#### CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

This Quarterly Report on Form 10-Q includes contains statements we believe are "forward-looking statements" within the meaning of **Section 27A** the Private Securities Litigation Reform Act of 1995. Those forward-looking statements are intended to enjoy the protection of the **Securities Act** safe harbor for forward-looking statements provided by that act as well as protections afforded by other federal securities laws. Generally, words such as "achieve," "aim," "ambitions," "anticipate," "believe," "committed," "continue," "could," "designed," "estimate," "expect," "forecast," "future," "goals," "grow," "guidance," "intend," "likely," "may," "milestone," "objective," "on track," "opportunity," "outlook," "pending," "plan," "position," "possible," "potential," "predict," "progress," "roadmap," "seek," "should," "strive," "targets," "to be," "upcoming," "will," "would," and variations of 1933, as amended (the "Securities Act"), such words and **Section 21E** of similar expressions identify forward-looking statements, which are not historical in nature. Forward-looking statements may appear throughout this Quarterly Report and other documents we file with the Securities and Exchange Act of 1934, as amended Commission (the "Exchange Act" "SEC"). All Forward-looking statements in this report other than statements of historical fact are forward-looking statements for purposes of involve risks and uncertainties that could cause actual results to differ materially from those anticipated by these provisions, including any statements of the Company's plans and objectives for future operations, the Company's future financial or economic performance (including known or anticipated trends), and the assumptions underlying or related to the foregoing. Statements that include the use of terminology such as "may," "will," "expects," "plans," "anticipates," "estimates," "potential," or "continue," or the negative thereof, or other comparable terminology, are forward-looking statements. These risks and uncertainties include, but are not limited to, the factors described in the section captioned "Risk Factors" "Risk Factors" in our Annual Report on Form 10-K, ("Form as amended (the "Form 10-K"), initially filed with the **Securities and Exchange Commission ("SEC")** SEC on **March 13, 2023** March 8, 2024. Forward-looking statements reflect our current views with respect to future events and are based on assumptions and subject to risks and uncertainties. You should read these factors and the other cautionary statements made in this report as being applicable to all related forward-looking statements wherever they appear in this report. If one or more of these factors materialize, or if any underlying assumptions prove incorrect, our actual results, performance or achievements may vary materially from any future results, performance or achievements expressed or implied by these forward-looking statements. Factors that may impact such forward-looking statements include:

- our estimates regarding expenses, capital requirements and need for additional financing. We have insufficient cash to continue our operations, and our continued operations are dependent on us raising capital and these conditions give rise to substantial doubt over our ability continue as a going concern;
- the number of shares of Common Stock that may be sold in the public pursuant to Rule 144 under the Securities Act and current prospectus in relation to the number of our outstanding shares of Common Stock. If these shares of Common Stock are sold in the market all at once or at about the same time, it could depress the market price of our Common Stock and would also affect our ability to raise equity capital;
- our ability to meet the Nasdaq Capital Market ("Nasdaq") continued listing standards. The listing of our Common Stock on Nasdaq is contingent on our compliance with Nasdaq's conditions for continued listing. We have a history of non-compliance and currently are not in compliance with the continued listing requirements. Pursuant to a Nasdaq letter dated July 14, 2023, the Company is subject to a panel monitor for a period of one year, which includes continued compliance with the stockholders' equity requirement and other continued listing requirements. Failure to meet the stockholders' equity requirement of \$2,500,000 will result in immediate delisting, subject to the Company's right to appeal. On October 27, 2023, we received notification from the Nasdaq Listing Qualifications staff that it intends to delist our Common Stock because the bid price of our Common Stock has closed at less than \$1 per share over the previous 30 consecutive business days. The Company filed a notice of appeal and received a hearing date of February 1, 2024. In the event our Common Stock is no longer listed for trading on Nasdaq, our trading volume and share price may decrease, and you may have a difficult time selling your shares of Common Stock. In addition, we may experience difficulties in raising capital which would materially adversely affect our operations and financial results. Further, delisting from Nasdaq markets could also have other negative effects, including potential loss of confidence by partners, lenders, suppliers and employees;
- our ability to maintain effective internal control over financial reporting, disclosures and procedures. If we do not maintain effective internal controls, our ability to record, process and report financial information timely and accurately could be adversely affected and could result in a material misstatement in our financial statements, which could subject us to litigation or investigations, require management resources, increase our expenses, negatively affect investor confidence in our financial statements and adversely impact the trading price of our Common Stock;
- the impact of adjustments to our outstanding warrants because of future dilutive financings resulting in the decrease of exercise price and increase the number of shares of issuable under outstanding warrants, adjustment and exercise of such warrants would result in the material dilution of the percentage ownership of our stockholders and increase the number of shares of Common Stock in the public markets. The perception that such sales could occur could cause our stock price to fall;
- our ability to cure the default under our license agreement with Novartis. We failed to make a milestone payment, and on April 4, 2023, we received notice from Novartis stating that Allarity Therapeutics Europe ApS was in breach of the license agreement and has 30 days from April 4, 2023, to cure. As a result of ongoing negotiations with Novartis to address our non-payment, we made payments to Novartis in the amount of \$100,000 and \$300,000 in April and August 2023, respectively. We intend to cure this breach upon and subject to availability of funds and/or continue working with Novartis on an alternate payment structure. However, no assurance can be given that Novartis will accept an alternative payment structure and if we fail to make the milestone payments, Novartis does not agree to an alternative payment structure or we are otherwise in breach of the license agreement, we may lose our right to use dovitinib, which will adversely affect our ability to conduct our clinical trials and to achieve our business objectives and adversely affect our financial results;

- We urge investors to consider all of the risks, uncertainties, and other factors disclosed in these filings carefully in evaluating the initiation, cost, timing, progress and results of our current and future preclinical studies and clinical trials, as well as our research and development programs;
- our plans to develop and commercialize our drug candidates;
- our ability to successfully acquire or in-license additional product candidates on reasonable terms;
- our ability to maintain and establish collaborations or obtain additional funding;
- our ability to obtain regulatory approval of its current and future drug candidates;
- our expectations regarding the potential market size and the rate and degree of market acceptance of such drug candidates;
- our expectations regarding our ability to fund operating expenses and capital expenditure requirements with our existing cash and cash equivalents, and future expenses and expenditures;
- our ability to secure sufficient funding and alternative sources of funding to support when needed and on terms favorable to us to support our business objective, product development, other operations or commercialization efforts;
- our ability to enroll patients in our clinical trials, or our clinical development activities;
- our ability to retain key employees, consultants and advisors;
- our ability to retain reliable third parties to perform work associated with our drug discovery, preclinical activities and to conduct our preclinical studies and clinical trials in a satisfactory manner;
- our ability to secure reliable third party manufacturers to produce clinical and commercial supplies of API for our therapeutic candidates;
- our ability to obtain, maintain, protect and enforce sufficient patent and other intellectual property rights for our therapeutic candidates and technology;
- our anticipated strategies and our ability to manage our business operations effectively;
- the impact of governmental laws and regulations;
- the possibility that we may be adversely impacted by other economic, business, and/or competitive factors; and
- our ability to maintain our licensed intellectual property rights to develop, use and market our therapeutic candidates.

Any forward-looking statements contained in this Quarterly Report are only estimates or predictions of future events based on information currently available to our management and management's current beliefs about Report. We cannot assure you that the potential outcome of future events. Whether these future events will occur as management anticipates, whether we will achieve our business objectives, and whether our revenues, operating results or developments anticipated by us and reflected or implied by any forward-looking statement contained in this Quarterly Report will be realized or, even if substantially realized, that those results or developments will result in the forecasted or expected consequences for us or affect us, our operations or financial condition will improve performance as we forecasted or expected. These important factors include those that we discuss under the heading "Risk Factors" statement. The forward-looking statements included in this Quarterly Report are made only as of the date of this Quarterly Report, and in other reports filed from time we undertake no obligation to time with the SEC. All forward-looking statements and descriptions of risks included in this report are made as of the date hereof based on information available to the Company as of the date hereof, and except as required by applicable law, the Company undertakes no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. Split. See Note 10(a).

(b) **Liquidity and Going Concern**

The accompanying unaudited condensed interim consolidated financial statements (the "financial statements" "Financial Statements") have been prepared on the basis of continuity of operations, realization of assets and the satisfaction of liabilities and commitments in the ordinary course of business. The accompanying financial statements Financial Statements do not reflect any adjustments relating to the recoverability and reclassification of assets and liabilities that might be necessary if the Company is unable to continue as a going concern.

Pursuant to the requirements of Accounting Standard Codification (ASC) 205-40, Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern, management must evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are issued. This evaluation initially does not take into consideration the potential mitigating effect of management's plans that have not been fully implemented as of the date of these financial statements, the Financial Statements, and (1) is probable that the plan will be effectively implemented within one year after the date the financial statements are issued, and (2) it is probable that the plan, when implemented, will mitigate the relevant condition or events that raise substantial doubt about the entity's ability to continue as a going concern within one year after the date the financials financial statements are issued. Certain elements of the Company's operating plan to alleviate the conditions that raise substantial doubt are outside of the Company's control and cannot be included in the management's evaluation under the requirements of ASC 205-40.

Since inception, the Company has devoted substantially all its efforts to business planning, research and development, clinical expenses, recruiting management and technical staff, and securing funding via collaborations. The Company has historically funded its operations with proceeds received from its collaboration arrangements, sale of equity capital and proceeds from sales of convertible notes.

The Company has incurred significant losses and has an accumulated deficit of \$92.7 million \$98.3 million as of September 30, 2023 March 31, 2024. As of September 30, 2023 March 31, 2024, our the Company's cash of \$1,399 \$312 is insufficient to fund our the Company's current operating plan and planned capital expenditures for the next 12 months. These conditions give rise to substantial doubt over the Company's ability to continue as a going concern.

Management's plans to mitigate the conditions or events that raise substantial doubt include additional funding through public equity, private equity, debt financing, collaboration partnerships or other sources.

Considering On March 19, 2024, the Company entered into an At-The-Market Issuance Sales Agreement with Ascendant Capital Markets, LLC to sell shares of the Company's Common Stock, with aggregate gross sales proceeds of up to \$22 million, from time to time, through an "at-the-market" equity offering program (the "ATM Offering"). As of March 31, 2024, the Company has up to approximately \$21.29 million remaining in aggregate gross proceeds that can be issued through the ATM Offering.

In light of the Company's cash position as of November 14, 2023, the date of this Quarterly Report, the Company does not have sufficient funds for its current operations and planned capital expenditures. As discussed above, the Company intends to seek capital through the sale of its securities or other sources. There are no assurances, however, that the Company will be successful in raising additional working capital, or if it is able to raise additional working capital, it may be unable to do so on commercially favorable terms. The Company's failure to raise capital or enter into other such capital raising arrangements if and when needed would have a negative impact on its business, results of operations and financial condition and its ability to develop its product candidates.

Although management continues to pursue its funding plans, there is no assurance that the Company will be successful in obtaining sufficient funding to fund continuing operations on terms acceptable to the Company, if at all. Accordingly, based upon cash on hand at the issuance date of these financial statements March 31, 2024, the Company does not have sufficient funds to finance its operations for at least twelve months from the issuance date March 31, 2024 and therefore has concluded that substantial doubt exists about the Company's ability to continue as a going concern.

### (b) Use of Estimates and Assumptions

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting years. Significant estimates and assumptions reflected in these financial statements the Financial Statements include, but are not limited to, the fair value of the Series A Preferred Stock, Series B and Preferred Stock, Series C Preferred Stock, warrants, convertible debt, convertible promissory note, and the accrual for research and development expenses, fair values of acquired intangible assets and impairment review of those assets, share based compensation expense, and income tax uncertainties and valuation allowances. The Company bases its estimates on historical experience, known trends and other market-specific or other relevant factors that it believes to be reasonable under the circumstances. Estimates are periodically reviewed considering reasonable changes in circumstances, facts, and experience. Changes in estimates are recorded in the period in which they become known and if material, their effects are disclosed in the notes to the financial statements. Actual results could differ from those estimates or assumptions.

### (b) (c) Foreign currency and currency translation

The functional currency is the currency of the primary economic environment in which an entity's operations are conducted. The Company and its subsidiaries operate mainly in Denmark and the United States. The functional currencies of the Company's subsidiaries are their local currency.

The Company's reporting currency is the U.S. dollar. The Company translates the assets and liabilities of its Denmark subsidiaries into the U.S. dollar at the exchange rate in effect on the balance sheet date. Revenues and expenses are translated at the average exchange rate in effect during each monthly period. Unrealized translation gains and losses are recorded as a cumulative translation adjustment, which is included in the condensed consolidated statements of changes in redeemable convertible preferred stock and stockholders' equity (deficit) as a component of accumulated other comprehensive loss.

Monetary assets and liabilities denominated in currencies other than the functional currency are remeasured into the functional currency at rates of exchange prevailing at the balance sheet dates. Non-monetary assets and liabilities denominated in foreign currencies are re-measured into the functional currency at the exchange rates prevailing at the date of the transaction. Exchange gains or losses arising from foreign currency transactions are included in the determination of net loss for the respective periods. Adjustments that arise from exchange rate translations are included in other comprehensive loss in the condensed consolidated statements of operations and comprehensive loss as incurred.

Adjustments that arise from exchange rate translations are included in other comprehensive loss in the consolidated statements of operations and comprehensive loss as incurred. The Company recorded a foreign exchange translation gain of \$25 and \$84, included in accumulated other comprehensive loss for the three month periods ended March 31, 2024 and 2023, respectively.

