Regional Management Corp. and Subsidiaries
Notes to Consolidated Financial Statements

Note 1. Nature of Business

Regional Management Corp. (the "Company") was incorporated and began operations in 1987. The Company is engaged in the consumer finance business, offering small loans, large loans, and related payment and collateral protection insurance products. The Company formerly offered retail loans but ceased accepting applications for retail loan products effective November 2022. The Company continues to own and service its existing portfolio of retail loans. As of March 31, 2023, the Company operated under the name "Regional Finance" online and in branch locations in 19 states across the United States.

The Company's small loan portfolio is comprised of branch small loan receivables and convenience check receivables. Branch small loan receivables are direct loans to customers and are secured by non-essential household goods and, in some instances, an automobile. Convenience checks are direct loans originated by mailing checks to customers based on a pre-screening process that includes a review of the prospective customer's credit profile provided by national credit reporting bureaus or data aggregators. A recipient of a convenience check is able to enter into a loan by endorsing and depositing or cashing the check. Large loan receivables are direct loans to customers, some of which are convenience check receivables and the vast majority of which are secured by non-essential household goods, automobiles, and/or other vehicles. Retail loan receivables consist principally of retail installment sales contracts collateralized by the purchased furniture, appliances, and other retail items and are initiated by and purchased from retailers, subject to the Company's credit approval.

The Company's loan volume and contractual delinquency follow seasonal trends. Demand for the Company's small and large loans is typically highest during the second, third, and fourth quarters, which the Company believes is largely due to customers borrowing money for vacation, back-to-school, and holiday spending. Loan demand has generally been the lowest during the first quarter, which the Company believes is largely due to the timing of income tax refunds. Delinquencies generally reach their lowest point in the first half of the year and rise in the second half of the year. Changes in quarterly growth or liquidation could result in larger allowance for credit loss releases in periods of portfolio liquidation, and larger provisions for credit losses in periods of portfolio growth. Consequently, the Company experiences seasonal fluctuations in its operating results. However, changes in macroeconomic factors, including inflation, rising interest rates, and geopolitical conflict, have impacted the Company's typical seasonal trends for loan volume and delinquency.

Note 2. Basis of Presentation and Significant Accounting Policies

Basis of presentation: The consolidated financial statements of the Company have been prepared in accordance with the Securities and Exchange Commission (the "SEC") regulations and U.S. Generally Accepted Accounting Principles ("GAAP") for interim financial information and, accordingly, do not include all information and note disclosures required by GAAP for complete financial statements. The interim financial statements in this Quarterly Report on Form 10-Q have not been audited by an independent registered public accounting firm in accordance with standards of the Public Company Accounting Oversight Board (United States), but in the opinion of management, the interim financial statements include all adjustments, consisting only of normal recurring adjustments, necessary for a fair presentation of the Company's financial position, results of operations, and cash flows in accordance with GAAP. These consolidated financial statements should be read in conjunction with the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2022, as filed with the SEC.

Significant accounting policies: The following is a description of significant accounting policies used in preparing the financial statements. The accounting and reporting policies of the Company are in accordance with GAAP.

Principles of consolidation: The consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation. The Company operates through a separate wholly owned subsidiary in each state. The Company also consolidates variable interest entities (each, a "VIE") when it is considered to be the primary beneficiary of the VIE because it has (i) power over the significant activities of the VIE and (ii) the obligation to absorb losses or the right to receive returns that could be significant to the VIE.

Variable interest entities: The Company transfers pools of loans to wholly owned, bankruptcy-remote, special purpose entities (each, an "SPE") to secure debt for general funding purposes. These entities have the limited purpose of acquiring finance receivables and holding and making payments on the related debts. Assets transferred to each SPE are legally isolated from the Company and its affiliates, as well as the claims of the Company's and its affiliates' creditors. Further, the assets of each SPE are owned by such SPE and are not available to satisfy the debts or other obligations of the Company or any of its affiliates. The Company continues to service the finance receivables transferred to the SPEs. The lenders and investors in the debt issued by the SPEs generally only have recourse to the assets of the SPEs and do not have recourse to the general credit of the Company.

The SPEs' debt arrangements are structured to provide credit enhancements to the lenders and investors, which may include overcollateralization, subordination of interests, excess spread, and reserve funds. These enhancements, along with the isolated finance receivables pools, increase the creditworthiness of the SPEs above that of the Company as a whole. This increases the marketability of the Company's collateral for borrowing purposes, leading to more favorable borrowing terms, improved interest rate risk management, and additional flexibility to grow the business.

The SPEs are considered VIEs under GAAP and are consolidated into the financial statements of their primary beneficiary. The Company is considered to be the primary beneficiary of the SPEs because it has (i) power over the significant activities through its role as servicer of the finance receivables under each debt arrangement and (ii) the obligation to absorb losses or the right to receive returns that could be significant through the Company's interest in the monthly residual cash flows of the SPEs.

Consolidation of VIEs results in these transactions being accounted for as secured borrowings; therefore, the pooled receivables and the related debts remain on the consolidated balance sheet of the Company. Each debt is secured solely by the assets of the VIEs and not by any other assets of the Company. The assets of the VIEs are the only source of funds for repayment on each debt, and restricted cash held by the VIEs can only be used to support payments on the debt. The Company recognizes revenue and provision for credit losses on the finance receivables of the VIEs and interest expense on the related secured debt.

Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and disclosure of contingent assets and liabilities for the periods indicated in the financial statements. Actual results could differ from those estimates.

Estimates that are susceptible to change relate to the determination of the allowance for credit losses, the valuation of deferred tax assets and liabilities, and the fair value of financial instruments.

Recent accounting pronouncements: In March 2022, the Financial Accounting Standards Board ("FASB") issued an accounting update ("ASU 2022-02") eliminating the accounting for troubled debt restructurings (each, a "TDR") by creditors while enhancing the disclosure requirements for certain loan refinancings and restructurings by creditors when a borrower is experiencing financial difficulty. The amendment also requires disclosure of gross credit losses by year of origination for finance receivables. The amendments in this update are effective for annual and interim periods beginning after December 15, 2022. The elimination of the TDR guidance may be adopted prospectively for loan modifications after adoption or on a modified retrospective basis, which would also apply to loans previously modified, resulting in a cumulative effect adjustment to retained earnings in the period of adoption for changes in the allowance for credit losses.

The Company adopted the new standard on January 1, 2023 and elected to apply the new measurement and recognition guidance for TDRs under the modified retrospective transition method. Adoption did not have a material impact on the Company's consolidated financial statements.

Net finance receivables: The Company's small loan portfolio is comprised of branch small loan receivables and convenience check receivables. Branch small loan receivables are direct loans to customers and are secured by non-essential household goods and, in some instances, an automobile. Convenience checks are direct loans originated by mailing checks to customers based on a pre-screening process that includes a review of the prospective customer's credit profile provided by national credit reporting bureaus or data aggregators. A recipient of a convenience check is able to enter into a loan by endorsing and depositing or cashing the check. Large loan receivables are direct loans to customers, some of which are convenience check receivables and the vast majority of which are secured by non-essential household goods, automobiles, and/or other vehicles. Retail loan receivables consist principally of retail installment sales contracts collateralized by the purchased furniture, appliances, and other retail items and are initiated by and purchased from retailers, subject to the Company's credit approval.

Loan renewals are a significant piece of new volume and are considered a terminal event of the previous loan. The Company may renew delinquent secured or unsecured loan accounts if the customer meets the Company's underwriting criteria and it does not appear the cause of past delinquency will affect the customer's ability to repay the renewed loan.

Generally, the Company classifies finance receivables as held for investment based on management's intent at the time of origination. The Company determines classification on a receivable-by-receivable basis. The Company classifies finance receivables as held for investment due to its ability and intent to hold them until their contractual maturities. Net finance receivables consist of the Company's installment loans. The Company carries net finance receivables at amortized cost, which includes remaining principal balance, accrued interest, and net unamortized deferred origination costs and unamortized fees.

Allowance for credit losses: The allowance for credit losses is based on historical credit experience, current conditions, and reasonable and supportable economic forecasts. The historical loss experience is adjusted for quantitative and qualitative factors that are not fully reflected in the historical data. In determining its estimate of expected credit losses, the Company evaluates

information related to credit metrics, changes in its lending strategies and underwriting practices, and the current and forecasted direction of the economic and business environment. These metrics include, but are not limited to, loan portfolio mix and growth, unemployment, credit loss trends, delinquency trends, changes in underwriting, and operational risks.

The Company selected a Probability of Default ("PD") / Loss Given Default ("LGD") model to estimate its base allowance for credit losses, in which the estimated loss is equal to the product of PD and LGD. Historical net finance receivables are tracked over the term of the pools to identify the instances of loss (PDs) and the average severity of losses (LGDs).

To enhance the precision of the allowance for credit loss estimate, the Company evaluates its finance receivable portfolio on a pool basis and segments each pool of finance receivables with similar credit risk characteristics. As part of its evaluation, the Company considers loan portfolio characteristics such as product type, loan size, loan term, internal or external credit scores, delinquency status, geographical location, and vintage. Based on analysis of historical loss experience, the Company selected the following segmentation: product type, Fair Isaac Corporation ("FICO") score, and delinquency status.

As finance receivables are originated, provisions for credit losses are recorded in amounts sufficient to maintain an allowance for credit losses at an adequate level to provide for estimated losses over the contractual life of the finance receivables (considering the effect of prepayments). Subsequent changes to the contractual terms that are a result of re-underwriting are not included in the finance receivable's contractual life (considering the effect of prepayments). The Company uses its segmentation loss experience to forecast expected credit losses. Historical information about losses generally provides a basis for the estimate of expected credit losses. The Company also considers the need to adjust historical information to reflect the extent to which current conditions differ from the conditions that existed for the period over which historical information was evaluated. These adjustments to historical loss information may be qualitative or quantitative in nature.

Reasonable and supportable macroeconomic forecasts are required for the Company's allowance for credit loss model. The Company engaged a major rating service to assist with compiling a reasonable and supportable forecast. The Company reviews macroeconomic forecasts to use in its allowance for credit losses. The Company adjusts the historical loss experience by relevant qualitative factors for these expectations. The Company does not require reversion adjustments, as the contractual lives of its portfolio are shorter than its available forecast periods.

The Company charges credit losses against the allowance for all products when an account reaches 180 days contractually delinquent, subject to certain exceptions. The Company's customer accounts without a lien on a vehicle in a confirmed bankruptcy are charged off in the month following the bankruptcy notification or at 60 days contractually delinquent, subject to certain exceptions. Deceased borrower accounts are charged off in the month following the proper notification of passing, with the exception of borrowers with credit life insurance. Subsequent recoveries of amounts charged off, if any, are credited to the allowance.

Troubled debt restructurings: Prior to January 1, 2023, the Company classified a finance receivable as a TDR when the Company modified the finance receivable's contractual terms for economic or other reasons related to the borrower's financial difficulties and granted a concession that it would not have otherwise considered. Modifications primarily included an interest rate reduction and/or term extension to reduce the borrower's monthly payment. Once a loan was classified as a TDR, it remained a TDR for the purpose of calculating the allowance for credit losses for the remainder of its contractual term.

The Company established its allowance for credit losses related to its TDRs by calculating the present value of all expected cash flows (discounted at the finance receivable's effective interest rate prior to modification) less the amortized costs of the aggregated pool. The Company used the modified interest rates and certain assumptions, including expected credit losses and recoveries, to estimate the expected cash flows from its TDRs.

Following the adoption of ASU 2022-02 on January 1, 2023, as discussed above, the Company no longer separately measures the allowance for credit losses on TDRs, and the impact to the allowance for credit losses of loan modifications made to borrowers experiencing financial difficulties is incorporated into the overall portfolio assessment as further described in the allowance for credit losses significant accounting policy.

Nonaccrual status: Accrual of interest income on finance receivables is suspended when an account becomes 90 days delinquent. If the account is charged off, the accrued interest income is reversed as a reduction of interest and fee income. Interest received on such loans is accounted for on the cash-basis method, until qualifying for return to accrual. Under the cash-basis method, interest income is recorded when the payment is received. Loans resume accruing interest when the past due status is brought below 90 days. The Company made a policy election to not record an allowance for credit losses related to accrued interest because it has nonaccrual and charge-off policies that result in the timely suspension and reversal of accrued interest.

Finance receivable origination fees and costs: Non-refundable fees received and direct costs (personnel and digital loan origination costs) incurred for the origination of finance receivables are deferred and recognized to interest income over their contractual lives using the constant yield method. Unamortized amounts are recognized in interest income at the time that finance receivables are paid in full, renewed, or charged off.

Restricted cash: Restricted cash includes cash and cash equivalents for which the Company's ability to withdraw funds is contractually limited. The Company's restricted cash consists of cash reserves that are maintained as collateral for potential credit life insurance claims and cash restricted for debt servicing of the Company's revolving warehouse credit facilities and securitizations.

Restricted available-for-sale investments: The Company classifies its investments in debt securities that were purchased with the Company's restricted cash as restricted available-for-sale investments and carries the investments at fair value. Unrealized gains and losses, net of taxes, are excluded from earnings and reported in other comprehensive income or loss until realized. The unrealized gains and losses, net of taxes, are recorded on the consolidated balance sheet in accumulated other comprehensive income or loss in stockholders' equity. Realized gains and losses from the sale of available-for-sale investments are specifically identified and reclassified from accumulated other comprehensive income or loss and included within earnings on the consolidated statement of income.

Offsetting assets and liabilities: GAAP permits entities to present derivative receivables and derivative payables with the same counterparty and the related cash collateral receivables and payables on a net basis on the Consolidated Balance Sheet when a legally enforceable master netting agreement exists. GAAP also permits securities financing activities to be presented on a net basis when specified conditions are met, including the existence of a legally enforceable master netting agreement. The Company has elected to net such balances where it has determined that the specified conditions are met.

Share-based compensation: The Company measures compensation cost for share-based awards at estimated fair value and recognizes compensation expense over the service period for awards expected to vest. The Company uses the closing stock price on the date of grant as the fair value of restricted stock awards and performance-contingent restricted stock units. The fair value of stock options is determined using the Black-Scholes valuation model, and the fair value of performance restricted stock units is determined using the Monte Carlo valuation model. The Black-Scholes and Monte Carlo models require the input of assumptions, including expected volatility, expected dividends, expected term, risk-free interest rate, and a discount associated with post-vest holding restrictions, changes to which can affect the fair value estimate. Expected volatility is based on the Company's historical stock price volatility. Expected dividends are calculated using the expected dividend yield (annualized dividends divided by the grant date stock price). The expected term is calculated by using the simplified method (average of the vesting and original contractual terms) due to insufficient historical data to estimate the expected term. The risk-free rate is based on the zero-coupon U.S. Treasury bond rate over the expected term of the awards. The estimated discount associated with post-vest holding restrictions is calculated using a blend of the Finnerty and Chaffe models. In addition, the estimation of share-based awards that will ultimately vest requires judgment, and to the extent actual results or updated estimates differ from current estimates, such amounts will be recorded as a cumulative adjustment in the period estimates are revised.

Note 3. Finance Receivables, Credit Quality Information, and Allowance for Credit Losses

Net finance receivables for the periods indicated consisted of the following:

<i>Dollars in thousands</i>	March 31, 2023	December 31, 2022
Small loans	\$ 456,313	\$ 481,605
Large loans	1,211,836	1,208,185
Retail loans	8,081	9,603
Net finance receivables	<u>\$ 1,676,230</u>	<u>\$ 1,699,393</u>

The credit quality of the Company's finance receivable portfolio is dependent on the Company's ability to enforce sound underwriting standards, maintain diligent servicing of the portfolio, and respond to changing economic conditions as it grows its portfolio. The allowance for credit losses uses FICO scores and delinquency as key data points in estimating the allowance. The Company uses six FICO band categories to assess FICO scores. The first three FICO band categories include subprime FICO scores below 620. The fourth and fifth FICO band categories include near-prime FICO scores ranging from 620 to 659. The sixth FICO band category includes prime FICO scores of 660 or higher.

The Company uses certain loan modification programs for borrowers experiencing financial difficulties as a loss mitigation strategy to improve collectability of the loans and assist customers through financial setbacks. Programs consist of offering payment deferrals, refinancing, and, in limited instances, settlements. Customers may also pursue financial assistance through external sources, such as filing for bankruptcy protection. Modification programs available to our customers are described in more detail below:

- Customers are generally limited to two deferrals of their monthly payment in a rolling twelve-month period unless it is determined that an exception is warranted (e.g. due to a natural disaster or pandemic). Since the COVID-19 pandemic, customers have been temporarily allowed up to three deferrals in a rolling twelve-month period.
- Customers with delinquent loans who have made recent payments and have verified current employment are allowed to refinance their loan with a reduced interest rate and/or term extension, making the monthly payments more affordable.
- The Company may also agree to settle a past-due loan by accepting less than the full principal balance owed in certain limited cases once it is determined that collection of the entire outstanding balance is unlikely.
- Customers who receive bankruptcy protection may receive principal forgiveness, interest rate reductions, and/or term extensions.

The investments consist of highly rated securities backed by the U.S. federal government. As a result, the Company has not recorded an allowance for credit losses related to the restricted available-for-sale investments. Changes in fair value are the result of recent increases in interest rates by the Federal Reserve that occurred after the purchase of the investments.

The following table includes the amortized cost and estimated fair values of restricted available-for-sale investments by contractual maturity as of the periods indicated:

Note 5. Interest Rate Caps

The Company previously purchased interest rate cap contracts to manage the risk associated with LIBOR-based borrowings. Each contract was collateralizable and contained a strike rate against the one-month LIBOR. When the one-month LIBOR exceeded the strike rate, the counterparty remitted to the Company for the excess over the strike rate. No payment was required by the Company or the counterparty when the one-month LIBOR was below the strike rate.

As of September 30, 2022, the Company no longer maintained interest rate cap protections.

The following is a summary of changes in fair value of the interest rate caps for the periods indicated:

(1) Unamortized debt issuance costs related to the revolving warehouse credit facilities are presented within other assets in the consolidated balance sheets. RMR II had \$0.9 million in such costs as of December 31, 2022. RMR IV had \$0.4 million of such costs as of March 31, 2023. RMR V had \$0.4 million of such costs for both March 31, 2023 and December 31, 2022. RMR VI had \$0.9 million of such costs as of March 31, 2023.

Senior Revolving Credit Facility: In November 2022, the Company amended and restated its senior revolving credit facility to, among other things, decrease the availability under the facility from \$500 million to \$420 million. The senior revolving credit facility matures in September 2024. Excluding the receivables held by the Company's VIEs, the senior revolving credit facility is secured by substantially all of the Company's finance receivables and equity interests of the majority of its subsidiaries. Advances on the senior revolving credit facility are capped at 83% of eligible finance receivables (81% of eligible finance receivables as of March 31, 2023).

In September 2022, the Company amended and restated its senior revolving credit facility to replace LIBOR as the benchmark rate for the calculation of interest with a forward-looking term rate based on the secured overnight financing rate ("SOFR") or, in certain limited circumstances, another alternative benchmark rate. The one-month LIBOR was replaced on October 1, 2022 by one-month SOFR with a floor of not less than 0.50%, plus a 3.00% margin and a benchmark adjustment. The effective interest rate was 7.77% at March 31, 2023. The Company pays an unused commitment fee between 0.50% and 1.00% based upon the average outstanding balance. As of March 31, 2023, the Company had \$131.9 million of immediate available liquidity to draw down cash under the facility and held \$7.1 million in unrestricted cash.

Variable Interest Entity Debt: As part of its overall funding strategy, the Company has transferred certain finance receivables to affiliated VIEs for asset-backed financing transactions, including securitizations. The following debt arrangements are issued by the Company's wholly-owned, bankruptcy-remote SPEs, which are considered VIEs under GAAP and are consolidated into the financial statements of their primary beneficiary.

These debts are supported by the expected cash flows from the underlying collateralized finance receivables. Collections on these finance receivables are remitted to restricted cash collection accounts, which totaled \$112.6 million and \$112.2 million as of March 31, 2023 and December 31, 2022, respectively. Cash inflows from the finance receivables are distributed to the lenders/investors, the service providers, and/or the residual interest that the Company owns in accordance with a monthly contractual priority of payments. The SPEs pay a servicing fee to the Company, which is eliminated in consolidation. Distributions from the SPEs to the Company are permitted under the debt arrangements.

At each sale of receivables from the Company's affiliates to the SPEs, the Company makes certain representations and warranties about the quality and nature of the collateralized receivables. The debt arrangements require the Company to repurchase the receivables in certain circumstances, including circumstances in which the representations and warranties made by the Company concerning the quality and characteristics of the receivables are inaccurate. Assets transferred to each SPE are legally isolated from the Company and its affiliates, as well as the claims of the Company's and its affiliates' creditors. Further, the assets of each SPE are owned by such SPE and are not available to satisfy the debts or other obligations of the Company or any of its affiliates.

RMR II Revolving Warehouse Credit Facility: In April 2021, the Company and its wholly-owned SPE, Regional Management Receivables II, LLC ("RMR II"), amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR II to, among other things, extend the date at which the facility converts to an amortizing loan and the termination date to March 2023 and March 2024, respectively, decrease the total facility from \$125 million to \$75 million, increase the cap on facility advances from 80% to 83% of eligible finance receivables, and increase the rate at which borrowings under the facility bore interest, payable monthly, at a rate equal to three-month LIBOR, with a LIBOR floor of 0.25%, plus a blended margin of 2.35% (2.15% prior to the April 2021 amendment).

In September 2022, the Company and its wholly-owned SPE, RMR II, amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR II to replace LIBOR as the benchmark rate for calculation of interest rate with a forward-looking term rate based on SOFR or, in certain limited circumstances, another alternative benchmark rate. The three-month LIBOR was replaced on October 1, 2022 by three-month SOFR with a floor of 0.25%, plus a 2.35% margin, and a benchmark adjustment.

In March 2023, the Company and RMR II exercised the right to make an optional principal repayment in full, and in connection with such repayment, the facility terminated.

Advances on the facility are capped at 81% of eligible finance receivables.

In September 2022, the Company and its wholly-owned SPE, RMR IV, amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR IV to replace LIBOR as the benchmark rate for calculation of interest rate with a forward-looking term rate based on SOFR or, in certain limited circumstances, another alternative benchmark rate. RMR IV pays an unused commitment fee between 0.35% and 0.70% based upon the average daily utilization of the facility. RMR IV had \$22.9 million of immediate availability to draw down cash under the facility and held \$0.3 million in restricted cash reserves as of March 31, 2023 to satisfy provisions of the credit agreement.

Following a subsequent amendment in November 2022, the amortizing loan conversion date and termination date were extended to November 2024 and November 2025, respectively. The debt is secured by finance receivables and other related assets that the Company purchased from its affiliates, which the Company then sold and transferred to RMR V. Advances on the facility are capped at 80% of eligible finance receivables. Borrowings under the facility bear interest, payable monthly, at a per annum rate, which in the case of a conduit lender is the commercial paper rate, plus a margin of 2.75% (2.20% prior to the November 2022 amendment). The effective interest rate was 7.87% as of March 31, 2023. RMR V pays an unused commitment fee between 0.45% and 0.75% based upon the average daily utilization of the facility. Note 8. Disclosure About Fair Value of Financial Instruments

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practicable to estimate that value:

Cash and restricted cash: Cash and restricted cash is recorded at cost, which approximates fair value due to its highly liquid nature.

Restricted available-for-sale investments: The fair value of U.S. Treasury securities are priced using an external pricing service which the Company corroborates using a secondary external vendor. For additional information on the Company's restricted available-for-sale investments, see Note 4, "Restricted Available-for-Sale Investments."

Net finance receivables: The Company determines the fair value of net finance receivables using a discounted cash flows methodology. The application of this methodology requires the Company to make certain estimates and judgments. These estimates and judgments include, but are not limited to, prepayment rates, default rates, loss severity, and risk-adjusted discount rates.

Debt: The Company estimates the fair value of debt using estimated credit marks based on an index of similar financial instruments (credit facilities) and projected cash flows from the underlying collateralized finance receivables (securitizations), each discounted using a risk-adjusted discount rate.

Certain of the Company's assets estimated fair value are classified and disclosed in one of the following three categories:

Level 1 – Quoted market prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Unobservable inputs that are not corroborated by market data.

In determining the appropriate levels, the Company performs an analysis of the assets and liabilities that are estimated at fair value. At each reporting period, all assets and liabilities for which the fair value measurement is based on significant unobservable inputs are classified as Level 3.

The following table includes the carrying amounts and estimated fair values of financial assets and liabilities disclosed but not carried at fair value:

<i>Dollars in thousands</i>	March 31, 2023		December 31, 2022	
	Carrying Amount	Estimated Fair Value	Carrying Amount	Estimated Fair Value

Debt	1,329,677	1,214,506	1,355,359	1,219,832

The following table includes the carrying amounts and estimated fair values of amounts the Company measures at fair value on a recurring basis:

As of the periods indicated above, there were no financial assets or liabilities measured at fair value on a non-recurring basis.

Note 9. Income Taxes

The Company records interim provisions for income taxes based on an estimated annual effective tax rate. The Company recognizes discrete tax benefits or deficiencies in the income tax line of the consolidated statements of income. These discrete benefits or deficiencies are primarily the result of exercises or vestings of share-based awards.

The following table summarizes the components of income taxes for the periods indicated:

These anti-dilutive awards include Non-Qualified Stock Options, Restricted Stock Awards, Performance-Contingent Restricted Stock Units, and Performance Restricted Stock Units.

Note 11. Share-Based Compensation

The Company previously adopted the 2007 Management Incentive Plan (the “2007 Plan”) and the 2011 Stock Incentive Plan (the “2011 Plan”). On April 22, 2015, the stockholders of the Company approved the 2015 Long-Term Incentive Plan (the “2015 Plan”), and on each of April 27, 2017 and May 20, 2021, the stockholders of the Company re-approved the 2015 Plan, as amended and restated on each respective date. As of March 31, 2023, subject to adjustments as provided in the 2015 Plan, the maximum aggregate number of shares of the Company’s common stock that could be issued under the 2015 Plan could not exceed the sum of (i) 2.6 million shares (such amount reflecting an increase of 1.05 million additional or “new” shares in connection with the May 20, 2021 re-approval of the 2015 Plan) plus (ii) any shares remaining available for the grant of awards as of the 2015 Plan effective date (April 22, 2015) under the 2007 Plan or the 2011 Plan, plus (iii) any shares subject to an award granted under the 2007 Plan or the 2011 Plan, which award is forfeited, cash-settled, cancelled, terminated, expires, or lapses for any reason without the issuance of shares or pursuant to which such shares are forfeited. As of the effective date of the 2015 Plan (April 22, 2015), there were 0.9 million shares available for grant under the 2015 Plan, inclusive of shares previously available for grant under the 2007 Plan and the 2011 Plan that were rolled over to the 2015 Plan. No further grants will be made under the 2007 Plan or the 2011 Plan. However, awards that are outstanding under the 2007 Plan and the 2011 Plan will continue in accordance with their respective terms. As of March 31, 2023, there were 0.8 million shares available for grant under the 2015 Plan.

For the three months ended March 31, 2023 and 2022, the Company recorded share-based compensation expense of \$2.1 million and \$2.1 million, respectively. As of March 31, 2023, unrecognized share-based compensation expense to be recognized over future periods approximated \$9.1 million. This amount will be recognized as expense over a weighted-average period of 1.4 years. Share-based compensation expenses are recognized on a straight-line basis over the requisite service period of the agreement. All share-based compensation is classified as equity awards.

The Company allows for the settlement of share-based awards on a net share basis. With net share settlement, the employee does not surrender any cash or shares upon the exercise of stock options or the vesting of stock awards or stock units. Rather, the Company withholds the number of shares with a value equivalent to the option exercise price (for stock options) and the statutory tax withholding (for all share-based awards). Net share settlements have the effect of reducing the number of shares that would have otherwise been issued as a result of exercise or vesting.

Long-term incentive program: The Company issues performance restricted stock units (“PRSUs”) and restricted stock awards (“RSAs”) to certain members of senior management under a long-term incentive program (“LTIP”). Recurring annual grants are made at the discretion of the Board. The annual grants are subject to cliff- and graded-vesting, generally concluding at the end of the third calendar year and subject to continued employment or as otherwise provided in the underlying award agreements. Vested PRSUs are subject to an additional one-year holding period following the vesting date. The actual value of the PRSUs that may be earned can range from 0% to 150% of target based on positive or negative cumulative total shareholder return concluding at the end of the third calendar year.

Prior to 2022, the Company issued non-qualified stock options, performance-contingent restricted stock units (“RSUs”), cash-settled performance units (“CSPUs”), and RSAs to certain members of senior management under the LTIP. The CSPUs are cash incentive awards, and the associated expense is not based on the market price of the Company’s common stock. The annual grants are subject to cliff- and graded-vesting, generally concluding at the end of the third calendar year and subject to continued employment or as otherwise provided in the underlying award agreements. The actual value of the RSUs and CSPUs that may be earned can range from 0% to 150% of target based on the percentile ranking of the Company’s compound annual growth rate of pre-provision net income and pre-provision net income per share compared to a public company peer group over a three-year performance period.

Key team member incentive program: The Company also has a key team member incentive program for certain other members of senior management. Recurring annual participation in the program is at the discretion of the Board and executive management. Each participant in the program is eligible to earn an RSA, subject to performance over a one-year period. Payout under the program can range from 0% to 150% of target based on the achievement of five Company performance metrics and individual performance

goals (subject to continued employment and certain other terms and conditions of the program). If earned, the RSA is issued following the one-year performance period and vests ratably over a subsequent two-year period (subject to continued employment or as otherwise provided in the underlying award agreement).

Inducement and retention program: From time to time, the Company issues stock awards and other long-term incentive awards in conjunction with employment offers to select new employees and retention grants to select existing employees. The Company issues these awards to attract and retain talent and to provide market competitive compensation. The grants have various vesting terms, including fully-vested awards at the grant date, cliff-vesting, and graded-vesting over periods of up to five years (subject to continued employment or as otherwise provided in the underlying award agreements).

Non-employee director compensation program: The Company awards its non-employee directors a cash retainer and shares of restricted common stock. The RSAs are granted on the fifth business day following the Company's annual meeting of stockholders and fully vest upon the earlier of the first anniversary of the grant date or the completion of the directors' annual service to the Company (so long as the period between the date of the annual stockholders' meeting related to the grant date and the date of the next annual stockholders' meeting is not less than 50 weeks).

The following are the terms and amounts of the awards issued under the Company's share-based incentive programs:

Non-qualified stock options: The exercise price of all stock options is equal to the Company's closing stock price on the date of grant. Stock options are subject to various vesting terms, including graded- and cliff-vesting over periods of up to five years. In addition, stock options vest and become exercisable in full or in part under certain circumstances, including following the occurrence of a change of control (as defined in the option award agreements). Participants who are awarded options must exercise their options within a maximum of ten years of the grant date.

The fair value of option grants was estimated on the grant date using the Black-Scholes option-pricing model. Beginning in 2022, the Company no longer issues non-qualified stock options as part of its annual long-term incentive program.

The following table summarizes the stock option activity for the three months ended March 31, 2023:

Performance-contingent restricted stock units: Compensation expense for RSUs is based on the Company's closing stock price on the date of grant and the probability that certain financial goals will be achieved over the performance period. Compensation expense is estimated based on expected performance and is adjusted at each reporting period.

The following table summarizes RSU activity during the three months ended March 31, 2023:

Restricted stock awards: The fair value and compensation expense of the primary portion of the Company's RSAs are calculated using the Company's closing stock price on the date of grant. These RSAs include director awards, inducement awards, and RSAs granted pursuant to the Company's long-term incentive program.

The fair value and compensation expense of RSAs granted pursuant to the Company's performance-based key team member incentive program are calculated using the Company's closing stock price on the date of grant and the probability that certain financial goals will be achieved over the performance period. Compensation expense is estimated based on expected performance and is adjusted at each reporting period.

Note 12. Commitments and Contingencies

In the normal course of business, the Company has been named as a defendant in legal actions in connection with its activities. Some of the actual or threatened legal actions include claims for compensatory damages or claims for indeterminate amounts of damages. The Company contests liability and the amount of damages, as appropriate, in each pending matter.

Where available information indicates that it is probable that a liability has been incurred and the Company can reasonably estimate the amount of that loss, the Company accrues the estimated loss by a charge to net income.

However, in many legal actions, it is inherently difficult to determine whether any loss is probable, or even reasonably possible, or to estimate the amount of loss. This is particularly true for actions that are in their early stages of development or where plaintiffs seek indeterminate damages. In addition, even where a loss is reasonably possible or an exposure to loss exists in excess of the liability already accrued, it is not always possible to reasonably estimate the size of the possible loss or range of loss. Before a loss, additional loss, range of loss, or range of additional loss can be reasonably estimated for any given action, numerous issues may need to be resolved, including through lengthy discovery, following determination of important factual matters, and/or by addressing novel or unsettled legal questions.

For certain other legal actions, the Company can estimate reasonably possible losses, additional losses, ranges of loss, or ranges of additional loss in excess of amounts accrued, but the Company does not believe, based on current knowledge and after consultation with counsel, that such losses will have a material adverse effect on the consolidated financial statements.

While the Company will continue to identify legal actions where it believes a material loss to be reasonably possible and reasonably estimable, there can be no assurance that material losses will not be incurred from claims that the Company has not yet been notified of or are not yet determined to be probable, or reasonably possible and reasonable to estimate.

The Company expenses legal costs as they are incurred.

Note 13. Subsequent Events

RMR VII Revolving Warehouse Credit Facility: In April 2023, the Company and its wholly-owned SPE, Regional Management Receivables VII, LLC ("RMR VII"), entered into a credit agreement that provides for a \$75 million revolving warehouse credit facility to RMR VII. The facility converts to an amortizing loan in October 2024 and terminates in October 2025. The debt will be secured by finance receivables and other related assets that the Company will purchase from its affiliates, which the Company will sell and transfer to RMR VII. Advances on the facility are capped at 80% of eligible finance receivables. Borrowings under the facility bear interest, payable monthly, at a rate equal to one-month SOFR, plus (i) 0.10% per annum, (ii) a margin of 3.00%, and (iii) the applicable step-up margin (0.00% during the revolving period). RMR VII pays a monthly unused commitment fee ranging between 0.45% and 0.65%. The RMR VII revolving warehouse credit facility is described in greater detail in the Current Report on Form 8-K filed by the Company with the SEC on April 6, 2023.

RMR IV Revolving Warehouse Credit Facility amendment: In April 2023, the Company and its wholly-owned SPE, RMR IV, entered into an amendment that extends the date at which the facility converts to an amortizing loan from April 2023 to May 2023.

Quarterly cash dividend: In May 2023, the Company announced that the Board declared a quarterly cash dividend of \$0.30 per share. The dividend will be paid on June 14, 2023 to shareholders of record at the close of business on May 24, 2023. The declaration, amount, and payment of any future cash dividends on shares of the Company's common stock will be at the discretion of the Board.

Overview

We are a diversified consumer finance company that provides installment loan products primarily to customers with limited access to consumer credit from banks, thrifts, credit card companies, and other lenders. As of March 31, 2023, we operate under the name "Regional Finance" online and in 344 branch locations in 19 states across the United States, serving 508,200 active accounts. Most of our loan products are secured, and each is structured on a fixed-rate, fixed-term basis with fully amortizing equal monthly installment payments, repayable at any time without penalty. We source our loans through our omni-channel platform, which includes our branches, centrally-managed direct mail campaigns, digital partners, and our consumer website. We operate an integrated branch model in which nearly all loans, regardless of origination channel, are serviced through our branch network with the support of centralized sales, underwriting, service, collections, and administrative teams. This provides us with frequent contact with our customers, which we believe improves our credit performance and customer loyalty. Our goal is to consistently grow our finance receivables and to soundly manage our portfolio risk, while providing our customers with attractive and easy-to-understand loan products that serve their varied financial needs.

Our products include:

- **Small Loans ($\leq \$2,500$)** – As of March 31, 2023, we had 273.8 thousand small installment loans outstanding, representing \$456.3 million in net finance receivables. This included 138.4 thousand small loan convenience checks, representing \$199.3 million in net finance receivables.
- **Large Loans ($> \$2,500$)** – As of March 31, 2023, we had 230.1 thousand large installment loans outstanding, representing \$1.2 billion in net finance receivables. This included 46.7 thousand large loan convenience checks, representing \$158.0 million in net finance receivables.
- **Retail Loans** – As of March 31, 2023, we had 4.4 thousand retail purchase loans outstanding, representing \$8.1 million in net finance receivables.
- **Optional Insurance Products** – We offer optional payment and collateral protection insurance to our direct loan customers.

Small and large installment loans are our core products and will be the drivers of future growth. We ceased accepting applications for our retail loan product offering in November 2022, to focus on growing our core loan portfolio. We continue to own and service our existing portfolio of retail loans. Our primary sources of revenue are interest and fee income from our loan products, of which interest and fees relating to small and large installment loans are the largest component. In addition to interest and fee income from loans, we derive revenue from optional insurance products purchased by customers of our direct loan products.

Outlook

We continually assess the macroeconomic environment in which we operate in order to appropriately and timely adapt to current market conditions. Macroeconomic factors, including, but not limited to, inflationary pressures, rising interest rates, and impacts from current geopolitical events outside the U.S., may affect our business, liquidity, financial condition, and results of operations.

Current inflationary pressures and rising interest rates have created economic uncertainty and diminished consumer confidence. Recent geopolitical events outside of the U.S. have also contributed to volatility in U.S. markets. As inflation accelerated and geopolitical stability began to deteriorate in the fourth quarter of 2021, we began to proactively tighten our credit models. We have principally focused on tightening certain higher-risk, higher-rate customer segments that have been particularly adversely impacted by a more challenging economic environment.

Our allowance for credit losses was 11.0% of net finance receivables as of March 31, 2023. Our contractual delinquency as a percentage of net finance receivables was 7.2% as of March 31, 2023, up from 5.7% as of March 31, 2022. Going forward, we may experience changes to the macroeconomic assumptions within our forecast and changes to our credit loss performance outlook, both of which could lead to further changes in our allowance for credit losses, reserve rate, and provision for credit losses expense.

We proactively diversified our funding over the past few years and continue to maintain a strong liquidity profile. As of March 31, 2023, we had \$182.0 million of available liquidity, comprised of unrestricted cash on hand and immediate availability to draw down cash from our revolving credit facilities. In addition, we had \$580.7 million of unused capacity on our revolving credit facilities (subject to the borrowing base) as of March 31, 2023. We believe our liquidity position provides substantial runway to fund our growth initiatives and to support the fundamental operations of our business.

Online operations continue to be an important part of our customer acquisition strategy, including remote loan closings in recent years. On the digital front, we continue to build and expand upon our end-to-end online and mobile origination capabilities for new and existing customers, along with additional digital servicing functionality. Combined with remote loan closings, we believe that these omni-channel sales and servicing capabilities will continue to expand the market reach of our branches, increase our average branch receivables, and improve our revenues and operating efficiencies, while at the same time increasing customer satisfaction.

Factors Affecting Our Results of Operations

Our business is impacted by several factors affecting our revenues, costs, and results of operations, including the following:

Quarterly Information and Seasonality. Our loan volume and contractual delinquency follow seasonal trends. Demand for our loans is typically highest during the second, third, and fourth quarters, which we believe is largely due to customers borrowing money for vacation, back-to-school, and holiday spending. Loan demand has generally been the lowest during the first quarter, which we believe is largely due to the timing of income tax refunds. Delinquencies generally reach their lowest point in the first half of the year and rise in the second half of the year. Changes in quarterly growth or liquidation could result in larger allowance for credit loss releases in periods of portfolio liquidation, and larger provisions for credit losses in periods of portfolio growth. Consequently, we experience seasonal fluctuations in our operating results. However, changes in macroeconomic factors, including inflation, rising interest rates, and geopolitical conflict, have impacted our typical seasonal trends for loan volume and delinquency.

Growth in Loan Portfolio. The revenue that we derive from interest and fees is largely driven by the balance of loans that we originate. Average net finance receivables were \$1.7 billion for the first three months of 2023 and \$1.4 billion for the prior-year period. We source our loans through our branches, centrally managed direct mail program, digital partners, and our consumer website. The majority of our loans, regardless of origination channel, are serviced through our branches. Increasing the number of loans per branch and growing our state footprint allows us to increase the number of customers that we are able to serve. We grew our state footprint from 18 to 19 states during the three months ended March 31, 2023, expanding our operations to Arizona. We continue to assess our legacy branch network for clear opportunities to consolidate operations into larger branches within close geographic proximity. This branch optimization is consistent with our omni-channel strategy and builds upon our recent successes in entering new states with a lighter branch footprint, while still providing customers with best-in-class service. We plan to add additional branches in new and existing states where it is favorable for us to conduct business.

Product Mix. We are exposed to different credit risks and charge different interest rates and fees with respect to the various types of loans we offer. Our product mix also varies to some extent by state, and we may further diversify our product mix in the future. The interest rates and fees vary from state to state, depending on the competitive environment and relevant laws and regulations.

Asset Quality and Allowance for Credit Losses. Our results of operations are highly dependent upon the credit quality of our loan portfolio. The credit quality of our loan portfolio is the result of our ability to enforce sound underwriting standards, maintain diligent servicing of the portfolio, and respond to changing economic conditions as we grow our loan portfolio.

The primary underlying factors driving the provision for credit losses for each loan type are our underwriting standards, delinquency trends, the general economic conditions in the areas in which we conduct business, loan portfolio growth, and the effectiveness of our servicing and collection efforts. We monitor these factors, and the amount and past due status of all loans, to identify trends that might require us to modify the allowance for credit losses.

Interest Rates. Our costs of funds are affected by changes in interest rates, as the interest rates that we pay on certain of our credit facilities are variable. As a component of our strategy to manage the interest rate risk associated with future interest payments on our variable-rate debt, a majority of our funding was held at a fixed rate as of March 31, 2023, representing 89% of total debt.

Operating Costs. Our financial results are impacted by the costs of operations and head office functions. Those costs are included in general and administrative expenses within our consolidated statements of comprehensive income.

Components of Results of Operations

Interest and Fee Income. Our interest and fee income consists primarily of interest earned on outstanding loans. Accrual of interest income on finance receivables is suspended when an account becomes 90 days delinquent. If the account is charged off, the accrued interest income is reversed as a reduction of interest and fee income.

Most states allow certain fees in connection with lending activities, such as loan origination fees, acquisition fees, and maintenance fees. Some states allow for higher fees while keeping interest rates lower. Loan fees are additional charges to the customer and generally are included in the annual percentage rate shown in the Truth in Lending disclosure that we make to our customers. The fees may or may not be refundable to the customer in the event of an early payoff, depending on state law. Fees are recognized as income over the life of the loan on the constant yield method.

Insurance Income, Net. Our insurance operations are a material part of our overall business and are integral to our lending activities. Insurance income, net consists primarily of earned premiums, net of certain direct costs, from the sale of various optional payment and collateral protection insurance products offered to customers who obtain loans directly from us. Insurance income, net also includes the earned premiums and direct costs associated with the non-file insurance that we purchase to protect us from credit losses where, following an event of default, we are unable to take possession of personal property collateral because our security interest is not perfected. We do not sell insurance to non-borrowers. Direct costs included in insurance income, net are claims paid, claims reserves, ceding fees, and premium taxes paid. We do not allocate to insurance income, net, any other head office or branch administrative costs associated with management of insurance operations, management of our captive insurance company, marketing and selling insurance products, legal and compliance review, or internal audits.

As reinsurer, we maintain restricted reserves comprised of restricted cash and restricted available-for-sale investments for life insurance claims in an amount determined by the unaffiliated insurance company. As of March 31, 2023, the restricted reserves consisted of \$21.9 million of unearned premium reserves, including \$1.2 million of unpaid claims reserve. The unaffiliated insurance company maintains the reserves for non-life claims.

Other Income. Our other income consists primarily of late charges assessed on customers who fail to make a payment within a specified number of days following the due date of the payment. In addition, fees for extending the due date of a loan, returned check charges, commissions earned from the sale of an auto club product, interest income from restricted cash, and investment income from restricted available for sale securities are included in other income.

Provision for Credit Losses. Provisions for credit losses are charged to income in amounts that we estimate as sufficient to maintain an allowance for credit losses at an adequate level to provide for lifetime expected credit losses on the related finance receivable portfolio. Credit loss experience, current conditions, reasonable and supportable economic forecasts, delinquency of finance receivables, loan portfolio growth, the value of underlying collateral, and management's judgment are factors used in assessing the overall adequacy of the allowance and the resulting provision for credit losses. Our provision for credit losses fluctuates so that we maintain an adequate credit loss allowance that reflects lifetime expected credit losses for each finance receivable type. Changes in our delinquency and net credit loss ratio (net credit losses divided by average net finance receivables) may result in changes to our provision for credit losses. Substantial adjustments to the allowance may be necessary if there are significant changes in forecasted economic conditions or loan portfolio performance.

General and Administrative Expenses. Our financial results are impacted by the costs of operations and head office functions. Those costs are included in general and administrative expenses within our consolidated statements of comprehensive income. Our general and administrative expenses are comprised of four categories: personnel, occupancy, marketing, and other. We measure our general and administrative expenses as a percentage of average net finance receivables, which we refer to as our operating expense ratio.

Our personnel expenses are the largest component of our general and administrative expenses and consist primarily of the salaries and wages, overtime, contract labor, relocation costs, incentives, benefits, and related payroll taxes associated with all of our operations and head office employees.

Our occupancy expenses consist primarily of the cost of renting our facilities, all of which are leased, and the utility, depreciation of leasehold improvements and furniture and fixtures, communication services, data processing, and other non-personnel costs associated with operating our business.

Our marketing expenses consist primarily of costs associated with our direct mail campaigns (including postage and costs associated with selecting recipients), digital marketing, maintaining our consumer website, and some local marketing by branches. These costs are expensed as incurred.

Other expenses consist primarily of legal, compliance, audit, and consulting costs, as well as software maintenance and support, non-employee director compensation, electronic payment processing costs, bank service charges, office supplies, credit bureau charges, and the amortization of software, software licenses, and implementation costs. We frequently experience fluctuations in other expenses as we grow our loan portfolio and expand our market footprint. For a discussion regarding how risks and uncertainties associated with the current regulatory environment may impact our future expenses, net income, and overall financial condition, see Part II, Item 1A, "Risk Factors."

Interest Expense. Our interest expense consists primarily of paid and accrued interest for debt, unused line fees, and amortization of debt issuance costs on debt. Interest expense also includes changes in the fair value of interest rate caps.

Income Taxes. Income taxes consist of state and federal income taxes. Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The change in deferred tax assets and liabilities is recognized in the period in which the change occurs, and the effects of future tax rate changes are recognized in the period in which the enactment of new rates occurs.

Comparison of March 31, 2023, Versus March 31, 2022

The following discussion and table describe the changes in finance receivables by product type:

- **Small Loans ($\leq \$2,500$)** – Small loans outstanding increased by \$18.2 million, or 4.1%, to \$456.3 million at March 31, 2023, from \$438.2 million at March 31, 2022. The increase was due to growth initiatives and increased marketing, partially offset by credit tightening for disciplined growth.
- **Large Loans ($> \$2,500$)** – Large loans outstanding increased by \$214.6 million, or 21.5%, to \$1.2 billion at March 31, 2023, from \$997.2 million at March 31, 2022. The increase was due to growth initiatives, increased marketing, and the transition of small loan customers to large loans, partially offset by credit tightening for disciplined growth.
- **Retail Loans** – Retail loans outstanding decreased \$2.6 million, or 24.4%, to \$8.1 million at March 31, 2023, from \$10.7 million at March 31, 2022. We ceased accepting applications for our retail loan product offering as of November 2022 to focus on growing our core loan portfolio.

Comparison of the Three Months Ended March 31, 2023, Versus the Three Months Ended March 31, 2022

Net Income. Net income decreased \$18.1 million, or 67.6%, to \$8.7 million during the three months ended March 31, 2023, from \$26.8 million during the prior-year period. The decrease was due to an increase in interest expense of \$16.8 million, an increase provision for credit losses of \$16.8 million, and an increase in general and administrative expenses of \$4.2 million, partially offset by an increase in revenue of \$14.5 million and a decrease in income taxes of \$5.3 million.

Revenue. Total revenue increased \$14.5 million, or 12.0%, to \$135.4 million during the three months ended March 31, 2023, from \$120.8 million during the prior-year period. The components of revenue are explained in greater detail below.

Interest and Fee Income. Interest and fee income increased \$12.8 million, or 11.9%, to \$120.4 million during the three months ended March 31, 2023, from \$107.6 million during the prior-year period. The increase was primarily due to an 18.0% increase in average net finance receivables, partially offset by a 1.5% decrease in annualized average yield. The decrease in yield was due to continued mix shift towards larger, higher-quality loans and the credit impact from macro conditions on revenue reversals and non-accrual loans, partially offset by price increases. The three months ended March 31, 2023 included a reduction in revenue reversals of an estimated \$1.9 million attributable to the loan sale that occurred during the fourth quarter of 2022.

The following table sets forth the average net finance receivables balance and average yield for our loan products:

Total originations decreased to \$303.2 million during the three months ended March 31, 2023, from \$326.0 million during the prior-year period. Quarterly origination volume was lower than the prior-year period due to credit tightening actions and

the re-allocation of labor to collections, both of which impacted origination levels in the quarter. The following table represents the principal balance of loans originated and refinanced:

Insurance Income, Net. Insurance income, net increased \$0.4 million, or 3.9%, to \$11.0 million during the three months ended March 31, 2023, from \$10.5 million during the prior-year period. The three months ended March 31, 2023 were inclusive of a reduction of revenue reversals of an estimated \$0.3 million attributable to the loan sale that occurred in the fourth quarter of 2022. During both the three months ended March 31, 2023 and the prior-year period, personal property insurance premiums represented the largest component of aggregate earned insurance premiums. Life insurance claims expense represented the largest component of direct insurance expenses for both the three months ended March 31, 2023 and the prior-year period.

The following table summarizes the components of insurance income, net:

<i>Dollars in thousands</i>	Insurance Premiums and Direct Expenses for the Three Months Ended			
	1Q 23	1Q 22	YoY \$ B(W)	YoY % B(W)
Earned premiums	\$ 15,416	\$ 14,873	\$ 543	3.7%

Insurance income, net	<u>\$ 10,959</u>	<u>\$ 10,544</u>	<u>\$ 415</u>	<u>3.9%</u>

Earned premiums increased by \$0.5 million and claims, reserves, and certain direct expenses increased by \$0.1 million, compared to the prior-year period, primarily due to portfolio growth.

Other Income. Other income increased \$1.3 million, or 50.1%, to \$4.0 million during the three months ended March 31, 2023, from \$2.7 million during the prior-year period, primarily due to an increase in interest income from cash reserves of \$1.1 million.

Provision for Credit Losses. Our provision for credit losses increased \$16.8 million, or 54.5%, to \$47.7 million during the three months ended March 31, 2023, from \$30.9 million during the prior-year period. The increase was due to an increase of \$11.3 million in net credit losses and an increase of \$5.5 million in the allowance for credit losses, compared to the prior-year period. The increase in the provision for credit losses is explained in greater detail below.

Allowance for Credit Losses. We evaluate delinquency and losses in each of our loan products in establishing the allowance for credit losses. During the three months ended March 31, 2023, and the prior-year period, the allowance for credit losses included a build of \$5.0 million and a release of \$0.5 million, respectively. The allowance for credit losses as a percentage of finance receivables as of March 31, 2023, was consistent with the prior-year period at 11.0%.

Net Credit Losses. Net credit losses increased \$11.3 million, or 36.1%, to \$42.7 million during the three months ended March 31, 2023, from \$31.4 million during the prior-year period. The increase was primarily due to higher average net finance receivables, the macroeconomic environment, and the impact of inflation on our customers. Annualized net credit losses as a percentage of average net finance receivables were 10.1% during the three months ended March 31, 2023, compared to 8.7%

during the prior-year period. Our net credit loss ratio during the three months ended March 31, 2023 was inclusive of an estimated 280 basis point benefit from accelerated charge-offs in the fourth quarter of 2022 attributable to the loan sale.

Delinquency Performance. Our contractual delinquency as a percentage of net finance receivables increased to 7.2% as of March 31, 2023, from 5.7% in the prior-year period, due to the macroeconomic environment.

The following tables include delinquency balances by aging category and by product:

General and Administrative Expenses. Our general and administrative expenses increased \$4.2 million, or 7.7%, to \$59.3 million during the three months ended March 31, 2023, from \$55.1 million during the prior-year period. The absolute dollar increase in general and administrative expenses is explained in greater detail below.

Personnel. The largest component of general and administrative expenses was personnel expense, which increased \$2.9 million, or 8.3%, to \$38.6 million during the three months ended March 31, 2023, from \$35.7 million during the prior-year period. We had several offsetting increases and decreases in personnel expenses during the three months ended March 31, 2023. Labor expenses increased \$4.7 million compared to the prior-year period. This increase was partially offset by lower incentive expenses of \$0.6 million, lower recruiting fees of \$0.6 million, and higher capitalized loan origination costs, which reduce personnel expenses, of \$0.3 million, compared to the prior-year period.

Occupancy. Occupancy expenses increased \$0.5 million, or 8.3%, to \$6.3 million during the three months ended March 31, 2023, from \$5.8 million during the prior-year period. The increase was primarily due to increased rent of \$0.4 million.

Marketing. Marketing expenses increased \$0.3 million, or 9.3%, to \$3.4 million during the three months ended March 31, 2023, from \$3.1 million during the prior-year period. The increase was primarily due to higher digital marketing costs of \$0.2 million.

Other Expenses. Other expenses increased \$0.5 million, or 4.9%, to \$11.1 million during the three months ended March 31, 2023, from \$10.5 million during the prior-year period. The increase was primarily due to an increase in our investment in digital and technological capabilities of \$0.8 million, partially offset by lower external fraud of \$0.4 million, compared to the prior-year period. Additionally, we often experience increases in other expenses including legal and settlement expenses, collections expense, bank fees, and certain professional expenses as we grow our loan portfolio and expand our market footprint.

Operating Expense Ratio. Our annualized operating expense ratio decreased by 1.4% to 14.0% during the three months ended March 31, 2023 from 15.4% during the prior-year period. Our operating expense ratio has declined as we have grown our loan portfolio and controlled expense growth.

Interest Expense. Interest expense was \$16.8 million during the three months ended March 31, 2023, compared to a \$0.1 million benefit during the prior-year period. The increase was primarily due to an increase in our average cost of debt as well as an increase in the average balance of our debt facilities. The annualized average cost of debt was 5.06% during the three months ended

March 31, 2023. The year-over-year increase was due to an increase in variable rate funding costs, inclusive of a prior year increase in the fair value of our interest rate caps of \$10.2 million. The average balance of our debt facilities increased to \$1.3 billion during the three months ended March 31, 2023, from \$1.1 billion during the prior-year period.

Income Taxes. Income taxes decreased \$5.3 million, or 64.3%, to \$2.9 million during the three months ended March 31, 2023, from \$8.2 million during the prior-year period. The decrease was primarily due to a \$23.3 million decrease in income before income taxes compared to the prior-year period. Our effective tax rates were 25.1% and 23.4% for the three months ended March 31, 2023 and the prior-year period, respectively. The prior-year period rate was impacted by tax benefits from the exercise and vesting of share-based awards.

Liquidity and Capital Resources

Our primary cash needs relate to the funding of our lending activities and, to a lesser extent, expenditures relating to improving our technology infrastructure and expanding and maintaining our branch locations. We have historically financed, and plan to continue to finance, our short-term and long-term operating liquidity and capital needs through a combination of cash flows from operations and borrowings under our debt facilities, including our senior revolving credit facility, revolving warehouse credit facilities, and asset-backed securitization transactions, all of which are described below. We continue to seek ways to diversify our funding sources. As of March 31, 2023, we had a funded debt-to-equity ratio (debt divided by total stockholders' equity) of 4.2 to 1.0 and a stockholders' equity ratio (total stockholders' equity as a percentage of total assets) of 18.6%.

Cash and cash equivalents increased to \$7.1 million as of March 31, 2023, from \$3.9 million as of the prior year-end. As of March 31, 2023 and the prior year-end, we had \$174.9 million and \$97.6 million, respectively, of immediate availability to draw down cash from our revolving credit facilities. Our unused capacity on our revolving credit facilities (subject to the borrowing base) was \$580.7 million and \$555.1 million as of March 31, 2023, and the prior year-end, respectively. Our total debt was \$1.3 billion and \$1.4 billion as of March 31, 2023, and the prior year-end, respectively.

Based upon anticipated cash flows, we believe that cash flows from operations and our various financing alternatives will provide sufficient financing for debt maturities and operations over the next twelve months, as well as into the future.

From time to time, we have extended the maturity date of and increased the borrowing limits under our senior revolving credit facility. While we have successfully obtained such extensions and increases in the past, there can be no assurance that we will be able to do so if and when needed in the future. In addition, the revolving period maturities of our securitizations and warehouse credit facilities (each as described below within "Financing Arrangements") range from April 2023 to September 2026. There can be no assurance that we will be able to secure an extension of the warehouse credit facilities or close additional securitization transactions if and when needed in the future.

Dividends.

The Board may in its discretion declare and pay cash dividends on our common stock. The following table sets forth the dividends declared and paid for the three months ended March 31, 2023:

Period	Declaration Date	Record Date	Payment Date	Dividends Declared Per Common Share	
1Q 23	February 8, 2023	February 22, 2023	March 15, 2023	\$	0.30
Total				\$	0.30

The Board declared and paid \$2.9 million of cash dividends on our common stock during the three months ended March 31, 2023. See Note 13, "Subsequent Events" of the Notes to Consolidated Financial Statements in Part I, Item 1, "Financial Statements," for information regarding our cash dividend following the end of the quarter.

While we intend to pay our quarterly dividend for the foreseeable future, all subsequent dividends will be reviewed and declared at the discretion of the Board and will depend on many factors, including our financial condition, earnings, cash flows, capital requirements, level of indebtedness, statutory and contractual restrictions applicable to the payment of dividends, and other considerations that the Board deems relevant. Our dividend payments may change from time to time, and the Board may choose not to continue to declare dividends in the future.

Cash Flow.

Operating Activities. Net cash provided by operating activities during the three months ended March 31, 2023 was \$52.6 million, compared to \$45.8 million provided by operating activities during the prior-year period, a net increase of \$6.9 million. The increase was primarily due to the growth in our loan portfolio.

Investing Activities. Investing activities consist of originations and repayments of finance receivables, purchases of intangible assets, and purchases of property and equipment for new and existing branches. Net cash used in investing activities during the three months ended March 31, 2023 was \$20.2 million, compared to \$49.4 million used in investing activities during the prior-year period, a net decrease in cash used of \$29.2 million. The decrease was primarily due to increased repayments and decreased originations of finance receivables.

Financing Activities. Financing activities consist of borrowings and payments on our outstanding indebtedness. Net cash used in financing activities during the three months ended March 31, 2023 was \$30.0 million, compared to \$10.9 million provided by financing activities during the prior-year period, a net increase in cash used of \$40.9 million. The net increase in cash used was a result of a decrease in the net advances on debt instruments of \$52.0 million and an increase in cash dividends of \$0.1 million, partially offset by a decrease in the repurchase of common stock of \$9.0 million, a decrease in payments of debt issuance costs of \$1.5 million, and a decrease in taxes paid related to net share settlement of equity awards of \$0.7 million.

Financing Arrangements.

Senior Revolving Credit Facility. In November 2022, we amended and restated our senior revolving credit facility to, among other things, decrease the availability under the facility from \$500 million to \$420 million. Our debt under the senior revolving credit facility was \$105.3 million as of March 31, 2023, and the facility matures in September 2024. Excluding the receivables held by our VIEs, the senior revolving credit facility is secured by substantially all of our finance receivables and equity interests of the majority of our subsidiaries. Advances on the senior revolving credit facility are capped at 83% of eligible secured finance receivables.

In September 2022, we amended and restated our senior revolving credit facility to replace LIBOR as the benchmark rate for the calculation of interest with a forward-looking term rate based on SOFR or, in certain limited circumstances, another alternative benchmark rate. The one-month LIBOR was replaced on October 1, 2022 by one-month SOFR with a floor of not less than 0.50%. Borrowings under the facility bear interest, payable monthly, at rates equal to one-month SOFR, with a SOFR floor of not less than 0.50%, plus a 3.00% margin and a benchmark adjustment. The effective interest rate was 7.90% at March 31, 2023. We pay an unused line fee between 0.50% and 1.00% based on the outstanding balance. As of March 31, 2023, we had \$131.9 million of immediate availability to draw down cash under the facility and held \$7.1 million in unrestricted cash.

In advance of its September 2024 maturity date, we intend to extend the maturity date of the amended and restated senior revolving credit facility or take other appropriate action to address repayment upon maturity. See Part II, Item 1A, "Risk Factors," and the filings referenced therein for a discussion of risks related to our amended and restated senior revolving credit facility, including refinancing risk.

Variable Interest Entity Debt. As part of our overall funding strategy, we have transferred certain finance receivables to affiliated VIEs for asset-backed financing transactions, including securitizations. The debt arrangements described below are issued by our wholly-owned, bankruptcy-remote SPEs, which are considered VIEs under GAAP and are consolidated into the financial statements of their primary beneficiary.

These debts are supported by the expected cash flows from the underlying collateralized finance receivables. Collections on these finance receivables are remitted to restricted cash collection accounts, which totaled \$112.6 million and \$112.2 million as of March 31, 2023 and December 31, 2022, respectively. Cash inflows from the finance receivables are distributed to the lenders/investors, the service providers, and/or the residual interest that we own in accordance with a monthly contractual priority of payments. The SPEs pay a servicing fee to us, which is eliminated in consolidation.

At each sale of receivables from our affiliates to the SPEs, we make certain representations and warranties about the quality and nature of the collateralized receivables. The debt arrangements require us to repurchase the receivables in certain circumstances, including circumstances in which the representations and warranties made by us concerning the quality and characteristics of the receivables are inaccurate. Assets transferred to SPEs are legally isolated from us and our affiliates, and the claims of our and our affiliates' creditors. Further, the assets of each SPE are owned by such SPE and are not available to satisfy the debts or other obligations of us or any of our affiliates. See Part II, Item 1A, "Risk Factors," and the filings referenced therein for a discussion of risks related to our variable interest entity debt.

RMR II Revolving Warehouse Credit Facility. In April 2021, we and our wholly-owned SPE, RMR II, amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR II to, among other things, extend the date at which the facility converts to an amortizing loan and the termination date to March 2023 and March 2024, respectively, decrease the total facility from \$125 million to \$75 million, increase the cap on facility advances from 80% to 83% of eligible finance receivables, and increase the rate at which borrowings under the facility bore interest, payable monthly, at a rate equal to three-month LIBOR, with a LIBOR floor of 0.25%, plus a blended margin of 2.35% (2.15% prior to the April 2021 amendment).

In September 2022, we and RMR II amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR II to replace LIBOR as the benchmark rate for calculation of interest rate with a forward-looking term rate based on SOFR or, in certain limited circumstances, another alternative benchmark rate. The three-month LIBOR was replaced on October 1, 2022 by three-month SOFR with a floor of 0.25%, plus a 2.35% margin, and a benchmark adjustment.

In March 2023, we and RMR II exercised the right to make an optional principal repayment in full, and in connection with such repayment, the facility terminated.

RMR IV Revolving Warehouse Credit Facility. In April 2021, we and our wholly-owned SPE, RMR IV, entered into a credit agreement that provides for a \$125 million revolving warehouse credit facility to RMR IV. The facility was to convert to an amortizing loan in April 2023 and terminates in April 2024. The debt is secured by finance receivables and other related assets that we purchased from our affiliates, which we then sold and transferred to RMR IV. Advances on the facility are capped at 81% of eligible finance receivables.

In September 2022, we and RMR IV amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR IV to replace LIBOR as the benchmark rate for calculation of interest rate with a forward-looking term rate based on SOFR or, in certain limited circumstances, another alternative benchmark rate. The one-month LIBOR was replaced on October 1, 2022 by one-month SOFR with a margin of 2.35% and a benchmark adjustment. The effective interest rate was 7.12% at March 31, 2023. RMR IV pays an unused commitment fee between 0.35% and 0.70% based upon the average daily utilization of the facility. As of March 31, 2023, our debt under the credit facility was \$0.1 million.

RMR V Revolving Warehouse Credit Facility. In April 2021, we and our wholly-owned SPE, RMR V, entered into a credit agreement that provides for a \$100 million revolving warehouse credit facility to RMR V. In September 2022, we and RMR V amended and restated the credit agreement that provides for a revolving warehouse credit facility to RMR V to, among other things, extend the dates at which the facility converts to an amortizing loan and the termination date to November 2022 and November 2023, respectively (October 2022 and October 2023 prior to the September 2022 amendment). Following a subsequent amendment in November 2022, the amortizing loan conversion date and termination date were extended to November 2024 and November 2025, respectively. The debt is secured by finance receivables and other related assets that we purchased from our affiliates, which we then sold and transferred to RMR V. Advances on the facility are capped at 80% of eligible finance receivables. Borrowings under the facility bear interest, payable monthly, at a per annum rate, which in the case of a conduit lender is the commercial paper rate, plus a margin of 2.75% (2.20% prior to the November 2022 amendment). The effective interest rate was 7.87% as of March 31, 2023. RMR V pays an unused commitment fee between 0.45% and 0.75% based upon the average daily utilization of the facility. As of March 31, 2023, our debt under the credit facility was \$20.1 million.

RMR VI Revolving Warehouse Credit Facility. In February 2023, we and our wholly-owned SPE, RMR VI, entered into a credit agreement that provides for a \$75 million revolving warehouse credit facility to RMR VI. The facility converts to an amortizing loan in February 2025 and terminates in February 2026. The debt is secured by finance receivables and other related assets that we purchased from our affiliates, which we then sold and transferred to RMR VI. Advances on the facility are capped at 80% of eligible finance receivables. Borrowings under the facility bear interest, payable monthly, at a rate equal to one-month SOFR, plus (i) a 0.10% per annum, (ii) a margin of 2.50%, and (iii) the applicable step-up margin (0% during the revolving period). The effective interest rate was 7.27% as of March 31, 2023. RMR VI pays an unused commitment fee of 0.50%. As of March 31, 2023, our debt under the credit facility was \$15.0 million.

Critical Accounting Policies and Estimates.

Management's discussion and analysis of financial condition and results of operations is based upon our consolidated financial statements, which have been prepared in accordance with GAAP and conform to general practices within the consumer finance industry. The preparation of these financial statements requires estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses, and disclosure of contingent assets and liabilities for the periods indicated in the financial statements. Management bases estimates on historical experience and other assumptions it believes to be reasonable under the circumstances and evaluates these estimates on an ongoing basis. Actual results may differ from these estimates under different assumptions or conditions.

Allowance for Credit Losses.

The allowance for credit losses is based on historical credit experience, current conditions, and reasonable and supportable economic forecasts. The historical loss experience is adjusted for quantitative and qualitative factors that are not fully reflected in the historical data. In determining our estimate of expected credit losses, we evaluate information related to credit metrics, changes in our lending strategies and underwriting practices, and the current and forecasted direction of the economic and business environment. These metrics include, but are not limited to, loan portfolio mix and growth, unemployment, credit loss trends, delinquency trends, changes in underwriting, and operational risks.

We selected a Probability of Default (“PD”) / Loss Given Default (“LGD”) model to estimate our base allowance for credit losses, in which the estimated loss is equal to the product of PD and LGD. Historical net finance receivables are tracked over the term of the pools to identify the instances of loss (PDs) and the average severity of losses (LGDs).

To enhance the precision of the allowance for credit loss estimate, we evaluate our finance receivable portfolio on a pool basis and segment each pool of finance receivables with similar credit risk characteristics. As part of our evaluation, we consider loan portfolio characteristics such as product type, loan size, loan term, internal or external credit scores, delinquency status, geographical location, and vintage. Based on analysis of historical loss experience, we selected the following segmentation: product type, Fair Isaac Corporation score, and delinquency status.

As finance receivables are originated, provisions for credit losses are recorded in amounts sufficient to maintain an allowance for credit losses at an adequate level to provide for estimated losses over the contractual life of the finance receivables (considering the effect of prepayments). Subsequent changes to the contractual terms that are a result of re-underwriting are not included in the finance receivable's contractual life (considering the effect of prepayments). We use our segmentation loss experience to forecast expected credit losses. Historical information about losses generally provides a basis for the estimate of expected credit losses. We also consider the need to adjust historical information to reflect the extent to which current conditions differ from the conditions that existed for the period over which historical information was evaluated. These adjustments to historical loss information may be qualitative or quantitative in nature.

Macroeconomic forecasts are required for our allowance for credit loss model and require significant judgment and estimation uncertainty. We consider key economic factors, most notably unemployment rates, to incorporate into our estimate of the allowance for credit losses. We engaged a major rating service provider to assist with compiling a reasonable and supportable forecast which we use to support the adjustments of our historical loss experience.

Due to the judgment and uncertainty in estimating the expected credit losses, we may experience changes to the macroeconomic assumptions within our forecast, as well as changes to our credit loss performance outlook, both of which could lead to further changes in our allowance for credit losses, allowance as a percentage of net finance receivables, and provision for credit losses. Potential macroeconomic changes have created conditions that increase the level of uncertainty associated with our estimate of the amount and timing of future credit losses from our loan portfolio.

Macroeconomic Sensitivity. To demonstrate the sensitivity of forecasting macroeconomic conditions, we stressed our macroeconomic model with 10% increased weighting towards moderate recession that would have increased our reserves as of March 31, 2023 by \$1.2 million.

The macroeconomic scenarios are highly influenced by timing, severity, and duration of changes in the underlying economic factors. This makes it difficult to estimate how potential changes in economic factors affect the estimated credit losses. Therefore, this hypothetical analysis is not intended to represent our expectation of changes in our estimate of expected credit losses due to a change in the macroeconomic environment, nor does it consider management's judgment of other quantitative and qualitative information which could increase or decrease the estimate.

Regulatory Developments.

On March 7, 2023, the Consumer Financial Protection Bureau (the “CFPB”) provided the Company with notice that it is seeking to establish supervisory authority over the Company pursuant to section 1024(a)(1)(C) of the Consumer Financial Protection Act of 2010. Under that provision, the CFPB may establish supervisory authority over any non-bank covered person that it has reasonable cause to determine is engaging, or has engaged, in conduct that poses risks to consumers with regard to the offering or provision of consumer financial products or services. The Company disagrees that the CFPB has reasonable cause to supervise the Company, and has, therefore, submitted a response to the CFPB pursuant to the process outlined in 12 C.F.R. § 1091. At this time, the Company is awaiting the resolution of this matter. If the CFPB decides that it has reasonable cause to determine that the Company is a non-bank covered person that is engaging, or has engaged, in conduct that poses risks to consumers with regard to the offering or provision of consumer financial products or services, the CFPB will have supervisory authority over the Company subjecting the Company to, among other things, examination by the CFPB. See “Government Regulation” in Part I, Item 1 “Business” and “Risks Related to Regulation and Legal Proceedings” in Part I, Item 1A “Risk Factors” in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 for a further discussion of the regulation and regulatory risks to which the Company is subject.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK.**Interest Rate Risk**

Interest rate risk arises from the possibility that changes in interest rates will affect our results of operations and financial condition. We originate finance receivables either at prevailing market rates or at statutory limits. Our finance receivables are structured on a fixed-rate, fixed-term basis. Accordingly, subject to statutory limits, our ability to react to changes in prevailing market rates is dependent upon the speed at which our customers pay off or renew loans in our existing loan portfolio, which allows us to originate new loans at prevailing market rates. Because our large loans have longer maturities than our small loans and typically renew at a slower rate than our small loans, our reaction time to changes may be affected as our large loans change as a percentage of our portfolio.

We also are exposed to changes in interest rates as a result of certain borrowing activities. As of March 31, 2023, the interest rates on 89.4% of our debt (the securitizations) were fixed. We maintain liquidity and fund our business operations in part through variable-rate borrowings under a senior revolving credit facility and three revolving warehouse credit facilities. As of March 31, 2023, the balances and key terms of the credit facilities were as follows:

Revolving Credit Facility	Balance (in thousands)	Interest Payment Frequency	Rate Type	Floor	Margin	Effective Interest Rate
Senior	\$ 105,315	Monthly	1-month SOFR	0.50 %	3.00 %	7.77 %
RMR IV Warehouse	65	Monthly	1-month SOFR	—	2.35 %	7.12 %
RMR V Warehouse	20,099	Monthly	Conduit	—	2.75 %	7.87 %
RMR VI Warehouse	15,005	Monthly	1-month SOFR	—	2.50 %	7.27 %
Total	<u>\$ 140,484</u>					

Based on the underlying rates and the outstanding balances as of March 31, 2023, an increase of 100 basis points in the rates of our revolving credit facilities would result in approximately \$1.4 million of increased interest expense on an annual basis, in the aggregate, under these borrowings.

The nature and amount of our debt may vary as a result of future business requirements, market conditions, and other factors.

ITEM 4. CONTROLS AND PROCEDURES.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our chief executive officer and chief financial officer, evaluated the effectiveness of our disclosure controls and procedures as of March 31, 2023. The term “disclosure controls and procedures,” as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), means controls and other procedures of a company that are designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in the SEC’s rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is accumulated and communicated to the company’s management, including its principal executive officer and principal financial officer, as appropriate to allow timely decisions regarding required disclosure.

Based on the evaluation of our disclosure controls and procedures as of March 31, 2023, our chief executive officer and chief financial officer concluded that, as of such date, our disclosure controls and procedures were effective. Management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving their objectives, and management necessarily applies its judgment in evaluating the cost–benefit relationship of possible controls and procedures.

Changes in Internal Control

There were no changes in our internal control over financial reporting identified in management’s evaluation pursuant to Rules 13a-15(d) or 15d-15(d) of the Exchange Act during the period covered by this Quarterly Report on Form 10-Q that materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS.

The Company is involved in various legal proceedings and related actions that have arisen in the ordinary course of its business that have not been fully adjudicated. The Company's management does not believe that these matters, when ultimately concluded and determined, will have a material adverse effect on its financial condition, liquidity, or results of operations.

ITEM 1A. RISK FACTORS.

There have been no material changes to our risk factors from those included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022. In addition to the other information set forth in this report and in our other reports and statements that we file with the SEC, you should carefully consider the factors discussed in Part I, Item 1A. "Risk Factors" in our Annual Report on Form 10-K for the fiscal year ended December 31, 2022 (which was filed with the SEC on February 24, 2023), which could materially affect our business, financial condition, and/or future operating results. The risks described in our Annual Report on Form 10-K are not the only risks facing our company. Additional risks and uncertainties not currently known to the Company or that the Company currently deems to be immaterial also may materially and adversely affect the Company's business, financial condition, and/or operating results.

BACKGROUND

A. Borrowers, Lenders, and Agent are parties to a certain Seventh Amended and Restated Loan and Security Agreement dated as of September 20, 2019 (as amended or modified from time to time, the "Loan Agreement"). Capitalized terms used but not otherwise defined in this Amendment shall have the meanings respectively ascribed to them in the Loan Agreement.

B. Borrowers have requested and Agent and Lenders have agreed to amend the Loan Agreement in certain respects, all on the terms and conditions set forth herein.

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby promise and agree as follows:

1. Amendment. Upon the effectiveness of this Amendment the Loan Agreement is hereby amended such that, after giving effect to all such amendments, it shall read in its entirety as attached hereto as Exhibit A.

2. Effectiveness Conditions. This Amendment shall be effective upon:

(a) Execution and delivery to Agent by Borrowers and Lenders of this Amendment.

(b) Payment by Borrowers to Agent of a non-refundable amendment fee for Lenders listed and in the amounts set forth on Schedule A attached hereto in immediately available funds, which fee shall be fully earned by such Lenders upon the effectiveness of this Agreement.

3. Representations and Warranties. Each Borrower represents and warrants to Agent and Lenders that as of the date hereof:

(a) The representations and warranties of each Borrower and Guarantor in the Loan Documents are true and correct in all material respects (or in all respects for such representations and warranties that provide for a materiality qualifier therein) on the date of, and upon giving effect to, this Amendment (except for representations and warranties that expressly relate to an earlier date).

(b) The execution and delivery by each Borrower of this Amendment and the performance by each of them of the transactions herein and therein contemplated (i) are and will be within such Borrower's, (ii) have been authorized by all necessary organizational action of such Borrower, and (iii) do not and will not violate any provisions of any law, rule, regulation, judgment, order, writ, decree, determination or award or breach any provisions of the charter, bylaws or other organizational documents of any Borrower.

(c) This Amendment and any assignment, instrument, document, or agreement executed and delivered in connection herewith will be valid, binding and enforceable in accordance with its respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(d) No Event of Default or Default has occurred and is continuing under the Loan Agreement or any of the other Loan Documents.

4. Representations and Release of Claims. Except as otherwise specified herein, the terms and provisions hereof shall in no manner impair, limit, restrict or otherwise affect the obligations of any Borrower, any Guarantor or any third party to Agent and Lenders as evidenced by the Loan Documents. Each Borrower hereby acknowledges, agrees, and represents that (a) as of the date of this Amendment, there are no claims or offsets against, or defenses or counterclaims to, the terms or provisions of the Loan Documents or the Obligations created or evidenced by the Loan Documents; (b) as of the date of this Amendment, no Borrower has any claims, offsets, defenses or counterclaims arising from any of Agent's or any Lender's acts or omissions with respect to the Loan Documents or Agent's or any Lender's performance under the Loan Documents; and (c) Borrowers jointly and severally promise to pay to the order of Agent and Lenders the indebtedness evidenced by the Notes according to the terms thereof. In consideration of the modification of certain provisions of the Loan Agreement pursuant to this Amendment, each Borrower hereby RELEASES, RELINQUISHES and forever DISCHARGES Agent and Lenders, and their predecessors, successors, assigns, shareholders, principals, parents, subsidiaries, agents, officers, directors, employees, attorneys and representatives (collectively, the "Released Parties"), of and from any and all present claims, demands, actions and causes of action of any and every kind or character, whether known or unknown, which Borrowers have or may have against the Released Parties arising out of or with respect to any and all transactions occurring prior to the date hereof and relating to the Loan Agreement, the Notes and the other Loan Documents.

5. Collateral. As security for the payment of the Obligations and satisfaction by Borrowers of all covenants and undertakings contained in the Loan Agreement and the Loan Documents, each Borrower reconfirms the first-priority continuing Lien and security interest in all of its right, title, and interest in, to and under all of the Collateral (except with respect to subsection (c) of the definition of Collateral to the extent that granting occurs pursuant to another security agreement or similar document), whether presently existing or hereafter acquired or arising, in order to secure prompt payment and performance by each Borrower of all its Obligations (other than subsection (c) of the definition of Collateral which granting shall be governed by such other applicable security document). Nothing herein contained is intended to in any manner impair or limit the validity, priority and extent of Agent's existing security interest in and Liens upon the Collateral.

6. Acknowledgment of Indebtedness and Obligations. Borrowers hereby acknowledge and confirm that, as of the date hereof, Borrowers are jointly and severally liable on the Obligations, without defense, setoff or counterclaim, under the Loan Agreement (in addition to any other indebtedness or obligations owed by Borrowers with respect to Bank Products owing to Agent and its Affiliates that are Bank Product Providers).

7. Ratification of Loan Documents. This Amendment shall be incorporated into and deemed a part of the Loan Agreement. Except as expressly set forth herein, all of the terms and conditions of the Loan Agreement and Loan Documents are hereby ratified and confirmed and continue unchanged and in full force and effect. All references to the Loan Agreement shall mean the Loan Agreement as modified by this Amendment.

8. **GOVERNING LAW. Any electronic signature, contract formation on an electronic platform and electronic record-keeping shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system to the fullest extent permitted by Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state law based on the Uniform Electronic Transactions Act.

(a) Amounts. Subject to the satisfaction of the conditions precedent set forth in Section Six and so long as no Default or Event of Default then exists, each Lender severally, but not jointly, agrees, upon Borrowers' request from time to time on any Business Day during the period from the date hereof to the Maturity Date, to make revolving loans (the "Revolving Loans") to Borrowers, in amounts not to exceed (except for Wells Fargo with respect to Non-Ratable Loans and except for the Agent with respect to Agent Advances) such Lender's Pro Rata Share of the Availability. The Lenders, however, in their unanimous discretion, may elect to make Revolving Loans in excess of the Availability on one or more occasions, but if they do so, neither the Agent nor the Lenders shall be deemed thereby to have changed the limits of the Total Credit Facility or the Availability or to be obligated to exceed such limits on any other occasion, subject to the Agent's authority, in its discretion, to make Agent Advances pursuant to the terms of Section 2.2(i). If the sum of outstanding Revolving Loans, together with all outstanding Letter of Credit Obligations, exceeds the Availability, Lenders may refuse to make or otherwise restrict the making of Revolving Loans as Lenders determine until such excess has been eliminated, subject to the Agent's authority, in its discretion, to make Agent Advances pursuant to the terms of Section 2.2(i).

(b) Procedure for Borrowing.

(i) Each Borrowing shall be made upon any Borrower's irrevocable notice delivered to Agent submitted via Agent's online automatic request system in the form of a notice of borrowing in the form attached hereto as Exhibit A (a "Notice of Borrowing") which notice must be received by Agent prior to 1:00 p.m. (New York, New York time) on the requested Funding Date, specifying:

(A) the amount of the Borrowing; and

(B) the requested Funding Date, which shall be a Business Day.

(ii) Intentionally Omitted.

(iii) With respect to any request for Revolving Loans, in lieu of delivering the above-described Notice of Borrowing, a Borrower may give Agent telephonic notice of such request by the required time, with such telephonic notice to be confirmed in writing within 24 hours of the giving of such notice but Agent shall be entitled to rely on the telephonic notice in making such Revolving Loans, regardless of whether any such confirmation is received by Agent. Agent has the right at any time, and from time to time, in its Permitted Discretion (but without any obligation), to establish Reserves against the Availability or, if greater, the Total Credit Facility, in such amounts as it may deem appropriate in its Permitted Discretion.

(c) Reliance upon Authority. Prior to any change with respect to any of the information contained in the following clauses (i) and (ii), Borrowers shall deliver to Agent a writing setting forth (i) the account of Borrowers to which Agent is authorized to transfer the proceeds of the Revolving Loans requested pursuant to this Section 2.2, and (ii) the names of the Persons authorized to request Revolving Loans on behalf of Borrowers, and shall provide Agent with a specimen signature of each such Person. Agent shall be entitled to rely conclusively on such person's authority to request Revolving Loans on behalf of Borrowers, the proceeds of which are to be transferred to any of the accounts specified by Borrowers pursuant to the immediately

preceding sentence, until Agent receives written notice to the contrary. Agent shall have no duty to verify the identity of any individual representing himself as one of the Persons authorized by Borrowers to make such requests on its behalf. Each Borrower agrees that each notice, election, representation and warranty, covenant, agreement and undertaking made on its behalf by such authorized Person shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

(d) No Liability. Agent shall not incur any liability to Borrowers as a result of acting upon any notice referred to in Sections 2.2(b) and (c), which notice Agent believes in good faith to have been given by any Person duly authorized by Borrowers to request Revolving Loans on its behalf or for otherwise acting in good faith under this Section 2.2, and the crediting of Revolving Loans to Borrowers' deposit accounts, or transmittal to such Person as Borrowers shall direct, shall conclusively establish the obligation of Borrowers to repay such Revolving Loans as provided herein.

(e) Notice Irrevocable. Any Notice of Borrowing (or telephonic notice in lieu thereof) made pursuant to Section 2.2(b) shall be irrevocable and Borrowers shall be bound to borrow the funds requested therein in accordance therewith.

(f) Agent's Election. Promptly after receipt of a Notice of Borrowing (or telephonic notice in lieu thereof) pursuant to Section 2.2(b), Agent shall elect, in its discretion, (i) to have the terms of Section 2.2(g) apply to such requested Borrowing, or (ii) to request Wells Fargo to make a Non-Ratable Loan pursuant to the terms of Section 2.2(h) in the amount of the requested Borrowing; provided, however, that if Wells Fargo declines in its discretion to make a Non-Ratable Loan pursuant to Section 2.2(h), Agent shall elect to have the terms of Section 2.2(g) apply to such requested Borrowing.

(g) Making of Revolving Loans.

(i) In the event that Agent shall elect to have the terms of this Section 2.2(g) apply to a requested Borrowing as described in Section 2.2(f), then promptly after receipt of a Notice of Borrowing or telephonic notice pursuant to Section 2.2(b), Agent shall notify Lenders by telecopy, telephone or other similar form of transmission, of the requested Borrowing. Each Lender shall make the amount of such Lender's Pro Rata Share of the requested Borrowing available to Agent in immediately available funds, to such account of Agent as Agent may designate, not later than 2:00 p.m. (New York, New York time) on the Funding Date applicable thereto. After Agent's receipt of the proceeds of such Revolving Loans, Agent shall make the proceeds of such Revolving Loans available to Borrowers on the applicable Funding Date by transferring same day funds equal to the proceeds of such Revolving Loans received by Agent to the account of Borrowers designated in writing by Borrowers; provided, however, that the amount of Revolving Loans so made on any date shall in no event exceed the Excess Availability on such date.

(ii) Unless Agent receives notice from a Lender at least one Business Day prior to the date of any Borrowing that such Lender will not make available as and when required hereunder to Agent for the account of Borrowers the amount of that Lender's Pro Rata

Share of the Borrowing, Agent may assume that each Lender has made such amount available to Agent in immediately available funds on the Funding Date and Agent may (but shall not be so required), in reliance upon such assumption, make available to Borrowers on such date a corresponding amount. If and to the extent any Lender shall not have made its full amount available to Agent in immediately available funds and Agent in such circumstances has made available to Borrowers such amount, that Lender shall on the Business Day following such Funding Date make such amount available to Agent, together with interest at the Federal Funds Rate for each day during such period. A notice by Agent submitted to any Lender with respect to amounts owing under this section shall be conclusive, absent manifest error. If such amount is so made available, such payment to Agent shall constitute such Lender's Revolving Loan for all purposes of this Agreement. If such amount is not made available to Agent on the Business Day following the Funding Date, Agent will notify Borrowers of such failure to fund and, **upon demand** by Agent, Borrowers shall pay such amount to Agent for Agent's account, together with interest thereon for each day elapsed since the date of such Borrowing, at a rate per annum equal to the Interest Rate applicable at the time to the Revolving Loans comprising such Borrowing. The failure of any Lender to make any Revolving Loan on any Funding Date shall not relieve any other Lender of any obligation hereunder to make a Revolving Loan on such Funding Date, but no Lender shall be responsible for the failure of any other Lender to make the Revolving Loan to be made by such other Lender on any Funding Date. In no event shall Borrowers be entitled to credit for any interest paid by a Lender to Agent, nor shall a Defaulting Lender be entitled to interest on amounts held by Agent pursuant to Section 2.23.

(h) Making of Non-Ratable Loans.

(i) In the event Agent shall elect to have the terms of this Section 2.2(h) apply to a requested Borrowing as described in Section 2.2(f), Wells Fargo as Lender shall make a Revolving Loan in the amount of such Borrowing (any such Revolving Loan made solely by Wells Fargo pursuant to this Section 2.2(h) being referred to as a "Non-Ratable Loan") and such Revolving Loans being referred to collectively as "Non-Ratable Loans") available to Borrowers on the Funding Date applicable thereto by transferring same day funds to an account of Borrowers, designated in writing by Borrowers and acceptable to Agent. Each Non-Ratable Loan shall be subject to all the terms and conditions applicable to other Revolving Loans except that all payments thereon shall be payable to Wells Fargo solely for its own account (and for the account of the holder of any participation interest with respect to such Revolving Loan). Agent shall not request Wells Fargo to make any Non-Ratable Loan if (A) Agent shall have received written notice from any Lender that one or more of the applicable conditions precedent set forth in Section Six will not be satisfied on the requested Funding Date for the applicable Borrowing, or (B) the requested Borrowing would exceed the Excess Availability on such Funding Date. Agent shall not otherwise be required to determine whether the applicable conditions precedent set forth in Section Six have been satisfied or the requested Borrowing would exceed the Excess Availability on the Funding Date applicable thereto prior to making, in its discretion, a request that Wells Fargo fund any Non-Ratable Loan.

(ii) The Non-Ratable Loans shall be secured by the Agent's Liens in and to the Collateral, shall constitute Revolving Loans and Obligations hereunder, and shall bear interest at the rate applicable to Revolving Loans from time to time.

(i) Agent Advances.

(i) Subject to the limitations set forth in the provisos contained in this Section 2.2(i)(i) and the limitation set forth in the penultimate paragraph of Section 11.1, Agent is hereby authorized by Borrowers and Lenders, from time to time in Agent's discretion, (A) upon the occurrence and during the continuance of a Default or an Event of Default, or (B) at any time that any of the other applicable conditions precedent set forth in Section Six have not been satisfied, to make Revolving Loans to Borrowers on behalf of Lenders which Agent, in its reasonable business judgment, deems necessary or desirable (1) to preserve or protect the Collateral, or any portion thereof, (2) to enhance the likelihood of, or maximize the amount of, repayment of the Revolving Loans and other Obligations, or (3) to pay any other amount chargeable to Borrowers pursuant to the terms of this Agreement, including costs, fees and expenses as described in Section 13.1 (any of the advances described in this Section 2.2(i)(i) being hereinafter referred to as "Agent Advances"); provided, however, that Required Lenders may at any time revoke Agent's authorization contained in this Section 2.2(i) to make Agent Advances, any such revocation to be in writing and to become effective prospectively upon Agent's receipt thereof; provided further, however, that (a) if the Pro Rata Share of the Required Lenders revoking such authorization does not exceed fifty-one percent (51%), such revocation shall become effective 120 days after Agent's receipt thereof, or (b) if the Default or Event of Default would require consent of all Lenders to waive or amend, such authorization may be revoked by any Lender effective 120 days after Agent's receipt thereof; and provided further, however, that no such Agent Advance shall cause the Credit Facility Exposure (including such Agent Advance) to exceed the Total Credit Facility.

(ii) The Agent Advances shall be repayable **on demand** and secured by the Agent's Liens in and to the Collateral, shall constitute Revolving Loans and Obligations hereunder, and shall bear interest at the rate applicable to Revolving Loans from time to time. Agent shall notify each Lender in writing of each such Agent Advance.

(j) Settlement. It is agreed that each Lender's funded portion of the Revolving Loans is intended by Lenders to be equal at all times to such Lender's Pro Rata Share of the outstanding Revolving Loans. Notwithstanding such agreement, Agent, Wells Fargo and the other Lenders agree (which agreement shall not be for the benefit of or enforceable by Borrowers) that in order to facilitate the administration of this Agreement and the other Loan Documents, settlement among them as to the Revolving Loans, the Non-Ratable Loans and the Agent Advances shall take place on a periodic basis in accordance with the following provisions:

(i) Agent shall request settlement ("Settlement") with Lenders on at least a weekly basis, or on a more frequent basis if so determined by Agent, (A) on behalf of Wells Fargo, with respect to each outstanding Non-Ratable Loan, (B) for itself, with respect to each Agent Advance, and (C) with respect to collections received, in each case, by notifying Lenders of such requested Settlement by telecopy, telephone or other similar form of transmission, of such requested Settlement, no later than 12:00 p.m., noon (New York, New York time) on the date of such requested Settlement (the "Settlement Date"). Each Lender (other than Wells Fargo in the case of Non-Ratable Loans, and Agent in the case of Agent Advances) shall make the amount of such Lender's Pro Rata Share of the outstanding principal amount of the Non-Ratable Loans and Agent Advances with respect to which Settlement is requested available to Agent, to such account

of Agent as Agent may designate, not later than 3:00 p.m. (New York, New York time), on the Settlement Date applicable thereto, which may occur before or after the occurrence or during the continuation of a Default or an Event of Default and whether or not the applicable conditions precedent set forth in Section Six have then been satisfied. Such amounts made available to Agent shall be applied against the amounts of the applicable Non-Ratable Loan or Agent Advance and, together with the portion of such Non-Ratable Loan or Agent Advance representing Wells Fargo's Pro Rata Share thereof, shall constitute Revolving Loans of such Lenders. If any such amount is not made available to Agent by any Lender on the Settlement Date applicable thereto, Agent shall (A) on behalf of Wells Fargo, with respect to each outstanding Non-Ratable Loan, and (B) for itself, with respect to each Agent Advance, be entitled to recover such amount **on demand** from such Lender together with interest thereon at the Federal Funds Rate for the first three (3) days from and after the Settlement Date and thereafter at the Interest Rate then applicable to the Revolving Loans.

(ii) Notwithstanding the foregoing, not more than one (1) Business Day after demand is made by Agent (whether before or after the occurrence of a Default or an Event of Default and regardless of whether Agent has requested a Settlement with respect to a Non-Ratable Loan or Agent Advance), each other Lender (A) shall irrevocably and unconditionally purchase and receive from Wells Fargo or the Agent, as applicable, without recourse or warranty, an undivided interest and participation in such Non-Ratable Loan or Agent Advance equal to such Lender's Pro Rata Share of such Non-Ratable Loan or Agent Advance and (B) if Settlement has not previously occurred with respect to such Non-Ratable Loans or Agent Advances, **upon demand** by Wells Fargo or Agent, as applicable, shall pay to Wells Fargo or Agent, as applicable, as the purchase price of such participation an amount equal to one hundred percent (100%) of such Lender's Pro Rata Share of such Non-Ratable Loans or Agent Advances. If such amount is not in fact made available to Agent by any Lender, Agent shall be entitled to recover such amount **on demand** from such Lender together with interest thereon at the Federal Funds Rate for the first three (3) days from and after such demand and thereafter at the Interest Rate then applicable to Revolving Loans.

(iii) From and after the date, if any, on which any Lender purchases an undivided interest and participation in any Non-Ratable Loan or Agent Advance pursuant to clause (ii) preceding, Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by the Agent in respect of such Non-Ratable Loan or Agent Advance.

(iv) Between Settlement Dates, Agent, to the extent no Agent Advances are outstanding, may pay over to Wells Fargo any payments received by Agent, which in accordance with the terms of this Agreement would be applied to the reduction of the Revolving Loans, for application to Wells Fargo's Revolving Loans including Non-Ratable Loans. If, as of any Settlement Date, collections received since the then immediately preceding Settlement Date have been applied to Wells Fargo's Revolving Loans (other than to Non-Ratable Loans or Agent Advances in which such Lender has not yet funded its purchase of a participation pursuant to Section 2.2(j)(ii) above), as provided for in the previous sentence, Wells Fargo shall pay to Agent for the accounts of the Lenders, to be applied to the outstanding Revolving Loans of such Lenders, an amount such that each Lender shall, upon receipt of such amount, have, as of such Settlement Date, its Pro Rata Share of the Revolving Loans. During the period between Settlement Dates,

Wells Fargo with respect to Non-Ratable Loans, Agent with respect to Agent Advances, and each Lender with respect to the Revolving Loans other than Non-Ratable Loans and Agent Advances, shall be entitled to interest at the applicable rate or rates payable under this Agreement on the actual average daily amount of funds employed by Wells Fargo, Agent and the other Lenders.

(k) Notation. Agent shall record on its books the principal amount of the Revolving Loans owing to each Lender, including the Non-Ratable Loans owing to Wells Fargo, and the Agent Advances owing to Agent, from time to time. In addition, each Lender is authorized, at such Lender's option, to note the date and amount of each payment or prepayment of principal of such Lender's Revolving Loans in its books and records, including computer records, such books and records constituting presumptive evidence, absent manifest error, of the accuracy of the information contained therein.

(l) Lenders' Failure to Perform. All Revolving Loans (other than Non-Ratable Loans and Agent Advances) shall be made by Lenders simultaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any Revolving Loans hereunder, nor shall any Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligation to make any Revolving Loans hereunder, (ii) no failure by any Lender to perform its obligation to make any Revolving Loans hereunder shall excuse any other Lender from its obligation to make any Revolving Loans hereunder, and (iii) the obligations of each Lender hereunder shall be several, not joint and several.

(m) Revolving Loans under Original Loan Agreement. The Borrowers acknowledge and agree that as of the close of business on the Business Day immediately preceding the Closing Date, (i) the outstanding principal amount of Revolving Loans under the Original Loan Agreement equaled \$384,064,872.99 and that such Revolving Loans are continued as Revolving Loans hereunder, and (ii) there are no Letters of Credit outstanding under the Original Loan Agreement. All Commitments (as defined in the Original Loan Agreement) under the Original Loan Agreement shall hereinafter be assigned or re-allocated among the Commitments hereunder, and after giving effect hereto, the percentages of the Commitments are as set forth on the signature pages of this Agreement. Notwithstanding anything set forth herein to the contrary, in order to effect the continuation of the outstanding Revolving Loans contemplated by the preceding sentence, the amount to be funded on the Closing Date by each Lender hereunder in respect of its Commitments shall be reduced by the principal amount of such Lender's Revolving Loans under the Original Loan Agreement outstanding on the Closing Date.

2.3 Books and Records; Monthly Statements. Each Borrower agrees that Agent's and each Lender's books and records showing the Obligations and the transactions pursuant to this Agreement and the other Loan Documents shall be admissible in any action or proceeding arising therefrom, and shall constitute rebuttably presumptive proof thereof, irrespective of whether any Obligation is also evidenced by a promissory note or other instrument. Agent will provide to Borrowers a monthly statement of the Letters of Credit and Revolving Loans, and interest and fees accruing hereunder, and payments and other transactions pursuant to this Agreement with respect to the Revolving Loans. Such statement shall be deemed correct, accurate, and binding on Borrowers and an account stated (except for reversals and reapplications of payments made as provided in Section 2.4 and corrections of errors discovered by Agent), unless Borrowers notify

Agent in writing to the contrary within thirty (30) days after such statement is rendered. In the event a timely written notice of objections is given by Borrowers, only the items to which exception is expressly made will be considered to be disputed by Borrowers.

2.4 Apportionment Application and Reversal of Payments. Principal and interest payments shall be apportioned ratably among Lenders (according to the unpaid principal balance of the Revolving Loans to which such payments relate held by each Lender) and payments of the fees shall, as applicable, be apportioned ratably among Lenders. Notwithstanding the foregoing, if a Defaulting Lender obtains a payment or reduction of any Obligation, it shall immediately turn over the full amount thereof to Agent for application pursuant to this Agreement and it shall provide a written statement to Agent describing the Obligation affected by such payment or reduction. No Lender shall set off against a deposit account of a Borrower or Guarantor without Agent's prior written consent. All payments shall be remitted to Agent and all such payments received by Agent after acceleration of the Obligations prior to the Maturity Date or the failure of the Borrowers to Pay in Full the Obligations on the Maturity Date, and all proceeds of Collateral received by Agent, in each case shall be applied, ratably, subject to the provisions of this Agreement, first, to pay any fees, indemnities or expense reimbursements (excluding, however, any such amounts relating to Bank Products) then due and payable under the Loan Documents to Agent from Borrowers (and all Non-Ratable Loans, Agent Advances, and other Revolving Loans and participations that a Defaulting Lender has failed to settle or fund); second, to pay any fees or expense reimbursements then due and payable under the Loan Documents to Lenders from the Borrowers; third, to pay interest due in respect of all Revolving Loans, including Non-Ratable Loans and Agent Advances; fourth, to pay or prepay principal of the Non-Ratable Loans and Agent Advances; fifth, to pay or prepay principal of the Revolving Loans (other than Non-Ratable Loans and Agent Advances) and unpaid reimbursement obligations in respect of Letters of Credit; and sixth, to the payment of any other Obligation (including any amounts relating to Bank Products) due and payable under the Loan Documents to Agent or any Lender by Borrowers. Agent shall promptly distribute to each Lender, pursuant to the applicable wire transfer instructions received from each Lender in writing, such funds as it may be entitled to receive, subject to a Settlement delay as provided for in Section 2.2(j). Agent and Lenders shall have the continuing and exclusive right to apply and reverse and reapply any and all such proceeds and payments to any portion of the Obligations.

2.5 Interest.

(a) **Interest Rates.** All outstanding Obligations (other than Bank Product Obligations and undrawn Letters of Credit) that have been charged to the Loan Account shall bear interest on the unpaid principal amount thereof (to the extent not prohibited by law) from the date made until paid in full in cash at a rate determined by reference to LIBOR or Term SOFR, as applicable, but not to exceed the Maximum Rate described in Section 2.7. Except as otherwise provided herein or in the other Loan Documents, the outstanding Obligations (other than Bank Product Obligations and undrawn Letters of Credit) that have been charged to the Loan Account shall bear interest at a per annum rate equal to (i) LIBOR plus the Applicable Margin through and including September 30, 2022 and (ii) Adjusted Term SOFR plus the Applicable Margin at all times thereafter. All interest charges shall be computed on the basis of a year of 360 days and actual days elapsed (which results in more interest being paid than if computed on the basis of a 365-day year). Interest accrued on all Revolving Loans will be payable in arrears on the first day

of each month for the previous calendar month and on the Maturity Date and each Borrower expressly authorizes Agent to charge the Loan Account for the purpose of paying such interest as provided in Section 2.10(d). The rate of interest provided for hereunder is subject to increase or decrease as Term SOFR increases or decreases in an amount corresponding to the change in Term SOFR, with such benchmark rate being determined on the Periodic Term SOFR Determination Day, and any such change will become effective on the first (1st) day of the immediately following month.

(b) Default Rate. If any Event of Default occurs and is continuing, then upon the election of the Agent (at the direction of the Required Lenders), while any such Event of Default is outstanding, (i) all of the Obligations (other than Bank Product Obligations and undrawn Letters of Credit) that have been charged to the Loan Account shall bear interest at the Default Rate applicable thereto and (ii) the Letter of Credit Fee shall increase to the Default Rate.

(c) Bank Product Obligations. Notwithstanding anything to the contrary contained herein, all Bank Product Obligations shall bear interest, if any, at the applicable rate(s) set forth in such Hedge Agreements or such other agreements and documents governing the Bank Products.

2.6 Intentionally Omitted.

2.7 Maximum Interest Rate. In no event shall any interest rate provided for hereunder exceed the maximum rate permissible for corporate borrowers under applicable law for loans of the type provided for hereunder (the "Maximum Rate"). If, in any month, any interest rate, absent such limitation, would have exceeded the Maximum Rate, then the interest rate for that month shall be the Maximum Rate, and, if in future months, that interest rate would otherwise be less than the Maximum Rate, then that interest rate shall remain at the Maximum Rate until such time as the amount of interest paid hereunder equals the amount of interest which would have been paid if the same had not been limited in prior months by the Maximum Rate. In the event that, upon Payment in Full of the Obligations under this Agreement, the total amount of interest paid or accrued under the terms of this Agreement is less than the total amount of interest which would, but for this Section 2.7, have been paid or accrued if the interest rates otherwise set forth in this Agreement had at all times been in effect, then Borrowers shall, to the extent permitted by applicable law, pay Agent, for the account of Lenders, an amount equal to the difference between (a) the lesser of (i) the amount of interest which would have been charged if the Maximum Rate had, at all times, been in effect or (ii) the amount of interest which would have accrued had the interest rates otherwise set forth in this Agreement, at all times, been in effect and (b) the amount of interest actually paid or accrued under this Agreement. In the event that a court determines that Agent and/or any Lender has received interest and other charges hereunder in excess of the Maximum Rate, such excess shall be deemed received on account of, and shall automatically be applied to reduce, the Obligations other than interest, in the inverse order of maturity, and if there are no Obligations outstanding, the Agent and/or such Lender shall refund to Borrowers such excess.

2.8 Unused Line Fee. Borrowers agree to pay, on the 1st day of each month and on the Maturity Date, to Agent, for the account of Lenders, in accordance with their respective Pro Rata Shares, an unused line fee (the "Unused Line Fee") at the rate of the applicable Unused Line

Fee Percentage based on the result of (i) the Total Credit Facility minus (ii) the average daily Credit Facility Exposure during the immediately preceding month. The Unused Line Fee shall be computed on the basis of a 360-day year for the actual number of days elapsed. All payments received by Agent shall be deemed to be credited to Borrowers' Loan Account immediately upon receipt for purposes of calculating the Unused Line Fee pursuant to this Section 2.8.

2.9 Payment of Revolving Loans. Borrowers shall repay the outstanding principal balance of the Revolving Loans, plus all accrued but unpaid interest thereon, on the Maturity Date. Borrowers may prepay Revolving Loans at any time, and reborrow subject to the terms of this Agreement. In addition, and without limiting the generality of the foregoing, Borrowers shall pay to Agent, for the account of Lenders, the amount, without duplication, by which the sum of outstanding Revolving Loans, together with outstanding Letter of Credit Obligations, exceeds the Availability with any such amount to be payable immediately without notice or demand.

2.10 Payments by Borrowers.

(a) All payments to be made by Borrowers shall be made without set-off, recoupment or counterclaim. Except as otherwise expressly provided herein, all payments by Borrowers shall be made to Agent for the account of Lenders, at Agent's address and shall be made in Dollars and in immediately available funds, no later than 1:00 p.m. (New York, New York time) on the date specified herein. Any payment received by Agent later than 1:00 p.m. (New York, New York time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue.

(b) Whenever any payment is due on a day other than a Business Day, such payment shall be made on the following Business Day, and such extension of time shall in such case be included in the computation of interest or fees, as the case may be.

(c) Unless Agent receives notice from Borrower prior to the date on which any payment is due to the Lenders that Borrowers will not make such payment in full as and when required, Agent may assume that Borrowers have made such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrowers have not made such payment in full to Agent, each Lender shall repay to Agent **on demand** such amount distributed to such Lender, together with interest thereon at the Federal Funds Rate for each day from the date such amount is distributed to such Lender until the date repaid.

(d) All payments of principal, interest, reimbursement obligations in connection with Letters of Credit and any related credit support for Letters of Credit, fees, premiums and other sums payable hereunder, including all reimbursement for expenses pursuant to Section 13.1, may, at the option of Agent, subject only to the terms of this Section 2.10(d), be paid from the proceeds of Revolving Loans made hereunder, whether made following a request by Borrowers pursuant to Section 2.2 or a deemed request as provided in this Section 2.10(d). Each Borrower hereby irrevocably authorizes Agent to charge the Loan Account for the purpose of paying principal, interest, reimbursement obligations in connection with Letters of Credit and any related credit support for Letters of Credit, fees, premiums and other sums payable hereunder, including

reimbursing expenses pursuant to Section 13.1, and agrees that all such amounts charged shall constitute Revolving Loans (including, if charged as such to the Loan Account, Non-Ratable Loans or Agent Advances) and that all such Revolving Loans so made shall be deemed to have been requested by Borrowers pursuant to Section 2.2.

2.11 Taxes.

(a) Any and all payments by Borrowers to Agent and each Lender under this Agreement and any other Loan Document shall be made free and clear of, and without deduction or withholding for, any Taxes, unless otherwise required by applicable law. In addition, Borrowers shall timely pay, or at the option of the Agent timely reimburse it for the payment of, all Other Taxes.

(b) SUBJECT TO SECTION 12.9, BORROWERS AGREE TO INDEMNIFY AND HOLD HARMLESS AGENT AND EACH LENDER FOR THE FULL AMOUNT OF INDEMNIFIED TAXES (INCLUDING ANY INDEMNIFIED TAXES ON AMOUNTS PAYABLE UNDER THIS SECTION) AND ANY INTEREST, PENALTIES OR ADDITIONS TO TAX PAID BY AGENT OR ANY LENDER AND ANY REASONABLE EXPENSES ARISING THEREFROM OR WITH RESPECT THERETO, WHETHER OR NOT SUCH INDEMNIFIED TAXES WERE CORRECTLY OR LEGALLY ASSERTED. PAYMENT UNDER THIS INDEMNIFICATION SHALL BE MADE WITHIN 10 DAYS AFTER THE DATE AGENT OR SUCH LENDER MAKES WRITTEN DEMAND THEREFOR. A CERTIFICATE AS TO THE AMOUNT OF SUCH PAYMENT OR LIABILITY DELIVERED TO THE BORROWER AGENT BY A LENDER (WITH A COPY TO AGENT), OR BY AGENT ON ITS OWN BEHALF OR ON BEHALF OF A LENDER, SHALL BE CONCLUSIVE ABSENT MANIFEST ERROR.

(c) If Borrowers shall be required by law to deduct or withhold any Taxes or Other Taxes from or in respect of any sum payable hereunder to Agent or any Lender, then:

(i) If such Taxes or Other Taxes are Indemnified Taxes and subject to Section 12.9, the sum payable shall be increased as necessary so that after making all required deductions and withholdings (including deductions and withholdings applicable to additional sums payable under this section) Agent or such Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made;

(ii) Borrowers shall make such deductions and withholdings;

(iii) Borrowers shall timely pay the full amount deducted or withheld to the relevant taxing authority or other authority in accordance with applicable law; and

(iv) Borrowers shall also pay to each Lender or Agent for the account of such Lender, at the time interest is paid, all additional amounts which the respective Lender specifies as necessary to preserve the after-tax yield such Lender would have received if such Taxes or Other Taxes had not been imposed.

(d) Within 30 days after the date of any payment by Borrowers of Indemnified Taxes, Borrowers shall furnish Agent the original or a certified copy of a receipt evidencing payment thereof, or other evidence of payment reasonably satisfactory to Agent.

(e) If Borrowers are required to pay additional amounts to Agent or any Lender pursuant to Section 2.11(c), if any Lender requests compensation under Section 2.13 or if any Lender gives a notice pursuant to Section 2.12, then such Lender shall use reasonable efforts (consistent with legal and regulatory restrictions) to change the jurisdiction of its Lending Office so as to eliminate any such additional payment by Borrowers which may thereafter accrue, if such change in the judgment of such Lender is not otherwise disadvantageous to such Lender.

(f) If any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section (including by the payment of additional amounts pursuant to this Section), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

2.12 Intentionally Omitted.

2.13 Increased Costs and Reduction of Return.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, liquidity, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender or Letter of Credit Issuer;

(ii) subject any Recipient to Taxes (other than (i) Indemnified Taxes, (ii) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes, and (iii) Connection Income Taxes) with respect to any Revolving Loan, Letter of Credit, Commitment or other Obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender, Letter of Credit Issuer or interbank market any other condition, cost or expense (other than Taxes) affecting any Revolving Loan, Letter of Credit, participation in Letter of Credit Obligations, Commitment or Loan Document;

(iv) and the result thereof shall be to increase the cost to a Lender of making or maintaining any Revolving Loan or Commitment, or converting to or continuing any interest option for a Revolving Loan, or to increase the cost to a Lender or Letter of Credit Issuer of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by a Lender or Letter of Credit Issuer hereunder (whether of principal, interest or any other amount) then, upon request of such Lender or Letter of Credit Issuer, Borrowers will pay to it such additional amount(s) as will compensate it for the additional costs incurred or reduction suffered.

(b) If a Lender or Letter of Credit Issuer determines that a Change in Law affecting such Lender or Letter of Credit Issuer or its holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's, Letter of Credit Issuer's or holding company's capital as a consequence of this Agreement, or such Lender's or Letter of Credit Issuer's Commitments, Revolving Loans, Letters of Credit or participations in Letter of Credit Obligations or Revolving Loans, to a level below that which such Lender, Letter of Credit Issuer or holding company could have achieved but for such Change in Law (taking into consideration its policies with respect to capital adequacy), then from time to time Borrowers will pay to such Lender or Letter of Credit Issuer, as the case may be, such additional amounts as will compensate it or its holding company for the reduction suffered.

(c) If any Lender is required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits, Borrowers shall pay additional interest to such Lender on Revolving Loans equal to the costs of such reserves allocated to the Revolving Loan by the Lender (as determined by it in good faith, which determination shall be conclusive). The additional interest shall be due and payable on each interest payment date for the Revolving Loan; provided, that if the Lender notifies Borrowers (with a copy to Agent) of the additional interest less than 10 days prior to the interest payment date, then such interest shall be payable 10 days after Borrowers' receipt of the notice.

(d) Failure or delay on the part of any Lender or Letter of Credit Issuer to demand compensation pursuant to this Section shall not constitute a waiver of its right to demand such compensation, but Borrowers shall not be required to compensate a Lender or Letter of Credit Issuer for any amounts pursuant to this Section 2.13 if the event giving rise to such compensation obligations was suffered more than nine months (plus any period of retroactivity of the Change in Law giving rise to the demand) prior to the date that the Lender or Letter of Credit Issuer notifies Borrower Agent of the applicable Change in Law and of such Lender's or Letter of Credit Issuer's intention to claim compensation therefor.

2.14 Intentionally Omitted.

2.15 Benchmark Replacement Setting.

(a) Circumstances Affecting Benchmark Availability. Subject to clause (c) below, if for any reason (i) Agent shall determine (which determination shall be conclusive and binding absent manifest error) that reasonable and adequate means do not exist for ascertaining Term SOFR for the applicable Interest Period on or prior to the first day of a calendar month, (ii) the Required Lenders shall determine (which determination shall be conclusive and binding absent manifest error) that Term SOFR does not adequately and fairly reflect the cost to such Lenders of making or maintaining Loans, or (iii) upon the commencement of a Benchmark Unavailability Period, then, in each case, Agent shall promptly give notice thereof to Borrowers. Upon notice thereof by Agent to Borrowers, until such time as a Benchmark Replacement has been determined pursuant to clause (c) below, Agent may select a replacement index rate and spread adjustment in good faith and in its commercially reasonable discretion giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for Dollar-denominated syndicated credit facilities; provided that any comparable or successor rate shall be applied by Agent, if administratively feasible, in a manner consistent with market practice.

(b) Laws Affecting SOFR Availability. If, after the date hereof, the introduction of, or any change in, any applicable law or regulation or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or any of their respective lending offices) with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, shall make it unlawful or impossible for any Lender (or any of their respective lending offices) to determine or charge interest based upon SOFR or Term SOFR, such Lender shall promptly give notice thereof to Agent and Agent shall promptly give notice to Borrowers and the other Lenders. Thereafter, until Agent notifies the Borrower that such circumstances no longer exist or until such time as a Benchmark Replacement has been determined pursuant to clause (c) below, Agent may select a replacement index rate and spread adjustment in good faith and in its commercially reasonable discretion giving due consideration to (i) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (ii) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement to the then-current Benchmark for Dollar-denominated syndicated credit facilities; provided that any comparable or successor rate shall be applied by Agent, if administratively feasible, in a manner consistent with market practice.

(c) Benchmark Replacement Setting.

(i) Benchmark Replacement.

(A) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event, Agent and Borrowers may amend this Agreement to replace the then-current Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after Agent has posted such proposed amendment to all affected Lenders and Borrowers so long as Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of

a Benchmark with a Benchmark Replacement pursuant to this Section 2.15(c)(i)(A) will occur prior to the applicable Benchmark Transition Start Date.

(B) No Hedge Agreement shall be deemed to be a “Loan Document” for purposes of this Section 2.15(c).

(ii) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) Notices; Standards for Decisions and Determinations. Agent will promptly notify Borrowers and Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. Agent will promptly notify Borrowers of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.15(c)(iv). Any determination, decision or election that may be made by Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.15(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.15(c).

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by Agent in its reasonable discretion or (2) the administrator of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then Agent may modify the definition of “Interest Period” (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

2.16 Certificates of Lenders. Any Lender, when claiming reimbursement or compensation under this Section Two, shall deliver to Borrowers (with a copy to Agent) a certificate setting forth in reasonable detail the amount payable to such Lender hereunder and such certificate shall be conclusive and binding on Borrowers in the absence of manifest error.

2.17 Survival. The agreements and obligations of Borrowers in this Section Two shall survive the payment of all other Obligations.

2.18 Letters of Credit.

(a) Issuance. Subject to the terms and conditions of this Agreement, the Letter of Credit Issuer shall, upon the Borrowers' request from time to time, cause stand-by letters of credit to be issued for the Borrowers' account (the "Letters of Credit"). The Letter of Credit Issuer will not cause to be opened any Letter of Credit if: (i) the stated face amount of the requested Letter of Credit would exceed the Unused Letter of Credit Subfacility at such time; (ii) the stated face amount of the requested Letter of Credit, would cause the Borrowers' remaining Excess Availability to be less than zero at such time or would exceed the Total Credit Facility at such time; (iii) the expiration date of the Letter of Credit would exceed the Maturity Date or be greater than twelve (12) months from the date of issuance or (iv) a Defaulting Lender exists, unless such Lender or Borrowers have entered into arrangements satisfactory to Agent and Letter of Credit Issuer to eliminate any Fronting Exposure associated with such Lender. All payments made and expenses incurred by the Letter of Credit Issuer pursuant to or in connection with the Letters of Credit may, at the Agent's Permitted Discretion, be charged to the Borrowers' Loan Account as Revolving Loans.

(b) Other Conditions. In addition to being subject to the satisfaction of the applicable conditions precedent contained in Section Six, the obligation of the Letter of Credit Issuer to cause to be issued any Letter of Credit is subject to the following conditions precedent having been satisfied in a manner satisfactory to the Agent:

(i) The Borrowers shall have delivered to the Letter of Credit Issuer, at such times and in such manner as such Letter of Credit Issuer may prescribe, an application in form and substance satisfactory to the Letter of Credit Issuer for the issuance of the Letter of Credit and such other documents as may be reasonably required pursuant to the terms thereof, and the form and terms of the proposed Letter of Credit shall be satisfactory to the Agent and Letter of Credit Issuer; and

(ii) As of the date of issuance, no order of any court, arbitrator or Governmental Authority shall purport by its terms to enjoin or restrain money center banks generally from issuing letters of credit of the type and in the amount of the proposed Letter of Credit, and no law, rule or regulation applicable to money center banks generally and no request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over money center banks generally shall prohibit, or request that the Letter of Credit Issuer refrain from, the issuance of letters of credit generally or the issuance of such Letters of Credit.

(c) Issuance of Letters of Credit.

(i) Request for Issuance. The Borrowers shall give the Agent two (2) Business Days' prior written notice of the Borrowers' request for the issuance of a Letter of Credit. Such notice shall be irrevocable and shall specify the original face amount of the Letter of Credit requested, the effective date (which date shall be a Business Day) of issuance of such requested Letter of Credit, whether such Letter of Credit may be drawn in a single or in partial draws, the date on which such requested Letter of Credit is to expire (which date shall be a Business Day), the purpose for which such Letter of Credit is to be issued, and the beneficiary of the requested Letter of Credit. The Borrower shall attach to such notice the proposed form of the Letter of Credit that the Agent is requested to cause to be issued.

(ii) Responsibilities of the Agent; Issuance. Agent shall determine, as of the Business Day immediately preceding the requested effective date of issuance of the Letter of Credit set forth in the notice from Borrowers pursuant to Section 2.18(c)(i), (A) the amount of the applicable Unused Letter of Credit Subfacility and (B) the Excess Availability as of such date. If (i) the undrawn amount of the requested Letter of Credit is not greater than the Unused Letter of Credit Subfacility and (ii) the amount of such requested Letter of Credit and all commissions, fees, and charges due from Borrowers in connection with the opening thereof would not exceed the Excess Availability, Agent shall, so long as the other conditions hereof and of Section Six are met, cause the requested Letter of Credit to be issued on such requested effective date of issuance.

(iii) Notice of Issuance. On each Settlement Date, Agent shall give notice to each Lender of the issuance of all Letters of Credit issued since the last Settlement Date.

(iv) No Extensions or Amendment. The Agent shall not be obligated to cause any Letter of Credit to be extended or amended unless (A) the requirements of this Section 2.18 are met as though a new Letter of Credit were being requested and issued, and (B) the Agent consents to such extension or amendment, which it may withhold in its sole and absolute discretion.

(d) Payments Pursuant to Letters of Credit.

(i) Payment of Letter of Credit Obligations. The Borrowers agree to reimburse the Letter of Credit Issuer for any draw under any Letter of Credit promptly **upon demand**, and to pay the issuer of the Letter of Credit (or the Agent, for the account of such issuer) the amount of all other obligations and other amounts payable to such issuer under or in connection with any Letter of Credit immediately when due, irrespective of any claim, setoff, defense or other right which the Borrowers may have at any time against such issuer or any other Person.

(ii) Revolving Loans to Satisfy Reimbursement Obligations. In the event that the issuer of any Letter of Credit honors a draw under such Letter of Credit and the Borrowers shall not have repaid such amount to the issuer of such Letter of Credit pursuant to Section 2.18(d)(i), such drawing shall constitute a request by the Borrowers to the Agent for a Borrowing of a Revolving Loan in the amount of such drawing. The Funding Date with respect to such Borrowing shall be the date of such drawing.

(e) Participations.

(i) Purchase of Participations. Immediately upon issuance of any Letter of Credit in accordance with Section 2.18(c), each Lender shall be deemed to have irrevocably and unconditionally purchased and received without recourse or warranty, an undivided interest and participation equal to such Lender's Pro Rata Share of the face amount of such Letter of Credit (including all obligations of Borrowers with respect thereto, and any security therefor or guaranty pertaining thereto).

(ii) Sharing of Reimbursement Obligation Payments. Whenever Agent receives a payment from Borrowers on account of reimbursement obligations in respect of a Letter of Credit as to which the Agent has previously received for the account of the Letter of Credit Issuer thereof payment from a Lender pursuant to Section 2.18(d)(ii), Agent shall promptly pay to such Lender such Lender's Pro Rata Share of such payment from Borrowers in Dollars. Each such payment shall be made by Agent on the Business Day on which Agent receives immediately available funds paid to such Person pursuant to the immediately preceding sentence, if received prior to 2:00 p.m. (New York, New York time) on such Business Day and otherwise on the next succeeding Business Day.

(iii) Documentation. Upon the request of any Lender, Agent shall furnish to such Lender copies of any Letter of Credit, reimbursement agreements executed in connection therewith, applications for any Letter of Credit, and such other documentation as may reasonably be requested by such Lender.

(iv) Obligations Irrevocable. The obligations of each Lender to make payments to Agent with respect to any Letter of Credit or with respect to their participation therein or with respect to the Revolving Loans made as a result of a drawing under a Letter of Credit and the obligations of Borrower for whose account the Letter of Credit was issued to make payments to Agent, for the account of Lenders, shall be irrevocable, not subject to any qualification or exception whatsoever, including any of the following circumstances:

(1) any lack of validity or enforceability of this Agreement or any of the other Loan Documents;

(2) the existence of any claim, setoff, defense or other right which Borrowers may have at any time against a beneficiary named in a Letter of Credit or any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), any Lender, Agent, the issuer of such Letter of Credit, or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transactions between Borrowers or any other Person and the beneficiary named in any Letter of Credit);

(3) any draft, certificate or any other document presented under the Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect;

(4) the surrender or impairment of any security for the performance or observance of any of the terms of any of the Loan Documents;

(5) the occurrence of any Default or Event of Default; or

(6) the failure of Borrowers to satisfy the applicable conditions precedent set forth in

Section Six.

(f) Recovery or Avoidance of Payments. In the event any payment by or on behalf of Borrowers received by Agent with respect to any Letter of Credit and distributed by Agent to Lenders on account of their respective participations therein is thereafter set aside, avoided or recovered from Agent in connection with any receivership, liquidation or bankruptcy proceeding, Lenders shall, **upon demand** by Agent, pay to Agent their respective Pro Rata Shares of such amount set aside, avoided or recovered, together with interest at the rate required to be paid by Agent upon the amount required to be repaid by it.

(g) Compensation for Letters of Credit. The Borrowers agree to pay to the Agent, for the account of the Lenders, in accordance with their respective Pro Rata Shares, with respect to each Letter of Credit, the Letter of Credit Fee specified in, and in accordance with the terms of, Section 2.19.

(h) Indemnification; Exoneration; Power of Attorney.

(i) **INDEMNIFICATION.** IN ADDITION TO AMOUNTS PAYABLE AS ELSEWHERE PROVIDED IN THIS SECTION 2.18, THE BORROWERS HEREBY AGREE TO PROTECT, INDEMNIFY, PAY AND SAVE THE LENDERS AND THE AGENT HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LIABILITIES, DAMAGES, LOSSES, COSTS, CHARGES AND EXPENSES (INCLUDING ANY REASONABLE ATTORNEYS' FEES) WHICH ANY LENDER OR THE AGENT MAY INCUR OR BE SUBJECT TO AS A CONSEQUENCE, DIRECT OR INDIRECT, OF THE ISSUANCE OF ANY LETTER OF CREDIT OR THE PROVISION OF ANY CREDIT SUPPORT OR ENHANCEMENT IN CONNECTION THEREWITH UNLESS RESULTING FROM SUCH LENDER'S OR THE AGENT'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. THE AGREEMENT IN THIS SECTION 2.18(H)(I) SHALL SURVIVE PAYMENT OF ALL OBLIGATIONS AND THE TERMINATION OF THIS AGREEMENT.

(ii) Assumption of Risk by the Borrowers. As among the Borrowers, the Lenders and the Agent, the Borrowers assume all risks (except the risk of gross negligence or willful misconduct by any Lender or the Agent) of the acts and omissions of, or misuse of any of the Letters of Credit by, the respective beneficiaries of such Letters of Credit. In furtherance and not in limitation of the foregoing, the Lenders and the Agent, when acting in good faith and without gross negligence or willful misconduct, shall not be responsible for: (A) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any Person in connection with the application for and issuance of and presentation of drafts with respect to any of the Letters of Credit, even if it should prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (B) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign any Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (C) the failure of the beneficiary of any Letter of Credit to comply duly with conditions required in order to draw upon such Letter of Credit; (D) errors, omissions, interruptions, or delays in transmission or delivery of any messages, by mail, cable, telegraph, telex or otherwise, whether

or not they be in cipher; (E) errors in interpretation of technical terms; (F) any loss or delay in the transmission or otherwise of any document required in order to make a drawing under any Letter of Credit or of the proceeds thereof; (G) the misapplication by the beneficiary of any Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (H) any consequences arising from causes beyond the control of the Agent or the Lenders, including, without limitation, any act or omission, whether rightful or wrongful, of any present or future de jure or de facto Public Authority. None of the foregoing shall affect, impair or prevent the vesting of any rights or power of the Agent or any Lender under this Section 2.18.

(iii) Exoneration. In furtherance and extension, and not in limitation, of the specific provisions set forth above, any action taken or omitted by the Agent or any Lender under or in connection with any of the Letters of Credit or any related certificates, if taken or omitted in the absence of gross negligence or willful misconduct, shall not put the Agent or any Lender under any resulting liability to the Borrowers or relieve the Borrowers of any of its obligations hereunder to any such Person.

(iv) Indemnification by Lenders. Lenders agree to indemnify each Letter of Credit Issuer (to the extent not reimbursed by Borrowers and without limiting the obligations of Borrowers hereunder) ratably in accordance with their respective Pro Rata Shares, for any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including attorneys' fees) or disbursements of any kind and nature whatsoever that may be imposed on, incurred by or asserted against such Letter of Credit Issuer in any way relating to or arising out of any Letter of Credit or the transactions contemplated thereby or any action taken or omitted by such Letter of Credit Issuer under any Letter of Credit or any Loan Document in connection therewith; provided that no Lender shall be liable for any of the foregoing to the extent it arises from the gross negligence or willful misconduct of the Person to be indemnified. Without limitation of the foregoing, each Lender agrees to reimburse each Letter of Credit Issuer promptly **upon demand** for its Pro Rata Share of any costs or expenses payable by Borrowers to such Letter of Credit Issuer, to the extent that such Letter of Credit Issuer is not promptly reimbursed for such costs and expenses by Borrowers. The agreement contained in this section shall survive Payment in Full of all Obligations.

(v) Account Party. The Borrowers hereby authorize and direct any Letter of Credit Issuer to name the Borrower as the "Account Party" therein and to deliver to the Agent all instruments, documents and other writings and property received by the Letter of Credit Issuer pursuant to the Letter of Credit, and to accept and rely upon the Agent's instructions and agreements with respect to all matters arising in connection with the Letter of Credit or the application therefor.

(i) Supporting Letter of Credit; Cash Collateral. If, notwithstanding the provisions of this Section 2.18 and any other provision of this Agreement, any Letter of Credit is outstanding upon the termination of this Agreement, then upon such termination the Borrowers shall deposit with the Agent, for the ratable benefit of the Agent and the Lenders, with respect to each Letter of Credit then outstanding, as the Majority Lenders, in their discretion, shall specify, either (A) a standby letter of credit (a "Supporting Letter of Credit") in form and substance satisfactory to the Agent, issued by an issuer satisfactory to the Agent in an amount equal to the greatest amount for which such Letter of Credit may be drawn plus any fees and expenses

associated with such Letter of Credit, under which Supporting Letter of Credit the Agent is entitled to draw amounts necessary to reimburse the Agent and the Lenders for payments made by the Agent and the Lenders under such Letter of Credit or under any credit support or enhancement provided through the Agent with respect thereto and any fees and expenses associated with such Letter of Credit or credit support, or (B) cash in amounts necessary to reimburse the Agent and the Lenders for payments made by the Agent or the Lenders under such Letter of Credit or under any credit support or enhancement provided through the Agent and any fees and expenses associated with such Letter of Credit or credit support. Such Supporting Letter of Credit or deposit of cash shall be held by the Agent, for the ratable benefit of the Agent and the Lenders, as security for, and to provide for the payment of, the aggregate undrawn amount of such Letters of Credit or such credit support remaining outstanding. At Agent's or Letter of Credit Issuer's request, Borrowers shall cash collateralize in a manner satisfactory to Agent the Fronting Exposure of any Defaulting Lender.

2.19 Letter of Credit Fee. The Borrowers agree to pay to the Agent, for the account of the Lenders, in accordance with their respective Pro Rata Shares, for each Letter of Credit, a fee (the "Letter of Credit Fee") equal to the Applicable Margin per annum of the undrawn face amount of each Letter of Credit issued for the Borrowers' account at the Borrowers' request, plus all out-of-pocket costs, fees and expenses incurred by the Agent in connection with the application for, processing of, issuance of, or amendment to any Letter of Credit, which costs, fees and expenses shall include a "fronting fee" payable to such issuer. The Letter of Credit Fee shall be payable monthly in arrears on the 1st day of each month following any month in which a Letter of Credit was issued and/or in which a Letter of Credit remains outstanding and on the Maturity Date. The Letter of Credit Fee shall be payable when a Letter of Credit is issued, renewed, extended, or amended, as appropriate for the period of time during which the Letter of Credit will be outstanding. The Letter of Credit Fee shall be computed on the basis of a 360-day year for the actual number of days elapsed. The Letter of Credit Fee shall be increased to the Default Rate in accordance with Section 2.5(b).

2.20 Bank Products. Borrowers may request and Wells Fargo may, in its sole and absolute discretion, arrange for Borrowers to obtain, from Wells Fargo, Wells Fargo's Affiliates or the other Lenders, Bank Products although Borrowers are not required to do so. To the extent Bank Products are provided by an Affiliate of Wells Fargo or an Affiliate of a Lender, Borrowers agree to indemnify and hold Wells Fargo and the Lenders harmless from any and all reasonable and documented out-of-pocket costs and obligations now or hereafter incurred by Wells Fargo or any of the Lenders which arise from the indemnity given by Wells Fargo to its Affiliates or a Lender to its Affiliates related to such Bank Products except for costs or obligations resulting from the gross negligence or willful misconduct of Wells Fargo or any of the Lenders. The agreement contained in this section shall survive termination of this Agreement. Each Borrower acknowledges and agrees that the obtaining of Bank Products from Wells Fargo, Wells Fargo's Affiliates or any other Lender (a) is in the sole and absolute discretion of Wells Fargo, Wells Fargo's Affiliates, or other Lender, as applicable and (b) is subject to all rules and regulations of Wells Fargo, Wells Fargo's Affiliates or such other Lender, as applicable.

2.21 Loan Administration.

(a) Borrower Agent. Each Borrower hereby designates Borrower Agent as its representative and agent for all purposes under the Loan Documents, including requests for Revolving Loans and Letters of Credit, designation of interest rates, delivery or receipt of communications with Agent, Bank or any Lender, preparation and delivery of Borrowing Base Certificates and financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect compliance with covenants), and all other dealings with Agent, Bank or any Lender. Borrower Agent, Agent and the Lenders hereby accept such appointment. Agent and Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication (including any Notice of Borrowing) delivered by Borrower Agent on behalf of any Borrower. Agent and Lenders may give any notice or communication with a Borrower hereunder to Borrower Agent on behalf of any Borrower. Agent and Lenders may give any notice or communication, with a Borrower hereunder to Borrower Agent on behalf of such Borrower. Agent shall have the right, in its discretion, to deal exclusively with Borrower Agent for any and all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by Borrower Agent shall be binding upon and enforceable against it.

(b) One Obligation. The Revolving Loans, Letter of Credit Obligations and other Obligations shall constitute one general obligation of Borrowers and (unless otherwise expressly provided in any Loan Document) shall be secured by Agent's Lien upon all Collateral; provided, however, that Agent and each Lender shall be deemed to be a creditor of, and the holder of a separate claim against, each Borrower to the extent of any Obligations jointly or severally owed by such Borrower.

2.22 Requested Increases to Commitments. Provided that no Default or Event of Default exists, at any time prior to ninety (90) days before the Maturity Date, Borrower Agent may request from time to time in writing to the Agent that the Commitments be increased, by an amount not less than \$5,000,000 or higher integral multiple of \$5,000,000, but in any event not to exceed \$420,000,000 (total commitments), or an aggregate amount that is equal to an amount which would increase the Commitments to \$420,000,000 (total commitments), according to the following procedures:

(a) The Borrowers shall offer the existing Lenders the opportunity to participate in any such increased amount of the Commitments (such increased amount being referred to as the "Commitment Increase Amount") in accordance with each Lender's Pro Rata Share (each participating Lender being referred to as an "Increasing Lender"). The existing Lenders shall be under no obligation to participate in any such Commitment Increase Amount and any agreement by any Lender to so participate will be in the sole discretion of such Lender.

(b) If any Lender declines to commit to its Pro Rata Share of any such Commitment Increase Amount (such declined portion of the Commitment Increase Amount being referred to as a "Declined Share"), then the Borrower may join a new Lender (or Lenders) to this Agreement (each such Lender, an "Augmenting Lender"), who shall be (i) a commercial bank, commercial finance company or other asset based lender, having total assets in excess of

\$1,000,000,000, (ii) an Affiliate of an existing Lender; or (iii) another Person acceptable to Agent in its discretion, or permit an existing Lender which has already agreed to commit to its Pro Rata Share of any such Commitment Increase Amount, to commit to the Declined Share. If an Augmenting Lender (or Lenders) commits to the Declined Share, it (or they) shall join (if not already a party hereto) this Agreement pursuant to a bank joinder and assumption agreement in form and substance reasonably satisfactory to the Agent and the Borrowers, setting forth the Commitment of such Augmenting Lender (or Lenders), pursuant to which such Augmenting Lender (or Lenders) will become party hereto as of the effective date thereof.

(c) On the effective date of any increase in the Commitment(s) as contemplated by this Section 2.22, (i) each Increasing Lender and Augmenting Lender shall make available to the Agent, for the benefit of the other Lenders, such amounts in immediately available funds as the Agent shall determine as being required in order to cause, after giving effect to such increase and the use of such to make payments to such other Lenders, each Lender's portion of the outstanding Revolving Loans of all the Lenders to equal its Pro Rata Share of such outstanding Revolving Loans (after giving effect to the increase in the Commitment(s) occasioned by the addition of the Increasing Lender(s) or Augmenting Lender(s), or both, as the case may be) and (ii) the Borrowers shall be deemed to have repaid and reborrowed all outstanding Revolving Loans as of the date of any increase in the Commitment(s) (with such reborrowing to consist of Revolving Loans subject to the same interest rate options provided herein specified in a notice delivered by the Borrowers in accordance with the requirements of this Agreement). Upon the request of the Agent, each Borrower shall execute and deliver to Agent for the benefit of the Lenders any and all Notes and other documents, instruments, and agreements necessary or advisable in the reasonable judgment of the Agent to evidence or document the increase in the Commitment(s), including any amendments hereto, and each of the Lenders hereby provides its consent hereto and thereto and each Lender hereby authorizes the Agent to execute any such documents, instruments, and agreements consistent with the terms of this Section 2.22 on its behalf without the necessity of any further consent of any Lender. In consideration of each increase in the Commitments according to this Section 2.22 and as a condition thereto, the Borrowers shall pay to the Agent, for the ratable benefit of the Lenders providing the Commitment Increase Amount, an upfront commitment increase fee in an amount to be mutually agreed among Borrowers and the Augmenting Lenders providing the Commitment Increase Amount, payable on the effective date of each increase in the Commitment(s). Such fee shall be fully due and non-refundable when paid.

(d) As a condition to any Commitment increase pursuant to this Section 2.22, Borrowers shall have complied with the following conditions: (i) upon the request of any Lender made prior to the date of the proposed Commitment increase pursuant to this Section 2.22, Borrowers shall have provided to such Lender, and such Lender shall be reasonably satisfied with, the documentation and other information so requested in connection with applicable "know your customer" and anti-money-laundering rules and regulations, including, without limitation, the U.S. PATRIOT Act, in each case at least 3 Business Days prior to the date of the proposed Commitment increase pursuant to this Section 2.22; and (ii) at least 10 days prior to the date of the proposed Commitment increase pursuant to this Section 2.22, any Borrower (including any entity to be joined as a Borrower) that qualifies as a "legal entity customer" under the Beneficial Ownership Regulation shall deliver, to each Lender that so requests, a Beneficial Ownership Certification in relation to such Borrower.

2.23 Defaulting Lenders. Notwithstanding anything herein to the contrary:

(a) Reallocation of Pro Rata Share; Amendments. For purposes of determining Lenders' obligations or rights to fund, participate in or receive collections with respect to Revolving Loans and Letters of Credit (including existing Non-Ratable Loans, Agent Advances, and Letter of Credit Obligations), Agent shall reallocate Pro Rata Shares by excluding a Defaulting Lender's Commitments and Revolving Loans from the calculation of shares. A Defaulting Lender shall have no right to vote on any amendment, waiver or other modification of a Loan Document, except as provided in Section 11.1.

(b) Payments; Fees. Agent shall receive and retain any amounts payable to a Defaulting Lender under the Loan Documents, and a Defaulting Lender shall be deemed to have assigned to Agent such amounts until all Obligations owing to Agent, non-Defaulting Lenders and other Lenders have been Paid in Full. Agent may use such amounts to cover the Defaulting Lender's defaulted obligations, to cash collateralize such Lender's Fronting Exposure, to readvance the amounts to Borrowers or to repay Obligations. A Lender shall not be entitled to receive any fees accruing hereunder while it is a Defaulting Lender and its unfunded Commitment shall be disregarded for purposes of calculating the unused line fee under Section 2.8. If any Letter of Credit Obligations owing to a Defaulting Lender are reallocated to other Lenders, fees attributable to such Letter of Credit Obligations under Section 2.19 shall be paid to such Lenders. Agent shall be paid all fees attributable to Letter of Credit Obligations that are not reallocated.

(c) Status; Cure. Agent may determine in its discretion that a Lender constitutes a Defaulting Lender and the effective date of such status shall be conclusive and binding on all parties, absent manifest error. Borrowers, Agent and Letter of Credit Issuer may agree in writing that a Lender has ceased to be a Defaulting Lender, whereupon Pro Rata Shares shall be reallocated without exclusion of the reinstated Lender's Commitments and Revolving Loans, and the exposures under the Commitments shall be reallocated among Lenders and settled by Agent (with appropriate payments by the reinstated Lender) in accordance with the readjusted Pro Rata Shares. Unless expressly agreed by Borrowers, Agent and Letter of Credit Issuer, or as expressly provided herein with respect to Bail-In Actions and related matters, no reallocation of Commitments and Revolving Loans to non-Defaulting Lenders or reinstatement of a Defaulting Lender shall constitute a waiver or release of claims against such Lender. The failure of any Lender to fund a Revolving Loan, to make a payment in respect of Letter of Credit Obligations or otherwise to perform obligations hereunder shall not relieve any other Lender of its obligations under any Loan Document. No Lender shall be responsible for default by another Lender.

SECTION THREE - TERM

3.1 Term of Agreement and Revolving Loan Repayment. This Agreement shall have a term commencing on the date this Agreement becomes effective, and ending on the Maturity Date. The outstanding Obligations (other than Bank Product Obligations which the applicable Bank Product Provider has agreed to continue) shall be Paid in Full on the Maturity Date without notice or demand and shall be repaid to Agent, for the account of Lenders, by a wire transfer of immediately available funds. Borrowers may terminate this Agreement prior to the Maturity Date by: (a) giving Agent and Lenders at least 15 Business Days prior notice of intention to terminate this Agreement; (b) making Payment in Full of all Obligations on or prior to the effective date of

termination; and (c) subject to Section 13.24(a), paying to Agent, for the account of the Lenders, an early termination fee equal to one half of one percent (0.50%) of the Total Credit Facility in the event the effective date of termination occurs at any time prior to September 20, 2023 (it being understood and agreed that no early termination fee shall be due and payable in the event the effective date of termination occurs after September 20, 2023). Notwithstanding the foregoing, upon the occurrence of an Event of Default, Agent may (and shall, at the direction of Majority Lenders) immediately accelerate the Maturity Date and terminate further performance under this Agreement as set forth in Section 10.2; it being agreed that the prepayment penalties in the preceding sentence shall apply if the Agent accelerates the Maturity Date. For the avoidance of doubt, the amendment and restatement of the Original Loan Agreement shall not constitute a termination of the Original Loan Agreement for purposes of Section 3.1 thereof.

3.2 Termination of Security Interests. Notwithstanding termination of this Agreement, until all Obligations have been Paid in Full, Agent, for the account of Lenders, shall retain a security interest in all Collateral existing and thereafter arising and Borrowers shall continue to collaterally assign to Agent, for the account of Lenders, all Contracts and security therefor and shall continue to turn over to Agent, in kind, all collections received respecting the Contracts as and to the extent required by the Loan Documents. After termination, and when Agent has received Payment in Full of all Obligations, for the account of the Lenders, the security interest created hereby shall terminate and all right to the Collateral shall revert to the Borrowers and Agent shall promptly execute such evidence of termination of all security agreements and release of the security interests given by Borrowers to Agent as Borrower may reasonably request.

SECTION FOUR - SECURITY INTEREST IN COLLATERAL

4.1 Creation of Security Interest in Collateral. Without limiting any Liens and security interests granted pursuant to the Original Loan Agreement (which are hereby continued and renewed and shall remain in full force and effect in order to secure prompt payment and performance by each Borrower of all its Obligations (other than subsection (c) of the definition of Collateral which granting shall be governed by such other applicable security document)), each Borrower hereby irrevocably and unconditionally grants, transfers, pledges, collaterally assigns, hypothecates, sets over and conveys to Agent, for the benefit of Agent and Lenders, a first-priority continuing Lien and security interest in all of its right, title, and interest in, to and under all of the Collateral (except with respect to subsection (c) of the definition of Collateral to the extent that granting occurs pursuant to another security agreement or similar document), whether presently existing or hereafter acquired or arising, in order to secure prompt payment and performance by each Borrower of all its Obligations (other than subsection (c) of the definition of Collateral which granting shall be governed by such other applicable security document).

With respect to Collateral that consists of Master Collection Accounts (as defined in the Intercreditor Agreement), Regional, the other Borrowers, the Special Purpose Subsidiaries and the other Grantors (as defined in the Security Agreement), pursuant to the Security Agreement shall grant a security interest in such Master Collection Accounts to Collateral Agent. The rights and remedies of the Collateral Agent, the Agent, each Permitted Facility Agent party thereto, and any additional Permitted Facility Agents shall be governed by the provisions of the Intercreditor Agreement. In no event shall the grant of any Lien under any Loan Document secure an Excluded Swap Obligation of the granting obligor.

4.2 Borrower's Representations and Warranties Regarding Collateral. Each Borrower represents and warrants to Agent and Lenders that so long as such Borrower is obligated to Agent and Lenders, that:

(a) the Collateral shall be owned solely by such Borrower, and no other Person, other than Agent and Lenders (and Collateral Agent as to the Master Collection Accounts (as defined in the Intercreditor Agreement)), has or will have any right, title, interest, claim or Lien therein except for Permitted Liens;

(b) except as specifically consented to in writing by Agent, such Borrower shall not compromise for less than the full face value, or release in whole or in part any Person liable for the payment of, or allow any credit whatsoever against, any portion of the Collateral, except for the amount of cash to be paid upon any such Collateral or any instrument or document representing such Collateral, and that the Collateral, including any monies resulting from the lease, rental, sale or other disposition thereof, shall remain free and clear of any Liens, excepting for Liens hereby granted to Agent and Lenders and Permitted Liens; provided, however, that Borrower may grant Contract Debtors discounts, credits and allowances given in the ordinary course of business in accordance with historic practice and in compliance with its credit guidelines (in accordance with Section 7.15 hereof);

(c) Such Borrower shall pay and discharge, when due, all taxes, levies, assessments and other charges upon the Collateral, except to the extent the validity thereof is being contested in good faith by proper proceedings which stay the enforcement of any penalty, fine or Lien resulting from non-payment thereof and with respect to which adequate reserves in accordance with GAAP have been set aside for the payment thereof; and

4.3 Financing Statements. Each Borrower agrees, at its own expense, to take such action as may be requested by Agent in its Permitted Discretion, including delivery, as may be required by Agent to perfect or maintain Agent's security interest in the Collateral, and to execute and record an assignment of any deed of trust or mortgage naming such Borrower as the beneficiary and a Contract Debtor (or any Guarantor) as trustor. Each Borrower hereby (i) authorizes Agent and Agent's designee to execute and file or record, or file or record without signature as the case may be where permitted by law, at any time any such financing statements, continuation statements, and assignments and amendments thereto on such Borrower's behalf and (ii) ratifies such authorization to the extent that the Agent has filed any such financing statements, continuation statements and assignments and amendments thereto, prior to the date hereof.

4.4 Location of Collateral. Each Borrower represents and warrants that, except for Collateral which has been delivered to Agent under the terms hereof or over which Agent has Control, is in-transit Collateral, or is maintained on an electronic system: (a) Schedule 4.4 is a correct and complete list of the locations of all of books and records concerning the Collateral, the locations of the Collateral (other than bank accounts and amounts on deposit therein), and the locations of all such Borrower's places of business as of the Closing Date, except to the extent that newly acquired Collateral is in transit in the ordinary course of business to any such locations and except in the case of new locations which have not been required to be updated on Schedule 4.4 pursuant to Section 9.1(d)(v) as of any date this representation is made; and (b) the Collateral shall remain at all times in the possession of such Borrower (or, to the extent contemplated by the Loan

Documents, in the possession or control of Agent, or in-transit or maintained on an electronic system). Each Borrower covenants and agrees that, except for Collateral in the possession of Agent, or over which Agent has Control, is in-transit, or is maintained on an electronic system, it will not maintain the Collateral at any location other than those listed in Schedule 4.4 (other than any new locations which are not required to have been updated on Schedule 4.4 pursuant to Section 9.1(d)(v)), and will not otherwise change or add to those locations, unless such Borrower promptly executes and delivers to Agent any and all financing statements and other documents reasonably requested by Agent in such circumstance and, not less frequently than when required by Section 9.1(d)(v), such Borrower delivers to Agent an update to Schedule 4.4. Notwithstanding any provision of this Agreement to the contrary, upon the occurrence and during the continuance of an Event of Default, each Borrower shall upon Agent's request immediately deliver to Agent all Contracts and related Security Documents then existing and thereafter arising. With respect to Contracts in electronic form, such Collateral shall be stored on an electronic system, which system must be at all times accessible by, and acceptable to, Agent (unless the Electronic Contract Conditions are satisfied with respect to such Contracts that are Electronic Contracts). Borrowers shall comply with any further requirements that Agent may, from time to time, reasonably require in connection with the perfection of the Agent's security interest in any Collateral stored electronically.

4.5 Protection of Collateral; Reimbursement. Each Borrower shall pay all expenses of protecting, storing, insuring, handling, maintaining, and shipping the Collateral and any and all excise, property, sales, and use taxes levied by any state, federal or local authority on any of the Collateral or in respect of the sale thereof. If any Borrower fails promptly to pay any portion thereof when due, Agent may, at its option, but shall not be required to, pay the same and charge any Borrower's account under this Agreement therefor, and each Borrower agrees promptly to reimburse Agent therefor with interest accruing thereon daily at the rate of interest then in effect under the Notes. All sums so paid or incurred by Agent for any of the foregoing and any and all sums for which Borrowers may become liable under this Agreement and all reasonable costs and expenses (including Agent's Expenses) which Agent may incur in enforcing or protecting its Lien or rights and interest in the Collateral or any of its rights or remedies under this Agreement or any other agreement between the parties hereto or in respect of any of the transactions occurring thereunder until paid by Borrowers to Agent with interest at the rate of interest then in effect under the Notes, shall be considered as additional indebtedness owing by Borrowers to Agent under this Agreement and, as such, shall be secured by all the Collateral. Except for Agent or Lenders' gross negligence or willful misconduct, Agent shall not be liable or responsible in any way for the safekeeping of any of the Collateral or for any loss or damage thereto or for any diminution in the value thereof, or for any act or default of any carrier, forwarding agency, or other Person whatsoever, but the same shall be at Borrowers' sole risk.

4.6 Release of Collateral. Notwithstanding any other provision of this Agreement to the contrary, upon Borrower's request, Agent shall release its security interest in any Contract(s) and the Security Documents related thereto, including the items set forth in clauses (a) through (e) of the definition of "Collateral" specifically with respect to such Contract(s) (excluding any transfers in connection with a Permitted Facility, which release of security interest shall be governed by Section 8.18, and excluding Permitted Charged Off Contracts Sales which release of security interest shall be governed by the last sentence of this Section 4.6), included in the Collateral so long as (a) Borrower obtains Agent's prior written consent to such release, which

consent shall not be unreasonably withheld, conditioned or delayed; (b) no Default or Event of Default exists at the time such Contract(s) is to be released; (c) Borrower has entered into a written contract for the sale of such Contract(s) and has delivered to Agent a fully executed copy of such written contract; (d) if the Borrowers have no Excess Availability after giving effect to the sale, either (i) Borrower pledges to Agent additional Collateral equivalent to such Contract(s) being released, or (ii) Borrower reduces the outstanding, unpaid principal balance of the Notes through payment in an amount equal to the sale price of such Contract(s) being released in the form of cash or the wire transfer of immediately available funds; and (e) immediately following the pledging of additional Collateral or payment of the Notes, a Default or Event of Default does not exist under this Agreement. Upon satisfaction of all of the foregoing conditions, Agent shall release its security interest in such Contract(s) and within a reasonable period of time, return the original such Contract(s) and original Security Documents in its possession, if any, being released. Any distribution of interest or principal, or loss of the Collateral or any of the Property secured thereby, shall not release any Borrower from any of the Obligations. Notwithstanding the foregoing, upon the consummation of a Permitted Charged Off Contracts Sale by Borrowers, Agent's Lien and security interest in the applicable Contracts and the Security Documents related thereto shall be deemed automatically released and terminated upon a Borrower's receipt of the purchase price therefore and Agent agrees to promptly execute and deliver at Borrower's request any and all lien release and termination statements with respect thereto as Borrowers shall reasonably request and, within a reasonable period of time, to return the original of such applicable Contracts and original Security Documents in its possession, if any.

Upon and during the continuance of an Event of Default, upon prior written notice to Borrowers, the Agent, in its own name or in the name of Borrower(s), may bring suit, proceeding, or action under any Assigned Purchase Agreement for any sum owing thereunder or to enforce any provision thereof. All obligations of Borrowers under any Assigned Purchase Agreement shall be and remain enforceable only against Borrowers and shall not be enforceable against the Agent or Lenders. Notwithstanding any provision hereof to the contrary, Borrowers shall at all times remain liable to observe and perform all of its duties and obligations under its Assigned Purchase Agreements, and the Agent's or Lenders' exercise of any of their respective rights with respect to the Collateral shall not release a Borrower from any of such duties and obligations. Lenders shall not be obligated to perform or fulfill a Borrower's duties or obligations under its Assigned Purchase Agreements or to make any payment thereunder, or to make any inquiry as to the nature or sufficiency of any payment or property received by it thereunder or the sufficiency of performance

Upon the occurrence and during the continuance of an Event of Default under this Agreement or the occurrence and during the continuance of a Dominion Period as defined in the Intercreditor Agreement), then upon written notice from Agent to the Borrowers, and at all times thereafter, any Borrower's right to withdraw any funds from the Collection Accounts shall immediately terminate and only Agent shall thereafter have a right to withdraw any funds from the Collection Accounts. All payments received by Borrowers contrary to this Section 5.2(d) shall be received in trust for the exclusive right of Agent, shall be segregated from other funds of Borrowers, and shall forthwith be delivered to Agent. 7.6 Financial Statements. The audited consolidated financial statements of Regional (excluding a Special Purpose Subsidiary) for the fiscal year ending December 31, 2020, are true and correct in all material respects and have been prepared in accordance with GAAP, consistently applied (except for changes in application in which Borrowers' accountants concur) and present fairly in all material respects the financial position of Regional and its Subsidiaries as of such dates and the results of their operations for such periods. Since the date of the most recent financial statements delivered pursuant to this Agreement, no Material Adverse Effect has occurred.

7.7 Full Disclosure. The financial statements referred to in Section 7.6 above, this Agreement, and any written statement furnished by Borrowers to Agent or any Lender (copies of which have been previously delivered), do not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements contained therein or herein not misleading, in light of the circumstances under which it was made; provided, that with respect to any projections and pro forma financial information contained in the materials referenced above, the Borrowers represent only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time made in light of the circumstances when made, it being recognized by Agent and Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period covered by such financial information may differ from the projected results as set forth therein by a material amount.

7.8 Pending Litigation. There are no proceedings pending, or to the knowledge of any Borrower threatened, against or affecting any Borrower or any Guarantor in any court or before any Governmental Authority or arbitration board or tribunal which could reasonably be expected to have a Material Adverse Effect. Neither any Borrower nor any Guarantor is in default with respect to any order of any court, Governmental Authority or arbitration board or tribunal, which could reasonably be expected to result in a Material Adverse Effect. Borrowers shall notify the Agent within three (3) Business Days (or such longer period as Agent may agree) after receipt by any Borrower of notice of any such proceedings or threatened proceedings that arise after the date hereof; provided, that no such notice shall be deemed satisfaction of the representations and/or warranties made in this Section 7.8.

7.9 Titles to Properties. Each Borrower has good and marketable title to the property (including all of the Collateral) it purports to own, free from Liens except for Permitted Liens.

7.10 Licenses. Each Borrower has all licenses, permits, and franchises necessary for the conduct of its business which violation or failure could reasonably be expected to have a Material Adverse Effect.

7.11 Transaction is Legal and Authorized; Restrictive Agreements. The execution and delivery of this Agreement and related documents by Borrowers, the grant of the Liens to Agent in respect of the Collateral by Borrowers, and compliance by Borrowers with all of the provisions of this Agreement are valid, legal, binding and enforceable in accordance with their terms (except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally or by general equitable principles relating to enforceability) and will not conflict with or result in any breach of any of the provisions of any bylaws, charter, agreement or instrument to which any Borrower, or any

Subsidiary thereof, is a party. None of the Borrowers are party to any agreement, and none are subject to any corporate restriction, which adversely affects their ability to execute, deliver, and perform the Loan Documents to which they are a party and repay the Obligations owing by it.

7.12 Taxes. All federal and state income tax returns, and all other material tax returns, required to be filed by any Borrowers and any Guarantor in any jurisdiction have been filed when due (after giving effect to any extensions permitted by applicable law and regulations), and all federal and state income taxes and all other material taxes, assessments, and other governmental charges imposed upon Borrowers, or upon any of their properties, income or franchises, which are due and payable, have been paid when due, except for taxes, assessments and other governmental charges with respect to which (a) the validity thereof is being contested in good faith by proper proceedings which stay the enforcement of any Lien resulting from non-payment thereof, (b) adequate reserves in accordance with GAAP have been set aside for the payment thereof, and (c) the maximum amount in controversy, individually or in the aggregate, does not exceed \$10,000,000. The provisions for reserves for Taxes on the books of Borrowers are adequate in all material respects for all unaudited Fiscal Years and for its current fiscal period.

Each Borrower has fully complied with all applicable federal statutes and all rules and regulations promulgated thereunder and with all provisions of law of each state whose laws, rules, and regulations relate to the Contracts, except to the extent that such non-compliance could not reasonably be expected to have a Material Adverse Effect. The information included in the Beneficial Ownership Certification most recently provided to Agent and Lenders is true and complete in all respects as of the date certified therein (it being understood that in the event a new Subsidiary was formed after the date of such Beneficial Ownership Certification, such representation and warranty does not include such Subsidiary until a Beneficial Ownership Certification is delivered in respect of such Subsidiary).

7.14 Borrowers' Office and Names. As of the Closing Date, each Borrower's chief executive office is located at the address stated in Section 13.5(a) of this Agreement, and each Borrower covenants and agrees that it will not, without prior written notification to Agent, relocate said chief executive office. As of the Closing Date, the exact legal name of each Borrower is as set forth on the signature page of this Agreement and no Borrower has, during the five years immediately prior to the date of this Agreement, been known by or used any other legal name. Each Borrower agrees that it will not, without not less than 15 days' prior written notification to Agent (or such shorter period as Agent may agree), change its legal name.

7.15 Credit Guidelines. Each Borrower represents and warrants that it shall not make any changes in its credit guidelines (a copy of which has been furnished by Borrowers to Agent and Lenders on the Closing Date) that are materially adverse to the interests of the Lenders hereunder without Agent's prior written consent which Agent may withhold in its Permitted Discretion. Borrowers' credit guidelines shall state in reasonable detail the credit criteria used by

Borrowers in determining the creditworthiness of Contract Debtors with regard to the Contracts originated by Borrowers and/or originated by third parties, as appropriate.

7.16 Subsidiaries. As of the Closing Date, Schedule 7.16 is a correct and complete list of the names and relationship to each Borrower of each and all of the Borrowers' Subsidiaries and such Schedule sets forth each Borrower's direct and indirect equity interest in each Subsidiary. As of the Closing Date, the outstanding shares of each such Subsidiary owned directly or indirectly by each Borrower are duly authorized, validly issued, fully paid and nonassessable.

7.17 No Default. Neither the Borrowers nor any of their Subsidiaries are in default with respect to material agreement to which such Borrower or any such Subsidiary is a party or by which it is bound (excluding Permitted Facilities or other agreements evidencing Debt), which default could reasonably be expected to have a Material Adverse Effect.

7.18 Use of Proceeds.

(a) None of the transactions contemplated in this Agreement (including the use of the proceeds of the Revolving Loans) will violate or result in the violation of Section 7 of the Securities Exchange Act of 1934, as amended, or any regulations issued pursuant thereto, including, without limitation, Regulations T, U and X of the Federal Reserve Board. No Borrower owns or intends to carry or purchase any "margin stock" within the meaning of said Regulation U. None of the proceeds of the loans will be used, directly or indirectly, by any Borrower or any of its Subsidiaries to purchase or carry any "security" within the meaning of the Securities Exchange Act of 1934, as amended.

(b) Each Borrower shall not, and shall ensure that each of its Subsidiaries shall not, directly or indirectly, use (or knowingly permit any other member of the Borrowing Group to use) any of the Advances to fund, finance or facilitate any activities, business or transactions: (i) that are prohibited by Sanctions, (ii) that would be prohibited by U.S. Sanctions if conducted by a U.S. Person, or (iii) that would be prohibited by Sanctions if conducted by Agent, or any other party hereto.

(c) Each Borrower shall not, and shall ensure that its Subsidiaries shall not, directly or indirectly, use (or knowingly permit any other member of the Borrowing Group to use) any of the Advances to fund, finance or facilitate any activities, business or transactions that would be prohibited by Anti-Money Laundering Laws or Anti-Corruption Laws.

(d) Borrowers shall not fund any repayment of the Obligations with proceeds, or provide as collateral to secure the Obligations any property, that is known to Borrowers to have been derived, directly or indirectly, from any transaction or activity that is prohibited by Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws, or that could otherwise reasonably be expected to cause the Agent to be in violation of Sanctions, Anti-Money Laundering Laws or Anti-Corruption Laws.

7.19 Bank Accounts. Schedule 7.19 sets forth, as of the Closing Date (and as of the date when updated pursuant to Section 9.1(d)(vi) hereof), a complete and accurate list of (i) the name of each Person with which each Borrower or any of its Subsidiaries has a deposit account, cash management account, safekeeping or custodial account, lock box, vault and deposit box; and (ii)

7.20 Proper Contract Documentation. Upon the reasonable request of Agent, not less than ten days after the date on which any new Contracts are tendered to Agent for inclusion in the Collateral (or within 30 days after a Contract becomes a Reconveyed Contract (other than a Permitted Facility Reconveyed Contract), if such Contract continues to be such a Reconveyed Contract at such time), Borrowers shall have:

assignments may be consummated as master assignment agreements with respect to multiple Contracts and Security Documents or a series of Contracts and Security Documents.

7.28 Regulatory Events. Borrowers shall notify the Agent within three (3) Business Days (or such longer period as Agent shall agree) after (a) any material enforcement action (it being agreed, for the avoidance of doubt, that any remediation required by any Governmental Authority in connection with state contract audits in the ordinary course of business does not constitute a material enforcement action), material inquiry (other than ordinary course information

Except for Permitted Facilities permitted by this Section 8.18(a)(i), Borrowers shall not consummate any Securitization or Warehouse Facility, provided, that, the Warehouse Facility and Securitizations consummated by the Borrowers prior to the Closing Date in accordance with the terms of the Original Loan Agreement shall be deemed to constitute Permitted Facilities hereunder.

(ii) For purposes of hereof, a "Permitted Transfer" shall include the following (so long as in connection with a Permitted Facility):

(A) the sale, transfer, assignment, allocation, substitution, and/or contribution of Permitted Facility Contracts or Contracts, either directly or indirectly, by (i) a Borrower to another Borrower or a Special Purpose Subsidiary, or (ii) a Special Purpose Subsidiary to another Special Purpose Subsidiary or a Borrower, in each case pursuant to the terms of the Permitted Facility Documents;

(B) the sale, retransfer, reassignment, reallocation, substitution and/or distribution of Permitted Facility Contracts or Contracts, either directly or indirectly, by either (i) a Special Purpose Subsidiary to another Special Purpose Subsidiary or a Borrower, or (ii) a Borrower to another Borrower or a Special Purpose Subsidiary, in each case pursuant to the terms of the Permitted Facility Documents, including but not limited to in connection with a repurchase or substitution of any receivable solely as a result of a breach by such transferor Special Purpose Subsidiary or such transferor Borrower (or Regional in its capacity as servicer) of a representation, warranty or covenant with respect thereto under a Permitted Facility Document, or the exercise of any other optional, mandatory or permitted repurchase, reassignment, substitution or prepayment right permitted pursuant to the terms of the related Permitted Facility Documents, provided that in connection with any voluntary repurchase of any defaulted receivables (other than pursuant to a transaction described in clauses (D), (F) or (G) below) by a Borrower from a Permitted Facility (x) the purchase price by such Borrower for such Contract is the fair market value of such Contract as determined in good faith by such Borrower, and (y) no Specified Event of Default has occurred and is continuing;

(C) the sale, retransfer, reassignment, reallocation, substitution and/or distribution of Permitted Facility Contracts or Contracts, either directly or indirectly, by either (i) a Special Purpose Subsidiary to another Special Purpose Subsidiary or a Borrower, or (ii) a Borrower to another Borrower or a Special Purpose Subsidiary, in each case pursuant to the terms of the Permitted Facility Documents in connection with the transfer of Permitted Facility Contracts from one Permitted Facility to another Permitted Facility;

(D) the sale of charged-off Permitted Facility Contracts or Contracts by a Borrower or a Special Purpose Subsidiary to a third-party either pursuant to the terms of the related Permitted Facility Document, or in the case of a Borrower, pursuant to Section 4.6(b) of this Agreement.

(E) the acquisition or purchase of any equity interest or beneficial ownership interest in any Special Purpose Subsidiary by (i) a Borrower from another Borrower or a Special Purpose Subsidiary, or (ii) a Special Purpose Subsidiary from another Special Purpose Subsidiary or a Borrower, in each case pursuant to the terms of the Permitted Facility Documents;

(b) Releases and Joinders. Borrowers may, from time to time, request a Release Request to Agent in order to effectuate a transfer of Collateral in connection with a Permitted Facility permitted by Section 8.18(a). Agent agrees to approve and effectuate such Release Request within three (3) Business Days after Agent's receipt thereof and authorize the filing of the UCC-3 Termination Statement with respect to the specific Collateral being transferred so long as such transfer is consummated pursuant to a Permitted Facility entered into in accordance with Section 8.18(a). Each Release Request delivered by Borrowers shall be deemed a representation and warranty by Borrowers to Agent that the transfer contemplated thereby is a Permitted Transfer relating to a Permitted Facility permitted under Section 8.18(a). Agent agrees to cooperate with Borrowers in providing any joinders, in form and substance reasonably satisfactory to Agent, to the Intercreditor Agreement and Security Agreement contemplated thereby in connection with a Permitted Facility. For the avoidance of doubt, the Agent and the Lenders agree and acknowledge that once Collateral has been released pursuant to a Release Request in connection with a Permitted Facility, such Collateral is effectively released (but without limiting Agent's Lien in any Reconveyed Contracts that are not Permitted Facility Reconveyed Contracts or related Collateral) and the Borrowers do not need to request and obtain a separate Release Request from the Agent in connection with a subsequent transfer of such Collateral to another Permitted Facility. Upon such release, Agent shall, within a reasonable period of time, return the original Contract(s) and original Security Documents in its possession, if any, being released.

(c) Ongoing Covenants. Any net proceeds of a Permitted Transfer of Contracts into a Permitted Facility received by Borrowers from time to time shall (i) in the case of a Warehouse Facility, first be promptly applied to reduce the existing indebtedness under this Agreement, or (ii) in the case of a Securitization, first be promptly applied to reduce the existing indebtedness under any related Warehouse Facility, to the extent such net proceeds were received as a result of assets being transferred from a Warehouse Facility substantially concurrently with the receipt of such net proceeds, and second any remaining net proceeds shall be promptly applied to reduce the existing indebtedness under this Agreement. Borrowers shall not amend or modify any Permitted Facility in a manner that would contravene any terms, covenants or provisions of this Agreement or in any manner which would cause such Securitization or Warehouse Facility to no longer be permitted under Section 8.18(a), unless acceptable to Agent in its sole but reasonable discretion.

8.19 Mergers, Consolidations or Acquisitions. Borrower shall not, and shall not permit any of its Subsidiaries to, (i) consummate any transaction of merger, statutory division, reorganization, or consolidation without Agent's written approval, provided that any Borrower or Guarantor may merge with and into any other Borrower or a Guarantor so long as, if a Borrower is a party to any such transaction, a Borrower is the surviving entity, or (ii) transfer, sell, assign,

lease, or otherwise dispose of all or substantially all of its Property (other than to a Borrower), or (iii) wind up, liquidate or dissolve, or agree to do any of the foregoing (other than with respect to Special Purpose Subsidiaries (including through the filing of a certificate of cancellation with respect to any Special Purpose Subsidiary)). Any proposed Acquisition (other than a Permitted Acquisition or a transaction permitted by the immediately preceding sentence) requires Required Lenders' approval. Notwithstanding the foregoing, Borrowers may, with the consent of the Agent, (i) effect the dissolution of Upstate Motor Company or any other immaterial Subsidiary and (ii) subject to Section 8.13, make Bulk Purchases.

8.20 Use of Loan Proceeds. Borrowers shall use the proceeds of the Revolving Loans advanced hereunder on or after the Closing Date, first, to pay all fees and other expenses of the Agent and/or any Lender in connection with the closing of this Agreement, and in accordance with the terms hereof and the terms of the Fee Letters, and, second, for working capital and general corporate purposes (including consummating Permitted Acquisitions). Borrowers shall not, directly or indirectly, use any Letter of Credit or Revolving Loan proceeds, or use, lend, contribute or otherwise make available any Letter of Credit or Loan proceeds to any Subsidiary, joint venture partner or other Person, (i) to fund any activities of or business with any Person, or in any Designated Jurisdiction that, at the time of issuance of the Letter of Credit or funding of the Loan, is the target of any Sanction; or (ii) in any manner that would result in a violation of a Sanction by any Person (including any Lender or other individual or entity participating in any transaction).

8.21 Forms of Contracts. Upon Agent's request from time to time in its Permitted Discretion, Borrowers shall engage outside legal counsel reasonably acceptable to Agent (at Borrowers' sole cost and expense) to undertake a review of Contract documentation of Borrowers and provide Agent within sixty (60) days after each such request (or such longer period as Agent shall agree in its sole discretion) with an opinion that is reasonably acceptable to Agent in all material respects from such outside legal counsel with respect to the compliance with applicable law of such Contract documentation.

by Agent or any Lender, shall accelerate and become at once due and payable and the Commitments shall immediately terminate; Borrowers shall forthwith pay to Agent, in addition to any and all sums and charges due, the entire principal of and accrued interest on the Notes and all other Obligations; provided, however, that upon the occurrence of any Event of Default described in Section 10.1(e), the Commitments shall automatically and immediately terminate and all Obligations shall automatically become immediately due and payable without notice or demand of any kind. Agent thereupon shall have all the rights and remedies of a secured party under the Code and all other legal and equitable rights to which it may be entitled, and Agent may and shall, at the direction of the Majority Lenders, take such action as is required under Section 12.5 hereof. If not previously delivered to Agent, Agent shall also have the right to require Borrowers to assemble the Collateral, at Borrowers' expense, and make it available to Agent at a place designated by Agent, and Agent shall have the right to take immediate possession of the Collateral and may enter any of the premises of Borrowers or wherever the Collateral shall be located, with or without force or process of law, and to keep and store the same on said premises until sold and if said premises are the property of Borrowers, Borrowers agree not to charge Agent for storage thereof for a period of at least ninety (90) days after the sale or disposition of the Collateral. Borrowers waive the right to require the filing of any undertaking or bond to obtain any such process of law. Ten (10) days' notice to Borrowers of any public or private sale or other disposition of Collateral shall be reasonable notice thereof and such sale shall be at such location(s) as Agent shall designate in said notice. The Agent may sell and deliver any Collateral at public or private sales, for cash, upon credit or otherwise, at such prices and upon such terms as the Majority Lenders deem advisable, in their discretion, and may, if the Agent deems it reasonable, postpone or adjourn any sale of the Collateral by an announcement at the time and place of sale or of such postponed or adjourned sale without giving a new notice of sale. Agent and each Lender shall have the right to bid at such sale on its own behalf. Out of proceeds arising from any such sale, Agent shall retain all costs and charges, including attorneys' fees for pursuing, reclaiming, taking, keeping, storing, and advertising such Collateral for sale, selling and any and all other charges and expenses in connection therewith. Any balance shall be applied upon the Obligations of Borrowers to Agent and Lenders; and in the event of deficiency, Borrowers shall remain liable to Agent and Lenders. In the event of any surplus, such surplus shall be paid to the party entitled by law to same. In no event shall proceeds obtained from one or more Borrowers or Guarantors be applied to its Excluded Swap Obligations.

Upon the occurrence and during the continuance of an Event of Default, Agent may, upon prior notice to Borrowers, from time to time, attempt to sell all or any part of the Collateral by a private placement restricting the bidder and prospective purchasers. In so doing, Agent may solicit offers to buy the Collateral, or any part of it, for cash, from a limited number of purchasers deemed by Agent, in its reasonable judgment, to be responsible parties who might be interested in purchasing the Collateral, and if Agent solicits such offers from not less than three such purchasers then the acceptance by Agent of the highest offer obtained therefrom shall be deemed to be a commercially reasonable method of disposition of such Collateral.

(b) Application of Collateral; Termination of Agreements. Upon the occurrence and during the continuance of an Event of Default, Agent may (and shall, at the direction of Majority Lenders) also, with or without proceeding with such sale or foreclosure or demanding payment of the Obligations, without notice, terminate further performance under this Agreement or any other Loan Document, without further liability or obligation by Agent or any Lender, and

may also, at any time, appropriate and apply on any Obligations any and all Collateral in the possession of Agent or any Lender, and any and all balances, credits, deposits, accounts, reserves, indebtedness, or other monies due or owing to Borrowers or held by Agent or any Lender hereunder or otherwise, whether accrued or not; and Agent and Lenders shall not, in any manner, be liable to Borrowers for any failure to make or continue to make any Revolving Loans or Advances under this Agreement. Neither such termination, nor the termination of this Agreement by lapse of time, the giving of notice, or otherwise shall absolve, release, or otherwise affect the liability of Borrowers in respect of transactions had prior to such termination, nor affect any of the Liens, security interests, rights, powers and remedies of Agent or any Lender, but they shall, in all events, continue until all Obligations of Borrowers to Agent and Lenders have been Paid in Full.

(c) Remedies Cumulative. All undertakings of Borrowers contained in this Agreement, or in any documents referred to herein concurrently, or hereafter entered into, shall be deemed cumulative. The failure or delay of Agent or any Lender to exercise or enforce any rights or remedies under this Agreement or under any of the aforesaid agreements or Collateral shall not operate as a waiver of such rights and remedies, but all such rights and remedies shall continue in full force and effect until Payment in Full of all Revolving Loans and Advances and all other Obligations owing or to become owing from Borrowers to Agent and Lenders, and all rights and remedies herein provided for are cumulative and none are exclusive.

(d) Collection Account Access. Upon the occurrence and during the continuance of an Event of Default (and subject to Section 5.2(a) hereof), upon the occurrence and during the continuance of a Dominion Period (as defined in the Intercreditor Agreement) or on any date when Hypothetical Availability is less than or equal to 5% of the Credit Facility Exposure, Agent may (and shall, at the direction of Majority Lenders) notify the bank identified in any Collection Account Agreement to terminate Borrowers' right to withdraw any funds from the Collection Accounts identified therein.

(e) Level Two Regulatory Event. So long as a Level Two Regulatory Event is continuing, Agent shall have the right to immediately substitute a third party acceptable to Agent as servicer or asset manager of the Borrowers' respective or collective portfolios of Contracts, and upon and after such substitution, such replacement servicer shall be entitled to receive a commercially reasonable fee for such services; provided that upon the satisfactory cure, in the Required Lenders' discretion, of such Event of Default, Regional shall be reinstated as such servicer or asset manager as promptly as practicable.

SECTION ELEVEN - AMENDMENTS; WAIVERS; PARTICIPATIONS; ASSIGNMENTS; SUCCESSORS

11.1 Amendments and Waivers. No amendment or waiver of any provision of this Agreement, and no consent with respect to any departure by Borrowers therefrom, shall be effective unless the same shall be in writing and signed by Majority Lenders (or by Agent at the written request of Majority Lenders) and Borrowers, and then any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such waiver, amendment, or consent shall, unless in writing and signed by (i) all the Lenders (or the affected Lender in the case of clause (c) below), Borrowers and Agent, or (ii) by Agent (at the written request of all the Lenders (or the affected Lender in the case of clause (c))

below)) and Borrowers, do any of the following (in each case excluding, except with respect to the following clauses (a), (c), (d) and (e), Defaulting Lenders):

(a) extend the Maturity Date of this Agreement;

(b) increase the Commitment of any Lender such that the Total Credit Facility after such increase is greater than \$420,000,000;

(c) increase the Commitment of any Lender without such Lender's consent;

(d) postpone or delay any date fixed by this Agreement or any other Loan Document for any payment of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document (other than any election not to impose the Default Rate or to withdraw the imposition of the Default Rate);

(e) reduce the principal of, or the rate of interest specified herein on any Revolving Loan, or any fees or other amounts payable hereunder or under any other Loan Document (other than with respect to interest accruing at the Default Rate);

(f) change the percentage of the Commitments or of the aggregate unpaid principal amount of the Revolving Loans which is required for the Lenders or any of them to take any action hereunder;

(g) amend the definitions of "Advance Rate", "Availability", "Eligible Contracts", "Excess Availability" or "Principal Balance";

(h) amend this Section 11.1 or any provision of this Agreement providing for consent or other action by all Lenders, Required Lenders or Majority Lenders;

(i) release Collateral other than as permitted by Section 12.10 or release any Guarantor (except to the extent otherwise permitted by Section 13.21); or

(j) amend the definitions of "Majority Lenders", "Required Lenders", "Warehouse Facility", or "Securitization" or amend Section 8.18(a) or (b);

(k) approve a Change in Control; or

(l) modify Section 2.4 hereof.

Notwithstanding the foregoing, (i) Agent may, in its discretion and notwithstanding the limitations contained in clauses (b) and (g) above and any other terms of this Agreement, make Agent Advances in accordance with the provisions of Section 2.2(i) in an amount not to exceed five percent (5%) of the Availability and (ii) if real estate secures any Obligations, no modification of a Loan Document shall add, increase, renew or extend any Obligations until the completion of flood diligence and documentation as required by all Flood Laws or as otherwise satisfactory to all Lenders.

It is understood and agreed that no amendment, waiver or consent shall, unless in writing and signed by Agent, affect the rights or duties of Agent under this Agreement or any other Loan Document. Further, notwithstanding anything to the contrary contained herein, if following the Closing Date, the Agent and the Borrowers shall have jointly identified an obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Loan Documents, then the Agent and the Borrowers shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Loan Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof.

11.2 Assignments; Participations.

(a) Any Lender may, with the prior written consent of Agent (which consent shall not be unreasonably withheld) and, so long as no Event of Default has occurred and is continuing, prior written consent of Borrowers, assign and delegate to one or more Eligible Assignees (provided that no consent of Agent or any Borrower shall be required in connection with any assignment and delegation by a Lender to an Affiliate of such Lender and no consent of any Borrower shall be required in connection with any assignment and delegation by a Lender to another Lender) (each an "Assignee") all, or any ratable part of all, of the Revolving Loans, the Commitments and the other rights and obligations of such Lender hereunder, in a minimum amount of \$5,000,000 (provided that, unless an assignor Lender has assigned and delegated all of its Revolving Loans and Commitments, no such assignment and/or delegation shall be permitted unless, after giving effect thereto, such assignor Lender retains a Commitment in a minimum amount of \$5,000,000); provided, however, that Borrowers and Agent may continue to deal solely and directly with such Lender in connection with the interest so assigned to an Assignee until (i) written notice of such assignment, together with payment instructions, addresses and related information with respect to the Assignee, shall have been given to Borrowers and Agent by such Lender and the Assignee; (ii) such Lender and its Assignee shall have delivered to Borrowers and Agent an Assignment and Acceptance in the form of Exhibit B ("Assignment and Acceptance"), together with any Note or Notes subject to such assignment; and (iii) the assignor Lender or Assignee has paid to Agent a processing fee in the amount of \$3,000.

(b) From and after the date that Agent notifies the assignor Lender that it has received an executed Assignment and Acceptance and payment of the above-referenced processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations, including, but not limited to, the obligation to participate in Letters of Credit and related credit support have been assigned to it pursuant to such Assignment and Acceptance, shall have the rights and obligations of a Lender under the Loan Documents, and (ii) the assignor Lender shall, to the extent that rights and obligations hereunder and under the other Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights and be released from its obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such

assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document furnished pursuant hereto or the attachment, perfection, or priority of any Lien granted by Borrowers to Agent or any Lender in the Collateral; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrowers or the performance or observance by Borrowers of any of their obligations under this Agreement or any other Loan Document furnished pursuant hereto; (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such Assignee appoints and authorizes Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to Agent by the terms hereof, together with such powers, including the discretionary rights and incidental power, as are reasonably incidental thereto; (vi) such Assignee agrees that it will perform in accordance with their terms all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender; and (vii) such Assignee is an Eligible Assignee and not a Person to whom Obligations may not be assigned pursuant to clause (i) below.

(d) The Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and Letter of Credit Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrowers, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing fee referred to in subsection (a) of this section and any written consent to such assignment required by subsection (a) of this section, the Agent shall accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this section.

(f) Immediately upon satisfaction of the requirements of Section 11.2(a), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Commitments arising therefrom. The Commitment allocated to each Assignee shall reduce such Commitments of the assigning Lender pro tanto.

(g) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons (other than a natural person) not Affiliates of any Borrower (a "Participant") participating interests in any Revolving Loans, the Commitment of that Lender and the other interests of that Lender (the "originating Lender") hereunder and under the other Loan Documents; provided, however, that (i) the originating Lender's obligations under this Agreement shall remain unchanged, (ii) the originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrowers and Agent shall continue to deal solely and directly with the originating Lender in connection with the originating Lender's rights and obligations under this Agreement and the other Loan Documents, and (iv) no Lender shall transfer or grant any participating interest under which the Participant has rights to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other Loan Document (other than the rights described in Section 11.1 as being rights that are voted on by all Lenders), and all amounts payable by Borrowers hereunder shall be determined as if such Lender had not sold such participation; except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence and during the continuance of an Event of Default, each Participant shall be deemed to have the right of set-off in respect of its participating interest in amounts owing under this Agreement to the same extent and subject to the same limitation as if the amount of its participating interest were owing directly to it as a Lender under this Agreement.

(h) Notwithstanding any other provision in this Agreement, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and interest in this Agreement in favor of any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Board or U.S. Treasury Regulation 31 CFR §203.14, and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law; provided, that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute such pledgee or assignee for such Lender as a party hereto.

(i) No assignment or participation may be made to a Borrower, Affiliate of a Borrower, Defaulting Lender or natural person. Agent shall have no obligation to determine whether any assignment is permitted under the Loan Documents. Any assignment by a Defaulting Lender must be accompanied by satisfaction of its outstanding obligations under the Loan Documents in a manner satisfactory to Agent, including payment by the Defaulting Lender or Eligible Assignee of an amount sufficient upon distribution (through direct payment, purchases of participations or other methods acceptable to Agent in its discretion) to satisfy all funding and payment liabilities of the Defaulting Lender. If any assignment by a Defaulting Lender (by operation of law or otherwise) does not comply with the foregoing, the assignee shall be deemed a Defaulting Lender for all purposes until compliance occurs.

SECTION TWELVE - THE AGENT

12.1 Appointment and Authorization. Each Lender hereby designates and appoints Wells Fargo as its Agent under this Agreement and the other Loan Documents and each Lender hereby irrevocably authorizes Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as such on the

express conditions contained in this Section Twelve. The provisions of this Section Twelve are solely for the benefit of Agent and Lenders, and Borrower shall have no rights as a third party beneficiary of any of the provisions contained herein. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Loan Document, Agent shall not have any duties or responsibilities to Lenders, except those expressly set forth herein, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" in this Agreement with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions which Agent is expressly entitled to take or assert under this Agreement and the other Loan Documents, including (a) the determination of the applicability of ineligibility criteria with respect to the calculation of the Availability, (b) the making of Agent Advances pursuant to Section 2.2(i), and (c) the exercise of remedies pursuant to Section 10.2, and any action so taken or not taken shall be deemed consented to by Lenders. Without limiting Section 11.1, Agent may, and each Lender authorizes Agent to, enter into all Loan Documents to which Agent is intended to be a party and accept all Loan Documents and to enter into amendments, restatements, modifications and supplements to the Loan Documents entered into between Agent and one or more Borrowers or Guarantors from time to time to take any action contemplated or permitted by the terms of this Agreement. Any action taken by Agent in accordance with the provisions of the Loan Documents, and the exercise by Agent of any rights or remedies set forth therein, together with all other powers reasonably incidental thereto, shall be authorized by and binding upon all Lenders. Without limiting the generality of the foregoing, each Lender hereby authorizes each of Collateral Agent and Agent to enter into the Intercreditor Agreement and the Security Agreement (together with any joinders thereto and any amendments, modifications or supplements thereto to make conforming changes to the Loan Documents, resolve any ambiguities in Agent's discretion and make corrective amendments thereto), and to take all actions contemplated by the Intercreditor Agreement and the Security Agreement.

12.2 Delegation of Duties. Agent may execute any of its duties under this Agreement or any other Loan Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects as long as such selection was made without gross negligence or willful misconduct.

12.3 Liability of Agent. None of the Agent-Related Persons shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (ii) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by Borrowers or any Subsidiary or Affiliate of any Borrower, or any officer thereof, contained in this Agreement or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in,

or received by Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or for any failure of Borrowers or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Borrower or any of Borrowers' Subsidiaries or Affiliates.

12.4 Reliance. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrowers), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of Required Lenders or Majority Lenders, as applicable, as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by all Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of Required Lenders or Majority Lenders, as applicable, (or all Lenders if so required by Section 11.1) and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders. Each Lender hereby ratifies each action taken by Agent prior to the date hereof. Each Lender acknowledges and agrees that it has, independently and without reliance upon Agent or any other Lenders, and based upon such documents, information and analyses as it has deemed appropriate, made its own credit analysis of each Borrower and Guarantor and its own decision to enter into this Agreement and to fund Revolving Loans and participate in Letter of Credit Obligations hereunder. Each Lender has made such inquiries as it feels necessary concerning the Loan Documents, Collateral, Borrowers and Guarantors. Each Lender acknowledges and agrees that the other Lenders and Agent have made no representations or warranties concerning any Borrower, any Guarantor, any Collateral or the legality, validity, sufficiency or enforceability of any Loan Documents or Obligations. Each Lender will, independently and without reliance upon any other Lender or Agent, and based upon such financial statements, documents and information as it deems appropriate at the time, continue to make and rely upon its own credit decisions in making Revolving Loans and participating in Letter of Credit Obligations, and in taking or refraining from any action under any Loan Documents. Except for notices, reports and other information expressly requested by a Lender or which are expressly described herein as being delivered to the Agent for distribution to the Lenders, Agent shall have no duty or responsibility to provide any Lender with any notices, reports or certificates furnished to Agent by any Borrower or Guarantor, or any credit or other information concerning the affairs, financial condition, business or properties of any Borrower or Guarantor (or any of its Affiliates) which may come into possession of Agent or its Affiliates.

12.5 Notice of Default. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless Agent shall have received written notice from a Lender or Borrowers referring to this Agreement, describing such Default or Event of

Default and stating that such notice is a “notice of default.” Agent will notify Lenders of its receipt of any such notice. Upon the written request of any Lender, Agent shall send notice of such Default or Event of Default under this Agreement to the Borrowers within ten (10) Business Days, with a copy provided to each of the Lenders, unless such Default is cured within the applicable cure period or such Event of Default is waived. Otherwise, Agent shall take such action with respect to such Default or Event of Default as may be requested by Majority Lenders in accordance with Section 10.2; provided, however, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable. Agent and each of the Lenders agree to use reasonable good faith efforts to disclose to each other, as soon as practicable after discovery by a senior officer with direct responsibility for the management of the transactions with Borrowers, any information or communication (believed to be reliable and substantially accurate) which the disclosing Lender has reason to believe (a) is not known by Agent or the other Lenders (as applicable) and (b) may have a material and adverse effect upon the business or operations of the Borrowers and/or upon the collateral security for the Obligations, and as a result, may impair the repayment of the Obligations as and when due; provided, however, that neither the Agent nor the other Lenders shall have any liability as a result of its or their failure to disclose any information pursuant to this section, nor shall any Lender assert any such failure by Agent or another Lender as a defense to any claim asserted against a Lender under the provisions of this Agreement.

12.6 Indemnification. Whether or not the transactions contemplated hereby are consummated, Lenders shall indemnify **upon demand** the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrowers and without limiting the obligation of Borrowers to do so), pro rata, from and against any and all Indemnified Liabilities as such term is defined in Section 13.14 and from and against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Agent in connection with any Obligations, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority; provided, however, that no Lender shall be liable for the payment to the Agent-Related Persons of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct. Without limitation of the foregoing, each Lender shall reimburse Agent **upon demand** for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrowers. The undertaking in this Section 12.6 shall survive the payment of all Obligations hereunder and the resignation or replacement of Agent.

12.7 Agent in Individual Capacity. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with any Borrower and its subsidiaries and Affiliates as though Wells Fargo were not Agent hereunder and without notice to or consent of Lenders. Lenders acknowledge that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding any Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of such Borrower or such Affiliate) and acknowledge that Agent and Wells Fargo shall be under no

obligation to provide such information to them. With respect to its Revolving Loans, Wells Fargo shall have the same rights and powers under this Agreement as any other Lender and may exercise the same as though it were not Agent, and the terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

12.8 Successor Agent. Agent may resign as Agent upon 30 days' notice to Lenders and Borrower, such resignation to be effective upon the acceptance of a successor agent to its appointment as Agent. In the event Wells Fargo sells all of its Commitment and Obligations as part of a sale, transfer or other disposition by Wells Fargo of substantially all of its loan portfolio, Wells Fargo shall resign as Agent. If Agent resigns under this Agreement, Majority Lenders shall appoint from among Lenders a successor agent for Lenders with, in the absence of Specified Event of Default, the prior written consent of Borrowers (not to be unreasonably withheld, conditioned or delayed). If no successor agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with Lenders with, in the absence of a Specified Event of Default, the prior written consent of Borrowers (not to be unreasonably withheld, conditioned or delayed), a successor agent from among Lenders. Upon the acceptance of its appointment as successor agent hereunder, such successor agent shall succeed to all the rights, powers and duties of the retiring Agent and the term "Agent" shall mean such successor agent and the retiring Agent's appointment, powers and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section Twelve shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement.

12.9 Withholding Tax. Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Agent, at the time or times reasonably requested by the Borrower or the Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Agent that will enable the Borrower or the Agent to determine whether such Lender is subject to backup withholding or information reporting requirements. On or before the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Agent), the Lender shall deliver to Borrowers and Agent two duly completed copies of IRS Form W-9, W-8BEN, W-8BEN-E, W-8IMY or W-8ECI, as applicable (or any subsequent replacement or substitute form therefor), together with any attachments or exhibits required by such forms, certifying that such Lender can receive payment of Obligations without deduction or withholding of any United States federal income taxes. Each Lender and Agent agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrowers and Agent in writing of its legal inability to do so. During any period that a Lender does not or is unable to establish that it can receive payments without deduction or withholding of such taxes, other than by a change in treaty or law that occurs after it becomes a Lender, Agent may withhold taxes from payments to such Lender at the applicable statutory and treaty rates, and Borrowers shall not be required to pay any additional amounts under this Section 12.9 or Section 2.11 as a result of such withholding.

If payment of an Obligation to a Lender would be subject to withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the IRS Code), such Lender shall deliver to Borrowers and Agent at the time(s) prescribed by law and otherwise as reasonably requested by Borrowers or Agent such documentation prescribed by applicable law (including Section 1471(b)(3)(C)(i) of the IRS Code) and such additional documentation reasonably requested by Borrowers or Agent as may be necessary for them to comply with their obligations under FATCA and to determine that such Lender has complied with its obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 12.9, "FATCA" shall include any amendments made to FATCA after the date hereof.

12.10 Collateral Matters.

(a) Lenders hereby irrevocably authorize Agent, at its option and in its discretion, to release any Agent's Lien upon any Collateral (i) upon the termination of the Commitments and Payment in Full of the Obligations; (ii) constituting property being sold or disposed of in compliance with this Agreement and so long as Borrowers certify to Agent that the sale or disposition is made in compliance with this Agreement (and Agent may rely conclusively on any such certificate, without further inquiry); (iii) as contemplated by Section 4.6 and Section 8.18; (iv) constituting property in which Borrowers owned no interest at the time the Lien was granted or at any time thereafter; or (v) constituting property leased to Borrowers under a lease which has expired or been terminated in a transaction permitted under this Agreement. Except as provided above or in Section 13.21, Agent will not release any of the Agent's Liens without the prior written authorization of Lenders. Upon request by Agent or Borrowers at any time, Lenders will confirm in writing Agent's authority to release any Agent's Liens upon particular types or items of Collateral pursuant to this Section 12.10; it being understood that such confirmation is not a condition to any Lien release otherwise permitted by this clause (a).

(b) If a Lien release is authorized by the foregoing clause (a), upon prior written request by Borrowers, Agent shall (and is hereby irrevocably authorized by Lenders to) promptly thereafter execute such documents as may be necessary to evidence the release of the Agent's Liens upon such Collateral (each to be in form and substance acceptable to Agent in its Permitted Discretion); provided, however, that (i) Agent shall not be required to execute any such document on terms which, in Agent's opinion, would expose Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty, and (ii) such release shall not in any manner discharge, affect or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of Borrowers in respect of) all interests retained by Borrowers, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral.

(c) Agent shall have no obligation whatsoever to any of the Lenders to assure that the Collateral exists or is owned by Borrowers or is cared for, protected or insured or has been encumbered, or that the Agent's Liens have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the Loan

Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the Collateral in its capacity as one of the Lenders and that Agent shall have no other duty or liability whatsoever to any Lender as to any of the foregoing.

12.11 Restrictions on Actions by Lenders; Sharing of Payments.

(a) Each of the Lenders agrees that it shall not, without the express consent of all Lenders, and that it shall, to the extent it is lawfully entitled to do so, upon the request of all Lenders, set off against the Obligations, any amounts owing by such Lender to Borrowers or any accounts of Borrowers now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so by Agent, take or cause to be taken any action to enforce its rights under this Agreement or against Borrowers, including the commencement of any legal or equitable proceedings, to foreclose any lien on, or otherwise enforce any security interest in, any of the Collateral.

(b) If at any time or times any Lender shall receive (i) by payment, foreclosure, setoff or otherwise, any proceeds of Collateral or any payments with respect to the Obligations of Borrowers to such Lender arising under, or relating to, this Agreement or the other Loan Documents, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's ratable portion of all such distributions by Agent, such Lender shall promptly (1) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in same day funds, as applicable, for the account of all of the Lenders and for application to the Obligations in accordance with the applicable provisions of this Agreement, or (2) purchase, without recourse or warranty, an undivided interest and participation in the Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among Lenders in accordance with their Pro Rata Shares; provided, however, that if all or part of such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

12.12 Agency for Perfection. Each Lender hereby appoints each other Lender as agent for the purpose of perfecting the Lenders' security interest in assets which, in accordance with Article 9 of the Code, can be perfected only by possession. Should any Lender (other than Agent) obtain possession of any such Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver such Collateral to Agent or in accordance with Agent's instructions.

12.13 Payments by Agent to Lenders. All payments to be made by Agent to Lenders shall be made by bank wire transfer or internal transfer of immediately available funds to each Lender pursuant to wire transfer instructions delivered in writing to Agent on or prior to the effectiveness of this Agreement (or if such Lender is an Assignee, on the applicable Assignment and Acceptance), or pursuant to such other wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify

whether such payment (or any portion thereof) represents principal, premium or interest on the Revolving Loans or otherwise.

12.14 Concerning the Collateral and the Related Loan Documents. Each Lender authorizes and directs Agent to enter into this Agreement and the other Loan Documents, for the ratable benefit and obligation of Agent and Lenders. Each Lender agrees that any action taken by Agent, Majority Lenders or Required Lenders, as applicable, in accordance with the terms of this Agreement or the other Loan Documents, and the exercise by Agent, Majority Lenders, or Required Lenders, as applicable, of their respective powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

12.15 Field Audit and Examination Reports; Disclaimer by Lenders. By signing this Agreement, each Lender:

(a) is deemed to have requested that Agent furnish such Lender, promptly after it becomes available, a copy of each field audit or examination report (each a "Report" and collectively, "Reports") prepared by Agent or other Borrower Materials provided to Agent;

(b) expressly agrees and acknowledges that neither Wells Fargo nor Agent (i) makes any representation or warranty as to the accuracy of any Report or other Borrower Materials, or (ii) shall be liable for any information contained in any Report or other Borrower Materials;

(c) expressly agrees and acknowledges that the Reports are not comprehensive audits or examinations, that Agent or Wells Fargo or other party performing any audit or examination will inspect only specific information regarding Borrowers and will rely significantly upon Borrowers' books and records, as well as on representations of Borrowers' personnel and other Borrower Materials;

(d) agrees to keep all Reports and other Borrower Materials confidential and strictly for its internal use, and not to distribute except to its participants, or use any Report or other Borrower Materials in any other manner;

(e) agrees that Reports and other Borrower Materials may be made available to Lenders by providing access to them on the Platform, but Agent shall not be responsible for system failures or access issues that may occur from time to time; and

(f) without limiting the generality of any other indemnification provision contained in this Agreement, agrees: (i) to hold Agent and any such other Lender preparing a Report harmless from any action the indemnifying Lender may take or conclusion the indemnifying Lender may reach or draw from any Report in connection with any loans or other credit accommodations that the indemnifying Lender has made or may make to Borrower, or the indemnifying Lender's participation in, or the indemnifying Lender's purchase of, a loan or loans of Borrower; and (ii) to pay and protect, and indemnify, defend and hold Agent and any such other Lender preparing a Report harmless from and against, the claims, actions, proceedings, damages, costs, expenses and other amounts (including Attorney Costs) incurred by Agent and any such other Lender preparing a Report as the direct or indirect result of any third parties who might obtain all or part of any Report through the indemnifying Lender.

12.16 Relation Among Lenders. The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of Agent) authorized to act for, any other Lender.

12.17 Bank Product Providers. Each Bank Product Provider, by delivery of a notice to Agent of a Bank Product, agrees to be bound by the Loan Documents, including Section 2.4. Each Bank Product Provider shall indemnify and hold harmless each Indemnified Person, to the extent not reimbursed by Borrowers or Guarantor, against all claims that may be incurred by or asserted against any Indemnified Person in connection with such provider's Bank Product Obligations.

12.18 Certain ERISA Matters.

(a) Each Lender represents and warrants, as of the date it became a Lender party hereto, and covenants, from the date it became a Lender party hereto to the date it ceases being a Lender party hereto, for the benefit of, Agent and not, for the avoidance of doubt, to or for the benefit of the Borrowers and Guarantors, that at least one of the following is and will be true: (A) Lender is not using "plan assets" (within the meaning of ERISA Section 3(42) or otherwise) of one or more Benefit Plans with respect to Lender's entrance into, participation in, administration of and performance of the Revolving Loans, Letters of Credit, Commitments or Loan Documents; (B) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to Lender's entrance into, participation in, administration of and performance of the Revolving Loans, Letters of Credit, Commitments and Loan Documents; (C) (i) Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (ii) such Qualified Professional Asset Manager made the investment decision on behalf of Lender to enter into, participate in, administer and perform the Revolving Loans, Letters of Credit, Commitments and Loan Documents, (iii) the entrance into, participation in, administration of and performance of the Revolving Loans, Letters of Credit, Commitments and Loan Documents satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14, and (iv) to the best knowledge of Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to Lender's entrance into, participation in, administration of and performance of the Revolving Loans, Letters of Credit, Commitments and Loan Documents; or (D) such other representation, warranty and covenant as may be agreed in writing between Agent, in its discretion, and Lender.

(b) Unless Section 12.18(a)(A) or (D) is true with respect to a Lender, such Lender further represents and warrants, as of the date it became a Lender hereunder, and covenants, from the date it became a Lender to the date it ceases to be a Lender hereunder, for the benefit of, Agent and not, for the avoidance of doubt, to or for the benefit of any Borrower or Guarantor, that Agent is not a fiduciary with respect to the assets of such Lender involved in its entrance into, participation in, administration of and performance of the Revolving Loans, Letters of Credit, Commitments and Loan Documents (including in connection with the reservation or exercise of any rights by Agent under any Loan Document).

(c) Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Revolving Loans, the Letters of Credit, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Revolving Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Revolving Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, or other early termination fees or fees similar to the foregoing.

SECTION THIRTEEN - GENERAL

13.1 Expenses. Promptly following any Borrower's receipt of any monthly or other statement from Agent, Borrowers shall pay all of the following expenses ("Agent's Expenses"):

(a) except as otherwise expressly provided herein, all reasonable and documented out-of-pocket costs and expenses incurred by Agent in the administration of this Agreement and the Obligations, including but not limited to mailing costs and accounting fees, and any reasonable costs or out-of-pocket expenses (including Attorney Costs) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, or amendment (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of, rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein;

(b) all taxes levied against or paid by Agent or any Lender (other than Excluded Taxes) and all filing and recording fees, costs and expenses which may be incurred by Agent in respect to the filing and/or recording of any document or instrument relating to the transactions described in this Agreement; and

(c) all reasonable and documented out-of-pocket costs, expenses or advances that Agent may incur during the continuance of an Event of Default, or during the pendency of an Insolvency Proceeding of a Borrower or Guarantor, or in the enforcement of this Agreement or the defense of legal proceedings involving any claim made against Agent or any Lender (other than claims solely amongst any Lenders or Agent and any Lender) arising out of this Agreement or the protection of the Collateral, including those relating to (i) any audit, inspection, repossession, storage, repair, appraisal, insurance, manufacture, preparation or advertising for sale, sale, collection, or other preservation of or realization upon any Collateral; (ii) any action, arbitration or other proceeding (whether instituted by or against Agent, any Lender, any Borrower or Guarantor, any representative of creditors of a Borrower or Guarantor or any other Person) in any way relating to any Collateral (including the validity, perfection, priority or avoidability of Agent's Liens with respect to any Collateral), Loan Documents, Letters of Credit or Obligations, including any lender liability or other Indemnified Liabilities; (iii) the exercise of any rights or remedies of

Agent in, or the monitoring of, any Insolvency Proceeding; (d) settlement or satisfaction of taxes, charges or Liens with respect to any Collateral; (e) any enforcement action (including any action to enforce any Obligations or Loan Documents or to exercise any rights or remedies relating to any Collateral, whether by judicial action, self-help, notification of account debtors, setoff or recoupment, credit bid, deed in lieu of foreclosure, action in an Insolvency Proceeding or otherwise); and (f) negotiation and documentation of any modification, waiver, workout, restructuring or forbearance with respect to any Loan Documents or Obligations.

Borrowers shall not be obligated to pay Attorney Costs for internal counsel of Agent or the Lenders or for more than one primary outside counsel for Agent and the Lenders, in addition to one additional local counsel for the Agent and the Lenders in each relevant jurisdiction and any counsel engaged by Agent for itself and the Lenders in respect of a specialized area of law applicable to the transactions contemplated by the Loan Documents, and, in the case of any actual conflict of interest among some or all of the Lenders and Agent, one additional outside counsel.

13.2 Invalidated Payments. If after receipt of any payment which is applied to the payment of all or any part of the Obligations, Agent or any Lender is for any reason compelled to surrender such payment or proceeds to any Person because such payment or application of proceeds is invalidated, declared fraudulent, set aside, determined to be void or voidable as a preference, impermissible setoff, or a diversion of trust funds, or for any other reason, then the Obligations or part thereof intended to be satisfied shall be revived and continued and this Agreement shall continue in full force as if such payment or proceeds had not been received by Agent or such Lender, and Borrowers shall be liable to pay to Agent and Lenders, and hereby does indemnify Agent and Lenders and hold Agent and Lenders harmless for the amount of such payment or proceeds surrendered. The provisions of this Section 13.2 shall be and remain effective notwithstanding any contrary action which may have been taken by Agent or any Lender in reliance upon such payment or application of proceeds, and any such contrary action so taken shall be without prejudice to Agent's and Lenders' rights under this Agreement and shall be deemed to have been conditioned upon such payment or application of proceeds having become final and irrevocable. The provisions of this Section 13.2 shall survive the termination of this Agreement.

13.3 Application of Code to Agreement. This Agreement has been entered into pursuant to the provisions of the Code. Any additional remedies available to Agent and Lenders under the applicable provisions of the Code not specifically included herein shall be deemed a part of this Agreement, and Agent and Lenders shall have the benefit of any such additional remedies.

13.4 Parties, Successors and Assigns. This Agreement shall be binding upon each party hereto and its respective successors and assigns, and inure to the benefit of the successors and assigns of Agent and each Lender; provided, however, that no interest herein may be assigned by (a) Borrowers without prior written consent of Agent and each Lender or (b) any Lender, except to the extent expressly permitted by Section 11.2 hereof. The rights and benefits of Agent and Lenders hereunder shall, if such Persons so agree, inure to any party acquiring any interest in the Obligations or any part thereof. Any attempted assignment in violation of the foregoing shall be of no force or effect and shall be null and void, *ab initio*.

Any notice received by Regional shall be deemed received by all Borrowers.

(b) Electronic Communications: Voice Mail. Electronic mail and internet websites may be used only for routine communications, such as financial statements, Borrowing Base Certificates and other information required by Section 9.1, administrative matters and distribution of Loan Documents for execution. Agent and Lenders make no assurances as to the privacy and security of electronic communications. Electronic and voice mail may not be used as effective notice under the Loan Documents.

(c) Platform. Borrower Materials shall be delivered pursuant to procedures approved by Agent, including electronic delivery (if possible) upon request by Agent to an electronic system maintained by Agent ("Platform"). Borrowers shall notify Agent of each posting of Borrower Materials on the Platform and the materials shall be deemed received by Agent only upon its receipt of such notice. Borrower Materials and other information relating to this credit facility may be made available to Lenders on the Platform, and Borrowers and Lenders acknowledge that "public" information is not segregated from material non-public information on the Platform. The Platform is provided "as is" and "as available." Agent does not warrant the accuracy or completeness of any information on the Platform nor the adequacy or functioning of

the Platform, and expressly disclaims liability for any errors or omissions in the Borrower Materials or any issues involving the Platform. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY AGENT WITH RESPECT TO BORROWER MATERIALS OR THE PLATFORM. Parties acknowledge that Borrower Materials may include material non-public information of Borrowers and Affiliates of Borrowers and should not be made available to any personnel who do not wish to receive such information or who may be engaged in investment or other market-related activities with respect to any securities of Borrowers and Affiliates of Borrowers. Neither Agent nor Indemnified Person related to Agent shall have any liability to Borrowers, Lenders or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) relating to use by any Person of the Platform or delivery of Borrower Materials and other information through the Platform or over the internet.

(d) Non-Conforming Communications. Agent and Lenders may rely upon any notices purportedly given by or on behalf of any Borrower even if such notices were not made in a manner specified herein, were incomplete or were not confirmed, or if the terms thereof, as understood by the recipient, varied from a later confirmation. **EACH BORROWER SHALL INDEMNIFY AND HOLD HARMLESS EACH INDEMNIFIED PERSON FROM ANY LIABILITIES, LOSSES, COSTS AND EXPENSES ARISING FROM ANY TELEPHONIC COMMUNICATION PURPORTEDLY GIVEN BY OR ON BEHALF OF A BORROWER, EXCEPT TO THE EXTENT SUCH LIABILITIES, LOSSES, COSTS AND EXPENSES RESULT FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PERSON.**

13.6 Accounting Principles. Subject to Section 1.2(g), all accounting computations required to be made for the purposes of this Agreement shall be done in accordance with GAAP as provided in Section 8.15 or unless otherwise agreed to in writing by Agent, at the time in effect, to the extent applicable, except where such principles are inconsistent with the requirements of this Agreement.

13.7 Total Agreement; References. This Agreement and all other agreements referred to herein or delivered in connection herewith shall constitute the entire agreement between the parties relating to the subject matter hereof, and shall not be changed or terminated orally. Each of the Loan Documents and any and all other agreements, documents or instruments now or hereafter executed and delivered pursuant to the terms of the Original Loan Agreement or pursuant to the terms hereof are hereby amended so that any reference therein to the Original Loan Agreement shall mean a reference to this Agreement. This Agreement serves only to amend and restate in its entirety the Original Loan Agreement; is not intended to create or result in either a novation or an accord or satisfaction; does not effect a refinancing, repayment, satisfaction or extinguishment of any of the Obligations outstanding under the Original Loan Agreement; and does not extinguish, release, terminate or otherwise affect any security interest or other Lien granted under the Original Loan Agreement or any other Loan Documents. All security interests and Liens granted under or evidenced by the Original Loan Agreement and the other Loan Documents are hereby ratified, confirmed and continued and shall remain outstanding and continue to secure all of the Obligations (including those in existence on the date hereof under the

Original Loan Agreement). Borrowers hereby ratify and reaffirm the Original Loan Agreement, as amended and restated herein, and all covenants, duties, liabilities and obligations thereunder.

13.8 Governing Law. PURSUANT TO SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW, THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, UNLESS OTHERWISE SPECIFIED, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES THAT WOULD CAUSE THE LAWS OF ANOTHER JURISDICTION TO APPLY (BUT GIVING EFFECT TO FEDERAL LAWS RELATING TO NATIONAL BANKS).

13.9 Survival. All warranties, representations, and covenants made by Borrowers under this Agreement shall be considered to have been relied upon by Agent and each Lender and shall survive the delivery to Lenders of the Notes regardless of any investigation made by Agent or any Lender or on its behalf.

13.10 Power of Attorney. Each Borrower hereby appoints Agent, and its agents and designees, the true and lawful agents and attorneys-in-fact of such Borrower, with full power of substitution, (a) to (i) during the continuance of an Event of Default, upon prior written notice to Borrowers, receive, open and dispose of all mail addressed to such Borrower relating to the Collateral, (ii) during the continuance of an Event of Default, upon prior written notice to Borrowers, notify and direct the United States Post Office authorities by notice given in the name of such Borrower and signed on its behalf, to change the address for delivery of all mail addressed to such Borrower relating to the Collateral to an address to be designated by Agent, and to cause such mail to be delivered to such designated address where Agent may open all such mail and remove therefrom any notes, checks, acceptances, drafts, money orders or other instruments in payment of the Collateral in which Agent has a security interest hereunder and any documents relative thereto, with full power to endorse the name of such Borrower upon any such notes, checks, acceptances, drafts, money order or other form of payment or on Collateral or security of any kind and to effect the deposit and collection thereof, and Agent shall have the further right and power to endorse the name of such Borrower on any documents otherwise relating to such Collateral, (iii) during the continuance of an Event of Default, upon prior or contemporaneous written notice to Borrowers, send notices to such Contract Debtors or account debtors, and (iv) during the continuance of an Event of Default, do any and all other things necessary or proper to carry out the intent of this Agreement; and (b) at all times, to do any and all other things necessary or proper to perfect and protect the Liens and rights of Agent and Lenders created under this Agreement. Each Borrower agrees that neither Agent or any Lender nor any of its agents, designees or attorneys-in-fact will be liable for any acts of commission or omission, or for any error of judgment or mistake of fact or law, except for those arising from the gross negligence or willful misconduct of the Agent or any Lender or any of their agents, designees or attorneys-in-fact.

The powers granted hereunder are coupled with an interest and shall be irrevocable during the term hereof. Agent shall have the right to apply all money or security otherwise due to Borrowers to the payment of any of the Advances or other sums payable pursuant to this Agreement at such time and in such order of application as Agent may determine.

13.11 LITIGATION. PURSUANT TO SECTION 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, ANY STATE COURT SITTING IN NEW YORK COUNTY, NEW YORK AND FEDERAL COURTS LOCATED IN THE STATE OF NEW YORK SHALL HAVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES AMONG ANY BORROWER, AGENT AND LENDERS, PERTAINING TO THIS AGREEMENT. EACH BORROWER EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR PROCEEDING COMMENCED IN SUCH COURTS.

13.12 Severability. To the extent any provision of this Agreement is not enforceable under applicable law, such provision shall be deemed null and void and shall have no effect on the remaining portions of this Agreement.

13.13 Jury Trial Waiver. BORROWERS, LENDERS AND AGENT EACH IRREVOCABLY WAIVE THEIR RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE OTHER LOAN DOCUMENTS, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY OF THE PARTIES AGAINST ANY OTHER PARTY OR ANY AGENT-RELATED PERSON, PARTICIPANT OR ASSIGNEE, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS, OR OTHERWISE. BORROWER, LENDERS AND AGENT EACH AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS OR ANY PROVISION HEREOF OR THEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

13.14 Indemnity of Agent and Lenders by Borrower. EACH BORROWER AGREES TO DEFEND, INDEMNIFY AND HOLD THE AGENT-RELATED PERSONS, AND EACH LENDER AND EACH OF ITS RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, COUNSEL, AGENTS AND ATTORNEYS-IN-FACT (EACH, AN "INDEMNIFIED PERSON") HARMLESS FROM AND AGAINST ANY AND ALL LIABILITIES, OBLIGATIONS, LOSSES, DAMAGES, PENALTIES, ACTIONS, JUDGMENTS, SUITS, COSTS, CHARGES, EXPENSES AND DISBURSEMENTS (INCLUDING ATTORNEY COSTS) OF ANY KIND OR NATURE WHATSOEVER WHICH MAY AT ANY TIME (INCLUDING AT ANY TIME FOLLOWING REPAYMENT OF THE LOANS AND THE TERMINATION, RESIGNATION OR REPLACEMENT OF AGENT OR REPLACEMENT OF ANY LENDER) BE IMPOSED ON, INCURRED BY OR ASSERTED AGAINST ANY SUCH PERSON BY A PERSON WHO IS NOT ALSO AN INDEMNIFIED PERSON IN ANY WAY RELATING TO OR ARISING OUT OF THIS AGREEMENT OR ANY DOCUMENT CONTEMPLATED BY

OR REFERRED TO HEREIN, OR THE TRANSACTIONS CONTEMPLATED HEREBY, OR ANY ACTION TAKEN OR OMITTED BY ANY SUCH PERSON UNDER OR IN CONNECTION WITH ANY OF THE FOREGOING, INCLUDING WITH RESPECT TO ANY INVESTIGATION, LITIGATION OR PROCEEDING (INCLUDING ANY INSOLVENCY PROCEEDING OR APPELLATE PROCEEDING) RELATED TO OR ARISING OUT OF THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, OR THE LOANS OR THE USE OF THE PROCEEDS THEREOF, WHETHER OR NOT ANY INDEMNIFIED PERSON IS A PARTY THERETO (ALL THE FOREGOING, COLLECTIVELY, THE "INDEMNIFIED LIABILITIES"); PROVIDED, THAT, BORROWERS SHALL HAVE NO OBLIGATION HEREUNDER TO ANY INDEMNIFIED PERSON WITH RESPECT TO INDEMNIFIED LIABILITIES (I) RESULTING SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNIFIED PERSON OR (II) THAT ARE AWARDED AS DIRECT OR ACTUAL DAMAGES (AND NOT ANY DAMAGES CONSTITUTING SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE) TO ANY BORROWER OR GUARANTOR IN AN ACTION BROUGHT BY SUCH BORROWER OR GUARANTOR AGAINST AN INDEMNIFIED PERSON FOR BREACH OF SUCH INDEMNIFIED PERSON'S OBLIGATIONS HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT IF SUCH BORROWER OR GUARANTOR HAS OBTAINED A FINAL, NON-APPEALABLE JUDGMENT IN ITS FAVOR IN SUCH ACTION AS DETERMINED BY A COURT OF COMPETENT JURISDICTION. THE AGREEMENTS IN THIS SECTION 13.14 SHALL SURVIVE PAYMENT OF ALL OTHER OBLIGATIONS.

13.15 Limitation of Liability. NO CLAIM MAY BE MADE BY ANY BORROWER, AGENT, ANY LENDER OR OTHER PERSON AGAINST ANY BORROWER, AGENT, ANY LENDER, OR THE AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS OF ANY OF THEM FOR ANY SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES IN RESPECT OF ANY CLAIM FOR BREACH OF CONTRACT OR ANY OTHER THEORY OF LIABILITY ARISING OUT OF, OR RELATED TO, THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR ANY ACT, OMISSION OR EVENT OCCURRING IN CONNECTION THEREWITH, AND BORROWER, AGENT AND EACH LENDER HEREBY WAIVE, RELEASE AND AGREE NOT TO SUE UPON ANY CLAIM FOR SUCH DAMAGES, WHETHER OR NOT ACCRUED AND WHETHER OR NOT KNOWN OR SUSPECTED TO EXIST IN ITS FAVOR.

13.16 Right of Setoff. In addition to any rights and remedies of Lenders provided by law, if an Event of Default exists or the Obligations have been accelerated, each Lender is authorized at any time and from time to time, without prior notice to Borrowers, any such notice being waived by Borrower to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other indebtedness at any time owing by, such Lender to or for the credit or the account of Borrowers against any and all Obligations owing to such Lender, now or hereafter existing, irrespective of whether or not Agent or such Lender shall have made demand under this Agreement or any Loan Document and although such Obligations may be contingent or unmatured. Each Lender agrees promptly to notify Borrowers and Agent after any such set-off and application made by such Lender; provided, however, that the failure to give such notice shall not affect the validity of such set-off and

application. NOTWITHSTANDING THE FOREGOING, NO LENDER SHALL EXERCISE ANY RIGHT OF SET-OFF, BANKER'S LIEN, OR THE LIKE AGAINST ANY DEPOSIT ACCOUNT OR PROPERTY OF BORROWER HELD OR MAINTAINED BY SUCH LENDER IN CONNECTION WITH AN EXERCISE OF RIGHTS OR REMEDIES IN CONNECTION WITH THIS AGREEMENT AFTER AN EVENT OF DEFAULT WITHOUT THE PRIOR WRITTEN CONSENT OF THE MAJORITY LENDERS.

13.17 Joint and Several Liability.

(a) Each Borrower agrees that it is jointly and severally, directly and primarily liable to Agent and Lenders for Payment in Full of the Obligations, except its Excluded Swap Obligations, and that such liability is independent of the duties, obligations, and liabilities of the other Borrowers. Agent or any Lender may bring a separate action or actions on each, any, or all of the Obligations against any Borrower, whether action is brought against the other Borrower(s).

(b) Each Borrower agrees that any release which may be given by Agent or any Lender to the other Borrowers or any guarantor or endorser of any of the Obligations shall not release such other Borrowers from their obligations hereunder.

(c) Each Borrower hereby waives any right to assert against Agent or any Lender any defense (legal or equitable), setoff, counterclaim, or claims which any Borrower individually may now or any time hereafter have against the other Borrowers or any other party liable to Agent or any Lender in any manner or way whatsoever.

(d) Any and all present and future indebtedness of a Borrower to the other Borrowers is hereby subordinated to the Full Payment of the Obligations.

(e) Each Borrower is presently informed as to the financial condition of the other Borrowers and of all other circumstances which a diligent inquiry would reveal and which bear upon the risk of nonpayment of the Obligations. Each Borrower hereby covenants that it will keep itself informed as to the financial condition of the other Borrowers, the status of the other Borrowers and of all circumstances which bear upon the risk of nonpayment. Absent a written request from any Borrower to Agent or any Lender for information, each Borrower hereby waives any and all rights it may have to require Agent or any Lender to disclose to such Borrower any information which Agent or any Lender may now or hereafter acquire concerning the condition or circumstances of the other Borrower.

(f) Each Borrower waives all rights to notices of default, existence, creation, or incurring of new or additional indebtedness, and all other notices of formalities to which such Borrower may, as joint and several Borrower hereunder, be entitled.

(g) At the request of Borrowers to facilitate and expedite the administration and accounting processes and procedures of their borrowings hereunder, Agent and Lenders have agreed, in lieu of maintaining separate loan accounts, that Agent shall maintain a single loan account under the name of Borrowers ("Loan Account"). The Revolving Loans shall be made jointly and severally to the Borrowers and shall be charged to their Loan Account, together with all interest and other charges as permitted under and pursuant to this Agreement. The Revolving Loans shall be credited with all repayments of Obligations received by Agent, on behalf of

Lenders, from any Borrower as paid into a Collection Account pursuant to the terms of this Agreement.

(h) Requests for borrowings may be made by any Borrower, pursuant to the terms of Section Two hereof. Each Borrower expressly agrees and acknowledges that neither Agent nor any Lender shall have any responsibility to inquire into the correctness of the apportionment or allocation of or any disposition by any of the Borrowers of (i) any Obligations, or (ii) any of the expenses and other items charged to the Loan Account pursuant to this Agreement. All Obligations and such expenses and other items shall be made for the collective, joint, and several account of the Borrowers and shall be charged to their Loan Account.

(i) Each Borrower agrees and acknowledges that the administration of the Obligations on a combined basis as set forth in this Section 13.17 is being done as an accommodation to Borrowers and at their request, and that neither Agent nor any Lender shall incur any liability to any of the Borrowers as a result thereof. **TO INDUCE AGENT AND LENDERS TO DO SO, AND IN CONSIDERATION THEREOF, EACH OF THE BORROWERS HEREBY AGREES TO INDEMNIFY AND HOLD AGENT AND EACH LENDER HARMLESS FROM AND AGAINST ANY AND ALL LIABILITY, EXPENSES, LOSS, DAMAGE, CLAIM OF DAMAGE, OR INJURY, MADE AGAINST AGENT OR ANY LENDER BY ANY OF BORROWERS OR BY ANY OTHER PERSON, ARISING FROM OR INCURRED BY REASON OF SUCH ADMINISTRATION OF THE OBLIGATIONS, EXCEPT TO THE EXTENT SUCH LIABILITIES, EXPENSES, LOSSES, DAMAGES, CLAIMS AND INJURIES (I) RESULT SOLELY FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF AGENT OR ANY LENDER OR (II) ARE AWARDED AS DIRECT OR ACTUAL DAMAGES (AND NOT ANY DAMAGES CONSTITUTING SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE) TO ANY BORROWER OR GUARANTOR IN AN ACTION BROUGHT BY SUCH BORROWER OR GUARANTOR AGAINST AN INDEMNIFIED PERSON FOR BREACH OF SUCH INDEMNIFIED PERSON'S OBLIGATIONS HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT IF SUCH BORROWER OR GUARANTOR HAS OBTAINED A FINAL, NON-APPEALABLE JUDGMENT IN ITS FAVOR ON SUCH CLAIM AS DETERMINED BY A COURT OF COMPETENT JURISDICTION.**

(j) Each Borrower represents and warrants to Agent and each Lender that the collective administration of the Obligations is being undertaken by Agent and each Lender pursuant to this Section 13.17, because Borrowers are integrated in their operation and administration and require financing on a basis permitting the availability of credit from time to time to each of the Borrowers. Each Borrower will derive benefit, directly and indirectly, from such collective administration and credit availability because the successful operation of each Borrower is enhanced by the continued successful performance of the integrated group.

(k) Each Borrower hereby postpones and subordinates to the Payment in Full of the Obligations any right of subrogation it has or may have against the other Borrowers with respect to the Obligations or any other indebtedness incurred pursuant to this Agreement. In addition, each Borrower hereby postpones any right to proceed against the other Borrowers, now or hereafter, for contribution, indemnity, reimbursement, and any other rights and claims, whether direct or indirect, liquidated or contingent, such Borrower may now have or hereafter have as

against any other Borrower with respect to the Obligations or any other indebtedness incurred pursuant to this Agreement, until all Obligations have been finally Paid in Full. Each Borrower agrees that in light of the immediately foregoing agreements, the execution of this Agreement shall not be deemed to make such Borrower a "creditor" of any other Borrower, and that for purposes of §§547 and 550 of the Bankruptcy Code (11 U.S.C. §§547, 550), such Borrower shall not be deemed a "creditor" of the other Borrower.

(l) Each Borrower or Guarantor that is a Qualified ECP when its guaranty of or grant of Lien as security for a Swap Obligation becomes effective hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide funds or other support to each Specified Obligor with respect to such Swap Obligation as may be needed by such Specified Obligor from time to time to honor all of its obligations under the Loan Documents in respect of such Swap Obligation (but, in each case, only up to the maximum amount of such liability that can be hereby incurred without rendering such Qualified ECP's obligations and undertakings under this section voidable under any applicable fraudulent transfer or conveyance act). The obligations and undertakings of each Qualified ECP under this section shall remain in full force and effect until Full Payment of all Obligations. Each Borrower and Guarantor intends this section to constitute, and this section shall be deemed to constitute, a guarantee of the obligations of, and a "keepwell, support or other agreement" for the benefit of, each Borrower for all purposes of the Commodity Exchange Act.

13.18 Counterparts; Execution. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Agreement; provided, that, in any event, each party hereto shall promptly deliver a manually executed counterpart of this Agreement to Agent. Any electronic signature, contract formation on an electronic platform and electronic record-keeping shall have the same legal validity and enforceability as a manually executed signature or use of a paper-based recordkeeping system to the fullest extent permitted by Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any similar state law based on the Uniform Electronic Transactions Act.

13.19 Headings. The headings, captions and arrangements used in this Agreement are for convenience only and shall not affect the interpretation of this Agreement.

13.20 No Waivers; Cumulative Remedies. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any present or future supplement thereto, or in any other agreement between or among Borrower and Agent and/or any Lender, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or the Lenders on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by Borrower of any provision of this Agreement. Agent and the Lenders may proceed directly to collect the Obligations without any prior recourse to the Collateral. Agent's and each Lender's rights under this Agreement will be cumulative and not exclusive of any other right or remedy which Agent or any Lender may have.

13.21 Other Security and Guarantees. Agent, may, without notice or demand and without affecting any Borrower's obligations hereunder, from time to time: (a) take from any Person and hold collateral (other than the Collateral) for the payment of all or any part of the Obligations and exchange, enforce or release such collateral or any part thereof; and (b) accept and hold any endorsement or guaranty of payment of all or any part of the Obligations and release or substitute any such endorser or guarantor, or any Person who has given any Lien in any other collateral as security for the payment of all or any part of the Obligations, or any other Person in any way obligated to pay all or any part of the Obligations. The Lenders and the Letter of Credit Issuer irrevocably authorize Agent, at its option and in its discretion, to release any Guarantor from its obligations under a guaranty and/or release any security interest in the Collateral owned by such Guarantor if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder. Upon request by Agent at any time, the Majority Lenders will confirm in writing Agent's authority to release any Guarantor from its obligations under the Guaranty pursuant to this Section 13.21.

13.22 NO ORAL AGREEMENTS. THIS AGREEMENT, TOGETHER WITH THE OTHER LOAN DOCUMENTS AS WRITTEN, REPRESENT THE FINAL AGREEMENT AMONG AGENT, LENDERS AND BORROWERS AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG AGENT, LENDERS AND BORROWERS.

13.23 U.S. PATRIOT Act Notice. Agent and Lenders hereby notify Borrowers that pursuant to the U.S. PATRIOT Act, Agent and Lenders are required to obtain, verify and record information that identifies each Borrower, including its legal name, address, tax ID number and other information that will allow Agent and Lenders to identify it in accordance with the U.S. PATRIOT Act. Agent and Lenders will also require information regarding each personal guarantor, if any, and may require information regarding Borrowers' management and owners, such as legal name, address, social security number and date of birth. Borrowers shall, promptly upon request, provide all documentation and other information as Agent, Letter of Credit Issuer or any Lender may request from time to time in order to comply with any obligations under any "know your customer," anti-money laundering or other requirements of Applicable Law.

13.24 Replacement of Lenders. If (a) only one Lender requests compensation under Section 2.13 with respect to a particular event giving rise to such compensation, (b) if a Borrower is required to pay any additional amount to only one Lender or any Governmental Authority for the account of one Lender pursuant to Section 2.11 with respect to a particular event giving rise to such payment, (c) if any Lender is a Defaulting Lender, (d) if any Lender is acquired by or merges with any other Person and such Lender is not the surviving Person, or (e) if any Lender fails to approve an amendment, consent or waiver hereunder which is approved by the Majority Lenders, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and Agent, (1) notwithstanding clauses (i), (iii) and (iv) below, prepay all outstanding amounts owed to such Lender (it being understood that, notwithstanding anything herein to the contrary, such payment may be made without the Borrowers being required to make pro rata payments in respect thereof to any other Lender hereunder), as more specifically described in clause (ii) below (excluding any prepayment penalty set forth in Section 3.1, it being acknowledged and agreed that such Lender shall not be entitled to payment of prepayment penalty) and permanently reduce the aggregate

Commitments by the Commitment held by such Lender or (2) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.2), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

(i) Borrowers or the assignee shall have paid Agent the assignment fee specified in Section 11.2(a).

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Revolving Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.14 from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts));

(iii) such assignment does not conflict with applicable laws; and

(iv) such assignment is completed within ninety (90) days after any request in (a) above, payment in (b) above, default in (c) above, merger in (d) above, or any failure to approve in (e) above .

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrowers to require such assignment and delegation cease to apply. The right to replace a Lender hereunder in subsections (a), (b) and (e) does not apply if more than one Lender is affected in each scenario.

13.25 Confidentiality. The Agent and each Lender agrees to keep confidential any information provided by the Borrowers or their Subsidiaries, or their respective representatives, or agents, hereunder or under any other Loan Document, to maintain procedures with respect to such information substantially comparable to those applied by the Agent and each Lender in respect of other non-public information, and not to use such information for any purpose other than in connection with the Revolving Loans or in connection with other financial accommodations being provided or to be provided by the Agent and any Lender to any Borrower; provided that the Agent and each Lender may disclose such information (a) to the extent required by applicable law, (b) to any Agent-Related Persons or to counsel for the Agent or Lenders or to their respective accountants, (c) to bank examiners and auditors and appropriate government examining authorities, (d) to any actual or prospective participant in the Agent or Lenders' interest in its Revolving Loans and other rights or obligations hereunder, provided that each such actual or prospective participant has agreed in writing, that it will comply with the restrictions contained in this Section 13.25 to the same extent as if it were the Agent or a Lender and that such written agreement provides that (i) it can be relied upon by the Borrowers and (ii) such information will be used by such prospective participant only in its evaluation of its participation in the credit facility, (e) in connection with the enforcement of any Borrower's Obligations hereunder or under any other Loan Document upon the occurrence and during the continuance of an Event of Default or (f) in connection with any litigation relating to this Agreement or the other Loan Documents upon the occurrence and during the continuance of an Event of Default.

13.26 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among the parties, each party hereto (including each Lender) acknowledges that, with respect to any Lender that is an EEA Financial Institution, any unsecured liability of such Lender arising under a Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority, and each party hereto agrees and consents to, and acknowledges and agrees to be bound by, (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liability which may be payable to it by such Lender; and (b) the effects of any Bail-in Action on any such liability, including (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under any Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of any Write-Down and Conversion Powers.

13.27 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Hedge Agreement or any other agreement or instrument that is a QFC (such support, "QFC Credit Support"), and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.28, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

13.28 Intentionally Omitted.

13.29 RELEASE OF CLAIMS. To induce Agent and the Lenders to enter into this Agreement, each Borrower hereby releases, acquits and forever discharges Agent and Lenders, and all officers, directors, agents, employees, successors and assigns of any of them, from any and all liabilities, claims, demands, actions or causes of action of any kind or nature (if there be any), whether absolute or contingent, disputed or undisputed, at law or in equity, or known or unknown, that such Borrower now has or ever had against Agent or any Lender arising on or prior to the date hereof in connection with any of the Loan Documents.

13.30 Documentation Agent. Anything herein to the contrary notwithstanding, BMO Harris Financing, Inc., as the Documentation Agent listed on the cover page hereof, shall not have any liabilities, duties or responsibilities under this Agreement or any of the other Loan Documents in such capacity.
