Contentsâ€‹Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.â€‹In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs, to the extent possible, as well as considering counterparty credit risk in its assessment of fair value.â€‹The fair values of financial instruments, including cash and cash equivalents, restricted cash, accounts receivable, other financial instruments included in other assets, accounts payable, accrued expenses and other liabilities approximate their respective carrying values at June 30, 2024 and December 31, 2023. â€‹The following table summarizes the carrying value and estimated fair value of the Companyâ€™s debt as of June 30, 2024 and December 31, 2023: â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹June 30, 2024â€‹December 31, 2023â€‹â€‹(in thousands)Carrying value$ 2,884,548â€‹$ 2,922,776Fair valueâ€‹ 2,570,862â€‹â€‹ 2,631,221â€‹The fair value of debt estimates were based on a discounted cash flow analysis assuming market interest rates for comparable obligations at June 30, 2024 and December 31, 2023. The Company estimates the fair value of its fixed-rate debt and the credit spreads over variable market rates on its variable-rate debt by discounting the future cash flows of each instrument at estimated market rates or credit spreads consistent with the maturity of the debt obligation with similar credit policies, which is classified within level 2 of the fair value hierarchy. Rates and credit spreads take into consideration general market conditions and maturity.â€‹13.Â NONCONTROLLING INTERESTSâ€‹Interests in Consolidated Joint Venturesâ€‹Noncontrolling interests in subsidiaries represent the ownership interests of third parties in the Companyâ€™s consolidated joint ventures. All consolidated joint ventures were formed to develop, own and operate new stores with the exception of Anoka (defined below), which was formed to acquire an existing store that had commenced operations. The following table summarizes the Companyâ€™s consolidated joint ventures, each of which are accounted for as VIEs:â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹

over the term of the lease. To date, no intangible asset has been 30 Table of Contentsrecorded for the value of customer relationships, because the Company does not have any concentrations of significant customers and the average customer turnover is fairly frequent.â€‹Long-lived assets classified as â€œheld for useâ€ are reviewed for impairment when events and circumstances such as declines in occupancy and operating results indicate that there may be an impairment. The carrying value of these long-lived assets is compared to the undiscounted future net operating cash flows, plus a terminal value, attributable to the assets to determine if the storeâ€™s basis is recoverable. If a storeâ€™s basis is not considered recoverable, an impairment loss is recorded to the extent the net carrying value of the asset exceeds the fair value. The impairment loss recognized equals the excess of net carrying value over the related fair value of the asset. There were no impairment losses recognized in accordance with these procedures during the three and six months ended June 30, 2024 and 2023.â€‹The Company considers long-lived assets to be â€œheld for saleâ€ upon satisfaction of the following criteria: (a)Â management commits to a plan to sell an asset (or group of assets), (b)Â the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such assets, (c)Â an active program to locate a buyer and other actions required to complete the plan to sell the asset have been initiated, (d)Â the sale of the asset is probable and transfer of the asset is expected to be completed within one year, (e)Â the asset is being actively marketed for sale at a price that is reasonable in relation to its current fair value and (f)Â actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.â€‹Typically these criteria are all met when the relevant asset is under contract, significant non-refundable deposits have been made by the potential buyer, the assets are immediately available for transfer and there are no contingencies related to the sale that may prevent the transaction from closing. However, each potential transaction is evaluated based on its separate facts and circumstances. Assets classified as held for sale are reported at the lesser of carrying value or fair value less estimated costs to sell and are not depreciated. There were no stores classified as held for sale as of June 30, 2024.â€‹Investments in Unconsolidated Real Estate Venturesâ€‹The Company accounts for its investments in unconsolidated real estate ventures under the equity method of accounting when it is determined that the Company has the ability to exercise significant influence over the venture. Under the equity method, investments in unconsolidated real estate ventures are recorded initially at cost, as investments in real estate entities, and subsequently adjusted for equity in earnings (losses) and cash contributions, less cash distributions and impairments. On a periodic basis, management also assesses whether there are any indicators that the carrying value of the Companyâ€™s investments in unconsolidated real estate entities may be other than temporarily impaired. An investment is impaired only if the fair value of the investment, as estimated by management, is less than the carrying value of the investment and the decline is other than temporary. To the extent impairment that is other than temporary has occurred, the loss shall be measured as the excess of the carrying amount of the investment over the fair value of the investment, as estimated by management. Fair value is determined through various valuation techniques, including but not limited to, discounted cash flow models, quoted market values and third-party appraisals. There were no impairment losses related to the Companyâ€™s investments in unconsolidated real estate ventures recognized during the three and six months ended June 30, 2024 or 2023.