The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") for interim financial information, the instructions to Form 10-Q, and Article 10 of Regulation S-X. Accordingly, they do not include all information or footnotes required by GAAP for complete annual financial statements. As a result, this Quarterly Report should be read in conjunction with the Consolidated Financial Statements and accompanying Notes in our Annual Report on Form 10-K for the fiscal year ended December 31, 2023 (the "2023 Form 10-K").

We have eliminated all intercompany accounts and transactions in our condensed consolidated financial statements. We consolidate entities under our control, including entities where we are deemed to be the primary beneficiary.

Management believes the accompanying condensed consolidated financial statements reflect all adjustments, which are all of a normal recurring nature, considered necessary for a fair presentation of the interim periods.

Segment Realignment—During the three six months ended March 31, 2024 June 30, 2024, we realigned our reportable segments to align with our business strategy, the organizational changes for certain members of our leadership team, and the manner in which our chief operating decision maker ("CODM") assesses performance and makes decisions regarding the allocation of resources. The segment realignment had no impact on our condensed consolidated financial position or results of operations. Prior period Prior-period segment results have been recast to reflect our new reportable segments. See Note 16 for a summary of our revised reportable segments and summarized consolidated financial information by segment.

In conjunction with the segment realignment, certain financial statement line item descriptions were revised within our condensed consolidated statements of income. Summary of Significant Accounting Policies

Our significant accounting policies are detailed in Part IV, Item 15, "Exhibits and Financial Statement Schedule—Note 2 to our Consolidated Financial Statements" within the our 2023 Form 10-K. During the three six months ended March 31, 2024 June 30, 2024, we completed a restructuring of the entity that owns the Unlimited Vacation Club paid membership program business and sold 80% of the entity to an unrelated third party for \$80 million. As a result of the transaction, we deconsolidated the entity as we no longer have a controlling financial interest and accounted for our remaining 20% ownership interest as an equity method investment in an unconsolidated hospitality venture (the "UVC Transaction"). For additional information about the UVC Transaction, see Note 4. Our accounting policies have been updated as follows:

Variable Interest Entities—We determine at the inception of each arrangement whether an entity in which we have made an investment or in which we have other variable interests is considered a variable interest entity ("VIE"). We consolidate VIEs when we are the primary beneficiary. We are the primary beneficiary of a VIE when we have the power to direct activities that most significantly affect the economic performance of the VIE and have the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. If we are not the primary beneficiary of a VIE, we account for the investment or other variable interests in a VIE in accordance with the applicable GAAP. On a quarterly basis, we determine whether any changes in the interest or relationship with the entity impact the determination of whether we are still the primary beneficiary.

Adopted Accounting Standards

Reference Rate Reform—In March 2020, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update No. 2020-04 ("ASU 2020-04"), *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting*. ASU 2020-04 provides optional expedients and exceptions that we can elect to adopt, subject to meeting certain criteria, regarding contract modifications, hedging relationships, and other transactions that reference the London Interbank Offered Rate ("LIBOR") or another reference rate expected to be discontinued because of reference rate reform. In December 2022, the FASB issued Accounting Standards Update No. 2022-06 ("ASU 2022-06"), *Reference Rate Reform (Topic 848): Deferral of the Sunset Date of Topic 848*. ASU 2022-06 was effective upon issuance and defers the sunset date of Topic 848 by two years, extending the provisions of ASU 2020-04 through December 31, 2024. During the year ended December 31, 2023, we adopted the provisions of ASU 2020-04. We amended certain LIBOR-based contracts during both the three six months ended March 31, 2024 June 30, 2024 and the year ended December 31, 2023, and we are in the process of converting other LIBOR-based contracts to alternative reference rates. ASU 2020-04 did not materially impact our condensed consolidated financial statements upon adoption and is not expected to have a material future impact as we apply optional expedients or exceptions, adoption.

Future Adoption of Accounting Standards

Disclosure Improvements—In October 2023, the FASB issued Accounting Standards Update No. 2023-06 ("ASU 2023-06"), *Disclosure Improvements: Codification Amendments in Response to the SEC's Disclosure Update and Simplification Initiative*. ASU 2023-06 modifies the disclosure and presentation requirements for certain FASB Accounting Standards Codification topics to align with the regulations of the Securities and Exchange Commission ("SEC"). The effective date for each amendment will be the date on which the SEC's removal of that related disclosure from its regulations becomes effective, if the SEC removes the disclosure by June 30, 2027. The provisions of ASU 2023-06 are to be applied prospectively, with early adoption prohibited. We do not expect the adoption of ASU 2023-06 to have a material impact on our condensed consolidated financial statements and accompanying Notes.

Segment Reporting—In November 2023, the FASB issued Accounting Standards Update No. 2023-07 ("ASU 2023-07"), *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*. ASU 2023-07 improves reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses and information used to evaluate segment performance. The provisions of ASU 2023-07 are effective for fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024, with early adoption permitted, and require retrospective adoption for all prior periods presented. We are currently assessing the impact of adopting ASU 2023-07.

Income Taxes—In December 2023, the FASB issued Accounting Standards Update No. 2023-09 ("ASU 2023-09"), *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*. ASU 2023-09 requires enhanced annual income tax disclosures, including (1) disaggregation of effective tax rate reconciliation categories, (2) additional information for reconciling items that meet a quantitative threshold, and (3) income taxes paid by jurisdiction. The provisions of ASU 2023-09 are effective for fiscal years beginning after December 15, 2024, with early adoption permitted, and may be applied either prospectively or retrospectively for all prior periods presented. We are currently assessing the impact of adopting ASU 2023-09.

Disaggregated Revenues

See Note 16 for our revenues disaggregated by the nature of the product or service.

Contract Balances

Contract assets, included in receivables, net on our condensed consolidated balance sheets, were \$2 million and insignificant at March 31, 2024 June 30, 2024 and December 31, 2023, respectively. As our profitability hurdles are generally calculated on a full-year basis, we expect our contract assets to be insignificant at year end.

Total contract liabilities

(1) The change from December 31, 2023 is due to balances written off to gains on sale of real estate and other on our condensed consolidated statements of income during the three months ended March 31, 2024 as a result of the UVC Transaction (see Note 4).

(1) The change from December 31, 2023 is due to balances written off to gains (losses) on sales of real estate and other on our condensed consolidated statements of income during the six months ended June 30, 2024 as a result of the UVC Transaction (see Note 4).

Revenue recognized during the three months ended March 31, 2024 June 30, 2024 and March 31, 2023 June 30, 2023 included in the contract liabilities balance at the beginning of each year was \$623 million \$227 million and \$654 million \$220 million, respectively. Revenue recognized during the six months ended June 30, 2024 and June 30, 2023 included in the contract liabilities balance at the beginning of each year was \$850 million and \$874 million, respectively. This revenue primarily relates to distribution and destination management services and the loyalty program.

Revenue Allocated to Remaining Performance Obligations

Revenue allocated to remaining performance obligations represents contracted revenue that has not yet been recognized, which includes deferred revenue and amounts that will be invoiced and recognized as revenue in future periods. Contracted revenue expected to be recognized in future periods was approximately \$120 million at March 31, 2024 June 30, 2024, approximately 15% of which we expect to recognize over the next 12 months, with the remainder to be recognized thereafter.

4. DEBT AND EQUITY SECURITIES

We invest in debt and equity securities that we believe are strategically and operationally important to our business. These investments take the form of (i) equity method investments where we have the ability to significantly influence the operations of the entity, (ii) marketable securities held to fund operating programs and for investment purposes, and (iii) other types of investments.

Equity Method Investments

Equity method investments were \$277 million \$279 million and \$211 million at March 31, 2024 June 30, 2024 and December 31, 2023, respectively.

During both the three and six months ended June 30, 2024, we recognized \$10 million of impairment charges, primarily related to one of our unconsolidated hospitality ventures in equity earnings (losses) from unconsolidated hospitality ventures on our condensed consolidated statements of income as the estimated fair value was less than the carrying value, and the impairment was deemed other than temporary. The assumptions and judgments used in determining the fair value are classified as Level Three in the fair value hierarchy. During both the three and six months ended June 30, 2023, we did not recognize any impairment charges on our equity method investments.

Unconsolidated hospitality venture in India—During the year ended December 31, 2023, one of our unconsolidated hospitality ventures in India publicly filed a draft red herring prospectus with the Securities and Exchange Board of India in conjunction with a proposed initial public offering (“IPO”) of equity shares, subject to market conditions and regulatory approvals. On February 28, 2024, our unconsolidated hospitality venture completed its IPO on the BSE Limited and National Stock Exchange of India Limited stock exchanges and issued 50,000,000 equity shares. Both prior and subsequent to the IPO, we hold 86,251,192 equity shares in the entity. At March 31, 2024 June 30, 2024, the aggregate value of our equity shares was \$438 million based on the price per share of the principal market for the equity shares was ₹517.55 (approximately \$6.21 using exchange rates as of March 31, 2024). market.

As a result of the IPO, our ownership interest in the unconsolidated hospitality venture was diluted from 50.0% to 38.8%. As we maintain the ability to significantly influence the operations of the entity, we recorded an increase to our equity method investment and recognized a \$79 million non-cash pre-tax dilution gain in equity earnings (losses) from unconsolidated hospitality ventures on our condensed consolidated statements of income during the three six months ended March 31, 2024 June 30, 2024.

UVC Transaction—During the three six months ended March 31, 2024 June 30, 2024, we completed the UVC Transaction and accounted for the sale of our controlling financial interest in the entity as a business disposition. We received \$41 million of proceeds, net of \$39 million of cash disposed; recorded a \$20 million equity method investment representing the fair value of our retained investment in the entity; and recorded \$86 million of guarantee liabilities as described below. The transaction resulted in a \$231 million pre-tax gain, which was recognized in gains (losses) on sales

[Table of Contents](#)

of real estate and other on our condensed consolidated statements of income during the three six months ended March 31, 2024 June 30, 2024. We will continue to manage the Unlimited Vacation Club business under a long-term management agreement and license and royalty agreement. The operating results of the Unlimited Vacation Club business prior to the UVC Transaction are reported within our distribution segment.

The fair value of our retained investment in the entity was determined using a Black-Scholes-Merton option-pricing model of our common shares in the entity. The valuation methodology includes assumptions and judgments regarding volatility and discount rates, which are primarily Level Three assumptions.

In conjunction with the transaction, we agreed to guarantee up to \$70 million of our hospitality venture partner's investment upon the occurrence of certain events, and we recorded a \$25 million guarantee liability at fair value in other long-term liabilities on our condensed consolidated balance sheet (see Note 10), sheet. The fair value was estimated using the with and without method, which includes projected cash flows based on contract terms. The valuation methodology includes assumptions and judgments regarding discount rates and length of time, which are primarily Level Three assumptions.

Additionally, we agreed to indemnify the unconsolidated hospitality venture, the primary obligor to the foreign taxing authorities, for obligations the entity may incur as a result of uncertain tax positions. Following the transaction, we accounted for the indemnification as a guarantee. We derecognized the long-term income taxes payable related to the uncertain tax positions and recorded a \$61 million guarantee liability at fair value in other long-term liabilities on our condensed consolidated balance sheet at March 31, 2024 (see Note 10), sheet. The fair value of the indemnification was estimated using a probability-based weighting approach to determine the likelihood of payment of the tax liability, penalties, and interest related to the 2013 through 2018 tax years. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, and expected timing of cash flows, which are primarily Level Three assumptions. At March 31, 2024 June 30, 2024, the indemnification for open tax years had a maximum exposure of \$100 \$78 million.

The entity that owns the Unlimited Vacation Club business is classified as a VIE in which we hold a variable interest but are not the primary beneficiary, and we account for our common ownership interest as an equity method investment. At March 31, 2024 June 30, 2024, we had \$19 \$8 million and \$82 million \$77 million recorded in equity method investments and other long-term liabilities (see Note 10), respectively, on our condensed consolidated balance sheet related to this unconsolidated VIE. At March 31, 2024 June 30, 2024, our maximum exposure to loss was \$189 million \$156 million, which includes the carrying amount of our equity method investment and the maximum exposure under the aforementioned guarantee and indemnification (see Note 12).

We estimated the fair value of these HTM debt securities to be approximately **\$42 \$43** million and \$41 million at **March 31, 2024 June 30, 2024** and December 31, 2023, respectively. The fair values of our investments in preferred shares, which are classified as Level Three in the fair value hierarchy, are estimated using internally-developed discounted cash flow models based on current market inputs for similar types of arrangements. The primary sensitivity in these models is the selection of appropriate discount rates. Fluctuations in these assumptions could result in different estimates of fair value. The remaining HTM debt securities are classified as Level Two in the fair value hierarchy due to the use and weighting of multiple market inputs being considered in the final price of the security.

