Â Absa Life Goes Live with Sapiens Insurance Platform to Modernize Core Systems and Enhance Customer Journeys Â
New platform marks a major step in Absa Lifeâ€™s core systems transformation, simplifying operations, improving
agility, and laying the foundation for AI-driven innovation Â Rochelle Park, NJ, June 23, 2025 â€” Sapiens International
Corporation (NASDAQ and TASE: SPNS), a leading global provider of software solutions for the insurance industry,
today announced that Absa Life, a leading life insurer in South Africa, has successfully gone live across multiple
distribution channels with Sapiens Insurance Platform, a fully integrated suite of solutions, including Sapiens CoreSuite
for Life & Pensions, Sapiens DigitalSuite, Sapiens DataSuite, and Sapiens Cloud Services. The go-live supports Absa
Lifeâ€™s funeral line of business and forms the foundation for future expansion. Â Absa Life selected Sapiens
CoreSuite as the foundation of its modernization strategy to help simplify its technology landscape and enhance
customer experiences. Sapiens DigitalSuite will accelerate its multichannel strategy by â€œdeep linkingâ€ into
Salesforce. The go-live also includes the rollout of Sapiens DataSuite across the CoreSuite solution and existing legacy
systems, providing consolidated data management for improved business insights. New AI models are being developed
for DataSuite and will empower Absa Life to leverage advanced cloud-based architecture to deliver real-time insights
and predictive capabilities. Â According to Michelle Niemand, Absa Life Future Fit Programme Director: â€œThe
successful implementation of this platform is an important milestone for Absa Life. It simplifies our core operations,
supports our digital ambitions, and allows us to respond more effectively to customer needs in a dynamic market.
Weâ€™re excited about what this means for our future.â€ Â â€œThis is a key moment in Absa Lifeâ€™s transformation
journey and it is extremely exciting that Sapiens is developing two new AI models as part of Absaâ€™s platform,â€ said
Roni Al-Dor, Sapiens President and CEO. â€œOur partnership reflects a shared vision of building a modern, agile
insurance business, able to respond quickly to market needs and customer expectations. This successful go-live
positions Absa Life to further consolidate legacy systems, scale new offerings, and leverage the power of AI-driven
innovation.â€ Â Sapiens Insurance Platform is an AI-based, open, integrated platform that accelerates adoption,
delivers sustained value, and empowers insurers to swiftly adapt to market changes and offer innovative products and
services more efficiently. Â Sapiens CoreSuite for Life & Pensions is a software solution for end-to-end core operations
and processes. An award-winning policy administration system, it supports individual and group products across life,
health, wealth & retirement. Â Sapiens DigitalSuite is a comprehensive, cloud-native, future-proof digital engagement
suite specifically designed to enable, sustain and grow insurance businesses.Â Â Sapiens DataSuite is a data
management solution that empowers insurers to produce actionable insights and maximise the value of their data
resulting in smarter decision making.Â DataSuite is a modular, highly innovative, business intelligence solution
designed specifically for insurance markets. Â Sapiens Cloud Services support business growth with elastic scaling and
a holistic offering of value-added cloud services. It provides all operations and application management services under
one roof. Â About Absa Bank Limited Â Absa Bank Limited (â€”Absa Bankâ€™) is a wholly owned subsidiary of Absa
Group Limited, which is listed on the Johannesburg Stock Exchange and is one of Africaâ€™s largest financial services
groups. Absa offers a range of retail, business, corporate and investment banking and wealth management and
insurance products and services primarily in South Africa and Namibia. Â Â www.sapiens.com Â Â Â About Sapiens
Â Sapiens International Corporation (NASDAQ and TASE: SPNS) is a global leader in intelligent SaaS-based software
solutions. With Sapiensâ€™ robust platform, customer-driven partnerships, and rich ecosystem, insurers are
empowered to future-proof their organizations with operational excellence in a rapidly changing marketplace. Our SaaS-
based solutions help insurers harness the power of AI and advanced automation to support core solutions for property
and casualty, workersâ€™ compensation, and life insurance, including reinsurance, financial & compliance, data &