â€‹Differences between the Companyâ€™s net investment in unconsolidated real estate ventures and its underlying equity in the net assets of the ventures are primarily a result of the Company acquiring interests in existing unconsolidated real estate ventures. The Companyâ€™s net investment in unconsolidated real estate ventures was greater than its underlying equity in the net assets of the unconsolidated real estate ventures by an aggregate of $31.4 million and $31.8 million as of June 30, 2024 and December 31, 2023, respectively. These differences are amortized over the lives of the self-storage properties owned by the real estate ventures. This amortization is included in Equity in earnings of real estate ventures within our consolidated statements of operations. â€‹Results of Operationsâ€‹The following discussion of our results of operations should be read in conjunction with our unaudited consolidated financial statements and the accompanying notes thereto. Historical results set forth in our consolidated statements of 31 Table of Contentsoperations reflect only the existing stores for each period presented and should not be taken as indicative of future operations. We consider our same-store portfolio to consist of only those stores owned and operated on a stabilized basis at the beginning and at the end of the applicable periods presented. We consider a store to be stabilized once it has achieved an occupancy rate that we believe, based on our assessment of market-specific data, is representative of similar self-storage assets in the applicable market for a full year measured as of the most recent January 1 and has not been significantly damaged by natural disaster or undergone significant renovation. We believe that same-store results are useful to investors in evaluating our performance because they provide information relating to changes in store-level operating performance without taking into account the effects of acquisitions, developments or dispositions. As of June 30, 2024, we owned 598 same-store properties and 17 non same-store properties. The non same-store property portfolio results include 2023 and 2024 acquisitions, dispositions, newly developed stores, stores with a significant portion of rentable square footage taken out of service or stores that have not yet reached stabilization as defined above. For analytical presentation, all percentages are calculated using the numbers presented in the unaudited consolidated financial statements contained in this Report.â€‹Acquisition and Development Activitiesâ€‹The comparability of our results of operations is affected by the timing of acquisition and disposition activities during the periods reported. The following table summarizes the change in the number of owned stores from January 1, 2023 through June 30, 2024:â€‹â€‹â€‹

were no such distributions during the 2024 period.â€‹Cash Flowsâ€‹Comparison of the six months ended June 30, 2024 to the six months ended June 30, 2023â€‹A comparison of cash flow from operating, investing and financing activities for the six months ended June 30, 2024 and 2023 is as follows:â€‹Six Months Ended June 30,â€‹â€‹â€‹â€‹Â NetÂ cashÂ providedÂ byÂ (usedÂ in):Â Â Â Â Â 2024Â Â Â Â Â 2023Â Â Â Â ChangeÂ â€‹â€‹(inÂ thousands)Â â€‹Operating activitiesâ€‹$ 321,012â€‹$ 299,082â€‹$ 21,930â€‹Investing activitiesâ€‹$ (54,563)â€‹$ (47,451)â€‹$ (7,112)â€‹Financing activitiesâ€‹$ (267,396)â€‹$ (249,411)â€‹$ (17,985)â€‹â€‹Cash provided by operating activities increased from $299.1 million for the six months ended June 30, 2023 to $321.0 million for the six months ended June 30, 2024, reflecting an increase of $21.9 million. The increased cash flow from operating activities was primarily attributable to the timing and amounts of the payments of certain expenses, primarily insurance and property taxes.â€‹Cash used in investing activities increased from $47.5 million for the six months ended June 30, 2023 to $54.6 million for the six months ended June 30, 2024, reflecting an increase of $7.1 million. This change was primarily the result of a $20.1 million increase in acquisitions of storage properties. We acquired two stores during the six months ended June 30, 2024, with no acquisitions during the corresponding 2023 period. This increase was partially offset by an $11.2 million decrease in development costs, primarily due to the payment during the 2023 period of a put liability associated with a previously consolidated joint venture. â€‹Cash used in financing activities increased from $249.4 million for the six months ended June 30, 2023 to $267.4 million for the six months ended June 30, 2024, reflecting an increase of $18.0 million. This change was primarily the result of a $9.8 million reduction in net proceeds from our revolving credit facility during the 2024 period as compared to the corresponding 2023 period. The change was also the result of a $9.4 million increase in cash distributions paid to common shareholders and noncontrolling interests in the Operating Partnership due to an increase in the common divided per share/unit. â€‹Liquidity and Capital Resourcesâ€‹Liquidity Overviewâ€‹Our cash flow from operations has historically been one of our primary sources of liquidity used to fund debt service, distributions and capital expenditures. We derive substantially all of our revenue from customers who lease space at our stores and fees earned from managing stores. Therefore, our ability to generate cash from operations is dependent on the rents and management fees that we are able to charge and collect from our customers and clients. We believe that the properties in which we invest, self-storage properties, are less sensitive than other real estate product types to near-term economic downturns. However, prolonged economic downturns could adversely affect our cash flows from operations.â€‹In order to qualify as a REIT for federal income tax purposes, the Parent Company is required to distribute at least 90% of its REIT taxable income, excluding capital gains, to its shareholders on an annual basis, and must pay federal income tax on undistributed income to the extent it distributes less than 100% of its REIT taxable income. The nature of our business, coupled with the requirement that we distribute a substantial portion of our income on an annual basis, will cause us to have substantial liquidity needs over both the short and long term.35 Table of Contentsâ€‹Our short-term liquidity needs consist primarily of funds necessary to pay operating expenses associated with our stores, refinancing of certain indebtedness, interest expense and scheduled principal payments on debt, expected distributions to limited partners and shareholders, capital expenditures and the acquisition and development of new stores. These funding requirements will vary from year to year, in some cases significantly. For the remainder of the 2024 fiscal year, we expect recurring capital expenditures to be approximately $9.0 million to $14.0 million, planned capital improvements and store upgrades to be approximately $8.0 million to $13.0 million and costs associated with the development of new stores to be approximately $7.0 to $17.0 million.