Our actual results could differ materially from those set forth in the forward-looking statements. Certain factors that might cause such a difference are discussed in â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€; â€œSafe Harbor for Forward-Looking Statementsâ€ and â€œRisk Factorsâ€ included elsewhere in this Annual Report on Form 10-K. ITEM 1. BUSINESS GENERAL UniFirst Corporation, a corporation organized under the laws of the Commonwealth of Massachusetts in 1950, together with its subsidiaries, hereunder referred to as â€œweâ€, â€œourâ€, the â€œCompanyâ€, or â€œUniFirstâ€, is one of the leading providers in the supply and servicing of uniform and workwear programs, facility management and service products, as well as first aid and safety supplies and services in North America. We design, manufacture, personalize, rent, clean, deliver, and sell a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. We also rent and sell industrial wiping products, floor mats, facility management and service products and other non-garment items, and provide restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as certain safety training to a variety of manufacturers, retailers and service companies. We serve businesses of all sizes across multiple industry sectors. At certain specialized facilities, like nuclear plants, we also decontaminate and clean work clothes and other items that may have been exposed to radioactive materials, and service special cleanroom protective wear and facilities. Our principal services include providing customers with uniforms and other non-garment items, picking up soiled uniforms or other items on a periodic basis (usually weekly), and delivering, at the same time, cleaned and processed items. We offer uniforms in a wide variety of styles, colors, sizes and fabrics, often with personalized emblems selected by the customer. Our centralized services, specialized equipment and economies of scale generally allow us to be more cost effective in providing garment solutions and services than customers could be themselves, particularly those customers with high employee turnover rates. During the fiscal year ended August 31, 2024 (â€œfiscal 2024â€), we manufactured approximately 65% of the garments placed in service. These were primarily work pants and shirts manufactured at two of our plants located in San Luis Potosi, Mexico, one plant located in Managua, Nicaragua, as well as at subcontract manufacturers that we utilize within our sourcing strategy to balance demand and optimize costs. Because we design and manufacture a majority of our own uniforms and protective clothes, we can produce custom garment programs for our larger customers, offer a diverse range of such designs within our standard line of garments and better control the quality, price and speed at which we service such garments. PRODUCTS AND SERVICES We provide our customers with personalized workplace uniforms and protective work clothing in a broad range of styles, colors, sizes and fabrics. Our uniform products include shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. At certain specialized facilities, like nuclear plants, we also decontaminate and clean clothes and other items which may have been exposed to radioactive materials and service special cleanroom protective wear and facilities. We also offer non-garment items and services, such as industrial wiping products, floor mats, dry and wet mops, restroom and cleaning supplies and other textile products. We also sell first aid cabinet services and other safety supplies, provide certain safety training and maintain wholesale distribution and pill packaging operations for non-prescription medicines. We offer our customers a range of garment service options, including full-service rental programs in which garments are cleaned and serviced by us, lease programs in which garments are cleaned and maintained by individual employees and purchase programs to buy garments and related items directly. As part of our rental business, we pick up a customerâ€™s soiled uniforms and/or other items on a periodic basis (usually weekly) and deliver back cleaned and processed replacement items. We believe our centralized services, specialized equipment and economies of scale generally allow us to be more cost effective in providing garment and related services than customers could be themselves, particularly those customers with high employee turnover rates. Our uniform program is intended not only to help our customers foster a company identity, but also to enhance their corporate image and improve employee safety, productivity and morale. We primarily serve our customers pursuant to written service contracts that range in duration from three to five years. 1 Â Historically, our revenues and operating results have varied from quarter to quarter and are expected to continue to fluctuate in the future. These fluctuations have been due to a number of factors, including: general economic conditions in our markets; the timing of acquisitions and of commencing start-up operations and related costs; our effectiveness in integrating acquired businesses and start-up operations; the timing of nuclear plant outages; volatility in raw material and labor costs; capital expenditures; seasonal rental and purchasing patterns of our customers; and price changes in response to competitive factors. In addition, our operating results historically have been lower during the second and fourth fiscal quarters than during the other quarters of the fiscal year. The operating results for any historical quarter are not necessarily indicative of the results to be expected for an entire fiscal year or any other interim periods. CUSTOMERS We serve businesses of all sizes across multiple industries and sectors. During each of the past three years, no single customer in our Core Laundry Operations segment accounted for more than 10% of our revenues. Our typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, healthcare providers including vaccine manufacturers, business service providers, soft and durable goods wholesalers, transportation and warehousing companies, energy production and transmission operations, and many others who require employee clothing on the job for image, identification, protection and/or utility purposes. Among the largest customers of our conventional uniform rental business are divisions, units, regional operations or franchised agencies of major, nationally recognized organizations. With respect to our Specialty Garments segment, typical customers include government agencies, research and development laboratories, high technology companies, cleanroom operators, and utilities operating nuclear reactors. We currently service over 300,000 customer locations in the United States (â€œU.S.â€), Canada and Europe out of more than 270 UniFirst customer service, distribution and manufacturing facilities. MARKETING, SALES, AND CUSTOMER SERVICE We market our products and services to a diverse customer base and to prospects that range across virtually all industry segments. Marketing contact is made through print advertising, direct mail, digital advertising, publicity, trade shows, catalogs, telemarketing, multiple web sites and direct field sales representation. We have built and maintain an extensive, proprietary database of prescreened and qualified business prospects that have been sourced from our various promotional initiatives, including mailers,

web site contacts, advertising responses, sales calls and lists purchased from third-party providers. These prospect records serve as a primary targeting resource for our professional sales and marketing organization and are constantly updated, expanded and maintained by an in-house team of specialist database qualifiers and managers. To aid in the effective marketing of products and services, we supply sales representatives with an extensive selection of sales aids, brochures, presentation materials and vertical market communications tools. We also provide representatives with detailed on-line profiles of high opportunity markets to educate them on the typical issues, needs and concerns of those markets. This helps establish credibility and aids their ability to deliver value-based solutions. We employ a large team of trained professional sales representatives to market our services to potential customers and develop new accounts. While most of our sales representatives present a full range of service solutions, we also have dedicated representatives for select products and services as well as for specific markets. For example, in certain geographic markets we employ teams of dedicated facility services sales representatives who focus exclusively on developing business for our floor care, restroom and related service programs. We employ specialist, trained sales representatives including executive-level salespeople for our Strategic and National Accounts organizationâ€”with specialists in rental programs and in direct sale programsâ€”to target the very largest national companies with broad uniform and/or facility services program needs. We believe that effective customer service is the most crucial element in developing and maintaining our market position. Our commitment to service excellence is reflected throughout our organization. Our route sales representatives are the first line of continuing customer contact. They are supported by local customer service representatives, local service management staff, and local operations management leaders, all of whom are focused on addressing the ongoing needs of customers, constantly delivering high-value service and pursuing total customer satisfaction. Our proprietary information systems and our support service center enable us to respond to customer inquiries or issues within 24 hours, and our service personnel are specially trained to handle the daily contact work necessary to effectively manage customer relations. We measure the speed and accuracy of our customer service efforts weekly and continuously survey, record and report satisfaction levels to evaluate current performance and highlight areas for improvement. 2 Â COMPETITION The uniform rental and sales industry is highly competitive. The principal sources of differentiation in the industry are the range of products and services, the quality of service and pricing. Our principal competitors include Cintas Corporation, Alsco and Vestis Corporation. The remainder of the market is divided among several hundred smaller businesses, mostly serving a single or a limited number of geographic service areas. In addition to our traditional rental competitors, we may increasingly compete in the future with businesses that focus on selling uniforms, facilities services products and other related items. MANUFACTURING AND SOURCING We manufactured approximately 65% of all garments we placed in service during fiscal 2024. These garments were primarily work pants and shirts manufactured at two of our plants located in San Luis Potosi, Mexico, one plant located in Managua, Nicaragua, as well as at subcontracted manufacturers that we utilize within our sourcing strategy to balance demand and optimize costs. The balance of the garments used in our programs are purchased from a variety of industry suppliers. While we currently acquire the raw materials with which we produce our garments from a limited number of suppliers, we believe that such materials are generally readily available from other sources. To date, we have experienced limited difficulty in obtaining any of our raw materials or supplies although at certain times, we have sourced raw materials or supplies from alternative sources or experienced cost increases for such raw materials and supplies. Currently, we also manufacture approximately 99% of the mats we place in service at our plant in Cave City, Arkansas. HUMAN CAPITAL As of August 31, 2024, we employed approximately 16,000 persons, and less than 1% of our U.S. employees are represented by a union pursuant to a collective bargaining agreement. We consider our employee relations to be good. Given how much of our success depends on our employee team partners, we strive to recruit, develop and retain the best talent. We provide continuous training to our team partners along with opportunities to advance. For example, our leadership development program provides leadership education, operational knowledge and hands-on business experience within the industrial laundry and facilities services industry and is designed to develop our future managers. We also seek to promote a family culture and believe that our workforce is critical to our success and to the service of our customers. In addition, we focus on the safety and well-being of our team partners. We provide safety training and personal protective equipment. We also provide our team partners with competitive healthcare, wellness and other benefits. INFORMATION ABOUT OUR EXECUTIVE OFFICERS Our executive officers are as follows: Â Name Â Age Â Position Steven S. Sintros Â 51 Â President and Chief Executive Officer Shane Oâ€™Connor Â 50 Â Executive Vice President and Chief Financial Officer Kelly Rooney Â 50 Â Executive Vice President and Chief Operating Officer David M. Katz Â 61 Â Executive Vice President, Sales and Marketing David A. DiFillippo Â 67 Â Executive Vice President, Operations William M. Ross Â 63 Â Executive Vice President, Operations Michael A. Croatti Â 55 Â Executive Vice President, Operations The principal occupation and positions for the past five years of our executive officers named above are as follows: Steven S. Sintros joined our Company in 2004. Mr. Sintros is our President and Chief Executive Officer and a Director. He has had overall responsibility for management of our Company since 2017. He previously served as our Chief Financial Officer from 2009 until 2018. Mr. Sintros served as a Finance Manager in 2004 and Corporate Controller from 2005 until 2009. 3 Â Shane Oâ€™Connor joined our Company in 2005. Mr. Oâ€™Connor is an Executive Vice President and our Chief Financial Officer. He has had primary responsibility for overseeing the financial functions of our Company, as well as our information systems department, since 2018. Mr. Oâ€™Connor previously served as our Corporate Controller from 2009 to 2016. In 2016, he left the Company to take the role of Senior Vice President and Chief Financial Officer at Unidine Corporation, a managed dining services company, and he then rejoined our Company in 2018. Kelly Rooney joined our Company in September 2024 and has primary responsibility for overseeing the administrative and operational functions of our Company. Prior to joining UniFirst, Ms. Rooney held various operational roles at Waste Management, including as an Area General Manager from August 2020 to September 2021 and a Director of Operations from April 2019 to August 2020. Most recently, Ms. Rooney served as Senior Vice President and Chief Human Resources Officer from August 2022 to September 2024 and Vice President, Human Resources from September 2021 to August 2022 at Waste Management. As Chief Human Resources Officer, Ms. Rooney was responsible for leading the development and implementation of Waste Managementâ€™s overall human capital, employee experience and operational effectiveness strategy, with a focus on building organizational health and capability and developing talent. Prior to joining Waste Management, Ms. Rooney held various operational and leadership roles at other companies in the waste management industry, including at Advanced Disposal Services, Inc., where she was the Regional General Manager from 2015 to 2019 and Director of Operations, Recycling from 2012 to 2015. David M. Katz joined our Company in 2009. Mr. Katz is an Executive Vice President and has had primary responsibility for overseeing the sales and marketing functions since joining our Company. Prior to joining our Company, Mr. Katz worked for DHL Express where he served as the Northeast Vice President of Field Sales from 2003 to 2007, the Northeast Vice President of National Account Sales from 2007 to 2008 and the Senior Vice President and General Manager of the Northeast from 2008 until 2009. David A. DiFillippo joined our Company in 1979. Mr. DiFillippo is an Executive Vice President, Operations and has had primary responsibility for overseeing the operations of certain regions in the U.S. and Canada since 2002. From 2000 through 2002, Mr. DiFillippo served as Vice President, Central Rental Group and, prior to 2000, he served as a Regional General Manager. William M. Ross joined our Company in 1989. Mr. Ross is an Executive Vice President, Operations and has had primary responsibility for overseeing specified regions in the U.S. since 2016. From 2002 to 2016, Mr. Ross served as Regional Vice President of the Company. Prior to 2002, Mr. Ross held several sales and operations management positions at the Company. Michael A. Croatti joined our Company in 1987. Mr. Croatti is an Executive Vice President, Operations and has had primary responsibility for overseeing specified regions in the U.S. and the Companyâ€™s overall service operations since 2015. From 2012 through 2015, he served as Senior Vice President, Service; from 2002 through 2012, he served as Vice President, Central Rental Group; and prior to 2002, he held various operating positions within the Company. Michael A. Croatti is the nephew of Cynthia Croatti, a member of our Board of Directors. On September 16, 2024, Michael A. Croatti agreed to transition from his role as an Executive Officer of the Company effective as of November 30, 2024. GOVERNMENT REGULATIONS We, like our competitors, are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must properly dispose of detergent wastewater and other residues, and, in the past, used perchloroethylene and other dry cleaning solvents. We are attentive to the environmental concerns surrounding the disposal of these materials and have, through the years taken measures to avoid their improper disposal. We have settled, or contributed to the settlement of, past actions or claims brought against us relating to the disposal of hazardous materials at several sites and there can be no assurance that we will not have to expend material amounts to remediate the consequences of any such disposal in the future. Further, under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for the presence of such hazardous or toxic substances. There can be no assurance that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon us under such laws or expose us to third-party actions such as tort suits. We continue to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to certain sites. We routinely review and evaluate sites that may require remediation and monitoring and determine our estimated costs based on 4 Â various estimates and assumptions. For a discussion of our accruals with respect to environmental liabilities and additional discussion regarding environmental matters, refer to â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€ in this Annual Report on Form 10-K. Refer also to the risk factors set forth in this Annual Report on Form 10-K for additional information regarding environmental matters. Our nuclear garment decontamination facilities in the U.S. are licensed by the Nuclear Regulatory Commission, or in certain cases, by the applicable state agency, and are subject to regulation by federal, state and local authorities. We also have nuclear garment decontamination facilities in the United Kingdom and the Netherlands. These facilities are licensed and regulated by the respective countryâ€™s applicable federal agency. In the past, scrutiny and regulation of nuclear facilities and related services have resulted in the suspension of operations at certain nuclear facilities served by us or disruptions in our ability to service such facilities. There can be no assurance that such scrutiny and regulation will not lead to the shut-down of such facilities or otherwise cause material disruptions in our garment decontamination business. AVAILABLE INFORMATION We make available free of charge our Proxy Statement, Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, including exhibits and any amendments to those reports, as soon as reasonably practicable after we electronically file such material with, or furnish it to, the Securities and Exchange Commission (the â€œSECâ€). These reports are available on our website at www.unifirst.com. In addition, you may request a copy of our filings, excluding exhibits, by contacting our Investor Relations group at (978) 658-8888 or at UniFirst Corporation, 68 Jonspin Road, Wilmington, MA 01887. Information included on our website is not deemed to be incorporated into this Annual Report on Form 10-K or the documents incorporated by reference into this Annual Report on Form 10-K. In addition, the SEC maintains an internet site that contains reports, proxy and information statements, and other information regarding issuers that file electronically with the SEC, and you may access any materials we file with the SEC through the SECâ€™s website at www.sec.gov. 5 Â ITEM 1A. RISK FACTORS The statements in this section, as well as statements described elsewhere in this Annual Report on Form 10-K, or in other SEC filings, describe risks that could materially and adversely affect our business, financial condition and results of operations and the trading price of our securities. These risks are not the only risks that we face. Our business, financial condition and results of operations could also be materially affected by additional factors that are not presently known to us or that we currently consider to be immaterial to our operations. SAFE HARBOR FOR FORWARD-LOOKING STATEMENTS This Annual Report on Form 10-K and any documents incorporated by reference may contain forward-looking statements within the meaning of the federal securities laws. Forward-looking statements contained in this Annual Report on Form 10-K and any documents incorporated by reference are subject to the safe harbor created by the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by words such as â€œestimates,â€ â€œanticipates,â€ â€œprojects,â€ â€œplans,â€ â€œexpects,â€ â€œintends,â€ â€œbelieves,â€ â€œseeks,â€ â€œcould,â€ â€œshould,â€ â€œmay,â€ â€œwill,â€ â€œstrategy,â€ â€œobjective,â€ â€œassume,â€ â€œstrive,â€ â€œdesign,â€ â€œassumption,â€ â€œvisionâ€ or the negative versions thereof, and similar expressions and by the context in which they are used. Such forward-looking statements are based upon our current expectations and speak only as of the date made. Such statements are highly dependent upon a variety of risks, uncertainties and other important factors that could cause actual results to differ materially from those reflected in such forward-looking statements. Such factors include, but are not limited to, uncertainties caused by an economic recession or other adverse economic conditions, including, without limitation, as a result of elevated inflation or interest rates or extraordinary events or circumstances such as geopolitical conflicts like the conflict between Russia and Ukraine and disruption in the Middle East, and their impact on our customersâ€™ businesses and workforce levels, disruptions of our business and operations, including limitations on, or closures of, our facilities, or the business and operations of our customers or suppliers in connection with extraordinary events or circumstances, uncertainties regarding our ability to consummate acquisitions and successfully integrate acquired businesses, and the performance of such businesses, uncertainties regarding any existing or newly-discovered expenses and liabilities related to environmental compliance and remediation, any adverse outcome of pending or future contingencies or claims, our ability to compete successfully without any significant degradation in our margin rates, seasonal and quarterly fluctuations in business levels, our ability to preserve positive labor relationships and avoid becoming the target of corporate labor unionization campaigns that could disrupt our business, the effect of currency fluctuations on our results of operations and financial condition, our dependence on third parties to supply us with raw materials, which such supply could be severely disrupted as a result of extraordinary events or circumstances such as the conflict between Russia and Ukraine, any loss of key management or other personnel, increased costs as a result of any changes in federal, state, international or other laws, rules and regulations or governmental interpretation of such laws, rules and regulations, uncertainties regarding, or adverse impacts from continued high price levels of natural gas, electricity, fuel and labor or increases in such costs, the negative effect on our business from sharply depressed oil and natural gas prices, the continuing increase in domestic healthcare costs, increased workersâ€™ compensation claim costs, increased healthcare claim costs, our ability to retain and grow our customer base, demand and prices for our products and services, fluctuations in our Specialty Garments business, political or other instability, supply chain disruption or infection among our employees in Mexico and Nicaragua where our principal garment manufacturing plants are located, our ability to properly and efficiently design, construct, implement and operate a new enterprise resource planning (â€œERPâ€) computer system, interruptions or failures of our information technology systems, including as a result of cyber-attacks, additional professional and internal costs necessary for compliance with any changes in or additional SEC, New York Stock Exchange (the â€œNYSEâ€) and accounting or other rules, including, without limitation, recent rules adopted by the SEC regarding climate-related and cybersecurity-related disclosures, strikes and unemployment levels, our efforts to evaluate and potentially reduce internal costs, the impact of foreign trade policies and tariffs or other impositions on imported goods on our business, results of operations and financial condition, our ability to successfully implement our business strategies and processes, including our capital allocation strategies, our ability to successfully remediate the material weaknesses in internal control over financial reporting disclosed in this Annual Report on Form 10-K in an appropriate and timely matter or at all, and the other factors described under â€œPart I, Item 1A. Risk Factorsâ€ and elsewhere in this Annual Report on Form 10-K. We undertake no obligation to update any forward-looking statements to reflect events or circumstances arising after the date on which they are made. 6 Â RISKS RELATING TO OUR BUSINESS AND OPERATIONS We face intense competition within our industry, which may adversely affect our results of operations and financial condition. The rental and sales industry with respect to uniforms, workwear and facility services is highly competitive. The main sources of differentiation in the industry are quality of products, quality of service and price. Our leading competitors include Cintas Corporation, Alsco and Vestis Corporation. The remainder of the market, however, is divided among hundreds of smaller businesses, many of which serve one or a limited number of markets or geographic service areas. In addition to our traditional rental competitors, we compete with businesses that focus on selling uniforms and other related items, including single-use disposable garments for use in the nuclear industry. Increased competition may result in price reductions, reduced gross margins and loss of market share, any of which could have a material effect on our results of operations and financial condition. We also compete with industry competitors for acquisitions, which has the effect of increasing the price for acquisitions and reducing the number of acquisition candidates available to us. If we pay higher prices for businesses we acquire, our returns on investment and profitability may be reduced. Adverse economic and business conditions or geopolitical events may affect our business and our customer base and have a material adverse impact on our sales and operating results. We supply uniform, workwear and facility services to many industries that have been in the past, and may be in the future, subject to adverse economic and business conditions resulting in shifting employment levels, workforce reductions, changes in worker productivity, uncertainty regarding the impacts of rehiring and shifts to offshore manufacturing. In addition, geopolitical conflicts, calamities or other events, including the conflict between Russian and Ukraine, disruption in the Middle East and public health events, may disrupt domestic and global business and financial markets and conditions. The impacts of

any general economic uncertainty, weakness or recession may include or result in, without limitation: falling overall demand for goods and services; reduced credit availability; reduced liquidity; volatility in credit, equity and foreign exchange markets; bankruptcies, inflation and interest rate volatility. Any such adverse economic conditions could have a material adverse impact on our business, including our operating margins. Any conditions or events that adversely affect our current customers or sales prospects may cause such customers or prospects to restrict expenditures, reduce workforces or even to cease to conduct their businesses. Any of these circumstances would have the effect of reducing the number of employees utilizing our uniform, workwear and facility services, which could have a material adverse impact on our sales and results of operations. Increases in inflation rates, could have a material adverse impact on our revenues and operating margins. In addition, if our costs increase and we are not able to pass along these price increases to our customers, our results of operations would be adversely affected, and the adverse impact may be material. Elevated inflation rates have at times had an adverse impact on our operating margins. Any period of sustained inflation could pressure our margins in future periods. In addition, the U.S. Federal Reserve rapidly increased its benchmark interest rate from 2021 through 2023 in response to sustained elevated inflation and has only modestly reduced that rate thus far in 2024. Adverse economic conditions resulting from inflationary pressures, U.S. Federal Reserve actions, including elevated interest rates and/or increases in interest rates, geopolitical issues or otherwise are difficult to predict and may have a material adverse impact on our business, results of operations and financial condition. Continued high interest rates or increases in interest rates, especially if coupled with reduced government spending and volatility in financial markets, may have the effect of further increasing economic uncertainty and heightening these risks, which may result in economic recession. In an inflationary environment, we may be unable to raise the prices of our products and services at or above the rate at which our costs increase, which may reduce our operating margins and have a material adverse effect on our financial results. We also may experience lower than expected sales and potential adverse impacts on our competitive position if there is a decrease in customer spending or a negative reaction to our pricing. A reduction in our revenue would be detrimental to our profitability and financial condition and could also have an adverse impact on our future growth. Our failure to implement successfully our acquisition strategy and to grow our business could adversely affect our ability to increase our revenues and could negatively impact our profitability. As part of our growth strategy, we intend to continue to actively pursue additional acquisition opportunities. However, as discussed above, we compete with others within our industry for suitable acquisition candidates. This competition may 7 Â increase the price for acquisitions and reduce the number of acquisition candidates available to us. As a result, our ability to acquire businesses in the future, and to acquire such businesses on favorable terms, may be limited. Even if we are able to acquire businesses on favorable terms, managing growth through acquisition is a difficult process that includes integration and training of personnel, combining plant and operating procedures and additional matters related to the integration of acquired businesses within our existing organization. Unanticipated issues related to integration may result in additional expense or in disruption to our operations, either of which could negatively impact our ability to achieve anticipated benefits. While we believe we will be able to fully integrate acquired businesses, such as Clean Uniform (â€œCleanâ€), we can give no assurance that we will be successful in this regard. Growth of our business will likely require us to increase our workforce, the scope of our operating and financial systems and the geographic area of our operations. We believe this growth will increase our operating complexity and the level of responsibility for both existing and new management personnel. Managing and sustaining our growth and expansion may require substantial enhancements to our operational and financial systems and controls, as well as additional administrative, operational and financial resources. There can be no assurance that we will be able to manage our expanding operations successfully, that any acquired business, including Clean, will perform as we expect, or that we will be able to maintain or accelerate our growth, and any failure to do so could have an adverse effect on our results of operations and financial condition. In order to finance such acquisitions, we may need to obtain additional funds either through public or private financings, including bank and other secured and unsecured borrowings and the issuance of debt or equity securities. There can be no assurance that such financings would be available to us on reasonable terms or that any future issuances of securities in connection with acquisitions will not be dilutive to our shareholders. If we are unable to preserve positive labor relationships or become the target of corporate labor unionization campaigns, the resulting labor unrest could disrupt our business by impairing our ability to produce and deliver our products. As of August 31, 2024, we employed approximately 16,000 persons and less than 1% of our U.S. employees are represented by a union pursuant to a collective bargaining agreement. Competitors within our industry have been the target of corporate unionization campaigns by multiple labor unions. While our management believes that our employee relations are good, we cannot assure you that we will not become the target of campaigns similar to those faced by our competitors. The potential for unionization could increase if the U.S. Congress passes federal â€œcard checkâ€ legislation in the future. If we do encounter pressure from any labor unions in connection with our acquisitions of other businesses, any resulting labor unrest could disrupt our business by impairing our ability to produce and deliver our products and diverting the attention of our management. In addition, significant union representation would require us to negotiate wages, salaries, benefits and other terms with many of our employees collectively and could adversely affect our results of operations by increasing our labor costs or otherwise restricting our ability to maximize the efficiency of our operations. We may incur unexpected cost increases due to rising healthcare costs, the Affordable Care Act and other labor costs. In general, the cost of healthcare that we provide to our employees has grown over the last few years at a rate in excess of our revenue growth and, as a result, has negatively impacted our operating results. Moreover, it is generally expected that healthcare costs in the U.S. will increase over the coming years. In addition, we may incur significant healthcare costs if a significant number of our employees experience injury or illness, including in connection with public health emergencies. As a result of these factors, and depending on the effect of any modifications we have made and may make in the future to our employee healthcare plans and enrollment levels in those plans, including as a result of the Affordable Care Act or any future legislation or regulation affecting the healthcare industry, we expect that our future operating results will continue to be further adversely impacted by increasing healthcare costs. Federal, state and municipal governments have and may continue to mandate increases to minimum wage and other employee benefits. In addition, we face wage pressure as the result of a low unemployment environment and increased competition in hiring. We have raised, and expect to continue to raise, our wage rates and benefits to reflect these changes, which has the effect of increasing our labor costs, which in turn adversely affects our results of operation and financial condition. Our failure to comply with these regulatory requirements would expose us to applicable penalties and increase the likelihood that we would be subject to unionization campaigns. Further mandates would require additional increases to our labor costs and adversely affect our operating margins. Â Â 8 Â Our failure to retain our current customers, renew our existing customer contracts and enter into customer contracts with new customers could adversely affect our business, results of operations and financial condition. Our success depends on our ability to retain our current customers, renew our existing customer contracts and obtain new customers. Our ability to do so generally depends on a variety of factors, including the quality, price and responsiveness of our services, as well as our ability to market these services effectively and to differentiate ourselves from our competitors. In addition, renewal rates and our ability to obtain new customers are generally adversely affected by difficult economic and business conditions. We cannot assure you that we will be able to obtain new customers, renew existing customer contracts at the same or higher rates or that our current customers will not turn to competitors, cease operations or terminate contracts with us. Our failure to renew a significant number of our existing contracts would have an adverse effect on our results of operations and financial condition, and failure to obtain new customers could have an adverse effect on our growth and results of operations. Periods of high fuel and energy costs and increases in fuel and energy costs could materially adversely affect our operating costs. The price of fuel and energy needed to run our vehicles and equipment is unpredictable and fluctuates based on events outside our control, including geopolitical developments, such as the potential for a broadening Middle East conflict, the ongoing conflict between Russia and Ukraine and the resulting governmental sanctions against certain Russian individuals and entities, supply and demand for oil and gas, actions by the Organization of the Petroleum Exporting Countries, or OPEC, and other oil and gas producers, war and unrest in oil producing countries, regional production patterns, limits on refining capacities, natural disasters, environmental concerns, including the impact of legislative and regulatory efforts to limit greenhouse gas emissions, and public health emergencies. Our operating margins have been, and may continue to be, adversely impacted by volatility in energy prices. Periods of high fuel and energy costs and any increases in fuel and energy costs could materially adversely affect our operating costs. As a result of our significant presence in energy producing regions, a prolonged drop in energy prices could negatively impact our financial results. We have a substantial number of plants and conduct a significant portion of our business in energy producing regions in the U.S. and Canada. In general, we are relatively more dependent on business in these regions than are many of our competitors. If a dramatic decrease in oil prices were to occur, it could impact our customers in the oil industry and cause those customers to curtail their level of operations, which could have a corresponding effect on our customers in businesses which service or supply the oil industry as well as our customers in unrelated businesses. As a result, our organic growth in periods following a dramatic decrease in oil prices could be negatively impacted by elevated headcount reductions in our wearer base as well as increased lost accounts. At times, volatility in energy prices has had and may in the future have a significant impact on wearer levels at existing customers in our North American energy-dependent markets. Fluctuations in the nuclear portion of our Specialty Garments segment, including the loss of key customers or a significant reduction in our business derived from key customers, could disproportionately impact our revenue and net income and create volatility in the price of our Common Stock. Our nuclear decontamination business is affected by shut-downs, outages and clean-ups of the nuclear facilities we service. We are not able to control or predict with certainty when such shut-downs, outages and clean-ups will occur. In addition, our nuclear decontamination business tends to generate more revenue in the first and third fiscal quarters, which is when nuclear power plants typically schedule their plant outages and refuelings and thereby increase nuclear garment utilization. Moreover, a significant percentage of this segmentâ€™s revenues are generated from a limited number of nuclear power plant operator customers. This concentration subjects this business to significant risks and may result in greater volatility in this segmentâ€™s results of operations. Fluctuations in our nuclear decontamination business, including the loss of key customers of our Specialty Garments business, or a significant reduction in our business derived from such key customers, could materially adversely affect our results of operations and financial condition. Our international business results are influenced by currency fluctuations and other risks that could have an adverse effect on our results of operations and financial condition. A portion of our sales is derived from international markets. Revenue denominated in currencies other than the U.S. dollar represented approximately 6.9%, 7.0% and 7.9% of total consolidated revenues for fiscal 2024, the fiscal year ended August 26, 2023 (â€œfiscal 2023â€) and the fiscal year ended August 27, 2022 (â€œfiscal 2022â€), respectively. The operating results of our international subsidiaries are translated into U.S. dollars and such results are affected by movements in foreign currencies relative to the U.S. dollar. The strength of the U.S. dollar has generally increased recently as compared to other 9 Â currencies, which has had, and may continue to have, an adverse effect on our operating results as reported in U.S. dollars. In addition, a weaker Canadian dollar increases the costs to our Canadian operations of merchandise and other operational inputs that are sourced from outside Canada, which has the effect of reducing the operating margins of our Canadian business if we are unable to recover these additional costs through price adjustments with our Canadian customers. Our international operations are also subject to other risks, including the requirement to comply with changing and conflicting national and local regulatory requirements, including, without limitation, with respect to sustainability matters; potential difficulties in staffing and labor disputes; managing and obtaining support and distribution for local operations; credit risk or financial condition of local customers; potential imposition of restrictions on investments; potentially adverse tax consequences, including imposition or increase of withholding and other taxes on remittances and other payments by subsidiaries; foreign exchange controls; and local political and social conditions. In addition, U.S. and foreign trade policies and tariffs and other impositions on imported goods may have a negative impact on our business. There can be no assurance that the foregoing factors will not have an adverse effect on our international operations or on our consolidated financial condition and results of operations. In addition, we own and operate manufacturing facilities in Mexico. Violence, crime and instability in Mexico has had, and may continue to have, an adverse effect on our operations, including the hijacking of our trucks and the implementation of security measures to protect our employees. While we carry certain insurance coverage, there can be no assurance that losses not covered by insurance that could result from an attack on our trucks or our personnel would not have a material adverse effect on our business, results of operations and financial condition. Operations in developing nations present several additional risks, including greater fluctuation in currencies relative to the U.S. dollar, economic and governmental instability, civil disturbances, volatility in gross domestic production, Foreign Corrupt Practice Act and other legal compliance issues and nationalization and expropriation of private assets, which could have a material adverse effect on our business, results of operations and financial condition. Our failure to properly and efficiently design, construct, implement and operate a new ERP system could materially disrupt our operations, adversely impact the servicing of our customers and have a material adverse effect on our financial performance. In fiscal 2022, we initiated a multiyear ERP project with a strong focus on supply chain and procurement automation and technology. We believe that this initiative will become the core of the UniFirst technology footprint and will integrate and complement the capabilities of our customer relationship management (â€œCRMâ€) system. We expect the ERP system and the new supply chain and procurement capabilities that it will provide to enable lower operating costs and customer churn through enhanced inventory utilization and vendor management, improved response times to customer orders and more efficient back-end processes. We believe these capabilities will allow us to more effectively respond to and mitigate the types of supply chain challenges we experienced during the COVID-19 pandemic. The failure to properly, efficiently and economically design processes, implement and operate an ERP system on a timely basis or at all could materially disrupt our operations, including our supply chain, adversely impact the servicing of our customers and have a material adverse effect on our financial results. If our information technology systems suffer interruptions or failures, including as a result of cyber-attacks, our business operations could be disrupted or other material adverse impacts on our business could result. Our information technology systems serve an important role in the efficient operation of our business. The failure of these information technology systems to perform as we anticipate could disrupt our business and negatively impact our results of operations. In addition, our information technology systems could be damaged or cease to function properly due to any number of causes, such as catastrophic events, power outages, security breaches, ransomware, computer viruses or cyber-based attacks. Further, state-sponsored cyber-attacks could expand, including as part of the conflict between Russia and Ukraine, which could adversely affect our or our suppliersâ€™ ability to maintain and enhance key cyber security and data protection measures. While we have contingency plans in place to prevent or mitigate the impact of these events, if such events were to occur and our disaster recovery plans do not effectively address the issues on a timely basis, we could suffer interruptions in our ability to manage our operations and service our customers, and we may be required to make a significant investment to fix or replace our information technology systems, each of which may have a material adverse effect on our business and financial results. In addition, if customer, employee or our proprietary information is compromised by a security breach or cyber-attack or other event, it could have a material adverse effect on our business, including as a result of remedial actions that we may be required to take, potential liabilities and penalties, loss of business and reputational damage. Our failure to properly respond to any such event could also result in exposure to liability. We are subject to numerous laws and regulations in the U.S. and internationally designed to protect the information of clients, customers, employees, and other third parties that we collect and maintain. These laws and regulations are increasing in complexity and number. If we fail to 10 Â comply with such laws or regulations, we may be subject to litigation, monetary damages, enforcement actions or fines in one or more jurisdictions, which could have an adverse effect on our business. We also rely on systems and applications provided by third-party vendors for certain information technology services. If these third-party vendors, or our suppliers or other vendors, experience service interruptions, security breaches, cyber-attacks, computer viruses, ransomware or other similar events, customer, employee or other proprietary information could be compromised and it could as a result or otherwise, have an adverse effect on our business. Our business may be subject to seasonal and quarterly fluctuations. Historically, our revenues and operating results have varied from quarter to quarter and are expected to continue to fluctuate in the future. In addition, our operating results historically have been seasonally lower during the second and fourth fiscal quarters than during the other quarters of the fiscal year. We incur various costs in integrating or establishing newly acquired businesses or start-up operations, and the profitability of a new location is generally expected to be lower in the initial period of its operation than in subsequent periods. Start-up operations in particular lack the support of an existing customer base and require a significantly longer period to develop sales opportunities and meet targeted operating results. These factors, among others, may cause our results of operations in some future quarters to be below the expectations of securities analysts and investors, which could have an adverse effect on the market price of our Common Stock. Loss of our key management or other personnel and our inability to hire qualified personnel could adversely impact our business. Our success is largely dependent on the skills, experience and efforts of our senior management, including our President and Chief Executive Officer, and certain other key personnel. If, for any reason, one or more senior executives or key personnel were not to remain active in our Company, our results of operations could be adversely affected. Our future success also depends upon our ability to attract and retain key employees. There is competition in the market for the services of such qualified personnel and hourly workers. In addition, as discussed above, we face wage

pressure as the result of a low unemployment environment and increased competition in hiring. We have raised, and expect to continue to raise, our wage rates and benefits to reflect these changes, which has the effect of increasing our labor costs, which in turn adversely affects our results of operation and financial condition. Our failure to attract and retain such personnel or workers could adversely affect our results of operations. We depend on third parties to supply us with raw materials and facility services products and our results of operations could be adversely affected if we are unable to obtain adequate raw materials in a timely and economic manner, or at all, or if our supply chain is otherwise disrupted. We manufactured approximately 65% of all garments we placed in service during fiscal 2024. These were primarily work pants and shirts manufactured at two of our plants located in San Luis Potosi, Mexico, at one plant located in Managua, Nicaragua, and by subcontracted manufacturers that we utilize within our sourcing strategy to balance demand and optimize costs. The balance of the garments used in our programs are purchased from a variety of industry suppliers. While we currently acquire the raw materials with which we produce our garments from a limited number of suppliers, we believe that such materials are generally readily available from other sources. Furthermore, overseas garment contractors could be subject to supply chain disruptions. We also source or import various facility services products, such as towels, microfiber, conventional mops, aprons, disposable gloves, etc., and our ability to obtain these supplies could potentially be impacted by supply chain disruptions. To date, we have experienced no significant difficulty in obtaining any of our raw materials or supplies, although at certain times, we have sourced raw materials or supplies from alternative sources or experienced cost increases for such raw materials and supplies. However, if we were to experience difficulty obtaining any of our raw materials from such suppliers and were unable to obtain new materials or supplies from other industry suppliers, or if the cost of obtaining such materials or supplies were to increase, including in any case as a result of inflation, high or rising interest rates, geopolitical issues such as the conflict between Russia and Ukraine or other supply chain disruptions, it could adversely affect our results of operations. Unexpected events could disrupt our operations and have a material adverse impact on our operating results. Unexpected events, including, without limitation, fires at facilities, natural disasters as a result of climate change or otherwise, such as hurricanes, earthquakes, floods and tornadoes, public health emergencies, war or terrorist activities, including the conflicts in the Middle East or between Russia and Ukraine, unplanned utility outages, pandemics such as the 11 Â COVID-19 pandemic, supply disruptions, failure of equipment or information systems, temporary or long-term disruption of our computer systems, or changes in laws and/or regulations impacting our business, could have a material adverse impact on our operating results. These events could result in disruption of customer service, physical damage to one or more key operating facilities, the temporary closure of one or more key operating facilities or the temporary disruption of information systems. In addition, the destruction or temporary loss of, or other disruptions with respect to, key facilities such as our distribution facility in Owensboro, Kentucky or our manufacturing facilities in Mexico, Nicaragua or Cave City, Arkansas, would have a material adverse effect on our operations and financial results. We identified material weaknesses in our internal control over financial reporting related to certain information technology general controls (â€œITGCsâ€) supporting the manage change and manage access processes. If not remediated appropriately and timely, such material weaknesses could adversely impact our ability to record, process and report financial information accurately, result in loss of investor confidence and have a material adverse impact on our business, results of operations, financial condition and stock price. As disclosed in Part II, Item 9A of our Annual Report on Form 10-K for fiscal 2023, we previously identified a material weakness related to deficiencies in our manage change and manage access processes that were not designed and operating effectively. These deficiencies related to our CRM system and affected revenue and receivables as well as a group of legacy applications which affected revenue and receivables, supply inventory and merchandise in service. While we worked during fiscal 2024 to remediate the previously identified material weakness, we were unable to fully remediate the material weakness prior to the end of fiscal 2024 and also identified deficiencies within the manage change and manage access processes related to additional applications. The material weaknesses identified as of the end of fiscal 2024 include design and operating deficiencies in the manage change and manage access processes impacting all financially relevant business processes. As a public company, we are required to establish and periodically evaluate and assess procedures with respect to our internal control over financial reporting. In connection with our year-end assessment as part of this Annual Report, we determined that, as of August 31, 2024, we did not maintain effective internal control over financial reporting due to material weaknesses we identified in the design and operation of certain ITGCs relevant to our key accounting, reporting, and proprietary information technology (â€œITâ€) systems, as more fully described in Part II, Item 9A, â€œControls and Proceduresâ€ of this Form 10-K. These material weaknesses did not result in any identified misstatements to the financial statements, and there were no changes to previously issued financial results. While we are in the process of implementing changes to remediate the material weaknesses identified, there can be no assurance that such remedial measures will be successful and we will be able to remediate the material weaknesses in a timely manner. If we are unable to remediate the material weaknesses appropriately and timely, or are otherwise unable to maintain effective internal control over financial reporting or disclosure controls and procedures, our ability to record, process and report financial information accurately, and to prepare financial statements within required time periods, could be adversely affected, which could subject us to litigation or investigations requiring management resources and payment of legal and other expenses, negatively affect investor confidence in our financial statements and have a material adverse effect on our business, results of operations, financial condition and stock price. Our business could be adversely impacted if we have deficiencies in our disclosure controls and procedures or internal control over financial reporting, including as a result of the material weaknesses identified by management and discussed above. The design and effectiveness of our disclosure controls and procedures and internal control over financial reporting, including new and revised financial and information technology-related controls that we have been designing, implementing and operating, may not prevent all errors, misstatements or misrepresentations. While management will continue to review the effectiveness of our disclosure controls and procedures and internal control over financial reporting, there can be no guarantee that our internal control over financial reporting will be effective in accomplishing all control objectives all of the time. Deficiencies in our internal control over financial reporting, including the material weaknesses identified by management and discussed above and any additional material weakness which may occur in the future, could result in misstatements of our results of operations, restatements of our financial statements, a decline in our stock price, or otherwise materially adversely affect our business, reputation, results of operations, financial condition or liquidity. 12 Â LEGAL AND REGULATORY RISKS The expenses we may incur to comply with environmental regulations, including costs associated with potential environmental remediation, may prove to be significant and could have a material adverse effect on our results of operations and financial condition. We, like our competitors, are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must dispose of detergent wastewater and other residues, and, in the past, used perchloroethylene and other dry cleaning solvents. We are attentive to the environmental concerns surrounding the disposal of these materials and have, through the years, taken measures to avoid their improper disposal. Over the years, we have settled, or contributed to the settlement of, past actions or claims brought against us relating to the disposal of hazardous materials at several sites, and there can be no assurance that we will not have to expend material amounts to remediate the consequences of any such disposal in the future. Further, under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for, the presence of such hazardous or toxic substances. There can be no assurance that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon us under such laws or expose us to third-party actions such as tort suits. We continue to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to sites located in or related to certain sites. We have accrued certain costs related to certain sites, including but not limited to, sites in Woburn and Somerville, Massachusetts, as it has been determined that the costs are probable and can be reasonably estimated. We, together with multiple other companies, are party to a consent decree related to our property and parcels of land (the â€œCentral Areaâ€) at a site in Woburn, Massachusetts. The U.S. Environmental Protection Agency (the â€œEPAâ€) has provided us and other signatories to the consent decree with comments on the design and implementation of groundwater and soil remedies at the Woburn site and investigation of environmental conditions in the Central Area. The consent decree does not address any remediation work that may be required in the Central Area. We, and other signatories, have implemented and proposed to do additional work at the Woburn site but many of the EPAâ€™s comments remain to be resolved. We have accrued costs to perform certain work responsive to the EPAâ€™s comments. Additionally, we have implemented mitigation measures and continue to monitor environmental conditions at a site in Somerville, Massachusetts. We have agreed to undertake additional actions responsive to a notice of audit findings from the Massachusetts Department of Environmental Protection concerning a regulatory submittal that we made in 2009 for a portion of the site. We have received demands from the local transit authority for reimbursement of certain costs associated with its construction of a new municipal transit station in the area of the Somerville site. This station was part of an extension of the local transit system. We have reserved for costs in connection with this matter; however, in light of the uncertainties associated with this matter, these costs and the related reserve may change. On a quarterly basis, we assess each of our environmental sites to determine whether the costs of investigation and remediation of environmental conditions are probable and can be reasonably estimated as well as the adequacy of our accruals with respect to such costs. There can be no assurance that our accruals with respect to our environmental sites will be sufficient or that the costs of remediation and investigation will not substantially exceed our accruals as new facts, circumstances or estimates arise. Our nuclear garment decontamination facilities are licensed by the Nuclear Regulatory Commission, or in certain cases, by the applicable state agency, and are subject to regulation by federal, state and local authorities. We also have nuclear garment decontamination facilities in the United Kingdom and the Netherlands. These facilities are licensed and regulated by the respective countryâ€™s applicable federal agency. In the past, scrutiny and regulation of nuclear facilities and related services have resulted in the suspension of operations at certain nuclear facilities served by us or disruptions in our ability to service such facilities. There can be no assurance that such scrutiny and regulation will not lead to the shut-down of such facilities or otherwise cause material disruptions in our garment decontamination business. In addition, our nuclear garment decontamination operations are subject to asset retirement obligations related to the decommissioning of our nuclear laundry facilities. We recognize as a liability the present value of the estimated future costs to decommission these facilities. The estimated liability is based on historical experience in decommissioning nuclear laundry 13 Â facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. No assurances can be given that these accruals will be sufficient or that the costs of such decommissioning will not substantially exceed such accruals, as our facts, circumstances or estimates change, including changes in the Companyâ€™s estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. In addition to contingencies and claims relating to environmental compliance matters, we may from time to time be subject to legal or regulatory proceedings and claims related to our business operations which may have a material adverse effect on our financial condition and operating results. In addition to contingencies and claims relating to environmental matters, we are subject from time to time to legal or regulatory proceedings, including, without limitation, with respect to tax matters, and to claims and disputes arising from the conduct of our business operations, including personal injury claims, customer contract matters and employment claims such as claims alleging violations of, and damages under, the Fair Labor Standards Act (the â€œFLSAâ€). Refer to Note 11, â€œCommitments and Contingenciesâ€, of our Consolidated Financial Statements for further discussion. For example, in the fourth quarter of fiscal 2022, the Mexican federal tax authority issued a tax assessment on our subsidiary in Mexico for fiscal 2016 import taxes, value added taxes and custom processing fees of over $17.0 million, plus surcharges, fines and penalties of $67.7 million for a total assessment of $84.7 million. We challenged the validity of the tax assessment through an appeal process. In the first quarter of fiscal 2025, the Federal Tax Court in Mexico made a determination partially in our favor. Following the Federal Tax Courtâ€™s determination, we filed a constitutional action before the Federal Administrative Court. Certain of the claims to which we are subject are typically not covered by our available insurance. In addition, claims occasionally result in significant investigation and litigation expenses and, if successful, may result in material losses to us. Certain claims may also result in significant adverse publicity against us. As a consequence, successful claims against us not covered by our available insurance coverage or the adverse outcome of a legal or regulatory proceeding, or the impact of adverse publicity against us, could have a material adverse effect on our business, financial condition and results of operation. Failure to comply with state, federal, international and other laws, rules and regulations to which we are subject may result in penalties or costs that could have a material adverse effect on our business. Our business is subject to various state, federal, international and other laws, rules and regulations, including employment laws and regulations such as the FLSA, minimum wage requirements, overtime requirements, working condition requirements, citizenship requirements, healthcare insurance mandates, data protection requirements, import and export requirements and restrictions and other laws, rules and regulations, including those of the SEC and NYSE and those relating to accounting. We have incurred, and will continue to incur, capital and operating expenditures and other costs in the ordinary course of our business in complying with the laws, rules and regulations to which we are subject. Any appreciable increase in the statutory minimum wage rate, income or overtime pay, costs of complying with healthcare insurance mandates, changes in the requirements under the Occupational Safety and Health Act of 1970, as amended, changes in environmental compliance requirements, or changes to immigration laws and citizenship requirements would likely result in an increase in our labor costs and/or contribute to a shortage of available labor and such cost increase or labor shortage, or the penalties for failing to comply with such statutory minimums or regulations, could have an adverse effect on our business, liquidity and results of operations. The impact of any new laws, rules and regulations such as recent rules adopted by the SEC regarding climate-related and cybersecurity-related disclosures, or changes to laws, rules and regulations or governmental interpretations of such laws, rules and regulations, cannot be predicted and could cause us to incur substantial compliance costs. Any failure to comply with applicable laws, rules and regulations could result in substantial fines or penalties by government authorities, payment of damages to private litigants or possible revocation of our authority to conduct our operations, which could materially adversely affect our ability to service customers and our results of operations. Â Â Â Â 14 Â Â Changes in or new interpretations of the governmental regulatory framework may affect our contract terms and may reduce our sales or profits. A portion of our total consolidated revenues is derived from business with U.S. federal, state and local governments and agencies. Changes or new interpretations in, or changes in the enforcement of, the statutory or regulatory framework applicable to services provided under governmental contracts or bidding procedures could result in fewer new contracts or contract renewals, modifications to the methods we apply to price government contracts or in contract terms of shorter duration than we have historically experienced, any of which could result in lower sales or profits than we have historically achieved, which could have an adverse effect on our results of operations. GENERAL RISK FACTORS Adverse global financial and economic conditions may result in impairment of our goodwill and intangibles. Our market capitalization, from time to time, has experienced volatility due in part to turbulent economic conditions and disruption in the global equity and credit markets. Under accounting principles generally accepted in the U.S. (â€œU.S. GAAPâ€), we may be required to record an impairment charge if changes in circumstances or events indicate that the carrying values of our goodwill and intangible assets exceed their fair value and are not recoverable. Any significant and other-than-temporary decrease in our market capitalization could be an indicator, when considered together with other factors, that the carrying values of our goodwill and intangible assets exceed their fair value, which may result in our recording an impairment charge. We are unable to predict economic trends, but we continue to monitor the impact of changes in economic and financial conditions on our operations and on the carrying value of our goodwill and intangible assets. Should the value of our acquired goodwill or one or more of our acquired intangibles become impaired, our consolidated earnings and net worth may be materially adversely affected. The price of our Common Stock may be highly volatile, which could result in significant price declines. The price of our Common Stock may experience significant volatility. Such volatility may be caused by fluctuations in our operating results, changes in earnings estimated by investment analysts, the number of shares of our Common Stock traded each day, the degree of success we achieve in implementing our business and growth strategies, changes in business or regulatory conditions affecting us, our customers or our competitors and other factors. In addition, stocks listed on the NYSE have occasionally experienced extreme price and volume fluctuations that often have been unrelated to, or disproportionate to, the operating performance of the listed companies. These fluctuations, as well as general economic, political and market conditions, may adversely affect the market price of our Common Stock. If we are unable to accurately predict our future tax liabilities or become subject to increased levels of taxation or our tax contingencies are unfavorably resolved, our results of operations and financial condition could be materially adversely affected. The rules dealing with U.S. federal, state and local and non-U.S. taxation are regularly under review by persons involved in the legislative process and by the Internal Revenue Service (â€œIRSâ€) and the U.S. Treasury Department and other taxing authorities. Changes

