Basis of Presentation

The condensed consolidated financial data at December 31, 2023 are derived from audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2023 filed with the Securities and Exchange Commission (“SEC”) on February 9, 2024 (“Form 10-K”). The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with United States Generally Accepted Accounting Principles (“GAAP”) for interim financial information and with the instructions to Form 10-Q. They do not include all information and footnotes necessary for a fair presentation of financial position, operating results, and cash flows in conformity with GAAP for complete financial statements. These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and related notes contained in our Form 10-K. All significant intercompany balances and transactions have been eliminated in consolidation. In the opinion of management, all adjustments (consisting of normal recurring adjustments and accruals) considered necessary for a fair presentation of the operating results for the period presented have been included in the interim period. Operating results for the three months ended March 31, 2024 are not necessarily indicative of the results that may be expected for other interim periods or the year ending December 31, 2024.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates. As permitted under GAAP, interim accounting for certain expenses, including income taxes, are based on full year forecasts. For interim

financial reporting purposes, income taxes are recorded based upon estimated annual effective income tax rates taking into consideration discrete items occurring in a quarter.

Dollar amounts and share amounts are presented in thousands, except per share amounts, unless otherwise noted. Certain prior year's balances may have been reclassified to conform to the current condensed consolidated financial statement presentation.

NOTE 2 – Earnings per Share

Earnings per share (“EPS”) is calculated by dividing net income attributable to common stockholders by the weighted-average number of shares of Common Stock outstanding during the period. Diluted EPS is calculated similarly but includes potential dilution from the exercise of stock options and stock awards, except when the effect would be anti-dilutive. During the three month periods ended March 31, 2024 and March 31, 2023, we paid

no

dividends on our Common Stock.

The table below sets forth the reconciliation between net income and the weighted average shares outstanding used for calculating basic and diluted EPS:

	Three Months Ended March 31,	
	2024	2023
Earnings (numerator)		
Net income attributable to common stockholders	\$ 14,038	\$ 71,150
Shares (denominator)

Earnings per share attributable to common stockholders		
Basic	\$ 0.30	\$ 1.56

\$

The effective tax rate for the three months ended March 31, 2024 is consistent when compared to the three months ended March 31, 2023, primarily due to the impact of the geographical mix of pre-tax income and loss across tax jurisdictions relative to the Company's consolidated pre-tax income on the estimated annual effective income tax rate.

Our undistributed foreign earnings continue to be indefinitely reinvested in foreign operations, with limited exceptions related to certain earnings of European and Asian subsidiaries. Any future distributions of foreign earnings will not be subject to additional U.S. income tax but may be subject to non-U.S. withholding taxes.

We file income tax returns in the U.S. federal jurisdiction and in various state and foreign jurisdictions. We are no longer subject to U.S. federal income tax examinations by tax authorities for tax years before 2012. We are no longer subject to China income tax examinations by tax authorities for tax years before 2013. With respect to state and local jurisdictions and countries outside of the U.S. (other than China), with limited exceptions, the Company is no longer subject to income tax audits for years before 2017. Although the outcome of tax audits is always uncertain, the Company believes that adequate amounts of tax, interest, and penalties, if any, have been provided for in the Company's reserve for any adjustments that may result from currently pending tax audits. The Company recognizes accrued interest and penalties related to unrecognized tax benefits in interest expense. As of March 31, 2024, the gross amount of unrecognized tax benefits was approximately \$

50.5

million.

Several jurisdictions in which we operate have either enacted, or announced plans to enact, legislation consistent with the Organization for Economic Co-operation and Development Global Anti-Base Erosion Model Rules ("Pillar Two") which introduced a global minimum effective tax rate of 15% applied on a jurisdiction-by-jurisdiction basis. We have analyzed enacted legislation and do not anticipate that it will have a material impact on our effective tax rate for 2024; however, we continue to monitor future tax legislative changes in the jurisdictions in which we operate in order to evaluate the impacts on the consolidated financial statements.

It is reasonably possible that the amount of the unrecognized benefit with respect to certain of the Company's unrecognized tax positions will significantly increase or decrease within the next 12 months. At this time, an estimate of the range of the reasonably possible outcomes cannot be made.

Share Grants. Share grants consist of restricted stock awards, restricted stock units ("RSUs") and performance stock units ("PSUs"). Restricted stock awards and RSUs generally vest in equal annual installments over a four-year period and are measured based on the fair market value of the underlying stock on the date of grant. Compensation expense is recognized on a straight-line basis over the requisite four-year service period. All new grants are awarded under the Company's 2022 Equity Incentive Plan.

PSUs are measured based on the fair market value of the underlying stock on the date of grant, and compensation expense is recognized over the three-year performance period, with adjustments made to the expense to recognize the probable payout percentage.

As of March 31, 2024, total unrecognized share-based compensation expense related to share grants was approximately \$

61.6 million, before income taxes, and is expected to be recognized over a weighted average period of approximately 2.3 years.

Stock Modification. During the three months ended March 31, 2023 we modified previously granted stock awards for two corporate officers who retired. The result of the modifications resulted in the acceleration of the vesting of

54,525 stock awards for the corporate officers. The incremental expense recorded for this modification was approximately \$

2.1 million, which was expensed in selling, general, and administrative ("SG&A") expense in the three months ended March 31, 2023.

NOTE 7 – Enterprise Wide Segment Information and Net Sales

Segment Reporting. For financial reporting purposes, we operate in a single segment, standard semiconductor products, through our various manufacturing and distribution facilities. We aggregate our products because the products are similar and have similar economic characteristics, use similar production processes and share similar customer type. Our primary operations include operations in Asia, the Americas, and Europe. During the three months ended March 31, 2024,

one customer accounted for approximately \$

42.7 million or

14.2 % of our net sales. During the three months ended March 31, 2023,

two customers accounted for \$

51.8 million, or

11.1 %, and \$

51.6 million, or

11.0 %, of our net sales.

One customer accounted for approximately

17.3 % of our outstanding accounts receivable at March 31, 2024. All customers that accounted for 10% or more of our net sales during any period presented in this Quarterly Report on Form 10-Q are broad-based global distributors that sell to thousands of different end users.

Disaggregation of Net Sales. We disaggregate net sales with customers into direct sales to end customers and distribution sales to distributors

("Distributors") and by geographic area. Direct sales customers consist of those customers using our product in their manufacturing process, and Distributors are those customers who resell our products to third parties. We deliver our products to customers around the world for use in the industrial, automotive, computing, consumer, and communications markets. Further, most of our contracts are fixed-price arrangements, and are short term in nature, ranging from days to several months. The tables below set forth net sales based on the location of the subsidiary producing the net sale:

As of and for the Three Months Ended March 31, 2024		Asia	Americas	Europe	Consolidated

Our Asia subsidiaries maintain short-term credit facilities with several financial institutions through our foreign entities worldwide totaling \$

153.1

million as of March 31, 2024. Other than two Taiwanese credit facilities that are collateralized by assets, our foreign credit lines are unsecured, uncommitted, and contain no restrictive covenants. These credit facilities bear interest at SOFR or similar indices plus a specified margin. Interest payments are due monthly on outstanding amounts under the credit lines. The unused and available credit under the various short-term credit facilities as of March 31, 2024 was approximately \$

103.7

million, net of \$

48.9

million advanced under our foreign credit lines and \$

0.4

million of credit used for import and export guarantee.

The Company maintains a long-term credit facility ("Credit Agreement"). The Credit Agreement consists of a Revolving Credit Facility in the amount of \$

225.0

million, including a swing line sublimit equal to the lesser of \$

50.0

million and the Revolving Credit Facility, a letter of credit sublimit equal to the lesser of \$

100.0

million and the Revolving Credit Facility, and an alternative currency sublimit equal to the lesser of \$

40.0

million and the Revolving Credit Facility. The Company has the option to increase the Credit Facility and/or incur Incremental Term Loans in an aggregate principal amount of up to \$

350.0

million. The Credit Agreement bears interest at Term SOFR or similar other indices plus a specified margin and matures in May 2028. There was

no

outstanding balance at March 31, 2024.

NOTE 9 – Commitments and Contingencies

Purchase Commitments. We have entered into non-cancelable purchase contracts for capital expenditures, primarily for manufacturing equipment, for approximately \$

23.5

million at March 31, 2024. As of March 31, 2024, we also had a commitment to purchase approximately \$

40.2

million of wafers to be used in our manufacturing process. These wafer purchases are scheduled to occur through 2025.

Defined Benefit Plan. We have a contributory defined benefit plan that covers certain employees in the United Kingdom. As of March 31, 2024, the underfunded liability for this defined benefit plan was approximately \$

10.1

million. We have agreed to a revised schedule of contributions of GBP

2.0

million (approximately \$

2.6

million based on a GBP: USD exchange rate of 1:

1.3

) to be paid annually with effect from January 1, 2023 to address the deficit revealed by the valuation (with the annual payments to be made by December 31, 2023 through December 31, 2028). A final payment of GBP

1.5

million (approximately \$

2.0

million based on a GBP: USD rate of 1:

1.3
) will be made by December 31, 2029.

Contingencies. From time to time, we are involved in various legal proceedings that arise in the normal course of business. While we intend to defend any lawsuit vigorously, we presently believe that the ultimate outcome of any pending legal proceeding will not have any material adverse effect on our consolidated financial position, cash flows, or operating results. However, litigation is subject to inherent uncertainties, and unfavorable rulings could occur. An unfavorable ruling could include monetary damages, which could impact our business and operating results for the period in which the ruling occurs and future periods. Based on available information available, we evaluate the likelihood of potential outcomes of all pending disputes. We record an appropriate liability when the amount of any liability associated with a pending dispute is deemed probable and reasonably estimable. In addition, we do not accrue for estimated legal fees and other directly related costs as they are expensed as incurred. The Company is not currently a party to any pending litigation that we consider material.

Note 10 – Derivative Financial Instruments

We use derivative instruments to manage risks related to foreign currencies, interest rates, and the net investment risk in our foreign subsidiaries. Our objectives for holding derivatives include reducing, eliminating, and efficiently managing the economic impact of these exposures as effectively as possible. Our derivative programs include strategies that both qualify and do not qualify for hedge accounting treatment.

Hedges of Foreign Currency Risk. We are exposed to fluctuations in various foreign currencies against our different functional currencies. We use foreign currency forward agreements to manage this exposure. As of March 31, 2024 and December 31, 2023, we had \$

400.8
million and \$

230.4
million, respectively, of outstanding foreign currency forward agreements that are intended to preserve the economic value of foreign currency denominated monetary assets and liabilities; these instruments are not designated for hedge accounting treatment in accordance with Accounting Standards Codification ("ASC") No. 815.

Hedges of Interest Rate and Net Investment Risk. The Company's objectives in using interest rate derivatives are to add stability to interest expense and to manage its exposure to interest rate movements. To accomplish these objectives, the Company primarily uses interest rate swaps, including interest rate collars, as part of its interest rate risk management strategy. Interest rate swaps designated as cash flow hedges involve the receipt of variable amounts from a counterparty in exchange for the Company making fixed-rate payments over the life of the agreements without exchange of the underlying notional amount. The Company makes use of cross-currency swaps and foreign-currency forward contracts to decrease the foreign exchange risk inherent in the Company's investment in some of its foreign subsidiaries.