Â Our currently scheduled principal payments on our outstanding debt are approximately $0.5 million for the remainder of 2024.â€‹Our most restrictive financial covenants limit the amount of additional leverage we can add; however, we believe cash flows from operations, access to equity financing, including through our at-the-market equity program, and available borrowings under our Revolver (defined below) provide adequate sources of liquidity to enable us to execute our current business plan and remain in compliance with our covenants.â€‹Our liquidity needs beyond 2024 consist primarily of contractual obligations which include repayments of indebtedness at maturity, as well as potential discretionary expenditures such as (i)Â non-recurring capital expenditures; (ii)Â redevelopment of operating stores; (iii)Â acquisitions of additional stores; and (iv)Â development of new stores. We will have to satisfy the portion of our needs not covered by cash flow from operations through additional borrowings, including borrowings under our Revolver, sales of common or preferred shares of the Parent Company and common or preferred units of the Operating Partnership and/or cash generated through store dispositions and joint venture transactions.â€‹We believe that, as a publicly traded REIT, we will have access to multiple sources of capital to fund our long-term liquidity requirements, including the incurrence of additional debt and the issuance of additional equity. However, we cannot provide any assurance that this will be the case. Our ability to incur additional debt will be dependent on a number of factors, including our degree of leverage, the value of our unencumbered assets and borrowing restrictions that may be imposed by lenders. In addition, dislocation in the United States debt markets may significantly reduce the availability and increase the cost of long-term debt capital, including conventional mortgage financing and commercial mortgage-backed securities financing. There can be no assurance that such capital will be readily available in the future. Our ability to access the equity capital markets will be dependent on a number of factors as well, including general market conditions for REITs and market perceptions of us.â€‹As of June 30, 2024, we had approximately $5.7 million in available cash and cash equivalents. In addition, we had approximately $838.8 million of availability for borrowings under our Revolver.36 Table of Contentsâ€‹Unsecured Senior Notesâ€‹Our unsecured senior notes are summarized as follows (collectively referred to as the â€œSenior Notesâ€): â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹

CubeSmart, L.P., a Delaware limited partnership (the â€œOperating Partnershipâ€), operates through an umbrella partnership structure, with the Parent Company, a Maryland REIT, as its sole general partner. In the notes to the unaudited consolidated financial statements, the terms â€œthe Companyâ€, â€œweâ€ or â€œourâ€ are used to refer to the Parent Company and the Operating Partnership together, unless the context indicates otherwise. As of June 30, 2024, the Company owned (or partially owned and consolidated) self-storage properties located in the District of Columbia and 24 states throughout the United States, which are presented under one reportable segment: the Company owns, operates, develops, manages and acquires self-storage properties.â€‹As of June 30, 2024, the Parent Company owned approximately 99.5% of the partnership interests (â€œOP Unitsâ€ or â€œcommon unitsâ€) of the Operating Partnership. The remaining OP Units, consisting exclusively of limited partner interests, are held by persons who contributed their interests in properties to the Operating Partnership in exchange for OP Units. Under the partnership agreement, these persons have the right to tender their OP Units for redemption to the Operating Partnership at any time following a specified restricted period for cash equal to the fair value of an equivalent number of common shares of the Parent Company. In lieu of delivering cash, however, the Parent Company, as the Operating Partnershipâ€™s general partner, may, at its option, choose to acquire any OP Units so tendered by issuing common shares in exchange for the tendered OP Units. If the Parent Company so chooses, its common shares will be exchanged for OP Units on a one-for-one basis. This one-for-one exchange ratio is subject to adjustment to prevent dilution. With each such exchange or redemption, the Parent Companyâ€™s percentage ownership in the Operating Partnership will increase. In addition, whenever the Parent Company issues common or other classes of its shares, it contributes the net proceeds it receives from the issuance to the Operating Partnership and the Operating Partnership issues to the Parent Company an equal number of OP Units or other partnership interests having preferences and rights that mirror the preferences and rights of the shares issued. This structure is commonly referred to as an umbrella partnership REIT or â€œUPREIT.â€â€‹The Company typically experiences seasonal fluctuations in the occupancy levels of its stores, which are generally slightly higher during the summer months due to increased moving activity.â€‹ X - DefinitionDescription containing the entire organization and consolidation of financial statements disclosure. Accordingly, readers of this Quarterly Report on Form 10-Q should refer to the Parent Companyâ€™s and the Operating Partnershipâ€™s combined audited financial statements prepared in accordance with GAAP, and the related notes thereto, for the year ended December 31, 2023, which are included in the Parent Companyâ€™s and the Operating Partnershipâ€™s combined Annual Report on Form 10-K for the fiscal year ended December 31, 2023. The results of operations for the three and six months ended June 30, 2024 and 2023 are not necessarily indicative of the results of operations to be expected for any future period or the full year.