Â Â Â EXPLANATORY NOTE This report combines the quarterly reports on Form 10-Q for the quarterly period ended June 30, 2024, of Kimco Realty Corporation (the â€œCompanyâ€) and Kimco Realty OP, LLC (â€œKimco OPâ€). Prior to January 1, 2023, the Companyâ€™s business was conducted through a predecessor entity also known as Kimco Realty Corporation (the â€œPredecessorâ€). On December 14, 2022, the Predecessorâ€™s Board of Directors approved the entry into an Agreement and Plan of Merger (the â€œUPREIT Mergerâ€) with the company formerly known as New KRC Corp., which was a Maryland corporation and wholly owned subsidiary of the Predecessor (the â€œParent Companyâ€), and KRC Merger Sub Corp., which was a Maryland corporation and wholly owned subsidiary of the Parent Company (â€œMerger Subâ€), to effect the reorganization (the â€œReorganizationâ€) of the Predecessorâ€™s business into an umbrella partnership real estate investment trust, or â€œUPREITâ€. On January 1, 2023, pursuant to the UPREIT Merger, Merger Sub merged with and into the Predecessor, with the Predecessor continuing as the surviving entity and a wholly-owned subsidiary of the Parent Company, and each outstanding share of capital stock of the Predecessor was converted into one equivalent share of capital stock of the Parent Company (each share of which has continued to trade under their respective existing ticker symbol with the same rights, powers and limitations that existed immediately prior to the Reorganization). In connection with the Reorganization, the Parent Company changed its name to Kimco Realty Corporation, and replaced the Predecessor as the New York Stock Exchange-listed public company. Effective as of January 3, 2023, the Predecessor converted into a limited liability company, organized in the State of Delaware, known as Kimco Realty OP, LLC, the entity we refer to herein as â€œKimco OPâ€. Following the Reorganization, substantially all of the Companyâ€™s assets are held by, and substantially all of the Companyâ€™s operations are conducted through, Kimco OP (either directly or through its subsidiaries), as the Companyâ€™s operating company, and the Company is the managing member of Kimco OP. The officers and directors of the Company are the same as the officers and directors of the Predecessor immediately prior to the Reorganization. The Parent Company is a real estate investment trust ("REIT") and is the managing member of Kimco OP. As of June 30, 2024, the Parent Company owned 99.84% of the outstanding limited liability company interests (the "OP Units") in Kimco OP. Stockholders' equity and membersâ€™ capital are the primary areas of difference between the unaudited Condensed Consolidated Financial Statements of the Parent Company and those of Kimco OP. Kimco OPâ€™s capital currently includes OP Units owned by the Parent and non-controlling OP Units owned by third parties. OP Units owned by third parties are accounted for within capital on Kimco OPâ€™s financial statements and in non-controlling interests in the Parent Companyâ€™s financial statements. The Parent Company consolidates Kimco OP for financial reporting purposes, and the Parent Company does not have significant assets other than its investment in Kimco OP. Therefore, while stockholdersâ€™ equity, membersâ€™ capital and noncontrolling interests differ as discussed above, the assets and liabilities of the Parent Company and Kimco OP are the same on their respective financial statements. The Company believes combining the quarterly reports on Form 10-Q of the Parent Company and Kimco OP into this single report provides the following benefits: â€¢Enhances investors' understanding of the Parent Company and Kimco OP by enabling investors to view the businesses as a whole in the same manner as management views and operates the business; â€¢Eliminates duplicative disclosure and provides a more concise and readable presentation, because a substantial portion of the disclosure applies to both the Parent Company and Kimco OP; and â€¢Creates time and cost efficiencies through the preparation of one combined report instead of two separate reports. In order to highlight the differences between the Parent Company and Kimco OP, there are sections in this Quarterly Report that separately discuss the Parent Company and Kimco OP, including separate financial statements (but combined footnotes), separate controls and procedures sections, and separate Exhibit 31 and 32 certifications. In the sections that combine disclosure for the Parent Company and Kimco OP, unless context otherwise requires, this Quarterly Report refers to actions or holdings of the Parent Company and/or Kimco OP as being the actions or holdings of the Company (either directly or through its subsidiaries, including Kimco OP). Throughout this Quarterly Report, unless the context requires otherwise: â€¢The â€œCompany,â€ â€œwe,â€ â€œourâ€ or â€œusâ€ refer to: othe Parent Company and its business and operations conducted through its directly or indirectly owned subsidiaries, including Kimco OP; and oin statements regarding qualification as a REIT, such terms refer solely to the Predecessor or Parent Company, as applicable. â€¢â€œKimco OPâ€ refers to Kimco Realty OP, LLC, our operating company following the UPREIT Merger. â€¢References to â€œsharesâ€ and â€œshareholdersâ€ refer to the shares and shareholders of the Parent Company and not the limited liability company interests of Kimco OP. 2 Â Â PART I - FINANCIAL INFORMATION Â Â Â Â Item 1. Business and OrganizationKimco Realty Corporation and its subsidiaries (the â€œParent Companyâ€) operates as a Real Estate Investment Trust ("REIT"), of which substantially all of the Parent Companyâ€™s assets are held by, and substantially all of the Parent Companyâ€™s operations are conducted through, Kimco Realty OP, LLC (â€œKimco OPâ€), either directly or through its subsidiaries, as the Parent Companyâ€™s operating company. The Parent Company is the managing member and exercises exclusive control over Kimco OP. As of June 30, 2024, the Parent Company owned 99.84% of the outstanding limited liability company interests (the "OP Units") in Kimco OP. The terms â€œKimcoâ€, â€œthe Companyâ€ and â€œourâ€ each refer to the Parent Company and Kimco OP, collectively, unless the context indicates otherwise. In statements regarding qualification as a REIT, such terms refer solely to Kimco Realty Corporation.The Company is North Americaâ€™s largest publicly traded owner and operator of open-air, grocery-anchored shopping centers and a growing portfolio of mixed-use assets. The Companyâ€™s portfolio is primarily concentrated in the first-ring suburbs of the top major metropolitan markets, including those in high-barrier-to-entry coastal markets and rapidly expanding Sun Belt cities, with a tenant mix focused on essential, necessity-based goods and services that drive multiple shopping trips per week. The Company, its affiliates and related real estate joint ventures are engaged principally in the ownership, management, development and operation of open-air shopping centers, including mixed-use assets, which are anchored primarily by grocery stores, off-price retailers, discounters or service-oriented tenants. Additionally, the Company provides complementary services that capitalize on the Companyâ€™s established retail real estate expertise. The Companyâ€™s mission is to create destinations for everyday living that inspire a sense of community and deliver value to our many stakeholders. The Company evaluates performance on a property specific or transactional basis and does not distinguish its principal business or group its operations on a geographical basis for purposes of measuring performance. Accordingly, the Company believes it has a single reportable segment for disclosure purposes in accordance with accounting principles generally accepted in the United States of America (â€œGAAPâ€).The Company elected status as a REIT for federal income tax purposes commencing with its taxable year which began January 1, 1992 and operates in a manner that enables the Company to maintain its status as a REIT. To qualify as a REIT, the Company must meet several organizational and operational requirements, and is required to annually distribute at least 90% of its net taxable income, determined without regard to the dividends paid deduction and excluding any net capital gain. In addition, the Company will be subject to federal income

tax at regular corporate rates to the extent that it distributes less than 100% of its net taxable income, including any net capital gains. In January 2023, the Company consummated the Reorganization into an UPREIT structure as described in the Explanatory Note at the beginning of this Quarterly Report on Form 10-Q. If, as the Company believes, it is organized and operates in such a manner so as to qualify and remain qualified as a REIT under the Code, the Company, generally, will not be subject to U.S. federal income tax, provided that distributions to its stockholders equal at least the amount of its REIT taxable income, as defined in the Code. The Company maintains certain subsidiaries that have made joint elections with the Company to be treated as taxable REIT subsidiaries (â€œTRSsâ€), that permit the Company to engage through such TRSs in certain business activities that the REIT may not conduct directly. A TRS is subject to federal and state income taxes on its income, and the Company includes, when applicable, a provision for taxes in its condensed consolidated financial statements. RPT MergerOn August 28, 2023, the Company and RPT Realty (â€œRPTâ€) announced that they had entered into a definitive merger agreement (the â€œMerger Agreementâ€) pursuant to which the Company would acquire RPT through a series of mergers (collectively, the â€œRPT Mergerâ€). On January 2, 2024, RPT merged with and into the Company, with the Company continuing as the surviving public company. The RPT Merger added 56 open-air shopping centers, 43 of which are wholly owned and 13 of which are owned through a joint venture, comprising 13.3 million square feet of gross leasable area (â€œGLAâ€). In addition, as a result of the RPT Merger, the Company obtained RPTâ€™s 6% stake in a 49-property net lease joint venture.Under the terms of the Merger Agreement, each RPT common share was converted into 0.6049 of a newly issued share of the Companyâ€™s common stock, together with cash in lieu of fractional shares, and each 7.25% Series D Cumulative Convertible Perpetual Preferred Share of RPT was converted into the right to receive one depositary share representing one one-thousandth of a share of the Companyâ€™s newly issued 7.25% Class N Cumulative Convertible Perpetual Preferred Stock, par value $1.00 per share (â€œClass N Preferred Stockâ€). During the six months ended June 30, 2024, the Company incurred expenses of $25.2 million associated with the RPT Merger, primarily comprised of severance, legal and professional fees. See Footnote 3 of the Notes to Condensed Consolidated Financial Statements for further details.16 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â Economic ConditionsThe economy continues to face several issues including inflation risk, liquidity constraints, a lack of qualified employees, tenant bankruptcies and supply chain disruptions, which could impact the Company and its tenants. In response to the rising rate of inflation the Federal Reserve steadily increased interest rates in 2022 and 2023 and has kept them at increased levels. The Federal Reserve may continue to increase interest rates or maintain these increased levels, until the rate of inflation begins to decrease. These increased interest rates could adversely impact the business and financial results of the Company and its tenants. In addition, slower economic growth and the potential for a recession could have an adverse effect on the Company and its tenants. This could negatively affect the overall demand for retail space, including the demand for leasable space in the Companyâ€™s properties. Any of these events could materially adversely impact the Companyâ€™s business, financial condition, results of operations or stock price. The Company continues to monitor economic, financial, and social conditions and will assess its asset portfolio for any impairment indicators. If the Company determines that any of its assets are impaired, the Company would be required to take impairment charges, and such amounts could be material. 