The table below sets forth the fair value of the Company's derivative financial instruments as well as their classification on our condensed consolidated balance sheets as of March 31, 2024 and December 31, 2023:

	Fair Value	
	Other Assets	Other Liabilities

NOTE 12 – Employee Benefit Plans

We maintain a Non-Qualified Deferred Compensation Plan (the “Deferred Compensation Plan”) for executive officers, key employees, and members of the Board of Directors. The Deferred Compensation Plan allows eligible participants to defer the receipt of eligible compensation, including equity awards, until designated future dates. We offset our obligations under the Deferred Compensation Plan primarily by investing in the actual underlying investments. At March 31, 2024 and December 31, 2023, these investments totaled approximately \$

15.8
million and \$

14.6
million, respectively.

NOTE 13 – Related Parties

We conduct business with the following related parties: Keylink International (B.V.I.) Inc. and its subsidiaries and affiliates (“Keylink”), Nuvoton Technology Corporation (“Nuvoton”), Jiyuan Crystal Photoelectric Frequency Technology Ltd. (“JCP”), and Atlas Magnetics, Co. (“Atlas”).

Keylink is a

5
% joint venture partner in our Shanghai assembly and test facilities. We sell products to, and purchase inventory from, companies owned by Keylink. In addition, our subsidiaries in China lease their manufacturing facilities in Shanghai from, and subcontract a portion of our manufacturing process (metal plating and environmental services) to, Keylink. We also pay a consulting fee to Keylink.

Warren Chen, a member of the Company's board of directors serves as a member of the Nuvoton board of directors. We purchase wafers from Nuvoton for use in our production process. We have an agreement to purchase approximately \$

15.8
million of wafers from Nuvoton that ends in the fourth quarter of 2025. We consider our relationship with Nuvoton to be mutually beneficial, and plan to continue our strategic alliance with Nuvoton.

JCP is a frequency control product manufacturing company from which we purchase material and in which we have made an equity investment that we account for using the equity method of accounting.

Atlas is an early stage privately held fabless wafer design company in which the Company holds a majority interest. The Company determined that Atlas is a variable interest entity (“VIE”) and the Company does not have the power to direct the activities that most significantly impact Atlas. The Company has therefore determined that the Company is not the primary beneficiary. Consequently, we do not consolidate the assets and liabilities of Atlas in the Company's financial statements. For additional information related to Atlas see Note 14 - Equity Investments - Unconsolidated VIE, below.

The tables below set forth the revenues, expenses, accounts receivable and accounts payable with our related parties:

Note 14 - Equity Investments

The Company maintains equity investments in companies which are accounted for under the measurement alternative described in ASC 321-10-35-2 for equity securities that lack readily determinable fair values. As of March 31, 2024, the Company had \$

55.6
million of investments accounted for under the measurement alternative.

Unconsolidated VIE

During July 2021, the Company acquired an interest in Atlas, an early stage privately held fabless wafer design company located in the western United States. The Company's initial investment in July 2021 was \$

10.0
million of preferred stock and a \$

5.0
million convertible promissory note. In April 2023, the Company acquired an additional interest in Atlas by purchasing \$

13.9
million of preferred stock. The primary purpose for providing the additional investment in Atlas was for continued access to developing technology with potential future benefit to the Company. As part of the April 2023 agreement, the Company's previously held convertible note converted to \$

5.2
million of preferred stock and at March 31, 2024, the Company owned more than

50
% of Atlas. The Company determined that Atlas is a VIE and a related party. While the Company does own more than

50
% of Atlas, according to the voting agreement governing the transaction, the Company does not have the power to control the board of directors or direct the activities that most significantly impact Atlas, including:

- The hiring and firing of officers (i.e., CEO, CFO, etc.) – The hiring and firing of personnel responsible for making the key daily decisions and implementing the strategic operating direction will determine the success the Company has in their initiatives, thereby affecting the economic performance;
- Determining the business plan and budget, including incurring additional indebtedness or issuing additional equity interests – As Atlas is thinly capitalized, the decisions around when and how to obtain cash will influence whether AM can continue operating; and
- Determining the strategic operating direction of Atlas – The decisions made around the significant operating direction of Atlas will significantly impact the overall performance of the Company by determining where and how Atlas limited capital is spent without having significant revenues to keep the Company operating.

As the Company is not the primary beneficiary of Atlas, the Company did not consolidate the assets and liabilities of Atlas in our financial statements and instead accounts for the investment under the measurement alternative described in ASC 321-10-35-2 using the available measurement alternative for equity securities that lack readily determinable fair value. As such, the Company's investment is measured at cost less impairment, and adjusted to fair value if there are any observable price changes for identical or similar investment of the same issuer.

Atlas is funded through debt and equity. The Company's maximum exposure to loss is limited to its investment in Atlas and notes receivable and accrued interest owed to the Company from Atlas. The following is a summary of the Company's holdings in Atlas, a VIE, in which we are not the primary beneficiary:

The following is a summary of the Company's holdings in the Atlas, a VIE, in which we are not the primary beneficiary:

Overview

We are a leading global manufacturer and supplier of high-quality application-specific standard products within the broad discrete, logic, analog, and mixed-signal semiconductor markets. The Company serves the industrial, automotive, computing, communications, and consumer markets. For more information about our product and markets we serve, see Note 1 – Summary of Operations and Significant Accounting Policies, included in the condensed consolidated financial statements in Item 1 above. Our products are sold primarily throughout Asia, the Americas, and Europe. We believe that our focus on application-specific standard products utilizing innovative, highly efficient packaging and cost-effective process technologies, coupled with our collaborative, customer-focused product development, provides us with a meaningful competitive advantage relative to other semiconductor companies.

The following table and discussion explains in greater detail our consolidated operating results and financial condition for the three months ended March 31, 2024, compared to the three months ended March 31, 2023. This discussion should be read in conjunction with the condensed consolidated financial statements and notes thereto appearing elsewhere in this Quarterly Report on Form 10-Q.

Net sales decreased approximately \$165.3 million, or 35.4%, for the three months ended March 31, 2024, compared to the same period last year. Revenue in the three months ended March 31, 2024, reflected the slower than expected recovery in the consumer, computing and communications markets coupled with typical first quarter seasonality due to the Chinese New Year holiday. However, late in the quarter the Company began to experience some signs of demand improvement with distributor inventory levels starting to stabilize. During the three months ended March 31, 2024, the automotive and industrial end markets, combined product revenue remained above the Company's target model of 40% but continues to be affected by inventory adjustments and softness in certain areas. More broadly, the slower overall demand environment in the quarter contributed to reduced loading at our manufacturing facilities both internal production as well as from our manufacturing service agreements, temporarily impacting gross margin.

During the three months ended March 31, 2024, weighted-average sales price decreased 27.6%, when compared to the same period in 2023.

The table below sets forth our product revenue as a percentage of total product revenue by end-user market for the three months ended March 31, 2024 and 2023:

	Three Months Ended	
	March 31,	
	2024	2023
Industrial	23%	29%
Automotive	18%	18%
Computing	25%	22%
Consumer	20%	18%
Communications	14%	13%

Cost of goods sold decreased approximately \$70.4 million for the three months ended March 31, 2024, compared to the same period last year, due to the decreased net sales during the three months ended March 31, 2024. As a percent of sales, cost of goods sold was 67.0% for the three months ended March 31, 2024, compared to 58.4% for the same period last year. Average unit cost decreased

approximately 16.9% for the three months ended March 31, 2024, compared to the same period last year. For the three months ended March 31, 2024, gross profit decreased approximately 48.8% when compared to the same period last year. Gross profit margin for the three month periods ended March 31, 2024 and 2023 was 33.0% and 41.6%, respectively.

Operating expenses for the three months ended March 31, 2024, decreased \$21.4 million when compared to the three months ended March 31, 2023. Operating expenses as a percentage of net sales was 28.7% and 23.1% for the three months ended March 31, 2024 and 2023, respectively. SG&A decreased approximately \$17.3 million as compared to the same period last year driven primarily by decreases in wages and selling expenses. These decreases were partially offset by increases in SG&A operating expenses. SG&A, as a percentage of net sales, was 17.8% and 15.2% for the three months ended March 31, 2024 and 2023, respectively. Research and development expenses ("R&D") increased approximately \$0.7 million due to increases in professional services and supplies expenses as compared to the same period last year. R&D, as a percentage of net sales, was 11.2% and 7.1% for the three months ended March 31, 2024 and 2023, respectively. Gain on disposal of fixed assets increased \$4.8 million the three months ended March 31, 2024 when compared to the three months ended March 31, 2023.

Interest income increased \$2.8 million for the three months ended March 31, 2024, compared to the same period last year due to income earned on financial instruments to hedge the Company's net investment risk as well as higher interest rates earned on short-term investments. Interest expense decreased \$1.6 million, or 75.0% for the three months ended March 31, 2024, compared to the same period last year due to lower debt levels partially offset by higher interest rates. Unrealized gain on investments decreased from 2023 due to mark to market adjustments on investments recorded in 2023 and not repeated in 2024.

We recognized an income tax expense of approximately \$3.5 million and \$16.6 million for the three months ended March 31, 2024, and 2023, respectively. The decrease in income taxes for 2024 compared to 2023 was primarily attributable to a decrease in pretax book income.

Financial Condition

Liquidity and Capital Resources

Our primary source of liquidity is cash flow from operations. Additional sources of liquidity are cash and cash equivalents, short-term investments, and our credit facilities. Our cash and cash equivalents and restricted cash decreased from \$318.5 million at December 31, 2023 to \$270.6 million at March 31, 2024. This decrease in cash, cash equivalents, and restricted cash reflects normal operations of the Company. As of March 31, 2024, we had short-term investments totaling \$9.8 million. These investments are highly liquid with maturity dates greater than three months at the date of purchase. We generally can access these investments in a relatively short time frame but in doing so we generally forfeit all earned and future interest income.

At March 31, 2024 and December 31, 2023, our working capital was \$824.0 million and \$793.9 million, respectively. We expect cash generated by our operations together with existing cash, cash equivalents, short-term investments and available borrowing under credit facilities to be sufficient to cover our cash needs for working capital, capital expenditures and acquisitions for at least the next 12 months.

Our undistributed foreign earnings continue to be indefinitely reinvested in foreign operations, with limited exceptions related to earnings of certain European and Asian subsidiaries. As of March 31, 2024, our foreign subsidiaries held approximately \$197.3 million of cash, cash equivalents and investments of which approximately \$58.9 million would be subject to a potential non-U.S. withholding tax if distributed outside the country in which the cash is currently held. The \$58.9 million is held in Germany, China, Korea, and Taiwan.

Short-term debt

Our Asia subsidiaries maintain short-term credit facilities with several financial institutions through our foreign entities worldwide totaling \$153.1 million. Other than two Taiwanese credit facilities that are collateralized by assets, our foreign credit lines are unsecured, uncommitted, and contain no restrictive covenants. These credit facilities bear interest at SOFR or similar indices plus a specified margin. Interest payments are due monthly on outstanding amounts under the credit lines. The unused and available credit under the various facilities as of March 31, 2024, was approximately \$103.7 million, net of \$48.9 million advanced under our foreign credit lines and \$0.4 million of credit used for import and export guarantee.

