2024â€‹1. Significant Accounting PoliciesBasis of PresentationCiti Trends,Â Inc. and its subsidiary (the â€œCompanyâ€) is a leading specialty value retailer of apparel, accessories and home trends for way less spend primarily for African American and multicultural families. As of NovemberÂ 2,Â 2024, the Company operated 593 stores in urban, suburban and rural markets in 33 states.â€‹The condensed consolidated financial statements are prepared in accordance with U.S. generally accepted accounting principles (â€œU.S. GAAPâ€) for interim reporting and are unaudited. In the opinion of management, the condensed consolidated financial statements reflect all adjustments, which are normal and recurring in nature, necessary for fair financial statement presentation. The condensed consolidated balance sheet as of FebruaryÂ 3, 2024 is derived from the audited financial statements in the Companyâ€™s Annual Report on Form 10-K for the fiscal year ended FebruaryÂ 3, 2024 (the â€œ2023 Form 10-Kâ€). These condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements and notes thereto included in the 2023 Form 10-K. Results of a period shorter than a full year may not be indicative of results expected for the entire year as a result of the seasonality of our business, among other things.Fiscal YearThe following contains references to fiscal years 2024 and 2023, which represent fiscal years ending or ended on FebruaryÂ 1, 2025 and FebruaryÂ 3, 2024, respectively. Fiscal 2024 has a 52-week accounting period, and fiscal 2023 had a 53-week accounting period.â€‹2. Cash and Cash Equivalents/Concentration of Credit RiskFor purposes of the condensed consolidated balance sheets and condensed consolidated statements of cash flows, the Company considers all highly liquid investments with maturities at date of purchase of three months or less to be cash equivalents. Financial instruments that potentially subject the Company to a concentration of credit risk consist principally of cash and cash equivalents. The Company places its cash and cash equivalents in what it believes to be high credit quality banks and institutional money market funds. The Company maintains cash accounts that exceed federally insured limits.â€‹3. Earnings per ShareBasic earnings per common share amounts are calculated using the weighted average number of common shares outstanding for the period. Diluted earnings per common share amounts are calculated using the weighted average number of common shares outstanding plus the additional dilution for all potentially dilutive securities, such as nonvested restricted stock. During loss periods, diluted loss per share amounts are based on the weighted average number of common shares outstanding because the inclusion of common stock equivalents would be antidilutive.â€‹The dilutive effect of stock-based compensation arrangements is accounted for using the treasury stock method. The Company includes as assumed proceeds the amount of compensation cost attributed to future services and not yet recognized. For the third quarter of 2024 and 2023, there were 258,000 and 318,000 shares of nonvested restricted stock, respectively, excluded from the calculation of diluted earnings per share because of antidilution. For the thirty-nine weeks ended NovemberÂ 2,Â 2024 and OctoberÂ 28,Â 2023, there were 242,000 and 259,000 shares of nonvested restricted stock, respectively, excluded from the calculation of diluted earnings per share because of antidilution.â€‹7 Table of ContentsThe following table provides a reconciliation of the weighted average number of common shares outstanding used to calculate basic earnings per share to the number of common shares and common stock equivalents outstanding used in calculating diluted earnings per share:â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹Thirteen Weeks Endedâ€‹Â Â Â Â NovemberÂ 2,Â 2024Â Â Â Â OctoberÂ 28,Â 2023Weighted average number of common shares outstanding (basic)â€‹ 8,356,085â€‹ 8,237,729Incremental shares from assumed vesting of nonvested restricted stockâ€‹ â€”â€‹ â€”Weighted average number of common shares and common stock equivalents outstanding (diluted)â€‹ 8,356,085â€‹ 8,237,729â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹Thirty-Nine Weeks Endedâ€‹Â Â Â Â NovemberÂ 2,Â 2024Â Â Â Â OctoberÂ 28,Â 2023Weighted average number of common shares outstanding (basic)â€‹ 8,315,090â€‹ 8,214,907Incremental shares from assumed vesting of nonvested restricted stockâ€‹ â€”â€‹ â€”Weighted average number of common shares and common stock equivalents outstanding (diluted)â€‹ 8,315,090â€‹ 8,214,907â€‹â€‹4. Revolving Credit FacilityIn OctoberÂ 2011, the Company entered into a five-year, $50 million credit facility with Bank of America. The facility was amended in August 2015 and May 2020 to extend the maturity dates. The facility was further amended in April 2021 to modify terms and extend the maturity date to April 15, 2026. In May 2023, the facility was amended to replace the London Interbank Offered Rate (â€œLIBORâ€) with the Secured Overnight Financing Rate (â€œSOFRâ€). The amended facility provides a $75 million credit commitment and a $25 million uncommitted â€œaccordionâ€ feature that under certain circumstances could allow the Company to increase the size of the facility to $100 million. The facility is secured by the Companyâ€™s inventory, accounts receivable and related assets, but not its real estate, fixtures and equipment, and it contains one financial covenant, a fixed charge coverage ratio, which is applicable and tested only in certain circumstances. The facility has an unused commitment fee of 0.20% and permits the payment of cash dividends subject to certain limitations. Borrowings under the credit facility bear interest (a) for SOFR Loans, at a rate equal to the SOFR Rate plus a SOFR adjustment equal to 0.10% plus either 1.25%, 1.50% or 1.75%, or (b) for Base Rate Loans, at a rate equal to the highest of (i) the prime rate, (ii)Â the Federal Funds Rate plus 0.5% or (iii)Â the Eurodollar Rate plus 1.0%, plus, in each case either 0.25%, 0.50% or 0.75%, based in any such case on the average daily availability for borrowings under the facility. â€‹As of NovemberÂ 2,Â 2024, the Company had no borrowings under the credit facility and $1.4 million of letters of credit outstanding.â€‹5. Impairment of AssetsIf facts and circumstances indicate that a long-lived asset or operating lease right-of-use asset may be impaired, the carrying value is reviewed. If this review indicates that the carrying value of the asset will not be recovered as determined based on projected undiscounted cash flows related to the asset over its remaining life, the carrying value of the asset is reduced to its estimated fair value.Â In the third quarter of 2024, non-cash impairment expense related to underperforming stores totaled $0.6 million, comprised of $0.3 million for leasehold improvements and fixtures and equipment, and $0.3 million for operating lease right of use assets. In the third quarter of 2023, non-cash impairment expense related to underperforming stores totaled $0.2 million, primarily for leasehold improvements and fixtures and equipment.