(â€œSandstorm Gold Royaltiesâ€, â€œSandstormâ€ or the â€œCompanyâ€) (NYSE: SAND, TSX: SSL) is pleased to announce that its Board of Directors has declared the Company's fourth quarterly cash dividend for 2024 in the amount of C\$0.02 per common share to shareholders of record as of the close of business on January 21, 2025. The dividend will be paid on January 31, 2025. The dividend qualifies as an â€œeligible dividendâ€ as defined in the Income Tax Act (Canada). The declaration, timing, amount, and payment of future dividends will be subject to the discretion and approval of the Board of Directors. The Company will review the dividend program on an ongoing basis and may amend it at any time depending on the Company's then current financial position, capital allocation framework, profitability, cash flow, debt covenant compliance, legal requirements and other factors considered relevant. As such, no assurances can be made that any future dividends will be declared and/or paid. Dividends paid to shareholders outside Canada (non-resident investors) will be subject to Canadian non-resident withholding taxes. Sandstorm holds a portfolio of approximately 230 royalties, of which 41 of the underlying mines are producing. Sandstorm plans to grow and diversify its low-cost production profile through the acquisition of additional gold royalties. For more information visit: www.sandstormgold.com. CAUTIONARY NOTE REGARDING FORWARD-LOOKING INFORMATION This press release contains "forward-looking statements", within the meaning of the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, the Private Securities Litigation Reform Act of 1995 and â€œforward-looking informationâ€ within the meaning of applicable Canadian securities legislation, concerning the business, operations and financial performance and condition of Sandstorm Gold Royalties. Forward-looking statements include, but are not limited to: the payment of the dividend and declaration of future dividends, including the timing and amount thereof;Â the future price of gold, silver, copper, iron ore and other metals, the estimation of mineral reserves and resources, realization of mineral reserve estimates, and the timing and amount of estimated future production. Forward-looking statements can generally be identified by the use of forward-looking terminology such as â€œmayâ€, â€œwillâ€, â€œexpectâ€, â€œintendâ€, â€œestimateâ€, â€œanticipateâ€, â€œbelieveâ€, â€œcontinueâ€, â€œplansâ€, or similar terminology. Forward-looking statements are made based upon certain assumptions and other important factors that, if untrue, could cause the actual results, performances or achievements of Sandstorm Gold Royalties to be materially different from future results, performances or achievements expressed or implied by such statements. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which Sandstorm Gold Royalties will operate in the future, including the receipt of all required approvals, the price of gold and copper and anticipated costs. Certain important factors that could cause actual results, performances or achievements to differ materially from those in the forward-looking statements include, amongst others, failure to receive necessary approvals, changes in business plans and strategies, market conditions, share price, best use of available cash, gold and other commodity price volatility, discrepancies between actual and estimated production, mineral reserves and resources and metallurgical recoveries, mining operational and development risks relating to the parties which produce the gold or other commodity the Company will purchase, regulatory restrictions, activities by governmental authorities (including changes in taxation), currency fluctuations, the global economic climate, dilution, share price volatility and competition. Forward-looking statements are subject to known and unknown risks, uncertainties and other important factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements, including but not limited to: the impact of general business and economic conditions, the absence of control over mining operations from which the Company will purchase gold, other commodities or receive royalties from, and risks related to those mining operations, including risks related to international operations, government and environmental regulation, actual results of current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined, risks in the marketability of minerals, fluctuations in the price of gold and other commodities, fluctuation in foreign exchange rates and interest rates, stock market volatility, as well as those factors discussed in the section entitled â€œRisks to Sandstormâ€ in the Company's annual report for the financial year ended December 31, 2023 and the section entitled â€œRisk Factorsâ€ contained in the Company's annual information form dated March 27, 2024 available at www.sedarplus.com. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not undertake to update any forward-looking statements that are contained or incorporated by reference, except in accordance with applicable securities laws.