Long-term debt

The Company maintains a long-term credit facility ("Credit Agreement"). The Credit Agreement consists of a Revolving Credit Facility in the amount of \$225.0 million, including a swing line sublimit equal to the lesser of \$50.0 million and the Revolving Credit Facility, a letter of credit sublimit equal to the lesser of \$100.0 million and the Revolving Credit Facility, and an alternative currency sublimit equal to the lesser of \$40.0 million and the Revolving Credit Facility. The Company has the option to increase the Revolving Credit Facility and/or incur Incremental Term Loans in an aggregate principal amount of up to \$350.0 million. The Credit Agreement bears interest at Term SOFR or similar other indices plus a specified margin and matures in May 2028. There was no outstanding balance under the Credit Agreement at March 31, 2024.

Because some of our outstanding debt is subject to variable interest rates, the recent rise in interest rates will potentially increase our overall debt service cost. If interest rates continue to rise globally, our cost of capital may increase in the future.

Discussion of Cash Flows

The table below sets forth a summary of the condensed consolidated statements of cash flows:

	Three Months Ended March 31,			
	2024		2023	
Net cash flows from operating activities	\$	(31,143)	\$	99,811
Net cash flows from investing activities		(18,279)		(48,131)
Net cash flows from financing activities		3,182		(70,318)
Effect of exchange rate changes on cash and cash equivalents		(1,683)		3,446
Change in cash and cash equivalents, including restricted cash	\$	(47,923)	\$	(15,192)

Operating Activities

Net cash flows used in operating activities for the three months ended March 31, 2024 was \$31.1 million. Net cash flows used in operating activities for the three months ended March 31, 2024 resulted from net income of \$15.3 million, depreciation and amortization of intangible assets of \$34.8 million and share-based compensation of \$5.1 million. The increases were offset by a decrease in operating asset and liability accounts of \$77.4 million and a gain on disposal of property plant and equipment of \$4.9 million. Net cash flows provided by operating activities for the three months ended March 31, 2023 was \$99.8 million. Net cash flows provided by operating activities for the three months ended March 31, 2023 resulted from net income of \$72.0 million, depreciation and amortization of intangible assets of \$33.6 million and share-based compensation of \$9.8 million. The increases were partially offset by a decrease in operating asset and liability accounts of \$11.7 million and a non-cash investment gain of \$3.8 million.

Investing Activities

Net cash and cash equivalents used in investing activities was \$18.3 million for the three months ended March 31, 2024. Net cash and cash equivalents used in investing activities for the three months ended March 31, 2024 was primarily due to purchases of property, plant and equipment of \$20.4 million, or 6.7% of net sales. We expect capital expenditures for the twelve months ended December 31, 2024 to be within our target model of 5% to 9% of net sales. Net cash and cash equivalents used in investing activities was \$48.1 million for the three months ended March 31, 2023. Net cash and cash equivalents used in investing activities for the three months ended March 31, 2023 was primarily due to purchases of property, plant, and equipment of \$48.0 million, or 10.3% of net sales, due to the expansion of a wafer fabrication facility located in Hsinchu Science Park in Taiwan.

Financing Activities

Net cash and cash equivalents provided by financing activities was \$3.2 million for the three months ended March 31, 2024. Net cash provided by financing activities in the three months ended March 31, 2024 consisted primarily of \$8.6 million of net increases in our debt, partially offset by taxes paid on net share settlements of \$5.4 million. Net cash and cash equivalents used in financing activities was \$70.3 million for the three months ended March 31, 2023. Net cash used in financing activities in the three months ended March 31, 2023 consisted primarily of \$60.8 million of net reductions in our debt and taxes paid on net share settlements of \$9.7 million.

Use of Derivative Instruments and Hedging

We use interest rate swaps, foreign exchange forward contracts, and cross currency swaps to provide a level of protection against interest rate risks and foreign exchange exposure.

Hedges of Interest Rate Risk

The Company's objectives in using interest rate derivatives are to add stability to interest expense and to manage exposure to interest rate movements. To accomplish these objectives, the Company primarily uses interest rate swaps, including interest rate collars, as part of its interest rate risk management strategy. Interest rate swaps designated as cash flow hedges involve the receipt of variable amounts from a counterparty in exchange for the Company making fixed-rate payments over the life of the agreements without exchange of the underlying notional amount.

Hedges of Foreign Currency Risk

We are exposed to fluctuations in various foreign currencies against our different functional currencies. We use foreign currency forward agreements to manage this exposure and to preserve the economic value of foreign currency denominated monetary assets and liabilities. These instruments are not designated for hedge accounting treatment in accordance with ASC No. 815. The fair value of our foreign exchange hedges approximates zero.

Hedges of Net Investment Risk

The Company makes use of cross-currency swaps and foreign-currency forward contracts to decrease the foreign exchange risk inherent in the Company's investment in some of its foreign subsidiaries.

Off-Balance Sheet Arrangements

We do not have any transactions, arrangements, or other relationships with unconsolidated entities that will affect our liquidity or capital resources. We have no special purpose entities that provide off-balance sheet financing, liquidity, or market or credit risk support, nor do we engage in leasing, swap agreements, or outsourcing of research and development services that could expose us to liability that is not reflected on the face of our financial statements.

Contractual Obligations

There have been no material changes in our Contractual Obligations as disclosed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, filed with the SEC on February 9, 2024.

Critical Accounting Estimates

Our critical accounting estimates are described in Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations, and in the notes to our consolidated financial statements contained in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, filed with the SEC on February 9, 2024. Any new accounting estimates or updates to existing accounting estimates as a result of new accounting pronouncements have been discussed in the notes to our condensed consolidated financial statements in this Quarterly Report on Form 10-Q in Note 1 – Summary of Operations and Significant Accounting Policies. The application of our critical accounting estimates may require management to make judgments and estimates about the amounts reflected in the condensed consolidated financial statements. Management uses historical experience and all available information to make these estimates and judgments, and different amounts could be reported using different assumptions and estimates.

Recently Issued Accounting Pronouncements

See Note 1 - Summary of Operations and Significant Accounting Policies, of the Notes to Condensed Consolidated Financial Statements, for detailed information regarding the status of recently issued accounting pronouncements, if any.

Significant Risks and Uncertainties That may affect Forward-Looking Statements

Risks Related to Our Business

The impact of the continuing COVID-19 pandemic may have a material adverse effect on our business, financial condition, and results of operations.

Shanghai, China experienced government-imposed lockdowns due to a resurgence of the COVID-19 virus.

During times of difficult market conditions, our fixed costs combined with lower net sales and lower profit margins may have a negative impact on our business, operating results, and financial condition.

Downturns in the highly cyclical semiconductor industry or changes in end-market demand could adversely affect our operating results and financial condition.

The semiconductor business is highly competitive, and increased competition may harm our business, operating results, and financial condition.

Delays in initiation of production at facilities due to implementing new production techniques or resolving problems associated with technical equipment malfunctions could adversely affect our manufacturing efficiencies, operating results, and financial condition.

We are and will continue to be under continuous pressure from our customers and competitors to reduce the price of our products, which could adversely affect our growth and profit margins.

Our customers require our products to undergo a lengthy and expensive qualification process without any assurance of product sales and may demand to audit our operations from time to time. A failure to qualify a product or a negative audit finding could adversely affect our net sales, operating results, and financial condition.

Our customer orders are subject to cancellation or modification, usually with no penalty. High volumes of order cancellation or reduction in quantities ordered could adversely affect our net sales, operating results, and financial condition.

Production at our manufacturing facilities could be disrupted for a variety of reasons, including natural disasters and other extraordinary events, which could prevent us from producing enough of our products to maintain our sales and satisfy our customers' demands and could adversely affect our operating results and financial condition.

New technologies could result in the development of new products by our competitors and a decrease in demand for our products, and we may not be able to develop new products to satisfy changes in demand, which would adversely affect our net sales, market share, operating results, and financial condition.

We may be subject to claims of infringement of third-party intellectual property rights or demands that we license third-party technology, which could result in significant expense, reduction in our intellectual property rights, and a negative impact on our business, operating results, and financial condition.

We depend on third-party suppliers for timely deliveries of raw materials, manufacturing services, product and process development, parts and equipment, as well as finished products from other manufacturers, and our reputation with customers, operating results and financial condition could be adversely affected if we are unable to obtain adequate supplies in a timely manner.

A significant part of our growth strategy involves acquiring companies and businesses. We may be unable to identify suitable acquisition candidates or consummate desired acquisitions and, if we do make any acquisitions, we may be unable to successfully integrate any acquired companies with our operations, which could adversely affect our business, operating results, and financial condition.

We are subject to many environmental laws and regulations that could result in significant expenses and could adversely affect our business, operating results, and financial condition.

We may incur additional costs and face emerging risks associated with environmental, social, and governance ("ESG") factors impacting our operations.

Our products, or products we purchase from third parties for resale, may be found to be defective and, as a result, warranty claims and product liability claims may be asserted against us and we may not have recourse against our suppliers, which may harm our business, reputation with our customers, operating results, and financial condition.

We may fail to attract or retain the qualified technical, sales, marketing, finance, and management/executive personnel required to operate our business successfully, which could adversely affect our business, operating results, and financial condition.

We may not be able to achieve future growth, and any such growth may place a strain on our management and on our systems and resources, which could adversely affect our business, operating results, and financial condition.

Obsolete inventories as a result of changes in demand for our products and change in life cycles of our products could adversely affect our business, operating results, and financial condition.

If our direct sales customers or our distributors' customers do not design our products into their applications, our net sales may be adversely affected.

We are subject to interest rate risk that could have an adverse effect on our cost of working capital and interest expenses, which could adversely affect our business, operating results, and financial condition.

Our hedging strategies may not be successful in mitigating our risks associated with interest rates or foreign exchange exposure or our counterparties might not perform as agreed.

We may have a significant amount of debt with various financial institutions worldwide. Any indebtedness could adversely affect our business, operating results, financial condition, and our ability to meet payment obligations under such debt.

Restrictions in our credit facilities may limit our business and financial activities, including our ability to obtain additional capital in the future.

Our business benefits from certain Chinese government incentives. Expiration of, or changes to, these incentives could adversely affect our operating results and financial condition.

We operate a global business through numerous foreign subsidiaries, and there is a risk that tax authorities will challenge our transfer pricing methodologies or legal entity structures, which could adversely affect our operating results and financial condition.

Certain of our employees in the U.K. participate in a company-sponsored defined benefit plan which subjects the Company to risks associated with the estimates and assumptions used in calculating expense and funding requirements recorded in the Company's consolidated financial statements. Inaccuracies or changes in these estimates could require material changes in the expense and funding required.

Compliance with government regulations and customer demands regarding the use of "conflict minerals" may result in increased costs and may have a negative impact on our business, operating results, and financial condition.

If we fail to maintain an effective system of internal controls or discover material weaknesses in our internal control over financial reporting, we may not be able to report our financial results accurately or detect fraud, which could harm our business and the trading price of our Common Stock.

Risks Related to our International Operations

Our international operations subject us to risks that could adversely affect our operations.

A slowdown in the Chinese economy could limit the growth in demand for electronic devices containing our products, which would have a material adverse effect on our business, operating results, and prospects.

Economic regulation in China could materially and adversely affect our business, operating results, and prospects.