â€‹The Operating Partnership meets the criteria as a variable interest entity (â€œVIEâ€). The Parent Companyâ€™s sole significant asset is its investment in the Operating Partnership. As a result, substantially all of the Parent Companyâ€™s assets and liabilities represent those assets and liabilities of the Operating Partnership. All of the Parent Companyâ€™s debt is an obligation of the Operating Partnership, and the Parent Company guarantees the unsecured debt obligations of the Operating Partnership.â€‹Reclassificationsâ€‹Certain amounts within the Companyâ€™s and the Operating Partnershipâ€™s unaudited consolidated financial statements have been reclassified in prior years to conform to the current year presentation. â€‹Recently Issued Accounting Pronouncementsâ€‹In November 2023, the Financial Accounting Standards Board (â€œFASBâ€) issued Accounting Standards Update (â€œASUâ€) No. 2023-07 â€“ Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures. The amended guidance requires the disclosure of incremental segment information, including significant segment expenses that are regularly provided to the chief operating decision maker (â€œCODMâ€) and a reconciliation of segment profit or loss to net income. The title and position of the CODM must also be disclosed, along with how the CODM uses the reported measures to assess segment performance and to allocate resources. Entities with a single reportable segment (such as the Company) will be required to provide the disclosures required by Topic 280, as amended. The standard became effective for the Company on January 1, 2024 and the required disclosures for the Company will begin with its Annual Report on Form 10-K for the fiscal year ending December 31, 2024. The adoption and implementation of this guidance is not expected to have a material impact on the Companyâ€™s consolidated financial statements.â€‹ X - ReferencesNo definition available. + Details Name: us-gaap_AccountingPoliciesAbstract Namespace Prefix: us-gaap_ Data Type: xbrli:stringItemType Balance Type: na Period Type: duration X - DefinitionThe entire disclosure for the basis of presentation and significant accounting policies concepts. agreements with notional amounts that aggregated to $150.0 million (the â€œInterest Rate Swapsâ€) to protect the Company against adverse fluctuations in interest rates by reducing exposure to variability in cash flows relating to interest payments on a forecasted issuance of long-term debt. The Interest Rate Swaps qualified and were designated as cash flow hedges. Accordingly, the Interest Rate Swaps were recorded on the Companyâ€™s consolidated balance sheets at fair value and the related gains or losses were deferred in shareholdersâ€™ equity as accumulated other comprehensive income or loss. These deferred gains and losses were amortized into interest expense during the period or periods in which the related interest payments affected earnings. On January 24, 2019, in conjunction with the issuance of $300.0 million of outstanding 4.375% senior notes due 2029 (the â€œ2029 Notesâ€), the Company settled the Interest Rate Swaps for $0.8 million. The $0.8 million termination premium will be reclassified from accumulated other comprehensive loss as an increase to interest expense over the life of the 2029 Notes, which mature on February 15, 2029. The change in unrealized losses on interest rate swaps reflects a reclassification of twenty thousand dollars and forty thousand dollars of unrealized losses from accumulated other comprehensive loss as an increase to interest expense during the three and six months ended June 30, 2024, respectively. The Company estimates that $0.1 million will be reclassified as an increase to interest expense in the next 12 months. As defined in the guidance, fair value is based on the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, the guidance establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:â€‹Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.â€‹Level 2: Observable prices that are based on inputs not quoted on active markets, but corroborated by market data.â€‹Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.â€‹In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs, to the extent possible, as well as considering counterparty credit risk in its assessment of fair value.â€‹The fair values of financial instruments, including cash and cash equivalents, restricted cash, accounts receivable, other financial instruments included in other assets, accounts payable, accrued expenses and other liabilities approximate their respective carrying values at June 30, 2024 and December 31, 2023. â€‹The following table summarizes the carrying value and estimated fair value of the Companyâ€™s debt as of June 30, 2024 and December 31, 2023: â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹June 30, 2024â€‹December 31, 2023â€‹â€‹(in thousands)Carrying value$ 2,884,548â€‹$ 2,922,776Fair valueâ€‹ 2,570,862â€‹â€‹ 2,631,221â€‹The fair value of debt estimates were based on a discounted cash flow analysis assuming market interest rates for comparable obligations at June 30, 2024 and December 31, 2023. The Company estimates the fair value of its fixed-rate debt and the credit spreads over variable market rates on its variable-rate debt by discounting the future cash flows of each instrument at estimated market rates or credit spreads consistent with the maturity of the debt obligation with similar credit policies, which is classified within level 2 of the fair value hierarchy. December 9, 2021, the Company completed the acquisition of LAACO, which included a 50% interest in Fontana and RCSS, each of which owns one self-storage property in California. As of the date of acquisition, the Company recognized differences between the Companyâ€™s equity investment in Fontana and RCSS and the underlying equity reflected at the venture level. These differences are being amortized over the expected useful life of the self-storage properties owned by the ventures. As of June 30, 2024, the remaining unamortized difference was $12.6 million for Fontana and $18.8 million for RCSS. Securities outstanding equals securities issued minus securities held in treasury. Temporary equity is a security with redemption features that are outside the control of the issuer, is not classified as an asset or liability in conformity with GAAP, and is not mandatorily redeemable. Includes any type of security that is redeemable at a fixed or determinable price or on a fixed or determinable date or dates, is redeemable at the option of the holder, or has conditions for redemption which