Monro had 1,272 Company-operated retail stores located in 32 states and 49 Car-X franchised locations as of September 28, 2024. A certain number of our retail locations also service commercial customers. Our locations that serve commercial customers generally operate consistently with our other retail locations, except that the sales mix for these locations includes a higher number of commercial tires. Monro\$“’s operations are organized and managed as one single segment designed to offer to our customers replacement tires and tire related services, automotive undercar repair services as well as a broad range of routine maintenance services, primarily on passenger cars, light trucks and vans. We also provide other products and services for brakes; mufflers and exhaust systems; and steering, drive train, suspension and wheel alignment. Basis of presentation The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the rules and regulations of the Securities and Exchange Commission (\$“SEC\$“) applicable to interim financial statements. While these statements reflect all adjustments (consisting of items of a normal recurring nature) that are, in the opinion of management, necessary for a fair statement of the results of the interim period, they do not include all of the information and footnotes required by United States generally accepted accounting principles (\$“GAAP\$“) for complete financial statement presentation. The consolidated financial statements should be read in conjunction with the financial statement disclosures in our Form 10-K for the fiscal year ended March 30, 2024. We use the same significant accounting policies in preparing quarterly and annual financial statements. For a description of our significant accounting policies followed in the preparation of the financial statements, see Note 1 of our Form 10-K for the fiscal year ended March 30, 2024. Due to the seasonal nature of our business, quarterly operating results and cash flows are not necessarily indicative of the results that may be expected for other interim periods or the full year. Fiscal year We operate on a 52/53 week fiscal year ending on the last Saturday in March. Fiscal year 2025 covers 52 weeks and fiscal year 2024 covered 53 weeks. Unless specifically indicated otherwise, any references to \$“2025\$“ or \$“fiscal 2025\$“ and \$“2024\$“ or \$“fiscal 2024\$“ relate to the years ending March 29, 2025 and March 30, 2024, respectively. Recent accounting pronouncements In September 2022, the Financial Accounting Standards Board (\$“FASB\$“) issued new accounting guidance which requires buyers in a supplier finance program to disclose sufficient qualitative and quantitative information about the program to allow a reader of the financial statements to understand the program\$“’s nature, activity during the period, changes from period to period and the program\$“’s potential magnitude. We retrospectively adopted this guidance during the first quarter of fiscal 2024, other than the roll forward information disclosure, which the Company will adopt with our fiscal 2025 annual filing. The adoption of this guidance does not have a material impact on our consolidated financial statements. In November 2023, the FASB issued new accounting guidance which requires expanding disclosure of significant segment expenses that are regularly provided to the chief operating decision maker and included within each reported measure of segment profit or loss, an amount and description of its composition for other segment items, and interim disclosures of a reportable segment\$“’s profit or loss and assets. This ASU is effective for annual periods beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption of this guidance is permitted. We are currently evaluating the impact of adopting this guidance. In December 2023, the FASB issued new accounting guidance which requires income tax disclosure updates, primarily by requiring specific categories and greater disaggregation within the rate reconciliation and disaggregation of income taxes paid by jurisdiction. Monro, Inc. Q2 2025 Form 10-Q8 Table of ContentsCONSOLIDATED FINANCIAL STATEMENTSNOTESÂ This guidance is effective for fiscal years beginning after December 15, 2024. Early adoption of this guidance is permitted. We are currently evaluating the impact of adopting this guidance. Other recent authoritative guidance issued by the FASB (including technical corrections to the Accounting Standards Codification (\$“ASC\$“)) and the SEC did not or are not expected to have a material effect on our consolidated financial statements. Supplemental information Property and equipment, net: Property and equipment balances are shown on the Consolidated Balance Sheets net of accumulated depreciation of \$427.9 million and \$444.9 million as of September 28, 2024 and March 30, 2024, respectively. Allowances for credit losses:Â The allowances for credit lossesÂ are maintained at levels that are considered adequate to cover expected credit lossesÂ over the remaining contractual life of the receivables using historical loss experience, asset specific risk characteristics, current conditions, as well as reasonable and supportable forecasts. Management performs detailed reviews of its receivables on a monthly basis, in order to assess the adequacy of the allowances and to determine if any impairment has occurred. A receivable generally has a credit lossÂ when it is expected that all amounts related to the receivable will not be collected according to the contractual terms of the agreement. Assets held for sale We classify long-lived assets to be sold as held for sale in the period in which all of the required criteria are met. We initially measure a long-lived asset that is classified as held for sale at the lower of its carrying value or fair value less any costs to sell. Any loss resulting from this measurement is recognized in the period in which the held-for-sale criteria are met. Conversely, gains are not recognized on the sale of a long-lived asset until the date of sale. Upon determining that a long-lived asset meets the criteria to be classified as held for sale, we cease depreciation and report long-lived assets, if material, as Assets held for sale in our Consolidated Balance Sheets. On June 1, 2023, we announced the planned sale of our corporate headquarters at 200 Hollender Parkway in Rochester, New York and our plan to relocate our corporate headquarters to another location in the greater Rochester area. We determined that the related assets met the criteria to be classified as held for sale as of March 30, 2024. On July 3, 2024, we completed the sale of our corporate headquarters. We received net proceeds of approximately \$9.1 million and recorded a net gain of approximately \$2.8 million in operating, selling, general and administrative expenses in our Consolidated Statements of Income and Comprehensive Income in the second quarter of fiscal 2025. Note 2 \$“ Divestiture On June 17, 2022, we completed the divestiture of assets relating to our wholesale tire operations (seven locations) and internal tire distribution operations to American Tire Distributors, Inc. (\$“ATD\$“). We received \$62 million from ATD at the closing of the transaction, of which \$5 million was held in escrow and subsequently paid in December 2023. The remaining \$40 million (\$“Earnout\$“) of the total consideration of \$102 million is being paid quarterly over approximately three years and is based on our tire purchases from or through ATD pursuant to a distribution and fulfillment agreement with ATD. We received \$8.5 million of the Earnout during the first six months of fiscal 2025, and the remaining \$6.8 million of the Earnout outstanding is recorded in Other current assets in our Consolidated Balance sheets as of September 28, 2024. On October 23, 2024, ATD filed for bankruptcy protection in the U.S. Bankruptcy Court for the District of Delaware. The company evaluated the allowance for expected credit losses and determined the allowance was not required for the quarters ended September 28, 2024 and September 23, 2023. Under a distribution agreement between us and ATD, ATD agreed to supply and sell tires to retail locations we own. After ATD satisfies the Earnout payments, our company-owned retail stores will be required to purchase at least 90 percent of their forecasted requirements for certain passenger car tires, light truck replacement tires, and medium truck tires from or through ATD. Any tires that ATD is unable to supply or fulfill from those categories will be excluded from the calculation of our requirements for tires. The initial term of the distribution agreement is five years after the completion of the Earnout Period, with automatic 12-month renewal periods thereafter. See Note 2 of our Form 10-K for the fiscal year ended March 30, 2024 for additional information. Monro, Inc. The difference from the statutory rate is primarily due to state taxes and the discrete tax impact related to share-based awards. Note 5 \$“ Fair Value Long-term debt had a carrying amount that approximates a fair value of \$62.0 million as of September 28, 2024, as compared to a carrying amount and a fair value of \$102.0 million as of March 30, 2024. The declaration of future dividends will be at the discretion of the Board of Directors and will depend on our financial condition, results of operations, capital requirements, compliance with charter and contractual restrictions, and such other factors as the Board of Directors deems relevant. Revenue from automotive undercar repair, tire replacement sales and tire related services is recognized at the time the customers take possession of their vehicle or merchandise. For sales to certain customers that are financed through the offering of credit on account, payment terms are established for customers based on our pre-established credit requirements. Payment terms may vary depending on the customer and generally are 30 days. Based on the nature of receivables, no significant financing components exist. Sales are recorded net of discounts, sales incentives and rebates, sales taxes and estimated returns and allowances. We estimate the reduction to sales and cost of sales for returns based on current sales levels and our historical return experience. Such amounts are immaterial to our consolidated financial statements. The commission we earn from these transactions is as an agent and the net amount retained is recorded as sales. Note 8 \$“ Long-term Debt Credit Facility In April 2019, we entered into a five-year \$600 million revolving credit facility agreement with eight banks (the \$“Credit Facility\$“) that includes an accordion feature permitting us to request an increase in availability of up to an additional \$250\$ million. In November 2022, we entered into a Third Amendment to the Credit Facility (the \$“Third Amendment\$“). The Third Amendment, among other things, extended the term of the Credit Facility to November 10, 2027, and amended certain of the financial terms in the Credit Facility. The Third Amendment amended the interest rate charged on borrowings to be based on 0.10 percent over the Secured Overnight Financing Rate (\$“SOFR\$“), replacing the previously used LIBOR. In addition, one additional bank was added to the bank syndicate for a total of nine banks now within the syndicate. See Note 6 of our Form 10-K for the fiscal year ended March 30, 2024 for additional information. Monro, Inc. Q2 2025 Form 10-Q11 Table of ContentsCONSOLIDATED FINANCIAL STATEMENTSNOTESÂ We are required to maintain an interest coverage ratio, as defined in the Credit Facility, of at least 1.55 to 1. In addition, our ratio of adjusted debt to EBITDA, as defined in the Credit Facility, cannot exceed 4.75 to 1, subject to certain exceptions under the Credit Facility. On May 23, 2024, we entered into an amendment (the \$“Fourth Amendment\$“) to our Credit Facility. The Fourth Amendment amends the terms of certain of the financial and restrictive covenants in the Credit Facility to provide us with additional flexibility to operate our business from the first quarter of fiscal 2025 through the fourth quarter of fiscal 2026 (the \$“Covenant Relief Period\$“). We may voluntarily exit the Covenant Relief Period at any time, which would revert the terms of the Credit Facility to the terms existing before the Fourth Amendment, with the exception of the modified definition of \$“EBITDA\$“, described below. During the Covenant Relief Period, the minimum interest coverage ratio will be reduced from 1.55x to 1.00x to: (a) 1.25x to 1.00x from the first quarter of fiscal 2025 through the first quarter of fiscal 2026; (b) 1.35x to 1.00x from the second quarter of fiscal 2026 through the fourth quarter of fiscal 2026; and (c) 1.55x to 1.00x for the first quarter of fiscal 2027 and thereafter. During the Covenant Relief Period, the maximum ratio of adjusted debt to EBITDA remains at 4.75x to 1.00x, except that, if we completed a qualified acquisition during the Covenant Relief Period, the maximum ratio would increase to 5.00x to 1.00x for a certain 12-month period after the qualified acquisition. In addition, the Fourth Amendment modifies the definition of \$“EBITDA\$“ to permit add-backs relating to expenses, and restrict add-backs related to gains, associated with store closures of (a) all non-cash items and (b) cash items up to 20% of EBITDA from the first quarter of fiscal 2025 through the fourth quarter of fiscal 2026 and up to 15% of EBITDA from the first quarter of fiscal 2027 and thereafter. During the Covenant Relief Period, the interest rate spread charged on borrowings increases by 25 basis points. During the Covenant Relief Period, the restrictions on our ability to declare dividends were modified to reduce the cushion inside the threshold required for us to be able to declare dividends without restriction from 0.50x to 0.25x. In addition, during the Covenant Relief Period, we must have minimum liquidity of at least \$400 million to declare dividends. We are prohibited from repurchasing our securities during the Covenant Relief Period if there are outstanding amounts under the Credit Facility immediately before or after giving effect to the repurchase. During the Covenant Relief Period, we may acquire stores or other businesses as long as we have minimum liquidity of at least \$400 million after completing the acquisition. We were in compliance with all debt covenants at September 28, 2024. Except as amended by the First Amendment, Second Amendment, Third Amendment and Fourth Amendment, the remaining terms of the Credit Facility remain in full force and effect. Within the Credit Facility, we have a sub-facility of \$80 million available for the purpose of issuing standby letters of credit. The sub-facility requires fees aggregating 87.5 to 212.5 basis points annually of the face amount of each standby letter of credit, payable quarterly in arrears. There was a \$30.1 million outstanding letter of credit at September 28, 2024. There was \$62.0 million outstanding and \$507.9 million available under the Credit Facility at September 28, 2024. Monro, Inc. Q2 2025 Form 10-Q12 Table of ContentsCONSOLIDATED FINANCIAL STATEMENTSNOTESAs additional information becomes available, any potential liability related to these matters is assessed and the estimates are revised, if necessary. Litigation is subject to inherent uncertainties, and unfavorable rulings could occur and may include monetary damages. If an unfavorable ruling were to occur, there exists the possibility of a material adverse impact on the financial position and results of operations of the period in which any such ruling occurs, or in future periods. Note 10 "Supplier Finance Program We facilitate a voluntary supply chain financing program to provide our suppliers with the opportunity to sell receivables due from us (our accounts payable) to a participating financial institution at the sole discretion of both the supplier and the financial institution. Should a supplier choose to participate in the program, it may receive payment from the financial institution in advance of agreed payment terms; our responsibility is limited to making payments to the respective financial institution on the terms originally negotiated with our supplier, which are generally for a term of 360 days. We have concluded that the program is a trade payable program and not indicative of a borrowing arrangement. Our outstanding supplier obligations eligible for advance payment under the program totaled \$234.7 million, \$167.2 million, and \$187.9 million as of September 28, 2024, March 30, 2024, and September 23, 2023, respectively, and are included within Accounts Payable on our Consolidated Balance Sheets. Our outstanding supplier obligations do not represent actual receivables sold by our suppliers to the financial institutions, which may be lower. Note 11 "Equity Capital Structure Reclassification On May 12, 2023, we entered into a reclassification agreement (the "Reclassification Agreement") with the holders (the "Class C Holders") of our Class C Convertible Preferred Stock (the "Class C Preferred Stock") to reclassify our equity capital structure to eliminate the Class C Preferred Stock. Under the Reclassification Agreement, after receiving shareholder approval on August 15, 2023, we filed amendments to our certificate of incorporation (the "Certificate of Incorporation") to create a mandatory conversion of any outstanding shares of Class C Preferred Stock prior to an agreed sunset date of the earliest of (i) August 15, 2026; (ii) the first business day immediately prior to the record date established for the determination of the shareholders of the Company entitled to vote at the Company's 2026 annual meeting of shareholders; and (iii) the date on which the Class C Holders, in the aggregate, cease to beneficially own at least 50% of all shares of the Class C Preferred Stock issued and outstanding as of May 12, 2023. In exchange for this sunset of the Class C Preferred Stock, the conversion rate of Class C Preferred Stock was adjusted so that each share of Class C Preferred Stock will convert into 61.275 shares of common stock (the "adjusted conversion rate"), an increase from the prior conversion rate of 23.389 shares of common stock for each share of Class C Preferred Stock under the Certificate of Incorporation. At the end of the sunset period, all shares of Class C Preferred Stock remaining outstanding will be automatically converted into shares of common stock at the adjusted conversion rate. In addition, the liquidation preference for the Class C Preferred Stock was amended to provide that, upon a liquidation event, each holder of Class C Preferred Stock would be entitled to receive, for each share of Class C Preferred Stock held by the holder upon a liquidation, dissolution, or winding up of the affairs of the Company, an amount equal to the greater of \$1.50 per share and the amount the holder would have received had each share of Class C Preferred Stock been converted to shares of common stock immediately prior to the liquidation, dissolution, or winding up. There was no Class C Preferred Stock converted during fiscal 2025 or 2024. The Reclassification Agreement also provides that, during the sunset period, the Class C Holders will have the right to appoint one member of the Board of Directors. This designee is expected to be Peter J. Solomon, who is one of the Company's current directors and one of the Class C Holders. We have determined the amendments to the Class C Preferred Stock, because of the Reclassification Agreement, should be accounted for as a modification. Monro, Inc. Q2 2025 Form 10-Q13 Table of ContentsMANAGEMENT'S DISCUSSION AND ANALYSISItem 2. Management's Discussion and Analysis of Financial Condition and Results of Operations Recent Developments On July 3, 2024, we completed the sale of our corporate headquarters. We received net proceeds of approximately \$9.1 million and recorded a net gain of approximately \$2.8 million. See additional discussion in Note 1 to our consolidated financial statements. On October 23, 2024, American Tire Distributors, Inc. ("ATD"), one of our vendors for tires, filed for bankruptcy protection in the U.S. Bankruptcy Court for the District of Delaware. While ATD has proposed restructuring its business with the support of its lenders, uncertainty exists about how our distribution and fulfillment agreement with ATD will be treated in the proceeding and whether and when we will receive the remaining \$6.8 million in earned payments from our divestiture of assets to ATD. We intend to seek the remaining earned payments and future performance under the distribution agreement with ATD so that we will be able to continue to provide high-quality service to our guests. Economic Conditions The United States economy has experienced higher inflation during fiscal 2024 and into fiscal 2025 and there are market expectations that consumer prices may remain at elevated levels for a sustained period. In addition, labor availability has continued to be constrained and market labor costs have continued to increase. These conditions may give rise to an economic slowdown, and perhaps a recession, and could further increase our costs and/or impact our revenues. It is unclear whether the current economic conditions and government responses to these conditions, including inflation, changing interest rates, and geopolitical uncertainty, will result in an economic slowdown or recession in the United States. If that occurs, demand for our products and services may further decline, possibly significantly, which may significantly and adversely impact our business, results of operations and financial position. Financial Summary Second quarter 2025 included the following notable items: i. Diluted earnings per common share ("EPS") were \$0.18 i. Adjusted diluted EPS, a non-GAAP measure, were \$0.17 i. Sales decreased 6.4 percent, due to lower overall comparable store sales resulting from lower store traffic i. Comparable store sales decreased 5.8 percent i. Operating income of \$13.2 million was 40.9 percent lower than the comparable prior-year period i. Net income was \$5.6 million i. Adjusted net income, a non-GAAP measure, was \$5.2 million. Earnings Per Common Share Three Months Ended Six Months Ended September 28, 2024 September 23, 2023 Change September 28, 2024 September 23, 2023 Change Diluted EPS \$ 0.18 \$ 0.40 (55.0)% \$ 0.37 \$ 0.68 (45.6)% Adjustments (0.02) 0.01 0.02 0.04 Adjusted diluted EPS \$ 0.17 \$ 0.41 (58.5)% \$ 0.39 \$ 0.72 (45.8)% Note: Amounts may not foot due to rounding. Adjusted net income and adjusted diluted EPS, each of which is a measure not derived in accordance with GAAP, exclude the impact of certain items. Management believes that adjusted net income and adjusted diluted EPS are useful in providing period-to-period comparisons of the results of our operations by excluding certain non-recurring items, such as costs related to closed store impairment charges, store closing costs, transition costs related to back-office optimization, shareholder matters from our equity capital structure recapitalization, and a gain on sale of corporate headquarters net of closing and relocation costs. Reconciliations of these non-GAAP financial measures to GAAP measures are provided beginning on page 17 under "Adjusted Non-GAAP Financial Measures." We define comparable store sales as sales for locations that have been opened or owned at least one full fiscal year. We believe this period is generally required for new store sales levels to begin to normalize. Management uses comparable store sales to assess the operating performance of the Company's stores and believes the metric is useful to investors because our overall results are dependent upon the results of our stores. Comparable sales measures vary across the retail industry. Therefore, our comparable store sales calculation is not necessarily comparable to similarly titled measures reported by other companies. See Note 7 to our consolidated financial statements for further information. We use comparable store sales to evaluate the performance of our existing stores by measuring the change in sales for a period over the comparable, prior-year period of equivalent length. There were 91 selling days in the three months ended September 28, 2024 and in the three months ended September 23, 2023, and 181 selling days in the six months ended September 28, 2024 and in the six months ended September 23, 2023. Sales growth "from both comparable store sales and new stores " represents an important driver of our long-term profitability. We expect that comparable store sales growth will significantly impact our total sales growth. We believe that our ability to successfully differentiate our customers', often referred to as "guests", experience through a careful combination of merchandise assortment, price strategy, convenience, and other factors will, over the long-term, drive both increasing guest traffic and the average ticket amount spent. An increase in battery sales of 20% and 8% in the three months and six months ended September 28, 2024, respectively, slightly offsets the decrease in sales. The following table shows the primary drivers of the change in sales for the three months and six months ended September 28, 2024, as compared to the same period ended September 23, 2023. Material costs increased, as a percentage of sales, due primarily to mix within tires. Occupancy costs increased, as a percentage of sales, as we lost leverage on these largely fixed costs with lower overall comparable store sales. Partially offsetting this was a decrease in technician labor costs, as a percentage of sales, due primarily to improvements in labor productivity and efficiency. Gross profit, as a percentage of sales, increased 100 basis points for the six months ended September 28, 2024, as compared to the prior year comparable period. The other adjustments to diluted EPS reflect estimated annual effective income tax rates of 27.3 percent and 25.8 percent for the three months ended September 28, 2024 and September 23, 2023, respectively and 27.1 percent and 25.3 percent for the six months ended September 28, 2024 and September 23, 2023, respectively. These estimated annual effective income tax rates exclude the income tax impacts from share-based compensation. See adjustments from the Reconciliation of Adjusted Net Income table above for pre-tax amounts. Analysis of Financial Condition Liquidity and Capital Resources Capital Allocation We expect to continue to generate positive operating cash flow as we have done in each of the last three fiscal years. The cash we generate from our operations will allow us to continue to support business operations as well as invest in opportunities intended to drive long-term sustainable growth, pay down debt, and return cash to our shareholders through our dividend program. In addition, because we believe a large portion of our future expenditures will be to fund our growth, through acquisition of retail stores and/or opening greenfield stores, we continually evaluate our cash needs and may decide it is best to fund the growth of our business through borrowings on our Credit Facility. Conversely, we may also periodically determine that it is in our best interests to voluntarily repay certain indebtedness early. Monro, Inc. Q2 2025 Form 10-Q18 Table of ContentsMANAGEMENTa€"S DISCUSSION AND ANALYSISa Future Cash Requirements We currently expect our capital expenditures to support our projects, including upgrading our facilities and systems, to be \$25 million to \$35 million in the aggregate in fiscal 2025. Additionally, we have contractual finance lease and operating lease commitments with landlords through October 2040 for \$477.4 million in lease payments, of which \$96.6 million is due within one year. For details regarding these lease commitments, see Note 9 to our consolidated financial statements. As of September 28, 2024, we had \$62.0 million outstanding under the Credit Facility, none of which is due in the succeeding 12 months. For details regarding our indebtedness that is due, see Note 8 to our consolidated financial statements. Dividends We paid cash dividends of \$0.28 per share totaling \$8.7 million and \$8.9 million for the three months ended September 28, 2024 and September 23, 2023, respectively, and \$0.56 per share totaling \$17.4 million and \$17.9 million for the six months ended September 28, 2024 and September 23, 2023, respectively. Working Capital Management As of September 28, 2024, we had a working capital deficit of \$234.7 million, an increase of \$32.8 million from a deficit of \$201.9 million as of March 30, 2024. The overall working capital deficit is a result of our supply chain finance program. We have agreed to contractual payment terms and conditions with our suppliers. As part of our working capital management, we facilitate a voluntary supply chain finance program to provide our suppliers with the opportunity to sell receivables due from Monro to a participating financial institution. For details regarding our supply chain finance program, see Note 10 to our consolidated financial statements. Sources and Conditions of Liquidity Our sources to fund our material cash requirements are predominantly cash from operations, availability under our Credit Facility, and cash and equivalents on hand. As of September 28, 2024, we had \$20.9 million of cash and equivalents. In addition, we had \$507.9 million available under the Credit Facility as of September 28, 2024. We believe that our current sources of funds will provide us with adequate liquidity during the 12-month period following September 28, 2024, as well as in the long-term. Summary of Cash Flows The following table presents a summary of our cash flows from operating, investing, and financing activities. Summary of Cash Flows Six Months Ended (thousands) September 28, 2024 September 23, 2023 Cash provided by operating activities \$ 88,197A \$ 98,307A Cash provided by (used for) investing activities 4,638A (6,667) Cash used for financing activities (78,537) (87,471) Increase in cash and equivalents 14,298A 4,169A Cash and equivalents at beginning of period 6,561A 4,884A Cash and equivalents at end of period \$ 20,859A \$ 9,053A Cash provided by operating activities For the six months ended September 28, 2024, cash provided by operating activities was \$88.2 million, which consisted of net income of \$11.5 million, increased by non-cash adjustments of \$39.0 million and net change in operating assets and liabilities of \$37.7 million. The non-cash charges were largely driven by \$35.2 million of depreciation and amortization, as well as \$3.4 million in deferred income tax expense. The change in operating assets and liabilities was primarily due to our supply chain finance program being a source of cash as we improved our cash flow by \$67.5 million. This was partially offset by accrued expenses and other current assets being a use of cash of \$17.0 million, as well as our inventory balance being a use of cash of \$7.7 million. For the six months ended September 24, 2023, cash provided by operating activities was \$98.3 million, which consisted of net income of \$21.7 million, adjusted by non-cash charges of \$42.8 million and by a change in operating assets and liabilities of \$33.9 million. The non-cash charges were largely driven by \$36.5 million of depreciation and amortization, as well as \$5.7 million in deferred income tax Monro, Inc. Q2 2025 Form 10-Q19 Table of ContentsMANAGEMENTa€"S DISCUSSION AND ANALYSISa expense. The change in operating assets and liabilities was primarily due to our supply chain finance program being a source of cash as we improved our cash flow by \$28.6 million. Additionally, the change in operating assets and liabilities was also partially due to accounts payable and accrued liabilities, net of vendor rebate receivables, being a source of cash of \$6.9 million driven by timing of payments. Cash used for investing activities For the six months ended September 28, 2024, cash provided by investing activities was \$4.6 million. This was primarily due to cash provided by payments from the disposal of property and equipment, including the proceeds related to the sale of our corporate headquarters, for \$9.9 million, and cash provided by the earnout payment from the sale of our wholesale tire locations and distribution assets of \$8.5 million. This was partially offset by cash used for capital expenditures, including property and equipment, of \$13.8 million. For the six months ended September 23, 2023, cash used for investing activities was \$6.7 million. This was primarily due to cash used for capital expenditures, including property and equipment, of \$15.7 million, partially offset by cash provided by the earnout payment from the sale of our wholesale tire locations and distribution assets and the disposal of property and equipment of \$7.3 million and \$1.7 million, respectively. Cash used for financing activities For the six months ended September 28, 2024, cash used for financing activities was \$78.5 million, which was primarily due to payment on our Credit Facility, net of amounts borrowed during the period, of \$40.0 million, as well as payment of finance lease principal and dividends of \$20.0 million and \$17.4 million, respectively. For the six months ended September 23, 2023, cash used for financing activities was \$87.5 million, which was primarily due to payment on our Credit Facility, net of amounts borrowed during the period, of \$50.0 million, as well as payment of finance lease principal and dividends of \$19.6 million and \$17.9 million, respectively. Critical Accounting Estimates The consolidated financial statements are prepared in accordance with GAAP. The preparation of the consolidated financial statements requires us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues, costs and expenses, and related disclosures. We base our estimates on historical experience, as appropriate, and on various other assumptions that we believe to be reasonable under the circumstances. Changes in the accounting estimates are reasonably likely to occur from period to period. Accordingly, actual results could differ significantly from the estimates made by management. We evaluate our estimates and assumptions on an ongoing basis. To the extent that there are material differences between these estimates and actual results, our future financial statement presentation, financial condition, results of operations, and cash flows may be affected. For a description of our critical accounting estimates, refer to Part II, Item 7., a€"Management's Discussion and Analysis of Financial Condition and Results of Operationsa€" of our Form 10-K for the fiscal year ended March 30, 2024. There have been no material changes to our critical accounting estimates since our Form 10-K for the year ended March 30, 2024. Recent Accounting Pronouncements See a€"Recent Accounting Pronouncementsa€" in Note 1 to our consolidated financial statements for a discussion of the impact of recently issued accounting standards on our consolidated financial statements as of September 28, 2024 and the expected impact on the consolidated financial statements for future periods. Monro, Inc. Q2 2025 Form 10-Q21 Table of ContentsDISCLOSURES ABOUT MARKET RISK & CONTROLS AND PROCEDURESa Item 3. Quantitative and Qualitative Disclosures about Market Risk We are exposed to market risk from potential changes in interest rates. As of September 28, 2024, excluding finance leases and financing obligations, we had no debt financing at fixed interest rates, for which the fair value would be affected by changes in market interest rates. Our cash flow exposure on floating rate debt would result in annual interest expense fluctuations of approximately \$0.6A million based upon our debt position at September 28, 2024 and approximately \$1.0A million based upon our debt position at March 30, 2024, given a change in SOFR of 100 basis points. Debt financing had a carrying amount that approximates a fair value of \$62.0A million as of September 28, 2024, as compared to a carrying amount and a fair value of \$102.0A million as of March 30, 2024. Item 4. Controls and Procedures Evaluation of Disclosure Controls and Procedures We maintain disclosure controls and procedures that are designed to ensure that information required to be disclosed in reports that we file or submit to the SEC pursuant to the Securities Exchange Act of 1934, as amended (the a€"Exchange Acta€"), is recorded, processed, summarized and reported within the time periods specified in the SECa€"s rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. In conjunction with the close of each fiscal quarter and under the supervision of our Chief Executive Officer (our principal executive officer) and Chief Financial Officer (our principal financial officer), we conduct an update, a review and an evaluation of the effectiveness of our disclosure controls and procedures. It is the conclusion of our Chief Executive Officer and Chief Financial Officer, based upon an evaluation completed as of the end of the most recent fiscal quarter reported on herein, that our disclosure controls and procedures were effective. Changes in Internal Controls Over Financial Reporting There were no changes in our internal control over financial reporting during the quarter ended September 28, 2024 that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. the lower of its carrying value or fair value less any costs to sell. Any loss resulting from this measurement is recognized in the period in which the held-for-sale criteria are met. Conversely, gains are not recognized on the sale of a long-lived asset until the date of sale. Upon determining that a long-lived asset meets the criteria to be classified as held for sale, we cease depreciation and report long-lived assets, if material, as Assets held for sale in our Consolidated Balance Sheets. On June 1, 2023, we announced the planned sale of our corporate headquarters at 200 Hollister Parkway in Rochester, New York and our plan to relocate our corporate headquarters to another location in the greater Rochester area. We determined that the related assets met the criteria to be classified as held for sale as of March 30, 2024. On July 3, 2024, we completed the sale of our corporate headquarters. We received net proceeds of approximately \$9.1 million and recorded a net gain of approximately \$2.8 million in operating, selling, general and administrative expenses in our Consolidated Statements of Income and Comprehensive Income in the second quarter of fiscal 2025. revenue (10,914)Balance at September 28, 2024 \$ 21,193Â As of September 28, 2024, we expect to recognize \$9.0 million of deferred revenue related to road hazard warranty agreements in the remainder of fiscal 2025, \$9.3Â million of deferred revenue during our fiscal year ending MarchÂ 28, 2026, and \$2.9Â million of deferred revenue thereafter. Under various arrangements, we receive from certain tire vendors a delivery commission and reimbursement for the cost of the tire that we may deliver to customers on behalf of the tire vendor. The commission we earn from these transactions is as an agent and the net amount retained is recorded as sales. In November 2022, we entered into a Third Amendment to the Credit Facility (the â€Third Amendmentâ€). The Third Amendment, among other things, extended the term of the Credit Facility to November 10, 2027, and amended certain of the financial terms in the Credit Facility. The Third Amendment amended the interest rate charged on borrowings to be based on 0.10 percent over the Secured Overnight Financing Rate (â€SOFRâ€), replacing the previously used LIBOR. In addition, one additional bank was added to the bank syndicate for a total of nine banks now within the syndicate. See Note 6 of our Form 10-K for the fiscal year ended March 30, 2024 for additional information. We are required to maintain an interest coverage ratio, as defined in the Credit Facility, of at least 1.55 to 1. In addition, our ratio of adjusted debt to EBITDAR, as defined in the Credit Facility, cannot exceed 4.75 to 1, subject to certain exceptions under the Credit Facility. On May 23, 2024, we entered into an amendment (the â€Fourth Amendmentâ€) to our Credit Facility. The Fourth Amendment amends the terms of certain of the financial and restrictive covenants in the Credit Facility to provide us with additional flexibility to operate our business from the first quarter of fiscal 2025 through the fourth quarter of fiscal 2026 (the â€Covenant Relief Periodâ€). We may voluntarily exit the Covenant Relief Period at any time, which would revert the terms of the Credit Facility to the terms existing before the Fourth Amendment, with the exception of the modified definition of â€EBITDAR,â€ described below. During the Covenant Relief Period, the minimum interest coverage ratio will be reduced from 1.55x to 1.00x to: (a) 1.25x to 1.00x from the first quarter of fiscal 2025 through the first quarter of fiscal 2026; (b) 1.35x to 1.00x from the second quarter of fiscal 2026 through the fourth quarter of fiscal 2026; and (c) 1.55x to 1.00x for the first quarter of fiscal 2027 and thereafter. During the Covenant Relief Period, the maximum ratio of adjusted debt to EBITDAR remains at 4.75x to 1.00x, except that, if we completed a qualified acquisition during the Covenant Relief Period, the maximum ratio would increase to 5.00x to 1.00x for a certain 12-month period after the qualified acquisition. In addition, the Fourth Amendment modifies the definition of â€EBITDARâ€ to permit add-backs relating to expenses, and restrict add-backs related to gains, associated with store closures of (a) all non-cash items and (b) cash items up to 20% of EBITDA from the first quarter of fiscal 2025 through the fourth quarter of fiscal 2026 and up to 15% of EBITDA from the first quarter of fiscal 2027 and thereafter. During the Covenant Relief Period, the interest rate spread charged on borrowings increases by 25 basis points. During the Covenant Relief Period, the restrictions on our ability to declare dividends were modified to reduce the cushion inside the threshold required for us to be able to declare dividends without restriction from 0.50x to 0.25x. In addition, during the Covenant Relief Period, we must have minimum liquidity of at least \$400 million to declare dividends. We are prohibited from repurchasing our securities during the Covenant Relief Period if there are outstanding amounts under the Credit Facility immediately before or after giving effect to the repurchase. During the Covenant Relief Period, we may acquire stores or other businesses as long as we have minimum liquidity of at least \$400 million after completing the acquisition. We were in compliance with all debt covenants at September 28, 2024. Except as amended by the First Amendment, Second Amendment, Third Amendment and Fourth Amendment, the remaining terms of the Credit Facility remain in full force and effect. Within the Credit Facility, we have a sub-facility of \$80 million available for the purpose of issuing standby letters of credit. The sub-facility requires fees aggregating 8.75 to 212.5 basis points annually of the face amount of each standby letter of credit, payable quarterly in arrears. There was a \$30.1 million outstanding letter of credit at September 28, 2024. There was \$62.0 million outstanding and \$507.9 million available under the Credit Facility at September 28, 2024. Under the Reclassification Agreement, after receiving shareholder approval on August 15, 2023, we filed amendments to our certificate of incorporation (the â€Certificate of Incorporationâ€) to create a mandatory conversion of any outstanding shares of Class C Preferred Stock prior to an agreed sunset date of the earliest of (i)Â August 15, 2026; (ii) the first business day immediately prior to the record date established for the determination of the shareholders of the Company entitled to vote at the Companyâ€™s 2026 annual meeting of shareholders; and (iii)Â the date on which the ClassÂ C Holders, in the aggregate, cease to beneficially own at least 50% of all shares of the ClassÂ C Preferred Stock issued and outstanding as of May 12, 2023. In exchange for this sunset of the Class C Preferred Stock, the conversion rate of Class C Preferred Stock was adjusted so that each share of Class C Preferred Stock will convert into 61.275 shares of common stock (the â€adjusted conversion rateâ€), an increase from the prior conversion rate of 23.389 shares of common stock for each share of Class C Preferred Stock under the Certificate of Incorporation. At the end of the sunset period, all shares of Class C Preferred Stock remaining outstanding will be automatically converted into shares of common stock at the adjusted conversion rate. In addition, the liquidation preference for the Class C Preferred Stock was amended to provide that, upon a liquidation event, each holder of Class C Preferred Stock would be entitled to receive, for each share of ClassÂ C Preferred Stock held by the holder upon a liquidation, dissolution, or winding up of the affairs of the Company, an amount equal to the greater of \$1.50 per share and the amount the holder would have received had each share of ClassÂ C Preferred Stock been converted to shares of common stock immediately prior to the liquidation, dissolution, or winding up. There was no Class C Preferred Stock converted during fiscal 2025 or 2024. The Reclassification Agreement also provides that, during the sunset period, the Class C Holders will have the right to appoint one member of the Board of Directors. This designee is expected to be Peter J. Solomon, who is one of the Companyâ€™s current directors and one of the Class C Holders. We have determined the amendments to the Class C Preferred Stock, because of the Reclassification Agreement, should be accounted for as a modification. Monro had 1,272 Company-operated retail stores located in 32 states and 49 Car-X franchised locations as of September 28, 2024. A certain number of our retail locations also service commercial customers. Our locations that serve commercial customers generally operate consistently with our other retail locations, except that the sales mix for these locations includes a higher number of commercial tires. Monroâ€™s operations are organized and managed as one single segment designed to offer to our customers replacement tires and tire related services, automotive undercar repair services as well as a broad range of routine maintenance services, primarily on passenger cars, light trucks and vans. We also provide other products and services for brakes; mufflers and exhaust systems; and steering, drive train, suspension and wheel alignment. Basis of Presentation Basis of presentation The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with the rules and regulations of the Securities and Exchange Commission (â€SECâ€) applicable to interim financial statements. While these statements reflect all adjustments (consisting of items of a normal recurring nature) that are, in the opinion of management, necessary for a fair statement of the results of the interim period, they do not include all of the information and footnotes required by United States generally accepted accounting principles (â€GAAPâ€) for complete financial statement presentation. The consolidated financial statements should be read in conjunction with the financial statement disclosures in our Form 10-K for the fiscal year ended March 30, 2024. We use the same significant accounting policies in preparing quarterly and annual financial statements. For a description of our significant accounting policies followed in the preparation of the financial statements, see Note 1 of our Form 10-K for the fiscal year ended March 30, 2024. Due to the seasonal nature of our business, quarterly operating results and cash flows are not necessarily indicative of the results that may be expected for other interim periods or the full year. Fiscal Year Fiscal year We operate on a 52/53 week fiscal year ending on the last Saturday in March. Fiscal year 2025 covers 52 weeks and fiscal year 2024 covered 53 weeks. Unless specifically indicated otherwise, any references to â€2025â€ or â€fiscal 2025â€ and â€2024â€ or â€fiscal 2024â€ relate to the years ending March 29, 2025 and March 30, 2024, respectively. Recent Accounting Pronouncements Recent accounting pronouncements In September 2022, the Financial Accounting Standards Board (â€FASBâ€) issued new accounting guidance which requires buyers in a supplier finance program to disclose sufficient qualitative and quantitative information about the program to allow a reader of the financial statements to understand the programâ€™s nature, activity during the period, changes from period to period and the programâ€™s potential magnitude. We retrospectively adopted this guidance during the first quarter of fiscal 2024, other than the roll forward information disclosure, which the Company will adopt with our fiscal 2025 annual filing. The adoption of this guidance does not have a material impact on our consolidated financial statements. In November 2023, the FASB issued new accounting guidance which requires expanding disclosure of significant segment expenses that are regularly provided to the chief operating decision maker and included within each reported measure of segment profit or loss, an amount and description of its composition for other segment items, and interim disclosures of a reportable segmentâ€™s profit or loss and assets. This

ASU is effective for annual periods beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption of this guidance is permitted. We are currently evaluating the impact of adopting this guidance. In December 2023, the FASB issued new accounting guidance which requires income tax disclosure updates, primarily by requiring specific categories and greater disaggregation within the rate reconciliation and disaggregation of income taxes paid by jurisdiction. This guidance is effective for fiscal years beginning after December 15, 2024. Early adoption of this guidance is permitted. We are currently evaluating the impact of adopting this guidance. Other recent authoritative guidance issued by the FASB (including technical corrections to the Accounting Standards Codification (          )) and the SEC did not or are not expected to have a material effect on our consolidated financial statements. Property and Equipment, Net Property and equipment, net: Property and equipment balances are shown on the Consolidated Balance Sheets net of accumulated depreciation of \$427.9 million and \$444.9 million as of September 28, 2024 and March 30, 2024, respectively. Allowance for Credit Losses Allowances for  credit losses:  The allowances for  credit losses  are maintained at levels that are considered adequate to cover expected  credit losses  over the remaining contractual life of the receivables using historical loss experience, asset specific risk characteristics, current conditions, as well as reasonable and supportable forecasts. Management performs detailed reviews of its receivables on a monthly basis, in order to assess the adequacy of the allowances and to determine if any impairment has occurred. A receivable generally has  credit losses  when it is expected that all amounts related to the receivable will not be collected according to the contractual terms of the agreement. Assets Held for Sale Assets held for sale We classify long-lived assets to be sold as held for sale in the period in which all of the required criteria are met. We initially measure a long-lived asset that is classified as held for sale at the lower of its carrying value or fair value less any costs to sell. Any loss resulting from this measurement is recognized in the period in which the held-for-sale criteria are met. Conversely, gains are not recognized on the sale of a long-lived asset until the date of sale. Upon determining that a long-lived asset meets the criteria to be classified as held for sale, we cease depreciation and report long-lived assets, if material, as Assets held for sale in our Consolidated Balance Sheets. On June 1, 2023, we announced the planned sale of our corporate headquarters at 200 Hollender Parkway in Rochester, New York and our plan to relocate our corporate headquarters to another location in the greater Rochester area. We determined that the related assets met the criteria to be classified as held for sale as of March 30, 2024. On July 3, 2024, we completed the sale of our corporate headquarters. We received net proceeds of approximately \$9.1 million and recorded a net gain of approximately \$2.8 million in operating, selling, general and administrative expenses in our Consolidated Statements of Income and Comprehensive Income in the second quarter of fiscal 2025. ("ATD"). We received \$ 62 million from ATD at the closing of the transaction, of which \$ 5.5 million was held in escrow and subsequently paid in December 2023. The remaining \$ 40 million of the total consideration of \$ 102 million is being paid quarterly over approximately three years 8.5 million of the Earnout during the first six months of fiscal 2025, and the remaining \$ 6.8 million of the Earnout outstanding is recorded in Other current assets in our Consolidated Balance sheets as of September 28, 2024. On October 23, 2024, ATD filed for bankruptcy protection in the U.S. Bankruptcy Court for the District of Delaware. The company evaluated the allowance for expected credit losses and determined the allowance was not required for the quarters ended September 28, 2024 and September 23, 2023. Under a distribution agreement between us and ATD, ATD agreed to supply and sell tires to retail locations we own. After ATD satisfies the Earnout payments, our company-owned retail stores will be required to purchase at least 90 percent of their forecasted requirements for certain passenger car tires, light truck replacement tires, and medium truck tires from or through ATD. Any tires that ATD is unable to supply or fulfill from those categories will be excluded from the calculation of our requirements for tires. The initial term of the distribution agreement is five years 12 month renewal periods thereafter.