â€‹6. Income TaxesThe provision for income taxes for the interim period in 2024 is based on an estimate of the annual effective tax rate adjusted to reflect the impact of discrete items. Management judgment is required in projecting ordinary income to estimate the Companyâ€™s annual effective tax rate. For the first thirty-nine weeks of 2023 the Company used the discrete effective tax rate method to determine its tax expense based upon interim period results. The Company determined that since small changes in estimated ordinary income would result in significant changes in the estimated annual effective tax rate, the annual effective tax rate method would not have provided a reliable estimate for the first thirty-nine weeks of 2023.As of NovemberÂ 2,Â 2024, we had approximately $15.3 million in net deferred tax assets (DTA). At this time, we consider it more likely than not that we will have sufficient taxable income in the future that will allow us to realize these DTAs. If we are not able to generate 8 Table of Contentssufficient taxable income to realize these DTAs, a substantial valuation allowance to reduce our U.S. DTAs may be required, which would materially increase our expenses in the period the allowance is recognized and adversely affect our results of operations. As of NovemberÂ 2,Â 2024, our net DTA includes approximately $9.3 million related to net operating loss (NOL) carryforwards that can be used to offset taxable income in future periods and reduce our income taxes payable in those future periods. NOL carryforwards may be subject to annual limitations under Internal Revenue Code Section 382 (Section 382) (or comparable provisions of foreign or state law) in the event that certain changes in ownership were to occur. In addition, tax credit carryforwards may be subject to annual limitations under Internal Revenue Code Section 383 (Section 383).We are required to evaluate our NOL and tax credit carryforwards and whether certain changes in ownership have occurred as measured under Section 382 that would limit our ability to utilize a portion of our NOL and tax credit carryforwards. If it is determined that an ownership change has occurred, there may be annual limitations on the use of these NOL and tax credit carryforwards under Sections 382 and 383 (or comparable provisions of foreign or state law).7. Commitments and ContingenciesThe Company from time to time is involved in various legal proceedings incidental to the conduct of its business, including claims by customers, landlords, employees or former employees. Once it becomes probable that the Company will incur costs in connection with a legal proceeding and such costs can be reasonably estimated, the Company establishes appropriate reserves. While legal proceedings are subject to uncertainties and the outcome of any such matter is not predictable, the Company is not aware of any legal proceedings pending or threatened against it that it expects to have a material adverse effect on its financial condition, results of operations or liquidity.8. Stock RepurchasesThe Company periodically repurchases shares of its common stock under board-authorized repurchase programs. Such repurchases may be made in the open market, through block trades or through other negotiated transactions. There were no stock repurchases in the first thirty-nine weeks of 2024 or the first thirty-nine weeks of 2023.At NovemberÂ 2,Â 2024, $50.0 million remained available under the Companyâ€™s stock repurchase authorization.9. RevenueRevenue RecognitionThe Companyâ€™s primary source of revenue is derived from the sale of clothing and accessories to its customers with the Companyâ€™s performance obligations satisfied immediately when the customer pays for their purchase and receives the merchandise. Sales taxes collected by the Company from customers are excluded from revenue. Revenue from layaway sales is recognized at the point in time when the merchandise is paid for and control of the goods is transferred to the customer, thereby satisfying the Companyâ€™s performance obligation. The Company defers revenue from the sale of gift cards and recognizes the associated revenue upon the redemption of the cards by customers to purchase merchandise.â€‹Sales ReturnsThe Company allows customers to return merchandise for up to 30 days after the date of sale subject to certain conditions. Expected refunds to customers are recorded based on estimated margin using historical return information. â€‹Disaggregation of RevenueThe Companyâ€™s retail operations represent a single operating segment based on the way the Company manages its business. Operating decisions and resource allocation decisions are made at the Company level in order to maintain a consistent retail store presentation. The Companyâ€™s retail stores sell similar products, use similar processes to sell those products and sell their products to similar classes of customers.â€‹9 Table of ContentsIn the following table, the Companyâ€™s revenue from contracts with customers is disaggregated by â€œCITIâ€ or major merchandise category. The percentage of net sales for each CITI with the merchandise assortment was approximately:â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹â€‹Thirteen Weeks Endedâ€‹Thirty-Nine Weeks Endedâ€‹â€‹NovemberÂ 2,Â Â Â Â OctoberÂ 28,Â NovemberÂ 2,Â Â Â Â OctoberÂ 28,â€‹â€‹2024Â Â Â Â 2023Â 2024Â Â Â Â 2023â€‹Ladies27%â€‹26%â€‹28%â€‹27%â€‹Kids24%â€‹24%â€‹23% & Beauty16%â€‹17%â€‹16%â€‹18%â€‹Home & Lifestyle10%â€‹7%â€‹10%â€‹8%â€‹Footwear6%â€‹9%â€‹7%â€‹8%â€‹â€‹â€‹10. LeasesThe Company leases its retail store locations, distribution centers, and certain office space and equipment. Leases for store locations are typically for a term of five years with options to extend for one or more five-year periods.The Company analyzes all leases at inception to determine if a right-of-use asset and lease liability should be recognized. Leases with an initial term of 12 months or less and leases with mutual termination clauses are not included on the condensed consolidated balance sheets. The lease liability is measured at the present value of future lease payments as of the lease commencement date. Recent Accounting PronouncementsIn November 2023, the FASB issued ASU 2023-07, â€œSegment Reporting (Topic 280): Improvements to Reportable Segment Disclosuresâ€ (â€œASU 2023-07â€), which expands reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. ASU 2023-07 requires disclosure of (i) significant segment expenses that are regularly provided to the CODM and included within the segment measure of profit or loss, (ii) an amount and description of its composition for other segment items to reconcile to segment profit or loss, and (iii) the title and position of the Companyâ€™s CODM. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative thresholds to determine its reportable segments. The new standard will be effective on a retrospective basis for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted. The Company is currently evaluating the ASU to determine the impact of the amended guidance.In December 2023, the FASB issued ASU 2023-09, â€œIncome Taxes (Topic 740): Improvements to Income Tax Disclosuresâ€ (â€œASU 2023-09â€). The amendments in ASU 2023-09 require public entities, on an annual basis, to provide disclosure of specific categories in the rate reconciliation, as well as disclosure of income taxes paid disaggregated by jurisdiction. The new standard will be effective on a prospective basis for fiscal years beginning after December 15, 2024 and interim periods therein, with early adoption permitted. The Company is currently evaluating the ASU to determine the impact of the amended guidance.â€‹Item 2. Our high-quality and trend-right merchandise offerings at everyday low prices are designed to appeal to the fashion and trend preferences of value-conscious customers. As of NovemberÂ 2,Â 2024, we operated 593 stores in urban, suburban and rural markets in 33 states.Uncertainties and ChallengesGeneral Economic ConditionsWe expect that our operations in the short-term will continue to be influenced by general economic conditions, including ongoing inflationary pressures, which are particularly impactful to the communities we serve. Given the macro-economic environment, we expect low-income families to remain under pressure and to tightly manage their discretionary spend through the remainder of fiscal 2024. In addition, we continue to monitor the impacts on our business of unemployment levels, wage inflation, interest rates, inflation rates, housing costs, energy costs, consumer confidence, consumer perception of economic conditions, costs to source our merchandise and supply chain disruptions.Seasonality and Weather PatternsThe nature of our business is seasonal. Historically, sales in the first and fourth quarters have been higher than sales achieved in the second and third quarters of the fiscal year. In addition, sales of clothing are directly impacted by the timing of the seasons to which the clothing relates. While we have expanded our product offerings to include more non-apparel goods, traffic to our stores is still influenced by weather patterns to some extent.Cyber Disruption (January 2023)As previously disclosed, in January 2023, we experienced a disruption of our back office and distribution center IT systems, (the â€œJanuary 2023 cyber disruptionâ€). In the first thirty-nine weeks of fiscal 2023, we recognized $1.7 million of costs related to the cyber disruption in Selling, general and administrative expenses on our Statement of Operations. Several putative class action lawsuits have been filed against the Company and several inquiries have been made to the Company with respect to the January 2023 cyber disruption. At NovemberÂ 2,Â 2024, we had an accrual of $0.7 million for estimated losses in connection with these matters recorded in Accrued expenses on our Balance Sheet. For additional information regarding these lawsuits, see Note 7 of the Annual Report on FormÂ 10-K for the fiscal year ended FebruaryÂ 3, 2024.Basis of PresentationNet sales consist of store sales and layaway fees, net of returns by customers. Cost of sales consists of the cost of products we sell and associated freight costs. Depreciation is not considered a component of cost of sales and is included as a separate line item in the consolidated statements of operations. Selling, general and administrative expenses are comprised of store costs, including payroll and occupancy costs, corporate and distribution center costs and advertising costs.12 Table of ContentsThe following discussion contains references to fiscal years 2024 and 2023, which represent fiscal years ending or ended on FebruaryÂ 1, 2025 and FebruaryÂ 3, 2024, respectively. Fiscal 2024 has a 52-week accounting period and fiscal 2023 had a 53-week accounting period. This discussion and analysis should be read with the unaudited condensed consolidated financial statements and the notes thereto contained in Part 1, Item 1 of this Report. Results of OperationsThe following discussion of the Companyâ€™s financial performance is based on the unaudited condensed consolidated financial statements set forth herein. Expenses and, to a greater extent, operating income, vary by quarter. Results of a period shorter than a full year may not be indicative of results expected for the entire year as a result of the seasonality of our business, among other things.Key Operating StatisticsWe measure performance using key operating statistics. One of the main performance measures we use is comparable store sales growth. In fiscal years following those with 53 fiscal weeks, the prior year period is shifted by one week to compare similar retail calendar weeks. Additionally, for 2024, we updated our definition of a comparable store. We now define a comparable store as a store that has been open for at least 14 full consecutive months without closure for more than seven days within the same fiscal month. Remodeled or relocated stores are considered comparable stores if the selling square footage is not changed significantly, the store is not closed for more than five days in any fiscal month and the store remains in the same trade area. This change aligns more with industry standards in regard to measuring â€œcomp storeâ€ sales performance. This change is effective for fiscal year 2024 and forward. For fiscal year 2024, the definition change results in six stores becoming comparable stores in 2024, which would not have become a comparable store until 2025 under the prior definition. The revised definition would result in no change to the full year 2023 comparable store sales results of 5.3%. We also use other operating statistics, most notably average sales per store, to measure our performance. As we typically occupy existing space in established shopping centers rather than sites built specifically for our stores, store square footage (and therefore sales per square foot) varies by store. We focus on overall store sales volume as the critical driver of profitability. In addition to sales, we measure cost of sales as a percentage of sales and store operating expenses, with a particular focus on labor, as a percentage of sales. These results translate into store level contribution, which we use to evaluate overall performance of each individual store. Finally, we monitor corporate and distribution center expenses against budgeted amounts. Thirteen Weeks Ended NovemberÂ 2,Â 2024 and OctoberÂ 28,Â 2023Net Sales. Sales comparisons for 2024 to the prior year are affected by the shift in the calendar caused by last year having 53 weeks. Net sales decreased $0.4 million, or 0.3%, to $179.1 million in the third quarter of 2024 from $179.5 million in the third quarter of 2023. The shift in the retail calendar contributed $7.0 million to revenue for the thirteen weeks ended NovemberÂ 2,Â 2024. Comparable store sales, on a comparable weeks basis, increased 5.7%, resulting in an increase of $9.6 million in sales. Net store opening and closing activity resulted in a net decrease of $2.8 million in sales.Cost of Sales (exclusive of depreciation). Cost of sales (exclusive of depreciation) decreased $3.1 million, or 