The Company is dependent on third-party manufacturers to supply products for research and development activities in its programs. In particular, the Company relies and expects to continue to rely on a small number of manufacturers to supply its requirements for supplies and raw materials related to these programs. These programs could be adversely affected by a significant interruption in these manufacturing services or the availability of raw materials.

Factors that the Company considers in deciding when to perform an impairment review include significant underperformance of the business in relation to expectations, significant negative industry or economic trends and significant changes or planned changes in the use of the assets. An impairment loss would be recognized as a loss from operations when estimated undiscounted future cash flows expected to result from the use of an asset group or the estimated return on investment are less than its carrying amount. The impairment loss would be based on the excess of the carrying value of the impaired asset group over its fair value, determined based on discounted cash flow or return on investment calculations.

**(f) Accumulated other comprehensive loss**

Accumulated other comprehensive loss includes net loss as well as other changes in stockholders' equity (deficit) that result from transactions and economic events other than those with shareholders. The Company records unrealized gains and losses related to foreign currency translation and instrument specific credit risk as components of other accumulated comprehensive loss in the condensed consolidated statements of operations and comprehensive loss. At each reporting date, the Company evaluates whether a potential loss amount or a potential loss range is probable and reasonably estimable under the provisions of the authoritative guidelines that address accounting for contingencies. The Company expenses costs as incurred in relation to such legal proceedings as general and administrative expense within the condensed consolidated statements of operations and comprehensive loss.

During 2022, the Company recorded a \$34 debt discount upon issuance of the Notes related to legal fees paid that were capitalized as debt issuance costs. For the nine month period three months ended September 30, 2023 March 31, 2023, interest expense totaled \$43, comprised of \$33 for contractual interest and \$10 for the amortization of the debt discount.

Upon the closing, pursuant to the terms of the Cancellation of Debt Agreement, all of the Company's outstanding indebtedness under the Notes (as defined therein) and the Alternative Conversion Amount (as defined therein) due by the Company to 3i were paid in full. Accordingly, any and all obligations in connection therewith were extinguished without any additional further action on the part of 3i upon payment of \$3,348 in cash from a portion of the proceeds from the April Offering.

On June 29, 2023, the Company entered into a Secured Note Purchase Agreement with 3i, (the "June 2023 Purchase Agreement"), pursuant to which, on June 30, 2023, 3i purchased a secured promissory note for a principal amount of \$350 (the "3i June Promissory Note"). ## 8.7. Preferred Stock

### A. Series A Convertible Preferred Stock and Common Stock Purchase Warrants

#### (a) Amendments to Series A Preferred Stock

On November 22, 2022, the Company amended Section 12 of the Certificate of Designation of Series A Convertible Preferred Stock ("Series A Preferred Stock") to provide for voting rights. Subject to a 9.99% beneficial ownership limitation, the holders of Series A Preferred Stock shall have the right to vote on all matters presented to the stockholders for approval together with the shares of common stock, voting together as a single class, on an "as converted" basis using the "Conversion Price" (initially \$9.906 per share before any adjustment) (rounded down to the nearest whole number and using the record date for determining the stockholders of the Company eligible to vote on such matters), except as required by law (including without limitation, the DGCL) or as otherwise expressly provided in the Company's Certificate of Incorporation or the Certificate of Designations of Series A Convertible Preferred Stock. The voting rights described above expired on February 28, 2023, and thereafter holders of preferred stock shall not have voting rights except as required by law.

#### i. Determination of Conversion Price Adjustments for Series A Preferred Stock

On December 9, 2022, the Company and 3i entered into a letter agreement (the "2022 Letter Agreement") which provided that pursuant to Section 8(g) of the Company's Certificate of Designations for the Series A Preferred Stock (the "COD"), the parties Company and 3i agreed that the Conversion Price (as defined in the COD) was modified to mean the lower of: (i) the Closing Sale Price (as defined in the COD) on the trading date immediately preceding the Conversion Date (as defined in the COD) and (ii) the average Closing Sale Price (as defined in the COD) of the common stock for the five trading days immediately preceding the Conversion Date (as defined in the COD), for the Trading Days (as defined in the COD) through and inclusive of January 19, 2023. Any conversion which occurs shall be voluntary at the election of the Holder, 3i, which shall evidence its election as to the Series A Preferred Stock being converted in writing on a conversion notice setting forth the then Minimum Price. Price (as defined in the COD). Management determined that the adjustment made to the Conversion Price is not a modification of the COD which allows for adjustments to the Conversion Price (as defined in the COD) at any time by the Company and the other terms of the Certificate of Designations COD remained unchanged.

On January 23, 2023, we the Company and 3i amended the letter agreement entered into on December 8, 2022, 2022 Letter Agreement, to provide that the modification of the term Series A Preferred Stock Conversion Price ("Series (the "Series A Preferred Stock Conversion Price") to mean the lower of: (i) the Closing Sale Price (as defined in the Certificate of Designations of Series A Preferred Stock ("Series A Certificate of Designations")) COD on the trading date immediately preceding the Conversion Date (as defined in the Series A Certificate of Designations COD and (ii) the average Closing Sale Price (as defined in the COD) of the common stock Company's shares of Common Stock for the five trading days immediately preceding the Conversion Date (as defined in the COD), for the Trading Days (as defined in the Series A Certificate of Designations COD) will be in effect until terminated by us the Company and 3i.

*ii. Modification to Conversion Price of Series A Preferred Stock and 3i Exchange Warrants*

On April 20, 2023 January 14, 2024, pursuant to the terms of the First Note, the Company entered into a certain Modification and Exchange Agreement (the "Exchange Agreement") with 3i pursuant to which modified the parties agreed to, among other things, subject to the April Offering Closing, (i) amend the Certificate of Designations for the Series A Convertible Preferred Stock (the "Amended COD"), which among other things, eliminates the Series A Preferred Stock redemption right and dividend (except for certain exceptions as specified in the Amended COD), and provides for the conversion of Series A Preferred Stock into Common Stock at a conversion price of \$0.75 which is equal the 3i Exchange Warrants from \$20.00 to \$8.95, thereby increasing the number of Exchange Warrants outstanding from 220,361 at December 31, 2023 to 492,317 outstanding at January 14, 2024. Also on January 14, 2024, the conversion price for a share of Common Stock sold in the April Offering, (ii) exchange 50,000 shares of Series C Preferred Stock (the "Series C Shares") beneficially owned by 3i for 5,577 outstanding 1,417 shares of Series A Preferred Stock (the "Exchange Shares"), (iii) exchange a warrant was revised from \$20.00 to purchase common stock issued on December 20, 2021 to 3i (the "Original Warrant") for a new warrant (the "Exchange Warrant"), which reflects an exercise price of \$30.00 (the "New Exercise Price") and represents a right to acquire 315,085 shares of Common Stock (the "New Warrant Shares"). In addition to the satisfaction or waiver of customary and additional closing conditions set forth in the Exchange Agreement, the transactions contemplated by the Exchange Agreement were subject to (a) the occurrence of the closing of the Offering and (b) the filing of the Amended COD with the Delaware Secretary of State. On April 21, 2023, the closing of the transactions contemplated by the Exchange Agreement occurred and the Exchange Warrant and the Exchange Shares were issued to 3i, and the Original Warrant and the Series C Shares were cancelled. In addition, on April 21, 2023, the Amended COD was filed with the Delaware Secretary of State. (See Note 17(c).)

On April 20, 2023, the Company also entered into a Cancellation of Debt Agreement as described in Note 7. Pursuant to such agreement, 1,550 shares of Series A Preferred Stock (the "Redemption Shares") beneficially owned by 3i were redeemed in full for a purchase price of \$1,652, which redemption price was paid in cash from the portion of the proceeds from the April Offering. \$8.95. The Company also entered into filed the First Amendment to the Registration Rights Agreement dated May 20, 2023 (the "RRA"), which became effective upon the April Offering Closing, to amend certain defined terms under the RRA to include the Exchange Shares, the New Warrant Shares and the Note Conversion Shares.

On April 21, 2023, in connection with the transactions contemplated under the Exchange Agreement, the Company filed an Amended and Restated Certificate of Designations of Series A Convertible Preferred Stock of the Company (the "Amended and Restated Series A COD") with the Delaware Secretary of State. The Amended and Restated Series A COD eliminates the Series A Preferred Stock redemption right and dividend (except for certain exceptions as specified therein), and provides for the conversion of Series A Preferred Stock into Common Stock at a conversion price equal to the price for a share of Common Stock sold in the April Offering, \$30.00 per share, and based on a stated value of \$1,080 per share. As a result of the Amended and Restated Series A COD, the Company determined that the Series A Preferred Stock met the definition of equity and reclassified it from mezzanine equity.

On May 30, 2023, the Company filed an amendment to the Amended and Restated Certificate of Designations for the Series A Preferred Stock with the Delaware Secretary of State (the "Amended COD") to amend the voting rights of the Series A Preferred Stock which among other things provided additional voting rights to the Series A Preferred Stock.

Under the Amended COD, holders of the Series A Preferred Stock have the following voting rights: (1) holders of the Series A Preferred Stock have a right to vote on all matters presented at the Special Meeting together with the Common Stock as a single class on an “as converted” basis using the conversion price of \$30.00 and based on stated value of \$1,080 subject to a beneficial ownership limitation of 9.99%, and (2), in addition, holders of Series A Preferred Stock have granted the Board the right to vote, solely for the purpose of satisfying quorum and casting the votes necessary to adopt a reverse stock split of the Company’s issued and outstanding shares of Common Stock (the “Reverse Stock Split Proposal”) and to adjourn any meeting of stockholders called for the purpose of voting on reverse stock split (the “Adjournment Proposal”) under Delaware law, that will “mirror” the votes cast by the holders of shares of Common Stock and Series A Preferred Stock, voting together as a single class, with respect to the Reverse Stock Split Proposal and the Adjournment Proposal. The number of votes per each share of Series A Preferred Stock that may be voted by the Board shall be equal to the quotient of (x) the sum of (1) the original aggregated stated value of the Series A Preferred Stock when originally issued on December 20, 2021 (calculated based on the original stated value of \$1,000 of the Series A Preferred Stock multiplied by 20,000 shares of Series A Preferred Stock) and (2) \$1,200,000, which represents the purchase price of the Series C Preferred Stock when originally issued; divided by (y) the conversion price of \$30.00. If the Board decides to cast the vote, it must vote all votes created by the Amended COD in the same manner and proportion as votes cast by the holders of Common Stock and Series A Preferred Stock, voting as single class. The Series A Preferred Stock voting rights granted to the holders thereof relating to the Reverse Stock Split Proposal and the Adjournment Proposal 2 expired automatically on July 31, 2023.

In addition, among other things, the Reverse Stock Split Proposal, the effectuation of the June Reverse Stock Split, and the amendment to the Company’s Certificate of Incorporation, are subject to the consent by the holders of a majority of the then outstanding shares of Series A Preferred Stock. Such consent was received on June 27, 2023.

The Series A Preferred Stock has a liquidation preference equal to an amount per Series A Preferred Stock equal to the sum of (i) the Black Scholes Value (as defined in the Warrants, which was sold concurrent with the Series A Preferred Stock) with respect to the outstanding portion of all Warrants held by such holder (without regard to any limitations on the exercise thereof) as of the date of such event and (ii) the greater of (A) 125% of the Conversion Amount of such Series A Preferred Stock on the date of such payment and (B) the amount per share such holder would receive if such holder converted such Series A Preferred Stock into Common Stock immediately prior to the date of such payment, and will be entitled to convert into shares of Common Stock at an initial fixed conversion price of \$30.00 per share, subject to a beneficial ownership limitation of 9.99%.

If certain defined “triggering events” defined in the Series A COD, as amended and restated and further amended, occur, or our failure to convert the Series A Preferred Stock into Common Stock when a conversion right is exercised, failure to issue our Common Stock when the Exchange Warrant is exercised, failure to declare and pay to any holder any dividend on any dividend date, then we may be required to pay a dividend on the stated value on the Series A Preferred Stock in the amount of 18% per annum, but paid quarterly in cash, so long as the triggering event is continuing.

On June 6, 2023, 3i and the Company entered into a separate limited waiver and amendment agreement whereby 3i (“3i Waiver Agreement”) agreed to waive certain rights granted under a Series A Preferred Stock securities purchase agreement dated December 20, 2021, the Exchange Agreement, and the securities purchase agreement related to the April Offering in exchange for, among other things, amending the conversion price of the Series A Preferred Stock to equal the public offering price of the shares of Common Stock in the July Offering. Upon the consummation of the July Offering, the conversion price of the Series A Preferred Stock was reduced to \$4.50. On July 10, 2023, the Company filed a Third Fifth Certificate of Amendment to the Amended and Restated Certificate of Designations of Series A Preferred Stock (“Third Amendment”) to effect the change to conversion price.

In connection with the September 2023 Inducement Letter and the transactions contemplated therein, the Company and 3i, LP entered into a limited waiver agreement COD (the “Waiver”) pursuant to which 3i, LP agreed to allow the filing of the Resale Registration Statement not otherwise permitted under certain agreements with 3i, LP. In consideration of entering in the Waiver, the Company agreed to amend the “Conversion Price” of the Series A Convertible Preferred Stock to equal \$1.00 as soon as practicable. On September 22, 2023, the Company filed the Fourth Certificate of Amendment to the Amended and Restated Certificate of Designations of Series A Convertible Preferred Stock (“Fourth “Fifth Amendment”) with the Secretary of State of the State of Delaware to reflect the new conversion price of the Series A Preferred Stock of \$1.00. In addition, as a result of the issuance of the Inducement Warrants, pursuant to the terms of the Exchange Warrant, in September 2023 the number of shares exercisable and the exercise price of the Exchange Warrant was adjusted to 9,452,667 shares of Common Stock and \$1.00 per share, respectively.