We could be adversely affected by violations of the United States' Foreign Corrupt Practices Act, the U.K.'s Bribery Act 2010, China's anti-corruption campaign and similar worldwide anti-bribery laws.

We are subject to foreign currency risk as a result of our international operations.

China is experiencing rapid social, political, and economic change, which has increased labor costs and other related costs that could make doing business in China less advantageous than in prior years. Increased labor costs in China could adversely affect our business, operating results, and financial condition.

We may not continue to receive preferential tax treatment in Asia, thereby increasing our income tax expense and reducing our net income.

The distribution of any earnings of certain foreign subsidiaries may be subject to foreign income taxes, thus reducing our net income.

We could be adversely affected by the compromise or theft of our technology, know-how, data, or intellectual property or a requirement that we yield rights in technology, know-how, data stored in foreign jurisdictions, or intellectual property that we use in such foreign jurisdictions.

Risks Related to Our Common Stock

Variations in our quarterly operating results may cause our stock price to be volatile.

We may enter into future acquisitions and take certain actions in connection with such acquisitions that could adversely affect the price of our Common Stock.

Anti-takeover effects of certain provisions of Delaware law and our Certificate of Incorporation and Bylaws may hinder a take-over attempt.

General Risks

The invasion of Ukraine by Russia could negatively impact our business.

The success of our business depends on the strength of the global economy and the stability of the financial markets, and any weaknesses in these areas may have a material adverse effect on our net sales, operating results, and financial condition.

We may be adversely affected by any disruption in our information technology systems, which could adversely affect our cash flows, operating results, and financial condition.

Terrorist attacks, or threats or occurrences of other terrorist activities, whether in the U.S. or internationally, may affect the markets in which our Common Stock trades, the markets in which we operate and our operating results, and financial condition.

System security risks, data protection breaches, cyber-attacks and other related cybersecurity issues could disrupt our internal operations, and any such disruption could reduce our expected net sales, increase our expenses, damage our reputation, and adversely affect our stock price.

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

There have been no material changes to our market risks as disclosed in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023, filed with the SEC on February 9, 2024.

Item 4. Controls and Procedures.

Our Chief Executive Officer, Keh-Shew Lu, and Chief Financial Officer, Brett R. Whitmire, with the participation of our management, carried out an evaluation, as of March 31, 2024, of the effectiveness of our disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)). Based upon that evaluation, the Chief Executive Officer and the Chief Financial Officer believe that, as of the end of the period covered by this Quarterly Report on Form 10-Q, our disclosure controls and procedures are effective at the reasonable assurance level to ensure that information required to be included in this Quarterly Report is:

- recorded, processed, summarized, and reported within the time period specified in the Commission's rules and forms; and
- accumulated and communicated to our management, including the Chief Executive Officer and the Chief Financial Officer, to allow timely decisions on required disclosure.

Disclosure controls and procedures, no matter how well designed and implemented, can provide only reasonable assurance of achieving an entity's disclosure objectives. The likelihood of achieving such objectives is affected by limitations inherent in disclosure controls and procedures. These include the fact that human judgment in decision-making can be faulty and that breakdowns in internal control can occur because of human failures such as simple errors, mistakes, or intentional circumvention of the established processes.

Changes in Internal Controls over Financial Reporting

There was no change in our internal control over financial reporting, known to our Chief Executive Officer or Chief Financial Officer, that occurred in the three months ended March 31, 2024, that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

The Company is not a party to any pending litigation that we consider material.

From time to time, we are involved in various legal proceedings that arise in the normal course of business. While we intend to defend any lawsuit vigorously, we presently believe that the ultimate outcome of any pending legal proceeding will not have any material adverse effect on our financial position, cash flows, or operating results. However, litigation is subject to inherent uncertainties, and unfavorable rulings could occur. An unfavorable ruling could include monetary damages, which could impact our business and operating results for the period in which the ruling occurs or future periods.

Item 1A. Risk Factors.

- (e) A Default (other than an Event of Default) is "**continuing**" if it has not been remedied or waived and an Event of Default is "**continuing**" if it has not been waived.
- (f) Where this Agreement specifies an amount in a given currency (the "**specified currency**") "**or its equivalent**", the "**equivalent**" is a reference to the amount of any other currency which, when converted into the specified currency utilising the Agent's spot rate of exchange (or, if the Agent does not have an available spot rate of exchange, any publicly available spot rate of exchange selected by the Agent (acting reasonably)) for the purchase of the specified currency with that other currency at or about 11 a.m. on the relevant date, is equal to the relevant amount in the specified currency.
- (g) A reference to "the date of this Agreement" is a reference to 22 January 2021.

1.3 Currency symbols and definitions

"US\$" and "US Dollars" denote the lawful currency of the US.

1.4 Third party rights

- (a) Unless expressly provided to the contrary in a Finance Document, a person who is not a Party has no right under the Third Parties Legislation to enforce or to enjoy the benefit of any term of this Agreement.
- (b) Notwithstanding any term of any Finance Document, the consent of any person who is not a Party is not required to rescind or vary this Agreement at any time.
- (c) Any Receiver, Delegate or any person described in Clause 24.11 (*Exclusion of liability*), may, subject to this Clause 1.4 and the Third Parties Legislation, rely on any Clause of this Agreement which expressly confers rights on it.

SECTION 2 THE FACILITY

2. THE FACILITY

2.1 The Facility

Subject to the terms of this Agreement, the Lenders make available to the Borrower a US Dollar revolving loan facility in an aggregate amount equal to the Total Commitments.

2.2 Finance Parties' rights and obligations

- (a) The obligations of each Finance Party under the Finance Documents are several. Failure by a Finance Party to perform its obligations under the Finance Documents does not affect the obligations of any other Party under the Finance Documents. No Finance Party is responsible for the obligations of any other Finance Party under the Finance Documents.
- (b) The rights of each Finance Party under or in connection with the Finance Documents are separate and independent rights and any debt arising under the Finance Documents to a Finance Party from the Borrower is a separate and independent debt in respect of which a Finance Party shall be entitled to enforce its rights in accordance with paragraph (c) below. The rights of each Finance Party include any debt owing to that Finance Party under the Finance Documents and, for the avoidance of doubt, any part of a Loan or any other amount owed by the Borrower which relates to a Finance Party's participation in the Facility or its role under a Finance Document (including any such amount payable to the Agent on its behalf) is a debt owing to that Finance Party by the Borrower.
- (c) A Finance Party may, except as specifically provided in the Finance Documents, separately enforce its rights under or in connection with the Finance Documents.

3. PURPOSE

3.1 Purpose

The Borrower shall apply all amounts borrowed by it under the Facility towards:

- (a) the repayment of any Financial Indebtedness; and/or
- (b) financing its working capital requirements and its general corporate purposes.

The Borrower may, but shall not be obligated, to apply any amounts borrowed by it under the Facility toward the repayment of any Financial Indebtedness, and shall be entitled to apply any or all amounts so borrowed to finance its working capital requirements and its general corporate purposes without repaying any Financial Indebtedness.

3.2 Monitoring

No Finance Party is bound to monitor or verify the application of any amount borrowed pursuant to this Agreement.

4. CONDITIONS OF UTILISATION

4.1 Initial conditions precedent

- (a) The Borrower may not deliver a Utilisation Request unless the Agent has received all of the documents listed in and appearing to comply with the requirements of Schedule 2 (*Conditions Precedent*). The Agent shall notify the Borrower and the Lenders promptly upon being so satisfied.
- (b) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (a) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

4.2 Further conditions precedent

The Lenders will only be obliged to comply with Clause 5.4 (*Lenders' participation*) if on the date of the Utilisation Request and on the proposed Utilisation Date:

- (a) in the case of a Rollover Loan, no Event of Default is continuing or would result from the proposed Loan and, in the case of any other Loan, no Default is continuing or would result from the proposed Loan and none of the circumstances described in Clause 7.2 (*Change of control*) has occurred;
- (b) the Repeating Representations to be made by the Borrower are true in all material respects;
- (c) the Borrower has provided to the Agent the most recent Monthly Report required to be delivered under Clause 18.4 (*Monthly Report*); and
- (d) after giving effect to the funding of the proposed Utilisation and any repayments of a Rollover Loan on the relevant Utilisation Date from the proceeds of the proposed Utilisation the aggregate amount outstanding under the Facility will not exceed the lesser of the Total Commitments and the Borrowing Base.

4.3 Maximum number of Loans

- (a) The Borrower may not deliver a Utilisation Request if as a result of the proposed Utilisation four or more Loans would be outstanding.
- (b) The Borrower may not request that a Loan be divided.

SECTION 3 UTILISATION

5. UTILISATION

5.1 Delivery of a Utilisation Request

The Borrower may utilise the Facility by delivery to the Agent of a duly completed Utilisation Request:

- (a) on a Business Day; and
- (b) not later than 11:00 a.m. three Business Days (or such shorter period as may be agreed by the Agent but in any event not less than two Business Days) before the proposed Utilisation Date.

5.2 Completion of a Utilisation Request

- (a) Each Utilisation Request is irrevocable and will not be regarded as having been duly completed unless:
 - (i) the proposed Utilisation Date is a Business Day within the Availability Period;
 - (ii) the currency and amount of the Utilisation comply with Clause 5.3 (*Currency and amount*);
 - (iii) the proposed first Interest Period complies with Clause 9 (*Interest Periods*); and
 - (iv) confirms that the proceeds of the Loan shall be funded to the DHK Multi-Currency Account.
- (b) Only one Loan may be requested in each Utilisation Request.

5.3 Currency and amount

- (a) The currency specified in a Utilisation Request must be US Dollars.
- (b) The amount of the proposed Loan must be a minimum of US\$500,000 or, if less, the Available Facility.

5.4 Lenders' participation

- (a) If the conditions set out in Clause 4 (*Conditions of Utilisation*) and Clauses 5.1 (*Delivery of a Utilisation Request*) to 5.3 (*Currency and amount*) have been met, and subject to Clause 6(b) (*Repayment*), each Lender shall make its participation in each Loan available by the Utilisation Date through its Facility Office.
- (b) The amount of each Lender's participation in each Loan will be equal to the proportion borne by its Available Commitment to the Available Facility immediately prior to making the Loan.
- (c) The Agent shall notify each Lender of the amount of each Loan, the amount of its participation in that Loan and, if different, the amount of that participation to be made available in accordance with Clause 27.1 (*Payments to the Agent*), in each case not later than noon two Business Days before the Utilisation Date.

5.5 Cancellation of Available Facility

The Commitments which, at that time, are unutilised shall be immediately cancelled at 5 p.m. on the last day of the Availability Period for the Facility.

SECTION 4 REPAYMENT, PREPAYMENT AND CANCELLATION

6. REPAYMENT

(a) The Borrower shall repay each Loan drawn down on the last day of its Interest Period.

