of land and improved lots. Purchase and option contracts for the purchase of land enable us to defer acquiring portions of properties owned by third parties until we have determined whether to exercise our option, which may serve to reduce our financial risks associated with long-term land holdings. These purchase contracts typically require a cash deposit, and the purchase of properties under these contracts is generally contingent upon satisfaction of certain requirements, including obtaining applicable property and development entitlements. We also utilize option contracts with land sellers and others as a method of acquiring land in staged takedowns, to help us manage the financial and market risk associated with land holdings, and to reduce the use of funds from our corporate financing sources. Option contracts generally require payment by us of a non-refundable deposit for the right to acquire lots over a specified period of time at pre-determined prices. Our obligations with respect to purchase contracts and option contracts are generally limited to the forfeiture of the related non-refundable cash deposits. As of September 30, 2024, we had outstanding purchase contracts and option

contracts for 44,435 lots totaling approximately $2.6 billion and we had $94.4 million of deposits for land contracts, of which $56.0 million were non-refundable cash deposits pertaining to land contracts. For contracts for which cash deposits were non-refundable, and subject to the terms of the outstanding contracts continuing to meet our investment criteria, we currently anticipate performing on the majority of our purchase and option contracts during the next 24 months. Our performance, including the timing and amount of purchase, if any, under these outstanding purchase and option contracts is subject to change and dependent on future market conditions. Our utilization of land option contracts is dependent on, among other things, the availability of land sellers willing to enter into option takedown arrangements, the availability of capital to financial intermediaries to finance the development of optioned lots, general housing market conditions, and local market dynamics. Options may be more difficult to procure from land sellers in strong housing markets and are more prevalent in certain geographic regions. In addition, in the ordinary course of business, we explore, and from time to time, enter into purchase agreements to opportunistically acquire other homebuilders to add existing and future lots to our land portfolio and augment the organic expansion of our land portfolio. These acquisitions are often legally structured as asset acquisitions for cash and conditioned upon a due diligence investigation by us of the business for a limited period of time, in addition to other standard and customary closing conditions. Outstanding Debt Obligations and Debt Service Requirements One of our principal liquidity needs is the payment of principal and interest on our outstanding indebtedness. Our outstanding indebtedness is described in detail in Note 10 â€“ Debt in the Notes to the Condensed Consolidated Financial Statements. We are required to meet certain covenants, and as of SeptemberÂ 30, 2024, we were in compliance with all such covenants and requirements under the agreements governing our revolving line of credit, mortgage repurchase facilities, and construction loan agreements. See Note 10 â€“ Debt in the Notes to the Condensed Consolidated Financial Statements for further detail. Our outstanding debt obligations included the following as of September 30, 2024 and December 31, 2023 (inÂ thousands): Â September 30, December 31, 2024 20233.875% senior notes, due August 2029(1) $ 496,235 $ 495,6566.750% senior notes, due June 2027(1) 497,823 497,210Other financing obligations(2) 124,885 69,605Notes payable 1,118,943 1,062,471Revolving line of credit 414,000 â€”Mortgage repurchase facilities 247,214 239,298Total debt $ 1,780,157 $ 1,301,769Â (1)The carrying value of the senior notes reflects the impact of premiums, discounts, and issuance costs that are amortized to interest cost over the respective terms of the senior notes. 33 Table of Contents Â (2)As of September 30, 2024, other financing obligations included $14.5 million related to insurance premium notes and certain secured borrowings, as well as $110.3 million outstanding under construction loan agreements, as described below. As of December 31, 2023, other financing obligations included $24.7 million related to insurance premium notes and certain secured borrowings, as well as $44.9 million outstanding under construction loan agreements. We may from time to time seek to refinance or increase our outstanding debt or retire or purchase our outstanding debt through cash purchases and/or exchanges for equity securities, in open market purchases, privately negotiated transactions or otherwise. Such repurchases or exchanges, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions and other factors. The amounts involved may or may not be material during any particular reporting period. Letters of Credit and Performance Bonds In the normal course of business, we post letters of credit and performance and other bonds primarily related to our land development performance obligations with local municipalities. As of September 30, 2024 and December 31, 2023, we had $527.9 million and $510.5 million, respectively, in letters of credit and performance and other bonds issued and outstanding. Although significant development and construction activities have been completed related to the improvements at these sites, the letters of credit and performance and other bonds are not generally fully released until all development and construction activities are completed. Construction Loan Agreements Certain wholly owned subsidiaries of Century Living, LLC are parties to construction loan agreements with various banks (which we collectively refer to as â€œthe lendersâ€). These construction loan agreements collectively provide that we may borrow up to an aggregate of $187.6 million from the lenders for purposes of construction of multi-family projects in Colorado, with advances made by the lenders upon the satisfaction of certain conditions. Borrowings under the construction loan agreements bear interest at various rates, including a fixed rate and floating interest rates per annum equal to the Secured Overnight Financing Rate (which we refer to as â€œSOFRâ€) and the Bloomberg Short-term Bank Yield Index, plus an applicable margin. The outstanding principal balances and all accrued and unpaid interest is due on varying maturity dates from March 17, 2026 through March 17, 2028, with certain of the construction loan agreements allowing for the option to extend the maturity dates for a period of 12 months if certain conditions are satisfied. The construction loan agreements contain customary affirmative and negative covenants (including covenants related to construction completion, and limitations on the use of loan proceeds, transfers of land, equipment, and improvements), as well as customary events of default. Interest on our construction loan agreements is capitalized to the multi-family properties assets included in prepaid expenses and other assets on the condensed consolidated balance sheets while the related multi-family rental properties are being actively developed. As of September 30, 2024, $110.3 million was outstanding under the construction loan agreements, with borrowings that bore a weighted average interest rate of 7.2% as of September 30, 2024, and we were in compliance with all covenants thereunder. Revolving Line of Credit We are party to a Second Amended and Restated Credit Agreement, as amended, (which we refer to as the â€œSecond A&R Credit Agreementâ€) with Texas Capital Bank, National Association, as Administrative Agent and L/C Issuer, and the lenders party thereto. The Second A&R Credit Agreement, which amended and restated our prior Amended and Restated Credit Agreement, provides us with a senior unsecured revolving line of credit (which we refer to as the â€œrevolving line of creditâ€) of up to $800.0 million, and unless terminated earlier, will mature on April 30, 2026. The revolving line of credit includes a $250.0 million sublimit for standby letters of credit and a $50.0 million sublimit for swingline loans. Under the terms of the Second A&R Credit Agreement, we are entitled to request an increase in the size of the revolving line of credit by an amount not exceeding $200.0 million. Our obligations under the Second A&R Credit Agreement are guaranteed by certain of our subsidiaries. The Second A&R Credit Agreement contains customary affirmative and negative covenants (including limitations on our ability to grant liens, incur additional debt, pay dividends, redeem our common stock, make certain investments and engage in certain merger, consolidation or asset sale transactions), as well as customary events of default. Borrowings under the Second A&R Credit Agreement are based on an adjusted term SOFR reference rate, which equals the greater of (i) 0.50% or (ii) the one-month quotation of the SOFR administered by the Federal Reserve Bank of New York, plus 0.10%. As of September 30, 2024, $414.0 million was outstanding under our revolving line of credit, with borrowings that bore an interest rate of 7.4%, and were in compliance with all covenants under the Second A&R Credit Agreement. As of December 31, 2023, no amount was outstanding under the revolving line of credit. 34 Table of Contents Mortgage Repurchase Facilities â€“ Financial Services Inspire is party to mortgage warehouse facilities with J.P. Morgan Chase Bank, N.A., U.S. Bank National Association and Truist Bank, which provide Inspire with uncommitted repurchase facilities of up to an aggregate of $475.0 million as of September 30, 2024, secured by the mortgage loans financed thereunder. The repurchase facilities have varying short term maturity dates through September 26, 2025. Borrowings under the mortgage repurchase facilities bear interest at variable interest rates per annum equal to SOFR plus an applicable margin, and bore a weighted average interest rate of 6.8% as of September 30, 2024. Amounts outstanding under the repurchase facilities are not guaranteed by us or any of our subsidiaries, and the agreements contain various affirmative and negative covenants applicable to Inspire that are customary for arrangements of this type. As of September 30, 2024 and December 31, 2023, we had $247.2 million and $239.3 million outstanding under the repurchase facilities, respectively, and were in compliance with all covenants thereunder. Stock Repurchases Our stock repurchase programs, authorized by our Board of Directors, authorize us to repurchase up to 9.0 million shares of our outstanding common stock, of which 5.1 million shares remained available to be repurchased as of September 30, 2024. We did not repurchase any shares of our common stock during the three months ended September 30, 2024. During the nine months ended September 30, 2024, an aggregate of 651.9 thousand shares were repurchased for a total purchase price of approximately $53.1 million and a weighted average price of $81.49 per share. During the three and nine months ended September 30, 2023, an aggregate of 247.8 thousand and 278.2 thousand shares, respectively, were repurchased for a total purchase price of approximately $17.3 million and $19.2 million, respectively, and a weighted average price of $69.61 and $69.09 per share, respectively. Under the terms of these programs, shares may be repurchased from time to time in open market transactions at prevailing market prices, in privately negotiated transactions or by other means in accordance with federal securities laws. The actual manner, timing, amount and value of repurchases under the stock repurchase program is determined by management at its discretion and depends on a number of factors, including, among others, the market price of our common stock, trading volume, our available cash balance, our anticipated working capital needs, other capital management objectives and opportunities, applicable legal requirements, applicable tax effects including the 1% excise tax instituted under the Inflation Reduction Act of 2022, and general market and economic conditions. We finance any stock repurchases through available cash and our revolving line of credit. Repurchases also may be made under a trading plan under Rule 10b5-1 under the Securities Exchange Act of 1934, which would permit shares to be repurchased when we otherwise may be precluded from doing so because of self-imposed trading blackout periods or other regulatory restrictions. Our stock repurchase programs have no expiration dates and may be extended, suspended or discontinued by our Board of Directors at any time without notice at our discretion. All shares of common stock repurchased under the programs will be cancelled and returned to the status of authorized but unissued shares of common stock. 35 Table of Contents Cash Dividends The following table sets forth cash dividends declared by our Board of Directors to holders of record of our common stock during the nine months ended September 30, 2024 and 2023, respectively (in thousands, except per share information): Nine Months Ended September 30, 2024 Cash Dividends Declared and PaidDeclaration Date Record Date Paid Date Per Share AmountFebruary 7, 2024 February 28, 2024 March 13, 2024 $0.26 $8,264May 15, 2024 May 29, 2024 June 12, 2024 $0.26 $8,217August 14, 2024 August 28, 2024 September 11, 2024 $0.26 $8,148 Nine Months Ended September 30, 2023 Cash Dividends Declared and PaidDeclaration Date Record Date Paid Date Per Share AmountFebruary 8, 2023 March 1, 2023 March 15, 2023 $0.23 $7,365May 17, 2023 May 31, 2023 June 14, 2023 $0.23 $7,368August 16, 2023 August 30, 2023 September 13, 2023 $0.23 $7,341 We expect to continue paying our quarterly cash dividends to stockholders for the remainder of 2024. However, the declaration and payment of future cash dividends on our common stock, whether at current levels or at all, are at the discretion of our Board of Directors and depend upon, among other things, our expected future earnings, cash flows, capital requirements, access to external financing, debt structure and any adjustments thereto, operational and financial investment strategy and general financial condition, as well as general business conditions. Cash Flowsâ€” Nine Months Ended September 30, 2024 Compared to the Nine Months Ended September 30, 2023 For the nine months ended September 30, 2024 and 2023, the comparison of cash flows is as follows: ï‚·Our primary sources of cash flows from operations are from the sale of single-family attached and detached homes and mortgages. Our primary uses of cash flows from operations are the acquisition of land and expenditures associated with the construction of our single-family attached and detached homes and the origination of mortgages held for sale. Net cash used in operating activities was $174.0 million during the nine months ended September 30, 2024 as compared to net cash provided by operating activities of $33.0 million during the prior year period. This change is primarily a result of increased expenditures related to land acquisition and expenditures associated with the construction of homes during the nine months ended September 30, 2024 as compared to the nine months ended September 30, 2023. These increased expenditures were primarily offset by a $63.2 million increase in net income. ï‚·Net cash used in investing activities increased to $277.7 million during the nine months ended September 30, 2024, compared to $74.6 million used during the prior year period. This increase was primarily related to (1) $157.1 million in expenditures related to our acquisitions of Anglia and Landmark during the nine months ended September 30, 2024 and (2) a $38.2 million increase in expenditures related to the development, construction, and management of multi-family rental properties by our wholly owned subsidiary, Century Living. ï‚·Net cash provided by financing activities was $388.6 million during the nine months ended September 30, 2024, compared to net cash used in financing activities of $56.8 million during the prior year period. This change was primarily attributable to (1) a $414.0 increase in borrowings under our revolving credit facility; (2) a $43.4 million increase in net proceeds for our mortgage repurchase facilities; and (3) a $44.0 million increase in borrowings under construction loan agreements, in each case, during the nine months ended September 30, 2024, and as compared to the prior year period. These increases were partially offset by $53.1 million in repurchases of our common stock during the nine months ended September 30, 2024 as compared to $19.2 million in repurchases of our common stock during the prior year period. As of September 30, 2024, our cash and cash equivalents and restricted cash balance was $178.9 million, as compared to $242.0 million as of December 31, 2023. â€Ž 36 Table of Contents Non-GAAP Financial Measures In this Form 10-Q, we use certain non-GAAP financial measures, including EBITDA, adjusted EBITDA, net homebuilding debt to net capital,

adjusted net income and adjusted diluted earnings per share. These non-GAAP financial measures are presented to provide investors additional information to facilitate the comparison of our past and present operations. We believe these non-GAAP financial measures provide useful information to investors because they are used to evaluate our performance on a comparable year-over-year basis. These non-GAAP financial measures are not in accordance with, or an alternative for, GAAP measures and may be different from non-GAAP financial measures used by other companies. In addition, these non-GAAP financial measures are not based on any comprehensive or standard set of accounting rules or principles. Accordingly, the calculation of our non-GAAP financial measures may differ from the definitions of other companies using the same or similar names limiting, to some extent, the usefulness of such measures for comparison purposes. Non-GAAP financial measures have limitations in that they do not reflect all of the amounts associated with our financial results as determined in accordance with GAAP. These measures should only be used to evaluate our financial results in conjunction with the corresponding GAAP measures. Accordingly, we qualify our use of non-GAAP financial information in a statement when non-GAAP financial information is presented. EBITDA and Adjusted EBITDA The following table presents EBITDA and adjusted EBITDA for the three and nine months ended September 30, 2024 and 2023. EBITDA and adjusted EBITDA are non-GAAP financial measures we use as a supplemental measure in evaluating operating performance. We define EBITDA as net income before (i)Â income tax expense, (ii)Â interest in cost of home sales revenues, (iii)Â other interest expense (income), and (iv) depreciation and amortization expense. We define adjusted EBITDA as EBITDA before loss on debt extinguishment (if applicable), inventory impairment (if applicable), purchase price accounting for acquired work in process inventory (if applicable), and impairment on other investments (if applicable). We believe EBITDA and adjusted EBITDA provide an indicator of general economic performance that is not affected by fluctuations in interest rates or effective tax rates, levels of depreciation or amortization, and items considered to be non-recurring. Accordingly, our management believes that these measurements are useful for comparing general operating performance from period to period. Neither EBITDA or adjusted EBITDA should be considered in addition to, and not as a substitute for, consolidated net income in accordance with GAAP as a measure of performance. Our presentation of adjusted EBITDA should not be construed as an indication that our future results will be unaffected by unusual or non-recurring items. Each of our EBITDA and adjusted EBITDA is limited as an analytical tool, and should not be considered in isolation or as a substitute for analysis of our results as reported under GAAP. Homebuilding debt is our total debt minus our outstanding borrowings under our construction loan agreements and our repurchase facilities. The most directly comparable GAAP measure is the ratio of debt to total capital. We believe the ratio of net homebuilding debt to net capital is a relevant and useful financial measure to investors in understanding the leverage employed in our operations and as an indicator of our ability to obtain external financing. We believe excluding certain non-recurring items provides more comparable assessment of our financial results from period to period. We define adjusted net income as consolidated net income before (i) income tax expense, (ii) inventory impairment, if applicable (iii) restructuring costs, if applicable, (iv) loss on debt extinguishment, if applicable, (v) purchase price accounting for acquired work in process inventory, if applicable, and (vi) impairment on other investments, if applicable, less adjusted income tax expense, calculated using our estimated annual effective tax rate after discrete items for the applicable period. Interest Rates Market risk is the risk of loss arising from adverse changes in market rates and prices, such as interest rates, foreign currency exchange rates and commodity prices. Our primary exposure to market risk is interest rate risk associated with our Second A&R Credit Agreement and construction loan agreements. There have been no material changes in our market risk since December 31, 2023. For additional information regarding our market risk, refer to the â€œQuantitative and Qualitative Disclosures About Market Riskâ€ section of our Annual Report on Form 10-K for the year ended DecemberÂ 31, 2023. Inflation Our homebuilding operations have been and may continue to be adversely impacted by inflation, primarily from higher land, financing, labor, material, and construction costs. The Federal Reserve aggressively raised the federal funds interest rates during 2022 and 2023, in order to mitigate persistent inflation, which significantly impacting the U.S housing market. While the Federal Reserve reduced the federal funds interest rate during the third quarter of 2024, we cannot provide any assurance as to the impact of changes to the federal funds interest rate or mortgage rates on our current or future business. Inflation has led and could continue to lead to higher mortgage rates, which has and could continue to significantly affect the affordability of mortgage financing to homebuyers and lead to weakened demand for our homes, as well as increased cancellations compared to prior year periods. Seasonality Historically, the homebuilding industry experiences seasonal fluctuations in quarterly operating results and capital requirements. We typically experience the highest new home order activity during the spring, although this activity is also highly dependent on the number of active selling communities, timing of new community openings and other market factors. Since it typically takes four to five months to construct a new home, we typically deliver more homes in the second half of the year as spring and summer home starts convert to home deliveries. Because of this seasonality, home starts, construction costs and related cash outflows have historically been highest in the second and third quarters, and the majority of our cash receipts from home deliveries occurs during the second half of the year. This seasonality pattern may be affected by volatility in the homebuilding industry, supply chain challenges, subcontractor and labor shortages, and changes in demand for our homes. ITEM 4.Â Â Â Â Â CONTROLS AND PROCEDURES. Evaluation of Disclosure Controls and Procedures Under the supervision and with the participation of our management, including our co-principal executive officers and principal financial officer, we conducted an evaluation of the effectiveness of our disclosure controls and procedures (as such term is defined under Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended (which we refer to as the â€œExchange Actâ€)) as of September 30, 2024, the end of the period covered by this Form 10-Q. Based on this evaluation, our co-principal executive officers and principal financial officer concluded that our disclosure controls and procedures were effective as of September 30, 2024 in providing reasonable assurance that information required to be disclosed by us in the reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SECâ€™s rules and forms. if: (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain L/C Issuer from issuing the Letter of Credit, or any Law applicable to L/C Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over L/C Issuer shall prohibit, or request that L/C Issuer refrain from, the issuance of letters of credit generally or the Letter of Credit in particular or shall impose upon L/C Issuer with respect to the Letter of Credit any restriction, reserve or capital requirement (for which L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which L/C Issuer in good faith deems material to it; (B) the issuance of the Letter of Credit would violate one or more policies of L/C Issuer applicable to letters of credit generally; (C) except as otherwise agreed by Administrative Agent and L/C Issuer, the Letter of Credit is in an initial stated amount less than $25,000; (D) the Letter of Credit is to be denominated in a currency other than Dollars; (E) any Lender is at that time a Defaulting Lender, unless L/C Issuer has entered into arrangements, including the delivery of Cash Collateral, satisfactory to L/C Issuer (in its sole discretion) with Borrower or such Lender to eliminate L/C Issuerâ€™s actual or potential Fronting Exposure (after giving effect to Section 12.22(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Obligations as to which L/C Issuer has actual or potential Fronting Exposure, as it may elect in its sole discretion; Â or (F) the Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 40 Â Â (iv) L/C Issuer shall not amend any Letter of Credit if L/C Issuer would not be permitted at such time to issue the Letter of Credit in its amended form under the terms hereof. (v) L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) L/C Issuer would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit. (vi) L/C Issuer shall act on behalf of Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and L/C Issuer shall have all of the benefits and immunities (A) provided to Administrative Agent in Article 11 with respect to any acts taken or omissions suffered by L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term â€œAdministrative Agentâ€ as used in Article 11 included L/C Issuer with respect to such acts or omissions, and (B) as additionally provided herein with respect to L/C Issuer. (vii) Once a Letter of Credit has been issued, Lenders shall be deemed to have authorized (but may not require) L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the earlier of (i) twelve (12) months from the date of such renewal, or (ii) the Letter of Credit Expiration Date. (b) Procedures for Issuance and Amendment of Letters of Credit. Â (i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of Borrower delivered to L/C Issuer (with a copy to Administrative Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of Borrower.Â Â Such Letter of Credit Application may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by L/C Issuer, by personal delivery or by any other means acceptable to L/C Issuer.Â Â Such Letter of Credit Application must be received by L/C Issuer and Administrative Agent not later than 11:00 a.m. at least two (2) Business Days (or such later date and time as Administrative Agent and L/C Issuer may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be.Â Â In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to L/C Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the purpose and nature of the requested Letter of Credit; and (H) such other SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 41 Â Â matters as L/C Issuer may require.Â Â In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail satisfactory to L/C Issuer (A) the Letter of Credit to be amended; (B) the proposed date of amendment thereof (which shall be a Business Day); (C) the nature of the proposed amendment; and (D) such other matters as L/C Issuer may require.Â Â Additionally, Borrower shall furnish to L/C Issuer and Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as L/C Issuer or Administrative Agent may require. (ii) Promptly after receipt of any Letter of Credit Application, L/C Issuer will confirm with Administrative Agent (by telephone or in writing) that Administrative Agent has received a copy of such Letter of Credit Application from Borrower and, if not, L/C Issuer will provide Administrative Agent with a copy thereof.Â Â Unless L/C Issuer has received written notice from any Lender, Administrative Agent or any Obligated Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article 5 shall not then be satisfied, then, subject to the terms and conditions hereof, L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of Borrower (or the applicable Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with L/C Issuerâ€™s usual and customary business practices.Â Â Immediately upon the issuance of each Letter of Credit, each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from L/C Issuer a risk participation in such Letter of Credit in an amount equal to the product of such Lenderâ€™s Applicable Percentage times the amount of such Letter of Credit. (iii) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, L/C Issuer will also deliver to Borrower and Administrative Agent a true and complete copy of such Letter of Credit or amendment. (c) Drawings and Reimbursements; Funding of Participations. Â (i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, L/C Issuer shall notify Borrower and Administrative Agent thereof.Â Â Not later than 11:00 a.m. on the date of any payment by L/C Issuer under a Letter of Credit (each such date, an â€œHonor Dateâ€), Borrower shall reimburse L/C Issuer through Administrative Agent in an amount equal to the amount of such drawing; Â provided that, the Borrower may, subject toÂ the conditions to borrowing set forth herein, request in accordance with SectionÂ 2.12 that such payment be financed with a Revolving Credit Loan or SwinglineÂ Loan in an equivalent amount and, to the extent so financed, the Borrowerâ€™sÂ obligation to make such payment shall be discharged and replaced by the resultingÂ Revolving Credit Loan or Swingline Loan, as applicable.Â Â If Borrower fails to so SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 42 Â Â reimburse L/C Issuer by such time, Administrative Agent shall promptly notify each Lender of the Honor Date, the amount of the unreimbursed drawing (the â€œUnreimbursed Amountâ€), and the amount of such Lenderâ€™s Applicable Percentage thereof.Â Â In such event, Borrower shall be deemed to have requested a Borrowing to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, subject to the amount of the unutilized portion of the Commitments and the conditions set forth in Section 5.2 (other than the delivery of a Borrowing Request).Â Â Any notice given by L/C Issuer or Administrative Agent pursuant to this Section 2.2(c)(i) may be given by telephone if immediately confirmed in writing; provided that the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. (ii) Each Lender shall upon any notice requesting a Revolving CreditÂ Loan pursuant to Section 2.2(c)(i) make funds available (and Administrative Agent may apply Cash Collateral provided for this purpose) for the account of L/C Issuer at Administrative Agentâ€™s Principal Office in an amount equal to its Applicable Percentage of the Unreimbursed Amount not later than 1:00 p.m. on the Business Day specified in such notice by Administrative Agent, whereupon, subject to the provisions of Section 2.2(c)(iii), each Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan (or, if the conditions set forth in Section 5.2 are not satisfied, an L/C Borrowing as further described in clause (iii) below) to Borrower in such amount.Â Â Administrative Agent shall remit the funds so received to L/C Issuer. (iii) With respect to any Unreimbursed Amount that is not fully refinanced by a Borrowing because the conditions set forth in Section 5.2 cannot be satisfied or for any other reason, Borrower shall be deemed to have incurred from L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Interest Rate.Â Â In such event, each Lenderâ€™s payment to Administrative Agent for the account of L/C Issuer pursuant to Section 2.2(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.2. Â (iv) Until each Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.2(c) to reimburse L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lenderâ€™s Applicable Percentage of such amount shall be solely for the account of L/C Issuer. (v) Each Lenderâ€™s obligation to make Revolving Credit Loans or L/C Advances to reimburse L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.2(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against L/C Issuer, Borrower or any other Person for any reason whatsoever; (B) the occurrence or SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 43 Â Â continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, Â however, that each Lenderâ€™s obligation to make Revolving Credit Loans (but not its obligation to fund it pro rata share of L/C Advances) pursuant to this Section 2.2(c) is subject to the conditions set forth in Section 5.2 (other than delivery by Borrower of a Borrowing Request).Â Â No such making of an L/C Advance shall relieve or otherwise impair the obligation of Borrower to reimburse L/C Issuer for the amount of any payment made by L/C Issuer under any Letter of Credit, together with interest as provided herein. (vi) If any Lender fails to make available to Administrative Agent for the account of L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.2(c) by the time specified in Section 2.2(c)(ii), then, without limiting the other provisions of this Agreement, L/C Issuer shall be entitled to recover from such Lender (acting through Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to L/C Issuer at a rate per annum equal to the greater of the Federal Funds Rate and a rate determined by L/C Issuer in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by L/C Issuer in connection with the foregoing.Â Â If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lenderâ€™s Revolving Credit Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be.Â Â A certificate of L/C Issuer submitted to any Lender (through Administrative Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error. (d) Repayment of Participations. Â (i) At any time after L/C Issuer has made a payment under any Letter of Credit and has received from any Lender such Lenderâ€™s L/C Advance in respect of such payment in accordance with Section 2.2(c), if Administrative Agent receives for the account of L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from Borrower or otherwise, including proceeds of Cash Collateral applied thereto by Administrative Agent), Administrative Agent will distribute to such Lender its Applicable Percentage thereof in the same funds as those received by Administrative Agent. (ii) If any payment received by Administrative Agent for the account of L/C Issuer pursuant to Section 2.2(c)(i) is required to be returned under any of the circumstances described in Section 12.24 (including pursuant to any settlement entered into by L/C Issuer in its discretion), each Lender shall pay to Administrative Agent for the account of L/C Issuer its Applicable Percentage thereof on demand of Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate from time to time in effect.Â Â The obligations of Lenders under SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 44 Â Â this clause shall survive the payment in full of the Obligations and the termination of this Agreement. (e) Obligations Absolute.Â Â The obligation of Borrower to reimburse L/C Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following: (i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other Loan Document; (ii) the existence of any claim, counterclaim, setoff, defense or other right that Borrower or any Subsidiary may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction; (iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document