**(b) Series A Preferred Stock Triggering Event**

As more specifically discussed below, a “Triggering Event” under the COD occurred on April 29, 2022, under Section 5(a)(ii) of the COD, which would have resulted in the following unless 3i, agreed to forebear and/or waive its rights under the COD:

1. An 18% per annum dividend will start to accrue on the stated value of all outstanding Preferred Shares and will continue to accrue until the Triggering Event has been cured.

The accrued dividend is added to the stated value prior to the Dividend Payment Date and paid in cash on the first trading day of the Company’s next fiscal quarter. A “Late Charge” in the amount of 18% per annum will accrue on any amounts due to be paid to holders of the Preferred Shares if not paid when due, including payments that may be owed under Section (e) of the Registration Rights Agreement (“RRA”).

2. A “Triggering Event Redemption Right” will commence and remain open for a period of 20 trading days from the later of the date either the Triggering Event is cured or the receipt by 3i of the Triggering Event Notice. Under the Triggering Event Redemption Right, if elected by the holder of the Preferred Shares, the Company would be obligated to redeem all or a portion of the Preferred Shares for a minimum of 125% of the stated value of the Preferred Shares. Concurrently, under the provisions of the PIPE Warrant, if elected by 3i, the Company would be obligated to redeem the PIPE Warrant for the Black Sholes Triggering Event Value as defined in the warrant agreement.

3. A “Registration Delay Payment” will accrue on April 22, 2022 (the expiration of the Allowable Grace Period under the RRA) in the amount of 2% of 3i’s “Purchase Price” as defined in the Securities Purchase Agreement which is approximately 2% of \$20 million, or \$400 and will continue to accrue at 2% every 30 days thereafter. Additionally, a late charge of 2% per month will accrue on any payments that are not paid when due. The Registration Delay Payments will stop accruing when the post-effective amendment is declared effective by the SEC at which time the registration statement and its prospectus will again be available for the resale of common stock.

As a result of the Company’s delay in filing its periodic reports with the SEC in 2022, a “triggering event” under Section 5(a)(ii) of the Original Series A COD, occurred on or about April 29, 2022, and because of the delay the Company was obligated to pay (i) registration delay payments under the RRA, (ii) additional amounts under the Original Series A COD, and (iii) legal fees incurred in the preparation of the Forbearance Agreement and Waiver to 3i in an aggregate amount of \$539 which was paid pursuant to that certain Forbearance Agreement and Waiver with 3i.

On May 4, 2022, the Company and 3i entered into a Forbearance Agreement and Waiver, dated April 27, 2022, wherein 3i confirmed that no Triggering Event as defined under the COD has occurred prior to April 27, 2022, that a Triggering Event under Section 5(a)(ii) will and has occurred on April 29, 2022, and that in consideration for the Registration Delay Payments the Company is obligated to pay under the RRA, and additional amounts the Company is obligated to pay under the COD and 3i’s legal fees incurred in the preparation of the Forbearance Agreement and Waiver in the aggregate of \$539 paid upon execution of the Forbearance Agreement and Waiver, and so long as the Company pays the Registration Delay Payments that become due and payable under the RRA after the execution of the Forbearance Agreement and Waiver, 3i has agreed to forbear exercising any rights or remedies that it may have under the COD that arises as a result of a Triggering Event under Section 5(a)(ii) of the COD and Section 4(c)(ii) of the PIPE Warrant until the earlier to occur of (i) the date immediately prior to the date of occurrence of a Bankruptcy Triggering Event, (ii) the date of occurrence of any other Triggering Event under Section 5(a) of the COD (excluding any Triggering Event arising solely as a result of Section 5(a)(ii) of the COD and Section 4(c)(ii) of the PIPE Warrant), (iii) the time of any breach by the Company under the Forbearance Agreement and Waiver, (iv) the Resale Availability Date as defined therein and (v) June 4, 2022 (such period, the “Forbearance Period”). Provided that the Company is not in breach of its obligations under Forbearance Agreement and Waiver, effective as of the Trading Day immediately following the date the Company cures the Triggering Event under Section 5(a)(ii) of the COD, 3i agrees to waive any rights or remedies that it may have under the COD that arises as a result of a Triggering Event under Section 5(a) of the COD and Section 4(c)(ii) of the PIPE Warrant that may have arisen prior to the date of the Forbearance Agreement and Waiver.

*(c) 3i Warrants*

Effective April 21, 2023, pursuant to the terms of a Exchange Agreement, the PIPE Warrant was exchanged for an Exchange Warrant representing a right to acquire 315,085 shares of Common Stock, exercisable at \$30.00 per share. The number of shares exercisable under the Exchange Warrant and the exercise price was subsequently adjusted in July 2023 to the right to acquire 9,452,667 shares of Common Stock, exercisable at \$1.00 per share.

Effective July 10, 2023, upon the closing of the July Offering, the number of shares exercisable under the Exchange Warrant and the exercise price was adjusted to 2,100,565 shares of Common Stock and \$4.50 per share, respectively. Subsequently on July 26, 2023, pursuant to Section 2(e) of the Exchange Warrant, due to the event market price on the 16th day after the June Reverse Stock Split being less than the exercise price of the Exchange Warrant then in effect, the number of shares exercisable under such Warrant and the exercise price was further adjusted to 3,134,693 shares and \$3.0155 per share, respectively.

Effective September 14, 2023, the date of the September Induced Warrant offering, the number of shares exercisable under the Exchange Warrant and the exercise price was adjusted to 9,452,667 shares of Common Stock and \$1.00 per share, respectively.

*(d) Accounting*

*i. Series A Preferred Stock*

The Company evaluated the Series A Preferred Stock under ASC 480-10 to determine whether it represents an obligation that would require the Company to classify the instrument as a liability and determined that the Series A Preferred Stock is not a liability pursuant to ASC 480-10. Management then evaluated the instrument pursuant to ASC 815 and determined that because the holders of the Series A Preferred Stock may be entitled to receive cash, the Series A Preferred stock should be recorded as mezzanine equity given the cash redemption right that is within the holder's control.

Generally, preferred stock that are currently redeemable should be adjusted to their redemption amount at each balance sheet date. If it is probable that the equity instrument will become redeemable, the Company has the option to either accrete changes in the redemption value over the period from the date of issuance (or from the date that it becomes probable that the instrument will become redeemable, if later) to the earliest redemption date of the instrument or to recognize changes in the redemption value immediately as they occur and adjust the carrying amount of the instrument to equal the redemption value at the end of each reporting period. The Company recognizes changes in redemption value when redemption becomes probable to occur.

Through December 9, 2022, the derivative scope exception under ASC 815 was not met because a settlement contingency was not indexed to the Company's stock. Therefore, the redemption feature (derivative liability) was bifurcated from the Series A Preferred Stock and recorded as a derivative liability. The fair value of the Series A Preferred Stock Redemption Feature (the "Redemption Feature") derivative is the difference between the fair value of the Series A Preferred Stock with the Redemption Feature and the Series A Preferred Stock without the Redemption Feature. The Series A Preferred Stock Redemption Feature has been valued with a Monte Carlo Simulation model, using the inputs as described in Note 9(b).

Subsequent to December 9, 2022, because of the agreed conversion price adjustment, although bifurcation of the conversion feature is still required, the value of the derivative has been determined to be immaterial since the conversion price will always be at market. Additionally, because the Series A redemption terms were amended to be entirely within the Company's control, they have now been classified as permanent equity. Management has fair valued the Series A Preferred Stock prior to and after its modification and because the change in fair value was greater than 10%, has made a policy election to treat the amendment as an extinguishment. Accordingly, the difference in fair value has been recorded as a deemed dividend and reduction in additional paid in capital.

\$8.95. As of April 21, 2023, the Company used the Black-Scholes option pricing model to determine the fair value of the 4,239 Series A Preferred shares outstanding at \$3,952 versus their carrying value of \$624. Accordingly, the Company has recorded a deemed dividend of \$3,328 as at April 21, 2023.

As of July 10, 2023, the Company used the Black-Scholes option pricing model to determine the fair value of the 6,047 Series A Preferred shares outstanding at \$5,843 versus their carrying value of \$5,637. Accordingly, the Company has recorded a deemed dividend of \$206 as at July 10, 2023.

As of September 14, 2023 January 14, 2024, the Company used the Black-Scholes option pricing model to determine the fair value of the 1,417 Series A Preferred shares Stock outstanding at \$1,742 \$1,970 versus their carrying value of \$1,369. \$1,742. Accordingly, the Company has recorded a deemed dividend of \$373 \$228 as at September 14, 2023 January 14, 2024. At a stated value of \$1,080 for each share of Series A Preferred Stock, the revised price of \$8.95 per share results in the 1,417 shares being convertible into 170,952 shares of Common Stock as of January 14, 2024.

During On February 13, 2024, pursuant to the three month period ended September 30, 2023 terms of the Second Note, the Company modified the conversion price of the 3i Exchange Warrants from \$8.95 to \$8.10 and thereby increased the number of Exchange Warrants outstanding from 492,317 on January 18, 2024, to 544,101 on February 13, 2024. The Company filed the Sixth Certificate of Amendment to Amended and Restated COD (the "Sixth Amendment") with the Secretary of State of the State of Delaware to reflect the new conversion price of the Series A Preferred Stock of \$8.10. As of February 14, 2024, the Company used the Black-Scholes option pricing model to determine the fair values using value of the following inputs: then 1,296 Series A Preferred Stock outstanding and concluded there was a gain on extinguishment of \$122. At a stated value of \$1,080 for each share of Series A Preferred Stock, the revised price of \$8.10 per share results in the 1,296 shares being convertible into 493,573 shares of Common Stock.

As of March 14, 2024, the Company used the Black-Scholes option pricing model to determine the fair values using value of the following inputs: then 1,296 Series A Preferred Stock outstanding and concluded there was a gain on extinguishment of \$69. #### B. Series C Convertible Preferred Stock

On February 28, 2023, the Company entered into a Securities Purchase Agreement (the “SPA” “2023 SPA”) with 3i L.P. for the purchase and sale of 50,000 shares of Series C Convertible Redeemable Preferred Stock (“Series C Preferred Stock”) at a purchase price of \$24.00 per share, for a subscription receivable in the aggregate amount equal to the total purchase price of \$1.2 million (the “Offering” “Series C Offering”). The 50,000 shares of Series C Preferred Stock (the “Shares”) are convertible into shares of the Company’s common stock, Common Stock, subject to the terms of the COD. The conversion price for the Series C Preferred Stock is initially equal to the lower of: (i) \$0.182 (\$6.37 post reverse stock split), which is the official closing price Certificate of the Common Stock on the Nasdaq Global Market (as reflected on Nasdaq.com) on the Trading Day (as defined in the COD) immediately preceding the Original Issuance Date (as defined in the COD); and (ii) the lower of: (x) the official closing price of the Common Stock on the Nasdaq Global Market (as reflected on Nasdaq.com) on the Trading Day immediately preceding the Conversion Date or such other date of determination; and (y) the average of the official closing prices of the Common Stock on the Nasdaq Global Market (as reflected on Nasdaq.com) for the five Trading Days immediately preceding the Conversion Date (as defined in the COD) or such other date of determination, subject to adjustment (the “Conversion Price”). In no event will the Conversion Price be less than \$0.0370 (\$1.295 post reverse stock split) (the “Floor Price” Designation (“Series C COD”).

In the event that the Conversion Price on a Conversion Date would have been less than the applicable Floor Price if not for the immediately preceding sentence, then on any such Conversion Date the Company will pay the Holder an amount in cash, to be delivered by wire transfer out of funds legally and immediately available therefor pursuant to wire instructions delivered to the Company by the Holder in writing, equal to the product obtained by multiplying (A) the higher of (I) the highest price that the Common Stock trades at on the Trading Day immediately preceding such Conversion Date and (II) the applicable Conversion Price and (B) the difference obtained by subtracting (I) the number of shares of Common Stock delivered (or to be delivered) the Holder on the applicable Share Delivery Date with respect to such conversion of Series C Preferred Stock from (II) the quotient obtained by dividing (x) the applicable Conversion Amount that the Holder has elected to be the subject of the applicable conversion of Series C Preferred Stock, by (y) the applicable Conversion Price without giving effect to clause (x) of such definition. The Offering closed on February 28, 2023.

In connection with the Offering, concurrently with the SPA, the Company entered into a registration rights agreement with 3i (the "RRA") pursuant to which the Company is required to file a registration statement with the SEC to register for resale the shares of Common Stock that are issued upon the potential conversion of the Shares. Under the terms of the RRA, if the Company fails to file an Initial Registration Statement (as defined in the RRA) on or prior to its Filing Date (as defined in the RRA), or fail to maintain the effectiveness of the registration statement beyond defined allowable grace periods set forth in the RRA, we will incur certain registration delay payments, in cash and as partial liquidated damages and not as a penalty, equal to 2.0% of 3i's subscription amount of the Shares pursuant to the SPA. In addition, if we fail to pay any partial liquidated damages in full within seven days after the date payment, we will have to pay interest at a rate of 18.0% per annum, accruing daily from the date such partial liquidated damages are due until such amounts, plus all such interest thereon, are paid in full. The Company has also agreed to pay all fees and expenses incident to the performance of the RRA, except for any broker or similar commissions. In connection with the Offering, the Company and 3i entered into a limited waiver agreement (the "Waiver") pursuant to which 3i confirmed that the sale and issuance of the Shares will not give rise to any, or trigger any, rights of termination, defaults, amendment, anti-dilution or similar adjustments, acceleration or cancellation under agreements with 3i.