to tax laws (which changes may have retroactive application) could adversely affect us or holders of our Common Stock. Any such tax laws, regulations, interpretations, or rulings could have an adverse effect on our financial condition and results of operations. These changes could subject us to additional income taxes and non-income taxes (such as payroll, sales, use, import, value-added, digital tax, net worth, property, and goods and services taxes), which in turn could materially affect our financial position and results of operations. Additionally, new, changed, modified, or newly interpreted or applied tax laws could increase our customersâ€™ and our compliance costs, operating and other costs, as well as the costs of our products. In recent years, many such changes have been made, and changes are likely to continue to occur in the future. As we expand the scale of our business activities, any changes in the U.S. and non-U.S. taxation of such activities may increase our effective tax rate and harm our business, financial condition, and results of operations. In addition, we are also subject to tax audits in the U.S. and other jurisdictions in which we do business, including, but not limited to, various states, as well as Canada and the Canadian provinces of Alberta, British Columbia, Ontario, Saskatchewan, Quebec and New Brunswick, and Mexico. These audits can be complicated and can require several years to resolve. The final resolution of any such tax audit could result in an increase in our income tax and other tax liabilities. Although we believe that our current tax provisions are reasonable and appropriate, there can be no assurance that these items 15 Â will be settled for the amounts accrued, that additional tax exposures will not be identified in the future or that additional tax reserves will not be necessary for any such exposures. Any increase in the amount of taxes we owe, including any fines or penalties, as a result of challenges to our tax filing positions could result in a material adverse effect on our business, results of operations and financial condition. Refer to Note 11, â€œCommitments and Contingenciesâ€, of our Consolidated Financial Statements for further discussion, including regarding the tax assessment matter in Mexico. We are controlled by our principal shareholders, and our other shareholders may be unable to affect the outcome of shareholder voting. As of October 23, 2024, to the Companyâ€™s knowledge, the members of the Croatti family and other family members owned, directly or indirectly, in the aggregate approximately 3,558,435 shares of our Class B Common Stock, which represents approximately 19.2% of the aggregate number of outstanding shares of our Common Stock and Class B Common Stock, but approximately 70.3% of the combined voting power of the outstanding shares of our Common Stock and Class B Common Stock. To the Companyâ€™s knowledge, the members of the Croatti family and other family members owned, directly or indirectly, a number of shares of Common Stock. As a result, the members of the Croatti family, acting with other family members, could effectively control most matters requiring approval by our shareholders, including the election of a majority of the directors. While historically the members of the Croatti family have individually voted their respective shares of Class B Common Stock in the same manner, there is no contractual understanding requiring this and there is no assurance that the family members will continue to individually vote their shares of Class B Common Stock in the same manner. This voting control by the members of the Croatti family, together with certain provisions of our by-laws and articles of organization, could have the effect of delaying, deferring or preventing a change in control of our Company that would otherwise be beneficial to our public shareholders. ITEM 1B. UNRESOLVED STAFF COMMENTS None. ITEM 1C. CYBERSECURITY Cybersecurity Risk Management and Strategy Our cybersecurity risk management strategy is designed to detect, evaluate, and manage risks from cybersecurity threats and incidents. Our program is intended to identify cybersecurity risks facing our organization and inform our risk-based approach to cybersecurity preparedness and incident response procedures. Our cybersecurity risk management program is supported by our third-party vendors and service providers, and includes, but is not limited to, periodic penetration testing and endpoint detection, and automated tools to monitor our network and systems to detect vulnerabilities or unusual activity that could lead to unauthorized access to our systems or data. We conduct assessments, as appropriate, of critical third-party service providers, which generally include a cybersecurity questionnaire and a review of security assessments and certifications. We also provide cybersecurity awareness training to employees with access to our network. We also have a policy for responding to and mitigating cybersecurity incidents. Our incident response procedures were overseen until recently by our Chief Information Officer (â€œCIOâ€). In connection with the upcoming retirement of our CIO, we recently hired a new Chief Information & Technology Officer (â€œCITOâ€) who oversees our incident response procedures. Our incident response procedures are reviewed and updated periodically. We have not identified cybersecurity incidents or threats that have materially affected us or are reasonably likely to materially affect us, including our business strategy, results of operations, or financial condition. However, like other companies in our industry, we and our third-party vendors have from time to time experienced threats that could affect our information or systems. For more information, please see the Risk Factor titled â€œIf our information technology systems suffer interruptions or failures, including as a result of cyber-attacks, our business operations could be disrupted or other material adverse impacts on our business could result.â€ Cybersecurity Governance Our CITO, who reports to our Chief Financial Officer, is responsible for leading our information security team and overseeing the Companyâ€™s cybersecurity risk management efforts. Our CITO has significant experience as a chief technology officer. 16 Â Our cybersecurity risk management program is overseen by our Board of Directors. As was the case with our CIO, members of the Board of Directors and the Audit Committee will periodically meet with our CITO to discuss material cybersecurity risks facing our organization and significant changes or updates to our cybersecurity processes. The full Board of Directors receives a cybersecurity risk management update from management generally on a quarterly basis. ITEM 2. PROPERTIES As of August 31, 2024, we owned or leased 278 facilities containing an aggregate of approximately 8.3 million square feet located in the U.S., Canada, Mexico, Europe and Nicaragua. We owned 147 of these facilities, containing approximately 6.6 million square feet. These facilities include our 325,000 square foot Owensboro, Kentucky distribution center and almost all of our industrial laundry processing plants. We believe our industrial laundry facilities are among the most modern in the industry. We own substantially all of the machinery and equipment used in our operations. We believe that our facilities and our production, cleaning and decontamination equipment have been well maintained and are adequate for our present needs. We also own a fleet of approximately 4,603 delivery vans, trucks and other vehicles. ITEM 3. LEGAL PROCEEDINGS From time to time, we are subject to legal proceedings and claims arising from the current conduct of our business operations, including personal injury, customer contract, employment claims such as claims alleging violations of, and damages under, the FLSA and environmental and tax matters as described in our Consolidated Financial Statements. We maintain insurance coverage providing indemnification against many of such claims, and we do not expect that we will sustain any material loss as a result thereof. In addition, we, like our competitors, are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must properly dispose of detergent wastewater and other residues, and, in the past, have used perchloroethylene and other dry cleaning solvents. We have settled, or contributed to the settlement of, past actions or claims brought against us relating to the disposal of hazardous materials at several sites and there can be no assurance that we will not have to expend material amounts to remediate the consequences of any such disposal in the future. Further, under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on or in or emanating from such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for, the presence of such hazardous or toxic substances. There can be no assurance that our acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon us under such laws or expose us to third-party actions such as tort suits. Refer to Note 11, â€œCommitments and Contingenciesâ€, of our Consolidated Financial Statements for further discussion. ITEM 4. MINE SAFETY DISCLOSURES Not Applicable. 17 Â PART II ITEM 5. MARKET FOR REGISTRANTâ€™S COMMON EQUITY, RELATED STOCKHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIES Common Stock Information Our Common Stock trades on the NYSE under the symbol â€œUNFâ€, while our Class B Common Stock is not publicly traded. On July 11, 2024, our Board of Directors declared a quarterly cash dividend of $0.330 per share of Common Stock and $0.264 per share of Class B Common Stock. Both dividends were paid on September 27, 2024 to shareholders of record as of September 6, 2024. The amount and timing of any future dividend payment is subject to the approval of the Board of Directors each quarter. The approximate number of shareholders of record of our Common Stock and Class B Common Stock as of October 23, 2024 was 47 and 42, respectively. We believe that the number of beneficial owners of our Common Stock is substantially greater than the number of record holders because a large portion of our Common Stock is held of record in broker â€œstreet namesâ€. Â Issuer Purchases of Equity Securities The following table provides information regarding our purchases of equity securities for the periods set forth therein: Â Period Â (a) TotalNumber ofSharesPurchased (1) Â Â (b) AveragePrice Paid perShare (1) Â Â (c) Total Numberof SharesPurchased asPart of PubliclyAnnounced Plansor Program (1) Â Â (d) MaximumNumber (orApproximateDollar Value) ofShares that MayYet be PurchasedUnder the Plansor Program (1) Â May 26, 2024 - June 22, 2024 Â Â 17,806 Â Â $ 156.92 Â Â Â 17,806 Â Â $ 81,243,296 Â June 23, 2024 - July 27, 2024 Â Â 12,750 Â Â $ 174.73 Â Â Â 12,750 Â Â $ 79,015,185 Â July 28, 2024 - August 31, 2024 Â Â 15,000 Â Â $ 186.34 Â Â Â 15,000 Â Â $ 76,219,818 Â Â Â Â Total Â Â 45,556 Â Â Â Â Â Â 45,556 Â Â Â Â (1)On October 24, 2023, our Board of Directors authorized a new share repurchase program to repurchase from time to time up to a total authorized $100.0 million of its outstanding shares of Common Stock, inclusive of the amount which remained available under the existing share repurchase program approved on October 18, 2021. Repurchases made from time to time under the new program, if any, will be made in either the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchase will depend on a variety of factors, including economic and market conditions, the Company stock price, corporate liquidity requirements and priorities, applicable legal requirements and other factors. The share repurchase program has been funded to date using our available cash and may be suspended or discontinued at any time. 18 Â Stock Performance Graph The graph below compares the cumulative five-year total return on UniFirst Corporation's Common Stock with the Russell 2000 Index and a customized peer group of three companies that includes Aramark, Cintas Corporation and Rollins, Inc. The graph assumes an investment of $100 in each of UniFirst Corporationâ€™s Common Stock, the Russell 2000 Index, and the performance through August 31, 2024, assuming the reinvestment of dividends. Â Â Â 19 Â ITEM 6. [RESERVED] 20 Â ITEM 7. MANAGEMENTâ€™S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS Business Overview UniFirst Corporation, together with its subsidiaries, hereunder referred to as â€œweâ€, â€œourâ€, the â€œCompanyâ€, or â€œUniFirstâ€, is one of the leading providers of workplace uniforms and protective work wear clothing in North America. We design, manufacture, personalize, rent, clean, deliver, and sell a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. We also rent and sell industrial wiping products, floor mats, facility service products and other non-garment items, and provide restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training to a variety of manufacturers, retailers and service companies. We serve businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, food processors and service operations, light manufacturers, maintenance facilities, restaurants, service companies, soft and durable goods wholesalers, transportation companies, healthcare providers and others who require employee clothing for image, identification, protection or utility purposes. We also provide our customers with restroom and cleaning supplies, including air fresheners, paper products and hand soaps. At certain specialized facilities, like nuclear operations, we also decontaminate and clean work clothes and other items that may have been exposed to radioactive materials and service special cleanroom protective wear and facilities. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utilities operating nuclear reactors. Headquartered in Wilmington, Massachusetts, we are a North American leader in the supply and servicing of uniform and workwear programs, as well as the delivery of facility service programs. Together with our subsidiaries, we also provide first aid and safety products, and manage specialized garment programs for the cleanroom and nuclear industries. We manufacture our own branded workwear, protective clothing, and floorcare products, as well as offer products from industry leading suppliers; and with 270 service locations, over 300,000 customer locations, and approximately 16,000 employee Team Partners, we outfit more than 2 million workers each business day. U.S. GAAP establishes standards for reporting information regarding operating segments in annual financial statements and requires selected information of those segments to be presented in interim financial reports issued to shareholders. Operating segments are identified as components of an enterprise for which separate discrete financial information is available for evaluation by the chief operating decision-maker, or decision-making group, in making decisions on how to allocate resources and assess performance. Our chief operating decision-maker is our Chief Executive Officer. We have six operating segments based on the information reviewed by our Chief Executive Officer: U.S. Rental and Cleaning, Canadian Rental and Cleaning, Manufacturing (â€œMFGâ€), Specialty Garments Rental and Cleaning (â€œSpecialty Garmentsâ€), First Aid and Corporate. The U.S. Rental and Cleaning and Canadian Rental and Cleaning operating segments have been combined to form the U.S. and Canadian Rental and Cleaning reporting segment. Refer to Note 15, â€œSegment Reportingâ€, of our Consolidated Financial Statements for our disclosure of segment information. The U.S. and Canadian Rental and Cleaning reporting segment purchases, rents, cleans, delivers and sells, uniforms and protective clothing and non-garment items in the U.S. and Canada. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by us as our â€˜industrial laundry operationsâ€™ and we refer to the locations related to this reporting segment as our â€˜industrial laundriesâ€™. The MFG operating segment designs and manufactures uniforms and non-garment items primarily for the purpose of providing these goods to the U.S. and Canadian Rental and Cleaning reporting segment. The amounts reflected as revenues of MFG are primarily generated when goods are shipped from our manufacturing facilities, or subcontract manufacturers, to our other locations. These intercompany revenues are recorded at a transfer price which is typically in excess of the actual manufacturing cost. Products are carried in inventory and subsequently placed in service and amortized at this transfer price. On a consolidated basis, intercompany MFG revenues and MFG income are eliminated and the carrying value of inventories and rental merchandise in service is reduced to the manufacturing cost. Income before income taxes from MFG, net of the intercompany MFG elimination, offsets the merchandise amortization costs incurred by the U.S. and Canadian Rental and Cleaning reporting segment as the merchandise costs of this reporting segment are amortized and recognized based on inventories purchased from MFG at the transfer price which is above our manufacturing cost. The Corporate operating segment consists of costs associated with our distribution center, sales and marketing, information systems, engineering, materials management, manufacturing planning, finance, budgeting, human resources, other general and administrative costs and interest expense. The revenues generated from the Corporate operating segment represent 21 Â certain direct sales made directly from our distribution center. The products sold by this operating segment are the same products rented and/or sold by the U.S. and Canadian Rental and Cleaning reporting segment. In the segment disclosures in Note 15, â€œSegment Reportingâ€, of our Consolidated Financial Statements, no assets or capital expenditures are presented for the Corporate operating segment as no assets are allocated to this operating segment in the information reviewed by our chief executive officer. However, depreciation and amortization expense related to certain assets are reflected in income from operations and income before income taxes for the Corporate operating segment. The assets that give rise to this depreciation and amortization are included in the total assets of the U.S. and Canadian Rental and Cleaning reporting segment as this is how they are tracked and reviewed by us. We refer to our U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as our â€œCore Laundry Operationsâ€. The Specialty Garments operating segment purchases, rents, cleans, delivers and sells, specialty garments and non-garment items primarily for nuclear and cleanroom applications and provides cleanroom cleaning services at limited customer locations. The First Aid operating segment sells first aid cabinet products and services and other safety supplies as well as maintains wholesale distribution and pill packaging operations for non-prescription medicines. Approximately 88.1% of our revenues in fiscal 2024 were derived from our U.S. and Canadian Rental and Cleaning and Corporate segments. A key driver of this business is the number of workers employed by our customers. Our revenues are directly impacted by fluctuations in these employment levels. Revenues from Specialty Garments, which accounted for approximately 7.5% of our fiscal 2024 revenues, increase during outages and refueling by nuclear power plants, as garment usage increases at these times. First Aid represented approximately 4.4% of our total revenues in fiscal 2024. Critical Accounting Policies and Estimates We believe the following critical accounting policies reflect our more significant judgments and estimates used in the preparation of our Consolidated Financial Statements. Use of Estimates We prepare our financial statements in conformity with U.S. GAAP, which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. We utilize key estimates in preparing the financial statements, including casualty and environmental estimates, valuation of intangible assets acquired in connection with a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. Our results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates. Revenue Recognition and Allowance for Doubtful Accounts We recognize revenue from rental operations and related services in the period in which the services are provided. Direct sale revenue is recognized in the period in which the services

are performed or when the product is shipped. Our judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the allowance for doubtful accounts as well as our sales credits reserve. We consider specific accounts receivable and historical bad debt experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of our evaluation in assessing the allowance for doubtful accounts. We consider our historical credit experience in assessing the sales credits reserve. Changes in our estimates are reflected in the period they become known. If the financial condition of our customers were to deteriorate, resulting in an impairment of their ability to make payments, additional allowances may be required. Material changes in our estimates may result in significant differences in the amount and timing of bad debt expense recognition for any given period. Our revenues do not include taxes we collect from our customers and remit to governmental authorities. Costs to Obtain a Contract We defer commission expenses paid to employee-partners when the commissions are deemed to be incremental for obtaining the route servicing customer contract. The deferred commissions are amortized on a straight-line basis over the expected period of benefit, which is generally the estimated life of the customer relationship. We review the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when we expect to recognize the expense. 22 Â Inventories and Rental Merchandise in Service Our inventories are stated at the lower of cost or net realizable value, net of any reserve for excess and obsolete inventory. Judgments and estimates are used in determining the likelihood that new goods on hand can be sold to our customers or used in our rental operations. Historical inventory usage and current revenue trends are considered in estimating both excess and obsolete inventories. If actual product demand and market conditions are less favorable than the amount we projected, additional inventory write-downs may be required. We use the first-in, first-out method to value our inventories, which primarily consist of finished goods. Rental merchandise in service is being amortized on a straight-line basis over the estimated service lives of the merchandise, which range from six to thirty-six months. In establishing estimated lives for merchandise in service, our management considers historical experience and the intended use of the merchandise. Material differences may result in the amount and timing of operating profit for any period if we make significant changes to our estimates. Goodwill, Intangibles and Other Long-Lived Assets In accordance with U.S. GAAP, we do not amortize goodwill. Instead, we test goodwill at the reporting unit level for impairment on an annual basis and between annual tests if events and circumstances indicate it is more likely than not that the fair value of a reporting unit is less than its carrying value. Our evaluation considers changes in the operating environment, competitive information, market trends, operating performance and cash flow modeling. We completed our annual goodwill impairment test as of the first day of the fourth quarter in fiscal 2024, fiscal 2023 and fiscal 2022. There have been no impairments of goodwill or other intangible assets in fiscal 2024, 2023 or 2022. We cannot predict future economic conditions and their impact on us or the future net realizable value of our stock. A decline in our market capitalization and/or deterioration in general economic conditions could negatively and materially impact our assumptions and assessment of the fair value of our business. If general economic conditions or our financial performance deteriorate, we may be required to record a goodwill impairment charge in the future which could have a material impact on our financial condition and results of operations. Property, plant and equipment, and definite-lived intangible assets are depreciated or amortized over their useful lives. Useful lives are based on our estimates of the period that the assets will generate economic benefits. Long-lived assets are evaluated for impairment whenever events or circumstances indicate an asset may be impaired. There were no material impairments of long-lived assets in fiscal 2024, 2023 or 2022. Business Combinations The Company accounts for business acquisitions using the purchase method of accounting, in accordance with which assets acquired and liabilities assumed are recorded at their respective fair values at the acquisition date. The fair value of the consideration paid, including contingent consideration, is assigned to the assets acquired and liabilities assumed based on their respective fair values. Goodwill represents the excess of the purchase price over the estimated fair values of the assets acquired and liabilities assumed. The Companyâ€™s management exercises significant judgments in determining the fair value of assets acquired and liabilities assumed, as well as intangibles and their estimated useful lives. Fair value and useful life determinations are based on, among other factors, estimates of future expected cash flows, royalty cost savings and appropriate discount rates used in computing present values. These judgments may materially impact the estimates used in allocating acquisition date fair values to assets acquired and liabilities assumed, as well as the Companyâ€™s current and future operating results. Actual results may vary from these estimates which may result in adjustments to goodwill and acquisition date fair values of assets and liabilities during a measurement period or upon a final determination of asset and liability fair values, whichever occurs first. Adjustments to the fair value of assets and liabilities made after the end of the measurement period are recorded within the Companyâ€™s operating results. Insurance We self-insure for certain obligations related to health and dental, workersâ€™ compensation, vehicles and general liability programs. We also purchase stop-loss insurance policies for workersâ€™ compensation, vehicles and general liability programs to protect ourselves from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred but have not been reported. Our estimates consider historical claim experience and other factors. Our liabilities are based on our estimates, and, while we believe that our accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. In certain cases where partial insurance coverage exists, we must estimate the portion of the liability that will be covered by existing insurance policies to arrive at 23 Â our net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. Changes in our claim experience, our ability to settle claims or other estimates and judgments we use could have a material impact on the amount and timing of expense for any given period. Environmental and Other Contingencies We are subject to legal proceedings and claims arising from the conduct of our business operations, including environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP requires that a liability for contingencies be recorded when it is probable that a liability has occurred, and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. We regularly consult with our attorneys and outside consultants, in our consideration of the relevant facts and circumstances, before recording a contingent liability. We record accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, our estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of our attorneys and outside consultants. The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to 4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3.0% per year. Changes in enacted laws, regulatory orders or decrees, our estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of our attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for our environmental and other contingent liabilities. Refer to Note 11, â€œCommitments and Contingenciesâ€, of our Consolidated Financial Statements for additional discussion and analysis. Asset Retirement Obligations Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. Current accounting guidance requires that we recognize asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. We have recognized as a liability the present value of the estimated future costs to decommission our nuclear laundry facilities in accordance with U.S. GAAP. We depreciate, on a straight-line basis, the amount added to property, plant and equipment and recognize accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years. Our estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revisions in our estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service or charged to expense in the period if the assets are no longer in service. Supplemental Executive Retirement Plan and Pension Plan We recognize pension expense on an accrual basis over our employeesâ€™ estimated service periods. Pension expense is generally independent of funding decisions or requirements. The calculation of pension expense and the corresponding liability requires us to use a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rate, the assumed rate of compensation increases and life expectancy of participants. Changes in our assumptions can result in different expense and liability amounts, and future actual expense can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in our pension plans will impact our future pension expense and liabilities. We cannot predict with certainty what these factors will be in the future. 24 Â Income Taxes We compute income tax expense by jurisdiction based on our operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, â€œIncome Taxesâ€ of our Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or liabilities based on the classification of the related asset or liability for financial reporting purposes. We regularly review deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized. We are periodically reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, we record estimated reserves. Refer to Note 4, â€œIncome Taxesâ€, of our Consolidated Financial Statements for further discussion regarding our accounting for income taxes and our uncertain tax positions for financial accounting purposes. Fiscal Year Our fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal 2024 and 2023 consisted of 53 weeks and 52 weeks, respectively. Effects of Inflation and Adverse Economic Conditions Â In general, we believe that our results of operations are not dependent on moderate changes in the inflation rate. Historically, we have been able to manage the impacts of more significant changes in inflation rates through our customer relationships, customer agreements that generally provide for price increases and continued focus on improvements of operational productivity. However, the inflationary environment in recent years had a negative impact on our margins, including as a result of increased energy costs for our vehicles and our plants, as well as increasing wages in the labor markets in which we compete. While inflation has moderated recently, a period of sustained inflation could pressure our margins in future periods. In addition, the U.S. Federal Reserve rapidly increased its benchmark interest rate from 2021 through 2023 in response to sustained elevated inflation and has only modestly reduced that rate thus far 2024. Adverse economic conditions resulting from inflationary pressures, U.S. Federal Reserve actions, including elevated interest rates and/or increases in interest rates, geopolitical issues or otherwise are difficult to predict and may have a material adverse impact on our business, results of operations and financial condition. Please see Part I, Item 1A. â€œRisk Factorsâ€ in this Annual Report on Form 10-K for an additional discussion of risks and potential risks of inflation and adverse economic conditions on our business, financial condition and results of operations. 25 Â Results of Operations The following table presents certain selected financial data, including the percentage of revenues represented by each item, for fiscal years 2024 and 2023. For discussion of fiscal 2023 results compared to fiscal 2022 results, see the Part II, Item 7 â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€ within our Annual Report on Form 10-K for the fiscal year ended August 26, 2023, filed with the SEC on October 26, 2023. Â Revenues and income (loss) from operations by reporting segment for fiscal 2024 and 2023 are presented in the following table: Â Â Â Fiscal Â Â Fiscal Â (In thousands) Â 2024 Â Â 2023 Â Segment Information Â Â Â Â Â Â Revenues Â Â Â Â Â Â U.S. and Canadian Rental and Cleaning Â $ 2,083,059 Â Â $ 1,907,765 Â MFG Â Â 315,159 Â Â Â 297,752 Â Net intercompany MFG elimination Â Â (315,159) Â Â (297,752) Corporate Â Â 55,889 Â Â Â 53,424 Â Subtotal: Core Laundry Operations Â Â 2,138,948 Â Â Â 1,961,189 Â Specialty Garments Â Â 182,212 Â Â Â 177,034 Â First Aid Â Â 106,271 Â Â Â 94,824 Â Total consolidated revenues Â $ 2,427,431 Â Â $ 2,233,047 Â Operating income (loss) Â Â Â Â Â Â U.S. and Canadian Rental and Cleaning Â $ 331,031 Â Â $ 293,171 Â MFG Â Â 95,072 Â Â Â 88,292 Â Net intercompany MFG elimination Â Â (9,707) Â Â (16,717) Corporate Â Â (272,962) Â Â (266,080) Subtotal: Core Laundry Operations Â Â 143,434 Â Â Â 98,666 Â Specialty Garments Â Â 41,976 Â Â Â 37,488 Â First Aid Â Â (1,832) Â Â (2,551) Â Â Â Total operating income Â $ 183,578 Â Â $ 133,603 Â Â 26 Â General We derive our revenues through the design, manufacture, personalization, rental, cleaning, delivering, and selling of a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks and aprons and specialized protective wear, such as flame resistant and high visibility garments. We also rent industrial wiping products, floor mats, facility service products, other non-garment items, and provide restroom and cleaning supplies and first aid cabinet services and other safety supplies, to a variety of manufacturers, retailers and service companies. Cost of revenues include the amortization of rental merchandise in service and merchandise costs related to direct sales as well as labor and other production, service and delivery costs, and distribution costs associated with operating our Core Laundry Operations, Specialty Garments facilities, and First Aid locations. Selling and administrative costs include costs related to our sales and marketing functions as well as general and administrative costs associated with our corporate offices, non-operating environmental sites and operating locations including information systems, engineering, materials management, manufacturing planning, finance, budgeting, and human resources. Our operating results are also directly impacted by the costs of the gasoline used to fuel our vehicles, the cost of electricity for our electric vehicles and the natural gas used to operate our plants. Our operating margins have been, and may continue to be, adversely impacted by volatility in energy prices. In addition, as described above, the inflationary environment in recent years had a negative impact on our margins. While inflation has moderated recently, a period of sustained inflation could pressure our margins in future periods. Our business is subject to various state and federal regulations, including employment laws and regulations, minimum wage requirements, overtime requirements, working condition requirements, citizenship requirements, healthcare insurance mandates and other laws and regulations that impact our labor costs. Labor costs have increased recently as a result of increases in state and local minimum wage levels as well as the overall impact of wage pressure as the result of a low unemployment environment. A portion of our sales is derived from international markets, including Canada. Revenues denominated in currencies other than the U.S. dollar represented approximately 6.9% and 7.0% of total consolidated revenues for fiscal 2024 and 2023, respectively. The operating results of our international subsidiaries are translated into U.S. dollars and such results are affected by movements in foreign currencies relative to the U.S. dollar. In addition, a weaker Canadian dollar increases the costs to our Canadian operations of merchandise and other operational inputs that are sourced from outside Canada, which has the effect of reducing the operating margins of our Canadian business if we are unable to recover these additional costs through price adjustments with our Canadian customers. In fiscal 2024 and 2023, foreign currency fluctuations impacted our consolidated revenues negatively by a nominal percentage and 0.6%, respectively. These impacts were primarily driven by fluctuations in the Canadian dollar. Our operating results in future years could be negatively impacted by any further devaluation, as compared to the U.S. dollar, of the Canadian dollar or any of the currencies of the other countries in which we operate. Â In fiscal 2018, we initiated a multiyear CRM project to further develop, implement and deploy a third-party software application we licensed. This new solution is intended to improve functionality, capability and information flow as well as increase automation for our operations in servicing our customers. We began deployment of our new CRM project during the second half of fiscal 2021 and concluded the deployment to our U.S. locations in the first quarter of fiscal 2024. We are depreciating this system over a 10-year life and recognized $3.6 million and $3.3 million of amortization expense in fiscal 2024 and fiscal 2023, respectively. In fiscal 2022, we initiated a multiyear ERP project that we plan to continue through

2027, with early phases focused on master data management and finance capabilities followed by subsequent phases with a strong focus on supply chain and procurement automation and technology. We believe that this initiative will become the core of the UniFirst systems technology footprint and will integrate and complement the capabilities of the CRM system. We expect the ERP system and the new supply chain and procurement capabilities that it will provide to enable lower operating costs and reduced customer churn. Such benefits are expected to be delivered through enhanced inventory utilization and vendor management, improved response times to customer orders and more efficient back-end processes. These capabilities will allow us to more effectively respond to and mitigate the types of supply chain challenges that we experienced during the COVID-19 pandemic and inflationary environment of 2022 and 2023. 27 Â We refer to our CRM and ERP projects together as our (â€œKey Initiativesâ€). For fiscal 2024, we expensed $11.8 million of non-recurring costs related to our Key Initiatives, primarily relating to our ERP project. As of August 31, 2024, we capitalized $47.2 million related to our CRM project and $18.9 million related to our ERP project. On October 24, 2023, our Board of Directors authorized a share repurchase program to repurchase from time to time up to $100.0 million of our outstanding shares of Common Stock. Repurchases made under the new program, if any, will be made in either the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchases will depend on a variety of factors, including economic and market conditions, our stock price, corporate liquidity requirements and priorities, applicable legal requirements and other factors. The share repurchase program may be funded using available cash or capacity under our Credit Agreement (as defined below) and may be suspended or discontinued at any time. Â On October 29, 2024, our Board of Directors declared increased quarterly cash dividends of $0.350 per share of Common Stock and $0.280 per share of Class B Common Stock, up from $0.33 and $0.264 per share, respectively. Both dividends are payable on January 3, 2025 to shareholders of record as of December 6, 2024. The amount and timing of any future dividend payment is subject to the approval of our Board of Directors each quarter. During fiscal 2024, we repurchased 139,556 shares for an average price of $170.40. During fiscal 2023, we did not repurchase any shares. As of August 31, 2024, we had $76.2 million remaining under our existing share repurchase program. Â On March 13, 2023, we completed our acquisition of the business and certain real estate assets of Clean from Clean Holdco, Inc. and certain of its affiliates for an aggregate purchase price of approximately $299.1 million, net of cash acquired. Clean was a uniform, workwear and facility service program provider with 11 locations covering Missouri, Illinois, Arkansas, Kansas and Oklahoma. The results of operations from Clean were included in our results under the U.S. and Canadian Rental and Cleaning segment subsequent to the acquisition date of March 13, 2023. We paid for the acquisition of Clean with cash on hand and borrowings under the Credit Agreement, which we repaid in full during the third quarter of fiscal 2023. 28 Â The following section of this Annual Report on Form 10-K generally discusses fiscal 2024 and fiscal 2023 items and year-to-year comparisons between fiscal 2024 and fiscal 2023. Discussions of fiscal 2022 items and year-to-year comparisons between fiscal 2023 and fiscal 2022 that are not included in this Annual Report on Form 10-K can be found in â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€ in Part II, Item 7 of our Annual Report on Form 10-K for the year ended August 26, 2023, which was filed with the SEC on October 26, 2023. Fiscal Year Ended August 31, 2024 Compared with Fiscal Year Ended August 26, 2023 Revenues (In thousands, except percentages) Â Fiscal2024 Â Â Fiscal2023 Â Â DollarChange Â Â PercentChange Â Core Laundry Operations Â $ 2,138,948 Â Â $ 1,961,189 Â Â $ 177,759 Â Â Â 9.1 % Specialty Garments Â Â 182,212 Â Â Â 177,034 Â Â Â 5,178 Â Â Â 2.9 % First Aid Â Â 106,271 Â Â Â 94,824 Â Â Â 11,447 Â Â Â 12.1 % Â Â Â Total consolidated revenues Â $ 2,427,431 Â Â $ 2,233,047 Â Â $ 194,384 Â Â Â Â 8.7 % The increase in consolidated revenues of 8.7% during fiscal 2024 compared to the prior year was due primarily to growth in our Core Laundry Operations of 9.1%. The increase in our Core Laundry Operations was due to organic growth of 4.6%, growth from fiscal 2024's extra week of 2.1% and acquisition related growth of 2.5%. Partially offsetting this growth was the effect of Canadian dollar exchange rate changes on our revenues of (0.1)%. The Core Laundry Operations strong organic growth rate was mostly the result of solid new account sales and improved pricing with our customers. The impact on our revenues from acquisitions was the result of our acquisition of Clean, which was completed on March 13, 2023. Specialty Garments revenues for fiscal 2024 increased slightly compared to the prior year due primarily to growth from fiscal 2024's extra week of 1.9%, and growth in both our cleanroom and U.S. nuclear operations. First Aid revenues for fiscal 2024 increased 12.1% compared to the prior fiscal year. This increase was driven by our continued investment in expanding the first aid van business, which accounted for growth of 10.1%, and growth from fiscal 2024's extra week of 2.2%. Cost of revenues (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â DollarChange Â Â PercentChange Â Cost of revenues Â $ 1,579,835 Â Â $ 1,481,296 Â Â $ 98,539 Â Â Â Â 6.7 % % of Revenues Â Â 65.1 % Â Â 66.3 % Â Â Â Â Â Â Â The increase in consolidated cost of revenues of 6.7% during fiscal 2024 compared to the prior fiscal year was due primarily to the impact of the revenue growth mentioned above. While overall cost of revenues increased, cost of revenues decreased as a percentage of revenue due primarily to lower merchandise costs, payroll and other operating input costs. Selling and administrative expenses (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â DollarChange Â Â PercentChange Â Selling and administrative expenses Â $ 522,586 Â Â $ 496,915 Â Â $ 25,671 Â Â Â Â 5.2 % % of Revenues Â Â 21.5 % Â Â 22.3 % Â Â Â Â Â Â Â The increase in selling and administrative costs of 5.2% during fiscal 2024 compared to the prior fiscal year was due primarily to continued investments we have made in our corporate capabilities over the last year and incremental costs from the Clean acquisition as compared to the prior year. In addition, there was an extra week of spend in the current year. While overall selling and administrative costs increased, selling and administrative costs as a percentage of revenues decreased due primarily to a decrease in Key Initiatives expenses from $33.6 million in fiscal 2023 to $11.8 million in fiscal 2024. In addition, we incurred $3.0 million of Clean acquisition-related costs in fiscal 2023. We also benefited from lower theft losses and a decrease in healthcare claims expenses compared to the prior year. 29 Â Depreciation and amortization (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â DollarChange Â Â PercentChange Â Depreciation and amortization Â $ 141,432 Â Â $ 121,233 Â Â $ 20,199 Â Â Â Â 16.7 % % of Revenues Â Â 5.8 % Â Â 5.4 % Â Â Â Â Â Â Â Depreciation and amortization expense increased by 16.7% in fiscal 2024 as compared to the prior fiscal year due primarily to continued investment in our systems and technology capabilities and infrastructure to support our future growth. Also contributing to this increase was higher depreciation and amortization of $8.0 million related to the Clean acquisition that occurred early in the third quarter of fiscal 2023. Total depreciation and amortization for Clean was $14.7 million and $6.7 million in fiscal 2024 and 2023, respectively, of which $9.8 million and $4.6 million were intangibles amortization, respectively. In addition, there was an extra week of depreciation and amortization in the current year. Operating Income For fiscal 2024, changes in our revenues and costs as discussed above resulted in the following changes in our operating income and margin: (In thousands, except percentages) Â Fiscal2024 Â Â Fiscal2023 Â Â DollarChange Â Â PercentChange Â Core Laundry Operations Â $ 143,434 Â Â $ 98,666 Â Â $ 44,768 Â Â Â 45.4 % Specialty Garments Â Â 41,976 Â Â Â 37,488 Â Â Â 4,488 Â Â Â 12.0 % First Aid Â Â (1,832) Â Â (2,551) Â Â 719 Â Â Â (28.2)% Operating income Â $ 183,578 Â Â $ 133,603 Â Â $ 49,975 Â Â Â 37.4 % Operating income margin Â Â 7.6 % Â Â 6.0 % Â Â Â Â Â Â Other income, net (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â DollarChange Â Â PercentChange Â Interest income, net Â $ (7,242) Â $ (6,738) Â $ (504) Â Â 7.5 % Other expense, net Â Â 1,441 Â Â Â 1,504 Â Â Â (63) Â Â (4.2)% Total other income, net Â $ (5,801) Â $ (5,234) Â $ (567) Â Â 10.8 % Â Other income, net, in fiscal 2024 increased as compared to the prior year due primarily to $2.1 million of interest income recorded in fiscal 2024 as a result of a tax dispute we favorably resolved. This was partially offset by lower interest income resulting from lower cash reserves subsequent to the acquisition of Clean in our third fiscal quarter of 2023. Provision for income taxes (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â DollarChange Â Â PercentChange Â Provision for income taxes Â $ 43,905 Â Â $ 35,163 Â Â $ 8,742 Â Â Â 24.9 % Effective income tax rate Â Â 23.2 % Â Â 25.3 % Â Â Â Â Â Â The decrease in the effective tax rate for fiscal 2024 as compared to the corresponding period year was due primarily to the release of certain tax reserves and a U.S. state legislative change enacted during the first quarter of fiscal 2024. Liquidity and Capital Resources General Cash and cash equivalents, and short-term investments totaled $175.1 million as of August 31, 2024, an increase of $85.5 million from $89.6 million as of August 26, 2023. The increase in cash and cash equivalents and short-term investments was largely driven by our cash flows from operating activities. We generated $295.3 million and $215.8 million in cash from operating activities in fiscal 2024 and 2023, respectively. The increase was due primarily to increased profitability and lower working capital needs of the business. During fiscal 2024, we continued to invest in our business with capital expenditures totaling $160.4 million. Pursuant to the share repurchase program approved by our Board of Directors on October 24, 2023, we repurchased 139,556 shares of our Common Stock for an aggregate of approximately $23.8 million during fiscal 2024. 30 Â We believe, although there can be no assurance, that our current cash and cash equivalents balances, our cash generated from future operations and amounts available under our Credit Agreement (as defined below) will be sufficient to meet our current anticipated working capital and capital expenditure requirements for at least the next 12 months and will help us manage the impacts of inflation and address related liquidity needs. Cash flows provided by operating activities have historically been the primary source of our liquidity. We generally use these cash flows to fund most, if not all, of our operations, capital expenditure and acquisition activities as well as dividends on our Common Stock. We may also use cash flows provided by operating activities, as well as proceeds from long-term debt, to fund growth and acquisition opportunities, as well as other cash requirements. Â Sources and uses of cash flows for fiscal 2024 and 2023, respectively, are summarized as follows: (In thousands, except percentages) Â Fiscal 2024 Â Â Fiscal 2023 Â Â Dollar Change Â Â PercentChange Â Net cash provided by operating activities Â $ 295,269 Â Â $ 215,762 Â Â $ 79,507 Â Â Â 36.8 % Net cash used in investing activities Â Â (162,236) Â Â (487,647) Â Â 325,411 Â Â Â (66.7)% Net cash used in financing activities Â Â (50,360) Â Â (25,839) Â Â (24,521) Â Â 94.9 % Effect of exchange rate changes Â Â (545) Â Â 768 Â Â Â (1,313) Â Â (171.0)% Â Â Â Net decrease in cash and cash equivalents Â $ 82,128 Â Â $ (296,956) Â $ 379,084 Â Â Â (127.7)% Net Cash Provided by Operating Activities The net cash provided by operating activities in fiscal 2024 increased as compared to fiscal 2023 due to our improved profitability and benefit of depreciation and amortization as well as positive impacts from rental merchandise in service of $31.4 million, receivables of $22.2 million and accrued liabilities of $9.7 million. These increases were partially offset by a decrease in accounts payable of $14.2 million, an increase in inventory of $12.5 million and an increase in prepaid expenses and other current and non-current assets of $5.5 million. The positive impact from merchandise in service was due primarily to fewer garments being placed in service to support our rental customers. The positive impact from receivables was due primarily to a focused effort on collections and timing of cash receipts. The negative impact from accounts payable was due primarily to timing of payments. The negative impact from inventories was due primarily to higher production that will be used to meet future demand. The negative impact from prepaid expenses and other current assets was due primarily to increases in information technology prepaid contracts and increased capitalized commission costs. Net Cash Used in Investing Activities The net cash used in investing activities in fiscal 2024 decreased as compared to fiscal 2023 due primarily to the Clean acquisition in the third quarter of fiscal 2023, a decrease in capital expenditures of $11.6 million and a reduced net investment in certificates of deposit of $7.1 million during fiscal 2024. Net Cash Used in Financing Activities The net cash used in financing activities in fiscal 2024 increased as compared to fiscal 2023 due primarily to a $23.8 million increase in the repurchase of Common Stock during the period. 31 Â Long-term Debt and Borrowing Capacity On March 26, 2021, we entered into an amended and restated $175.0 million unsecured revolving credit agreement (as subsequently amended, the â€œCredit Agreementâ€) with a syndicate of banks, which matures on March 26, 2026. The Credit Agreement amended and restated our prior credit agreement, which was scheduled to mature on April 11, 2021. Under the Credit Agreement, we are able to borrow funds at variable interest rates. Prior to the amendment discussed below, interest on borrowings was based on, at our election, the Eurodollar rate or a base rate, plus in each case a spread based on our consolidated funded debt ratio. On March 9, 2023, we exercised the accordion feature of the Credit Agreement pursuant to an amendment to the Credit Agreement. The exercise of the accordion feature increased the aggregate commitments under the Credit Agreement by $100.0 million, for a total aggregate commitment of up to $275.0 million. In addition, the amendment provided for the replacement of LIBOR with SOFR such that borrowings are based on, at our election, the SOFR rate or a base rate, plus in each case a spread based on our consolidated funded debt ratio. The amendment also refreshed the accordion feature, so that, provided there is no default or event of default under the Credit Agreement and we are in compliance with our financial covenants on a pro forma basis, we may request an increase in the aggregate commitments under the Credit Agreement (in the form of revolving or term tranches) of up to an additional $100.0 million, for a total aggregate commitment of up to $375.0 million. Availability of credit requires compliance with certain financial and other covenants, including a maximum consolidated funded debt ratio and minimum consolidated interest coverage ratio as defined in the Credit Agreement. We test our compliance with these financial covenants on a fiscal quarterly basis. As of August 31, 2024, the interest rates applicable to our borrowings under the Credit Agreement would be calculated as SOFR plus 1.00% at the time of the respective borrowing. As of August 31, 2024, we had no outstanding borrowings and had outstanding letters of credit amounting to $65.1 million, leaving $209.9 million available for borrowing under the Credit Agreement. As of August 31, 2024, we were in compliance with all covenants under the Credit Agreement. Derivative Instruments and Hedging Activities In August 2021, we entered into twenty forward contracts to exchange CAD for U.S. dollars at fixed exchange rates in order to manage our exposure related to certain forecasted CAD denominated sales of one of our subsidiaries. The hedged transactions are specified as the first amount of CAD denominated revenues invoiced by one of our domestic subsidiaries each fiscal quarter, beginning in the first fiscal quarter of 2022 and continuing through the fourth fiscal quarter of 2026. In total, we will sell approximately 14.1 million CAD at an average Canadian-dollar exchange rate of 0.7861 over these quarterly periods. We concluded that the forward contracts met the criteria to qualify as a cash flow hedge under U.S. GAAP. As of August 31, 2024, we had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. During fiscal 2024, we reclassified $0.1 million from accumulated other comprehensive loss to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026. Environmental and Legal Contingencies We are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must dispose of detergent wastewater and other residues, and, in the past, used perchloroethylene and other dry cleaning solvents. We are attentive to the environmental concerns surrounding the disposal of these materials and have, through the years, taken measures to avoid their improper disposal. We have settled, or contributed to the settlement of, past actions or claims brought against us relating to the disposal of hazardous materials at several sites and there can be no assurance that we will not have to expend material amounts to remediate the consequences of any such disposal in the future. U.S. GAAP requires that a liability for contingencies be recorded when it is probable that a liability has been incurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. We regularly consult with attorneys and outside consultants in our consideration of the relevant facts and circumstances before recording a contingent liability. Changes in enacted laws, regulatory orders or decrees, our estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of our attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for our environmental and other contingent liabilities. 32 Â Under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from, such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of or was responsible for the presence of such hazardous or toxic substances. There can be no assurances that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon our Company under such laws or expose our Company to third party actions such as tort suits. We continue to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to certain sites. We have accrued certain costs related to certain sites, including but not limited to, sites in Woburn and Somerville, Massachusetts, as it has been determined that the costs are probable and can be reasonably estimated. We, together with multiple other companies, are party to a consent decree related to our property and the Central Area in Woburn, Massachusetts. The EPA has provided us and other signatories to the consent decree with comments on the design and implementation of groundwater and soil remedies at the Woburn site and investigation of environmental conditions in the Central Area. The consent decree does not address any remediation work that may be required in the Central Area. We, and other signatories, have implemented and proposed to do additional work at the Woburn site but many of the EPAâ€™s comments remain to be resolved. We have accrued costs to perform certain work responsive to the EPAâ€™s comments. Additionally, we have implemented mitigation measures and continue to monitor environmental conditions at a site in Somerville, Massachusetts. We have agreed to undertake additional actions responsive to a notice of audit findings from the Massachusetts Department of Environmental Protection concerning a regulatory submittal that we made in 2009 for a portion of the site. We have received demands from the local transit authority for reimbursement of certain costs