(b) Without prejudice to the Borrower's obligation under paragraph (a) above, if:

(i) one or more Loans are to be made available to the Borrower:

(A) on the same day that a maturing Loan is due to be repaid by the Borrower; and

(B) in whole or in part for the purpose of refinancing the maturing Loan; and

(ii) the proportion borne by each Lender's participation in the maturing Loan to the amount of that maturing Loan is the same as the proportion borne by that Lender's participation in the new Loans to the aggregate amount of those new Loans,

the aggregate amount of the new Loans shall, unless the Borrower notifies the Agent to the contrary in the relevant Utilisation Request, be treated as if applied in or towards repayment of the maturing Loan so that:

(A) if the amount of the maturing Loan exceeds the aggregate amount of the new Loans:

(1) the Borrower will only be required to make a payment under Clause 27.1 (*Payments to the Agent*) in an amount in the relevant currency equal to that excess; and

(2) each Lender's participation in the new Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Loan and that Lender will not be required to make a payment under Clause 27.1 (*Payments to the Agent*) in respect of its participation in the new Loans; and

(B) if the amount of the maturing Loan is equal to or less than the aggregate amount of the new Loans:

(1) the Borrower will not be required to make a payment under Clause 27.1 (*Payments to the Agent*); and

(2) each Lender will be required to make a payment under Clause 27.1 (*Payments to the Agent*) in respect of its participation in the new Loans only to the extent that its participation in the new Loans exceeds that Lender's

participation in the maturing Loan and the remainder of that Lender's participation in the new Loans shall be treated as having been made available and applied by the Borrower in or towards repayment of that Lender's participation in the maturing Loan.

7. PREPAYMENT AND CANCELLATION

7.1 Illegality

If, at any time, it is or will become unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund or maintain its participation in any Loan or it is or will become unlawful for any Affiliate of a Lender for that Lender to do so:

- (a) that Lender shall promptly notify the Agent upon becoming aware of that event;
- (b) upon the Agent notifying the Borrower, the Available Commitments of that Lender will be immediately cancelled; and
- (c) to the extent that the Lender's participation has not been transferred pursuant to paragraph (a) of Clause 14.1 (*Mitigation*), the Borrower shall repay that Lender's participation in the Loans made to the Borrower on the last day of the Interest Period for each Loan occurring after the Agent has notified the Borrower or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment(s) shall be immediately cancelled in the amount of the participations repaid.

7.2 Change of control

- (a) If the Parent ceases to control the Borrower:
 - (i) the Borrower shall promptly notify the Agent upon becoming aware of that event;
 - (ii) a Lender shall not be obliged to fund a Utilisation (except for a Rollover Loan); and
 - (iii) if a Lender so requires and notifies the Agent within five days of the Borrower notifying the Agent of the event, the Agent shall, by not less than five days' notice to the Borrower, cancel each Available Commitment of that Lender and declare the participation of that Lender in all Loans, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents in relation to that Lender's participation(s) immediately due and payable, whereupon each such Available Commitment will be immediately cancelled, any Commitment of that Lender shall immediately cease to be available for further utilisation and all such Loans, accrued interest and other amounts shall become immediately due and payable.

- (b) For the purpose of paragraph (a) above, "**control**" means the power to direct or the right to prevent (without positive consent), the exercise or implementation of the management and policies of any entity whether through the ownership of voting capital, by contract or otherwise.

7.3 Voluntary cancellation

The Borrower may, if it gives the Agent not less than 30 Business Days' (or such shorter period as the Majority Lenders may agree) prior notice, cancel the whole or any part (being a minimum amount of US\$100,000) of the Available Facility. Any cancellation under this Clause 7.3 shall reduce the Commitments of the Lenders rateably.

7.4 Voluntary prepayment

The Borrower may, if it gives the Agent not less than 15 Business Days' (or such shorter period as the Majority Lenders may agree) prior notice, prepay the whole or any part of a Loan (but if in part, being an amount that reduces the amount of that Loan by a minimum amount of US\$100,000).

7.5 Right of prepayment and cancellation in relation to a single Lender (a) If:

- (i) any sum payable to any Lender by the Borrower is required to be increased under paragraph (a) of Clause 12.2 (*Tax gross-up*); or
- (ii) any Lender claims indemnification from the Borrower under Clause 12.3 (*Tax indemnity*) or Clause 13.1 (*Increased Costs*),

the Borrower may, whilst the circumstance giving rise to the requirement for that increase or indemnification continues, give the Agent notice of cancellation of the Commitment(s) of that Lender and its intention to procure the prepayment of that Lender's participation in the Loans.

- (b) On receipt of a notice of cancellation referred to in paragraph (a) above, the Available Commitment(s) of that Lender shall be immediately reduced to zero.
- (c) On the last day of each Interest Period which ends after the Borrower has given notice of cancellation under paragraph (a) above (or, if earlier, the date specified by the Borrower in that notice), the Borrower shall prepay that Lender's participation in the relevant Loan and that Lender's corresponding Commitment(s) shall be immediately cancelled in the amount of the participations repaid.

7.6 Not used

7.7 Mandatory prepayment – Borrowing Base

- (a) If, upon the delivery of any Monthly Report under Clause 18.4 (*Monthly Report*), the Agent determines (acting on the instructions of the Majority Lenders) that the aggregate amount outstanding under the Facility exceeds the then

Borrowing Base, in each case as at the date such Monthly Report was prepared

(the "**Excess Amount**"), the Borrower must repay or prepay outstanding Loans in an aggregate amount at least equal to the Excess Amount within three (3) Business Days.

- (b) No prepayment under paragraph (a) above shall result in any Commitments hereunder being permanently cancelled or reduced.
- (c) Subject to the other terms of this Agreement, any amounts prepaid under paragraph (a) above may be re-utilised.

7.8 Mandatory prepayment – Security Account balances

The Agent may (but is not obliged to) apply all or any amounts in the Security Account at any time to repay or prepay all amounts outstanding under the Facility.

7.9 Restrictions

- (a) Any notice of cancellation, prepayment or repayment given by any Party under this Clause 7 shall be irrevocable and, unless a contrary indication appears in this Agreement, shall specify the date or dates upon which the relevant cancellation, prepayment or repayment is to be made and the amount of that cancellation, prepayment or repayment.
- (b) Any prepayment or repayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.
- (c) Unless a contrary indication appears in this Agreement, any part of the Facility which is repaid or prepaid may be reborrowed in accordance with the terms of this Agreement.
- (d) The Borrower shall not repay or prepay all or any part of the Loans or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.
- (e) No amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.
- (f) If the Agent receives a notice under this Clause 7 it shall promptly forward a copy of that notice to either the Borrower or the affected Lender, as appropriate.
- (g) If all or part of any Lender's participation in a Loan is repaid or prepaid and is not available for redrawing (other than by operation of Clause 4.2 (*Further conditions precedent*)), an amount of that Lender's Commitment (equal to the amount of the participation which is repaid or prepaid) will be deemed to be cancelled on the date of repayment or prepayment.

7.10 Application of prepayments

Any prepayment of a Loan pursuant to Clauses 7.4 (*Voluntary prepayment*), 7.7 (*Mandatory prepayment – Borrowing Base*) or 7.8 (*Mandatory prepayment – Security Account balances*) shall be applied *pro rata* to each Lender's participation in that Loan.

SECTION 5 COSTS OF UTILISATION

8. INTEREST

8.1 Calculation of interest

The rate of interest on each Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

- (a) Margin; and
- (b) Reference Rate.

8.2 Payment of interest

The Borrower shall pay accrued interest on each Loan on the last day of each Interest Period (and, if the Interest Period is longer than six Months, on the dates falling at sixmonthly intervals after the first day of the Interest Period).

8.3 Default interest

- (a) If the Borrower fails to pay any amount payable by it under a Finance Document on its due date, interest shall accrue on the Unpaid Sum from the due date to the date of actual payment (both before and after judgment) at a rate which is, subject to paragraph (b) below, four per cent. per annum higher than the rate which would have been payable if the Unpaid Sum had, during the period of non-payment, constituted a Loan in the currency of the Unpaid Sum for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 8.3 shall be immediately payable by the Borrower on demand by the Agent.
- (b) If any Unpaid Sum consists of all or part of a Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:
 - (i) the first Interest Period for that Unpaid Sum shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and
 - (ii) the rate of interest applying to the Unpaid Sum during that first Interest Period shall be four per cent. per annum higher than the rate which would have applied if the Unpaid Sum had not become due.
- (c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum but will remain immediately due and payable.

8.4 Notification of rates of interest

- (a) The Agent shall promptly notify the relevant Lenders and the Borrower of the determination of a rate of interest under this Agreement.
- (b) The Agent shall promptly notify the Borrower of each Funding Rate relating to a Loan.
- (c) This Clause 8.4 shall not require the Agent to make any notification to any Party on a day which is not a Business Day

9. INTEREST PERIODS

9.1 Interest Periods

- (a) Each Loan has one Interest Period only which shall start on the Utilisation Date of that Loan.
- (b) Each Interest Period for a Loan will be one Month (or any other period, subject to availability, agreed by the Borrower and the Agent (acting on the instructions of all the Lenders)).

9.2 No overrunning

An Interest Period for a Loan shall not extend beyond the Final Repayment Date. If an Interest Period would otherwise overrun the Final Repayment Date, it will be shortened so that it ends on the Final Repayment Date.

9.3 Notification

The Agent shall promptly notify the Borrower and the Lenders of the duration of each Interest Period promptly after ascertaining its duration.

9.4 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

10. CHANGES TO THE CALCULATION OF INTEREST

10.1 Unavailability of Term SOFR

- (a) *Interpolated Term SOFR*: If Term SOFR is not available for the Interest Period of the relevant Loan, the Reference Rate for such Interest Period shall be Interpolated Term SOFR for a period equal in length to the Interest Period of that Loan.
- (b) *Historic Term SOFR*: If paragraph (a) above applies but Interpolated Term SOFR is not available for the Interest Period of the relevant Loan, the Reference Rate for such Interest Period shall be Historic Term SOFR for a period equal in length to the Interest Period of that Loan.

- (c) *Interpolated Historic Term SOFR*: If paragraph (b) above applies but Historic Term SOFR is not available for the Interest Period of the relevant Loan, the Reference Rate for such Interest Period shall be Interpolated Historic Term SOFR for a period equal in length to the Interest Period of that Loan.

10.2 Market disruption

If before 5 p.m. in Hong Kong on the Business Day immediately following the Quotation Day for the relevant Interest Period, the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 50 per cent. of that Loan) that the cost to it of funding its participation in that Loan from whatever source it may reasonably select would be in excess of the Reference Rate then Clause 10.3 (*Cost of funds*) shall apply to that Loan for the relevant Interest Period.

10.3 Cost of funds

- (a) If this Clause 10.3 applies, the rate of interest on each Lender's share of the relevant Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
- (i) the Margin; and
 - (ii) the rate notified to the Agent by that Lender as soon as practicable and in any event by 5 p.m. on the date falling two Business Days before the date on which interest is due to be paid in respect of that Interest Period, to be that which expresses as a percentage rate per annum the cost to the relevant Lender of funding its participation in that Loan from whatever source it may reasonably select.
- (b) If this Clause 10.3 applies and the Agent or the Borrower so requires, the Agent and the Borrower shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest.
- (c) Any alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of all the Lenders and the Borrower, be binding on all Parties. (d) If this Clause 10.3 applies pursuant to Clause 10.2 (*Market disruption*) and:
- (i) a Lender's Funding Rate is less than the Reference Rate; or
 - (ii) a Lender does not supply a quotation by the time specified in paragraph (a)(ii) above,
- the cost to that Lender of funding its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be the Reference Rate.

10.4 Notification to Borrower

If Clause 10.3 (*Cost of funds*) applies the Agent shall, as soon as is practicable, notify the Borrower.