required in order to make a drawing under such Letter of Credit; (iv) waiver by L/C Issuer of any requirement that exists for L/C Issuerâ€™s protection and not the protection of Borrower or any waiver by L/C Issuer which does not in fact materially prejudice Borrower; (v) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft; (vi) any payment made by L/C Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable; (vii) any payment by L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law; or (viii) any other circumstance or happening whatsoever, whether or not similar to SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 45 Â Â any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, Borrower or any Subsidiary. Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with Borrowerâ€™s instructions or other irregularity, Borrower will immediately notify L/C Issuer.Â Â Borrower shall be conclusively deemed to have waived any such claim against L/C Issuer and its correspondents unless such notice is given as aforesaid. (f) Role of L/C Issuer.Â Â Each Lender and Borrower agree that, in paying any drawing under a Letter of Credit, L/C Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document.Â Â None of L/C Issuer, Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of Required Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document.Â Â Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, Â however, that this assumption is not intended to, and shall not, preclude Borrowerâ€™s pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement.Â Â None of L/C Issuer, Administrative Agent, any of their respective Related Parties nor any correspondent, participant or assignee of L/C Issuer shall be liable or responsible for any of the matters described in clauses (i) through (viii) of Section 2.2(e); provided, Â however, that anything in such clauses to the contrary notwithstanding, Borrower may have a claim against L/C Issuer, and L/C Issuer may be liable to Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by Borrower which Borrower proves were caused by L/C Issuerâ€™s willful misconduct or gross negligence or L/C Issuerâ€™s willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit.Â Â In furtherance and not in limitation of the foregoing, L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and L/C Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.Â Â L/C Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary. (g) Applicability of ISP; Limitation of Liability.Â Â Unless otherwise expressly agreed by L/C Issuer and Borrower when a Letter of Credit is issued, the rules of the ISP SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 46 Â Â shall apply to each Letter of Credit.Â Â Notwithstanding the foregoing, L/C Issuer shall not be responsible to Borrower for, and L/C Issuerâ€™s rights and remedies against Borrower shall not be impaired by, any action or inaction of L/C Issuer required or permitted under any Law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where L/C Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit or other Issuer Document chooses such Law or practice. (h) Fronting Fee and Documentary and Processing Charges.Â Â Borrower shall pay directly to L/C Issuer for the account of each Lender in accordance, subject to Section 12.22, with its Applicable Percentage, an annual, non-refundable, fronting fee with respect to each Letter of Credit, in an amount equal to two-tenths of one percent (0.20%) of the face amount of the Letter of Credit.Â Â Such fronting fee shall be due and payable upon the issuance or renewal of such Letter of Credit.Â Â In addition, Borrower shall pay directly to L/C Issuer for its own account, any amounts set forth in the Fee Letter, the customary issuance, presentation and amendment fees, and other standard costs and charges, of L/C Issuer relating to letters of credit as from time to time in effect.Â Â Such fees, costs and charges are due and payable on demand and are nonrefundable. (i) Conflict with Issuer Documents.Â Â In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control. (j) Letters of Credit Issued for Subsidiaries.Â Â Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, Borrower shall be obligated to reimburse L/C Issuer hereunder for any and all drawings under such Letter of Credit.Â Â Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of Borrower, and that Borrowerâ€™s business derives substantial benefits from the businesses of such Subsidiaries. Section 2.3Borrowing Base and Sublimits. Â (a) Borrowing Limitation. In addition to any and all limitations and conditions contained herein, Borrower shall not be entitled to a Borrowing under the Credit Facility which would cause the aggregate outstanding principal balance of all Borrowings, together with accrued but unpaid interest thereon, together with the outstanding amount of all L/C Obligations, to exceed the lesser of (i) the Borrowing Base, or (ii) the Credit Facility Amount. (b) Qualified Borrowing Base Property.Â Â Cash and Equivalents, Entitled Land, LUD, Lots, Model Houses, Pre-Sold Houses and Spec Houses for which all of the following conditions have been satisfied shall qualify as Borrowing Base Property, subject SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 47 Â Â to Administrative Agentâ€™s absolute approval rights: (i) the proposed Borrowing Base Property must comply with the terms and conditions set forth in this Agreement, (ii) if requested by Administrative Agent, Borrower has delivered to Administrative Agent documents reasonably necessary to determine whether the proposed Borrowing Base Property complies with the terms and conditions set forth in this Agreement, and (iii) Borrower has included such Borrowing Base Property in the most recently submitted Borrowing Base Report which has been approved by Administrative Agent. (c) Credit Facility Term.Â Â All outstanding Obligations with respect to the Credit Facility shall be due and payable on the Maturity Date.Â Â After the Maturity Date, Borrower shall have no right to either (i) submit any further Borrowing Requests, or (ii) request that any new Borrowing Base Property be added to the Borrowing Base, and Administrative Agent shall have no obligation to honor any such requests.Â Â (d) Borrowing Base Reports.Â Â Borrower shall deliver to Administrative Agent a Borrowing Base Report (i) when required pursuant to Section 7.1, and (ii) concurrently with any Borrowing Request or Letter of Credit Application.Â Â The delivery to Administrative Agent of a Borrowing Base Report shall be a certification by Borrower that the facts represented therein are true, correct and complete as of the date of such Borrowing Base Report.Â Â (e) Total Cost Documentation.Â Â Upon Administrative Agentâ€™s request, in connection with any Borrowing Base Report, Borrower shall furnish to Administrative Agent evidence of the Total Cost for each parcel of Entitled Land, LUD, Lot, Model House, Pre-Sold House and Spec House, in form and substance acceptable to Administrative Agent. (f) Borrowing Base Report Approval.Â Â Administrative Agent shall have the right to review and approve or disapprove (and to make appropriate adjustments as contemplated in this Agreement for approval) each Borrowing Base Report; provided, however, until such Borrowing Base Report is approved or adjusted by Administrative Agent, the most recent Borrowing Base Report submitted by Borrower and approved or adjusted, from time to time as herein contemplated, by Administrative Agent shall be in effect.Â Â The funding of a Borrowing based upon a Borrowing Base Report submitted to Administrative Agent shall not be deemed to be an unconditional approval thereof.Â Â If Administrative Agent reasonably believes that any current or prior Borrowing Base Report is incomplete or inaccurate in any respect which causes the Credit Facility to be funded in excess of what is specified in this Agreement, then the Borrowing Base shall be limited to such amount as Administrative Agent reasonably determines to be applicable in accordance with the provisions of this Agreement until such time as the Borrowing Base Report is reasonably determined by Administrative Agent to be true, correct and complete. (g) Removal of Borrowing Base Property from Borrowing Base. If Administrative Agent reasonably determines that any portion of the Borrowing Base Property, although previously included in the Borrowing Base, is or becomes the subject of a condition which violates any of the provisions hereof, or is materially impaired by SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 48 Â Â casualty or condemnation, then Administrative Agent may remove such portion of the Borrowing Base Property from the Borrowing Base and such portion shall have a Maximum Credit Amount of zero dollars ($0).Â Â If the condition is thereafter cured, the removed portion of the Borrowing Base Property may be thereafter included in the Borrowing Base, however, the date the portion of the Borrowing Base Property was initially included in the Borrowing Base shall be used in calculation of the adjustments to the Borrowing Base for the determination of the Maximum Credit Amount as specified herein. (h) Spec House Sublimit.Â Â Notwithstanding anything to the contrary contained herein, the number of Spec Houses included as Borrowing Base Property, at any one time, shall not exceed the Spec House Sublimit. Section 2.4Fees. Â (a) Fees.Â Â Borrower agrees to pay to Administrative Agent and Arranger, for the account of Administrative Agent, Arranger and each Lender, as applicable, fees, in the amounts and on the dates set forth in the Fee Letter. (b) Commitment Fees.Â Â Borrower agrees to pay to Administrative Agent for the account of each Lender in accordance, subject to Section 12.22, with its Applicable Percentage a commitment fee on the daily average unused amount of the Commitment of such Lender for the period from and including the date of this Agreement to and including the Maturity Date for the Credit Facility (including at any time during which one or more of the conditions in Article 5 is not met), at a rate equal to the Commitment Fee Rate.Â Â For the purpose of calculating the commitment fee hereunder, the Commitment of each Lender shall be deemed utilized by the amount of all outstanding Revolving Credit Loans and L/C Obligations, owing to such Lender whether directly or by participation.Â Â Accrued commitment fees shall be payable quarterly in arrears on the first day of each April, July, October, and January during the term of this Agreement and on the Maturity Date for the Credit Facility. Â For the avoidance of doubt, for purposes of calculating the commitmentÂ fee, the outstanding principal balance of Swingline Loans shall not be factored into theÂ computation. Section 2.5Payments Generally; Administrative Agentâ€™s Clawback. Â (a) General.Â Â All payments of principal, interest, and other amounts to be made by Borrower under this Agreement and the other Loan Documents shall be made to Administrative Agent for the account of Administrative Agent, Swingline Lender or L/C Issuer or the pro rata accounts of the applicable Lenders, as applicable, at the Principal Office in Dollars and immediately available funds, without setoff, deduction, or counterclaim, and free and clear of all taxes at the time and in the manner provided herein.Â Â Payments by check or draft shall not constitute payment in immediately available funds until the required amount is actually received by Administrative Agent in full.Â Â Payments in immediately available funds received by Administrative Agent in the place designated SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 49 Â Â for payment on a Business Day prior to 12:00 noon at such place of payment shall be credited prior to the close of business on the Business Day received, while payments received by Administrative Agent on a day other than a Business Day or after 12:00 noon on a Business Day shall not be credited until the next succeeding Business Day.Â Â If any payment of principal or interest on the Notes shall become due and payable on a day other than a Business Day, then such payment shall be made on the next succeeding Business Day.Â Â Any such extension of time for payment shall be included in computing interest which has accrued and shall be payable in connection with such payment.Â Â Administrative Agent is hereby authorized upon notice to Borrower to charge the account of Borrower maintained with Administrative Agent for each payment of principal, interest and fees as it becomes due hereunder. (b) Funding by Lenders; Presumption by Administrative Agent.Â Â Unless Administrative Agent shall have received notice from a Lender, that such Lender will not make available to Administrative Agent such Lenderâ€™s share of a Borrowing, Administrative Agent may assume that such Lender has made such share available on such date in accordance with this Agreement and may, in reliance upon such assumption,

