FOX CORPORATION  
NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF BUSINESS AND BASIS OF PRESENTATION

Fox Corporation ("FOX" or the "Company") is a news, sports and entertainment company, which manages and reports its businesses in the following segments: Cable Network Programming, Television and Other, Corporate and Eliminations.

The accompanying Unaudited Consolidated Financial Statements of FOX have been prepared in accordance with U.S. generally accepted accounting principles ("GAAP") for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. In the opinion of management, all adjustments consisting only of normal recurring adjustments necessary for a fair presentation have been reflected in these Unaudited Consolidated Financial Statements. Operating results for the interim periods presented are not necessarily indicative of the results that may be expected for the fiscal year ending June 30, 2024.

The preparation of the Company's Unaudited Consolidated Financial Statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts that are reported in the Unaudited Consolidated Financial Statements and accompanying disclosures. Although these estimates are based on management's best knowledge of current events and actions that the Company may undertake in the future, actual results may differ from those estimates.

These interim Unaudited Consolidated Financial Statements and notes thereto should be read in conjunction with the audited consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2023 as filed with the Securities and Exchange Commission on August 11, 2023 (the "2023 Form 10-K").

All significant intercompany transactions and accounts within the Company's consolidated businesses have been eliminated. Investments in and advances to entities or joint ventures in which the Company has significant influence, but less than a controlling financial interest, are accounted for using the equity method. Significant influence generally exists when the Company owns an interest between 20% and 50%. Equity securities in which the Company has no significant influence (generally less than a 20% ownership interest) with readily determinable fair values are accounted for at fair value based on quoted market prices. Equity securities without readily determinable fair values are accounted for either at fair value or using the measurement alternative method which is at cost minus impairment, if any, plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment of the same issuer. All gains and losses on investments in equity securities are recognized in the Unaudited Consolidated Statements of Operations.

The Company's fiscal year ends on June 30 ("fiscal") of each year. Certain fiscal 2023 amounts have been reclassified to conform to the fiscal 2024 presentation.

The unaudited and audited consolidated financial statements are referred to as the "Financial Statements" herein. The unaudited consolidated statements of operations are referred to as the "Statements of Operations" herein. The unaudited and audited consolidated balance sheets are referred to as the "Balance Sheets" herein.

NOTE 2. ACQUISITIONS, DISPOSALS AND OTHER TRANSACTIONS

The Company's acquisitions support the Company's strategy to strengthen its core brands, grow its digital businesses and selectively enhance production capabilities for its digital and linear platforms. During the six nine months ended December 31, 2023 March 31, 2024 and 2022, 2023, the Company made no acquisitions.

On January 12, 2024, the United Football League (the "UFL") was launched as a professional spring football league that combines the legacy operations of the United States Football League (the "USFL"), a majority-owned consolidated subsidiary of FOX, and XFL, a third-party company. In connection with the launch of the UFL, the Company deconsolidated the operations of USFL and contributed the USFL net assets into to the UFL. As consideration for the net assets contributed, the Company received an ownership interest in the UFL a newly formed joint venture with XFL, which was initially recorded at fair value. The equity method investment is included in Other non-current assets

NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS

in the Balance Sheets. As a result of this transaction, the Company recorded a gain of approximately \$170 million in Non-operating other, net in the Statements of Operations for the three and nine months ended March 31, 2024 (See Note 11—Additional Financial Information under the heading "Non-Operating Other, net"). The Company owns approximately 42% of the UFL.

On February 6, 2024, FOX announced that it would enter into a joint venture with ESPN, a subsidiary of The Walt Disney Company, and Warner Bros. Discovery to form a digital distribution platform focused on sports. Each company is expected to own one-third of the joint venture, have equal board representation and license their sports networks to the joint venture on a non-exclusive basis. The subscription-based streaming service is expected to launch in the fall of 2024.

NOTE 3. INVENTORIES, NET

The Company evaluates the recoverability of unamortized programming and production costs, included within Inventories, net in the Balance Sheets, using expected future cash flows. The Company has determined that its unamortized production costs related to certain television series are not recoverable and therefore recognized a write-down at the Television segment of approximately \$30 million and \$10 million which was recorded in Operating expenses in the Statements of Operations for the three and nine months ended March 31, 2024 and 2023, respectively.

