NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

Note A — Basis of Financial Statements

The following describes the significant accounting policies of Cannae Holdings, Inc. and its subsidiaries (collectively, "we," "us," "our," "Cannae," "CNNE," or the "Company"), which have been followed in preparing the accompanying Condensed Consolidated Financial Statements.

Description of the Business

We primarily acquire interests in operating companies and are engaged in actively managing and operating a core group of those companies, which we are committed to supporting for the long term. From time to time, we also seek to take meaningful equity ownership stakes where we have the ability to control or significantly influence quality companies, and we bring the strength of our operational expertise to each of our subsidiaries. We are a long-term owner that secures control and governance rights of other companies primarily to engage in their lines of business and we have no preset time constraints dictating when we sell or dispose of our businesses. We believe that our long-term ownership and active involvement in the management and operations of companies helps maximize the value of those businesses for our shareholders. Our primary assets as of **September 30, 2023** **March 31, 2024** include our ownership interests in Dun & Bradstreet Holdings, Inc. ("Dun & Bradstreet" or "D&B"); **Dayforce, Inc., ("Dayforce", formerly known as Ceridian HCM Holding, Inc. ("Ceridian"))**; Alight, Inc. ("Alight"); Paysafe Limited ("Paysafe"); Sightline Payments Holdings, LLC ("Sightline"); System1, Inc. ("System1"); Black Knight Football and Entertainment, LP ("**BKFE**" **Black Knight Football**" or "**BKFE**"); Computer Services, Inc. ("CSI"); **JANA Partners Capital, LLC and JANA Partners Management, LP (together, "JANA")**; **High Sierra Distillery, LP ("Minden Mill")**; AmeriLife Group, LLC ("AmeriLife"); O'Charley's Holdings, LLC ("O'Charley's"); 99 Restaurants Holdings, LLC ("99 Restaurants"); and various other controlled **portfolio subsidiary** companies and minority equity ownership interests.

See Note E - *Segment Information* for further discussion of the businesses comprising our reportable segments.

We conduct our business through our wholly-owned subsidiary Cannae Holdings, LLC ("Cannae LLC"), a Delaware limited liability company. Our board of directors ("Board") oversees the management of the Company, Cannae LLC and its businesses, and the performance of our external manager, Trasimene Capital Management, LLC ("Trasimene" or our "Manager").

Principles of Consolidation and Basis of Presentation

The accompanying Condensed Consolidated Financial Statements are prepared in accordance with generally accepted accounting principles in the United States ("GAAP") and the instructions to Form 10-Q and Article 10 of Regulation S-X and include the historical accounts as well as wholly-owned and majority-owned subsidiaries of the Company. In the opinion of management, all adjustments considered necessary for a fair presentation have been included. All adjustments made were of a normal, recurring nature. This report should be read in conjunction with our Annual Report on Form 10-K (our "Annual Report") for the year ended **December 31, 2022** **December 31, 2023**.

All intercompany profits, transactions and balances have been eliminated. Our ownership interests in non-majority-owned partnerships and affiliates are accounted for under the equity method of accounting or as equity securities. Earnings attributable to noncontrolling interests recorded on the Condensed Consolidated Statements of Operations represents the portion of our majority-owned subsidiaries' net earnings or loss that is owned by noncontrolling shareholders of such subsidiaries. Noncontrolling interest recorded on the Condensed Consolidated Balance Sheets represents the portion of equity owned by noncontrolling shareholders in our consolidated subsidiaries.

Management Estimates

The preparation of these Condensed Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Condensed Consolidated Financial Statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by management include the fair value measurements (See Note B - *Investments* and Note C - *Fair Value Measurements*). Actual results **may could** differ from estimates.

Earnings Per Share

Basic earnings per share, as presented on the Condensed Consolidated Statement of Operations, is computed by dividing net earnings available to common shareholders by the weighted average number of common shares outstanding during the period.

In periods when earnings are positive, diluted earnings per share is calculated by dividing net earnings available to common shareholders by the weighted average number of common shares outstanding plus the impact of assumed conversions of potentially dilutive securities. For periods when we recognize a net loss, diluted loss per share is equal to basic loss per share as the impact of assumed conversions of potentially dilutive securities is considered to be antidilutive. We have granted certain shares of restricted stock and restricted stock units that have been treated as common share equivalents for purposes of calculating diluted earnings per share for periods in which positive earnings have been reported.

Instruments that provide the ability to purchase shares of our common stock that are antidilutive are excluded from the computation of diluted earnings per share. For the three and nine months ended September 30, 2023 March 31, 2024 there were 0.1 million and zero antidilutive shares of restricted stock outstanding respectively, that were excluded from the calculation of diluted earnings per share. For the three and nine months ended September 30, 2022 March 31, 2023, there were zero and 0.1 0.4 million antidilutive shares of restricted stock outstanding, respectively, that were excluded from the calculation of diluted earnings per share.

Income Taxes

Our effective tax rate was 21.9% (107.4)% and 11.3% 9.4% in the three months ended September 30, 2023 March 31, 2024 and 2022, respectively, and 27.1% and 26.8% in the nine months ended September 30, 2023 and 2022, 2023, respectively. The change in the effective tax rate in the three and nine-month three-month periods ended September 30, 2023 March 31, 2024 compared to the corresponding prior year periods was primarily attributable to recording of a valuation allowance in the varying impact current period of equity in losses of unconsolidated affiliates \$59.9 million on income tax (benefit) expense. our federal net operating loss carryforwards and certain deferred taxes related to our consolidated partnerships.

We have a Deferred tax asset of \$84.5 million \$29.0 million and \$22.7 \$82.0 million as of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, respectively. The \$61.8 \$53.0 million change in deferred taxes in the nine three months ended September 30, 2023 March 31, 2024 is primarily attributable to equity in losses recording of unconsolidated affiliates a valuation allowance of \$59.9 million on our federal net operating loss carryforwards and impairments of investments in unconsolidated affiliates, partially offset by sales of Ceridian shares and mark-to-market gains recorded on Ceridian.

Leases and Property and Equipment

System1

As of September 30, 2023, the book value of our investment in System1 accounted for under the equity method of accounting prior to any impairment was \$96.5 million. Based on quoted market prices, the aggregate fair market value of our ownership of System1 common stock was approximately \$32.7 million as of September 30, 2023. Due to the quantum of the decrease in the fair market value of our ownership interest subsequent to our acquisition, declines in the forecasted results of operations and liquidity of System1, and the uncertainty of the impact of the economic environment on System1's business, management determined the decrease in value of our investment in System1 was other-than-temporary as of September 30, 2023. Accordingly, we recorded an impairment of \$63.9 million which is included in Recognized (losses) gains, net, on our Consolidated Statement of Operations for the year ended September 30, 2023.

As of September 30, 2023, there was a \$(60.4) million difference between the amount of our recorded ownership interest in System1 and the amount of the Company's ratable portion of the underlying equity in the net assets of System1. The basis difference was reduced upon the impairment of our investment in System1 as of September 30, 2023 described above. The Company is currently evaluating the accounting treatment of the new basis difference to System1's identifiable net assets.

Sightline

As of September 30, 2023, the book value of our investment in Sightline accounted for under the equity method of accounting prior to any impairment was \$232.5 million. Based on a valuation using a hybrid discounted cash flow and market comparison approach, the aggregate fair market value of our ownership of Sightline equity was approximately \$162.3 million as of September 30, 2023. The fair value measurement is considered a level 3 fair value measure. The primary inputs in the valuation were the forecasted results of operations of Sightline and the discount rate used in the discounted cash flow analysis. The primary significant unobservable input used was the 29% discount rate used in the discounted cash flow analysis.

Note C — Fair Value Measurements

The fair value hierarchy established by the accounting standards on fair value measurements includes three levels, which are based on the priority of the inputs to the valuation technique. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Financial assets and liabilities that are recorded in the Consolidated Balance Sheets are categorized based on the inputs to the valuation techniques as follows:

Level 1. Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that we have the ability to access.

Level 2. Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the asset or liability.

Level 3. Financial assets and liabilities whose values are based on model inputs that are unobservable.

Note D — Variable Interest Entities

The Company, in the normal course of business, engages in certain activities that involve variable interest entities ("VIEs"), which are legal entities in which a group of equity investors individually lack any of the characteristics of a controlling interest. The primary beneficiary of a VIE is generally the enterprise that has both the power to direct the activities most significant to the economic performance of the VIE and the obligation to absorb losses or receive benefits that could potentially be significant

CANNAE HOLDINGS, INC.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) — continued

to the VIE. The Company evaluates its interest in certain entities to determine if these entities meet the definition of a VIE and whether the Company is the primary beneficiary and should consolidate the entity based on the variable interests it holds both at inception and when there is a change in circumstances that requires a reconsideration. If the Company is determined to be the primary beneficiary of a VIE, it must account for the VIE as a consolidated subsidiary. If the Company is determined not to be the primary beneficiary of a VIE but holds a variable interest in the entity, such variable interests are accounted for under accounting standards as deemed appropriate. As of and for the periods ended September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, we are not the primary beneficiary of any VIEs.

Unconsolidated VIEs

The table below summarizes select information related to variable interests held by the Company as of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, of which we are not the primary beneficiary:

Investments in Unconsolidated Affiliates

As of September 30, 2023 March 31, 2024 and December 31, 2022 December 31, 2023, we held variable interests in certain unconsolidated affiliates, which are primarily comprised of our ownership interests in BKFE, CSI and Minden Mill. Cannae does not have the power to direct the

activities that most significantly impact the economic performance of these unconsolidated affiliates; therefore, we are not the primary beneficiary.

The principal risk to which these investments and funds are exposed is the credit risk of the underlying investees. Cannae has guaranteed certain payment obligations of BKFE related to investment commitments associated with its acquisitions of interests in football clubs. These BKFE obligations total an estimated amount of approximately \$63.6 between \$41.9 million in the aggregate and \$76.2 million as of the date of this Quarterly Report and March 31, 2024. These obligations are potentially payable at various increments over the next approximately five years, four years and vary based on certain performance criteria. The underlying obligation of BKFE to fund these amounts is contingent on the exercise of certain investment options by BKFE or other parties. Cannae is required to fund such payments solely to the extent BKFE is unable to meet these obligations. We do not provide any other implicit or explicit liquidity guarantees or principal value guarantees to these VIEs.

The assets are included in Investments in unconsolidated affiliates on the Condensed Consolidated Balance Sheets and accounted for under the equity method of accounting. See Note B - *Investments* for further discussion of our accounting for investments in unconsolidated affiliates.

2020 Margin Facility

CANNAE HOLDINGS, INC.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED) — continued

On November 30, 2020, Cannae Funding C, LLC ("Borrower 1"), an indirect wholly-owned special purpose subsidiary of the Company, and Cannae Funding D, LLC ("Borrower 2" and, together with Borrower 1, the "Borrowers"), an indirect wholly-owned special purpose subsidiary of the Company, entered into a Margin Loan Agreement (the (as amended from time to time, the "2020 Margin Facility") with the lenders from time to time party thereto and Royal Bank of Canada. On June 16, 2023, the 2020 Margin Facility was amended to, among other things, lower the immediate capacity from \$250 million to \$150 million. On August 17, 2023, the 2020 Margin Facility was amended to, among other things, (i) extend the maturity of the agreement to August 17, 2026, (ii) add 40 million shares of common stock of Alight to the pool of collateral, and (iii) change the spread from 358 to 375 basis points and (iv) add Cannae Funding A, LLC ("Borrower 3" and together with Borrower 1 and Borrower 2, the "Borrowers"), an indirect wholly-owned special purpose subsidiary of the Company. On March 4, 2024, the 2020 Margin Facility was amended primarily to (i) assign the facility from Royal Bank of Canada to Bank of America, (ii) extend the maturity date to March 4, 2027 and (iii) change the spread from 375 to 310 basis points.

Under the 2020 Margin Facility, as amended, the Borrowers may borrow up to \$150.0 million in revolving loans and, subject to certain terms and conditions, may enter into an amendment to the 2020 Margin Facility to borrow up to \$500.0 million in revolving loans (including the initial revolving loans) from the same initial lender and/or additional lenders on substantially identical terms and conditions as the initial revolving loans. The 2020 Margin Facility matures on August 17, 2026 March 4, 2027. Outstanding amounts under the 2020 Margin Facility, if any, bear interest quarterly at a rate per annum equal to a three-month adjusted SOFR plus an applicable margin. The 2020 Margin Facility requires the Borrowers to maintain a certain loan-to-value ratio (based on the value of Ceridian, Dayforce, D&B and Alight shares). In the event the Borrowers fail to maintain such loan-to-value ratio, the Borrowers must post additional cash collateral under the Loan Agreement and/or elect to repay a portion of the revolving loans thereunder, or sell the Ceridian, Dayforce, D&B and/or Alight shares and use the proceeds from such sale to prepay a portion of the revolving loans thereunder.

During the quarter ended September 30, 2023 we borrowed and repaid \$50 million under the 2020 Margin Facility.

As of September 30, 2023 March 31, 2024, there was no outstanding balance under the 2020 Margin Facility, \$150.0 million of unused capacity with an option to increase the capacity to \$500.0 million upon amendment, and 4 million shares of Ceridian, 35 million shares of D&B and 40 million shares of Alight were pledged as collateral for borrowings.

things, limit the use of proceeds for borrowings thereunder to the repurchase of our own shares of common stock from FNF (as amended and restated, the "FNF Revolver"). Pursuant to the FNF Revolver, FNF may make one or more loans to us with up to \$100.0 million outstanding at any time. The FNF Revolver accrues interest at one-month adjusted SOFR plus 450 basis points and matures on November 17, 2025. The maturity date is automatically extended for additional five-year terms unless notice of non-renewal is otherwise provided by either FNF or Cannae, in their sole discretion.

On June 28, 2022, we completed the repurchase of all of our common stock previously held by FNF. FNF; accordingly, there is no incremental borrowing capacity available under the FNF Revolver.

On January 29, 2024, the FNF Revolver was amended to (i) reduce the borrowing capacity to \$60.0 million and (ii) change the interest rate to a fixed rate of 7.0% per annum. The Company also repaid \$25.0 million of outstanding principal under the FNF Revolver.

Note H — Commitments and Contingencies

Legal Contingencies

In the ordinary course of business, we are involved in various pending and threatened litigation and regulatory matters related to our operations, some of which include claims for punitive or exemplary damages. Our ordinary course litigation includes purported class action lawsuits, which make allegations related to various aspects of our business. From time to time, we also receive requests for information from various state and federal regulatory authorities, some of which take the form of civil investigative demands or subpoenas. Some of these regulatory inquiries may result in the assessment of fines for violations of regulations or settlements with such authorities requiring a variety of remedies. We believe that no actions, other than those discussed below, if any, depart from customary litigation or regulatory inquiries incidental to our business.

Our Restaurant Group companies are a defendant from time to time in various legal proceedings arising in the ordinary course of business, including claims relating to injury or wrongful death under "dram shop" laws that allow a person to sue us based on any injury caused by an intoxicated person who was wrongfully served alcoholic beverages at one of the restaurants; individual and purported class or collective action claims alleging violation of federal and state employment, franchise and other laws; and claims from guests or employees alleging illness, injury or other food quality, health or operational concerns. Our Restaurant Group companies are also subject to compliance with extensive government laws and regulations related to employment practices and policies and the manufacture, preparation, and sale of food and alcohol. We may also become subject to lawsuits and other proceedings, as well as card network fines and penalties, arising out of the actual or alleged theft of our customers' credit or debit card information.

We review lawsuits and other legal and regulatory matters (collectively "legal proceedings") on an ongoing basis when making accrual and disclosure decisions. When assessing reasonably possible and probable outcomes, management bases its decision on its assessment of the ultimate outcome assuming all appeals have been exhausted. For legal proceedings in which it has been determined that a loss is both probable and reasonably estimable, a liability based on known facts that represents our best estimate is recorded. As of September 30, 2023, March 31, 2024 and December 31, 2022, our accrual for settlements of legal proceedings was not considered material. Actual losses may materially differ from the amounts recorded and the ultimate outcome of our pending legal proceedings is generally not yet determinable. While some of these matters could be material to our operating results or cash flows for any particular period in the event of an unfavorable outcome, at present, we do not believe that the ultimate resolution of currently pending legal proceedings, either individually or in the aggregate, will have a material adverse effect on our financial condition, results of operations or cash flows.

On September 23, 2020, a stockholder derivative lawsuit styled *Oklahoma Firefighters Pension & Retirement System, derivatively on behalf of Cannae Holdings, Inc. v. William P. Foley, II, et al.*, was filed in the Court of Chancery of the State of Delaware against the Company, certain Board members and officers of the Company, and the Manager, alleging breach of fiduciary duties relating to the Company's Management Services Agreement. The plaintiff further alleges the Board breached their fiduciary duties by approving bonuses in connection with the initial public offering of Ceridian and the approval of an

Investment Success Incentive Plan in August 2018. Along with the Complaint, the plaintiff filed a motion for partial summary judgment as to the count seeking to void the Management Services Agreement. On January 27, 2021, the Company entered into an amendment to the Management Services Agreement and plaintiff withdrew its motion for partial summary judgment as moot. On February 1, 2021, the court ordered the plaintiff's summary judgment motion withdrawn and dismissed the related count of the plaintiff's complaint. On February 18, 2021, our Board formed a Special Litigation Committee (the "SLC") consisting of two of the Board's Directors, and has authorized the SLC, among other things, to investigate and evaluate the claims and allegations asserted in the lawsuit.

The Board has also given the SLC the sole authority and power to consider and determine whether or not prosecution of the claims asserted in the lawsuit is in the best interest of the Company and its shareholders, and what action the Company should take with respect to the lawsuit. On March 9, 2021, the Court entered a stipulated Order staying the action for six months to allow the SLC to investigate, review, and evaluate the facts, circumstances, and claims asserted in or relating to the action and to determine the Company's response thereto.

On October 25, 2022, the parties, including the SLC acting on behalf of the Company, reached an agreement-in-principle to settle the action, subject to various terms and conditions, as well as court approval. On March 10, 2023, the parties formalized their settlement and entered into a Stipulation and Agreement of Compromise, Settlement and Release which has been filed with the court. The agreement includes, among other things, a payment of \$6 million in cash to the Company, amendments to the Management Services Agreement between the Company and the Manager, and corporate governance changes. On June 8, 2023, the court entered an Order and Final Judgment approving the settlement in all respects and dismissing the lawsuit. The net settlement amount has been paid to the Company, the Management Services Agreement was amended on September 30, 2023, and the parties have complied with the remaining terms of the settlement. The net settlement is recorded in Recognized gains (losses), net on our Condensed Consolidated Statement of Operations in the nine months ended September 30, 2023. Business Trends and Conditions

Dun & Bradstreet. D&B helps its clients solve these mission critical business problems. D&B believes the total addressable market ("TAM") in which it operates is large, growing and significantly under penetrated. D&B participates in the big data and analytics software market, as defined by Interactive Data Corporation, which represents a collection of software markets that functionally address decision support and decision automation. This market includes business intelligence and analytics tools, analytic data management and integration platforms and analytics and performance management applications. Within the broader market of data and analytics solutions, D&B serves a number of different markets, including the commercial credit data, sales and marketing data and Governance, Risk and Compliance markets to provide clients with decisioning support and automation. As D&B continues to drive innovation in its solutions, it expects to address a greater portion of this TAM as new use cases for its data assets and analytical capabilities are introduced.

D&B believes there are several key trends in the global macroeconomic environment generating additional growth in D&B's [total addressable market TAM](#) and increasing the demand for its solutions, including growing recognition by business of the value of analytics and data-informed business decisioning, growth in data creation and applications driven by the proliferation of new technologies with new data sets and applications, advances in analytical capabilities that are unlocking the value of data, and heightened compliance requirements in the regulatory environment for business driven by the growth of new technologies.

Through directorships and other engagement, the Company works closely with the leadership of Alight, including with respect to Alight's financial and operating performance, to help value for Company shareholders.

Restaurant Group. The restaurant industry is characterized by high capital investments for new restaurants and relatively high fixed or semi-variable restaurant operating expenses. Because of the high fixed and semi-variable expenses, changes in sales in existing restaurants are generally expected to significantly affect restaurant profitability because many restaurant costs and expenses are not expected to change at the same rate as sales. The most significant commodities that may affect our cost of

food and beverage are beef, seafood, poultry, and dairy, which accounted for approximately half of our overall cost of food and beverage in the past. Generally, temporary increases in these costs are not passed on to guests; however, in the past, we have adjusted menu prices to compensate for increased costs of a more permanent nature.

We are currently operating in Recent years were a period of high inflation relative to long term long-term inflation expectations in the United States, U.S. This inflationary environment is primarily impacting impacted the commodity and labor costs of our Restaurant Group. We have adjusted menu pricing to at least partially account for these cost increases to an extent, but will continue to balance menu pricing considering the impact of inflationary pressures on costs and with the value proposition offered to customers, customers with a focus on long-term profitability.

Average weekly sales per restaurant are typically higher in the first and fourth quarters than in other quarters, and we typically generate a disproportionate share of our earnings from operations in the first and fourth quarters. Holidays, severe weather and other disruptive conditions may impact sales volumes seasonally in some operating regions.

The In 2023, the Restaurant Group has undertaken undertook a project to renegotiate or terminate leases and close O'Charley's stores with unfavorable store-level cash flow profiles. Through this process they have it closed (or expect to close prior to year-end) certain 77 O'Charley's stores, stores in the year ended December 31, 2023. We expect the process to generally reduce the future revenue and improve the future operating profitability of our Restaurant Group, however we cannot be certain of the precise long-term financial impact as of the date of this Quarterly Report. As of September 30, 2023, there are \$29.6 million of liabilities recognized on our Condensed Consolidated Balance Sheet related to stores expected to be closed in the fourth quarter of 2023 and for which the associated lease assets and property and equipment have been fully impaired in the periods ended September 30, 2023. Such lease liabilities will be derecognized, net of any termination fees and disposal costs, when O'Charley's is legally released from the remaining liability.

See further discussion of the historical results of operations of our Restaurant Group and of stores closed as of September 30, 2023 and the impact of impairments to lease assets and property equipment in the year ended September 30, 2023 in *Results of Operations - Restaurant Group* below.

Our revenues and operating income in future periods will continue to be subject to these and other factors that are beyond

our control and, as a result, are likely to fluctuate.

Critical Accounting Policies and Estimates

Our consolidated financial statements are prepared in accordance with U.S. GAAP. The Critical Accounting Policies and Estimates disclosed in Item 7 of our Annual Report are hereby incorporated by reference. Other than as described below, there have been no changes to our critical accounting policies and estimates.

Investments in unconsolidated affiliates - impairment monitoring. On an ongoing basis, management monitors the Company's investments in unconsolidated affiliates to determine whether there are indications that the fair value of an investment may be other-than-temporarily below our recorded book value of the investment. Factors considered when determining whether a decline in the fair value of an investment is other-than-temporary include, but are not limited to: the length of time and the extent to which the market value has been less than book value, the financial condition and near-term prospects of the investee, and the intent and ability of the Company to retain its investment in the investee for a period of time sufficient to allow for any anticipated recovery in market value.

As of September 30, 2023 March 31, 2024, the fair value of our ownership interest in Alight Dun & Bradstreet based on quoted market prices was \$372.1 million \$693.2 million and the book value of our recorded asset for Alight D&B was \$523.7 million \$704.9 million. While the fair value of our investment in Alight Dun & Bradstreet is below our book value, there are no other indicators that our investment is other than temporarily impaired. D&B has consistently grown its revenue and cash flow since when we initially invested in Dun & Bradstreet. Due to these factors, we consider the decline in value to be temporary as of March 31, 2024. Though we do not currently believe our investment in D&B is other than temporarily impaired, because the fair value is currently below the book value of our investment in Dun & Bradstreet, further declines in fair value of the investment, deterioration in D&B's actual or forecasted results of operations or adverse changes in the U.S. macroeconomic environment could result in an impairment charge in future periods to record our asset at fair value.

As of March 31, 2024, the fair value of our ownership interest in Alight based on quoted market prices was \$516.9 million and the book value of our recorded asset for Alight was \$488.3 million. The fair value of our investment in Alight is above our book value and there are no other indicators of impairment. Alight has consistently outperformed market expectations and our expectations for its results of operations from when we initially invested in Alight. Due to these factors, we consider the decline in value to be temporary as of September 30, 2023. Though we do not currently believe our investment in Alight is other than temporarily not currently impaired, because the fair value is currently below the book value of our investment in Alight, further declines in fair value of the investment, deterioration in Alight's actual or forecasted results of operations or adverse changes in the US U.S. macroeconomic environment could result in an impairment charge in future periods to record our asset at fair value.

As of September 30, 2023, the book value of our investment in System1 accounted for under the equity method of accounting prior to any impairment was \$96.5 million. Based on quoted market prices, the aggregate fair market value of our ownership of System1 common stock was approximately \$32.7 million as of September 30, 2023. Due to the quantum of the decrease in the fair market value of our ownership interest subsequent to our acquisition, declines in the forecasted results of operations and liquidity of System1, and the uncertainty of the impact of the economic environment on System1's business, management determined the decrease in value of our investment in System1 was other-than-temporary as of September 30, 2023. Accordingly, we recorded an impairment of \$63.9 million which is included in Recognized (losses) gains, net, on our Consolidated Statement of Operations for the year ended September 30, 2023.

As of September 30, 2023 March 31, 2024, the book value of our investment in Sightline accounted for under the equity method of accounting prior to any impairment was \$232.5 million. \$154.9 million. Based on a valuation using a hybrid discounted cash flow and market comparison approach, the aggregate fair market value of our ownership of Sightline equity was approximately \$162.3 million as of September 30, 2023. The fair value measurement is considered a level 3 fair value measure. The primary inputs in the valuation were the forecasted results of operations of Sightline and the discount rate used in the discounted cash flow analysis. The primary significant unobservable input used was the 29% discount rate used in the discounted cash flow analysis. Though we do not believe our investment in Sightline is currently impaired, further declines in fair value of the investment, deterioration in Sightline's actual or forecasted

Due

results of operations or adverse changes in the U.S. macroeconomic environment could result in an impairment charge in future periods to record our asset at fair value.

Accounting for Income Taxes. We recognize deferred tax assets and liabilities for temporary differences between the financial reporting basis and the tax basis of our assets and liabilities and expected benefits of utilizing net operating loss and credit carryforwards. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The impact of changes in tax rates and laws on deferred taxes, if any, is applied to the quantum years during which temporary differences are expected to be settled and reflected in the financial statements in the period enacted.

As of March 31, 2024, we had a net deferred tax asset of \$29.0 million, which is primarily attributable to temporary differences for our investments in unconsolidated affiliates held through partnerships. In the quarter ended March 31, 2024, we recorded a valuation allowance of \$59.9 million on the Company's federal net operating loss ("NOL") carryforwards and certain deferred taxes related to our consolidated partnerships. In the first quarter of 2024 it was determined that the net taxable capital gain from our sales of shares of Dayforce and D&B would likely be offset by other sources of current year taxable loss. Accordingly, we determined it was uncertain whether we would be able to use the Company's available federal NOL carryforwards and certain other deferred taxes. One of the decrease factors used in assessing the need for a valuation allowance on net deferred tax assets is whether a company is in a three-year cumulative book loss position and for the three years ended December 31, 2023, the Company is in a cumulative book loss position. The Company is relying on deferred tax liabilities, and the ability to carry back capital losses, as sources of income to facilitate the recovery of its remaining deferred tax assets. The Company's prospective investment strategy, fluctuations in the fair market value of its ownership interests prior to any dispositions and other factors may influence the timing of reversals of deferred tax assets and liabilities and their ultimate impact on taxable income or loss, which could have an effect on the recoverability of deferred tax assets. As of March 31, 2024, the Company has a valuation allowance of \$59.9 million representing a full allowance on its federal NOL carry forwards and certain other federal deferred taxes and of \$4.7 million related to state NOLs as it is more likely than not that the tax benefit of certain state NOLs will not be realized before the NOLs expire. At this time, we consider it more likely than not that we will have sufficient taxable income and available excess capital gain from prior year periods that will allow us to realize our ownership interest subsequent other deferred tax assets. The Company will continue to our acquisition, declines monitor the recoverability of deferred tax assets on a quarterly basis and may need to record an additional valuation allowance on its net deferred tax asset in the forecasted results of operations and liquidity of Sightline, and the uncertainty of the impact of the

economic environment on Sightline's business, management determined the decrease in value of our investment in Sightline was other-than-temporary as of September 30, 2023. Accordingly, we recorded an impairment of \$70.2 million which is included in Recognized (losses) gains, net, on our Consolidated Statement of Operations for the year ended September 30, 2023, future periods.

The change in our effective tax rate in the three months ended September 30, 2023 March 31, 2024 compared to the corresponding period in 2022, 2023 is primarily attributable to recording of a valuation allowance in the impact current period of equity in losses of unconsolidated affiliates \$59.9 million on income tax benefit, our federal net operating loss carryforwards and certain deferred taxes within our consolidated partnerships.

For the Three Months Ended September 30, 2023 March 31, 2024

Total revenues for the Restaurant Group segment decreased \$23.4 million \$42.0 million, or 15.1% 28.3%, in the three months ended September 30, 2023 March 31, 2024, compared to the corresponding period in 2022, 2023. The decrease change was attributable to approximately \$16.4 \$34.9 million of incremental revenue included in the three months ended September 30, 2022 March 31, 2023 associated with stores that were closed prior to September 30, 2023 and 2024. In addition, there was a decline in comparable store sales.

Comparable Store Sales. One method we use in evaluating the performance of our restaurants is to compare sales results for restaurants period over period. A new restaurant is included in our comparable store sales figures starting in the first period following the restaurant's first seventy-eight weeks of operations. Changes in comparable store sales reflect changes in sales for the comparable store group of restaurants over a specified period of time. This measure highlights the performance of existing restaurants, as the impact of new restaurant openings is excluded. Comparable store sales for our O'Charley's and 99

Restaurants brands decreased by 3.1% 6.5% and 2.1% 2.8%, respectively, in the three months ended September 30, 2023 March 31, 2024 compared to the comparable period in 2022, 2023. The decrease is primarily attributable to a decrease in guest counts, partially offset by an increase in the average amount spent by customers each visit.

Cost of restaurant revenue decreased directionally consistent with Restaurant revenues. Cost of restaurant revenue as a percentage of restaurant revenue was 88.3% 88.5% and 91.3% 88.6% in the three months ended September 30, 2023 March 31, 2024 and 2022, 2023, respectively. The decrease in cost of restaurant revenue as a percentage of restaurant revenue is attributable to higher costs of labor, food, and supplies in the third quarter of 2022.

Other operating expense for the Restaurant Group segment increased \$31.8 million, or 370%, in the three months ended September 30, 2023, compared to the corresponding periods in 2022. The increase was primarily attributable to impairments recorded to O'Charley's lease assets and property and equipment and lease termination and disposal costs related to the closing of stores. In the three months ended September 30, 2023 we recorded \$21.9 million of

impairment to Lease assets and \$6.9 million of impairment to Property and equipment of our Restaurant Group. In the three months ended September 30, 2022 we recorded \$0.5 million of impairment to Lease assets and \$0.4 million of impairment to Property and equipment of our Restaurant Group. In the three months ended September 30, 2023, \$1.8 million of disposal costs were incurred.

Loss before income taxes increased by \$30.6 million, or 397.4%, in the three months ended September 30, 2023 from the corresponding period in 2022. The change in loss was primarily attributable to the factors discussed above.

For the Nine Months Ended September 30, 2023

Total revenues for the Restaurant Group segment decreased \$58.5 million, or 12.1%, in the nine months ended September 30, 2023, compared to the corresponding period in 2022. The decrease was attributable to approximately \$39.6 million of incremental revenue included in the nine months ended September 30, 2022 associated with stores that were closed prior to September 30, 2023 and a decline in comparable store sales.

Comparable Store Sales. Comparable store sales for our O'Charley's and 99 Restaurants brands decreased by 4.6% and 1.8%, respectively, in the nine months ended September 30, 2023 compared to the comparable period in 2022. The decrease in 2023 is primarily attributable to a decrease in guest counts, partially offset by an increase in the average amount spent by customers each visit.

Cost of restaurant revenue decreased directionally consistent with Restaurant revenues. Cost of restaurant revenue as a percentage of restaurant revenue was 88.4% and 89.9% in the nine months ended September 30, 2023 and 2022, respectively.

Other operating expense for the Restaurant Group segment increased \$33.1 million, or 118.6%, in the nine months ended September 30, 2023, compared to the corresponding periods in 2022. The increase is primarily attributable to the impairments recorded in the three months ended September 30, 2023.

Loss before income taxes increased by \$33.9 million, or 218.7%, in the nine months ended September 30, 2023 from the corresponding period in 2022. The change in income was primarily attributable to the factors discussed above.

Liquidity and Capital Resources

Cash Requirements. Our short and long term cash requirements include management fees, personnel costs, other operating expenses, taxes, payments of interest and principal on our debt, capital expenditures, dividends on our common stock, and other potential business acquisitions or investments, including the JANA Fund Commitment. On May 9, 2024, our Board declared cash dividends of \$0.12 per share, payable on June 28, 2024, to Cannae common shareholders of record as of June 14, 2024. There are no restrictions on our retained earnings regarding our ability to pay dividends to stockholders. The declaration of any future dividends is at the discretion of our Board of Directors. Additional uses of cash flow over the short and long term are expected to include stock repurchases, acquisitions, and debt repayments.

As of September 30, 2023 March 31, 2024, we had cash and cash equivalents of \$58.1 million \$238.3 million, of which \$42.5 million \$223.8 million was cash held by the corporate holding company, \$18.5 million \$45.8 million of short-term investments held by the corporate holding company, and \$150.0 million of capacity under our existing holding company credit facilities with the ability to add an additional \$350.0 million of borrowing capacity by amending our 2020 Margin Facility. As of September 30, 2023 March 31, 2024, \$10.3 million \$8.8 million of our short term investments are pledged as collateral for letters of credit for our Restaurant Group.

We continually assess our capital allocation strategy, including decisions relating to monetizing investments, reducing debt, repurchasing our stock, and/or conserving cash. We believe that all anticipated cash requirements for current operations, including the Tender Offer discussed below, will be met from internally generated funds, cash dividends from subsidiaries, cash generated by investment securities, potential sales of non-strategic assets, and borrowings on existing credit facilities. Our short-term and long-term liquidity requirements are monitored regularly to ensure that we can meet our cash requirements. We forecast the needs of all of our subsidiaries and periodically review their short-term and long-term projected sources and uses of funds, as well as the asset, liability, investment and cash flow assumptions underlying such forecasts.

We are focused on evaluating our assets and ownership interests as potential vehicles for creating liquidity. Our intent is to use that liquidity for general corporate purposes, including future acquisitions, potentially reducing debt, repurchasing shares of our stock, paying dividends on our stock, other strategic initiatives and/or conserving cash.

For agreements with minimum purchase obligations, at least the minimum amounts we are legally required to purchase are included. These agreements do not include fixed delivery terms. We used both historical and projected volume and pricing as of **September 30, 2023****March 31, 2024** to determine the amount of these obligations.

There During the three months ended March 31, 2024, there have been no material changes in the market risks described in Part II, Item 7A "Quantitative and Qualitative Disclosures about Market Risk" in our Annual Report on Form 10-K for the year ended December 31, 2022 December 31, 2023.

Item 4. Controls and Procedures

Evaluation of Disclosure Controls and Procedures

As of the end of the period covered by this report, Quarterly Report, we carried out an evaluation, under the supervision and with the participation of our principal executive officer and principal financial officer, of the effectiveness of the design and operation of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) under the Securities Exchange Act of 1934, as amended. Based on this evaluation, our principal executive officer and principal financial officer concluded that our disclosure controls and procedures are effective to ensure that information required to be disclosed by us in the reports that we file or submit under the Securities Exchange Act of 1934 is: (a) recorded, processed, summarized and reported, within the time periods specified in the Commission's SEC's rules and forms; and (b) accumulated and communicated to management, including our principal executive and principal financial officers, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting that occurred during the quarter ended September 30, 2023 March 31, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Part II: OTHER INFORMATION

Item 1. Legal Proceedings

See discussion of legal proceedings in Note H - Commitments and Contingencies to the Condensed Consolidated Financial Statements included in Item 1 of Part I of this Quarterly Report, which is incorporated by reference into this Item 1 of Part II.

Item 1A. Risk Factors

The There have been no material changes to the risk factors disclosed in "Item 1A. Risk Factors" included in our Annual Report on Form 10-K for the year ended December 31, 2022, are hereby incorporated by reference. In addition, we identified the following additional risk.

An inability of our material unconsolidated affiliates to maintain effective financial reporting processes may adversely impact our ability to report our results of operations or financial condition accurately and timely.

The accuracy and timeliness of the Company's financial reporting is dependent on the timely financial reporting and effectiveness of internal controls over financial reporting of our material investments in unconsolidated affiliates. Material deficiencies in the internal controls over financial reporting or other matters impacting the ability of our unconsolidated affiliates to accurately and timely report their standalone results of operations and financial condition or meet related debt covenants, if any, may cause us to be unable to report the financial information of the Company on a timely basis or reduce the value of the Company's related investment. Furthermore, restatements to prior period financial information reported by our material unconsolidated affiliates could require the Company to similarly restate its prior period financial information. If the Company is unable to timely and accurately report its financial information it could subject us to adverse regulatory consequences, including potential sanctions by the SEC or violations of applicable stock exchange listing rules. There also

could be a negative reaction in the financial markets due to a loss of investor confidence in us and the reliability of our financial statements. This could materially adversely affect us and lead to a decline in the price of the Company's common stock.

Cannae records its share of equity in earnings or loss of System1 on a three-month lag. As of the date of filing of our Quarterly Report on Form 10-Q for the period ended March 31, 2023, System1 had not filed its annual report for the period ended December 31, 2022, and accordingly, our equity in losses of unconsolidated affiliates for the three months ended March 31, 2023 included our ratable share of System1's preliminary results of operations for the three months ended December 31, 2022 December 31, 2023. On June 6, 2023, System1 finalized and filed its annual report as well as restated quarterly reports for the periods ended March 31, 2022, June 30, 2022 and September 30, 2022. Based on an assessment of the impact of System1's restated results of operations and financial condition for these periods, the restatements by System1 did not have a material impact to Cannae's previously reported financial information. As of the date of this Quarterly Report on Form 10-Q, System1 has filed its quarterly reports for the period ended March 31, 2023 and June 30, 2023. Accordingly, our net loss for the three and nine months ended September 30, 2023 and 2022 include our equity in System1's loss for the three and nine months ended June 30, 2023 and 2022, respectively.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

(c) If a Collateral Call Trigger Event occurs, Calculation Agent shall promptly notify Administrative Agent and Administrative Agent shall notify Borrowers and each Lender and Agent of the occurrence of such Collateral Call Trigger Event (such notice, a “**Collateral Call Notice**”); *provided that*, if a Collateral Call Trigger Event has occurred and is continuing and Administrative Agent has not delivered the Collateral Call Notice to Borrowers by 7:00 p.m. on any Scheduled Trading Day, any Lender may deliver such Collateral Call Notice to Borrowers, each other Lender and each Agent on such Scheduled Trading Day. If Administrative Agent or any Lender delivers a Collateral Call Notice to Borrowers, Borrowers shall, prior to the Cure Time, either:

(i) (x) voluntarily prepay the Total Accrued Loan Amount and/or (y) deposit Cash and/or Cash Equivalents constituting Acceptable Collateral into the Collateral Accounts on a Pro Rata Basis, collectively in such amount necessary, after giving effect to such prepayment and/or deposit, to cause the LTV Level (determined based on the Aggregate Collateral Share Value as of the date the Collateral Call Trigger Event occurred) to be less than the Maintenance LTV Level; or

(ii) deliver to Administrative Agent a written plan, which all Lenders have consented to, providing for a sale (an “**Extended Cure Sale**”) of Shares in a Permitted Transaction, the proceeds of which shall be (A) sufficient after giving effect to the deposit of such proceeds into the Collateral Accounts on a Pro Rata Basis and, if applicable, used to partially prepay the outstanding Advances, to cause the LTV Level (determined based on the Market Price as of the date of such plan or, if applicable, the reasonably expected proceeds based on the sales price specified therein and as of the Extended Cure Time and after giving effect to any release of any Collateral Shares being sold in respect of such Extended Cure Sale) to be less than the Maintenance LTV Level and (B) deposited into the Collateral Accounts and, if applicable, applied to partially prepay

the outstanding Advances prior to the Extended Cure Time; for the avoidance of doubt, and without limitation of any Lender's rights, any Lender will have the right to withhold its consent to any such plan if any of the following conditions are not satisfied:

(A) if such plan contemplates the Extended Cure Sale being a registered sale, the relevant Issuer has filed a registration statement under the Securities Act in respect of all such relevant Shares, and such registration statement has been declared effective by the SEC and is not subject to a stop order or otherwise suspended;

(B) if such plan contemplates the Extended Cure Sale being conducted pursuant to Rule 144, such plan contains evidence satisfactory to such Lender that such Extended Cure Sale will be conducted in compliance with the provisions of Rule 144; and

(C) such plan contains evidence satisfactory to such Lender that (x) the Extended Cure Sale will occur at a time at which the relevant Issuer is not

in a "blackout period" with respect to the trading of its securities, (y) such Extended Cure Sale does not otherwise violate any corporate or trading policy of the relevant Issuer and (z) the sale otherwise complies with applicable Law and Transfer Restrictions.