2. Summary of Significant Accounting PoliciesBasis of PresentationThis report combines the quarterly reports on Form 10-Q for the quarterly period ended June 30, 2024, of the Parent Company and Kimco OP into this single report. The accompanying Condensed Consolidated Financial Statements include the accounts of the Parent Company and Kimco OP and their consolidated subsidiaries. The Reorganization resulted in a merger of entities under common control in accordance with GAAP. The Companyâ€™s subsidiaries include subsidiaries which are wholly owned or which the Company has a controlling interest, including where the Company has been determined to be a primary beneficiary of a variable interest entity (â€œVIEâ€) in accordance with the consolidation guidance of the Financial Accounting Standards Board (â€œFASBâ€) Accounting Standards Codification (â€œASCâ€). The Parent Company serves as the general member of Kimco OP. The limited members of Kimco OP have limited rights over Kimco OP and do not have the power to direct the activities that most significantly impact Kimco OPâ€™s economic performance. As such, Kimco OP is considered a VIE, and the Parent Company, which consolidates it, is the primary beneficiary. All inter-company balances and transactions have been eliminated in consolidation. The information presented in the accompanying Condensed Consolidated Financial Statements is unaudited and reflects all adjustments which are, in the opinion of management, necessary to reflect a fair statement of the results for the interim periods presented, and all such adjustments are of a normal recurring nature. Amounts as of December 31, 2023 included in the Condensed Consolidated Financial Statements have been derived from the audited Consolidated Financial Statements as of that date, but does not include all annual disclosures required by GAAP. These Condensed Consolidated Financial Statements should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2023, as certain disclosures in this Quarterly Report that would duplicate those included in such Annual Report on Form 10-K are not included in these Condensed Consolidated Financial Statements.On January 2, 2024, the Parent Company, as managing member of Kimco OP, entered into an amended and restated limited liability company agreement of Kimco OP (the â€œAmended and Restated Limited Liability Company Agreementâ€), providing for, among other things, the creation of Class N Preferred Units of Kimco OP, having the preferences, rights and limitations set forth therein, and certain modifications to the provisions regarding LTIP Units (as defined in the Amended and Restated Limited Liability Company Agreement), including provisions governing distribution and tax allocation requirements and the procedures for converting LTIP Units.Subsequent EventsThe Company has evaluated subsequent events and transactions for potential recognition or disclosure in its Condensed Consolidated Financial Statements (See Footnote 11 of the Notes to Condensed Consolidated Financial Statements). 17 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â New Accounting PronouncementsThe following table represents Accounting Standards Updates (â€œASUsâ€) to the FASBâ€™s ASC that, as of June 30, 2024, are not yet effective for the Company and for which the Company has not elected early adoption, where permitted:Â ASU Description Effective Date Effect on the financial statements or other significant matters ASU 2023-07, SegmentReporting (Topic 280):Improvements to Reportable Segment Disclosures The amendments in this ASU improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. In addition, the amendments enhance interim disclosure requirements, clarify circumstances in which an entity can disclose multiple segment measures of profit or loss, provide new segment disclosure requirements for entities with a single reportable segment, and contain other disclosure requirements. Annual fiscal yearsbeginning January 1, 2024, and interim periods for fiscal years beginning January 1, 2025Í¾ Early adoption permitted There are aspects of this ASU that apply to entities with one reportable segment. The Company will review the extent of new disclosures necessary prior to implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations.Â ASU 2023-05, Business Combinations â€“ Joint Venture Formations (Subtopic 805-60): Recognition and Initial Measurement The amendments in this ASU address the accounting for contributions made to a joint venture, upon formation, in a joint ventureâ€™s separate financial statements. To reduce diversity in practice and provide decision-useful information to a joint ventureâ€™s investors, these amendments require that a joint venture apply a new basis of accounting upon formation. By applying a new basis of accounting, a joint venture, upon formation, will recognize and initially measure its assets and liabilities at fair value (with exceptions to fair value measurement that are consistent with the business combinations guidance). Additionally, existing joint ventures have the option to apply the guidance retrospectively.Â January 1, 2025; Early adoption permitted This ASU does not impact accounting for joint ventures by the venturers. As such, the Company does not expect the adoption of this ASU will have a material impact on the Companyâ€™s financial position and/or results of operations. ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures This ASU requires entities to provide additional information in the rate reconciliation and additional disclosures about income taxes paid. The guidance requires public business entities to disclose in their rate reconciliation table additional categories of information about federal, state and foreign income taxes and to provide more details about the reconciling items in some categories if the items meet a quantitative threshold. The guidance requires all entities annually to disclose income taxes paid (net of refunds received) disaggregated by federal (national), state and foreign taxes and to disaggregate the information by jurisdiction based on a quantitative threshold.Â Annual fiscal yearsbeginning January 1, 2025, and interim periods for fiscal years beginning January 1, 2026Í¾ Early adoption permitted The Company will review the extent of new disclosures necessary prior to implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations. 18 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â ASU 2024-01, Compensation - Stock Compensation (Topic 718) The amendments in this ASU clarify how to determine whether profits interest and similar awards should be accounted for as a share-based payment arrangement (ASC 718) or as a cash bonus or profit-sharing arrangement (ASC 710, Compensation - General, or other guidance) and applies to all reporting entities that account for profits interest awards as compensation to employees or non-employees. In addition to the illustrative guidance, this ASU modifies the language in paragraph 718-10-15-3 to improve its clarity and operability without changing the guidance. The amendments should be applied either retrospectively to all prior periods presented in the financial statements, or prospectively to profits interests and similar awards granted or modified on or after the adoption date. January 1, 2025; Early adoption permitted The Company does not expect the adoption of this ASU to have a material impact on the Companyâ€™s financial position and/or results of operations. Â The following ASU to the FASBâ€™s ASC has been adopted by the Company as of the date listed:Â ASU Description Adoption Date Effect on the financial statements or other significant matters ASU 2022-03, Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions This ASU clarifies the guidance in Topic 820, Fair Value Measurement, when measuring the fair value of an equity security subject to contractual restrictions that prohibit the sale of an equity security and provides new disclosure requirements for equity securities subject to contractual sale restrictions that are measured at fair value in accordance with Topic 820.Â January 1, 2024Â The adoptionÂ of this ASU did notÂ have a material impact on the Companyâ€™s financial position and/or results of operations.Â Â Regulatory UpdateOn March 6, 2024, the Securities and Exchange Commission (â€œSECâ€) adopted final rules that will require registrants to disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts, descriptions of board oversight and risk management activities, and any material climate-related targets or goals. The landmark rules also will require accelerated and large accelerated filers to disclose material Scope 1 and Scope 2 greenhouse gas emissions. These disclosures will be subject to independent third-party assurance. Registrants will also have to disclose, among other things, certain effects of severe weather events and other natural conditions and amounts related to carbon offsets and renewable energy credits or certificates in their audited financial statements. On March 15, 2024, a federal appellate court imposed a temporary stay pending judicial review of these new rules. The SEC voluntarily stayed its recently adopted climate disclosure rules pending the completion of judicial review. The Company plans to comply with the disclosure requirements of the final rules when they become effective, and are currently evaluating the impact these final rules will have on the Companyâ€™s SEC filings and related disclosures. 3. Notes and Mortgages PayableNotes PayableThe Company has a $2.0 billion unsecured revolving credit facility (the â€œCredit Facilityâ€) with a group of banks. The Credit Facility is scheduled to expire in March 2027 with two additional six-month options to extend the maturity date, at the Companyâ€™s discretion, to March 2028. The Credit Facility is guaranteed by the Parent Company. The Credit Facility can be increased to $2.75 billion through an accordion feature. The Credit Facility is a green credit facility tied to sustainability metric targets, as described in the agreement. The Credit Facility accrues interest at a rate of Adjusted Term SOFR, as defined in the terms of the Credit Facility, plus 77.5 basis points and fluctuates in accordance with the Companyâ€™s credit ratings. The interest rate can be further adjusted upward or downward by a maximum of four basis points based on the sustainability metric targets, as defined in the agreement. The interest rate on the Credit Facility as of June 30, 2024 was 6.19% after a two-basis point reduction was achieved. Pursuant to the terms of the Credit Facility, the Company is subject to certain covenants. As of June 30, 2024, the Credit Facility had an outstanding balance of $220.0 million, no appropriations for letters of credit, and the Company was in compliance with its covenants.In connection with the RPT Merger, the Company assumed the following notes payable (dollars in millions):Â Type Â Amount Assumed Â Â Interest Rate Â Maturity Date Unsecured notes (1) Â $ 511.5 Â Â 3.64%-4.74% Â Jun-25-Nov-31 Unsecured term loan (2) Â $ 50.0 Â Â 4.15% Â Nov-26 Unsecured term loan (2) Â $ 100.0 Â Â 4.11% Â Feb-27 Unsecured term loan (2) Â $ 50.0 Â Â 3.43% Â Aug-27 Unsecured term loan (2) Â $ 110.0 Â Â 3.71% Â Feb-28 Â (1)The Company fully repaid these unsecured notes in January 2024 and incurred a make-whole charge of $0.3 million resulting from this early repayment of these notes, which are included in Merger charges on the Companyâ€™s Condensed Consolidated Statements of Income.28 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â (2)The Company entered into a Seventh Amended and Restated Credit Agreement, through which the assumed term loans were terminated (fully repaid) and new term loans were issued to replace the assumed loans. The new term loans retained the amounts and maturities of the assumed term loans, however the rates (Adjusted Term SOFR plus 0.905% and tied to sustainability metric targets, as described in the agreement) and covenants were revised to match those within the Company's Credit Facility. In January 2024, the Company entered into swap rate agreements with various lenders swapping the interest rates to fixed rates ranging from 4.674% to 4.875%. See Footnote 12 of the Notes to Condensed Consolidated Financial Statements for interest rate swap disclosure.On January 2, 2024, the Company entered into a new $200.0 million unsecured term loan credit facility (the â€œTerm Loan Credit Facilityâ€) pursuant to a credit agreement, which matures in January 2026, with three one-year extension options. The Term Loan Credit Facility accrues interest at a spread (currently 0.850%) to the Adjusted Term SOFR Rate (as defined in the credit agreement) or, at the Companyâ€™s option, a spread (currently 0.000%) to a base rate defined in the credit agreement, that in each case fluctuates in accordance with changes in the Companyâ€™s senior debt ratings. In January 2024, the Company entered into a swap rate agreement swapping the interest rate to a fixed rate of 4.572%. See Footnote 12 of the Notes to Condensed Consolidated Financial Statements for interest rate swap disclosure.In July 2024, the Company amended the Term Loan Credit Facility to increase the aggregate principal amount from $200.0 million to $500.0 million. The additional $300.0 million is subject to the same terms as the existing Term Loan Credit Facility. The Company also entered into swap rate agreements with various lenders swapping the interest rates to fixed rates ranging from 4.779% to 4.781%.During the six months ended June 30, 2024, the Company fully repaid the following notes payables (dollars in millions):Â Type Â Date Paid Â Amount Repaid Â Â Interest Rate Â Maturity Date Unsecured note Â Jan-24 Â $ 246.2 Â Â 4.45% Â Jan-24 Unsecured note Â Mar-24 Â $ 400.0 Â Â 2.70% Â Mar-24 Â Mortgages PayableDuring the six months ended June 30, 2024, the Company repaid $11.8 million of mortgage debt that encumbered three operating properties. Â 12. Derivatives Derivative Instruments & Hedging ActivitiesThe Company is exposed to certain risks arising from both its business operations and economic conditions. The Company manages economic risks, including interest rate, liquidity, and credit risks primarily by managing the amount, sources, and duration of its debt funding and the use of derivative financial instruments. Specifically, the Company may use derivatives to manage exposures that arise from changes in interest rates and limits the risk by following established risk management policies and procedures, including the use of derivatives.On January 2, 2024, the Company entered into 21 interest rate swap agreements with notional amounts aggregating to $510.0 million. The interest rate swap agreements are designated as cash flow hedges and are held by the Company to reduce the impact of changes in interest rates on variable rate debt. The differential between fixed and variable rates to be paid or received is accrued, as interest rates change, and recognized as interest expense in the Companyâ€™s Condensed Consolidated Statements of Income. If the hedges are deemed to be effective, the fair value is included within the Accumulated other comprehensive income ("AOCI") on the Companyâ€™s Condensed Consolidated Balance Sheets, and subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. As of June 30, 2024, all interest rate swaps were deemed effective and are therefore included within AOCI. As of June 30, 2024, the Company expects approximately $6.1 million of accumulated comprehensive income on derivative instruments to be reclassified into earnings as a reduction to interest expense during the next 12 months.The interest rate swaps are measured at fair value using the market standard methodology of netting the discounted future fixed cash receipts (or payments) and the discounted expected variable cash payments (or receipts). The variable cash payments (or receipts) are based on an expectation of future interest rates (forward curves) derived from observable market interest rate curves. The Company classifies the interest rate swaps as Level 2 and are measured on a recurring basis. 29 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â The following table summarizes the terms and fair value of the Companyâ€™s derivative financial instruments as of June 30, 2024 (amounts in thousands):Â Instrument Â Number of Swap Agreements Â Associated Debt Instrument Â Maturity Date Â NotionalAmount (1) Â Â Fair Value as of June 30, 2024 (2) Â Interest rate swap Â 1 Â $200.0Â Million Term Loan Â Jan-29 Â $ 200,000 Â Â $ 3,510 Â Interest rate swaps Â 3 Â $50.0Â Million Term Loan Â Nov-26 Â Â 50,000 Â Â Â 583 Â Interest rate swaps Â 3 Â $100.0Â Million Term Loan Â Feb-27 Â Â 100,000 Â Â Â 1,241 Â Interest rate swaps Â 7 Â $50.0Â Million Term Loan Â Aug-27 Â Â 50,000 Â Â Â 730 Â Interest rate swaps Â 7 Â $110.0Â Million Term Loan Â Feb-28 Â Â 110,000 Â Â Â 1,756 Â Â Â Â Â Â Â Â Â $ 510,000 Â Â $ 7,820 Â Â (1)These interest rate swap agreements have an effective date of January 2, 2024 and utilize a 1-month SOFR CME index.(2)Included within Other assets on the Companyâ€™s Condensed Consolidated Balance Sheets.The table below details the location in the financial statements of the gain/(loss) recognized on interest rate swaps designated as cash flow hedges for the three and six months ended June 30, 2024 (amounts in thousands):Â Â Three Months Ended June 30, 2024 Â Â Six Months Ended June 30, 2024 Â Amount of gain recognized in AOCI on interest rate swaps Â $ 3,445 Â Â $ 11,982 Â Amount reclassified from AOCI into income as Interest expense Â $ 2,084 Â Â $ 4,162 Â Total amount of Interest expense presented in the Condensed ConsolidatedÂ Â Â Statements of Income in which the effects of cash flow hedgesÂ Â Â are being recorded Â $ (73,341) Â $ (147,906) Â The Company has interests in certain unconsolidated joint ventures, which have interest rate swaps. Noncontrolling InterestsNoncontrolling interests represent the portion of equity that the Company does not own in those entities it consolidates as a result of having a controlling interest or having determined that the Company was the primary beneficiary of a VIE in accordance with the provisions of the FASBâ€™s Consolidation guidance. The Company accounts and reports for noncontrolling interests in accordance with the Consolidation guidance and the Distinguishing Liabilities from Equity guidance issued by the FASB. The Company identifies its noncontrolling interests separately within the equity section on the Companyâ€™s Condensed Consolidated Balance Sheets. The amounts of consolidated net income attributable to the Company and to the noncontrolling interests are presented separately on the Companyâ€™s Condensed Consolidated Statements of Income.In connection with the RPT Merger, the Parent Company issued 953,400 OP units in Kimco OP, which had a fair market value of $21.0 million. Upon consummation of the RPT Merger, the Parent Company owned 99.86% of the outstanding OP Units in Kimco OP, which is no longer a disregarded entity for federal income tax purposes. In addition, during the six months ended June 30, 2024, the Parent Company issued 326,140 long term incentive plan units (â€œLTIP Unitsâ€) OP Units. See Footnote 16 of the Notes to Condensed Consolidated Financial Statements for further disclosure. As of June 30, 2024, the Parent Company owned 99.84% of the outstanding OP units in Kimco OP.30 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â The Company owns eight shopping center properties located in Long Island, NY, which were acquired during 2022, partially through the issuance of $122.1 million of Preferred Outside Partner Units and $13.6 million of Common Outside Partner Units. The noncontrolling interest is classified as mezzanine equity and included in Redeemable noncontrolling interests on the Companyâ€™s Condensed Consolidated Balance Sheets as a result of the put right available to the unit holders, an event that is not solely in the Companyâ€™s control. During 2024, 101,369 Preferred Outside Partner Units and 3,441 Common Outside Partner Units were redeemed for cash of $2.1 million, in separate transactions. These transactions resulted in a net decrease in Redeemable noncontrolling interests of $1.3 million and a decrease in the embedded derivative liability in Other liabilities of $0.8 million on the Companyâ€™s Condensed Consolidated Balance Sheets. As of June 30, 2024, the Outside Partner Units related to these acquisitions total $93.0 million, including noncontrolling interests of $59.8 million and an embedded derivative liability associated with put and call options of these unitholders of $33.2 million. Variable Interest EntitiesConsolidated Operating PropertiesIncluded within the Companyâ€™s operating properties at June 30, 2024 and December 31, 2023 are 30 consolidated entities, that are VIEs for which the Company is the primary beneficiary. These entities have been established to own and operate real estate property. The Companyâ€™s involvement with these entities is through its majority ownership and management of the properties. The entities were deemed VIEs primarily because the unrelated investors do not have substantive kick-out rights to remove the general or managing partner by a vote of a simple majority or less, and they do not have substantive participating rights. The Company determined that it was the primary beneficiary of these VIEs as a result of its controlling financial interest. At June 30, 2024, total assets of these VIEs were $1.7 billion, and total liabilities were $167.9 million. At December 31, 2023, total assets of these VIEs were $1.8 billion, and total liabilities were $180.9 million.The majority of the operations of these VIEs are funded with cash flows generated from the properties. The Company has not provided financial support to any of these VIEs that it was not previously contractually required to provide, which consists primarily of funding any capital expenditures, including tenant improvements, which are deemed necessary to continue to operate the entity and any operating cash shortfalls that the entity may experience.31 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â All liabilities of these consolidated VIEs are non-recourse to the Company (â€œVIE Liabilitiesâ€). The assets of the unencumbered VIEs are not restricted for use to settle only the obligations of these VIEs. The remaining VIE assets are encumbered by third-party non-recourse mortgage debt. The assets associated with these encumbered VIEs (â€œRestricted Assetsâ€) are collateral under the respective mortgages and are therefore restricted and can only be used to settle the corresponding liabilities of the VIE. The table below summarizes the consolidated VIEs and the classification of the Restricted Assets and VIE Liabilities on the Companyâ€™s Condensed Consolidated Balance Sheets, exclusive of Kimco OP, as follows (dollars in millions):Â Â Â As of June 30, 2024 Â Â As of December 31, 2023 Â Number of unencumbered VIEs Â Â 28 Â Â Â 28 Â Number of encumbered VIEs Â Â 2 Â Â Â 2 Â Total number of consolidated VIEs Â Â 30 Â Â Â 30 Â Â Â Â Â Â Â Restricted Assets: Â Â Â Â Â Â Real estate, net Â $ 324.1 Â Â $ 379.8 Â Cash and cash equivalents Â Â 2.8 Â Â Â 3.9 Â Accounts and notes receivable, net Â Â 2.2 Â Â Â 3.6 Â Other assets Â Â 1.4 Â Â Â 1.3 Â Total Restricted Assets Â $ 330.5 Â Â $ 388.6 Â Â Â Â Â Â Â Â Â VIE Liabilities: Â Â Â Â Â Â Â Mortgages payable, net Â $ 85.8 Â Â $ 97.3 Â Accounts payable and accrued expenses Â Â 13.3 Â Â Â 11.4 Â Operating lease liabilities Â Â 4.9 Â Â Â 5.0 Â Other liabilities Â Â 63.9 Â Â Â 67.2 Â Total VIE Liabilities Â $ 167.9 Â Â $ 180.9 Â Â Unconsolidated Redevelopment InvestmentIncluded in the Companyâ€™s preferred equity investments at June 30, 2024, is an unconsolidated development project which is a VIE for which the Company is not the primary beneficiary. This preferred equity investment was primarily established to develop real estate property for long-term investment and was deemed a VIE primarily based on the fact that the equity investment at risk was not sufficient to permit the entity to finance its activities without additional financial support. The initial equity contributed to this entity was not sufficient to fully finance the real estate construction as development costs are funded by the partners over the construction period. The Company determined that it was not the primary beneficiary of this VIE based on the fact that the Company has shared control of this entity along with the entityâ€™s partners and therefore does not have a controlling financial interest.As of June 30, 2024, the Companyâ€™s investment in this VIE was $36.6 million, which is included in Other investments on the Companyâ€™s Condensed Consolidated Balance Sheets. The Companyâ€™s maximum exposure to loss as a result of its involvement with this VIE is the Companyâ€™s carrying value in this investment. The Company has not provided financial support to this VIE that it was not previously contractually required to provide. All future costs of development will be funded with construction loan financing or capital contributions from the Company and the outside partner in accordance with their respective ownership percentages if necessary. 15. Fair Value MeasurementsAll financial instruments of the Company are reflected in the accompanying Condensed Consolidated Balance Sheets at amounts which, in managementâ€™s estimation, based upon an interpretation of available market information and valuation methodologies, reasonably approximate their fair values, except those listed below, for which fair values are disclosed. The valuation method used to estimate fair value for fixed-rate and variable-rate debt, and mortgage and other finance receivables, is based on discounted cash flow analyses, with assumptions that include credit spreads, market yield curves, trading activity, loan amounts and debt maturities. The fair values for marketable securities are based on published values, securities dealersâ€™ estimated market values or comparable market sales. The fair value for embedded derivative liability is based on using the â€œwith-and-withoutâ€ method. Such fair value estimates are not necessarily indicative of the amounts that would be realized upon disposition. Interest rate swaps are measured at fair value using the market standard methodology of netting the discounted future fixed cash receipts (or payments) and the discounted expected variable cash payments (or receipts). The variable cash payments (or receipts) are based on an expectation of future interest rates (forward curves) derived from observable market interest rate curves. 32 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â As a basis for considering market participant assumptions in fair value measurements, the FASBâ€™s Fair Value Measurements and Disclosures guidance establishes a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entityâ€™s own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).The following are financial instruments for which the Companyâ€™s estimated fair value differs from the carrying amount (in thousands):Â Â Â Â June 30, 2024 Â Â December 31, 2023 Â Â Fair Value Hierarchy Â CarryingAmounts Â Â EstimatedFair Value Â Â CarryingAmounts Â Â EstimatedFair Value Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Mortgage and other financing receivables (1) Â Level 3 Â $ 469,694 Â Â $ 460,853 Â Â $ 130,745 Â Â $ 122,323 Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Notes payable, net (2) Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Senior unsecured notes Â Level 2 Â $ 6,614,230 Â Â $ 5,943,296 Â Â $ 7,262,851 Â Â $ 6,671,450 Â Term loans Â Level 3 Â $ 508,774 Â Â $ 510,216 Â Â $ - Â Â $ - Â Credit facility Â Level 3 Â $ 214,249 Â Â $ 220,655 Â Â $ - Â Â $ - Â Mortgages payable, net (3) Â Level 3 Â $ 337,456 Â Â $ 312,653 Â Â $ 353,945 Â Â $ 329,955 Â Â (1)The carrying value includes allowance for credit losses of $5.8 million and $1.3 million as of June 30, 2024 and December 31, 2023, respectively.(2)The carrying value includes deferred financing costs of $68.1 million and $65.0 million as of June 30, 2024 and December 31, 2023, respectively.(3)The carrying value includes deferred financing costs of $1.0 million and $1.2 million as of June 30, 2024 and December 31, 2023, respectively.The Company has certain financial instruments that must be measured under the FASBâ€™s Fair Value Measurements and Disclosures guidance, including available for sale securities, interest rate swaps and embedded derivative liabilities. The Company currently does not have non-financial assets and non-financial liabilities that are required to be measured at fair value on a recurring