Convertible Debt Security—During the **three six** months ended **March 31, 2023 June 30, 2023**, we invested in a \$30 million convertible debt security associated with a franchised property, which is classified as AFS and recorded in other assets on our condensed consolidated balance sheets. The investment has a contractual maturity date in 2029. The

convertible debt investment is remeasured at fair value on a recurring basis and is classified as Level Three in the fair value hierarchy. We estimated the fair value of this investment to be **\$40 million and \$39** million at **both March 31, 2024 June 30, 2024** and December 31, 2023, **respectively**. The fair value is estimated using a discounted future cash flow model, and the primary sensitivity in the model is the selection of an appropriate discount rate. Fluctuations in our assumptions could result in different estimates of fair value. **During the three months ended March 31, 2024 and March 31, 2023, we recognized an insignificant amount and no amount of Net unrealized gains or losses, respectively, recognized on our investment, condensed consolidated financial statements were as follows:**

6. ACQUISITIONS AND DISPOSITIONS

Acquisitions

me and all hotels—During the three months ended June 30, 2024, we acquired the me and all hotels brand name from an unrelated third party for approximately \$28 million, inclusive of closing costs. Upon completion of the asset acquisition, we recorded an indefinite-lived brand intangible within intangibles, net on our condensed consolidated balance sheet (see Note 7).

Mr & Mrs Smith—During the year three months ended December 31, 2023 June 30, 2023, we acquired 100% of the outstanding shares of Smith Global Limited, doing business as Mr & Mrs Smith, in a business combination through a locked box structure. The enterprise value of £53 million was subject to customary adjustments related to indebtedness and net working capital as of the locked box date, as well as a value accrual representing the economic value from the locked box date through the acquisition date.

We closed on the transaction on June 2, 2023 and paid cash of £58 million (approximately \$72 million using exchange rates as of the acquisition date).

Net assets acquired were determined as follows:

Cash paid, net of cash acquired	\$	50
Cash acquired		22
Net assets acquired	\$	72

The acquisition includes technology related to a boutique and luxury global travel platform, brand name, and relationships with affiliated hotel owners. Following the acquisition date, fee revenues and operating expenses of Mr & Mrs Smith were recognized on our condensed consolidated statements of income and were insignificant for the period from the acquisition date through June 30, 2023.

Our condensed consolidated balance sheets at both March 31, 2024 June 30, 2024 and December 31, 2023 reflect preliminary estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired are were estimated using discounted future cash flow models, the relief from royalty method, or a cost-based approach. Depending on the valuation method, these estimates include revenue projections based on long-term growth rates, expected attrition, historical cost

information, and/or an obsolescence factor, all of which are primarily Level Three assumptions. The remaining assets and liabilities were recorded at their carrying values, which approximate their fair values.

We will continue to evaluate During the contracts acquired and three months ended June 30, 2024, the underlying inputs and assumptions used in our valuation fair values of certain assets acquired and liabilities assumed. Accordingly, these estimates, along with any related tax impacts, are subject to change during the assumed were finalized, which resulted in insignificant measurement period which is up to one year from the date of acquisition. adjustments.

The following table summarizes the preliminary fair value of the identifiable net assets acquired at the acquisition date:

Cash and cash equivalents	\$	22

- (1) The goodwill, which is recorded on the distribution segment, is attributable to growth opportunities we expect to realize through direct booking access to properties within the Mr & Mrs Smith platform through our distribution channels. Goodwill is not tax deductible.
(2) Relates to the Mr & Mrs Smith brand name.
(3) Amortized over a useful life of 12 years.
(4) Amortized over a useful life of 10 years.

During both the three and six months ended June 30, 2023, we recognized \$4 million of transaction costs, primarily related to financial advisory and legal fees, in transaction and integration costs on our condensed consolidated statements of income.

Dream Hotel Group—During the **three six** months ended **March 31, 2023 June 30, 2023**, a Hyatt affiliate acquired 100% of the limited liability company interests of each of Chatwal Hotels & Resorts, LLC, DHG Manager, LLC, and each of the subsidiaries of DHG Manager, LLC (collectively, Dream Hotel Group) for \$125 million of base consideration, subject to customary adjustments related to working capital and indebtedness, and up to an additional \$175 million of contingent consideration to be paid through 2028 upon the achievement of certain milestones related to the development of additional hotels and/or potential new hotels previously identified by the sellers.

We closed on the transaction on February 2, 2023 and paid \$125 million of cash. Upon acquisition, we recorded a \$107 million contingent consideration liability at fair value in other long-term liabilities on our condensed consolidated balance sheet. The fair value was estimated using a Monte Carlo simulation to model the likelihood of achieving the agreed-upon milestones based on available information as of the acquisition date. The valuation methodology includes assumptions and judgments regarding the discount rate, estimated probability of achieving the milestones, and expected timing of payments, which are primarily Level Three assumptions.

Net assets acquired were determined as follows:

Cash paid	\$	125
Fair value of contingent consideration		107
Net assets acquired	\$	232

The acquisition includes management and license agreements for both operating and additional hotels that are expected to open in the future, primarily across North America, and the affiliated trade names for three lifestyle hotel brands. Following the acquisition date, fee revenues and operating expenses of Dream Hotel Group were

recognized on our condensed consolidated statements of income and were insignificant for the **three months ended June 30, 2023 and for the** period from the acquisition date through **March 31, 2023 June 30, 2023**.

Our condensed consolidated balance sheets at both **March 31, 2024 June 30, 2024** and December 31, 2023 reflect estimates of the fair value of the assets acquired and liabilities assumed based on available information as of the acquisition date. The fair values of intangible assets acquired were estimated using either discounted future cash flow models or the relief from royalty method, both of which include revenue projections based on the expected contract terms and long-term growth rates, which are primarily Level Three assumptions. The remaining assets and liabilities were recorded at their carrying values, which approximate their fair values.

During the year ended December 31, 2023, the fair values of certain assets acquired and liabilities assumed were finalized. The measurement period adjustments primarily resulted from the refinement of certain assumptions, including contract terms and useful lives, which affected the underlying cash flows in the valuation and were based on facts and circumstances that existed at the acquisition date. Measurement period adjustments recorded on our condensed consolidated balance sheet at December 31, 2023 include a \$21 million decrease in intangibles, net with a corresponding increase to goodwill.

The following table summarizes the fair value of the identifiable net assets acquired at the acquisition date:

Receivables	\$	1
Goodwill (1)		62
Indefinite-lived intangibles (2)		20
Management agreement intangibles (3)		143
Other intangibles (2)		7
Total assets acquired	\$	233
Long-term contract liabilities	\$	1
Total liabilities assumed	\$	1
Total net assets acquired attributable to Hyatt Hotels Corporation	\$	232

- (1) The goodwill, which is tax deductible and recorded on the management and franchising segment, is attributable to the growth opportunities we expect to realize by expanding our lifestyle offerings and providing global travelers with an increased number of elevated hospitality experiences.
- (2) Includes intangible assets related to the Dream Hotels, The Chatwal, and Unscripted Hotels brand names. Certain brand names are amortized over useful lives of 20 years.
- (3) Amortized over useful lives of approximately 9 to 22 years, with a weighted-average useful life of approximately 17 years.

During the three **and six** months ended **March 31, 2023 June 30, 2023**, we recognized an **insignificant amount and \$7 million, respectively**, of transaction costs, primarily related to regulatory, financial advisory, and legal fees, in **other income (loss)** transaction and integration costs on our condensed consolidated statements of income.

We received \$173 million of proceeds, net of cash disposed, closing costs, and proration adjustments, and issued a \$41 million unsecured financing receivable with **a an initial maturity date greater than one year of five years** (see Note 5). Upon sale, we entered into a long-term management agreement for the property. The sale resulted in a \$172 million pre-tax gain, which was recognized in gains (losses) on sales of real estate and other on our condensed consolidated statements of income during the **three six** months ended **March 31, 2024 June 30, 2024**. At **March 31, 2024** **June 30, 2024** and December 31, 2023, we had **\$3,055** **\$3,885** million and \$3,056 million, respectively, of total debt, which included **\$1,201 million** and \$751 million, **in both periods, respectively**, recorded in current maturities of long-term debt on our condensed consolidated balance sheets.

Senior Notes Repurchases—During the three months ended **March 31, 2023** **June 30, 2024**, we issued \$450 million of 5.250% senior notes due 2029 (the "2029 Notes") at an issue price of 99.496% and \$350 million of 5.500% senior notes due 2034 (the "2034 Notes") at an issue price of 98.860%. We received approximately \$786 million of net proceeds from the sale, after deducting \$14 million of underwriting discounts and other offering expenses. We temporarily invested the net proceeds from the issuance in marketable securities (see Note 4), and we intend to use the net proceeds to repay the outstanding balance on our \$750 million of 1.800% senior notes due 2024 (the "2024 Notes") at or prior to maturity and for general corporate purposes. Interest is payable semi-annually on June 30 and December 30 of each year.

During the six months ended June 30, 2023, we repurchased **\$13** **\$18** million of our senior notes due 2023 in the open market.

Term Loan—During the three months ended June 30, 2024, we entered into a credit agreement with Bank of America to correspond with the total amount of the secured financing receivable we issued to the buyer in conjunction with the sale of Park Hyatt Zurich (see Note 6) for a CHF 41 million (approximately \$45 million outstanding at June 30, 2024) variable rate term loan, which matures in 2029.

Revolving Credit Facility—During the **three** **six** months ended **March 31, 2024** **June 30, 2024** and **March 31, 2023** **June 30, 2023**, we had no borrowings or repayments on our revolving credit facility in effect for each of the respective periods. At both **March 31, 2024** **June 30, 2024** and December 31, 2023, we had no balance outstanding. At **March 31, 2024** **June 30, 2024**, we had \$1,496 million of borrowing capacity available under our revolving credit facility, net of letters of credit outstanding.

Fair Value—We estimated the fair value of debt, which consists of the notes below (collectively, the "Senior Notes") and other long-term debt, excluding finance leases.

- \$750 million of 1.800% senior notes due 2024
- \$450 million of 5.375% senior notes due 2025
- \$400 million of 4.850% senior notes due 2026
- \$600 million of 5.750% senior notes due 2027
- \$400 million of 4.375% senior notes due 2028

- \$450 million of 5.250% senior notes due 2029
- \$450 million of 5.750% senior notes due 2030
- \$350 million of 5.500% senior notes due 2034

Our Senior Notes are classified as Level Two due to the use and weighting of multiple market inputs in the final price of the security. We estimated the fair value of other debt instruments using a discounted cash flow analysis based on current market inputs for similar types of arrangements. We classified our other debt instruments and revolving credit facility, if applicable, as Level Three based on the lack of available market data. The primary sensitivity in these models is based on the selection of appropriate discount rates. Fluctuations in our assumptions will result in different estimates of fair value.

	Three Months Ended June 30,		Six Months Ended June 30,	
	2024	2023	2024	2023
Provision for income taxes	\$ 103	\$ 27	\$ 122	\$ 74

The provision for income taxes for the three months ended March 31, 2024 and March 31, 2023 was \$19 million and \$47 million, respectively. The decrease increase in the provision for income taxes for during the three months ended March 31, 2024 June 30, 2024, compared to the three months ended March 31, 2023 June 30, 2023, was primarily due driven by the sales of Park Hyatt Zurich and Hyatt Regency San Antonio Riverwalk as well as a tax liability and an uncertain tax position recorded in 2024 related to a prior foreign tax filing position. The increase in the provision for income taxes during the six months ended June 30, 2024, compared to the six months ended June 30, 2023, was driven by the aforementioned sales as well as the earnings impact from both the sale of Hyatt Regency Aruba Resort Spa and Casino and the UVC Transaction, offset by a non-cash tax benefit as a result of the release of a valuation allowance on certain foreign deferred tax assets. This decrease was partially offset by the earnings impact from both the sale of Hyatt Regency Aruba Resort Spa and Casino and the UVC Transaction recognized during the three months ended March 31, 2024, assets in 2024.

We are subject to audits by federal, state, and foreign tax authorities. U.S. tax years 2018 through 2020 are currently under field exam. U.S. tax years 2009 through 2011 have been subject to a U.S. Tax Court case concerning the tax treatment of the loyalty program in which the Internal Revenue Service is asserting that loyalty program contributions are taxable income to the Company. U.S. tax years 2012 through 2017 are pending the outcome of the issue currently in U.S. Tax Court.

