Harbor Notice: This press release contains "forward-looking statements" within the meaning of Section 27A of the
United States Securities Act of 1933, as amended, and Section 21E of the United States Securities Exchange Act of
1934, as amended. Although these forward-looking statements, which may include statements regarding our future
results of operations, financial condition or business prospects, are based on our own information and information from
other sources we believe to be reliable, you should not place undue reliance on these forward-looking statements, which
apply only as of the date of this press release. The words â€œanticipate,â€ â€œbelieve,â€ â€œestimate,â€
â€œexpect,â€ â€œintend,â€ â€œplanâ€ and similar expressions, as they relate to us, are intended to identify these
forward-looking statements in this press release. These forward-looking statements are necessarily estimates reflecting
the best judgment of our senior management and our actual results of operations, financial condition or business
prospects may differ materially from those expressed or implied by the forward-looking statements for reasons
including, among others, risks associated with cyclical and market conditions in the semiconductor or electronic
industry; changes in our regulatory environment, including our ability to comply with new or stricter environmental
regulations and to resolve environmental liabilities; demand for the outsourced semiconductor packaging, testing and
electronic manufacturing services we offer and for such outsourced services generally; the highly competitive
semiconductor or manufacturing industry we are involved in; our ability to introduce new technologies in order to
remain competitive; international business activities; our business strategy; our future expansion plans and capital
expenditures; the strained relationship between the Republic of China and the People's Republic of China; general
economic and political conditions; the recent shift in United States trade policies; possible disruptions in commercial
activities caused by natural or human-induced disasters; fluctuations in foreign currency exchange rates; and other
factors. Â For a discussion of these risks and other factors, please see the documents we file from time to time with the
Securities and Exchange Commission, including the 2022 Annual Report on Form 20-F filed on April 10, 2023. Â Â
