

FIRST QUARTER 2026 EARNINGS PRESENTATION

April 30, 2026

DISCLAIMER

Forward-Looking Statements

This presentation contains forward-looking statements within the meaning of federal securities laws. These forward-looking statements are not historical facts but rather are based on ACRES Commercial Realty Corp.'s ("ACR's" or the "Company's") current beliefs, assumptions and expectations. These beliefs, assumptions and expectations can change as a result of many possible events or factors, not all of which are known to ACR or are within its control. If a change occurs, its business, financial condition, liquidity and results of operations may vary materially from those expressed in the forward-looking statements. You should not place undue reliance on these forward-looking statements, which reflect ACR's view only as of the date of this presentation. ACR uses words such as "anticipate," "expect," "intend," "plan," "believe," "seek," "estimate," "target," and variations of these words and similar expressions to identify forward-looking statements. Forward-looking statements are subject to various risks and uncertainties that could cause actual results to vary from its forward-looking statements, including, but not limited to:

- Changes in the industry, interest rates, the debt securities markets, real estate markets or the general economy;
- Increased rates of default and/or decreased recovery rates on its investments;
- The performance and financial condition of its borrowers;
- The cost and availability of its financings, which depend in part on its asset quality, the nature of its relationships with its lenders and other capital providers, its business prospects and outlook and general market conditions;
- The availability and attractiveness of terms of additional debt repurchases;
- Availability, terms and deployment of short-term and long-term capital;
- Availability of, and ability to retain, qualified personnel;
- Changes in its business strategy;
- Availability of investment opportunities in commercial real estate-related and commercial finance assets;
- The degree and nature of its competition;
- The resolution of its non-performing and sub-performing assets;
- The Company's ability to comply with financial covenants in its debt instruments;

- The adequacy of its cash reserves and working capital;
- The timing of cash flows, if any, from its investments;
- Unanticipated increases in financial and other costs, including a rise in interest rates;
- Its ability to maintain compliance with over-collateralization and interest coverage tests in certain financing arrangements;
- Its dependence on ACRES Capital, LLC, its "manager", and ability to find a suitable replacement in a timely manner, or at all, if its manager or the Company were to terminate the management agreement;
- Environmental and/or safety requirements;
- Its ability to satisfy complex rules in order for ACR to qualify as a real estate investment trust ("REIT"), for federal income tax purposes and qualify for its exemption under the investment company act of 1940, as amended, and its ability and the ability of its subsidiaries to operate effectively within the limitations imposed by these rules;
- Legislative and regulatory changes (including changes to laws governing the taxation of REITs or the exemptions from registration as an investment company); and
- Other factors discussed under item IA. Risk factors in its annual report on form 10-K for the year ended December 31, 2025 and those factors that may be contained in any subsequent filing ACR makes with the Securities and Exchange Commission.

DISCLAIMER

Forward-Looking Statements (continued)

In light of these risks and uncertainties, the forward-looking events and circumstances discussed in this presentation might not occur and actual results, performance or achievement could differ materially from those anticipated or implied in the forward-looking statements. The Company undertakes no obligation, and specifically disclaims any obligation, to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.

Past Performance

Past performance is not indicative of future results. There is no guarantee that any investment strategy referenced herein will work under all market conditions. Prior to making any investment decision, you should evaluate your ability to invest for the long-term, especially during periods of downturns in the market. You alone assume the responsibility of evaluating the merits and risks associated with any potential investment or investment strategy referenced herein.

Notes on Presentation

This presentation contains information regarding financial results that is calculated and presented on the basis of methodologies other than in accordance with accounting principles generally accepted in the United States (“GAAP”), which management believes is relevant to assessing ACR’s financial performance. Please refer to page 18 for the reconciliation of Net Income (Loss), a GAAP financial measure, to Earnings Available for Distribution (“EAD”), a non-GAAP financial measure. Unless otherwise indicated, information included in this presentation is at or for the period ended March 31, 2026.

Definitions

Refer to page 20 for a description of certain terms not otherwise defined or footnoted, including EAD, Benchmark Rate, Book Value, and other key terms.