The Tax Court issued an opinion on October 2, 2023 related to the aforementioned case and determined that the Company must recognize approximately \$12 million in net taxable income for the tax years 2009 through 2011, but that the Company need not recognize approximately \$228 million in net taxable income that preceded 2009. The Company

is evaluating the Tax Court's decision and potential appeal options. In order to appeal the Tax Court's ruling, the Company would be required to pay the tax liability and interest related to the 2009 through 2011 tax years as determined by the Tax Court, which is estimated to be \$2 million. If the Company were to appeal and the Tax Court's opinion is upheld on appeal, the estimated income tax payment due for the subsequent years 2012 through 2024 is \$236 \$254 million, including \$35 \$38 million of estimated interest, net of federal benefit. We believe we have an adequate uncertain tax liability recorded in accordance with Accounting Standards Codification 740, *Income Taxes*, for this matter and believe that the ultimate outcome of this matter will not have a material effect on our consolidated financial position, results of operations, or liquidity.

At March 31, 2024 June 30, 2024 and December 31, 2023, total unrecognized tax benefits recorded in other long-term liabilities on our condensed consolidated balance sheets were \$289 \$312 million and \$301 million, respectively, of which \$92 \$106 million and \$120 million, respectively, would impact the effective tax rate, if recognized. While it is reasonably possible that the amount of uncertain tax benefits associated with the U.S. treatment of the loyalty program could significantly change within the next 12 months, at this time, we are not able to estimate the range by which the reasonably possible outcomes of the pending litigation could impact our uncertain benefits within the next 12 months.

Through a prior acquisition, we assumed an assessment of additional corporate income tax primarily related to disallowed deductions taken on historical tax returns from the Mexican tax authorities that was in process of being appealed. During the three months ended March 31, 2024 June 30, 2024, we appealed the assessment our request for appeal to a higher court. court for this matter was denied, and the assessment was finalized. At June 30, 2024, we had a \$20 million tax liability recorded in other long-term liabilities on our condensed consolidated balance sheet in connection with this matter. Our filing position for the additional tax years and matters assessed is more likely than not to be sustained, and therefore, sustained. As the tax benefit that is more than 50% likely of being realized upon settlement is zero, we do not have an recorded a \$14 million uncertain tax liability recorded for this matter. At March 31, 2024, the unrecognized tax liability is approximately \$37 million. in other long-term liabilities on our condensed consolidated balance sheet at June 30, 2024.

Further, the Mexican tax authorities disallowed credits taken on historical tax returns resulting in additional and applied value added tax. taxes to certain transactions. In accordance with Accounting Accounting Standards Codification 450, *Contingencies*, we have not recorded a liability in connection associated with this matter the additional value added tax as we do not believe a loss is probable. At March 31, 2024 June 30, 2024, our maximum exposure is not expected to exceed \$14 \$13 million.

12. COMMITMENTS AND CONTINGENCIES

In the ordinary course of business, we enter into various commitments, guarantees, surety and other bonds, and letter of credit agreements.

Commitments—At March 31, 2024 June 30, 2024, we are committed, under certain conditions, to lend, provide certain consideration to, or invest in various business ventures up to \$462 \$546 million, net of any related letters of credit.

Performance Guarantees—Certain of our contractual agreements with third-party owners require us to guarantee payments to the owners if specified levels of operating profit are not achieved by their hotels. Except as described below, at March 31, 2024 June 30, 2024, our performance guarantees had \$98 \$101 million of remaining maximum exposure and expire between 2024 and 2042.

Through acquisitions, we acquired certain management and hotel services agreements with performance guarantees based on annual performance levels and with expiration dates between 2027 and 2045. Contract terms within certain management and hotel services agreements limit our exposure, and therefore, we are unable to reasonably estimate our maximum potential future payments.

At March 31, 2024 June 30, 2024 and December 31, 2023, we had \$93 million \$89 million and \$99 million, respectively, of total performance guarantee liabilities, which included \$85 million and \$91 million, respectively, recorded in other long-term liabilities. At both March 31, 2024 liabilities and December 31, 2023, we had \$8 million \$4 million and \$8 million, respectively, recorded in accrued expenses and other current liabilities on our condensed consolidated balance sheets.

Additionally, we enter into certain management and hotel services agreements where we have the right, but not an obligation, to make payments to certain hotel owners if their hotels do not achieve specified levels of operating profit. If we choose not to fund the shortfall, the hotel owner has the option to terminate the contract. At March 31, 2024 June 30, 2024 and December 31, 2023, we had no amount \$3 million and an insignificant amount, respectively, recorded in accrued expenses and other current liabilities on our condensed consolidated balance sheets related to these performance cure payments.

Debt Repayment Guarantees—We enter into various debt repayment guarantees in order to assist third-party owners, franchisees, and unconsolidated hospitality ventures in obtaining third-party financing or to obtain more favorable borrowing terms.

(1) Our maximum exposure is generally based on a specified percentage of the total principal due upon borrower default.

(2) Certain underlying debt agreements have extension periods which are not reflected in the year of guarantee expiration.

(3) We have agreements with our unconsolidated hospitality venture partners or the respective third-party owners or franchisees to recover certain amounts funded under the debt repayment guarantee; the recoverability mechanism may be in the form of cash or HTM debt security.

(4) Certain agreements give us the ability to assume control of the property if defined funding thresholds are met or if certain events occur.

(5) Under a certain debt repayment guarantee associated with hotel properties in India, we have the contractual right to recover amounts funded from an unconsolidated hospitality venture, which is a related party, and therefore, we expect our maximum exposure for this guarantee to be approximately \$25 million, taking into account our partner's 50% reimbursement commitment.

At **March 31, 2024** **June 30, 2024**, we are not aware, nor have we received any notification, that our third-party owners, franchisees, or unconsolidated hospitality ventures are not current on their debt service obligations where we have provided a debt repayment guarantee.

Other Guarantees—We may be obligated to fund up to **\$170 million** **\$148 million** related to certain guarantees as a result of the UVC Transaction (see Note 4). At **March 31, 2024** **June 30, 2024**, we had **\$82 million** **\$77 million** of guarantee liabilities recorded in other long-term liabilities on our condensed consolidated balance sheet associated with these guarantees.

Guarantee Liabilities Fair Value—We estimated the fair value of our guarantees to be **\$228** **\$236** million and \$148 million at **March 31, 2024** **June 30, 2024** and December 31, 2023, respectively. Based on the lack of available market data, we have classified our guarantees as Level Three in the fair value hierarchy.

Contingent Consideration Fair Value—We may pay up to an additional \$175 million of contingent consideration through 2028 as a result of our acquisition of Dream Hotel Group (see Note 6). At **March 31, 2024** **June 30, 2024**, we had \$174 million of potential future consideration remaining. The contingent consideration liability, which is remeasured at fair value on a recurring basis and is classified as Level Three in the fair value hierarchy, is recorded in other long-term liabilities on our condensed consolidated balance sheets. The following table summarizes the change in fair value recognized in other income (loss), net on our condensed consolidated statements of income:

Insurance—We obtain insurance for potential losses from general liability, property, automobile, aviation, environmental, workers' compensation, employment practices, crime, cyber, and other miscellaneous risks. A portion of these risks is retained through a U.S.-based and licensed captive insurance company that is a wholly owned subsidiary of Hyatt and generally insures our deductibles and retentions. Reserve requirements are established based on actuarial projections of ultimate losses. Reserves for losses in our captive insurance company to be paid within 12 months are \$44 million and \$41 million at both March 31, 2024 June 30, 2024 and December 31, 2023, respectively.

and are recorded in accrued expenses and other current liabilities on our condensed consolidated balance sheets. Reserves for losses in our captive insurance company to be paid in future periods are \$74 million \$78 million and \$73 million at March 31, 2024 June 30, 2024 and December 31, 2023, respectively, and are recorded in other long-term liabilities on our condensed consolidated balance sheets (see Note 10).

Collective Bargaining Agreements—At March 31, 2024 June 30, 2024, approximately 21% of our U.S.-based employees were covered by various collective bargaining agreements, generally providing for basic pay rates, working hours, other conditions of employment, and orderly settlement of labor disputes. Certain employees are covered by union-sponsored, multi-employer pension and health plans pursuant to agreements between various unions and us. Generally, labor relations have been maintained in a normal and satisfactory manner, and we believe our employee relations are good.

Surety and Other Bonds—Surety and other bonds issued on our behalf were \$246 million at March 31, 2024 June 30, 2024 and primarily relate to our insurance programs, litigation, taxes, licenses, liens, and utilities for our lodging operations.

Letters of Credit—Letters of credit outstanding on our behalf at March 31, 2024 June 30, 2024 were \$157 million \$105 million, which primarily relate to our ongoing operations, collateral for customer deposits associated with ALG Vacations, collateral for estimated insurance claims, and securitization of our performance under certain debt repayment guarantees, which are only called on if the borrower defaults on its obligations or we default on our guarantees. obligations. Of the letters of credit outstanding, \$4 million reduces the available capacity under our revolving credit facility (see Note 9).

Capital Expenditures—As part of our ongoing business operations, expenditures are required to complete renovation projects that have been approved.

Other—We act as general partner of various partnerships owning hotel properties that are subject to mortgage indebtedness. These mortgage agreements generally limit the lender's recourse to security interests in assets financed and/or other assets of the partnership(s) and/or the general partner(s) thereof.

In conjunction with financing obtained for our unconsolidated hospitality ventures and certain managed or franchised hotels, we may provide standard indemnifications to the lender for loss, liability, or damage occurring as a result of our actions or actions of the other unconsolidated hospitality venture partners or the respective third-party owners or franchisees.

As a result of certain dispositions, we have agreed to provide customary indemnifications to third-party purchasers for certain liabilities incurred prior to sale and for breach of certain representations and warranties made during the sales process, such as representations of valid title, authority, and environmental issues that may not be

[Table of Contents](#)

limited by a contractual monetary amount. These indemnification agreements survive until the applicable statutes of limitation expire or until the agreed-upon contract terms expire.

We are subject, from time to time, to various claims and contingencies related to lawsuits, taxes (see Note 11), and environmental matters, as well as commitments under contractual obligations. Many of these claims are covered under our current insurance programs, subject to deductibles. Although the ultimate liability for these matters cannot be determined at this point, based on information currently available, we do not expect the ultimate resolution of such claims and litigation to have a material effect on our condensed consolidated financial statements.

During the year ended December 31, 2018, we received a notice from the Indian tax authorities assessing additional service tax on our operations in India. We appealed this decision and do not believe a loss is probable, and therefore, we have not recorded a liability in connection with this matter. At March 31, 2024 June 30, 2024, our maximum exposure is not expected to exceed \$19 million.

Share Repurchases—On December 18, 2019, May 10, 2023, and May 10, 2023 May 8, 2024, our board of directors authorized repurchases of up to \$750 \$750 million, \$1,055 million, and \$1,055 \$1,000 million, respectively, of our common stock. These repurchases may be made from time to time in the open market, in privately negotiated transactions, or otherwise, including pursuant to a Rule 10b5-1 plan or an accelerated share repurchase transaction, at prices we deem appropriate and subject to market conditions, applicable law, and other factors deemed relevant in our sole discretion. The common stock repurchase program applies to our Class A and Class B common stock. The common stock repurchase program does not obligate us to repurchase any dollar amount or number of shares of common stock, and the program may

be suspended or discontinued at any time. At March 31, 2024 June 30, 2024, we had \$773 million \$1,639 million remaining under the total share repurchase authorization.

During the three six months ended March 31, 2024 June 30, 2024, we repurchased 2,515,656 3,422,531 shares of Class A and Class B common stock. The shares of common stock were repurchased at a weighted-average price of \$154.09 \$152.51 per share for an aggregate purchase price of \$388 million \$522 million, excluding insignificant related expenses. The shares of Class A common stock repurchased in the open market were retired and returned to the status of authorized and unissued shares, while the shares of Class B common stock repurchased were retired and the total number of authorized Class B shares was reduced by the number of shares retired (see Note 15).

During the three six months ended March 31, 2023 June 30, 2023, we repurchased 1,018,931 1,987,560 shares of Class A common stock. The shares of common stock were repurchased at a weighted-average price of \$104.50 \$107.94 per share for an aggregate purchase price of \$106 million \$214 million, excluding insignificant related expenses. The shares repurchased included the repurchase of 106,116 shares for \$9 million, which was initiated prior to December 31, 2022, but settled during the three six months ended March 31, 2023 June 30, 2023.

In addition to the aforementioned share repurchases, we initiated the repurchase of 73,368 shares for \$8 million prior to March 31, 2023, but did not settle the repurchases until April 2023.

