## ZEEKR Announces August 2024 Delivery Update

HANGZHOU, China, September 01, 2024 -- ZEEKR Intelligent Technology Holding Limited ("ZEEKR" or the "Company") (NYSE: ZK), a fast-growing intelligent battery electric vehicle ("BEV") technology company, today announced its delivery results for August 2024.

ZEEKR delivered 18,015 vehicles in August 2024, marking a 46% year-over-year increase. Year-to-date, ZEEKR has delivered 121,540 vehicles in 2024, representing 81% growth compared to the same period last year. By the end of August 2024, ZEEKR's cumulative deliveries had reached 318,173.

On August 30, ZEEKR officially launched its mid-to-large SUV, the ZEEKR 7X, revealing additional interior design details. The ZEEKR 7X boasts an exceptionally spacious and comfortable cabin, offering best-in-class front-row headroom and second-row legroom among midsize SUVs. Deliveries for the Chinese market are scheduled to commence by the end of September, with global deliveries expected to follow within the next year.

### About ZEEKR

ZEEKR is a fast-growing intelligent BEV technology company. The Company aspires to lead the electrification, intelligentization, and innovation of the automobile industry through the development and sales of next-generation premium BEVs and technology-driven solutions. Incorporated in March 2021, ZEEKR has focused on innovative BEV architecture, hardware, software, and the application of new technologies. Our diverse product lineup spans a range of vehicle models, including shooting brakes, MPVs and upscale sedans, all meticulously designed to cater to our customers' evolving needs.

With a mission to create the ultimate mobility experience through technology and solutions, ZEEKR's efforts are backed by strong in-house R&D capabilities, a deep understanding of products, high operational flexibility, and a flat, efficient organizational structure. Together, these features enable fast product development, launch, and iteration, as well as the creation of a series of customer-oriented products and go-to-market strategies.