basis. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level of the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Companyâ€™s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.The tables below present the Companyâ€™s financial assets and liabilities measured at fair value on a recurring basis at June 30, 2024 and December 31, 2023, aggregated by the level of the fair value hierarchy within which those measurements fall (in thousands):Â Â Balance at June 30, 2024 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Marketable equity securities Â $ 1,612 Â Â $ 1,612 Â Â $ - Â Â $ - Â Interest rate swaps derivative assets Â $ 7,820 Â Â $ - Â Â $ 7,820 Â Â $ - Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Embedded derivative liability Â $ 33,191 Â Â $ - Â Â $ - Â Â $ 33,191 Â Â Â Balance atÂ December 31, 2023 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Marketable equity securities Â $ 330,057 Â Â $ 330,057 Â Â $ - Â Â $ - Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Embedded derivative liability Â $ 30,914 Â Â $ - Â Â $ - Â Â $ 30,914 Â Â The significant unobservable input (Level 3 inputs) used in measuring the Companyâ€™s embedded derivative liability, which is categorized with Level 3 of the fair value hierarchy, is the discount rate of 6.50% and 6.40% as of June 30, 2024 and December 31, 2023, respectively.33 KIMCO REALTY CORPORATION AND SUBSIDIARIES AND KIMCO REALTY OP, LLC AND SUBSIDIARIESNOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (continued)Â The table below presents the change in fair value of the embedded derivative liability measured using Level 3 inputs for the six months ended June 30, 2024 and 2023 (in thousands):Â Â Six Months Ended June 30, Â Â 2024 Â Â 2023 Â Balance as of January 1, Â $ 30,914 Â Â $ 56,000 Â Settlements Â Â (802) Â Â - Â Change in fair value (included in Other income, net) Â Â 3,079 Â Â Â - Â Balance as of June 30, Â $ 33,191 Â Â $ 56,000 Â Â Assets measured at fair value on a non-recurring basis at December 31, 2023 were as follows (in thousands):Â Â Balance atÂ December 31, 2023 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Real estate Â $ 11,724 Â Â $ - Â Â $ - Â Â $ 11,724 Â Â During the six months ended June 30, 2024 and 2023, the Company recognized impairment charges related to adjustments to property carrying values of $3.9 million and $11.8 million, respectively. The Companyâ€™s estimated fair values of these assets were primarily based upon estimated sales prices from signed contracts or letters of intent from third-party offers, which were less than the carrying value of the assets. The Company does not have access to the unobservable inputs used to determine the estimated fair values of third-party offers. Based on these inputs, the Company determined that its valuation of these investments was classified within Level 3 of the fair value hierarchy. 16. Incentive PlansThe Company has an Equity Participation Plan (as amended and/or restated, the â€œEquity Planâ€), which provides for a maximum of 10,000,000 shares of the Companyâ€™s common stock to be reserved for the issuance of stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalents, LTIP Units, stock payments and deferred stock awards. At June 30, 2024, the Company had 3.0 million shares of common stock available for issuance under the Equity Plan.The Company accounts for equity awards in accordance with FASBâ€™s compensation â€“ Stock Compensation guidance, which requires that all share-based payments to employees, including grants of employee stock options, restricted stock, performance shares and LTIP Units, be recognized in the Condensed Consolidated Statements of Income over the service period based on their fair values. Fair value of performance awards is determined using the Monte Carlo method, which is intended to estimate the fair value of the awards at the grant date. Fair value of restricted shares is calculated based on the price on the date of grant.The Company recognized expenses associated with its equity awards of $18.3 million and $17.5 million for the six months ended June 30, 2024 and 2023, respectively. The Company is a self-administered real estate investment trust (â€œREITâ€) and has owned and operated open-air shopping centers for over 60 years. The Company has not engaged, nor does it expect to retain, any REIT advisors in connection with the operation of its properties. As of June 30, 2024, the Company had interests in 567 U.S. shopping center properties, aggregating 100.6 million square feet of gross leasable area (â€œGLAâ€), located in 30 states. In addition, the Company had 67 other property interests, primarily including net leased properties, preferred equity investments, and other investments, totaling 5.3 million square feet of GLA. The Companyâ€™s ownership interests in real estate consist of its consolidated portfolio and portfolios where the Company owns an economic interest, such as properties in the Companyâ€™s investment real estate management programs, where the Company partners with institutional investors and also retains management. The Companyâ€™s primary business objective is to be the premier owner and operator of open-air, grocery-anchored shopping centers, and a growing portfolio of mixed-use assets, in the U.S. The Company believes it can achieve this objective by: â€¢increasing the value of its existing portfolio of properties and generating higher levels of portfolio growth; â€¢increasing cash flows for reinvestment and/or for distribution to shareholders while maintaining conservative payout ratios; â€¢maintaining strong debt metrics and our BBB+/Baa1 unsecured debt ratings; â€¢continuing growth in desirable demographic areas with successful retailers, primarily focused on grocery anchors; and â€¢increasing the number of entitlements for residential use. RPT Merger On January 2, 2024, RPT Realty merged with and into the Company, with the Company continuing as the surviving public company, pursuant to the definitive merger agreement (the â€œMerger Agreementâ€) between the Company and RPT, which was entered into on August 28, 2023. As a result of the RPT Merger, the Company acquired 56 open-air shopping centers, including 43 wholly-owned and 13 joint venture assets, comprising 13.3 million square feet of gross leasable area, to the Companyâ€™s existing portfolio. The Company also obtained RPTâ€™s 6% stake in a 49-property net lease joint venture. Under the terms of the Merger Agreement, each RPT common share was converted into 0.6049 of a newly issued share of the Companyâ€™s common stock, together with cash in lieu of fractional shares, and each 7.25% Series D Cumulative Convertible Perpetual Preferred Share of RPT was converted into the right to receive one depositary share representing one one-thousandth of a share of the Companyâ€™s 7.25% Class N Cumulative Convertible Perpetual Preferred Stock, par value $1.00 per share (the â€œClass N Preferred Stockâ€). In connection with the RPT Merger, the Company issued 53.0 million shares of common stock, 1,849 shares of Class N Preferred Stock, and 953,400 OP Units. See Footnote 3 of the Notes to Condensed Consolidated Financial Statements for further details on the RPT Merger. Economic Conditions The economy continues to face several issues, including inflation risk, liquidity constraints, the lack of qualified employees, tenant bankruptcies and supply chain disruptions, which could impact the Company and its tenants. In response to the rising rate of inflation, the Federal Reserve steadily increased interest rates in 2022 and 2023 and has kept them at increased levels. The Federal Reserve may continue to increase interest rates or maintain these increased levels, until the rate of inflation begins to decrease. These increased interest rates could adversely impact the business and financial results of the Company and its tenants. In addition, slower economic growth and the potential for a recession could have an adverse effect on the Company and its tenants. This could negatively affect the overall demand for retail space, including the demand for leasable space in the Companyâ€™s properties. Any of these events could materially adversely impact the Companyâ€™s business, financial condition, results of operations or stock price. The Company continues to monitor economic, financial, and social conditions and will assess its asset portfolio for any impairment indicators. If the Company determines that any of its assets are impaired, the Company would be required to take impairment charges, and such amounts could be material. 42 Â Effects of Inflation Many of the Companyâ€™s long-term leases contain provisions designed to help mitigate the adverse impact of inflation. Such provisions include clauses enabling the Company to receive payment of additional rent calculated as a percentage of tenantsâ€™ gross sales above pre-determined thresholds, which generally increase as prices rise, and/or as a result of escalation clauses, which generally increase rental rates during the terms of the leases. Such escalation clauses often include increases based upon changes in the consumer price index or similar inflation indices. In addition, many of the Companyâ€™s leases are for terms of less than 10 years, which permits the Company to seek to increase rents to market rates upon renewal. To assist in partially mitigating the Companyâ€™s exposure to increases in costs and operating expenses, including common area maintenance costs, real estate taxes and insurance, resulting from inflation, the Companyâ€™s leases include provisions that either (i) require the tenant to pay an allocable share of these operating expenses or (ii) contain fixed contractual amounts, which include escalation clauses, to reimburse these operating expenses. As of June 30, 2024, the Company had consolidated floating rate debt totaling $237.2 million, excluding deferred financing costs of $5.8 million. The Company continues to pursue borrowing opportunities with large commercial U.S. and global banks, select life insurance companies and certain regional and local banks. Debt maturities for 2024 consist of $28.9 million of unconsolidated joint venture debt, assuming the utilization of extension options where available. The 2024 debt maturities on properties in the Companyâ€™s unconsolidated joint ventures are anticipated to be repaid through operating cash flows, debt refinancing, and partner capital contributions, as deemed appropriate. The Company intends to maintain strong debt service coverage and fixed charge coverage ratios as part of its commitment to maintain or improve its unsecured debt ratings. Credit Facility â€“ In February 2023, the Company obtained a new $2.0 billion unsecured revolving credit facility with a group of banks, which replaced the Companyâ€™s existing $2.0 billion unsecured revolving credit facility which was scheduled to mature in March 2024. The Credit Facility is scheduled to expire in March 2027 with two additional six-month options to extend the maturity date, at the Companyâ€™s discretion, to March 2028. The Credit Facility is guaranteed by the Parent Company. The Credit Facility can be increased to $2.75 billion through an accordion feature. The Credit Facility is a green credit facility tied to sustainability metric targets, as described in the agreement. The Credit Facility accrues interest at a rate of Adjusted Term SOFR, as defined in the terms of the Credit Facility, plus 77.5 basis points and fluctuates in accordance with the Companyâ€™s credit ratings. The interest rate can be further adjusted upward or downward by a maximum of four basis points based on the sustainability metric targets, as defined in the agreement. The interest rate on the Credit Facility as of June 30, 2024 was 6.19% after a two-basis point reduction was achieved. As of June 30, 2024, the Credit Facility had an outstanding balance of $220.0 million and no