FORWARD-LOOKING STATEMENTS This press release may contain forward-looking statements. These statements are
statements that are not historical facts, and are based on management's current view and estimates of future economic
circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes",
"estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-
looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal
operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or
trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such
statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no
guarantee that the expected events, trends or results will actually occur. The statements are based on many
assumptions and factors, including general economic and market conditions, industry conditions, and operating factors.
Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