make available to Borrower a corresponding amount.Â Â In such event, if a Lender has not in fact made its share of the applicable Borrowing available to Administrative Agent, then the applicable Lender and Borrower severally agree to pay to Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to Borrower to but excluding the date of payment to Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by Borrower, the interest rate applicable to the applicable Borrowing.Â Â If Borrower and such Lender shall pay such interest to Administrative Agent for the same or an overlapping period, Administrative Agent shall promptly remit to Borrower the amount of such interest paid by Borrower for such period.Â Â If such Lender pays its share of the applicable Borrowing to Administrative Agent, then the amount so paid shall constitute such Lenderâ€™s Loan.Â Â Any payment by Borrower shall be without prejudice to any claim Borrower may have against a Lender that shall have failed to make such payment to Administrative Agent. (c) Payments by Borrower; Presumption by Administrative Agent.Â Â Unless Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to Administrative Agent for the account of L/C Issuer, the SwinglineÂ Lender or the applicable Lenders hereunder that Borrower will not make such payment, Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to L/C Issuer,Â the Swingline Lender or the applicable Lenders the amount due.Â Â In such event, if Borrower has not in fact made such payment, then L/C Issuer, the Swingline Lender or each applicable Lender, as applicable, severally agrees to repay to Administrative Agent forthwith on demand the amount so distributed to L/C Issuer, the Swingling Lender or such Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to Administrative Agent, at the greater SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 50 Â Â of the Federal Funds Rate and a rate determined by Administrative Agent in accordance with banking industry rules on interbank compensation. Section 2.6Evidence of Debt. Â (a) The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by Administrative Agent in the ordinary course of business; provided that such Lender or Administrative Agent may, in addition, request that such Loans be evidenced by the Notes.Â Â The Credit Extensions made by L/C Issuer shall be evidenced by one or more accounts or records maintained by L/C Issuer and by Administrative Agent in the ordinary course of business.Â Â The accounts or records maintained by Administrative Agent, L/C Issuer, the Swingline Lender and each Lender shall be conclusive absent manifest error of the amount of the Credit Extensions made to Borrower and, with respect to Letters of Credit issued for the account of a Subsidiary, such Subsidiary and the interest and payments thereon.Â Â Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of Borrower hereunder to pay any amount owing with respect to the Obligations.Â Â In the event of any conflict between the accounts and records maintained by L/C Issuer, the Swingline Lender or any Lender and the accounts and records of Administrative Agent in respect of such matters, the accounts and records of Administrative Agent shall control in the absence of manifest error. (b) In addition to the accounts and records referred to in subsection (a) above, each Lender and Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Letters of Credit. and Swingline Loans. Â In the event of any conflict between the accounts and records maintained by Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of Administrative Agent shall control in the absence of manifest error. Section 2.7Cash Collateral. Â (a) Certain Credit Support Events.Â Â If (i) L/C Issuer has honored any full or partial drawing request under any Letter of Credit and such drawing has resulted in an L/C Borrowing, (ii) as of the Letter of Credit Expiration Date, any L/C Obligation for any reason remains outstanding, (iii) Borrower shall be required to provide Cash Collateral pursuant to Section 10.2, or (iv) there shall exist a Defaulting Lender, Borrower shall immediately (in the case of clause (iii) above) or within one (1) Business Day (in all other cases) following any request by Administrative Agent or L/C Issuer, provide Cash Collateral in an amount not less than the applicable Minimum Collateral Amount (determined in the case of Cash Collateral provided pursuant to clause (iv) above, after giving effect to Section 12.22(a)(iv) and any Cash Collateral provided by the Defaulting Lender). (b) Grant of Security Interest.Â Â Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to (and subjects to the control SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 51 Â Â of) Administrative Agent, for the benefit of Administrative Agent, L/C Issuer and Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 2.7(c).Â Â If at any time Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than Administrative Agent or L/C Issuer as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, Borrower will, promptly upon demand by Administrative Agent, pay or provide to Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. All Cash Collateral (other than credit support not constituting funds subject to deposit) shall be maintained in one or more blocked, non-interest bearing deposit accounts at Texas Capital Bank.Â Â Borrower shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral. (c) Application.Â Â Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of this Section 2.7 or Sections 2.2, Â 10.2 or 12.22 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein. (d) Release.Â Â Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 12.8(b)(vii)) or (ii) the determination by Administrative Agent and L/C Issuer that there exists excess Cash Collateral; provided, Â however, the Person providing Cash Collateral and L/C Issuer may agree that Cash Collateral shall not be released but instead held to support future anticipated Fronting Exposure or other obligations. Section 2.8Interest; Payment Terms. Â (a) Revolving Credit Loans; Swingline Loans â€“ Payment of Principal and Interest; Revolving Nature.Â Â The unpaid principal amount of each Borrowing of the Revolving Credit Loans and Swingline Loans shall, subject to the following sentence and Section 2.8(g), bear interest at the applicable Interest Rate.Â Â If at any time such rate of interest would exceed the Maximum Rate but for the provisions thereof limiting interest to the Maximum Rate, then any subsequent reduction shall not reduce the rate of interest on the Revolving Credit Loans below the Maximum Rate until the aggregate amount of interest accrued on the Revolving Credit Loans equals the aggregate amount of interest which would have accrued on the Revolving Credit Loans if the interest rate had not been limited by the Maximum Rate.Â Â All accrued but unpaid interest on the principal balance of the Revolving Credit Loans shall be payable on each Payment Date and on the Maturity SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 52 Â Â Date for the Credit Facility, provided that interest accruing at the Default Interest Rate pursuant to Section 2.8(g) shall be payable on demand.Â Â The then Outstanding Amount of the Revolving Credit Loans and Swingline Loans and all accrued but unpaid interest thereon shall be due and payable on the Maturity Date for the Credit Facility.Â Â The unpaid principal balance of the Revolving Credit Loans at any time shall be the total amount advanced hereunder by Lenders less the amount of principal payments made thereon by or for Borrower, which balance may be endorsed on the Notes from time to time by Lenders or otherwise noted in Lendersâ€™ and/or Administrative Agentâ€™s records, which notations shall be, absent manifest error, conclusive evidence of the amounts owing hereunder from time to time. (b) Rate Determination.Â Â The Interest Rate shall be adjusted as of the first Business Day of each Interest Period, and Term SOFR shall be used to determine the Interest Rate for that Interest Period., except with respect to Base Rate Loans and SwinglineÂ Loans (to the extent that Administrative Agent or Swingline Lender make Base Rate LoansÂ or Swingline Loans available). Â The Interest Rate for the first Interest Period (or fraction thereof) of this Credit Facility shall be determined on the Closing Date, and the Interest Rate shall remain fixed throughout the remainder of such Interest Period (or fraction thereof) until the first Business Day of the following Interest Period (subject to the provisions of Section 12.19 of this Agreement).Â Â The Interest Rate for subsequent Interest Periods shall be re-determined, and adjusted if necessary, on each subsequent Periodic Term SOFR Determination Date, and the Interest Rate shall remain fixed throughout the applicable Interest Period until the first Business Day of the following Interest Period (subject to the provisions of Section 12.19 of this Agreement). The determination by Administrative Agent of the Interest Rate shall, in the absence of manifest error, be conclusive and binding in all respects. (c) Application.Â Â Except as expressly provided herein to the contrary, all payments on the Obligations under the Loan Documents shall be applied in the following order of priority: (i) the payment or reimbursement of any expenses, costs or obligations (other than the Outstanding Amount thereof and interest thereon) for which Borrower shall be obligated or Administrative Agent, L/C Issuer, or any Lender shall be entitled pursuant to the provisions of this Agreement, the Notes or the other Loan Documents; (ii) the payment of accrued but unpaid interest thereon; and (iii) the payment of all or any portion of the principal balance thereof then outstanding hereunder as directed by Borrower.Â Â If an Event of Default exists under this Agreement, the Notes or under any of the other Loan Documents, any such payment shall be applied as provided in Section 10.3 below. (d) Computation Period.Â Â Interest on the Loans and all other amounts payable by Borrower hereunder on a per annum basis shall be computed on the basis of a 360-day year and the actual number of days elapsed (including the first day but excluding the last day) unless such calculation would result in a usurious rate or to the extent such Loan bears interest based upon the Base Rate, in which case interest shall be calculated on the basis of a 365-day year or 366-day year, as the case may be.Â Â In computing the number of days during which interest accrues, the day on which funds are initially advanced shall be included regardless of the time of day such advance is made, and the day on which funds SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 53 Â Â are repaid shall be included unless repayment is credited prior to the close of business on the Business Day received.Â Â Each determination by Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error. (e) Unconditional Payment.Â Â Borrower is and shall be obligated to pay all principal, interest and any and all other amounts which become payable under any of the Loan Documents absolutely and unconditionally and without any abatement, postponement, diminution or deduction whatsoever and without any reduction for counterclaim or setoff whatsoever.Â Â If at any time any payment received by Administrative Agent hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference or fraudulent conveyance under any Debtor Relief Law, then the obligation to make such payment shall survive any cancellation or satisfaction of the Obligations under the Loan Documents and shall not be discharged or satisfied with any prior payment thereof or cancellation of such Obligations, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable upon demand. (f) Partial or Incomplete Payments.Â Â Subject to Section 10.3, if at any time insufficient funds are received by and available to Administrative Agent to pay fully all amounts of principal, Swingline Loans, L/C Borrowings, interest, fees and other amounts then due hereunder, such funds shall be applied (i) first, to pay interest, fees and other amounts (other than principal in respect of Revolving Credit Loans and Swingline LoansÂ and L/C Borrowings) then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest, fees and other amounts then due to such parties, and (ii) second, to pay principal in respect of Revolving Credit Loans and Swingline LoansÂ and L/C Borrowings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal or L/C Borrowings, as applicable, then due to such parties.Â Â Remittances in payment of any part of the Obligations under the Loan Documents other than in the required amount in immediately available funds at the place where such Obligations are payable shall not, regardless of any receipt or credit issued therefor, constitute payment until the required amount is actually received by Administrative Agent in full in accordance herewith and shall be made and accepted subject to the condition that any check or draft may be handled for collection in accordance with the practice of the collecting bank or banks.Â Â Acceptance by Administrative Agent of any payment in an amount less than the full amount then due shall be deemed an acceptance on account only, and the failure to pay the entire amount then due shall be and continue to be an Event of Default. (g) Default Interest Rate.Â Â For so long as any Event of Default exists, regardless of whether or not there has been an acceleration of the Loans, and at all times after the maturity of the Loans (whether by acceleration or otherwise), and in addition to all other rights and remedies of Administrative Agent or Lenders hereunder, (i) interest shall accrue on the Outstanding Amount of the Loans at the Default Interest

Rate, (ii) interest shall accrue on any past due amount (other than the Outstanding Amount of the Loans) at the Default Interest Rate and (iii) upon the request of the Required Lenders, interest shall accrue on the principal amount of all other outstanding Obligations at the SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 54 Â Â Default Interest Rate, and such accrued interest shall be immediately due and payable.Â Â Borrower acknowledges that it would be extremely difficult or impracticable to determine Administrative Agentâ€™s or Lendersâ€™ actual damages resulting from any late payment or Event of Default, and such accrued interest are reasonable estimates of those damages and do not constitute a penalty. (h) Term SOFR Conforming Changes.Â Â In connection with the use or administration of Term SOFR, Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.Â Â Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR. Section 2.9Prepayments. Â (a) Voluntary Prepayments.Â Â Subject to the conditions set forth below, Borrower shall have the right, at any time and from time to time upon at least three (3)Â Business Days prior written notice to Administrative Agent, to prepay the principal of the Revolving Credit Loans, Â and Swingline Loans in full or in part. Borrower shall notify theÂ Administrative Agent (and, in the case of a prepayment of a Swingline Loan, the SwinglineÂ Lender) by telephone (confirmed by fax) or through an electronic system or methodÂ approved by the Administrative Agent for such purpose, of any prepayment not later thanÂ 11:00 a.m. (i) in the case of a prepayment of Term SOFR Loans, at least three (3) BusinessÂ Daysâ€™ prior to the date of prepayment and (ii) in the case of a prepayment of Base RateÂ Loans (including Swingline Loans), at least one (1) Business Day prior to such prepayment.Â If there is a prepayment of all or any portion of the principal of the Revolving Credit LoansÂ or Swingline Loans on or before the Maturity Date for such Loans, whether voluntary or mandatory or because of acceleration or otherwise, such prepayment shall also include (x) any and all accrued but unpaid interest on the amount of principal being so prepaid through and including the date of prepayment, plus any other sums which have become due to Lenders under the other Loan Documents on or before the date of prepayment, but which have not been fully paid. (b) Mandatory Prepayment of Credit Facility.Â Â If at any time the Revolving Credit Exposure of the Lenders exceeds the Borrowing Base then in effect, then Borrower shall immediately prepay the entire amount of such excess to Administrative Agent, for the ratable account of Lenders, and/or Cash Collateralize the L/C Obligations in an aggregate amount equal to such excess; provided, Â however, that Borrower shall not be required to Cash Collateralize the L/C Obligations pursuant to this Section 2.9(b) unless after the prepayment in full of the Revolving Credit Loans, the Revolving Credit Exposure of the Lenders exceeds the Borrowing Base then in effect.Â Â Each prepayment required by this Section 2.9(b) shall be applied, first, to any Base Rate Borrowings then outstanding, and, second, to any Term SOFR Borrowings then outstanding, and if more than one Term SOFR SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 55 Â Â Borrowing is then outstanding, to such Term SOFR Borrowing in such order as Borrower may direct, or if Borrower fails to so direct, as Administrative Agent shall elect. Section 2.10 Uncommitted Increase in Commitments. (a) Request for Increase.Â Â Provided there exists no Default, upon notice to Administrative Agent (which shall promptly notify the Lenders), Borrower may from time to time, request an increase in the Credit Facility Amount and the aggregate Commitments by an amount (for all such requests) not exceeding $200,000,000 (i.e., up to a maximum potential Credit Facility Amount of $1,000,000,000); provided that (i) any such request for an increase shall be in a minimum amount of $20,000,000, and (ii) Borrower may make a maximum of three such requests.Â Â To achieve the full amount of a requested increase, and subject to the approval of Administrative Agent, Swingline Lender and L/C Issuer (which approvals shall not be unreasonably withheld), Borrower may (i) request that one or more Lenders increase their Commitment, (ii) invite all Lenders to increase their respective Commitment, and/or (iii) invite additional Eligible Assignees to become Lenders pursuant to a joinder agreement in form and substance satisfactory to Administrative Agent and its counsel. (b) Notification by Administrative Agent; Additional Lenders.Â Â In the event the Borrower invites all Lenders to increase their respective Commitment, then at the time of sending such notice, Borrower (in consultation with Administrative Agent) shall specify the time period within which each Lender is requested to respond (which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the Lenders).Â Â Each Lender shall notify Administrative Agent within such time period whether or not it agrees to increase its Commitment and, if so, whether by an amount equal to, greater than, or less than its Applicable Percentage of such requested increase.Â Â Any Lender not responding within such time period shall be deemed to have declined to increase its Commitment.Â Â Administrative Agent shall notify Borrower and each Lender of the Lendersâ€™ responses to each request made hereunder. (c) Effective Date and Allocations.Â Â If the Commitments are increased in accordance with this Section, Administrative Agent and Borrower shall determine the effective date (the â€œIncrease Effective Dateâ€) and the final allocation of such increase.Â Â Administrative Agent shall promptly notify Borrower and the Lenders of the final allocation of such increase and the Increase Effective Date. (d) Conditions to Effectiveness of Increase.Â Â As a condition precedent to such increase, Borrower shall deliver to Administrative Agent a certificate of Borrower dated as of the Increase Effective Date, signed by a Responsible Officer of Borrower, in form and substance satisfactory to Administrative Agent (x) certifying and attaching the resolutions adopted by Borrower approving or consenting to such increase, and (y) certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article 6 and the other Loan Documents are true and correct on and as of the Increase Effective Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 56 Â Â date, and except that for purposes of this Section 2.10, the representations and warranties contained in subsections (a) and (b) of Section 7.1 shall be deemed to refer to the most recent statements furnished pursuant to subsections (a) and (b), respectively, of Section 7.1, (B) the proposed increase will not violate the terms and conditions of the Bond Indenture, and (C) no Default exists.Â Â Additionally, Borrower shall pay to Administrative Agent (i) a non-refundable fee in an amount to be determined by Administrative Agent based upon prevailing market conditions at the time of such increase, for the account of each Lender that increases its Commitment, and (ii) any amounts set forth in the Fee Letter.Â Furthermore, Borrower shall prepay any Revolving Credit Loans outstanding on the Increase Effective Date (and pay any additional amounts required pursuant to Section 3.5) to the extent necessary to keep the outstanding Revolving Credit Loans ratable with any revised Applicable Percentages arising from any nonratable increase in the Commitments under this Section. (e) Conflicting Provisions.Â Â This Section shall supersede any provisions in Section 12.23 or 12.10 to the contrary. Section 2.11Uncommitted Extension Option. (a) Request for Extension of Maturity Date.Â Â Provided there exists no Default, upon notice to Administrative Agent (which shall promptly notify the Lenders), Borrower may request to exercise the Extension Option; provided that (i) any such request for an extension must be delivered to Administrative Agent at least sixty (60), but not more than one hundred twenty (120) days, prior to the initial Maturity Date, (ii) the extension request may only be granted by the unanimous written approval of Administrative Agent and all Lenders, as evidenced by an Extension Option Agreement, (iii) Administrative Agent and each Lender may grant or withhold their approval in their sole discretion, and (iv), if Administrative Agent and each Lender approve Borrowerâ€™s request, then Borrower must pay the Extension Fee to Administrative Agent on the Extension Option Agreement Date.Â Â At the time of sending such notice, Borrower (in consultation with Administrative Agent) shall specify the time period within which each Lender is requested to respond (which shall in no event be less than ten Business Days from the date of delivery of such notice to the Lenders). (b) Lender Elections to Extension.Â Â Each Lender shall notify Administrative Agent within such time period whether or not it agrees to approve the Extension Option.Â Â Any Lender that declines to approve the Extension Option shall be a â€œRejecting Lender.â€ Any Lender not responding within such time period shall be deemed to have declined to approve the Extension Option, and therefore be a Rejecting Lender. (c) Notification by Administrative Agent.Â Â Administrative Agent shall notify Borrower and each Lender of the Lendersâ€™ responses to each request made hereunder.Â (d) Rejecting Lenders.Â Â Within fifteen (15) days after the date the Borrower receives notice of the Rejecting Lenders, Borrower may elect, with respect to each Rejecting Lender, by written notice to the Administrative Agent and such Rejecting Lender, SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 57 Â Â either (i) to require a Rejecting Lender to, and such Rejecting Lender shall, assign the Commitment and Loans owing to such Rejecting Lender to an Eligible Assignee specified by Borrower, subject to and in accordance with Section 12.8(b), for a purchase price (â€œPurchase Priceâ€) equal to (A) the aggregate principal balance of the Loans then outstanding and owing to such Rejecting Lender, plus (B) any accrued but unpaid interest and fees related to such Loans owing to such Rejecting Lender, plus (C) any other amounts due and payable to such Rejecting Lender pursuant to this Agreement, any such assignment to be effective as of the then current Maturity Date (or such earlier date as Borrower may elect), or (ii) to pay, at any time on or prior to the then-current Maturity Date, the Purchase Price to such Rejecting Lender effective as of the then-current Maturity Date (or such earlier date as Borrower may elect), whereupon such Rejecting Lenderâ€™s Commitment shall terminate, the aggregate amount of the Commitments shall be so reduced, and the Loans owing to the Rejecting Lender shall be deemed fully paid and discharged. (e) No Obligation.Â Â Neither Administrative Agent, any Rejecting Lender nor any Affiliate thereof shall be obligated in any way to initiate any assignment referred to in the preceding subsection (d) or to assist in finding an Eligible Assignee or Affiliate thereof. (f) Conditions to Effectiveness of Extension.Â Â As a condition precedent to such extension, (i) Borrower, Administrative Agent and each Lender shall execute an Extension Option Agreement, (ii) Borrower shall pay the Extension Fee to Administrative Agent, and (iii) Borrower shall deliver to Administrative Agent a certificate of Borrower, dated as of the Extension Option Agreement Date, signed by a Responsible Officer of Borrower, certifying and attaching the resolutions adopted by Borrower approving or consenting to such extension, and (y) in the case of Borrower, certifying that, before and after giving effect to such extension, (A) the representations and warranties contained in Article 6 and the other Loan Documents are true and correct on and as of the Extension Option Agreement Date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they are true and correct as of such earlier date, and except that for purposes of this Section 2.11, the representations and warranties contained in subsections (a) and (b) of Section 7.1 shall be deemed to refer to the most recent statements furnished pursuant to subsections (a) and (b), respectively, of Section 7.1, and (B) no Default exists. (g) Conflicting Provisions.Â Â This Section shall supersede any provisions in Section 12.10 to the contrary. Section 2.12Swingline Loans.Â (a) Subject to the terms and conditions of this Agreement, Swingline LenderÂ agrees to make Swingline Loans to Borrower, during the period from the Closing Date toÂ but excluding the Swingline Maturity Date, in an aggregate principal amount at any oneÂ time outstanding up to, but not exceeding, the Swingline Availability. If at any time theÂ aggregate principal amount of the Swingline Loans outstanding at such time exceeds theÂ Swingline Availability in effect at such time, Borrower shall immediately payÂ Administrative Agent for the account of Swingline Lender the amount of such excess. Â Â Subject to the terms and conditions of this Agreement, the Borrower may borrow, repayÂ SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 58 Â Â and reborrow Swingline Loans hereunder.Â Â Each Swingline Loan shall be subject to all theÂ terms and conditions applicable to other Base Rate Loans funded by the Lenders, exceptÂ that all payments thereon shall be payable to the Swingline Lender solely for its ownÂ account.Â Â Swingline Lender shall not make any Swingline Loan if the amount of theÂ requested Swingline Loan exceeds Availability (before or after giving effect to suchÂ Swingline Loan).Â Â All Swingline Loans shall be Base Rate Loans.Â (b) Borrower shall notify Administrative Agent and Swingline Lender of eachÂ Borrowing of a Swingline Loan by providing Administrative Agent and Swingline LenderÂ with either a written Swingline Borrowing Request or telephonic notice.Â Â Each SwinglineÂ Borrowing Request shall be delivered to Swingline Lender no later than 11:00 a.m. CentralÂ time on the proposed date of such Borrowing.Â Â Any telephonic notice shall include allÂ information to be specified in a written Swingline Borrowing Request and shall beÂ promptly confirmed in writing by the Borrower pursuant to a written Swingline BorrowingÂ Request sent to Swingline Lender by telecopy, electronic mail or other similar form ofÂ communication on the same day of the giving of such telephonic notice.Â Â On the date of theÂ requested Swingline Loan and subject to satisfaction of the applicable conditions set forthÂ in this Agreement for such Borrowing, Swingline Lender will make the proceeds of suchÂ Swingline Loan available to Borrower by crediting the account of Borrower on the booksÂ of Texas Capital Bank with the amount of such funds.Â (c) Borrower agrees to repay each Swingline Loan within one (1) Business DayÂ after demand therefor by Swingline Lender and, in any event, within five (5) Business DaysÂ after the date such Swingline Loan was made; provided, that the proceeds of a SwinglineÂ Loan may not be used to pay a Swingline Loan.Â Â Notwithstanding the foregoing, BorrowerÂ shall repay the entire outstanding principal amount of, and all accrued but unpaid interestÂ on, the Swingline Loans on the Swingline Maturity Date (or such earlier date as

