as neither a vote “for” nor “against” the matter, although they will be counted in determining whether a quorum is present. Proxies for use at the Meeting are being solicited by our Board. Only shareholders of record as of the close of business on December 9, 2024 (the “Record Date”) will be entitled to vote at the Meeting and any adjournments or postponements thereof. Proxies will be mailed to shareholders on or about December 12, 2024, and will be solicited chiefly by mail. However, certain of our officers, directors, employees and agents, none of whom will receive additional compensation in connection therewith, may solicit proxies by telephone, e-mail or other personal contact. We will bear the cost of external proxy solicitors (if any) and other costs of the solicitation of the proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of Ordinary Shares. If your Ordinary Shares are held in “street name” meaning you are a beneficial owner with your shares held through a bank, brokerage firm or other nominee, you will receive instructions from your bank, brokerage firm or nominee, who is the holder of record of your shares. You must follow the instructions of the holder of record in order for your shares to be voted.

OUTSTANDING VOTING SECURITIES AND QUORUM As of November 26, 2024, we had 15,881,940 outstanding Ordinary Shares, each of which is entitled to one vote upon each of the matters to be presented at the Meeting. Two or more shareholders holding Ordinary Shares conferring in the aggregate at least one-third (1/3) of our voting power, present in person or by proxy and entitled to vote, will constitute a quorum at the Meeting. If within an hour from the time appointed for the Meeting a quorum is not present, the Meeting shall stand adjourned to the same day in the next week, at the same time and place, or to such day and at such time and place as the Chairman may determine with the consent of the holders of a majority of the voting power represented at the Meeting in person by proxy and voting on the question of adjournment. No business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the Meeting as originally called. At such adjourned Meeting, any two (2) holders of Ordinary Shares present in person or by proxy, shall constitute a quorum.

1 BENEFICIAL OWNERSHIP OF SECURITIES BY CERTAIN BENEFICIAL OWNERS AND MANAGEMENT The following table sets forth information with respect to the beneficial ownership of our Ordinary Shares as of November 26, 2024, by:

- each person or entity known by us to own beneficially more than 5% of our outstanding Ordinary Shares;
- each of our directors and executive officers individually; and
- each of our executive officers and directors as a group.

The beneficial ownership of Ordinary Shares is determined in accordance with the Securities and Exchange Commission (“SEC”) rules and generally includes any Ordinary Shares over which a person exercises sole or shared voting or investment power. For purposes of the table below, we deem shares subject to options that are currently exercisable or exercisable within 60 days of November 26, 2024, and restricted share units (“RSUs”) that vest within 60 days of November 26, 2024, to be outstanding and to be beneficially owned by the person holding the options or RSUs for the purposes of computing the percentage ownership of that person, but we do not treat them as outstanding for the purpose of computing the percentage ownership of any other person. The percentage of shares beneficially owned is based on 15,881,940 Ordinary Shares outstanding as of November 26, 2024. The information presented below is based on information provided to us by the directors, executive officers, and shareholders or disclosed by any of them in public filings with the SEC. The voting rights of our major shareholders do not differ from the voting rights of other holders of our Ordinary Shares. None of our executive officers or directors beneficially owns 1% or more of our outstanding Ordinary Shares. As of November 26, 2024, our Ordinary Shares had a total of 13 holders of record, of which 7 were registered with addresses in the United States. We believe that the number of beneficial owners of our shares is substantially greater than the number of record holders, because a large portion of our Ordinary Shares is held of record in broker “street name.”

Â 3 Â ITEM 1 - APPROVAL OF THE COMPENSATION TO BE PAID TO OUR CHIEF EXECUTIVE OFFICER, MR. BENJAMIN (BENNY) EPPSTEIN

Â At the Meeting, you will be asked to approve the compensation terms of Mr. Benjamin (Benny) Eppstein, our new Chief Executive Officer. On November 13, 2024, we announced the appointment of Mr. Eppstein as our new Chief Executive Officer, commencing as of December 1, 2024 (the "Start Date"). In connection with Mr. Eppstein's appointment, we entered into an employment agreement setting forth the terms of employment of Mr. Eppstein as the Chief Executive Officer of the Company. The terms of the compensation offered to Mr. Eppstein under the employment agreement are subject to shareholders' approval at the Meeting.