10.5 Break Costs

- (a) The Borrower shall, within three Business Days of demand by a Finance Party and receipt of the certificate referred to in paragraph (b) below, pay to that Finance Party its Break Costs attributable to all or any part of a Loan or Unpaid Sum being paid by the Borrower on a day other than the last day of an Interest Period for that Loan or Unpaid Sum.
- (b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent or the Borrower, provide a certificate confirming the amount of its Break Costs for any Interest Period in which they accrue.

11. FEES

11.1 Non-utilisation fee

- (a) The Borrower shall pay to the Agent (for the account of each Lender) a nonutilisation fee (the “**Non-utilisation Fee**”) calculated and accruing on a daily basis, at the percentage per annum opposite the then applicable Consolidated Leverage Ratio set out below as reported in the most recent Parent Credit Agreement Compliance Certificate delivered to the Agent, on the undrawn and uncanceled amount of each Lender’s Commitment under the Facility (as at 5 p.m. on each day of the Availability Period (or, if any such day is not a Business Day, at 5 p.m. on the immediately preceding Business Day)), in respect of the period from and including the date of this Agreement to and including the last day of the Availability Period:

Consolidated Leverage Ratio	Non-utilisation Fee
Less than 0.75:1	0.125%
Greater than or equal to 0.75:1 but less than 1.00:1	0.175%
Greater than or equal to 1.00:1 but less than 1.50:1	0.200%
Greater than or equal to 1.50:1 but less than 2.00:1	0.225%
Greater than or equal to 2.00:1 but less than 2.50:1	0.250%
Greater than or equal to 2.50:1	0.300%

however, if:

(i) following receipt by the Agent of a Parent Credit Agreement Compliance Certificate for any period that Parent Credit Agreement Compliance Certificate does not contain the necessary or appropriate figures to permit the calculation of the Consolidated Leverage Ratio;

(ii) a Parent Credit Agreement Compliance Certificate is not provided to the Agent when due; or

(iii) an Event of Default is continuing,

the Non-utilisation Fee for the relevant period shall be the highest percentage per annum set out above.

(b) The Borrower must pay the Non-utilisation Fee to the Agent (for the account of each Lender) quarterly in arrears and on the last day of the Availability Period.

(c) The Borrower must pay to the Agent (for the account of each Lender) the accrued Non-utilisation Fee for such Lender on the date that such Lender's Commitment is cancelled in full.

(d) The Agent is entitled to deduct the Non-utilisation Fee from the DHK MultiCurrency Account.

(e) The Non-utilisation Fee shall not be refundable under any circumstance.

11.2 Arrangement fee

The Borrower shall pay to the Arranger an arrangement fee in the amount and at the times agreed in a Fee Letter.

11.3 Agency fee

The Borrower shall pay to the Agent (for its own account) an agency fee in the amount and at the times agreed in a Fee Letter.

11.4 Security agency fee

The Borrower shall pay to the Security Agent (for its own account) a security agency fee in the amount and at the times agreed in a Fee Letter.

SECTION 6 ADDITIONAL PAYMENT OBLIGATIONS

12. TAX GROSS-UP AND INDEMNITIES

12.1 Tax definitions

In this Clause 12:

"Tax Credit" means a credit against, relief or remission for, or repayment of any Tax.

"Tax Deduction" means a deduction or withholding for or on account of Tax from a payment under a Finance Document, other than a FATCA Deduction.

"Tax Payment" means an increased payment made by the Borrower to a Finance Party under Clause 12.2 (*Tax gross-up*) or a payment under Clause 12.3 (*Tax indemnity*).

Unless a contrary indication appears, in this Clause 12 a reference to **"determines"** or **"determined"** means a determination made in the absolute discretion of the person making the determination.

12.2 Tax gross-up

- (a) All payments to be made by the Borrower to any Finance Party under the Finance Documents shall be made free and clear of and without any Tax Deduction unless the Borrower is required to make a Tax Deduction, in which case the sum payable by the Borrower (in respect of which such Tax Deduction is required to be made) shall be increased to the extent necessary to ensure that such Finance Party receives a sum net of any deduction or withholding equal to the sum which it would have received had no such Tax Deduction been made or required to be made.
- (b) The Borrower shall promptly upon becoming aware that it must make a Tax Deduction (or that there is any change in the rate or the basis of a Tax Deduction) notify the Agent accordingly. Similarly, a Lender shall notify the Agent on becoming so aware in respect of a payment payable to that Lender. If the Agent receives such notification from a Lender it shall notify the Borrower.
- (c) If the Borrower is required to make a Tax Deduction, it shall make that Tax Deduction and any payment required in connection with that Tax Deduction within the time allowed and in the minimum amount required by law.
- (d) Within 30 days of making either a Tax Deduction or any payment required in connection with that Tax Deduction, the Borrower shall deliver to the Agent for the Finance Party entitled to the payment evidence reasonably satisfactory to that Finance Party that the Tax Deduction has been made or (as applicable) any appropriate payment has been paid to the relevant taxing authority.

12.3 Tax indemnity

- (a) Without prejudice to Clause 12.2 (*Tax gross-up*), if any Finance Party is required to make any payment of or on account of Tax on or in relation to any

sum received or receivable under the Finance Documents (including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party whether or not actually received or receivable) or if any liability in respect of any such payment is asserted, imposed, levied or assessed against any Finance Party, the Borrower shall, within three Business Days of demand of the Agent, promptly indemnify the Finance Party which suffers a loss or liability as a result against such payment or liability, together with any interest, penalties, costs and expenses payable or incurred in connection therewith, **provided that** this Clause 12.3 shall not apply to:

- (i) any Tax imposed on and calculated by reference to the net income actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which such Finance Party is incorporated;
 - (ii) any Tax imposed on and calculated by reference to the net income of the Facility Office of such Finance Party actually received or receivable by such Finance Party (but, for the avoidance of doubt, not including any sum deemed for the purposes of Tax to be received or receivable by such Finance Party but not actually receivable) by the jurisdiction in which its Facility Office is located; or
 - (iii) a FATCA Deduction required to be made by a Party.
- (b) A Finance Party intending to make a claim under paragraph (a) above shall notify the Agent of the event giving rise to the claim, whereupon the Agent shall notify the Borrower thereof.
- (c) A Finance Party shall, on receiving a payment from the Borrower under this Clause 12.3, notify the Agent.

12.4 Tax credit

If the Borrower makes a Tax Payment and the relevant Finance Party determines that:

- (a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and
- (b) that Finance Party has obtained and utilised that Tax Credit,

the Finance Party shall pay an amount to the Borrower which that Finance Party determines will leave it (after that payment) in the same after-Tax position as it would have been in had the Tax Payment not been required to be made by the Borrower.

12.5 Stamp taxes

The Borrower shall:

- (a) pay all stamp duty, registration and other similar Taxes payable in respect of any Finance Document; and
- (b) within three Business Days of demand, indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to any stamp duty, registration or other similar Tax paid or payable in respect of any Finance Document.

12.6 Indirect Tax

- (a) All amounts set out or expressed in a Finance Document to be payable by any Party to a Finance Party shall be deemed to be exclusive of any Indirect Tax. If any Indirect Tax is chargeable on any supply made by any Finance Party to any Party in connection with a Finance Document, that Party shall pay to the Finance Party (in addition to and at the same time as paying the consideration) an amount equal to the amount of the Indirect Tax.
- (b) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any costs or expenses, that Party shall also at the same time pay and indemnify the Finance Party against all Indirect Tax incurred by that Finance Party in respect of the costs or expenses to the extent that the Finance Party reasonably determines that it is not entitled to credit or repayment in respect of the Indirect Tax.

12.7 FATCA information

- (a) Subject to paragraph (c) below, each Party shall, within 10 Business Days of a reasonable request by another Party:

- (i) confirm to that other Party whether it is:

- (A) a FATCA Exempt Party; or

- (B) not a FATCA Exempt Party;

- (ii) supply to that other Party such forms, documentation and other information relating to its status under FATCA as that other Party reasonably requests for the purposes of that other Party's compliance with FATCA; and

- (iii) supply to that other Party such forms, documentation and other information relating to its status as that other Party reasonably requests for the purposes of that other Party's compliance with any other law, regulation, or exchange of information regime.

- (b) If a Party confirms to another Party pursuant to paragraph (a)(i) above that it is a FATCA Exempt Party and it subsequently becomes aware that it is not or has ceased to be a FATCA Exempt Party, that Party shall notify that other Party as soon as reasonably practicable.

In addition to the other rights provided to Lenders under this Clause 22, each Lender may without consulting with or obtaining consent from the Borrower, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by the Borrower other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to the relevant Lender under the Finance Documents.

22.11 Universal succession (assignments and transfers)

- (a) If a Lender is to be merged with any other person by universal succession, such Lender shall, at its own cost within forty-five days of that merger furnish to the Agent:
 - (i) an original or certified true copy of a legal opinion issued by a qualified legal counsel practicing law in its jurisdiction of incorporation confirming that all such Lender's assets, rights and obligations generally have been duly vested in the succeeding entity who has succeeded to all relationships as if those assets, rights and obligations had been originally acquired, incurred or entered into by the succeeding entity; and

- (ii) an original or certified true copy of a written confirmation by either the Lender's legal counsel or such other legal counsel acceptable to the Agent and for the benefit of the Agent (in its capacity as agent of the Lenders) that the laws of Hong Kong and of the jurisdiction in which the Facility Office of such Lender is located recognise such merger by universal succession under the relevant foreign laws,

whereupon a transfer and novations of all such Lender's assets, rights and obligations to its succeeding entity shall have been, or be deemed to have been, duly effected as at the date of that merger.

- (b) If such Lender, in a universal succession, does not comply with the requirements under this Clause 22.11, the Agent has the right to decline to recognise the succeeding entity and demand such Lender and the succeeding entity to either sign and deliver a Transfer Certificate to the Agent evidencing the disposal of all rights and obligations of such Lender to that succeeding entity, or provide or enter into such documents, or make such arrangements acceptable to the Agent (acting on the advice of the Lender's legal counsel (any legal costs so incurred shall be borne by the relevant Lender)) in order to establish that all rights and obligations of the relevant Lender under this Agreement have been transferred to and assumed by the succeeding entity.

23. CHANGES TO THE BORROWER

The Borrower may not assign any of its rights or transfer any of its rights or obligations under the Finance Documents, except with the prior written consent of all the Lenders.

SECTION 9 THE FINANCE

PARTIES

24.1 The Agent and the Security Agent

- (a) Each of the Arranger, and the Lenders appoints the Agent to act as its agent under and in connection with the Finance Documents.
- (b) The Security Agent declares that it holds the Security Property on trust for the Secured Parties on the terms contained in this Agreement and the other Finance Documents.
- (c) Each of the Finance Parties authorises the Agent and the Security Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent and the Security Agent (as applicable) under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.

24.2 Enforcement through Security Agent only

The Secured Parties shall not have any independent power to enforce, or have recourse to, any of the Transaction Security or to exercise any right, power, authority or discretion arising under the Transaction Security Documents except through the Security Agent.