Not later than 1:00 p.m. on the next Scheduled Trading Day following delivery of a Collateral Call Notice (the "**Notice Deadline**"), Borrowers shall (x) deliver a notice to Administrative Agent (which notice may be given by email) acknowledging Borrowers' receipt of such Collateral Call Notice, confirming that Borrowers will cure any Collateral Call Trigger Event prior to the Cure Time and notifying Administrative Agent of the manner in which Borrowers intend to cure any Collateral Call Trigger Event (including, whether any Cash deposited in the Collateral Accounts shall remain in the Collateral Accounts as Collateral or shall be applied to prepay the Advances), (y) if the Collateral Call Trigger Event is to be cured pursuant to clause (i) above, deliver to Administrative Agent prior to the Notice Deadline a copy of an irrevocable instruction to the bank of either Borrower or both Borrowers to transfer immediately available funds from the account of such Borrower or Borrowers with such bank to the Collateral Accounts in an aggregate amount that is sufficient to cure such Collateral Call Trigger Event prior to the Cure Time and (z) if the Collateral Call Trigger Event is to be cured pursuant to clause (ii) above, cause the proceeds of the Extended Cure Sale (and additional Cash if necessary) to be deposited into the Collateral Accounts and/or applied to partially prepay the outstanding Advances prior to the relevant Extended Cure Time in such amount necessary, after giving effect to such deposit and, if applicable, prepayment, to cause the LTV Level (determined based on the Market Price as of the Extended Cure Time) to be less than the Maintenance LTV Level.

(d) Borrowers shall not withdraw any Collateral from the Collateral Accounts, except that Borrowers shall be permitted to request the release of Collateral from the Collateral Accounts on a Pro Rata Basis, upon written notice thereof delivered by Borrowers to Administrative Agent on or before 11:00 a.m. three (3) Scheduled Trading Days prior to the requested date of the release, if Administrative Agent is reasonably satisfied that the conditions set forth in either clause (i) or clause (ii) below are met:

(i) in the case of a release of Cash or Cash Equivalents:

(A) on each of the five (5) consecutive Scheduled Trading Days immediately prior to such request, the LTV Level shall have been less than or equal to the Maintenance LTV Level; and

(B) immediately prior to, and immediately after, and giving effect to such release and any other release otherwise requested or effected pursuant to this Section 2.08(d)(i), (x) no Default, Event of Default, Adjustment Determination Period or Mandatory Prepayment Event shall have occurred and be continuing or would result therefrom and (y) the LTV Level shall be less than or equal to the Maintenance LTV Level; or

(ii) in the case of a release of Collateral Shares:

(A) on each of the five (5) consecutive Scheduled Trading Days immediately prior to such request, the LTV Level shall have been less than or equal to the Initial LTV Level;

(B) such release of Collateral Shares is in connection with a Permitted Transaction;

(C) if the Collateral Shares are being released for the purpose of settling sales of Shares, such sales meet the following requirements (any such sale, a “**Permitted Collateral Share Sale**”):

(1) the scheduled settlement date for such sale is no later than the second (2nd) Exchange Business Day (or, if such sale is executed after 4:00 p.m., the third (3rd) Exchange Business Day) following execution of such sale (unless Lenders consent, in their sole discretion, to a later settlement date);

(2) each Borrower represents to Lenders that it is not in possession of any Material Nonpublic Information with respect to the relevant Issuer or the Shares at the time of such sale (after giving effect to the filing of any related prospectus or press release) and that the sale otherwise complies with applicable Law and Transfer Restrictions;

(3) Administrative Agent is reasonably satisfied that such sale is executed pursuant to documentation or other arrangements that provide for 100% of the proceeds of such sales (or, if less, the Total Accrued Loan Amount) being paid, on a delivery-versus-payment basis to the Collateral Accounts on a Pro Rata Basis (or pursuant to other arrangements reasonably satisfactory to Lenders), to be (x) released pursuant to Section 2.08(d)(i) and/or (y) used to partially prepay the outstanding Advances; *provided that* if a Collateral Call Trigger Event has occurred and is continuing prior to such sales, the proceeds of such sales shall remain in the Collateral Accounts for a minimum of seven (7) Business Days;

(4) such sale of Collateral Shares shall be on a Pro Rata Basis;

(5) immediately after and giving effect to such release, the receipt of the sale proceeds into the Collateral Accounts and, if applicable, prepayment of the outstanding Advances and any other release otherwise requested or effected pursuant to this Section 2.08(d),

the LTV Level would be equal to or less than the Maintenance LTV Level, unless such proceeds are used to repay the Obligations in full (for the avoidance of doubt, nothing in this clause (5) shall limit the applicability of clause (3) above);

(6) immediately prior to, and immediately after and giving effect to, such release, no Default, Event of Default, Mandatory Prepayment Event, or Adjustment Determination Period shall have occurred and be continuing or would result therefrom (after giving effect to any other Acceptable Collateral deposited in conjunction therewith); and

(7) if a Collateral Call Trigger Event has occurred and is continuing prior to such sales (x) Borrowers have (I) notified the Lenders of its intention to sell such Collateral Shares, stating the expected number of Collateral Shares subject to such sales and (II) consulted with the Lenders regarding the execution strategy (including with respect to pricing and the manner of sale), communication to current and prospective investors and public announcements and disclosures in filings with respect to such sales and the Transactions; and

(D) if the Collateral Shares are being released in conjunction with any Permitted Transaction that is not a Permitted Collateral Share Sale:

(1) Administrative Agent is reasonably satisfied that such transaction is executed pursuant to documentation or other arrangements that provide for 100% of the proceeds of such transactions (or, if less,

the Total Accrued Loan Amount) being paid, on a delivery-versus-payment basis to the Collateral Accounts on a Pro Rata Basis (or pursuant to other arrangements reasonably satisfactory to Lender) and, if applicable, to partially prepay the outstanding Advances, to be released pursuant to Section 2.08(d);

(2) immediately prior to, and immediately after and giving effect to, such release, the receipt of the transaction proceeds into the Collateral Accounts and any other release otherwise requested or effected pursuant to this Section 2.08(d), the LTV Level would be equal to or less than the Initial LTV Level;

(3) immediately after and giving effect to such release, no Default, Event of Default, Collateral Call Trigger Event, Mandatory Prepayment Event, or Adjustment Determination Period shall have occurred and be continuing or would result therefrom (after giving effect

to any other Acceptable Collateral deposited in conjunction therewith); and

(4) each Borrower represents to Lenders that it is not in possession of Material Nonpublic Information with respect to the Issuer or the Shares being released at the time of such transaction and that the transaction otherwise complies with applicable Law and Transfer Restrictions.

For the avoidance of doubt, no Lender or any Affiliate of a Lender shall have any obligation to act as broker or underwriter in any Permitted Collateral Share Sales.

(e) Each Borrower shall use its commercially reasonable efforts to cause the Issuers to deposit into the Collateral Accounts, or, in the case of any property or assets other than Cash and securities entitlements, deliver to the Applicable Lenders (subject to its reasonable delivery instructions), on a Pro Rata Basis, any dividend or distribution paid or distributed on the Collateral Shares, or any securities or securities entitlements (x) exchanged for, or delivered upon conversion of, the Collateral Shares in a Merger Event or (y) delivered in respect of the Collateral Shares in connection with a spin-off, and if any such Cash, securities, securities entitlements or other property or assets are received by such Borrower or its Affiliate for any reason, such Borrower shall, or shall cause its Affiliate to, make such deposit or delivery as promptly as practicable and in any event no later than two (2) Business Days following such receipt (and pending such delivery, shall hold such property in trust for the Applicable Lenders), subject, in each case, to any subsequent release thereof in accordance with Section 2.08(d). Borrowers shall not tender any Collateral Shares in any exchange offer (including, without limitation, a split-off) without the consent of the Required Lenders (such consent not to be unreasonably withheld or delayed).

(f) Notwithstanding anything to the contrary, Borrowers may deposit, from time to time after the Closing Date and upon at least three (3) Business Days' notice to Administrative Agent, Shares constituting Acceptable Collateral into the Collateral Accounts on a Pro Rata Basis; *provided that* (i) the delivery of such Shares does not cause the aggregate number of Shares of any Share Type that are Collateral Shares to exceed the Maximum Share Number in respect of such Share Type and (ii) no Stock Price Trigger Event is occurring with respect to such Shares at the time of such deposit. Any pledge of Additional Collateral Shares shall be deemed to constitute a representation by the Borrowers that each of the representations and warranties contained in Article 3, the Security Agreement and the Control Agreement shall be true and correct on and as of the date of such pledge, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct as of such earlier date. Administrative Agent and Lenders hereby agree to cooperate with and reasonably promptly respond to requests from Borrowers, Guarantor and Affiliates of Borrowers and Guarantor in connection with any deposit of Shares into the Collateral Accounts pursuant to this Section 2.08(f). Notwithstanding the foregoing, prior to any deposit of Shares being effected pursuant to this Section 2.08(f), the Administrative Agent,

Lenders and Custodian shall have completed, if not completed in connection with the deposit of the Initial Collateral Shares, any and all applicable "know your customer" procedures and other account opening documentation in respect of the Affiliate(s) of a Borrower or of Guarantor making a deposit in connection with this Section 2.08(f).

Section 2.09 *Increased Costs.*

(a) *If any Change in Law shall:*

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(ii) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Advances made by such Lender or participation therein; or

(iii) subject any Lender to any Taxes (other than (1) Indemnified Taxes, (2) Taxes described in clauses (b) through (d) of the definition of "Excluded Taxes" and (3) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining the Advances hereunder (or of maintaining its Commitment) or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise), then Borrowers will pay to such Lender, such additional amount or amounts as will compensate Lender for such reasonable additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Advances made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time upon written request from a Lender, Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered; *provided* that no Lender shall be entitled to obtain such compensation unless it is the general policy or practice of such Lender (as determined by such Lender) to request compensation for similar amounts from similar borrowers under comparable provisions of similar loan facilities (to the extent such Lender has the right to request such compensation thereunder).

(c) A certificate of the relevant Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in Section 2.09(a) or (b) shall be delivered to Borrowers and shall be conclusive absent manifest error. Borrowers shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.09 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that Borrowers shall not be required to compensate such Lender pursuant to this Section 2.09 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender notifies Borrowers of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; *provided further* that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Survival. All of Borrowers' obligations under this Section 2.09 shall survive termination of the Facility and repayment of all other Obligations hereunder.

Section 2.10 *Taxes.*

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of Borrowers, as applicable, under any Margin Loan Documentation shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable withholding agent) requires the deduction or withholding of any Tax from any such payment by such withholding agent, then such withholding agent shall be entitled to make

such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by Borrowers shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 2.10), each Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by Borrowers. Borrowers shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the relevant Lender timely reimburse it for, Other Taxes.

(c) Evidence of Payments. As soon as practicable after any payment of Taxes by a Borrower to a Governmental Authority pursuant to this Section 2.10, such Borrower shall deliver to the relevant Lender the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to such Lender.

(d) Indemnification by Borrowers. Borrowers shall indemnify any Lender, within thirty (30) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.10) payable or paid by such Lender or required to be withheld or deducted from a payment to such Lender and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrowers by such Lender prepared in good faith by such Lender or Administrative Agent (or by Administrative Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts, shall be conclusive absent manifest error.

(e) Status of Lender.

(i) If any Lender is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Margin Loan Documentation, it shall deliver to Borrowers, at the time or times reasonably requested by Borrowers, such properly completed and executed documentation reasonably requested by Borrowers as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, such Lender, if reasonably requested by Borrowers, shall deliver such other documentation prescribed by applicable law or reasonably requested by Borrowers as will enable Borrowers to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.10(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in such Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) if such Lender is a U.S. Person, it shall deliver to Borrowers on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers), executed copies of IRS Form W-9 (or successor forms) certifying that such Lender is exempt from U.S. Federal backup withholding;

(B) if such Lender is a Foreign Lender, it shall, to the extent it is legally entitled to do so, deliver to Borrowers (in such number of copies as shall be requested by Borrowers) on or prior to the date on which such Foreign Lender becomes Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Margin Loan Documentation, executed copies of IRS Form W-8BEN or W-8BEN-E (or successor forms) establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Margin Loan Documentation, IRS Form W-8BEN or W-8BEN-E (or successor forms) establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI (or successor forms);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of a Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” related to any Borrower as described in Section 881(c)(3)(C) of the Code (a “**U.S. Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E (or successor forms); or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY (or successor forms), accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E (or successor forms), a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9 (or successor forms), and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to Borrowers (in such number of copies as shall be requested by Borrowers) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of Borrowers), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S.

Federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit Borrowers to determine the withholding or deduction required to be made; and

(D) if a payment made to any Lender under any Margin Loan Documentation would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to Borrowers at the time or times prescribed by law and at such time or times reasonably requested by Borrowers such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by Borrowers as may be necessary for Borrowers to comply with its obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

If a Lender is a different entity than Administrative Agent, such Lender also agrees to share with Administrative Agent a copy of any Tax form or documentation it provided to Borrowers, and the requirements to deliver any Tax form or documentation to Borrowers shall apply *mutatis mutandis* to the delivery of such form of documentation to Administrative Agent. Each Lender agrees

that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify Borrowers in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes (including any Tax credit in lieu of refund) as to which it has been indemnified pursuant to this Section 2.10 (including by the payment of additional amounts pursuant to this Section 2.10), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.10 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such Lender, shall repay to such Lender the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will such Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place such Lender in a less favorable net after-Tax position than such Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the

indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, (i) for any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrowers have not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrowers to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.07(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, in connection with any Margin Loan Documentation, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Margin Loan Documentation or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 2.10(g).

(h) Survival. Each party's obligations under this Section 2.10 shall survive the assignment of rights by, or the replacement of, Lender, the termination of the Commitment and the repayment, satisfaction or discharge of all obligations under any Margin Loan Documentation.

(i) Borrower Tax Forms. Each Borrower shall provide to Administrative Agent, upon reasonable request, an applicable IRS Form W-8 or W-9 indicating its U.S. tax status and/or any other Tax form or other documentation that will avoid or minimize any withholding Tax upon receipt of any payment from a foreclosure sale or other disposition of, or otherwise with respect to, any Collateral.

(j) Administrative Agent Tax Forms. On or prior to the date on which the Administrative Agent becomes the Administrative Agent under this Agreement (and, to the extent it remains legally entitled to do so, from time to time thereafter upon the reasonable request of Borrowers), the Administrative Agent will deliver to Borrowers either (i) executed copies of IRS Form W-9 (or any successor form) certifying that Administrative Agent is exempt from U.S. federal backup withholding tax or (ii) (x) with respect to any amounts received on its own account, an executed copy of an applicable IRS Form W-8 (or any successor form) and (y) with respect to any amounts received for or on account of any Lender, an executed copy of IRS Form W-8 IMY (or any successor form) certifying that it is a U.S. branch that has agreed to be treated as a U.S. person for U.S. federal tax purposes or a "qualified intermediary" and assuming primary withholding responsibility under Chapters 3 and 4 of the Code and primary IRS Form 1099 reporting and backup withholding responsibility with respect to payments received by it

from Borrowers in its capacity as Administrative Agent, as applicable. Administrative Agent shall promptly notify Borrowers at any time that it determines that it is no longer in a position to provide the certification described in the immediately preceding sentence.

Section 2.11 *Illegality.*

(a) Notwithstanding any other provision of this Agreement, if any Lender shall notify Borrowers that any Law makes it unlawful, or any Governmental Authority asserts that it is unlawful, for such Lender to perform its obligations to make or maintain Advances hereunder, the obligation of such Lender to make the Advances shall be terminated and all of such Lender's Advances, all interest thereon and all other amounts payable under this Agreement to such Lender shall become due and payable either on the last day of the then current Interest Period, if such Lender may lawfully continue to maintain the Advances to such day, or immediately, if such Lender may not lawfully continue to maintain the Advances.

(b) If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Advances whose interest is determined by reference to SOFR or Term SOFR, or to determine or charge interest rates based upon SOFR or Term SOFR, then, upon notice thereof by such Lender to the Borrowers (through the Administrative Agent) (such notice, an "Illegality Notice"), (a) any obligation of such Lender to make or continue SOFR Advances or to convert Base Rate Advances to SOFR Advances shall be suspended, and (b) if such notice asserts the illegality of such Lender making or maintaining Base Rate Advances the interest rate on which is determined by reference to the Term SOFR component of the Base Rate, the interest rate on which Base Rate Advances of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate, in each case, until such Lender notifies the Administrative Agent and the Borrowers that the circumstances giving rise to such determination no longer exist. Upon receipt of an Illegality Notice, the Borrowers shall prepay or, if applicable, convert all SOFR Advances to Base Rate Advances (the interest rate on which Base Rate Advances shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if all affected Lenders may lawfully continue to maintain such SOFR Advance to such day, or immediately, if all affected Lenders may not lawfully continue to maintain such SOFR Advance, in each case, until the Administrative Agent is advised in writing by each affected Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon SOFR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR. Upon any such prepayment or conversion following receipt of an Illegality Notice, the Borrower shall also pay accrued interest on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.09.

Section 2.12 *Break-Funding.* In the event of the payment of any principal of an Advance other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), or the failure to borrow, continue or prepay any Advance on the date

specified in any notice delivered pursuant hereto, then, in any such event, Borrowers shall upon demand compensate any Lender for the loss, cost and expense attributable to such event. In the case of an Advance, such loss, cost or expense to such Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Advance had such event not occurred, at the reference interest rate that would have been applicable to such Advance, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow or continue, for the period that would have been the initial Interest Period for such Advance), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of such Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.12 shall be delivered to Borrowers and shall be conclusive absent manifest error. All of Borrowers' obligations under this Section 2.12 shall survive termination of the Facility or repayment of all other Obligations hereunder.

Section 2.13 *Evidence Of Debt.*

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Advance from time to time, including the amounts of principal and interest payable and paid to Lender from time to time hereunder. Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Advance made hereunder, (ii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder, and (iii) the amount of any sum received by Administrative Agent hereunder from each Borrower and each Lender's Applicable Percentage thereof.

(b) The entries maintained in the accounts maintained pursuant to Section 2.13(a) shall be prima facie evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of Borrowers to repay such obligations in accordance with their terms.

(c) No promissory note shall be required to evidence the Advances by any Lender to Borrowers. Upon the request of any Lender, Borrowers shall prepare, execute and deliver to such Lender a promissory note, payable to such Lender and its registered assigns and in a form approved by such Lender, which shall evidence the Advances to Borrowers by such Lender in addition to such records. Thereafter, the Advances evidenced by such promissory note and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the payee named therein and its registered assigns.

Section 2.14 *Payments And Computations.*

(a) All payments to be made by Borrowers shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Borrowers shall make each payment hereunder not later than 11:00 a.m. New York City time on the day when due in Dollars to Administrative Agent in immediately available funds. Administrative Agent shall promptly distribute to each Lender its share, determined on a Pro Rata Basis (or other applicable basis as provided herein), of such payment in like funds as received by wire transfer to such Lender. All payments received by Administrative Agent after 11:00 a.m. New York City time shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) Whenever any payment hereunder would be due on a day other than a Business Day (except in the case of a payment made to cure a Collateral Call Trigger Event), such payment shall be extended to the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or any fees, as the case may be.