associated with its construction of a new municipal transit station in the area of the Somerville site. This station was part of an extension of the transit system. We have reserved for costs in connection with this matter; however, in light of the uncertainties associated with this matter, these costs and the related reserve may change. We routinely review and evaluate sites that may require remediation and monitoring and determine our estimated costs based on various estimates and assumptions. These estimates are developed using our internal sources or by third-party environmental engineers or other service providers. Internally developed estimates are based on: â€¢Managementâ€™s judgment and experience in remediating and monitoring our sites; â€¢Information available from regulatory agencies as to costs of remediation and monitoring; â€¢The number, financial resources and relative degree of responsibility of other potentially responsible parties (PRPs) who may be liable for remediation and monitoring of a specific site; and â€¢The typical allocation of costs among PRPs. There is usually a range of reasonable estimates of the costs associated with each site. In accordance with U.S. GAAP, our accruals represent the amount within the range that we believe is the best estimate or the low end of a range of estimates if no point within the range is a better estimate. When we believe that both the amount of a particular liability and the timing of the payments are reliably determinable, we adjust the cost in current dollars using a rate of 3% for inflation until the time of expected payment and discount the cost to present value using current risk-free interest rates. As of August 31, 2024, the risk-free interest rates we utilized ranged from 4.2% to 4.3%. Â For environmental liabilities that have been discounted, we include interest accretion, based on the effective interest method, in selling and administrative expenses on the Consolidated Statements of Income. The changes to the amounts of our environmental liabilities for fiscal 2024 and 2023 are as follows (in thousands): Â Year ended Â August 31,2024 Â Â August 26,2023 Â Beginning balance Â $ 30,029 Â Â $ 32,191 Â Costs incurred for which reserves have been provided Â Â (3,176) Â Â (1,936) Insurance proceeds Â Â 238 Â Â Â 147 Â Interest accretion Â Â 1,264 Â Â Â 1,036 Â Changes in discount rates Â Â 244 Â Â Â (2,446) Revisions in estimates Â Â 2,656 Â Â Â 1,037 Â Ending balance Â $ 31,255 Â Â $ 30,029 Â Â 33 Â Â Anticipated payments and insurance proceeds of currently identified environmental remediation liabilities as of August 31, 2024 for the next five fiscal years and thereafter, as measured in current dollars, are reflected below (in thousands): Â Fiscal year ended August Â 2025 Â Â 2026 Â Â 2027 Â Â 2028 Â Â 2029 Â Â Thereafter Â Â Total Â Estimated costsâ€”current dollars Â $ 14,425 Â Â $ 2,836 Â Â $ 1,527 Â Â $ 1,280 Â Â $ 997 Â Â $ 15,047 Â Â $ 36,112 Â Estimated insurance proceeds Â Â (180) Â Â (195) Â Â (159) Â Â (173) Â Â (9) Â Â (230) Â Â (946) Net anticipated costs Â $ 14,245 Â Â $ 2,641 Â Â $ 1,368 Â Â $ 1,107 Â Â $ 988 Â Â $ 14,817 Â Â $ 35,166 Â Effect of inflation Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â 9,501 Â Effect of discounting Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â (13,412) Balance as of August 31, 2024 Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â $ 31,255 Â Estimated insurance proceeds are primarily obtained from an annuity received as part of our legal settlement with an insurance company. Annual proceeds of approximately $0.3 million are deposited into an escrow account which funds remediation and monitoring costs for two sites related to our former operations in Williamstown, Vermont. Annual proceeds received but not expended in the current year accumulate in this account and may be used in future years for costs related to this site through the year 2027. As of August 31, 2024, the balance in this escrow account, which is held in a trust and is not recorded in our Consolidated Balance Sheets, was approximately $5.6 million. Also included in estimated insurance proceeds are amounts we are entitled to receive pursuant to legal settlements as reimbursements from three insurance companies for estimated costs at one of our sites. Our nuclear garment decontamination facilities are licensed by respective state agencies, as delegated authority by the Nuclear Regulatory Commission (the â€œNRCâ€) pursuant to the NRCâ€™s Agreement State program and are subject to applicable federal and state radioactive material regulations. In addition, our international locations (Canada, the United Kingdom and the European Union) are regulated by equivalent respective jurisdictional authorities. There can be no assurance that such regulation will not lead to material disruptions in our garment decontamination business. From time to time, we are also subject to legal and regulatory proceedings and claims arising from the conduct of our business operations, including personal injury claims, customer contract matters, employment claims and environmental matters as described above. In addition, in the fourth quarter of fiscal 2022, the Mexican federal tax authority issued a tax assessment on our subsidiary in Mexico for fiscal 2016 import taxes, value added taxes and custom processing fees of over $17.0 million, plus surcharges, fines and penalties of over $67.7 million for a total assessment of over $84.7 million. We challenged the validity of the tax assessment through an appeal process. In the first quarter of fiscal 2025, the Federal Tax Court in Mexico made a determination partially in our favor. Following the Federal Tax Courtâ€™s determination, we filed a constitutional action before the Federal Administrative Court. While we are unable to ascertain the ultimate outcome of this matter, based on the information currently available, we believe that a loss with respect to this matter is neither probable nor remote. Given the uncertainty associated with the ultimate resolution of this matter, we are unable to reasonably assess an estimate or range of estimates of any potential losses. While it is impossible for us to ascertain the ultimate legal and financial liability with respect to contingent liabilities, including lawsuits and environmental contingencies, we believe that the aggregate amount of such liabilities, if any, in excess of amounts covered by insurance have been properly accrued in accordance with accounting principles under U.S. GAAP. It is possible, however, that the future financial position and/or results of operations for any particular future period could be materially affected by changes in our assumptions or strategies related to these contingencies or changes out of our control. Acquisitions As part of our business, we regularly evaluate opportunities to acquire other garment service companies. In recent years, we have typically paid for acquisitions with cash and may continue to do so in the future. To pay for an acquisition, we may use cash on hand, cash generated from operations or borrowings under our Credit Agreement, or we may pursue other forms of debt financing. Our ability to secure short-term and long-term debt financing in the future will depend on several factors, including our future profitability, our levels of debt and equity, and the overall credit and equity market environments. 34 Â Contractual Obligations and Other Commercial Commitments The following information is presented as of August 31, 2024 (in thousands): Â Â Â Payments Due by Fiscal Period Â Contractual Obligations Â Total Â Â Less than1 year Â Â 1 â€“ 3 years Â Â 3 â€“ 5 years Â Â More than5 years Â Retirement plan benefit payments Â $ 29,489 Â Â $ 2,550 Â Â $ 3,924 Â Â $ 3,988 Â Â $ 19,027 Â Asset retirement obligations Â Â 17,929 Â Â Â â€” Â Â Â â€” Â Â Â â€” Â Â Â 17,929 Â Operating leases Â Â 75,833 Â Â Â 20,557 Â Â Â 30,751 Â Â Â 16,160 Â Â Â 8,365 Â Forward contracts Â Â 2,668 Â Â Â 1,334 Â Â Â 1,334 Â Â Â â€” Â Â Â â€” Â Purchase Commitments* Â Â 91,206 Â Â Â 58,441 Â Â Â 21,115 Â Â Â 10,687 Â Â Â 963 Â Â Â Â Total contractual cash obligations Â $ 217,125 Â Â $ 82,882 Â Â $ 57,124 Â Â $ 30,835 Â Â $ 46,284 Â Â *Includes non-cancellable purchase commitments for inventories, software, and services. As discussed above under â€œLong-Term Debt and Borrowing Capacityâ€, as of August 31, 2024, we had borrowing capacity of $375.0 million under our Credit Agreement, of which approximately $209.9 million was available for borrowing. Also, as of such date, we had no outstanding borrowings and letters of credit outstanding of $65.1 million. All letters of credit expire in less than one year. As discussed above under â€œDerivative Instruments and Hedging Activitiesâ€, as of August 31, 2024, we had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. During fiscal 2024, we reclassified $0.1 million from accumulated other comprehensive loss to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026. Energy Costs Significant variability in energy costs, specifically with respect to natural gas, gasoline and electricity can materially affect our operating costs. During fiscal 2024, our energy costs, which include fuel, natural gas, and electricity, represented approximately 4.0% of our total revenue. Recent Accounting Pronouncements See Note 1, â€œSummary of Significant Accounting Policiesâ€ to our Consolidated Financial Statements included in this Annual Report on Form 10-K for more information on recently implemented and issued accounting standards. Â 35 Â ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK Foreign Currency Exchange Risk We have determined that all of our foreign subsidiaries operate primarily in local currencies that represent the functional currencies of such subsidiaries. All assets and liabilities of our foreign subsidiaries are translated into U.S. dollars using the exchange rate prevailing at the balance sheet date. The effects of exchange rate fluctuations on the translation of assets and liabilities are recorded as a component of shareholdersâ€™ equity. Revenues and expenses are translated at the average exchange rates in effect during each month of the fiscal year. As such, our financial condition and operating results are affected by fluctuations in the value of the U.S. dollar as compared to currencies in foreign countries. Revenues denominated in currencies other than the U.S. dollar represented approximately 6.9%, 7.0% and 7.9% of our total consolidated revenues for fiscal 2024, 2023 and 2022, respectively. Total assets denominated in currencies other than the U.S. dollar represented approximately 6.8% and 6.6% of our total consolidated assets at August 31, 2024 and August 26, 2023, respectively. If exchange rates had increased or decreased by 10% from the actual rates in effect during fiscal 2024, our revenues and assets for the year ended and as of August 31, 2024 would have increased or decreased by approximately $16.7 million and $18.3 million, respectively. In August 2021, we entered into twenty forward contracts to exchange CAD for U.S. dollars at fixed exchange rates in order to manage our exposure related to certain forecasted CAD denominated sales of one of our subsidiaries. The hedged transactions are specified as the first amount of CAD denominated revenues invoiced by one of our domestic subsidiaries each fiscal quarter, beginning in the first fiscal quarter of 2022 and continuing through the fourth fiscal quarter of 2026. In total, we will sell approximately 14.1 million CAD at an average Canadian-dollar exchange rate of 0.7861 over these quarterly periods. We concluded that the forward contracts met the criteria to qualify as a cash flow hedge under U.S. GAAP. As of August 31, 2024, we had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. During fiscal 2024, we reclassified $0.1 million from accumulated other comprehensive loss to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026. Other than the forward contracts discussed above, we do not operate a hedging program to mitigate the effect of a significant change in the value of the functional currencies of our foreign subsidiaries, which include the Canadian dollar, euro, British pound, Mexican peso and Nicaraguan cordoba, as compared to the U.S. dollar. Any losses or gains resulting from unhedged foreign currency transactions, including exchange rate fluctuations on intercompany accounts are reported as transaction losses (gains) in our other expense, net. The intercompany payables and receivables are denominated in Canadian dollars, euros, British pounds, Mexican pesos and Nicaraguan cordobas. During fiscal 2024 transaction losses included in other expense, net, was $0.5 million. If exchange rates had changed by 10% during fiscal 2024, we would have recognized exchange gains or losses of approximately $0.8 million. Interest Rate Sensitivity We are exposed to market risk from changes in interest rates, which may adversely affect our financial position, results of operations and cash flows. In seeking to minimize the risks from interest rate fluctuations, we manage exposures through our operating and financing activities. We are exposed to interest rate risk primarily through borrowings under our Credit Agreement. During fiscal 2023, we borrowed and repaid $80.0 million under the Credit Agreement. During fiscal 2024, we had no outstanding borrowings under the Credit Agreement. Under the Credit Agreement, we borrow funds at variable interest rates based on, at our election, the SOFR rate or a base rate, plus in each case a spread based on our consolidated funded debt ratio. To the extent we have borrowings outstanding under the Credit Agreement, changes in interest rates result in changes in our interest expense. Please see Item 1A. â€œRisk Factorsâ€ in this Annual Report on Form 10-K for an additional discussion of risks and potential risks on our business, financial performance and the market price of our Common Stock. 36 Â ITEM 8. Â Â The accompanying notes are an integral part of these Consolidated Financial Statements. 41 Â Notes to Consolidated Financial Statements UniFirst Corporation and Subsidiaries 1. Summary of Significant Accounting Policies Business Description UniFirst Corporation (the â€œCompanyâ€) is one of the leading providers of workplace uniforms and protective clothing in North America. The Company designs, manufactures, personalizes, rents, cleans, delivers, and sells a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. The Company also rents and sells industrial wiping products, floor mats, facility service products and other non-garment items, and provides restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training, to a variety of manufacturers, retailers and service companies.The Company serves businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, business service companies, soft and durable goods wholesalers, transportation companies, energy producing operations, healthcare providers and others who require employee clothing on the job for image, identification, protection or utility purposes. The Company also provides its customers with restroom and cleaning supplies, including air fresheners, paper products, gloves, masks, hand soaps and sanitizers.At certain specialized facilities, like nuclear operations, the Company decontaminates and cleans work clothes and other items that may have been exposed to radioactive materials and services special cleanroom protective wear. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utility providers operating nuclear reactors.As discussed and described in Note 15, â€œSegment Reportingâ€, to these Consolidated Financial Statements, the Company has five reporting segments: United States (â€œU.S.â€) and Canadian Rental and Cleaning, Manufacturing (â€œMFGâ€), Specialty Garments Rental and Cleaning (â€œSpecialty Garmentsâ€), First Aid and Corporate. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as its â€œindustrial laundry operationsâ€ and the locations related to this reporting segment are referred to as â€œindustrial laundriesâ€. The Company refers to its U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as its â€œCore Laundry Operationsâ€.Principles of Consolidation The Consolidated Financial Statements include the accounts of the Company and its subsidiaries, all of which are wholly-owned. Intercompany balances and transactions are eliminated in consolidation. Basis of Presentation The Consolidated Financial Statements included herein have been prepared in accordance with accounting principles generally accepted in the United States (â€œU.S. GAAPâ€) and pursuant to the rules and regulations of the Securities and Exchange Commission (â€œSECâ€). There have been no material changes in the accounting policies followed by the Company during the current fiscal year other than the adoption of recent accounting pronouncements as discussed in greater detail in the Recent Accounting Pronouncements sub-section of this Note. Use of Estimates The preparation of these Consolidated Financial Statements is in conformity with U.S. GAAP which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. The Company utilizes key estimates in preparing the financial statements including casualty and environmental estimates, valuation of intangible assets acquired in a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. The Companyâ€™s results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates. 42 Â Fiscal Year The Companyâ€™s fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal year ended August 31, 2024 (â€œfiscal 2024â€) consisted of 53 weeks, and fiscal years ended August 26, 2023 (â€œfiscal 2023â€) and August 27, 2022 (â€œfiscal 2022â€) both consisted of 52 weeks. The additional week was included in the fourth quarter of fiscal 2024.Cash, Cash Equivalents and Short-Term InvestmentsCash, cash equivalents and short-term investments include cash in banks, money market securities and bank short-term investments having original maturities of six months or less. As of August 31, 2024 and August 26, 2023, the Company had $13.5 million and $10.2 million in short-term investments, respectively.Accounts receivableAccounts receivable represents amounts due from customers and is presented net of reserves for expected credit losses. The Company utilizes its judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the reserve for expected credit losses. The Company considers specific accounts receivable and historical credit loss experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of its evaluation. When an account is considered uncollectible, it is written off against the reserve for expected credit losses. The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):Â (In thousands) Â August 31,2024 Â Â August 26,2023 Â Beginning balance Â $ 6,276 Â Â $ 5,930 Â Current period provision Â Â 13,976 Â Â Â 10,740 Â Write-offs and other Â Â (12,336) Â Â (10,394) Ending balance Â $ 7,916 Â Â $ 6,276 Â Financial Instruments The Companyâ€™s financial instruments, which may expose the Company to concentrations of credit risk, include cash and cash equivalents, receivables, accounts payable and foreign exchange forward contracts. Each of these financial instruments is recorded at cost, which approximates its fair value given the short maturity of each financial instrument. Revenue Recognition In fiscal 2024, approximately 84.2% of the Companyâ€™s revenues are derived from fees for route servicing of Core Laundry Operations, Specialty Garments and First Aid services performed by the Companyâ€™s employees at the customerâ€™s location of business. Revenues from the Companyâ€™s route servicing customer contracts represent a single-performance obligation. The Company recognizes these revenues over time as services are performed based on the nature of services provided and contractual rates (input method). Certain of the Companyâ€™s customer contracts, primarily within the Companyâ€™s Core Laundry Operations, include pricing terms and conditions that include components of variable consideration. The variable consideration is typically in the form of consideration due to a customer based on performance metrics specified within the contract. Specifically, some contracts contain discounts or rebates that the customer can earn through the achievement of specified volume levels. Each component of variable consideration is earned based on the Companyâ€™s actual performance during the measurement period specified within the contract. To determine the transaction price, the Company estimates the variable consideration using the most likely amount method, based on the specific contract provisions and known performance results during the relevant measurement period. When determining if variable consideration should be constrained, the Company considers whether factors outside its control could result in a significant reversal of revenue. In making these assessments, the Company considers the likelihood and magnitude of a potential reversal. The Companyâ€™s performance period generally corresponds with the monthly invoice period. No significant constraints on the Companyâ€™s revenue recognition were applied during fiscal 2024, 2023 and 2022. The Company reassesses these estimates during each reporting period. 43 Â The Company maintains a liability for these discounts and rebates within accrued liabilities on the Consolidated Balance Sheets. Variable consideration also includes consideration paid to a customer at the beginning of a contract. The Company capitalizes this consideration and amortizes it over the life of the contract as a reduction to revenue in accordance with the accounting guidance for revenue recognition. These assets are included in other assets on the Consolidated Balance Sheets. The following table presents the Companyâ€™s revenues for fiscal 2024, 2023 and 2022 disaggregated by service type: Â Â Year ended Â Â Â 2024 Â Â 2023 Â Â 2022 Â (In thousands, except percentages) Â Revenues Â Â % ofRevenues Â Â Revenues Â Â % ofRevenues Â Â Revenues Â Â % ofRevenues Â Core Laundry Operations Â $ 2,138,948 Â Â Â 88.1 % Â $ 1,961,189 Â Â Â 87.8 % Â $ 1,770,502 Â Â Â 88.5 % Specialty Garments Â Â 182,212 Â Â Â 7.5 % Â Â 177,034 Â Â Â 8.0 % Â Â 152,885 Â Â Â 7.6 % First Aid Â Â 106,271 Â Â Â 4.4 % Â Â 94,824 Â Â Â 4.2 % Â Â 77,435 Â Â Â 3.9 % Â Â Â Total revenues Â $ 2,427,431 Â Â Â 100.0 % Â $ 2,233,047 Â Â Â 100.0 % Â $ 2,000,822 Â Â Â 100.0 % The following table presents the Company's percentage of revenues for fiscal 2024, 2023 and 2022 disaggregated by the timing of revenue recognition by service type: Â Â Year ended Â Â Â 2024 Â Â 2023 Â Â 2022 Â Â Â Over Time Â Â Point in Time Â Â Over Time Â Â Point in Time Â Â Over Time Â Â Point in Time Â Core Laundry Operations Â Â 88.4 % Â Â 11.6 % Â Â 88.4 % Â Â 11.6 % Â Â 88.4 % Â Â 11.6 % Specialty Garments Â Â 84.2 % Â Â 15.8 % Â Â 83.9 % Â Â 16.1 % Â Â 83.8 % Â Â 16.2 % First Aid Â Â 0 % Â Â 100 % Â Â 0 % Â Â 100 % Â Â 0 % Â Â 100 % See Note 15, â€œSegment Reportingâ€ for additional details of segment definitions.Costs to Obtain a Contract The Company defers commission expenses paid to its employee-partners when the commissions are deemed to be incremental for obtaining the route servicing customer contract. The deferred commissions are amortized on a straight-line basis over the expected period of benefit. The Company reviews the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when the Company expects to recognize the expense. Â The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):Â Balance Sheet Location Â August 31,2024 Â Â August 26,2023 Â Prepaid expenses and other current assets Â $ 18,079 Â Â $ 16,495 Â Other assets Â Â 78,856 Â Â Â 70,393 Â The following table presents the Company's amortization expense related to deferred commissions on the Consolidated Statements of Income for fiscal 2024, 2023 and 2022 are as follows (in thousands):Â Income Statement Location Â 2024 Â Â 2023 Â Â 2022 Â Selling and administrative expenses Â $ 18,031 Â Â $ 16,500 Â Â $ 15,400 Â Â 44 Â Inventories and Rental Merchandise in Service Inventories are stated at the lower of cost or net realizable value, net of any reserve for excess and obsolete inventory. Work-in-process and finished goods inventories consist of materials, labor and manufacturing overhead. Judgments and estimates are used in determining the likelihood that new goods on hand can be sold to customers or used in rental operations. Historical inventory usage and current revenue trends are considered in estimating both excess and obsolete inventories. If actual product demand and market conditions are less favorable than those projected by management, additional inventory write-downs may be required. The Company uses the first-in, first-out (â€œFIFOâ€) method to value its inventories.The components of inventory as of August 31, 2024 and August 26, 2023 are as follows (in thousands): Â Â Â August 31,2024 Â Â August 26,2023 Â Raw materials Â $ 22,164 Â Â $ 25,147 Â Work in process Â Â 2,832 Â Â Â 4,444 Â Finished goods Â Â 131,912 Â Â Â 118,743 Â Â Â Â Total inventory Â $ 156,908 Â Â $ 148,334 Â Rental merchandise in service is amortized, primarily on a straight-line basis, over the estimated service lives of the merchandise, which range from six to thirty-six months. The amortization expense is included in the cost of revenues on the Companyâ€™s Consolidated Statements of Income. In establishing estimated lives for merchandise in service, management considers historical experience and the intended use of the merchandise. Material differences may result in the amount and timing of operating profit for any period if management makes significant changes to these estimates. Property, Plant and Equipment Property, plant and equipment are recorded at cost. Expenditures for maintenance and repairs are expensed as incurred, while expenditures for renewals and betterments are capitalized. The components of property, plant and equipment as of August 31, 2024 and August 26, 2023 are as follows (in thousands): Â Â Â August 31,2024 Â Â August 26,2023 Â Land, buildings and leasehold equipment Â $ 787,628 Â Â $ 744,085 Â Machinery and equipment Â Â 710,108 Â Â Â 676,490 Â Motor vehicles Â Â 372,837 Â Â Â 331,537 Â Â Â Â Total property, plant and equipment, gross Â 1,870,573 Â Â Â 1,752,112 Â Less: accumulated depreciation Â Â 1,068,961 Â Â Â 995,572 Â Â Â Â Total property, plant and equipment, net Â $ 801,612 Â Â $ 756,540 Â Â The Company provides for depreciation on the straight-line method based on the date the asset is placed in service using the following estimated useful lives: Â Buildings (in years) Â 30Â Â â€” 40 Building components (in years) Â 10Â Â â€” 20 Leasehold improvements Â Shorter of usefullife or term of lease Machinery and equipment (in years) Â 3Â Â â€” 10 Motor vehicles (in years) Â 3Â Â â€” 5 Long-lived assets, including property, plant and equipment, are evaluated for impairment whenever events or circumstances indicate an asset may be impaired. There were no material impairments of long-lived assets in fiscal 2024, 2023 and 2022. Goodwill and Other Intangible Assets In accordance with U.S. GAAP, the Company does not amortize goodwill. Instead, the Company tests goodwill for impairment on an annual basis. Management completes its annual goodwill impairment test on the first day of the fourth quarter of each fiscal year. In addition, U.S. GAAP requires that companies test goodwill if events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit to which goodwill is assigned below its 45 Â carrying amount. The Company used both the qualitative and quantitative assessment options for its impairment testing for goodwill in fiscal 2024 and

determined that the fair values of the reporting units more likely than not exceeded their carrying values and that there was no evidence of impairment as of May 26, 2024.The Company cannot predict future economic conditions and their impact on the Company or the future net realizable value of the Companyâ€™s stock. A decline in the Companyâ€™s market capitalization and/or deterioration in general economic conditions could negatively and materially impact the Companyâ€™s assumptions and assessment of the fair value of the Companyâ€™s business. If general economic conditions or the Companyâ€™s financial performance deteriorate, the Company may be required to record a goodwill impairment charge in the future which could have a material impact on the Companyâ€™s financial condition and results of operations.Definite-lived intangible assets are amortized over their estimated useful lives, which are based on managementâ€™s estimates of the period that the assets will generate economic benefits. Definite-lived intangible assets are evaluated for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable in accordance with U.S. GAAP. There were no impairments of goodwill or indicators of impairment for definite-lived intangible assets in fiscal 2024, 2023 or 2022.As of August 31, 2024, definite-lived intangible assets have a weighted average useful life of approximately 12.9 years. Customer contracts have a weighted average useful life of approximately 14.6 years and other intangible assets, net, which consist of primarily of restrictive covenants, software and trademarks, have a weighted average useful life of approximately 8.5 years. Cloud Computing ArrangementsThe Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in â€œPrepaid expenses and other current assetsâ€ and â€œLong-term other assetsâ€ on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and $2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024.Environmental and Other Contingencies The Company is subject to legal proceedings and claims arising from the conduct of its business operations, including but not limited to, environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP require that a liability for contingencies be recorded when it is probable that a liability has occurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. The Company records accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, the Companyâ€™s estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of outside consultants and attorneys.The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to 4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3% per year. Changes in enacted laws, regulatory orders or decrees, managementâ€™s estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Companyâ€™s attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Refer to Note 11, â€œCommitments and Contingenciesâ€, of these Consolidated Financial Statements for additional discussion and analysis.Asset Retirement Obligations Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. The Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. 46 Â The Company has recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The Company depreciates, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years.The estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the Companyâ€™s estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service.Insurance The Company is self-insured for certain obligations related to health and dental, workersâ€™ compensation, vehicles and general liability programs. The Company also purchases stop-loss insurance policies for workersâ€™ compensation, vehicles and general liability programs to protect itself from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred, but have not been reported. The Companyâ€™s estimates consider historical claims experience and other factors. In certain cases where partial insurance coverage exists, the Company estimates the portion of the liability that will be covered by existing insurance policies to arrive at its net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. The Companyâ€™s liabilities are based on estimates, and, while the Company believes that its accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. Changes in claims experience, the Companyâ€™s ability to settle claims or other estimates and judgments used by management could have a material impact on the amount and timing of expense for any period. Supplemental Executive Retirement Plan and Other Pension Plans Pension expense is recognized on an accrual basis over employeesâ€™ estimated service periods. Pension expense is generally independent of funding decisions or requirements. The Company (1) recognizes in its statement of financial position the over-funded or under-funded status of its defined benefit post-retirement plans measured as the difference between the fair value of plan assets and the benefit obligation, (2) recognizes as a component of other comprehensive (loss) income, net of tax, the actuarial gains and losses and the prior service costs and credits that arise during the period but are not recognized as components of net periodic benefit cost, (3) measures defined benefit plan assets and defined benefit plan obligations as of the date of its statement of financial position, and (4) discloses additional information in the notes to financial statements about certain effects on net periodic benefit cost in the upcoming fiscal year that arise from delayed recognition of the actuarial gains and losses and the prior service costs and credits. Refer to Note 7, â€œEmployee Benefit Plansâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s pension plans.The calculation of pension expense and the corresponding liability requires the use of a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rates, assumed rate of compensation increases and life expectancy of participants. Changes in these assumptions can result in different expense and liability amounts, and future actual experience can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in the Companyâ€™s pension plans will impact the Companyâ€™s future pension expense and liabilities. The Company cannot predict with certainty what these factors will be in the future.Non-qualified Deferred Compensation PlanThe Company adopted the UniFirst Corporation Deferred Compensation Plan (the â€œNQDC Planâ€) effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited 47 Â to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions may differ from year to year and from participant to participant. Refer to Note 7, â€œEmployee Benefit Plansâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s NQDC Plan.Income Taxes The Company computes income tax expense by jurisdiction based on its operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, â€œIncome Taxesâ€ in these Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or liabilities based on the classification of the related asset or liability for financial reporting purposes. The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized.The Company is periodically reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, the Company records estimated reserves. Refer to Note 4, â€œIncome Taxesâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s accounting for income taxes and its uncertain tax positions for financial accounting purposes. Advertising Costs Advertising costs are expensed as incurred and are classified as selling and administrative expenses. The Company incurred advertising costs of $5.3 million, $9.9 million and $14.7 million, for fiscal 2024, 2023 and 2022, respectively.Share-Based Compensation Compensation expense for all stock options, stock appreciation rights, unrestricted stock and restricted stock units (collectively, â€œShare-Based Awardsâ€) is recognized ratably over the related vesting period, net of actual forfeitures. Certain Share-Based Awards in the form of stock appreciation rights and shares of unrestricted stock were granted during fiscal 2024, 2023 and 2022 to non-employee Directors of the Company, which were fully vested upon grant and, with respect to stock appreciation rights, expire eight years after the grant date. Accordingly, compensation expense related to these Share-Based Awards in fiscal 2024, 2023 and 2022 was recognized on the date of grant. For performance-based restricted stock unit awards with revenue and profitability performance criteria, we evaluate the probability of meeting the performance criteria at each balance sheet date and, if probable, related compensation cost is amortized over the performance period on a straight-line basis because such awards vest only at the end of the measurement period. Changes to the probability assessment and the estimate of shares expected to vest will result in adjustments to the related share-based compensation expense that will be recorded in the period of the change. If the performance targets are not achieved, no compensation cost is recognized and any previously recognized compensation cost is reversed.U.S. GAAP requires that share-based compensation cost be measured at the grant date based on the fair value of the award and be recognized as expense over the requisite service period, which is generally the vesting period. Determining the fair value of Share-Based Awards in the form of stock appreciation rights at the grant date requires judgment, including estimating expected dividends and share price volatility. The fair value of each Share-Based Award in the form of stock appreciation rights is estimated on the date of grant using the Black-Scholes option pricing model. The Company recognizes compensation expense for restricted stock and restricted stock unit grants over the related vesting period. The fair value for each restricted stock, unrestricted stock and restricted stock unit grant is determined by using the closing price of the Companyâ€™s stock on the date of the grant. Refer to Note 12, â€œShare-Based Compensationâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s share-based compensation plans. 48 Â Income Per Share The Company calculates income per share by allocating income to its unvested participating securities as part of its income per share calculations. The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Companyâ€™s shares of Common Stock and Class B Common Stock (in thousands, except per share data):Â Year ended Â 2024 Â Â 2023 Â Â 2022 Â Net income available to shareholders Â $ 145,474 Â Â $ 103,674 Â Â $ 103,404 Â Allocation of net income for Basic: Â Â Â Â Â Â Â Â Common Stock Â $ 122,188 Â Â $ 87,104 Â Â $ 86,844 Â Class B Common Stock Â Â 23,286 Â Â Â 16,570 Â Â Â 16,560 Â Â $ 145,474 Â Â $ 103,674 Â Â $ 103,404 Â Weighted average number of shares for Basic: Â Â Â Â Â Â Â Â Common Stock Â Â 15,073 Â Â Â 15,098 Â Â Â 15,203 Â Class B Common Stock Â Â 3,590 Â Â Â 3,590 Â Â Â 3,621 Â Â Â 18,663 Â Â Â 18,688 Â Â Â 18,824 Â Income per share for Basic: Â Â Â Â Â Â Â Â Common Stock Â $ 8.11 Â Â $ 5.77 Â Â $ 5.71 Â Class B Common Stock Â $ 6.49 Â Â $ 4.62 Â Â $ 4.57 Â The Class B Common Stock may be converted at any time on a one-for-one basis into Common Stock at the option of the holder of the Class B Common Stock. Diluted income per share for the Companyâ€™s Common Stock assumes the conversion of all of the Companyâ€™s Class B Common Stock into Common Stock, full vesting of outstanding restricted stock, and the exercise of Share-Based Awards under the Companyâ€™s stock incentive plans.The Company is required to calculate the diluted income per share for Common Stock using the more dilutive of the following two methods: â€¢The treasury stock method; or â€¢The two-class method assuming a participating security is not exercised or converted. For fiscal 2024, 2023 and 2022, the Companyâ€™s diluted income per share assumes the conversion of all Class B Common Stock into Common Stock and uses the two-class method for its unvested participating shares. The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data): Â Â Â Year Ended August 31, 2024 Â Â Year Ended August 26, 2023 Â Â Year Ended August 27, 2022 Â Â Â Earningsto Commonshareholders Â Â CommonShares Â Â IncomePer Share Â Â Earningsto Commonshareholders Â Â CommonShares Â Â IncomePer Share Â Â Earningsto Commonshareholders Â Â CommonShares Â Â IncomePer Share Â As reportedâ€”Basic Â $ 122,188 Â Â Â 15,073 Â Â $ 8.11 Â Â $ 87,104 Â Â Â 15,098 Â Â $ 5.77 Â Â $ 86,844 Â Â Â 15,203 Â Â $ 5.71 Â Add: effect of dilutive potentialÂ Â Â common shares Â Share-Based Awards Â Â â€” Â Â 61 Â Â Â Â Â Â â€” Â Â Â 74 Â Â Â Â Â Â â€” Â Â Â 109 Â Â Â Â Â Class B Common Stock Â Â 23,286 Â Â Â 3,590 Â Â Â Â Â Â Â 16,570 Â Â Â 3,590 Â Â Â Â Â Â Â 16,560 Â Â Â 3,621 Â Â Â Â Â Diluted Income Per Shareâ€”Â Â Â Common Stock Â $ 145,474 Â Â Â 18,724 Â Â $ 7.77 Â Â $ 103,674 Â Â Â 18,762 Â Â $ 5.53 Â Â $ 103,404 Â Â Â 18,933 Â Â $ 5.46 Â Share-Based Awards that would result in the issuance of 60,260, 51,708 and 34,416 shares, respectively, of Common Stock were excluded from the calculation of diluted earnings per share for fiscal 2024, 2023 and 2022 because they were anti-dilutive.Foreign Currency Translation The functional currency of our foreign operations is the local countryâ€™s currency. Transaction gains and losses, including gains and losses on our intercompany transactions, are included in other expense, net in the accompanying Consolidated Statements of Income. Assets and liabilities of operations outside the U.S. are translated into U.S. dollars using period-end exchange rates. Revenues and expenses are translated at the average exchange rates in effect during each month of the fiscal year. The effects of foreign currency translation adjustments are included in shareholdersâ€™ equity as a component of accumulated other comprehensive loss in the accompanying Consolidated Balance Sheets. 49 Â Recent Accounting PronouncementsIn November 2023, the Financial Accounting Standards Board (â€œFASBâ€) issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating this ASU to determine its impact on the Companyâ€™s disclosures.In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, which enhances effective tax rate reconciliation disclosure requirements and provides clarity to the disclosures of income taxes paid, income before taxes and provision for income taxes. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments in this update should be applied on a prospective basis. Retrospective application is permitted. The Company is currently evaluating this ASU to determine its impact on the Companyâ€™s disclosures.Other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the SEC have not had, or are not believed by management to, have a material impact on the Companyâ€™s present or future financial statements. Â 2. Acquisitions Whenever the Company acquires a business, consistent with current accounting guidance, the results of operations of the acquisition are included in the Companyâ€™s consolidated financial results from the date of the acquisition. The amount assigned to intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible and intangible assets is recorded as goodwill. Goodwill is allocated to the segment to which the acquisition relates and is deductible for tax purposes. During fiscal 2024, the Company did not complete any material business acquisitions.Clean UniformDuring the third quarter of fiscal 2023, the Company completed the acquisition of the business and certain real estate assets of Clean Uniform (â€œCleanâ€) from Clean Holdco, Inc. and certain of its affiliates for an aggregate purchase price of $299.1 million, net of cash acquired. The difference between the cash paid and the total purchase price of

$302.4 million represented amounts owed from the seller as a result of final closing adjustments. The acquisition was structured primarily as a stock purchase but was treated as an asset purchase from a tax perspective, which has allowed for a step-up in the tax basis of the assets and provides incremental tax benefits expected to be realized over time with a value of approximately $40 million. Clean was a uniform, workwear and facility service program provider with 11 locations covering Missouri, Illinois, Arkansas, Kansas and Oklahoma. Prior to the closing of the acquisition, neither the Company nor any of its affiliates, or any director or officer of the Company or any of its affiliates, or any associate of any such director or officer, had any material relationship with any of the sellers. The results of operations from Clean are included in the Companyâ€™s results under the U.S. and Canadian Rental and Cleaning segment subsequent to the acquisition date of March 13, 2023. The Company paid for the acquisition of Clean with cash on hand and borrowings under the Credit Agreement (defined below).The Clean acquisition was accounted for using the purchase method of accounting. The Company has measured the fair value of its tangible and intangible assets acquired and liabilities assumed in the Clean acquisition and has finalized the purchase price allocations. The amounts assigned to intangible assets acquired were based on their respective fair values determined as of the acquisition date, which the Company determined by engaging specialists to assist in their valuation. The table below summarizes the final purchase price allocation to the estimated fair value of assets acquired and liabilities assumed at the acquisition date. Goodwill is calculated as the excess of the purchase price over the net assets recognized and represents the estimated future economic benefits arising from expected synergies and growth opportunities for the Company. All of the goodwill and intangible assets were allocated to the U.S. and Canadian Rental and Cleaning segment and are deductible for tax purposes. Transaction and related costs, consisting primarily of professional fees, directly related to the acquisition, totaled approximately $3.0 million during fiscal 2023. All transaction and related costs were expensed as incurred and are included in selling and administrative expenses. 50 Â The final purchase price allocation is as follows (in thousands):Â Receivables Â $ 8,301 Â Inventories Â Â 632 Â Rental merchandise in service Â Â 8,535 Â Prepaid expenses and other current assets Â Â 762 Â Property, plant and equipment Â Â 31,497 Â Operating lease right-of-use assets, net Â Â 3,517 Â Goodwill and intangible assets Â Â 257,833 Â Accounts payable Â Â (2,011) Accrued liabilities Â Â (5,767) Operating lease liabilities, current Â Â (1,510) Operating lease liabilities, non-current Â Â (2,657) Â Â Â Total purchase price Â $ 299,132 Â The following table identifies the Companyâ€™s allocation of purchase price to the intangible assets and goodwill acquired by category: Year ended Â Estimated Fair Value (in thousands) Â Â Weighted Average Life(in years) Â Goodwill Â $ 187,733 Â Â N/A Â Customer contracts Â Â 64,800 Â Â Â 15.0 Â Trade name Â Â 5,300 Â Â Â 3.0 Â Â Â Â Total intangible assets and goodwill acquired Â $ 257,833 Â Â Â Â The amount of amortization expense recognized of Clean customer contracts and trade name included in the consolidated statements of income from the acquisition date of March 13, 2023 to August 26, 2023 was $3.8 million and $0.9 million, respectively. Unaudited pro-forma information presents the combined financial results for the Company and Clean as if the acquisition of Clean had occurred on August 28, 2022. The unaudited pro-forma revenue of the combined entity for fiscal 2023 was $2.3 billion reflecting the effects of the Clean acquisition. The effects of the Clean acquisition on unaudited pro-forma net income of the combined entity were not material for fiscal 2023.Other AcquisitionsDuring fiscal 2023, the Company completed four other business acquisitions with an aggregate purchase price of approximately $7.1 million. Tangible assets acquired primarily relate to accounts receivable, inventory and property, plant and equipment. The results of operations of all acquisitions completed during fiscal 2023 have been included in the Companyâ€™s consolidated financial results since their respective acquisition dates. These acquisitions were not significant in relation to the Companyâ€™s consolidated financial results and, therefore, pro-forma financial information has not been presented.The following table identifies the Companyâ€™s allocation of purchase price to the intangible assets and goodwill acquired by category: Year ended Â Estimated Fair Value (in thousands) Â Â Weighted Average Life(in years) Â Goodwill Â $ 3,944 Â Â N/A Â Customer contracts Â Â 2,271 Â Â Â 14.0 Â Other intangible assets Â Â 25 Â Â Â 5.0 Â Â Â Â Total intangible assets and goodwill acquired Â $ 6,240 Â Â Â Â Â 51 Â Â 3. Fair Value Measurements U.S. GAAP establishes a framework for measuring fair value and establishes disclosure requirements about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Company considered non-performance risk when determining fair value of our derivative financial instruments. The fair value hierarchy prescribed under U.S. GAAP contains three levels as follows: Level 1 - Quoted prices in active markets for identical assets or liabilities.Level 2 - Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.All financial assets or liabilities that are measured at fair value on a recurring basis (at least annually) have been segregated into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. The assets or liabilities measured at fair value on a recurring basis are summarized in the tables below (in thousands): Â Â Â As of August 31, 2024 Â Â As of August 26, 2023 Â Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Â Total Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Â Total Â Assets: Â Short-term investments Â $ â€” Â Â $ 13,505 Â Â $ â€” Â Â $ 13,505 Â Â $ â€” Â Â $ 10,157 Â Â $ â€” Â Â $ 10,157 Â Pension plan assets Â Â â€” Â Â Â 3,108 Â Â Â â€” Â Â Â 3,108 Â Â Â â€” Â Â Â 2,978 Â Â Â â€” Â Â Â 2,978 Â Non-qualified deferred compensation plan assets Â Â â€” Â Â Â 3,295 Â Â Â â€” Â Â Â 3,295 Â Â Â â€” Â Â Â 2,024 Â Â Â â€” Â Â Â 2,024 Â Foreign currency forward contracts Â Â â€” Â Â Â 117 Â Â Â â€” Â Â Â 117 Â Â Â â€” Â Â Â 216 Â Â Â â€” Â Â Â 216 Â Â Â Â Total assets at fair value Â $ â€” Â Â $ 20,025 Â Â $ â€” Â Â $ 20,025 Â Â $ â€” Â Â $ 15,375 Â Â $ â€” Â Â $ 15,375 Â Liabilities: Â Non-qualified deferred compensation plan liability Â $ â€” Â Â $ 1,605 Â Â $ â€” Â Â $ 1,605 Â Â $ â€” Â Â $ 480 Â Â $ â€” Â Â $ 480 Â Â Â Â Total liabilities at fair value Â $ â€” Â Â $ 1,605 Â Â $ â€” Â Â $ 1,605 Â Â $ â€” Â Â $ 480 Â Â $ â€” Â Â $ 480 Â The Company's short-term investments listed above represent certificates of deposit, which maturities range up to six months at purchase. Such securities are classified as held-to-maturity and are carried at amortized cost, which approximates market value. As such, the Company's short-term investments are included within Level 2 of the fair value hierarchy.The Companyâ€™s pension plan assets listed above represent guaranteed deposit accounts that are maintained and operated by a third-party investment manager. At the beginning of each calendar year, the third-party investment manager notifies the Company of the annual rates of interest which will be applied to the amounts held in the guaranteed deposit account during the next calendar year. In determining the interest rate to be applied, the third-party investment manager considers the investment performance of the underlying assets of the prior year; however, regardless of the investment performance the annual interest rate applied per the contract must be a minimum of 3.25%. As such, the Companyâ€™s pension plan assets are included within Level 2 of the fair value hierarchy. Refer to Note 7, â€œEmployee Benefit Plansâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s pension plan and Supplemental Executive Retirement Plan. 52 Â The Company's non-qualified deferred compensation plan liability listed above is carried at fair value and is composed primarily of mutual funds, municipal bonds and other fixed income securities. As such, the Companyâ€™s non-qualified deferred compensation plan assets and liabilities are included within Level 2 of the fair value hierarchy. Refer to Note 7, â€œEmployee Benefit Plansâ€, of these Consolidated Financial Statements for further discussion regarding the Companyâ€™s non-qualified deferred compensation plan.The Companyâ€™s foreign currency forward contracts represent contracts the Company has entered into to exchange Canadian dollars for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted Canadian dollar denominated sales of one of its subsidiaries. These contracts are included in prepaid expenses and other current assets and other long-term assets as of August 31, 2024 and August 26, 2023. The fair value of the forward contracts is based on similar exchange-traded derivatives and is, therefore, included within Level 2 of the fair value hierarchy. 4. Income Taxes The provision for income taxes consists of the following (in thousands): Â Year ended Â 2024 Â Â 2023 Â Â 2022 Â Current: Â Â Â Â Â Â Â Â Â Federal Â $ 30,932 Â Â $ 7,269 Â Â $ 7,655 Â Foreign Â Â 1,231 Â Â Â 2,519 Â Â Â 1,839 Â State Â Â 6,007 Â Â Â 2,695 Â Â Â 3,701 Â Â Â Â Total current Â $ 38,170 Â Â $ 12,483 Â Â $ 13,195 Â Â Â Â Â Â Â Â Â Deferred: Â Â Â Â Â Â Â Â Â Federal Â $ 4,027 Â Â $ 19,227 Â Â $ 13,883 Â Foreign Â Â 1,269 Â Â Â 568 Â Â Â 180 Â State Â Â 439 Â Â Â 2,885 Â Â Â 3,663 Â Â Â Â Total deferred Â $ 5,735 Â Â $ 22,680 Â Â $ 17,726 Â Â Â Â Â Â Â Total provision for income taxes Â $ 43,905 Â Â $ 35,163 Â Â $ 30,921 Â Â The following table reconciles the provision for income taxes using the statutory federal income tax rate to the actual provision for income taxes: Â Year ended Â 2024 Â Â 2023 Â Â 2022 Â Income taxes at the statutory federal income tax rate Â Â 21.0 % Â Â 21.0 % Â Â 21.0 % State income taxes Â Â 3.6 Â Â Â 3.8 Â Â Â 4.7 Â Adjustments to tax reserve Â Â (0.5) Â Â 0.8 Â Â Â (2.1) Other Â Â (0.9) Â Â (0.3) Â Â (0.6) Â Â Â Effective income tax rate Â Â 23.2 % Â Â 25.3 % Â Â 23.0 % The decrease in the effective tax rate for fiscal 2024 as compared to the corresponding period in the prior fiscal year was due primarily to favorable adjustments to our tax reserves during the current period and the remeasurement of U.S. net deferred tax liabilities because of legislative changes enacted during the current period impacting the Companyâ€™s state tax rate. 53 Â The components of deferred income taxes included on the Consolidated Balance Sheets are as follows (in thousands): Â Â Â August 31,2024 Â Â August 26,2023 Â Deferred tax assets: Â Â Â Â Â Â Payroll and benefit related Â $ 16,009 Â Â $ 15,284 Â Insurance related Â Â 14,067 Â Â Â 14,347 Â Environmental Â Â 7,807 Â Â Â 7,542 Â Accrued expenses Â Â 8,169 Â Â Â 7,847 Â Operating lease liabilities Â Â 17,083 Â Â Â 16,162 Â Research and development Â Â 6,243 Â Â Â 3,628 Â Other Â Â 12,884 Â Â Â 11,916 Â Â Â Â Total deferred tax assets Â $ 82,262 Â Â $ 76,726 Â Â Â Â Â Â Â Deferred tax liabilities: Â Â Â Â Â Â Payroll and benefit related Â $ 24,655 Â Â $ 22,230 Â Tax in excess of book depreciation Â Â 59,113 Â Â Â 53,597 Â Purchased intangible assets Â Â 48,908 Â Â Â 43,994 Â Rental merchandise in service Â Â 59,692 Â Â Â 62,562 Â Operating lease right-of-use assets Â Â 16,575 Â Â Â 15,600 Â Other Â Â 320 Â Â Â 488 Â Â Â Â Total deferred tax liabilities Â Â 209,263 Â Â Â 198,471 Â Â Â Â Â Â Â Net deferred tax liability Â $ 127,001 Â Â $ 121,745 Â The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized. Foreign tax effectAs of August 31, 2024, unremitted foreign earnings have been retained by the Companyâ€™s foreign subsidiaries for indefinite reinvestment. If the Company were to repatriate those earnings, in the form of dividends or otherwise, the Company could be subject to immaterial withholding taxes payable to the various foreign countries.In October 2021, the Organization for Economic Co-operation and Development (â€œOECDâ€) introduced an inclusive framework to address tax challenges arising from the digitalization of the economy through a two-pillar solution. One of the components of the solution is the implementation of a global minimum corporate tax rate of 15% for large multinational corporations (â€œPillar Twoâ€). The OECD continues to release additional guidance on the two-pillar solution with implementation to begin in 2024 while reporting of the tax applicable will not occur until 2026. Based on currently enacted guidelines, the Company does not expect Pillar Two to have a material impact upon its tax expense, cash taxes, and effective tax rate.Uncertain tax positionsAs of August 31, 2024 and August 26, 2023, there was $4.6 million and $7.8 million, respectively, of unrecognized tax benefits, of which $4.5 million and $7.1 million, respectively, would favorably impact the Companyâ€™s effective tax rate, if recognized. The Company recognized interest and penalties related to uncertain tax positions as a component of income tax expense which is consistent with the recognition of these items in prior reporting periods. As of August 31, 2024 and August 26, 2023, the Company had accrued a nominal amount in interest and penalties, in its long-term accrued liabilities. For fiscal 2024, 2023 and 2022, the Company recognized a nominal expense in its Consolidated Statements of Income related to interest and penalties. 54 Â A reconciliation of the beginning and ending amount of unrecognized tax benefits are as follows (in thousands): Balance at August 27, 2022 Â $ 6,417 Â Additions based on tax positions related to the current year Â Â 1,042 Â Additions for tax positions of prior years Â Â 840 Â Reduction for tax positions of prior years Â Â (219) Statute expirations Â Â (329) Balance at August 26, 2023 Â Â 7,751 Â Additions based on tax positions related to the current year Â Â 1,069 Â Additions for tax positions of prior years Â Â 142 Â Reduction for tax positions of prior years Â Â (4,257) Statute expirations Â Â (67) Balance at August 31, 2024 Â $ 4,638 Â The Company has a significant portion of its operations in the U.S. and Canada. It is required to file federal income tax returns as well as state income tax returns in a majority of the U.S. states and also in a number of Canadian provinces. At times, the Company is subject to audits in these jurisdictions, which typically are complex and can require several years to resolve. The final resolution of any such tax audits could result in either a reduction in the Companyâ€™s accruals or an increase in its income tax provision, both of which could have a material impact on the consolidated results of operations in any given period. All U.S. and Canadian federal income tax statutes have lapsed for filings up to and including fiscal years 2019 and 2016, respectively. With a few exceptions, the Company is no longer subject to state and local income tax examinations for periods prior to fiscal 2020. The Company is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change significantly in the next 12 months. 5. Long-Term Debt On March 26, 2021, the Company entered into an amended and restated $175.0 million unsecured revolving credit agreement (as subsequently amended, the â€œCredit Agreementâ€) with a syndicate of banks, which matures on March 26, 2026. Under the Credit Agreement, the Company was able to borrow funds at variable interest rates based on, at the Companyâ€™s election, the Eurodollar rate or a base rate, plus in each case a spread based on the Companyâ€™s consolidated funded debt ratio. Prior to its amendment as described below, the Credit Agreement had an accordion feature that allowed for increases of the aggregate commitments under the Credit Agreement of up to an additional $100.0 million, for a total aggregate commitment of up to $275.0 million.On March 9, 2023, the Company exercised the accordion feature of the Credit Agreement pursuant to an amendment to the Credit Agreement. The exercise of the accordion feature increased the aggregate commitments under the Credit Agreement by $100.0 million, for a total aggregate commitment of up to $275.0 million. In addition, the amendment provided for the replacement of LIBOR with Secured Overnight Financing Rate (â€œSOFRâ€) such that borrowings are based on, at the Companyâ€™s election, the SOFR rate or a base rate, plus in each case a spread based on the Companyâ€™s consolidated funded debt ratio. The amendment also refreshed the accordion feature, so that, provided there is no default or event of default under the Credit Agreement and the Company is in compliance with its financial covenants on a pro forma basis, the Company may request an increase in the aggregate commitments under the Credit Agreement (in the form of revolving or term tranches) of up to an additional $100.0 million, for a total aggregate commitment of up to $375.0 million. Availability of credit requires compliance with certain financial and other covenants, including a maximum consolidated funded debt ratio and minimum consolidated interest coverage ratio as defined in the Credit Agreement. The Company evaluates its compliance with these financial covenants on a fiscal quarterly basis. As of August 31, 2024, the interest rates applicable to the Companyâ€™s borrowings under the Credit Agreement would be calculated as SOFR plus 1.00% at the time of the respective borrowing.During the third fiscal quarter of 2023, the Company borrowed $80.0 million under its Credit Agreement to finance the acquisition of Clean and fund its day-to-day operations. All amounts were repaid during the third quarter of fiscal 2023. As of both August 31, 2024 and August 26, 2023, the Company had no outstanding borrowings. As of August 31, 2024, the Company had outstanding letters of credit amounting to $65.1 million, leaving $209.9 million available for borrowing under the Credit Agreement. 55 Â As of August 31, 2024, the Company was in compliance with all covenants under the Credit Agreement. 6. Derivative Instruments and Hedging Activities The Company uses derivative financial instruments to mitigate its exposure to fluctuations in foreign currencies on certain forecasted transactions denominated in foreign currencies. U.S. GAAP requires that all of the Companyâ€™s derivative instruments be recorded on the balance sheet at fair value. All subsequent changes in a derivativeâ€™s fair value are recognized in income, unless specific hedge accounting criteria are met.Derivative instruments that qualify for hedge accounting are classified as a hedge of the variability of cash flows to be received or paid related to a recognized asset, liability or forecasted transaction. Changes in the fair value of a derivative that is highly effective and designated as a cash flow hedge are recognized in accumulated other comprehensive (loss) income until the hedged item or forecasted transaction is recognized in earnings. The Company performs an assessment at the inception of the hedge and on a quarterly basis thereafter, to determine whether its derivatives are highly effective in offsetting changes in the value of the hedged items. Any changes in the fair value resulting from hedge ineffectiveness are immediately recognized as income or expense.In August 2021, the Company entered into twenty forward contracts to exchange CAD for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted CAD denominated sales of one of its subsidiaries. The hedged transactions are specified as the first amount of CAD denominated revenues invoiced by one of the Companyâ€™s domestic subsidiaries each fiscal quarter, beginning in the first fiscal quarter of 2022 and continuing through the fourth fiscal quarter of 2026. In total, the Company will sell approximately 14.1 million CAD at an average Canadian-dollar exchange rate of 0.7861 over these quarterly periods. The Company concluded that the forward contracts met the criteria to qualify as a cash flow hedge under U.S. GAAP.As of August 31, 2024, the Company had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. For the fiscal 2024, the Company reclassified $0.1 million from accumulated other comprehensive loss