24.3 Instructions

- (a) Subject to paragraph (d) below, each of the Agent and the Security Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent or Security Agent (as applicable) in accordance with any instructions given to it by:
 - (A) all Lenders if the relevant Finance Document stipulates the matter is an all Lender decision; and
 - (B) in all other cases, the Majority Lenders; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above (or, if this Agreement stipulates the matter is a decision for any other Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties (as applicable)).
- (b) Each of the Agent and the Security Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other

Finance Party or group of Finance Parties, from that Finance Party or group of Finance Parties

(as applicable)) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Agent or Security Agent (as applicable) may refrain from acting unless and until it receives any such instructions or clarification that it has requested.

(c) Save in the case of decisions stipulated to be a matter for any other Finance Party or group of Finance Parties under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent or Security Agent (as applicable) by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties.

(d) Paragraph (a) above shall not apply:

(i) where a contrary indication appears in a Finance Document;

(ii) where a Finance Document requires the Agent or the Security Agent to act in a specified manner or to take a specified action;

(iii) in respect of any provision which protects the Agent's or the Security Agent's own position in its personal capacity as opposed to its role of Agent or Security Agent for the relevant Finance Parties or Secured Parties (as applicable) including, Clause 24.6 (*No fiduciary duties*) to Clause 24.11 (*Exclusion of liability*), Clause 24.14 (*Confidentiality*) to Clause 24.21 (*Custodians and nominees*) and Clause 24.24 (*Acceptance of Title*) to Clause 24.29 (*Disapplication of trustee legislation*);

(iv) in respect of the exercise of the Security Agent's discretion to exercise a right, power or authority under any of:

(A) Clause 25.1 (*Order of application*);

(B) Clause 25.2 (*Prospective liabilities*); and (C) Clause 25.5 (*Permitted Deductions*).

(e) If giving effect to instructions given by the Majority Lenders would (in the Agent's or (as applicable) the Security Agent's opinion) have an effect equivalent to an amendment or waiver referred to in Clause 33 (*Amendments and Waivers*), the Agent or (as applicable) Security Agent shall not act in accordance with those instructions unless consent to it so acting is obtained from each Party (other than the Agent or Security Agent) whose consent would have been required in respect of that amendment or waiver.

(f) In exercising any discretion to exercise a right, power or authority under the Finance Documents where either:

(i) it has not received any instructions as to the exercise of that discretion; or

(ii) the exercise of that discretion is subject to paragraph (d)(iv) above,

the Agent or Security Agent shall do so having regard to the interests of (in the case of the Agent) all the Finance Parties and (in the case of the Security Agent) all the Secured Parties.

(g) The Agent or the Security Agent (as applicable) may refrain from acting in accordance with any instructions of any Finance Party or group of Finance Parties until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.

(h) Without prejudice to the remainder of this Clause 24.3 (*Instructions*), in the absence of instructions, each of the Agent and the Security Agent may act (or refrain from acting) as it considers in its discretion to be appropriate.

(i) Neither the Agent nor the Security Agent is authorised to act on behalf of a Finance Party (without first obtaining that Finance Party's consent) in any legal or arbitration proceedings relating to any Finance Document. This paragraph (i) shall not apply to any legal or arbitration proceeding relating to the perfection, preservation or protection of rights under the Security Documents or the enforcement of the Transaction Security or Security Documents.

(j) In relation to the Transaction Security:

(ii) the Majority Lenders may give or refrain from giving instructions to the Security Agent to enforce or refrain from enforcing the Transaction Security as they see fit;

(iii) the Security Agent is entitled to rely on and comply with enforcement instructions;

(iv) the Security Agent may, subject to any contrary instructions from the Majority Lenders, cease enforcement at any time;

(v) the Security Agent shall, subject to the terms of the Transaction Security Documents, enforce any Transaction Security in such manner as the Majority Lenders shall instruct, or, in the absence of any such instructions, as the Security Agent considers in its discretion to be appropriate; and

(vi) each Party waives its rights for any Transaction Security to be enforced in a particular manner or at a particular time, or that any sum recovered from any person is applied in a particular manner.

- 76 -

(b)

Subject to paragraph (d) below, each of the Agent and the Security Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent or Security Agent (as applicable) for that Party by any other Party.

(f) If the Agent receives notice from a Party referring to any Finance Document, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.

(g) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than to any other Administrative Party) under this Agreement, it shall promptly notify the other Finance Parties.

(h) Each of the Agent and the Security Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

24.5 Role of the Arranger

Except as specifically provided in the Finance Documents, the Arranger has no obligations of any kind to any other Party under or in connection with any Finance Document.

24.6 No fiduciary duties

(a) Nothing in any Finance Document constitutes:

(i) the Agent or the Arranger as a trustee or fiduciary of any other person; or

(ii) the Security Agent as a trustee, agent or fiduciary of the Borrower.

(b)

No Administrative Party shall be bound to account to any other Finance Party or (in the case of the Security Agent) any Secured Party for any sum or the profit element of any sum received by it for its own account.

24.7 Business with the Borrower

(a) Any Administrative Party may accept deposits from, lend money to and generally engage in any kind of banking or other business with the Borrower or any Affiliate of the Borrower.

(b) Nothing in this Agreement shall require any Administrative Party to carry on an activity of the kind specified by any provision of Part 1 of Schedule 5 of the Securities and Futures Ordinance (Cap. 571) (the "**SFO**") of the Laws of Hong Kong or require the Agent to lend money to the Borrower in its capacity as Agent.

(c) The Security Agent, in its absolute discretion, may, at any time:

(i) delegate any of the functions which fall to be performed by an authorized person under the SFO to any the Agent or any other person which also has the necessary authorisations and licences; and

(ii) apply for authorisation under the SFO and perform any or all such functions itself if, in its absolute discretion, it considers it necessary, desirable or appropriate to do so.

24.8 Rights and discretions

(a) Each of the Agent and the Security Agent may:

(i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised; (ii) assume that:

(A) any instructions received by it from the Majority Lenders, any Finance Party or any group of Finance Parties are duly given in accordance with the terms of the Finance Documents; and

(B) unless it has received notice of revocation, that those instructions have not been revoked; and

(iii) rely on a certificate from any person:

(A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person; or

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing,

(b)

as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

Each of the Agent and the Security Agent may assume (unless it has received notice to the contrary in its capacity as agent or, as the case may be, security trustee for the Finance Parties or, as the case may be, Secured Parties) that:

- (i) no Default has occurred (unless, in the case of the Agent, it has actual knowledge of a Default arising under Clause 21.1 (*Non-payment*));
- (ii) any right, power, authority or discretion vested in any Party or any group of Lenders or Finance Parties has not been exercised; and
- (iii) in the case of the Security Agent, if it receives any instructions or directions to take any action in relation to the Transaction Security, assume that all applicable conditions under the Finance Documents for taking that action have been satisfied.

(c) Each of the Agent and the Security Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.

(d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, each of the Agent and the Security Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent or Security Agent (as applicable), (and so separate from any lawyers instructed by the Lenders) if the Agent or Security Agent (as applicable), in its reasonable opinion deems this to be necessary.

(e) Each of the Agent and the Security Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent, by the Security Agent or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.

(f) Each of the Agent and the Security Agent may act in relation to the Finance Documents and the Security Property through its officers, employees and agents and shall not:

- (i) be liable for any error of judgment made by any such person; or
- (ii) be bound to supervise, or be in any way responsible for any loss incurred by reason of misconduct, omission or default on the part, of any such person,

unless such error or such loss was directly caused by the Agent's or the Security Agent's (as applicable) gross negligence or wilful misconduct.

(b)

(g) Unless a Finance Document expressly provides otherwise each of the Agent and the Security Agent may disclose to any other Party any information it reasonably believes it has received as agent or, as the case may be, security trustee under the Finance Documents.

- 80 -

- (h) Notwithstanding any other provision of any Finance Document to the contrary, no Administrative Party is obliged to do or omit to do anything if it would, or might in its reasonable opinion, constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (i) Notwithstanding any provision of any Finance Document to the contrary, neither the Agent nor the Security Agent is obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.
- (j) The Agent shall be entitled to deal with money paid to it by any person for the purposes of this Agreement in the same manner as other money paid to a banker by its customers except that it shall not be liable to account to any person for any interest or other amounts in respect of the money.
- (k) The fees, commissions and expenses payable to the Agent for services rendered and the performance of its obligations under this Agreement shall not be abated by any remuneration or other amounts or profits receivable by the Agent (or by any of its associates) in connection with any other transaction effected by the Agent with or for the Lenders or the Borrower.
- (l) Without prejudice to Clause 24.3 (*Instructions*), the Security Agent may (but shall not be obliged to), in the absence of instructions to the contrary, take such action in the exercise of any of its powers and duties under the Finance Documents as it considers in its discretion to be appropriate.
- (m) The Security Agent may carry out what in its discretion it considers to be administrative acts, or acts which are incidental to any instruction, but no such instruction can override any administrative or incidental act performed prior to its receipt.

24.9 Responsibility for documentation

No Administrative Party is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by any Administrative Party, the Borrower or any other person in or in connection with any Finance Document or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; or
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Security Property or any other agreement, arrangement or

document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Security Property.

24.10 No duty to monitor

No Administrative Party shall be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or
- (c) whether any other event specified in any Finance Document has occurred.

24.11 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent, the Security Agent or any Receiver or Delegate), none of the Agent, the Security Agent nor any Receiver or Delegate will be liable (including for negligence or any other category of liability whatsoever) for:
 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Security Property, unless directly caused by its gross negligence or wilful misconduct;
 - (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Security Property or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with, any Finance Document or the Security Property;
 - (iii) any shortfall which arises on the enforcement or realisation of the Security Property; or
 - (iv) without prejudice to the generality of paragraphs (i) to (iii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction,including (in each case) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event);

breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

- (b) No Party (other than the Agent, the Security Agent, that Receiver or that Delegate (as applicable)) may take any proceedings against any officer, employee or agent of the Agent, the Security Agent, a Receiver or a Delegate (as applicable), in respect of any claim it might have against the Agent, the Security Agent, a Receiver or a Delegate (as applicable) or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Security Property and any officer, employee or agent of the Agent, the Security Agent, a Receiver or a Delegate (as applicable) may rely on this paragraph (b).
- (c) Neither the Agent nor the Security Agent will be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent or the Security Agent (as applicable) if the Agent or the Security Agent (as applicable) has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent or the Security Agent (as applicable) for that purpose.
- (d) Nothing in this Agreement shall oblige any Administrative Party to conduct:
- (i) any "*know your customer*" or other procedures in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Finance Party or for any Affiliate of a Finance Party,
- on behalf of any Finance Party and each Finance Party confirms to each Administrative Party that it is solely responsible for any such procedures or checks it is required to conduct and that it may not rely on any statement in relation to such procedures or checks made by any Administrative Party.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the liability of the Agent, the Security Agent, any Receiver or Delegate, any liability of the Agent, the Security Agent, any Receiver or Delegate arising under or in connection with any Finance Document or the Security Property shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent, the Security Agent, Receiver or Delegate or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent, the Security Agent, any Receiver or Delegate at any time which increase the amount of that loss. In no event shall the Agent, the Security Agent, any Receiver or Delegate be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages,

whether or not the Agent, the Security Agent, the Receiver or Delegate has been advised of the possibility of such loss or damages. The provisions of this Clause

shall survive the termination or expiry of this Agreement or the resignation or removal of the Agent or the Security Agent.