(c) All payments (including prepayments and any other amounts received hereunder in connection with the exercise of any Lender's rights after an Event of Default) made by Borrowers to Administrative Agent under any Margin Loan Documentation shall be applied to amounts then due and payable, ratably in accordance with the percentage of any such amounts owed to each Lender, in the following order: (i) to any expenses and indemnities payable by Borrowers to Lenders or Agents under any Margin Loan Documentation; (ii) to any accrued and unpaid interest and fees due under this Agreement; (iii) to principal payments on the outstanding Advances; and (iv) to the extent of any excess, to the payment of all other Obligations under the Margin Loan Documentation.

Section 2.15 *Accelerating Lenders.*

(a) Notwithstanding anything to the contrary herein (but subject to clause (b) below), if one or more Lenders become Accelerating Lenders:

(i) each Accelerating Lender, solely for purposes of determining the rights and obligations of such Lender vis a vis Borrowers, shall be deemed to be:

(A) Administrative Agent and Calculation Agent hereunder; and

(B) the sole Lender hereunder for all purposes and, for the avoidance of doubt, no other Lender's consent shall be necessary for any modification of such rights and obligations; and

(ii) solely for purposes of determining the rights and obligations of all Lenders that are not Accelerating Lenders among themselves and vis a vis Borrowers:

(A) each Accelerating Lender shall be deemed to no longer be a Lender hereunder and, for the avoidance of doubt, such Accelerating Lender's consent shall not be necessary for any modification of such rights and obligations; and

(B) if Administrative Agent or Calculation Agent is an Accelerating Lender, a replacement therefor shall be selected from among Lenders that are not Accelerating Lenders as if such Agent had resigned.

(b) Notwithstanding the foregoing, following one or more Lenders becoming Accelerating Lenders, no Borrower, for the avoidance of doubt, shall make any payments of its Obligations or post any Collateral except on a Pro Rata Basis (without regard to Section 2.15(a)). For the avoidance of doubt, the application of proceeds received by an Applicable Lender in respect of an exercise of its remedies under the Margin Loan Documentation shall not be considered a payment by Borrowers for purposes of this Section 2.15(b).

Section 2.16 *Periodic Rebalancing.*

(a) Subject to Section 2.15, if as of any Interest Payment Date, following the making of any Advance or following any repayment or prepayment of any Advance, the Collateral is not held on a Pro Rata Basis for any reason, then on, or as promptly as practicable following, such Interest Payment Date, the making of such Advance or such repayment or prepayment, the Applicable Lenders shall cause any transfers of Collateral from the Collateral Accounts that they control to Collateral Accounts controlled by other Applicable Lenders as may be necessary, as determined by Administrative Agent, to ensure that the Collateral is held on a Pro Rata Basis. Each Applicable Lender agrees to cooperate in good faith with Administrative Agent to effect such rebalancing, including, for the avoidance of doubt, by submitting written instructions to each Custodian to effect such transfers. Each Borrower hereby consents to such transfers. For the avoidance of doubt, any rebalancing pursuant to this Section 2.16 shall not occur with respect to Incremental Commitments until Advances in respect of such Incremental Commitments are made.

(b) In connection with the extension of any new Advances under Section 2.01 or any transfer of Collateral Shares to a Collateral Account pursuant to this Section 2.16 or otherwise, Borrowers shall comply and use reasonable efforts to cause each Custodian to comply, with any request of the Applicable Lender that controls such Collateral Account or is making such new Advances, as the case may be, to transfer such Collateral Shares or any Collateral Shares securing such new Advances, as the case may be, to a separate sub-account under the relevant Collateral Account controlled by such Applicable Lender.

Section 2.17 *Increase in Commitments.*

(a) Borrowers Request. Subject to the terms and conditions of this Agreement, Borrowers may, during the Availability Period, on one or more occasions, by written notice to

Administrative Agent (which shall promptly notify each Lender), elect to enter into an Incremental Facility Amendment and request additional commitments to make Advances hereunder in an amount not in excess of the Incremental Cap (such requested additional commitments, "**Proposed Incremental Commitments**"). Except as Borrowers and any Lender may separately agree, no Lender shall be obligated to provide any Proposed Incremental Commitment, and the determination to provide any Proposed Incremental Commitment shall be within the sole and absolute discretion of each Lender and shall be binding on any Lender only upon execution of the relevant Incremental Facility Amendment. Borrowers shall be obligated to offer the opportunity to each existing Lender to participate in any Proposed Incremental Commitment, in an amount up to each such existing Lender's Incremental Commitment Percentage multiplied by the amount of such Proposed Incremental Commitment, before making any offer to any prospective Additional Lender to participate in such Proposed Incremental Commitment, and to hold such offer to each existing Lender open for a period of ten (10) Business Days. If Lenders decline to participate in such Proposed Incremental Commitment sufficient in the aggregate to achieve the full amount of such Proposed Incremental Commitment (it being understood that Lenders

may elect to participate in only a portion of such Proposed Incremental Commitment), then Borrowers may establish Commitments for new Lenders in an amount up to the Proposed Incremental Commitment after taking into account any portion of the Proposed Incremental Commitment in which Lenders elected to participate, *provided* that each new Lender (1) is (a) an Approved Lender, (b) an Affiliate of any Lender (other than a special purpose vehicle, securitization vehicle or other similar Person) or (c) an Approved Fund of any Lender, (2) is not a natural person, a Borrower or an of Affiliate of a Borrower and (3) makes the Purchaser Representations for the benefit of each existing Lender (any such new Lender, an “**Additional Lender**”). Each existing Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to Administrative Agent and Borrowers all such documentation (including the relevant Incremental Facility Amendment) as may be reasonably required by Administrative Agent to evidence and effectuate such Incremental Commitment, and Administrative Agent shall update Schedule I hereto to that effect. On the effective date of such Incremental Commitment, the Additional Lenders shall become Lenders for all purposes in connection with this Agreement.

(b) **Terms of Incremental Facility Amendment.** The terms and provisions of Incremental Commitments shall be as set forth in the applicable Incremental Facility Amendment and shall be substantially identical to the terms and conditions of the other Commitments and the other analogous Margin Loan Documentation; *provided* that the Spread with respect to Incremental Commitments may be lower. Lenders hereby irrevocably authorize Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Margin Loan Documentation as may be necessary in order to establish classes or sub-classes in respect of the Advances or commitments pursuant to this Section 2.17 and such technical amendments as may be necessary or appropriate in the reasonable opinion of Administrative Agent and Borrowers (i) in connection with the establishment of such classes or sub-classes, in each case, on terms consistent with this Section 2.17 and (ii) to ensure, at the option of the Borrowers, that any Advances pursuant to Incremental Commitments are

“fungible” with other Advances. Lenders further hereby irrevocably authorize Administrative Agent to enter into any Incremental Facility Amendment and/or any other Margin Loan Documentation to effect the provisions of this Section 2.17, including (i) the pledge of the Collateral to secure Borrowers’ obligations in connection with such Incremental Facility Amendment or (ii) the establishment of one or more separate Collateral Accounts with the Custodian, and will cooperate in transferring the Collateral to any such accounts to ensure that the Collateral is held on a Pro Rata Basis. For the avoidance of doubt, any transfer of the Collateral shall not occur with respect to Incremental Commitments until Advances in respect of such Incremental Commitments are made.

Subject to the terms and conditions set forth in this Agreement and any applicable Incremental Facility Amendment, each existing Lender and any Additional Lender with an Incremental Commitment agrees to make Advances in Dollars to Borrowers up to the amount of such existing Lender’s Incremental Commitment and Additional Lender’s Incremental Commitment, respectively, as set forth in such Incremental Facility Amendment, by making immediately available funds available to Administrative Agent on the date of such Advance.

Borrowers shall notify the Lenders in writing of any proposed Incremental Facility Amendment at least five (5) Business Days prior to its execution, and each Lender shall notify Borrowers within two (2) Business Days of confirmed receipt by such Lender of such written notice whether such Lender deems such proposed Incremental Facility Amendment to be a material amendment adversely affecting the rights of such Lender in the Collateral (a “**Material Amendment**”).

This Section 2.17(b) shall supersede any provision in Section 9.01 to the contrary.

(c) **Equal and Ratable Benefit.** The Incremental Commitments established pursuant to this Section 2.17 shall constitute loans and Commitments under, and shall be entitled to all the benefits afforded by, the Margin Loan Documentation, and shall, without limiting the foregoing, benefit equally and ratably from the security interests created by the relevant Margin Loan Documentation. The Borrowers shall take any actions reasonably required by Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the relevant Margin Loan Documentation continue to be perfected under the UCC or otherwise after giving effect to the establishment of any Incremental Commitments.

Section 2.18 *Benchmark Replacement Setting.*

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Margin Loan Documentation, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Margin Loan Documentation in respect of such Benchmark setting and subsequent Benchmark

settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Margin Loan Documentation and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of “Benchmark Replacement” for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Margin Loan Documentation so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Adjusted Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(b) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Margin Loan Documentation, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Margin Loan Documentation.

(c) Notices, Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrowers of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.18(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.18, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Margin Loan Documentation, except, in each case, as expressly required pursuant to this Section 2.18.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Margin Loan Documentation, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is

not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative, then the Administrative Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) **Benchmark Unavailability Period.** Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrowers may revoke any request for a SOFR Advance of, conversion to or continuation of SOFR Advances to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrowers will be deemed to have converted any such request into a request for the borrowings of or conversion to Base Rate Advances. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

Section 2.19 *Erroneous Payments.*

(a) If the Administrative Agent notifies a Lender or any Person who has received funds on behalf of a Lender (any such Lender or other recipient, a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on

interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting the immediately preceding clause (a), each Lender or any Person who has received funds on behalf of a Lender hereby further agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 2.19(b).

(c) Each Lender hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender under any Margin Loan Documentation, or otherwise payable or distributable by the Administrative Agent to

such Lender from any source, against any amount due to the Administrative Agent under immediately preceding clause (a), or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an “**Erroneous Payment Return Deficiency**”), upon the Administrative Agent’s notice to such Lender at any time, (i) such Lender shall be deemed to have assigned its Advances (but not its Commitments) of the relevant class with respect to which such Erroneous Payment was made (the “**Erroneous Payment Impacted Class**”) in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Advances (but not Commitments) of the Erroneous Payment Impacted Class, the “**Erroneous Payment Deficiency Assignment**”) at par plus any accrued and unpaid interest

(with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrowers) deemed to execute and deliver an agreement necessary to effectuate such assignment (or, to the extent applicable, an agreement incorporating such assignment by reference pursuant to an electronic platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its Commitments which shall survive as to such assigning Lender and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Advances subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Advances acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Advance (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold an Advance (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender or Secured Party under any Margin Loan Documentation with respect to each Erroneous Payment Return Deficiency (the “**Erroneous Payment Subrogation Rights**”).

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers, except, in each case, to the extent that such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrowers for the purpose of making such Erroneous Payment (“**Loan Party Funds**”) unless the Borrowers elect in their sole discretion (which election evidenced by a written notice delivered to the Administrative Agent) that such Loan Party Funds are deemed not to have been applied to discharge all or any portion of the Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received,

including without limitation waiver of any defense based on “discharge for value” or any similar doctrine.

(g) Each Lender, other Payment Recipient, the Administrative Agent and each Borrower hereby agrees that, if an Erroneous Payment has been made with Loan Party Funds, then no Default, Event of Default or Mandatory Prepayment Event shall

have occurred or be continuing as a result of any delay in any payment that is required under any Margin Loan Documentation solely to the extent arising as a result of the Erroneous Payment until the Erroneous Payment made with Loan Party Funds is remitted to all correct recipients thereof as intended by the Borrowers (in which case such corrected payment shall be deemed to cure any Default, Event of Default or Mandatory Prepayment Event arising as a result of such Erroneous Payment made with Loan Party Funds).

(h) Each party's obligations, agreements and waivers under this Section 2.19 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Margin Loan Documentation.

Article 3

Representations And Warranties

Each Borrower represents and warrants to each Agent and each Lender that, with respect to Borrower 1, on the Closing Date, the First Increase Effective Date, the Second Increase Effective Date, the Third Amendment Effective Date, the Fourth Amendment Effective Date, the Fifth Amendment Effective Date, the Sixth Amendment Effective Date, Seventh Amendment Effective Date, the date of each Advance and any date on which a Borrower pledges any Additional Collateral Shares, and, with respect to Borrower 2, on the Sixth Amendment Effective Date, the Seventh Amendment Date, the date of each Advance made on or after the date hereof and any date on or after the date hereof on which a Borrower pledges any Additional Collateral Shares:

Section 3.01 *Organization; Powers.* Each of the Borrowers and the Guarantor (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority to enter into, and perform its obligations under, the Margin Loan Documentation to which it is a party, consummate the Transactions, and, in case of Borrowers, collectively, to hold Shares and (c) is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required. All licenses, permits, approvals, concessions or other authorizations necessary for (i) the consummation of the Transactions and (ii) the conduct of the business of the Borrowers and Guarantor have been obtained and are in full force and effect except where the failure to obtain and maintain any of the foregoing would not reasonably be expected to result in a Material Adverse Effect.

Section 3.02 *Authorization; Enforceability.* The Transactions are within the powers of, and have been duly authorized by all necessary action by the Borrowers and Guarantor. The Margin Loan Documentation to which a Borrower or Guarantor is a party has been duly executed and delivered by such Borrower or Guarantor, as applicable, and constitutes the legal, valid and binding obligation of such Borrower or Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 *Governmental Approvals; No Conflicts.* The Transactions (i) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect and except for filings necessary to perfect Liens created pursuant to the Margin Loan Documentation, (ii) will not violate any Law (except where such violation would not reasonably be expected to result in a Material Adverse Effect) or corporate policy of Issuers applicable to any Borrower, any Issuer or any Affiliate of the foregoing or the Organization Documents of the Issuers or Borrowers, (iii) will not (A) violate or result in a default under the ALIT Investor Rights Agreement, the ALIT Registration Rights Agreement, the ALIT Sponsor Agreement, the DNB Voting Agreement, the DNB Stock Purchase Agreement, the DNB Lock-Up Agreement, the DNB Registration Rights Agreement, or any other indenture, agreement or other instrument binding upon any Borrower, the assets of any Borrower, any Issuer or any Affiliate of the foregoing or (B) give rise to a right thereunder to accelerate or to require any payment to be made by the Borrowers, and (iv) will not result in the creation or imposition of any Lien on any asset of the Borrowers, except Liens created pursuant to the Margin Loan Documentation, or, in the case of assets not constituting Collateral, such as would not reasonably be expected to result in a Material Adverse Effect.

Section 3.04 *Financial Condition; No Material Adverse Change.*

(a) Borrowers have heretofore furnished to Administrative Agent the CHI Financial Statements. The CHI Financial Statements present fairly, in all material respects, the financial position and results of operations and cash flows of CHI and its consolidated Subsidiaries, as of the dates and periods stated to be covered thereby, all in accordance with GAAP, subject, in the case of quarterly financial statements, to year-end audit adjustments and the absence of footnotes.

(b) No event, change or condition has occurred that has had, or would reasonably be expected to have, a Material Adverse Effect, on the financial position and results of operations and cash flows of CHI and its consolidated Subsidiaries since the closing date of the most recent financial quarter with respect to which CHI's financial statements are available.

Section 3.01 *Share Transactions.* None of the Borrowers or Affiliates of the Borrowers have created, granted, incurred, or permitted to exist, any Lien on any Shares owned by the

Borrowers or such Affiliates, other than, with respect to the Collateral Shares, Permitted Liens. None of the Borrowers or Affiliates of the Borrowers is party to a Prohibited Transaction.

Section 3.02 *Litigation Matters.* There are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of a Borrower or the Guarantor, threatened against or affecting such Borrower. In addition, there are no actions, suits or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of a Borrower or the Guarantor, threatened against or affecting any Affiliates of such Borrower that (x) would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (y) involve the Margin Loan Documentation or the Transactions.

Section 3.03 *Compliance With Laws And Agreements.* Each of the Borrowers and Guarantor is in compliance with the requirements of all Laws and all orders, writs, injunctions and decrees applicable to it or to its properties, except in such instances in which (i) such requirement of Law or order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted or (ii) the failure to comply therewith, either individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. Each of the Borrowers and Affiliates of the Borrowers is in compliance with its reporting obligations under Sections 13 and 16 of the Exchange Act with respect to the Collateral Shares, including in respect of the transactions contemplated hereunder.

Section 3.04 *No Default.* No Default or Event of Default has occurred and is continuing or would result from the consummation of the Transactions, and no Mandatory Prepayment Event or Adjustment Determination Period has occurred and is continuing or would result from the consummation of the Transactions.

Section 3.05 *Investment Company Status.* Each of the Borrowers and the Guarantor is not, and after giving effect to the Transactions will not be, required to register as an "investment company" and is not a Person "controlled by" an "investment company," as such terms are defined in the Investment Company Act.

Section 3.010 *Taxes.* The Borrowers and Guarantor have timely filed all U.S. federal income Tax returns and other material Tax returns which are required to be filed by them in all jurisdictions and have paid all Taxes, assessments, claims, governmental charges or levies imposed on them or their properties, except for Taxes contested in good faith by appropriate proceedings diligently conducted and as to which adequate reserves have been provided in accordance with GAAP; *provided* that (i) the relevant Taxes, assessments, claims, charges or levies would not result in aggregate liabilities in excess of the Threshold Amount and (ii) the contest, if adversely determined, would not reasonably be expected to subject the Collateral to forfeiture or loss or otherwise have a Material Adverse Effect. There is no proposed Tax assessment asserted in writing against Borrowers or Guarantor. Each Borrower is treated as an entity disregarded as separate from its owner for U.S. federal income tax purposes. Each Borrower's regarded owner for U.S. federal income tax purposes is CHI (or an Affiliate of CHI), which is a U.S. Person for U.S. federal income tax purposes.

Section 3.011 *Disclosure*. None of the Borrowers or the Guarantor is a party to any agreement that is prohibited under Section 6.14. All information provided with respect to a Borrower or Guarantor by or on behalf of such Borrower or Guarantor to any Agent or Lender in connection with the negotiation, execution and delivery of this Agreement and the other Margin Loan Documentation or the transactions contemplated hereby and thereby, was or will be, on or as of the applicable date of provision thereof or as otherwise stated therein, complete and correct in all material respects and did not (or will not) contain any material misstatement of fact or omit to state a material fact necessary to make the statements contained therein not misleading in light of the circumstances under which such statements were made.

Section 3.012 *Material Agreements*. Each of the Borrowers and CHI is not in default under any provision of the ALIT Investor Rights Agreement, the ALIT Registration Rights Agreement, the ALIT Sponsor Agreement, the DNB Voting Agreement, the DNB Stock Purchase Agreement, the DNB Registration Rights Agreement, the DNB Lockup Agreement, any other agreement with any ALIT Sponsor Entity or DNB Sponsor Entity, as applicable, or any other indenture, mortgage, deed of trust, credit agreement, loan agreement or any other material agreement or instrument, in each case, to which such Person is a party or by which such Person or any of its properties or assets is bound other than any such default that could not reasonably be expected to result in a Material Adverse Effect.

Section 3.013 *Solvency*. (i) The present fair market value of the Guarantor's assets exceeds the total amount of its liabilities (including contingent liabilities), (ii) the present fair market value of the Borrowers' assets, taken as a whole, exceeds the total amount of the Borrowers' liabilities (including contingent liabilities), taken as a whole, (iii) the Guarantor has capital and assets sufficient to carry on its business, (iv) the Borrowers, taken as a whole, have capital and assets sufficient to carry on their businesses, taken as a whole, (v) the Guarantor is not engaged in, and is not about to engage in, a business or transaction for which its remaining assets are unreasonably small in relation to such business or transaction, (vi) the Borrowers, taken as a whole, are not engaged in, and are not about to engage in, a business or transaction for which the remaining assets of the Borrowers, taken as a whole, are unreasonably small in relation to such business or transaction, (vii) Guarantor does not intend to incur, or believe that it will incur, debts beyond its ability to pay such debts as they become due and (viii) Borrowers, taken as a whole, do not intend to incur, or believe that Borrowers, taken as a whole, will incur, debts beyond the ability of Borrowers, taken as a whole, to pay such debts as they become due. Each of the Guarantor and the Borrowers, taken as a whole, will not be rendered insolvent by the consummation of the Transactions.

Section 3.014 *Trading And Other Restrictions*.

(a) Borrowers collectively own all Collateral free and clear of Liens, other than Permitted Liens. Borrowers have not made nor consented to, nor are Borrowers aware of, any registrations, filings or recordations in any jurisdiction evidencing a security interest in the Collateral or any other assets of Borrowers, including the filing of a register of mortgages,

charges and other encumbrances or filings of UCC-1 financing statements, other than with respect to Liens granted to Applicable Lenders under the Margin Loan Documentation.