theÂ Swingline Lender and the Borrower may agree in writing).Â Â Unless the Borrower has repaidÂ a Swingline Loan within three (3) Business Days after the date on which such SwinglineÂ Loan was advanced, Borrower hereby irrevocably directs Swingline Lender, on behalf ofÂ Borrower, to request a borrowing of Revolving Credit Loans (which Loans shall beÂ Benchmark Rate Loans) from the Lenders in an amount equal to the principal balance ofÂ such Swingline Loan, in accordance with each Lenderâ€™s Applicable Percentage.Â Â The dollarÂ amount limitations contained in Section 2.1.(b) shall not apply to any Borrowing of suchÂ Revolving Credit Loans made pursuant to this subsection.Â Â Swingline Lender shall giveÂ notice to Administrative Agent of any such Borrowing of Revolving Credit Loans not laterÂ than 11:00 a.m. Central time at least one Business Day prior to the proposed date of suchÂ Borrowing.Â Â Promptly after receipt of such notice of borrowing of Revolving Credit LoansÂ from Swingline Lender under the immediately preceding sentence, Administrative AgentÂ shall notify each Lender of the proposed Borrowing.Â Â Not later than 1:00 p.m. Central timeÂ on the proposed date of such Borrowing, each Lender will make available toÂ Administrative Agent at the Principal Office for the account of Swingline Lender, inÂ immediately available funds, the proceeds of the Revolving Credit Loan to be made byÂ such Lender.Â Â Administrative Agent shall pay the proceeds of such Revolving Credit LoansÂ to Swingline Lender, which shall apply such proceeds to repay such Swingline Loan.Â Â IfÂ the Lenders are prohibited from making Revolving Credit Loans required to be made underÂ this subsection for any reason whatsoever, including without limitation, the existence ofÂ any of the Defaults SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 59 Â Â or Events of Default, then each Lender shall purchase from SwinglineÂ Lender, without recourse or warranty, an undivided interest and participation to the extentÂ of such Lenderâ€™s Applicable Percentage of such Swingline Loan, by directly purchasing aÂ participation in such Swingline Loan in such amount and paying the proceeds thereof toÂ Administrative Agent for the account of the Swingline Lender in Dollars and inÂ immediately available funds.Â Â A Lenderâ€™s obligation to purchase such a participation in aÂ Swingline Loan shall be absolute and unconditional and shall not be affected by anyÂ circumstance whatsoever, including without limitation, (i) any claim of setoff,Â counterclaim, recoupment, defense or other right which such Lender or any other PersonÂ may have or claim against Administrative Agent, Swingline Lender or any other PersonÂ whatsoever, (ii) the existence of a Default or Event of Default, or the termination of anyÂ Lenderâ€™s Commitment, (iii) the existence (or alleged existence) of an event or conditionÂ which has had or could have a Material Adverse Effect, (iv) any breach of any LoanÂ Document by Administrative Agent, any Lender, Borrower or any other Obligated Party,Â or (v) any other circumstance, happening or event whatsoever, whether or not similar toÂ any of the foregoing.Â Â If such amount is not in fact made available to Swingline Lender byÂ any Lender, then Swingline Lender shall be entitled to recover such amount on demandÂ from such Lender, together with accrued interest thereon for each day from the date ofÂ demand thereof, at the greater of the Federal Funds Rate and a rate determined byÂ Administrative Agent in accordance with banking industry rules on interbankÂ compensation.Â Â If such Lender does not pay such amount forthwith upon SwinglineÂ Lenderâ€™s demand therefor, and until such time as such Lender makes the required payment,Â Swingline Lender shall be deemed to continue to have outstanding Swingline Loans in theÂ amount of such unpaid participation obligation for all purposes of the Loan DocumentsÂ (other than those provisions requiring the other Lenders to purchase a participation therein). Â Â Further, such Lender shall be deemed to have assigned any and all payments made ofÂ principal and interest on its Revolving Credit Loans, and any other amounts due itÂ hereunder, to Swingline Lender to fund Swingline Loans in the amount of the participationÂ in Swingline Loans that such Lender failed to purchase pursuant to this Section until suchÂ amount has been purchased (as a result of such assignment or otherwise).Â (d) Swingline Lender may be replaced at any time by written agreement amongÂ Borrower, Administrative Agent, the replaced Swingline Lender and the successorÂ Swingline Lender.Â Â Administrative Agent shall notify the Lenders of any such replacementÂ of the Swingline Lender.Â Â At the time any such replacement shall become effective,Â Borrower shall pay all unpaid interest accrued for the account of the replaced SwinglineÂ Lender pursuant to Section 2.8(a).Â Â From and after the effective date of any suchÂ replacement, (x) the successor Swingline Lender shall have all the rights and obligationsÂ of the replaced Swingline Lender under this Agreement with respect to Swingline LoansÂ made thereafter and (y) references herein to the term â€œSwingline Lenderâ€ shall be deemedÂ to refer to such successor or to any previous Swingline Lender, or to such successor andÂ all previous Swingline Lenders, as the context shall require.Â Â After the replacement of aÂ Swingline Lender hereunder, the replaced Swingline Lender shall remain a party heretoÂ and shall continue to have all the rights and obligations of a Swingline Lender under thisÂ Agreement with respect to Swingline Loans made by it prior to its replacement, but shallÂ not be required to make additional Swingline Loans.Â SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 60 Â Â (e) The Swingline Lender may resign as a Swingline Lender at any time uponÂ thirty daysâ€™ prior written notice to the Administrative Agent, the Borrower and the Lenders,Â in which case, the Swingline Lender may be replaced in accordance with Section 2.12(d) above.Â ARTICLE 3 TAXES, YIELD PROTECTION AND INDEMNITY Section 3.1Increased Costs. Â (a)Increased Costs Generally.Â Â If any Change in Law shall: (i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in Term SOFR); (ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or (iii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein; and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit) or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or other Recipient, Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered. (b) Capital or Liquidity Requirements.Â Â If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lenderâ€™s holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lenderâ€™s capital or on the capital of such Lenderâ€™s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by such Lender or the Letters of Credit issued by L/C Issuer, to a level below that which such Lender or such Lenderâ€™s holding company could have achieved SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 61 Â Â but for such Change in Law (taking into consideration such Lenderâ€™s policies and the policies of such Lenderâ€™s holding company with respect to capital adequacy and liquidity), then from time to time Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lenderâ€™s holding company for any such reduction suffered. (c) Certificates for Reimbursement.Â Â A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Sections 3.1(a) or (b) and delivered to Borrower, shall be conclusive absent manifest error.Â Â Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof. (d) Delay in Requests.Â Â Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.1 shall not constitute a waiver of such Lenderâ€™s right to demand such compensation; provided that Borrower shall not be required to compensate a Lender pursuant to this Section 3.1 for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender notifies Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lenderâ€™s intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) -month period referred to above shall be extended to include the period of retroactive effect thereof). Section 3.2 Illegality.Â Â If any Lender determines that any Law or regulation has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to make, maintain or fund Loans whose interest is determined by reference to SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or to determine or charge interest rates based upon SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, then, on notice thereof by such Lender to Borrower through Administrative Agent, (a) any obligation of such Lender to make or continue Term SOFR Loans or to convert Base Rate Loans to Term SOFR Loans shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Adjusted Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate, in each case until such Lender notifies Administrative Agent and Borrower that the circumstances giving rise to such determination no longer exist.Â Â Upon receipt of such notice, (i) Borrower shall, if necessary to avoid such illegality, upon demand from such Lender (with a copy to Administrative Agent), prepay or, if applicable, convert all Term SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by Administrative Agent without reference to the Adjusted Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Term SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Term SOFR Loans and (ii) if such notice asserts the illegality of such Lender determining or charging interest rates based upon Adjusted Term SOFR, the Administrative Agent shall during the period of such suspension compute the Base Rate SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 62 Â Â applicable to such Lender without reference to the Adjusted Term SOFR component thereof until Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Adjusted Term SOFR.Â Â Upon any such prepayment or conversion, Borrower shall also pay accrued interest on the amount so prepaid or converted. Section 3.3Changed Circumstances; Benchmark Replacement.Â Â (a) Changed Circumstances.Â Â Subject to clause (b) below, if prior to the commencement of any Interest Period for any Benchmark Rate Borrowing,Â (i) Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) in connection with any request for a Benchmark Rate Loan or a conversion to or continuation thereof or otherwise, that for any reason adequate and reasonable means do not exist for determining the applicable Benchmark for any requested Interest Period with respect to a proposed Benchmark Rate Loan or in connection with an existing or proposed Base Rate Borrowing (provided that no Benchmark Transition Event shall have occurred at such time); or (ii) Administrative Agent is advised by the Required Lenders that the applicable Benchmark for any requested Interest Period with respect to a proposed Benchmark Rate Loan will not adequately and fairly reflect the cost to such Lenders of funding or maintaining their Benchmark Rate Loans included in such Borrowing for such Interest Period, then Administrative Agent will promptly so notify Borrower and each Lender.Â Â Thereafter, (x) the obligation of Lenders to make or maintain Benchmark Rate Loans shall be suspended, and (y) in the event of a determination described in the preceding sentence with respect to the Benchmark Rate component of the Base Rate, the utilization of the Benchmark Rate component in determining the Base Rate shall be suspended, in each case until Administrative Agent (upon the instruction of the Required Lenders) revokes such notice.Â Â Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Benchmark Rate Borrowings or, failing that, will be deemed to have converted such request into a request for a Base Rate Borrowing in the amount specified therein. (b)Benchmark Replacement Setting. Â (i) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (A) if a Benchmark Replacement is determined in accordance with clause (a) or (b) of the definition of â€œBenchmark Replacementâ€ for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 63 Â Â hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (B) if a Benchmark Replacement is determined in accordance with clause (c) of the definition of â€œBenchmark Replacementâ€ for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such

Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. (ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. (iii) Notices; Standards for Decisions and Determinations. Administrative Agent will promptly notify Borrower and the Lenders of (A) the implementation of any Benchmark Replacement, (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement, (C) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (iv) below and (D) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.3(b), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.3(b). Â (iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate or BSBY) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 64 Â Â publication of information announcing that any tenor for such Benchmark is not or will not be representative, then Administrative Agent may modify the definition of â€œInterest Periodâ€ for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (i) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then Administrative Agent may modify the definition of â€œInterest Periodâ€ for all Benchmark settings at or after such time to reinstate such previously removed tenor. (v) Benchmark Unavailability Period. Upon Borrowerâ€™s receipt of notice of the commencement of a Benchmark Unavailability Period, Borrower may revoke any pending request for a Benchmark Rate Borrowing of, conversion to or continuation of Benchmark Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. (vi) BSBY Replacement.Â Â Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, at any time that BSBY is the then current Benchmark, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower or Required Lenders notify the Administrative Agent (with, in the case of the Required Lenders, a copy to the Borrower) that the Borrower or Required Lenders (as applicable) have determined, that: (A) adequate and reasonable means do not exist for ascertaining one month, three month and six month interest periods of BSBY, including, without limitation, because the BSBY Screen Rate is not available or published on a current basis and such circumstances are unlikely to be temporary; or (B) Bloomberg or any successor administrator of the BSBY Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent or Bloomberg or such administrator has made a public statement identifying a specific date after which one month,Â Â three month and six monthÂ Â interest periods of BSBY or the BSBY Screen Rate shall or will no longer be representative or made available, or used for determining the interest rate of loans, or shall or will otherwise cease, provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent, that will SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 65 Â Â continue to provide such representative interest periods of BSBY after such specific date (the latest date on which one month, three month and six month interest periods of BSBY or the BSBY Screen Rate are no longer representative or available permanently or indefinitely, the â€œScheduled Unavailability Dateâ€); then, on a date and time determined by the Administrative Agent (any such date, the â€œBSBY Replacement Dateâ€), which date shall be at the end of an Interest Period or on the relevant interest payment date, as applicable, for interest calculated and, solely with respect to clause (B) above, no later than the Scheduled Unavailability Date, BSBY will be replaced hereunder and under any Loan Document with a Benchmark Replacement determined in accordance with the definition thereof. Section 3.4Taxes. Â (a) Defined Terms.Â Â For purposes of this Section, the term â€œapplicable Lawâ€ includes FATCA. (b) Payment Free of Taxes.Â Â Any and all payments by or on account of any obligation of Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable Law.Â Â If any applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.4) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made. (c) Payment of Other Taxes by Borrower.Â Â Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable Law, or at the option of Administrative Agent timely reimburse it for the payment of, any Other Taxes. (d) Indemnification by Borrower.Â Â Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.4) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.Â Â A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 66 Â Â (e) Indemnification by Lenders.Â Â Each Lender shall severally indemnify Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that Borrower has not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of Borrower to do so), (ii) any Taxes attributable to such Lenderâ€™s failure to comply with the provisions of Section 12.8 relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority.Â Â A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error.Â Â Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by Administrative Agent to such Lender from any other source against any amount due to Administrative Agent under this Section 3.4(e). Â (f) Evidence of Payments.Â Â As soon as practicable after any payment of Taxes by Borrower to a Governmental Authority pursuant to this Section 3.4, Borrower shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent. (g) Status of Lenders. Â (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to Borrower and Administrative Agent, at the time or times reasonably requested by Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding.Â Â In addition, any Lender, if reasonably requested by Borrower or Administrative Agent, shall deliver such other documentation prescribed by applicable Law or reasonably requested by Borrower or Administrative Agent as will enable Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements.Â Â Notwithstanding anything to the contrary in the preceding two (2) sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.4(g)(ii)(A), Â (ii)(B) and (ii)(D) below) shall not be required if in such Lenderâ€™s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 67 Â Â (ii) Without limiting the generality of the foregoing, in the event that Borrower is a U.S. Person, (A) any Lender that is a U.S. Person shall deliver to Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax; (B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), whichever of the following is applicable: (1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the â€œinterestâ€ article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (or IRS Form W-8BENE, if applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the â€œbusiness profitsâ€ or â€œother incomeâ€ article of such tax treaty; (2) executed copies of IRS Form W-8ECI; (3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit F-1 to the effect that such Foreign Lender is not a â€œbankâ€ within the meaning of Section 881(c)(3)(A) of the Code, a â€œ10 percent shareholderâ€ of Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a â€œcontrolled foreign corporationâ€ described in Section 881(c)(3)(C) of the Code (a â€œU.S. Tax Compliance Certificateâ€) and (y) executed copies of IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable); or (4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN (or IRS Form W-8BEN-E, if applicable), a U.S. Tax Compliance Certificate substantially in the SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 68 Â Â form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner; (C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrower or Administrative Agent), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit Borrower or Administrative Agent to determine the withholding or deduction required to be made; and (D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrower and Administrative Agent at the time or times prescribed by Law and at such time or times

reasonably requested by Borrower or Administrative Agent such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrower or Administrative Agent as may be necessary for Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lenderâ€™s obligations under FATCA or to determine the amount to deduct and withhold from such payment.Â Â Solely for purposes of this clause (D), â€œFATCAâ€ shall include any amendments made to FATCA after the date of this Agreement. Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrower and Administrative Agent in writing of its legal inability to do so. (h) Treatment of Certain Refunds.Â Â If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.4 (including by the payment of additional amounts pursuant to this Section 3.4), it shall pay to the indemnifying party an amount SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 69 Â Â equal to such refund (but only to the extent of indemnity payments made under this Section 3.4 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund).Â Â Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 3.4(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority.Â Â Notwithstanding anything to the contrary in this Section 3.4(h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 3.4(h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid.Â Â This Section 3.4(h) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person. (i) Survival.Â Â Each partyâ€™s obligations under this Section 3.4 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document. Section 3.5 Compensation for Losses.Â Â Upon demand of any Lender (with a copy to Administrative Agent) from time to time, Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of: (a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or (b) any failure by Borrower (for a reason other than the failure of such Lender to lend any Loan other than a Base Rate Loan) to prepay, borrow, continue or convert any Loan other than a Base Rate Loan on the date or in the amount notified by Borrower (regardless of whether such notice may be revoked by Borrower under the terms of this Agreement and is revoked in accordance herewith); or (c) any assignment of a Loan other than a Base Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by Borrower pursuant to Section 3.6(b); Â including any loss of anticipated profits and any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.Â Â A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to Borrower and shall be conclusive absent manifest error.Â Â Borrower shall pay such Lender the SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 70 Â Â amount shown as due on any such certificate within ten (10) days after receipt thereof.Â Â Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing. Section 3.6Mitigation of Obligations; Replacement of Lenders. Â (a) Designation of a Different Lending Office.Â Â If any Lender requests compensation under Section 3.1, or requires Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.4, then such Lender shall (at the request of Borrower) use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.1 or Section 3.4, as the case may be, in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender.Â Â Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. (b) Replacement of Lenders.Â Â If any Lender requests compensation under Section 3.1, or if Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.4 and, in each case, such Lender has declined or is unable to designate a different Lending Office in accordance with Section 3.6(a), or if any Lender is a Defaulting Lender or a Non-Consenting Lender, then Borrower may, at its sole expense and effort, upon notice to such Lender and Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 12.8), all of its interests, rights (other than its existing rights to payments pursuant to Section 3.1 or Section 3.4) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that: (i) Borrower shall have paid to Administrative Agent the assignment fee (if any) specified in Section 12.8; Â (ii) such Lender shall have received payment of an amount equal to the Outstanding Amount of its Loans, and Swingline Loans, L/C Advances and fundedÂ participations in Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 3.5) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Borrower (in the case of all other amounts); (iii) in the case of any such assignment resulting from a claim for compensation under Section 3.1 or payments required to be made pursuant to SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 71 Â Â Section 3.4, such assignment will result in a reduction in such compensation or payments thereafter; (iv) such assignment does not conflict with applicable Law; and (v) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent. A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling Borrower to require such assignment and delegation cease to apply. Section 3.7 Survival.Â Â All of Borrowerâ€™s obligations under this Article 3 shall survive termination of the Commitments, repayment of all other Obligations hereunder, and resignation of Administrative Agent. ARTICLE 4 [INTENTIONALLY OMITTED.] ARTICLE 5 CONDITIONS PRECEDENT Section 5.1 Initial Extension of Credit.Â Â The obligation of Lenders to make the initial Credit Extension hereunder is subject to the condition precedent that Administrative Agent shall have received all of the following, each dated (unless otherwise indicated or otherwise specified by Administrative Agent) the Closing Date, in form and substance satisfactory to Administrative Agent: (a) Credit Agreement. Executed counterparts of this Agreement, sufficient in number for distribution to Administrative Agent, each Lender and Borrower; (b) Resolutions.Â Â Resolutions of the Board of Directors (or other governing body) of Borrower and each other Obligated Party certified by the Secretary or an Assistant Secretary (or a Responsible Officer or other custodian of records) of such Person which authorize the execution, delivery, and performance by such Person of this Agreement and the other Loan Documents to which such Person is or is to be a party; (c) Incumbency Certificate.Â Â A certificate of incumbency certified by a Responsible Officer of each Obligated Party certifying the names of the individuals or other Persons authorized to sign this Agreement and each of the other Loan Documents to which Borrower and each other Obligated Party is or is to be a party (including the certificates contemplated herein) on behalf of such Person together with specimen signatures of such individual Persons; SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 72 Â Â (d) Constituent Documents.Â Â The Constituent Documents and all amendments thereto for Borrower and each other Obligated Party that is not a natural person, with the formation documents of Borrower included in the Constituent Documents being certified as of a date acceptable to Administrative Agent by the appropriate government officials of the state of incorporation or organization of Borrower, and all such Constituent Documents being accompanied by certificates that such copies are complete and correct, given by an authorized representative acceptable to Administrative Agent; (e) Governmental Certificates.Â Â Certificates of the appropriate government officials of the state of incorporation or organization of Borrower and each other Obligated Party as to the existence and good standing of Borrower and each other Obligated Party, each dated within thirty (30) days prior to the date of the initial Credit Extension; (f) Notes.Â Â The Notes executed by Borrower in favor of each Lender requesting Notes; (g) Guaranty.Â Â The Guaranty executed by each Guarantor; (h) Insurance Matters.Â Â Copies of insurance certificates describing all insurance policies required by Section 7.5; Â (i) Borrowing Base Report. For purposes of determining compliance with the conditions set forth in this Section 5.1, each Lender that has signed this Agreement shall be deemed to have consented to, approved or SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 73 Â Â accepted or be satisfied with, each document or other matter required thereunder to be consented to or approved by or be acceptable or satisfactory to a Lender unless Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto. Section 5.2 All Extensions of Credit.Â Â The obligation of Lenders to make any Credit Extension hereunder (including the initial Credit Extension) is subject to the following additional conditions precedent: (a) Request for Credit Extension.Â Â Administrative Agent shall have received in accordance with this Agreement, as the case may be, a Borrowing Request or Letter of Credit Application, as applicable, pursuant to Administrative Agentâ€™s requirements and executed by a Responsible Officer of Borrower; (b) No Default.Â Â No Default shall have occurred and be continuing, or would result from or after giving effect to such Credit Extension; (c) No Material Adverse Event.Â Â No Material Adverse Event shall have occurred and no circumstance shall exist that could be a Material Adverse Event; (d) Representations and Warranties.Â Â All of the representations and warranties contained in Article 6 and in the other Loan Documents shall be true and correct on and as of the date of such Borrowing with the same force and effect as if such representations and warranties had been made on and as of such date, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date, and except that for purposes of this Section 5.2, the representations and warranties contained in Section 6.2 shall be deemed to refer to the most recent statements furnished pursuant to Section 7.1(a) and (b), respectively; (e) Additional Documentation.Â Â Administrative Agent shall have received such additional approvals, opinions, or documents as Administrative Agent or its legal counsel may reasonably request; and (f) Availability under Credit Facility.Â Â With respect to any request for a Credit Extension under the Commitments, after giving effect to the Credit Extension so requested, the total Revolving Credit Exposure of the Lenders shall not exceed the lesser of (i) the Borrowing Base in effect as of the date of such Credit Extension and (ii) the aggregate Commitments of the Lenders in effect as of the date of such Credit Extension. Each Credit Extension hereunder shall be deemed to be a representation and warranty by Borrower that the conditions specified in this Section 5.2 have been satisfied on and as of the date of the applicable Credit Extension. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 74 Â Â ARTICLE 6 REPRESENTATIONS AND WARRANTIES To induce Administrative Agent and Lenders to enter into this Agreement, and to make Credit Extensions hereunder, Borrower represents and warrants to Administrative Agent and Lenders that: Section 6.1Entity Existence.Â Â Each of Borrower and its Subsidiaries (a) is duly incorporated or organized, as the case may be, validly existing, and in good standing under the Laws of the jurisdiction of its incorporation or organization; (b) has all requisite power and authority to own its assets and

Section 12.3 Limitation of Liability.Â Â None of Administrative Agent, L/C Issuer, theÂ Swingline Lender or any Lender, or any Affiliate, officer, director, employee, attorney, or agent of any of the foregoing, shall have any liability with respect to, and Borrower hereby waives, releases, and agrees not to sue any of them upon, any claim for any special, indirect, incidental, or consequential damages suffered or incurred by Borrower or any other Obligated Party in connection with, arising out of, or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 107 Â Â Documents.Â Â Borrower hereby waives, releases, and agrees not to sue Administrative Agent, L/C Issuer, the Swingline Lender, or any Lender, or any Affiliates, officers, directors, employees, attorneys, or agents of any of the foregoing for punitive damages in respect of any claim in connection with, arising out of, or in any way related to, this Agreement or any of the other Loan Documents, or any of the transactions contemplated by this Agreement or any of the other Loan Documents. Section 12.4 No Duty.Â Â All attorneys, accountants, appraisers, and other professional Persons and consultants retained by Administrative Agent, any Lender, the Swingline Lender or L/C Issuer shall have the right to act exclusively in the interest of Administrative Agent or, such Lender, Swingline Lender or L/C Issuer and shall have no duty of disclosure, duty of loyalty, duty of care, or other duty or obligation of any type or nature whatsoever to Borrower or any of Borrowerâ€™s equity holders, Affiliates, officers, employees, attorneys, agents, or any other Person. Section 12.5 Lenders Not Fiduciary.Â Â The relationship between Borrower and Administrative Agent, Arranger and each Lender, the Swingline Lender and L/C Issuer is solely that of debtor and creditor, and none of Administrative Agent, Arranger, any Lender, the SwinglineÂ Lender or L/C Issuer has any fiduciary or other special relationship with Borrower, and no term or condition of any of the Loan Documents shall be construed so as to deem the relationship between Borrower and Administrative Agent, Arranger and each Lender, the Swingline Lender and L/C Issuer to be other than that of debtor and creditor. Section 12.6 Equitable Relief.Â Â Borrower recognizes that in the event Borrower fails to pay, perform, observe, or discharge any or all of the Obligations, any remedy at law may prove to be inadequate relief to Administrative Agent or Lenders or the Swingline Lender or L/C Issuer.Â Â Borrower therefore agrees that Administrative Agent, any Lender, the Swingline Lender or L/C Issuer, if Administrative Agent or such Lender, the Swingline Lender or L/C Issuer so requests, shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages. Section 12.7No Waiver; Cumulative Remedies.Â Â No failure on the part of Administrative Agent, any Lender, the Swingline Lender or L/C Issuer to exercise and no delay in exercising, and no course of dealing with respect to, any right, remedy, power, or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power, or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege. The rights and remedies provided for in this Agreement and the other Loan Documents are cumulative and not exclusive of any rights and remedies provided by Law. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Obligated Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, Administrative Agent in accordance with Section 10.2 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 108 Â Â Agent) hereunder and under the other Loan Documents, or (b) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Obligated Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to Administrative Agent pursuant to Section 10.2 and (ii) in addition to the matters set forth in clause (b) of the preceding proviso and subject to Section 12.23, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders. Section 12.8Successors and Assigns. Â (a) Successors and Assigns Generally.Â Â The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that Borrower may not assign or transfer any of its rights, duties, or obligations under this Agreement or the other Loan Documents without the prior written consent of Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its

rights or obligations hereunder except (i) to an assignee in accordance with the provisions of Section 12.8(b), (ii) by way of participation in accordance with the provisions of Section 12.8(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.8(e) (and any other attempted assignment or transfer by any party hereto shall be null and void).Â Â Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 12.8(d) and, to the extent expressly contemplated hereby, the Related Parties of each of Administrative Agent and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement. (b) Assignments by Lenders.Â Â Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment(s) and the Loans at the time owing to it); provided that any such assignment shall be subject to the following conditions: (i) Minimum Amounts.Â Â (A) in the case of an assignment of the entire remaining amount of the assigning Lenderâ€™s Commitment(s) and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in Section 12.8(b)(i)(B) in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and (B) in any case not described in Section 12.8(b)(i)(A), the aggregate amount of the Commitment(s) (which for this purpose includes Loans outstanding hereunder) or, if the applicable Commitment is not then in effect, the Outstanding Amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to Administrative Agent or, if â€œTrade Dateâ€ is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5,000,000, in the case of any assignment in respect of SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 109 Â Â the Credit Facility, unless each of Administrative Agent and, so long as no Event of Default has occurred and is continuing, Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed). (ii) Proportionate Amounts.Â Â Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lenderâ€™s rights and obligations under this Agreement with respect to the Loan or the Commitment(s) assigned, except that this clause (ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate facilities, if any, on a non-pro rata basis. (iii) Required Consents.Â Â No consent shall be required for any assignment except to the extent required by Section 12.8(b)(i)(B) and, in addition: (A) the consent of Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment, or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; provided that Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to Administrative Agent within five (5) Business Days after having received notice thereof; (B) the consent of Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments in respect of any Commitment or Revolving Credit Loans if such assignment is to a Person that is not a Lender with a Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender, and (C) the consent of L/C Issuer and theÂ Swingline Lender (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Credit Facility. (iv) Assignment and Assumption.Â Â The parties to each assignment shall execute and deliver to Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500; provided that Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment.Â Â The assignee, if it is not a Lender, shall deliver to Administrative Agent an Administrative Questionnaire. (v) No Assignment to Certain Persons.Â Â No such assignment shall be made to (A) Borrower, or any of Borrowerâ€™s Affiliates or Subsidiaries or any other Obligated Party, (B) any Defaulting Lender or any of its Affiliates, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing persons described in this clause (B), or (C) a Competing Homebuilder. (vi) No Assignment to Natural Persons.Â Â No such assignment shall be made to a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person). (vii) Certain Additional Payments.Â Â In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 110 Â Â shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to such assignment shall make such additional payments to Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of Borrower and Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by such Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to: (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to Administrative Agent or any Lender hereunder (and interest accrued thereon) and (B) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Swingline Loans and Letters of Credit in accordance with its Applicable Percentage.Â Â Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs. Subject to acceptance and recording thereof by Administrative Agent pursuant to Section 12.8(c), from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lenderâ€™s rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 12.1 and Section 12.2 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lenderâ€™s having been a Defaulting Lender.Â Â Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.8(d).Â Â Upon the consummation of any assignment pursuant to this Section 12.8(b), if requested by the transferor or transferee Lender, the transferor Lender, Administrative Agent and Borrower shall make appropriate arrangements so that replacement Notes are issued to such transferor Lender (if applicable) and new Notes or, as appropriate, replacement Notes, are issued to the assignee. (c) Register.Â Â Administrative Agent, acting solely for this purpose as a nonfiduciary agent of Borrower, shall maintain at one of its offices in Dallas, Texas a copy of each Assignment and Assumption delivered to it and a Register.Â Â The entries in the Register shall be conclusive absent manifest error, and Borrower, Administrative Agent and Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement.Â Â The Register shall SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 111 Â Â be available for inspection by Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. (d) Participations.Â Â Any Lender may at any time, without the consent of, or notice to, Borrower or Administrative Agent, sell participations to a Participant in all or a portion of such Lenderâ€™s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lenderâ€™s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (iii) Borrower, Administrative Agent, and Lenders shall continue to deal solely and directly with such Lender in connection with such Lenderâ€™s rights and obligations under this Agreement.Â Â For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 12.1(b) without regard to the existence of any participation. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 12.10 which requires the consent of all Lenders and affects such Participant.Â Â Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.1, 3.5 and 3.4 (subject to the requirements and limitations therein, including the requirements under Section 3.4(g) (it being understood that the documentation required under Section 3.4(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 3.6 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 3.1 or 3.4, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation.Â Â Each Lender that sells a participation agrees, at Borrowerâ€™s request and expense, to use reasonable efforts to cooperate with Borrower to effectuate the provisions of Section 3.6 with respect to any Participant.Â Â Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of Borrower, maintain a Participant Register; provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participantâ€™s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.Â Â The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.Â Â For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 112 Â Â (e) Certain Pledges.Â Â Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. (f) Dissemination of Information.Â Â Borrower and each other Obligated Party authorizes Administrative Agent and each Lender to disclose to any actual or prospective purchaser, assignee or other recipient of a Lenderâ€™s Commitment, any and all information in Administrative Agentâ€™s or such Lenderâ€™s possession concerning Borrower, the other Obligated Parties and their respective Affiliates, subject to the terms and conditions of Section 12.25. Â Section 12.9 Survival.Â Â All representations and warranties made in this Agreement or any other Loan Document or in any document, statement, or certificate furnished in connection with this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and no investigation by Administrative Agent or any Lender or any closing shall affect the representations and warranties or the right of Administrative Agent or any Lender to rely upon them.Â Â Without prejudice to the survival of any other obligation of Borrower hereunder, the obligations of Borrower under Sections 12.1 and 12.2 shall survive repayment of the Obligations and termination of the Commitments. Section 12.10 Amendment.Â Â Subject to Section 2.8(h) and Section 3.3(b), the provisions of this Agreement and the other Loan Documents to which Borrower is a party (other than the Issuer Documents) may be amended or waived only by an instrument in writing signed by Required Lenders (or by Administrative Agent with the consent of Required Lenders) and Borrower and acknowledged by Administrative Agent; provided, Â however, that no such amendment or waiver shall: (a) waive any condition set forth in Section 5.1, without the written consent of each Lender; (b) extend or increase any Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 10.2) without the written consent of such Lender; (c) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayment) of principal, interest, fees or other amounts due to Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; (d) reduce the principal of, or the rate of interest specified herein on, any Loan, or any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; provided, Â however, that only the consent of Required Lenders shall be necessary to adjust the Default Interest Rate or to waive any obligation of Borrower to pay interest at such rate; SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 113 Â Â (e) change any provision of

this Section 12.10 or the definition of â€œRequired Lendersâ€ or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender; (f) change Section 10.3 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender; or (g) release any Guaranty without the written consent of each Lender; and, provided further, thatÂ Â that (i) no amendment, waiver or consent shall, unless in writing and signed by the L/C Issuer or Swingline Lender, as applicable, in addition to the Lenders required above, affect the rights or duties of the L/C Issuer or Swingline Lender, as applicable, under this Agreement or, with respect to the L/C Issuer, any Issuer Document relating to any Letter of Credit issued or to be issued by itthe L/C Issuer; (ii)Â Â no amendment, waiver or consent shall, unless in writing and signed by Administrative Agent in addition to Lenders required above, affect the rights or duties of Administrative Agent under this Agreement or any other Loan Document; (iii) the Fee Letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; (iv) Borrower and Administrative Agent may amend this Agreement or any other Loan Document without the consent of Lenders (unless the Required Lenders object in writing within five (5) Business Days of notice by Administrative Agent of such amendment) in order to (A) correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document or (B) make administrative or operational changes not adverse to any Lender, or (C) add a Guarantor or otherwise enhance the rights and benefits of the Lenders; and (v) Borrower and Administrative Agent may, without the input or consent of the Lenders, effect amendments to this Agreement and the other Loan Documents as may be necessary in the opinion of Administrative Agent to effect the provisions of Section 2.10. Â Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment(s) of any Defaulting Lender may not be increased or extended without the consent of such Lender; and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender. Section 12.11 Notices. Â (a) Notices Generally.Â Â Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in Section 12.11(b)), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile as set forth on Schedule 12.11.Â Â Notices sent by hand or overnight courier SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 114 Â Â service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient).Â Â Notices delivered through electronic communications, to the extent provided in Section 12.11(b) shall be effective as provided in Section 12.11(b). Â (b) Electronic Communications.Â Â Notices and other communications to Lenders and hereunder may be delivered or furnished by electronic communication (including e-mail and internet or intranet websites) pursuant to procedures approved by Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article 2 if such Lender has notified Administrative Agent that it is incapable of receiving notices under Article 2 by electronic communication.Â Â Administrative Agent or Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. Unless Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the senderâ€™s receipt of an acknowledgement from the intended recipient (such as by the â€œreturn receipt requestedâ€ function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such facsimile, email or other electronic communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient. (c) Change of Address, etc.Â Â Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto, Schedule 12.11 shall be deemed to be amended by each such change, and Administrative Agent is authorized, in its discretion, from time to time to reflect each such change in an amended Schedule 12.11 provided by Administrative Agent to each party hereto. (d) Platform. Â (i) Borrower agrees that Administrative Agent may, but shall not be obligated to, make the Communications (as defined below) available to the Lenders or L/C Issuer by posting the Communications on the Platform. (ii) The Platform is provided â€œas isâ€ and â€œas available.â€Â Â The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications.Â Â No warranty of any kind, express, implied or statutory, including, without limitation, SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 115 Â Â any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform.Â Â In no event shall the Agent Parties have any liability to Borrower, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of Borrowerâ€™s or Administrative Agentâ€™s transmission of communications through the Platform. (iii) Borrower and each other Obligated Party (by its, his or her execution of a Loan Document) hereby authorizes Administrative Agent, each Lender and their respective counsel and agents and Related Parties (each an â€œAuthorized Partyâ€) to communicate and transfer documents and other information (including confidential information) concerning this transaction or Borrower or any other Obligated Party and the business affairs of Borrower and such other Obligated Parties via the internet or other electronic communication method.Â Â In no event shall any Authorized Party have any liability to Borrower or any other Obligated Party, any Lender or any other Person or entity for damages of any kind (whether in tort, contract or otherwise) arising out of any such communications or transmissions, except to the extent that such damages are determined by a court of competent jurisdiction in a final and nonappealable judgment to have directly resulted from the gross negligence or willful misconduct of such Authorized Party; provided, however, that in no event shall any Authorized Party have any liability for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages). (e) Public Information.Â Each Obligated Party hereby acknowledges that certain of the Lenders (each, a â€œPublic Lenderâ€) may have personnel who do not wish to receive material non-public information with respect to any Obligated Party or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such securities.Â Â Each Obligated Party hereby agrees that it will use commercially reasonable efforts to identify that portion of the materials and information provided by or on behalf of any Obligated Party hereunder and under the other Loan Documents (collectively, â€œBorrower Materialsâ€) that may be distributed to the Public Lenders and that (i) all such Borrower Materials shall be clearly and conspicuously marked â€œPUBLIC,â€ which, at a minimum, shall mean that the word â€œPUBLICâ€ shall appear prominently on the first page thereof; (ii) by marking Borrower Materials â€œPUBLIC,â€ each Obligated Party shall be deemed to have authorized Administrative Agent and the other Lenders to treat such Borrower Materials as not containing any material non-public information with respect to any Obligated Party or its securities for purposes of U.S. federal and state securities Laws (provided, however, that to the extent that such Borrower Materials constitute Information, they shall be subject to Section 12.25); (iii) all Borrower Materials marked â€œPUBLICâ€ are permitted to be made available through a portion of the Platform designated â€œPublic Side Information;â€ and (iv) Administrative Agent shall be entitled to treat any Borrower Materials that are not marked â€œPUBLICâ€ as being suitable only for posting on a portion of the Platform not designated SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 116 Â Â â€œPublic Side Informationâ€. Each Public Lender will designate one or more representatives that shall be permitted to receive information that is not designated as being available for Public Lenders, in order to enable such Public Lender or its delegate, in accordance with such Public Lenderâ€™s compliance procedures and under applicable Law, including United States federal and state securities Laws, to make reference to Borrower Materials that are not made available through the â€œPublic Side Informationâ€ portion of the Platform and that may contain material non-public information with respect to any Obligated Party or its Subsidiaries and its securities for the purposes of United State federal or state securities Laws. Section 12.12 Governing Law; Venue; Service of Process. Â (a) Governing Law.Â Â This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of Texas (without reference to applicable rules of conflicts of Laws). (b) Jurisdiction.Â Â Borrower irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against Administrative Agent, any Lender, L/C Issuer or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of Texas sitting in Dallas County, and of the United States District Court of the Northern District of Texas, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of suchÂ Â courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such Texas State court or, to the fullest extent permitted by applicable Law, in such federal court.Â Â Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.Â Â Nothing in this Agreement or in any other Loan Document shall affect any right that Administrative Agent, any Lender or L/C Issuer may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against Borrower or its properties in the courts of any jurisdiction. (c) Waiver of Venue.Â Â Borrower irrevocably and unconditionally waives, to the fullest extent permitted by applicable Law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section.Â Â Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 117 Â Â (d) Service of Process.Â Â Each party hereto irrevocably consents to service of process by the mailing thereof, in the manner provided for the mailing of notices in Section 12.11.Â Â Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable Law. Section 12.13 Counterparts.Â Â This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.Â Â Except as provided in Section 5.1, this Agreement shall become effective when it shall have been executed by Administrative Agent and when Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto.Â Â Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. â€œpdfâ€ or â€œtifâ€) shall be effective as delivery of a manually executed counterpart of this Agreement. Section 12.14 Severability.Â Â Any provision of this Agreement or any other Loan Document held by a court of competent jurisdiction to be invalid or unenforceable shall not impair or invalidate the remainder of this Agreement and the effect thereof shall be confined to the provision held to be invalid or illegal.Â Â Furthermore, in lieu of such invalid or unenforceable provision there shall be added as a part of this Agreement or the other Loan Documents a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable. Section 12.15 Headings.Â Â The headings, captions, and arrangements used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement. Section 12.16 Construction.Â Â Borrower, Administrative Agent and each Lender acknowledge that each of them has had the benefit of legal counsel of its own choice and has been afforded an opportunity to review this Agreement and the other Loan Documents with its legal counsel and that this Agreement and the other Loan Documents shall be construed as if jointly drafted by Borrower, Administrative Agent and each Lender. Section 12.17 Independence of Covenants.Â Â All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such

covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists. Section 12.18 WAIVER OF JURY TRIAL.Â Â EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).Â Â EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 118 Â Â LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 12.18. Section 12.19 Additional Interest Provision.Â Â It is expressly stipulated and agreed to be the intent of Borrower, Administrative Agent and each Lender at all times to comply strictly with the applicable Law governing the maximum rate or amount of interest payable on the indebtedness evidenced by any Note, any Loan Document, and the Related Indebtedness (or applicable United States federal law to the extent that it permits any Lender to contract for, charge, take, reserve or receive a greater amount of interest than under applicable Law).Â Â If the applicable Law is ever judicially interpreted so as to render usurious any amount (a) contracted for, charged, taken, reserved or received pursuant to any Note, any of the other Loan Documents or any other communication or writing by or between Borrower and any Lender related to the transaction or transactions that are the subject matter of the Loan Documents, (b) contracted for, charged, taken, reserved or received by reason of Administrative Agentâ€™s or any Lenderâ€™s exercise of the option to accelerate the maturity of any Note and/or the Related Indebtedness, or (c) Borrower will have paid or Administrative Agent or any Lender will have received by reason of any voluntary prepayment by Borrower of any Note and/or the Related Indebtedness, then it is Borrowerâ€™s, Administrative Agentâ€™s and Lendersâ€™ express intent that all amounts charged in excess of the Maximum Rate shall be automatically canceled, ab initio, and all amounts in excess of the Maximum Rate theretofore collected by Administrative Agent or any Lender shall be credited on the principal balance of any Note and/or the Related Indebtedness (or, if any Note and all Related Indebtedness have been or would thereby be paid in full, refunded to Borrower), and the provisions of any Note and the other Loan Documents shall immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable Law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; provided, Â however, if any Note or Related Indebtedness has been paid in full before the end of the stated term thereof, then Borrower, Administrative Agent and each Lender agree that Administrative Agent or any Lender, as applicable, shall, with reasonable promptness after Administrative Agent or such Lender discovers or is advised by Borrower that interest was received in an amount in excess of the Maximum Rate, either refund such excess interest to Borrower and/or credit such excess interest against such Note and/or any Related Indebtedness then owing by Borrower to Administrative Agent or such Lender.Â Â Borrower hereby agrees that as a condition precedent to any claim seeking usury penalties against Administrative Agent or such Lender, Borrower will provide written notice to Administrative Agent or any Lender, advising Administrative Agent or such Lender in reasonable detail of the nature and amount of the violation, and Administrative Agent or such Lender shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Borrower or crediting such excess interest against the Note to which the alleged violation relates and/or the Related Indebtedness then owing by Borrower to Administrative Agent or such Lender.Â Â All sums contracted for, charged, taken, reserved or received by Administrative Agent or any Lender for the use, forbearance or detention of any debt evidenced by any Note and/or the Related Indebtedness shall, to the extent SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 119 Â Â permitted by applicable Law, be amortized or spread, using the actuarial method, throughout the stated term of such Note and/or the Related Indebtedness (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of any Note and/or the Related Indebtedness does not exceed the Maximum Rate from time to time in effect and applicable to such Note and/or the Related Indebtedness for so long as debt is outstanding.Â Â In no event shall the provisions of Chapter 346 of the Texas Finance Code (which regulates certain revolving credit loan accounts and revolving triparty accounts) apply to the Notes and/or any of the Related Indebtedness.Â Â Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Administrative Agent or any Lender to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration. Section 12.20 Ceiling Election.Â Â To the extent that any Lender is relying on Chapter 303 of the Texas Finance Code to determine the Maximum Rate payable on any Note and/or any other portion of the Obligations under the Loan Documents, such Lender will utilize the weekly ceiling from time to time in effect as provided in such Chapter 303.Â Â To the extent United States federal Law permits any Lender to contract for, charge, take, receive or reserve a greater amount of interest than under Texas Law, such Lender will rely on United States federal Law instead of such Chapter 303 for the purpose of determining the Maximum Rate.Â Â Additionally, to the extent permitted by applicable Law now or hereafter in effect, any Lender may, at its option and from time to time, utilize any other method of establishing the Maximum Rate under such Chapter 303 or under other applicable Law by giving notice, if required, to Borrower as provided by applicable Law now or hereafter in effect. Section 12.21 USA Patriot Act Notice.Â Â Administrative Agent and each Lender hereby notifies Borrower and each other Obligated Party that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies Borrower and each other Obligated Party, which information includes the name and address of Borrower and each other Obligated Party and other information that will allow Administrative Agent and such Lender to identify Borrower and each other Obligated Party in accordance with the Patriot Act.Â Â In addition, Borrower and each other Obligated Party agrees to (a) ensure that no Person who owns a controlling interest in or otherwise controls Borrower or any other Obligated Party or any Subsidiary of Borrower or any other Obligated Party is or shall be a Sanctioned Person, (b) not to use or permit the use of proceeds of the Obligations to violate any Anti-Corruption Laws, AntiTerrorism Laws or any applicable Sanctions, and (c) comply, or cause its Subsidiaries to comply, with the applicable Laws. Section 12.22 Defaulting Lenders. Â (a) Adjustments.Â Â Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law: (i) Waivers and Amendments.Â Â Such Defaulting Lenderâ€™s right to approve or disapprove any amendment, waiver or consent with respect to this SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 120 Â Â Agreement shall be restricted as set forth in the definitions of â€œRequired Lendersâ€ and in Section 12.10. Â (ii) Defaulting Lender Waterfall.Â Â Any payment of principal, interest, fees or other amounts received by Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 10 or otherwise) or received by Administrative Agent from a Defaulting Lender shall be applied at such time or times as may be determined by Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to Administrative Agent hereunder; second, with respect to a Defaulting Lender that is a Lender, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to L/C Issuer or Swingline Lender hereunder; third, with respect to a Defaulting Lender that is a Lender, to Cash Collateralize L/C Issuerâ€™s Fronting Exposure, if any, with respect to such Defaulting Lender in accordance with Section 2.7; fourth, with respect to a Defaulting Lender that is a Lender, as Borrower may request (so long as no Default or Event of Default exists), to the funding of any Revolving Credit Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Administrative Agent; fifth, with respect to a Defaulting Lender that is a Lender, if so determined by Administrative Agent and Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lenderâ€™s potential future funding obligations with respect to Revolving Credit Loans under this Agreement and (y) Cash Collateralize L/C Issuerâ€™s future Fronting Exposure, if any, with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.7; sixth, to the payment of any amounts owing to Lenders, SwinglineÂ Lender or L/C Issuer as a result of any judgment of a court of competent jurisdiction obtained by any Lender, Swingline Lender or L/C Issuer against such Defaulting Lender as a result of such Defaulting Lenderâ€™s breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lenderâ€™s breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that, if (x) such payment is a payment of the principal amount of any Loans or L/C Borrowings in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 5.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or L/C Obligations owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and Swingline LoansÂ are held by Lenders pro rata in accordance with the Commitments under the Credit Facility without giving effect to Section 12.22(a)(iv).Â Â Any payments, prepayments or other amounts paid or SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 121 Â Â payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 12.22(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto. (iii) Certain Fees.Â Â No Defaulting Lender shall be entitled to receive any fee payable under Section 2.4(b) for any period during which that Lender is a Defaulting Lender (and Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender). (iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure.Â Â All or any part of such Defaulting Lenderâ€™s Swingline Exposure and participation in L/C Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (calculated without regard to such Defaulting Lenderâ€™s Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lenderâ€™s Commitment.Â Â Subject to Section 12.26, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lenderâ€™s increased exposure following such reallocation. (v) Cash Collateral.Â Â If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable Law, (x) first,Â prepay such Swingline Exposure and (y) second, Cash Collateralize L/C Issuersâ€™Issuerâ€™s Fronting Exposure in accordance with the procedures set forth in Section 2.7. Â (b) Defaulting Lender Cure.Â Â If Borrower, Administrative Agent, SwinglineÂ Lender and L/C Issuer agree in writing that a Lender is no longer a Defaulting Lender, Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders (otherÂ than Swingline Loans) or take such other actions as Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held on a pro rata basis by Lenders in accordance with their Applicable Percentages (without giving effect to Section 12.22(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Borrower while that Lender was a Defaulting Lender; and provided, Â further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lenderâ€™s having been a Defaulting Lender. SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 122 Â Â Section 12.23 Sharing of Payments by Lenders.Â Â If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of the Loans made by it or other obligations hereunder, resulting in such Lenderâ€™s receiving payment of a proportion of the aggregate amount of such Loans and accrued interest thereon greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall: (a) notify Administrative Agent of such fact; and (b) purchase (for cash at face value) participations in the LoansÂ Â and such other obligations of

the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them, provided that: (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and (ii) the provisions of this Section 12.23 shall not be construed to apply to: (A) any payment made by or on behalf of Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender); or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or subparticipations in L/C Obligations to any assignee or participant, other than an assignment to Borrower or any Affiliate thereof (as to which the provisions of this Section 12.23 shall apply). Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Borrower in the amount of such participation. Section 12.24 Payments Set Aside.Â Â To the extent that any payment by or on behalf of Borrower is made to Administrative Agent, L/C Issuer or any Lender, or Administrative Agent, L/C Issuer or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Administrative Agent, L/C Issuer or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender and L/C Issuer severally agrees to pay to Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate from time to time in effect.Â Â The SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 123 Â Â obligations of Lenders and L/C Issuer under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement. Section 12.25 Confidentiality.Â Â Each of Administrative Agent, L/C Issuer and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners) or any Governmental Authority, quasi-Governmental Authority or legislative committee, (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to its being under a duty of confidentiality no less restrictive than this Section 12.25, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, (ii)Â Â any actual or prospective purchaser of a Lender or its holding company, (iii) any rating agency or any similar organization in connection with the rating of Borrower or the Facilities or (iv) the CUSIP Service Bureau or any similar organization in connection with the issuance and monitoring of CUSIP numbers with respect to the Facilities, (g) with the consent of Borrower, or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.25 or (ii) becomes available to Administrative Agent, L/C Issuer, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than Borrower.Â Â In addition, Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Commitments.Â Â For purposes of this Section 12.25, â€œInformationâ€ means all information received from Borrower or any Subsidiary relating to Borrower or any Subsidiary or any of their respective businesses which is clearly identified as confidential, other than any such information that is available to Administrative Agent, L/C Issuer or any Lender on a nonconfidential basis prior to disclosure by Borrower or a Subsidiary; provided that, in the case of information received from Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential.Â Â Any Person required to maintain the confidentiality of Information as provided in this Section 12.25 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.Â Â Each Obligated Party agrees and confirms that, as between such Obligated Party and Texas Capital Bank, the obligations of Texas Capital Bank under this Section 12.25 supersede and replace in their respective entireties all confidentiality, non-disclosure and similar obligations of Texas Capital Bank, if any, set forth in any previous agreement between such Obligated Party and Texas Capital Bank notwithstanding anything to the contrary contained therein Section 12.26 Electronic Execution of Assignments and Certain Other Documents.Â The words â€œexecute,â€ â€œexecution,â€ â€œsigned,â€ â€œsignature,â€ and words of like import in any SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 124 Â Â Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state Laws based on the Uniform Electronic Transactions Act. Section 12.27 Independence of Covenants.Â Â All covenants under the Loan Documents shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default if such action is taken or such condition exists. Section 12.28 Acknowledgement and Consent to Bail-In of Affected Financial Institutions.Â Â Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an Affected Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority. Section 12.29 Acknowledgement Regarding Any Supported QFCs.Â Â To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, â€œQFC Credit Supportâ€ and each SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 125 Â Â such QFC a â€œSupported QFCâ€), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the â€œU.S. Special Resolution Regimesâ€) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the Laws of the State of Texas and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a â€œCovered Partyâ€) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in Property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in Property) were governed by the Laws of the United States or a state of the United States.Â Â In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the Laws of the United States or a state of the United States.Â Â Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support. Section 12.30 NOTICE OF FINAL AGREEMENT.Â Â THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES RELATING TO THE SUBJECT MATTER HEREOF AND THEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.Â Â THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES. Section 12.31 Amended and Restated Credit Agreement.Â Â This Agreement amends and restates the Existing Credit Agreement in its entirety.Â Â Without limiting the generality of the foregoing, (a) the Existing Credit Agreement is hereby merged and incorporated into this Agreement, and (b) this Agreement shall supersede and control any inconsistent provision in the Existing Credit Agreement.Â Â All references in the Loan Documents to the Existing Credit Agreement are hereby modified and shall now be deemed to refer to this Agreement.Â Â All references in the Loan Documents to the Obligations, the Notes, the Loan Documents and other terms defined herein are hereby modified and shall now be deemed to refer to such terms and items as defined or described in this Agreement.Â Â Except as modified hereby or by any other Loan Document (whether dated as of or prior to the Closing Date) which expressly modifies any of the Loan Documents, all of the terms and provisions of the existing Loan Documents (including schedules and exhibits thereto), and the indebtedness, duties and obligations thereunder, are ratified and affirmed in all SECOND AMENDED AND RESTATED CREDIT AGREEMENT â€“ Page 126 Â Â respects and shall remain in full force and effect.Â Â This Agreement shall not, however, constitute a novation of the Obligated Partiesâ€™ indebtedness, duties and obligations under or with respect to the Loan Documents, the Loans or any Letters of Credit outstanding. (referred to as the â€œIssuerâ€) had $500 million principal amount outstanding of 3.875% Senior Notes due August 2029 (referred to collectively as the â€œ2029 Notesâ€) and $500 million principal amount outstanding of 6.75% Senior Notes due May 2027 (referred to collectively as the â€œ2027 Notesâ€ and collectively with the 2029 Notes, the â€œSenior Notesâ€). The Senior Notes are unsecured senior obligations of the Issuer and are fully and unconditionally guaranteed on an unsecured basis, jointly and severally, by substantially all of the Issuerâ€™s direct and indirect wholly-owned operating subsidiaries (referred to collectively as â€œGuarantorsâ€). The Issuerâ€™s subsidiaries associated with its financial services operations do not guarantee the Senior Notes. ï»¿ As of September Â 30,Â 2024, the entities set forth below, which are 100% owned subsidiaries of the Issuer, were guarantors of the outstanding Senior Notes. However, only the 2027 Notes and the related guarantees are registered securities under the Securities Act of 1933, as amended (the â€œSecurities Actâ€). The offer and sale of the 2029 Notes and the related guarantees were not and will not be registered under the Securities Act or the securities laws of any other jurisdiction and instead were issued in reliance upon an exemption from such registration. Unless they are subsequently registered under the Securities Act, neither the 2029 Notes nor the related guarantees may be offered and sold only in transactions that are exempt from the registration requirements under the Securities Act and the applicable securities laws of any other jurisdiction. ï»¿ As the guarantees for the 2027 Notes were made in connection with the issuance of the 2027 Notes Â and an exchange offer effected under the Securities Act in April 2017, the Guarantorsâ€™ condensed supplemental financial information is presented in the Quarterly Report on Form 10-Q for the quarterly periodÂ endedÂ September Â 30, 2024 as if the guarantees existed during the periods presented pursuant to applicable SEC rules and guidance. Basis of Presentation Century Communities, Inc. (which we refer to as â€œwe,â€ â€œCCS,â€ or the â€œCompanyâ€), together with its subsidiaries, is engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. In many of our projects, in addition to building homes, we entitle and develop the underlying land. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand has an emphasis on serving the entry-level homebuilding market but offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade opportunities. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade opportunities. Our homebuilding operations are organized into the following five reportable segments: West, Mountain, Texas, Southeast, and Century Complete. Our indirect wholly-owned subsidiaries, Inspire Home Loans Inc., Parkway Title, LLC, IHL Home Insurance Agency, LLC, and IHL Escrow Inc., which provide mortgage, title, insurance and escrow services, respectively, primarily to our homebuyers, have been identified as our Financial Services segment. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles (which we refer to as â€œGAAPâ€) and pursuant to the rules and regulations of the U.S. Securities and Exchange Commission (which we refer to as the â€œSECâ€). In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments consisting of normal recurring adjustments necessary for a fair presentation of our financial position and results of operations for the periods presented. Interim results of operations are not necessarily indicative of the results that may be achieved for the full year. The financial statements and related notes do not include all information and footnotes required by GAAP and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2023, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. Principles of Consolidation The condensed consolidated financial statements include the accounts of the Company, as well as all subsidiaries in which we have a controlling interest, and variable interest entities for which the Company is deemed to be the primary beneficiary. We do not have any variable interest entities in which we are deemed the primary beneficiary. Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Recently Issued Accounting Standards In December 2023, the Financial Accounting Standards Board (which we refer to as â€œFASBâ€) issued Accounting Standards Update (which we refer to as â€œASUâ€) No. 2023-09, â€œIncome Taxes (Topic 740): Improvements to Income Tax Disclosuresâ€ (â€œASU 2023-09â€). ASU 2023-09 requires more disaggregated income tax disclosures, including additional information in the rate reconciliation and additional disclosures about income taxes paid. ASU 2023-09 will become effective for us for the fiscal year ending December 31, 2025. Early adoption is permitted, and guidance should be applied prospectively, with an option to apply guidance retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-09 on our consolidated financial statements and related disclosures. In November 2023, the FASB issued ASU No. 2023-07, â€œSegment Reporting (Topic 280): Improvements to Reportable Segment Disclosuresâ€ (â€œASU 2023-07â€). ASU 2023-07 requires disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (which we refer to as â€œCODMâ€) and included within each reported measure of segment profit or loss. The guidance also expands disclosure requirements for interim periods, as well as requires disclosure of other segment items, including the title and position of the entityâ€™s CODM. ASU 2023-07 will become effective for us for the fiscal year ending December 31, 2024, and for interim periods starting in our first quarter of 2025. Early adoption is permitted, and guidance is required to be applied retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-07 on our consolidated financial statements and related disclosures. Reporting Segments Our homebuilding operations are engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand is managed by geographic location, and each of our four geographic regions offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade selections. Each of our four geographic regions is considered a separate operating segment. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade selections. Our Century Complete brand currently has operations in 11 states and it is considered a separate operating segment. The management of our four Century Communities geographic regions and Century Complete reports to our chief operating decision makers (which we refer to as â€œCODMsâ€), the Co-Chief Executive Officers of our Company. The CODMs review the results of our operations, including total revenue and income before income tax expense to determine profitability and to allocate resources. Accordingly, we have presented our homebuilding operations as the following five reportable segments: Â ï,·West (California

and Washington)ï,·Mountain (Arizona, Colorado, Nevada, and Utah) ï,·Texas ï,·Southeast (Florida, Georgia, North Carolina, South Carolina, and Tennessee)ï,·Century Complete (Alabama, Arizona, Florida, Georgia, Indiana, Kentucky, Louisiana, Michigan, North Carolina, Ohio, South Carolina) We have identified our Financial Services operations, which provide mortgage, title, insurance and escrow services to our homebuyers, as a sixth reportable segment. Our Corporate operations are a non-operating segment, as our Corporate operations serve to support our homebuilding, and to a lesser extent our Financial Services operations, through functions, such as our executive, finance, treasury, human resources, accounting and legal departments. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Business Combinations 3. Business Combinations On January 22, 2024, we closed on the acquisition of substantially all the assets and assumed certain liabilities of Landmark Homes of Tennessee, Inc. (â€œLandmarkâ€), a homebuilder with operations, including six active communities, in Nashville, Tennessee, for approximately $33.4 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, and in connection with this acquisition, we allocated $1.7 million in goodwill toÂ theÂ Southeast operating segment. We incurred $0.1 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations. On July 31, 2024, we closed on the acquisition of substantially all the assets and operations and assumed certain liabilities of Anglia Homes LP (â€œAngliaâ€), a homebuilder with operations, including 26 active communities, in the greater Houston, Texas area,Â for approximately $127.0 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, as we determined that the fair value of the gross assets acquired was not concentrated in a single identifiable asset or group of similar identifiable assets, and the acquired assets and processes have the ability to create outputs in the form of revenue from the sale of single-family residences. We incurred $0.5 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations.The following is a summary of the allocation of the purchase price for Anglia based on the fair value of assets acquired and liabilities assumedÂ (in thousands): Prepaid expenses and other assets$ 7,885Inventories 111,425Property and equipment, net 127Amortizable intangible assets 1,900Goodwill 7,351Total assets$ 128,688 Accounts payable$ 1,281Accrued expenses and other liabilities 417Total liabilities 1,698Net assets acquired$ 126,990Acquired inventories consist of work in process inventories and finished lots. We estimated the fair value of the acquired inventoriesÂ based upon the stage of production of each unit and a gross margin that we believe a market participant would require to complete the remaining development and requisite selling efforts.Â We estimated a market participant would require a gross margin ranging fromÂ approximately 8%Â toÂ 20%Â based upon the stage of production of the individual lot.Amortizable intangible assets acquired include right of first refusal and non-compete agreements, which we, with the assistance of a third-party valuation firm, estimated to have fair values ofÂ $0.9Â million andÂ $1.0Â million, respectively. These intangible assets are amortized each overÂ 2Â years.Â Goodwill represents the excess of the purchase price over the fair value of assetsÂ acquired and liabilities assumed, and in connection with this acquisition, we have allocated $7.4 million in goodwill toÂ theÂ Texas operating segment. Goodwill allocated for tax purposes is expected to be deductible.We determined that Angliaâ€™s carrying costs approximated fair value for all other acquired assets and assumed liabilities. From the acquisition date, Angliaâ€™s results of operations, which include home sales revenue of $20.3 million and loss before income tax, inclusive of purchase price accounting, of $1.5 million, are included in our accompanying condensed consolidated statements of operations for the three and nine months ended September 30, 2024. Financial Services Our Financial Services are principally comprised of our mortgage lending operations, Inspire Home Loans Inc. (which we refer to as â€œInspireâ€).Â Inspire is a full-service mortgage lender and primarily originates mortgage loans for our homebuyers. Inspire sells substantially all of the loans it originates either as loans with servicing rights released, or with servicing rights retained, in the secondary mortgage market within a