2.7%, to $107.8 million in the third quarter of 2024 from $110.9 million in the third quarter of 2023. Cost of sales as a percentage of sales decreased to 60.2% in the third quarter of 2024 from 61.8% in the third quarter of 2023. The 160 basis points decrease was driven by a 40 basis points decrease in shrink (driven by physical inventory results), and a decrease of 120 basis points in other cost of sales.Selling, General and Administrative Expenses. Selling, general and administrative expenses increased $5.1 million, or 7.3%, to $74.7 million in the third quarter of 2024 from $69.7 million in the third quarter of 2023. The increase was driven by corporate expense (primarily payroll and professional fees) of $2.2 million, including $1.6 million of one-time expenses for strategic initiatives, occupancy expense of $1.0 million, and third quarter 2023 gain on insurance of $2.0 million. As a percentage of sales, Selling, general and administrative expenses increased to 41.7% in the third quarter of 2024 from 38.8% in the third quarter of 2023, primarily driven by the aforementioned items.Depreciation. Depreciation expense increased $0.1 million, or 0.1%, to $4.8 million in the third quarter of 2024 from $4.7 million in the third quarter of 2023.Impairment. Non-cash impairment expense related to underperforming stores totaled $0.6 million in the third quarter of 2024, comprised of $0.3 million for leasehold improvements and fixtures and equipment, and $0.3 million for operating lease right of use assets. Non-cash impairment expense related to underperforming stores totaled $0.2 million in the third quarter of 2023 primarily due to leasehold improvements and fixtures and equipment.13 Table of ContentsIncome Tax Benefit. Income tax benefit was $1.3 million in the third quarter of 2024 and in the third quarter of 2023. The effective tax rate for the third quarter of 2024 and 2023 was 15.1% and 25.5%, respectively. The difference is attributable to fluctuations in permanent items during the third quarter of 2024.Net Loss. Net loss was $7.2 million in the third quarter of 2024 compared to net loss of $3.9 million in the third quarter of 2023 due to the factors discussed above.Thirty-Nine Weeks Ended NovemberÂ 2,Â 2024 and OctoberÂ 28,Â 2023Net Sales. Sales comparisons for 2024 to the prior year are affected by the shift in the retail calendar caused by last year having 53 weeks. Net sales increased $9.1 million, or 1.7%, to $541.9 million in the first thirty-nine weeks of 2024 from $532.8 million in the same period of 2023. The shift in the retail calendar contributed $3.1 million to revenue for the thirty-nine weeks ended NovemberÂ 2,Â 2024. Comparable store sales, on a comparable weeks basis, increased 2.3%, resulting in an increase of $3.2 million in sales. Net store opening and closing activity resulted in a net decrease of $6.2 million in sales.Cost of Sales (exclusive of depreciation). Cost of sales (exclusive of depreciation) increased $11.9 million, or 3.6%, to $343.7 million in the first thirty-nine weeks of 2024 from $331.8 million in the same period of 2023. Cost of sales as a percentage of sales increased to 63.4% in the first thirty-nine weeks of 2024 from 62.3% in the same period of 2023. The 110 basis points increase was driven by an increase of 120 basis points of markdowns and a 100 basis points increase in shrink, partially offset by a decrease of 50 basis points of freight and a decrease of 60 basis points in other cost of sales.Selling, General and Administrative Expenses. Selling, general and administrative expenses increased $12.7 million, or 6.1%, to $222.7 million in the first thirty-nine weeks of 2024 from $210.0 million in the same period of 2023. The increase was primarily driven by one-time CEO transition related expenses of $3.2 million, corporate expenses (primarily payroll, insurance and professional fees) of $6.5 million, stores selling and advertising expense of $4.7 million, and distribution center costs of $0.3 million, partially offset by lower incentive compensation expense of $2.0 million. As a percentage of sales, Selling, general and administrative expenses increased to 41.1% in the first thirty-nine weeks of 2024 from 39.4% in the first thirty-nine weeks of 2023, due to the aforementioned items.Depreciation. Depreciation expense increased $0.2 million, or 1.4%, to $14.3 million in the first thirty-nine weeks of 2024 from $14.1 million in the same period last year.Impairment.Â Non-cash impairment expense related to underperforming stores totaled $1.8 million in the first thirty-nine weeks of 2024, comprised of $0.9 million for leasehold improvements and fixtures and equipment, and $0.9 million for operating lease right of use assets.Â Non-cash impairment expense related to underperforming stores totaled $0.2 million in the first thirty-nine weeks of 2023, comprised primarily of leasehold improvements and fixtures and equipment.Income Tax Benefit. The effective tax rate for the thirty-nine weeks of 2024 and 2023 was 25.6% and 25.4%, respectively.Net (Loss) Income. Net loss was $29.0 million in the first thirty-nine weeks of 2024 compared to net loss of $15.5 million in the same period of 2023 due to the factors discussed above.Liquidity and Capital ResourcesCapital AllocationOur capital allocation strategy is to maintain adequate liquidity to prioritize investments in opportunities to profitably grow our business and maintain current operations, then to return excess cash to shareholders through our repurchase programs. Our quarter-end cash and cash equivalents balance was $38.9 million compared to cash and cash equivalents of $59.7 million at the end of the third quarter last year. Employee shall comply with Company's policies and procedures, shall conduct him/herself as an ethical business professional, and shall comply with federal, state and local laws. 2. At-Will Employment. Nothing in this Agreement alters the at-will employment relationship between Employee and Company or limits Company's right to alter or modify Employee's job title or job duties and responsibilities any time at Company's discretion. Employment with Company is "at-will" which means that either Employee or Company may tenninate the employment relationship at any time, with or without notice, with or without cause. The date of Employee's cessation of employment for any reason is the "Separation Date." 3. Confidentiality. (a) Employee acknowledges and agrees that: (1) the retail sale of value-priced/off-price family apparel is an extremely competitive industry; (2) Company has an ongoing strategy for expansion of its business in the United States; (3) Company's major competitors operate throughout the United States and some internationally; and (4) because of Employee's position as Vice President, Real Estate and Construction be/she will have access to, knowledge of, and be entrusted with, highly sensitive and competitive Confidential lnfonnation and Trade Secrets (as defined in subsection (b) below) of Company, including without limitation infonnation regarding sales margins, purchasing and pricing strategies, marketing strategies, vendors