(b) Borrower 1 (or its Affiliates) acquired and paid the full purchase price for the DNB Shares which are Collateral Shares on or before July 31, 2019 and has continuously owned such Collateral Shares since it acquired them and the holding period (as determined in accordance with Rule 144) of such Borrower as to such Collateral Shares (in the hands of such Borrower and in the hands of any Applicable Lender exercising its remedies under the Margin Loan Documentation) began on such date. Section 6.015 *Anti-Corruption Laws and Sanctions*. Borrowers thereof (such notice, an **"Event of Default Notice"**) with a copy to all other Lenders and Agents and, following the delivery of such Event of Default Notice, any Lender may (i) declare such Lender's Advances to be forthwith due and payable, whereupon such Lender's Advances shall become and be forthwith due and payable, without presentment, demand, protest or notice of any kind, all of which are hereby expressly waived by Borrowers and (ii) declare such Lender's Commitment to be terminated, whereupon the same shall forthwith terminate; *provided, however*, that upon the occurrence of any event in Section 7.01(h), (x) the Total Accrued Loan Amount shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by Borrowers and (y) the Commitments shall automatically be terminated. Upon the occurrence and the continuance of a Default, Administrative Agent may increase the rate of interest applicable to the Advances and other Obligations as set forth in this Agreement and Administrative Agent or any Lender may exercise any rights and remedies provided to Lender under the Margin Loan Documentation or at law or equity, including all remedies provided under the UCC.

Section 7.02 Lenders' Rights With Respect to Collateral

(a) For the avoidance of doubt, following the delivery of an Event of Default Notice or following the occurrence, and during the continuance, of an Event of Default of the type set forth in Section 7.01(h), each Lender may choose to exercise any remedies provided for herein or in any other Margin Loan Documentation, or refrain from exercising such remedies, in its sole discretion with respect to the Collateral subject to its control under a Control Agreement (including by virtue of an agency relationship with any Applicable Lender). No Lender shall have any fiduciary or other duties to the other Lenders in connection with the exercise of

remedies against the Collateral securing the Obligations owing to such Lender or otherwise and no Lender shall interfere with such exercise of remedies or claim (or support any claim by any third-party) that a sale or other disposition of any Lender's Collateral by or on behalf of such Lender was not commercially reasonable.

(b) In connection with any assignment by a Lender in accordance with the terms hereof, each Borrower agrees to, as promptly as practicable, (i) establish a separate Collateral Account with the Custodian, (ii) enter into a Control Agreement (in a form substantially identical to the other relevant Control Agreements) in favor of the assignee with respect to such Collateral Account, (iii) enter into a joinder to the Security Agreement granting a Lien in favor of the assignee over such assignee's Applicable Percentage of the Collateral of each type, (iv) if reasonably requested by the relevant Custodian, enter into a customer account agreement or other agreement with such intermediary and (v) make appropriate amendments to this Agreement and the other Margin Loan Documentation to reflect any administrative or technical changes as are reasonably requested by the assigning Lender, the assignee or Administrative Agent, which do not adversely affect Borrowers' rights or obligations hereunder. In connection with any assignment by a Lender of all of its Advances hereunder in accordance with the terms hereof,

Borrowers agree that such Lender's rights and obligations under the other Margin Loan Documentation may be assigned to the assignee.

(c) Notwithstanding anything to the contrary contained in the Margin Loan Documentation, each Borrower, Administrative Agent and each Lender hereby agree that (i) during the continuance of an Event of Default and (except in the case of an Event of Default of the type set forth in Section 7.01(h)) following the delivery of an Event of Default Notice, such Lender shall have the right individually to require the relevant Custodian (or the Applicable Lender acting as agent of such Lender for purposes of perfection, if applicable) to realize upon any of the Collateral subject to such Lender's control and to apply the proceeds thereof to the repayment of such Lender's Advances outstanding and any other Obligations owing to such Lender and (ii) in the event of a foreclosure or similar enforcement action by such Lender on its Collateral pursuant to a public or private sale or other disposition (including pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), such Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition.

(d) Notwithstanding anything to the contrary contained in the Margin Loan Documentation, when all Obligations (other than contingent indemnification obligations) owing to any Lender have been paid in full in cash, upon request of Borrowers, such Lender shall (without notice to, or vote or consent of, any other Lender) take such actions as shall be reasonably required to release its security interest in all Collateral under such Lender's control.

(e) Each Lender agrees that it will not challenge or question or support any other Person in challenging or questioning in any proceeding the validity, attachment, perfection or priority of any Lien of any Applicable Lender under any Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement.

(f) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing the Obligations granted on the Collateral and notwithstanding any provision of the UCC, or any other applicable Law or the Security Agreement or Control Agreements or any defect or deficiencies in, or failure to perfect or lapse in perfection of, or avoidance as a fraudulent conveyance or otherwise of, the Liens securing any of the Obligations, the subordination of such Liens to any other Liens, or any other circumstance whatsoever, whether or not any bankruptcy proceeding has been commenced by or against any Borrower, each Lender hereby agrees that any Lien on the Collateral securing any Obligations now or hereafter held by or on behalf of any Lender shall be *pari passu* and secured equally and ratably.

(g) Each Lender agrees with, and solely for the benefit of, each other Lender that it will not take any Bankruptcy Action with respect to Borrowers.

Article 8

Agents

Section 8.01 Authorization and Authority. Each Lender hereby irrevocably appoints Bank of America, N.A. to act on its behalf as Administrative Agent and Calculation Agent under the Margin Loan Documentation and authorizes each Agent to take such actions on such Lender's behalf and to exercise such powers as are delegated to such Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article 8 are solely for the benefit of Agents and Lenders, and Borrowers shall not have rights as third-party beneficiaries or otherwise of any of such provisions.

Section 8.02 Agent Individually.

(a) Each Person serving as an Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not such Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include each Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Borrowers or Affiliates thereof as if such Person were not an Agent hereunder and without any duty to account therefor to Lenders.

(b) Each Lender understands that each Person serving as an Agent, acting in its individual capacity, and its Affiliates (collectively, an "**Agent's Group**") are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 8.02 as "**Activities**") and may engage in the Activities with or on behalf of Borrowers or their Affiliates. Furthermore, an Agent's Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including Borrowers and Affiliates of Borrowers and including holding, for its own account or on behalf of others, equity, debt and similar positions in Borrowers or Affiliates of Borrowers), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of Borrowers and Affiliates thereof. Each Lender understands and agrees that in engaging in the Activities, an Agent's Group may receive or otherwise obtain information concerning Borrowers and Affiliates of Borrowers (including information concerning the ability of Borrowers to perform the obligations of Borrowers hereunder or under the other Margin Loan Documentation) which information may not be available to any of the Lenders that are not members of an Agent's Group. No Agent nor any member of such Agent's Group shall have any duty to disclose to any Lender or use on behalf of the Lenders, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of Borrowers or any Affiliate thereof) or to account for any revenue or profits obtained in connection with the Activities, except that an Agent shall

deliver or otherwise make available to each Lender such documents as are expressly required by this Agreement to be transmitted by an Agent to Lenders.

(c) Each Lender further understands that there may be situations where members of an Agent's Group or their respective customers (including Borrowers and Affiliates of Borrowers) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more Lenders (including the interests of Lenders hereunder). Each Lender agrees that no member of an Agent's Group is or shall be required to restrict its Activities as a result of the Person serving as an Agent being a member of such Agent's Group, and that each member of an Agent's Group may undertake any Activities without further consultation with or notification to any Lender. None of (i) the Margin Loan Documentation, (ii) the receipt by an Agent's Group of information (including Information) concerning Borrowers or Affiliates of Borrowers (including information concerning the ability of Borrowers to perform obligations of Borrowers hereunder and under the other Margin Loan Documentation) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including any duty of trust or confidence) owing by an Agent or any member of such Agent's Group to any Lender including any such duty that would prevent or restrict an Agent's Group from acting on behalf of customers (including Borrowers or Affiliates of Borrowers) or for its own account.

Section 8.03 Duties of Agents; Exculpatory Provisions.

(a) An Agent's duties hereunder and under the other Margin Loan Documentation are solely ministerial and administrative in nature and no Agent shall have any duties or obligations except those expressly set forth herein or therein. Without limiting the generality of the foregoing, an Agent (i) shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written direction of the Required Lenders (or such other number or percentage of Lenders as shall be expressly provided for herein), *provided that* an Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent or any of its Affiliates to liability or that it determines in good faith is contrary to this Agreement or applicable Law, (ii) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing and (iii) except as expressly set forth herein, shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Borrowers or any Affiliates of Borrowers that is communicated to or obtained by the bank serving as Agent or any of its Affiliates in any capacity.

(b) No Agent shall be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of Lenders as shall be necessary under the circumstances as provided in Section 9.01, or as such Agent shall believe in good faith shall be necessary, including for the avoidance of doubt, Administrative Agent sending an Event of Default Notice at the direction of any Lender, if such Agent believes in good faith that the related Event of Default is of a type that would entitle such Lender to issue such direction) or (ii) in the absence of its own gross negligence or willful misconduct. No Agent

shall be deemed to have knowledge of any Facility Adjustment Event, Potential Facility Adjustment Event, Mandatory Prepayment Event, Default or Event of Default or the event or events that give or may give rise to any Mandatory Prepayment Event, Default or Event of Default unless and until any Borrower or any Lender shall have given written notice to such Agent describing such Facility Adjustment Event, Potential Facility Adjustment Event, Mandatory Prepayment Event, Default or Event of Default and such event or events.

(c) No Agent nor any member of an Agent's Group shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement or any other Margin Loan Documentation, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Facility Adjustment Event, Potential Facility Adjustment Event, Mandatory Prepayment Event, Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Margin Loan Documentation or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created hereby or thereby or (v) the satisfaction of any condition set forth in Section 2.15 or Article 4 or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to an Agent.

(d) Nothing in this Agreement shall require an Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any Person on behalf of any Lender and each Lender confirms to Agents that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by an Agent or any of its Related Parties.

Section 8.04 Authority. For so long as such Applicable Lender controls a Collateral Account, each Lender hereby irrevocably appoints each Applicable Lender as its agent to act on its behalf for purposes of Section 2.14 and the Security Agreement and authorizes each Applicable Lender to take such actions on its behalf and to exercise such powers as are contemplated by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. In performing its functions and duties hereunder, each Applicable Lender shall act solely as an agent of the other Lenders and does not assume and shall not be deemed to have assumed any obligation towards or fiduciary relationship or trust with or for any Borrower or Guarantor. The provisions of this Section 8.04 are solely for the benefit of Lenders, and Borrowers shall not have rights as third-party beneficiaries of any such provision.

Section 8.05 *Reliance by Agent.* Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Agent also may rely upon any statement

made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of any Advance that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless an officer or authorized representative of an Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the making of such Advance. Each Agent may consult with legal counsel (who may be counsel for Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.06 *Delegation of Duties.* An Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Margin Loan Documentation by or through any one or more sub agents appointed by such Agent, and such Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties; *provided*, in each case, that no such delegation to a sub-agent or a Related Party shall release an Agent from any of its obligations hereunder. Each such sub-agent and the Related Parties of an Agent and each such sub agent shall be entitled to the benefits of all provisions of this Article 8 and Margin Loan Documentation (as though such sub-agents were an "Agent" hereunder and under the other Margin Loan Documentation) as if set forth in full herein with respect thereto.

Section 8.07 *Resignation of Agent.* An Agent may at any time give notice of its resignation to Lenders and Borrowers. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with Borrowers (unless an Event of Default shall have occurred and be continuing (and not have been cured or waived), in which case no such consultation shall be required), to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Agent gives notice of its resignation (such 30-day period, the "**Lender Appointment Period**"), then the retiring Agent may on behalf of the Lenders appoint a successor Agent meeting the qualifications set forth above. In addition and without any obligation on the part of the retiring Agent to appoint, on behalf of the Lenders, a successor Agent, the retiring Agent may at any time upon or after the end of the Lender Appointment Period notify Borrowers and Lenders that no qualifying Person has accepted appointment as successor Agent and of the effective date of such retiring Agent's resignation which effective date shall be no earlier than three (3) Business Days after the date of such notice. Upon the resignation effective date established in such notice and regardless of whether a successor Agent has been appointed and accepted such appointment, the retiring Agent's resignation shall nonetheless become effective and (i) the retiring Agent shall be discharged from its duties and obligations as an Agent hereunder and under the other Margin Loan Documentation but shall not be relieved of any of its obligations as a Lender and (ii) all payments, communications and determinations provided to be made by, to or through such

Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. The successor shall be consented to by Borrowers at all times other than during the existence of an Event of Default that has not been cured or waived (which consent of Borrowers shall not be unreasonably withheld or delayed). Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties as an Agent of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations as an Agent hereunder and/or under the other Margin Loan Documentation but shall not be relieved of any of its obligations as a Lender (if not already discharged therefrom as provided above in this Section 8.07). The fees payable by Borrowers to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between Borrowers and such successor. After the retiring Agent's resignation hereunder and under the other Margin Loan Documentation, the provisions of this Article 8 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting

as an Agent. Notwithstanding anything herein to the contrary, if at any time any Agent ceases to be a Lender hereunder, such Agent shall be deemed to have provided its notice of resignation, which notice shall be automatically effective as of the date such Agent ceased to be a Lender hereunder.

Section 8.08 *Non-Reliance on Agents and Other Lenders.*

(a) Each Lender confirms to Agents, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on Agents, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making its portion of the Facility and (z) taking or not taking actions hereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making its portion of the Facility is suitable and appropriate for it.

(b) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the other Margin Loan Documentation, (ii) it has, independently and without reliance upon Agents, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information as it has deemed appropriate and (iii) it will, independently and without reliance upon Agents, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the other Margin Loan Documentation and whether or to the extent to which it will continue as a Lender or assign or otherwise transfer its rights, interests and obligations hereunder, based on such documents and

information (which may contain material, non-public information within the meaning of the United States securities laws concerning Borrowers and Affiliates of Borrowers) as it shall from time to time deem appropriate, which may include, in each case:

(i) the financial condition, status and capitalization of Borrowers;

(ii) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and the other Margin Loan Documentation and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with this Agreement;

(iii) determining compliance or non-compliance with any condition hereunder to the making of the Advances and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition; and

(iv) the adequacy, accuracy and/or completeness of any other information delivered by Agents, any other Lender or any of their respective Related Parties under or in connection with this Agreement, the other Margin Loan Documentation, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with this Agreement.

Section 8.09 *Removal of Administrative Agent.* At any time, if (a) following the occurrence of an Event of Default, Administrative Agent shall fail to send an Event of Default Notice when required at the request of the Required Lenders, or, in the case of an Event of Default of the type that gives any Lender the right to send an Event of Default Notice under Section 7.01, any Lender, by 7:00 p.m. on the date such request is sent to Administrative Agent (or by 9:00 a.m. on the date following such request, if such request is made after 5:00 p.m.) or (b) following the occurrence of a Collateral Call Trigger Event on any Scheduled Trading Day, Administrative Agent shall fail to send a Collateral Call Notice by 7:00 p.m., in each case, the Required Lenders shall have the right to remove Administrative Agent and appoint a successor, which shall be one of the Lenders party hereto on the date hereof. Any such removal and appointment shall be effective upon notice by such proposed successor Administrative Agent to the removed Administrative Agent and Borrowers on behalf of the Required Lenders, whereupon (i) the current Administrative Agent shall be discharged from its duties and obligations as an Agent hereunder and under the Margin Loan Documentation, but shall not be

relieved of any of its obligations as a Lender and (ii) the successor shall succeed to and become vested with all of the rights, powers, privileges and duties as an Administrative Agent.

Article 9 Miscellaneous

Section 9.01 *Amendments, Adjustments, Etc.* Neither this Agreement nor any of the other Margin Loan Documentation nor any provision hereof or thereof may be waived, amended, modified or supplemented, nor any consent granted to any deviation to the terms hereof or thereof, except pursuant to an agreement or agreements in writing entered into by the Required Lenders and Borrowers, and acknowledged by Administrative Agent; *provided* that no such amendment, waiver, modification, supplement or consent shall, without the consent of each Lender party hereto:

- (a) waive any condition set forth in Article 4;
- (b) extend or increase the Commitment of any Lender or reinstate the terminated Commitment of any Lender;
- (c) postpone any date on which any payment of principal, interest, fees or other amounts due to Lenders or Agents is required to be made hereunder or under any other Margin Loan Documentation;
- (d) change the principal amount of, or the rate at which interest accrues on, the Advances, or any fees payable hereunder (including, for the avoidance of doubt, the Undrawn Fee);
- (e) change the definition of "Acceptable Collateral," "Aggregate Collateral Share Value," "ALIT ADTV," "ALIT Aggregate Value," "ALIT Aggregate Value Cap," "ALIT Daily Trading Volume," "ALIT Existing Transfer Restrictions," "Change in Law," "Change of Control," "Collateral Call Trigger Event," "Delisting," "DNB ADTV," "DNB Aggregate Value," "DNB Aggregate Value Cap," "DNB Daily Trading Volume," "DNB Existing Transfer Restrictions," "DNB Sponsor Entities," "Existing Transfer Restrictions," "Facility Adjustment Event," "Facility LTV," "Free Float," "Free Float Percentage," "Independent Director Matters," "LTV Level," "Mandatory Prepayment Amount," "Mandatory Prepayment Event," "Market Disruption Event," "Market Price," "Merger Event," "Ordinary Cash Dividend," "Permitted Collateral Share Sale," "Permitted Transaction," "PIK Interest Conditions," "Potential Facility Adjustment Event," "Prohibited Transaction," "Reporting Failure Event," "Required Lenders," "Restricted Transactions," "Separateness Provisions," "Share Basket ADTV," "Share Basket ADTV Event," "Share Basket ADTV Reference Level," "Share Collateral Value," "Stock Price Trigger Event," "Tender Offer," "Trading Suspension," or "Transfer Restrictions" (or, in each case, any defined term used therein), or increase the Initial LTV, the Collateral Call LTV Level or the Maintenance LTV Level;
- (f) permit the assignment or transfer by any Borrower of any of its rights and obligations under any Margin Loan Documentation to which it is a party;
- (g) permit the release of any Collateral other than in accordance with the Margin Loan Documentation;
- (h) modify the definition of "Applicable Percentage," "Funding Percentage," "Incremental Commitment Percentage" or "Pro Rata Basis" or otherwise affect the manner in which payments are shared, or Collateral is allocated, ratably among Lenders;
- (i) modify Section 2.08 (other than clause (a) thereof), Section 2.15, Section 5.13 or Section 6.11;
- (j) modify this Section 9.01 or any other provision herein that expressly requires the consent of all Lenders or Required Lenders for any matter or the definition of "Required Lenders";
- (k) amend or modify any part of the Fee and Ratio Letter;
- (l) release Guarantor from its obligations under the Guarantee Agreement (other than in accordance with the terms of the Guarantee Agreement); or

(m) materially impair or diminish, or circumvent, any term or provision specified above (including, without limitation, by modifying any defined term used therein or any provision referenced therein);

provided further that (i) the provisions set forth in Article 8 shall not be waived, amended, modified or supplemented, nor any consent granted to any deviation thereto, without the consent of each Agent affected thereby, (ii) if the terms of any Advances made on any date differ from the terms of the Advances made on any other date, no waiver, amendment, modification, supplement, or consent granted to any deviation from the terms of the Margin Loan Documentation shall uniquely affect any tranche of Advances without the consent of Required Lenders and (iii) Sections 2.09, 2.10, 2.11, 2.12 or 2.13 shall not be amended or waived in a way that adversely affects any Lender without such Lender's consent.

Notwithstanding the foregoing, each Lender agrees with each other Lender and with Borrowers that no amendment, termination or supplement shall be made to any Security Agreement, Issuer Agreement or Control Agreement, and no new Margin Loan Documentation shall be entered into with any Lender (subject, for the avoidance of doubt, to Section 2.15), unless a substantially identical amendment, termination or supplement is made to each other Security Agreement, Issuer Agreement or Control Agreement, or substantially identical Margin Loan Documentation is entered into with each other Lender (or, in the case of Section 2.15, each other Lender is already party to substantially identical Margin Loan Documentation), as the case may be.