are not solely within the control of the issuer. If convertible, the issuer does not control the actions or events necessary to issue the maximum number of shares that could be required to be delivered under the conversion option if the holder exercises the option to convert the stock to another class of equity. If the security is a warrant or a rights issue, the warrant or rights issue is considered to be temporary equity if the issuer cannot demonstrate that it would be able to deliver upon the exercise of the option by the holder in all cases. Includes stock with put option held by ESOP and stock redeemable by holder only in the event of a change in control of the issuer. + ReferencesReference 1: http://fasb.org/us-gaap/role/ref/legacyRef -Topic 210 -SubTopic 10 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.5-02(27)(b)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147480566/210-10-S99-1 + Details Name: us-gaap_TemporaryEquitySharesOutstanding Namespace Prefix: us-gaap_ Data Type: xbrli:sharesItemType Balance Type: na Period Type: instant X - are held by the entity's shareholders. Securities outstanding equals securities issued minus securities held in treasury. Temporary equity is a security with redemption features that are outside the control of the issuer, is not classified as an asset or liability in conformity with GAAP, and is not mandatorily redeemable. Includes any type of security that is redeemable at a fixed or determinable price or on a fixed or determinable date or dates, is redeemable at the option of the holder, or has conditions for redemption which are not solely within the control of the issuer. If convertible, the issuer does not control the actions or events necessary to issue the maximum number of shares that could be required to be delivered under the conversion option if the holder exercises the option to convert the stock to another class of equity. If the security is a warrant or a rights issue, the warrant or rights issue is considered to be temporary equity if the issuer cannot demonstrate that it would be able to deliver upon the exercise of the option by the holder in all cases. style="font-weight:bold;">1. ORGANIZATION AND NATURE OF OPERATIONS
CubeSmart
(the "Parent Company") operates as a self-managed and self-administered real estate investment trust ("REIT") with its operations conducted solely through CubeSmart, L.P.
and its subsidiaries. CubeSmart, L.P., a Delaware limited partnership (the "Operating Partnership"), operates through an umbrella partnership structure, with the Parent
Company, a Maryland REIT, as its sole general partner. In the notes to the unaudited consolidated financial statements, the terms "the Company", "we" or "our" are used to
refer to the Parent Company and the Operating Partnership together, unless the context indicates otherwise. As of June 30, 2024, the Company owned (or partially owned and
consolidated) self-storage properties located in the District of Columbia and 24 states throughout the United States, which are presented under one reportable segment: the
Company owns, operates, develops, manages and acquires self-storage properties. <p style="font-family:'Times New Roman','Times','serif';font-size:12pt;text-
indent:9.35pt;margin:0pt;"> <p style="font-family:'Times New Roman','Times','serif';font-size:10pt;text-
indent:9.35pt;margin:0pt;">As of June 30, 2024, the Parent Company owned approximately 99.5% of the partnership interests ("OP Units" or "common units") of the
Operating Partnership. The remaining OP Units, consisting exclusively of limited partner interests, are held by persons who contributed their interests in properties to the
Operating Partnership in exchange for OP Units. Under the partnership agreement, these persons have the right to tender their OP Units for redemption to the Operating
Partnership at any time following a specified restricted period for cash equal to the fair value of an equivalent number of common shares of the Parent Company. In lieu of
delivering cash, however, the Parent Company, as the Operating Partnership's general partner, may, at its option, choose to acquire any OP Units so tendered by issuing
common shares in exchange for the tendered OP Units. If the Parent Company so chooses, its common shares will be exchanged for OP Units on a one-for-one basis. This one-
for-one exchange ratio is subject to adjustment to prevent dilution. With each such exchange or redemption, the Parent Company's percentage ownership in the Operating
Partnership will increase. In addition, whenever the Parent Company issues common or other classes of its shares, it contributes the net proceeds it receives from the issuance
to the Operating Partnership and the Operating Partnership issues to the Parent Company an equal number of OP Units or other partnership interests having preferences and
rights that mirror the preferences and rights of the shares issued. This structure is commonly referred to as an umbrella partnership REIT or "UPREIT." <p style="font-

respective company for the interim periods presented in accordance with generally accepted accounting principles in the United States ("GAAP"). Accordingly, readers of this
Quarterly Report on Form 10-Q should refer to the Parent Company's and the Operating Partnership's combined audited financial statements prepared in accordance with

The
Operating Partnership meets the criteria as a variable interest entity ("VIE"). The Parent Company's sole significant asset is its investment in the Operating Partnership. As a
result, substantially all of the Parent Company's assets and liabilities represent those assets and liabilities of the Operating Partnership. All of the Parent Company's debt

INVESTMENT ACTIVITY