and suppliers, plans for expansion and placement of stores, and also specific infonnation about Company's districts and stores, such as staffing, budgets, profits and the financial success of individual districts and stores, which Company has developed and will continue to develop and the disclosure or use of which would cause Company great and irreparable harm. (b) As used herein, "Confidential Information" means and includes any and all Company data and information in any form whatsoever (tangible or intangible) which: (1) relates to the business of Company, irrespective of whether the data or information constitutes a "trade secret" (as defined below); (2) is disclosed to Employee or which Employee obtains or becomes aware of as a consequence of Employee's relationship with Company; (3) has value to Company; and (4) is not generally known to Company's competitors. Employee further agrees that he/she shall not at any time (except as authorized by Company in connection with Employee's duties and responsibilities as an employee): (1) disclose, publish, transfer, or communicate Confidential Infonnation or Trade Secrets to any person or entity, other than authorized Company personnel; (2) use or reproduce Confidential lnformation or Trade Secrets for personal benefit or for any purpose or reason other than furthering the legitimate business interest of Company within the scope of Employee's duties with Company; or (3) remove or transfer any Confidential Information or Trade Secrets from Company's premises or systems (by any method or means) except for use in Company's business and consistent with Employee's duties with the Company. The foregoing covenants and obligations are in addition to, and do not limit, any common law or statutory rights and/or protections afforded to Company. (d) Employee acknowledges that Company has provided or will provide Employee with Company property, including without limitation, employee handbooks, policy manuals, price lists, financial reports, and vendor and supplier information, among other items. Upon the Separation Date, or upon the request of Company, Employee shall immediately deliver to Company all property belonging to Company, including without limitation, all Confidential lnfonnation, Trade Secrets, and any property related to Company, whether in electronic or other fom1at, as well as any copies thereof, then in Employee's custody, control, or possession. Upon the Separation Date, Employee shall provide Company with a declaration certifying that all Confidential Infonnation and any other Company property have been returned to Company, that Employee has not kept any copies of such items or distributed such items to any third party, and that Employee has otherwise complied with the tenns of Section 3 of this Agreement. (e) Employee shall not be held criminally or civilly liable W1der any federal or state trade secret law for the disclosure of a trade secret (as defined in section 1839 of title 18, United States Code) that (A) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed 2 in a lawsuit or other proceeding, if such filing is made under seal. If Employee files a lawsuit for retaliation by the Company for reporting a suspected violation of law, Employee may disclose the trade secret to the attorney of Employee and use the trade secret information in the court proceeding if Employee (A) files any document containing the trade secret under seal; and (B) does not disclose the trade secret, except as permitted by court order. 4. Covenant Not to Compete. Employee acknowledges and agrees that Company has invested a great deal of time and money in developing relationships with its employees, customers, and "Merchandise Vendors" (as defined below). Employee further acknowledges and agrees that in rendering services to Company, Employee has been, will be and will continue to be exposed to and learn much information about Company's business, including valuable Confidential Information and Trade Secrets, the Company's employees, and the Company's "Merchandise Vendors," to which Employee would not have access if not for Employee's employment with Company and which it would be unfair to disclose to others, or to use to Company's disadvantage. Employee acknowledges and agrees that the restncttons contained in this Agreement are necessary and reasonable to protect Company's legitimate business interests in its Trade Secrets, valuable Confidential Information and relationships and goodwill with its employees, customers, and "Merchandising Vendors." Employee further acknowledges that Employee's skills, education and training qualify Employee to work and obtain employment which does not violate this Agreement and that the restrictions in this Agreement have been crafted as narrowly as reasonably possible to protect Company's legitimate business interests in its Trade Secrets, valuable Confidential Infonnation and relationships and goodwill with its employees, customers, and "Merchandising Vendors.'' In light of the foregoing, Employee agrees that he/she will not, at any point during his/her employment with Company, work for or engage or participate in any business, enterprise, or endeavor that in any way competes with any aspect of Company's business or that otherwise conflicts with Company's interests. In addition, for a period of one (l) year following the Separation Date, and regardless of the reason for separation, Employee shall not, within any geographic area in which Company does business at any time during Employee's employment with Company: (a) become employed by or work for a "Competitor" (as defined below) in any position or capacity involving duties and/or responsibilities which are the same as or substantially similar to any of the duties and/or responsibilities Employee had with and/or performed for Company; or (b) perform or provide any services which are the same as or substantially similar to any of the services which Employee performed or provided for the Company, for or on behalf of any Competitor. For purposes of this Section 4, the tenn "Competitor" shall mean only the following businesses, commonly known as: Cato, TJX (including without limitation TJMAXX and Marshalls), Burlington Stores, Gabe's/Rugged Wearhouse, and Ross Stores. 5. Covenant Not to Solicit. During Employee's employment with Company, and for a period of eighteen (18) months following the Separation Date, and regardless of the reason for separation, Employee agrees not to solicit any "Merchandise Vendors" (as defined below) for the purpose of obtaining merchandise and/or inventory for or on behalf of any "Competitor" (as defined in Section 4 of this Agreement). As used herein, "Merchandise Vendors" means and 3 includes any person or entity who/that has been a vendor or supplier of merchandise and/or inventory to Company during the eighteen (18) months immediately preceding the Separation Date or to whom/which Company is actively soliciting for the provision of merchandise and/or inventory, and with whom/which Employee had "material contact." For purposes of this agreement, "material contact" means contact between Employee and an existing or prospective Merchandise Vendor: (a) with whom Employee dealt on behalf of Company within two years prior to the date of Employee's termination; (b) whose dealings with Company were coordinated or supervised by Employee within two years prior to the date of Employee's termination; (c) about whom Employee obtained Confidential Information in the ordinary course of business as a result of Employee's association with Company within two years prior to the date of Employee's tennination; or, (d) who provides merchandise and/or inventory to Company, the provision of which results or resulted in compensation, commissions, or earnings for Employee within two years prior to the date of Employee's termination. Employee specifically acknowledges and agrees that, as Vice President, Real Estate and Construction, his/her duties include, without limitation, establishing purchasing and pricing strategies and policies, managing sales margins, involvement in establishing and maintaining vendor relationships, and having contact with and confidential and/or proprietary information regarding Merchandise Vendors. 6. Covenant Not to Recruit Personnel. During Employee's employment with Company, and for a period of two (2) years following the Separation Date, and regardless of the reason for separation, Employee will not (a) recruit or solicit to hire or assist others in recruiting or soliciting to hire, any employee or independent contractor of Company; or (b) cause or assist others in causing any employee or independent contractor of Company to terminate his/her relationship with Company. 7. Severability. If any provision of this Agreement is held invalid, illegal, or othetwise unenforceable, in whole or in part, the remaining provisions, and any partially enforceable provisions to the extent enforceable, shall be binding and remain in full force and effect. Further, each particular prohibition or restriction set forth in any Section of this Agreement shall be deemed a severable unit, and if any court of competent jurisdiction detennines that any portion of such prohibition or restriction is against the policy of the law in any respect, but such restraint, considered as a whole, is not so clearly unreasonable and overreaching in its terms as to be unconscionable, the court shall enforce so much of such restraint as is determined to be reasonably necessary to protect the legitimate interests of Company. Employee and Company expressly agree that, should any court of competent jurisdiction find or detennine that any of the covenants contained herein are overly-broad or otherwise unenforceable, the court may "blue-pencil," modify, and/or refonn any such covenant (in whole or in part) so as to cure the over-breadth or to otherwise render the covenant enforceable. 8. Survival of Covenants. All rights and covenants contained in Sections 3, 4, 5, and 6 of this Agreement, and all remedies relating thereto, shall suIVive the termination of this Agreement for any reason. 9. Binding Effect. The covenants, terms, and provisions set forth in this Agreement shall inure to the benefit of and be enforceable by Company and its successors, assigns, and 4 successors-in-interest, including, without limitation, any corporation, partncrsltip, or other entity with which Company may be merged or by which it may be acquired. Employee may not assign Employee's rights or obligations under this Agreement to any other party. 10. Governing Law. All matters affecting this Agreement, including the validity thereof, are to be subject to, and interpreted and construed in accordance with, the laws of the State of Georgia appl.icable to contracts executed in and to be performed in that State. 11. No Interference with Rights. Employee understands, agrees and acknowledges that nothing contained in this Agreement will prevent Employee from filing a charge or complaint with, reporting possible violations of any law or regulation, making disclosures to, and/or participating in any investigation or proceeding conducted by, the National Labor Relations Board, Equal Employment Opportunity Commission, the Securities and Exchange Commission, and/or any governmental authority charged with the enforcement of any laws. 12. Acknowledgment of Reasonableness/Remedies/Enforcement. (a) Employee acknowledges that: (1) Company has valid interests to protect pursuant to Sections 3, 4, 5, and 6 of this Agreement; (2) the breach of the provisions of Sections 3, 4, S, or 6 of this Agreement would result in irreparable injury and permanent damage to Company; and (3) such restrictions are reasonable and necessary to protect the interests of Company, are critical to the success of Company's business, and do not cause undue hardship on Employee. (b) Employee agrees that detennining damages in the event of a breach of Sections 3, 4, S, or 6 by Employee would be difficult and that money damages alone would be an inadequate remedy for the injuries and damages which would be suffered by Company from such breach. Therefore, Employee agrees that Company shall be entitled (in addition to any other remedies it may have under this Agreement, at law, or otherwise) to immediate injunctive and other equitable relief to prevent or curtail any such breach or threatened breach by Employee. Employee and Company waive any requirement that a bond or any other security be posted. Nothing in this Agreement shall prohibit Company from seeking or recovering any legal or monetary damages to which it may be entitled if Employee breaches any provision in this Agreement. (c) In the event Employee breaches this Agreement, Employee shall be liable to Company for all costs of enforcement, including attorneys' fees and court costs, in addition to all other damages and redress available to Company in equity or in law. 13. Miscellaneous. This Agreement constitutes the entire agreement between the parties and supersedes any and all prior contracts, agreements, or understandings between the parties which may have been entered into by Company and Employee relating to the subject matter hereof (including, without limitation, the Prior Confidentiality Agreement), except for any severance agreements or certain restricted stock award and stock option agreements, which are to remain in full force and effect. This Agreement may not be amended or modi tied in any manner except by an instrument in writing signed by both Company and Employee. The failure of either party to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of any such provision or the right of such party thereafter to enforce each and every such 5 provision. No waiver of any breach of this Agreement shall be held to be a waiver of any other or subsequent breach. All remedies are cumulative, including the right of either party to seek equitable relief in addition to money damages. EMPLOYEE ACKNOWLEDGES AND AGREES THAT HE/SHE HAS CAREFULLY READ TlllS AGREEMENT AND KNOWS AND UNDERSTANDS ITS CONTENTS, THAT HE/SHE ENTERS INTO THIS AGREEMENT KNOWINGLY AND VOLUNTARILY, AND THAT HE/SHE INDICATES HIS/HER CONSENT BY SIGNING THIS FINAL PAGE. ~~Earnings per Share~~ ~~9 Months Ended~~