Notwithstanding anything to the contrary herein, upon the occurrence of any Facility Adjustment Event or Potential Facility Adjustment Event, Calculation Agent shall, in a commercially reasonable manner (a) adjust one or more of the terms or provisions of the Facility as Calculation Agent reasonably determines necessary to account for the effect of the Facility Adjustment Event or Potential Facility Adjustment Event on the Facility (unless Calculation Agent determines that no such adjustment is necessary), and (b) determine the effective time of the adjustment (taking into account, among other factors, volatility, correlation, liquidity and free float of the Shares or any other Collateral, the credit profile of Issuers or the issuer of such other Collateral and Transfer Restrictions, in each case, relative to the applicable Shares or, if applicable, any other Collateral prior to giving effect to the relevant event). Following the occurrence of any Facility Adjustment Event or Potential Facility Adjustment Event, Calculation Agent shall notify each Lender of the adjustments to the terms or provisions of the Facility that it proposes to make in respect thereof, and the proposed effective time therefor (or its determination that no such adjustment is necessary). If, within three Business Days of receiving such notice, Required Lenders notify Calculation Agent that they disagree with such proposed adjustments or effective time (or Calculation Agent's determination that no such adjustment is necessary), and include in such notice an alternative set of adjustments that Required Lenders propose to make in respect of such Facility Adjustment Event or Potential Facility Adjustment Event and a proposed effective time therefor, then Calculation Agent shall notify Borrower that such alternative adjustments apply as of such effective time. Any such adjustments pursuant to this paragraph shall be binding on all parties to the Margin Loan Documentation and all such parties shall enter into such documentation required or reasonably requested by Administrative Agent to reflect such adjustments.

Notwithstanding the foregoing (and without limitation of the proviso to the definition of "Potential Facility Adjustment Event"), upon the occurrence of any Facility Adjustment Event or Potential Facility Adjustment Event, the adjustments, if any, in respect thereof pursuant to the two immediately preceding paragraphs will not, solely as a result of such adjustment, directly cause a Mandatory Prepayment Event to have occurred and be continuing immediately after giving effect thereto.

Notwithstanding the foregoing, the Agent and the Borrowers may, without the consent of any Lender, enter into amendments or modifications to this Agreement or any of the other Margin Loan Documentation or to enter into additional Margin Loan Documentation as the Agent deems appropriate in order to implement any Benchmark Replacement or any Conforming Change or otherwise effectuate the terms of Section 2.18 in accordance with the terms thereof.

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received, and notices and other communications sent by facsimile shall be deemed to have been given when sent (except, in each case, that (x) other than in the case of a Collateral Call Notice, if such notices or other communication are not given during normal business hours for the recipient, such notices and other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient or (y) in the case of a Collateral Call Notice, if such notices or other communications are not given by 8:00 p.m. on any Scheduled Trading Day (the “**Collateral Call Notice Deadline**”), such Collateral Call Notice shall be deemed to have been given at the opening of business on the next Scheduled Trading Day). Notices and other communications delivered through electronic communications shall be effective as provided in Section 9.02(b).

(b) Electronic Communications. Each party hereto agrees to accept notices and other communications to it hereunder by electronic communications sent to the email address or addresses set forth in Section 9.02(a).

Notices and other communications sent to an e-mail address shall be deemed received when sent absent receipt of a failure to deliver notice; *provided* that (x) other than in the case of a Collateral Call Notice, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or other communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, or (y) in the case of a Collateral Call Notice, if such notice or other communication is not sent by 8:00 p.m. on any

Scheduled Trading Day, such notice or communication shall be deemed to have been given at the opening of business on the next Scheduled Trading Day.

(c) Change of Address, Etc. Any party hereto may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto.

(d) Reliance by Agents and Lenders. Each Agent and Lender shall be entitled to rely and act upon any notices purportedly given by or on behalf of any Borrower. All telephonic notices to and other telephonic communications with any Agent or Lender may be recorded by such Agent or Lender, and each of the parties hereto hereby consents to such recording.

Section 9.03 *No Waiver; Remedies.*

(a) No failure or delay by any Agent or Lender in exercising any right or power hereunder or under any other Margin Loan Documentation shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of each Agent or Lender hereunder and under any other Margin Loan Documentation are cumulative and are not exclusive of any rights or remedies that such Agent or Lender would otherwise have. No waiver of any provision of any Margin Loan Documentation or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 9.01, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice to or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of Lenders to any other or further action in any circumstances without notice or demand. Without limiting the generality of the foregoing, the

making of an Advance shall not be construed as a waiver of any Event of Default, regardless of whether any Agent or Lender may have had notice or knowledge of such Event of Default at the time.

(b) The Advances are made with full recourse to Borrowers and constitute direct, general, unconditional and unsubordinated Indebtedness of Borrowers.

(c) Each Party hereto acknowledges and agrees that the Margin Loan Documentation, collectively, is intended to constitute a “securities contract” as such term is defined in Section 741(7) of the Bankruptcy Code and that each delivery, transfer, payment and grant of a security interest made or required to be made hereunder or contemplated hereby or made, required to be made or contemplated in connection herewith is a “transfer” and a “margin payment” or a “settlement payment” within the meaning of Section 362(b)(6) and/or (27) and Sections 546(e) and/or (j) of the Bankruptcy Code. In addition, all obligations under or in connection with the Margin Loan Documentation represent obligations in respect of “termination values,” “payment amounts” or “other transfer obligations” within the meaning of Sections 362 and 561 of the Bankruptcy Code. The parties further acknowledge and agree that the Margin Loan

Documentation collectively constitutes a “master netting agreement” within the meaning of the Bankruptcy Code.

Section 9.04 *Costs And Expenses; Indemnification; Damage Waiver.*

(a) Costs and Expenses. Borrowers shall pay promptly (i) all actual, reasonable and documented costs and reasonable out-of-pocket expenses incurred by Lenders and each Agent, including the reasonable fees, charges and disbursements of one counsel in each relevant jurisdiction for all Agents and Lenders, in connection with the credit facility (but excluding any costs relating to the syndication thereof) provided for herein, the preparation and administration of the Margin Loan Documentation or any amendments, modifications or waivers of the provisions of the Margin Loan Documentation (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable costs and reasonable out of pocket expenses incurred by Lenders and each Agent, including the fees, charges and disbursements of any counsel for any Agent or Lender (whether outside counsel or the allocated costs of its internal legal department), in connection with the enforcement, collection or protection of its rights in connection with the Margin Loan Documentation, including its rights under this Section 9.04, or in connection with the Advances made hereunder, including all such expenses incurred during any workout, restructuring or negotiations in respect of such Advances.

(b) Indemnification by Borrowers. Borrowers shall indemnify each Agent and Lender (and any sub-agent thereof) and each Related Party of any of the foregoing Persons (each such Person, an “**Indemnitee**”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee by any third party or by any Borrower or any Related Party of any Borrower arising out of, in connection with, or as a result of (i) the preparation, negotiation, execution, delivery or administration of this Agreement, any other Margin Loan Documentation or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the enforcement or protection of their rights hereunder and thereunder or the consummation of the transactions contemplated by this Agreement (which, for the avoidance of doubt, shall not include any hedging activities by any Indemnitee), any other Margin Loan Documentation or any agreement or instrument contemplated hereby or thereby, (ii) any Advance or the use or proposed use of the proceeds therefrom, or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any other Related Party of any Borrower, and regardless of whether any Indemnitee is a party thereto; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee or any of its Related Parties or (y) arise out of any dispute among Indemnitees (other than a dispute involving claims against Administrative Agent or any Calculation Agent, in each case, in their

respective capacities as such) that did not involve actions or omissions of any Borrower or any Affiliate of any Borrower. This Section 9.04 shall not apply to Taxes, other than any Taxes that represent losses, claims, damages or liabilities in respect of a non-Tax claim. With respect to expenses of counsel that are indemnifiable hereunder, the Borrowers shall provide an indemnity only if all Indemnitees that obtain indemnification hereunder with respect to a substantially-related claim engage a single counsel in each relevant jurisdiction unless the interest of such Indemnitees are materially adverse to one another or to the extent it would be advisable with respect to applicable legal, regulatory or self-regulatory requirements or with related policies and procedures applicable to such Indemnitees to engage separate counsel.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, Borrowers shall not assert, and hereby waive, any claim against any Indemnatee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Margin Loan Documentation or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Advance or the use of the proceeds thereof. No Indemnatee referred to in Section 9.04(b) shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Margin Loan Documentation or the transactions contemplated hereby or thereby, except to the extent such charges result from the willful misconduct, bad faith or gross negligence of such Indemnatee as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(d) Post-Default Hedging Costs. After (i) the occurrence of an Event of Default and (ii) acceleration of Obligations of any Lender, Borrowers shall pay, on demand, each Lender's costs (including the cost of put options and such Lender's reasonable estimate of the cost of borrowing Shares in connection with Share Hedging Transactions), charges, losses (including market losses), fees, expenses, Taxes or duties of any kind (including, for these purposes, a reduction in rebate received by such Lender in respect of its own borrowing of securities) in connection with such Lender's (i) Advances or (ii) acquisition, establishment, re-establishment, substitution, maintenance, unwinding or disposition of, or realization or recovery of the proceeds of (or partial proceeds of) any transaction(s), position(s) or asset(s) that such Lender deems necessary (in its sole discretion) to hedge the market risk of the Collateral (including, solely to the extent applicable, any risk or potential damage as a result of unavailability of the public resale of the Collateral Shares in compliance with the conditions of Rule 144), with respect to each hedge entered into after the occurrence, and during the continuance, of an Event of Default that has not been waived or deemed not to occur pursuant to the last sentence of Section 7.01, in each case regardless of whether such funding is obtained from third parties, an Affiliate of such Lender or such Lender's internal sources. Notwithstanding anything to the contrary contained in this Agreement, Borrowers shall not be responsible for any costs, charges, fees, expenses, Taxes or duties of any kind related to any hedging activities of such Lender in connection with this Facility other than as set forth in this Section 9.04(d). "**Share Hedging Transactions**" means

"short sales" of Shares (including stock borrow transactions and synthetic short positions in the Shares) and option contracts, futures contracts, forward contracts, swap agreements or other derivative transactions relating to Shares, excluding, for the avoidance of doubt, any such transaction for which the underlier is a broad-based index or basket of securities.

(e) Payments. All amounts due under this Section 9.04 shall be payable immediately upon demand therefor.

(f) Survival. The agreements in this Section 9.04 shall survive the termination of the Facility and the repayment, satisfaction or discharge of all the other Obligations.

Section 9.05 Payments Set Aside. To the extent that any payment by or on behalf of a Borrower is made to any of Administrative Agent or Lenders (or Administrative Agent on behalf of the Lenders), or Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by Administrative Agent or any Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

Section 9.06 *Governing Law; Submission To Jurisdiction.*

(a) **Governing Law.** The Margin Loan Documentation shall be governed by, and construed in accordance with, laws of the State of New York without giving effect to its conflict of laws provisions other than Section 5 1401 of the New York General Obligations Law.

(b) **Submission to Jurisdiction.** Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any U.S. Federal or New York State court sitting in New York, New York in any action or proceeding arising out of or relating to any Margin Loan Documentation, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Margin Loan Documentation shall affect any right that any Agent or Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Margin Loan Documentation against any Borrower or its properties in the courts of any jurisdiction.

(c) **Waiver of Venue.** Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection

which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Margin Loan Documentation in any court referred to in Section 9.06(b). Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) **Service of Process.** Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.02(a). Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable Law.

(e) **WAIVER OF JURY TRIAL.** EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER MARGIN LOAN DOCUMENTATION OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER MARGIN LOAN DOCUMENTATION BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.06(E).

Section 9.07 *Successors and Assigns.*

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that Borrowers may not assign or otherwise transfer any rights or obligations of Borrowers hereunder, or under any other Margin Loan Documentation, without the prior written consent of each Lender (and any attempted assignment or transfer by a Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement. Any Lender may assign to one or more assignees that make the Purchaser Representations for the benefit of each "Lender" hereunder all or a portion of its rights and obligations under this Agreement (including all or a portion of the Advances); *provided* that, except in the case of an assignment to an Affiliate of such Lender (other than a special purpose vehicle, securitization vehicle or other similar Person), an Approved Fund or an Approved Lender, each Borrower must give its prior written consent to such assignment (which consent shall not be

unreasonably withheld, it being understood that it shall be reasonable for a Borrower to withhold consent from a proposed assignee or transferee with which such Borrower or its Affiliates do not have a commercial

relationship); *provided further* that any consent of a Borrower otherwise required under this Section 9.07(a) shall not be required if a payment or bankruptcy Event of Default has occurred and is continuing; *provided further* that, solely to the extent such assignment would cause such Lender's Applicable Percentage to be reduced from at or above 50% immediately prior to such assignment to below 50% immediately after giving effect to such assignment, such assigning Lender shall offer each Original Lender and/or any of its Affiliates a right of first refusal to acquire the interests, rights and obligations of such Lender by assignment ratably in accordance with such Original Lender's ratable share based upon the relative amount of such Lender's Advances and if any such Original Lender and/or any of its Permitted Affiliates do not accept such offer within ten (10) Business Days, then it shall be deemed to have waived its right of first refusal. Subject to notification of an assignment, the assignee shall be a party hereto and, to the extent of the interest assigned, have the rights and obligations of the related assigning Lender under this Agreement, and such Lender shall, to the extent of the interest assigned, be released from its obligations under this Agreement (and, in the case of an assignment covering all of such Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.09, 2.10, 2.12, 9.04 and 9.14). Each Borrower hereby agrees to execute any amendment and/or any other document that may be necessary to effectuate such an assignment. Borrowers shall maintain a copy of each assignment delivered to Borrowers and a register for the recordation of the names and addresses of Lenders and their respective successors and assigns, and the commitments of, and principal amounts of and interest on the Obligations owing to, each assignee pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and Borrowers, Lenders and the assignees shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by Borrowers and each Lender or assignee (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice.

(b) Any Lender may sell participations to one or more banks or other entities (other than Borrowers or any Affiliates of Borrowers) (a "**Participant**") that make the Purchaser Representations for the benefit of each Lender hereunder in all or a portion of such Lender's rights and obligations under this Agreement and the other Margin Loan Documentation (including all or a portion of the Advances); *provided* that (i) such Lender's obligations under the Margin Loan Documentation shall remain unchanged, (ii) such Lender shall remain solely responsible to Borrowers for the performance of such obligations, (iii) Borrowers shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, (iv) such Lender shall maintain a register of all Participants detailing each Participant's entitlement to principal and interest and (v) if the participation provides the Participant with control rights with respect to the Lender's rights under this Agreement, (A) such Participant shall be an Affiliate of such Lender (other than a special purpose vehicle, securitization vehicle or other similar Person), an Approved Fund or an Approved Lender or (B) each Borrower shall have given its prior written consent to such participation (which consent shall not be unreasonably withheld, it being understood that it shall

be reasonable for a Borrower to withhold consent from a proposed participant with which such Borrower or its Affiliates do not have a commercial relationship). Subject to Section 9.07(c), Borrowers agree that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, and 2.13 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to this Section 9.07(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.14 as though it were a Lender.

(c) A Participant shall not be entitled to receive any greater payment under Section 2.09 and Section 2.10 than a Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with Borrowers' prior written consent or results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Participant will comply with Section 2.10(e) as though it were a Lender, except that such Tax forms shall be provided to Lender and not Borrowers. A participating Lender shall, acting solely for this purpose as a non-fiduciary agent of Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant's interest in the Advances or other obligations under the Margin Loan

Documentation (the “**Participant Register**”); *provided* that Lender shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans, letters of credit or its other obligations under any Margin Loan Documentation) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Treasury Regulations Section 5f.103-1(c) and Proposed Treasury Regulations Section 1.163-5(b) (or any amended or successor version) or in order to obtain the consent set forth in Section 9.07(b)(v). The entries in the Participant Register shall be conclusive absent manifest error, and any Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, and this Section 9.07 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) No Lender may acquire credit protection or similar derivative arrangement, including a total return swap, with respect to an Advance if such instrument provides the seller thereof with control rights with respect to the Lender’s rights under this Agreement unless (i) such seller is an Affiliate of such Lender (other than a special purpose vehicle, securitization vehicle or other similar Person), an Approved Fund or an Approved Lender or (ii) each Borrower has given its prior written consent thereto (which consent shall not be unreasonably withheld, it being understood that it shall be reasonable for a Borrower to withhold consent to a proposed

seller of credit protection with which such Borrower or its Affiliates do not have a commercial relationship).

Section 9.01 Severability. Any provision of any Margin Loan Documentation held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.02 Counterparts; Integration; Effectiveness; Electronic Execution. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Margin Loan Documentation and any separate letter agreements with respect to fees payable to any Agent or Lender constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Article 4, this Agreement shall become effective when it shall have been executed by each Agent and Lender and when each Agent and Lender shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or e-mail transmission shall be effective as delivery of a manually-executed counterpart of this Agreement. The words “execution,” “execute,” “signed,” “signature” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.010 Survival Of Representations. All covenants, agreements, representations and warranties made by the Borrowers or CHI in the Margin Loan Documentation and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Margin Loan Documentation shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Margin Loan Documentation and the making of any Advances,

regardless of any investigation made by any such other party or on its behalf and notwithstanding that any Agent or Lender may have had notice or knowledge of any Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Advance or any other Obligation under this Agreement is outstanding and unpaid

or unsatisfied. The provisions of Sections 2.09, 2.10 and 2.12 and Article 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Advances or the termination of this Agreement or any provision hereof.

Section 9.011 Confidentiality. Subject to Section 5.06, each Agent and Lender agrees to maintain the confidentiality of the Information (as defined below) pursuant to the requirements hereof in accordance with its customary procedures for handling confidential information of such nature, except that Information may be (1) used by any Agent or Lender, its affiliates, agents and/or hedging counterparties in connection with, or upon, the exercise of any remedies hereunder or under any other Margin Loan Documentation or any action or proceeding relating to this Agreement or any other Margin Loan Documentation or the enforcement of rights hereunder or thereunder or (2) disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority having jurisdiction over such Agent or Lender (in which case the disclosing party agrees to inform Borrowers promptly of such disclosure, unless such notice is prohibited by applicable Law and except in connection with any request as part of a regulatory examination of an audit or examination conducted by bank accountants), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (in which case the disclosing party agrees to inform Borrowers promptly of such disclosure to the extent permitted by Law and except in connection with a regulatory examination of an audit or examination conducted by bank accountants), (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Margin Loan Documentation or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 9.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations hereunder, (g) with the consent of Borrowers or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 9.11 or (ii) becomes available to such Agent or Lender on a non-confidential basis from a source other than any Borrower or its Affiliates. For the purposes of this Section 9.11, **"Information"** means all information received from CHI, any Borrower or its Affiliates relating to CHI, Borrowers or Affiliates of Borrowers or the business of Borrowers hereunder or pursuant hereto, other than any such information that is available to an Agent or Lender on a non-confidential basis prior to disclosure by a Borrower or its Affiliates, *provided* that in the case of information received from a Borrower or its Affiliates after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to

maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 9.012 No Advisory Or Fiduciary Relationship. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Margin Loan Documentation), each Borrower acknowledges and agrees that: (a)(i) the arranging and other services regarding this Agreement provided by any Agent or Lender are arm's-length commercial transactions between such Borrower and its Affiliates, on the one hand, and such Agent or Lender and its Affiliates, on the other hand, (ii) such Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate and (iii) such Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Margin Loan Documentation; (b)(i) each Agent and Lender is and has been acting solely as a principal and, except as expressly agreed in writing herein or otherwise by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for such Borrower, any of its Affiliates or any other Person and (ii) each Agent and Lender has no obligation to such Borrower or any of its Affiliates with respect to the

transactions contemplated hereby except those obligations expressly set forth herein and in the other Margin Loan Documentation; and (c) each Agent and Lender and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of such Borrower and its Affiliates, and each Lender has no obligations to disclose any of such interests to such Borrower or any of its Affiliates. To the fullest extent permitted by law, each Borrower hereby waives and releases any claims that it may have against each Agent and Lender or its Affiliates with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.013 *Right Of Setoff.* If an Event of Default shall have occurred and be continuing, each Agent and Lender and each of their respective Affiliates (each, a “**Set-off Party**”) is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Set-off Party to or for the credit or the account of Borrowers against any of and all the obligations and liabilities of Borrowers, irrespective of whether or not the relevant Set-off Party shall have made any demand under the Margin Loan Documentation and although such obligations may be unmatured. The rights of each Set-off Party under this Section 9.13 are in addition to other rights and remedies (including other rights of setoff) which such Set-off Party may have. Each Lender agrees to notify the Borrowers promptly after any such setoff and application, *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.014 *Judgment Currency.* If a judgment, order or award is rendered by any court or tribunal for the payment of any amounts owing to any Agent or Lender under this Agreement or any other Margin Loan Documentation or for the payment of damages in respect of a judgment or order of another court or tribunal for the payment of such amount or damages,

such judgment, order or award being expressed in a currency (the “**Judgment Currency**”) other than Dollars, Borrowers agree (a) that the obligations of the Borrowers in respect of any such amounts owing shall be discharged only to the extent that on the Business Day following such Agent’s or Lender’s receipt of any sum adjudged in the Judgment Currency, such Agent or Lender may purchase Dollars with the Judgment Currency and (b) to indemnify and hold harmless such Agent or Lender against any deficiency in terms of Dollars in the amounts actually received by such Agent or Lender following any such purchase (after deduction of any premiums and costs of exchange payable in connection with the purchase of, or conversion into, Dollars). The indemnity set forth in the preceding sentence shall (notwithstanding any judgment referred to in the preceding sentence) constitute an obligation of Borrowers separate and independent from its other obligations hereunder, shall apply irrespective of any indulgence granted by any Agent or Lender, and shall survive the termination of this Agreement.