to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026. 7. Employee Benefit Plans Defined Contribution Retirement Savings Plan The Company has a defined contribution retirement savings plan with a 401(k) feature for all eligible U.S. and Canadian employees not under collective bargaining agreements. The Company matches a portion of the employeeâ€™s contribution and may make an additional contribution at its discretion. Contributions charged to expense under the plan for fiscal 2024, 2023 and 2022 were $20.3 million, $18.7 million and $18.2 million, respectively.Pension Plan and Supplemental Executive Retirement PlanThe Company accounts for its pension plan and Supplemental Executive Retirement Plan on an accrual basis over employeesâ€™ estimated service periods. The Company maintains an unfunded Supplemental Executive Retirement Plan (â€œSERPâ€) for certain eligible employees of the Company. The benefits are based on the employeeâ€™s compensation upon retirement. The amount charged to expense related to this plan amounted to approximately $1.7 million, $1.7 million and $1.5 million for fiscal 2024, 2023 and 2022, respectively. The Company maintains a non-contributory defined benefit pension plan (â€œUniFirst Planâ€) covering employees at one of its locations. The benefits are based on years of service. The UniFirst Plan assets are invested in a Guaranteed Deposit Account (â€œGDAâ€) that is maintained and operated by a third-party investment manager. The amount charged to expense related to this plan amounted to approximately $0.2 million, $0.1 million and $0.1 million for fiscal 2024, 2023 and 2022, respectively. Net periodic benefit cost other than service costs have been recorded in the accompanying Consolidated Statements of Income in other expense, net. 56 Â The components of net periodic benefit cost for fiscal 2024, 2023 and 2022 are as follows (in thousands): Â Â Â UniFirst Plan Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2022 Â Â 2024 Â Â 2023 Â Â 2022 Â Â Service cost Â $ 74 Â Â $ 73 Â Â $ 72 Â Â $ 405 Â Â $ 486 Â Â $ 919 Â Interest cost Â Â 159 Â Â Â 147 Â Â Â 104 Â Â Â 1,255 Â Â Â 1,191 Â Â Â 928 Â Expected return on assets Â Â (90) Â Â (101) Â Â (118) Â Â â€” Â Â Â â€” Â Â Â â€” Â Amortization of prior service cost Â Â 21 Â Â Â 21 Â Â Â 21 Â Â Â â€” Â Â Â â€” Â Â Â â€” Â Amortization of actuarial (gain)/loss Â Â â€” Â Â Â â€” Â Â Â (116) Â Â â€” Â Â Â â€” Â Amortization of net loss Â Â â€” Â Â Â â€” Â Â Â 20 Â Â Â â€” Â Â Â â€” Â Â Â 516 Â Other events Â Â â€” Â Â Â (12) Â Â (10) Â Â â€” Â Â Â â€” Â Â Â (855) Â Â Â Net periodic benefit cost Â $ 164 Â Â $ 128 Â Â $ 89 Â Â $ 1,544 Â Â $ 1,677 Â Â $ 1,508 Â Â The Companyâ€™s obligations and funded status as of August 31, 2024 and August 26, 2023 are as follows (in thousands): Â Â Â UniFirst Plan Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2024 Â Â 2023 Â Change in benefit obligation: Â Â Â Â Â Â Â Â Â Â Â Â Â Projected benefit obligation, beginning of year Â $ 3,549 Â Â $ 3,837 Â Â $ 25,119 Â Â $ 27,562 Â Service cost Â Â 74 Â Â Â 73 Â Â Â 405 Â Â Â 486 Â Interest cost Â Â 159 Â Â Â 147 Â Â Â 1,255 Â Â Â 1,191 Â Actuarial gain Â Â (28) Â Â (220) Â Â 465 Â Â Â (2,811) Benefits paid Â Â (145) Â Â (17) Â Â (1,364) Â Â (1,309) Settlements/Curtailments Â Â â€” Â Â Â (271) Â Â â€” Â Â Â â€” Â Projected benefit obligation, end of year Â $ 3,609 Â Â $ 3,549 Â Â $ 25,880 Â Â $ 25,119 Â Â Â Â Â Â Â Â Â Â Â Â Â Change in plan assets: Â Â Â Â Â Â Â Â Â Â Â Â Â Fair value of plan assets, beginning of year Â $ 2,986 Â Â $ 3,300 Â Â $ â€” Â Â $ â€” Â Actual return on plan assets Â Â 20 Â Â Â (26) Â Â â€” Â Â Â â€” Â Employer Contributions Â Â 247 Â Â Â â€” Â Â Â â€” Â Â Â â€” Â Benefits paid Â Â (145) Â Â (17) Â Â â€” Â Â Â â€” Â Settlements/Curtailments Â Â â€” Â Â Â (271) Â Â â€” Â Â Â â€” Â Fair value of plan assets, end of year Â $ 3,108 Â Â $ 2,986 Â Â $ â€” Â Â $ â€” Â Â Â Â Funded status (net amount recognized) Â $ (501) Â $ (563) Â $ (25,880) Â $ (25,119) Â As of August 31, 2024 and August 26, 2023, the accumulated benefit obligations related to the UniFirst Plan were $3.6 million and $3.5 million, respectively. As of August 31, 2024 and August 26, 2023, the accumulated benefit obligations related to the SERP were $23.4 million and $22.5 million, respectively.Â The amounts recorded on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): Â Â Â Pension Plans Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2024 Â Â 2023 Â Deferred tax (liabilities) assets Â $ (10) Â $ (16) Â $ (750) Â $ (904) Accrued liabilities Â Â 501 Â Â Â 563 Â Â Â 25,880 Â Â Â 25,119 Â Accumulated other comprehensive income (loss) Â Â 30 Â Â Â 46 Â Â Â 2,200 Â Â Â 2,628 Â As of August 31, 2024 and August 26, 2023, the amounts recognized in accumulated other comprehensive loss are as follows (in thousands): Â Â UniFirst Plan Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2024 Â Â 2023 Â Net actuarial (loss) gain Â $ 113 Â Â $ 156 Â Â $ 2,950 Â Â $ 3,531 Â Unrecognized prior service cost Â Â (73) Â Â (94) Â Â â€” Â Â Â â€” Â Â Â Â Â Accumulated other comprehensive (loss) income Â $ 40 Â Â $ 62 Â Â $ 2,950 Â Â $ 3,531 Â Â 57 Â The weighted average assumptions used in calculating the Companyâ€™s projected benefit obligation as of August 31, 2024 and August 26, 2023 are as follows: Â Â UniFirst Plan Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2024 Â Â 2023 Â Discount rate Â Â 4.8 % Â Â 5.1 % Â Â 4.9 % Â Â 5.2 % Rate of compensation increase Â N/A Â Â N/A Â Â Â 5.0 % Â Â 5.0 % Â The weighted average assumptions used in calculating the Companyâ€™s net periodic service cost for fiscal 2024, 2023 and 2022 are as follows: Â Â UniFirst Plan Â Â SERP Â Â Â 2024 Â Â 2023 Â Â 2022 Â Â 2024 Â Â 2023 Â Â 2022 Â Discount rate Â Â 5.1 % Â Â 4.3 % Â Â 2.3 % Â Â 5.2 % Â Â 4.4 % Â Â 2.6 % Expected return on plan assets Â Â 3.5 % Â Â 3.5 % Â Â 3.5 % Â N/A Â Â N/A Â Â N/A Â Rate of compensation increase Â N/A Â Â N/A Â Â N/A Â Â Â 5.0 % Â Â 5.0 % Â Â 5.0 % Â The benefit payments, which reflect expected future service, are expected to be paid for the five fiscal years subsequent to August 31, 2024 and five years thereafter are as follows (in thousands): Â Â UniFirst Plan Â Â SERP Â 2025 Â $ 938 Â Â $ 1,612 Â 2026 Â Â 313 Â Â Â 1,739 Â 2027 Â Â 135 Â Â Â 1,737 Â 2028 Â Â 237 Â Â Â 1,663 Â 2029 Â Â 304 Â Â Â 1,784 Â 2030-2034 Â Â 1,682 Â Â Â 17,345 Â Â Non-qualified Deferred Compensation PlanÂ The Company adopted the NQDC Plan effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions, if any, may differ from year to year and from participant to participant. Â The amounts for employee or employer contributions charged to expense related to the NQDC Plan for fiscal 2024, fiscal 2023 and fiscal 2022, were $0.8 million, $0.3 million and nominal, respectively. Â The Company, at its discretion, may also elect to transfer funds to a trust account with the intention to fund the future liability. Total NQDC Plan assets were $3.3 million and $2.0 million as of August 31, 2024 and August 26, 2023, respectively, and are included within other long-term assets in the accompanying Consolidated Balance Sheets. Total NQDC Plan liabilities were $1.6 million and $0.5 million as of August 31, 2024 and August 26, 2023, respectively, and are included within current accrued liabilities in the accompanying Consolidated Balance Sheets. Â Earnings and losses on contributions, based on these investment elections, are recorded as a component of compensation expense in the period earned and are included within other (income) expense, net. 58 Â 8. Goodwill and Other Intangible Assets When the Company acquires a business, the amount assigned to the tangible assets and liabilities and intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible assets and liabilities and intangible assets is recorded as goodwill. The Company does not amortize goodwill, but it is reviewed annually or more frequently if certain indicators arise, for impairment. There were no impairment losses related to goodwill or intangible assets during fiscal 2024, 2023 and 2022. The changes in the carrying amount of goodwill are as follows (in thousands): Â Balance as of August 27, 2022 Â $ 457,259 Â Purchase price adjustments recorded during the period Â Â 190,777 Â Other Â Â (136) Balance as of August 26, 2023 Â $ 647,900 Â Purchase price adjustments recorded during the period Â Â 900 Â Other Â Â 50 Â Balance as of August 31, 2024 Â $ 648,850 Â Â As of August 31, 2024, the Company has allocated $637.4 million, $10.9 million and $0.6 million of goodwill to its U.S. and Canadian Rental and Cleaning, Specialty Garments and First Aid segments, respectively.Â Intangible assets, net in the Companyâ€™s Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): Â Â GrossCarryingAmount Â Â AccumulatedAmortization Â Â NetCarryingAmount Â August 31, 2024 Â Â Â Â Â Â Â Â Â Customer contracts Â $ 314,446 Â Â $ 228,456 Â Â $ 85,990 Â Software Â Â 81,482 Â Â Â 51,023 Â Â Â 30,459 Â Other intangible assets Â Â 39,826 Â Â Â 36,276 Â Â Â 3,550 Â Â $ 435,754 Â Â $ 315,755 Â Â $ 119,999 Â August 26, 2023 Â Â Â Â Â Â Â Â Â Customer contracts Â $ 315,448 Â Â $ 211,996 Â Â $ 103,452 Â Software Â Â 80,538 Â Â Â 45,117 Â Â Â 35,421 Â Other intangible assets Â Â 43,598 Â Â Â 36,853 Â Â Â 6,745 Â Â $ 439,584 Â Â $ 293,966 Â Â $ 145,618 Â Â Estimated amortization expense for the five fiscal years subsequent to August 31, 2024 and thereafter, based on intangible assets, net as of August 31, 2024 are as follows (in thousands): Â 2025 Â $ 21,991 Â 2026 Â Â 19,296 Â 2027 Â Â 15,388 Â 2028 Â Â 13,668 Â 2029 Â Â 12,003 Â Thereafter Â Â 37,653 Â Â Â Â Total estimated amortization expense Â $ 119,999 Â Â 59 Â 9. Accrued Liabilities Accrued liabilities in the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 consists of the following (in thousands): Â Â August 31,2024 Â Â August 26,2023 Â Current liabilities: Â Â Â Â Â Â Payroll and benefit related Â $ 48,268 Â Â $ 41,015 Â Bonuses Â Â 24,045 Â Â Â 19,893 Â Insurance related Â Â 32,003 Â Â Â 34,343 Â Environmental related Â Â 14,197 Â Â Â 13,835 Â Other Â Â 51,727 Â Â Â 47,322 Â Â Â Â Total current liabilities Â $ 170,240 Â Â $ 156,408 Â Â Â Â Â Â Â Long-term liabilities: Â Â Â Â Â Â Benefit related Â Â 24,770 Â Â $ 24,174 Â Environmental related Â Â 17,057 Â Â Â 16,194 Â Asset retirement obligations Â Â 17,929 Â Â Â 16,471 Â Insurance related Â Â 63,645 Â Â Â 64,843 Â Â Â Â Total long-term liabilities Â $ 123,401 Â Â $ 121,682 Â Â Â Â Â Â Â Â Total accrued liabilities Â $ 293,641 Â Â $ 278,090 Â Â 10. Asset Retirement Obligations Asset retirement obligations generally result from legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. Accordingly, the Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. The Company continues to depreciate, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years. The Company recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The estimated liability is based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year, and the liability has been discounted to present value using a credit-adjusted risk-free rate. Revisions to the liability could occur due to changes in the Companyâ€™s estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service. A reconciliation of the Companyâ€™s asset retirement are as follows for fiscal 2024 and 2023 (in thousands): Â Year ended Â August 31,2024 Â Â August 26,2023 Â Beginning balance Â $ 16,471 Â Â $ 15,274 Â Accretion expense Â Â 976 Â Â Â 923 Â Effect of exchange rate changes Â Â 102 Â Â Â â€” Â Costs incurred Â Â (282) Â Â â€” Â Change in estimate Â Â 662 Â Â Â 274 Â Ending balance Â $ 17,929 Â Â $ 16,471 Â Â The Companyâ€™s asset retirement obligations are included in long-term accrued liabilities in the accompanying Consolidated Balance Sheet. 60 Â 11. Commitments and Contingencies Lease CommitmentsThe Company has operating leases for certain operating facilities, vehicles and equipment, which provide the right to use the underlying asset and require lease payments over the term of the lease. Each new contract is evaluated to determine if an arrangement contains a lease and whether that lease meets the classification criteria of a finance or operating lease. All identified leases are recorded on the Consolidated Balance Sheets with a corresponding operating lease right-of-use asset, net, representing the right to use the underlying asset for the lease term and the operating lease liabilities representing the obligation to make lease payments arising from the lease. Short-term operating leases, which have an initial term of twelve months or less, are not recorded on the Consolidated Balance Sheets.Operating lease right-of-use assets, net and operating lease liabilities are recognized at the commencement date of the lease based on the present value of lease payments over the lease term and include options to extend or terminate the lease when they are reasonably certain to be exercised. The present value of lease payments is determined primarily by using the incremental borrowing rate based on the information available as of the lease commencement date. Lease expense for operating leases is recorded on a straight-line basis over the lease term and variable lease costs are recorded as incurred. Both lease expense and variable lease costs are primarily recorded in cost of revenues on the Company's Consolidated Statements of Income. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants. The following table presents the operating lease cost and information related to the operating lease right-of-use assets, net and operating lease liabilities for fiscal 2024, 2023 and 2022:Â (In thousands, except lease term and discount rate) Â 2024 Â 2023 Â 2022 Â Lease cost: Â Â Â Â Â Â Operating lease costs including short-term lease expense and variable lease costs, which were immaterial in the period Â $ 25,866 Â Â $ 22,303 Â Â $ 20,284 Â Â Â Â Â Â Â Â Operating cash flow impacts: Â Â Â Â Â Â Â Â Cash paid for amounts included in the measurement of operating lease liabilities Â $ 20,083 Â Â $ 16,710 Â Â $ 15,123 Â Operating lease right-of-use assets obtained in exchange for new operating lease liabilities Â $ 19,511 Â Â $ 23,076 Â Â $ 21,391 Â Operating lease right-of-use assets acquired in business combination Â $ â€” Â Â $ 4,167 Â Â $ â€” Â Weighted average remaining lease term - operating leases Â 4.7 Â 4.48 Â 4.66 Â Weighted average discount rate - operating leases Â Â 4.74 % Â Â 3.55 % Â Â 2.24 % Total rent expense on all leases was $21.8 million, $18.4 million and $16.7 million for fiscal 2024, 2023 and 2022, respectively. The contractual future minimum lease payments of the Company's operating lease liabilities by fiscal year as of August 31, 2024 are as follows (in thousands): 2025 Â $ 20,557 Â 2026 Â Â 17,307 Â 2027 Â Â 13,444 Â 2028 Â Â 9,787 Â 2029 Â Â 6,373 Â Thereafter Â Â 8,365 Â Â Â Â Total payments Â Â 75,833 Â Less interest Â Â 7,024 Â Â Â Â Total present value of lease payments Â $ 68,809 Â Environmental and Legal Contingencies The Company and its operations are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must properly dispose of detergent 61 Â wastewater and other residues, and, in the past, used perchloroethylene and other dry-cleaning solvents. The Company is attentive to the environmental concerns surrounding the disposal of these materials and has, through the years, taken measures to avoid their improper disposal. The Company has settled, or contributed to the settlement of, past actions or claims brought against the Company relating to the disposal of hazardous materials at several sites and there can be no assurance that the Company will not have to expend material amounts to remediate the consequences of any such disposal in the future. U.S. GAAP requires that a liability for contingencies be recorded when it is probable that a liability has been incurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. Changes in enacted laws, regulatory orders or decrees, managementâ€™s estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Companyâ€™s attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from, such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for the presence of such hazardous or toxic substances. There can be no assurances that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon the Company under such laws or expose the Company to third-party actions such as tort suits. The Company continues to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to certain sites. The Company has accrued certain costs related to certain sites, including but not limited to, sites in Woburn and Somerville, Massachusetts, as it has been determined that the costs are probable and can be reasonably estimated. The Company, together with multiple other companies, is party to a consent decree related to the Companyâ€™s property and parcels of land (the â€œCentral Areaâ€) at a site in Woburn, Massachusetts. The United States Environmental Protection Agency (the â€œEPAâ€) has provided the Company and other signatories to the consent decree with comments on the design and implementation of groundwater and soil remedies at the Woburn site and investigation of environmental conditions in the Central Area. The consent decree does not address any remediation work that may be required in the Central Area. The Company, together with other signatories, has implemented and proposed to do additional work at the Woburn site but many of the EPAâ€™s comments remain to be resolved. The Company has accrued costs to perform certain work responsive to the EPAâ€™s comments. Additionally, the Company has implemented mitigation measures and continues to monitor environmental conditions at a site in Somerville, Massachusetts. The Company has agreed to undertake additional actions responsive to a notice of audit findings from the Massachusetts Department of Environmental Protection concerning a regulatory submittal that the Company made in 2009 for a portion of the site. The Company has received demands from the local transit authority for reimbursement of certain costs associated with its construction of a new municipal transit station in the area of the Somerville site. This station was part of an extension of the local transit system. The Company has reserved for costs in

connection with this matter; however, in light of the uncertainties associated with this matter, these costs and the related reserve may change.The Company routinely reviews and evaluates sites that may require remediation and monitoring and determines its estimated costs based on various estimates and assumptions. These estimates are developed using its internal sources or by third party environmental engineers or other service providers. Internally developed estimates are based on: â€¢Managementâ€™s judgment and experience in remediating and monitoring the Companyâ€™s sites; â€¢Information available from regulatory agencies as to costs of remediation and monitoring; â€¢The number, financial resources and relative degree of responsibility of other potentially responsible parties (â€œPRPsâ€) who may be liable for remediation and monitoring of a specific site; and â€¢The typical allocation of costs among PRPs. There is usually a range of reasonable estimates of the costs associated with each site. In accordance with U.S. GAAP, the Companyâ€™s accruals reflect the amount within the range that it believes is the best estimate or the low end of a range of estimates if no point within the range is a better estimate. Where it believes that both the amount of a particular liability and the timing of the payments are reliably determinable, the Company adjusts the cost in current dollars using a rate of 3% for inflation until the time of expected payment and discounts the cost to present value using current risk-free interest rates. As of August 31, 2024, the risk-free interest rates utilized by the Company ranged from 4.2% to 4.3%. 62 Â For environmental liabilities that have been discounted, the Company includes interest accretion, based on the effective interest method, in selling and administrative expenses on the accompanying Consolidated Statements of Income. The changes to the Companyâ€™s environmental liabilities for fiscal 2024 and 2023 are as follows (in thousands): Â Year ended Â August 31,2024 Â Â August 26,2023 Â Beginning balance Â $ 30,029 Â Â $ 32,191 Â Costs incurred for which reserves have been provided Â Â (3,176) Â Â (1,936) Insurance proceeds Â Â 238 Â Â Â 147 Â Interest accretion Â Â 1,264 Â Â Â 1,036 Â Changes in discount rates Â Â 244 Â Â Â (2,446) Revisions in estimates Â Â 2,656 Â Â Â 1,037 Â Ending balance Â $ 31,255 Â Â $ 30,029 Â Â Anticipated payments and insurance proceeds of currently identified environmental remediation liabilities as of August 31, 2024, for the next five fiscal years and thereafter, as measured in current dollars, are reflected below (in thousands): Fiscal year ended August Â 2025 Â Â 2026 Â Â 2027 Â Â 2028 Â Â 2029 Â Â Thereafter Â Â Total Â Estimated costsâ€"current dollars Â $ 14,425 Â Â $ 2,836 Â Â $ 1,527 Â Â $ 1,280 Â Â $ 997 Â Â $ 15,047 Â Â $ 36,112 Â Estimated insurance proceeds Â Â (180) Â Â (195) Â Â (159) Â Â (173) Â Â (9) Â Â (230) Â Â (946) Net anticipated costs Â $ 14,245 Â Â $ 2,641 Â Â $ 1,368 Â Â $ 1,107 Â Â $ 988 Â Â $ 14,817 Â Â $ 35,166 Â Effect of inflation Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â 9,501 Â Effect of discounting Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â (13,412) Balance as of August 31, 2024 Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â $ 31,255 Â Estimated insurance proceeds are primarily obtained from an annuity received as part of a legal settlement with an insurance company. Annual proceeds of approximately $0.3 million are deposited into an escrow account which funds remediation and monitoring costs for two sites related to former operations in Williamstown, Vermont. Annual proceeds received but not expended in the current year accumulate in this account and may be used in future years for costs related to this site through the year 2027. As of August 31, 2024, the balance in this escrow account, which is held in a trust and is not recorded in the Companyâ€™s accompanying Consolidated Balance Sheets, was approximately $5.6 million. Also included in estimated insurance proceeds are amounts the Company is entitled to receive pursuant to legal settlements as reimbursements from three insurance companies for estimated costs at one of its sites. The Companyâ€™s nuclear garment decontamination facilities are licensed by respective state agencies, as delegated authority by the Nuclear Regulatory Commission (the â€œNRCâ€) pursuant to the NRCâ€™s Agreement State program and are subject to applicable federal and state radioactive material regulations. In addition, the Companyâ€™s international locations (Canada, the United Kingdom and the European Union) are regulated by equivalent respective jurisdictional authorities. There can be no assurance that such regulation will not lead to material disruptions in the Companyâ€™s garment decontamination business. From time to time, the Company is also subject to legal and regulatory proceedings and claims arising from the conduct of its business operations, including personal injury claims, customer contract matters, employment claims and environmental matters as described above. In addition, in the fourth quarter of fiscal 2022, the Mexican federal tax authority issued a tax assessment on the Companyâ€™s subsidiary in Mexico for fiscal 2016 import taxes, value added taxes and custom processing fees of over $17.0 million, plus surcharges, fines and penalties of over $67.7 million for a total assessment of over $84.7 million. The Company challenged the validity of the tax assessment through an appeal process. In the first quarter of fiscal 2025, the Federal Tax Court in Mexico made a determination partially in its favor. Following the Federal Tax Courtâ€™s determination, the Company filed a constitutional action before the Federal Administrative Court. While the Company is unable to ascertain the ultimate outcome of this matter, based on the information currently available, the Company believes that a loss with respect to this matter is neither probable nor remote. Given the uncertainty associated with the ultimate resolution of this matter, the Company is unable to reasonably assess an estimate or range of estimates of any potential losses.While it is impossible for the Company to ascertain the ultimate legal and financial liability with respect to contingent liabilities, including lawsuits and environmental contingencies, the Company believes that the aggregate amount of such liabilities, if any, in excess of amounts covered by insurance have been properly accrued in accordance with U.S. GAAP. It is 63 Â possible, however, that the future financial position and/or results of operations for any particular future period could be materially affected by changes in the Companyâ€™s assumptions or strategies related to these contingencies or changes out of the Companyâ€™s control.Other Contingent Liabilities As security for certain agreements with the NRC and various state agencies related to the nuclear operations (see above) and certain insurance programs, the Company had standby irrevocable bank commercial letters of credit of $65.1 million and $66.5 million outstanding as of August 31, 2024 and August 26, 2023, respectively.Non-cancellable purchase commitments for inventories, software, and services amounted to $91.2 million as of August 31, 2024, of which $58.4 million will be paid in less than 1 year, $21.1 million will be paid in 1 to 3 years, and the remaining will be paid in 3 to 5 years. 12. Share-based Compensation The Company adopted an equity incentive plan (the â€œ2023 Planâ€) in October 2023 and reserved 375,000 shares of Common Stock for issuance under the 2023 Plan. The 2023 Plan, which was approved by the Company's shareholders in January 2024, replaced the Companyâ€™s 2010 stock incentive plan (the â€œ2010 Planâ€). Upon approval of the 2023 Plan by the Companyâ€™s shareholders, no further awards may be granted under the 2010 Plan. The 2023 Plan permits the award of incentive and non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and unrestricted stock (collectively referred to as â€œShare-Based Awardsâ€) as well as dividend equivalent rights and cash-based awards. As of August 31, 2024, the number of remaining shares available for future grants under the 2023 Plan was 375,000. Share-based compensation expense, which includes expense related to Share-Based Awards, has been recorded in the accompanying Consolidated Statements of Income in selling and administrative expenses. All Share-Based Awards issued to management were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors. All Share-Based Awards issued to the Companyâ€™s non-employee members of the Board of Directors (the â€œDirectorsâ€) were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors. In fiscal 2024, a total of 1,475 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2023, a total of 1,575 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2022, a total of 1,025 shares of fully vested unrestricted stock were granted to certain non-employee Directors of the Company. Accordingly, compensation expense related to the unrestricted stock granted in each of fiscal 2024, 2023 and 2022 were recognized on the date of grant.In fiscal 2024, the Company granted a total of 5,004 stock appreciation rights to the Companyâ€™s non-employee Directors. In fiscal 2023, the Company granted a total of 6,864 stock appreciation rights to the Companyâ€™s non-employee Directors. In fiscal 2022, the Company granted a total of 9,750 stock appreciation rights to the Companyâ€™s non-employee Directors. Such stock appreciation rights were fully vested upon grant, expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors and must be settled in stock at the time of exercise. Accordingly, compensation expense related to the stock appreciation rights was recognized on the date of grant.As of August 31, 2024, the total compensation cost not yet recognized related to non-vested Share-Based Awards was approximately $16.0 million. The weighted average period over which compensation cost for Share-Based Awards will be recognized is 3.02 years. All stock appreciation rights issued to employees were granted with an exercise price equal to the fair value of the Companyâ€™s Common Stock on the date of grant. Stock appreciation rights generally vest 20% on each anniversary of the grant date over a five-year period and expire ten years after the grant date. Share-Based Awards granted to the Companyâ€™s non-employee Directors were fully vested as of the date of grant. Non-employee Director Share-Based Award grants in the form of stock appreciation rights expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors. 64 Â Time-based restricted stock units granted to employees generally vest 20% on each anniversary of the grant date over a five-year period. Generally, performance-based restricted stock units granted to employees are earned based on whether and the extent to which the Company achieves certain revenue and operating margin targets.The fair value of each stock appreciation right is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used: Â Year ended Â 2024 Â Â 2023 Â Â 2022 Â Risk-free interest rate Â Â 4.85 % Â Â 3.97 % Â Â 1.27 % Expected dividend yield Â Â 0.80 % Â Â 0.62 % Â Â 0.60 % Expected life (in years) Â Â 5.54 Â Â Â 5.43 Â Â Â 5.17 Â Expected volatility Â Â 29.4 % Â Â 29.3 % Â Â 28.4 % The weighted average fair value of Share-Based Awards granted in the form of stock appreciation rights during fiscal years 2024, 2023 and 2022 were $55.97, $60.38 and $51.25, respectively. The following table summarizes the Share-Based Awards activity in the form of stock options and stock appreciation rights for fiscal 2024: Â Â Â Number ofShares Â Â WeightedAverageExercise Price Â Outstanding at August 26, 2023 Â Â 347,617 Â Â $ 158.47 Â Granted Â Â 30,499 Â Â Â 164.58 Â Expired Â Â (655) Â Â 191.37 Â Exercised Â Â (66,104) Â Â 132.74 Â Forfeited Â Â (1,306) Â Â 177.96 Â Outstanding at August 31, 2024 Â Â 310,051 Â Â $ 164.40 Â Â Â Â Â Â Â Exercisable at August 31, 2024 Â Â 237,992 Â Â $ 159.53 Â The following table summarizes the Share-Based Awards activity in the form of restricted stock units for fiscal 2024: Â Â Â Number ofShares Â Â WeightedAverageGrant Price Â Unvested balance at August 26, 2023 Â Â 108,755 Â Â $ 184.60 Â Granted Â Â 58,653 Â Â Â 164.60 Â Vested Â Â (38,615) Â Â 183.98 Â Forfeited Â Â (5,886) Â Â 176.29 Â Unvested balance at August 31, 2024 Â Â 122,907 Â Â $ 175.65 Â Â 13. Shareholdersâ€™ Equity The Company has two classes of common stock: Common Stock and Class B Common Stock. Each share of Common Stock is entitled to one vote, is freely transferable, and is entitled to a cash dividend equal to 125% of any cash dividend paid on each share of Class B Common Stock. Each share of Class B Common Stock is entitled to ten votes and can be converted to Common Stock on a share-for-share basis. However, until converted to Common Stock, shares of Class B Common Stock are not freely transferable. During fiscal 2022, 17,000 shares of Class B Common Stock were converted to Common Stock. No such conversions occurred during each of fiscal 2024 and 2023.On October 24, 2023, the Companyâ€™s Board of Directors authorized a new share repurchase program to repurchase from time to time up to $100.0 million of its outstanding shares of Common Stock, inclusive of the amount which remained available under the existing share repurchase program approved on October 18, 2021. Repurchases from time to time under the new program, if any, will be made in either the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchases will depend on a variety of factors, including economic and market conditions, the Company stock price, corporate liquidity requirements and priorities, applicable legal requirements and other factors. The share 65 Â repurchase program has been funded to date with the Companyâ€™s available cash and will be funded in the future using the Companyâ€™s available cash or capacity under its Credit Agreement and may be suspended or discontinued at any time.On October 29, 2024, the Companyâ€™s Board of Directors declared increased quarterly cash dividends of $0.350 per share of Common Stock and $0.280 per share of Class B Common Stock, up from $0.33 and $0.264 per share, respectively. Both dividends are payable on January 3, 2025 to shareholders of record as of December 6, 2024. The amount and timing of any future dividend payment is subject to the approval of the Board of Directors each quarter.During fiscal 2024, the Company repurchased 139,556 shares for an average price per share of $170.40. During fiscal 2023, the Company did not repurchase any shares. During fiscal 2022, the Company repurchased 213,419 shares for an average price per share of $179.98. As of August 31, 2024, there was $76.2 million remaining to repurchase outstanding shares of Common Stock under the existing program. 14. Accumulated Other Comprehensive Loss The changes in each component of accumulated other comprehensive loss for fiscal 2024 and 2023 are as follows (in thousands): Â Â ForeignCurrencyTranslation Â Â Pension-related (1) Â Â DerivativeFinancialInstruments (1) Â Â TotalAccumulatedOtherComprehensiveLoss Â Balance as of August 27, 2022 Â $ (24,803) Â $ 452 Â Â $ 61 Â Â $ (24,290) Change during the year Â Â (1,701) Â Â 2,130 Â Â Â 100 Â Â Â 529 Â Balance as of August 26, 2023 Â Â (26,504) Â Â 2,582 Â Â Â 161 Â Â Â (23,761) Change during the year Â Â 538 Â Â Â (348) Â Â (73) Â Â 117 Â Balance as of August 31, 2024 Â $ (25,966) Â $ 2,234 Â Â $ 88 Â Â $ (23,644) Â (1)Amounts are shown net of tax. Segment Reporting Operating segments are identified as components of an enterprise for which separate discrete financial information is available for evaluation by the chief operating decision-maker, or decision-making group, in making decisions on how to allocate resources and assess performance. The Companyâ€™s chief operating decision-maker is the Companyâ€™s Chief Executive Officer. The Company has six operating segments based on the information reviewed by its Chief Executive Officer: U.S. Rental and Cleaning, Canadian Rental and Cleaning, MFG, Specialty Garments, First Aid and Corporate. The U.S. Rental and Cleaning and Canadian Rental and Cleaning operating segments have been combined to form the U.S. and Canadian Rental and Cleaning reporting segment, and as a result, the Company has five reporting segments. 66 Â The U.S. and Canadian Rental and Cleaning reporting segment purchases, rents, cleans, delivers and sells, uniforms and protective clothing and non-garment items in the U.S. and Canada. The laundry locations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as â€œindustrial laundriesâ€ or â€œindustrial laundry locations.â€ The MFG operating segment designs and manufactures uniforms and non-garment items primarily for the purpose of providing these goods to the U.S. and Canadian Rental and Cleaning reporting segment. MFG revenues are primarily generated when goods are shipped from the Companyâ€™s manufacturing facilities, or its subcontract manufacturers, to other Company locations. These intercompany revenues are recorded at a transfer price which is typically in excess of the actual manufacturing cost. Manufactured products are carried in inventory until placed in service at which time they are amortized at this transfer price. On a consolidated basis, intercompany revenues and income are eliminated and the carrying value of inventories and rental merchandise in service is reduced to the manufacturing cost. Income before income taxes from MFG net of the intercompany MFG elimination offsets the merchandise amortization costs incurred by the U.S. and Canadian Rental and Cleaning reporting segment as the merchandise costs of this reporting segment are amortized and recognized based on inventories purchased from MFG at the transfer price which is above the Companyâ€™s manufacturing cost. The Corporate operating segment consists of costs associated with the Companyâ€™s distribution center, sales and marketing, information systems, engineering, procurement, supply chain, accounting and finance, human resources, other general and administrative costs and interest expense. The revenues generated from the Corporate operating segment represent certain direct sales made by the Company directly from its distribution center. The products sold by this operating segment are the same products rented and sold by the U.S. and Canadian Rental and Cleaning reporting segment. In the table below, no assets or capital expenditures are presented for the Corporate operating segment because no assets are allocated to this operating segment in the information reviewed by the chief executive officer. However, depreciation and amortization expense related to certain assets are reflected in income from operations and income before income taxes for the Corporate operating segment. The assets that give rise to this depreciation and amortization are included in the total assets of the U.S. and Canadian Rental and Cleaning reporting segment as this is how they are tracked and reviewed by the Company. The majority of expenses accounted for within the Corporate segment relate to costs of the U.S. and Canadian Rental and Cleaning segment, with the remainder of the costs relating to the Specialty Garment and First Aid segments.The Specialty Garments operating segment purchases, rents, cleans, delivers and sells, specialty garments and non-garment items primarily for nuclear and cleanroom applications and provides cleanroom cleaning services at certain customer locations. The First Aid operating segment sells first aid cabinet services and other safety supplies, provides certain safety training and maintains wholesale distribution and pill packaging operations for non-prescription medicines. 67 Â The Company refers to the U.S. and Canadian Rental and Cleaning, MFG, and Corporate reporting segments combined as its â€œCore Laundry Operations,â€ which is included as a subtotal in the following tables (in thousands): Â Â Â Year ended Â Â Â 2024 Â Â 2023 Â Â 2022 Â Revenues: Â Â Â Â Â Â Â Â Â U.S. and Canadian Rental and Cleaning Â $ 2,083,059 Â Â $ 1,907,765 Â Â $ 1,733,088 Â MFG Â Â 315,159 Â Â Â 297,752 Â Â Â 281,112 Â Net intercompany MFG elimination Â Â (315,159) Â Â (297,752) Â Â (281,112) Corporate Â Â 55,889 Â Â Â 53,424 Â Â Â 37,414 Â Subtotal: Core Laundry Operations Â Â 2,138,948 Â Â Â 1,961,189 Â Â Â 1,770,502 Â Specialty Garments Â Â 182,212 Â Â Â 177,034 Â Â Â 152,885 Â First Aid Â Â 106,271 Â Â Â 94,824 Â Â Â 77,435 Â Â Â Â Â Total consolidated revenues Â $ 2,427,431 Â Â $ 2,233,047 Â Â $ 2,000,822 Â Â Â Â Â Â Â Â Â Â Operating income (loss): Â Â

Related Party During fiscal 2024 and 2023, the Company recognized $1.5 million and $1.6 million, respectively, of revenue with a company for which one member of the Company's Board of Directors was an executive officer for such periods.During fiscal 2024 and 2023, the Company recorded $2.1 million and $3.2 million, respectively, of expense with a company for which one member of the Companyâ€™s Board of Directors was an executive officer for a portion of such periods. Â 70 Â Report of Independent Registered Public Accounting Firm To the Shareholders and the Board of Directors of UniFirst Corporation Opinion on the Financial Statements We have audited the accompanying consolidated balance sheets of UniFirst Corporation and subsidiaries (the â€œCompanyâ€) as of August 31, 2024 and August 26, 2023, the related consolidated statements of income, comprehensive income, shareholdersâ€™ equity, and cash flows for each of the three years in the period ended August 31, 2024, and the related notes and the financial statement schedule listed in the Index at Item 15(a) (collectively referred to as the â€œconsolidated financial statementsâ€). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at August 31, 2024 and August 26, 2023, and the results of its operations and its cash flows for each of the three years in the period ended August 31, 2024, in conformity with U.S. generally accepted accounting principles. We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of August 31, 2024, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework), and our report dated November 14, 2024 expressed an adverse opinion thereon. Basis for Opinion These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Companyâ€™s financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB. We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion. Critical Audit Matter The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates. Â Â Â Self-Insurance Accruals Description of the Matter Â As disclosed in Note 9, as of August 31, 2024, the Company had recognized current and long-term insurance related liabilities of $32.0 million and $63.6 million, respectively. As discussed in Note 1 to the Companyâ€™s consolidated financial statements, the Company is self-insured for certain obligations related to health, workersâ€™ compensation, vehicles and general liability programs and judgments and estimates are used by the Company in determining the potential value associated with reported claims and for events that have occurred but have not been reported.Â Â Â Auditing managementâ€™s estimate of the portion of the insurance related liabilities related to workersâ€™ compensation, vehicles and general liability is highly judgmental due to the significant uncertainty in the potential values of reported claims and incurred but not reported claims and the application of significant management judgment in making those estimates. The reserve estimate is sensitive to assumptions used to estimate the liability for reported claims and to estimate the value of claims that have been incurred but have not been reported. Â 71 Â How We Addressed the Matter in Our Audit Â To audit the self-insurance accrual, our procedures included, among others, testing of the significant inputs used in managementâ€™s analysis, performing transactional testing over the completeness and accuracy of claims data and vouching payments made to third parties. We also reviewed the Companyâ€™s contractual self-insured retentions, deductibles, and other coverage limits. Furthermore, we involved our actuarial specialists to assist in evaluating the significant assumptions and methodologies used by management to determine the estimate of the reserve. We then compared the Companyâ€™s estimate of the reserve amount to a range which our actuarial specialist developed based on independently selected assumptions. Â /s/ Ernst & Young LLP We have served as the Companyâ€™s auditor since 2002. Â Boston, Massachusetts November 14, 2024 Â Â 72 Â ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE None. ITEM 9A. CONTROLS AND PROCEDURES Disclosure Controls and Procedures As required by Rule 13a-15 under the Securities Exchange Act of 1934, as amended (the â€œExchange Actâ€), we carried out an evaluation under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures as of the end of the period covered by this report. Based upon their evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, solely as a result of the material weaknesses identified by management and described below, our disclosure controls and procedures were not effective to ensure that material information relating to the Company required to be disclosed by the Company in reports we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms and to ensure that such information is accumulated and communicated to management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure. In designing and evaluating our disclosure controls and procedures, our management recognized that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurances of achieving the desired control objectives, and management necessarily was required to apply its judgment in designing and evaluating the controls and procedures. We continue to review our disclosure controls and procedures, and our internal control over financial reporting, and may from time to time make changes aimed at enhancing their effectiveness and to ensure that our systems evolve with our business. Changes in Internal Control over Financial Reporting Except for the material weaknesses identified by management and described below, there were no changes in our internal control over financial reporting during the quarter ended August 31, 2024 that have materially affected, or that are reasonably likely to materially affect, our internal control over financial reporting. Managementâ€™s Responsibility for Financial Statements Our management is responsible for the preparation, integrity and objectivity of our Consolidated Financial Statements and other financial information contained in our Annual Report on Form 10-K. Those Consolidated Financial Statements were prepared in conformity with accounting principles generally accepted in the United States. In preparing those Consolidated Financial Statements, management was required to make certain estimates and judgments, which are based upon currently available information and managementâ€™s view of current conditions and circumstances. The Audit Committee of our Board of Directors, which consists solely of independent directors, oversees our process of reporting financial information and the audit of our Consolidated Financial Statements. The Audit Committee stays informed of our financial condition and regularly reviews managementâ€™s financial policies and procedures, the independence of our independent auditors, our internal control over financial reporting and the objectivity of our financial reporting. Our independent registered public accounting firm has full access to the Audit Committee and meets with the Audit Committee periodically, both with and without management present. We have retained Ernst & Young LLP, an independent registered public accounting firm, to audit our Consolidated Financial Statements found in this Annual Report on Form 10-K for the year ended August 31, 2024. We have made available to Ernst & Young LLP all of our financial records and related data in connection with their audit of our Consolidated Financial Statements. 73 Â Managementâ€™s Report on Internal Control Over Financial Reporting Our management is responsible for establishing and maintaining adequate internal control over financial reporting. Internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external reporting purposes in accordance with accounting principles generally accepted in the United States. Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Management has assessed the effectiveness of our internal control over financial reporting as of August 31, 2024. In making its assessment, management has utilized the criteria set forth by the Committee of Sponsoring Organizations (â€œCOSOâ€) of the Treadway Commission in Internal Controlâ€”Integrated Framework (2013 Framework). Management concluded that based on its assessment, our internal control over financial reporting was not effective as of August 31, 2024. Material Weakness A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the companyâ€™s annual or interim financial statements will not be prevented or detected on a timely basis. As disclosed in Part II, Item 9A of our Annual Report on Form 10-K for fiscal 2023, we previously identified a material weakness related to deficiencies in our manage change and manage access processes that were not designed and operating effectively. These deficiencies related to our CRM system and affected revenue and receivables as well as a group of legacy applications which affected revenue and receivables, supply inventory and merchandise in service. While we worked during fiscal 2024 to remediate the previously identified material weakness, we were unable to fully remediate the material weakness prior to the end of fiscal 2024 and also identified deficiencies within the manage change and manage access processes related to additional applications. The material weaknesses identified as of the end of fiscal 2024 include design and operating deficiencies in the manage change and manage access processes impacting all financially relevant business processes. Consequently, our automated and manual business process controls that rely upon information from the IT systems were also deemed ineffective because they could have been adversely impacted. Our independent registered accounting firm, Ernst & Young LLP has issued an adverse audit report on the effectiveness of our internal control over financial reporting as of August 31, 2024, which is included in Item 8 of this Annual Report on Form 10-K. As a result of the identification of the material weaknesses, and prior to filing this Annual Report, along with our auditors, we performed further analysis and completed additional procedures intended to ensure our consolidated financial statements for the years ended August 31, 2024 and August 26, 2023 fairly present in all material respects the financial condition, results of operations and cash flows of the Company and have been prepared in accordance with generally accepted accounting principles. Based on these procedures and analysis, and notwithstanding the material weaknesses in our internal control over financial reporting, our management has concluded that our consolidated financial statements and related notes thereto included in this Annual Report fairly present in all material respects the financial condition, results of operations and cash flows of the Company and have been prepared in accordance with generally accepted accounting principles. Our Chief Executive Officer and Chief Financial Officer have certified that, based on each such officerâ€™s knowledge, the financial statements, as well as the other financial information included in this Annual Report, fairly present in all material respects the financial condition, results of operations and cash flows of the Company as of, and for, the periods presented in this Annual Report. Ernst & Young LLP has issued an unqualified opinion on our financial statements, which is included in Part IV of this Annual Report on Form 10-K. Remediation Our management is committed to maintaining a strong internal control environment. In response to the material weaknesses described above, management is continuing to take actions to remediate the material weaknesses in internal control over financial reporting. The intended remediation actions include: (i) reassessing and redesigning our manage change and manage access processes and controls, (ii) enhancing oversight and involvement from our recently created business controls group, (iii) strengthening our internal policies related to ITGCs, (iv) enhancing training and awareness programs addressing ITGCs and policies, including further education of control owners regarding the principles and requirements of each control, (v) implementing an Identity and Access Management (IAM) system, which will provide enhanced control over the provisioning of user access 74 Â management, and (vi) onboarding our new CITO during the first quarter of fiscal 2025, who will oversee and inform the remediation actions. We believe that these actions, when fully implemented, will remediate the material weaknesses, however, as we continue to evaluate and improve the applicable controls, management may determine that additional remediation measures are required. The material weaknesses will not be considered remediated until applicable controls operate for a sufficient period of time and management has concluded, through testing, that these controls are operating effectively. Management is committed to successfully remediating the material weaknesses as promptly as possible.Â 75 Â Report of Independent Registered Public Accounting Firm To the Shareholders and the Board of Directors of UniFirst Corporation Opinion on Internal Control over Financial Reporting We have audited UniFirst Corporation and subsidiariesâ€™ internal control over financial reporting as of August 31, 2024, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 Framework) (the COSO criteria). In our opinion, because of the effect of the material weaknesses described below on the achievement of the objectives of the control criteria, UniFirst Corporation (and subsidiaries) (the Company) has not maintained effective internal control over financial reporting as of August 31, 2024, based on the COSO criteria. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the companyâ€™s annual or interim financial statements will not be prevented or detected on a timely basis. The following material weaknesses have been identified and included in managementâ€™s assessment. Management has identified material weaknesses related to ineffective information technology (â€œITâ€) controls over user access and change management related to the IT systems that support all financially relevant business processes. Consequently, automated and IT dependent manual business process and transactional controls that are affected by the relevant IT systems were deemed ineffective. We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of August 31, 2024 and August 26, 2023, the related consolidated statements of income, comprehensive income, shareholdersâ€™ equity and cash flows for each of the three years in the period ended August 31, 2024, and the related notes and the financial statement schedule listed in the Index at Item 15(a) of the Company. The material weaknesses were considered in determining the nature, timing and extent of audit tests applied in our audit of the fiscal 2024 consolidated financial statements, and this report does not affect our report dated November 14, 2024, which expressed an unqualified opinion thereon. Basis for Opinion The Companyâ€™s management is responsible for maintaining effective internal control over financial reporting and for