Â Pursuant to the Israeli Companies Law, 5759-1999 (the "Companies Law"), in general, the terms of compensation of a chief executive officer of a public company such as RADCOM, need to be consistent with a company's compensation policy and be approved by the company's compensation committee, the board of directors and shareholders, in that order. However, the Companies Law also states that, under certain circumstances, a company's compensation committee and the board of directors may approve the terms of compensation of a chief executive officer even if such were not approved by the shareholders of the company after a vote was held on the matter at a general meeting of shareholders. Such approval needs to be based on detailed reasoning and after re-examining the proposed terms of compensation and evaluating, among other things, the opposition of the shareholders of the company to the proposed terms of compensation.

Â Our Board determined that the terms of Mr. Eppstein's compensation as our Chief Executive Officer are within the limitations set forth in our Compensation Policy for Executive Officers (as amended, the "Compensation Policy"), and approved his terms of compensation in such capacity, subject to shareholders' approval.

Â In approving the terms of compensation of Mr. Eppstein, our Compensation Committee of the Board (the "Compensation Committee") and Board considered various factors, including, among other things, the educational and professional experience required from our Chief Executive Officer, his responsibilities and duties, comparable executive compensation for United States residents in our industry as well as his past compensation, the expected required contribution to our future growth and profitability, other elements of compensation, including equity-based compensation payable (or proposed to be payable) to our Chief Executive Officer. Mr. Eppstein is a seasoned telecom industry veteran with a distinguished track record, having held several leadership positions at Ericsson and Amdocs, with over 20 years of sales experience working with tier-one telecom operators in North America and Japan.

Â Below is a summary of the proposed terms of compensation for our Chief Executive Officer (the "Compensation Package"):

Â Base Salary: Mr. Eppstein will be entitled to a base salary of \$400,000 per annum.

Â Signing Bonus: Mr. Eppstein will be entitled to a one-time signing bonus (Extraordinary Event Bonus) of \$100,000 (the "Signing Bonus"), payable with the first payroll following the approval of this Item 1 in the Meeting. Should Mr. Eppstein terminate his employment with the Company (other than termination by the Company at will and without cause, as further detailed in Mr. Eppstein's employment agreement) before the lapse of a twelve (12) months period following the Start Date, Mr. Eppstein shall repay the Company the gross Signing Bonus paid to him.

Â Restricted Share Units Award: Mr. Eppstein will be entitled to 180,000 RSUs which shall vest over four (4) years (45,000 RSUs annually) as follows: (i) 45,000 RSUs shall vest upon the first anniversary of the Start Date, and (ii) 11,250 RSUs shall vest quarterly following the first anniversary of the Start Date, in any event subject to Mr. Eppstein's continuous employment by the Company (the "RSU Grant"). The RSU Grant shall be subject to the RADCOM Ltd. 2023 Equity Incentive Plan, as amended and in effect from time to time.

Â 4 Â In the event of a Change of Control (as defined in the Compensation Policy) in the course of which the Company terminates Mr. Eppstein's employment, all then unvested RSUs Granted to Mr. Eppstein will automatically be fully vested.