14. STOCK-BASED COMPENSATION

As part of our Long-Term Incentive Plan, we award time-vested stock appreciation rights ("SARs"), time-vested restricted stock units ("RSUs"), and performance-vested restricted stock units ("PSUs") to certain employees and non-employee directors. In addition, non-employee directors may elect to receive their annual fees and/or annual equity retainers in the form of shares of our Class A common stock. Compensation expense and unearned compensation presented below exclude (i) amounts related to employees of our managed hotels and other employees whose payroll is reimbursed, as these expenses have been, and will continue to be, reimbursed by our third-party owners and are recognized in revenues for reimbursed costs and reimbursed costs on our condensed consolidated statements of income and (ii) insignificant amounts related to employees of our owned and leased hotels recognized in owned and leased expenses on our condensed consolidated statements of income. Stock-based compensation expense recognized in general and administrative expenses, distribution expenses, and transaction and integration costs on our condensed consolidated statements of income related to these awards was as follows:

Equity Method Investments—We have equity method investments in entities that own, operate, manage, or franchise properties or other hospitality-related businesses, including the Unlimited Vacation Club paid membership program, for which we receive management, franchise, license, or royalty fees. We recognized ~~\$15 million~~ \$24 million and \$6 million of fee revenues during the three months ended ~~March 31, 2024~~ June 30, 2024 and ~~March 31, 2023~~ June 30, 2023, respectively. ~~During the six months ended June 30, 2024 and June 30, 2023, we recognized \$39 million and \$12 million, respectively, of fee revenues.~~ In addition, in some cases we provide loans (see Note 5) or guarantees (see Note 4 and Note 12) to these entities. During the three months ended ~~March 31, 2024~~ June 30, 2024 and ~~March 31, 2023~~ June 30, 2023, we recognized an insignificant amount and ~~\$1 million, respectively, of income related to these guarantees.~~ During the six months ended June 30, 2024 and June 30, 2023, we recognized \$1 million and ~~\$2 million~~ \$3 million, respectively, of income related to these guarantees. At ~~March 31, 2024~~ June 30, 2024 and December 31, 2023, we had ~~\$74 million~~ \$77 million and \$43 million, respectively, of net receivables due from these entities, inclusive of ~~\$44 million~~ \$37 million and \$21 million, respectively, classified as financing receivables on our condensed consolidated balance sheets. Our ownership interest in these unconsolidated hospitality ventures varies from 20% to 50%.

In addition to the aforementioned fees, we provide services related to sales and revenue management, marketing, global property and guest services (including reservation and customer support), digital and technology, and digital media (collectively, "system-wide services") on behalf of owners of managed and franchised properties and administer the loyalty program for the benefit of Hyatt's portfolio of properties. These expenses have been, and will continue to be, reimbursed by our third-party owners and franchisees and are recognized in revenues for reimbursed costs and reimbursed costs on our condensed consolidated statements of income.

Class B Share Conversion—During the ~~three~~ six months ended ~~March 31, 2024~~ June 30, 2024, ~~766,296~~ 1,230,407 shares of Class B common stock were converted on a share-for-share basis into shares of Class A common stock, \$0.01 par value per share. The shares of Class B common stock that were converted into shares of Class A common stock have been retired, thereby reducing the shares of Class B common stock authorized and outstanding.

Class B Share Repurchase—During the ~~three~~ six months ended ~~March 31, 2024~~ June 30, 2024, we repurchased 1,987,229 shares of Class B common stock at a weighted-average price of \$156.67 per share, for an aggregate purchase price of approximately \$312 million. The shares of Class B common stock were repurchased in privately negotiated transactions from a limited liability company owned directly and indirectly by trusts for the benefit of certain Pritzker family members and a private foundation affiliated with certain Pritzker family members and were retired, ~~subsequent to March 31, 2024~~, thereby reducing the shares of Class B common stock authorized and outstanding by the repurchased share amount.

16. SEGMENT INFORMATION

Our reportable segments are components of the business which are managed discretely and for which discrete financial information is reviewed regularly by the CODM to assess performance and make decisions regarding the allocation of resources. Our CODM is our President and Chief Executive Officer. We define our reportable segments as follows:

- **Management and franchising**—This segment derives its earnings primarily from the provision of management, franchising, and hotel services, or the licensing of our intellectual property to, (i) our property portfolio, (ii) our co-branded credit card programs, and (iii) other hospitality-related businesses, including the

[Table of Contents](#)

Unlimited Vacation Club following the UVC Transaction. This segment also includes revenues for reimbursed costs primarily related to payroll at managed properties where we are the employer, as well as costs associated with system-wide services and the loyalty program operated on behalf of owners of managed and franchised properties. The intersegment revenues relate to management fees earned from our owned and leased hotels and commission fees earned from certain ALG Vacations bookings, both of which are eliminated in consolidation.

- **Owned and leased**—This segment derives its earnings from owned and leased hotel properties located predominantly in the United States but also in certain international locations, and for purposes of segment Adjusted EBITDA, includes our pro rata share of unconsolidated hospitality ventures' Adjusted EBITDA, based on our ownership percentage of each venture. Adjusted EBITDA includes intercompany management fee expenses paid to our management and franchising segment, which are eliminated in consolidation. Intersegment revenues relate to promotional award redemptions earned by our owned and leased hotels related to our co-branded credit card programs and are eliminated in consolidation.
- **Distribution**—This segment derives its earnings from distribution and destination management services offered through ALG Vacations and the boutique and luxury global travel platform offered through Mr & Mrs Smith. Prior to the UVC Transaction, this segment also included earnings from a paid membership program offering benefits exclusively at certain all-inclusive resorts in Mexico, the Caribbean, and Central America. Adjusted EBITDA includes intercompany commission fee expenses paid to our management and franchising segment, which are eliminated in consolidation.

Within overhead, we include unallocated corporate expenses.

During the three months ended June 30, 2024, we revised our definition of Adjusted EBITDA to exclude transaction and integration costs (see Note 1), and we recast prior-period results to provide comparability. The revised definition excludes transaction costs previously recognized in general and administrative expenses and integration costs. Previously, only transaction costs recognized in gains (losses) on sales of real estate and other and other income (loss), net were excluded from Adjusted EBITDA. As these costs may vary in frequency or magnitude, we believe the revised definition presents a more representative measure of our core operations, assists in the comparability of results, and provides information consistent with how our management evaluates operating performance.

Our CODM evaluates performance based on gross fee revenues; owned and leased revenues; distribution revenues; other revenues; and Adjusted EBITDA. Our CODM does not evaluate our operating segments using discrete asset information. Adjusted EBITDA, as we define it, is a non-GAAP measure. We define Adjusted EBITDA as net income (loss) attributable to Hyatt Hotels Corporation plus our pro rata share of unconsolidated owned and leased hospitality ventures' Adjusted EBITDA based on our ownership percentage of each owned and leased venture, adjusted to exclude interest expense; benefit (provision) for income taxes; depreciation and amortization; amortization of management and hotel services agreement and franchise agreement assets and performance cure payments, which constitute payments to customers ("Contra revenue"); revenues for reimbursed costs; reimbursed costs that we intend to recover over the long term; **transaction and integration costs**; equity earnings (losses) from unconsolidated hospitality ventures; stock-based compensation expense; gains (losses) on sales of real estate and other; asset impairments; and other income (loss), net.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations.

This Quarterly Report contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include statements about the Company's plans, strategies, and financial performance, and prospective or future events and involve known and unknown risks that are difficult to predict. As a result, our actual results, performance, or achievements may differ materially from those expressed or implied by these forward-looking statements. In some cases, you can identify forward-looking statements by the use of words such as "may," "could," "expect," "intend," "plan," "seek," "anticipate," "believe," "estimate," "predict," "potential," "continue," "likely," "will," "would," and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Such forward-looking statements are necessarily based upon estimates and assumptions that, while considered reasonable by us and our management, are inherently uncertain. Factors that may cause actual results to differ materially from current expectations include, but are not limited to: the factors discussed in our filings with the SEC, including our Annual Report on Form 10-K; general economic uncertainty in key global markets and a worsening of global economic conditions or low levels of economic growth; the rate and pace of economic recovery following economic downturns; global supply chain constraints and interruptions, rising costs of construction-related labor and materials, and increases in costs due to inflation or other factors that may not be fully offset by increases in revenues in our business; risks affecting the luxury, resort, and all-inclusive lodging segments; levels of spending in business, leisure, and group segments, as well as consumer confidence; declines in occupancy and average daily rate ("ADR"); limited visibility with respect to future bookings; loss of key personnel; domestic and international political and geopolitical conditions, including political or civil unrest or changes in trade policy; hostilities, or fear of hostilities, including future terrorist attacks, that affect travel; travel-related accidents; natural or man-made disasters, weather and climate-related events, such as earthquakes, tsunamis, tornadoes, hurricanes, droughts, floods, wildfires, oil spills, nuclear incidents, and global outbreaks of pandemics or contagious diseases, or fear of such outbreaks; our ability to successfully achieve certain levels of operating profits at hotels that have performance tests or guarantees in favor of our third-party owners; the impact of hotel renovations and redevelopments; risks associated with our capital allocation plans, share repurchase program, and dividend payments, including a reduction in, or elimination or suspension of, repurchase activity or dividend payments; the seasonal and cyclical nature of the real estate and hospitality businesses; changes in distribution arrangements, such as through internet travel intermediaries; changes in the tastes and preferences of our customers; relationships with colleagues and labor unions and changes in labor laws; the financial condition of, and our relationships with, third-party owners, franchisees, and hospitality venture partners; the possible inability of third-party owners, franchisees, or development partners to access the capital necessary to fund current operations or implement our plans for growth; risks associated with potential acquisitions and dispositions and our ability to successfully integrate completed acquisitions with existing operations; failure to successfully complete proposed transactions (including the failure to satisfy closing conditions or obtain required approvals); our ability to successfully execute our strategy to expand our management and hotel services and franchising business while at the same time reducing our real estate asset base within targeted timeframes and at expected values; our ability to maintain effective internal control over financial reporting and disclosure controls and procedures; declines in the value of our real estate assets; unforeseen terminations of our management and hotel services agreements or franchise agreements; changes in federal, state, local, or foreign tax law; increases in interest rates, wages, and other operating costs; foreign exchange rate fluctuations or currency restructurings; risks associated with the introduction of new brand concepts, including lack of

acceptance of new brands or innovation; general volatility of the capital markets and our ability to access such markets; changes in the competitive environment in our industry, industry consolidation, and the markets where we operate; our ability to successfully grow the World of Hyatt loyalty program and Unlimited Vacation Club paid membership program; cyber incidents and information technology failures; outcomes of legal or administrative proceedings; and violations of regulations or laws related to our franchising business and licensing businesses and our international operations.

These factors are not necessarily all of the important factors that could cause our actual results, performance, or achievements to differ materially from those expressed in or implied by any of our forward-looking statements. Other unknown or unpredictable factors could also harm our business, financial condition, results of operations, or cash flows. All forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the cautionary statements set forth above. Forward-looking statements speak only as of the date they are made, and we do not undertake or assume any obligation to update publicly any of these forward-looking statements to reflect actual results, new information or future events, changes in assumptions, or changes in other factors affecting forward-looking statements, except to the extent required by applicable law. Additionally, we provide certain reservation and/or loyalty program services to hotels that are unaffiliated with our hotel portfolio and operate under other trade names or marks owned by such hotels or licensed by third parties. We also offer distribution and destination management services through ALG Vacations and a boutique and luxury global travel platform through Mr & Mrs Smith.

We report our consolidated operations in U.S. dollars. Amounts are reported in millions, unless otherwise noted. Percentages may not recompute due to rounding, and percentage changes that are not meaningful are presented as "NM." Constant currency disclosures used throughout Management's Discussion and Analysis of Financial Condition and Results of Operations are non-GAAP measures. See "—Non-GAAP Measures" for further discussion of constant currency disclosures.

During the quarter ending March 31, 2024 three months ended June 30, 2024, we revised our definition of Adjusted EBITDA to exclude transaction and integration costs, and we recast prior-period results to provide comparability. The revised definition excludes transaction costs previously recognized in general and administrative expenses and integration costs. Previously, only transaction costs recognized in gains (losses) on sales of real estate and other and other income (loss), net were excluded from Adjusted EBITDA. As these costs may vary in frequency or magnitude, we believe the revised definition presents a more representative measure of our core operations, assists in the comparability of results, and provides information consistent with how our management evaluates operating performance. See "—Non-GAAP Measures" for an explanation of how we utilize Adjusted EBITDA, why we present it, and material limitations on its usefulness, as well as a reconciliation of our net income attributable to Hyatt Hotels Corporation to consolidated Adjusted EBITDA.

