SUPERCOM LTD. 6-K Items On January 22, 2025, SuperCom Ltd. (the "Company") entered into a Waiver and
Fourth Amendment to Credit Agreement (the "Amendment") with affiliates of its senior lender Fortress Investment
Group LLC (collectively, the "Lenders"), SuperCom Inc., the Company's wholly owned subsidiary (the
"Borrower"), and certain other subsidiaries of the Company as guarantors, to amend the Credit Agreement, dated
as of September 6, 2018 (as amended, the "Credit Agreement"), entered into by the parties. Pursuant to the
Amendment, among other things, the parties agreed: (i) for \$4,374,175.47 of the outstanding principal amount (the
"Outstanding Amount") of the term loans made under the Credit Agreement (the "Loans") to be exchanged
into an aggregate of 100,000 of the Company's ordinary shares (the "Shares") at a price per share of \$43.74, to
be issued to the Lenders, which exchange was consummated on the same date, such that the Outstanding Amount is
\$14,000,000 after giving effect to the Amendment. The Shares were issued by the Company pursuant to and in
accordance with Section 3(a)(9) of the Securities Act of 1933, as amended, and Rule 144 promulgated thereunder; (ii)
to extend the maturity date of the Loans to December 31, 2028 and to push back any Loan monthly interest and
principal payments, such that they all shall be paid at maturity; and (iii) to modify the annual interest rate and End of
Term Fee (as defined in the Credit Agreement), with an estimated net savings to the Company of more than \$1 million
(in total interest and fees) if the Loans are repaid at maturity, by reducing the Loans annual interest rate from
LIBOR+8% to SOFR+2.5%, resulting in a reduction of over 5.5% at current LIBOR and SOFR rates, and increasing the
End of Term Fee rate to a range of 10% to 20%, depending on the timing of the full repayment of the Loans. The
Company is in compliance with the covenants in the Credit Agreement. The Amendment includes certain standard
covenants, representations and warranties, including an irrevocable release and discharge by the Company and its
subsidiaries party to the Credit Agreement of the Lenders and their Released Persons (as defined in the Amendment)
from all damages, losses and other claims with respect to the Credit Agreement and the other loan documents and the
transactions contemplated thereby. The Company's current outstanding debt balance with holder of its
subordinated debt, Streeterville Capital LLC, is approximately \$9.2 million. There are no current disputes between the
Company and any of its debt holders. Signatures Pursuant to the requirements of the Securities Exchange Act of
1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly
