Fiscal Second Quarter
Ended December 31, 2025
NASDAQ: GEG

GEG FY2Q26 Highlights

- **FPAUM and AUM:** GEG FPAUM and AUM¹ of \$561 million and \$740 million, respectively, as of December 31, 2025, with FPAUM growth of 4% year-over-year
- **Unrealized Loss²:** Unrealized loss on GEG's investments of \$14.4 million and realized gain of \$2.3 million were driven by market volatility in GECC- and CoreWeave-related investments
- **Real Estate:** Great Elm Real Estate Ventures made continued progress scaling the Monomoy platform
 - **Monomoy CRE (MCRE):** MCRE contributed \$1.0 million of stable management fees to the quarter
 - **Monomoy BTS (MBTS):** MBTS substantially completed its third design-build property and plans to sell the property in the second half of Fiscal 2026
 - **Monomoy Construction Services (MCS):** MCS contributed \$0.4 million in construction management fees in fiscal 2Q 2026, while investing in talent and technology to support scalable operation
- **Alternative Credit:** Against a challenging calendar second half 2025, management positioned Great Elm Capital Corp. (GECC) for recovery, hiring a new Head of Research with 25 years of credit analysis experience, re-underwriting all investments, continuing diversification, and optimizing credit quality in the portfolio
- **CoreWeave-Related Investment:** To date, GEG has received distributions well in excess of its \$5 million original CoreWeave-related investment, with continued upside potential expected
- **Strong Balance Sheet:** GEG ended the quarter with a robust balance sheet including \$51.2 million of cash to deploy across its growing alternative asset management platform
- **Stock Repurchases:** GEG repurchased approximately 1.1 million shares, or over 3% of shares outstanding, in the quarter at an average price of \$2.47 per share under its Stock Repurchase Program
 - As of February 3, 2026, 6.4 million shares have been repurchased for \$12.7 million at an average price of \$1.99 per share, leaving \$12.3 million of remaining program capacity

¹ FPAUM and AUM figures are management estimates as of the dates presented and are based on internal data, methodologies, and assumptions that GEG believes to be reasonable. These amounts are subject to change.

Our Goals

Increase Profitability

- Management fees were approximately \$2.2 million in the fiscal second quarter
- Monomoy BTS substantially completed its third build-to-suit property, and is actively marketing it for sale
- MCS completed its third full quarter of operations, adding \$0.4 million to total revenue for the fiscal second quarter
- GEG received total distributions of \$5.8 million to date, from its CoreWeave-related investment, well in excess of its initial \$5 million investment, and we believe there is upside potential remaining based on current market levels

Expand Platform

- In July 2025, Great Elm announced a strategic partnership with Kennedy Lewis Investment Management (“KLIM”), delivering up to \$150 million in leverageable capital to accelerate its real estate platform expansion and revenue growth
- In August 2025, Woodstead invested \$9 million in GEG at \$2.25 per share, and in a separate transaction, an affiliate of Booker Smith invested \$15 million in GECC at NAV as new growth capital to expand AUM and enhance profitability
- Management commenced an orderly wind-down of the Great Elm Credit Income Fund (“GECIF”) in response to recent portfolio events and market conditions
 - GECIF recorded a net return of 20.1%¹ for the 26 months from inception through December 31, 2025

Grow AUM

- GEG FPAUM and AUM² of \$561 million and \$740 million, respectively, as of December 31, 2025
- For fiscal year to date December 31, 2025, GECC raised approximately \$28 million in gross proceeds through equity issuances, including a \$15 million private placement and \$13 million through their ATM program
- In September and October 2025, GECC issued \$57.5 million principal amount of its 7.75% Notes due December 31, 2030, and redeemed the full \$40 million principal amount of 8.75% Notes due September 30, 2028