its assessment of the effectiveness of internal control over financial reporting included in the accompanying Managementâ€™s Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Companyâ€™s internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB. We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Â Our audit included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.Â Definition and Limitations of Internal Control Over Financial Reporting A companyâ€™s internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A companyâ€™s internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the companyâ€™s assets that could have a material effect on the financial statements. 76 Â Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. /s/ Ernst & Young LLP Boston, Massachusetts November 14, 2024 77 Â ITEM 9B. OTHER INFORMATION Â On July 15, 2024, David Katz, Executive Vice President, Operations of the Company, adopted a trading arrangement for the sale of the Companyâ€™s Common Stock (the â€œKatz Trading Planâ€) that is intended to satisfy the affirmative defense conditions of Securities Exchange Act Rule 10b5-1(c). The Katz Trading Plan, which has a term expiring on October 1, 2025, provides for the sale of up to 2,667 shares of Common Stock pursuant to its terms.Â On August 16, 2024, Steven S. Sintros, President and Chief Executive Officer of the Company, adopted a trading arrangement for the sale of the Companyâ€™s Common Stock (the â€œSintros Trading Planâ€) that is intended to satisfy the affirmative defense conditions of Securities Exchange Act Rule 10b5-1(c). The Sintros Trading Plan, which has a term expiring on October 31, 2025, provides for the sale of up to 3,207 shares of Common Stock pursuant to its terms. Â ITEM 9C. DISCLOSURE REGARDING FOREIGN JURISDICTIONS THAT PREVENT INSPECTIONS Â Not applicable. PART III ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE We have adopted a Statement of Corporate Policy and Code of Business Conduct and Ethics, which applies to our directors and all of our employees, including our principal executive officer, principal financial officer, principal accounting officer and corporate controller. Our Statement of Corporate Policy and Code of Business Conduct and Ethics is available, free of charge, on our website at www.unifirst.com. Information contained on our website is not part of this Annual Report on Form 10-K or the documents incorporated by reference into this Annual Report on Form 10-K. We intend to disclose any amendment to or waiver of a provision of the Statement of Corporate Policy and Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer or controller by posting such information on our website at www.unifirst.com. Information regarding our directors and executive officers required by this Item 10 will be included in our definitive Proxy Statement to be filed with the SEC for our 2025 Annual Meeting of Shareholders and is incorporated by reference into this Item 10. Certain information required by this Item 10 is set forth in Item 1 of this Annual Report on Form 10-K under the heading â€œExecutive Officersâ€. ITEM 11. This Insider Trading Policy (the â€œInsider Trading Policyâ€) is designed to prevent insider trading or the appearance of impropriety, to satisfy the Companyâ€™s obligation to reasonably supervise the activities of Company personnel, and to help Company personnel avoid the severe consequences associated with violations of insider trading laws. It is your obligation to understand and comply with this Insider Trading Policy. PART I. OVERVIEWA. To Whom does this Insider Trading Policy Apply?This Insider Trading Policy is applicable to the Companyâ€™s directors, officers and employees, and applies to any and all transactions by such persons and their Affiliated Persons (as defined below) in the Companyâ€™s securities, including its common stock, options to purchase common stock, stock appreciation rights, any other type of securities that the Company may issue (such as preferred stock, convertible debentures, warrants, exchange-traded options or other derivative securities), and any derivative securities that provide the economic equivalent of ownership of any of the Companyâ€™s securities or an opportunity, direct or indirect, to profit from any change in the value of the Companyâ€™s securities.In addition, all directors, officers required to file reports with the Securities and Exchange Commission (the â€œSECâ€) pursuant to Section 16 of the Securities Exchange Act of 1934, as amended (the â€œExchange Actâ€)), and certain other designated employees must comply with the Companyâ€™s Special Trading Procedures for Insiders (the â€œTrading Proceduresâ€). Generally and among other matters, the Trading Procedures establish trading windows outside of which the persons covered by the Trading Procedures will be restricted from trading in the Companyâ€™s securities. You will be notified if you are required to comply with the Trading Procedures. This Insider Trading Policy, including, if applicable, the Trading Procedures referenced herein, also applies to the following persons (collectively, these persons and entities are referred to as â€œAffiliated Personsâ€):â€¢your spouse, child, parent, significant other or other family member, in each case, living in the same household;â€¢all trusts, family partnerships and other types of entities formed for your benefit or for the benefit of a member of your family over which you have the ability to influence or direct investment decisions concerning securities; Â ACTIVE/106766514.9 Â Â â€¢all persons who execute trades on your behalf; andâ€¢all investment funds, trusts, retirement plans, partnerships, corporations and other types of entities over which you have the ability to influence or direct investment decisions concerning securities.You are responsible for ensuring compliance with this Insider Trading Policy, including as applicable the Trading Procedures referenced herein, by all of your Affiliated Persons. In the event that you leave the Company for any reason, this Insider Trading Policy, including, if applicable, the Trading Procedures referenced herein, will continue to apply to you and your Affiliated Persons until the later of: (1) the second trading day following the public release of earnings for the fiscal quarter in which you leave the Company or (2) the second trading day after any material nonpublic information known to you has become public or is no longer material.B. What is Prohibited by this Insider Trading Policy?It is generally illegal for you to trade in the securities of the Company, whether for your account or for the account of another, while in the possession of material, nonpublic information about the Company. It is also generally illegal for you to disclose material, nonpublic information about the Company to others who may trade on the basis of that information. These illegal activities are commonly referred to as â€œinsider trading.â€ When you know or are in possession of material, nonpublic information about the Company, whether positive or negative, you are prohibited from the following activities:â€¢trading (whether for your account or for the account of another) in the Companyâ€™s securities, which includes common stock, options to purchase common stock, stock appreciation rights, any other type of securities that the Company may issue (such as preferred stock, convertible debentures, warrants, exchange-traded options or other derivative securities), and any derivative securities that provide the economic equivalent of ownership of any of the Companyâ€™s securities or an opportunity, direct or indirect, to profit from any change in the value of the Companyâ€™s securities, except for trades made in compliance with the affirmative defense of Rule 10b5-1 under the Exchange Act, such as when trades are made pursuant to a written plan that was adopted, or trading instructions that were given, before you knew or had possession of such material, nonpublic information and certain other conditions are satisfied;â€¢giving trading advice of any kind about the Company; andâ€¢disclosing such material, nonpublic information about the Company, whether positive or negative, to anyone else (commonly known as â€œtippingâ€).This Insider Trading Policy does not apply to: (1) an exercise of an employee stock option when payment of the exercise price is made in cash or (2) the withholding by the Company of shares of stock upon vesting of restricted stock or upon settlement of restricted stock units to satisfy applicable tax withholding requirements if (a) such withholding is required 2Â ACTIVE/106766514.9 Â Â by the applicable plan or award agreement or (b) the election to exercise such tax withholding right was made in compliance with the Trading Procedures. The policy does apply, however, to: the use of outstanding Company securities to pay part or all of the exercise price of an option, any sale of stock as part of a broker-assisted cashless exercise of an option or any other market sale for the purpose of generating the cash needed to pay the exercise price of an option.These prohibitions continue whenever and for as long as you know or are in possession of material, nonpublic information. Remember, anyone scrutinizing your transactions will be doing so after the fact, with the benefit of hindsight. As a practical matter, before engaging in any transaction, you should carefully consider how enforcement authorities and others might view the transaction in hindsight. C. What is Material, Nonpublic Information?This Insider Trading Policy prohibits you from trading in the Companyâ€™s securities if you are in possession of information about the Company that is both â€œmaterialâ€ and â€œnonpublic.â€ If you have a question whether certain information you are aware of is material or has been made public, you are encouraged to consult with the Compliance Officers (as defined below).â€œMaterialâ€ InformationInformation about the Company is â€œmaterialâ€ if it could reasonably be expected to affect the investment or voting decisions of a stockholder or investor, or if the disclosure of the information could reasonably be expected to significantly alter the total mix of information in the marketplace about the Company. In simple terms, material information is any type of information that could reasonably be expected to affect the market price of the Companyâ€™s securities. Both positive and negative information may be material. While it is not possible to identify all information that would be deemed â€œmaterial,â€ the following items are types of information that should be considered carefully to determine whether they are material:â€¢projections of future earnings or losses, or other earnings guidance;â€¢earnings or revenue that are inconsistent with the consensus expectations of the investment community;â€¢potential restatements of the Companyâ€™s financial statements, changes in auditors or auditor notification that the Company may no longer rely on an auditorâ€™s audit report;â€¢pending or proposed corporate mergers, acquisitions, tender offers, joint ventures or dispositions of significant assets;â€¢changes in management or the Board of Directors;â€¢significant actual or threatened litigation or governmental investigations or major developments in such matters;â€¢a cybersecurity incident; 3Â ACTIVE/106766514.9 Â Â â€¢significant developments regarding products, services, customers, suppliers, orders, contracts or financing sources (e.g., the acquisition or loss of a contract);â€¢changes in dividend policy, declarations of stock splits, or public or private sales of additional securities; â€¢potential defaults under the Companyâ€™s credit agreements or the existence of material liquidity deficiencies; andâ€¢bankruptcies or receiverships.By including the list above, the Company does not mean to imply that each of these items above is per se material. The information and events on this list still require determinations as to their materiality (although some determinations will be reached more easily than others). For example, some new contracts may clearly be material to an issuer; yet that does not mean that all contracts will be material. This demonstrates, in our view, why no â€œbright-lineâ€ standard or list of items can adequately address the range of situations that may arise. Furthermore, the Company cannot create an exclusive list of events and information that have a higher probability of being considered material.The SEC has stated that there is no fixed quantitative threshold amount for determining materiality, and that even very small quantitative changes can be qualitatively material if they would result in a movement in the price of the Companyâ€™s securities. â€œNonpublicâ€ InformationMaterial information is â€œnonpublicâ€ if it has not been disseminated in a manner making it available to investors generally. To show that information is public, it is necessary to point to some fact that establishes that the information has become publicly available, such as the filing of a report with the SEC, the distribution of a press release through a widely disseminated news or wire service, or by other means that are reasonably designed to provide broad public access. Before a person who possesses material, nonpublic information can trade, there also must be adequate time for the market as a whole to absorb the information that has been disclosed. For the purposes of this Insider Trading Policy, information will be considered public after the close of trading on the second full trading day following the Companyâ€™s public release of the information.For example, if the Company announces material nonpublic information of which you are aware before trading begins on a Tuesday, the first time you can buy or sell Company securities is the opening of the market on Thursday. However, if the Company announces this material information after trading begins on that Tuesday, the first time that you can buy or sell Company securities is the opening of the market on Friday.D. What are the Penalties for Insider Trading and Noncompliance with this Insider Trading Policy?Both the SEC and the national securities exchanges, through the Financial Industry Regulatory Authority (â€œFINRAâ€), investigate and are very effective at detecting insider trading. 4Â ACTIVE/106766514.9 Â Â The SEC, together with the U.S. Attorneys, pursue insider trading violations vigorously. For instance, cases have been successfully prosecuted against trading by employees in foreign accounts, trading by family members and friends, and trading involving only a small number of shares.The penalties for violating insider trading or tipping rules can be severe and include: â€¢disgorgement of the profit gained or loss avoided by the trading;â€¢payment of the loss suffered by the persons who, contemporaneously with the purchase or sale of securities that are subject of such violation, have purchased or sold, as applicable, securities of the same class;â€¢payment of criminal penalties of up to $5,000,000; â€¢payment of civil penalties of up to three times the profit made or loss avoided; andâ€¢imprisonment for up to 20 years.The Company and/or the supervisors of the person engaged in insider trading may also be required to pay civil penalties of up to the greater of $2,559,314 or three times the profit made or loss avoided, as well as criminal penalties of up to $25,000,000, and could under certain circumstances be subject to private lawsuits.Violation of this Insider Trading Policy or any federal or state insider trading laws may subject the person violating such policy or laws to disciplinary action by the Company up to and including termination. The Company reserves the right to determine, in its own discretion and on the basis of the information available to it, whether this Insider Trading Policy has been violated. The Company may determine that specific conduct violates this Insider Trading Policy, whether or not the conduct also violates the law. It is not necessary for the Company to await the filing or conclusion of a civil or criminal action against the alleged violator before taking disciplinary action.E. How Do You Report a Violation of this Insider Trading Policy?If you have a question about this Insider Trading Policy, including whether certain information you are aware of is material or has been made public, you are encouraged to consult with the Companyâ€™s Chief Executive Officer or Chief Financial Officer (individually a â€œCompliance Officer,â€ and together, the â€œCompliance Officersâ€). In addition, if you violate this Insider Trading Policy or any federal or state laws governing insider trading, or know of any such violation by any director, officer or employee of the Company, you should report the violation immediately to a Compliance Officer.PART II. ACKNOWLEDGEMENTThis Insider Trading Policy will be delivered to all directors, officers and employees at the start of their employment or relationship with the Company. 5Â ACTIVE/106766514.9 Â By clicking on the â€œAcknowledge and Agreeâ€ button at the top of this page, and in the pop-up screen that will follow, I hereby acknowledge that I have read, that I understand, and that I agree to comply with, the Insider Trading Policy for UniFirst Corporation (the â€œCompanyâ€). I further acknowledge and agree that I am responsible for ensuring compliance with the Insider Trading Policy by all of my â€œAffiliated Persons.â€ I also understand and agree that I will be subject to sanctions, including termination of employment, that may be imposed by the Company, in its sole discretion, for violation of the Insider Trading Policy, and that the Company may give stop-transfer and other instructions to the Companyâ€™s transfer agent against the transfer of any Company securities in a transaction that the Company considers to be in contravention of the Insider Trading Policy.All directors, officers and employees will be required upon the Companyâ€™s request to re-acknowledge and agree to comply with the Insider Trading Policy (including any amendments or modifications). * * *Questions regarding this Insider Trading Policy are encouraged and may be directed to the Compliance Officers.Â ADOPTED: July 11, 2024EFFECTIVE: July 11, 2024 6Â EX-19.2 3 unf-ex19_2.htm EX-19.2 EX-19.2 ACTIVE/106925514.8Â Â UNIFIRST CORPORATIONÂ SPECIAL TRADING PROCEDURES FOR INSIDERSÂ To comply with federal and state securities laws governing insider trading, UniFirst Corporation (the â€œCompanyâ€) has adopted these Special Trading Procedures for Insiders (the â€œTrading Proceduresâ€) in addition to, and to supplement, the Companyâ€™s Insider Trading Policy (the â€œInsider Trading Policyâ€), which is distributed to all directors, officers and employees of the Company.Â â€¢SCOPEÂ These Trading Procedures regulate securities trades by members of the Companyâ€™s Board of Directors, officers required to file reports with the Securities and Exchange Commission (the â€œSECâ€) pursuant to Section 16 of the Securities Exchange Act of 1934, as amended (the â€œExchange Actâ€)), and certain other designated employees of the Company (collectively, â€œInsidersâ€) who in the ordinary course of the performance of their duties have access to material, nonpublic information regarding the Company. These Trading Procedures also apply to the following persons (collectively, these persons and entities are referred to as â€œAffiliated Personsâ€):Â â€¢an Insiderâ€™s spouse, child, parent, significant other or other family member, in each case, living in the same household;Â â€¢all trusts, family partnerships and other types of entities formed for the benefit of the Insider or the Insiderâ€™s family members over which the Insider has the ability to influence or direct investment decisions concerning securities;Â â€¢all persons who execute trades on behalf of the Insider; andâ€¢all investment funds, trusts, retirement plans, partnerships, corporations and other types of entities over which the Insider has the ability to influence or direct investment decisions concerning securities.Â Insiders are responsible for ensuring compliance with these Trading Procedures and the Insider Trading Policy by all of their Affiliated Persons. Unless the context otherwise requires, references to â€œInsidersâ€ in these Trading Procedures refer collectively to Insiders and their Affiliated Persons.Â These Trading Procedures apply to any and all transactions in the Companyâ€™s securities, including its Common Stock, Class B Common Stock, options to purchase Common Stock, any other type of securities that the Company may issue (such as preferred stock, convertible debentures, warrants, exchange-traded options or other derivative securities), and any derivative securities that provide the economic equivalent of ownership of any of the Companyâ€™s securities or an opportunity, direct or indirect, to profit from any change in the value of the Companyâ€™s securities.Â The special trading restrictions set forth in these Trading Procedures continue to apply to Insiders following the termination of any such Insiderâ€™s service to, or employment with, the Company until any material, nonpublic information possessed by such Insider has become public or is no longer material.Â ACTIVE/106925514.8Â â€¢SPECIAL TRADING RESTRICTIONS APPLICABLE TO INSIDERSÂ Please see the Insider Trading Policy for a description of prohibited activities applicable to all directors, officers and employees of the Company, including Insiders. In particular, no Insider may trade in any type of securities of the Company if such Insider is in possession of material, nonpublic information about the Company, unless the trade has been effected in compliance with a pre-approved Rule 10b5-1 Plan (as defined in Section D of these Trading Procedures). This prohibition applies even if such Insider receives pre-clearance and the transaction would occur during a trading window in accordance with these Trading Procedures.Â Please see the Insider Trading Policy for a discussion of what constitutes â€œinsider tradingâ€ as well as â€œmaterialâ€ and â€œnonpublicâ€ information, and for a discussion of civil, criminal and disciplinary actions that can result from insider trading and noncompliance with the Insider Trading Policy or these Trading Procedures. The Company has designated its Chief Executive Officer and its Chief Financial Officer as its Insider Trading Compliance Officers (each, a â€œCompliance Officer,â€ and together, the â€œCompliance Officersâ€). Any Insiders who are unsure whether the information that they possess is material or nonpublic should consult either of the Compliance Officers for guidance.Â In addition to the restrictions on trading in Company securities set forth in the Insider Trading Policy, Insiders are subject to the following special trading restrictions:Â 1.No Trading Except During Trading Windows.Â The announcement of the Companyâ€™s quarterly or annual financial results almost always has the potential to have a material effect on the market for the Companyâ€™s securities. Although an Insider may not know the financial results prior to public announcement, if an Insider engages in a trade before the financial results are disclosed to the public, such trades may give an appearance of impropriety that could subject the Insider and the Company to a charge of insider trading. Therefore, subject to limited exceptions, Insiders may trade in Company securities only during four quarterly trading windows and then only after obtaining pre-clearance from a Compliance Officer in accordance with the procedures set forth below. Unless otherwise advised, the four trading windows consist of the periods that begin after market close on the second full trading day following the Companyâ€™s issuance of a press release (or other method of broad public dissemination) announcing its quarterly or annual earnings and end at the close of business on the fifteenth (15th) day before the end of the then-current quarter. For example, if the Company issues its earnings release on a Wednesday morning prior to the open of trading on the New York Stock Exchange, which is 9:30 a.m. Eastern time, the trading window will open after the market closes on Thursday, which is 4:00 p.m. Eastern time (assuming both days are trading days).Â Insiders may be allowed to trade outside of a trading window only (a) pursuant to a pre- approved Rule 10b5-1 Plan as described in Section D of these Trading Procedures or (b) in accordance with the procedure for waivers described in Section E of these Trading Procedures.Â 2.All Trades Must be Pre-Cleared by a Compliance Officer.Â No Insider may trade in Company securities unless the trade has been approved by a Compliance Officer in

accordance with the procedures set forth below. The Compliance Officer will review and either approve or prohibit all proposed trades by Insiders in accordance with the proceduresÂ ACTIVE/106925514.8Â set forth in Section C below. The Compliance Officer may consult with the Companyâ€™s other officers and/or outside legal counsel and will receive approval for the Compliance Officerâ€™s own trades from the other Compliance Officer.Â 3.No Short Sales.Â No Insider may at any time sell any securities of the Company that are not owned by such Insider at the time of the sale (a â€œshort saleâ€).Â 4.No Purchases or Sales of Derivative Securities or Hedging Transactions.Â No Insider may buy or sell puts, calls, other derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Companyâ€™s securities or an opportunity, direct or indirect, to profit from any change in the value of the Companyâ€™s securities or engage in any other hedging transaction with respect to the Companyâ€™s securities, at any time.Â 5.No Company Securities Subject to Margin Calls.Â No Insider may use the Companyâ€™s securities as collateral in a margin account or purchase any securities of the Company on â€œmarginâ€ (i.e., with money borrowed from a bank, brokerage firm, or other person for the purpose of purchasing securities).Â 6.No Pledges Without Pre-Approval.Â No Insider may pledge Company securities as collateral for a loan (or modify an existing pledge) unless the pledge has been approved by the Compensation Committee of the Board of Directors. Any request for approval of such a pledge by an Insider must be submitted to the Compensation Committee in writing at least two (2) weeks prior to the proposed execution of documents evidencing the proposed pledge. Any such request submitted by an Insider will be considered by the Compensation Committee on a case-by-case basis and, if permitted, shall be subject to all of the other restrictions on trading in the Companyâ€™s securities set forth in these Trading Procedures.Â 7.Gifts Subject to Same Restrictions as All Other Securities Trades.Â No Insider may give or make any other transfer of Company securities without consideration (e.g., a gift) during a period when the Insider is not permitted to trade.Â â€¢PRE-CLEARANCE PROCEDURESÂ Procedures. No Insider may trade in Company securities until:Â â€¢The Insider has notified a Compliance Officer by electronic mail of the amount and nature of the proposed trade(s). In order to provide adequate time for the preparation of any required reports under Section 16 of the Exchange Act, such notification should, if practicable, be received by a Compliance Officer at least two (2) business days prior to the Â ACTIVE/106925514.8Â intended trade date;â€¢The Insider has certified to a Compliance Officer by electronic mail or other writing prior to the proposed trade(s) that the Insider is not in possession of material, nonpublic information concerning the Company;Â ACTIVE/106925514.8Â Â â€¢The Insider has informed a Compliance Officer whether, to the Insiderâ€™s best knowledge,(a)the Insider has (or is deemed to have) engaged in any opposite way transactions within the previous six months that were not exempt from Section 16(b) of the Exchange Act and(b)if the transaction involves a sale by an â€œaffiliateâ€ of the Company or of â€œrestricted securitiesâ€ (as such terms are defined under Rule 144 under the Securities Act of 1933, as amended (â€œRule 144â€)), whether the transaction meets all of the applicable conditions of Rule 144. If the Insiderâ€™s notification does not address â€œ(a)â€ or â€œ(b)â€ above, the Insider shall be deemed to be informing the Compliance Officer that, to the Insiderâ€™s best knowledge, the Insider has not, or has not been deemed to have, engaged in any such opposite way transactions and that if applicable, the Insiderâ€™s proposed transaction meets all of the applicable conditions of Rule 144; andÂ â€¢A Compliance Officer or his or her designee has approved the trade(s) and has certified such approval in writing. Such certification may be made via electronic mail.Â A Compliance Officer does not assume the responsibility for, and approval from a Compliance Officer does not protect the Insider from, the consequences of prohibited insider trading.Â Additional Information. Insiders shall provide to a Compliance Officer any documentation reasonably requested by him or her in furtherance of the foregoing procedures. Any failure to provide such requested information will be grounds for denial of approval by a Compliance Officer.Â No Obligation to Approve Trades. The existence of the foregoing approval procedures does not in any way obligate a Compliance Officer to approve any trade requested by an Insider. A Compliance Officer may reject any trading request at his or her sole discretion. From time to time, an event may occur that is material to the Company and is known by only a few directors or executives. So long as the event remains material and nonpublic, a Compliance Officer may determine not to approve any transactions in the Companyâ€™s securities. If an Insider requests clearance to trade in the Companyâ€™s securities during the pendency of such an event, a Compliance Officer may reject the trading request without disclosing the reason.Â Completion of Trades. After receiving written clearance to engage in a trade signed by a Compliance Officer, an Insider must complete the proposed trade within three (3) business days after the date of written clearance or make a new trading request. For example, if an Insider receives written approval at any time on a Tuesday, an Insider must complete the proposed trade by the end of the Friday immediately after such Tuesday (assuming that each of Tuesday, Wednesday, Thursday and Friday is a business day).Â Post-Trade Reporting. Any transactions in the Companyâ€™s securities by an Insider (including transactions effected pursuant to a Rule 10b5-1 Plan) must be reported to a Compliance Officer on the same day in which such a transaction occurs. Compliance by directors and executive officers with this provision is imperative given the requirement of Section 16 of the Exchange Act that these persons generally must report changes in ownership of Company securities to the SEC within two (2) business days. For example, with respect to a director or officer that is subject to the reporting requirements of Section 16 of the Exchange Act, if a trade occurs on a Wednesday, the director or executive officer isÂ ACTIVE/106925514.8Â required to file a report with the SEC no later than Friday at 10:00 p.m. (assuming that each of Wednesday, Thursday and Friday is a business day). The sanctions for noncompliance with this reporting deadline include mandatory disclosure in the Companyâ€™s proxy statement for the next annual meeting of stockholders, as well as possible civil or criminal sanctions for chronic or egregious violators.Â Each such report an Insider makes to a Compliance Officer should include the date of the transaction, the nature of the transaction (i.e., purchase, sale, exercise, etc.) quantity of shares, price and broker-dealer through which the transaction was effected. This reporting requirement may be satisfied by sending (or having such Insiderâ€™s broker send) duplicate confirmations of trades to a Compliance Officer if such information is received by a Compliance Officer on or before the required date. This requirement is in addition to any required notification that the Company receives from the broker who completes the trade.Â â€¢EXEMPTIONSÂ Pre-Approved Rule 10b5-1 Plan. Transactions effected pursuant to a Rule 10b5-1 plan that is pre-approved by a Compliance Officer will not be subject to the Companyâ€™s trading windows, and the Pre-Clearance Procedures above shall not apply to the individual transactions made pursuant to such pre-approved Rule 10b5-1 plan. Rule 10b5-1 of the Exchange Act provides an affirmative defense from insider trading liability under the federal securities laws for trading plans that meet certain requirements. A trading plan, arrangement or instruction that meets the requirements of Rule 10b5-1 (a â€œRule 10b5-1 Planâ€) enables Insiders to establish arrangements to trade in Company securities outside of the Companyâ€™s trading windows, even when in possession of material, nonpublic information.Â Rule 10b5-1 Plan Requirements. Officers that are required to file reports with the SEC pursuant to Section 16 of the Exchange Act may sell securities of the Company only pursuant to a Rule 10b5-1 Plan.Â If an Insider intends to trade pursuant to a Rule 10b5-1 Plan, such plan must:Â â€¢Rule 10b5-1 Requirements: satisfy the requirements of Rule 10b5-1;â€¢In Writing: be documented in writing;â€¢Timing of Establishment: be established during a trading window when such Insider does not possess material, nonpublic information. In connection with the establishment of any such Rule 10b5-1 Plan, the Insider must certify to a Compliance Officer by electronic mail or other writing prior to such establishment that the Insider is not in possession of material, nonpublic information concerning the Company;Â â€¢Waiting Period:â€¢for directors and for officers required to file reports with the SEC pursuant to Section 16 of the Exchange Act: provide that the first transaction executed pursuant to the Rule 10b5-1 Plan may not occur until the later of (i) the 91st day after adoption, amendment or modification of the plan, as applicable, and (ii) theÂ ACTIVE/106925514.8Â third business day following the disclosure of the Companyâ€™s financial results in a Form 10-Q or Form 10-K for the fiscal quarter in which the plan was adopted, amended or modified. With respect to the period described in clause (ii), the required cooling off period need not exceed 120 days.Â â€¢for other Insiders: provide that the first transaction executed pursuant to the Rule 10b5-1 Plan may not occur until 45 days following adoption, amendment or modification of the plan.Â â€¢Plan Term: have a term of at least 12 months;â€¢Only One Plan in Effect at Any Time: Unless otherwise approved by a Compliance Officer in situations where having multiple plans in place at one time is permissible under the provisions of Rule 10b5-1, an Insider may have only one Rule 10b5-1 Plan in effect at any time. However, an Insider may adopt a new Rule 10b5-1 Plan to replace an existing Rule 10b5-1 Plan before the scheduled termination date of such existing Rule 10b5-1 Plan so long as the new Rule 10b5-1 Plan does not become effective prior to the completion or expiration of transactions under the existing Rule 10b5-1 Plan, in all cases consistent with Rule 10b5-1, and the new Rule 10b5-1 Plan must comply with the cooling off period and other requirements of these Trading Procedures; andÂ â€¢Compliance Officer Approval: be pre-approved by a Compliance Officer.Any deviation from, or alteration to, the specifications of an approved Rule 10b5-1 Plan (including, without limitation, the amount, price or timing of a purchase or sale) may only be made during a trading window when such Insider does not possess material, nonpublic information. Such deviation or alteration will constitute termination of the Rule 10b5-1 Plan and adoption of a new Rule 10b5-1 Plan, which must be approved by a Compliance Officer and will be subject to the requirements (including the waiting period requirements) set forth above.Â During any 12-month period, an Insider may only enter into one Rule 10b5-1 Plan that is designed to effect the purchase or sale or other transfer of the total amount of the Companyâ€™s securities covered by the Rule 10b5-1 Plan in a single transaction; provided, however, an Insider may have in place an additional non-concurrent single-trade Rule 10b5-1 Plan during this same 12-month period in connection with sell-to-cover transactions as necessary to satisfy tax withholding obligations incident to the vesting of a compensatory award from the Company and where the Insider does not control the timing of such sales.Â A Compliance Officer may refuse to approve a Rule 10b5-1 Plan as he or she deem appropriate including, without limitation, if he or she determines that such plan does not satisfy the requirements above, including, without limitation, the requirements of Rule 10b5-1. A Compliance Officer may consult with the Companyâ€™s legal counsel before approving a Rule 10b5-1 Plan. If a Compliance Officer does not approve an Insiderâ€™s Rule 10b5-1 Plan, such Insider must adhere to the pre-clearance procedures and trading windows set forth above until such time as a Rule 10b5-1 Plan is approved.Â Employee Benefit Plans.Â 1.Exercise of Stock Options. The trading prohibitions and restrictions set forth in these Trading Â ACTIVE/106925514.8Â Procedures do not apply to the exercise of an option to purchase securities of the CompanyÂ ACTIVE/106925514.8Â when payment of the exercise price is made in cash. However, the exercise of an option to purchase securities of the Company is subject to the current reporting requirements of Section 16 of the Exchange Act and, therefore, Insiders must comply with the post-trade reporting requirement described in Section C for any such transaction. In addition, the securities acquired upon the exercise of an option to purchase Company securities are subject to all of the requirements of these Trading Procedures and the Insider Trading Policy. Moreover, these Trading Procedures apply to the use of outstanding Company securities to constitute all or part of the exercise price of an option, any net option exercise, any exercise of a stock appreciation right, share withholding, any sale of stock as part of a broker-assisted cashless exercise of an option, or any other market sale for the purpose of generating the cash needed to pay the exercise price of an option.Â 2.Tax Withholding on Restricted Stock/Units or Stock Appreciation Rights. The trading prohibitions and restrictions set forth in these Trading Procedures do not apply to the withholding by the Company of shares of stock upon vesting of restricted stock or upon settlement of restricted stock units or stock appreciation rights to satisfy applicable tax withholding requirements if (a) such withholding is required by the applicable plan or award agreement or (b) the election to exercise such tax withholding right was made by the Insider in compliance with these Trading Procedures.Â â€¢WAIVERSÂ A waiver of any provision of these Trading Procedures in a specific instance may be authorized in writing by either Compliance Officer or his or her designee.Â â€¢ACKNOWLEDGMENTÂ In addition to the Companyâ€™s Insider Trading Policy, these Trading Procedures will be delivered to all current Insiders and to all new Insiders at the start of their employment or relationship with the Company. Upon first receiving a copy of these Trading Procedures, each Insider must acknowledge that they have received a copy and agree to comply with the terms of these Trading Procedures and the Insider Trading Policy.Â This acknowledgment and agreement will constitute consent for the Company to impose sanctions for violation of the Insider Trading Policy and these Trading Procedures, and to issue any necessary stop-transfer orders to the Companyâ€™s transfer agent to ensure compliance. Sanctions for individuals employed by the Company may include demotion or other disciplinary actions, including termination of employment if the Company believes these Trading Procedures have been violated.Insiders may be required by the Company to periodically certify continued compliance with these Trading Procedures.Â Insiders will be required upon the Companyâ€™s request to re-acknowledge and agree to comply with these Trading Procedures and the Insider Trading Policy (including any amendments or modifications). The Company may change these Trading Procedures or adopt such other procedures in the future which it considers appropriate to carry out the purposes of its Insider Trading Policy.Â ACTIVE/106925514.8Â By clicking on the â€œAcknowledge and Agreeâ€ button at the top of this page, and in the pop-up screen that will follow, I hereby acknowledge that I have read, that I understand, and that I agree to comply with, the Special Trading Procedures for Insiders (the â€œTrading Proceduresâ€) of UniFirst Corporation (the â€œCompanyâ€). I further acknowledge and agree that I am responsible for ensuring compliance with the Insider Trading Policy and the Trading Procedures by all of my â€œAffiliated Persons.â€ I also understand and agree that I will be subject to sanctions, including, as to employees of the Company, termination of employment, that may be imposed by the Company, in its sole discretion, for violation of the Trading Procedures, and that the Company may give stop-transfer and other instructions to the Companyâ€™s transfer agent against the transfer of any Company securities in a transaction that the Company considers to be in contravention of the Trading Procedures.Â Â Â Failure to observe these Trading Procedures and the Insider Trading Policy could lead to significant legal problems, and could have other serious consequences, including termination of employment. Questions regarding these Trading Procedures or the Insider Trading Policy are encouraged and may be directed to the Compliance Officers.Â Â Adopted by the Board of Directors on: July 12, 2022 Revised by the Board of Directors on: January 10, 2023Â EX-21 4 unf-ex21.htm EX-21 EX-21 Exhibit 21 Â List of subsidiaries of the Company: Â Name of Subsidiary Jurisdiction of Organization or Incorporation Â Â UniFirst Holdings, Inc. Summary of Significant Accounting Policies	12 Months Ended Aug. 31, 2024
Accounting Policies [Abstract]	
Summary of Significant Accounting Policies	

1. Summary of Significant Accounting Policies

Business Description

UniFirst Corporation (the "Company") is one of the leading providers of workplace uniforms and protective clothing in North America. The Company designs, manufactures, personalizes, rents, cleans, delivers, and sells a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. The Company also rents and sells industrial wiping products, floor mats, facility service products and other non-garment items, and provides restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training, to a variety of manufacturers, retailers and service companies.

The Company serves businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, business service companies, soft and durable goods wholesalers, transportation companies, energy producing operations, healthcare providers and others who require employee clothing on the job for image, identification, protection or utility purposes. The Company also provides its customers with restroom and cleaning supplies, including air fresheners, paper products, gloves, masks, hand soaps and sanitizers.

At certain specialized facilities, like nuclear operations, the Company decontaminates and cleans work clothes and other items that may have been exposed to radioactive materials and services special cleanroom protective wear. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utility providers operating nuclear reactors.

As discussed and described in Note 15, "Segment Reporting", to these Consolidated Financial Statements, the Company has five reporting segments: United States ("U.S.") and Canadian Rental and Cleaning, Manufacturing ("MFG"), Specialty Garments Rental and Cleaning ("Specialty Garments"), First Aid and Corporate. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as its "industrial laundry operations" and the locations related to this reporting segment are referred to as "industrial laundries". The Company refers to its U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as its "Core Laundry Operations".

Principles of Consolidation

The Consolidated Financial Statements include the accounts of the Company and its subsidiaries, all of which are wholly-owned. Intercompany balances and transactions are eliminated in consolidation.

Basis of Presentation

The Consolidated Financial Statements included herein have been prepared in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). There have been no material changes in the accounting policies followed by the Company during the current fiscal year other than the adoption of recent accounting pronouncements as discussed in greater detail in the Recent Accounting Pronouncements sub-section of this Note.

Use of Estimates

The preparation of these Consolidated Financial Statements is in conformity with U.S. GAAP which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. The Company utilizes key estimates in preparing the financial statements including casualty and environmental estimates, valuation of intangible assets acquired in a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. The Company's results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates.

Fiscal Year

The Company's fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal year ended August 31, 2024 ("fiscal 2024") consisted of 53 weeks, and fiscal years ended August 26, 2023 ("fiscal 2023") and August 27, 2022 ("fiscal 2022") both consisted of 52 weeks. The additional week was included in the fourth quarter of fiscal 2024.

Cash, Cash Equivalents and Short-Term Investments

Cash, cash equivalents and short-term investments include cash in banks, money market securities and bank short-term investments having original maturities of six months or less. As of August 31, 2024 and August 26, 2023, the Company had $13.5 million and $10.2 million in short-term investments, respectively.

Accounts receivable

Accounts receivable represents amounts due from customers and is presented net of reserves for expected credit losses. The Company utilizes its judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the reserve for expected credit losses. The Company considers specific accounts receivable and historical credit loss experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of its evaluation. When an account is considered uncollectible, it is written off against the reserve for expected credit losses.

The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

(In thousands)	August 31, 2024	August 26, 2023
Beginning balance	$ 6,276	$ 5,930
Current period provision	13,976	10,740
Write-offs and other	(12,336)	(10,394)
Ending balance	$ 7,916	$ 6,276

Financial Instruments

The Company's financial instruments, which may expose the Company to concentrations of credit risk, include cash and cash equivalents, receivables, accounts payable and foreign exchange forward contracts. Each of these financial instruments is recorded at cost, which approximates its fair value given the short maturity of each financial instrument.

Revenue Recognition

In fiscal 2024, approximately 84.2% of the Company's revenues are derived from fees for route servicing of Core Laundry Operations, Specialty Garments and First Aid services performed by the Company's employees at the customer's location of business. Revenues from the Company's route servicing customer contracts represent a single-performance obligation. The Company recognizes these revenues over time as services are performed based on the nature of services provided and contractual rates (input method). Certain of the Company's customer contracts, primarily within the Company's Core Laundry Operations, include pricing terms and conditions that include components of variable consideration. The variable consideration is typically in the form of consideration due to a customer based on performance metrics specified within the contract. Specifically, some contracts contain discounts or rebates that the customer can earn through the achievement of specified volume levels. Each component of variable consideration is earned based on the Company's actual performance during the measurement period specified within the contract. To determine the transaction price, the Company estimates the variable consideration using the most likely amount method, based on the specific contract provisions and known performance results during the relevant measurement period.

When determining if variable consideration should be constrained, the Company considers whether factors outside its control could result in a significant reversal of revenue. In making these assessments, the Company considers the likelihood and magnitude of a potential reversal. The Company's performance period generally corresponds with the monthly invoice period. No significant constraints on the Company's revenue recognition were applied during fiscal 2024, 2023 and 2022. The Company reassesses these estimates during each reporting period.

The Company maintains a liability for these discounts and rebates within accrued liabilities on the Consolidated Balance Sheets. Variable consideration also includes consideration paid to a customer at the beginning of a contract. The Company capitalizes this consideration and amortizes it over the life of the contract as a reduction to revenue in accordance with the accounting guidance for revenue recognition. These assets are included in other assets on the Consolidated Balance Sheets.

The following table presents the Company's revenues for fiscal 2024, 2023 and 2022 disaggregated by service type:

	Year ended					
	2024		2023		2022	
(In thousands, except percentages)	Revenues	% of Revenues	Revenues	% of Revenues	Revenues	% of Revenues
Core Laundry Operations	$ 2,138,948	88.1%	$ 1,961,189	87.8%	$ 1,770,502	88.5%

Specialty Garments	182,212	7.5%	177,034	8.0%	152,885	7.6%
First Aid	106,271	4.4%	94,824	4.2%	77,435	3.9%
Total revenues	$ 2,427,431	100.0%	$ 2,233,047	100.0%	$ 2,000,822	100.0%

The following table presents the Company's percentage of revenues for fiscal 2024, 2023 and 2022 disaggregated by the timing of revenue recognition by service type:

	Year ended					
	2024		2023		2022	
	Over Time	Point in Time	Over Time	Point in Time	Over Time	Point in Time
Core Laundry Operations	88.4%	11.6%	88.4%	11.6%	88.4%	11.6%
Specialty Garments	84.2%	15.8%	83.9%	16.1%	83.8%	16.2%
First Aid	0%	100%	0%	100%	0%	100%

See Note 15, “Segment Reporting” for additional details of segment definitions.

Costs to Obtain a Contract

The Company defers commission expenses paid to its employee-partners when the commissions are deemed to be incremental for obtaining the route servicing customer contract. The deferred commissions are amortized on a straight-line basis over the expected period of benefit. The Company reviews the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when the Company expects to recognize the expense.

The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

Balance Sheet Location	August 31, 2024	August 26, 2023
Prepaid expenses and other current assets	$ 18,079	$ 16,495
Other assets	78,856	70,393

The following table presents the Company's amortization expense related to deferred commissions on the Consolidated Statements of Income for fiscal 2024, 2023 and 2022 are as follows (in thousands):

Income Statement Location	2024	2023	2022
Selling and administrative expenses	$ 18,031	$ 16,500	$ 15,400

Inventories and Rental Merchandise in Service

Inventories are stated at the lower of cost or net realizable value, net of any reserve for excess and obsolete inventory. Work-in-process and finished goods inventories consist of materials, labor and manufacturing overhead. Judgments and estimates are used in determining the likelihood that new goods on hand can be sold to customers or used in rental operations. Historical inventory usage and current revenue trends are considered in estimating both excess and obsolete inventories. If actual product demand and market conditions are less favorable than those projected by management, additional inventory write-downs may be required. The Company uses the first-in, first-out (“FIFO”) method to value its inventories.

The components of inventory as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023
Raw materials	$ 22,164	$ 25,147
Work in process	2,832	4,444
Finished goods	131,912	118,743
Total inventory	$ 156,908	$ 148,334

Rental merchandise in service is amortized, primarily on a straight-line basis, over the estimated service lives of the merchandise, which range from six to thirty-six months. The amortization expense is included in the cost of revenues on the Company’s Consolidated Statements of Income. In establishing estimated lives for merchandise in service, management considers historical experience and the intended use of the merchandise. Material differences may result in the amount and timing of operating profit for any period if management makes significant changes to these estimates.

Property, Plant and Equipment

Property, plant and equipment are recorded at cost. Expenditures for maintenance and repairs are expensed as incurred, while expenditures for renewals and betterments are capitalized.

The components of property, plant and equipment as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023
Land, buildings and leasehold equipment	$ 787,628	$ 744,085
Machinery and equipment	710,108	676,490
Motor vehicles	372,837	331,537
Total property, plant and equipment, gross	1,870,573	1,752,112
Less: accumulated depreciation	1,068,961	995,572
Total property, plant and equipment, net	$ 801,612	$ 756,540

The Company provides for depreciation on the straight-line method based on the date the asset is placed in service using the following estimated useful lives:

Buildings (in years)	30 — 40
Building components (in years)	10 — 20
Leasehold improvements	Shorter of useful life or term of lease
Machinery and equipment (in years)	3 — 10
Motor vehicles (in years)	3 — 5

Long-lived assets, including property, plant and equipment, are evaluated for impairment whenever events or circumstances indicate an asset may be impaired. There were no material impairments of long-lived assets in fiscal 2024, 2023 and 2022.

Goodwill and Other Intangible Assets

In accordance with U.S. GAAP, the Company does not amortize goodwill. Instead, the Company tests goodwill for impairment on an annual basis. Management completes its annual goodwill impairment test on the first day of the fourth quarter of each fiscal year. In addition, U.S. GAAP requires that companies test goodwill if events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit to which goodwill is assigned below its

carrying amount. The Company used both the qualitative and quantitative assessment options for its impairment testing for goodwill in fiscal 2024 and determined that the fair values of the reporting units more likely than not exceeded their carrying values and that there was no evidence of impairment as of May 26, 2024.

The Company cannot predict future economic conditions and their impact on the Company or the future net realizable value of the Company’s stock. A decline in the Company’s market capitalization and/or deterioration in general economic conditions could negatively and materially impact the Company’s assumptions and assessment of the fair value of the Company’s business. If general economic conditions or the Company’s financial performance deteriorate, the Company may be required to record a goodwill impairment charge in the future which could have a material impact on the Company’s financial condition and results of operations.

Definite-lived intangible assets are amortized over their estimated useful lives, which are based on management’s estimates of the period that the assets will generate economic benefits. Definite-lived intangible assets are evaluated for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable in accordance with U.S. GAAP. There were no impairments of goodwill or indicators of impairment for definite-lived intangible assets in fiscal 2024, 2023 or 2022.

As of August 31, 2024, definite-lived intangible assets have a weighted average useful life of approximately 12.9 years. Customer contracts have a weighted average useful life of approximately 14.6 years and other intangible assets, net, which consist of primarily of restrictive covenants, software and trademarks, have a weighted average useful life of approximately 8.5 years.

Cloud Computing Arrangements

The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in “Prepaid expenses and other current assets” and “Long-term other assets” on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and $2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024.

Environmental and Other Contingencies

The Company is subject to legal proceedings and claims arising from the conduct of its business operations, including but not limited to, environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP require that a liability for contingencies be recorded when it is probable that a liability has occurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. The Company records accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, the Company’s estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of outside consultants and attorneys.

The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to 4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3% per year. Changes in enacted laws, regulatory orders or decrees, management’s estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company’s attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Refer to Note 11, “Commitments and Contingencies”, of these Consolidated Financial Statements for additional discussion and analysis.

Asset Retirement Obligations

Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. The Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset.

The Company has recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The Company depreciates, on a straight-line basis, the amount added

to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years.

The estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the Company's estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service.

Insurance

The Company is self-insured for certain obligations related to health and dental, workers' compensation, vehicles and general liability programs. The Company also purchases stop-loss insurance policies for workers' compensation, vehicles and general liability programs to protect itself from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred, but have not been reported. The Company's estimates consider historical claims experience and other factors. In certain cases where partial insurance coverage exists, the Company estimates the portion of the liability that will be covered by existing insurance policies to arrive at its net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. The Company's liabilities are based on estimates, and, while the Company believes that its accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. Changes in claims experience, the Company's ability to settle claims or other estimates and judgments used by management could have a material impact on the amount and timing of expense for any period.

Supplemental Executive Retirement Plan and Other Pension Plans

Pension expense is recognized on an accrual basis over employees' estimated service periods. Pension expense is generally independent of funding decisions or requirements.

The Company (1) recognizes in its statement of financial position the over-funded or under-funded status of its defined benefit post-retirement plans measured as the difference between the fair value of plan assets and the benefit obligation, (2) recognizes as a component of other comprehensive (loss) income, net of tax, the actuarial gains and losses and the prior service costs and credits that arise during the period but are not recognized as components of net periodic benefit cost, (3) measures defined benefit plan assets and defined benefit plan obligations as of the date of its statement of financial position, and (4) discloses additional information in the notes to financial statements about certain effects on net periodic benefit cost in the upcoming fiscal year that arise from delayed recognition of the actuarial gains and losses and the prior service costs and credits. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plans.

The calculation of pension expense and the corresponding liability requires the use of a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rates, assumed rate of compensation increases and life expectancy of participants. Changes in these assumptions can result in different expense and liability amounts, and future actual experience can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in the Company's pension plans will impact the Company's future pension expense and liabilities. The Company cannot predict with certainty what these factors will be in the future.

Non-qualified Deferred Compensation Plan

The Company adopted the UniFirst Corporation Deferred Compensation Plan (the "NQDC Plan") effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited

to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions may differ from year to year and from participant to participant. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's NQDC Plan.

Income Taxes

The Company computes income tax expense by jurisdiction based on its operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, "Income Taxes" in these Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or liabilities based on the classification of the related asset or liability for financial reporting purposes. The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized.

The Company is periodically reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, the Company records estimated reserves. Refer to Note 4, "Income Taxes", of these Consolidated Financial Statements for further discussion regarding the Company's accounting for income taxes and its uncertain tax positions for financial accounting purposes.

Advertising Costs

Advertising costs are expensed as incurred and are classified as selling and administrative expenses. The Company incurred advertising costs of $5.3 million, $9.9 million and $14.7 million, for fiscal 2024, 2023 and 2022, respectively.

Share-Based Compensation

Compensation expense for all stock options, stock appreciation rights, unrestricted stock and restricted stock units (collectively, "Share-Based Awards") is recognized ratably over the related vesting period, net of actual forfeitures. Certain Share-Based Awards in the form of stock appreciation rights and shares of unrestricted stock were granted during fiscal 2024, 2023 and 2022 to non-employee Directors of the Company, which were fully vested upon grant and, with respect to stock appreciation rights, expire eight years after the grant date. Accordingly, compensation expense related to these Share-Based Awards in fiscal 2024, 2023 and 2022 was recognized on the date of grant.

For performance-based restricted stock unit awards with revenue and profitability performance criteria, we evaluate the probability of meeting the performance criteria at each balance sheet date and, if probable, related compensation cost is amortized over the performance period on a straight-line basis because such awards vest only at the end of the measurement period. Changes to the probability assessment and the estimate of shares expected to vest will result in adjustments to the related share-based compensation expense that will be recorded in the period of the change. If the performance targets are not achieved, no compensation cost is recognized and any previously recognized compensation cost is reversed.

U.S. GAAP requires that share-based compensation cost be measured at the grant date based on the fair value of the award and be recognized as expense over the requisite service period, which is generally the vesting period. Determining the fair value of Share-Based Awards in the form of stock appreciation rights at the grant date requires judgment, including estimating expected dividends and share price volatility. The fair value of each Share-Based Award in the form of stock appreciation rights is estimated on the date of grant using the Black-Scholes option pricing model.

The Company recognizes compensation expense for restricted stock and restricted stock unit grants over the related vesting period. The fair value for each restricted stock, unrestricted stock and restricted stock unit grant is determined by using the closing price of the Company's stock on the date of the grant. Refer to Note 12, "Share-Based Compensation", of these Consolidated Financial Statements for further discussion regarding the Company's share-based compensation plans.

Income Per Share

The Company calculates income per share by allocating income to its unvested participating securities as part of its income per share calculations. The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Company's shares of Common Stock and Class B Common Stock (in thousands, except per share data):

Year ended	**2024**	**2023**	**2022**
Net income available to shareholders	$ 145,474	$ 103,674	$ 103,404
Allocation of net income for Basic:			
Common Stock	$ 122,188	$ 87,104	$ 86,844
Class B Common Stock	23,286	16,570	16,560
	$ 145,474	$ 103,674	$ 103,404
Weighted average number of shares for Basic:			
Common Stock	15,073	15,098	15,203
Class B Common Stock	3,590	3,590	3,621
	18,663	18,688	18,824
Income per share for Basic:			
Common Stock	$ 8.11	$ 5.77	$ 5.71
Class B Common Stock	$ 6.49	$ 4.62	$ 4.57

The Class B Common Stock may be converted at any time on a one-for-one basis into Common Stock at the option of the holder of the Class B Common Stock. Diluted income per share for the Company's Common Stock assumes the conversion of all of the Company's Class B Common Stock into Common Stock, full vesting of outstanding restricted stock, and the exercise of Share-Based Awards under the Company's stock incentive plans.

The Company is required to calculate the diluted income per share for Common Stock using the more dilutive of the following two methods:

- The treasury stock method; or
- The two-class method assuming a participating security is not exercised or converted.

For fiscal 2024, 2023 and 2022, the Company's diluted income per share assumes the conversion of all Class B Common Stock into Common Stock and uses the two-class method for its unvested participating shares.

The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data):

	Year Ended August 31, 2024			**Year Ended August 26, 2023**			**Year Ended August 27, 2022**		
	Earnings to Common shareholders	**Common Shares**	**Income Per Share**	**Earnings to Common shareholders**	**Common Shares**	**Income Per Share**	**Earnings to Common shareholders**	**Common Shares**	**Income Per Share**
As reported—Basic	$ 122,188	15,073	$ 8.11	$ 87,104	15,098	$ 5.77	$ 86,844	15,203	$ 5.71
Add: effect of dilutive potential common shares									
Share-Based Awards	—	61		—	74		—	109	
Class B Common Stock	23,286	3,590		16,570	3,590		16,560	3,621	
Diluted Income Per Share—Common Stock	$ 145,474	18,724	$ 7.77	$ 103,674	18,762	$ 5.53	$ 103,404	18,933	$ 5.46

Share-Based Awards that would result in the issuance of 60,260, 51,708 and 34,416 shares, respectively, of Common Stock were excluded from the calculation of diluted earnings per share for fiscal 2024, 2023 and 2022 because they were anti-dilutive.

Foreign Currency Translation

The functional currency of our foreign operations is the local country's currency. Transaction gains and losses, including gains and losses on our intercompany transactions, are included in other expense, net in the accompanying Consolidated Statements of Income. Assets and liabilities of operations outside the U.S. are translated into U.S. dollars using period-end exchange rates. Revenues and expenses are

translated at the average exchange rates in effect during each month of the fiscal year. The effects of foreign currency translation adjustments are included in shareholders' equity as a component of accumulated other comprehensive loss in the accompanying Consolidated Balance Sheets.

Recent Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which enhances effective tax rate reconciliation disclosure requirements and provides clarity to the disclosures of income taxes paid, income before taxes and provision for income taxes. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments in this update should be applied on a prospective basis. Retrospective application is permitted. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

Other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the SEC have not had, or are not believed by management to, have a material impact on the Company's present or future financial statements.

Acquisitions

12 Months Ended
Aug. 31, 2024

Business Combinations [Abstract]

Acquisitions

2. Acquisitions

Whenever the Company acquires a business, consistent with current accounting guidance, the results of operations of the acquisition are included in the Company's consolidated financial results from the date of the acquisition. The amount assigned to intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible and intangible assets is recorded as goodwill. Goodwill is allocated to the segment to which the acquisition relates and is deductible for tax purposes. During fiscal 2024, the Company did not complete any material business acquisitions.

Clean Uniform

During the third quarter of fiscal 2023, the Company completed the acquisition of the business and certain real estate assets of Clean Uniform ("Clean") from Clean Holdco, Inc. and certain of its affiliates for an aggregate purchase price of $299.1 million, net of cash acquired. The difference between the cash paid and the total purchase price of $302.4 million represented amounts owed from the seller as a result of final closing adjustments. The acquisition was structured primarily as a stock purchase but was treated as an asset purchase from a tax perspective, which has allowed for a step-up in the tax basis of the assets and provides incremental tax benefits expected to be realized over time with a value of approximately $40 million. Clean was a uniform, workwear and facility service program provider with 11 locations covering Missouri, Illinois, Arkansas, Kansas and Oklahoma. Prior to the closing of the acquisition, neither the Company nor any of its affiliates, or any director or officer of the Company or any of its affiliates, or any associate of any such director or officer, had any material relationship with any of the sellers. The results of operations from Clean are included in the Company's results under the U.S. and Canadian Rental and Cleaning segment subsequent to the acquisition date of March 13, 2023. The Company paid for the acquisition of Clean with cash on hand and borrowings under the Credit Agreement (defined below).

The Clean acquisition was accounted for using the purchase method of accounting. The Company has measured the fair value of its tangible and intangible assets acquired and liabilities assumed in the Clean acquisition and has finalized the purchase price allocations. The amounts assigned to intangible assets acquired were based on their respective fair values determined as of the acquisition date, which the Company determined by engaging specialists to assist in their valuation. The table below summarizes the final purchase price allocation to the estimated fair value of assets acquired and liabilities assumed at the acquisition date. Goodwill is calculated as the excess of the purchase price over the net assets recognized and represents the estimated future economic benefits arising from expected synergies and growth opportunities for the Company. All of the goodwill and intangible assets were allocated to the U.S. and Canadian Rental and Cleaning segment and are deductible for tax purposes.

Transaction and related costs, consisting primarily of professional fees, directly related to the acquisition, totaled approximately $3.0 million during fiscal 2023. All transaction and related costs were expensed as incurred and are included in selling and administrative expenses.

The final purchase price allocation is as follows (in thousands):

Receivables	$ 8,301
Inventories	632
Rental merchandise in service	8,535
Prepaid expenses and other current assets	762
Property, plant and equipment	31,497
Operating lease right-of-use assets, net	3,517
Goodwill and intangible assets	257,833
Accounts payable	(2,011)
Accrued liabilities	(5,767)
Operating lease liabilities, current	(1,510)
Operating lease liabilities, non-current	(2,657)
Total purchase price	$ 299,132

The following table identifies the Company's allocation of purchase price to the intangible assets and goodwill acquired by category:

Year ended	Estimated Fair Value (in thousands)	Weighted Average Life (in years)
Goodwill	$ 187,733	N/A
Customer contracts	64,800	15.0
Trade name	5,300	3.0
Total intangible assets and goodwill acquired	$ 257,833	

The amount of amortization expense recognized of Clean customer contracts and trade name included in the consolidated statements of income from the acquisition date of March 13, 2023 to August 26, 2023 was $3.8 million and $0.9 million, respectively.

Unaudited pro-forma information presents the combined financial results for the Company and Clean as if the acquisition of Clean had occurred on August 28, 2022. The unaudited pro-forma revenue of the combined entity for fiscal 2023 was $2.3 billion reflecting the effects of the Clean acquisition. The effects of the Clean acquisition on unaudited pro-forma net income of the combined entity were not material for fiscal 2023.

Other Acquisitions

During fiscal 2023, the Company completed four other business acquisitions with an aggregate purchase price of approximately $7.1 million. Tangible assets acquired primarily relate to accounts receivable, inventory and property, plant and equipment. The results of operations of all acquisitions completed during fiscal 2023 have been included in the Company's consolidated financial results since their respective acquisition dates. These acquisitions were not significant in relation to the Company's consolidated financial results and, therefore, pro-forma financial information has not been presented.

The following table identifies the Company's allocation of purchase price to the intangible assets and goodwill acquired by category:

Year ended	Estimated Fair Value (in thousands)	Weighted Average Life (in years)
Goodwill	$ 3,944	N/A
Customer contracts	2,271	14.0
Other intangible assets	25	5.0
Total intangible assets and goodwill acquired	$ 6,240

Fair Value Measurements

12 Months Ended
Aug. 31, 2024

Fair Value Disclosures [Abstract]

Fair Value Measurements

3. Fair Value Measurements

U.S. GAAP establishes a framework for measuring fair value and establishes disclosure requirements about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Company considered non-performance risk when determining fair value of our derivative financial instruments.

The fair value hierarchy prescribed under U.S. GAAP contains three levels as follows:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

Level 2 - Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

All financial assets or liabilities that are measured at fair value on a recurring basis (at least annually) have been segregated into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. The assets or liabilities measured at fair value on a recurring basis are summarized in the tables below (in thousands):

	As of August 31, 2024				As of August 26, 2023			
	Level 1	Level 2	Level 3	Total	Level 1	Level 2	Level 3	Total
Assets:								
Short-term investments	$ —	$ 13,505	$ —	$ 13,505	$ —	$ 10,157	$ —	$ 10,157
Pension plan assets	—	3,108	—	3,108	—	2,978	—	2,978
Non-qualified deferred compensation plan assets	—	3,295	—	3,295	—	2,024	—	2,024
Foreign currency forward contracts	—	117	—	117	—	216	—	216
Total assets at fair value	$ —	$ 20,025	$ —	$ 20,025	$ —	$ 15,375	$ —	$ 15,375

Liabilities:								
Non-qualified deferred compensation plan liability	$ —	$ 1,605	$ —	$ 1,605	$ —	$ 480	$ —	$ 480
Total liabilities at fair value	$ —	$ 1,605	$ —	$ 1,605	$ —	$ 480	$ —	$ 480

The Company's short-term investments listed above represent certificates of deposit, which maturities range up to six months at purchase. Such securities are classified as held-to-maturity and are carried at amortized cost, which approximates market value. As such, the Company's short-term investments are included within Level 2 of the fair value hierarchy.