During the six months ended June 30, 2024, we realigned our reportable segments to align with our business strategy, the organizational changes for certain members of our leadership team, and the manner in which our

CODM assesses performance and makes decisions regarding the allocation of resources. A summary of our reportable segments is as follows:

- Management and franchising, which consists of the provision of management, franchising, and hotel services, or the licensing of our intellectual property to, (i) our property portfolio, (ii) our co-branded credit card programs, and (iii) other hospitality-related businesses, including the Unlimited Vacation Club following the UVC Transaction;
- Owned and leased, which consists of our owned and leased hotel portfolio and, for purposes of owned and leased segment Adjusted EBITDA, our pro rata share of unconsolidated hospitality ventures' Adjusted EBITDA based on our ownership percentage of each venture; and

[Table of Contents](#)

- Distribution, which consists of distribution and destination management services offered through ALG Vacations and the boutique and luxury global travel platform offered through Mr & Mrs Smith. Prior to the UVC Transaction, this segment also included the Unlimited Vacation Club paid membership program.

Within overhead, we include unallocated corporate expenses.

Non-GAAP Measures

Adjusted Earnings Before Interest Expense, Taxes, Depreciation, and Amortization ("Adjusted EBITDA")

We use the term Adjusted EBITDA throughout this Quarterly Report. Adjusted EBITDA, as we define it, is a non-GAAP measure. We define consolidated Adjusted EBITDA as net income (loss) attributable to Hyatt Hotels Corporation plus our pro rata share of unconsolidated owned and leased hospitality ventures' Adjusted EBITDA based on our ownership percentage of each owned and leased venture, adjusted to exclude the following items:

- interest expense;
- benefit (provision) for income taxes;
- depreciation and amortization;
- amortization of management and hotel services agreement and franchise agreement assets and performance cure payments, which constitute payments to customers (Contra revenue);
- revenues for reimbursed costs;
- reimbursed costs that we intend to recover over the long term;
- **transaction and integration costs;**
- equity earnings (losses) from unconsolidated hospitality ventures;
- stock-based compensation expense;
- gains (losses) on sales of real estate and other;
- asset impairments; and
- other income (loss), net.

We calculate consolidated Adjusted EBITDA by adding the Adjusted EBITDA of each of our reportable segments and eliminations to overhead Adjusted EBITDA.

Our board of directors and executive management team focus on Adjusted EBITDA as one of the key performance and compensation measures both on a segment and on a consolidated basis. Adjusted EBITDA assists us in comparing our performance over various reporting periods on a consistent basis because it removes from our operating results the impact of items that do not reflect our core operations both on a segment and on a consolidated basis. Our President and Chief Executive Officer, who is our CODM, also evaluates the performance of each of our reportable segments and determines how to allocate resources to those segments, in part, by assessing the Adjusted EBITDA of each segment. In addition, the compensation committee of our board of directors

[Table of Contents](#)

determines the annual variable compensation for certain members of our management based in part on consolidated Adjusted EBITDA, segment Adjusted EBITDA, or some combination of both.

We believe Adjusted EBITDA is useful to investors because it provides investors with the same information that we use internally for purposes of assessing our operating performance and making compensation decisions and facilitates our comparison of results with results from other companies within our industry.

Adjusted EBITDA excludes certain items that can vary widely across different industries and among companies within the same industry, including interest expense and benefit (provision) for income taxes, which are dependent on company specifics, including capital structure, credit ratings, tax policies, and jurisdictions in which they operate; depreciation and amortization, which are dependent on company policies including how the assets are utilized as well as the lives assigned to the assets; Contra revenue, which is dependent on company policies and strategic decisions regarding payments to hotel owners; and stock-based compensation expense, which varies among companies as a result of different

compensation plans companies have adopted. We exclude revenues for reimbursed costs and reimbursed costs which relate to the reimbursement of payroll costs and for system-wide services and programs that we operate for the benefit of our hotel owners as contractually we do not provide services or operate the related programs to generate a profit over the terms of the respective contracts. Over the long term, these programs and services are not designed to impact our economics, either positively or negatively. Therefore, we exclude the net impact when evaluating period-over-period changes in our operating results. Adjusted

EBITDA includes reimbursed costs related to system-wide services and programs that we do not intend to recover from hotel owners. Finally, we exclude other items that are not core to our operations and may vary in frequency or magnitude, such as transaction and integration costs, asset impairments, and unrealized and realized gains and losses on marketable securities, securities, and gains and losses on sales of real estate and other.

Adjusted EBITDA is not a substitute for net income (loss) attributable to Hyatt Hotels Corporation, net income (loss), or any other measure prescribed by GAAP. There are limitations to using non-GAAP measures such as Adjusted EBITDA. Although we believe that Adjusted EBITDA can make an evaluation of our operating performance more consistent because it removes items that do not reflect our core operations, other companies in our industry may define Adjusted EBITDA differently than we do. As a result, it may be difficult to use Adjusted EBITDA or similarly named non-GAAP measures that other companies may use to compare the performance of those companies to our performance. Because of these limitations, Adjusted EBITDA should not be considered as a measure of the income (loss) generated by our business. Our management compensates for these limitations by referencing our GAAP results and using Adjusted EBITDA supplementally. See our condensed consolidated statements of income (loss) in our condensed consolidated financial statements included elsewhere in this Quarterly Report.

See below for a reconciliation of net income (loss) attributable to Hyatt Hotels Corporation to consolidated Adjusted EBITDA.

Adjusted General and Administrative Expenses

Adjusted general and administrative expenses, as we define it, is a non-GAAP measure. Adjusted general and administrative expenses exclude the impact of deferred compensation plans funded through rabbi trusts and stock-based compensation expense. Adjusted general and administrative expenses assist us in comparing our performance over various reporting periods on a consistent basis because it removes from our operating results the impact of items that do not reflect our core operations, both on a segment and consolidated basis. See "—Results of Operations" for a reconciliation of general and administrative expenses to Adjusted general and administrative expenses.

ADR

ADR represents hotel room revenues, divided by the total number of rooms sold in a given period. ADR measures the average room price attained by a hotel, and ADR trends provide useful information concerning the pricing environment and the nature of the customer base of a hotel or group of hotels. ADR is a commonly used performance measure in our industry, and we use ADR to assess the pricing levels that we are able to generate by customer group, as changes in rates have a different effect on overall revenues and incremental profitability than changes in occupancy, as described below.

Comparable system-wide and Comparable owned and leased

"Comparable system-wide" represents all properties we manage, franchise, or provide services to, including owned and leased properties, that are operated for the entirety of the periods being compared and that have not

[Table of Contents](#)

sustained substantial damage, business interruption, or undergone large scale renovations during the periods being compared. Comparable system-wide also excludes properties for which comparable results are not available. We may use variations of comparable system-wide to specifically refer to comparable system-wide hotels, including our wellness resorts, or our all-inclusive resorts, for those properties that we manage, franchise, or provide services to within the management and franchising segment. "Comparable owned and leased" represents all properties we own or lease that are operated and consolidated for the entirety of the periods being compared and have not sustained substantial damage, business interruption, or undergone large-scale renovations during the periods being compared. Comparable owned and leased also excludes properties for which comparable results are not available. We may use variations of comparable owned and leased to specifically refer to comparable owned and leased hotels, including our wellness resorts, or our all inclusive all-inclusive resorts, for those properties that we own and or lease within the owned and leased segment. Comparable system-wide and comparable owned and leased are commonly used as a basis of measurement in our industry. "Non-comparable system-wide" or "non-comparable owned and leased" represent all properties that do not meet the respective definition of "comparable" as defined above.

Constant Dollar Currency

We report the results of our operations both on an as-reported basis, as well as on a constant dollar basis. Constant Dollar Currency, which is a non-GAAP measure, excludes the effects of movements in foreign currency exchange rates between comparative periods. We believe constant dollar analysis provides valuable information regarding our results as it removes currency fluctuations from our operating results. We calculate Constant Dollar Currency by restating prior-period local currency financial results at the current period's exchange rates. These restated amounts are then compared to our current period reported amounts to provide operationally driven variances in our results.

Net Package ADR

Net Package ADR represents net package revenues divided by the total number of rooms sold in a given period. Net package revenues generally include revenue derived from the sale of package revenue at all-inclusive resorts comprised of rooms revenue, food and beverage, and entertainment, net of compulsory tips paid to employees. Net Package ADR measures the average room price attained by a hotel, and Net Package ADR trends provide useful information concerning the pricing environment and the nature of the customer base of a hotel or group of hotels. Net Package ADR is a commonly used performance measure in our industry, and we use Net Package ADR to assess the pricing levels that we are able to generate by customer group, as changes in rates have a different effect on overall revenues and incremental profitability than changes in occupancy, as described above.

Net Package RevPAR

Net Package RevPAR is the product of the Net Package ADR and the average daily occupancy percentage. Net Package RevPAR generally includes revenue derived from the sale of package revenue comprised of rooms revenue, food and beverage, and entertainment, net of compulsory tips paid to employees. Our management uses Net Package RevPAR to identify trend information with respect to room revenues from comparable properties and to evaluate hotel performance on a regional and segment basis. Net Package RevPAR is a commonly used performance measure in our industry.

Occupancy

Occupancy represents the total number of rooms sold divided by the total number of rooms available at a hotel or group of hotels. Occupancy measures the utilization of a hotel's available capacity. We use occupancy to gauge demand at a specific hotel or group of hotels in a given period. Occupancy levels also help us determine achievable ADR levels as demand for hotel rooms increases or decreases.

RevPAR

RevPAR is the product of the ADR and the average daily occupancy percentage. RevPAR does not include non-room revenues, which consist of ancillary revenues generated by a hotel property, such as food and beverage, parking, and other guest service revenues. Our management uses RevPAR to identify trend information with respect to room revenues from comparable properties and to evaluate hotel performance on a regional and segment basis. RevPAR is a commonly used performance measure in our industry.

[Table of Contents](#)

RevPAR changes that are driven predominantly by changes in occupancy have different implications for overall revenue levels and incremental profitability than do changes that are driven predominantly by changes in average room rates. For example, increases in occupancy at a hotel would lead to increases in room revenues and additional variable operating costs, including housekeeping services, utilities, and room amenity costs, and could also result in increased ancillary revenues, including food and beverage. In contrast, changes in average room rates typically have a greater impact on margins and profitability as average room rate changes result in minimal impacts to variable operating costs.

Liquidity and Capital Resources

Overview

We finance our business primarily with existing cash, short-term investments, and cash generated from our operations. As part of our long-term business strategy, we use net proceeds from dispositions to pay down debt; support new investment opportunities, including acquisitions; and return capital to our stockholders, when appropriate. If necessary, we borrow cash under our revolving credit facility or from other third-party sources and raise funds by issuing debt or equity securities. We maintain a cash investment policy that emphasizes the preservation of capital.

During the three months ended June 30, 2024, we issued the 2029 Notes and the 2034 Notes and received \$786 million of net proceeds, which are intended to be used to repay the outstanding balance on the 2024 Notes at or prior to maturity and for general corporate purposes. See Part I, Item 1 "Financial Statements—Note 9 to our Condensed Consolidated Financial Statements" for additional information.

We expect to successfully execute our commitment announced in August 2021 to realize \$2.0 billion of gross proceeds from the disposition of owned assets, net of acquisitions, by the end of 2024. As of May 9, August 6, 2024, we have realiz realied zed \$1,496 million of proceeds from the net disposition of owned assets as part of this commitment, including the commitment.following dispositions that were completed in the second quarter of 2024:

- On April 4, 2024, we completed the sale of Park Hyatt Zurich for a sales price of CHF 270 million (approximately \$300 million using exchange rates as of the closing date), including CHF 41 million (approximately \$45 million) of seller financing;
- On April 23, 2024, we completed the sale of Hyatt Regency San Antonio Riverwalk for a sales price of \$230 million; and
- On May 1, 2024, we completed the sale of Hyatt Regency Green Bay for a sales price of \$5 million.

See Part I, Item 1 "Financial Statements—Note 6 and Note 19 to our Condensed Consolidated Financial Statements" for additional information.

Table of Contents

We may, from time to time, seek to retire or purchase our outstanding equity and/or debt securities through cash purchases and/or exchanges for other securities in open market purchases, privately negotiated transactions, or otherwise, including pursuant to a Rule 10b5-1 plan or an accelerated share repurchase transaction. Such repurchases or exchanges, if any, will depend on prevailing market conditions, restrictions in our existing or future financing arrangements, our liquidity requirements, contractual restrictions, restrictions, and other factors. The amounts involved may be material. During the quarter ended March 31, 2024 June 30, 2024, we returned \$403 million \$150 million of capital to our stockholders through \$388 million \$134 million of share repurchases inclusive of \$76 million of Class A common stock and \$312 million of Class B common stock, and \$15 \$16 million of quarterly dividend payments. See Part I, Item 1 "Financial Statements—Note 13 and Note 15 to our Condensed Consolidated Financial Statements" for additional information.