appropriations for letters of credit. Pursuant to the terms of the Credit Facility, the Company, among other things, is subject to maintenance of various covenants. The Company is currently in compliance with these covenants. The financial covenants for the Credit Facility are as follows: Â Covenant Â Must Be Â As of June 30, 2024 Total Indebtedness to Gross Asset Value (â€œGAVâ€) Â <60% Â 35% Total Priority Indebtedness to GAV Â <35% Â 1% Unencumbered Asset Net Operating Income to Total Unsecured Interest Expense Â >1.75x Â 4.5x Fixed Charge Total Adjusted EBITDA to Total Debt Service Â >1.50x Â 4.0x Â Term Loans â€“ The Company entered into a Seventh Amended and Restated Credit Agreement, through which the term loans assumed in connection with the RPT Merger were terminated and new term loans were issued to replace the assumed loans. The new term loans retained the amounts and maturities of the assumed term loans, however, the rates (Adjusted Term SOFR plus 0.905% and tied to sustainability metric targets, as described in the agreement) and covenants were revised to match those within the Company's Credit Facility. The following unsecured term loans were assumed, terminated and issued (dollars in millions): Â Type Â Date Paid Â Amount Repaid Â Â Interest Rate Â Maturity Date Unsecured term loan Â Jan-24 Â $ 50.0 Â Â 4.15% Â Nov-26 Unsecured term loan Â Jan-24 Â $ 100.0 Â Â 4.11% Â Feb-27 Unsecured term loan Â Jan-24 Â $ 50.0 Â Â 3.43% Â Aug-27 Unsecured term loan Â Jan-24 Â $ 110.0 Â Â 3.71% Â Feb-28 On January 2, 2024, Kimco OP entered into a new $200.0 million unsecured term loan credit facility (the â€œTerm Loan Credit Facilityâ€) pursuant to a credit agreement, among Kimco OP, TD Bank, N.A., as administrative agent, and the other parties thereto. The Term Loan Credit Facility accrues interest at a spread (currently 0.850%) to the Adjusted Term SOFR Rate (as defined in the credit agreement) or, at Kimco OPâ€™s option, a spread (currently 0.000%) to a base rate defined in the credit agreement, that, in each case, fluctuates in accordance with changes in Kimcoâ€™s senior debt ratings. In January 2024, the Company entered into a swap rate agreement swapping the interest rate to a fixed rate of 4.572%. In July 2024, the Company amended the Term Loan Credit Facility to increase the aggregate principal amount from $200.0 million to $500.0 million. The additional $300.0 million is subject to the same terms as the existing Term Loan Credit Facility. The Company also entered into swap rate agreements with various lenders swapping the interest rates to fixed rates ranging from 4.779% to 4.781%. Â In January 2024, the Company entered into 20 swap rate agreements with various lenders swapping the interest rates to fixed rates ranging from 4.674% to 4.875%. Mortgages Payable â€“ 50 Â During the six months ended June 30, 2024, the Company repaid $11.8 million of mortgage debt that encumbered three operating properties. In addition to the public equity and debt markets as capital sources, the Company may, from time to time, obtain mortgage financing on selected properties to partially fund the capital needs of its real estate re-development and re-tenanting projects. As of June 30, 2024, the Company had over 525 unencumbered property interests in its portfolio. Other â€“ During the six months ended June 30, 2024, the Company sold its remaining 14.2 million shares of ACI common stock held by the Company, generating net proceeds of $299.1 million. For tax purposes, the Company recognized a long-term capital gain of $288.7 million. The Company anticipates retaining the proceeds from this stock sale for general corporate purposes and, as a result, recorded federal and state income taxes of $72.9 million on the taxable gain. The Parent Company guarantees the unsecured debt instruments of Kimco OP. These guarantees by the Parent Company are full, irrevocable, unconditional and absolute joint and several guarantees to the holders of each series of such unsecured debt instruments. The Company has issued letters of credit in connection with completion and repayment guarantees, primarily on certain of the Companyâ€™s redevelopment projects and guaranty of payment related to the Companyâ€™s insurance program. At June 30, 2024, these letters of credit aggregated $39.8 million. The Company has investments with funding commitments of $27.5 million, of which $17.8 million has been funded as of June 30, 2024. In connection with the construction of its development and redevelopment projects and related infrastructure, certain public agencies require posting of performance and surety bonds to guarantee that the Companyâ€™s obligations are satisfied. These bonds expire upon the completion of the improvements and infrastructure. As of June 30, 2024, there were $16.4 million in performance and surety bonds outstanding. The Company provides a guaranty for the payment of any debt service shortfalls on the Sheridan Redevelopment Agency issued Series A bonds, which are tax increment revenue bonds issued in connection with a development project in Sheridan, Colorado. These tax increment revenue bonds have a balance of $41.0 million outstanding at June 30, 2024. The bonds are to be repaid with incremental sales and property taxes and a public improvement fee ("PIF") to be assessed on current and future retail sales and, to the extent necessary, any amounts we may have to provide under a guaranty. The revenue generated from incremental sales, property taxes and PIF have satisfied the debt service requirements to date. The incremental taxes and PIF are to remain intact until the earlier of the payment of the bond liability in full or 2040. In connection with the RPT Merger, the Company provides a guaranty for the payment of any debt service shortfalls on the City of Jacksonville Series 2005A bonds, which are tax increment revenue bonds issued in connection with a redevelopment project in Jacksonville, FL. Repayment of the bonds is to be made in accordance with a level-payment amortization schedule over 20 years, and repayments are made out of tax revenues generated by the redevelopment. The remaining debt service payments due over the life of the bonds, including principal and interest, are $4.5 million as of June 30, 2024. There have been no payments made by the Company under this guaranty agreement to date and the Company does not expect to make any payments over the life of the agreement. Dividends â€“ In connection with its intention to continue to qualify as a REIT for U.S. federal income tax purposes, the Company expects to continue paying regular dividends to its stockholders. These dividends will be paid from operating cash flows. The Companyâ€™s Board of Directors will continue to evaluate the Companyâ€™s dividend policy on a quarterly basis as it monitors sources of capital and evaluates the impact of the economy and capital markets availability on operating fundamentals. Since cash used to pay dividends reduces amounts available for capital investment, the Company generally intends to maintain a dividend payout ratio that reserves such amounts as it considers necessary for the expansion and renovation of shopping centers in its portfolio, debt reduction, the acquisition of interests in new properties and other investments as suitable opportunities arise and such other factors as the Board of Directors considers appropriate. Cash dividends paid for common and preferred stock for the six months ended June 30, 2024 and 2023 were $338.1 million and $297.7 million, respectively. Although the Company receives substantially all of its rental payments on a monthly basis, it generally intends to continue paying dividends quarterly. Amounts accumulated in advance of each quarterly distribution will be invested by the Company in short-term money market or other suitable instruments with institutions that have high credit ratings. The Companyâ€™s objective is to establish a dividend level that maintains compliance with the Companyâ€™s REIT taxable income distribution requirements. On April 30, 2024, the Companyâ€™s Board of Directors declared a quarterly dividend with respect to the Companyâ€™s classes of preferred shares (Classes L, M and N), which were paid on July 15, 2024, to shareholders of record on July 1, 2024. In addition, the Companyâ€™s Board of Directors declared a quarterly cash dividend of $0.24 per common share which was paid on June 20, 2024 to shareholders of record on June 6, 2024. 51 Â On July 30, 2024, the Companyâ€™s Board of Directors declared quarterly dividends with respect to the Companyâ€™s classes of preferred shares (Classes L, M and N), which are scheduled to be paid on October 15, 2024, to shareholders of record on October 1, 2024. Additionally, the Companyâ€™s Board of Directors declared a quarterly cash dividend of $0.24 per common share, payable on September 19, 2024 to shareholders of record on September 5, 2024. Funds From Operations Funds From Operations (â€œFFOâ€) is a supplemental non-GAAP financial measure utilized to evaluate the operating performance of real estate companies. NAREIT defines FFO as net income/(loss) available to the Companyâ€™s common shareholders computed in accordance with generally accepted accounting principles in the United States (â€œGAAPâ€), excluding (i) depreciation and amortization related to real estate, (ii) gains or losses from sales of certain real estate assets, (iii) gains and losses from change in control, (iv) impairment write-downs of certain real estate assets and investments in entities when the impairment is directly attributable to decreases in the value of depreciable real estate held by the entity and (v) after adjustments for unconsolidated partnerships and joint ventures calculated to reflect FFO on the same basis. The Company also made an election, in accordance with the NAREIT Funds From Operations White Paper-2018 Restatement, to exclude from its calculation of FFO (i) gains and losses on the sale of assets and impairments of assets incidental to its main business and (ii) mark-to-market changes in the value of its equity securities. As such, the Company does not include gains/impairments on land parcels, mark-to-market gains/losses from marketable securities, allowance for credit losses on mortgage receivables, gains/impairments on other investments or other amounts considered incidental to its main business in NAREIT defined FFO. The Company presents FFO available to the Companyâ€™s common shareholders as it considers it an important supplemental measure of our operating performance and believes it is frequently used by securities analysts, investors and other interested parties in the evaluation of REITs, many of which present FFO available to the Companyâ€™s common shareholders when reporting results. Comparison of our presentation of FFO available to the Companyâ€™s common shareholders to similarly titled measures for other REITs may not necessarily be meaningful due to possible differences in the application of the NAREIT definition used by such REITs. FFO is a supplemental non-GAAP financial measure of real estate companiesâ€™ operating performances, which does not represent cash generated from operating activities in accordance with GAAP, and therefore, should not be considered an alternative for net income or cash flows from operations as a measure of liquidity. The Companyâ€™s reconciliation of Net income available to the Companyâ€™s common shareholders to FFO available to the Companyâ€™s common shareholders is reflected in the table below (in thousands, except per share data). FFO available to the Companyâ€™s common shareholders would be increased by $2,464 and $584 for the three months ended June 30, 2024 and 2023, respectively. FFO available to the Companyâ€™s common shareholders would be increased by $4,907 and $1,166 for the six months ended June 30, 2024 and 2023, respectively. The effect of other certain convertible securities would 52 Â have an anti-dilutive effect upon the calculation of FFO available to the Companyâ€™s common shareholders per share. Accordingly, the impact of such conversion has not been included in the determination of diluted FFO per share calculations. (3)Includes merger-related charges of $25.2 million ($0.04 per share on a diluted basis) for the six months ended June 30, 2024. Same Property Net Operating Income (â€œSame property NOIâ€) Same property NOI is a supplemental non-GAAP financial measure of real estate companiesâ€™ operating performance and should not be considered an alternative to net income in accordance with GAAP or cash flows from operations as a measure of liquidity. The Company considers Same property NOI as an important operating performance measure because it is frequently used by securities analysts and investors to measure only the net operating income of properties that have been owned by the Company for the entire current and prior year reporting periods. It excludes properties under redevelopment, development and pending stabilization; properties are deemed stabilized at the earlier of (i) reaching 90% leased or (ii) one year following a projectâ€™s inclusion in operating real estate. Same property NOI assists in eliminating disparities in net income due to the development, acquisition or disposition of properties during the particular period presented, and thus provides a more consistent performance measure for the comparison of the Company's properties. For the three and six months ended June 30, 2024 and 2023, the Company included Same property NOI from the RPT properties acquired through the RPT Merger, as the Company owned these properties for the full three and six months ended June 30, 2024. The amount of the adjustment relating to RPT same property NOI for the three and six months ended June 30, 2023, included in the table below, represents the Same property NOI from RPT properties prior to the RPT Merger, which is not included in the Company's Net income available to the Companyâ€™s common shareholders. Same property NOI is calculated using revenues from rental properties (excluding straight-line rent adjustments, lease termination fees, TIFs and amortization of above/below market rents) less charges for credit losses, operating and maintenance expense, real estate taxes and rent expense plus the Companyâ€™s proportionate share of Same property NOI from unconsolidated real estate joint ventures, calculated on the same basis. The Companyâ€™s method of calculating Same property NOI available to the Companyâ€™s common shareholders may differ from methods used by other REITs and, accordingly, may not be comparable to such other REITs. The following is a reconciliation of Net income available to the Companyâ€™s common shareholders to Same

Same property NOI increased by $11.1 million, or 3.0%, for the three months ended June 30, 2024, as compared to the corresponding period in 2023. This increase is primarily the result of (i) a net increase of $11.4 million, primarily related to an increase in rental revenue driven by strong leasing activity and (ii) a decrease in non-recoverable operating expenses of $1.9 million, partially offset by (iii) an increase in credit losses from tenants of $2.2 million due to increased collections. Same property NOI increased by $25.1 million, or 3.4%, for the six months ended June 30, 2024, as compared to the corresponding period in 2023. This increase is primarily the result of (i) a net increase of $21.8 million, primarily related to an increase in rental revenue 53 Â driven by strong leasing activity and (ii) a decrease in non-recoverable operating expenses of $4.3 million, partially offset by (iii) an increase in credit losses from tenants of $1.0 million due to increased collections. Leasing Activity During the six months ended June 30, 2024, the Company executed 845 leases totaling 5.9 million square feet in the Companyâ€™s consolidated operating portfolio comprised of 231 new leases and 614 renewals and options. The leasing costs associated with these new leases are estimated to aggregate $48.7 million, or $40.83 per square foot. These costs include $37.8 million of tenant improvements and $10.9 million of external leasing commissions. The average rent per square foot for (i) new leases was $22.45 and (ii) renewals and options was $19.02. Tenant Lease Expirations At June 30, 2024, the Company has a total of 9,276 leases in its consolidated operating portfolio. The following table sets forth the aggregate lease expirations for each of the next ten years, assuming no renewal options are exercised. For purposes of the table, the Total Annual Base Rent Expiring represents annualized rental revenue, excluding the impact of straight-line rent, for each lease that expires during the respective year. Item 3. Quantitative and Qualitative Disclosures About Market Risk. The Companyâ€™s primary market risk exposure is interest rate risk. The Company periodically evaluates its exposure to short-term interest rates and will, from time-to-time, enter into interest rate protection agreements which mitigate, but do not eliminate, the effect of changes in interest rates on its floating-rate debt. As of June 30, 2024, the Company has 21 interest rate swaps with notional amounts aggregating to $510.0 million. The interest rate swap agreements are designated as cash flow hedges and are held by the Company to reduce the impact of changes in interest rates on variable rate debt. The hedged debt is reflected as fixed rate unsecured debt in the table below. The Company has not entered, and does not plan to enter, into any derivative financial instruments for trading or speculative purposes. The following table presents the carrying value of the Companyâ€™s aggregate fixed rate and variable rate debt obligations outstanding, including fair market value adjustments and unamortized deferred financing costs, as of June 30, 2024, with corresponding weighted-average interest rates sorted by maturity date. In addition, the following table presents the fair value of the Companyâ€™s debt obligations outstanding, excluding unamortized deferred financing costs. (i) Subject to the terms and conditions hereof, each Lender severally agrees to make revolving credit loans (â€œRevolving Credit Loansâ€) to the Borrowers, without double-counting (i.e., amounts advanced by a Lender in respect of its Tranche A Commitment shall not be counted in reduction of its Tranche B Commitment, or vice versa) (x) in the case of Lenders with a Tranche A Commitment, in Dollars only, from time to time during the Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Lenderâ€™s Applicable Percentage of the then outstanding Tranche A L/C Obligations, does not exceed the amount of such Lenderâ€™s Tranche A Commitment, and (y) in the case of Lenders with a Tranche B Commitment, in Dollars or in an Alternate Currency, from time to time during the Commitment Period in an aggregate principal amount at any one time outstanding the Dollar Equivalent of which, when added to such Lenderâ€™s Applicable Percentage of the then outstanding Tranche B L/C Obligations, does not exceed the amount of such Lenderâ€™s Tranche B Commitment; provided that no Short Term Loan shall be available in an Alternate Currency. During the Commitment Period the Borrowers may use the Revolving Commitments by borrowing, prepaying the Revolving Credit Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. Notwithstanding anything to the contrary contained in this Agreement, in no event shall, at any time, the sum of the Revolving Exposure of all of the Lenders plus the aggregate principal amount of outstanding Competitive Loans exceed the aggregate Revolving Commitments then in effect. 51Â Â Â Â (ii) Each Revolving Credit Loan shall be made as part of a Borrowing consisting of Revolving Credit Loans made by the Lenders in accordance with their respective Applicable Percentages of the Tranche A Commitments or the Tranche B Commitments, as applicable, and to the extent such Revolving Credit Loan is made shall constitute a use of the Tranche A Commitment or the Tranche B Commitment, as applicable. Each Competitive Loan shall be made in accordance with the procedures set forth in Section 2.1. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Revolving Commitments and Competitive Bids of the Lenders are several and no Lender shall be responsible for any other Lenderâ€™s failure to make Loans as required. (iii) Subject to Section 2.8 and Section 2.10, (x) Revolving Credit Loans denominated in Dollars may from time to time be Term Benchmark Loans, ABR Loans, RFR Loans, or Short Term Loans or a combination thereof, as determined by the applicable Borrower and notified to the Administrative Agent in accordance with Sections 2.2(d) and 2.4, and (y) Revolving Credit Loans denominated in Canadian Dollars may from time to time be Term Benchmark Loans or Canadian Prime Rate Loans, provided that no such Revolving Credit Loan described in this sentence shall be made as a Term Benchmark Loan after the day that is one (1) month prior to the Termination Date. Revolving Credit Loans denominated in an Alternate Currency (other than Canadian Dollars) shall be composed entirely of Term Benchmark Loans or RFR Loans, as applicable, and Revolving Credit Loans denominated in an Alternate Currency shall only be made using Tranche B Commitments. Each Lender at its option may make any Revolving Credit Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the applicable Borrower to repay such Loan in accordance with the terms of this Agreement; provided, further, that each applicable Lender shall at all times comply with the requirements of this Agreement in respect thereto, including Section 2.12, and no Lender shall make any such election if and to the extent the same would cause the applicable Borrower to increase its payment obligations hereunder. Subject to Section 2.8 and Section 2.10, any Competitive Loan may from time to time be a Term Benchmark Loans or a Fixed Rate Loan as the applicable Borrower may request in accordance with Section 2.1. (b) Notes. The Revolving Credit Loans made by each Lender shall be evidenced by a promissory note executed and delivered by the applicable Borrower at the request of such Lender, substantially in the form of Exhibit B-1, with appropriate insertions as to payee and date (a â€œRevolving Credit Noteâ€), payable to the order of such Lender in a principal amount equal to the aggregate unpaid principal amount of all Revolving Credit Loans made by such Lender. The Competitive Loans made by each Lender shall be evidenced by a promissory note executed and delivered by Kimco at the request of such Lender, substantially in the form of Exhibit B-2, with appropriate insertions as to payee and date (a â€œCompetitive Loan Noteâ€), payable to the order of such Lender. Each Lender is hereby authorized to record, as applicable, the date, Type and amount of each Revolving Credit Loan or Competitive Loan made by such Lender, each continuation thereof, each conversion of all or a portion thereof to another Type, the date and amount of each payment or prepayment of principal thereof and, in the case of Fixed Rate Loans and Term Benchmark Loans, the length of each Interest Period with respect thereto and, in the case of Short Term Loans, the Short Term Loan Maturity Date with respect thereto, on the schedule (including any continuation thereof) annexed to and constituting a part of its Revolving Credit Note or Competitive Loan Note, as the case may be, and any such recordation shall constitute prima facie evidence of the accuracy of the information so recorded; provided that the failure by any Lender to make any such recordation or any error in such recordation shall not affect the obligations of any Borrower under this Agreement or the Notes. 52Â Â Â Â (c) Repayment of Loans. Kimco shall pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Competitive Loan on the last day of the Interest Period applicable to such Loan. Each Borrower shall repay all then outstanding Revolving Credit Loans and Competitive Loans made to such Borrower on the Termination Date (or, if earlier, the applicable Short Term Loan Maturity Date in respect of a Short Term Loan) to the Administrative Agent for the account of each Lender in the currency in which such Loan was made. (d) Procedure for Borrowing Revolving Credit Loans. The Borrowers may borrow Revolving Credit Loans during the Commitment Period on any Business Day, provided that the applicable Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 10:00 A.M., New York City time, (i) three (3) Business Days (or, in the case of any requested Borrowing in an Alternate Currency, four (4) Business Days) prior to the requested Borrowing Date, if all or any part of the requested Revolving Credit Loans are to be initially Term Benchmark Loans, (ii) five (5) Business Days prior to the requested Borrowing Date, if all or any part of the requested Revolving Credit Loans are to be initially RFR Loans denominated in Sterling or Canadian Dollars (only if a Benchmark Transition Event with respect to Term CORRA has occurred), (iii) two (2) Business Days prior to the requested Borrowing Date, if all or any part of the requested Revolving Credit Loans are to be initially Short Term Loans, or (iv) on the Business Day which is the requested Borrowing Date, if the requested Revolving Credit Loans are to be initially ABR Loans, RFR Loans denominated in Dollars or Canadian Prime Rate Loans), specifying (A) the aggregate amount to be borrowed, (B) whether the amount to be borrowed will use the Tranche A Commitments or the Tranche B Commitments or, if a combination thereof, indicating the respective amounts thereof, (C) the requested Borrowing Date and, in the case of each Short Term Loan, the requested Short Term Loan Maturity Date, (D) whether the Borrowing is to be of Term Benchmark Loans, RFR Loans, ABR Loans, Short Term Loans, Canadian Prime Rate Loans or a combination thereof, (E) if a Term Benchmark Loan, the currency of such requested Revolving Credit Loan (which must be Dollars in the case of Revolving Credit Loans using the Tranche A Commitments), and (F) if the borrowing is to be entirely or partly of Term Benchmark Loans the respective amounts of each such Type of Revolving Credit Loan and the respective lengths of the initial Interest Periods therefor. Each borrowing under the Revolving Commitments shall be in an amount equal to (i) in the case of ABR Loans, RFR Loans denominated in Dollars or Canadian Prime Rate Loans, $5,000,000 or a whole multiple of $100,000 in excess thereof (or, if the then aggregate Available Commitments are less than $5,000,000, such lesser amount) and (ii) in the case of Term Benchmark Loans, RFR Loans denominated in Sterling or Short Term Loans, $5,000,000 or a whole multiple of $100,000 in excess thereof or the Dollar Equivalent in an Alternate Currency, in each case subject to Section 2.2(e). Upon receipt of any such notice from the applicable Borrower, the Administrative Agent shall promptly notify each Lender thereof. Each Lender will make the amount of its pro rata share of each such borrowing available to the Administrative Agent for the account of the applicable Borrower at the office of the Administrative Agent specified in Section 10.2 prior to 1:00 P.M., New York City time (or (i) in the case of Short Term Loans having a Short Term Loan Maturity Date of six (6) days or less from the relevant Borrowing Date, 3:00 P.M., New York City time