The Company's pension plan assets listed above represent guaranteed deposit accounts that are maintained and operated by a third-party investment manager. At the beginning of each calendar year, the third-party investment manager notifies the Company of the annual rates of interest which will be applied to the amounts held in the guaranteed deposit account during the next calendar year. In determining the interest rate to be applied, the third-party investment manager considers the investment performance of the underlying assets of the prior year; however, regardless of the investment performance the annual interest rate applied per the contract must be a minimum of 3.25%. As such, the Company's pension plan assets are included within Level 2 of the fair value hierarchy. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plan and Supplemental Executive Retirement Plan.

The Company's non-qualified deferred compensation plan liability listed above is carried at fair value and is composed primarily of mutual funds, municipal bonds and other fixed income securities. As such, the Company's non-qualified deferred compensation plan assets and liabilities are included within Level 2 of the fair value hierarchy. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's non-qualified deferred compensation plan.

The Company's foreign currency forward contracts represent contracts the Company has entered into to exchange Canadian dollars for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted Canadian dollar denominated sales of one of its subsidiaries. These contracts are included in prepaid expenses and other current assets and other long-term assets as of August 31, 2024 and August 26, 2023. The fair value of the forward contracts is based on similar exchange-traded derivatives and is, therefore, included within Level 2 of the fair value hierarchy.

Income Taxes

12 Months Ended
Aug. 31, 2024

Income Tax Disclosure [Abstract]

Income Taxes

4. Income Taxes

The provision for income taxes consists of the following (in thousands):

Year ended	2024	2023	2022
Current:			
Federal	$ 30,932	$ 7,269	$ 7,655
Foreign	1,231	2,519	1,839
State	6,007	2,695	3,701
Total current	$ 38,170	$ 12,483	$ 13,195
Deferred:			
Federal	$ 4,027	$ 19,227	$ 13,883
Foreign	1,269	568	180
State	439	2,885	3,663
Total deferred	$ 5,735	$ 22,680	$ 17,726
Total provision for income taxes	$ 43,905	$ 35,163	$ 30,921

The following table reconciles the provision for income taxes using the statutory federal income tax rate to the actual provision for income taxes:

Year ended	2024	2023	2022
Income taxes at the statutory federal income tax rate	21.0%	21.0%	21.0%
State income taxes	3.6	3.8	4.7
Adjustments to tax reserve	(0.5)	0.8	(2.1)
Other	(0.9)	(0.3)	(0.6)
Effective income tax rate	23.2%	25.3%	23.0%

The decrease in the effective tax rate for fiscal 2024 as compared to the corresponding period in the prior fiscal year was due primarily to favorable adjustments to our tax reserves during the current period and the remeasurement of U.S. net deferred tax liabilities because of legislative changes enacted during the current period impacting the Company's state tax rate.
The components of deferred income taxes included on the Consolidated Balance Sheets are as follows (in thousands):

	August 31, 2024	August 26, 2023
Deferred tax assets:		
Payroll and benefit related	$ 16,009	$ 15,284
Insurance related	14,067	14,347
Environmental	7,807	7,542
Accrued expenses	8,169	7,847
Operating lease liabilities	17,083	16,162
Research and development	6,243	3,628
Other	12,884	11,916
Total deferred tax assets	$ 82,262	$ 76,726
Deferred tax liabilities:		
Payroll and benefit related	$ 24,655	$ 22,230
Tax in excess of book depreciation	59,113	53,597
Purchased intangible assets	48,908	43,994
Rental merchandise in service	59,692	62,562
Operating lease right-of-use assets	16,575	15,600
Other	320	488
Total deferred tax liabilities	209,263	198,471
Net deferred tax liability	$ 127,001	$ 121,745

The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized.

Foreign tax effect

As of August 31, 2024, unremitted foreign earnings have been retained by the Company's foreign subsidiaries for indefinite reinvestment. If the Company were to repatriate those earnings, in the form of dividends or otherwise, the Company could be subject to immaterial withholding taxes payable to the various foreign countries.

In October 2021, the Organization for Economic Co-operation and Development ("OECD") introduced an inclusive framework to address tax challenges arising from the digitalization of the economy through a two-pillar solution. One of the components of the solution is the implementation of a global minimum corporate tax rate of 15% for large multinational corporations ("Pillar Two"). The OECD continues to release additional guidance on the two-pillar solution with implementation to begin in 2024 while reporting of the tax applicable will not occur until 2026. Based on currently enacted guidelines, the Company does not expect Pillar Two to have a material impact upon its tax expense, cash taxes, and effective tax rate.

Uncertain tax positions

As of August 31, 2024 and August 26, 2023, there was $4.6 million and $7.8 million, respectively, of unrecognized tax benefits, of which $4.5 million and $7.1 million, respectively, would favorably impact the Company's effective tax rate, if recognized. The Company recognized interest and penalties related to uncertain tax positions as a component of income tax expense which is consistent with the recognition of these items in prior reporting periods. As of August 31, 2024 and August 26, 2023, the Company had accrued a nominal amount in interest and penalties, in its long-term accrued liabilities. For fiscal 2024, 2023 and 2022, the Company recognized a nominal expense in its Consolidated Statements of Income related to interest and penalties.

A reconciliation of the beginning and ending amount of unrecognized tax benefits are as follows (in thousands):

Balance at August 27, 2022	$ 6,417
Additions based on tax positions related to the current year	1,042
Additions for tax positions of prior years	840
Reduction for tax positions of prior years	(219)
Statute expirations	(329)
Balance at August 26, 2023	7,751
Additions based on tax positions related to the current year	1,069
Additions for tax positions of prior years	142
Reduction for tax positions of prior years	(4,257)
Statute expirations	(67)
Balance at August 31, 2024	$ 4,638

The Company has a significant portion of its operations in the U.S. and Canada. It is required to file federal income tax returns as well as state income tax returns in a majority of the U.S. states and also in a number of Canadian provinces. At times, the Company is subject to audits in these jurisdictions, which typically are complex and can require several years to resolve. The final resolution of any such tax audits could result in either a reduction in the Company's accruals or an increase in its income tax provision, both of which could have a material impact on the consolidated results of operations in any given period.

All U.S. and Canadian federal income tax statutes have lapsed for filings up to and including fiscal years 2019 and 2016, respectively. With a few exceptions, the Company is no longer subject to state and local income tax examinations for periods prior to fiscal 2020. The Company is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change significantly in the next 12 months.

Long-Term Debt

12 Months Ended

Aug. 31, 2024

Debt Disclosure [Abstract]

Long-Term Debt

5. Long-Term Debt

On March 26, 2021, the Company entered into an amended and restated $175.0 million unsecured revolving credit agreement (as subsequently amended, the "Credit Agreement") with a syndicate of banks, which matures on March 26, 2026. Under the Credit Agreement, the Company was able to borrow funds at variable interest rates based on, at the Company's election, the Eurodollar rate or a base rate, plus in each case a spread based on the Company's consolidated funded debt ratio. Prior to its amendment as described below, the Credit Agreement had an accordion feature that allowed for increases of the aggregate commitments under the Credit Agreement of up to an additional $100.0 million, for a total aggregate commitment of up to $275.0 million.

On March 9, 2023, the Company exercised the accordion feature of the Credit Agreement pursuant to an amendment to the Credit Agreement. The exercise of the accordion feature increased the aggregate commitments under the Credit Agreement by $100.0 million, for a total aggregate commitment of up to $275.0 million. In addition, the amendment provided for the replacement of LIBOR with Secured Overnight Financing Rate ("SOFR") such that borrowings are based on, at the Company's election, the SOFR rate or a base rate, plus in each case a spread based on the Company's consolidated funded debt ratio. The amendment also refreshed the accordion feature, so that, provided there is no default or event of default under the Credit Agreement and the Company is in compliance with its financial covenants on a pro forma basis, the Company may request an increase in the aggregate commitments under the Credit Agreement (in the form of revolving or term tranches) of up to an additional $100.0 million, for a total aggregate commitment of up to $375.0 million. Availability of credit requires compliance with certain financial and other covenants, including a maximum consolidated funded debt ratio and minimum consolidated interest coverage ratio as defined in the Credit Agreement. The Company evaluates its compliance with these financial covenants on a fiscal quarterly basis. As of August 31, 2024, the interest rates applicable to the Company's borrowings under the Credit Agreement would be calculated as SOFR plus 1.00% at the time of the respective borrowing.

During the third fiscal quarter of 2023, the Company borrowed $80.0 million under its Credit Agreement to finance the acquisition of Clean and fund its day-to-day operations. All amounts were repaid during the third quarter of fiscal 2023. As of both August 31, 2024 and August 26, 2023, the Company had no outstanding borrowings.

As of August 31, 2024, the Company had outstanding letters of credit amounting to $65.1 million, leaving $209.9 million available for borrowing under the Credit Agreement.

As of August 31, 2024, the Company was in compliance with all covenants under the Credit Agreement.

Derivative Instruments and Hedging Activities Disclosure [Abstract]

Derivative Instruments and Hedging Activities

6. Derivative Instruments and Hedging Activities

The Company uses derivative financial instruments to mitigate its exposure to fluctuations in foreign currencies on certain forecasted transactions denominated in foreign currencies. U.S. GAAP requires that all of the Company's derivative instruments be recorded on the balance sheet at fair value. All subsequent changes in a derivative's fair value are recognized in income, unless specific hedge accounting criteria are met.

Derivative instruments that qualify for hedge accounting are classified as a hedge of the variability of cash flows to be received or paid related to a recognized asset, liability or forecasted transaction. Changes in the fair value of a derivative that is highly effective and designated as a cash flow hedge are recognized in accumulated other comprehensive (loss) income until the hedged item or forecasted transaction is recognized in earnings. The Company performs an assessment at the inception of the hedge and on a quarterly basis thereafter, to determine whether its derivatives are highly effective in offsetting changes in the value of the hedged items. Any changes in the fair value resulting from hedge ineffectiveness are immediately recognized as income or expense.

In August 2021, the Company entered into twenty forward contracts to exchange CAD for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted CAD denominated sales of one of its subsidiaries. The hedged transactions are specified as the first amount of CAD denominated revenues invoiced by one of the Company's domestic subsidiaries each fiscal quarter, beginning in the first fiscal quarter of 2022 and continuing through the fourth fiscal quarter of 2026. In total, the Company will sell approximately 14.1 million CAD at an average Canadian-dollar exchange rate of 0.7861 over these quarterly periods. The Company concluded that the forward contracts met the criteria to qualify as a cash flow hedge under U.S. GAAP.

As of August 31, 2024, the Company had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. For the fiscal 2024, the Company reclassified $0.1 million from accumulated other comprehensive loss to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026.

Aug. 31, 2024

Postemployment Benefits [Abstract]

Employee Benefit Plans

7. Employee Benefit Plans

Defined Contribution Retirement Savings Plan

The Company has a defined contribution retirement savings plan with a 401(k) feature for all eligible U.S. and Canadian employees not under collective bargaining agreements. The Company matches a portion of the employee's contribution and may make an additional contribution at its discretion. Contributions charged to expense under the plan for fiscal 2024, 2023 and 2022 were $20.3 million, $18.7 million and $18.2 million, respectively.

Pension Plan and Supplemental Executive Retirement Plan

The Company accounts for its pension plan and Supplemental Executive Retirement Plan on an accrual basis over employees' estimated service periods.

The Company maintains an unfunded Supplemental Executive Retirement Plan ("SERP") for certain eligible employees of the Company. The benefits are based on the employee's compensation upon retirement. The amount charged to expense related to this plan amounted to approximately $1.7 million, $1.7 million and $1.5 million for fiscal 2024, 2023 and 2022, respectively.

The Company maintains a non-contributory defined benefit pension plan ("UniFirst Plan") covering employees at one of its locations. The benefits are based on years of service. The UniFirst Plan assets are invested in a Guaranteed Deposit Account ("GDA") that is maintained and operated by a third-party investment manager. The amount charged to expense related to this plan amounted to approximately $0.2 million, $0.1 million and $0.1 million for fiscal 2024, 2023 and 2022, respectively.

Net periodic benefit cost other than service costs have been recorded in the accompanying Consolidated Statements of Income in other expense, net.

The components of net periodic benefit cost for fiscal 2024, 2023 and 2022 are as follows (in thousands):

	UniFirst Plan			SERP		
	2024	2023	2022	2024	2023	2022
Service cost	$ 74	$ 73	$ 72	$ 405	$ 486	$ 919
Interest cost	159	147	104	1,255	1,191	928
Expected return on assets	(90)	(101)	(118)	—	—	—
Amortization of prior service cost	21	21	21	—	—	—
Amortization of actuarial (gain)/loss	—	—	—	(116)	—	—
Amortization of net loss	—	—	20	—	—	516
Other events	—	(12)	(10)	—	—	(855)
Net periodic benefit cost	$ 164	$ 128	$ 89	$ 1,544	$ 1,677	$ 1,508

The Company's obligations and funded status as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	UniFirst Plan		SERP	
	2024	2023	2024	2023
Change in benefit obligation:				
Projected benefit obligation, beginning of year	$ 3,549	$ 3,837	$ 25,119	$ 27,562
Service cost	74	73	405	486
Interest cost	159	147	1,255	1,191
Actuarial gain	(28)	(220)	465	(2,811)
Benefits paid	(145)	(17)	(1,364)	(1,309)
Settlements/Curtailments	—	(271)	—	—
Projected benefit obligation, end of year	$ 3,609	$ 3,549	$ 25,880	$ 25,119
Change in plan assets:				
Fair value of plan assets, beginning of year	$ 2,986	$ 3,300	$ —	$ —
Actual return on plan assets	20	(26)	—	—
Employer Contributions	247	—	—	—
Benefits paid	(145)	(17)	—	—
Settlements/Curtailments	—	(271)	—	—
Fair value of plan assets, end of year	$ 3,108	$ 2,986	$ —	$ —
Funded status (net amount recognized)	$ (501)	$ (563)	$ (25,880)	$ (25,119)

As of August 31, 2024 and August 26, 2023, the accumulated benefit obligations related to the UniFirst Plan were $3.6 million and $3.5 million, respectively. As of August 31, 2024 and August 26, 2023, the accumulated benefit obligations related to the SERP were $23.4 million and $22.5 million, respectively.

The amounts recorded on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	Pension Plans		SERP	
	2024	2023	2024	2023
Deferred tax (liabilities) assets	$ (10)	$ (16)	$ (750)	$ (904)
Accrued liabilities	501	563	25,880	25,119

Accumulated other comprehensive income (loss)	30	46	2,200	2,628

As of August 31, 2024 and August 26, 2023, the amounts recognized in accumulated other comprehensive loss are as follows (in thousands):

	UniFirst Plan		SERP	
	2024	2023	2024	2023
Net actuarial (loss) gain	$ 113	$ 156	$ 2,950	$ 3,531
Unrecognized prior service cost	(73)	(94)	—	—
Accumulated other comprehensive (loss) income	$ 40	$ 62	$ 2,950	$ 3,531

The weighted average assumptions used in calculating the Company's projected benefit obligation as of August 31, 2024 and August 26, 2023 are as follows:

	UniFirst Plan		SERP	
	2024	2023	2024	2023
Discount rate	4.8%	5.1%	4.9%	5.2%
Rate of compensation increase	N/A	N/A	5.0%	5.0%

The weighted average assumptions used in calculating the Company's net periodic service cost for fiscal 2024, 2023 and 2022 are as follows:

	UniFirst Plan			SERP		
	2024	2023	2022	2024	2023	2022
Discount rate	5.1%	4.3%	2.3%	5.2%	4.4%	2.6%
Expected return on plan assets	3.5%	3.5%	3.5%	N/A	N/A	N/A
Rate of compensation increase	N/A	N/A	N/A	5.0%	5.0%	5.0%

The benefit payments, which reflect expected future service, are expected to be paid for the five fiscal years subsequent to August 31, 2024 and five years thereafter are as follows (in thousands):

	UniFirst Plan	SERP
2025	$ 938	$ 1,612
2026	313	1,739
2027	135	1,737
2028	237	1,663
2029	304	1,784
2030-2034	1,682	17,345

Non-qualified Deferred Compensation Plan

The Company adopted the NQDC Plan effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions, if any, may differ from year to year and from participant to participant.

The amounts for employee or employer contributions charged to expense related to the NQDC Plan for fiscal 2024, fiscal 2023 and fiscal 2022, were $0.8 million, $0.3 million and nominal, respectively.

The Company, at its discretion, may also elect to transfer funds to a trust account with the intention to fund the future liability. Total NQDC Plan assets were $3.3 million and $2.0 million as of August 31, 2024 and August 26, 2023, respectively, and are included within other long-term assets in the accompanying Consolidated Balance Sheets. Total NQDC Plan liabilities were $1.6 million and $0.5 million as of August 31, 2024 and August 26, 2023, respectively, and are included within current accrued liabilities in the accompanying Consolidated Balance Sheets.

Earnings and losses on contributions, based on these investment elections, are recorded as a component of compensation expense in the period earned and are included within other (income) expense, net.

Goodwill and Intangible Assets Disclosure [Abstract]

Goodwill and Other Intangible Assets

8. Goodwill and Other Intangible Assets

When the Company acquires a business, the amount assigned to the tangible assets and liabilities and intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible assets and liabilities and intangible assets is recorded as goodwill. The Company does not amortize goodwill, but it is reviewed annually or more frequently if certain indicators arise, for impairment. There were no impairment losses related to goodwill or intangible assets during fiscal 2024, 2023 and 2022.

The changes in the carrying amount of goodwill are as follows (in thousands):

Balance as of August 27, 2022	$ 457,259
Purchase price adjustments recorded during the period	190,777
Other	(136)
Balance as of August 26, 2023	$ 647,900
Purchase price adjustments recorded during the period	900
Other	50
Balance as of August 31, 2024	$ 648,850

As of August 31, 2024, the Company has allocated $637.4 million, $10.9 million and $0.6 million of goodwill to its U.S. and Canadian Rental and Cleaning, Specialty Garments and First Aid segments, respectively.

Intangible assets, net in the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	Gross Carrying Amount	Accumulated Amortization	Net Carrying Amount
August 31, 2024			
Customer contracts	$ 314,446	$ 228,456	$ 85,990
Software	81,482	51,023	30,459
Other intangible assets	39,826	36,276	3,550
	$ 435,754	$ 315,755	$ 119,999
August 26, 2023			
Customer contracts	$ 315,448	$ 211,996	$ 103,452
Software	80,538	45,117	35,421
Other intangible assets	43,598	36,853	6,745
	$ 439,584	$ 293,966	$ 145,618

Estimated amortization expense for the five fiscal years subsequent to August 31, 2024 and thereafter, based on intangible assets, net as of August 31, 2024 are as follows (in thousands):

2025	$ 21,991
2026	19,296
2027	15,388
2028	13,668
2029	12,003
Thereafter	37,653
Total estimated amortization expense	$ 119,999

Asset Retirement Obligations

Asset Retirement Obligation Disclosure [Abstract]

Asset Retirement Obligations

12 Months Ended
Aug. 31, 2024

10. Asset Retirement Obligations

Asset retirement obligations generally result from legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. Accordingly, the Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. The Company continues to depreciate, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years.

The Company recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The estimated liability is based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year, and the liability has been discounted to present value using a credit-adjusted risk-free rate.

Revisions to the liability could occur due to changes in the Company's estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service.

A reconciliation of the Company's asset retirement are as follows for fiscal 2024 and 2023 (in thousands):

Year ended	August 31, 2024	August 26, 2023
Beginning balance	$ 16,471	$ 15,274
Accretion expense	976	923
Effect of exchange rate changes	102	—
Costs incurred	(282)	—
Change in estimate	662	274
Ending balance	$ 17,929	$ 16,471

The Company's asset retirement obligations are included in long-term accrued liabilities in the accompanying Consolidated Balance Sheet.

~~***XML 37 R21.htm IDEA: XBRL DOCUMENT***~~

Commitments and Contingencies

Commitments and Contingencies Disclosure [Abstract]

Commitments and Contingencies

12 Months Ended
Aug. 31, 2024

11. Commitments and Contingencies

Lease Commitments

The Company has operating leases for certain operating facilities, vehicles and equipment, which provide the right to use the underlying asset and require lease payments over the term of the lease. Each new contract is evaluated to determine if an arrangement contains a lease and whether that lease meets the classification criteria of a finance or operating lease. All identified leases are recorded on the Consolidated Balance Sheets with a corresponding operating lease right-of-use asset, net, representing the right to use the underlying asset for the lease term and the operating lease liabilities representing the obligation to make lease payments arising from the lease. Short-term operating leases, which have an initial term of twelve months or less, are not recorded on the Consolidated Balance Sheets.

Operating lease right-of-use assets, net and operating lease liabilities are recognized at the commencement date of the lease based on the present value of lease payments over the lease term and include options to extend or terminate the lease when they are reasonably certain to be exercised. The present value of lease payments is determined primarily by using the incremental borrowing rate based on the information available as of the lease commencement date. Lease expense for operating leases is recorded on a straight-line basis over the lease term and variable lease costs are recorded as incurred. Both lease expense and variable lease costs are primarily recorded in cost of revenues on the Company's Consolidated Statements of Income. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

The following table presents the operating lease cost and information related to the operating lease right-of-use assets, net and operating lease liabilities for fiscal 2024, 2023 and 2022:

(In thousands, except lease term and discount rate)	2024	2023	2022
Lease cost:			
Operating lease costs including short-term lease expense and variable lease costs, which were immaterial in the period	$ 25,866	$ 22,303	$ 20,284
Operating cash flow impacts:			
Cash paid for amounts included in the measurement of operating lease liabilities	$ 20,083	$ 16,710	$ 15,123
Operating lease right-of-use assets obtained in exchange for new operating lease liabilities	$ 19,511	$ 23,076	$ 21,391
Operating lease right-of-use assets acquired in business combination	$ —	$ 4,167	$ —
Weighted average remaining lease term - operating leases	4.7	4.48	4.66
Weighted average discount rate - operating leases	4.74%	3.55%	2.24%

Total rent expense on all leases was $21.8 million, $18.4 million and $16.7 million for fiscal 2024, 2023 and 2022, respectively.

The contractual future minimum lease payments of the Company's operating lease liabilities by fiscal year as of August 31, 2024 are as follows (in thousands):

2025	$ 20,557
2026	17,307
2027	13,444
2028	9,787
2029	6,373
Thereafter	8,365
Total payments	75,833
Less interest	7,024
Total present value of lease payments	$ 68,809

Environmental and Legal Contingencies

The Company and its operations are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must properly dispose of detergent

wastewater and other residues, and, in the past, used perchloroethylene and other dry-cleaning solvents. The Company is attentive to the environmental concerns surrounding the disposal of these materials and has, through the years, taken measures to avoid their improper disposal. The Company has settled, or contributed to the settlement of, past actions or claims brought against the Company relating to the disposal of hazardous materials at several sites and there can be no assurance that the Company will not have to expend material amounts to remediate the consequences of any such disposal in the future.

U.S. GAAP requires that a liability for contingencies be recorded when it is probable that a liability has been incurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. Changes in enacted laws, regulatory orders or decrees, management's estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company's attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities.

Under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from, such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for the presence of such hazardous or toxic substances. There can be no assurances that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon the Company under such laws or expose the Company to third-party actions such as tort suits. The Company continues to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to certain sites.

The Company has accrued certain costs related to certain sites, including but not limited to, sites in Woburn and Somerville, Massachusetts, as it has been determined that the costs are probable and can be reasonably estimated. The Company, together with multiple other companies, is party to a consent decree related to the Company's property and parcels of land (the "Central Area") at a site in Woburn, Massachusetts. The United States Environmental Protection Agency (the "EPA") has provided the Company and other signatories to the consent decree with comments on the design and implementation of groundwater and soil remedies at the Woburn site and investigation of environmental conditions in the Central Area. The consent decree does not address any remediation work that may be required in the Central Area. The Company, together with other signatories, has implemented and proposed to do additional work at the Woburn site but many of the EPA's comments remain to be resolved. The Company has accrued costs to perform certain work responsive to the EPA's comments. Additionally, the Company has implemented mitigation measures and continues to monitor environmental conditions at a site in Somerville, Massachusetts. The Company has agreed to undertake additional actions responsive to a notice of audit findings from the Massachusetts Department of Environmental Protection concerning a regulatory submittal that the Company made in 2009 for a portion of the site. The Company has received demands from the local transit authority for reimbursement of certain costs associated with its construction of a new municipal transit station in the area of the Somerville site. This station was part of an extension of the local transit system. The Company has reserved for costs in connection with this matter; however, in light of the uncertainties associated with this matter, these costs and the related reserve may change.

The Company routinely reviews and evaluates sites that may require remediation and monitoring and determines its estimated costs based on various estimates and assumptions. These estimates are developed using its internal sources or by third party environmental engineers or other service providers. Internally developed estimates are based on:

- Management's judgment and experience in remediating and monitoring the Company's sites;
- Information available from regulatory agencies as to costs of remediation and monitoring;
- The number, financial resources and relative degree of responsibility of other potentially responsible parties ("PRPs") who may be liable for remediation and monitoring of a specific site; and
- The typical allocation of costs among PRPs.

There is usually a range of reasonable estimates of the costs associated with each site. In accordance with U.S. GAAP, the Company's accruals reflect the amount within the range that it believes is the best estimate or the low end of a range of estimates if no point within the range is a better estimate. Where it believes that both the amount of a particular liability and the timing of the payments are reliably determinable, the Company adjusts the cost in current dollars using a rate of 3% for inflation until the time of expected payment and discounts the cost to present value using current risk-free interest rates. As of August 31, 2024, the risk-free interest rates utilized by the Company ranged from 4.2% to 4.3%.

For environmental liabilities that have been discounted, the Company includes interest accretion, based on the effective interest method, in selling and administrative expenses on the accompanying Consolidated Statements of Income.

The changes to the Company's environmental liabilities for fiscal 2024 and 2023 are as follows (in thousands):

Year ended	August 31, 2024	August 26, 2023
Beginning balance	$ 30,029	$ 32,191
Costs incurred for which reserves have been provided	(3,176)	(1,936)
Insurance proceeds	238	147
Interest accretion	1,264	1,036
Changes in discount rates	244	(2,446)
Revisions in estimates	2,656	1,037
Ending balance	$ 31,255	$ 30,029

Anticipated payments and insurance proceeds of currently identified environmental remediation liabilities as of August 31, 2024, for the next five fiscal years and thereafter, as measured in current dollars, are reflected below (in thousands):

Fiscal year ended August	2025	2026	2027	2028	2029	Thereafter	Total
Estimated costs—current dollars	$ 14,425	$ 2,836	$ 1,527	$ 1,280	$ 997	$ 15,047	$ 36,112
Estimated insurance proceeds	(180)	(195)	(159)	(173)	(9)	(230)	(946)
Net anticipated costs	$ 14,245	$ 2,641	$ 1,368	$ 1,107	$ 988	$ 14,817	$ 35,166
Effect of inflation							9,501
Effect of discounting							(13,412)
Balance as of August 31, 2024							$ 31,255

Estimated insurance proceeds are primarily obtained from an annuity received as part of a legal settlement with an insurance company. Annual proceeds of approximately $0.3 million are deposited into an escrow account which funds remediation and monitoring costs for two sites related to former operations in Williamstown, Vermont. Annual proceeds received but not expended in the current year accumulate in this account and may be used in future years for costs related to this site through the year 2027. As of August 31, 2024, the balance in this escrow account, which is held in a trust and is not recorded in the Company's accompanying Consolidated Balance Sheets, was approximately $5.6 million. Also included in estimated insurance proceeds are amounts the Company is entitled to receive pursuant to legal settlements as reimbursements from three insurance companies for estimated costs at one of its sites.

The Company's nuclear garment decontamination facilities are licensed by respective state agencies, as delegated authority by the Nuclear Regulatory Commission (the "NRC") pursuant to the NRC's Agreement State program and are subject to applicable federal and state radioactive material regulations. In addition, the Company's international locations (Canada, the United Kingdom and the European Union) are regulated by equivalent respective jurisdictional authorities. There can be no assurance that such regulation will not lead to material disruptions in the Company's garment decontamination business.

From time to time, the Company is also subject to legal and regulatory proceedings and claims arising from the conduct of its business operations, including personal injury claims, customer contract matters, employment claims and environmental matters as described above.

In addition, in the fourth quarter of fiscal 2022, the Mexican federal tax authority issued a tax assessment on the Company's subsidiary in Mexico for fiscal 2016 import taxes, value added taxes and custom processing fees of over $17.0 million, plus surcharges, fines and penalties of over $67.7 million for a total assessment of over $84.7 million. The Company challenged the validity of the tax assessment through an appeal process. In the first quarter of fiscal 2025, the Federal Tax Court in Mexico made a determination partially in its favor. Following the Federal Tax Court's determination, the Company filed a constitutional action before the Federal Administrative Court. While the Company is unable to ascertain the ultimate outcome of this matter, based on the information currently available, the Company believes that a loss with respect to this matter is neither probable nor remote. Given the uncertainty associated with the ultimate resolution of this matter, the Company is unable to reasonably assess an estimate or range of estimates of any potential losses.

While it is impossible for the Company to ascertain the ultimate legal and financial liability with respect to contingent liabilities, including lawsuits and environmental contingencies, the Company believes that the aggregate amount of such liabilities, if any, in excess of amounts covered by insurance have been properly accrued in accordance with U.S. GAAP. It is

possible, however, that the future financial position and/or results of operations for any particular future period could be materially affected by changes in the Company's assumptions or strategies related to these contingencies or changes out of the Company's control.

Other Contingent Liabilities

As security for certain agreements with the NRC and various state agencies related to the nuclear operations (see above) and certain insurance programs, the Company had standby irrevocable bank commercial letters of credit of $65.1 million and $66.5 million outstanding as of August 31, 2024 and August 26, 2023, respectively.

Non-cancellable purchase commitments for inventories, software, and services amounted to $91.2 million as of August 31, 2024, of which $58.4 million will be paid in less than 1 year, $21.1 million will be paid in 1 to 3 years, and the remaining will be paid in 3 to 5 years.

Share-based Compensation	12 Months Ended Aug. 31, 2024
Share-Based Payment Arrangement [Abstract]	
Share-based Compensation	

12. Share-based Compensation

The Company adopted an equity incentive plan (the "2023 Plan") in October 2023 and reserved 375,000 shares of Common Stock for issuance under the 2023 Plan. The 2023 Plan, which was approved by the Company's shareholders in January 2024, replaced the Company's 2010 stock incentive plan (the "2010 Plan"). Upon approval of the 2023 Plan by the Company's shareholders, no further awards may be granted under the 2010 Plan. The 2023 Plan permits the award of incentive and non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and unrestricted stock (collectively referred to as "Share-Based Awards") as well as dividend equivalent rights and cash-based awards. As of August 31, 2024, the number of remaining shares available for future grants under the 2023 Plan was 375,000. Share-based compensation expense, which includes expense related to Share-Based Awards, has been recorded in the accompanying Consolidated Statements of Income in selling and administrative expenses.

All Share-Based Awards issued to management were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors. All Share-Based Awards issued to the Company's non-employee members of the Board of Directors (the "Directors") were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors.

In fiscal 2024, a total of 1,475 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2023, a total of 1,575 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2022, a total of 1,025 shares of fully vested unrestricted stock were granted to certain non-employee Directors of the Company. Accordingly, compensation expense related to the unrestricted stock granted in each of fiscal 2024, 2023 and 2022 were recognized on the date of grant.

In fiscal 2024, the Company granted a total of 5,004 stock appreciation rights to the Company's non-employee Directors. In fiscal 2023, the Company granted a total of 6,864 stock appreciation rights to the Company's non-employee Directors. In fiscal 2022, the Company granted a total of 9,750 stock appreciation rights to the Company's non-employee Directors. Such stock appreciation rights were fully vested upon grant, expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors and must be settled in stock at the time of exercise. Accordingly, compensation expense related to the stock appreciation rights was recognized on the date of grant.

As of August 31, 2024, the total compensation cost not yet recognized related to non-vested Share-Based Awards was approximately $16.0 million. The weighted average period over which compensation cost for Share-Based Awards will be recognized is 3.02 years.

All stock appreciation rights issued to employees were granted with an exercise price equal to the fair value of the Company's Common Stock on the date of grant. Stock appreciation rights generally vest 20% on each anniversary of the grant date over a five-year period and expire ten years after the grant date. Share-Based Awards granted to the Company's non-employee Directors were fully vested as of the date of grant. Non-employee Director Share-Based Award grants in the form of stock appreciation rights expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors.

Time-based restricted stock units granted to employees generally vest 20% on each anniversary of the grant date over a five-year period. Generally, performance-based restricted stock units granted to employees are earned based on whether and the extent to which the Company achieves certain revenue and operating margin targets.

The fair value of each stock appreciation right is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used:

Year ended	2024	2023	2022
Risk-free interest rate	4.85%	3.97%	1.27%
Expected dividend yield	0.80%	0.62%	0.60%
Expected life (in years)	5.54	5.43	5.17
Expected volatility	29.4%	29.3%	28.4%

The weighted average fair value of Share-Based Awards granted in the form of stock appreciation rights during fiscal years 2024, 2023 and 2022 were $55.97, $60.38 and $51.25, respectively.

The following table summarizes the Share-Based Awards activity in the form of stock options and stock appreciation rights for fiscal 2024:

	Number of Shares	Weighted Average Exercise Price
Outstanding at August 26, 2023	347,617	$ 158.47
Granted	30,499	164.58
Expired	(655)	191.37
Exercised	(66,104)	132.74
Forfeited	(1,306)	177.96
Outstanding at August 31, 2024	310,051	$ 164.40
Exercisable at August 31, 2024	237,992	$ 159.53

The following table summarizes the Share-Based Awards activity in the form of restricted stock units for fiscal 2024:

	Number of Shares	Weighted Average Grant Price
Unvested balance at August 26, 2023	108,755	$ 184.60

Granted	58,653	164.60
Vested	(38,615)	183.98
Forfeited	(5,886)	176.29
Unvested balance at August 31, 2024	122,907	$ 175.65

Shareholders' Equity

12 Months Ended
Aug. 31, 2024

Equity [Abstract]
Shareholders' Equity

13. Shareholders' Equity

The Company has two classes of common stock: Common Stock and Class B Common Stock. Each share of Common Stock is entitled to one vote, is freely transferable, and is entitled to a cash dividend equal to 125% of any cash dividend paid on each share of Class B Common Stock. Each share of Class B Common Stock is entitled to ten votes and can be converted to Common Stock on a share-for-share basis. However, until converted to Common Stock, shares of Class B Common Stock are not freely transferable. During fiscal 2022, 17,000 shares of Class B Common Stock were converted to Common Stock. No such conversions occurred during each of fiscal 2024 and 2023.

On October 24, 2023, the Company's Board of Directors authorized a new share repurchase program to repurchase from time to time up to $100.0 million of its outstanding shares of Common Stock, inclusive of the amount which remained available under the existing share repurchase program approved on October 18, 2021. Repurchases from time to time under the new program, if any, will be made in either the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchases will depend on a variety of factors, including economic and market conditions, the Company stock price, corporate liquidity requirements and priorities, applicable legal requirements and other factors. The share

repurchase program has been funded to date with the Company's available cash and will be funded in the future using the Company's available cash or capacity under its Credit Agreement and may be suspended or discontinued at any time.

On October 29, 2024, the Company's Board of Directors declared increased quarterly cash dividends of $0.350 per share of Common Stock and $0.280 per share of Class B Common Stock, up from $0.33 and $0.264 per share, respectively. Both dividends are payable on January 3, 2025 to shareholders of record as of December 6, 2024. The amount and timing of any future dividend payment is subject to the approval of the Board of Directors each quarter.

During fiscal 2024, the Company repurchased 139,556 shares for an average price per share of $170.40. During fiscal 2023, the Company did not repurchase any shares. During fiscal 2022, the Company repurchased 213,419 shares for an average price per share of $179.98. As of August 31, 2024, there was $76.2 million remaining to repurchase outstanding shares of Common Stock under the existing program.

Segment Reporting

12 Months Ended
Aug. 31, 2024

Segment Reporting [Abstract]
Segment Reporting

15. Segment Reporting

Operating segments are identified as components of an enterprise for which separate discrete financial information is available for evaluation by the chief operating decision-maker, or decision-making group, in making decisions on how to allocate resources and assess performance. The Company's chief operating decision-maker is the Company's Chief Executive Officer. The Company has six operating segments based on the information reviewed by its Chief Executive Officer: U.S. Rental and Cleaning, Canadian Rental and Cleaning, MFG, Specialty Garments, First Aid and Corporate. The U.S. Rental and Cleaning and Canadian Rental and Cleaning operating segments have been combined to form the U.S. and Canadian Rental and Cleaning reporting segment, and as a result, the Company has five reporting segments.

The U.S. and Canadian Rental and Cleaning reporting segment purchases, rents, cleans, delivers and sells, uniforms and protective clothing and non-garment items in the U.S. and Canada. The laundry locations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as "industrial laundries" or "industrial laundry locations."

The MFG operating segment designs and manufactures uniforms and non-garment items primarily for the purpose of providing these goods to the U.S. and Canadian Rental and Cleaning reporting segment. MFG revenues are primarily generated when goods are shipped from the Company's manufacturing facilities, or its subcontract manufacturers, to other Company locations. These intercompany revenues are recorded at a transfer price which is typically in excess of the actual manufacturing cost. Manufactured products are carried in inventory until placed in service at which time they are amortized at this transfer price. On a consolidated basis, intercompany revenues and income are eliminated and the carrying value of inventories and rental merchandise in service is reduced to the manufacturing cost. Income before income taxes from MFG net of the intercompany MFG elimination offsets the merchandise amortization costs incurred by the U.S. and Canadian Rental and Cleaning reporting segment as the merchandise costs of this reporting segment are amortized and recognized based on inventories purchased from MFG at the transfer price which is above the Company's manufacturing cost.

The Corporate operating segment consists of costs associated with the Company's distribution center, sales and marketing, information systems, engineering, procurement, supply chain, accounting and finance, human resources, other general and administrative costs and interest expense. The revenues generated from the Corporate operating segment represent certain direct sales made by the Company directly from its distribution center. The products sold by this operating segment are the same products rented and sold by the U.S. and Canadian Rental and Cleaning reporting segment. In the table below, no assets or capital expenditures are presented for the Corporate operating segment because no assets are allocated to this operating segment in the information reviewed by the chief executive officer. However, depreciation and amortization expense related to certain assets are reflected in income from operations and income before income taxes for the Corporate operating segment. The assets that give rise to this depreciation and amortization are included in the total assets of the U.S. and Canadian Rental and Cleaning reporting segment as this is how they are tracked and reviewed by the Company. The majority of expenses accounted for within the Corporate segment relate to costs of the U.S. and Canadian Rental and Cleaning segment, with the remainder of the costs relating to the Specialty Garment and First Aid segments.

The Specialty Garments operating segment purchases, rents, cleans, delivers and sells, specialty garments and non-garment items primarily for nuclear and cleanroom applications and provides cleanroom cleaning services at certain customer locations. The First Aid operating segment sells first aid cabinet services and other safety supplies, provides certain safety training and maintains wholesale distribution and pill packaging operations for non-prescription medicines.

The Company refers to the U.S. and Canadian Rental and Cleaning, MFG, and Corporate reporting segments combined as its "Core Laundry Operations," which is included as a subtotal in the following tables (in thousands):

	Year ended		
	2024	2023	2022
Revenues:			
U.S. and Canadian Rental and Cleaning	$ 2,083,059	$ 1,907,765	$ 1,733,088

Related Party

During fiscal 2024 and 2023, the Company recognized $1.5 million and $1.6 million, respectively, of revenue with a company for which one member of the Company's Board of Directors was an executive officer for such periods.

During fiscal 2024 and 2023, the Company recorded $2.1 million and $3.2 million, respectively, of expense with a company for which one member of the Company's Board of Directors was an executive officer for a portion of such periods.

Accounting Policies [Abstract]

Business Description

Business Description

UniFirst Corporation (the "Company") is one of the leading providers of workplace uniforms and protective clothing in North America. The Company designs, manufactures, personalizes, rents, cleans, delivers, and sells a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. The Company also rents and sells industrial wiping products, floor mats, facility service products and other non-garment items, and provides restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training, to a variety of manufacturers, retailers and service companies.

The Company serves businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, business service companies, soft and durable goods wholesalers, transportation companies, energy producing operations, healthcare providers and others who require employee clothing on the job for image, identification, protection or utility purposes. The Company also provides its customers with restroom and cleaning supplies, including air fresheners, paper products, gloves, masks, hand soaps and sanitizers.

At certain specialized facilities, like nuclear operations, the Company decontaminates and cleans work clothes and other items that may have been exposed to radioactive materials and services special cleanroom protective wear. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utility providers operating nuclear reactors.

As discussed and described in Note 15, "Segment Reporting", to these Consolidated Financial Statements, the Company has five reporting segments: United States ("U.S.") and Canadian Rental and Cleaning, Manufacturing ("MFG"), Specialty Garments Rental and Cleaning ("Specialty Garments"), First Aid and Corporate. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as its "industrial laundry operations" and the locations related to this reporting segment are referred to as "industrial laundries". The Company refers to its U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as its "Core Laundry Operations".

Principles of Consolidation

Principles of Consolidation

The Consolidated Financial Statements include the accounts of the Company and its subsidiaries, all of which are wholly-owned. Intercompany balances and transactions are eliminated in consolidation.

Basis of Presentation

Basis of Presentation

The Consolidated Financial Statements included herein have been prepared in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). There have been no material changes in the accounting policies followed by the Company during the current fiscal year other than the adoption of recent accounting pronouncements as discussed in greater detail in the Recent Accounting Pronouncements sub-section of this Note.

Use of Estimates

Use of Estimates

The preparation of these Consolidated Financial Statements is in conformity with U.S. GAAP which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. The Company utilizes key estimates in preparing the financial statements including casualty and environmental estimates, valuation of intangible assets acquired in a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. The Company's results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates.

Fiscal Year

Fiscal Year

The Company's fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal year ended August 31, 2024 ("fiscal 2024") consisted of 53 weeks, and fiscal years ended August 26, 2023 ("fiscal 2023") and August 27, 2022 ("fiscal 2022") both consisted of 52 weeks. The additional week was included in the fourth quarter of fiscal 2024.

Cash, Cash Equivalents and Short-Term Investments

Cash, Cash Equivalents and Short-Term Investments

Cash, cash equivalents and short-term investments include cash in banks, money market securities and bank short-term investments having original maturities of six months or less. As of August 31, 2024 and August 26, 2023, the Company had $13.5 million and $10.2 million in short-term investments, respectively.

Accounts receivable

Accounts receivable

Accounts receivable represents amounts due from customers and is presented net of reserves for expected credit losses. The Company utilizes its judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the reserve for expected credit losses. The Company considers specific accounts receivable and historical credit loss experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of its evaluation. When an account is considered uncollectible, it is written off against the reserve for expected credit losses.

The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

(In thousands)	August 31, 2024	August 26, 2023
Beginning balance	$ 6,276	$ 5,930
Current period provision	13,976	10,740
Write-offs and other	(12,336)	(10,394)
Ending balance	$ 7,916	$ 6,276

Financial Instruments

Financial Instruments

The Company's financial instruments, which may expose the Company to concentrations of credit risk, include cash and cash equivalents, receivables, accounts payable and foreign exchange forward contracts. Each of these financial instruments is recorded at cost, which approximates its fair value given the short maturity of each financial instrument.

Revenue Recognition

Revenue Recognition

In fiscal 2024, approximately 84.2% of the Company's revenues are derived from fees for route servicing of Core Laundry Operations, Specialty Garments and First Aid services performed by the Company's employees at the customer's location of business. Revenues from the Company's route servicing customer contracts represent a single-performance obligation. The Company recognizes these revenues over time as services are performed based on the nature of services provided and contractual rates (input method). Certain of the Company's customer contracts, primarily within the Company's Core Laundry Operations, include pricing terms and conditions that include components of variable consideration. The variable consideration is typically in the form of consideration due to a customer based on performance metrics specified within the contract. Specifically, some contracts contain discounts or rebates that the customer can earn through the achievement of specified volume levels. Each component of variable consideration is earned based on the Company's actual performance during the measurement period specified within the contract. To determine the transaction price, the Company estimates the variable consideration using the most likely amount method, based on the specific contract provisions and known performance results during the relevant measurement period.

When determining if variable consideration should be constrained, the Company considers whether factors outside its control could result in a significant reversal of revenue. In making these assessments, the Company considers the likelihood and magnitude of a potential reversal. The Company's performance period generally corresponds with the monthly invoice period. No significant constraints on the Company's revenue recognition were applied during fiscal 2024, 2023 and 2022. The Company reassesses these estimates during each reporting period.

The Company maintains a liability for these discounts and rebates within accrued liabilities on the Consolidated Balance Sheets. Variable consideration also includes consideration paid to a customer at the beginning of a contract. The Company capitalizes this consideration and amortizes it over the life of the contract as a reduction to revenue in accordance with the accounting guidance for revenue recognition. These assets are included in other assets on the Consolidated Balance Sheets.

The following table presents the Company's revenues for fiscal 2024, 2023 and 2022 disaggregated by service type:

	Year ended					
	2024		2023		2022	
(In thousands, except percentages)	Revenues	% of Revenues	Revenues	% of Revenues	Revenues	% of Revenues
Core Laundry Operations	$ 2,138,948	88.1%	$ 1,961,189	87.8%	$ 1,770,502	88.5%
Specialty Garments	182,212	7.5%	177,034	8.0%	152,885	7.6%
First Aid	106,271	4.4%	94,824	4.2%	77,435	3.9%
Total revenues	$ 2,427,431	100.0%	$ 2,233,047	100.0%	$ 2,000,822	100.0%

The following table presents the Company's percentage of revenues for fiscal 2024, 2023 and 2022 disaggregated by the timing of revenue recognition by service type:

	Year ended					
	2024		2023		2022	
	Over Time	Point in Time	Over Time	Point in Time	Over Time	Point in Time
Core Laundry Operations	88.4%	11.6%	88.4%	11.6%	88.4%	11.6%
Specialty Garments	84.2%	15.8%	83.9%	16.1%	83.8%	16.2%
First Aid	0%	100%	0%	100%	0%	100%

See Note 15, "Segment Reporting" for additional details of segment definitions.

Costs to Obtain a Contract

Costs to Obtain a Contract

The Company defers commission expenses paid to its employee-partners when the commissions are deemed to be incremental for obtaining the route servicing customer contract. The deferred commissions are amortized on a straight-line basis over the expected period of benefit. The Company reviews the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when the Company expects to recognize the expense.

The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

Balance Sheet Location	August 31, 2024	August 26, 2023
Prepaid expenses and other current assets	$ 18,079	$ 16,495
Other assets	78,856	70,393

The following table presents the Company's amortization expense related to deferred commissions on the Consolidated Statements of Income for fiscal 2024, 2023 and 2022 are as follows (in thousands):

Income Statement Location	2024	2023	2022
Selling and administrative expenses	$ 18,031	$ 16,500	$ 15,400

I

Inventories and Rental Merchandise in Service

nventories and Rental Merchandise in Service

Inventories are stated at the lower of cost or net realizable value, net of any reserve for excess and obsolete inventory. Work-in-process and finished goods inventories consist of materials, labor and manufacturing overhead. Judgments and estimates are used in determining the likelihood that new goods on hand can be sold to customers or used in rental operations. Historical inventory usage and current revenue trends are considered in estimating both excess and obsolete inventories. If actual product demand and market conditions are less favorable than those projected by management, additional inventory write-downs may be required. The Company uses the first-in, first-out ("FIFO") method to value its inventories.

The components of inventory as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023

Raw materials	$ 22,164	$ 25,147
Work in process	2,832	4,444
Finished goods	131,912	118,743
Total inventory	$ 156,908	$ 148,334

Rental merchandise in service is amortized, primarily on a straight-line basis, over the estimated service lives of the merchandise, which range from six to thirty-six months. The amortization expense is included in the cost of revenues on the Company's Consolidated Statements of Income. In establishing estimated lives for merchandise in service, management considers historical experience and the intended use of the merchandise. Material differences may result in the amount and timing of operating profit for any period if management makes significant changes to these estimates.

Property, Plant and Equipment

Property, Plant and Equipment

Property, plant and equipment are recorded at cost. Expenditures for maintenance and repairs are expensed as incurred, while expenditures for renewals and betterments are capitalized.

The components of property, plant and equipment as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023
Land, buildings and leasehold equipment	$ 787,628	$ 744,085
Machinery and equipment	710,108	676,490
Motor vehicles	372,837	331,537
Total property, plant and equipment, gross	1,870,573	1,752,112
Less: accumulated depreciation	1,068,961	995,572
Total property, plant and equipment, net	$ 801,612	$ 756,540

The Company provides for depreciation on the straight-line method based on the date the asset is placed in service using the following estimated useful lives:

Buildings (in years)	30 — 40
Building components (in years)	10 — 20
Leasehold improvements	Shorter of useful life or term of lease
Machinery and equipment (in years)	3 — 10
Motor vehicles (in years)	3 — 5

Long-lived assets, including property, plant and equipment, are evaluated for impairment whenever events or circumstances indicate an asset may be impaired. There were no material impairments of long-lived assets in fiscal 2024, 2023 and 2022.

Goodwill and Other Intangible Assets

Goodwill and Other Intangible Assets

In accordance with U.S. GAAP, the Company does not amortize goodwill. Instead, the Company tests goodwill for impairment on an annual basis. Management completes its annual goodwill impairment test on the first day of the fourth quarter of each fiscal year. In addition, U.S. GAAP requires that companies test goodwill if events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit to which goodwill is assigned below its

carrying amount. The Company used both the qualitative and quantitative assessment options for its impairment testing for goodwill in fiscal 2024 and determined that the fair values of the reporting units more likely than not exceeded their carrying values and that there was no evidence of impairment as of May 26, 2024.

The Company cannot predict future economic conditions and their impact on the Company or the future net realizable value of the Company's stock. A decline in the Company's market capitalization and/or deterioration in general economic conditions could negatively and materially impact the Company's assumptions and assessment of the fair value of the Company's business. If general economic conditions or the Company's financial performance deteriorate, the Company may be required to record a goodwill impairment charge in the future which could have a material impact on the Company's financial condition and results of operations.

Definite-lived intangible assets are amortized over their estimated useful lives, which are based on management's estimates of the period that the assets will generate economic benefits. Definite-lived intangible assets are evaluated for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable in accordance with U.S. GAAP. There were no impairments of goodwill or indicators of impairment for definite-lived intangible assets in fiscal 2024, 2023 or 2022.

As of August 31, 2024, definite-lived intangible assets have a weighted average useful life of approximately 12.9 years. Customer contracts have a weighted average useful life of approximately 14.6 years and other intangible assets, net, which consist of primarily of restrictive covenants, software and trademarks, have a weighted average useful life of approximately 8.5 years.

