Â Â â€¢ Â Total revenues for the fourth quarter 2024 are expected to reach RMB162Â million, representing an increase of 20% from the guidance of RMB135Â million, and a year-over-year increase of 187% from RMB56.6Â million in the fourth quarter of 2023. Â Â â€¢ Â Total revenues for the fiscal year 2024 are expected to reach RMB454Â million, representing an increase of 6% from the guidance of RMB427Â million, and a year-over-year increase of 287% from RMB117.4Â million in 2023. The upward performance reflects stronger-than-expected market demand for EHangâ€™s flagship EH216-S pilotless passenger-carrying aerial vehicles, key operational milestones, and growing momentum in the Companyâ€™s business. About EHang EHang (Nasdaq: EH) is the worldâ€™s leading urban air mobility (â€œUAMâ€) technology platform company. Our mission is to enable safe, autonomous, and eco-friendly air mobility accessible to everyone. EHang provides customers in various industries with unmanned aerial vehicle (â€œUAVâ€) systems and solutions: air mobility (including passenger transportation and logistics), smart city management, and aerial media solutions. EHangâ€™s flagship product EH216-S has obtained the worldâ€™s first type certificate, production certificate and standard airworthiness certificate for pilotless eVTOL issued by the Civil Aviation Administration of China. As the forerunner of cutting-edge UAV technologies and commercial solutions in the global UAM industry, EHang continues to explore the boundaries of the sky to make flying technologies benefit our life in smart cities.