The Company has evaluated the terms of the Series C Preferred Stock as required pursuant to ASC 570, 480, 815 and ASU 2020-06, and concluded the Series C Preferred Stock will be recorded at fair value of \$1,200, net of share issuance costs of \$40, and accrued dividends at 5% to redemption value of \$1,446 \$1,485 on April 21, 2023, using the effective interest method. Effective April 21, 2023, all of the 50,000 shares of Series C Preferred stock were exchanged for 5,577 shares of Series A Preferred Stock at an agreed value of \$1,652. Stock.

ii. entered into an Inducement Letter dated September 14, 2023 (the "Inducement Letter") with each of Armistice Capital Master Fund Ltd. and Sabby Volatility Warrant Master Fund, Ltd. ("September Investors") who were the holders of existing common stock purchase warrants issued (i) in the April Offering (the "April Warrants") and (ii) in the July Offering (the "July Warrants" and together with the April Warrants, the "Existing Warrants"). Pursuant to the Inducement Letter, the September Investors agreed to exercise for cash their respective Existing Warrants to purchase an aggregate of up to 2,438,889 shares of the Company's Common Stock (the "Existing Warrant Shares"), at a reduced exercise price of \$1.00 per share, in consideration for the Company's agreement to issue a new unregistered common stock purchase warrant to purchase up to a number of shares of Common Stock equal to 200% of the number of Existing Warrant Shares issued, or the Inducement Warrants, pursuant to each Existing Warrant exercise (the "Inducement Warrant Shares"), exercisable for 5 years and six months from the issue date, at an exercise price of \$1.00, subject to adjustment. Upon execution of the Inducement Letter by each of the September Investors the Company issued the Inducement Warrants to the September Investors pursuant to a private placement (the "September Private Placement"). As of September 30, 2023, we have received approximately \$1.87 million, before deducting placement agent fees and offering expenses payable by the Company of approximately \$156 thousand in exchange for the exercise of 1,237,578 Existing Warrant Shares; and we have recorded an obligation to issue 639,000 Existing Warrant Shares.

(e) April 2023, July 2023 and September 2023 Common Warrants

Subject to certain ownership limitations, the April 2023 Common Warrants are exercisable immediately from the date of issuance. The April 2023 Common Warrants have an exercise price of \$34.00 per share and expire on the 5 year anniversary of the date of issuance, April 21, 2023, unless otherwise agreed upon by us and holder of the warrant. The exercise price of the April 2023 Common Warrants is subject to certain adjustments, including stock dividends, stock splits, combinations and reclassifications of the Company's Common Stock. In the event of a fundamental transaction, as described in the April 2023 Common Warrants, each of the holders of the April 2023 Common Warrants will have the right to exercise its April 2023 Common Warrant and receive the same amount and kind of securities, cash or property as such holder would have been entitled to receive upon the occurrence of such fundamental transaction if such holder had been, immediately prior to such fundamental transaction, the holder of shares of the Company's Common Stock issuable upon the exercise of its April 2023 Common Warrant. Additionally, in the event of a fundamental transaction within the Company's control, as described in the April 2023 Common Warrants, each holder of the April 2023 Common Warrants will have the right to require the Company to repurchase the unexercised portion of its April 2023 Common Warrant at its fair value using a variant of the Black Scholes option pricing formula. In the event of a fundamental transaction that is not within the Company's control, each holder of the April 2023 Common Warrants will have the right to require the Company or a successor entity to redeem the unexercised portion of its April 2023 Common Warrant for the same consideration paid to the holders of the Company's Common Stock in the fundamental transaction at the unexercised April 2023 Common Warrant's fair value using a variant of the Black Scholes option pricing formula.

Pursuant to a securities purchase agreement entered into with certain investors in the April Offering, we agreed that for a period of 90 days from the close of the April Offering, that we would not issue, enter into any agreement to issue or announce the issuance or proposed issuance of any shares of Common Stock or securities convertible or exercisable into Common Stock or file a registration statement with the SEC to register our securities, subject to certain exceptions. The investors to the securities purchase agreement in the April Offering, excluding 3i, have agreed to waive that provision and permit the July offering of our Common Stock, pre-funded warrants and common warrants ("Offering Waiver") in exchange for (i) the repricing of the exercise price of the April 2023 Common Warrant to the exercise price of the common warrant offered in the July Offering if the exercise price of the common warrant is lower than the then-current April 2023 Common Warrant exercise price; and (ii) extending the termination date of the April 2023 Common Warrant to the date of termination of the common warrants offered in the July Offering. As a result of the July Offering, investors to the securities purchase agreement in the April Offering, excluding 3i, had the exercise price of their April 2023 Common Warrant reduced to \$4.50 per share and the exercise period extended to on or around July 10, 2028. 3i and the Company entered into a separate limited waiver and amendment agreement, as discussed above. We used the Black-Scholes option pricing model to fair value the April Common Warrants as of July 10, 2023, using the Black-Scholes option pricing model and recorded the incremental value of \$202 as a fair value modification cost in other income (expenses).

Management considered the September, July and April Common Warrants, which do not represent outstanding shares, and determined that they contain certain contingent redemption features, outside of the Company's control and at the election of the Holder, which may require the Company to repurchase the July and April Common Warrants or Warrant Shares in exchange for cash (i.e., puttable) in an amount as defined in the Warrant Agreements. The Company concluded that the September, July and April Common Warrants represent liabilities under ASC 480. Accordingly, the September, July and April Common Warrants have been recorded at their fair value of \$4,189, \$6,824, and \$4,148 respectively using the Black-Scholes option pricing model and as a reduction of additional paid in capital. Additionally, the total July financing cost of \$902 has been proportionately allocated to financing costs in and additional paid in capital in the amounts of the amount of \$571 and \$349 respectively; and the total April financing cost of \$679 has been proportionately allocated to the finance expense and additional paid in capital in the amounts of \$376 and \$303 respectively. The September financing cost of \$156 has been allocated to a finance expense in general and administration costs.

On September 14, 2023, the exercise prices of the July and April Common Warrants were reduced to \$1.00 per share and the exercise period extended to on or about September 14, 2028. We used the Black-Scholes option pricing model to fair value the July and April Common Warrants as of September 14, 2023, using the Black-Scholes option pricing model and recorded the incremental value of \$389 as a fair value modification cost in other income (expenses).

As of September 30, 2023, we used the Black-Scholes option pricing model to fair value the outstanding September, July, and April Common share purchase warrants of 4,877,778, 2,012,534 and 83,333 respectively at \$3,044, \$843 and \$51 respectively.

Inputs used in the above noted Black-Scholes valuation models for the April, July and September Common Warrants are as follows:

However, the agreement may be terminated sooner without cause by the Company upon 120 days prior written notice, or upon written notice of a material breach of the agreement by Eisai that is not cured within 90 days (30 days for a payment default).

Eisai also has the right to terminate the agreement upon written notice of a material breach of the agreement by the Company that is not cured within 90 days (30 days for a payment default) or if the Company files for bankruptcy. By an amendment effective as of August 3, 2021, and executed by Eisai on August 23, 2021, Eisai also has the right to terminate the agreement if the Company does not complete a Phase 2 clinical trial before December 31, 2022, unless we elect to pay a \$1,000 extension payment (the "Extension Payment"). Notwithstanding the foregoing, in the **United States** event the Company fails to enroll and dose at least 30 patients with the first dose of **America** cancer drug in the ongoing Phase 2 Ovarian Cancer Clinical Trial by July 1, 2022, then the Extension Payment will be due and payable in full by July 30, 2022. Managing and allocating resources on a total company basis enables our **CEO** rights, giving effect to assess the overall **level** stage of resources available and how to best deploy these resources across functions, therapeutic areas and research and development projects of Stenoparib that are in line with our long-term company-wide strategic goals. Consistent with this decision-making process, our CEO uses consolidated, single-segment financial information for purposes of evaluating performance, forecasting future period financial results, allocating resources, and setting incentive targets. **we** have completed under the agreement. **12. Related party**

During the three month periods March 31, 2024 and 2023, a director of the Company was paid \$125 and \$45 respectively, in fees as a consultant.

**13. Loss per share of common stock**

Basic loss per share is derived by dividing net loss applicable to common stockholders by the weighted average number of shares of common stock outstanding during each period. Diluted loss per share includes the effect, if any, from the potential exercise or conversion of securities, such as warrants and stock options, which would result in the issuance of incremental shares of common stock unless such effect is anti-dilutive. In calculating the basic and diluted net loss per share applicable to common stockholders, the weighted average number of shares remained the same for both calculations because when a net loss exists, dilutive shares are not included in the calculation. Potentially dilutive securities outstanding, as determined by the latest applicable conversion price, that have been excluded from diluted loss per share due to being anti-dilutive include the following:

The documents requested appear to focus on submissions, communications, and meetings with the FDA regarding our NDA for Dovitinib or Dovitinib-DRP. The SEC letter also stated that investigation is a fact-finding inquiry and does not mean that that the SEC has concluded that we the Company or anyone else has violated the laws. As a result of the disclosure of the SEC request, The Nasdaq Stock Market LLC ("Nasdaq") staff has also requested us to provide them with the information requested by the SEC in which we are complying.

**(h) Nasdaq Notifications and Appeal Hearing**

As previously disclosed on Form 8-K filed with the SEC on October 14, 2022, we received a letter from Nasdaq Listing Qualifications on October 12, 2022 notifying us that the Company's stockholders' equity as reported in its Quarterly Report on Form 10-Q for the period ended June 30, 2022 (the "June Form 10-Q"), did not satisfy the continued listing requirement under Nasdaq Listing Rule 5450(b)(1)(A) for The Nasdaq Global Market, which requires that a listed company's stockholders' equity be at least \$10.0 million. As reported on the June Form 10-Q, the Company's stockholders' equity as of June 30, 2022, was approximately \$8.0 million. Pursuant to the letter, we were required to submit a plan to regain compliance with Nasdaq Listing Rule 5450(b)(1)(A) by November 26, 2022. After discussions with the Nasdaq Listing Qualifications staff, on December 12, 2022, we filed a plan to regain and demonstrate long-term Nasdaq Listing Qualifications compliance including seeking to phase-down to The Nasdaq Capital Market. On December 21, 2022, we received notification from the Nasdaq Listing Qualifications staff that they have granted the Company's request for an extension until April 10, 2023, to comply with this requirement.

On April 11, 2023, we received notification from the Nasdaq Listing Qualifications staff that it determined that the Company did not meet the terms of the extension. The Company filed a notice of appeal and on May 18, 2023, the Company presented its appeal before the Nasdaq hearings panel.

**Delisting Notifications**

Subsequent to the May 18, 2023 hearing, on May 23, 2023, we received notification from the Nasdaq Listing Qualifications staff that stated because we did not comply with Nasdaq Listing Rule 5450(a)(1) regarding a bid price of \$1.00 by May 22, 2023, this non-compliance would be considered by the Nasdaq hearings panel as to whether our Common Stock should be delisted on The Nasdaq Stock Market LLC. We had until May 30, 2023, to present our view to the Nasdaq hearings panel and we provided additional information to the Nasdaq hearings panel by such date.

On June 6, 2023 February 1, 2024, we the Company attended a de-listing appeal hearing with Nasdaq, and on March 12, 2024, the Company received a letter response from the Nasdaq hearings panel that granted granting the Company's request for continued to continue its listing on the Nasdaq Stock Market LLC until July 1, 2023 and the Company's transfer to The Nasdaq Capital Market, subject to the following conditions: (1) requirement that on or before July 1, 2023 April 24, 2024, the Company shall demonstrate compliance with Nasdaq Listing Rule 5450(b)(1) dealing with primary equity securities listed on the Global Market, Bid Price and on or before July 1, 2023, the Company shall demonstrate compliance with Nasdaq Listing Rule 5450(a)(1) dealing with a minimum bid of \$1.00 per share.

As further discussed below, on June 28, 2023, we received notification from Nasdaq Listing Qualifications that because we transferred to The Nasdaq Capital Market, we regained compliance with Listing Rule 5550(a)(5) because our Market Value of Publicly Held Shares ("MVPHS") has been \$1,000 or greater for at least 10 consecutive business days.

On July 14, 2023, the Company received a letter from Nasdaq confirming that the Company has regained compliance with the minimum bid price and equity concerns requirement in Listing Rule 5550(a)(2) (the "Bid Price Rule"), as required by the Nasdaq hearings panel Hearing Panel's ("Panel") decision dated June 6, 2023, as amended. Under of March 12, 2024. As a result of the July 14, 2023, letter, capital raise under the ATM Offering, the Company is has communicated to Nasdaq its belief that it has achieved compliance with the Equity Rules, subject to a panel monitor for a period of one year confirmation from the July 14, 2023, letter pursuant to Nasdaq Listing Rule 5815(d)(4)(B).