2024 Acquisitions During the six months ended June 30, 2024, the Company acquired a two-store portfolio located in Connecticut for an aggregate purchase price of $20.2 million. In connection with this transaction, which was accounted for as an asset acquisition, the Company allocated the purchase price and acquisition-related costs to the tangible and intangible assets acquired based on relative fair value. Intangible assets consisted of in-place leases, which aggregated to $0.9 million at the time of the acquisition and prior to amortization of such amounts. The estimated life of these in-place leases is 12 months and the amortization expense that was recognized during the three and six months ended June 30, 2024 was approximately $0.2 million and $0.4 million, respectively. 2023 Acquisition During the year ended December 31, 2023, the Company acquired one store located in New Jersey for a purchase price of $22.0 million. In connection with this transaction, which was accounted for as an asset acquisition, the Company allocated the purchase price and acquisition-related costs to the tangible and intangible assets acquired based on relative fair value. Intangible assets consisted of in-place leases, which aggregated to $2.0 million at the time of the acquisition and prior to amortization of such amounts. The estimated life of these in-place leases is 12 months and the amortization expense that was recognized during the three and six months ended June 30, 2024 was approximately $0.5 million and $1.0 million, respectively. No amortization expense related to this store was recognized during the three or six months ended June 30, 2023. 2023 Dispositions In August 2023, the Company sold the California Yacht Club, which it purchased in December 2021 as part of the LAACO acquisition, for $0.8 million. A loss of $0.2 million was recognized in conjunction with the sale. Additionally, in December 2023, a store was subject to an involuntary conversion by the Department of Transportation of the State of Illinois. The Company received $8.0 million as consideration and recorded a gain of $4.8 million. Development Activity As of June 30, 2024, the Company had invested in consolidated joint ventures to develop two self-storage properties located in New York. Construction for these projects is expected to be completed during the third quarter of 2025. As of June 30, 2024, development costs incurred to date for these projects totaled $16.8 million. Total construction costs for these projects are expected to be $45.7 million. These costs are capitalized to construction in progress while the project is under development and are reflected in Storage properties on the Company's consolidated balance sheets. The Company, through two consolidated joint ventures, completed the construction and opened for operation the following stores during the period of January 1, 2023 through June 30, 2024. The costs associated with the construction of these stores are capitalized to land, building and improvements, as well as equipment and are reflected in Storage properties on the Company's consolidated balance sheets. <table style="border-collapse:collapse;font-size:16pt;height:max-content;padding-left:0pt;padding-right:0pt;width:100%;"><tr style="height:1pt;"><td style="vertical-align:bottom;white-space:nowrap;width:33.98%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:13.25%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:14.38%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:13.25%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:14.49%;margin:0pt;padding:0pt;"> </td></tr><tr><td style="vertical-align:bottom;white-space:nowrap;width:33.98%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:13.25%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:14.38%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:13.25%;margin:0pt;padding:0pt;"> CubeSmart </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:14.49%;margin:0pt;padding:0pt;"> </td></tr><tr><td style="vertical-align:bottom;width:33.98%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.12%;margin:0pt;padding:0pt;"><p style="font-family:'Times New Roman','Times';font-size:12pt;text-

The indenture also restricts the ability of the Operating Partnership and its subsidiaries to incur secured debt unless the Operating Partnership and its consolidated subsidiaries comply with a secured debt leverage ratio not to exceed 40% after giving effect to the incurrence of the debt. The indenture also contains other financial and customary covenants, including a covenant not to own unencumbered assets with a value less than 150% of the unsecured indebtedness of the Operating Partnership and its consolidated subsidiaries. As of and for the three and six months ended June 30, 2024, the Operating Partnership was in compliance with all of the financial covenants under the Senior Notes. <table style="border-collapse:collapse;font-size:16pt;height:max-content;padding-left:0pt;padding-right:0pt;width:100%;"><tr style="height:1pt;"><td style="vertical-align:bottom;width:44.62%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:1.64%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:1.19%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:9.47%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:1.49%;margin:0pt;padding:0pt;"><div

style="font-family:'Times New Roman','Times','serif';font-size:10pt;margin:0pt;">8. REVOLVING CREDIT FACILITY On October 26, 2022, the Company amended and restated, in its entirety, its unsecured revolving credit agreement (the "Second Amended and Restated Credit Facility") which, subsequent to the amendment and restatement, is comprised of an $850.0 million unsecured revolving credit facility (the "Revolver") maturing on February 15, 2027. Under the Second Amended and Restated Credit Facility, pricing on the Revolver is dependent upon the Company's unsecured debt credit ratings and leverage levels. At the Company's current unsecured debt credit ratings and leverage levels, amounts drawn under the Revolver are priced using a margin of 0.775% plus a facility fee of 0.15% over the Secured Overnight Financing Rate ("SOFR") plus a 0.10% SOFR adjustment. As of June 30, 2024, borrowings under the Revolver had an interest rate of 6.36%. Additionally, as of June 30, 2024, $838.8 million was available for borrowing under the Revolver. The available balance under the Revolver is reduced by an outstanding letter of credit of $0.6 million.
Under the Second Amended and Restated Credit Facility, the Company's ability to borrow under the Revolver is subject to ongoing compliance with certain financial covenants which include, among other things, (1) a maximum total indebtedness to total asset value of 60.0%, and (2) a minimum fixed charge coverage ratio of 1.5:1.0. As of and for the three and six months ended June 30, 2024, the Operating Partnership was in compliance with all financial covenants of the Second Amended and Restated Credit Facility. 850000000.00.007750.00150.00100.0636838800000060000000.6001.5 9. RISK MANAGEMENT AND USE OF FINANCIAL INSTRUMENTS The Company is exposed to credit risk with regard to its cash accounts.