Cloud Computing Arrangements

The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in "Prepaid expenses and other current assets" and "Long-term other assets" on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and $2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024.

Cloud Computing Arrangements

Cloud Computing Arrangements

The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in "Prepaid expenses and other current assets" and "Long-term other assets" on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and $2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024.

Environmental and Other Contingencies

Environmental and Other Contingencies

The Company is subject to legal proceedings and claims arising from the conduct of its business operations, including but not limited to, environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP require that a liability for contingencies be recorded when it is probable that a liability has occurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. The Company records accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, the Company's estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of outside consultants and attorneys.

The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to 4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3% per year. Changes in enacted laws, regulatory orders or decrees, management's estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company's attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Refer to Note 11, "Commitments and Contingencies", of these Consolidated Financial Statements for additional discussion and analysis.

Asset Retirement Obligations

Asset Retirement Obligations

Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. The Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset.

The Company has recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The Company depreciates, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years.

The estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the Company's estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service.

Insurance

Insurance

The Company is self-insured for certain obligations related to health and dental, workers' compensation, vehicles and general liability programs. The Company also purchases stop-loss insurance policies for workers' compensation, vehicles and general liability programs to protect itself from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred, but have not been reported. The Company's estimates consider historical claims experience and other factors. In certain cases where partial insurance coverage exists, the Company estimates the portion of the liability that will be covered by existing insurance policies to arrive at its net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. The Company's liabilities are based on estimates, and, while the Company believes that its accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. Changes in claims experience, the Company's ability to settle claims or other estimates and judgments used by management could have a material impact on the amount and timing of expense for any period.

Supplemental Executive Retirement Plan and Other Pension Plans

Supplemental Executive Retirement Plan and Other Pension Plans

Pension expense is recognized on an accrual basis over employees' estimated service periods. Pension expense is generally independent of funding decisions or requirements.

The Company (1) recognizes in its statement of financial position the over-funded or under-funded status of its defined benefit post-retirement plans measured as the difference between the fair value of plan assets and the benefit obligation, (2) recognizes as a component of other comprehensive (loss) income, net of tax, the actuarial gains and losses and the prior service costs and credits that arise during the period but are not recognized as components of net periodic benefit cost, (3) measures defined benefit plan assets and defined benefit plan obligations as of the date of its statement of financial position, and (4) discloses additional information in the notes to financial statements about certain effects on net periodic benefit cost in the upcoming fiscal year that arise from delayed recognition of the actuarial gains and losses and the prior service costs and credits. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plans.

The calculation of pension expense and the corresponding liability requires the use of a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rates, assumed rate of compensation increases and life expectancy of participants. Changes in these assumptions can result in different expense and liability amounts, and future actual experience can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in the Company's pension plans will impact the Company's future pension expense and liabilities. The Company cannot predict with certainty what these factors will be in the future.

Nonqualified Deferred Compensation Plan

Non-qualified Deferred Compensation Plan

The Company adopted the UniFirst Corporation Deferred Compensation Plan (the "NQDC Plan") effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions may differ from year to year and from participant to participant. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's NQDC Plan

Income Taxes

Income Taxes

The Company computes income tax expense by jurisdiction based on its operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, "Income Taxes" in these Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or liabilities based on the classification of the related asset or liability for financial reporting purposes. The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized.

The Company is periodically reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, the Company records estimated reserves. Refer to Note 4, "Income Taxes", of these Consolidated Financial Statements for further discussion regarding the Company's accounting for income taxes and its uncertain tax positions for financial accounting purposes.

Advertising Costs

Advertising Costs

Advertising costs are expensed as incurred and are classified as selling and administrative expenses. The Company incurred advertising costs of $5.3 million, $9.9 million and $14.7 million, for fiscal 2024, 2023 and 2022, respectively.

Share-Based Compensation

Share-Based Compensation

Compensation expense for all stock options, stock appreciation rights, unrestricted stock and restricted stock units (collectively, "Share-Based Awards") is recognized ratably over the related vesting period, net of actual forfeitures. Certain Share-Based Awards in the form of stock appreciation rights and shares of unrestricted stock were granted during fiscal 2024, 2023 and 2022 to non-employee Directors of the Company, which were fully vested upon grant and, with respect to stock appreciation rights, expire eight years after the grant date. Accordingly, compensation expense related to these Share-Based Awards in fiscal 2024, 2023 and 2022 was recognized on the date of grant.

For performance-based restricted stock unit awards with revenue and profitability performance criteria, we evaluate the probability of meeting the performance criteria at each balance sheet date and, if probable, related compensation cost is amortized over the performance period on a straight-line basis because such awards vest only at the end of the measurement period. Changes to the probability assessment and the estimate of shares expected to vest will result in adjustments to the related share-based compensation expense that will be recorded in the period of the change. If the performance targets are not achieved, no compensation cost is recognized and any previously recognized compensation cost is reversed.

U.S. GAAP requires that share-based compensation cost be measured at the grant date based on the fair value of the award and be recognized as expense over the requisite service period, which is generally the vesting period. Determining the fair value of Share-Based Awards in the form of stock appreciation rights at the grant date requires judgment, including estimating expected dividends and share price volatility. The fair value of each Share-Based Award in the form of stock appreciation rights is estimated on the date of grant using the Black-Scholes option pricing model.

The Company recognizes compensation expense for restricted stock and restricted stock unit grants over the related vesting period. The fair value for each restricted stock, unrestricted stock and restricted stock unit grant is determined by using the closing price of the Company's stock on the date of the grant. Refer to Note 12, "Share-Based Compensation", of these Consolidated Financial Statements for further discussion regarding the Company's share-based compensation plans.

Income Per Share

Income Per Share

The Company calculates income per share by allocating income to its unvested participating securities as part of its income per share calculations. The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Company's shares of Common Stock and Class B Common Stock (in thousands, except per share data):

Year ended	2024	2023	2022
Net income available to shareholders	$ 145,474	$ 103,674	$ 103,404
Allocation of net income for Basic:			
Common Stock	$ 122,188	$ 87,104	$ 86,844
Class B Common Stock	23,286	16,570	16,560
	$ 145,474	$ 103,674	$ 103,404
Weighted average number of shares for Basic:			
Common Stock	15,073	15,098	15,203
Class B Common Stock	3,590	3,590	3,621
	18,663	18,688	18,824
Income per share for Basic:			
Common Stock	$ 8.11	$ 5.77	$ 5.71
Class B Common Stock	$ 6.49	$ 4.62	$ 4.57

The Class B Common Stock may be converted at any time on a one-for-one basis into Common Stock at the option of the holder of the Class B Common Stock. Diluted income per share for the Company's Common Stock assumes the conversion of all of the Company's Class B Common Stock into Common Stock, full vesting of outstanding restricted stock, and the exercise of Share-Based Awards under the Company's stock incentive plans.

The Company is required to calculate the diluted income per share for Common Stock using the more dilutive of the following two methods:

- The treasury stock method; or
- The two-class method assuming a participating security is not exercised or converted.

For fiscal 2024, 2023 and 2022, the Company's diluted income per share assumes the conversion of all Class B Common Stock into Common Stock and uses the two-class method for its unvested participating shares.

The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data):

	Year Ended August 31, 2024			Year Ended August 26, 2023			Year Ended August 27, 2022		
	Earnings to Common shareholders	Common Shares	Income Per Share	Earnings to Common shareholders	Common Shares	Income Per Share	Earnings to Common shareholders	Common Shares	Income Per Share
As reported—Basic	$ 122,188	15,073	$ 8.11	$ 87,104	15,098	$ 5.77	$ 86,844	15,203	$ 5.71
Add: effect of dilutive potential common shares									
Share-Based Awards	—	61		—	74		—	109	
Class B Common Stock	23,286	3,590		16,570	3,590		16,560	3,621	
Diluted Income Per Share—Common Stock	$ 145,474	18,724	$ 7.77	$ 103,674	18,762	$ 5.53	$ 103,404	18,933	$ 5.46

Share-Based Awards that would result in the issuance of 60,260, 51,708 and 34,416 shares, respectively, of Common Stock were excluded from the calculation of diluted earnings per share for fiscal 2024, 2023 and 2022 because they were anti-dilutive.

Foreign Currency Translation

Foreign Currency Translation

The functional currency of our foreign operations is the local country's currency. Transaction gains and losses, including gains and losses on our intercompany transactions, are included in other expense, net in the accompanying Consolidated Statements of Income. Assets and liabilities of operations outside the U.S. are translated into U.S. dollars using period-end exchange rates. Revenues and expenses are translated at the average exchange rates in effect during each month of the fiscal year. The effects of foreign currency translation adjustments are included in shareholders' equity as a component of accumulated other comprehensive loss in the accompanying Consolidated Balance Sheets.

Recent Accounting Pronouncements

Recent Accounting Pronouncements

In November 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which enhances effective tax rate reconciliation disclosure requirements and provides clarity to the disclosures of income taxes paid, income before taxes and provision for income taxes. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments in this update should be applied on a prospective basis. Retrospective application is permitted. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures.

Other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the SEC have not had, or are not believed by management to, have a material impact on the Company's present or future financial statements.

Summary of Significant Accounting Policies (Tables)

12 Months Ended

Aug. 31, 2024

Accounting Policies [Abstract]

Schedule of Change in Allowance for Credit Losses

The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

(In thousands)	August 31, 2024	August 26, 2023
Beginning balance	$ 6,276	$ 5,930
Current period provision	13,976	10,740
Write-offs and other	(12,336)	(10,394)
Ending balance	$ 7,916	$ 6,276

Schedule of Total Revenue Disaggregated by Service Type

The following table presents the Company's revenues for fiscal 2024, 2023 and 2022 disaggregated by service type:

	Year ended					
	2024		2023		2022	
(In thousands, except percentages)	Revenues	% of Revenues	Revenues	% of Revenues	Revenues	% of Revenues
Core Laundry Operations	$ 2,138,948	88.1%	$ 1,961,189	87.8%	$ 1,770,502	88.5%
Specialty Garments	182,212	7.5%	177,034	8.0%	152,885	7.6%
First Aid	106,271	4.4%	94,824	4.2%	77,435	3.9%
Total revenues	$ 2,427,431	100.0%	$ 2,233,047	100.0%	$ 2,000,822	100.0%

Schedule of Disaggregation of Revenue Percentage

The following table presents the Company's percentage of revenues for fiscal 2024, 2023 and 2022 disaggregated by the timing of revenue recognition by service type:

	Year ended					
	2024		2023		2022	
	Over Time	Point in Time	Over Time	Point in Time	Over Time	Point in Time
Core Laundry Operations	88.4%	11.6%	88.4%	11.6%	88.4%	11.6%
Specialty Garments	84.2%	15.8%	83.9%	16.1%	83.8%	16.2%
First Aid	0%	100%	0%	100%	0%	100%

Schedule of Deferred Commissions

The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

Balance Sheet Location	August 31, 2024	August 26, 2023
Prepaid expenses and other current assets	$ 18,079	$ 16,495
Other assets	78,856	70,393

Schedule of Amortization Expense Related to Deferred Commissions.

The following table presents the Company's amortization expense related to deferred commissions on the Consolidated Statements of Income for fiscal 2024, 2023 and 2022 are as follows (in thousands):

Income Statement Location	2024	2023	2022
Selling and administrative expenses	$ 18,031	$ 16,500	$ 15,400

Schedule of Components of Inventory

The components of inventory as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023
Raw materials	$ 22,164	$ 25,147
Work in process	2,832	4,444
Finished goods	131,912	118,743
Total inventory	$ 156,908	$ 148,334

Schedule of Components of Property, Plant and Equipment

The components of property, plant and equipment as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	August 31, 2024	August 26, 2023
Land, buildings and leasehold equipment	$ 787,628	$ 744,085
Machinery and equipment	710,108	676,490
Motor vehicles	372,837	331,537
Total property, plant and equipment, gross	1,870,573	1,752,112
Less: accumulated depreciation	1,068,961	995,572
Total property, plant and equipment, net	$ 801,612	$ 756,540

Schedule of Useful Lives of Property, Plant and Equipment

The Company provides for depreciation on the straight-line method based on the date the asset is placed in service using the following estimated useful lives:

Buildings (in years)	30 — 40
Building components (in years)	10 — 20
Leasehold improvements	Shorter of useful life or term of lease
Machinery and equipment (in years)	3 — 10
Motor vehicles (in years)	3 — 5

Schedule of Computation of Basic Income Per Share

The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Company's shares of Common Stock and Class B Common Stock (in thousands, except per share data):

Year ended	2024	2023	2022
Net income available to shareholders	$ 145,474	$ 103,674	$ 103,404
Allocation of net income for Basic:			
Common Stock	$ 122,188	$ 87,104	$ 86,844
Class B Common Stock	23,286	16,570	16,560
	$ 145,474	$ 103,674	$ 103,404
Weighted average number of shares for Basic:			
Common Stock	15,073	15,098	15,203
Class B Common Stock	3,590	3,590	3,621
	18,663	18,688	18,824
Income per share for Basic:			
Common Stock	$ 8.11	$ 5.77	$ 5.71
Class B Common Stock	$ 6.49	$ 4.62	$ 4.57

Schedule of Computation of Diluted Income Per Share

The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data):

	Year Ended August 31, 2024			Year Ended August 26, 2023			Year Ended August 27, 2022		
	Earnings to Common shareholders	Common Shares	Income Per Share	Earnings to Common shareholders	Common Shares	Income Per Share	Earnings to Common shareholders	Common Shares	Income Per Share
As reported—Basic	$ 122,188	15,073	$ 8.11	$ 87,104	15,098	$ 5.77	$ 86,844	15,203	$ 5.71
Add: effect of dilutive potential common shares									
Share-Based Awards	—	61		—	74		—	109	
Class B Common Stock	23,286	3,590		16,570	3,590		16,560	3,621	
Diluted Income Per Share—Common Stock	$ 145,474	18,724	$ 7.77	$ 103,674	18,762	$ 5.53	$ 103,404	18,933	$ 5.46

Income Tax Disclosure [Abstract]

Components of Provision / (Benefit) for Income Taxes

The provision for income taxes consists of the following (in thousands):

Year ended	2024	2023	2022
Current:			
Federal	$ 30,932	$ 7,269	$ 7,655
Foreign	1,231	2,519	1,839
State	6,007	2,695	3,701
Total current	$ 38,170	$ 12,483	$ 13,195
Deferred:			
Federal	$ 4,027	$ 19,227	$ 13,883
Foreign	1,269	568	180
State	439	2,885	3,663
Total deferred	$ 5,735	$ 22,680	$ 17,726
Total provision for income taxes	$ 43,905	$ 35,163	$ 30,921

Reconciliation of Provision for Income Taxes

The following table reconciles the provision for income taxes using the statutory federal income tax rate to the actual provision for income taxes:

Year ended	2024	2023	2022
Income taxes at the statutory federal income tax rate	21.0%	21.0%	21.0%
State income taxes	3.6	3.8	4.7
Adjustments to tax reserve	(0.5)	0.8	(2.1)
Other	(0.9)	(0.3)	(0.6)
Effective income tax rate	23.2%	25.3%	23.0%

Components of Deferred Income Taxes

The components of deferred income taxes included on the Consolidated Balance Sheets are as follows (in thousands):

	August 31, 2024	August 26, 2023
Deferred tax assets:		
Payroll and benefit related	$ 16,009	$ 15,284
Insurance related	14,067	14,347
Environmental	7,807	7,542
Accrued expenses	8,169	7,847
Operating lease liabilities	17,083	16,162
Research and development	6,243	3,628
Other	12,884	11,916
Total deferred tax assets	$ 82,262	$ 76,726
Deferred tax liabilities:		
Payroll and benefit related	$ 24,655	$ 22,230
Tax in excess of book depreciation	59,113	53,597
Purchased intangible assets	48,908	43,994
Rental merchandise in service	59,692	62,562
Operating lease right-of-use assets	16,575	15,600
Other	320	488
Total deferred tax liabilities	209,263	198,471
Net deferred tax liability	$ 127,001	$ 121,745

Reconciliation of Unrecognized Tax Benefits

A reconciliation of the beginning and ending amount of unrecognized tax benefits are as follows (in thousands):

Balance at August 27, 2022	$ 6,417
Additions based on tax positions related to the current year	1,042
Additions for tax positions of prior years	840
Reduction for tax positions of prior years	(219)
Statute expirations	(329)
Balance at August 26, 2023	7,751
Additions based on tax positions related to the current year	1,069
Additions for tax positions of prior years	142
Reduction for tax positions of prior years	(4,257)
Statute expirations	(67)
Balance at August 31, 2024	$ 4,638

Funded status (net amount recognized)	$ (501)	$ (563)	$ (25,880)	$ (25,119)

Schedule of Amounts Recorded on Consolidated Balance Sheet

The amounts recorded on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands):

	Pension Plans		SERP	
	2024	2023	2024	2023
Deferred tax (liabilities) assets	$ (10)	$ (16)	$ (750)	$ (904)
Accrued liabilities	501	563	25,880	25,119
Accumulated other comprehensive income (loss)	30	46	2,200	2,628

Schedule of Amounts Recognized in Accumulated Other Comprehensive Loss

As of August 31, 2024 and August 26, 2023, the amounts recognized in accumulated other comprehensive loss are as follows (in thousands):

	UniFirst Plan		SERP	
	2024	2023	2024	2023
Net actuarial (loss) gain	$ 113	$ 156	$ 2,950	$ 3,531
Unrecognized prior service cost	(73)	(94)	—	—
Accumulated other comprehensive (loss) income	$ 40	$ 62	$ 2,950	$ 3,531

Weighted Average Assumptions Used in Calculating Projected Benefit Obligation

The weighted average assumptions used in calculating the Company's projected benefit obligation as of August 31, 2024 and August 26, 2023 are as follows:

	UniFirst Plan		SERP	
	2024	2023	2024	2023
Discount rate	4.8%	5.1%	4.9%	5.2%
Rate of compensation increase	N/A	N/A	5.0%	5.0%

Weighted Average Assumptions Used in Calculating Net Periodic Service Cost

The weighted average assumptions used in calculating the Company's net periodic service cost for fiscal 2024, 2023 and 2022 are as follows:

	UniFirst Plan			SERP		
	2024	2023	2022	2024	2023	2022
Discount rate	5.1%	4.3%	2.3%	5.2%	4.4%	2.6%
Expected return on plan assets	3.5%	3.5%	3.5%	N/A	N/A	N/A
Rate of compensation increase	N/A	N/A	N/A	5.0%	5.0%	5.0%

Schedule of Expected Future Benefit Payments

The benefit payments, which reflect expected future service, are expected to be paid for the five fiscal years subsequent to August 31, 2024 and five years thereafter are as follows (in thousands):

	UniFirst Plan	SERP
2025	$ 938	$ 1,612
2026	313	1,739
2027	135	1,737
2028	237	1,663
2029	304	1,784
2030-2034	1,682	17,345

Schedule of Operating Lease Cost and Information Related to Operating Lease Right-of-use Assets, Net and Operating Lease Liabilities

The following table presents the operating lease cost and information related to the operating lease right-of-use assets, net and operating lease liabilities for fiscal 2024, 2023 and 2022:

(In thousands, except lease term and discount rate)	2024	2023	2022
Lease cost:			
Operating lease costs including short-term lease expense and variable lease costs, which were immaterial in the period	$ 25,866	$ 22,303	$ 20,284
Operating cash flow impacts:			
Cash paid for amounts included in the measurement of operating lease liabilities	$ 20,083	$ 16,710	$ 15,123
Operating lease right-of-use assets obtained in exchange for new operating lease liabilities	$ 19,511	$ 23,076	$ 21,391
Operating lease right-of-use assets acquired in business combination	$ —	$ 4,167	$ —
Weighted average remaining lease term - operating leases	4.7	4.48	4.66
Weighted average discount rate - operating leases	4.74%	3.55%	2.24%

Schedule of Contractual Future Minimum Lease Payments of Operating Lease Liabilities

The contractual future minimum lease payments of the Company's operating lease liabilities by fiscal year as of August 31, 2024 are as follows (in thousands):

2025	$ 20,557
2026	17,307
2027	13,444
2028	9,787
2029	6,373
Thereafter	8,365
Total payments	75,833
Less interest	7,024
Total present value of lease payments	$ 68,809

Schedule of Changes to Environmental Liabilities

The changes to the Company's environmental liabilities for fiscal 2024 and 2023 are as follows (in thousands):

Year ended	August 31, 2024	August 26, 2023
Beginning balance	$ 30,029	$ 32,191
Costs incurred for which reserves have been provided	(3,176)	(1,936)
Insurance proceeds	238	147
Interest accretion	1,264	1,036
Changes in discount rates	244	(2,446)
Revisions in estimates	2,656	1,037
Ending balance	$ 31,255	$ 30,029

Schedule of Anticipated Payments and Insurance Proceeds of Currently Identified Environmental Remediation Liabilities

Anticipated payments and insurance proceeds of currently identified environmental remediation liabilities as of August 31, 2024, for the next five fiscal years and thereafter, as measured in current dollars, are reflected below (in thousands):

Fiscal year ended August	2025	2026	2027	2028	2029	Thereafter	Total
Estimated costs—current dollars	$ 14,425	$ 2,836	$ 1,527	$ 1,280	$ 997	$ 15,047	$ 36,112
Estimated insurance proceeds	(180)	(195)	(159)	(173)	(9)	(230)	(946)
Net anticipated costs	$ 14,245	$ 2,641	$ 1,368	$ 1,107	$ 988	$ 14,817	$ 35,166
Effect of inflation							9,501
Effect of discounting							(13,412)
Balance as of August 31, 2024							$ 31,255

Summary of Significant Accounting Policies Business Description UniFirst Corporation (the “Company”) is one of the leading providers of workplace uniforms and protective clothing in North America. The Company designs, manufactures, personalizes, rents, cleans, delivers, and sells a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. The Company also rents and sells industrial wiping products, floor mats, facility service products and other non-garment items, and provides restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training, to a variety of manufacturers, retailers and service companies. <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-

content;">The Company serves businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, business service companies, soft and durable goods wholesalers, transportation companies, energy producing operations, healthcare providers and others who require employee clothing on the job for image, identification, protection or utility purposes. The Company also provides its customers with restroom and cleaning supplies, including air fresheners, paper products, gloves, masks, hand soaps and sanitizers. At certain specialized facilities, like nuclear operations, the Company decontaminates and cleans work clothes and other items that may have been exposed to radioactive materials and services special cleanroom protective wear. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utility providers operating nuclear reactors. As discussed and described in Note 15, “Segment Reporting”, to these Consolidated Financial Statements, the Company has five reporting segments: United States (“U.S.”) and Canadian Rental and Cleaning, Manufacturing (“MFG”), Specialty Garments Rental and Cleaning (“Specialty Garments”), First Aid and Corporate. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as its “industrial laundry operations” and the locations related to this reporting segment are referred to as “industrial laundries”. The Company refers to its U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as its “Core Laundry Operations”. Principles of Consolidation The Consolidated Financial Statements include the accounts of the Company and its subsidiaries, all of which are wholly-owned. Intercompany balances and transactions are eliminated in consolidation. Basis of Presentation The Consolidated Financial Statements included herein have been prepared in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”) and pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”). There have been no material changes in the accounting policies followed by the Company during the current fiscal year other than the adoption of recent accounting pronouncements as discussed in greater detail in the Recent Accounting Pronouncements sub-section of this Note. Use of Estimates The preparation of these Consolidated Financial Statements is in conformity with U.S. GAAP which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. The Company utilizes key estimates in preparing the financial statements including casualty and environmental estimates, valuation of intangible assets acquired in a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. The Company’s results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates. Fiscal Year The Company’s fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal year ended August 31, 2024 (“fiscal 2024”) consisted of 53 weeks, and fiscal years ended August 26, 2023 (“fiscal 2023”) and August 27, 2022 (“fiscal 2022”) both consisted of 52 weeks. The additional week was included in the fourth quarter of fiscal 2024. Cash, Cash Equivalents and Short-Term Investments <p style="font-size:10pt;margin-top:12pt;font-family:Times

*New Roman;margin-bottom:0;text-align:left;">Cash, cash equivalents and short-term investments include cash in banks, money market securities and bank short-term investments having original maturities of six months or less. As of August 31, 2024 and August 26, 2023, the Company had $13.5 million and <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$10.2 million in short-term investments, respectively. Accounts receivable Accounts receivable represents amounts due from customers and is presented net of reserves for expected credit losses. The Company utilizes its judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the reserve for expected credit losses. The Company considers specific accounts receivable and historical credit loss experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of its evaluation. When an account is considered uncollectible, it is written off against the reserve for expected credit losses. The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"><tr style="visibility:collapse;"><td style="width:67.846%;box-sizing:content-box;"></td><td style="width:1.52%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:12.558%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1.52%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:12.558%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td></tr><tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"><td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> (In thousands) </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:center;"> </td><td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> August 31,

Financial Instruments The Company’s financial instruments, which may expose the Company to

concentrations of credit risk, include cash and cash equivalents, receivables, accounts payable and foreign exchange forward contracts. Each of these financial instruments is recorded at cost, which approximates its fair value given the short maturity of each financial instrument. Revenue Recognition In fiscal 2024, approximately 84.2% of the Company’s revenues are derived from fees for route servicing of Core Laundry Operations, Specialty Garments and First Aid services performed by the Company’s employees at the customer’s location of business. Revenues from the Company’s route servicing customer contracts represent a single-performance obligation. The Company recognizes these revenues over time as services are performed based on the nature of services provided and contractual rates (input method). Certain of the Company’s customer contracts, primarily within the Company’s Core Laundry Operations, include pricing terms and conditions that include components of variable consideration. The variable consideration is typically in the form of consideration due to a customer based on performance metrics specified within the contract. Specifically, some contracts contain discounts or rebates that the customer can earn through the achievement of specified volume levels. Each component of variable consideration is earned based on the Company’s actual performance during the measurement period specified within the contract. To determine the transaction price, the Company estimates the variable consideration using the most likely amount method, based on the specific contract provisions and known performance results during the relevant measurement period. When determining if variable consideration should be constrained, the Company considers whether factors outside its control could result in a significant reversal of revenue. In making these assessments, the Company considers the likelihood and magnitude of a potential reversal. The Company’s performance period generally corresponds with the monthly invoice period. No significant constraints on the Company’s revenue recognition were applied during fiscal 2024, 2023 and 2022. The Company reassesses these estimates during each reporting period. The Company maintains a liability for these discounts and rebates within accrued liabilities on the Consolidated Balance Sheets. Variable consideration also includes consideration paid to a customer at the beginning of a contract. The Company capitalizes this consideration and amortizes it over the life of the contract as a reduction to revenue in accordance with the accounting guidance for revenue recognition. These assets are included in other assets on the Consolidated Balance Sheets. The following table presents the Company’s revenues for fiscal 2024, 2023 and 2022 disaggregated by service type: <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:40.592%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.4190000000000005%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:7.359%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.4190000000000005%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:7.359%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.4190000000000005%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:7.439%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="22" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"><p

Costs to Obtain a Contract The Company defers commission expenses paid to its employee-partners when the commissions are deemed to be incremental for obtaining the route servicing customer contract. The deferred commissions are amortized on a straight-line basis over the expected period of benefit. The Company reviews the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when the Company expects to recognize the expense. The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:56.931%;box-sizing:content-box;"></td> <td style="width:2.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:18.784%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:2.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:15.963000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Balance

Work-in-process and finished goods inventories consist of materials, labor and manufacturing overhead. Judgments and estimates are used in determining the likelihood that new goods on hand can be sold to customers or used in rental operations. Historical inventory usage and current revenue trends are considered in estimating both excess and obsolete inventories. If actual product demand and market conditions are less favorable than those projected by management, additional inventory write-downs may be required. The Company uses the first-in, first-out (“FIFO”) method to value its inventories. The components of inventory as of August 31, 2024 and August 26, 2023 are as follows (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td

The amortization expense is included in the cost of revenues on the Company’s Consolidated Statements of Income. In establishing estimated lives for merchandise in service, management considers historical experience and the intended use of the merchandise. Material differences may result in the amount and timing of operating profit for any period if management makes significant changes to these estimates. Property, Plant and Equipment Property, plant and equipment are recorded at cost. Expenditures for maintenance and repairs are expensed as incurred, while expenditures for renewals and betterments are capitalized. The components of property, plant and equipment as of August 31, 2024 and August 26, 2023 are as follows (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:66.96%;box-sizing:content-box;"></td> <td style="width:1.58%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.940000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.58%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.940000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;">

There were no material impairments of long-lived assets in fiscal 2024, 2023 and 2022. Goodwill and Other Intangible Assets In accordance with U.S. GAAP, the Company does not amortize goodwill. Instead, the Company tests goodwill for impairment on an annual basis. Management completes its annual goodwill impairment test on the first day of the fourth quarter of each fiscal year. In addition, U.S. GAAP requires that companies test goodwill if events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit to which goodwill is assigned below its carrying amount. The Company used both the qualitative and quantitative assessment options for its impairment testing for goodwill in fiscal 2024 and determined that the fair values of the reporting units more likely than not exceeded their carrying values and that there was no evidence of impairment as of May 26, 2024. The Company cannot predict future economic conditions and their impact on the Company or the future net realizable value of the Company’s stock. A decline in

the Company's market capitalization and/or deterioration in general economic conditions could negatively and materially impact the Company's assumptions and assessment of the fair value of the Company's business. If general economic conditions or the Company's financial performance deteriorate, the Company may be required to record a goodwill impairment charge in the future which could have a material impact on the Company's financial condition and results of operations. Definite-lived intangible assets are amortized over their estimated useful lives, which are based on management's estimates of the period that the assets will generate economic benefits. Definite-lived intangible assets are evaluated for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable in accordance with U.S. GAAP. There were no impairments of goodwill or indicators of impairment for definite-lived intangible assets in fiscal 2024, 2023 or 2022. As of August 31, 2024, definite-lived intangible assets have a weighted average useful life of approximately 12.9 years. Customer contracts have a weighted average useful life of approximately 14.6 years and other intangible assets, net, which consist of primarily of restrictive covenants, software and trademarks, have a weighted average useful life of approximately 8.5 years. Cloud Computing Arrangements The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in "Prepaid expenses and other current assets" and "Long-term other assets" on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024. Environmental and Other Contingencies The Company is subject to legal proceedings and claims arising from the conduct of its business operations, including but not limited to, environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP require that a liability for contingencies be recorded when it is probable that a liability has occurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. The Company records accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, the Company's estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of outside consultants and attorneys. The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to <span style="font-size:10pt;font-family:Times New Roman;color:#000000;white-space:pre-wrap;min-

width:fit-content;">4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3% per year. Changes in enacted laws, regulatory orders or decrees, management’s estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company’s attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Refer to Note 11, “Commitments and Contingencies”, of these Consolidated Financial Statements for additional discussion and analysis. Asset Retirement Obligations Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. The Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. The Company has recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The Company depreciates, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years. The estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the Company’s estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service. Insurance The Company is self-insured for certain obligations related to health and dental, workers’ compensation, vehicles and general liability programs. The Company also purchases stop-loss insurance policies for workers’ compensation, vehicles and general liability programs to protect itself from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred, but have not been reported. The Company’s estimates consider historical claims experience and other factors. In certain cases where partial insurance coverage

exists, the Company estimates the portion of the liability that will be covered by existing insurance policies to arrive at its net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. The Company's liabilities are based on estimates, and, while the Company believes that its accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. Changes in claims experience, the Company's ability to settle claims or other estimates and judgments used by management could have a material impact on the amount and timing of expense for any period. Supplemental Executive Retirement Plan and Other Pension Plans Pension expense is recognized on an accrual basis over employees' estimated service periods. Pension expense is generally independent of funding decisions or requirements. The Company (1) recognizes in its statement of financial position the over-funded or under-funded status of its defined benefit post-retirement plans measured as the difference between the fair value of plan assets and the benefit obligation, (2) recognizes as a component of other comprehensive (loss) income, net of tax, the actuarial gains and losses and the prior service costs and credits that arise during the period but are not recognized as components of net periodic benefit cost, (3) measures defined benefit plan assets and defined benefit plan obligations as of the date of its statement of financial position, and (4) discloses additional information in the notes to financial statements about certain effects on net periodic benefit cost in the upcoming fiscal year that arise from delayed recognition of the actuarial gains and losses and the prior service costs and credits. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plans. The calculation of pension expense and the corresponding liability requires the use of a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rates, assumed rate of compensation increases and life expectancy of participants. Changes in these assumptions can result in different expense and liability amounts, and future actual experience can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in the Company's pension plans will impact the Company's future pension expense and liabilities. The Company cannot predict with certainty what these factors will be in the future. Non-qualified Deferred Compensation Plan The Company adopted the UniFirst Corporation Deferred Compensation Plan (the "NQDC Plan") effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions may differ from year to year and from participant to participant. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's NQDC Plan. Income Taxes The Company computes income tax expense by jurisdiction based on its operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, "Income Taxes" in these Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or liabilities based on the classification of the related asset or liability for financial reporting purposes. The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized. The Company is periodically

reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, the Company records estimated reserves. Refer to Note 4, "Income Taxes", of these Consolidated Financial Statements for further discussion regarding the Company's accounting for income taxes and its uncertain tax positions for financial accounting purposes.

Advertising Costs

Advertising costs are expensed as incurred and are classified as selling and administrative expenses. The Company incurred advertising costs of $5.3 million, $9.9 million and $14.7 million, for fiscal 2024, 2023 and 2022, respectively.

Share-Based Compensation

Compensation expense for all stock options, stock appreciation rights, unrestricted stock and restricted stock units (collectively, "Share-Based Awards") is recognized ratably over the related vesting period, net of actual forfeitures. Certain Share-Based Awards in the form of stock appreciation rights and shares of unrestricted stock were granted during fiscal 2024, 2023 and 2022 to non-employee Directors of the Company, which were fully vested upon grant and, with respect to stock appreciation rights, expire eight years after the grant date. Accordingly, compensation expense related to these Share-Based Awards in fiscal 2024, 2023 and 2022 was recognized on the date of grant.

For performance-based restricted stock unit awards with revenue and profitability performance criteria, we evaluate the probability of meeting the performance criteria at each balance sheet date and, if probable, related compensation cost is amortized over the performance period on a straight-line basis because such awards vest only at the end of the measurement period. Changes to the probability assessment and the estimate of shares expected to vest will result in adjustments to the related share-based compensation expense that will be recorded in the period of the change. If the performance targets are not achieved, no compensation cost is recognized and any previously recognized compensation cost is reversed.

U.S. GAAP requires that share-based compensation cost be measured at the grant date based on the fair value of the award and be recognized as expense over the requisite service period, which is generally the vesting period. Determining the fair value of Share-Based Awards in the form of stock appreciation rights at the grant date requires judgment, including estimating expected dividends and share price volatility. The fair value of each Share-Based Award in the form of stock appreciation rights is estimated on the date of grant using the Black-Scholes option pricing model.

The Company recognizes compensation expense for restricted stock and restricted stock unit grants over the related vesting period. The fair value for each restricted stock, unrestricted stock and restricted stock unit grant is determined by using the closing price of the Company's stock on the date of the grant. Refer to Note 12, "Share-Based Compensation", of these Consolidated Financial Statements for further discussion regarding the Company's share-based compensation plans.

space:pre-wrap;font-size:10pt;font-family:Times New Roman;font-style:italic;min-width:fit-content;">Income Per Share The Company calculates income per share by allocating income to its unvested participating securities as part of its income per share calculations. The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Company's shares of Common Stock and Class B Common Stock (in thousands, except per share data): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:60.808%;box-sizing:content-box;"></td> <td style="width:1.48%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.518%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.48%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.518%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.22%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.978999999999999%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"> Net income available to shareholders </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"> $</p></td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:right;">145,474</p></td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td style="white-space:pre-wrap;vertical-align:bottom;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;">$ </td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"> 103,674 </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"> $ </td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"> 103,404 </td> <td style="white-

style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 4.57 </td> <td style="white-space:nowrap;vertical-align:bottom;"> </td> </tr> </table> The Class B Common Stock may be converted at any time on a one-for-one basis into Common Stock at the option of the holder of the Class B Common Stock. Diluted income per share for the Company's Common Stock assumes the conversion of all of the Company's Class B Common Stock into Common Stock, full vesting of outstanding restricted stock, and the exercise of Share-Based Awards under the Company's stock incentive plans. The Company is required to calculate the diluted income per share for Common Stock using the more dilutive of the following two methods: • The treasury stock method; or • The two-class method assuming a participating security is not exercised or converted. For fiscal 2024, 2023 and 2022, the Company's diluted income per share assumes the conversion of all Class B Common Stock into Common Stock and uses the two-class method for its unvested participating shares. The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:28.22%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.96%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.96%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:6pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Year Ended August 31, 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"><p style="font-size:6.5pt;margin-top:0;font-family:Times New Roman;margin-

Foreign Currency Translation The functional currency of our foreign operations is the local country's currency. Transaction gains and losses, including gains and losses on our intercompany transactions, are included in other expense, net in the accompanying Consolidated Statements of Income. Assets and liabilities of operations outside the U.S. are translated into U.S. dollars using period-end exchange rates. Revenues and expenses are translated at the average exchange rates in effect during each month of the fiscal year. The effects of foreign currency translation adjustments are included in shareholders' equity as a component of accumulated other comprehensive loss in the accompanying Consolidated Balance Sheets. Recent Accounting Pronouncements In November 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures. In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, which enhances effective tax rate reconciliation disclosure requirements and provides clarity to the disclosures of income taxes paid, income before taxes and provision for income taxes. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments in this update should be applied on a prospective basis. Retrospective application is permitted. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures. Other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the SEC have not had, or are not believed by management to, have a material impact on the Company's present or future financial statements. Business Description UniFirst Corporation (the "Company") is one of the leading providers of workplace uniforms and protective clothing in North America. The Company designs, manufactures, personalizes, rents, cleans, delivers, and sells a wide range of uniforms and protective clothing, including shirts, pants, jackets, coveralls, lab coats, smocks, aprons and specialized protective wear, such as flame resistant and high visibility garments. The Company also

rents and sells industrial wiping products, floor mats, facility service products and other non-garment items, and provides restroom and cleaning supplies and first aid cabinet services and other safety supplies as well as provide certain safety training, to a variety of manufacturers, retailers and service companies. The Company serves businesses of all sizes across multiple industry sectors. Typical customers include automobile service centers and dealers, delivery services, food and general merchandise retailers, manufacturers, maintenance facilities, restaurants and food-related businesses, business service companies, soft and durable goods wholesalers, transportation companies, energy producing operations, healthcare providers and others who require employee clothing on the job for image, identification, protection or utility purposes. The Company also provides its customers with restroom and cleaning supplies, including air fresheners, paper products, gloves, masks, hand soaps and sanitizers. At certain specialized facilities, like nuclear operations, the Company decontaminates and cleans work clothes and other items that may have been exposed to radioactive materials and services special cleanroom protective wear. Typical customers for these specialized services include government agencies, research and development laboratories, high technology companies and utility providers operating nuclear reactors. As discussed and described in Note 15, “Segment Reporting”, to these Consolidated Financial Statements, the Company has five reporting segments: United States (“U.S.”) and Canadian Rental and Cleaning, Manufacturing (“MFG”), Specialty Garments Rental and Cleaning (“Specialty Garments”), First Aid and Corporate. The operations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as its “industrial laundry operations” and the locations related to this reporting segment are referred to as “industrial laundries”. The Company refers to its U.S. and Canadian Rental and Cleaning, MFG, and Corporate segments combined as its “Core Laundry Operations”. 5 Principles of Consolidation The Consolidated Financial Statements include the accounts of the Company and its subsidiaries, all of which are wholly-owned. Intercompany balances and transactions are eliminated in consolidation. Basis of Presentation The Consolidated Financial Statements included herein have been prepared in accordance with accounting principles generally accepted in the United States (“U.S. GAAP”) and pursuant to the rules and regulations of the Securities and Exchange Commission (“SEC”). There have been no material changes in the accounting policies followed by the Company during the current fiscal year other than the adoption of recent accounting pronouncements as discussed in greater detail in the Recent Accounting Pronouncements sub-section of this Note. Use of Estimates The preparation of these Consolidated Financial Statements is in conformity with U.S. GAAP which requires management to make estimates and assumptions that affect the reported amounts in the financial statements and accompanying notes. The Company utilizes key estimates in preparing the financial statements including casualty and environmental estimates, valuation of intangible assets acquired in a business combination, recoverability of goodwill, intangibles, income taxes and long-lived assets. These estimates are based on historical information, current trends, and information available from other sources. The Company’s results are affected by economic, political, legislative, regulatory and legal actions. Economic conditions, such as recessionary trends, inflation, interest and monetary exchange rates, government fiscal policies, and changes in the prices of raw materials, can have a significant effect on operations. These factors and other events could cause actual results to differ from management's estimates. Fiscal Year The Company’s fiscal year ends on the last Saturday in August. For financial reporting purposes, fiscal year ended August 31, 2024 (“fiscal 2024”) consisted of 53 weeks, and fiscal years ended August 26, 2023 (“fiscal 2023”) and August 27, 2022 (“fiscal 2022”) both consisted of 52 weeks. The additional week was included in the fourth quarter of fiscal 2024. <span style="color:#000000;white-

space:pre-wrap;font-size:10pt;font-family:Times New Roman;font-style:italic;min-width:fit-content;">Cash, Cash Equivalents and Short-Term Investments Cash, cash equivalents and short-term investments include cash in banks, money market securities and bank short-term investments having original maturities of six months or less. As of August 31, 2024 and August 26, 2023, the Company had $13.5 million and <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$10.2 million in short-term investments, respectively. 13500000 10200000 Accounts receivable Accounts receivable represents amounts due from customers and is presented net of reserves for expected credit losses. The Company utilizes its judgment and estimates are used in determining the collectability of accounts receivable and evaluating the adequacy of the reserve for expected credit losses. The Company considers specific accounts receivable and historical credit loss experience, customer credit worthiness, current economic trends and the age of outstanding balances as part of its evaluation. When an account is considered uncollectible, it is written off against the reserve for expected credit losses. The following table presents the change in the allowance for credit losses, which is included in Receivables, net of reserves on the Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:67.846%;box-sizing:content-box;"></td> <td style="width:1.52%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.558%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.52%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.558%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> (In thousands) </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:center;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> August 31,

Each of these financial instruments is recorded at cost, which approximates its fair value given the short maturity of each financial instrument. Revenue Recognition In fiscal 2024, approximately 84.2% of the Company’s revenues are derived from fees for route servicing of Core Laundry Operations, Specialty Garments and First Aid services performed by the Company’s employees at the customer’s location of business. Revenues from the Company’s route servicing customer contracts represent a single-performance obligation. The Company recognizes these revenues over time as services are performed based on the nature of services provided and contractual rates (input method). Certain of the Company’s customer contracts, primarily within the Company’s Core Laundry Operations, include pricing terms and conditions that include components of variable consideration. The variable consideration is typically in the form of consideration due to a customer based on performance metrics specified within the contract. Specifically, some contracts contain discounts or rebates that the customer can earn through the achievement of specified volume levels. Each component of variable consideration is earned based on the Company’s actual performance during the measurement period specified within the contract. To determine the transaction price, the Company estimates the variable consideration using the most likely amount method, based on the specific contract provisions and known performance results during the relevant measurement period. When determining if variable consideration should be constrained, the Company considers whether factors outside its control could result in a significant reversal of revenue. In making these assessments, the

Company considers the likelihood and magnitude of a potential reversal. The Company's performance period generally corresponds with the monthly invoice period. No significant constraints on the Company's revenue recognition were applied during fiscal 2024, 2023 and 2022. The Company reassesses these estimates during each reporting period. The Company maintains a liability for these discounts and rebates within accrued liabilities on the Consolidated Balance Sheets. Variable consideration also includes consideration paid to a customer at the beginning of a contract. The Company capitalizes this consideration and amortizes it over the life of the contract as a reduction to revenue in accordance with the accounting guidance for revenue recognition. These assets are included in other assets on the Consolidated Balance Sheets. The following table presents the Company's revenues for fiscal 2024, 2023 and 2022 disaggregated by service type: <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"><tr style="visibility:collapse;"><td style="width:40.592%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:6.4190000000000005%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:7.359%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:6.4190000000000005%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:7.359%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:6.4190000000000005%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:7.439%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td></tr><tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"><td style="vertical-align:bottom;"> </td><td style="vertical-align:bottom;"> </td><td colspan="22" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Year ended </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td></tr><tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"><td style="vertical-align:bottom;text-align:left;"> </td><td style="vertical-align:bottom;"> </td><td colspan="6" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td><td colspan="6" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td><td colspan="6" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td><td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td></tr><tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"><td style="vertical-align:bottom;"> (In thousands, except percentages) </td><td style="vertical-align:bottom;"> </td><td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> <span style="color:#000000;white-

The deferred commissions are amortized on a straight-line basis over the expected period of benefit. The Company reviews the deferred commission balances for impairment on an ongoing basis. Deferred commissions are classified as current or non-current based on the timing of when the Company expects to recognize the expense. The following table presents deferred commissions on the Company's Consolidated Balance Sheets as of August 31, 2024 and August 26, 2023 are as follows (in thousands): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:56.931%;box-sizing:content-box;"></td> <td style="width:2.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:18.784%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:2.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:15.963000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Balance Sheet Location </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> August 31,

Instead, the Company tests goodwill for impairment on an annual basis. Management completes its annual goodwill impairment test on the first day of the fourth quarter of each fiscal year. In addition, U.S. GAAP requires that companies test goodwill if events occur or circumstances change that would more likely than not reduce the fair value of a reporting unit to which goodwill is assigned below its carrying amount. The Company used both the qualitative and quantitative assessment options for its impairment testing for goodwill in fiscal 2024 and determined that the fair values of the reporting units more likely than not exceeded their carrying values and that there was no evidence of impairment as of May 26, 2024. The Company cannot predict future economic conditions and their impact on the Company or the future net realizable value of the Company’s stock. A decline in the Company’s market capitalization and/or deterioration in general economic conditions could negatively and materially impact the Company’s assumptions and assessment of the fair value of the Company’s business. If general economic conditions or the Company’s financial performance deteriorate, the Company may be required to record a goodwill impairment charge in the future which could have a material impact on the Company’s financial condition and results of operations. Definite-lived intangible assets are amortized over their estimated useful lives, which are based on management’s estimates of the period that the assets will generate economic benefits. Definite-lived intangible assets are evaluated for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable in accordance with U.S. GAAP. There were no<span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New