#### NOTE 4. FAIR VALUE

Fair value measurements are required to be disclosed using a three-tiered fair value hierarchy which distinguishes market participant assumptions into the following categories: (i) inputs that are quoted prices in active markets ("Level 1"); (ii) inputs other than quoted prices included within Level 1 that are observable, including quoted prices for similar assets or liabilities ("Level 2"); and (iii) inputs that require the entity to use its own assumptions about market participant assumptions ("Level 3").

(a) The investments categorized as Level 1 primarily represent an investment in equity securities of Flutter Entertainment plc ("Flutter") with a readily determinable fair value.

(b) The Company utilizes both the market and income approach valuation techniques for its Level 3 fair value measures. Inputs to such measures could include observable market data obtained from independent sources such as broker quotes and recent market transactions for similar assets. It is the Company's policy to maximize the use of observable inputs in the measurement of its Level 3 fair value measurements. To the extent observable inputs are not available, the Company utilizes unobservable inputs based upon the assumptions market participants would use in valuing the redeemable noncontrolling interests. Examples of utilized unobservable inputs are future cash flows and long-term growth rates.

#### Redeemable Noncontrolling Interests

The redeemable noncontrolling interests recorded are put rights held by minority shareholders in Credible Labs Inc. ("Credible") and an entertainment production company.

Fair value

Fair value

Fair value

Carrying value

Fair value is generally determined by reference to market values resulting from trading on a national securities exchange or in an over-the-counter market (a Level 1 measurement).

#### Concentrations of Credit Risk

Cash and cash equivalents are maintained with several financial institutions. The Company has deposits held with banks that exceed the amount of insurance provided on such deposits. Generally, these deposits may be redeemed upon demand and are maintained with financial institutions of reputable credit and, therefore, bear minimal credit risk.

Generally, the Company does not require collateral to secure receivables. As of **December 31, 2023** **March 31, 2024**, the Company had no individual customers that accounted for 10% or more of the Company's receivables. As of June 30, 2023, the Company had one customer that accounted for approximately 11% of the Company's receivables.

## NOTE 5. BORROWINGS

Borrowings include senior notes (See Note 9—Borrowings in the 2023 Form 10-K under the heading "Public Debt – Senior Notes Issued"). In October 2023, the Company issued \$1.25 billion of 6.500% senior notes due 2033. In addition, the Company is party to a credit agreement providing a \$1.0 billion unsecured revolving credit facility with a sub-limit of \$150 million available for the issuance of letters of credit and a maturity date of June 2028 (See Note 9—Borrowings in the 2023 Form 10-K under the heading "Revolving Credit Agreement"). As of **December 31, 2023** **March 31, 2024**, there were no borrowings outstanding under the revolving credit agreement. **Subsequent to December 31, 2023, in January 2024**, \$1.25 billion of 4.030% senior notes **due in January 2024** matured and were repaid in full.

## NOTE 6. STOCKHOLDERS' EQUITY

### Stock Repurchase Program

The Company's Board of Directors has authorized a stock repurchase program under which the Company can repurchase \$7 billion of Class A Common Stock, par value \$0.01 per share (the "Class A Common Stock"), and Class B Common Stock, par value \$0.01 per share (the "Class B Common Stock"). The program has no time limit and may be modified, suspended or discontinued at any time.

In connection with the stock repurchase program, the Company entered into an accelerated share repurchase ("ASR") agreement in February 2023, under which the Company paid a third-party financial institution \$1 billion and received an initial delivery of approximately 22.5 million shares of Class A Common Stock, representing 80% of the shares expected to be repurchased under the ASR agreement, at a price of \$35.54 per share, which was the Nasdaq Global Select Market ("Nasdaq") closing share price of the Class A Common Stock on February 8, 2023. Upon settlement of the ASR agreement in August 2023, the Company received a final delivery of approximately 7.8 million shares of Class A Common Stock. The final number of **shares purchased under the ASR agreement was determined using a price of \$33.03 per share (the volume-**

**shares purchased under the ASR agreement was determined using a price of \$33.03 per share (the volume-weighted weighted average market price of the Class A Common Stock on Nasdaq during the term of the ASR agreement less a discount).** The Company accounted for the ASR agreement as two separate transactions. The initial delivery of Class A Common Stock was accounted for as a treasury stock transaction recorded on the acquisition date. The final settlement of Class A Common Stock was accounted for as a forward contract indexed to the Class A Common Stock and qualified as an equity transaction.