The Company holds deposits at certain financial institutions in excess of Federal Deposit Insurance Corporation limits. The Company's cash accounts are held with major financial institutions and management believes that the risk of loss due to disruption at these financial institutions is low. The Company's use of derivative instruments is limited to the utilization of interest rate swap agreements or other instruments to manage interest rate risk exposures and not for speculative purposes. The principal objective of such arrangements is to minimize the risks and/or costs associated with the Company's operating and financial structure, as well as to hedge specific transactions. The counterparties to these arrangements are major financial institutions with which the Company and its subsidiaries may also have other financial relationships. The Company is potentially exposed to credit loss in the event of non-performance by these counterparties. However, because of the high credit ratings of the counterparties, the Company does not anticipate that any of the counterparties will fail to meet these obligations as they come due. The Company does not hedge credit or property value market risks. The Company formally assesses, both at inception of a hedge and on an on-going basis, whether each derivative is highly-effective in offsetting changes in cash flows of the hedged item. If management determines that the derivative is highly-effective as a hedge, then the Company accounts for the derivative using hedge accounting, pursuant to which gains or losses inherent in the derivative do not impact the Company's results of operations. If management determines that the derivative is not highly-effective as a hedge or if a derivative ceases to be a highly-effective hedge, the Company discontinues hedge accounting prospectively and reflects within its consolidated statements of operations realized and unrealized gains and losses with respect to the derivative. As of June 30, 2024 and December 31, 2023, all derivative instruments entered into by the Company had been settled. On December 24, 2018, the Company entered into interest rate swap agreements with notional amounts that aggregated to $150.0 million (the "Interest Rate Swaps") to protect the Company against adverse fluctuations in interest rates by reducing exposure to variability in cash flows relating to interest payments on a forecasted issuance of long-term debt. The Interest Rate Swaps qualified and were designated as cash flow hedges. Accordingly, the Interest Rate Swaps were recorded on the Company's consolidated balance sheets at fair value and the related gains or losses were deferred in shareholders' equity as accumulated other comprehensive income or loss. These deferred gains and losses were amortized into interest expense during the period or periods in which the related interest payments affected earnings. On January 24, 2019, in conjunction with the issuance of $300.0 million of outstanding 4.375% senior notes due 2029 (the "2029 Notes"), the Company settled the Interest Rate Swaps for $0.8 million. The $0.8 million termination premium will be reclassified from accumulated other comprehensive loss as an increase to interest expense over the life of the 2029 Notes, which mature on February 15, 2029. The change in unrealized losses on interest rate swaps reflects a reclassification of twenty thousand dollars and forty thousand dollars of unrealized losses from accumulated other comprehensive loss as an increase to interest expense during the three and six months ended June 30, 2024, respectively. The Company estimates that $0.1 million will be reclassified as an increase to interest expense in the next 12 months.

FAIR VALUE MEASUREMENTS The Company applies the methods of determining fair value as described in authoritative guidance, to value its financial assets and liabilities. As defined in the guidance, fair value is based on the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, the guidance establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below: Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs. Level 2: Observable prices that are based on inputs not quoted on active markets, but corroborated by market data. Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs. In determining fair value, the Company utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs, to the extent possible, as well as considering counterparty credit risk in its assessment of fair value. The fair values of financial instruments, including cash and cash equivalents, restricted cash, accounts receivable, other financial instruments included in other assets, accounts payable, accrued expenses and other liabilities approximate their respective carrying values at June 30, 2024 and December 31, 2023. The following table summarizes the carrying value and estimated fair value of the Company's debt as of June 30, 2024 and December 31, 2023: <table style="border-collapse:collapse;font-size:16pt;height:max-content;margin-left:auto;margin-right:auto;padding-left:0pt;padding-right:0pt;width:80%;"><tr style="height:1pt;"><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:18.73%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:18.73%;margin:0pt;padding:0pt;"> </td></tr><tr><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;margin:0pt;padding:0pt;"> </td><td colspan="2" style="vertical-align:bottom;width:21.41%;border-bottom:1px solid #000000;margin:0pt;padding:0pt;"> June 30, 2024 </td><td style="vertical-align:bottom;width:2.67%;margin:0pt;padding:0pt;"> </td><td colspan="2" style="vertical-align:bottom;width:21.41%;border-bottom:1px solid #000000;margin:0pt;padding:0pt;"> December 31, 2023 </td></tr><tr style="height:0pt;visibility:hidden;"><td colspan="6" style="padding:0pt;"></td></tr><tr><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td colspan="4" style="vertical-align:bottom;white-space:nowrap;width:42.83%;margin:0pt;padding:0pt;"> (in thousands) </td></tr><tr><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;background:#cceeff;margin:0pt;padding:0pt;"> Carrying value </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;background:#cceeff;margin:0pt;padding:0pt;"> $</p></td><td