We believe that our cash position, short-term investments, cash from operations, borrowing capacity under our revolving credit facility, and access to the capital markets will be adequate to meet all of our funding requirements and capital deployment objectives in both the short term and long term.

Recent Transactions Affecting our Liquidity and Capital Resources

We define net debt as total debt less the total of cash and cash equivalents and short-term investments. We consider net debt and its components to be an important indicator of liquidity and a guiding measure of capital structure strategy. Net debt is a non-GAAP measure and may not be computed the same as similarly titled measures used by other companies. The following table provides a summary of our debt-to-capital ratios:

(2) Excludes approximately \$3 million of cash and cash equivalents reclassified to assets held for sale at December 31, 2023.						

Capital Expenditures

We routinely make capital expenditures to enhance our business. We classify our capital expenditures into maintenance and technology and enhancements to existing properties. We have been, and will continue to be, disciplined with respect to our capital spending, taking into account our cash flows from operations.

We issue letters of credit either under our revolving credit facility or directly with financial institutions. We had \$153 million \$101 million and \$256 million in letters of credit issued directly with financial institutions outstanding at March 31, 2024 June 30, 2024 and December 31, 2023, respectively. At March 31, 2024 June 30, 2024, these letters of credit, which mature on various dates through 2025, had weighted-average fees of approximately 135 92 basis points. See Part I, Item 1 "Financial Statements—Note 12 to our Condensed Consolidated Financial Statements."

Critical Accounting Policies and Estimates

Preparing financial statements in conformity with GAAP requires management to make estimates and assumptions that affect reported amounts and related disclosures. We have disclosed those estimates that we believe are critical and require complex judgment in their application in our 2023 Form 10-K, with an additional consideration below.

Guarantees

We enter into performance guarantees related to certain hotels we manage. We also enter into debt repayment and other guarantees with respect to certain unconsolidated hospitality ventures, certain hospitality venture partners, certain managed or franchised hotels, and indemnifications provided as a result of certain dispositions for liabilities incurred prior to sale. We record a liability for the fair value of these guarantees at their inception date. In order to estimate the fair value, we generally use either scenario-based weighting, which utilizes a Monte Carlo simulation or a probability-based weighting approach to model the probability of possible outcomes, or the with and without method under the income approach, which calculates the difference in present value of anticipated cash flows with and without the guarantee. The valuation methodology includes assumptions and judgments regarding probability weighting, discount rates, volatility, hotel operating results, hotel property sales prices, and timing of expected cash flows. Our assumptions are based on our knowledge of the hospitality industry, market conditions, location of the property, contractual obligations, and likelihood of incurring costs related to claims for which we indemnify third parties, as well as other qualitative factors. See Part I, Item 1 "Financial Statements—Note 4 and Note 12 to our Condensed Consolidated Financial Statements."

Item 3. Quantitative and Qualitative Disclosures About Market Risk.

We are exposed to market risk, primarily from changes in interest rates and foreign currency exchange rates. In certain situations, we seek to reduce earnings and cash flow volatility associated with changes in interest rates and foreign currency exchange rates by entering into financial arrangements to provide a hedge against a portion of the risks associated with such volatility. We continue to have exposure to such risks to the extent they are not hedged. We enter into derivative financial arrangements to the extent they meet the objectives described above, and we do not use derivatives for trading or speculative purposes. At **March 31, 2024** **June 30, 2024**, there have been no material changes to our market risk previously disclosed in response to Item 7A to Part II of our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

Item 4. Controls and Procedures.

Disclosure Controls and Procedures. We maintain a set of disclosure controls and procedures designed to ensure that information required to be disclosed by the Company in reports that it files or submits under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms. In accordance with Rule 13a-15(b) of the Exchange Act, as of the end of the period covered by this Quarterly Report, an evaluation was carried out under the supervision and with the participation of our management, including our Principal Executive Officer and Principal Financial Officer, of the effectiveness of our disclosure controls and procedures. Based on that evaluation, our Principal Executive Officer and Principal Financial Officer concluded that our disclosure controls and procedures, as of the end of the period covered by this Quarterly Report, were effective to provide reasonable assurance that

information required to be disclosed by the Company in reports that it files or submits under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms and is accumulated and communicated to our management, including the Principal Executive Officer and Principal Financial Officer, as appropriate to allow timely decisions regarding required disclosure.

Changes in Internal Control Over Financial Reporting.

There has been no change in the Company's internal control over financial reporting during the Company's most recent fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings.

We are involved in various claims and lawsuits arising in the normal course of business, including proceedings involving tort and other general liability claims, workers' compensation and other employee claims, intellectual property claims, and claims related to our management of certain hotel properties. Most occurrences involving liability, claims of negligence, and employees are covered by insurance, in each case, with solvent insurance carriers. We record a liability when we believe the loss is probable and reasonably estimable. We currently believe that the ultimate outcome of such lawsuits and proceedings will not, individually or in the aggregate, have a material effect on our consolidated financial position, results of operations, or liquidity.

See Part I, Item 1, "Financial Statements—Note 11 and Note 12 to our Condensed Consolidated Financial Statements" for more information related to tax and legal contingencies.

Item 1A. Risk Factors.

At **March 31, 2024** **June 30, 2024**, there have been no material changes from the risk factors previously disclosed in response to Item 1A to Part I of our Annual Report on Form 10-K for the fiscal year ended December 31, 2023.

Item 5. Other Information.

On May 8, 2024 December 22, 2022, a purported stockholder of the Company filed a putative class action in the Court of Chancery of the State of Delaware captioned Steven Silverberg v. Hyatt Hotels Corporation et. al., C.A. No. 2022- 1191-JTL (Del. Ch.) (the "Action"). The Action was mooted on May 17, 2023 when the Company's stockholders voted to re-elect the Company's directors, and ratified and approved, pursuant to Section 204 of the DGCL, the prior adoption and approval of the Fourth Amended and Restated Hyatt Hotels Corporation Long-Term Incentive Plan and the Second Amended and Restated Hyatt Hotels Corporation Employee Stock Purchase Plan. On June 5, 2023, the Court entered an order dismissing the Action, but retained jurisdiction solely for the purpose of resolving the plaintiff's counsel's anticipated motion for an award of attorneys' fees and expenses. Without admitting any fault or wrongdoing, the Company agreed to pay \$300,000 in attorneys' fees and expenses to the plaintiff's counsel in connection with the mooted claims. In entering the order, the Court did not review, and did not pass judgment on, the payment of the attorneys' fees and expenses.

On August 5, 2024, we filed a Certificate of Retirement with the Secretary of State of the State of Delaware to retire 2,443,004 612,768 shares of Class B common stock, \$0.01 par value per share, of the Company. Of the 2,443,004 The 612,768 shares of Class B common stock 1,987,229 shares were converted into shares of Class A common stock, \$0.01 par value per share, of the Company, in connection with the repurchase by the Company of 1,987,229 shares of Class B Common Stock from certain selling stockholders, and 455,775 shares were converted into shares of Class A common stock in connection with sales by certain selling stockholders into the public market pursuant to Rule 144 under the Securities Act of 1933, as amended. The Company's Amended and Restated Certificate of Incorporation

requires that any shares of Class B common stock that are converted into shares of Class A common stock be retired and may not be reissued.

Effective upon filing, the Certificate of Retirement amended the Amended and Restated Certificate of Incorporation of the Company to reduce the total authorized number of shares of capital stock of the Company by 2,443,004 612,768 shares. The total number of authorized shares of the Company is now 1,397,998,010 1,397,385,242, such shares consisting of 1,000,000,000 shares designated Class A common stock, 387,998,010 387,385,242 shares designated Class B common stock, and 10,000,000 shares designated

Preferred Stock, par value \$0.01 per share. A copy of the Certificate of Retirement is attached as part of Exhibit 3.1 hereto.

(a) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Pricing Prospectus or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to each Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission.

The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) under the Act, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (other than the Registration Statement, in the light of the circumstances under which such statements were made) not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim, whether or not such Underwriter is a party to any action or claim, as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim,

damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with the Underwriter Information.

(a) Each Underwriter will severally and not jointly indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (other than the Registration Statement, in the light of the circumstances under which such statements were made) not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Basic Prospectus, any

Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus, in reliance upon and in conformity with the Underwriter Information; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(b) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

16

(c) If the indemnification provided for in this Section 9 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other, from the offering of the Securities. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company, on the one hand, and the Underwriters, on the other, in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, shall be deemed to be in the same proportion as the total net proceeds from the offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company, on the one hand, or the Underwriters, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this subsection (d) to contribute are several in proportion to their respective underwriting obligations and not joint.

(d) The obligations of the Company under this Section 9 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act and each broker-dealer affiliate of any Underwriter; and the obligations of the Underwriters under this Section 9 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

17

9. If any Underwriter shall default in its obligation to purchase the Securities which it has agreed to purchase hereunder, you may in your discretion arrange for you or another party or other parties to purchase such Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter you do not arrange for the purchase of such Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to you to purchase such Securities on such terms. In the event that, within the respective prescribed periods, you notify the Company that you have so arranged for the purchase of such Securities, or the Company notifies you that it has so arranged for the purchase of such Securities, you or the Company shall have the right to postpone the Time of Delivery for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus, or in any other documents or arrangements, and the Company agrees to file promptly any amendments to the Registration Statement or the Prospectus which in your opinion may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 10 with like effect as if such person had originally been a party to this Agreement with respect to such Securities.

(a) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by you and the Company, as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of all the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Securities which such Underwriter agreed to purchase hereunder and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Securities which such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(b) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by you and the Company, as provided in subsection (a) above, the aggregate principal amount of such Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of all the Securities, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Securities of a defaulting Underwriter or Underwriters, then this Agreement shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 7 hereof and the indemnity and contribution agreements in Section 9 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

10. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities.

Anything herein to the contrary notwithstanding, the indemnity agreement of the Company in Section 9(a) hereof, the representations and warranties in Sections 1(a), 1(b) and

1(c) hereof and any representation or warranty as to the accuracy of the Registration Statement, the Basic Prospectus, any Preliminary Prospectus, the Pricing Prospectus or the Prospectus, or any amendment or supplement thereto, or any Issuer Free Writing Prospectus contained in any certificate furnished by the Company pursuant to Section 8 hereof, insofar as they may constitute a basis for indemnification for liabilities (other than payment by the Company of expenses incurred or paid in the successful defense of any action, suit or proceeding) arising under the Act, shall not extend to the extent of any interest therein of a controlling person or partner of an Underwriter who is a director, officer or controlling person of the Company when the Registration Statement has become effective or who, with his or her consent, is named in the Registration Statement as about to become a director of the Company, except in each case to the extent that an interest of such character shall have been determined by a court of appropriate jurisdiction as not against public policy as expressed in the Act. Unless in the opinion of counsel for the Company the matter has been settled by controlling precedent, the Company will, if a claim for such indemnification is asserted, submit to a court of appropriate jurisdiction the question of whether such interest is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

11. If this Agreement shall be terminated pursuant to Section 10 hereof, the Company shall not then be under any liability to any Underwriter except as provided in Sections 7 and 9 hereof; but, if for any other reason, the Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through you for all out of pocket expenses approved in writing by you, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of the Securities, but the Company shall then be under no further liability to any Underwriter except as provided in Sections 7 and 9 hereof.

12. In all dealings hereunder, you shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by you as the Representatives. All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, nationally recognized overnight courier or facsimile transmission to you as the Representatives, in care of BofA Securities, Inc., 114 West 47th Street, NY8-114-07-01, New York, New York 10036, Facsimile: (212) 901-7881, Email: dg.hg.ua_notices@bofa.com, Attention: High Grade Debt Capital Markets Transaction Management/Legal; and if to the Company shall be delivered or sent by mail, nationally recognized overnight courier or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: General Counsel, with a copy to Latham & Watkins LLP, 330 N. Wabash Ave., Suite 2800, Chicago, Illinois 60611, Attention: Michael A. Pucker, Cathy A. Birkeland and Roderick O. Branch; provided, however, that any notice to an Underwriter pursuant to Section 9(c) hereof shall be delivered or sent by mail, nationally recognized overnight courier or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, which address will be supplied to the Company by you on request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

19

13. In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

"BHC Act Affiliate" has the meaning assigned to the term "affiliate" in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

"Covered Entity" means any of the following:

- (1) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);
- (2) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or
- (3) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"U.S. Special Resolution Regime" means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 9 and 11 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, the term **"business day"** shall mean any day when the Commission's office in Washington, D.C. is open for business.

16. The Company acknowledges and agrees that (i) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other, (ii) in connection

20

therewith and with the process leading to such transaction each Underwriter is acting solely as a principal and not the agent or fiduciary of the Company, (iii) no Underwriter has assumed an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) or any other obligation to the Company except the obligations expressly set forth in this Agreement and (iv) the Company has consulted its own legal and financial advisors to the extent it deemed appropriate. The Company agrees that it will not claim that the Underwriters, or any of them, have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto.

17. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

18. This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the internal laws of the State of New York without regard to the conflict of laws provisions thereof (other than Sections 5-1401 and 5-1402 of the General Obligations Law of the State of New York).

19. The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

20. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

21. Notwithstanding anything herein to the contrary, the Company is authorized to disclose to any persons the U.S. federal and state income tax treatment and tax structure of the potential transaction and all materials of any kind (including tax opinions and other tax analyses) provided to the Company relating to that treatment and structure, without the Underwriters imposing any limitation of any kind. However, any information relating to the tax treatment and tax structure shall remain confidential (and the foregoing sentence shall not apply) to the extent necessary to enable any person to comply with securities laws. For this purpose, "tax structure" is limited to any facts that may be relevant to that treatment.

22. If any term or other provision of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality or enforceability of the other provisions of this Agreement shall not be affected thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue.

21

23. Except as otherwise expressly provided herein, the provisions of this Agreement may be amended or waived at any time only by the written agreement of the parties hereto. Any waiver, permit, consent or approval of any kind or character on the part of any such holders of any provision or condition of this Agreement must be made in writing and shall be effective only to the extent specifically set forth in writing. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the

right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.

If the foregoing is in accordance with your understanding, please sign and return to us six counterparts hereof, and upon the acceptance hereof by you, on behalf of each of the Underwriters, this letter and such acceptance hereof shall constitute a binding agreement among each of the Underwriters and the Company. It is understood that your acceptance of this letter on behalf of each of the Underwriters is pursuant to the authority set forth in a form of Agreement among Underwriters, the form of which shall be submitted to the Company for examination, upon request, but without warranty on your part as to the authority of the signers thereof.

CAPITAL STOCK

Section 1. Authorized Shares. The total number of shares of stock which the Corporation is authorized to issue is 1,510,000,000 shares, of which 1,000,000,000 shares shall be shares of Class A Common Stock, par value \$0.01 per share (the "Class A Common Stock"), 500,000,000 shares shall be shares of Class B Common Stock, par value \$0.01 per share (the "Class B Common Stock"), and together with the Class A Common Stock, the "Common Stock"), and 10,000,000 shares shall be shares of Preferred Stock, par value \$0.01 per share ("Preferred Stock").

Upon this Amended and Restated Certificate of Incorporation becoming effective pursuant to the DGCL (the "Effective Time"), each share of the Corporation's Common Stock, par value \$0.01 per share, issued and outstanding immediately prior to the Effective Time (the "Old Common Stock") (a) that is then held of record by any holder specified in the resolutions duly adopted by the Board of Directors on October 9, 2009 (the "Specified Holders") will automatically be reclassified into one share of Class A Common Stock and (b) that is then held of record by any holder other than a Specified Holder will automatically be reclassified into one share of Class B Common Stock. Each certificate that theretofore represented shares of Old Common Stock shall thereafter represent such number of shares of Class A Common Stock or Class B Common Stock, as applicable, into which the shares of Old Common Stock represented by such certificate have been reclassified.

Section 2. Common Stock. The Class A Common Stock and the Class B Common Stock shall have the following powers, designations, preferences and rights and qualifications, limitations and restrictions:

(a) Voting Rights.

(i) Except as otherwise provided herein or by applicable law, the holders of Class A Common Stock and Class B Common Stock shall at all times vote together as a single class on all matters (including election of directors) submitted to a vote of the stockholders of the Corporation.

(ii) Each holder of Class A Common Stock shall be entitled to one vote for each share of Class A Common Stock held of record by such holder as of the applicable record date on any matter that is submitted to a vote of the stockholders of the Corporation.

(iii) Each holder of Class B Common Stock shall be entitled to ten votes for each share of Class B Common Stock held of record by such holder as of the applicable record date on any matter that is submitted to a vote of the stockholders of the Corporation.

Notwithstanding the foregoing, except as otherwise required by applicable law, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any certificate filed with the Secretary of State establishing the terms of a series of Preferred Stock in accordance with Section 3 of this Article IV) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series of Preferred Stock are entitled, either separately or together with the holders of one or more other such series, to vote thereon pursuant to applicable law or this Amended and Restated Certificate of Incorporation (including any certificate filed with the Secretary of State establishing the terms of a series of Preferred Stock in accordance with Section 3 of this Article IV).

(b) Dividends and Distributions. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock outstanding at any time, the holders of Class A Common Stock and the holders of Class B Common Stock shall be entitled to share equally, on a per share basis, in such dividends and other distributions of cash, property or shares of stock of the Corporation as may be declared by the Board of Directors from time to time with respect to the Common Stock out of assets or funds of the Corporation legally available therefor; provided, however, that in the event that such dividend is paid in the form of Common Stock or rights to acquire Common Stock, the holders of Class A Common Stock shall receive shares of Class A Common Stock or rights to acquire shares of Class A Common Stock, as the case may be, and the holders of shares of Class B Common Stock shall receive shares of Class B Common Stock or rights to acquire shares of Class B Common Stock, as the case may be.

(c) Liquidation, etc. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock outstanding at any time, in the event of a voluntary or involuntary liquidation, dissolution, distribution of assets or winding up of the Corporation, the holders of Class A Common Stock and the holders of Class B Common Stock shall be entitled to share equally, on a per share basis, in all assets of the Corporation of whatever kind available for distribution to the holders of Common Stock.

(d) Subdivision or Combination. If the Corporation in any manner subdivides or combines the outstanding shares of one class of Common Stock, the outstanding shares of the other class of Common Stock will be subdivided or combined in the same manner.

(e) Equal Status. Except as expressly provided in this Article IV, shares of Class A Common Stock and Class B Common Stock shall have the same rights and privileges and rank equally, share ratably and be identical in all respect as to all matters. In any merger, consolidation, reorganization or other business combination, the consideration received per share by the holders of the Class A Common Stock and the holders of the Class B Common Stock in such merger, consolidation, reorganization or other business combination shall be identical; provided, however, that if such consideration consists, in whole or in part, of shares of capital stock of, or other equity interests in, the Corporation or any other corporation, partnership, limited liability company or other entity, then the powers, designations, preferences and relative, common, participating, optional or other special rights and qualifications, limitations and restrictions of such shares of capital stock or other equity interests may differ to the extent that the powers, designations, preferences and relative, common, participating, optional or other special rights and qualifications, limitations and restrictions of the Class A Common Stock and Class B Common Stock differ as provided herein (including, without limitation, with respect to the voting rights and conversion provisions hereof); and provided further, that, if the holders of the Class A Common Stock or the holders of the Class B Common Stock are granted the right to elect to receive one of two or more alternative forms of consideration, the foregoing provision shall be deemed satisfied if holders of the other class are granted identical election rights. Any consideration to be paid to or received by holders of Class A Common Stock or holders of Class B Common Stock pursuant to any employment, consulting, severance, non-competition or other similar arrangement approved by the Board of Directors, or any duly authorized committee thereof, shall not be considered to be "consideration received per share" for purposes of the foregoing provision, regardless of whether such consideration is paid in connection with, or conditioned upon the completion of, such merger, consolidation, reorganization or other business combination.

For the further avoidance of doubt, a Transfer may qualify as a "Permitted Transfer" within the meaning of this Section 2(f)(i)(6) under any one or more than one of the clauses of this Section 2(f)(i)(6) as may be applicable to such Transfer, without regard to any proviso in, or requirement of, any other clause(s) of this Section 2(f)(i)(6).

(7) "Permitted Transferee" shall mean:

(a) with respect to any Pritzker:

(i) one or more other Pritzkers; and

(ii) the Pritzker Foundation, and/or any of the eleven private charitable foundations to which the Pritzker Foundation transferred a portion of its assets in September 2002, so long as a majority of the board of directors or similar governing body of such private charitable foundation is comprised of Pritzkers;

(f) with respect to any Person that holds Class B Common Stock as the guardian or conservator of any Person who has been adjudged disabled, incapacitated, incompetent or otherwise unable to manage his or her own affairs, or as the executor, administrator or personal representative of the estate of any deceased Person, or as the trustee or receiver of the estate of a bankrupt or insolvent Person, (i) any Permitted Transferee of such disabled, incapacitated, incompetent, deceased, bankrupt or insolvent Person or (ii) in the event that such disabled, incapacitated, incompetent, deceased, bankrupt or insolvent Person is a 2007 Investor, an Affiliate of such 2007 Investor.

For the avoidance of doubt, the "Permitted Transferees" of any Person within the meaning of this Section 2(f)(i)(7) may be determined under any one or more than one of the clauses of this Section 2(f)(i)(7), if such

clauses are applicable to such Person. For the further avoidance of doubt, references to a "trust" shall mean the trust or the trustee or trustees of such trust acting in such capacity, as the context may require.

With respect to a share or shares of Class B Common Stock held by a 2007 Investor, following the "Restriction Expiration Date" (as defined in the 2007 Stockholders' Agreement), the "Permitted Transferee" of any 2007 Investor shall be determined for purposes of Sections 2(f)(i)(7)(b) and 2(f)(i)(7)(c) of this Article IV without regard to any references to Pritzkers contained therein.

(10) "Registered Holder" shall mean (a) the registered holder of any share or shares of Class B Common Stock immediately prior to the consummation of the initial public offering of shares of Class A Common Stock (the "IPO"), (b) the initial registered holder of any share or shares of Class B Common Stock that are originally issued by the Corporation after the consummation of the IPO, and (c) any Person that becomes the registered holder of any share or shares of Class B Common Stock as a result of a Permitted Transfer in accordance with this Section 2(f).

(11) "Transfer" of a share or shares of Class B Common Stock shall mean any direct or indirect sale, exchange, assignment, transfer, conveyance, gift, hypothecation or other transfer or disposition (including, without limitation, the granting or exercise of a power of appointment or a proxy, attorney in fact, power of attorney or otherwise) of such share or shares or any legal or beneficial interest in such share or shares, whether or not for value and whether voluntary or involuntary or by operation of law. A "Transfer" shall include, without limitation, a transfer of a share or shares of Class B Common Stock to a broker or other nominee (regardless of whether or not there is a corresponding change in beneficial ownership), and the transfer of, or entering into any agreement, arrangement or understanding with respect to, Voting Control over a share or shares of Class B Common Stock. Any sale, exchange, assignment, transfer, conveyance, gift, hypothecation or other transfer or disposition by any Person that is not a Pritzker (other than a 2007 Investor) of less than 5% of the equity interests of any other Person that holds shares of Class B Common Stock, shall not be deemed to result in a "Transfer" of such shares of Class B Common Stock within the meaning of this Section (2)(f)(i)(11). In addition, the existence of, the joinder of any Person to and agreement to become subject to the provisions of, or the voting of shares of Class B Common Stock in accordance with, the 2007 Stockholders' Agreement, the Global Hyatt Agreement, the Foreign Global Hyatt Agreement or the Agreement Relating to Stock, shall not be deemed to result in a "Transfer" of shares of Class B Common Stock within the meaning of this Section (2)(f)(i)(11).

(12) "Voting Control" shall mean, with respect to a share or shares of Class B Common Stock, the power, whether exclusive or shared, revocable or irrevocable, to vote or direct the voting of such share or shares of Class B Common Stock, by proxy, voting agreement or otherwise.

(ii) Each share of Class B Common Stock shall be convertible into one fully paid and non-assessable share of Class A Common Stock at the option of the holder thereof at any time, and from time to time, upon written notice to the transfer agent of the Corporation.

(iii) Subject to Section 2(f)(vii) of this Article IV, a share of Class B Common Stock shall automatically, without any further action on the part of the Corporation, any holder of Class B Common Stock or any other party, convert into one fully paid and non-assessable share of Class A Common Stock upon a Transfer of such share, other than a Permitted Transfer; provided, however, that each share of Class B Common Stock transferred to a Permitted Transferee or an Affiliate of a 2007 Investor pursuant to a Permitted Transfer shall automatically convert into one fully paid and non-assessable share of Class A Common Stock if any event occurs, or any state of facts arises or exists, that causes such Person to no longer qualify, as applicable, as a "Permitted Transferee" within the meaning of Section 2(f)(i)(7) of this Article IV or as an "Affiliate" of such 2007 Investor as defined in Section 2(f)(i)(1) of this Article IV.