short period of time after origination, generally within 30 days. Inspire primarily finances these loans using its mortgage repurchase facilities.Â Mortgage loans held for sale and mortgage servicing rights are carried at fair value, with gains and losses from the changes in fair value reflected in financial services revenue on the consolidated statements of operations. Management believes carrying mortgage loans held for sale at fair value improves financial reporting by mitigating volatility in reported earnings caused by measuring the fair value of the loans and the derivative instruments used to economically hedge them. Net gains and losses from the sale of mortgage loans held for sale, which are recognized based upon the difference between the sales proceeds and carrying value of the related loans upon sale, are also included in financial services revenue on the consolidated statements of operations.Â Financial services revenue also includes fees earned from originating mortgage loans, which are recognized at the time the mortgage loans are funded, which include origination fees and discount points provided directly to our customers to reduce interest rates based on commitment agreements entered into between our homebuilding and Financial Services segments. Intercompany fees charged directly to the homebuilder are eliminated from financial services revenue on the condensed consolidated statements of operations upon consolidation.Â Â As of September 30, 2024 and December 31, 2023, Inspire had mortgage loans held for sale with an aggregate fair value of $257.2 million and $251.9 million, respectively, and an aggregate outstanding principal balance of $257.1 million and $247.7 million, respectively. Net losses on the sale of mortgage loans were $1.1 million and $4.9 million for the three and nine months ended September 30, 2024, respectively, and were $6.9 million and $3.4 million for the three and nine months ended September 30, 2023, respectively. The gain from the change in fair value for mortgage loans held for sale was $0.1 million for the three months ended September 30, 2024, and the loss from the change in fair value for mortgage loans held for sale was $4.1 million for the nine months ended September 30, 2024. Losses from the change in fair value for mortgage loans held for sale were $2.9 million and $4.9 million for the three and nine months ended September 30, 2023, respectively. Mortgage loans in process for which interest rates were locked by borrowers, or interest rate lock commitments, totaled approximately $146.0 million and $49.6 million at September 30, 2024 and December 31, 2023, respectively, and carried a weighted average interest rate of approximately 4.9% and 5.8%, respectively.Â Interest rate risks related to these obligations are typically mitigated through our interest rate hedging program or by the preselling of loans to investors. Derivative instruments used to economically hedge our market and interest rate risk are carried at fair value. Derivative instruments typically include interest rate lock commitments and forward commitments on mortgage-backed securities. Changes in fair value of these derivatives as well as any gains or losses upon settlement are reflected in financial services revenue on our condensed consolidated statements of operations. Self-Insurance Reserve We maintain general liability insurance coverage, including coverage for certain construction defects after homes have closed and premise operations during construction. These insurance policies are designed to protect us against a portion of the risk of loss from claims, subject to certain self-insured per occurrence and aggregate retentions, deductibles, and available policy limits. In circumstances where we have elected to retain a higher portion of the overall risk for construction defect claims in return for a lower initial premium, we reserve for the estimated self-insured retention costs that we will incur that are above our coverage limits or that are not covered by our insurance policies. The reserve is recorded on an undiscounted basis at the time revenue is recognized for each home closing. Amounts accrued, which are included in accrued expenses and other liabilities on the condensed consolidated balance sheets, are based on third party actuarial analyses that are primarily based on industry data and partially on our historical claims, which include estimates of claims incurred but not yet reported. Adjustments to estimated reserves are recorded in the period in which the change in estimate occurs. Our self-insurance liability is presented on a gross basis without consideration of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any. Estimates of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any, are recorded as receivables when such recoveries are considered probable. These construction loan agreements collectively provide that we may borrow up to an aggregate of $187.6 million from the lenders for purposes of construction of multi-family projects in Colorado, with advances made by the lenders upon the satisfaction of certain conditions. Borrowings under the construction loan agreements bear interest at various rates, including a fixed rate and floating interest rates per annum equal to the Secured Overnight Financing Rate (which we refer to as â€œSOFRâ€) and the Bloomberg Short-term Bank Yield Index, plus an applicable margin. The outstanding principal balances and all accrued and unpaid interest is due on varying maturity dates from March 17, 2026 through March 17, 2028, with certain of the construction loan agreements allowing for the option to extend the maturity dates for a period of 12 months if certain conditions are satisfied. The construction loan agreements contain customary affirmative and negative covenants (including covenants related to construction completion, and limitations on the use of loan proceeds, transfers of land, equipment, and improvements), as well as customary events of default. Interest on our construction loan agreements is capitalized to the multi-family properties assets included in prepaid expenses and other assets on the condensed consolidated balance sheets while the related multi-family rental properties are being actively developed. As of September 30, 2024 and December 31, 2023, $110.3 million and $44.9 million was outstanding under the construction loan agreements respectively, with borrowings that bore a weighted average interest rate of 7.2% and 7.4% as of September 30, 2024 and December 31, 2023, respectively, and we were in compliance with all covenants thereunder. Revolving Line of Credit We are party to a Second Amended and Restated Credit Agreement, as amended, (which we refer to as the â€œSecond A&R Credit Agreementâ€) with Texas Capital Bank, National Association, as Administrative Agent and L/C Issuer, and the lenders party thereto. The Second A&R Credit Agreement, which amended and restated our prior Amended and Restated Credit Agreement, provides us with a senior unsecured revolving line of credit (which we refer to as the â€œrevolving line of creditâ€) of up to $800.0 million, and unless terminated earlier, will mature on April 30, 2026. The revolving line of credit includes a $250.0 million sublimit for standby letters of credit and a $50.0 million sublimit for swingline loans. Under the terms of the Second A&R Credit Agreement, we are entitled to request an increase in the size of the revolving line of credit by an amount not exceeding $200.0 million. Our obligations under the Second A&R Credit Agreement are guaranteed by certain of our subsidiaries. The Second A&R Credit Agreement contains customary affirmative and negative covenants (including limitations on our ability to grant liens, incur additional debt, pay dividends, redeem our common stock, make certain investments and engage in certain merger, consolidation or asset sale transactions), as well as customary events of default. Borrowings under the Second A&R Credit Agreement are based on an adjusted term SOFR reference rate, which equals the greater of (i) 0.50% or (ii) the one-month quotation of the SOFR administered by the Federal Reserve Bank of New York, plus 0.10%. As of September 30, 2024, $414.0 million was outstanding under the revolving line of credit, with borrowings that bore an interest rate of 7.4%, and we were in compliance with all covenants under the Second A&R Credit Agreement. As of December 31, 2023, no amount was outstanding under the revolving line of credit. Mortgage Repurchase Facilities â€” Financial Services Inspire is party to mortgage warehouse facilities with J.P. Morgan Chase Bank, N.A., U.S. Bank National Association and Truist Bank, which provide Inspire with uncommitted repurchase facilities of up to an aggregate of $475.0 million as of September 30, 2024, secured by the mortgage loans financed thereunder. The repurchase facilities have varying short term maturity dates through September 26, 2025. Amounts outstanding under the repurchase facilities are not guaranteed by us or any of our subsidiaries, and the agreements contain various affirmative and negative covenants applicable to Inspire that are customary for arrangements of this type. As of September 30, 2024 and December 31, 2023, we had $247.2 million and $239.3 million outstanding under the repurchase facilities, respectively, and were in compliance with all covenants thereunder. Income Taxes At the end of each interim period, we are required to estimate our annual effective tax rate for the fiscal year and to use that rate to provide for income taxes for the current year-to-date reporting period. Our 2024 estimated annual effective tax rate, before discrete items, of 24.6%, is driven by our blended federal and state statutory rate of 24.6%, and certain permanent differences between GAAP and tax, including disallowed deductions for executive compensation offset by estimated federal energy home credits for current year home deliveries. For the nine months ended September 30, 2024, our estimated annual rate of 24.6% was benefitted by discrete items which had a net impact of decreasing our rate by 0.4%, including the impact of excess tax benefits for vested stock-based compensation. For the three months ended September 30, 2024 and 2023, we recorded income tax expense of $26.9 million and $28.8 million, respectively. For the nine months ended September 30, 2024 and 2023, we recorded income tax expense of $73.8 million and $56.9 million, respectively. Fair Value Disclosures Fair value measurements are used for the Companyâ€™s mortgage loans held for sale, mortgage loans held for investment, mortgage servicing rights, interest rate lock commitments and other derivative instruments on a recurring basis. We also utilize fair value measurements on a non-recurring basis for inventories and intangible assets when events and circumstances indicate that the carrying value is not recoverable. The fair value hierarchy and its application to the Companyâ€™s assets and liabilities is as follows: LevelÂ 1 â€“ Quoted prices for identical instruments in active markets. LevelÂ 2 â€“ Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are inactive; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets at the measurement date. ï¸·Mortgage loans held for sale â€“ Fair value is based on quoted market prices for committed and uncommitted mortgage loans. Â ï¸·Derivative assets and liabilities â€“ Derivative assets are associated with interest rate lock commitments and investor commitments on loans and may also be associated with forward mortgage-backed securities contracts. Derivative liabilities are associated with forward mortgage-backed securities contracts. Fair value is based on market prices for similar instruments. LevelÂ 3 â€“ Valuations derived from techniques where one or more significant inputs or significant value drivers are unobservable in active markets at the measurement date. ï¸·Mortgage servicing rights - The fair value of the mortgage servicing rights is calculated using third-party valuations. The key assumptions, which are generally unobservable inputs, used in the valuation of the mortgage servicing rights include mortgage prepayment rates, discount rates and cost to service. ï¸·Mortgage loans held for investment at fair value â€“ The fair value of mortgage loans held for investment at fair value is calculated based on Level 3 analysis which incorporates information including the value of underlying collateral, from markets where there is little observable trading activity. The following outlines the Companyâ€™s assets and liabilities measured at fair value on a recurring basis at SeptemberÂ 30, 2024 and December 31, 2023, respectively (in thousands): September 30, December 31, Balance Sheet Classification Hierarchy 2024 2023 Mortgage loans held for sale Mortgage loans held for sale Level 2 $ 257,187 $ 251,852Mortgage loans held for investment at fair value (1) Prepaid expenses and other assets Level 3 $ 24,032 $ 21,041Derivative assets Prepaid expenses and other assets Level 2 $ 3,757 $ 1,618Mortgage servicing rights (2) Prepaid expenses and other assets Level 3 $ 34,523 $ 30,932Derivative liabilities Accrued expenses and other liabilities Level 2 $ 1,088 $ 5,291 (1)The unobservable inputs used in the valuation of the mortgage loans held for investment at fair value include, among other items, the value of underlying collateral, from markets where there is little observable trading activity.(2)The unobservable inputs used in the valuation of the mortgage servicing rights include mortgage prepayment rates, discount rates and cost to service, which were 7.8%, 10.4%, and $0.073 per year per loan, respectively, as of September 30, 2024, and 8.6%, 10.3%, and $0.072 per year per loan, respectively, as of December 31, 2023. The high and low end of the range of unobservable inputs used in the valuation did not result in a significant change to the fair value measurement. As of December 31, 2023, these amounts totaled $4.3 million and $2.8 million for the 3.875% senior notes and 6.750% senior notes, respectively.(3)Carrying amount approximates fair value due to short-term nature and/or interest rate terms.(4)During the period ended September 30, 2024, other financing obligations included $14.5 million related to insurance premium notes and certain secured borrowings that generally bore interest rates ranging from 5.0% to 8.0%, and $110.3 million related to outstanding borrowings on the construction loan agreements that bore a weighted average interest rate of 7.2% as of September 30, 2024. During the period ended December 31, 2023, other financing obligations included $24.7 million related to insurance premium notes and certain secured borrowings that generally bore interest rates ranging from 4.8% to 7.7%, and $44.9 million related to outstanding borrowings on the construction loan agreements that bore a weighted average interest rate of 7.4%. Non-financial assets and liabilities include items such as inventory and property and equipment that are measured at fair value when acquired and as a result of impairments, if deemed necessary. During the three months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $10.6 million for two communities in our Century Complete and Southeast segments were not recoverable. During the nine months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $15.2 million for four communities in our Century Complete and Southeast segments were not recoverable. Accordingly, during the three and nine months ended September 30, 2024, we recognized impairment charges of an aggregate $1.4 million and $1.9 million, respectively, in order to record the communities at fair value. No impairment charges were recorded in the three and nine months ended September 30, 2023. When impairment charges are recognized, the estimated fair value of communities are determined through a discounted cash flow approach utilizing Level 3 inputs. Changes in our cash flow projections in future periods related to these communities may change our conclusions on the recoverability of inventory in the future.Â X - ReferencesNo definition available. + Details Name: us-gaap_FairValueDisclosuresAbstract Namespace Prefix: us-gaap_ Data Type: xbrli:stringItemType Balance Type: na Period Type: duration X - DefinitionThe entire disclosure for the fair value of financial instruments (as defined), including financial assets and financial liabilities (collectively, as defined), and the measurements of those instruments as well as disclosures related to the fair value of non-financial assets and liabilities. As of September 30, 2024 and December 31, 2023, we had $527.9 million and $510.5 million, respectively, in letters of credit and performance and other bonds issued and outstanding. Legal Proceedings We are subject to claims and lawsuits that arise primarily in the ordinary course of business, which consist primarily of construction claims. It is the opinion of our management that if the claims have merit, parties other than the Company would be, at least in part, liable for the claims, and the eventual outcome of these claims will not have a material adverse effect upon our consolidated financial condition, results of operations, or cash flows. When we believe that a loss is probable and estimable, we record a charge on our condensed consolidated statements of operations for our estimated loss. Under various insurance policies, we have the ability to recoup costs in excess of applicable self-insured retentions.Â Estimates of such amounts are recorded in other assets on our condensed consolidated balance sheet when recovery is probable.Â We do not believe that the ultimate resolution of any claims and lawsuits will have a material adverse effect upon our consolidated financial position, results of operations, or cash flows. (which we refer to as â€œwe,â€ â€œCCS,â€ or the â€œCompanyâ€), together with its subsidiaries, is engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. In many of our projects, in addition to building homes, we entitle and develop the underlying land. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand has an emphasis on serving the entry-level homebuilding market but offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade opportunities. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade opportunities. Our homebuilding operations are organized into the following five reportable segments: West, Mountain, Texas, Southeast, and Century Complete. Our indirect wholly-owned subsidiaries, Inspire Home Loans Inc., Parkway Title, LLC, IHL Home Insurance Agency, LLC, and IHL Escrow Inc., which provide mortgage, title, insurance and escrow services, respectively, primarily to our homebuyers, have been identified as our Financial Services segment. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. Basis of Presentation The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles (which we refer to as â€œGAAPâ€) and pursuant to the rules and regulations of the U.S. Securities and Exchange Commission (which we refer to as the â€œSECâ€). In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments consisting of normal recurring adjustments necessary for a fair presentation of our financial position and results of operations for the periods presented. Interim results of operations are not necessarily indicative of the results that may be achieved for the full year. The financial statements and related notes do not include all information and footnotes required by GAAP and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2023, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. Principles of Consolidation Principles of Consolidation The condensed consolidated financial statements include the accounts of the Company, as well as all subsidiaries in which we have a controlling interest, and variable interest entities for which the Company is deemed to be the primary beneficiary. We do not have any variable interest entities in which we are deemed the primary beneficiary. Use of Estimates Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Recently Issued Accounting Standards Recently Issued Accounting Standards In December 2023, the Financial Accounting Standards Board (which we refer to as â€œFASBâ€) issued Accounting Standards Update (which we refer to as â€œASUâ€) No. 2023-09, â€œIncome Taxes (Topic 740): Improvements to Income Tax Disclosuresâ€ (â€œASU 2023-09â€). ASU 2023-09 requires more disaggregated income tax disclosures, including additional information in the rate reconciliation and additional disclosures about income taxes paid. ASU 2023-09 will become effective for us for the fiscal year ending December 31, 2025. Early adoption is permitted, and guidance should be applied prospectively, with an option to apply guidance retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-09 on our consolidated financial statements and related disclosures. In November 2023, the FASB issued ASU No. 2023-07, â€œSegment Reporting (Topic 280): Improvements to Reportable Segment Disclosuresâ€ (â€œASU 2023-07â€). ASU 2023-07 requires disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (which we refer to as â€œCODMâ€) and included within each reported measure of segment profit or loss. The guidance also expands disclosure requirements for interim periods, as well as requires disclosure of other segment items, including the title and position of the entityâ€™s CODM. ASU 2023-07 will become effective for us for the fiscal year ending December 31, 2024, and for interim periods starting in our first quarter of 2025. Early adoption is permitted, and guidance is required to be applied retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-07 on our consolidated financial statements and related disclosures. Basis of Presentation Century Communities, Inc. (which we refer to as “we,” “CCS,” or the “Company”), together with its subsidiaries, is engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. In many of our projects, in addition to building homes, we entitle and develop the underlying land. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand has an emphasis on serving the entry-level homebuilding market but offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade opportunities. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade opportunities. Our homebuilding operations are organized into the following five reportable segments: West, Mountain, Texas, Southeast, and Century Complete. Our indirect wholly-owned subsidiaries, Inspire Home Loans Inc., Parkway Title, LLC, IHL Home Insurance Agency, LLC, and IHL Escrow Inc., which provide mortgage, title, insurance and escrow services, respectively, primarily to our homebuyers, have been identified as our Financial Services segment. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. The accompanying unaudited condensed consolidated financial statements of the Company have been prepared in accordance with U.S. generally accepted accounting principles (which we refer to as “GAAP”) and pursuant to the rules and regulations of the U.S. Securities and Exchange Commission (which we refer to as the “SEC”). In the opinion of management, the accompanying unaudited condensed consolidated financial statements reflect all adjustments consisting of normal recurring adjustments necessary for a fair presentation of our financial position and results of operations for the periods presented. Interim results of operations are not necessarily indicative of the results that may be achieved for the full year. The financial statements and related notes do not include all information and footnotes required by GAAP and should be read in

conjunction with the consolidated financial statements for the year ended December 31, 2023, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. Principles of Consolidation The condensed consolidated financial statements include the accounts of the Company, as well as all subsidiaries in which we have a controlling interest, and variable interest entities for which the Company is deemed to be the primary beneficiary. We do not have any variable interest entities in which we are deemed the primary beneficiary. Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Recently Issued Accounting Standards In December 2023, the Financial Accounting Standards Board (which we refer to as “FASB”) issued Accounting Standards Update (which we refer to as “ASU”) No. 2023-09, “Income Taxes (Topic 740): Improvements to Income Tax Disclosures” (“ASU 2023-09”). ASU 2023-09 requires more disaggregated income tax disclosures, including additional information in the rate reconciliation and additional disclosures about income taxes paid. ASU 2023-09 will become effective for us for the fiscal year ending December 31, 2025. Early adoption is permitted, and guidance should be applied prospectively, with an option to apply guidance retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-09 on our consolidated financial statements and related disclosures. In November 2023, the FASB issued ASU No. 2023-07, “Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures” (“ASU 2023-07”). ASU 2023-07 requires disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (which we refer to as “CODM”) and included within each reported measure of segment profit or loss. The guidance also expands disclosure requirements for interim periods, as well as requires disclosure of other segment items, including the title and position of the entity’s CODM. ASU 2023-07 will become effective for us for the fiscal year ending December 31, 2024, and for interim periods starting in our first quarter of 2025. Early adoption is permitted, and guidance is required to be applied retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-07 on our consolidated financial statements and related disclosures. Century Communities, Inc. The financial statements and related notes do not include all information and footnotes required by GAAP and should be read in conjunction with the consolidated financial statements for the year ended December 31, 2023, which are included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 that was filed with the SEC on February 5, 2024. Principles of Consolidation

The condensed consolidated financial statements include the accounts of the Company, as well as all subsidiaries in which we have a controlling interest, and variable interest entities for which the Company is deemed to be the primary beneficiary. We do not have any variable interest entities in which we are deemed the primary beneficiary. Use of Estimates The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Recently Issued Accounting Standards In December 2023, the Financial Accounting Standards Board (which we refer to as "FASB") issued Accounting Standards Update (which we refer to as "ASU") No. 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09"). ASU 2023-09 requires more disaggregated income tax disclosures, including additional information in the rate reconciliation and additional disclosures about income taxes paid. ASU 2023-09 will become effective for us for the fiscal year ending December 31, 2025. Early adoption is permitted, and guidance should be applied prospectively, with an option to apply guidance retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-09 on our consolidated financial statements and related disclosures. In November 2023, the FASB issued ASU No. 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures" ("ASU 2023-07"). ASU 2023-07 requires disclosure of significant segment expenses that are regularly provided to the chief operating decision maker (which we refer to as "CODM") and included within each reported measure of segment profit or loss. The guidance also expands disclosure requirements for interim periods, as well as requires disclosure of other segment items, including the title and position of the entity's CODM. ASU 2023-07 will become effective for us for the fiscal year ending December 31, 2024, and for interim periods starting in our first quarter of 2025. Early adoption is permitted, and guidance is required to be applied retrospectively. We are currently evaluating the impact of the adoption of ASU 2023-07 on our consolidated financial statements and related disclosures. 2. Reporting Segments Our homebuilding operations are engaged in the development, design, construction, marketing and sale of single-family attached and detached homes in 18 states. We build and sell homes under our Century Communities and Century Complete brands. Our Century Communities brand is managed by geographic location, and each of our four geographic regions offers a wide range of buyer profiles including: entry-level, first and second time move-up, and lifestyle homebuyers, and provides our homebuyers with the ability to personalize their homes through certain option and upgrade selections. Each of our four geographic regions is considered a separate operating segment. Our Century Complete brand targets entry-level homebuyers, primarily sells homes through retail studios and the internet, and generally provides no option or upgrade selections. Our Century Complete brand currently has operations in 11 states and it is considered a separate operating segment. The management of our four Century Communities geographic regions and Century Complete reports to our chief operating decision makers (which we refer to as "CODMs"), the Co-Chief Executive Officers of our Company. The CODMs review the results of our operations, including total revenue and income before income tax expense to determine profitability and to allocate resources. Accordingly, we have presented our homebuilding operations as the following five reportable segments: <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">West (California and Washington) <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Mountain (Arizona, Colorado, Nevada, and Utah) <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Texas <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;"><span style="white-space:pre-wrap; color: #212529;display: inline-block;font-family: Symbol;font-size: 10pt;font-style: normal;font-weight:

Our Corporate operations are a non-operating segment, as our Corporate operations serve to support our homebuilding, and to a lesser extent our Financial Services operations, through functions, such as our executive, finance, treasury, human resources, accounting and legal departments. Additionally, our wholly owned subsidiary, Century Living, LLC, is engaged in the development, construction and management of multi-family rental properties, currently all located in Colorado. Century Living, LLC is included in our Corporate segment. Business Combinations On January 22, 2024, we closed on the acquisition of substantially all the assets and assumed certain liabilities of Landmark Homes of Tennessee, Inc. (“Landmark”), a homebuilder with operations, including six active communities, in Nashville, Tennessee, for approximately $33.4 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, and in connection with this acquisition, we allocated $1.7 million in goodwill to the Southeast operating segment. We incurred $0.1 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations. On July 31, 2024, we closed on the acquisition of substantially all the assets and operations and assumed certain liabilities of Anglia Homes LP (“Anglia”), a homebuilder with operations, including 26 active communities, in the greater Houston, Texas area, for approximately $127.0 million in cash, inclusive of customary holdbacks. We concluded that the acquisition represents a business combination, as we determined that the fair value of the gross assets acquired was not concentrated in a single identifiable asset or group of similar identifiable assets, and the acquired assets and processes have the ability to create outputs in the form of revenue from the sale of single-family residences. We incurred $0.5 million in acquisition costs, which are reflected in other expense in our condensed consolidated statements of operations. The following is a summary of the allocation of the purchase price for Anglia based on the fair value of assets acquired and liabilities assumed (in thousands): <p dir="ltr" style="font-family: 'Times New Roman', 'serif';font-size: 1pt;line-height:

We estimated the fair value of the acquired inventories based upon the stage of production of each unit and a gross margin that we believe a market participant would require to complete the remaining development and requisite selling efforts. We estimated a market participant would require a gross margin ranging from approximately 8% to 20% based upon the stage of production of the individual lot. Amortizable intangible assets acquired include right of first refusal and non-compete agreements, which we, with the assistance of a third-party valuation firm, estimated to have fair values of $0.9 million and $1.0 million, respectively. These intangible assets are amortized each over 2 years. Goodwill represents the excess of the purchase price over the fair value of assets acquired and liabilities assumed, and in connection with this acquisition, we have allocated $<span style="white-space:pre-wrap; color: #000000;font-family: 'Times New Roman', 'serif';font-size: 10pt;font-style: normal;font-weight: normal;margin: 0;padding:

We determined that Anglia's carrying costs approximated fair value for all other acquired assets and assumed liabilities. From the acquisition date, Anglia's results of operations, which include home sales revenue of $20.3 million and loss before income tax, inclusive of purchase price accounting, of $1.5 million, are included in our accompanying condensed consolidated statements of operations for the three and nine months ended September 30, 2024. </p> 6 33400000 1700000 100000 26 127000000.0 500000 <div style="text-align:left"><table dir="ltr" style="border: none;border-collapse: collapse;margin-bottom: .001pt;margin-left: 0;margin-right: auto;width: 100%;"><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 79.0%;"><p dir="ltr" style="text-align:left; Financial Services Our Financial Services are principally comprised of our mortgage lending operations, Inspire Home Loans Inc. (which we refer to as “Inspire”). Inspire is a full-service mortgage lender and primarily originates mortgage loans for our homebuyers. Inspire sells substantially all of the loans it originates either as loans with servicing rights released, or with servicing rights retained, in the secondary mortgage market within a short period of time after origination, generally within 30 days. Inspire primarily finances these loans using its mortgage repurchase facilities.   Mortgage loans held for sale and mortgage servicing rights are carried at fair value, with gains and losses from the changes in fair value reflected in financial services revenue on the consolidated statements of operations. Management believes carrying mortgage loans held for sale at fair value improves financial reporting by mitigating volatility in reported earnings caused by measuring the fair value of the loans and the derivative instruments used to economically hedge them. Net gains and losses from the sale of mortgage loans held for sale, which are recognized based upon the difference between the sales proceeds and carrying value of the related loans upon sale, are also included in financial services revenue on the consolidated statements of operations. Financial services revenue also includes fees earned from originating mortgage loans, which are recognized at the time the mortgage loans are funded, which include origination fees and discount points provided directly to our customers to reduce interest rates based on commitment agreements entered into between our homebuilding and Financial Services segments. Intercompany fees charged directly to the homebuilder are eliminated from financial services revenue on the condensed consolidated statements of operations upon consolidation.   As of September 30, 2024 and December 31, 2023, Inspire had mortgage loans held for sale with an aggregate fair value of $257.2 million and $251.9<span style="white-space:pre-wrap; color: #000000;font-family: 'Times New Roman', 'serif';font-size: 10pt;font-style: normal;font-weight: normal;margin: 0;padding:

0;"> million, respectively, and an aggregate outstanding principal balance of $257.1 million and $247.7 million, respectively. Net losses on the sale of mortgage loans were $1.1 million and $4.9 million for the three and nine months ended September 30, 2024, respectively, and were $6.9 million and $3.4 million for the three and nine months ended September 30, 2023, respectively. The gain from the change in fair value for mortgage loans held for sale was $0.1 million for the three months ended September 30, 2024, and the loss from the change in fair value for mortgage loans held for sale was $4.1 million for the nine months ended September 30, 2024. Losses from the change in fair value for mortgage loans held for sale were $2.9 million and $4.9 million for the three and nine months ended September 30, 2023, respectively. Mortgage loans in process for which interest rates were locked by borrowers, or interest rate lock commitments, totaled approximately $146.0 million and $49.6 million at September 30, 2024 and December 31, 2023, respectively, and carried a weighted average interest rate of approximately 4.9% and 5.8%, respectively. Interest rate risks related to these obligations are typically mitigated through our interest rate hedging program or by the preselling of loans to investors. Derivative instruments used to economically hedge our market and interest rate risk are carried at fair value. Derivative instruments typically include interest rate lock commitments and forward commitments on mortgage-backed securities. Changes in fair value of these derivatives as well as any gains or losses upon settlement are reflected in financial services revenue on our condensed consolidated statements of operations. Refer to Note 13 – Fair Value Disclosures for further information regarding our derivative instruments. 257200000 251900000 257100000 247700000 -1100000 -4900000 6900000 3400000 100000 -4100000 -2900000 -4900000 146000000.0 49600000 0.049 0.058 6. Warranties Estimated future direct warranty costs are accrued and charged to cost of home sales revenues in the period when the related home sales revenues are recognized. Amounts accrued, which are included in accrued expenses and other liabilities on the condensed consolidated balance sheets, are based upon historical experience rates. We subsequently assess the adequacy of our warranty accrual on a quarterly basis through a model that incorporates historical payment trends and adjust the amounts recorded, if necessary. Based on warranty payment trends relative to our estimates at the time of home closing, we reduced our warranty reserve by $0.3 million and $0.5 million during the three months ended September 30, 2024 and 2023, respectively, and we reduced our warranty reserve by $1.9 million and $1.2 million during the nine months ended September 30, 2024 and 2023, respectively. These adjustments are included in cost of home sales revenues on our condensed consolidated statements of operations. Changes in our warranty accrual for the three and nine months ended September 30, 2024 and 2023 are detailed in the table below (in thousands): <table dir="ltr" style="border: none;border-collapse: collapse;margin-bottom: .001pt;margin-left: 0;margin-right: auto;width: 100%;"><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 43.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.8%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 11.9%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.7%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 10.9%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.7%;"> </td><td style="background:

Self-Insurance

Reserve We maintain general liability insurance coverage, including coverage for certain construction defects after homes have closed and premise operations during construction. These insurance policies are designed to protect us against a portion of the risk of loss from claims, subject to certain self-insured per occurrence and aggregate retentions, deductibles, and available policy limits. In circumstances where we have elected to retain a higher portion of the overall risk for construction defect claims in return for a lower initial premium, we reserve for the estimated self-insured retention costs that we will incur that are above our coverage limits or that are not covered by our insurance policies. The reserve is recorded on an undiscounted basis at the time revenue is recognized for each home closing. Amounts accrued, which are included in accrued expenses and other liabilities on the condensed consolidated balance sheets, are based on third party actuarial analyses that are primarily based on industry data and partially on our historical claims, which include estimates of claims incurred but not yet reported. Adjustments to estimated reserves are recorded in the period in which the change in estimate occurs. Our self-insurance liability is presented on a gross basis without consideration of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any. Estimates of insurance recoveries and amounts we have paid on behalf of and expect to recover from other parties, if any, are recorded as receivables when such recoveries are considered probable. Based on a third-party actuarial analysis, we reduced our self-insurance reserve by $0.8 million during the three and nine months ended September 30, 2024, and we reduced our self-insurance reserve by $3.4 million during the three and nine months ended September 30, 2023. Any adjustments are included in cost of home sales revenues on our condensed consolidated statements of operations. Changes in our self-insurance reserve for incurred but not reported construction defect claims for the three and nine months ended September 30, 2024 and 2023 are detailed in the table below (in thousands):   <table dir="ltr" style="border: none;border-collapse: collapse;margin-bottom: .001pt;margin-left: 0;margin-right: auto;width: 100%;"><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 43.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.8%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 11.9%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.7%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 10.9%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.7%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 1.3%;"> </td></tr><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 43.3%;"> <span style="white-

As of December 31, 2023, other financing obligations included $24.7 million related to insurance premium notes and certain secured borrowings, as well as $44.9 million outstanding under construction loan agreements.   Construction Loan Agreements Certain wholly owned subsidiaries of Century Living, LLC are parties to construction loan agreements with various banks (which we collectively refer to as "the lenders"). These construction loan agreements collectively provide that we may borrow up to an aggregate of $187.6 million from the lenders for purposes of construction of multi-family projects in Colorado, with advances made by the lenders upon the satisfaction of certain conditions. Borrowings under the construction loan agreements bear interest at various rates, including a fixed rate and floating interest rates per annum equal to the Secured Overnight Financing Rate (which we refer to as "SOFR") and the Bloomberg Short-term Bank Yield Index, plus an applicable margin. The outstanding principal balances and all accrued and unpaid interest is due on varying maturity dates from March 17, 2026 through March 17, 2028, with certain of the construction loan agreements allowing for the option to extend the maturity dates for a period of 12 months if certain conditions are satisfied. The construction loan agreements contain customary affirmative and negative covenants (including covenants related to construction completion, and limitations on the use of loan proceeds, transfers of land, equipment, and improvements), as well as customary events of default. Interest on our construction loan agreements is capitalized to the multi-family properties assets included in prepaid expenses and other assets on the condensed consolidated balance sheets while the related multi-family rental properties are being actively developed. As of September 30, 2024 and December 31, 2023, $110.3 million and $44.9 million was outstanding under the construction loan agreements respectively, with borrowings that bore a weighted average interest rate of 7.2% and 7.4% as of September 30, 2024 and December 31, 2023, respectively, and we were in compliance with all covenants thereunder. Revolving Line of Credit We are party to a Second Amended and Restated Credit Agreement, as amended, (which we refer to as the "Second A&R Credit Agreement") with Texas Capital Bank, National Association, as Administrative Agent and L/C Issuer, and the lenders party thereto. The Second A&R Credit Agreement, which amended and restated our prior Amended and Restated Credit

Agreement, provides us with a senior unsecured revolving line of credit (which we refer to as the "revolving line of credit") of up to $800.0 million, and unless terminated earlier, will mature on April 30, 2026. The revolving line of credit includes a $250.0 million sublimit for standby letters of credit and a $50.0 million sublimit for swingline loans. Under the terms of the Second A&R Credit Agreement, we are entitled to request an increase in the size of the revolving line of credit by an amount not exceeding $200.0 million. Our obligations under the Second A&R Credit Agreement are guaranteed by certain of our subsidiaries. The Second A&R Credit Agreement contains customary affirmative and negative covenants (including limitations on our ability to grant liens, incur additional debt, pay dividends, redeem our common stock, make certain investments and engage in certain merger, consolidation or asset sale transactions), as well as customary events of default. Borrowings under the Second A&R Credit Agreement are based on an adjusted term SOFR reference rate, which equals the greater of (i) 0.50% or (ii) the one-month quotation of the SOFR administered by the Federal Reserve Bank of New York, plus 0.10%. As of September 30, 2024, $414.0 million was outstanding under the revolving line of credit, with borrowings that bore an interest rate of 7.4%, and we were in compliance with all covenants under the Second A&R Credit Agreement. As of December 31, 2023, no amount was outstanding under the revolving line of credit. Mortgage Repurchase Facilities – Financial Services Inspire is party to mortgage warehouse facilities with J.P. Morgan Chase Bank, N.A., U.S. Bank National Association and Truist Bank, which provide Inspire with uncommitted repurchase facilities of up to an aggregate of $475.0 million as of September 30, 2024, secured by the mortgage loans financed thereunder. The repurchase facilities have varying short term maturity dates through September 26, 2025. Borrowings under the mortgage repurchase facilities bear interest at variable interest rates per annum equal to SOFR plus an applicable margin, and bore a weighted average interest rate of 6.8% as of September 30, 2024. Amounts outstanding under the repurchase facilities are not guaranteed by us or any of our subsidiaries, and the agreements contain various affirmative and negative covenants applicable to Inspire that are customary for arrangements of this type. As of September 30, 2024 and December 31, 2023, we had $247.2 million and $239.3 million outstanding under the repurchase facilities, respectively, and were in compliance with all covenants thereunder.   <table dir="ltr" style="border: none;border-collapse: collapse;margin-bottom: .001pt;margin-left: 0;margin-right: auto;width: 100%;"><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 71.2%;"><p dir="ltr" style="text-align:left; font-family: 'Times New Roman', 'serif';font-size: 1pt;line-height: 108%;margin-bottom: .001pt;margin-left: 0;margin-right: 0;margin-

Income Taxes At the end of each interim period, we are required to estimate our annual effective tax rate for the fiscal year and to use that rate to provide for income taxes for the current year-to-date reporting period. Our 2024 estimated annual effective tax rate, before discrete items, of 24.6%, is driven by our blended federal and state statutory rate of 24.6%, and certain permanent differences between GAAP and tax, including disallowed deductions for executive compensation offset by estimated federal energy home credits for current year home deliveries. For the nine months ended September 30, 2024, our estimated annual rate of 24.6% was benefitted by discrete items which had a net impact of decreasing our rate by 0.4%, including the impact of excess tax benefits for vested stock-based compensation. <span style="white-space:pre-wrap; font-family: 'Times New Roman', 'serif';font-size: 10pt;font-style: normal;font-weight:

Fair Value Disclosures Fair value measurements are used for the Company's mortgage loans held for sale, mortgage loans held for investment, mortgage servicing rights, interest rate lock commitments and other derivative instruments on a recurring basis. We also utilize fair value measurements on a non-recurring basis for inventories and intangible assets when events and circumstances indicate that the carrying value is not recoverable. The fair value hierarchy and its application to the Company's assets and liabilities is as follows: Level 1 – Quoted prices for identical instruments in active markets. Level 2 – Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are inactive; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets at the measurement date. <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Mortgage loans held for sale – Fair value is based on quoted market prices for committed and uncommitted mortgage loans.   <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Derivative assets and liabilities – Derivative assets are associated with interest rate lock commitments and investor commitments on loans and may also be associated with forward mortgage-backed securities contracts. Derivative liabilities are associated with forward mortgage-backed securities contracts. Fair value is based on market prices for similar instruments. Level 3 – Valuations derived from techniques where one or more significant inputs or significant value drivers are unobservable in active markets at the measurement date. <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Mortgage servicing rights – The fair value of the mortgage servicing rights is calculated using third-party valuations. The key assumptions, which are generally unobservable inputs, used in the valuation of the mortgage servicing rights include mortgage prepayment rates, discount rates and cost to service. <p dir="ltr" style="background: #FFFFFF;font-family: Symbol;font-size: 10pt;line-height: 108%;margin-bottom: 0;margin-left: 0.50in;margin-right: 0;margin-top: 0;text-align: justify;text-indent: -0.25in;">Mortgage loans held for investment at fair value – The fair value of mortgage loans held for investment at fair value is calculated based on Level 3 analysis which incorporates information including the value of underlying collateral, from markets where there is little observable trading activity. <p dir="ltr" style="font-family: 'Times New Roman', 'serif';font-size: 10pt;line-

normal;font-weight: normal;margin: 0;padding: 0;">Non-financial assets and liabilities include items such as inventory and property and equipment that are measured at fair value when acquired and as a result of impairments, if deemed necessary. During the three months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $10.6 million for two communities in our Century Complete and Southeast segments were not recoverable. During the nine months ended September 30, 2024, we determined that inventory with a carrying value before impairment of $15.2 million for four communities in our Century Complete and Southeast segments were not recoverable. Accordingly, during the three and nine months ended September 30, 2024, we recognized impairment charges of an aggregate $1.4 million and $1.9 million, respectively, in order to record the communities at fair value. No impairment charges were recorded in the three and nine months ended September 30, 2023. When impairment charges are recognized, the estimated fair value of communities are determined through a discounted cash flow approach utilizing Level 3 inputs. Changes in our cash flow projections in future periods related to these communities may change our conclusions on the recoverability of inventory in the future.

Stock-based compensation expense for PSUs is initially estimated based on target performance achievement and adjusted as appropriate throughout the performance period. Accordingly, future compensation cost associated with outstanding PSUs may increase or decrease based on the probability and extent of achievement with respect to the applicable performance measures.

Stockholders' Equity The Company's authorized capital stock consists of 100.0 million shares of common stock, par value $0.01 per share, and 50.0 million shares of preferred stock, par value $0.01 per share. As of September 30, 2024 and December 31, 2023, there were 31.3 million and 31.8 million shares of common stock issued and outstanding, respectively, and no shares of preferred stock outstanding.   On May 4, 2022, the stockholders approved the adoption of the Century Communities, Inc. 2022 Omnibus Incentive Plan (which we refer to as the "2022 Incentive Plan"), which replaced the Century Communities, Inc. Amended and Restated 2017 Omnibus Incentive Plan (which we refer to as our "2017 Incentive Plan"). Under the 2022 Incentive Plan, 3.1 million shares of common stock are available for issuance to eligible participants, plus 51.2 thousand shares of our common stock that remained available for issuance under the 2017 Incentive Plan and any shares subject to awards outstanding under the 2017 Incentive Plan that are subsequently forfeited, cancelled, expire or otherwise terminate without the issuance of such shares. During the nine months ended September 30, 2024 and 2023, we issued 0.3 million and 0.4 million shares of common stock, respectively, related to the vesting and settlement of RSUs and PSUs. As of September 30, 2024, approximately 2.2 million shares of common stock remained available for issuance under the 2022 Incentive Plan. The following table sets forth cash dividends declared by our Board of Directors to holders of record of our common stock during the nine months ended September 30, 2024 and 2023, respectively (in thousands, except per share information):   <table dir="ltr" style="border: none;border-collapse: collapse;margin-bottom: .001pt;margin-left: 0;margin-right: auto;width: 100%;"><tr><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 18.8%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 2.4%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 20.8%;"> </td><td style="background: white;border-bottom-style: none;border-left-style: none;border-right-style: none;border-top-style: none;padding-bottom: 0;padding-left: 0;padding-right: 0;padding-top: 0;vertical-align: bottom;width: 2.4%;"><p dir="ltr" style="text-align:left; font-family: 'Times New Roman', 'serif';font-size: 1pt;line-height: 108%;margin-bottom: 0.05pt;margin-left: 0;margin-right: 0;margin-top:

Commitments and Contingencies Letters of Credit and Performance Bonds In the normal course of business, we post letters of credit and performance and other bonds primarily related to our land development performance obligations with local municipalities. As of September 30, 2024 and December 31, 2023, we had $527.9 million and $510.5 million, respectively, in letters of credit and performance and other bonds issued and outstanding. Legal Proceedings We are subject to claims and lawsuits that arise primarily in the ordinary course of business, which consist primarily of construction claims. It is the opinion of our management that if the claims have merit, parties other than the Company would be, at least in part, liable for the claims, and the eventual outcome of these claims will not have a material adverse effect upon our consolidated financial condition, results of operations, or cash flows. When we believe that a loss is probable and estimable, we record a charge on our condensed consolidated statements of operations for our estimated loss. Under various insurance policies, we have the ability to recoup costs in excess of applicable self-insured retentions. Estimates of such amounts are recorded in other assets on our condensed consolidated balance sheet when recovery is probable. We do not believe that the ultimate resolution of any claims and lawsuits will have a material adverse effect upon our consolidated financial position, results of operations, or cash flows. 527900000 510500000 false false false false