Section 9.015 *USA PATRIOT Act Notice.* Each Agent and Lender is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), as amended (the “**Patriot Act**”) and hereby notifies Borrowers that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Borrowers, which information includes the name and address of such Persons and other information that will allow such Agent or Lender to identify such Persons in accordance with the Patriot Act. Borrowers agree to promptly provide each Agent and Lender with all of the information requested by such Agent or Lender to the extent such Agent or Lender deems such information reasonably necessary to identify the Borrowers in accordance with the Patriot Act, and any other information or documentation reasonably requested by such Agent or Lender in connection with “know your customer” requirements and such Agent or Lender’s customary client onboarding process.

Section 9.016 *Interest Rate Limitation.* Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Advance, together with all fees, charges and other amounts which are treated as interest on such Advance under applicable law (collectively, the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by any Lender holding such Advance in accordance with applicable law, the rate of interest payable in respect of such Advance hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Advance but were not payable as a result of the operation of this Section 9.16 shall be cumulated and the interest and Charges payable to such Lender in respect of other Advances or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated

amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.017 *Disclosure*. Borrowers hereby acknowledges and agrees that each Agent and Lender and/or its Affiliates from time to time may hold investments in, make other loans to or have other relationships with Borrowers or Affiliates of Borrowers.

Section 9.018 *Calculation Agent Determinations*. All calculations and determinations made by Calculation Agent shall be made in good faith and in a commercially reasonable manner. Upon receipt of written request from any Borrower, Calculation Agent shall promptly provide Borrowers with a written explanation describing in reasonable detail any calculation, adjustment or determination made by it (including any quotations, market data or information from internal or external sources used in making such calculation, adjustment or determination, as the case may be, but without disclosing Calculation Agent's proprietary models or other information that may be proprietary or subject to contractual, legal or regulatory obligations to not disclose such information), and shall use commercially reasonable efforts to provide such written explanation within five (5) Business Days from the receipt of such request.

Section 9.019 *Joint and Several Liability*. The Advances are made with full recourse to each Borrower and constitute direct, general, unconditional and unsubordinated Indebtedness of each Borrower, and each Borrower is jointly and severally liable for the Obligations as a primary obligor in respect thereof. For the avoidance of doubt, unless expressly set forth herein or under any other Margin Loan Documentation, any payment or delivery obligation owed to or owed by any Borrower hereunder or under any other Margin Loan Documentation shall be made without duplication with any payment or delivery obligation owed to or owed by any other Borrower. The Obligations of each Borrower are independent of the Obligations of the other Borrower, and a separate action or actions may be brought and prosecuted against any Borrower to enforce this Agreement, irrespective of whether any action has been brought against the other Borrower or whether the other Borrower is joined in any such action.

Section 9.020 *Conflicts*. The parties acknowledge that (a) there is no hedging arrangement relating to any Advance between any Lender or any of its Affiliates on one hand and any Borrower or any of their respective Affiliates on the other hand, (b) there is no understanding between any Lender or any of its Affiliates on one hand and any Borrower or any Affiliate of a Borrower on the other hand regarding any hedging related to any Advance by any Lender or its Affiliates and (c) there is no arrangement or understanding for any Lender or its Affiliates to provide, and each Lender agrees not to provide and will use its reasonable best efforts to cause its Affiliates not to provide, any Borrower with any information regarding how, when or whether such Lender or its Affiliates hedges, or will hedge, any Advance; provided that neither any Borrower nor any Affiliate of a Borrower will request such information from such Lender or any Affiliate of such Lender. Each Borrower will not seek to control or influence how, when or whether any Lender will make any "purchases or sales" (within the meaning of Rule 10b5-1(c)(1)(i)(B)(3) under the Exchange Act) under any Advance entered into under this Agreement, including any Lender's decision to enter into any hedging transactions or to conduct foreclosure sales of any shares of Pledged Shares made in accordance with the terms of the Advance Documents. The Borrower acknowledges that: (i) during the term of the Advances, any Lender and its affiliates may buy or sell Shares or other securities or buy or sell options or futures contracts or enter into swaps or other derivative securities in order to establish, adjust or unwind its hedge position with respect to its portion of the Advances; (ii) any Lender and its affiliates may also be active in the market for the Shares other than in connection with any

hedging activities in relation to its portion of the Advances; (iii) any Lender shall make its own determination as to whether, when or in what manner any hedging or market activities in Shares or other securities shall be conducted and shall do so in a manner that it deems appropriate; and (iv) any market activities of any Lender and its affiliates with respect to the Shares may affect the market price and volatility of the Shares, as well as the LTV Level, each in a manner that may be adverse to the Borrower.

Section 9.021 *U.S. QFC Contractual Stay Requirements*.

(a) *Recognition of U.S. Regimes*. In the event one or more of the Covered Parties becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of this Agreement, any transaction under this Agreement or any related Credit

Enhancement (each, a “**Relevant Agreement**”) and any interest and obligation in or under, and any property securing, such Relevant Agreement (“**Relevant Interests**”) from one or more of the Covered Parties will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Relevant Agreement and Relevant Interests were governed by the laws of the United States or a state of the United States. In the event one or more of the Covered Parties or any Covered Affiliate becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights with respect to any Relevant Agreement against the Covered Party or Relevant Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Relevant Agreement were governed by the laws of the United States or a state of the United States. The requirements of this Section 9.20(a) apply notwithstanding Section 9.20(b).

(b) **Limitation on Exercise of Certain Default Rights.** Notwithstanding anything to the contrary in any Relevant Agreement or any other agreement, the parties expressly agree that each Borrower shall not be permitted to exercise any Default Right against the Relevant Covered Parties with respect to any Relevant Agreement that is related, directly or indirectly, to a Covered Affiliate becoming subject to an Insolvency Proceeding, other than a Default Right that arises as a result of the Relevant Covered Parties becoming subject to an Insolvency Proceeding or the Relevant Covered Parties not satisfying a payment or delivery obligation pursuant to such Relevant Agreement or another contract between the Relevant Covered Parties and any Borrower that gives rise to a Default Right under such Relevant Agreement. After a Covered Affiliate has become subject to an Insolvency Proceeding, if any Borrower seeks to exercise any Default Right with respect to any Relevant Agreement with the Relevant Covered Parties, such Borrower shall have the burden of proof, by clear and convincing evidence, that the exercise of such Default Right is permitted thereunder.

(c) **Effective Date.** The provisions of this Section 9.20 will come into effect on the later of the date of this Agreement and the Applicable Compliance Date.

(d) **Definitions.** For the purposes of this Section 9.20, the following definitions apply:

“**Applicable Compliance Date**” means: (a) July 1, 2019, if any Borrower is a “financial counterparty” other than a “small financial institution” (as such terms are defined under, and interpreted in accordance with, the QFC Stay Rules); or (b) otherwise, January 1, 2020.

“**Covered Affiliate**” means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of one or more of the Covered Parties.

“**Covered Parties**” means any Lender that is a “covered entity” as defined under the QFC Stay Rules.

“**Credit Enhancement**” means, with respect to this Agreement or any transaction under this Agreement, any credit enhancement or other credit support arrangement in support of the obligations of one or more of the Covered Parties or Borrowers thereunder or with respect thereto, including any guarantee, pledge, charge, mortgage or other security interest in collateral or title transfer collateral arrangement, trust or similar arrangement, letter of credit, transfer of margin, reimbursement obligation or any similar arrangement.

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, the QFC Stay Rules, including without limitation any right of a party to liquidate, terminate, cancel, rescind, or accelerate an agreement or transactions thereunder, set off or net amounts owed, exercise remedies in respect of collateral or other credit support or related property, demand payment or delivery, suspend, delay, or defer payment or performance, alter the amount of, demand the return of or modify any right to reuse collateral or margin provided, otherwise modify the obligations of a party, or any similar rights.

“**Insolvency Proceeding**” means a receivership, insolvency, liquidation, resolution, or similar proceeding.

“**QFC Stay Rules**” means the regulations codified at 12 C.F.R. §§ 252.2, 252.81–8; 12 C.F.R. §§ 382.1-7; and 12 C.F.R. §§ 47.1-8. All references herein to the QFC Stay Rules shall be construed, with respect to any Covered Party, to the particular QFC

Stay Rule(s) applicable to it.

"Relevant Covered Party" means the Covered Party that is affiliated with the relevant Covered Affiliate.

"U.S. Special Resolution Regime" means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

Exhibit 10.8

EMPLOYMENT AGREEMENT

THIS EMPLOYMENT AGREEMENT (the "Agreement") is effective as of March 18, 2024 (the "Effective Date"), by and between **CANNAE HOLDINGS, INC.**, a Delaware corporation (the "Company"), and **MICHAEL L. GRAVELLE** (the "Employee"). In consideration of the mutual covenants and agreements set forth herein, the parties agree as follows:

1. **Purpose.** The purpose of this Agreement is to recognize the Employee's significant contributions to the overall financial performance and success of the Company and to provide a single, integrated document which shall provide the basis for the Employee's employment by the Company.

2. **Employment and Duties.** Subject to the terms and conditions of this Agreement, the Company employs the Employee to serve in an executive capacity as Executive Vice President, General Counsel and Corporate Secretary of Cannae Holdings, Inc. The Employee will perform such other duties and responsibilities as are from time to time assigned to the Employee by the Chief Executive Officer of the Company, consistent with the terms and provisions of this Agreement. The Company acknowledges and agrees that Employee is now and may continue to serve as Executive Vice President, General Counsel and Corporate Secretary of Fidelity National Financial, Inc. ("FNF") and, in each case, its respective affiliates or their respective successors.

3. **Term.** The term of this Agreement shall commence on the Effective Date and shall continue for a period of three (3) years ending on the third anniversary of the Effective Date or, if later, ending on the last day of any extension made pursuant to the next sentence, subject to prior termination as set forth in Section 8 (such term, including any extensions pursuant to the next sentence, the "Employment Term"). The Employment Term shall be extended automatically for one (1) additional year on the first anniversary of the Effective Date and for an additional year each anniversary thereafter unless and until the Company gives at least one year's advance written notice to the Employee prior to the then current Employment Term expiration not to extend the Employment Term before such extension would be effectuated. Notwithstanding any termination of the Employment Term or the Employee's employment, the Employee and the Company agree that Sections 8 through 10 shall remain in effect until all parties' obligations and benefits are satisfied thereunder.

4. **Salary.** During the Employment Term, the Company shall pay the Employee an annual base salary, before deducting all applicable withholdings, of no less than \$248,000 per year, payable at the time and in the manner dictated by the Company's standard payroll policies. Such minimum annual base salary may be periodically reviewed and increased (but not decreased without the Employee's express written consent) at the discretion of the Board or the Compensation Committee of the Board (the "Committee") to reflect, among other matters, cost of living increase and performance results (the aggregate amount of paid salary in any given year shall be referred to as the "Annual Base Salary").

5. **Other Compensation and Fringe Benefits.** In addition to any executive bonus, deferred compensation and long-term incentive plans which the Company or an affiliate of the Company may from time to time make available to the Employee, the Employee shall be entitled to the following during the Employment Term:

- (a) the standard Company benefits enjoyed by the Company's other top executives as a group;
- (b) medical and other insurance coverage (for the Employee and any covered dependents) provided by the Company to its other top executives as a group;
- (c) an annual incentive bonus opportunity under the Company's annual incentive plan ("Annual Bonus Plan") for each calendar year included in the Employment Term, with such opportunity to be earned based upon attainment of

performance objectives established by the Committee ("Annual Bonus"). The Employee's target Annual Bonus opportunity under the Annual Bonus Plan is \$148,000 (the "Annual Bonus Opportunity"). The Employee's Annual Bonus Opportunity may be periodically reviewed and increased (but not decreased without the Employee's express written consent) at the discretion of the Committee. The Annual Bonus shall be paid no later than the March 15th first following the calendar year to which the Annual Bonus relates; and

- (d) on the first business day following the Effective Date, a grant of \$250,000 of Company restricted common stock with time-based only vesting in three equal annual installments and, subject to the approval of the Company's Compensation Committee, on or prior to March 31, 2025, and March 31, 2026 (\$250,000 shares on or prior to March 31, 2025, and \$250,000 shares on or prior to March 31, 2026), a grant of at least \$250,000 of Company restricted common stock with time-based only vesting in three equal annual installments. In the event that the Company does not receive any necessary shareholder approval for this grant, the Company shall pay the cash equivalent to Employee.

6. **Vacation.** For and during each calendar year within the Employment Term, the Employee shall be entitled to reasonable paid vacation periods consistent with the Employee's position and in accordance with the Company's standard policies, or as the Board may approve. In addition, the Employee shall be entitled to such holidays consistent with the Company's standard policies or as the Board or the Committee may approve.

7. **Expense Reimbursement.** In addition to the compensation and benefits provided herein, the Company shall, upon receipt of appropriate documentation, reimburse the Employee each month for his reasonable travel, lodging, entertainment, promotion and other ordinary and necessary business expenses to the extent such reimbursement is permitted under the Company's expense reimbursement policy.

8. **Termination of Employment.** The Company or the Employee may terminate the Employee's employment at any time and for any reason in accordance with Subsection 8(a) below. The Employment Term shall be deemed to have ended on the last day of the Employee's employment. The Employment Term shall terminate automatically upon the Employee's death.

- (a) **Notice of Termination.** Any purported termination of the Employee's employment (other than by reason of death) shall be communicated by written Notice of Termination (as defined herein) from one party to the other in accordance with the notice provisions contained in Section 25. For purposes of this Agreement, a "Notice of Termination" shall mean a notice that indicates the Date of Termination (as that term is defined in Subsection 8(b)) and, with respect to a termination due to Disability (as that term is defined in Subsection 8(e)), Cause (as that term is defined in Subsection 8(d)), or Good Reason (as that term is defined in Subsection 8(f)), sets forth in reasonable detail the facts and circumstances that are alleged to provide a basis for such termination. A Notice of Termination from the Company shall specify whether the termination is with or without Cause or due to the Employee's Disability. A Notice of Termination from the Employee shall specify whether the termination is with or without Good Reason.
- (b) **Date of Termination.** For purposes of this Agreement, "Date of Termination" shall mean the date specified in the Notice of Termination (but in no event shall such date be earlier than the thirtieth (30th) day following the date the Notice of Termination is given) or the date of the Employee's death.
- (c) **No Waiver.** The failure to set forth any fact or circumstance in a Notice of Termination, which fact or circumstance was not known to the party giving the Notice of Termination when the notice was given, shall not constitute a waiver of the right to assert such fact or circumstance in an attempt to enforce any right under or provision of this Agreement.
- (d) **Cause.** For purposes of this Agreement, a termination for "Cause" means a termination by the Company based upon the Employee's: (i) persistent failure to perform duties consistent with a commercially reasonable standard of care (other than due to a physical or mental impairment or due to an action or inaction directed by the Company that would otherwise constitute Good Reason); (ii) willful neglect of duties (other than due to a physical or mental impairment or due to an action or inaction directed by the Company that would otherwise constitute Good Reason); (iii) conviction of,

or pleading nolo contendere to, criminal or other illegal activities involving dishonesty; (iv) material breach of this Agreement that causes a material and adverse detriment to the Company's business; or (v) failure to materially cooperate with or impeding an investigation authorized by the Board; provided, however, that the Employee shall have been given reasonable opportunity (A) to cure any act or omission that constitutes Cause if capable of cure and (B), together with counsel, during the thirty (30) day

period following the receipt by the Employee of the Notice of Termination and prior to the adoption of the Board's resolution, to be heard by the Board.

(e) Disability. For purposes of this Agreement, a termination based upon "Disability" means a termination by the Company based upon the Employee's entitlement to long-term disability benefits under the Company's or FNF's (as applicable) long-term disability plan or policy, as the case may be, as in effect on the Date of Termination.

(f) Good Reason. For purposes of this Agreement, a termination for "Good Reason" means a termination by the Employee during the Employment Term based upon the occurrence (without the Employee's express written consent) of any of the following:

- (i) a material diminution in the Employee's position or title, or the assignment of duties to the Employee that are materially inconsistent with the Employee's position or title;
- (ii) a material diminution in the Employee's Annual Base Salary or Annual Bonus Opportunity;
- (iii) relocates Employee's principal place of employment to a location outside of Las Vegas, Nevada;
- (iv) within six (6) months immediately preceding or within two (2) years immediately following a Change in Control: (A) a material adverse change in the Employee's status, authority or responsibility (e.g., the Employee no longer serving as President would constitute such a material adverse change); (B) a material adverse change in the position to whom the Employee reports (including any requirement that the Employee report to a corporate officer or employee instead of reporting directly to the Board) or to the Employee's service relationship (or the conditions under which the Employee performs his duties) as a result of such reporting structure change, or a material diminution in the authority, duties or responsibilities of the position to whom the Employee reports; (C) a material diminution in the budget over which the Employee has managing authority; or (D) a material change in the geographic location of the Employee's principal place of employment (e.g., the Company has determined that a relocation of more than thirty-five (35) miles would constitute such a material change); or
- (v) a material breach by the Company of any of its obligations under this Agreement.

Notwithstanding the foregoing, the Employee being placed on a paid leave for up to sixty (60) days pending a determination of whether there is a basis to terminate the Employee for Cause shall not constitute Good Reason. The Employee's

continued employment shall not constitute consent to, or a waiver of rights with respect to, any act or failure to act constituting Good Reason hereunder; provided, however, that no such event described above shall constitute Good Reason unless: (1) the Employee gives Notice of Termination to the Company specifying the condition or event relied upon for such termination either: (x) within ninety (90) days of the initial existence of such event; or (y) in the case of an event predating a Change in Control, within ninety (90) days of the Change in Control; and (2) the Company fails to cure the condition or event constituting Good Reason within thirty (30) days following receipt of the Employee's Notice of Termination.