(iv) For so long as the 2007 Stockholders' Agreement, the Global Hyatt Agreement, the Foreign Global Hyatt Agreement or the Agreement Relating to Stock, as applicable, remains in effect, each share of Class B Common Stock held by (a) any trust that is party to, or any other Person directly or

indirectly controlled by any one or more trusts that are party to, or otherwise bound by (including any trust who executes, or whose trustees execute, a joinder to, and thereby become subject to the provisions of) the 2007 Stockholders' Agreement, the Global Hyatt Agreement, the Foreign Global Hyatt Agreement or the Agreement Relating to Stock, as applicable, or (b) with respect to the Foreign Global Hyatt Agreement, any Person directly or indirectly controlled by any one or more non-United States situs trusts which are for the benefit of one or more Pritzkers (even though such Person is not party to the Foreign Global Hyatt Agreement), shall automatically, without any further action on the part of the Corporation, any holder of Class B Common Stock or any other party, convert into one fully paid and non-assessable share of Class A Common Stock upon any change in the trustees of any such trust that is a Pritzker (in the case of clause (a)) or any such non-United States situs trusts that are Pritzkers (in the case of clause (b)) unless, in connection therewith, the requisite number of trustees necessary to bind such trust (to the extent not already party thereto) execute a joinder to, and thereby become subject to the provisions of, as applicable, the 2007 Stockholders' Agreement, the Global Hyatt Agreement, the Foreign Global Hyatt Agreement or the Agreement Relating to Stock.

(v) Each share of Class B Common Stock shall automatically, without any further action on the part of the Corporation, any holder of Class B Common Stock or any other party, convert into one fully paid and non-assessable share of Class A Common Stock if, as of the record date for determining the stockholders entitled to vote at any annual or

special meeting of the stockholders of the Corporation, the aggregate number of shares of Common Stock owned, directly or indirectly, by the Registered Holders is less than fifteen percent of the aggregate number of outstanding shares of Common Stock.

(vi) The Board of Directors, or any duly authorized committee thereof, may, from time to time, establish such policies and procedures relating to the conversion of a share or shares of Class B Common Stock into a share or shares of Class A Common Stock and the general administration of this dual class common stock structure, including the issuance of stock certificates with respect thereto, as it may deem necessary or advisable, and may request or require that holders of a share or shares of Class B Common Stock furnish affidavits or other proof to the Corporation as it may deem necessary or advisable to verify the ownership of such share or shares of Class B Common Stock and to confirm that an automatic conversion into a share or shares of Class A Common Stock has not occurred. If the Board of Directors, or a duly authorized committee thereof, determines that a share or shares of Class B Common Stock have been inadvertently Transferred in a Transfer that is not a Permitted Transfer, or any other event shall have occurred, or any state of facts arisen or come into existence, that would inadvertently cause the automatic conversion of such shares into Class A Common Stock pursuant to Section 2(f)(iii) of this Article IV, and the Registered Holder shall have cured or shall promptly cure such inadvertent Transfer or the event or state of facts that would inadvertently cause such automatic conversion, then the Board of Directors, or a duly authorized committee thereof, may determine that such share or shares of Class B Common Stock shall not have been automatically converted into Class A Common Stock pursuant to Section 2(f)(iii) of this Article IV.

(vii) In the event of a conversion of a share or shares of Class B Common Stock into a share or shares of Class A Common Stock pursuant to this Section 2, such conversion shall be deemed to have been made (a) in the event of a voluntary conversion pursuant to Section 2(f)(ii) of this Article IV, at the close of business on the business day on which written notice of such voluntary conversion is received by the transfer agent of the Corporation, (b) in the event of an automatic conversion upon a Transfer or if any other event occurs, or any state of facts arises or exists, that would cause an automatic conversion pursuant to Section 2(f)(iii) of this Article IV, at the time that the Transfer of such share or shares occurred or at the time that such other event occurred, or state of facts arose, as applicable, (c) in the event of an automatic conversion of shares upon the failure of the new trustee or trustees to assume the obligations under, as applicable, the 2007 Stockholders' Agreement, the Global Hyatt Agreement, the Foreign Global Hyatt Agreement or the Agreement Relating to Stock, at the time such new trustee or trustees become such, and (d) in the event of an automatic conversion of all shares of Class B Common Stock pursuant to Section 2(f)(v) of this Article IV, at the close of business on the record date on which the Registered Holders own less than the requisite percentage of outstanding shares of Common Stock. Upon any conversion of a share or shares of Class B Common Stock to a share or shares of Class A Common Stock, subject only to rights to receive any dividends or other distributions payable in respect of such share or shares of Class B Common Stock with a record date prior to the date of such conversion, all rights of the holder of a share or shares of Class B Common Stock shall cease and such Person shall be treated for all purposes as having become the registered holder of such share or shares of Class A Common Stock. Shares of Class B Common Stock that are converted into shares of Class A Common Stock as provided in this Section 2 shall be retired and may not be reissued.

(g) Reservation of Stock. The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Class A Common Stock, solely for the purpose of effecting the conversion of the

shares of Class B Common Stock, such number of its shares of Class A Common Stock as shall from time to time be sufficient to effect the conversion of all outstanding shares of Class B Common Stock into shares of Class A Common Stock.

(h) Limitation on Future Issuance. Except as otherwise provided in or contemplated by Sections 2(b), 2(d) or 2(e) of this Article IV, the Corporation shall not issue additional shares of Class B Common Stock after the Effective Time.

Section 3. Preferred Stock. The Board of Directors is authorized, subject to limitations prescribed by law, to provide by resolution or resolutions for the issuance of a share or shares of Preferred Stock in one or more series and, by filing a certificate of designation pursuant to the DGCL setting forth a copy of such resolution or resolutions, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences, and rights of the shares of each such series and the qualifications, limitations, and restrictions thereof. The authority of the Board of Directors with respect to the Preferred Stock and any series shall include, but not be limited to, determination of the following:

- (a) the number of shares constituting any series and the distinctive designation of that series;

Notwithstanding the provisions of Section 242(b)(2) of the DGCL, the number of authorized shares of Preferred Stock and Common Stock may, without a class or series vote, be increased or decreased (but not below the number of shares thereof then outstanding) from time to time by the affirmative vote of the holders of at least a majority of the voting power of the Corporation's then outstanding capital stock, voting together as a single class.

ARTICLE V

BOARD OF DIRECTORS

Section 1. Powers of the Board. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. In addition to the powers and authority expressly conferred upon them by applicable law or by this Amended and Restated Certificate of Incorporation or the Bylaws of the Corporation, the

directors are hereby empowered to exercise all such powers and do all such acts and things as may be exercised or done by the Corporation.

Section 2. Classification of the Board. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock with respect to any directors elected (or to be elected) by the holders of such series, effective upon the Effective Time, the directors of the Corporation shall be divided into three classes as nearly equal in size as is practicable, hereby designated Class I, Class II and Class III. The Board of Directors may assign members of the Board of Directors already in office to such classes as of the Effective Time. The term of office of the initial Class I directors shall expire at the first regularly-scheduled annual meeting of the stockholders following the Effective Time; the term of office of the initial Class II directors shall expire at the second annual meeting of the stockholders following the Effective Time; and the term of office of the initial Class III directors shall expire at the third annual meeting of the stockholders following the Effective Time. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock with respect to any directors elected (or to be elected) by the holders of such series, at each annual meeting of stockholders, commencing with the first regularly-scheduled annual meeting of stockholders following the Effective Time, each of the successors elected to replace the directors of a class whose term shall have expired at such annual meeting shall be elected to hold office until the third annual meeting next succeeding his or her election and until his or her respective successor shall have been duly elected and qualified.

Section 3. Number of Directors. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock with respect to any directors elected (or to be elected) by the holders of such series, (a) the total number of directors constituting the entire Board of Directors shall consist of not less than five nor more than fifteen members, with the precise number of directors to be determined from time to time exclusively by a vote of a majority of the entire Board of Directors, and (b) if the number of directors is changed, any increase or decrease shall be apportioned among such classes of directors in such manner as the Board of Directors shall determine so as to maintain the number of directors in each class as nearly equal as possible, but in no case will a decrease in the number of directors shorten the term of any incumbent director.

Section 4. Removal of Directors. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock with respect to any directors elected by the holders of such series and except as otherwise required by applicable law, any or all of the directors of the Corporation may be removed from office only for cause and only by the affirmative vote of the holders of at least a majority of the voting power of the Corporation's then outstanding capital stock entitled to vote generally in the election of directors, voting together as a single class.

Section 5. Vacancies. Except as may be provided in a resolution or resolutions providing for any series of Preferred Stock with respect to any directors elected (or to be elected) by the holders of such series, any vacancies in the Board of Directors for any reason and any newly created directorships resulting by reason of any increase in the number of directors may be filled only by the Board of Directors (and not by the stockholders), acting by majority of the remaining directors then in office, although less than a quorum, or by a sole remaining director, and any directors so appointed shall hold office until the next election of the class of directors to which such directors have been appointed and until their successors are elected and qualified.

Section 6. Bylaws. The Board of Directors shall have the power to adopt, amend, alter, change or repeal any and all Bylaws of the Corporation. In addition, the stockholders of the Corporation may adopt, amend, alter, change or repeal any and all Bylaws of the Corporation by the affirmative vote of the holders of at least eighty percent of the voting power of the Corporation's then outstanding capital stock entitled to vote, voting together as a single class (notwithstanding the fact that a lesser percentage may be specified by applicable law).

Section 7. Elections of Directors. Elections of directors need not be by ballot unless the Bylaws of the Corporation shall so provide.

Section 8. Officers. Except as otherwise expressly delegated by resolution of the Board of Directors, the Board of Directors shall have the exclusive power and authority to appoint and remove officers of the Corporation.

ARTICLE VI

STOCKHOLDERS

Section 1. Actions by Consent. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of such stockholders and may not be effected by any written consent in lieu of a meeting by such stockholders.

Section 2. Special Meetings of Stockholders. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock, special meetings of stockholders of the Corporation may be called only by the Chairman of the Board of Directors or by the Secretary upon direction of the Board of Directors pursuant to a resolution adopted by a majority of the entire Board of Directors.

ARTICLE VII

DIRECTOR LIABILITY

A director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent such exemption from liability or limitation thereof is not permitted under the DGCL as it presently exists or may hereafter be amended. Any amendment, modification or repeal of the foregoing sentence shall not adversely affect any right arising prior to the time of such amendment, modification or repeal.

ARTICLE VIII

INDEMNIFICATION

Section 1. Right of Indemnification. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "Proceeding"), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses

(including attorneys' fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, except as otherwise provided in Section 3 of this Article VIII, the Corporation shall be required to indemnify a Covered Person in connection with a Proceeding (or part thereof) commenced by such Covered Person only if the commencement of such Proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board of Directors.

Section 2. Prepayment of Expenses. The Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any Proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VIII or otherwise.

Section 3. Claims. If a claim for indemnification (following the final disposition of the Proceeding with respect to which indemnification is sought, including any settlement of such Proceeding) or advancement of expenses under this Article VIII is not paid in full within thirty days after a written claim therefor by the Covered Person has been received by the Corporation, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by applicable law. In any such action the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under this Article VIII and applicable law.

Section 4. Non-exclusivity of Rights. The rights conferred on any Covered Person by this Article VIII shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, any other provision of this Amended and Restated Certificate of Incorporation, the Bylaws of the Corporation, or any agreement, vote of stockholders or disinterested directors or otherwise.

Section 5. Amendment or Repeal. Any right to indemnification or to advancement of expenses of any Covered Person arising hereunder shall not be eliminated or impaired by an amendment to or repeal of this Article VIII after the occurrence of the act or omission that is the subject of the civil, criminal, administrative or investigative action, suit or proceeding for which indemnification or advancement of expenses is sought.

Section 6. Other Indemnification and Advancement of Expenses. This Article VIII shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

ARTICLE IX

SECTION 203

The Corporation elects not to be governed by Section 203 of the DGCL.

ARTICLE X

AMENDMENT

The Corporation hereby reserves the right to amend, alter, change or repeal any provision contained in this Amended and Restated Certificate of Incorporation in any manner permitted by the DGCL and all rights and powers conferred upon stockholders and/or directors herein are granted subject to this reservation. Except as may be provided in a resolution or resolutions of the Board of Directors providing for any series of Preferred Stock, any such amendment, alteration, change or repeal shall require the affirmative vote of both (a) sixty-six and 2/3rds percent of the entire Board of Directors and (b) eighty percent of the voting power of the Corporation's then outstanding capital stock entitled to vote, voting together as a single class (notwithstanding the fact that a lesser percentage may be specified by applicable law). Any vote of stockholders required by this Article X shall be in addition to any other vote that may be required by applicable law, the Bylaws of the Corporation or any agreement with a national securities exchange or otherwise.