24.12 Lenders' indemnity to the Agent and Security Agent

- (a) Each Lender shall (in proportion to its share of the Total Commitments or, if the Total Commitments are then zero, to its share of the Total Commitments immediately prior to their reduction to zero) indemnify the Agent, the Security Agent and every Receiver and every Delegate, within three Business Days of demand, against any cost, loss or liability (including for negligence or any other category of liability whatsoever) incurred by any of them (otherwise than by reason of the Agent's, the Security Agent's or the Receiver's or the Delegate's gross negligence or wilful misconduct) (or, in the case of any cost, loss or liability pursuant to Clause 27.10 (*Disruption to payment systems etc.*), notwithstanding the Agent's negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) in acting as Agent, Security Agent, Receiver or Delegate under the Finance Documents (unless the relevant Agent, Security Agent, Receiver or Delegate has been reimbursed by the Borrower pursuant to a Finance Document).
- (b) Subject to paragraph (c) below, the Borrower shall immediately on demand reimburse any Lender for any payment that Lender makes to the Agent or the Security Agent, any Receiver or any Delegate pursuant to paragraph (a) above.
- (c) Paragraph (b) above shall not apply to the extent that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent, the Security Agent, any Receiver or, as the case may be, any Delegate to the Borrower.
- (d) Each indemnity given by a Party under or in connection with a Finance Document is a continuing obligation, independent of the party's other obligations under or in connection with that or any other Finance Document and survives after that Finance Document is terminated. It is not necessary for a Finance Party to pay any amount or incur any expense before enforcing an indemnity under or in connection with this Agreement or any other Finance Document.

24.13 Resignation of the Agent and the Security Agent

- (a) Each of the Agent and the Security Agent may resign and appoint one of its Affiliates acting through an office in Hong Kong as successor by giving notice to the other Finance Parties and the Borrower.
- (b) Alternatively, the Agent or the Security Agent may resign by giving 30 days' notice to the other Finance Parties and the Borrower, in which case the Majority Lenders (after consultation with the other Finance Parties and the Borrower) may appoint a successor Agent or Security Agent (as applicable).

- (c) If the Majority Lenders have not appointed a successor Agent or Security Agent in accordance with paragraph (b) above within 30 days after notice of resignation was given, the retiring Agent or Security Agent (as applicable) (after consultation with the other Finance Parties) may appoint a successor Agent or Security Agent (as applicable) (acting through an office in Hong Kong).
- (d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 24 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Agent's normal fee rates and those amendments will bind the Parties.
- (e) The retiring Agent or Security Agent (as applicable) shall make available to the successor Agent or Security Agent (as applicable) such documents and records and provide such assistance as the successor Agent or Security Agent (as applicable) may reasonably request for the purposes of performing its functions as Agent or Security Agent (as applicable) under the Finance Documents. The Borrower shall, within three Business Days of demand, reimburse the retiring Agent or Security Agent (as applicable) for the amount of all costs and expenses (including legal fees) properly incurred by it in making available such documents and records and providing such assistance.
- (f) The resignation notice of the Agent or Security Agent (as applicable) shall only take effect upon:
- (i) the appointment of a successor; and
 - (ii) (in the case of the Security Agent) the transfer of the Security Property to that successor.
- (g) Upon the appointment of a successor, the retiring Agent or Security Agent (as applicable) shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (ii) of Clause 24.25 (*Winding up of trust*) and paragraph (e) above) but shall remain entitled to the benefit of Clause 15.3 (*Indemnity to the Agent*), Clause 15.4 (*Indemnity to the Security Agent*) and this Clause 24 (and any fees for the account of the retiring Agent or Security Agent (as applicable) shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations among themselves as they would have had if such successor had been an original Party.
- (h) After consultation with the Borrower, the Majority Lenders may, by giving 30 days' notice to the Agent or the Security Agent (as applicable), require it to resign in accordance with paragraph (b) above. In this event, the Agent or the Security Agent (as applicable) shall resign in accordance with paragraph (b)

above but the cost referred to in paragraph (e) above shall be for the account of the Borrower.

(i) The Agent shall resign in accordance with paragraph (b) above if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents:

(i) the Agent fails to respond to a request under Clause 12.7 (*FATCA information*) and a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

(ii) the information supplied by the Agent pursuant to Clause 12.7 (*FATCA information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or

(iii) the Agent notifies the Borrower and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and that Lender, by notice to the Agent, requires it to resign.

24.14 Confidentiality

(a) In acting as agent or trustee for the Finance Parties, the Agent or Security Agent (as applicable) shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.

(b) If information is received by another division or department of the Agent or Security Agent, it may be treated as confidential to that division or department and the Agent or Security Agent (as applicable) shall not be deemed to have notice of it.

(c) The Agent and Security Agent shall not be obliged to disclose to any Finance Party any information supplied to it by the Borrower or any Affiliates of the Borrower on a confidential basis and for the purpose of evaluating whether any waiver or amendment is or may be required or desirable in relation to any Finance Document.

24.15 Relationship with the Lenders

(a) The Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

(i) entitled to or liable for any payment due under any Finance Document on that day; and

- (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any

Finance Document made or delivered on that day,

unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.

- (b) The Lenders shall supply the Agent with any information that the Security Agent may reasonably specify (through the Agent) as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent. Each Lender shall deal with the Security Agent exclusively through the Agent.
- (c) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address, fax number and (where communication by electronic mail or other electronic means is permitted under Clause 29.5 (*Electronic communication*)) electronic mail address and/or any other information required to enable the transmission of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, fax number, electronic mail address (or such other information), department and officer by that Lender for the purposes of Clause 29.2 (*Addresses*) and paragraph (a) of Clause 29.5 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.
- (d) The Security Agent shall be entitled to carry out all dealings with the Lenders and the Arranger, through the Agent and may give to the Agent any notice or other communication required to be given by the Security Agent to a Lender.

24.16 Credit appraisal by the Lenders

Without affecting the responsibility of the Borrower for information supplied by it or on its behalf in connection with any Finance Document, each Lender confirms to each Administrative Party that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including:

- (a) the financial condition, status and nature of the Borrower;
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document, the Security Property and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Security Property;
- (c) whether that Finance Party has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any Finance Document, the Security Property, the transactions contemplated by the Finance Documents or any other agreement, arrangement

or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Security Property;

(d) the adequacy, accuracy or completeness of any other information provided by any Administrative Party, any other Party or by any other person under or in connection with any Finance Document, the transactions contemplated by any Finance Document or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of, the Security Property, the priority of any of the Transaction Security or the existence of any Security affecting the Security Property,

and each Secured Party warrants to the Agent and Security Agent that it has not relied on the Agent and Security Agent in respect of any of these matters.

(a) any sum payable to the Security Agent, any Receiver or any Delegate; and

(b) any part of the Secured Liabilities,

that the Security Agent reasonably considers, in each case, might become due or owing at any time in the future.

Following an Event of Default, prior to the application of the Recoveries in accordance with Clause 25.1 (*Order of application*) the Security Agent may, in its discretion, hold all or part of those proceeds in an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) and for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those moneys in the Security Agent's discretion in accordance with the provisions of this Clause 25.

25.4 Currency Conversion

(a) For the purpose of, or pending the discharge of, any of the Secured Liabilities the Security Agent may convert any moneys received or recovered by the Security Agent from the currency received to the currency in which any of the Secured Liabilities are due (including by converting through a third currency if it is necessary to do so), in an amount not in excess of the amount the Security Agent reasonably believes is necessary to satisfy the Secured Liabilities due in such currency, at the Security Agent's Spot Rate of Exchange for such conversion.

(b) The obligations of the Borrower to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

25.5 Permitted Deductions

The Security Agent shall be entitled, in its discretion:

25.6 Good Discharge

26. SHARING AMONG THE FINANCE PARTIES

26.1 Payments to Finance Parties

If a Finance Party (a "**Recovering Finance Party**") receives or recovers (whether by set-off or otherwise) any amount from the Borrower other than in accordance with Clause 27 (*Payment Mechanics*) (a "**Recovered Amount**") and applies that amount to a payment due under the Finance Documents then:

- (a) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery to the Agent;
- (b) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 27 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
- (c) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the "**Sharing Payment**") equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 27.5 (*Partial payments*).

26.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the Borrower and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 27.5 (*Partial payments*) towards the obligations of the Borrower to the Sharing Finance Parties. The Agent shall also treat any amount retained by the Recovering Finance Party as if it had been paid by the Borrower and distributed by the Agent to the Recovering Finance Party.

26.3 Recovering Finance Party's rights

- (a) On a distribution by the Agent under Clause 26.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from the Borrower, as between the Borrower and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by the Borrower.
- (b) If and to the extent that the Recovering Finance Party is not able to rely on its rights under paragraph (a) above, the Borrower shall be liable to the Recovering Finance Party for a debt equal to the Sharing Payment which is immediately due and payable, to the extent the Recovering Finance Party was entitled, as between the Borrower and the Recovering Finance Party, to be paid the Recovered Amount.

26.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**"); and
- (b) as between the Borrower and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by the Borrower.

26.5 Exceptions

- (a) This Clause 26 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause 26, have a valid and enforceable claim against the Borrower.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified that other Finance Party of the legal or arbitration proceedings; and
 - (ii) that other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

- (a) On each date on which the Borrower or a Lender is required to make a payment under a Finance Document, the Borrower or that Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.
- (b) Payment shall be made to such account in the principal financial centre of the country of that currency and with such bank as the Agent, in each case, specifies. **27.2 Distributions by the Agent**
 - (a) Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 27.3 (*Distributions to the Borrower*) and Clause 27.4 (*Clawback and pre-funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party in the principal financial centre of the country of that currency.
 - (b) The Agent shall distribute payments received by it in relation to all or any part of a Loan to the Lender indicated in the records of the Agent as being so entitled on that date **provided that** the Agent is authorised to distribute payments to be made on the date on which any transfer becomes effective pursuant to Clause 22 (*Changes to the Lenders*) to the Lender so entitled immediately before such transfer took place regardless of the period to which such sums relate.

27.3 Distributions to the Borrower

The Agent may (with the consent of the Borrower or otherwise at any time an Event of Default has occurred and is subsisting) apply any amount received by it for the Borrower in or towards payment (on the date and in the currency and funds of receipt) of any amount due from the Borrower under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

27.4 Clawback and pre-funding

- (a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.
- (b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

- (c) If the Agent has notified the Lenders that it is willing to make available amounts for the account of the Borrower before receiving funds from the Lenders then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to the Borrower:
- (i) the Agent shall notify the Borrower of that Lender's identity and the Borrower shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

27.5 Partial payments

- (a) If the Agent or the Security Agent (as applicable) receives a payment that is insufficient to discharge all the amounts then due and payable by the Borrower under the Finance Documents, the Agent or the Security Agent (as applicable) shall apply that payment towards the obligations of the Borrower under the Finance Documents in the following order:
- (i) **first**, in or towards payment *pro rata* of any unpaid fees, costs and expenses of, and other amounts owing to, the Agent, the Security Agent, any Receiver or any Delegate under the Finance Documents;

 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).
- (b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Borrower) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

27.10 Disruption to payment systems etc.

- (d) any such changes agreed upon by the Agent and the Borrower shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 33 (*Amendments and Waivers*);
- (e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 27.10; and