~~Nov. 02, 2024~~

~~Earnings per Share~~ ~~Earnings per Share~~

~~3. Earnings per Share~~

~~Basic earnings per common share amounts are calculated using the weighted average number of common shares outstanding for the period. Diluted earnings per common share amounts are calculated using the weighted average number of common shares outstanding plus the additional dilution for all potentially dilutive securities, such as nonvested restricted stock. During loss periods, diluted loss per share amounts are based on the weighted average number of common shares outstanding because the inclusion of common stock equivalents would be antidilutive.~~

~~The dilutive effect of stock-based compensation arrangements is accounted for using the treasury stock method. The Company includes as assumed proceeds the amount of compensation cost attributed to future services and not yet recognized. For the third quarter of 2024 and 2023, there were 258,000 and 318,000 shares of nonvested restricted stock, respectively, excluded from the calculation of diluted earnings per share because of antidilution. For the thirty-nine weeks ended November 2, 2024 and October 28, 2023, there were 242,000 and 259,000 shares of nonvested restricted stock, respectively, excluded from the calculation of diluted earnings per share because of antidilution.~~

~~The following table provides a reconciliation of the weighted average number of common shares outstanding used to calculate basic earnings per share to the number of common shares and common stock equivalents outstanding used in calculating diluted earnings per share:~~

~~4. Revolving Credit Facility~~

~~In October 2011, the Company entered into a five-year, $50 million credit facility with Bank of America. The facility was amended in August 2015 and May 2020 to extend the maturity dates. The facility was further amended in April 2021 to modify terms and extend the maturity date to April 15, 2026. In May 2023, the facility was amended to replace the London Interbank Offered Rate ("LIBOR") with the Secured Overnight Financing Rate ("SOFR"). The amended facility provides a $75 million credit commitment and a $25 million uncommitted "accordion" feature that under certain circumstances could allow the Company to increase the size of the facility to $100 million. The facility is secured by the Company's inventory, accounts receivable and related assets, but not its real estate, fixtures and equipment, and it contains one financial covenant, a fixed charge coverage ratio, which is applicable and tested only in certain circumstances. The facility has an unused commitment fee of 0.20% and permits the payment of cash dividends subject to certain limitations. Borrowings under the credit facility bear interest (a) for SOFR Loans, at a rate equal to the SOFR Rate plus a SOFR adjustment equal to 0.10% plus either 1.25%, 1.50% or 1.75%, or (b) for Base Rate Loans, at a rate equal to the highest of (i) the prime rate, (ii) the Federal Funds Rate plus 0.5% or (iii) the Eurodollar Rate plus 1.0%, plus, in each case either 0.25%, 0.50% or 0.75%, based in any such case on the average daily availability for borrowings under the facility.~~

~~As of November 2, 2024, the Company had no borrowings under the credit facility and $1.4 million of letters of credit outstanding.~~

~~*If facts and circumstances indicate that a long-lived asset or operating lease right-of-use asset may be impaired, the carrying value is reviewed. If this review indicates that the carrying value of the asset will not be recovered as determined based on projected undiscounted cash flows related to the asset over its remaining life, the carrying value of the asset is reduced to its estimated fair value. In the third quarter of 2024, non-cash impairment expense related to underperforming stores totaled $0.6 million, comprised of $0.3 million for leasehold improvements and fixtures and equipment, and $0.3 million for operating lease right of use assets. In the third quarter of 2023, non-cash impairment expense related to underperforming stores totaled $0.2 million, primarily for leasehold improvements and fixtures and equipment.*~~