Roman;min-width:fit-content;"> impairments of goodwill or indicators of impairment for definite-lived intangible assets in fiscal 2024, 2023 or 2022. As of August 31, 2024, definite-lived intangible assets have a weighted average useful life of approximately 12.9 years. Customer contracts have a weighted average useful life of approximately 14.6 years and other intangible assets, net, which consist of primarily of restrictive covenants, software and trademarks, have a weighted average useful life of approximately 8.5 years. Cloud Computing Arrangements The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in “Prepaid expenses and other current assets” and “Long-term other assets” on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and $2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024. 0 0 0 P12Y10M24D P14Y7M6D P8Y6M Cloud Computing Arrangements The Company enters into certain cloud-based software hosting arrangements that are accounted for as service contracts. Costs incurred for these arrangements are capitalized for application development activities, if material, and immediately expensed for preliminary project activities and post-implementation activities. The Company amortizes the capitalized development costs straight-line over the fixed, non-cancellable term of the associated hosting arrangement plus any reasonably certain renewal periods. The capitalized costs are included in “Prepaid expenses and other current assets” and “Long-term other assets” on the Company's Consolidated Balance Sheets. Capitalized costs were $18.9 million and <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$2.2 million as of August 31, 2024, and August 26, 2023, respectively. The Company has not placed any modules of the applicable software in service as of August 31, 2024. 18900000 2200000 Environmental and Other Contingencies The Company is subject to legal proceedings and claims arising from the conduct of its business operations, including but not limited to, environmental matters, personal injury, customer contract matters and employment claims. U.S. GAAP require that a liability for contingencies be recorded when it is probable that a liability has occurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a

contingent liability. The Company records accruals for environmental and other contingencies based on enacted laws, regulatory orders or decrees, the Company's estimates of costs, insurance proceeds, participation by other parties, the timing of payments, and the input of outside consultants and attorneys. The estimated liability for environmental contingencies has been discounted as of August 31, 2024 using risk-free interest rates ranging from 4.2% to 4.3% over periods ranging from twenty to thirty years. The estimated current costs, net of legal settlements with insurance carriers, have been adjusted for the estimated impact of inflation at 3% per year. Changes in enacted laws, regulatory orders or decrees, management's estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company's attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Refer to Note 11, "Commitments and Contingencies", of these Consolidated Financial Statements for additional discussion and analysis. 0.042 0.043 P30Y 0.03 Asset Retirement Obligations Under U.S. GAAP, asset retirement obligations generally apply to legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. The Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. The Company has recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The Company depreciates, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the discounted liability over the various remaining lives which range from approximately one to twenty-one years. The estimated liability has been based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year. The liability has been discounted using credit-adjusted risk-free rates that range from approximately 7.0% to 7.5%. Revisions to the liability could occur due to changes in the Company's estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service. bottom:0;text-align:left;">Insurance The Company is self-insured for certain obligations related to health and dental, workers' compensation, vehicles and general liability programs. The Company also purchases stop-loss insurance policies for workers' compensation, vehicles and general liability programs to protect itself from catastrophic losses. Judgments and estimates are used in determining the potential value associated with reported claims and for events that have occurred, but have not been reported. The Company's estimates consider historical claims experience and other factors. In certain cases where partial insurance coverage exists, the Company estimates the portion of the liability that will be covered by existing insurance policies to arrive at its net expected liability. Receivables for insurance recoveries are recorded as assets, on an undiscounted basis. The Company's liabilities are based on estimates, and, while the Company believes that its accruals are adequate, the ultimate liability may be significantly different from the amounts recorded. Changes in claims experience, the Company's ability to settle claims or other estimates and judgments used by management could have a material impact on the amount and timing of expense for any period.   Supplemental Executive Retirement Plan and Other Pension Plans Pension expense is recognized on an accrual basis over employees' estimated service periods. Pension expense is generally independent of funding decisions or requirements. The Company (1) recognizes in its statement of financial position the over-funded or under-funded status of its defined benefit post-retirement plans measured as the difference between the fair value of plan assets and the benefit obligation, (2) recognizes as a component of other comprehensive (loss) income, net of tax, the actuarial gains and losses and the prior service costs and credits that arise during the period but are not recognized as components of net periodic benefit cost, (3) measures defined benefit plan assets and defined benefit plan obligations as of the date of its statement of financial position, and (4) discloses additional information in the notes to financial statements about certain effects on net periodic benefit cost in the upcoming fiscal year that arise from delayed recognition of the actuarial gains and losses and the prior service costs and credits. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plans. The calculation of pension expense and the corresponding liability requires the use of a number of critical assumptions, including the expected long-term rates of return on plan assets, the assumed discount rates, assumed rate of compensation increases and life expectancy of participants. Changes in these assumptions can result in different expense and liability amounts, and future actual experience can differ from these assumptions. Pension expense increases as the expected rate of return on pension plan assets decreases. Future changes in plan asset returns, assumed discount rates and various other factors related to the participants in the Company's pension plans will impact the Company's future pension expense and liabilities. The Company cannot predict with certainty what these factors will be in the future. Non-qualified Deferred Compensation Plan The Company adopted the UniFirst Corporation Deferred Compensation Plan (the "NQDC Plan") effective on February 1, 2022. The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions may differ from year to year and from participant to participant. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's NQDC Plan Income Taxes The Company computes income tax expense by jurisdiction based on its operations in each jurisdiction. Deferred income taxes are provided for temporary differences between the amounts recognized for income tax and financial reporting purposes at currently enacted tax rates. Deferred tax assets and liabilities are determined by the differences between the consolidated financial statement carrying amounts and the tax basis of assets and liabilities. See Note 4, "Income Taxes" in these Consolidated Financial Statements for the types of items that give rise to significant deferred income tax assets and liabilities. Deferred income taxes are classified as assets or

liabilities based on the classification of the related asset or liability for financial reporting purposes. The Company regularly reviews deferred tax assets for recoverability based upon projected future taxable income and the expected timing of the reversals of existing temporary differences. Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized. The Company is periodically reviewed by U.S. domestic and foreign tax authorities regarding the amount of taxes due. These reviews typically include inquiries regarding the timing and amount of deductions and the allocation of income among various tax jurisdictions. In evaluating the exposure associated with various filing positions, the Company records estimated reserves. Refer to Note 4, “Income Taxes”, of these Consolidated Financial Statements for further discussion regarding the Company’s accounting for income taxes and its uncertain tax positions for financial accounting purposes. Advertising Costs Advertising costs are expensed as incurred and are classified as selling and administrative expenses. The Company incurred advertising costs of $5.3 million, <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$9.9 million and $14.7 million, for fiscal 2024, 2023 and 2022, respectively. 5300000 9900000 14700000 Share-Based Compensation Compensation expense for all stock options, stock appreciation rights, unrestricted stock and restricted stock units (collectively, “Share-Based Awards”) is recognized ratably over the related vesting period, net of actual forfeitures. Certain Share-Based Awards in the form of stock appreciation rights and shares of unrestricted stock were granted during fiscal 2024, 2023 and 2022 to non-employee Directors of the Company, which were fully vested upon grant and, with respect to stock appreciation rights, expire eight years after the grant date. Accordingly, compensation expense related to these Share-Based Awards in fiscal 2024, 2023 and 2022 was recognized on the date of grant. For performance-based restricted stock unit awards with revenue and profitability performance criteria, we evaluate the probability of meeting the performance criteria at each balance sheet date and, if probable, related compensation cost is amortized over the performance period on a straight-line basis because such awards vest only at the end of the measurement period. Changes to the probability assessment and the estimate of shares expected to vest will result in adjustments to the related share-based compensation expense that will be recorded in the period of the change. If the performance targets are not achieved, no compensation cost is recognized and any previously recognized compensation cost is reversed. U.S. GAAP requires that share-based compensation cost be measured at the grant date based on the fair value of the award and be recognized as expense over the requisite service period, which is generally the vesting period. Determining the fair value of Share-Based Awards in the form of stock appreciation rights at the grant date requires judgment, including estimating expected dividends and share price volatility. The fair value of each Share-Based Award in the form of stock appreciation rights is estimated on the date of grant using the Black-Scholes option pricing model. <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-

width:fit-content;">The Company recognizes compensation expense for restricted stock and restricted stock unit grants over the related vesting period. The fair value for each restricted stock, unrestricted stock and restricted stock unit grant is determined by using the closing price of the Company's stock on the date of the grant. Refer to Note 12, "Share-Based Compensation", of these Consolidated Financial Statements for further discussion regarding the Company's share-based compensation plans. P8Y Income Per Share The Company calculates income per share by allocating income to its unvested participating securities as part of its income per share calculations. The following table sets forth the computation of basic income per share using the two-class method for amounts attributable to the Company's shares of Common Stock and Class B Common Stock (in thousands, except per share data):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:60.808%;box-sizing:content-box;"></td> <td style="width:1.48%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.518%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.48%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.518%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.22%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.978999999999999%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"> Net income available to shareholders </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"> $</p></td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:right;">145,474</p></td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td style="white-space:pre-wrap;vertical-align:bottom;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;">$ </td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"> 103,674 </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> <span style="white-

align:bottom;"> </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:bottom;"> $ </td> <td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 4.57 </td> <td style="white-space:nowrap;vertical-align:bottom;"> </td> </tr> </table> The Class B Common Stock may be converted at any time on a one-for-one basis into Common Stock at the option of the holder of the Class B Common Stock. Diluted income per share for the Company’s Common Stock assumes the conversion of all of the Company’s Class B Common Stock into Common Stock, full vesting of outstanding restricted stock, and the exercise of Share-Based Awards under the Company’s stock incentive plans. The Company is required to calculate the diluted income per share for Common Stock using the more dilutive of the following two methods: • The treasury stock method; or • The two-class method assuming a participating security is not exercised or converted. For fiscal 2024, 2023 and 2022, the Company’s diluted income per share assumes the conversion of all Class B Common Stock into Common Stock and uses the two-class method for its unvested participating shares. The following table sets forth the computation of diluted income per share of Common Stock for the years ended August 31, 2024, August 26, 2023 and August 27, 2022 (in thousands, except per share data):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:28.22%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.96%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.96%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.4%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:5.16%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:6pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Year Ended August 31, 2024 </td> <td

Transaction gains and losses, including gains and losses on our intercompany transactions, are included in other expense, net in the accompanying Consolidated Statements of Income. Assets and liabilities of operations outside the U.S. are translated into U.S. dollars using period-end exchange rates. Revenues and expenses are translated at the average exchange rates in effect during each month of the fiscal year. The effects of foreign currency translation adjustments are included in shareholders' equity as a component of accumulated other comprehensive loss in the accompanying Consolidated Balance Sheets. Recent Accounting Pronouncements In November 2023, the Financial Accounting Standards Board ("FASB") issued ASU 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, which updates reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. The amendments are effective for fiscal years beginning after December 15, 2023, and for interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures. In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, which enhances effective tax rate reconciliation disclosure requirements and provides clarity to the disclosures of income taxes paid, income before taxes and provision for income taxes. The amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted for annual financial statements that have not yet been issued or made available for issuance. The amendments in this update should be applied on a prospective basis. Retrospective application is permitted. The Company is currently evaluating this ASU to determine its impact on the Company's disclosures. Other recent accounting pronouncements issued by the FASB, including its Emerging Issues Task Force, the American Institute of Certified Public Accountants, and the SEC have not had, or are not believed by management to, have a material impact on the Company's present or future financial statements. 2. Acquisitions Whenever the Company acquires a business, consistent with current accounting guidance, the results of operations of the acquisition are included in the Company's consolidated financial results from the date of the acquisition. The amount assigned to intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible and intangible assets is recorded as goodwill. Goodwill is allocated to the segment to which the acquisition relates and is deductible for tax purposes. During fiscal 2024, the Company did not complete any material business acquisitions. Clean Uniform During the third quarter of fiscal 2023, the Company completed the acquisition of the business and certain real estate assets of Clean Uniform ("Clean") from Clean Holdco, Inc. and certain of its affiliates for an aggregate purchase price of $299.1 million, net of cash acquired. The difference between the cash paid and the total purchase price of $302.4 million represented amounts owed from the seller as a result of final closing adjustments. The acquisition was structured primarily as a stock purchase but was treated as an asset purchase

from a tax perspective, which has allowed for a step-up in the tax basis of the assets and provides incremental tax benefits expected to be realized over time with a value of approximately $40 million. Clean was a uniform, workwear and facility service program provider with 11 locations covering Missouri, Illinois, Arkansas, Kansas and Oklahoma. Prior to the closing of the acquisition, neither the Company nor any of its affiliates, or any director or officer of the Company or any of its affiliates, or any associate of any such director or officer, had any material relationship with any of the sellers. The results of operations from Clean are included in the Company's results under the U.S. and Canadian Rental and Cleaning segment subsequent to the acquisition date of March 13, 2023. The Company paid for the acquisition of Clean with cash on hand and borrowings under the Credit Agreement (defined below). The Clean acquisition was accounted for using the purchase method of accounting. The Company has measured the fair value of its tangible and intangible assets acquired and liabilities assumed in the Clean acquisition and has finalized the purchase price allocations. The amounts assigned to intangible assets acquired were based on their respective fair values determined as of the acquisition date, which the Company determined by engaging specialists to assist in their valuation. The table below summarizes the final purchase price allocation to the estimated fair value of assets acquired and liabilities assumed at the acquisition date. Goodwill is calculated as the excess of the purchase price over the net assets recognized and represents the estimated future economic benefits arising from expected synergies and growth opportunities for the Company. All of the goodwill and intangible assets were allocated to the U.S. and Canadian Rental and Cleaning segment and are deductible for tax purposes. Transaction and related costs, consisting primarily of professional fees, directly related to the acquisition, totaled approximately $3.0 million during fiscal 2023. All transaction and related costs were expensed as incurred and are included in selling and administrative expenses.</p><div style="font-size:10pt;font-family:Times New Roman;"><p style="font-size:10pt;margin-top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">The final purchase price allocation is as follows (in thousands):</p><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p> <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:80.444%;box-sizing:content-box;"></td> <td style="width:1.8%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:15.757%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:10pt;background-color:#cff0fc;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;">Receivables</p></td> <td style="white-space:pre-wrap;vertical-align:bottom;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td style="white-space:nowrap;vertical-align:top;"><p style="font-size:10pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"><span style="color:#000000;min-width:fit-content;">$ </td> <td style="white-space:pre-wrap;vertical-align:top;text-align:center;"> 8,301 </td> <td style="white-space:nowrap;vertical-align:top;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"> Inventories </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:top;"> </td> <td style="white-space:pre-wrap;vertical-align:top;text-align:center;"> 632 </td> <td style="white-space:nowrap;vertical-align:top;"> </td> </tr> <tr style="height:10pt;background-color:#cff0fc;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"> Rental merchandise in service </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:top;"> </td> <td style="white-space:pre-wrap;vertical-align:top;text-align:center;"> 8,535 </td> <td style="white-space:nowrap;vertical-align:top;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td

wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;"> Unaudited pro-forma information presents the combined financial results for the Company and Clean as if the acquisition of Clean had occurred on August 28, 2022. The unaudited pro-forma revenue of the combined entity for fiscal 2023 was $2.3 billion reflecting the effects of the Clean acquisition. The effects of the Clean acquisition on unaudited pro-forma net income of the combined entity were not material for fiscal 2023. Other Acquisitions During fiscal 2023, the Company completed four other business acquisitions with an aggregate purchase price of approximately $7.1 million. Tangible assets acquired primarily relate to accounts receivable, inventory and property, plant and equipment. The results of operations of all acquisitions completed during fiscal 2023 have been included in the Company’s consolidated financial results since their respective acquisition dates. These acquisitions were not significant in relation to the Company’s consolidated financial results and, therefore, pro-forma financial information has not been presented.</p><div style="font-size:10pt;font-family:Times New Roman;"><p style="font-size:10pt;margin-top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">The following table identifies the Company’s allocation of purchase price to the intangible assets and goodwill acquired by category:</p> <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:62.7%;box-sizing:content-box;"></td> <td style="width:1.64%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.040000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:7.12%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> <p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;">Year ended</p></td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"><p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"><p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:center;">Estimated Fair Value (in thousands)</p></td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"><p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:center;"> </p></td> <td style="vertical-align:bottom;"><p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> </p></td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"><p style="font-size:8pt;margin-top:0;font-family:Times New Roman;margin-bottom:0;text-align:center;">Weighted Average Life

Fair Value Measurements U.S. GAAP establishes a framework for measuring fair value and establishes disclosure requirements about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Company considered non-performance risk when determining fair value of our derivative financial instruments. The fair value hierarchy prescribed under U.S. GAAP contains three levels as follows: Level 1 - Quoted prices in active markets for identical assets or liabilities. Level 2 - Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data. <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-

content;">Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs. All financial assets or liabilities that are measured at fair value on a recurring basis (at least annually) have been segregated into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. The assets or liabilities measured at fair value on a recurring basis are summarized in the tables below (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:26.805%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:4.061%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="14" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> As of August 31, 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;text-align:left;"> </td> <td colspan="14" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> As of August 26, 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Level 1 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Level 2 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Level 3 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;">

#ffffff03;"> </td> </tr> </table> The Company's short-term investments listed above represent certificates of deposit, which maturities range up to six months at purchase. Such securities are classified as held-to-maturity and are carried at amortized cost, which approximates market value. As such, the Company's short-term investments are included within Level 2 of the fair value hierarchy. <p style="font-size:10pt;margin-

top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">The Company's pension plan assets listed above represent guaranteed deposit accounts that are maintained and operated by a third-party investment manager. At the beginning of each calendar year, the third-party investment manager notifies the Company of the annual rates of interest which will be applied to the amounts held in the guaranteed deposit account during the next calendar year. In determining the interest rate to be applied, the third-party investment manager considers the investment performance of the underlying assets of the prior year; however, regardless of the investment performance the annual interest rate applied per the contract must be a minimum of 3.25%. As such, the Company's pension plan assets are included within Level 2 of the fair value hierarchy. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's pension plan and Supplemental Executive Retirement Plan. The Company's non-qualified deferred compensation plan liability listed above is carried at fair value and is composed primarily of mutual funds, municipal bonds and other fixed income securities. As such, the Company's non-qualified deferred compensation plan assets and liabilities are included within Level 2 of the fair value hierarchy. Refer to Note 7, "Employee Benefit Plans", of these Consolidated Financial Statements for further discussion regarding the Company's non-qualified deferred compensation plan. The Company's foreign currency forward contracts represent contracts the Company has entered into to exchange Canadian dollars for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted Canadian dollar denominated sales of one of its subsidiaries. These contracts are included in prepaid expenses and other current assets and other long-term assets as of August 31, 2024 and August 26, 2023. The fair value of the forward contracts is based on similar exchange-traded derivatives and is, therefore, included within Level 2 of the fair value hierarchy. The assets or liabilities measured at fair value on a recurring basis are summarized in the tables below (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:26.805%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:8.142000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.061%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.02%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:4.141%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="14" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> As of August 31, 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;text-align:left;"> </td> <td colspan="14" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> As of August 26, 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid

Although realization is not assured, management believes it is more likely than not that the recorded deferred tax assets will be realized. Foreign tax effect As of August 31, 2024, unremitted foreign earnings have been retained by the Company’s foreign subsidiaries for indefinite reinvestment. If the Company were to repatriate those earnings, in the form of dividends or otherwise, the Company could be subject to immaterial withholding taxes payable to the various foreign countries. In October 2021, the Organization for Economic Co-operation and Development (“OECD”) introduced an inclusive framework to address tax challenges arising from the digitalization of the economy through a two-pillar solution. One of the components of the solution is the implementation of a global minimum corporate tax rate of 15% for large multinational corporations (“Pillar Two”). The OECD continues to release additional guidance on the two-pillar solution with implementation to begin in 2024 while reporting of the tax applicable will not occur until 2026. Based on currently enacted guidelines, the Company does not expect Pillar Two to have a material impact upon its tax expense, cash taxes, and effective tax rate. Uncertain tax positions As of August 31, 2024 and August 26, 2023, there was $4.6 million and $7.8 million, respectively, of unrecognized tax benefits, of which $4.5 million and $7.1 million, respectively, would favorably impact the Company’s effective tax rate, if recognized. The Company recognized interest and penalties related to uncertain tax positions as a component of income tax expense which is consistent with the recognition of these items in prior reporting periods. As of August 31, 2024 and August 26, 2023, the Company had accrued a nominal amount

in interest and penalties, in its long-term accrued liabilities. For fiscal 2024, 2023 and 2022, the Company recognized a nominal expense in its Consolidated Statements of Income related to interest and penalties. A reconciliation of the beginning and ending amount of unrecognized tax benefits are as follows (in thousands): <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"><tr style="visibility:collapse;"><td style="width:80.236%;box-sizing:content-box;"></td><td style="width:1.94%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td><td style="width:15.823%;box-sizing:content-box;"></td><td style="width:1%;box-sizing:content-box;"></td></tr><tr style="height:10pt;background-color:#cff0fc;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"> Balance at August 27, 2022 </td><td style="white-space:pre-wrap;vertical-align:bottom;"> </td><td style="white-space:nowrap;vertical-align:bottom;"> $ </td><td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 6,417 </td><td style="white-space:nowrap;vertical-align:bottom;"> </td></tr><tr style="height:10pt;background-color:#ffffff;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"> Additions based on tax positions related to the current year </td><td style="white-space:pre-wrap;vertical-align:bottom;"> </td><td style="white-space:nowrap;vertical-align:bottom;"> </td><td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 1,042 </td><td style="white-space:nowrap;vertical-align:bottom;"> </td></tr><tr style="height:10pt;background-color:#cff0fc;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"> Additions for tax positions of prior years </td><td style="white-space:pre-wrap;vertical-align:bottom;"> </td><td style="white-space:nowrap;vertical-align:bottom;"> </td><td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 840 </td><td style="white-space:nowrap;vertical-align:bottom;"> </td></tr><tr style="height:10pt;background-color:#ffffff;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"> Reduction for tax positions of prior years </td><td style="white-space:pre-wrap;vertical-align:bottom;"> </td><td style="white-space:nowrap;vertical-align:bottom;"> </td><td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> (219 </td><td style="white-space:nowrap;vertical-align:bottom;">) </td></tr><tr style="height:10pt;background-color:#cff0fc;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"> Statute expirations </td><td style="white-space:pre-wrap;vertical-align:bottom;"> </td><td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;"> </td><td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:center;"> (329 </td><td style="white-space:nowrap;vertical-align:bottom;border-bottom:0.5pt solid #000000;">) </td></tr><tr style="height:10pt;background-color:#ffffff;word-break:break-word;"><td style="white-space:pre-wrap;vertical-align:top;"><p style="font-

U.S. and Canada. It is required to file federal income tax returns as well as state income tax returns in a majority of the U.S. states and also in a number of Canadian provinces. At times, the Company is subject to audits in these jurisdictions, which typically are complex and can require several years to resolve. The final resolution of any such tax audits could result in either a reduction in the Company's accruals or an increase in its income tax provision, both of which could have a material impact on the consolidated results of operations in any given period.   All U.S. and Canadian federal income tax statutes have lapsed for filings up to and including fiscal years 2019 and 2016, respectively. With a few exceptions, the Company is no longer subject to state and local income tax examinations for periods prior to fiscal 2020. The Company is not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change significantly in the next 12 months. The provision for income taxes consists of the following (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:57.863%;box-sizing:content-box;"></td> <td style="width:1.281%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:10.764000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.281%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:10.764000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.281%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:10.764000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:10pt;background-color:#cff0fc;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:top;"> Current: </td> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;text-align:center;"> </td> <td style="vertical-align:bottom;text-align:center;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;text-align:center;"> </td> <td style="vertical-align:bottom;text-align:center;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;text-align:center;"> </td> <td style="vertical-align:bottom;text-align:center;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td style="white-space:pre-wrap;vertical-align:top;"> <span style="color:#000000;white-space:pre-wrap;min-width:fit-

style="color:#000000;white-space:pre-wrap;font-weight:bold;min-width:fit-content;">Balance at August 31, 2024 </td> <td style="white-space:pre-wrap;vertical-align:bottom;"> </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:2.25pt double #000000;"> $ </td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:2.25pt double #000000;text-align:center;"> 4,638 </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:2.25pt double #000000;"> </td> </tr> </table> 6417000 1042000 840000 219000 329000 7751000 1069000 142000 4257000 67000 4638000 5. Long-Term Debt On March 26, 2021, the Company entered into an amended and restated $175.0 million unsecured revolving credit agreement (as subsequently amended, the “Credit Agreement”) with a syndicate of banks, which matures on March 26, 2026. Under the Credit Agreement, the Company was able to borrow funds at variable interest rates based on, at the Company’s election, the Eurodollar rate or a base rate, plus in each case a spread based on the Company’s consolidated funded debt ratio. Prior to its amendment as described below, the Credit Agreement had an accordion feature that allowed for increases of the aggregate commitments under the Credit Agreement of up to an additional $100.0 million, for a total aggregate commitment of up to $275.0 million. On March 9, 2023, the Company exercised the accordion feature of the Credit Agreement pursuant to an amendment to the Credit Agreement. The exercise of the accordion feature increased the aggregate commitments under the Credit Agreement by $100.0 million, for a total aggregate commitment of up to $275.0 million. In addition, the amendment provided for the replacement of LIBOR with Secured Overnight Financing Rate (“SOFR”) such that borrowings are based on, at the Company’s election, the SOFR rate or a base rate, plus in each case a spread based on the Company’s consolidated funded debt ratio. The amendment also refreshed the accordion feature, so that, provided there is no default or event of default under the Credit Agreement and the Company is in compliance with its financial covenants on a pro forma basis, the Company may request an increase in the aggregate commitments under the Credit Agreement (in the form of revolving or term tranches) of up to an additional $100.0 million, for a total aggregate commitment of up to $375.0 million. Availability of credit requires compliance with certain financial and other covenants, including a maximum consolidated funded debt ratio and minimum consolidated interest coverage ratio as defined in the Credit Agreement. The Company evaluates its compliance with these financial covenants on a fiscal quarterly basis. As of August 31, 2024, the interest rates applicable to the Company’s borrowings under the Credit Agreement would be calculated as SOFR plus 1.00% at the time of the respective borrowing. During the third fiscal quarter of 2023, the Company borrowed $80.0 million under its Credit Agreement to finance the acquisition of Clean and fund its day-to-day operations. All amounts were repaid during the third quarter of fiscal 2023. As of both August 31, 2024 and August 26, 2023, the Company had no<span style="color:#000000;white-

space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;"> outstanding borrowings. As of August 31, 2024, the Company had outstanding letters of credit amounting to $65.1 million, leaving <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$209.9 million available for borrowing under the Credit Agreement. As of August 31, 2024, the Company was in compliance with all covenants under the Credit Agreement. 175000000 2026-03-26 100000000 275000000 100000000 275000000 100000000 375000000 0.01 80000000 0 0 65100000 209900000 6. Derivative Instruments and Hedging Activities The Company uses derivative financial instruments to mitigate its exposure to fluctuations in foreign currencies on certain forecasted transactions denominated in foreign currencies. U.S. GAAP requires that all of the Company’s derivative instruments be recorded on the balance sheet at fair value. All subsequent changes in a derivative’s fair value are recognized in income, unless specific hedge accounting criteria are met. Derivative instruments that qualify for hedge accounting are classified as a hedge of the variability of cash flows to be received or paid related to a recognized asset, liability or forecasted transaction. Changes in the fair value of a derivative that is highly effective and designated as a cash flow hedge are recognized in accumulated other comprehensive (loss) income until the hedged item or forecasted transaction is recognized in earnings. The Company performs an assessment at the inception of the hedge and on a quarterly basis thereafter, to determine whether its derivatives are highly effective in offsetting changes in the value of the hedged items. Any changes in the fair value resulting from hedge ineffectiveness are immediately recognized as income or expense. In August 2021, the Company entered into twenty forward contracts to exchange CAD for U.S. dollars at fixed exchange rates in order to manage its exposure related to certain forecasted CAD denominated sales of one of its subsidiaries. The hedged transactions are specified as the first amount of CAD denominated revenues invoiced by one of the Company’s domestic subsidiaries each fiscal quarter, beginning in the first fiscal quarter of 2022 and continuing through the fourth fiscal quarter of 2026. In total, the Company will sell approximately 14.1 million CAD at an average Canadian-dollar exchange rate of 0.7861 over these quarterly periods. The Company concluded that the forward contracts met the criteria to qualify as a cash flow hedge under U.S. GAAP. As of August 31, 2024, the Company had forward contracts with a notional value of approximately 3.6 million CAD outstanding and recorded the fair value of the contracts of $0.1 million in prepaid expenses and other current assets with a corresponding gain of $0.1 million in accumulated other comprehensive loss, which was recorded net of tax. For the fiscal 2024, the Company reclassified $<span style="font-size:10pt;font-family:Times New Roman;color:#000000;white-space:pre-

wrap;min-width:fit-content;">0.1 million from accumulated other comprehensive loss to revenue, related to the derivative financial instruments. The gain on these forward contracts that results in a decrease to accumulated other comprehensive loss as of August 31, 2024 is expected to be reclassified to revenues prior to their maturity on August 29, 2026. 20 14100000 0.7861 3600000 100000 100000 100000 7. Employee Benefit Plans Defined Contribution Retirement Savings Plan The Company has a defined contribution retirement savings plan with a 401(k) feature for all eligible U.S. and Canadian employees not under collective bargaining agreements. The Company matches a portion of the employee’s contribution and may make an additional contribution at its discretion. Contributions charged to expense under the plan for fiscal 2024, 2023 and 2022 were $20.3 million, $18.7 million and $18.2 million, respectively.</p><p style="font-size:10pt;margin-top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">Pension Plan and Supplemental Executive Retirement Plan</p><p style="font-size:10pt;margin-top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">The Company accounts for its pension plan and Supplemental Executive Retirement Plan on an accrual basis over employees’ estimated service periods. </p><p style="font-size:10pt;margin-top:12pt;font-family:Times New Roman;margin-bottom:0;text-align:left;">The Company maintains an unfunded Supplemental Executive Retirement Plan (“SERP”) for certain eligible employees of the Company. The benefits are based on the employee’s compensation upon retirement. The amount charged to expense related to this plan amounted to approximately $1.7 million, $1.7 million and $1.5 million for fiscal 2024, 2023 and 2022, respectively. The Company maintains a non-contributory defined benefit pension plan (“UniFirst Plan”) covering employees at one of its locations. The benefits are based on years of service. The UniFirst Plan assets are invested in a Guaranteed Deposit Account (“GDA”) that is maintained and operated by a third-party investment manager. The amount charged to expense related to this plan amounted to approximately $0.2 million, <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$<span style="font-size:10pt;font-family:Times New Roman;color:#000000;white-space:pre-

wrap;min-width:fit-content;">0.1 million and $0.1 million for fiscal 2024, 2023 and 2022, respectively. Net periodic benefit cost other than service costs have been recorded in the accompanying Consolidated Statements of Income in other expense, net. The components of net periodic benefit cost for fiscal 2024, 2023 and 2022 are as follows (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:40.608%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.981%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> UniFirst Plan </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> SERP </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"><p style="font-size:8pt;margin-top:0;font-family:Times New

The NQDC Plan is an unfunded, non-qualified deferred compensation plan that allows eligible participants to voluntarily defer receipt of their salary and annual cash bonuses up to approved limits. In its discretion, the Company may credit one or more additional contributions to participant accounts. NQDC Plan participants who are not accruing benefits under the Supplemental Executive Retirement Plan are eligible to have discretionary annual employer contributions credited to their NQDC Plan accounts. All participants are also eligible to have employer supplemental contributions and employer discretionary contributions credited to their NQDC Plan accounts. The amounts of such contributions, if any, may differ from year to year and from participant to participant. The amounts for employee or employer contributions charged to expense related to the NQDC Plan for fiscal 2024, fiscal 2023 and fiscal 2022, were $0.8 million, $0.3 million and nominal, respectively. The Company, at its discretion, may also elect to transfer funds to a trust account with the intention to fund the future liability. Total NQDC Plan assets were $3.3 million and $2.0 million as of August 31, 2024 and August 26, 2023, respectively, and are included within other long-term assets in the accompanying Consolidated Balance Sheets. Total NQDC Plan liabilities were $1.6 million and <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$0.5 million as of August 31, 2024 and August 26, 2023, respectively, and are included within current accrued liabilities in the accompanying Consolidated Balance Sheets. <p style="font-size:10pt;margin-

top:0;font-family:Times New Roman;margin-bottom:0;text-align:left;"> Earnings and losses on contributions, based on these investment elections, are recorded as a component of compensation expense in the period earned and are included within other (income) expense, net. 20300000 18700000 18200000 1700000 1700000 1500000 200000 100000 100000 The components of net periodic benefit cost for fiscal 2024, 2023 and 2022 are as follows (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:40.608%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.881%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:6.981%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> UniFirst Plan </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> SERP </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-

Goodwill and Other Intangible Assets When the Company acquires a business, the amount assigned to the tangible assets and liabilities and intangible assets acquired is based on their respective fair values determined as of the acquisition date. The excess of the purchase price over the tangible assets and liabilities and intangible assets is recorded as goodwill. The Company does not amortize goodwill, but it is reviewed annually or more frequently if certain indicators arise, for impairment. There were no impairment losses related to goodwill or intangible assets during fiscal 2024, 2023 and 2022. <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-

Asset Retirement Obligations   Asset retirement obligations generally result from legal obligations associated with the retirement of long-lived assets that result from the acquisition, construction, development and/or the normal operation of a long-lived asset. Accordingly, the Company recognizes asset retirement obligations in the period in which they are incurred if a reasonable estimate of fair value can be made. The associated asset retirement costs are capitalized as part of the carrying amount of the long-lived asset. The Company continues to depreciate, on a straight-line basis, the amount added to property, plant and equipment and recognizes accretion expense in connection with the

*discounted liability over the various remaining lives which range from approximately one to twenty-one years. The Company recognized as a liability the present value of the estimated future costs to decommission its nuclear laundry facilities. The estimated liability is based on historical experience in decommissioning nuclear laundry facilities, estimated useful lives of the underlying assets, external vendor estimates as to the cost to decommission these assets in the future, and federal and state regulatory requirements. The estimated current costs have been adjusted for the estimated impact of inflation at 3% per year, and the liability has been discounted to present value using a credit-adjusted risk-free rate. Revisions to the liability could occur due to changes in the Company’s estimated useful lives of the underlying assets, estimated dates of decommissioning, changes in decommissioning costs, changes in federal or state regulatory guidance on the decommissioning of such facilities, or other changes in estimates. Changes due to revised estimates are recognized by adjusting the carrying amount of the liability and the related long-lived asset if the assets are still in service, or charged to expense in the period if the assets are no longer in service. A reconciliation of the Company’s asset retirement are as follows for fiscal 2024 and 2023 (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:67.313%;box-sizing:content-box;"></td> <td style="width:1.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.843%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.5%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.843%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:center;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> August 31,

Commitments and Contingencies Lease Commitments The Company has operating leases for certain operating facilities, vehicles and equipment, which provide the right to use the underlying asset and require lease payments over the term of the lease. Each new contract is evaluated to determine if an arrangement contains a lease and whether that lease meets the classification criteria of a finance or operating lease. All identified leases are recorded on the Consolidated Balance Sheets with a corresponding operating lease right-of-use asset, net, representing the right to use the underlying asset for the lease term and the operating lease liabilities representing the obligation to make lease payments arising from the lease. Short-term operating leases, which have an initial term of twelve months or less, are not recorded on the Consolidated Balance Sheets. Operating lease right-of-use assets, net and operating lease liabilities are recognized at the commencement date of the lease based on the present value of lease payments over the lease term and include options to extend or

terminate the lease when they are reasonably certain to be exercised. The present value of lease payments is determined primarily by using the incremental borrowing rate based on the information available as of the lease commencement date. Lease expense for operating leases is recorded on a straight-line basis over the lease term and variable lease costs are recorded as incurred. Both lease expense and variable lease costs are primarily recorded in cost of revenues on the Company's Consolidated Statements of Income. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants. The following table presents the operating lease cost and information related to the operating lease right-of-use assets, net and operating lease liabilities for fiscal 2024, 2023 and 2022: <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:59.416%;box-sizing:content-box;"></td> <td style="width:1.321%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> (In thousands, except lease term and discount rate) </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:10pt;background-color:#cff0fc;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:middle;"> Lease cost: </td> <td style="vertical-align:middle;"> </td> <td colspan="2" style="vertical-align:middle;text-align:center;"> </td> <td style="vertical-align:middle;text-align:center;"> </td> <td colspan="2" style="vertical-align:middle;text-align:center;"> </td> <td style="vertical-align:middle;text-align:center;"> </td> <td colspan="2" style="vertical-align:middle;text-align:center;"> </td> <td style="vertical-align:middle;text-align:center;"> </td> </tr> <tr style="height:10pt;background-color:#ffffff;word-break:break-word;"> <td style="text-indent:10pt;white-space:pre-wrap;vertical-align:bottom;"> Operating lease costs including short-term lease expense and variable lease costs, which were immaterial in the period </td> <td style="text-indent:5pt;white-space:pre-wrap;vertical-align:middle;"> </td> <td style="white-space:nowrap;vertical-align:bottom;"> $ </td> <td style="white-space:pre-wrap;vertical-align:bottom;text-align:center;"> 25,866 </td> <td style="white-space:nowrap;vertical-align:bottom;"><p style="font-

content;"> </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:2.25pt double #000000;"> $ </td> <td style="white-space:pre-wrap;vertical-align:bottom;border-bottom:2.25pt double #000000;text-align:center;"> 68,809 </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:2.25pt double #000000;"> </td> </tr> </table> Environmental and Legal Contingencies The Company and its operations are subject to various federal, state and local laws and regulations governing, among other things, air emissions, wastewater discharges, and the generation, handling, storage, transportation, treatment and disposal of hazardous wastes and other substances. In particular, industrial laundries currently use and must properly dispose of detergent wastewater and other residues, and, in the past, used perchloroethylene and other dry-cleaning solvents. The Company is attentive to the environmental concerns surrounding the disposal of these materials and has, through the years, taken measures to avoid their improper disposal. The Company has settled, or contributed to the settlement of, past actions or claims brought against the Company relating to the disposal of hazardous materials at several sites and there can be no assurance that the Company will not have to expend material amounts to remediate the consequences of any such disposal in the future. U.S. GAAP requires that a liability for contingencies be recorded when it is probable that a liability has been incurred and the amount of the liability can be reasonably estimated. Significant judgment is required to determine the existence of a liability, as well as the amount to be recorded. The Company regularly consults with attorneys and outside consultants in its consideration of the relevant facts and circumstances before recording a contingent liability. Changes in enacted laws, regulatory orders or decrees, management's estimates of costs, risk-free interest rates, insurance proceeds, participation by other parties, the timing of payments, the input of the Company's attorneys and outside consultants or other factual circumstances could have a material impact on the amounts recorded for environmental and other contingent liabilities. Under environmental laws, an owner or lessee of real estate may be liable for the costs of removal or remediation of certain hazardous or toxic substances located on, or in, or emanating from, such property, as well as related costs of investigation and property damage. Such laws often impose liability without regard to whether the owner or lessee knew of, or was responsible for the presence of such hazardous or toxic substances. There can be no assurances that acquired or leased locations have been operated in compliance with environmental laws and regulations or that future uses or conditions will not result in the imposition of liability upon the Company under such laws or expose the Company to third-party actions such as tort suits. The Company continues to address environmental conditions under terms of consent orders negotiated with the applicable environmental authorities or otherwise with respect to certain sites. The Company has accrued certain costs related to certain sites, including but not limited to, sites in Woburn and Somerville, Massachusetts, as it has been determined that the costs are probable and can be reasonably estimated. The Company, together with multiple other companies, is party to a consent decree related to the Company's property and parcels of land (the "Central Area") at a site in Woburn, Massachusetts. The United States Environmental Protection Agency (the "EPA") has provided the Company and other signatories to the consent decree with comments on the design and implementation of groundwater and soil remedies at the Woburn site and investigation of environmental conditions in the Central Area. The consent decree does not address any remediation work that may be required in the Central Area. The Company, together with other signatories, has implemented and proposed to do additional work at the Woburn site but many of the EPA's comments remain to be resolved. The Company has accrued costs to perform certain work responsive to the EPA's comments. Additionally, the Company has implemented mitigation measures and continues to monitor environmental conditions at a site in Somerville, Massachusetts. The Company has agreed to undertake additional actions responsive to a notice of audit findings from the Massachusetts Department of Environmental Protection concerning a regulatory submittal that the Company made in 2009 for a portion of the site. The Company has received demands from the local transit authority for reimbursement of certain costs associated with its construction of a new municipal transit station in the area of the Somerville site. This station was part of an extension of the local transit system. The Company has reserved for costs in connection with this matter; however, in light of the uncertainties associated with this matter, these costs and the related reserve may change. The Company routinely reviews and evaluates sites that may require remediation and monitoring and determines its estimated costs based on various estimates and assumptions. These estimates are developed using its internal sources or by third party environmental engineers or other service providers. Internally developed estimates are based on: <div class="item-list-element-wrapper" style="display:flex;margin-top:6pt;justify-content:flex-start;align-items:baseline;margin-bottom:0;min-

*width:4.537%;text-align:left;">• Management's judgment and experience in remediating and monitoring the Company's sites; • Information available from regulatory agencies as to costs of remediation and monitoring; • The number, financial resources and relative degree of responsibility of other potentially responsible parties ("PRPs") who may be liable for remediation and monitoring of a specific site; and • The typical allocation of costs among PRPs. There is usually a range of reasonable estimates of the costs associated with each site. In accordance with U.S. GAAP, the Company's accruals reflect the amount within the range that it believes is the best estimate or the low end of a range of estimates if no point within the range is a better estimate. Where it believes that both the amount of a particular liability and the timing of the payments are reliably determinable, the Company adjusts the cost in current dollars using a rate of 3% for inflation until the time of expected payment and discounts the cost to present value using current risk-free interest rates. As of August 31, 2024, the risk-free interest rates utilized by the Company ranged from 4.2% to 4.3%. For environmental liabilities that have been discounted, the Company includes interest accretion, based on the effective interest method, in selling and administrative expenses on the accompanying Consolidated Statements of Income. The changes to the Company's environmental liabilities for fiscal 2024 and 2023 are as follows (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:66.947%;box-sizing:content-box;"></td> <td style="width:1.56%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.957%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.58%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.957%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:center;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> August 31,

style="color:#000000;white-space:pre-wrap;min-width:fit-content;">31,255 </td> <td style="white-space:nowrap;vertical-align:bottom;border-bottom:2.25pt double #ffffff03;"> </td> </tr> </table> Estimated insurance proceeds are primarily obtained from an annuity received as part of a legal settlement with an insurance company. Annual proceeds of approximately $0.3 million are deposited into an escrow account which funds remediation and monitoring costs for two sites related to former operations in Williamstown, Vermont. Annual proceeds received but not expended in the current year accumulate in this account and may be used in future years for costs related to this site through the year 2027. As of August 31, 2024, the balance in this escrow account, which is held in a trust and is not recorded in the Company's accompanying Consolidated Balance Sheets, was approximately <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$5.6 million. Also included in estimated insurance proceeds are amounts the Company is entitled to receive pursuant to legal settlements as reimbursements from three insurance companies for estimated costs at one of its sites. The Company's nuclear garment decontamination facilities are licensed by respective state agencies, as delegated authority by the Nuclear Regulatory Commission (the "NRC") pursuant to the NRC's Agreement State program and are subject to applicable federal and state radioactive material regulations. In addition, the Company's international locations (Canada, the United Kingdom and the European Union) are regulated by equivalent respective jurisdictional authorities. There can be no assurance that such regulation will not lead to material disruptions in the Company's garment decontamination business. From time to time, the Company is also subject to legal and regulatory proceedings and claims arising from the conduct of its business operations, including personal injury claims, customer contract matters, employment claims and environmental matters as described above. In addition, in the fourth quarter of fiscal 2022, the Mexican federal tax authority issued a tax assessment on the Company's subsidiary in Mexico for fiscal 2016 import taxes, value added taxes and custom processing fees of over $17.0 million, plus surcharges, fines and penalties of over $67.7 million for a total assessment of over $84.7 million. The Company challenged the validity of the tax assessment through an appeal process. In the first quarter of fiscal 2025, the Federal Tax Court in Mexico made a determination partially in its favor. Following the Federal Tax Court's determination, the Company filed a constitutional action before the Federal Administrative Court. While the Company is unable to ascertain the ultimate outcome of this matter, based on the information currently available, the Company believes that a loss with respect to this matter is neither probable nor remote. Given the uncertainty associated with the ultimate resolution of this matter, the Company is unable to reasonably assess an estimate or range of estimates of any potential losses. While it is impossible for the Company to ascertain the ultimate legal and financial liability with respect to contingent liabilities, including lawsuits and environmental contingencies, the Company believes that the aggregate amount of such liabilities, if any, in excess of amounts covered by insurance have been properly accrued in accordance with U.S. GAAP. It is possible, however, that the future financial position and/or results of operations for any particular future period could be materially affected by changes in the Company's assumptions or strategies related to these contingencies or changes out of the Company's control. Other Contingent Liabilities <p style="font-size:10pt;margin-top:12pt;font-

family:Times New Roman;margin-bottom:0;text-align:left;">As security for certain agreements with the NRC and various state agencies related to the nuclear operations (see above) and certain insurance programs, the Company had standby irrevocable bank commercial letters of credit of $65.1 million and $66.5 million outstanding as of August 31, 2024 and August 26, 2023, respectively. Non-cancellable purchase commitments for inventories, software, and services amounted to $91.2 million as of August 31, 2024, of which <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$58.4 million will be paid in less than 1 year, $21.1 million will be paid in 1 to 3 years, and the remaining will be paid in 3 to 5 years. true true The following table presents the operating lease cost and information related to the operating lease right-of-use assets, net and operating lease liabilities for fiscal 2024, 2023 and 2022: <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:59.416%;box-sizing:content-box;"></td> <td style="width:1.321%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:11.088%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;border-bottom:0.5pt solid #000000;"> (In thousands, except lease term and discount rate) </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:10pt;background-color:#cff0fc;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:middle;"> Lease cost: </td> <td style="vertical-align:middle;"> </td> <td colspan="2" style="vertical-align:middle;text-align:center;"> </td> <td style="vertical-align:middle;text-align:center;"> <span style="white-space:pre-wrap;min-

Share-based Compensation The Company adopted an equity incentive plan (the “2023 Plan”) in October 2023 and reserved 375,000 shares of Common Stock for issuance under the 2023 Plan. The 2023 Plan, which was approved by the Company’s shareholders in January 2024, replaced the Company’s 2010 stock incentive plan (the “2010 Plan”). Upon approval of the 2023 Plan by the Company’s shareholders, no further awards may be granted under the 2010 Plan. The 2023 Plan permits the award of incentive and non-qualified stock options, stock appreciation rights, restricted stock, restricted stock units and unrestricted stock (collectively referred to as “Share-Based Awards”) as well as dividend equivalent rights and cash-based awards. As of August 31, 2024, the number of remaining shares available for future grants under the 2023 Plan was 375,000. Share-based compensation expense, which includes expense related to Share-Based Awards, has been recorded in the accompanying Consolidated Statements of Income in selling and administrative expenses. All Share-Based Awards issued to management were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors. All Share-Based Awards issued to the Company’s non-employee members of the Board of Directors (the “Directors”) were recommended to the Board of Directors by the Compensation Committee and approved by the Board of Directors. <p style="font-size:10pt;margin-top:12pt;font-family:Times New

Roman;margin-bottom:0;text-align:left;">In fiscal 2024, a total of 1,475 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2023, a total of 1,575 shares of fully vested unrestricted stock were granted to non-employee Directors of the Company. In fiscal 2022, a total of 1,025 shares of fully vested unrestricted stock were granted to certain non-employee Directors of the Company. Accordingly, compensation expense related to the unrestricted stock granted in each of fiscal 2024, 2023 and 2022 were recognized on the date of grant. In fiscal 2024, the Company granted a total of 5,004 stock appreciation rights to the Company’s non-employee Directors. In fiscal 2023, the Company granted a total of 6,864 stock appreciation rights to the Company’s non-employee Directors. In fiscal 2022, the Company granted a total of 9,750 stock appreciation rights to the Company’s non-employee Directors. Such stock appreciation rights were fully vested upon grant, expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors and must be settled in stock at the time of exercise. Accordingly, compensation expense related to the stock appreciation rights was recognized on the date of grant. As of August 31, 2024, the total compensation cost not yet recognized related to non-vested Share-Based Awards was approximately $16.0 million. The weighted average period over which compensation cost for Share-Based Awards will be recognized is 3.02 years. All stock appreciation rights issued to employees were granted with an exercise price equal to the fair value of the Company’s Common Stock on the date of grant. Stock appreciation rights generally vest 20% on each anniversary of the grant date over a five-year period and expire ten years after the grant date. Share-Based Awards granted to the Company’s non-employee Directors were fully vested as of the date of grant. Non-employee Director Share-Based Award grants in the form of stock appreciation rights expire on the earlier of the eighth anniversary of the grant date or the second anniversary of the date that the Director ceases to be a member of the Board of Directors. Time-based restricted stock units granted to employees generally vest 20% on each anniversary of the grant date over a five-year period. Generally, performance-based restricted stock units granted to employees are earned based on whether and the extent to which the Company achieves certain revenue and operating margin targets. The fair value of each stock appreciation right is estimated on the date of grant using the Black-Scholes option pricing model with the following weighted average assumptions used: <p style="font-size:10pt;margin-top:0;font-family:Times New

Shareholders’ Equity The Company has two classes of common stock: Common Stock and Class B Common Stock. Each share of Common Stock is entitled to one vote, is freely transferable, and is entitled to a cash dividend equal to 125% of any cash dividend paid on each share of Class B Common Stock. Each share of Class B Common Stock is entitled to ten votes and can be converted to Common Stock on a share-for-share basis. However, until converted to Common Stock, shares of Class B Common Stock are not freely transferable. During fiscal 2022, 17,000 shares of Class B Common Stock were converted to Common Stock. No such conversions occurred during each of fiscal 2024 and 2023. On October 24, 2023, the Company’s Board of Directors authorized a new share repurchase program to repurchase from time to time up to $100.0 million of its outstanding shares of Common Stock, inclusive of the amount which remained available under the existing share repurchase program approved on October 18, 2021. Repurchases from time to time under the new program, if any, will be made in either the open market or in privately negotiated transactions. The timing, manner, price and amount of any repurchases will depend on a variety of factors, including economic and market conditions, the Company stock price, corporate liquidity requirements and priorities, applicable legal requirements and other factors. The share repurchase program has been funded to date with the Company’s available cash and will be funded in the future using the Company’s available cash or capacity under its Credit Agreement and may be suspended or discontinued at any time. On October 29, 2024, the Company’s Board of Directors declared increased quarterly cash dividends of $0.350 per share of Common Stock and $0.280 per share of Class B Common Stock, up from $0.33 and $0.264 per share, respectively. Both dividends are payable on January 3, 2025 to shareholders of record as of December 6, 2024<span

*style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">. The amount and timing of any future dividend payment is subject to the approval of the Board of Directors each quarter. During fiscal 2024, the Company repurchased 139,556 shares for an average price per share of $170.40. During fiscal 2023, the Company did not repurchase any shares. During fiscal 2022, the Company repurchased 213,419 shares for an average price per share of <span style="color:#000000;white-space:pre-wrap;font-size:10pt;font-family:Times New Roman;min-width:fit-content;">$179.98. As of August 31, 2024, there was $76.2 million remaining to repurchase outstanding shares of Common Stock under the existing program. 1 1.25 10 17000 0 0 100000000.0 0.35 0.28 0.33 0.264 2025-01-03 2025-01-03 2024-12-06 2024-12-06 139556 170.4 213419 179.98 76200000 14. Segment Reporting Operating segments are identified as components of an enterprise for which separate discrete financial information is available for evaluation by the chief operating decision-maker, or decision-making group, in making decisions on how to allocate resources and assess performance. The Company’s chief operating decision-maker is the Company’s Chief Executive Officer. The Company has six operating segments based on the information reviewed by its Chief Executive Officer: U.S. Rental and Cleaning, Canadian Rental and Cleaning, MFG, Specialty Garments, First Aid and Corporate. The U.S. Rental and Cleaning and Canadian Rental and Cleaning operating segments have been combined to form the U.S. and Canadian Rental and Cleaning reporting segment, and as a result, the Company has five reporting segments. The U.S. and Canadian Rental and Cleaning reporting segment purchases, rents, cleans, delivers and sells, uniforms and protective clothing and non-garment items in the U.S. and Canada. The laundry locations of the U.S. and Canadian Rental and Cleaning reporting segment are referred to by the Company as “industrial laundries” or “industrial laundry locations.” The MFG operating segment designs and manufactures uniforms and non-garment items primarily for the purpose of providing these goods to the U.S. and Canadian Rental and Cleaning reporting segment. MFG revenues are primarily generated when goods are shipped from the Company’s manufacturing facilities, or its subcontract manufacturers, to other Company locations. These intercompany revenues are recorded at a transfer price which is typically in excess of the actual manufacturing cost. Manufactured products are carried in inventory until placed in service at which time they are amortized at this transfer price. On a consolidated basis, intercompany revenues and income are eliminated and the carrying value of inventories and rental merchandise in service is

reduced to the manufacturing cost. Income before income taxes from MFG net of the intercompany MFG elimination offsets the merchandise amortization costs incurred by the U.S. and Canadian Rental and Cleaning reporting segment as the merchandise costs of this reporting segment are amortized and recognized based on inventories purchased from MFG at the transfer price which is above the Company's manufacturing cost. The Corporate operating segment consists of costs associated with the Company's distribution center, sales and marketing, information systems, engineering, procurement, supply chain, accounting and finance, human resources, other general and administrative costs and interest expense. The revenues generated from the Corporate operating segment represent certain direct sales made by the Company directly from its distribution center. The products sold by this operating segment are the same products rented and sold by the U.S. and Canadian Rental and Cleaning reporting segment. In the table below, no assets or capital expenditures are presented for the Corporate operating segment because no assets are allocated to this operating segment in the information reviewed by the chief executive officer. However, depreciation and amortization expense related to certain assets are reflected in income from operations and income before income taxes for the Corporate operating segment. The assets that give rise to this depreciation and amortization are included in the total assets of the U.S. and Canadian Rental and Cleaning reporting segment as this is how they are tracked and reviewed by the Company. The majority of expenses accounted for within the Corporate segment relate to costs of the U.S. and Canadian Rental and Cleaning segment, with the remainder of the costs relating to the Specialty Garment and First Aid segments. The Specialty Garments operating segment purchases, rents, cleans, delivers and sells, specialty garments and non-garment items primarily for nuclear and cleanroom applications and provides cleanroom cleaning services at certain customer locations. The First Aid operating segment sells first aid cabinet services and other safety supplies, provides certain safety training and maintains wholesale distribution and pill packaging operations for non-prescription medicines. The Company refers to the U.S. and Canadian Rental and Cleaning, MFG, and Corporate reporting segments combined as its "Core Laundry Operations," which is included as a subtotal in the following tables (in thousands):   <table style="margin-left:auto;border-spacing:0;table-layout:fixed;width:100.0%;border-collapse:separate;margin-right:auto;"> <tr style="visibility:collapse;"> <td style="width:44.569%;box-sizing:content-box;"></td> <td style="width:7.782%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.583%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:2.34%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:13.363000000000001%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:1.36%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> <td style="width:12.002%;box-sizing:content-box;"></td> <td style="width:1%;box-sizing:content-box;"></td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="10" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> Year ended </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> </tr> <tr style="height:8pt;background-color:#ffffff;word-break:break-word;white-space:pre-wrap;"> <td style="vertical-align:bottom;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2024 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2023 </td> <td style="vertical-align:bottom;border-bottom:0.5pt solid #ffffff03;text-align:left;"> </td> <td style="vertical-align:bottom;"> </td> <td colspan="2" style="vertical-align:bottom;border-bottom:0.5pt solid #000000;text-align:left;"> 2022 </td> <td style="vertical-align:bottom;border-