and (ii) in the case of an Alternate Currency Borrowing, local time for the principal market of such currency), on the Borrowing Date requested by the applicable Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the applicable Borrower by the Administrative Agent crediting the account of the applicable Borrower on the books of such office with the aggregate of the amounts made available to the Administrative Agent by the Lenders and in like funds as received by the Administrative Agent. In no event may the number of Short Term Loans requested in any calendar month exceed four (4). In no event may the number of Short Term Loans requested in any calendar year exceed thirty (30). 53Â Â Â Â (e) Tranches. Notwithstanding anything to the contrary in this Agreement, all Borrowings, prepayments, conversions and continuations of Revolving Credit Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, (i) the aggregate principal amount of the Revolving Credit Loans comprising each Tranche of Tranche A Loans and each Tranche of Tranche B Loans shall be equal to $5,000,000 or a whole multiple of $100,000 in excess thereof or the Dollar Equivalent in an Alternate Currency, and (ii) there shall be no more than fifteen (15) Term Benchmark Tranches and RFR Borrowings outstanding at any one time. (f) Termination or Reduction of Revolving Commitments. Kimco shall have the right, upon not less than three (3) Business Daysâ€™ notice to the Administrative Agent (which shall promptly notify each Lender thereof), to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Tranche A Commitments and/or the Tranche B Commitments (as designated by Kimco); provided that no such termination or reduction shall be permitted if, after giving effect thereto and to any payments of the Revolving Credit Loans made on the effective date thereof, (i) the sum of the Tranche A Exposure of all the Lenders would exceed the Tranche A Commitments of all the Lenders, (ii) the sum of the Tranche B Exposure of all the Lenders would exceed the Tranche B Commitments of all the Lenders, (iii) the sum of the Revolving Exposure, plus the aggregate principal amount of the Competitive Loans then outstanding, would exceed the total Revolving Commitments then in effect or (iv) the Available Commitment of any Lender would be less than zero. Any such notice may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein, in which case such notice may be revoked by the applicable Borrower (by written notice to the Administrative Agent on or before the specified date of reduction or termination) if such condition is not satisfied. Any such reduction (other than, for the avoidance of doubt, pursuant to Section 10.10(a)) shall be in an amount equal to $50,000,000 or a whole multiple of $10,000,000 in excess thereof and shall reduce permanently the Revolving Commitments then in effect. Section 2.3 Prepayments. (a) Optional. Each Borrower may at any time and from time to time prepay the Revolving Credit Loans of such Borrower (subject, in the case of Term Benchmark Loans, RFR Loans and Short Term Loans to compliance with the terms of Section 2.2(e) and Section 2.13), in whole or in part, without premium or penalty, upon notice to the Administrative Agent, specifying the date and amount of prepayment and whether the prepayment is of Tranche A Loans, Tranche B Loans, Term Benchmark Loans, RFR Loans, ABR Loans, Short Term Loans, Canadian Prime Rate Loans or a combination thereof, and, if of a combination thereof, the amount allocable to each. Kimco may not prepay any Competitive Loan without the prior consent of the relevant Lender(s) thereof, except in connection with a prepayment pursuant to Section 10.10(a) hereof. Any such notice may state that it is conditioned upon the occurrence or non-occurrence of any event specified therein, in which case such notice may be revoked by the applicable Borrower (by written notice to the Administrative Agent on or before the specified date of prepayment) if such condition is not satisfied. Upon receipt of any notice of prepayment, the Administrative Agent shall promptly notify each Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with any amounts payable pursuant to Section 2.13. Subject to Section 2.2(e) and except in connection with a prepayment pursuant to Section 10.10(a), partial prepayments shall be in an aggregate principal amount of $5,000,000 (or, in the case of prepayments of any Alternate Currency Loans, the Dollar Equivalent of $5,000,000 at the time of such prepayment) or a whole multiple of $1,000,000 (or, in the case of prepayments of any Alternate Currency Loans, the Dollar Equivalent of $1,000,000 at the time of such prepayment) in excess thereof (or, if less, the aggregate outstanding principal amount of the Revolving Credit Loans). 54Â Â Â Â (b) Mandatory. If, on any Calculation Date, for any reason, the sum of the Lendersâ€™ aggregate Tranche B Exposure exceeds one hundred five percent (105%) of the Lendersâ€™ aggregate Tranche B Commitments, then the applicable Borrower shall promptly prepay the Tranche B Loans (or if no Tranche B Loans are outstanding, cash collateralize Tranche B Letters of Credit (in the manner provided in Article VIII), if any, which shall then be treated solely for purposes of this paragraph as no longer outstanding to the extent so cash collateralized) in an aggregate amount sufficient such that, after giving effect thereto, the sum of the Lendersâ€™ aggregate Tranche B Exposure does not exceed one hundred percent (100%) of the Lendersâ€™ aggregate Tranche B Commitments. Section 2.4 Conversion and Continuation Options. (a) The applicable Borrower may elect from time to time to convert Term Benchmark Loans denominated in Dollars to ABR Loans or RFR Loans (or, with respect to Loans denominated in Canadian Dollars, Canadian Prime Rate Loans), by giving the Administrative Agent at least two (2) Business Daysâ€™ prior irrevocable notice of such election; provided that any such conversion of Term Benchmark Loans may only be made on the last day of an Interest Period with respect thereto. The applicable Borrower may elect from time to time to convert ABR Loans, RFR Loans denominated in Dollars or Canadian Prime Rate Loans to Term Benchmark Loans by giving the Administrative Agent at least three (3) Business Daysâ€™ prior irrevocable notice of such election. The applicable Borrower may elect from time to time to convert ABR Loans to RFR Loans denominated in Dollars or to convert RFR Loans denominated in Dollars to ABR Loans, in each case by giving the Administrative Agent at least one (1) Business Daysâ€™ prior irrevocable notice of such election. Any such notice of conversion to Term Benchmark Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of the outstanding Term Benchmark Loans, ABR Loans, RFR Loans denominated in Dollars and Canadian Prime Rate Loans may be converted as provided herein; provided that (i) no Loan may be converted into a Term Benchmark Loan when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion that such a conversion is not appropriate, (ii) any such conversion may only be made if, after giving effect thereto, Section 2.2(e) would not be contravened, and (iii) no Revolving Credit Loan may be converted into a Term Benchmark Loan after the date that is one (1) month prior to the Termination Date. (b) Any Term Benchmark Loans may be continued as such upon the expiration of the then current Interest Period with respect thereto by the applicable Borrower giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term â€œInterest Periodâ€ set forth in Section 1.1, of the length of the next Interest Period to be applicable to such Loans, provided that no Term Benchmark Loan may be continued as such (i) when any Event of Default has occurred and is continuing and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion that such a continuation is not appropriate, (ii) if, after giving effect thereto, Section 2.2(e) would be contravened, or (iii) after the date that is one month prior to the Termination Date, and provided, further, that if such Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Loans shall be automatically converted to ABR Loans (or, in the case of Loans denominated in Canadian Dollars, Canadian Prime Rate Loans) on the last day of such then expiring Interest Period. Upon receipt of any notice pursuant to this Section 2.4(b), the Administrative Agent shall promptly notify each Lender thereof. (c) Notwithstanding anything herein to the contrary, Sections 2.4(a) and (b) shall not apply to Competitive Loans, which may not be converted or continued. 55Â Â Â Â Section 2.5 Fees. (a) Kimco agrees to pay to the Administrative Agent, for the account of each Lender, a facility fee at a per annum rate for the period from and including the first day of the Commitment Period to but excluding the Termination Date, computed at the Facility Fee Rate on the daily amount of the Revolving Commitment of such Lender, whether used or unused; provided that if such Lender continues to have any Revolving Exposure or outstanding Competitive Loans after its Revolving Commitment terminates, then such facility fee shall continue to accrue at the Facility Fee Rate on the average daily amount of such Lenderâ€™s Revolving Exposure and Competitive Loans from and including the date on which its Revolving Commitment terminates to but excluding the date on which such Lender ceases to have any Revolving Exposure or outstanding Competitive Loans. Accrued facility fees shall be payable in arrears on the last Business Day of each calendar quarter and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof; provided that any facility fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand. (b) Kimco shall pay to the Lead Lenders, for their respective own accounts (as applicable), and, to the extent mutually agreed upon by the Lead Lenders and the other Lenders, for the account of the Lenders, the fees in the amounts and on the dates previously agreed to in writing by Kimco pursuant to the Fee Letter. Section 2.6 Interest Rates and Payment Dates. (a) Each Loan (other than Competitive Loans) denominated in Dollars shall bear interest (i) if a Term Benchmark Loan, for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term SOFR Rate determined for such day plus the Applicable Margin, (ii) if an ABR Loan, at a rate per annum equal to the ABR plus the Applicable Margin and (iii) if a RFR Loan, at a rate per annum equal to the applicable Adjusted Daily Simple RFR Rate plus the Applicable Margin. (b) Each Loan denominated in an Alternate Currency other than Canadian Dollars shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the (i) in the case of Loans denominated in Euros, the Adjusted EURIBOR Rate determined for such day plus the Applicable Margin, (ii) in the case of Loans denominated in Yen, the Adjusted TIBOR Rate determined for such day plus the Applicable Margin, and (iii) in the case of Loans denominated in Sterling, the Adjusted Daily Simple RFR plus the Applicable Margin. (c) Each Loan denominated in Canadian Dollars shall bear interest (i) if a Term Benchmark Loan, for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term CORRA Rate determined for such day plus the Applicable Margin and (ii) if a Canadian Prime Rate Loan, at a rate per annum equal to the Canadian Prime Rate plus the Applicable Margin. (d) Each Short Term Loan shall bear interest at a rate per annum equal to the Short Term Rate applicable thereto plus the Applicable Margin. (e) Each Competitive Loan (other than a Fixed Rate Loan) shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term SOFR Rate determined for such day plus (or minus, as applicable) the Margin applicable thereto. Each Fixed Rate Loan shall bear interest at the Fixed Rate applicable thereto. 