Â Bonus

Entitlement: Â Mr. Eppstein may be entitled to an annual bonus for 2025 and onward, as determined by the Compensation Committee and the Board, not to exceed, for 2025, seventy-five percent (75%) of his annual base salary, and, for any subsequent year thereafter, a hundred percent (100%) of his annual base salary (the "Maximum Bonus") which is comprised of two components: (1) a measurable component of up to one hundred percent (100%) of Mr. Eppstein's annual base salary as measured against criteria established by the Compensation Committee; and (2) a discretionary bonus not to exceed the lesser of the difference between the Maximum Bonus and the measurable bonus earned or a quarter (25%) of Mr. Eppstein's annual base salary. Â Benefits: Â Mr. Eppstein will be entitled to customary benefits, such as vacation days, sick leave, medical insurance and a 401(k) plan, which are customary for U.S. employees, in addition to other benefits consistent with our Compensation Policy, our policies and procedures and customary market practices. Â Termination: Â Mr. Eppstein may terminate his employment upon providing three months' advance notice. RADCOM may terminate his employment without cause at any time upon providing six months' advance notice. Â Notwithstanding the above under "Base Salary", as of the Start Date, Mr. Eppstein shall be paid a base salary at an annual rate of \$300,000 (the "Initial Rate"). Subject to the approval of this Item 1, Mr. Eppstein's base salary rate will be increased to an annual rate of \$400,000 (the "Approved Rate") as provided for above and Mr. Eppstein shall receive, a one-time payment of an amount equal to the difference between the amount paid to him under the Initial Rate and the amount that would have been paid to him had he been paid the Approved Rate from the Start Date. Â Required Approval Â The affirmative vote of a majority of the Ordinary Shares present, in person or by proxy, and voting on the matter is required for the approval of the Compensation Package, provided that either (i) at least a majority of the Ordinary Shares voted on the matter by non-controlling shareholders or by shareholders who do not have a personal interest in the resolution, are voted in favor of the matter or (ii) the total number of Ordinary Shares of non-controlling shareholders or of shareholders who do not have a personal interest in the resolution voted against the matter does not exceed two percent of the outstanding voting power in our Company. Â The Companies Law requires that each shareholder voting on this proposal indicate whether or not such person is a controlling shareholder or has a personal interest in such resolution. Under the Companies Law, a "Controlling Shareholder" for this purpose is any shareholder who has the ability to direct RADCOM's actions (other than by means of being a director or office holder of the Company), including any shareholder holding 25% or more of the voting rights if no other shareholder owns more than 50% of the voting rights in RADCOM. A shareholder is presumed to be a Controlling Shareholder if it holds or controls, by itself or together with others, one half or more of any one of the "means of control" of a company. "Means of control" is defined as any one of the following: (i) the right to vote at a general meeting of a company, or (ii) the right to appoint directors of a company or its chief executive officer. Â To the knowledge of RADCOM there is no shareholder who is a Controlling Shareholder. Â A "Personal Interest" of a shareholder (i) includes a personal interest of any member of the shareholder's family (or spouses thereof) or a personal interest of a company with respect to which the shareholder (or such family member) serves as a director or chief executive officer, owns at least 5% of our Ordinary Shares or has the right to appoint a director or chief executive officer, and (ii) excludes an interest arising solely from the ownership of our Ordinary Shares. Â 5 Â To avoid confusion, every shareholder voting by means of the enclosed proxy card or voting instruction form, or via telephone or internet voting, will be deemed to confirm that such shareholder is a non-Controlling Shareholder and is not a shareholder who has a Personal Interest in the resolution. If you are a Controlling Shareholder (which, as indicated above, is highly unlikely) or a shareholder who has a Personal Interest in the resolution, please notify Ms. Hadar Rahav, our Chief Financial Officer, at c/o 24 Raoul Wallenberg Street, Tel Aviv 69719, Israel; telephone: +972-77-774-5060, or by email (hadar.rahav@radcom.com). If your shares are held in "street name" by your broker, bank or other nominee and you are a Controlling Shareholder or a shareholder who has a Personal Interest in the resolution, you should notify the Company as outlined above, and, in addition, you should advise your broker, bank or other nominee of that status, and they in turn should notify the Company as described in the preceding sentence. Â Proposed Resolution Â It is proposed that the following resolution be adopted at the Meeting: Â "RESOLVED" that the Compensation Package offered to Mr. Benjamin (Benny) Eppstein, RADCOM's newly appointed Chief Executive Officer, as described in the Proxy Statement, be, and the same hereby is approved. Â The Board of Directors recommends a vote "FOR" approval of the proposed resolution. Â 6 Â ITEM 2 "OTHER BUSINESS" Â Management knows of no other business to be transacted at the Meeting, other than as set forth in the Notice of Extraordinary General Meeting. However, if any other matters are properly presented to the Meeting, the persons named in the enclosed form of proxy will vote upon such matters in accordance with their best judgment. Â 7 Â PROPOSALS OF SHAREHOLDERS Â Shareholder Proposals for the Meeting Â Any shareholder of the Company who intends to present a proposal at the Meeting (a "Proposing Shareholder") must satisfy the requirements of the Companies Law. Only shareholders who hold the minimum percentage of the Company's outstanding voting rights under the Companies Law are entitled to request that the Board include a proposal in a future shareholders meeting, provided that such proposal is appropriate for consideration by shareholders at such meeting (a "Proposal Request"). Such shareholders may present proposals for consideration at the Meeting by submitting their proposals in writing to our Chief Financial Officer at the following address: RADCOM Ltd., 24 Raoul Wallenberg Street, Tel Aviv 6971920, Israel, Attention: Chief Financial Officer. For a shareholder proposal to be considered for inclusion in the Meeting, our Chief Financial Officer must receive the written proposal no later than December 10, 2024.