NOTE 8. COMMITMENTS AND CONTINGENCIES

Commitments

The Company has commitments under certain firm contractual arrangements ("firm commitments") to make future payments. These firm commitments secure the future rights to various assets and services to be used in the normal course of operations. The total firm commitments and future debt payments as of December 31, 2023 March 31, 2024 and June 30, 2023 were , remained consistent at approximately \$38 billion and \$39 billion, respectively. The decrease from June 30, 2023 was primarily due to sports programming rights payments, partially offset by the issuance of \$1.25 billion of senior notes in October 2023 (See Note 5—Borrowings).

Contingencies

The Company establishes an accrued liability for legal claims and indemnification claims when the Company determines that a loss is both probable and the amount of the loss can be reasonably estimated. Once established, accruals are adjusted from time to time, as appropriate, in light of additional information. The amount of any loss ultimately incurred in relation to matters for which an accrual has been established may be higher or lower than the amounts accrued for such matters. Any fees, expenses, fines, penalties, judgments or settlements which might be incurred by the Company in connection with the various proceedings could affect the Company's results of operations and financial condition. For the contingencies disclosed below for which there is at least a reasonable possibility that a loss may be incurred, other than the accrual provided, the Company was unable to estimate the amount of loss or range of loss.

FOX News

The Company's FOX News business and certain of its current and former employees have been subject to allegations of sexual harassment and discrimination on the basis of sex and race. The Company has resolved many of these claims and is contesting other claims in litigation. The Company has also received regulatory and investigative inquiries relating to these matters. To date, none of the amounts paid in settlements or reserved for pending or future claims is material, individually or in the aggregate, to the Company. The amount of additional liability, if any, that may result from these or related matters cannot be estimated at this time. However, the Company does not currently anticipate that the ultimate resolution of any such pending matters will have a material adverse effect on its business, financial condition, results of operations or cash flows.

U.K. Newspaper Matters Indemnity

In connection with the separation of Twenty-First Century Fox, Inc. ("21CF") and News Corporation in June 2013 (the "21CF News Corporation Separation"), 21CF agreed to indemnify News Corporation, on an after-tax basis, for payments made after the 21CF News Corporation Separation arising out of civil claims and investigations relating to phone hacking, illegal data access and inappropriate payments to public officials that

**FOX CORPORATION**  
**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**

occurred at subsidiaries of News Corporation before the 21CF News Corporation Separation, as well as legal and professional fees and expenses paid in connection with the related criminal matters, other than fees,

**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**

expenses and costs relating to employees who are not (i) directors, officers or certain designated employees or (ii) with respect to civil matters, co-defendants with News Corporation (the "U.K. Newspaper Matters Indemnity"). In accordance with the Separation Agreement (as defined in Note 1—Description of Business and Basis of Presentation in the 2023 Form 10-K under the heading "The Transaction"), the Company assumed certain costs and liabilities related to the U.K. Newspaper Matters Indemnity. The liability recorded in the Balance Sheets related to the indemnity was approximately \$115 million as of June 30, 2023 and approximately \$90 million \$70 million as of December 31, 2023 March 31, 2024.

**Defamation and Disparagement Claims**

From time to time, the Company and its news businesses, including FOX News Media and the FOX Television Stations, and their employees are subject to lawsuits alleging defamation or disparagement. These include lawsuits filed by Smartmatic USA Corp. and certain of its affiliates (collectively, "Smartmatic") in February 2021 seeking \$2.7 billion in damages and Dominion Voting Systems, Inc. and certain of its affiliates (collectively, "Dominion") in March 2021 seeking \$1.6 billion in damages. On March 31, 2023, the court in the Dominion case issued its rulings on summary judgment motions that were unfavorable to the Company. Following these rulings, on April 18, 2023, the Company and its subsidiary, Fox News Network, LLC, entered into a Release and Settlement Agreement with Dominion pursuant to which the parties agreed to resolve the lawsuits among them. The Company paid an aggregate of approximately \$800 million to settle this and a related lawsuit in April 2023.

The Company continues to believe the Smartmatic and other pending lawsuits alleging defamation or disparagement are without merit and intends to defend against them vigorously, including through any appeals. Discovery in the Smartmatic case, including depositions and expert discovery, remains ongoing, and summary judgment and other key motions will follow. At this time, a trial in the Smartmatic lawsuit is not expected to commence until 2025. The Company is unable to predict the final outcome of these matters and has determined that a loss in the Smartmatic case is neither probable nor reasonably estimable. There can be no assurance that the ultimate resolution of these pending matters will not have a material adverse effect on the Company's business, financial condition, results of operations or cash flows.

On April 11, 2023 and April 20, 2023, stockholders of the Company filed derivative lawsuits in the Delaware Court of Chancery against certain directors of the Company under the captions *Schwarz v. Murdoch et al.*, C.A. No. 2023-0418 (Del. Ch.) and *Greenberg et al. v. Murdoch et al.*, C.A. No. 2023-0440 (Del. Ch.). The Delaware Court of Chancery consolidated the lawsuits into one matter captioned *In re Fox Corporation Deriv. Litig.*, C.A. No. 2023-0418 (Del.Ch.). Two additional derivative lawsuits were subsequently filed by the Company's stockholders in the same court on September 12, 2023 against certain directors and officers of the Company and are part of the consolidated lawsuit. Each of the lawsuits names the Company as a nominal defendant. The complaints allege that certain directors and officers, as applicable, breached their fiduciary duties by allowing the Company's news channel to air allegations regarding election fraud in connection with the 2020 U.S. Presidential election, which resulted in significant defamation litigation. The plaintiffs seek orders awarding damages in favor of the Company; directing the Company to reform and improve its policies and procedures; and awarding the plaintiffs attorneys' fees and costs. The Company intends to vigorously contest the lawsuit.

**Actions and Claims Arising from Alleged Misuse of Personal Information**

Tubi, Inc., a wholly owned subsidiary of the Company ("Tubi"), is from time to time a party to actions and arbitration claims arising from its alleged misuse of personal information. In June 2023, a putative class action lawsuit titled *Campos v. Tubi* was filed with the United States District Court for the Northern District of Illinois, Eastern Division, alleging that Tubi shared viewer information with third parties in violation of the privacy protection provisions of the federal Video Privacy Protection Act. In February 2024, the District Court denied Tubi's motion to compel arbitration and motion to dismiss, and Tubi is appealing those rulings to the United States Court of Appeals for the Seventh Circuit. Tubi and the Company intend to vigorously defend against the lawsuit. The Company is unable to predict the final outcome of this matter and has determined that a loss in the case is neither probable nor reasonably estimable. There can be no assurance that the ultimate resolution of

**FOX CORPORATION**  
**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**

this pending matter will not have a material adverse effect on the Company's business, financial condition, results of operations or cash flows.

Other

The Company's operations are subject to tax primarily in various domestic jurisdictions and as a matter of course, the Company is regularly audited by federal and state tax authorities. The Company believes it has appropriately accrued for the expected outcome of all pending tax matters and does not currently anticipate that the ultimate resolution of pending tax matters will have a material adverse effect on its consolidated financial condition, future results of operations or liquidity. Each member of the 21CF consolidated group, which includes 21CF, the Company (prior to the Transaction (as defined in Note 1—Description of Business and Basis of Presentation in the 2023 Form 10-K under the heading "The Transaction")) and 21CF's other subsidiaries, is jointly and severally liable for the U.S. federal income and, in certain jurisdictions, state tax liabilities of each

**FOX CORPORATION**  
**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**

other member of the consolidated group. Consequently, the Company could be liable in the event any such liability is incurred, and not discharged, by any other member of the 21CF consolidated group. The tax matters agreement entered into in connection with the Separation (as defined in Note 1—Description of Business and Basis of Presentation in the 2023 Form 10-K under the heading "The Transaction") requires 21CF and/or The Walt Disney Company to indemnify the Company for any such liability. Disputes or assessments could arise during future audits by the Internal Revenue Service in amounts that the Company cannot quantify.

**NOTE 9. PENSION AND OTHER POSTRETIREMENT BENEFITS**

The Company participates in and/or sponsors various pension, savings and postretirement benefit plans. Pension plans and postretirement benefit plans are closed to new participants with the exception of a small group covered by collective bargaining agreements. The net periodic benefit cost was \$14 million \$13 million and \$16 million \$16 million for the three months ended December 31, 2023 March 31, 2024 and 2022, 2023, respectively, and \$27 million \$40 million and \$32 million \$48 million for the six nine months ended December 31, 2023 March 31, 2024 and 2022, 2023, respectively.

**NOTE 10. SEGMENT INFORMATION**

The Company is a news, sports and entertainment company, which manages and reports its businesses in the following segments:

- **Cable Network Programming**, which produces and licenses news and sports content distributed through traditional cable television systems, direct broadcast satellite operators and telecommunication companies, virtual multi-channel video programming distributors and other digital platforms, primarily in the U.S.
- **Television**, which produces, acquires, markets and distributes programming through the FOX broadcast network, advertising supported video-on-demand service Tubi, 29 full power broadcast television stations, including 11 duopolies, and other digital platforms, primarily in the U.S. Eighteen of the broadcast television stations are affiliated with the FOX Network, 10 are affiliated with MyNetworkTV and one is an independent station. The segment also includes various production companies that produce content for the Company and third parties.
- **Other, Corporate and Eliminations**, which principally consists of the FOX Studio Lot, Credible, corporate overhead costs and intracompany eliminations. The FOX Studio Lot, located in Los Angeles, California, provides television and film production services along with office space, studio operation services and includes all operations of the facility. Credible is a U.S. consumer finance marketplace.

The Company's operating segments have been determined in accordance with the Company's internal management structure, which is organized based on operating activities. The Company evaluates performance based upon several factors, of which the primary financial measure is segment operating income before depreciation and amortization, or Segment EBITDA. Due to the integrated nature of these operating segments, estimates and judgments are made in allocating certain assets, revenues and expenses.

**FOX CORPORATION**  
**NOTES TO THE UNAUDITED CONSOLIDATED FINANCIAL STATEMENTS**

Segment EBITDA is defined as Revenues less Operating expenses and Selling, general and administrative expenses. Segment EBITDA does not include: Amortization of cable distribution investments, Depreciation and amortization, Impairment Restructuring, impairment and restructuring charges, other corporate matters, Interest expense, net, Other, Non-operating other, net and Income tax expense. Management believes that Segment EBITDA is an appropriate measure for evaluating the operating performance of the Company's business segments because it is the primary measure used by the Company's chief operating decision maker to evaluate the performance of and allocate resources to the Company's businesses.

### Non-GAAP Financial Measures

Adjusted EBITDA is defined as Revenues less Operating expenses and Selling, general and administrative expenses. Adjusted EBITDA does not include: Amortization of cable distribution investments, Depreciation and amortization, impairment Restructuring, impairment and restructuring charges, other corporate matters, Interest expense, net, Other, Non-operating other, net and Income tax expense.

Management believes that information about Adjusted EBITDA assists all users of the Company's Financial Statements by allowing them to evaluate changes in the operating results of the Company's portfolio of businesses separate from non-operational factors that affect Net income, thus providing insight into both operations and the other factors that affect reported results. Adjusted EBITDA provides management, investors and equity analysts a measure to analyze the operating performance of the Company's business and its enterprise value against historical data and competitors' data, although historical results, including Adjusted EBITDA, may not be indicative of future results (as operating performance is highly contingent on many factors, including customer tastes and preferences).

Adjusted EBITDA is considered a non-GAAP financial measure and should be considered in addition to, not as a substitute for, net income, cash flow and other measures of financial performance reported in accordance with U.S. generally accepted accounting principles ("GAAP"). In addition, this measure does not reflect cash available to fund requirements and excludes items, such as depreciation and amortization and impairment charges, which are significant components in assessing the Company's financial performance. Adjusted EBITDA may not be comparable to similarly titled measures reported by other companies.

The following table reconciles Net income to Adjusted EBITDA for the three and six nine months ended December 31, 2023 March 31, 2024, as compared to the three and six nine months ended December 31, 2022 March 31, 2023:
