### **Grab Announces the Status of a Transaction**

There have been media reports that we are engaged in discussions for a potential transaction with PT GoTo Gojek Tokopedia Tbk. The parties are not involved in any discussions at this time and Grab has not entered into any definitive agreements. We will continue to maintain a high hurdle rate when deploying our capital, and will have a balanced approach to investing for organic, profitable growth, and be highly selective on inorganic opportunities, in line with our capital allocation framework. Indonesia continues to be an important country in serving our mission as we continue to outserve our Indonesian customers, driver- and merchant-partners.

### **Incorporation by Reference**

This Report on Form 6-K, including all exhibits hereto, shall be deemed to be incorporated by reference into the registration statements on Form F-3 (Registration Nos. 333-261949 and 333-264872) of Grab Holdings Limited (including any prospectuses forming a part of such registration statements) and to be a part thereof from the date on which this report is furnished, to the extent not superseded by documents or reports subsequently filed or furnished.