No Offer or Sale of Securities

This presentation is for informational purposes only and does not constitute an offer to sell or the solicitation of any offer to buy any securities of ACR or any other entity. Any offering of securities would be made pursuant to separate documentation and any such securities would not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

KEY DEFINITIONS

Earnings Available for Distribution:

Earnings Available for Distribution (“EAD”) is a non-GAAP financial measure that the Company uses to evaluate its operating performance. EAD excludes the effects of certain transactions and GAAP adjustments that it believes are not necessarily indicative of its current CRE loan portfolio and other CRE-related investments and operations. EAD excludes income (loss) from all non-core assets comprising of investments and securities owned by the Company at the initial measurement date of December 31, 2016 in commercial finance, middle market lending, residential mortgage lending, certain legacy CRE loans and other non-CRE assets designated as assets held for sale.

EAD, for reporting purposes, is defined as GAAP net income (loss) allocable to common shares, excluding (i) non-cash equity compensation expense, (ii) unrealized gains and losses, (iii) non-cash provisions for loan losses, (iv) non-cash impairments on securities, (v) non-cash amortization of discounts or premiums associated with borrowings, (vi) net income or loss from a limited partnership interest owned at the initial measurement date, (vii) net income or loss from non-core assets, (viii) real estate depreciation and amortization, (ix) foreign currency gains or losses and (x) income or loss from discontinued operations. EAD may also be adjusted periodically to exclude certain one-time events pursuant to changes in GAAP and certain non-cash items.

Although pursuant to the Fourth Amended and Restated Management Agreement the Company calculates the Manager’s incentive compensation using EAD excluding incentive fees payable to the Manager, the Company includes incentive fees payable to the Manager in EAD for reporting purposes.

Secured Overnight Finance Rate:

Secured Overnight Finance Rate (“SOFR”) refers to the collective one-month Term Secured Overnight Finance Rate that are used as benchmarks on the originated loans.

Book Value :

Book value is presented per common share, excluding unvested restricted stock and including warrants to purchase common stock. The measure refers to common stock book value, which is calculated as total stockholders’ equity less preferred stock equity.

Leverage Ratio:

Leverage ratio is calculated as the respective period ended borrowings over total equity. Asset-specific leverage ratio excludes corporate debt from the calculation.

Current Expected Credit Losses:

Current Expected Credit Losses (“CECL”) refers to the provision to earnings in order to estimate expected losses.

OTHER DISCLOSURES

Commercial Real Estate Loans Risk Ratings

CRE loans are collateralized by a diversified mix of real estate properties and are assessed for credit quality based on the collective evaluation of several factors, including but not limited to: collateral performance relative to underwritten plan, time since origination, current implied and/or re-underwritten loan-to-collateral value ratios, loan structure and exit plan. Depending on the loan’s performance against these various factors, loans are rated on a scale from 1 to 5, with loans rated 1 representing loans with the highest credit quality and loans rated 5 representing loans with the lowest credit quality. The factors evaluated provide general criteria to monitor credit migration in the Company’s loan portfolio; as such, a loan’s rating may improve or worsen, depending on new information received.

The criteria set forth below should be used as general guidelines, and therefore not every loan will have all of the characteristics described in each category below.

Rating 1:	Property performance has surpassed underwritten expectations
	Occupancy is stabilized, the property has had a history of consistently high occupancy, and the property has a diverse and high-quality tenant mix
Rating 2:	Property performance is consistent with underwritten expectations and covenants and performance criteria are being met or exceeded
	Occupancy is stabilized, near stabilized or is on track with underwriting
Rating 3:	Property performance lags behind underwritten expectations
	Occupancy is not stabilized and the property has some tenancy rollover
Rating 4:	Property performance significantly lags behind underwritten expectations. Performance criteria and loan covenants have required occasional waivers
	Occupancy is not stabilized and the property has a large amount of tenancy rollover
Rating 5:	Property performance is significantly worse than underwritten expectations. The loan is not in compliance with loan covenants and performance criteria and may be in default. Expected sale proceeds would not be sufficient to pay off the loan at maturity
	The property has a material vacancy rate and significant rollover of remaining tenants
	An updated appraisal is required upon designation and updated on an as-needed basis

ACRES Commercial Realty Corp. is a real estate investment trust that is primarily focused on originating, holding and managing commercial real estate mortgage loans and equity investments in commercial real estate property through direct ownership and joint ventures.