style="vertical-align:bottom;width:18.73%;background:#cceeff;margin:0pt;padding:0pt;"><p style="font-family:'Times New Roman','Times',serif;font-size:10pt;text-align:right;margin:0pt 3.5pt 0pt 0pt;"> 2,884,548</p></td><td style="vertical-align:bottom;width:2.67%;background:#cceeff;margin:0pt;padding:0pt;"><p style="font-family:'Times New Roman','Times',serif;font-size:12pt;margin:0pt;"></p></td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;background:#cceeff;margin:0pt;padding:0pt;"><p style="font-family:'Times New Roman','Times',serif;font-size:10pt;margin:0pt;">$ </td><td style="vertical-align:bottom;width:18.73%;background:#cceeff;margin:0pt;padding:0pt;"> 2,922,776 </td></tr><tr><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;margin:0pt;padding:0pt;"> Fair value </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:18.73%;margin:0pt;padding:0pt;"> 2,570,862 </td><td style="vertical-align:bottom;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:18.73%;margin:0pt;padding:0pt;"> 2,631,221 </td></tr></table> The fair value of debt estimates were based on a discounted cash flow analysis assuming market interest rates for comparable obligations at June 30, 2024 and December 31, 2023. The Company estimates the fair value of its fixed-rate debt and the credit spreads over variable market rates on its variable-rate debt by discounting the future cash flows of each instrument at estimated market rates or credit spreads consistent with the maturity of the debt obligation with similar credit policies, which is classified within level 2 of the fair value hierarchy. Rates and credit spreads take into consideration general market conditions and maturity. <table style="border-collapse:collapse;font-size:16pt;height:max-content;margin-left:auto;margin-right:auto;padding-left:0pt;padding-right:0pt;width:80%;"><tr style="height:1pt;"><td style="vertical-align:bottom;white-space:nowrap;width:54.48%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;white-space:nowrap;width:2.67%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:18.73%;margin:0pt;padding:0pt;"> </td><td style="vertical-align:bottom;width:2.67%;margin:0pt;padding:0pt;"> <span style="font-

COMMITMENTS AND CONTINGENCIES Development Commitments The Company has agreements with developers for the construction of two new self-storage properties (see note 4), which will require payments of approximately $29.4 million, due in installments upon completion of certain construction milestones, during 2024 and 2025. <p

style="font-family:'Times New Roman','Times',serif;font-size:12pt;text-indent:9pt;margin:0pt;"> Litigation From time to time, the Company is involved in claims which arise in the ordinary course of business. In accordance with applicable accounting guidance, management establishes an accrued liability for claim expenses, insurance retention and litigation costs when those matters present loss contingencies that are both probable and reasonably estimable. In such cases, there may be exposure to loss in excess of those amounts accrued. The estimated loss, if any, is based upon currently available information and is subject to significant judgment, a variety of assumptions, and known and unknown uncertainties. In the opinion of management, the Company has made adequate provisions for potential liabilities arising from any such matters, which are included in Accounts payable, accrued expenses and other liabilities on the Company's consolidated balance sheets. 229400000 15. RELATED PARTY TRANSACTIONS The Company provides management services to certain joint ventures and other related parties. Management agreements provide for fee income to the Company based on a percentage of revenues at the managed stores. Total management fees for unconsolidated real estate ventures or other entities in which the Company held an ownership interest totaled $1.2 million and $2.4 million for the three and six months ended June 30, 2024, respectively, compared to $1.2 million and $2.3 million, respectively, during the same periods in 2023. The management agreements for certain joint ventures, other related parties and third-party stores provide for the reimbursement to the Company for certain expenses incurred to manage the stores. These reimbursements consist of amounts due for management fees, payroll, and other store expenses. The amounts due to the Company were $25.0 million and $18.0 million as of June 30, 2024 and December 31, 2023, respectively, and are included in Other assets, net on the consolidated balance sheets. Additionally, the Company had outstanding mortgage loans receivable from consolidated joint ventures of $94.8 million and $86.3 million as of June 30, 2024 and December 31, 2023, respectively, which are eliminated for consolidation purposes. The Company believes that all of these related-party receivables are fully collectible. The HVP V, HVPSE, HVP IV and HHFNE operating agreements provide for acquisition, disposition and other fees payable from HVP V, HVPSE, HVP IV and HHFNE to the Company upon the closing of a property transaction by HVP V, HVPSE, HVP IV and HHFNE or any of their subsidiaries and completion of certain measures as defined in the operating agreements. There were no such fees recognized during the three or six months ended June 30, 2024 or 2023. The Company serves as lessor in a ground lease related to land underlying an HVP IV property located in Texas. The Company recognized income associated with this ground lease of $0.1 million during each of the three-month periods ended June 30, 2024 and 2023 and of $0.2 million during each of the six-month periods ended June 30, 2024 and 2023. </p><p style="font-family:'Times New Roman','Times',serif;font-size:10pt;margin:0pt;">This income is included in the component of other (expense) income designated as Other within the Company's consolidated statements of operations.</p><p style="font-family:'Times New Roman','Times',serif;font-size:12pt;margin:0pt;"></p>12000000240000012000002300000025000000.018000000.094800000863000000000100000100000200000200000<p style="font-family:'Times New Roman','Times',serif;font-size:10pt;margin:0pt;"><b style="font-weight:bold;">16.