~~Income Taxes~~	~~Income Taxes~~

~~6. Income Taxes~~

~~The provision for income taxes for the interim period in 2024 is based on an estimate of the annual effective tax rate adjusted to reflect the impact of discrete items. Management judgment is required in projecting ordinary income to estimate the Company's annual effective tax rate. For the first thirty-nine weeks of 2023 the Company used the discrete effective tax rate method to determine its tax expense based upon interim period results. The Company determined that since small changes in estimated ordinary income would result in significant changes in the estimated annual effective tax rate, the annual effective tax rate method would not have provided a reliable estimate for the first thirty-nine weeks of 2023.~~

~~As of November 2, 2024, we had approximately $15.3 million in net deferred tax assets (DTA). At this time, we consider it more likely than not that we will have sufficient taxable income in the future that will allow us to realize these DTAs. If we are not able to generate~~

~~sufficient taxable income to realize these DTAs, a substantial valuation allowance to reduce our U.S. DTAs may be required, which would materially increase our expenses in the period the allowance is recognized and adversely affect our results of operations.~~

~~As of November 2, 2024, our net DTA includes approximately $9.3 million related to net operating loss (NOL) carryforwards that can be used to offset taxable income in future periods and reduce our income taxes payable in those future periods. NOL carryforwards may be subject to annual limitations under Internal Revenue Code Section 382 (Section 382) (or comparable provisions of foreign or state law) in the event that certain changes in ownership were to occur. In addition, tax credit carryforwards may be subject to annual limitations under Internal Revenue Code Section 383 (Section 383).~~

~~We are required to evaluate our NOL and tax credit carryforwards and whether certain changes in ownership have occurred as measured under Section 382 that would limit our ability to utilize a portion of our NOL and tax credit carryforwards. If it is determined that an ownership change has occurred, there may be annual limitations on the use of these NOL and tax credit carryforwards under Sections 382 and 383 (or comparable provisions of foreign or state law).~~

~~Revenue Recognition~~

~~The Company’s primary source of revenue is derived from the sale of clothing and accessories to its customers with the Company’s performance obligations satisfied immediately when the customer pays for their purchase and receives the merchandise. Sales taxes collected by the Company from customers are excluded from revenue. Revenue from layaway sales is recognized at the point in time when the merchandise is paid for and control of the goods is transferred to the customer, thereby satisfying the Company’s performance obligation. The Company defers revenue from the sale of gift cards and recognizes the associated revenue upon the redemption of the cards by customers to purchase merchandise.~~

~~Sales Returns~~

~~The Company allows customers to return merchandise for up to 30 days after the date of sale subject to certain conditions. Expected refunds to customers are recorded based on estimated margin using historical return information.~~

~~Disaggregation of Revenue~~

~~The Company’s retail operations represent a single operating segment based on the way the Company manages its business. ~~11. Recent Accounting Pronouncements~~

~~In November 2023, the FASB issued ASU 2023-07, "Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures" ("ASU 2023-07"), which expands reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. ASU 2023-07 requires disclosure of (i) significant segment expenses that are regularly provided to the CODM and included within the segment measure of profit or loss, (ii) an amount and description of its composition for other segment items to reconcile to segment profit or loss, and (iii) the title and position of the Company's CODM. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative thresholds to determine its reportable segments. The new standard will be effective on a retrospective basis for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted. The Company is currently evaluating the ASU to determine the impact of the amended guidance.~~

~~In December 2023, the FASB issued ASU 2023-09, "Income Taxes (Topic 740): Improvements to Income Tax Disclosures" ("ASU 2023-09"). The amendments in ASU 2023-09 require public entities, on an annual basis, to provide disclosure of specific categories in the rate reconciliation, as well as disclosure of income taxes paid disaggregated by jurisdiction. The new standard will be effective on a prospective basis for fiscal years beginning after December 15, 2024 and interim periods therein, with early adoption permitted. The Company is currently evaluating the ASU to determine the impact of the amended guidance.~~

highly liquid investments with maturities at date of purchase of three months or less to be cash equivalents. Financial instruments that potentially subject the Company to a
concentration of credit risk consist principally of cash and cash equivalents. The Company places its cash and cash equivalents in what it believes to be high credit quality
banks and institutional money market funds. The Company maintains cash accounts that exceed federally insured limits.</p><p style="font-family:'Times New

Recent Accounting Pronouncements</p><p style="font-family:'Times New Roman','Times','serif';font-size:9pt;line-height:1.28;margin:0pt 0pt 12pt 0pt;">In November 2023, the FASB issued ASU 2023-07, “Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures” (“ASU 2023-07”), which expands reportable segment disclosure requirements primarily through enhanced disclosures about significant segment expenses. ASU 2023-07 requires disclosure of (i) significant segment expenses that are regularly provided to the CODM and included within the segment measure of profit or loss, (ii) an amount and description of its composition for other segment items to reconcile to segment profit or loss, and (iii) the title and position of the Company’s CODM. The ASU does not change how a public entity identifies its operating segments, aggregates them, or applies the quantitative thresholds to determine its reportable segments. The new standard will be effective on a retrospective basis for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted. The Company is currently evaluating the ASU to determine the impact of the amended guidance.</p><p style="font-family:'Times New Roman','Times','serif';font-size:9pt;line-height:1.28;margin:0pt 0pt 12pt 0pt;">In December 2023, the FASB issued ASU 2023-09, “Income Taxes (Topic 740): Improvements to Income Tax Disclosures” (“ASU 2023-09”). The amendments in ASU 2023-09 require public entities, on an annual basis, to provide disclosure of specific categories in the rate reconciliation, as well as disclosure of income taxes paid disaggregated by jurisdiction. The new standard will be effective on a prospective basis for fiscal years beginning after December 15, 2024 and interim periods therein, with early adoption permitted.