9. Obligations of the Company Upon Termination.

(a) Termination by the Company for a Reason Other than Cause, Death or Disability or Termination by the Employee for Good Reason. If the Employee's employment is terminated by: (1) the Company for any reason other than Cause, Death or Disability; or (2) the Employee for Good Reason:

- (i) the Company shall pay the Employee the following (collectively, the "Accrued Obligations"): (A) within five (5) business days after the Date of Termination, any earned but unpaid Annual Base Salary; (B) within a reasonable time following submission of all applicable documentation, any expense reimbursement payments owed to the Employee for expenses incurred prior to the Date of Termination and (C) no later than March 15th of the year in which the Date of Termination occurs, any earned but unpaid Annual Bonus payments relating to the prior calendar year;
- (ii) the Company shall pay the Employee no later than March 15th of the calendar year following the year in which the Date of Termination occurs, a prorated Annual Bonus based upon the actual Annual Bonus that would have been earned by the Employee for the year in which the Date of Termination occurs (based upon the target Annual Bonus opportunity in the year in which the Date of Termination occurred, or the prior year if no target Annual Bonus opportunity has yet been determined, and the actual satisfaction of the applicable performance measures, but ignoring any requirement under the annual bonus plan that the Employee must be employed on the payment date) multiplied by the percentage of the calendar year completed before the Date of Termination (the "Post-Termination Pro-Rata Bonus Payment");
- (iii) the Company shall pay the Employee, no later than the sixty-fifth (65th) calendar day after the Date of Termination, a lump-sum payment equal to: (A) 100% of the Employee's Annual Base Salary in effect immediately prior to the Date of Termination (disregarding any reduction in Annual Base Salary to which the Employee did not expressly consent in writing); (B) 100% of the highest Annual Bonus paid to the Employee by the Company within the three (3) years preceding his termination of

employment or, if higher, the target Annual Bonus opportunity in the year in which the Date of Termination occurs; and (C) accelerated payments under Employee's Investment Success Incentive Awards for Ceridian HCM Holdings Inc. (the "Post-Termination Cash Payment");

- (iv) all stock option, restricted stock, profits interest, other equity-based incentive awards granted by the Company that were outstanding but not vested as of the Date of Termination shall become immediately vested and/or payable, as the case may be, provided, however, that any such equity awards that are vested pursuant to this provision and that constitute a non-qualified deferred compensation arrangement within the meaning of Code Section 409A shall be paid or settled on the earliest date coinciding with or following the Date of Termination that does not result in a violation of or penalties under Section 409A (the "Existing Equity Acceleration"); and
- (v) the Company shall provide the Employee with certain continued welfare benefits as follows:

- (A) Any life insurance coverage provided by the Company shall terminate at the same time as life insurance coverage would normally terminate for any other employee that terminates employment with the Company, and the Employee shall have the right to convert that life insurance coverage to an individual policy under the regular rules of the Company's group policy. In addition, if the Employee is covered under or receives life insurance coverage provided by the Company on the Date of Termination, then within thirty (30) business days after the Date of Termination, the Company shall pay the Employee a lump sum cash payment equal to thirty-six (36) monthly life insurance premiums based on the monthly premiums that would be due assuming that the Employee had converted his Company life insurance coverage that was in effect on the Notice of Termination into an individual policy.
- (B) As long as the Employee pays the full monthly premiums for COBRA coverage, the Company shall provide the Employee and, as applicable, the Employee's eligible dependents with continued medical

and dental coverage, on the same basis as provided to the Company's active executives and their dependents until the earlier of: (i) three (3) years after the Date of Termination; or (ii) the date the Employee is first eligible for medical and dental coverage (without pre-existing condition limitations) with a subsequent employer. In addition, within thirty (30) business days after the Date of Termination, the Company shall pay the Employee a lump sum cash payment equal to thirty-six (36) monthly medical and

dental COBRA premiums based on the level of coverage in effect for the Employee (e.g., employee only or family coverage) on the Date of Termination.

- (b) Termination by the Company for Cause and by the Employee without Good Reason. If the Employee's employment is terminated (i) by the Company for Cause or (ii) by the Employee without Good Reason (excluding for this purpose the Employee terminating his employment without Good Reason during the six (6) month period immediately following a Change in Control in accordance with Section 9(a)), the Company's only obligation under this Agreement shall be payment of any Accrued Obligations
- (c) Termination due to Death, Disability or Incapacity. If the Employee's employment is terminated due to death or Disability or if a court of competent jurisdiction determines Employee to be incapacitated, the Company shall pay the Employee (or to the Employee's estate or personal representative in the case of death and, if appropriate, Disability), within thirty (30) business days after the Date of Termination: (i) any Accrued Obligations, (ii) Post-Termination Pro-Rata Bonus Payment, (iii) Post-Termination Cash Payment, and (iv) Existing Equity Acceleration.
- (d) Definition of Change in Control. For purposes of this Agreement, the term "Change in Control" shall mean that the conditions set forth in any one of the following subsections shall have been satisfied:
 - (i) the acquisition, directly or indirectly, by any "person" (within the meaning of Section 3(a)(9) of the Securities and Exchange Act of 1934, as amended (the "Exchange Act") and used in Sections 13(d) and 14(d) thereof) of "beneficial ownership" (within the meaning of Rule 13d-3 of the Exchange Act) of securities of the Company possessing more than fifty percent (50%) of the total combined voting power of all outstanding securities of the Company;
 - (ii) a merger or consolidation in which the Company is not the surviving entity, except for a transaction in which the holders of the outstanding voting securities of the Company immediately prior to such merger or consolidation hold, in the aggregate, securities possessing more than fifty percent (50%) of the total combined voting power of all outstanding voting securities of the surviving entity immediately after such merger or consolidation;
 - (iii) a reverse merger in which the Company is the surviving entity but in which securities possessing more than fifty percent (50%) of the total combined voting power of all outstanding voting securities of the Company are transferred to or acquired by a person or persons different from the persons holding those securities immediately prior to such merger;
 - (iv) during any period of two (2) consecutive years during the Employment Term or any extensions thereof, individuals, who, at the beginning of such period, constitute the Board, cease for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds of the directors then in office who were directors at the beginning of the period;
 - (v) the sale, transfer or other disposition (in one transaction or a series of related transactions) of assets of the Company that have a total fair market value equal to or more than one-third of the total fair market value of all of the assets of the Company immediately prior to such sale, transfer or other disposition, other than a sale,

transfer or other disposition to an entity (A) which immediately following such sale, transfer or other disposition owns, directly or indirectly, at least fifty percent (50%) of the Company's outstanding voting securities or (B) fifty percent (50%) or more of whose outstanding voting securities is immediately following such sale, transfer or other disposition owned, directly or indirectly, by the Company. For purposes of the foregoing clause, the sale of stock of a subsidiary of the Company (or the assets of such subsidiary) shall be treated as a sale of assets of the Company; or

(vi) the approval by the stockholders of a plan or proposal for the liquidation or dissolution of the Company.

- (e) **Six-Month Delay.** To the extent the Employee is a "specified employee," as defined in Section 409A(a)(2)(B)(i) of the Code and the regulations and other guidance promulgated thereunder and any elections made by the Company in accordance therewith, notwithstanding the timing of payment provided in any other Section of this Agreement, no payment, distribution or benefit under this Agreement that constitutes a distribution of deferred compensation (within the meaning of Treasury Regulation Section 1.409A-1(b)) upon separation from service (within the meaning of Treasury Regulation Section 1.409A-1(h)), after taking into account all available exemptions, that would otherwise be payable during the six (6) month period after separation from service, will be made during such six (6) month period, and any such payment, distribution or benefit will instead be paid on the first business day after such six (6) month period, provided, however, that if the Employee dies following the Date of Termination and prior to the payment, distribution, settlement or provision of any payments, distributions or benefits delayed on account of Code Section 409A, such payments, distributions or benefits shall be paid or provided to the personal representative of the Employee's estate within 30 days after the date of Employee's death.

10. **Excise Tax.** If any payments or benefits paid or provided or to be paid or provided to the Employee or for Employee's benefit pursuant to the terms of this Agreement or otherwise in connection with, or arising out of, employment with the Company or its subsidiaries or the termination thereof (a "Payment" and, collectively, the "Payments") would be subject to the excise tax imposed by Section 4999 of the Code (the "Excise Tax"), then Employee may elect for such Payments to be reduced to one dollar less than the amount that would constitute a "parachute payment" under Section 280G of the Code (the "Scaled Back Amount"). Any such election must be in writing and delivered to the Company within thirty (30) days after the Date of Termination. If Employee does not elect to have Payments reduced to the Scaled Back Amount, Employee shall be responsible for payment of any Excise Tax resulting from the Payments and Employee shall not be entitled to a gross-up payment under this Agreement or any other for such Excise Tax. If the Payments are to be reduced, they shall be reduced in the following order of priority: (i) first from cash compensation, (ii) next from equity compensation, then (iii) pro-rata among all remaining Payments and benefits. To the extent there is a question as to which Payments within any of the foregoing categories are to be reduced first, the Payments that will produce the greatest present value reduction in the Payments with the least reduction in economic value provided to Employee shall be reduced first. Notwithstanding the order of priority of reduction set forth above, the Employee may include in the Employee's election for a Scaled Back Amount a change to the order of such Payment reduction. The Company shall follow such revised reduction order, if and only if, the Company, in its sole judgment, determines such change does not violate the provisions of Code Section 409A.

11. **Non-Delegation of the Employee's Rights.** The obligations, rights and benefits of the Employee hereunder are personal and may not be delegated, assigned or transferred in any manner whatsoever, nor are such obligations, rights or benefits subject to involuntary alienation, assignment or transfer.

12. **Confidential Information.** The Employee acknowledges that he will occupy a position of trust and confidence and will have access to and learn substantial information about the Company and its affiliates and their operations that is confidential or not generally known in the industry including, without limitation, information that relates to purchasing, sales, customers, marketing, and the financial positions and financing arrangements of the Company and its affiliates. The Employee agrees that all such information is proprietary or confidential, or constitutes trade secrets and is the sole property of the Company and/or its affiliates, as the case may be. The Employee will keep confidential, and will not reproduce, copy or disclose to any other person or firm, any such information or any documents or information relating to the Company's or its affiliates' methods, processes, customers, accounts, analyses, systems, charts, programs, procedures, correspondence or records, or any other documents used or owned by the

Company or any of its affiliates, nor will the Employee advise, discuss with or in any way assist any other person, firm or entity in obtaining or learning about any of the items described in this Section 12. Accordingly, the Employee agrees that during the Employment Term and at all times thereafter he will not disclose, or permit or encourage anyone else to disclose, any such information, nor will he utilize any such information, either alone or with others, outside the scope of his duties and responsibilities with the Company and its affiliates.

13. Non-Competition.

(a) During Employment Term. The Employee agrees that, during the Employment Term, Employee will devote such business time, attention and energies reasonably necessary to the diligent and faithful performance of the services to the Company and its affiliates under this Agreement, and, subject to Section 13(c), Employee will not engage in any way whatsoever, directly or indirectly, in any business that is a direct competitor with the Company's or its affiliates' principal business, nor solicit customers, suppliers or employees of the Company or affiliates on behalf of, or in any other manner work for or assist any business which is a direct competitor with the Company's or its affiliates' principal business. In addition, during the Employment Term and subject to Section 13(c), Employee will undertake no planning for or organization of any business activity competitive with the work he performs as an employee of the Company, and Employee will not combine or conspire with any other employee of the Company or any other person for the purpose of organizing any such competitive business activity.

(b) After Employment Term. The parties acknowledge that Employee will acquire substantial knowledge and information concerning the business of the Company and its affiliates as a result of his employment. The parties further acknowledge that the scope of business in which the Company and its affiliates are engaged as of the Effective Date is national and very competitive and one in which few companies can successfully compete. Competition by Employee in that business after the Employment Term would severely injure the Company and its affiliates. Accordingly, for a period of one (1) year after Employee's employment terminates for any reason whatsoever, except as otherwise stated in Section 13(c), Employee agrees: (i) not to become an employee, consultant, advisor, principal, partner or substantial shareholder of any firm or business that directly competes with the Company or its affiliates in their principal products and markets; and (ii), on behalf of any such competitive firm or business, not to solicit any person or business that was at the time of such termination and remains a customer or prospective customer, a supplier or prospective supplier, or an employee of the Company or an affiliate.

(c) Exclusion. Working, directly or indirectly, for any of the following entities shall not be considered competitive to the Company or its affiliates for the purpose of this Section 13: (i) FNF, and (ii) its respective affiliates or successors.

14. Return of Company Documents. Upon termination of the Employment Term, the Employee shall return immediately to the Company all records and documents of or pertaining to the Company or its affiliates and shall not make or retain any copy or extract of any such record or document, or any other property of the Company or its affiliates.

15. Improvements and Inventions. Any and all improvements or inventions that the Employee may make or participate in during the Employment Term, unless wholly unrelated to the business of the Company and its affiliates and not produced within the scope of the Employee's employment hereunder, shall be the sole and exclusive property of the Company.

The Employee shall, whenever requested by the Company, execute and deliver any and all documents that the Company deems appropriate in order to apply for and obtain patents or copyrights in improvements or inventions or in order to assign and/or convey to the Company the sole and exclusive right, title and interest in and to such improvements, inventions, patents, copyrights or applications.

16. Actions. The parties agree and acknowledge that the rights conveyed by this Agreement are of a unique and special nature and that the Company and Employee will not have an adequate remedy at law in the event of a failure by the other party to abide by its terms and conditions, nor will money damages adequately compensate for such injury. Therefore, it is agreed between

and hereby acknowledged by the parties that, in the event of a breach by a party of this Agreement of any of its and his obligations of this Agreement, the other party shall have the right, among other rights, to damages sustained thereby and to obtain an injunction or decree of specific performance from any court of competent jurisdiction to restrain or compel the other party to perform as agreed herein. The Employee hereby acknowledges that obligations under Sections and Subsections 12, 13(b), 14, 15, 16, 17 and 18 shall survive the termination of employment and be binding by their terms at all times subsequent to the termination of employment for the periods specified therein. Nothing herein shall in any way limit or exclude any other right granted by law or equity to the Company.

17. **Release.** Notwithstanding any provision herein to the contrary, the Company may require that, prior to payment of any amount or provision of any benefit under Section 9 (other than due to the Employee's death), the Employee shall have executed a complete mutual release in such form as is mutually agreed by the Company and Employee, and any waiting periods contained in such release shall have expired; provided, however, that such release relates only to the Employee's employment relationship with the Company. With respect to any release required to receive payments owed pursuant to Section 9, the Company must provide the Employee with the form of release no later than seven (7) days after the Date of Termination and the release must be signed by the Employee and returned to the Company, unchanged, effective and irrevocable, no later than sixty (60) days after the Date of Termination.

18. **No Mitigation.** The Company agrees that, if the Employee's employment hereunder is terminated during the Employment Term, the Employee is not required to seek other employment or to attempt in any way to reduce any amounts payable to the Employee by the Company hereunder. Further, the amount of any payment or benefit provided for hereunder (other than pursuant to Subsection 9(a)(v) hereof) shall not be reduced by any compensation earned by the Employee as the result of employment by another employer, by retirement benefits or otherwise.

19. **Entire Agreement and Amendment.** This Agreement embodies the entire agreement and understanding of the parties hereto in respect of the subject matter of this Agreement, and supersedes and replaces all prior agreements, understandings and commitments with respect to such subject matter. This Agreement may be amended only by a written document signed by both parties to this Agreement.

20. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the laws of the State of Nevada, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Agreement to the substantive law of another jurisdiction. Any litigation pertaining to this Agreement shall be adjudicated in courts located in Clark County, Nevada.

21. **Successors.** This Agreement may not be assigned by the Employee. In addition to any obligations imposed by law upon any successor to the Company, the Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the stock, business and/or assets of the Company, to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place. Failure of the Company to obtain such assumption by a successor shall be a material breach of this Agreement. The Employee agrees and consents to any such assumption by a successor of the Company, as well as any assignment of this Agreement by the Company for that purpose. As used in this Agreement, "Company" shall mean the Company as herein before defined as well as any such successor that expressly assumes this Agreement or otherwise becomes bound by all of its terms and provisions by operation of law. This Agreement shall be binding upon and inure to the benefit of the parties and their permitted successors or assigns.

22. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

23. **Attorneys' Fees.** If any party finds it necessary to employ legal counsel or to bring an action at law or other proceedings against the other party to interpret or enforce any of the terms hereof, the party prevailing in any such action or other proceeding shall be promptly paid by the other party its reasonable legal fees, court costs, litigation expenses, all as determined by

the court and not a jury, and such payment shall be made by the non-prevailing party no later than the end of the Employee's tax year following the Employee's tax year in which the payment amount becomes known and payable; provided, however, that on or after a Change in Control, and following the Employee's termination of employment with the Company, if any party finds it necessary to employ legal counsel or to bring an action at law or other proceedings against the other party to interpret or enforce any of the terms hereof, the Company shall pay (on an ongoing basis) to the Employee to the fullest extent permitted by law, all legal fees, court costs and litigation expenses reasonably incurred by the Employee or others on his behalf (such amounts collectively referred to as the "Reimbursed Amounts"); provided, further, that the Employee shall reimburse the Company for the Reimbursed Amounts if it is determined that a majority of the Employee's claims or defenses were frivolous or without merit. Requests for payment of Reimbursed Amounts, together with all documents required by the Company to substantiate them, must be submitted to the Company no later than ninety (90) days after the expense was incurred. The Reimbursed Amounts shall be paid by the Company within ninety (90) days after receiving the request and all substantiating documents requested from the Employee. The payment of Reimbursed Amounts during the Employee's tax year will not impact the Reimbursed Amounts for any other taxable year. The rights under this Section 23 shall survive

the termination of employment and this Agreement until the expiration of the applicable statute of limitations.

24. Severability. If any section, subsection or provision hereof is found for any reason whatsoever to be invalid or inoperative, that section, subsection or provision shall be deemed severable and shall not affect the force and validity of any other provision of this Agreement. If any covenant herein is determined by a court to be overly broad thereby making the covenant unenforceable, the parties agree and it is their desire that such court shall substitute a reasonable judicially enforceable limitation in place of the offensive part of the covenant and that as so modified the covenant shall be as fully enforceable as if set forth herein by the parties themselves in the modified form. The covenants of the Employee in this Agreement shall each be construed as an agreement independent of any other provision in this Agreement, and the existence of any claim or cause of action of the Employee against the Company, whether predicated on this Agreement or otherwise, shall not constitute a defense to the enforcement by the Company of the covenants in this Agreement.

25. Notices. Any notice, request, or instruction to be given hereunder shall be in writing and shall be deemed given when personally delivered or three (3) days after being sent by United States Certified Mail, postage prepaid, with Return Receipt Requested, to the parties at their respective addresses set forth below:

To the Company:

Cannae Holdings, Inc.
1701 Village Center Circle

To the Employee:

26. Waiver of Breach. The waiver by any party of any provisions of this Agreement shall not operate or be construed as a waiver of any prior or subsequent breach by the other party.

27. Tax Withholding. The Company or an affiliate may deduct from all compensation and benefits payable under this Agreement any taxes or withholdings the Company is required to deduct pursuant to state, federal or local laws.

28. Code Section 409A. To the extent applicable, it is intended that this Agreement and any payment made hereunder shall comply with the requirements of Section 409A of the Code, and any related regulations or other guidance promulgated with respect

to such Section by the U.S. Department of the Treasury or the Internal Revenue Service ("Code Section 409A"). Any provision that would cause the Agreement or any payment hereof to fail to satisfy Code Section 409A shall have no force or effect until amended to comply with Code Section 409A, which amendment may be retroactive to the extent permitted by Code Section 409A. Each payment under this Agreement shall be treated as a separate payment for purposes of Code Section 409A. In no event may Employee, directly or indirectly, designate the calendar year of any payment to be made under this Agreement. All reimbursements and in-kind benefits provided under this Agreement shall be made or provided in accordance with the requirements of Code Section 409A, including, without limitation, that (i) in no event shall reimbursements by the Company under this Agreement be made later than the end of the calendar year next following the calendar year in which the applicable fees and expenses were incurred; (ii) the amount of in-kind benefits that the Company is obligated to pay or provide in any given calendar year shall not affect the in-kind benefits that the Company is obligated to pay or provide in any other calendar year; (iii) the Employee's right to have the Company pay or provide such reimbursements and in-kind benefits may not be liquidated or exchanged for any other benefit; and (iv) in no event shall the Company's obligations to make such reimbursements or to provide such in-kind benefits apply later than the Employee's remaining lifetime. Notwithstanding anything contained herein to the contrary, (x) in no event shall the Date of Termination occur until the Employee experiences a "separation of service" within the meaning of Code Section 409A, and the date on which such separation from service takes place shall be the "Date of Termination," and all references herein to a "termination of employment" (or words of similar meaning) shall mean a "separation of service" within the meaning of Code Section 409A and (y) to the extent the payment of any amount pursuant to Section 9 of this Agreement constitutes deferred compensation (within the meaning of Treasury Regulation Section 1.409A-1(b)) and such amount is payable within a number of days (e.g., no later than the sixty-fifth (65th) calendar day after the Date of Termination) that begins in one calendar year and ends in a subsequent calendar year, such amount shall be paid in the subsequent calendar year. The Employee acknowledges that he has been advised to consult with an attorney and any other advisors of Employee's choice prior to executing this Agreement, and the Employee further acknowledges that, in entering into this Agreement, he has not relied upon any representation or statement made by any agent or representative of Company or its affiliates that is not expressly set forth in this Agreement, including, without limitation, any representation with respect to the consequences or characterization (including for purpose of tax withholding and reporting) of the payment of any compensation or benefits hereunder under Section 409A of the Code and any similar sections of state tax law.

IN WITNESS WHEREOF the parties have executed this Agreement to be effective as of the date first set forth above.