On August 3, 2023, we received a letter from Nasdaq confirming that based on the information regarding the appointment of Mr. Joseph Vazzano, Dr. Laura Benjamin, and Mr. Robert Oliver to the Company's Board of Directors and the appointment of Mr. Vazzano and Mr. Oliver to the audit committee, Nasdaq has determined that the Company complies with the independent director and audit committee requirements for continued listing set forth in Listing Rules 5605(b)(1) and 5605(c)(2), respectively, and that the matter was now closed.

On October 27, 2023, we received notification from Nasdaq that it has determined that the bid price of our Common Stock has closed at less than \$1 per share over the previous 30 consecutive business days, and, as a result, does not comply with Listing Rule 5550(a)(2). Further, Nasdaq also noted that we effected an 1:35 reverse stock split on March 24, 2023, and an 1:40 reverse stock split on June 28, 2023. Because we effected one or more reverse stock splits over the prior two-year period with a cumulative ratio of 250 shares or more to one, we will not be afforded a 180-calendar day period to demonstrate compliance with Listing Rule 5550(a)(2) pursuant to Listing Rule 5810(c)(3)(A)(iv).

In that regard, unless we requested an appeal of such determination, trading of our Common Stock would have been suspended at the opening of business on November 7, 2023, and a Form 25-NSE would have been filed with the SEC which would have removed our Common Stock from listing and registration on The Nasdaq Stock Market. We requested an appear for such determination and have received a hearing date of February 1, 2024.

We have clarified any perceived inconsistent statements regarding voting procedures for the matters to be voted upon at the Special Meeting in our definitive proxy statement filed with the SEC, and believe that, contractually, we are authorized to provide for voting rights to the holders of the Series A Preferred Stock without seeking approval by the holders of our Common Stock. In recent years, we have recorded very limited revenue from collaboration activities, or any other sources. As of September 30, 2023 March 31, 2024, we had an accumulated deficit of \$92.7 million \$98.3 million and cash of \$1,399 million. \$312 thousand. Substantially all our net losses have resulted from costs incurred in connection with our research and development programs and from general and administrative costs associated with our operations. We expect to continue to incur significant expenses and increasing operating losses over at least the next several years. We expect our expenses will increase substantially in connection with our ongoing activities, as we:

- advance drug candidates through clinical trials;
- pursue regulatory approval of drug candidates;

- operate as a public company;
- continue our preclinical programs and clinical development efforts;
- continue research activities for the discovery of new drug candidates; and
- manufacture supplies for our preclinical studies and clinical trials.

- employee-related expenses, which include salaries, benefits, and stock-based compensation.

We expense all research and development costs in the periods in which they are incurred. Costs for certain development activities are recognized based on an evaluation of the progress to completion of specific tasks and estimates of services performed using information and data provided to us by our vendors and third-party service providers. Non-refundable advance payments for goods or services to be received in future periods for use in research and development activities are deferred and accounted for as prepaid expenses. The prepayments are then expensed as the related goods are delivered and as services are performed.

To date, most of these expenses have been incurred to advance our lead drug candidates, dovitinib, stenoparib, and IXEMPRA®, candidate Stenoparib.

We expect our research and development expenses on Stenoparib to increase substantially for the foreseeable future as we continue to invest to accelerate Stenoparib in clinical trials designed to attain regulatory approval. Costs related to dovitinib and IXEMPRA will decrease precipitously as these have been deprioritized/ terminated. We expect additional costs in research and development activities related to developing our drug candidates, as our drug candidates advance into later stages of development, and as we continue to conduct clinical trials. The process of conducting the necessary clinical research to obtain regulatory approval is costly and time-consuming, and the successful development of our drug candidates is highly uncertain. As a result, we are unable to determine the duration and completion costs of our research and development projects or when and to what extent we will generate revenue from the commercialization and sale of any of our drug candidates.

### General and Administrative Expenses

General and administrative expenses consist primarily of personnel-related costs, facilities costs, depreciation and amortization expenses and professional services expenses, including legal, human resources, audit, and accounting services. Personnel-related costs consist of salaries, benefits, and stock-based compensation. Facilities costs consist of rent and maintenance of facilities. We expect our general and administrative expenses to increase for the foreseeable future due to anticipated increases in headcount to advance our drug candidates and as a result of operating as a public company, including expenses related to compliance with the rules and regulations of the SEC, Nasdaq, Stock Market, additional insurance expenses, investor relations activities and other administrative and professional services.

#### **Liquidity, Capital Resources and Plan of Operations**

Since our inception through **September 30, 2023** **March 31, 2024**, our operations have been financed primarily by the sale of convertible promissory notes and the sale and issuance of our securities. As of **September 30, 2023** **March 31, 2024**, we had **\$1,399** **\$312** in cash, and an accumulated deficit of **\$92.7 million** **\$98.3 million**. We had a working capital deficit of **\$11.4 million** **\$15.7 million**.

Our primary use of cash is to fund operating expenses, which consist of research and development as well as regulatory expenses related to our **therapeutic lead** drug candidate **dovitinib**, and clinical programs for **stenoPARib** and **IXEMPRa®**, **Stenoparib**, and to a lesser extent, general and administrative expenses. Cash used to fund operating expenses is impacted by the timing of when we pay these expenses, as reflected in the change in our outstanding accounts payable and accrued expenses.

As of **September 30, 2023** **March 31, 2024**, the Company's cash deposits of **\$1,399** **\$312** were determined to be insufficient to fund its current operating plan and planned capital expenditures for the next month. We believe that our existing cash on March 21, 2024, the Company commenced an at the market offering of its common shares and cash equivalents as of **November 14, 2023** **March 31, 2024**, and had sold 6,792 common shares for net proceeds of \$40. Subsequent to March 31, 2024, an additional 8,259,150 shares of our anticipated expenditures and commitments common stock were sold at the market for net proceeds of \$15,572. In light of the next twelve months, will not enable us to fund our operating expenses and capital expenditure requirements for the twelve months from Company's cash position as of the date of this Report. These conditions give rise Quarterly Report, the Company does not have sufficient funds for its current operations and planned capital expenditures. As discussed above the Company intends to substantial doubt over seek capital through sale of its securities or other sources. There are no assurances, however, that the Company will be successful in raising additional working capital, or if it is able to raise additional working capital, it may be unable to do so on commercially favorable terms. The Company's failure to raise capital or enter into other such arrangements if and when needed would have a negative impact on its business, results of operations and financial condition and its ability to continue its plan of operations.

Management's plans to mitigate the conditions or events that raise substantial doubt include additional funding through public equity, private equity, debt financing, collaboration partnerships, or other sources. We currently plan on completing an additional public offering in the near future, however there are no assurances that the Company will be successful in raising additional working capital, or if it is able to raise additional working capital, it may be unable to do so on commercially favorable terms. The Company's failure to raise capital or enter into other such arrangements when needed would have a negative impact on its business, results of operations and financial condition and its ability to continue its plan of operations.

We expect to incur substantial expenses in the foreseeable future for the development and potential commercialization of our drug candidates and ongoing internal research and development programs. At this time, we cannot reasonably estimate the nature, timing, or aggregate amount of costs for our development, potential commercialization, and internal research and development programs. However, to complete our current and future preclinical studies and clinical trials, and to complete the process of obtaining regulatory approval for our drug candidates, as well as to build the sales, marketing, and distribution infrastructure that we believe will be necessary to commercialize our drug candidates, if approved, we may require substantial additional funding in the future.

#### **Contractual Obligations and Commitments**

We enter into agreements in the normal course of business with vendors for preclinical studies, clinical trials, and other service providers for operating purposes. We have not included these payments in the table of contractual obligations above since these contracts are generally cancellable at any time by us following a certain period after notice and therefore, we believe that our non-cancellable obligations under these agreements are not material.

## Operating Activities

For the **nine** **three** months ended **September 30, 2023** **March 31, 2024**, net cash used in operating activities was approximately **\$11.1 million** **\$1.5 million** compared to approximately **\$14.4 million** **\$3.2 million** for the **nine** **three** months ended **September 30, 2022** **March 31, 2023**. The **\$3.3 million** **\$1.7 million** decrease in net cash used in operating activities was primarily the result of a decreased loss of **\$3.0 million**, and an increase in cash provided non-cash expenses operating assets of **\$0.8 million** **\$2.3 million**, offset by an increase in net cash provided by increased loss of **\$500 thousand** and higher non-cash operating assets and liabilities expenses of **\$1.1 million** **\$100 thousand**.

## Investing Activities

In the **nine** **three** months ended **September 30, 2023** **March 31, 2024**, and 2023, there were no cash flows from investing activities. In the nine months ended September 30, 2022, we received \$809 thousand from financing activities associated with the sale of IP.

## Financing Activities

For the **nine** **three** months ended **September 30, 2023** **March 31, 2024**, net cash provided by financing activities was approximately **\$10.5 million** **\$1.4 million** compared to approximately **\$2.3 million** used in **\$1.2 million** for the **nine** **three** months ended **September 30, 2022** **March 31, 2023**. The increase in net cash provided by investing activities was primarily due to the receipt of \$18,615 in net proceeds from the sale of common stock and exercise of pre-funded and common warrants, \$1,160 in net proceeds from the issuance of Series C Preferred stock, and \$1,050 from 2024 Notes to 3i during the issuance of promissory notes, offset by \$3,698 in repayment of debt, including promissory notes, \$5,000 on the redemption of Series A Preferred stock, and \$1,652 on the conversion of Series A Preferred stock. **three months ended March 31, 2024**.

In the nine months ended September 30, 2022, we incurred a \$2.3 million financing cost as a result of a \$1.5 million floor price adjustment on converted Series A Preferred Stock. We also paid an \$800 Registration Delay Penalty on our Series A Preferred stock.

## Operating Capital and Capital Expenditure Requirements

As of September 30, 2023, we had a cash position of \$1,399. We believe that our existing cash and cash equivalents as of the date of this Report, and our anticipated expenditures and commitments for the next twelve months, will not enable us to fund our operating expenses and capital expenditure requirements for at least twelve months from the date of this Quarterly Report. These conditions give rise to substantial doubt over the Company's ability to continue as a going concern. Our estimate as to how long we expect our cash to be able to continue to fund our operations is based on assumptions that may prove to be wrong, and we could use our available capital resources sooner than we currently expect. Further, changing circumstances, some of which may be beyond our control, could cause us to consume capital significantly faster than we currently anticipate, and we may need to seek additional funds sooner than planned.

## Off-Balance Sheet Arrangements

The Company does not have any off-balance sheet arrangements.

We cannot assure that additional funds will be available when needed from any source or, if available, will be available on terms that are acceptable to us and may cause existing shareholders both book value and ownership dilution. Further, we may incur substantial costs in pursuing future capital and/or financing, including investment banking fees, legal fees, accounting fees, printing and distribution expenses and other costs. We may also be required to recognize non-cash expenses in connection with certain securities we may issue, such as convertible notes and warrants, which will adversely impact our financial condition and results of operations. Our ability to obtain needed financing may be impaired by such factors as the weakness of capital markets, and the fact that we have not been profitable, which could impact the availability and cost of future financings. If the amount of capital we are able to raise from financing activities is not sufficient to satisfy our capital needs, we may have to reduce our operations accordingly.

#### We are delinquent in our payment to Eisai

In consideration for extension of certain deadlines and payment obligations, the Company entered in several amendments to an Exclusive License Agreement with Eisai. On May 26, 2023, the Company and Eisai entered into a fourth amendment to the Exclusive License Agreement with an effective date of May 16, 2023, under which the Company agreed to pay Eisai in periodic payments as follows: (i) \$100,000; (ii) \$50,000 within 10 days of execution of the fourth amendment; (iii) \$100,000 upon completion of a capital raise (of which items (i) and (iii) have been paid); and (iv) \$850,000 on or before March 1, 2024. Under the Exclusive License Agreement, the Company will have until April 1, 2024, to complete enrollment in a further Phase 1b or Phase 2 Clinical Trial of the Product. If the Company has not achieved successful completion of a further Phase 1b or Phase 2 Clinical Trial of the Product prior to April 1, 2024, Eisai may terminate the Agreement in its entirety, in its sole discretion on at least 120 days prior written notice. In light of our financial condition and dependence on financing for our operations, we may be unable to meet the payment requirements under the fourth amendment and we may lose our right to use Stenoparib, which will adversely affect our ability to conduct our clinical trials and to achieve our business objectives and adversely affect our financial results.

#### Risks Related to Owning our Securities

#### We are not in compliance with The Nasdaq Capital Market continued listing requirements and if we do not regain compliance and otherwise comply with the other listing requirements our Common Stock will be delisted.

The listing of our Common Stock on The Nasdaq Capital Market is contingent on our compliance with The Nasdaq Capital Market's conditions for continued listing. On April 20, 2022, we received notice from the Nasdaq Listing Qualifications stating that because we had not yet filed our Annual Report on Form 10-K for the year ended December 31, 2021 (the "Form 10-K") by its due date, we were no longer in compliance with the listing requirement which requires listed companies to timely file all required periodic financial reports with the SEC. On May 17, 2022, we filed our Form 10-K with the SEC. Subsequent to the filing of the Form 10-K, we were late in filing our Form 10-Q for the quarterly periods ended March 31, 2022, and June 30, 2022.

On October 12, 2022, we received a letter from Nasdaq Listing Qualifications notifying us that the Company's stockholders' equity as reported in its Quarterly Report on Form 10-Q for the period ended June 30, 2022 (the "June Form 10-Q"), did not satisfy the continued listing requirement under Nasdaq Listing Rule 5450(b)(1)(A) for The Nasdaq Global Market, which requires that a listed company's stockholders' equity be at least \$10.0 million. As reported on the June Form 10-Q, the Company's stockholders' equity as of June 30, 2022 was approximately \$8.0 million. Pursuant to the letter, we were required to submit a plan to regain compliance with Nasdaq Listing Rule 5450(b)(1)(A) by November 26, 2022. After discussions with the Nasdaq Listing Qualifications staff, on December 12, 2022, we filed a plan to regain and demonstrate long-term Nasdaq Listing Qualifications compliance including seeking to phase-down to The Nasdaq Capital Market. On December 21, 2022, we received notification from the Nasdaq Listing Qualifications staff that they have granted us an extension of time until April 10, 2023, to regain and evidence compliance with Nasdaq Listing Rule 5450(b)(1)(A). On April 11, 2023, we received notification from the Nasdaq Listing Qualifications staff that it has determined that the Company did not meet the terms of the extension. Specifically, the Company did not complete its proposed transactions and was unable to file a Form 8-K by the April 10, 2023 deadline, evidencing compliance with Nasdaq Listing Rule 5450(b)(1)(A), and, as a result, the staff notification indicated that Company's Common Stock would be delisted from The Nasdaq Global Market. In that regard, unless the Company requests an appeal of such determination by April 18, 2023, trading of the Company's Common Stock would be suspended at the opening of business on April 20, 2023, and a Form 25-NSE would be filed with the SEC which would remove the Company's Common Stock from listing and registration on The Nasdaq Stock Market LLC. The Company requested an appeal for such determination, and on May 18, 2023, the Company had its appeal hearing before the Nasdaq hearings panel.

On November 21, 2022, the Company received written notice from Nasdaq Listing Qualifications indicating that the Company is not in compliance with the minimum bid price requirement of \$1.00 per share under the Nasdaq Listing Rules. Based on the closing bid price of the Company's listed securities for the last 30 consecutive business days from October 10, 2022, to November 18, 2022, the Company no longer met the minimum bid price requirement set forth in Listing Rule 5550(a)(2). Under Nasdaq Listing Rules, we were provided with a compliance period of 180 calendar days, or until May 22, 2023, to regain compliance under the Nasdaq Listing Rules. In the event we do not regain compliance by May 22, 2023, we may be eligible for additional time to regain compliance. On March 24, 2023, we effected the 1-for-35 share consolidation of our Common Stock in order to attempt to meet the minimum bid requirement of \$1.00 per share. On May 23, 2023, we received a letter from the staff of Nasdaq Regulation that the Company did not regain compliance of the minimum bid price requirement of \$1.00 by May 22, 2023, and as a result, the Nasdaq hearings panel would consider this matter in their decision regarding the Company's continued listing on The Nasdaq Global Market. On June 23, 2023, we held the Special Meeting of our stockholders to consider the adoption of an amendment to our certificate of incorporation to effect a reverse stock split within a range of 15 for 1 to 50 for 1 with the exact ratio to be determined by the Board and approved by the holder of our Series A Preferred Stock and we have informed the Nasdaq hearings panel of our Special Meeting. On June 23, 2023, at the Special Meeting, the June Reverse Stock Split Proposal was approved by the stockholders of the Company and subsequently the Board determined a fixed ratio of 40 for 1. The June Share Consolidation was effectuated on June 28, 2023.

On December 20, 2022, we received a written notice from Nasdaq Listing Qualifications indicating that we were not in compliance with the minimum MVPHS of \$5,000,000 requirement under the Nasdaq Listing Rules Based on our MVPHS for the thirty-one (31) consecutive business days from November 4, 2022, to December 19, 2022, we no longer met the minimum MVPHS requirement set forth in Listing Rule 5450(b)(1)(C). Under Nasdaq Listing Rules, we were provided with a compliance period of 180 calendar days, or until June 19, 2023, to regain compliance. To regain compliance under Nasdaq Listing Rules, our MVPHS had to close at \$5,000,000 for a minimum of ten (10) consecutive business days. On June 28, 2023, we received notification from Nasdaq Listing Qualifications that because we transferred to The Nasdaq Capital Market, we have regained compliance with Listing Rule 5550(a)(5) because our MVPHS has been \$1,000,000 or greater for at least 10 consecutive business days.

On June 6, 2023, we received a letter from the Nasdaq hearings panel that granted the Company's request for continued listing on the Nasdaq Stock Market LLC until July 1, 2023 and the Company's transfer to The Nasdaq Capital Market, subject to the following conditions: (1) on or before July 1, 2023, the Company demonstrates compliance with Nasdaq Listing Rule 5450(b)(1) dealing with primary equity securities listed on the Global Market, and on or before July 1, 2023, the Company demonstrates compliance with Nasdaq Listing Rule 5450(a)(1) dealing with a minimum bid of \$1.00 per share. On June 14, 2023, we received a clarification letter from Nasdaq granting the Company's request for continued listing on The Nasdaq Capital Market and transfer to The Nasdaq Capital Market, subject to the following: (1) on or before July 10, 2023, the Company demonstrates compliance with Listing Rule 5550(a)(2); and (2) on or before July 14, 2023, the Company demonstrates compliance with Listing Rule 5550(b).

On July 14, 2023, the Company received a letter from Nasdaq confirming that the Company has regained compliance with the bid price and equity concerns, as required by the Nasdaq hearings panel decision dated June 6, 2023, as amended. The Company is subject to a panel monitor for a period of one year from the July 14, 2023, letter pursuant to Nasdaq Listing Rule 5815(d)(4)(B), which includes continued compliance with the stockholders' equity requirement and other continued listing requirements. Failure to meet the stockholders' equity requirement of \$2,500,000 would result in immediate delisting, subject to the Company's right to appeal. As of June 30, 2023, the Company had a stockholders' deficit of \$723,000. Subsequent to June 30, 2023, on July 10, 2023, the Company completed a public offering of common stock or pre-funded warrants and warrants to purchase common stock raising gross proceeds of approximately \$11 million. After giving effect to the July 10, 2023, public offering, the Company's stockholders' equity as of June 30, 2023, on a pro forma basis, was \$4,355 million. As of September 30, 2023, the Company had a stockholders' deficit and will need to raise capital in order to meet Nasdaq's stockholders' equity requirement.

On October 27, 2023, we received notification from Nasdaq that it has determined that the bid price of our Common Stock had closed at less than \$1 per share over the previous 30 consecutive business days, and, as a result, did not comply with Listing Rule 5550(a)(2). Further, Nasdaq also noted that we effected a 1:35 reverse stock split on March 24, 2023, and an 1:40 reverse stock split on June 28, 2023. Because we effected one or more reverse stock splits over the prior two-year period with a cumulative ratio of 250 shares or more to one, we will not be afforded a 180-calendar day period to demonstrate compliance with the Listing Rule 5550(a)(2) pursuant to Listing Rule 5810(c)(3)(A)(iv).

In that regard, unless we requested an appeal from such determination, trading of our Common Stock would have been suspended at the opening of business on November 7, 2023, and a Form 25-NSE would have been filed with the SEC which would have removed our Common Stock from listing and registration on The Nasdaq Stock Market. We filed a notice of appeal and received a hearing date of February 1, 2024. During such appeal, our Common Stock will continue to be listed on The Nasdaq Capital Market.

If we fail to meet any other Nasdaq listing requirements and do not regain compliance, we may be subject to delisting by Nasdaq. In the event our Common Stock is no longer listed for trading on Nasdaq, our trading volume and share price may decrease and you may have a difficult time selling your shares of Common Stock. In addition, we may experience difficulties in raising capital which could materially adversely affect our operations and financial results. Further, delisting from Nasdaq markets could also have other negative effects, including potential loss of confidence by partners, lenders, suppliers, and employees. Finally, delisting could make it harder for you and the Company to sell the securities and hard for us to raise capital.

**We have granted certain rights to certain holders of our securities which limits our ability to raise funds from the sale of our securities, and trigger adjustments to certain outstanding warrants.**

Holders of our shares of Series A Preferred Stock, Existing Warrants, Inducement Warrants and Exchange Warrant have certain rights that limit our ability to raise funds from the sale of our securities. Under the Exchange Agreement, subject to certain exceptions, we agreed that so long as any holder of Series A Preferred Stock beneficially owns any shares of Series A Preferred Stock, the Company will not, without the prior written consent of certain holders of Series A Preferred Stock, issue any Series A Preferred Stock. The Company also agreed that neither the Company nor any of its subsidiaries would issue, offer, sell, grant any option or right to purchase, or otherwise dispose of (or announce any issuance, offer, sale, grant of any option or right to purchase or other disposition of) any equity security or any equity-linked or related security (including, without limitation, any "equity security" except for the April Offering (any such issuance, offer, sale, grant, disposition or announcement (whether occurring during certain restricted period or at any time thereafter). Therefore, so long as there are any shares of Series A Preferred Stock outstanding we must receive the consent of the required holder of the Series A Preferred Stock prior to undertaking any offering. In addition, in connection with the Inducement Warrants and the July Offering, we are prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its subsidiaries of shares of Common Stock or Common Stock equivalents (or a combination of units thereof) involving a Variable Rate Transaction until January 10, 2024.

Furthermore, under the terms of the Exchange Warrant, if we sell securities below the exercise price of the respective warrant, then the exercise price of the Exchange warrant is subject to an adjustment based on the purchase price of the securities. The exercise of such securities based on the downward adjusted exercise price or conversion price will result in issuance of additional securities and additional dilution to our stockholders.

**Future sales, or the perception of future sales, by us or our stockholders in the public market could cause the market price for our Common Stock to decline.**

The sale of shares of our Common Stock in the public market, or the perception that such sales could occur, could harm the prevailing market price of shares of our Common Stock. These sales, or the possibility that these sales may occur, also might make it more difficult for our stockholders to sell our Common Stock or for us to sell equity securities in the future at a time and at a price that it deems appropriate.

As of November 1, 2023, we had (i) 1,417 shares of Series A Preferred Stock outstanding that can be converted into up to 1,530,360 shares of Common Stock based upon a conversion price of \$1.00 and stated value of \$1,080, subject to adjustment, (ii) 2,095,867 shares of Common Stock issuable upon exercise of warrants to purchase shares of Common Stock at an exercise price of \$1.00 per share which were issued in a public offering that closed in April 2023 and July 2023; (iii) 9,452,667 shares of Common Stock issuable upon exercise of a warrant to purchase Common Stock at an exercise price of \$1.00 per share issued pursuant to a Modification and Exchange Agreement dated April 20, 2023, as amended, and (iv) 4,877,778 shares of Common Stock issuable upon exercise of warrants to purchase shares of Common Stock at an exercise price of \$1.00 per share issued to the September Investors. The holder of the Series A Preferred Stock, and holders of our warrants may convert, exercise or exchange their securities into shares of Common Stock which sales thereof could adversely affect the market price of shares of our Common Stock, and dilute stockholders ownership of our Common Stock.

**We received a request for documents from the SEC in the investigation known as “In the Matter of Allarity Therapeutics, Inc.” and, separately, a letter from Nasdaq, regarding the same matter, the consequences of which are unknown.**

In January 2023, we received a request to produce documents from the SEC that stated that the staff of the SEC is conducting an investigation known as “In the Matter of Allarity Therapeutics, Inc.” to determine if violations of the federal securities laws have occurred. The documents requested appear to focus on submissions, communications and meetings with the FDA regarding our NDA for Dovitinib or Dovitinib-DRP. The SEC letter also stated that investigation is a fact-finding inquiry and does not mean that the SEC has concluded that the Company or anyone else has violated the laws. As a result of the disclosure of the SEC request, the Nasdaq staff has requested us to provide them with the information requested by the SEC. We are providing the information requested by the SEC and Nasdaq staff.

We do not know when the SEC’s or Nasdaq’s investigation will be concluded or what action, if any, might be taken in the future by the SEC, Nasdaq or their staff as a result of the matters that are the subject to its investigation or what impact, if any, the cost of continuing to respond to inquiries might have on our financial position or results of operations. We have not established any provision for losses in respect of this matter. In addition, complying with any such future requests by the SEC or Nasdaq for documents or testimony would distract the time and attention of our officers and directors or divert our resources away from ongoing business matters. This investigation may result in significant legal expenses, the diversion of management’s attention from our business, could cause damage to our business and reputation, and could subject us to a wide range of remedies, including enforcement actions by the SEC or delisting proceedings by Nasdaq. There can be no assurance that any final resolution of this or any similar matters will not have a material adverse effect on our financial condition or results of operations.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.**

Pursuant to the terms of the Inducement Letter dated September 14, 2023 with each of Armistice Capital Master Fund Ltd. and Sabby Volatility Warrant Master Fund, Ltd., or the September Investors, who were holders of existing common stock purchase warrants issued in the April Offering and July Offering, or the Existing Warrants, we agreed to issue common stock purchase warrant to purchase up to a number of shares of Common Stock equal to 200% of the number of shares of common stock underlying the Existing Warrants, which in the aggregate represents 4,877,778 shares of Common Stock, or the Inducement Warrants, as an inducement for the September Investors to exercise their respective Existing Warrants at a reduced exercise price of \$1.00. The Inducement Warrants exercisable for 5 years and six months from the issue date, at an exercise price of \$1.00, subject to adjustment. The Common Stock underlying the Inducement Warrants were registered on a registration statement on Form S-3, which became effective on October 19, 2023.

The offer, sale, and issuance of the Inducement Warrants were deemed to be exempt from registration under the Securities Act in reliance on Section 4(a)(2) of the Securities Act or Rule 506 of Regulation D promulgated thereunder as transactions by an issuer not involving a public offering. Each of the recipients of securities in these transactions was an accredited investor within the meaning of Rule 501 of Regulation D under the Securities Act.

### CONSULTING AGREEMENT

This CONSULTING AGREEMENT (the "Agreement") is made as of this 7th day of March 2024, by and between Allarity Therapeutics, Inc. (the "Company") and James G. Cullem, an individual and resident of Massachusetts, U.S.A. (the "Consultant"), collectively referred to herein as the "Parties."

#### RECITALS

WHEREAS, the Company desires to engage the Consultant and the Consultant desires to accept such engagement upon the terms and conditions contained in this Agreement.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants and agreements herein contained, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Scope of Work. The terms of this Agreement apply to the Consultant for the provision of services to the Company. The Consultant shall perform projects (the "Scope of Work") assigned by the Company's management ("Management"), the scope of which will be mutually agreed to by the parties hereto in the case of each project. The Parties agree that neither the Company, nor the Company's agents, employees, or representatives, shall have any right to control or direct the details, manner or means by which the Consultant accomplishes his work under this Agreement. Consultant shall be deemed a "Consultant" as said term is defined in the Allarity Therapeutics, Inc. 2021 Equity Incentive Plan.

2. Term of Agreement. This Agreement shall continue from the date first written above and continue through September 30, 2024 (the "Term"), unless earlier terminated pursuant to Section 7. This Agreement shall not automatically renew unless both Parties agree to a renewal in a signed writing.

3. Assignment of Contract. The Consultant may not assign his rights or obligations under this Agreement.

4. Payment for Services. For services rendered hereunder, the Company shall pay the Consultant the consideration outlined in the Settlement Agreement with the Company dated March 7, 2024. Consultant shall have no obligation to provide services hereunder beyond the scope of consideration outlined in the Settlement Agreement.

5. Ineligibility for Benefits. The Consultant agrees that he is not an employee of the Company and, except as specifically defined herein, he is not entitled to (and also hereby waives) any benefits provided to Company employees, including but not limited to group insurance, liability insurance, disability insurance, paid vacations, sick leave or other leave, retirement plans, health plans, and the like.

6. Indemnity. The Consultant shall indemnify and hold the Company harmless from all costs which the Company may incur as a result of the Consultant's conduct under this Agreement, and vice versa.

**7. Termination.** The Agreement and the Consultant's engagement may be terminated only by the Company with written notice to the Consultant. The Consultant shall not have the right to terminate the Agreement except that the Consultant's engagement shall terminate immediately upon the Consultant's death or incapacity and/or upon any uncured material breach, by Company, of the Settlement Agreement.

**8. Services to Others.** Nothing in this Agreement prohibits the Consultant from providing services to others, so long as he fulfills his responsibilities hereunder and the services to others do not present a conflict of interest regarding the services the Consultant provides to the Company.

**9. Successors.** This Agreement shall inure to the benefit of and be binding upon the Parties, their legal representatives and successors and assigns. However, the Consultant's performance hereunder is personal to the Consultant and shall not be assignable by the Consultant. The Company may assign this Agreement to any affiliate or to any successor to all or substantially all of the business and/or assets of the Company, whether directly or indirectly, by purchase, merger, consolidation, acquisition of stock, or otherwise.

**10. Miscellaneous.**

(a) **Waiver; Amendment.** The failure of a party to enforce any term, provision, or condition of this Agreement at any time or times shall not be deemed a waiver of that term, provision, or condition for the future, nor shall any specific waiver of a term, provision, or condition at one time be deemed a waiver of such term, provision, or condition for any future time or times. This Agreement may be amended or modified only by a writing signed by both Parties hereto.

(b) **Governing Law.** This Agreement shall be governed and construed in accordance with the laws of the State of Massachusetts without giving effect to principles of conflicts of law.

(c) **Severability.** Each provision of this Agreement is intended to be severable. If any term or provision hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of this Agreement.

(d) **Counterparts.** This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same instrument.

(e) **Use of E-mail.** Any written notice may be sent via e-mail. If not earlier received, a written notice sent via e-mail will be deemed to be received on the next calendar day if it is sent to the e-mail address from which the sending party last received an e-mail from the receiving party.

**CONFIDENTIAL SETTLEMENT AGREEMENT AND GENERAL RELEASE**

This Confidential Settlement Agreement and General Release ("Agreement") is made as of the final date of execution below (the "Effective Date"), by and between James G. Cullem ("Mr. Cullem"), on Mr. Cullem's behalf and on behalf of his heirs, executors, administrators, successors and assigns, and Allarity Therapeutics, Inc. ("Allarity" or the "Company"). Mr. Cullem and Allarity are collectively referred to herein as the "Parties" and each individually as "Party."

WHEREAS, Mr. Cullem was previously employed by Allarity as Chief Executive Officer, from in or around June 2022 until his separation on or around December 8, 2023;

WHEREAS, Mr. Cullem and Allarity entered into an Employment Agreement (effective January 12, 2023), which Employment Agreement includes certain severance payment provisions in the event of Mr. Cullem's separation from the Company;

WHEREAS, Allarity terminated Mr. Cullem's employment on December 8, 2023 and has not paid him any severance payments pursuant to the Employment Agreement;

WHEREAS, on December 12, 2023, Mr. Cullem, through his counsel, sent a demand letter to Allarity alleging breach of contract, breach of the covenant of good faith and fair dealing, and violations of the Massachusetts Wage Act (the "Asserted Claims");

WHEREAS, Allarity denies the Asserted Claims and further denies any wrongdoing whatsoever;

WHEREAS, the Parties, through counsel, engaged in settlement discussions that resulted in an agreement in principle to fully and finally resolve all claims, defenses, and disputes between Mr. Cullem and Allarity, whether known or unknown, including but not limited to the Asserted Claims;

WHEREAS, to avoid the uncertainties and expenses of litigation, and to effectuate a compromise of the Parties' respective legal positions without any admission of wrongdoing or liability, the Parties now wish to memorialize through this Agreement the full and complete terms of their agreement to fully and finally settle and resolve all disputes between them;

NOW, THEREFORE, in consideration of the mutual promises contained herein, the recitals above which are hereby incorporated by reference, and other good and valuable consideration as hereinafter recited, the receipt and adequacy of which is hereby acknowledged, the Parties agree as follows:

1. **Consideration for Release of Claims.**

a. **Initial Settlement Payment:** In consideration for Mr. Cullem's promises herein, including Mr. Cullem's general release of claims in Section 4 of this Agreement, Allarity shall pay Mr. Cullem a total amount of Seventy Thousand Dollars and Zero Cents (**\$70,000.00**) (the "Initial Settlement Payment") on April 1, 2024. [The Initial Settlement Payment shall be made to Mr. Cullem with appropriate withholdings by the Company]. This Initial Settlement Payment shall be made via wire transfer to a U.S. bank account designated by Mr. Cullem in writing to Company's CFO, Joan Brown.

b. **Installment Payments:** Allarity further agrees to pay Mr. Cullem a total of One- Hundred and Seventy-Nine Thousand, One-Hundred and Fifty-Five Dollars (**\$179,155.00**) (the "Installment Payment"), to be divided equally into five monthly payments of Thirty-Five Thousand, Eight-Hundred and Thirty-Three Dollars (**\$35,833**) (the "Monthly Payments"). The first Monthly Payment will be paid by May 1, 2024, with each subsequent payment due on the first day of each subsequent month, ending with the last Monthly Payment by September 1, 2024. These Monthly Payments shall be made via wire transfer to a U.S. bank account designated by Mr. Cullem in writing to Company's CFO, Joan Brown.

i. In the event that the Company lacks sufficient cash on hand to make any of the Monthly Payments, Company agrees to issue to Mr. Cullem shares in the Company in an amount equal in value to the amount of any Monthly Payments which are in arrears. These shares shall be transferred to a U.S. brokerage account designated by Mr. Cullem in writing to the Company's CFO, Joan Brown. The number of shares in lieu of cash shall be determined by the FMV closing share price of Company's stock on the date hereof; provided, however, that if the Company does not have shares available under any applicable stock option plan (the unavailability of which shall be confirmed by written affirmation by Joan Brown) that pursuant to this Section 1(b)(i), payment of shares will be contingent upon the Company receiving shareholder approval to increase the number of shares available under the Company's stock option plan, and the Company shall seek such approval without delay and with the understanding that time is of the essence.

ii. In the event that the Company does not receive shareholder approval to increase the number of shares, the Company agrees to pay Mr. Cullem an amount equal to the amount of any Monthly Payments which are in arrears, upon either a financing or combination of financings by the Company which totals Three-Million Dollars (**\$3,000,000**) gross. If the Company fails to make a Monthly Payment, ten percent interest will accrue until such Monthly Payment is paid.

c. **Issuance of Shares:** Allarity further agrees to issue to Mr. Cullem Two-Hundred and Ninety Thousand shares of the Company's common stock (the "Settlement Shares"), subject to compliance with the Company's organizational documents and federal and state securities laws. The Settlement Shares will be issued on Monday, April 1, 2024. These shares shall be transferred to a U.S. brokerage account designated by Mr. Cullem in writing to the Company's CFO, Joan Brown.

d. In the event that the Initial Settlement Payment pursuant to Section 1(a) and the Issuance of Shares pursuant to Section 1(c) are not made to Mr. Cullem in full by 7 p.m. EST on April 1, 2024, this Agreement in its entirety shall be rendered null and void and of no further force and effect, the parties shall be released from any obligation hereunder unless such obligations otherwise remain in force by prior binding contract or agreement, and both parties shall retain any and all rights, claims, and causes of action which would otherwise have been released by this Agreement.

2. **Adequacy of Consideration.** Mr. Cullem acknowledges and agrees that the consideration described in Section 1 constitutes adequate consideration for his waiver of rights and other promises herein. Mr. Cullem's entitlement to the Settlement Payment and Installment Payment does not include any benefit, whether monetary or otherwise, that was earned or accrued, or to which Mr. Cullem would already be entitled without his waiver of rights and other promises in this Agreement. Mr. Cullem acknowledges and agrees that execution of this Agreement shall fully extinguish any claim that Mr. Cullem is owed any wages, damages, monetary payments, or other benefits of any kind from Allarity.

3. **Indemnification for Tax Liabilities.** Mr. Cullem promises to jointly and severally indemnify and hold Allarity harmless from and against all tax liabilities, penalties, and related costs arising from the Settlement Payment or Monthly Payments due to Mr. Cullem pursuant to this Agreement. Mr. Cullem understands and agrees that this indemnification obligation shall include reimbursement of reasonable attorneys' fees that Allarity or its affiliated entities incur in connection with a governmental investigation or legal proceeding related to the tax treatment of the Settlement Payment. Mr. Cullem acknowledges and further agrees that Allarity has not provided Mr. Cullem with any tax advice regarding any portion of the Settlement Payment or Monthly Payments, and that he has been advised to consult with a tax professional of his own choosing and at his own expense regarding the tax reporting of the Settlement Payment or Monthly Payments.

4. **General Release of Claims.**

a. *In General: For valuable consideration, including Allarity's promises described in Section 1 of this Agreement, the receipt and adequacy of which is hereby acknowledged, Mr. Cullem agrees to release all claims he may now have against Allarity and other parties as set forth in this Section 4 of the Agreement and all subsections thereof.*

- 3 -

---

**b. Released Parties:** The “Released Parties” are: (i) Allarity Therapeutics, Inc.; (ii) any affiliate of Allarity Therapeutics, Inc., and any parent entities, subsidiary entities, or successor entities; (iii) each of Allarity Therapeutics, Inc.’s and its affiliates’ past and present employees, officers, trustees, directors, shareholders, owners, representatives, assigns, attorneys, agents, insurers; and (iv) any other persons acting through or with any of the persons or entities listed in this subsection.

**c. Claims Released by Mr. Cullem:** Mr. Cullem understands and agrees that under this Section, he is hereby, as of the Effective Date, releasing all known and unknown claims, promises, demands, obligations, damages or rights of any type that he may have, including the Asserted Claims (collectively, “Claims”) against any of the Released Parties, except that Mr. Cullem is not releasing any Claims that relate to: (i) his right to enforce this Agreement; (ii) his right, if any, to claim government-provided unemployment benefits and/or workers’ compensation benefits; (iii) any vested benefits that Mr. Cullem has under any employee benefit plan, including any claim for disability insurance; and (iv) the in-force Indemnification Agreement between the Company and Mr. Cullem (effective date August 2, 2022). Mr. Cullem understands that the Claims he is releasing may arise under many different laws (including but not limited to statutes, regulations, other administrative guidance, and common law doctrines), including, but by no means limited to:

Anti-discrimination statutes, such as the Americans With Disabilities Act, Age Discrimination in Employment Act, Sections 503 and 504 of the Rehabilitation Act of 1973, and the Family Medical Leave Act of 1993, as amended, which prohibit discrimination based on disability; Title VII of the Civil Rights Act of 1964, Section 1981 of the Civil Rights Act of 1866, and Executive Order 11246, which prohibit discrimination based on race, color, national origin, religion, or sex; the Equal Pay Act, which prohibits paying men and women unequal pay for equal work; all of the retaliation provisions of the aforementioned statutes; and any other federal, state, or local laws prohibiting employment or wage discrimination, including but by no means limited to the Massachusetts Fair Employment Practices Law, the Massachusetts Civil Rights Act, the Massachusetts Equal Rights Act, New York State Human Rights Law, and New York City Human Rights Law.

Federal employment statutes, such as the Employee Retirement Income Security Act of 1974, which, among other things, protects employee benefits; and any other federal laws relating to employment, such as veterans’ reemployment rights laws.

Other laws, such as any federal, state, or local laws governing the payment of wages or benefits, including but by no means limited to the Massachusetts Wage Act and New York Labor Law, governing working conditions, restricting an employer’s right to terminate employees, or otherwise regulating employment; retaliation and whistleblower claims; any federal, state, or local law enforcing express or implied employment contracts or requiring an employer to deal with employees fairly or in good faith.

Tort and Contract Claims, such as claims for wrongful discharge, physical or personal injury, emotional distress, fraud, fraud in the inducement, negligent misrepresentation, defamation, invasion of privacy, interference with contract or with prospective economic advantage, breach of express or implied contract, breach of covenants of good faith and fair dealing, and similar or related claims.

Examples of released Claims include, but are not limited to: (i) Claims that in any way relate to Mr. Cullem's employment with or engagement by Allarity or any other Released Party, or the termination of that employment or engagement, such as Claims for compensation, bonuses, commissions, lost wages, or unused accrued vacation or sick pay, including but not limited to Claims under the Massachusetts Wage Act; (ii) Claims that in any way relate to the design of any employee benefit program; (iii) Claims that Mr. Cullem has to irrevocable or vested rights to severance or similar benefits or to post-employment health benefits (except as otherwise provided in this Agreement); and (iv) any Claims to attorneys' fees or other indemnities.

**d. Sole Remedy:** Mr. Cullem hereby expressly acknowledges that, unless this Agreement is rendered null and void pursuant to Section 1(d), the releases contained in this Section 4 are valid and binding upon execution of this Agreement. In the event that Allarity fails to satisfy any of the promises contained in Section 1, Mr. Cullem acknowledges that the releases contained in this Section 4 survive such breach, and that Mr. Cullem's sole remedy shall be an action for damages for breach of this Agreement against Allarity.

**e. The Company's Release of Mr. Cullem**

In consideration for, among other terms, promises contained in this Agreement the Company, including Company subsidiary entities, or successor entities ("Company Parties"), voluntarily release and forever discharge Mr. Cullem, his estate, and his heirs generally from all claims, demands, debts, damages and liabilities of every name and nature, known or unknown ("Company Claims") that, as of the date of this Agreement, the Company Parties have, ever had, now claim to have or ever claimed to have had against you, your estate and your heirs.

The Company Parties represent that they have not filed, and have not caused to be filed, against Mr. Cullem, any action or legal proceeding in any court or any administrative agency concerning any matter involving him. As a material inducement to Mr. Cullem to enter into this Agreement, the Company Parties represent that they have not assigned to any third party and they have not filed with any agency or court any Claim released by this Agreement.

5. **Other Promises and Acknowledgments.** In exchange for the Settlement Payment, the Parties also promise and acknowledge the following:

a. **Covenant Not to Sue:** Mr. Cullem represents and warrants that he does not know of any claims, causes of action, grievances, charges, or other complaints that have been asserted by his or on his behalf against any of the Released Parties that are currently pending in any local, state, or federal court, tribunal, or administrative or regulatory agency. Mr. Cullem and the Company further covenant that they shall not, after his execution of this Agreement, commence or cause to be commenced any suits, charges, complaints, or other legal proceedings arising from any legal claims intended to be waived by this Agreement, including without limitation, the claims waived pursuant to the General Release of Claims in Section 4 of this Agreement. To the extent this representation is false when either party signs this Agreement, the General Release of Claims in Section 4 of this Agreement shall fully extinguish any other claims, complaints, or other causes of action that are pending against any of the Released Parties

b. **Confidentiality of Allarity's Confidential Information:** Mr. Cullem hereby acknowledges that during his employment with Allarity, he may have acquired proprietary, private, and/or otherwise confidential information ("Confidential Information," as defined and described in this Section). Confidential Information shall mean all non-public information, whether or not created or maintained in written or electronic form, which constitutes, relates to, or refers to Allarity or any Released Party, and to any current, former or potential employee, service provider, client, investor, or business partner of Allarity, and any aspect of the operation of the business of Allarity or any Released Party, including without limitation, all financial, operational, marketing, investor, and statistical information. All the foregoing are illustrative, and Confidential Information shall not be limited to those illustrations. By signing this Agreement, Mr. Cullem promises that he has not divulged any Confidential Information to any third party and that he will not disclose Confidential Information in any form to a third party. Mr. Cullem shall give immediate notice to Allarity if compelled by law to reveal any Confidential Information to any third party. Mr. Cullem acknowledges and agrees that any unauthorized disclosure to any person or persons of Confidential Information shall cause irreparable damage to Allarity and that, therefore, Allarity shall, in addition to any other available remedy, be entitled to seek an injunction prohibiting Mr. Cullem from any further disclosure or attempted disclosure.

c. **Allarity's Property:** Mr. Cullem agrees and acknowledges that he has returned and/or deleted to Allarity all Confidential Information (as defined in Section 5b herein) in his possession or otherwise under his control, unless expressly required to be preserved by the SEC, in whatever format, whether written, recorded, electronically or digitally stored and/or retrieved. Mr. Cullem agrees that he is not retaining any copies of any documents, records, or materials of any kind, whether written or electronically created or stored, which contain, relate to, or refer to any Confidential Information, and affirms that he has no such documents, records, or materials. It is understood and agreed that Mr. Cullem's above-described return and non-retention of Allarity's Confidential Information is a material condition of this Agreement.

**d. Ownership of Claims:** Mr. Cullem promises that he has not assigned any rights or claims he may have against any of the Released Parties to any other person or entity, including but not limited to the Asserted Claim or any of the other Claims intended or purported to be waived via this Agreement as of the Effective Date. Mr. Cullem also promises that no child support order, garnishment orders, or other orders requiring him to pay money to any other person are now in effect.

**e. Non-Admission of Liability:** Mr. Cullem agrees that this Agreement is not an admission of guilt or wrongdoing by any of the Released Parties.

**f. Non-Disparagement:** Mr. Cullem agrees to refrain from making any statements or comments of a defamatory or disparaging nature to third parties regarding the Company or its shareholders, officers, directors, personnel or products, or those of its affiliates. This prohibition against defamatory or disparaging remarks includes, without limitation, statements to any individual or entity which could adversely affect Allarity's business or reputation. Notwithstanding the foregoing, nothing herein is intended to prevent Mr. Cullem from testifying in good faith under oath pursuant to a subpoena or as otherwise required by law. Further, nothing in this Agreement prohibits Mr. Cullem from engaging in protected activities under the NLRA, including those protected by Section 7 of the NLRA.

**g. The Company agrees to refrain from making any statements or comments of a defamatory or disparaging nature to third parties regarding Mr. Cullem and will instruct the Company's directors and officers not to make any statements or comments of a defamatory or disparaging nature to third parties. This prohibition against defamatory or disparaging remarks includes, without limitation, statements to any individual or entity which could affect adversely Mr. Cullem's business or reputation. Notwithstanding the foregoing, nothing herein is intended to prevent any directors, officers or employees of the Company from testifying in good faith under oath pursuant to a subpoena or as otherwise required by law.**

**h. Confidentiality:** The terms and conditions of this Agreement, including but not limited to the amount of the Payment or any other provision of this Agreement, as well as the Agreement itself, shall be kept strictly confidential and shall not be disclosed by Mr. Cullem to any other person or entity without the express written consent of Allarity, except that, if asked about any employment dispute with Allarity, Mr. Cullem may state that the matter is settled and except to the extent required by law, subpoena, court order, or the rules of any governmental agency. For clarity, the Parties acknowledge that this provision does not prohibit Mr. Cullem from initiating, testifying, assisting, complying with a subpoena from, or participating in any manner with an investigation conducted by the appropriate local, state, or federal agency; or filing or disclosing any facts necessary to receive unemployment insurance, Medicaid, or other public benefits to which the complainant is entitled; or speaking with law enforcement, the Equal Employment Opportunity Commission, the Massachusetts Commission Against Discrimination, the New York State Division of Human Rights, a local commission on human rights, or his attorney. Mr. Cullem may also disclose the terms of the Agreement to his accountant, tax advisor or attorney who has a need to know to advise his as to his tax obligations or related obligations under the law; in any instance where he makes such disclosure to an accountant, tax advisor or attorney, he agrees to inform them that they similarly are bound by the confidentiality provisions set forth in this Paragraph. The provisions of this Paragraph shall survive the termination of this Agreement. **Any violation of this provision will be deemed a material breach.**

i. **Neutral Reference:** In the event that Allarity's Human Resources Department or any of its Board Directors or Officers receives any inquiry about Mr. Cullem from any prospective employer, Allarity's Human Resources Department shall provide only Mr. Cullem's dates of employment and positions held. Nothing herein shall prevent Mr. Cullem from seeking, or any person from voluntarily providing, a personal or professional reference for Mr. Cullem.

j. **Cooperation by Mr. Cullem:** Mr. Cullem agrees that he shall reasonably cooperate with, and shall be reasonably available to, Allarity or any Released Party to assist in any matter, including, without limitation, government agency investigations and actual or potential court litigation or arbitration, in connection with which Mr. Cullem may have knowledge. If Mr. Cullem receives a subpoena or process from any person or entity (including, but not limited to, any governmental agency) which would or may require Mr. Cullem to disclose documents or information or provide testimony (in a deposition, court proceeding, or otherwise) regarding, in whole or in part, any of the Released Parties or any proprietary or confidential information, Mr. Cullem shall: (i) notify Allarity of the subpoena or other process within five (5) business days of receiving it (or a shorter period such that not less than one (1) business day shall remain between such notification and any deadline for response thereto); and (ii) to the maximum extent permissible under applicable law, not make any disclosure pursuant to the subpoena until the appropriate Released Parties have had a reasonable opportunity to contest the right of the requesting person or entity to such disclosure, limit the scope or nature of such disclosure, and/or seek to participate in the proceeding or matter in which the disclosure is sought. Mr. Cullem shall further cooperate with Allarity and any Released Party in responding to any such subpoena or process. If Mr. Cullem's cooperation obligation as described in this Section requires Mr. Cullem to use paid vacation time from Mr. Cullem's position with his then-current employer, Allarity will reimburse Mr. Cullem for the amount of paid vacation time he uses at a rate no less than Allarity's rate of pay from his then-current employer. Allarity further agrees that it shall reimburse Mr. Cullem for reasonable expenses incurred by his in connection with his cooperation (as described in this Section) and in accordance with Allarity's policies for the reimbursement of employee's expenses and in accordance with the in-force Indemnification Agreement between the Company and Mr. Cullem (effective date August 2, 2022).

k. **Consequences of Violating Promises.** In the event any action is brought to enforce the terms of this Agreement, the prevailing party shall be entitled, in addition to any other right or remedy it may have at law or in equity, to all costs associated with enforcing this Section and the Agreement overall, including but not limited to attorneys' fees. The prevailing party also shall be entitled to recover all reasonable attorneys' fees and costs incurred in connection with proving entitlement and/or the amounts of attorneys' fees and costs to be awarded under this Section.

6. **No Other Agreements.** Mr. Cullem promises that he is not entering into this Agreement because of, or otherwise relying upon, any representations or statements by Allarity, or anyone affiliated with Allarity that is not otherwise contained or referenced in this Agreement. This Agreement contains the entire understanding between the Parties and supersedes all prior oral and written agreements regarding the subject matter hereof. This Agreement can only be modified by a writing signed by both Parties.

7. **Choice of Law.** This Agreement shall be governed by the laws of the State of Massachusetts, excluding any choice of law principles. Any action to enforce this Agreement must be brought in a state or federal court of competent jurisdiction located in the State of Massachusetts, and the Parties expressly, irrevocably, and unconditionally consent to the personal jurisdiction of said court(s).

8. **Revocation.** Mr. Cullem acknowledges that: (a) he understands all the terms and conditions of this Settlement Agreement and Release; (b) the Company has provided him at least 21 days to decide whether he wants to sign this Agreement and has advised Mr. Cullem to consult with an attorney of Mr. Cullem's choice at Mr. Cullem's expense concerning this Agreement, and Mr. Cullem has taken that opportunity to the extent Mr. Cullem wishes to do so; and (c) Mr. Cullem understands that in exchange for signing this Agreement, Mr. Cullem is receiving consideration to which Mr. Cullem would not otherwise be entitled.

*Mr. Cullem may revoke this Agreement at any time during the seven days after Mr. Cullem signs it, and the Agreement, and Mr. Cullem's entitlement to the consideration herein, shall not become effective until that revocation period passes without Mr. Cullem revoking the Agreement (the "Effective Date"). If Mr. Cullem chooses to revoke the Agreement, such revocation must be by means of a writing signed by Mr. Cullem and delivered within the seven-day revocation period by notice as provided in Section 10 of this Agreement. The Companies advise Mr. Cullem of Mr. Cullem's right to consult with an attorney prior to executing this Agreement. Mr. Cullem understands that he has twenty-one (21) days from the date of receipt of this Agreement to consider whether to sign it and to consult with an attorney (the "Consideration Period"). Mr. Cullem's signature on this Agreement constitutes an express waiver of the Consideration Period if affixed prior to the expiration of that period. By signing this Agreement, Mr. Cullem expressly acknowledges that Mr. Cullem's decision to sign this Agreement sooner than the expiration of the Consideration Period was knowing and voluntary.*