56Â Â Â Â (f) If all or a portion of (i) the principal amount of any Revolving Credit Loan, Short Term Loan or Competitive Loan, (ii) any interest payable thereon or (iii) any fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section 2.6 plus 2% or (y) in the case of any overdue interest, fee or other amount, the rate described in Section 2.6(a)(ii) plus 2%, in each case from the date of such non-payment to the date on which such amount is paid in full (as well after as before judgment). (g) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to Section 2.6(f) shall be payable from time to time on demand. Section 2.7 Computation of Interest and Fees. (a) Facility fees and interest (other than interest calculated on the basis of the Prime Rate, the Canadian Prime Rate, the Adjusted Term CORRA Rate, Daily Simple CORRA, the TIBOR Rate, or with respect to RFR Loans denominated in Sterling) shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest calculated on the basis of the Prime Rate, the Canadian Prime Rate, the Adjusted Term CORRA Rate, Daily Simple CORRA, the TIBOR Rate, or with respect to RFR Loans denominated in Sterling shall be calculated on the basis of a 365- (or 366-, as the case may be (other than with respect to the Adjusted Term CORRA Rate or Daily Simple CORRA)) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the applicable Borrowers and the Lenders of each determination of a Adjusted Term SOFR Rate, Adjusted Term CORRA Rate, TIBOR Rate, RFR Rate, EURIBOR Rate or Short Term Rate. Any change in the interest rate on a Revolving Credit Loan (or a Competitive Loan subject to Section 2.10) resulting from a change in the ABR shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the applicable Borrowers and the Lenders of the effective date and the amount of each such change in interest rate. (b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrowers, deliver to the Borrowers a statement showing the quotations used by the Administrative Agent in determining any interest rate with respect to any Term Benchmark Loan or RFR Loan. Section 2.8 Market Disruption and Alternate Rate of Interest. (a) If at the time that the Administrative Agent shall seek to determine the Relevant Screen Rate on the Quotation Day or other applicable date set forth in the Relevant Screen Rate for any Interest Period for a Borrowing of Term Benchmark Loans or RFR Loans the applicable Relevant Screen Rate shall not be available for such Interest Period and/or for the applicable currency with respect to such Borrowing of Term Benchmark Loans or RFR Loans for any reason (which conclusion shall be conclusive and binding absent manifest error), then (i) if such Borrowing shall be requested in Dollars, then such Borrowing shall be made as an ABR Loan at the ABR (without prejudicing the Borrowerâ€™s right to thereafter request a Short Term Loan), (ii) if such Borrowing shall be requested in Canadian Dollars, then such Borrowing shall be made as a Canadian Prime Rate Loan at the Canadian Prime Rate and (iii) if such Borrowing shall be requested in any Alternate Currency (other than Canadian Dollars), the interest rate for such Borrowing shall be equal to the Central Bank Rate (or in the case of Yen, the Japanese Prime Rate) for such Alternate Currency plus the CBR Spread (unless the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central 57Â Â Â Â Bank Rate for such Alternate Currency cannot be determined, in which case such request shall be ineffective). (b) Subject to clauses (c), (d), (e), (f) and (g) of this Section 2.8, if prior to the first day of any Interest Period for a Term Benchmark Borrowing or in connection with an existing or proposed RFR Loan: (i) the Administrative Agent determines (which determination shall be conclusive and binding upon the Borrowers) that adequate and reasonable means do not exist (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, for ascertaining the Adjusted Term SOFR Rate, Adjusted Term CORRA Rate, Adjusted EURIBOR Rate or Adjusted TIBOR Rate for a Loan in the applicable currency or for the applicable Interest Period or (B) for ascertaining the Adjusted Daily Simple RFR for a RFR Loan in the applicable currency (including in each case because the Relevant Screen Rate is not available or published on a current basis); or (ii) the Administrative Agent is advised by the Required Lenders (or, in the case of a Competitive Loan, the Lender that is required to make such Competitive Loan) (A) prior to the commencement of any Interest Period for a Term Benchmark Borrowing, that the Adjusted Term SOFR Rate, Adjusted Term CORRA Rate, Adjusted EURIBOR Rate or Adjusted TIBOR Rate for a Loan in the applicable currency or for the applicable Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) (as conclusively certified by such Lenders or Lender, as the case may be) of making or maintaining their affected Revolving Credit Loans (or its Competitive Loan) during such Interest Period or (B) that the Adjusted Daily Simple RFR for a Loan in the applicable currency will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected RFR Loans, then the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrowers and the Lenders as soon as practicable thereafter and, until the Administrative Agent notifies the Borrowers and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any interest election request pursuant to Section 2.4 that requests continuation of (or conversion to) any Term Benchmark Loan in the affected currencies or for such applicable Interest Period and/or conversion of any Loan to a RFR Loan shall be ineffective, (B) if Dollars are the applicable currency described in the foregoing clause (b)(i) and a Borrowing of a Term Benchmark Loan or RFR Loan is requested in Dollars, such Borrowing shall be made as (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.8(b)(i) or (ii) above or (y) ABR if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.8(b)(i) or (ii) above (without prejudicing the Borrowerâ€™s right to thereafter request a Short Term Loan), (C) if Canadian Dollars are the applicable currency described in the foregoing clause (b)(i) and a Term Benchmark Loan is requested in Canadian Dollars, such Borrowing shall be made as a Canadian Prime Rate Loan and (D) if any Alternate Currency (other than Canadian Dollars) is the applicable currency described in the foregoing clause (b)(i) and a Borrowing of a Term Benchmark Loan is requested in any such Alternate Currency, then such request shall be ineffective; provided, further that (A) if the circumstances giving rise to such notice do not affect all the Lenders, then requests by Kimco for Competitive Borrowings may be made to Lenders that are not affected thereby and (B) if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrowerâ€™s receipt of the notice from the Administrative Agent referred to in this Section 2.8(b) with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) if such Term Benchmark Loan is denominated in Dollars, (A) any Term 58Â Â Â Â Benchmark Loan shall on the last day of the Interest Period applicable to such Loan, be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not also the subject of Section 2.8(b)(i) or (ii) above or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings also is the subject of Section 2.8(b)(i) or (ii) above, on such day, and (B) any RFR Loan shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan, (ii) if such Term Benchmark Loan is denominated in any Agreed Currency other than Dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at (x) if denominated in Canadian Dollars, the Canadian Prime Rate or (y) if denominated in any other Alternate Currency, the Central Bank Rate (or in the case of Yen, the Japanese Prime Rate) for the applicable Agreed Currency plus the CBR Spread; provided that, if the Administrative

Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Yen, the Japanese Prime Rate) for the applicable Agreed Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Currency other than Dollars shall, at the Borrowerâ€™s election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Agreed Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time or (iii) if such RFR Loan is denominated in any Agreed Currency other than Dollars, then such Loan shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected RFR Loans denominated in any Agreed Currency other than Dollars, at the Borrowerâ€™s election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately or (B) be prepaid in full immediately. The Administrative Agent shall not make a determination described in Section 2.8(b)(i), and no Lender shall advise the Administrative Agent as described in Section 2.8(b)(ii) unless the Administrative Agent or such Lender, as applicable, is then generally making similar determinations or delivering similar advice, in each case, under other credit facilities to which it is a party with borrowers or account parties that are similarly situated to and of similar creditworthiness to the Borrowers. (c) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of â€œBenchmark Replacementâ€ with respect to Canadian Dollars for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of â€œBenchmark Replacementâ€ with respect to any Agreed Currency for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. 59Â Â Â Â (d) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, with respect to a Loan denominated in Canadian Dollars, if a Term CORRA Reelection Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (d) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term CORRA Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term CORRA Notice after the occurrence of a Term CORRA Reelection Event and may do so in its sole discretion. (e) The Administrative Agent will promptly notify the Borrowers and the Lenders of (i) any occurrence of a Benchmark Transition Event Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (f) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.8, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.8. (f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Rate, EURIBOR Rate, TIBOR Rate or Term CORRA) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of â€œInterest Periodâ€ for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of â€œInterest Periodâ€ for all Benchmark settings at or after such time to reinstate such previously removed tenor. (g) Upon Kimcoâ€™s receipt of notice of the commencement of a Benchmark Unavailability Period, (A) any interest election request pursuant to Section 2.4 that requests continuation of (or conversion to) any Term Benchmark Loan in the affected currencies or for such applicable Interest Period and/or conversion of any Loan to a RFR Loan shall be ineffective, (B) if Dollars are the affected currency and a Borrowing of a Term Benchmark Loan is requested in Dollars, such Borrowing shall be made as (1) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for 60Â Â Â Â Dollar Borrowings is not the subject of a Benchmark Transition Event or (2) an ABR Borrowing if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event (without prejudicing the Borrowerâ€™s right to thereafter request a Short Term Loan), (C) if Canadian Dollars are the affected currency and a Term Benchmark Loan is requested in Canadian Dollars, such Borrowing shall be made as a Canadian Prime Rate Loan, (D) if any Alternate Currency (other than Canadian Dollars) is the affected currency and a Borrowing of a Term Benchmark Loan or RFR Loan is requested in any such affected Alternate Currency, then such request shall be ineffective and (E) any request by Kimco for a Competitive Loan based on the Term Benchmark Rate shall be ineffective; provided, further that (A) if the circumstances giving rise to such notice do not affect all the Lenders, then requests by Kimco for Competitive Borrowings may be made to Lenders that are not affected thereby and (B) if the circumstances giving rise to such notice affect only one Type of Borrowings, then the other Type of Borrowings shall be permitted. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR. Furthermore, if any Term Benchmark Loan or RFR Loan in any Agreed Currency is outstanding on the date of the Borrowerâ€™s receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a Relevant Rate applicable to such Term Benchmark Loan or RFR Loan, then until such time as a Benchmark Replacement for such Agreed Currency is implemented pursuant to this Section 2.8, (i) if such Term Benchmark Loan is denominated in Dollars, then on the last day of the Interest Period applicable to such Loan, such Loan shall be converted by the Administrative Agent to, and shall constitute, (x) an RFR Borrowing denominated in Dollars so long as the Adjusted Daily Simple RFR for Dollar Borrowings is not the subject of a Benchmark Transition Event or (y) an ABR Loan if the Adjusted Daily Simple RFR for Dollar Borrowings is the subject of a Benchmark Transition Event, on such day, (ii) any RFR Loan denominated in Dollars shall on and from such day be converted by the Administrative Agent to, and shall constitute an ABR Loan, (iii) if such Term Benchmark Loan is denominated in any Agreed Currency other than Dollars, then such Loan shall, on the last day of the Interest Period applicable to such Loan bear interest at (x) if denominated in Canadian Dollars, the Canadian Prime Rate or (y) if denominated in any other Alternate Currency, the Central Bank Rate (or in the case of Yen, the Japanese Prime Rate) for the applicable Agreed Currency plus the CBR Spread; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate (or in the case of Yen, the Japanese Prime Rate) for the applicable Agreed Currency cannot be determined, any outstanding affected Term Benchmark Loans denominated in any Agreed Currency other than Dollars shall, at the Borrowerâ€™s election prior to such day: (A) be prepaid by the Borrower on such day or (B) solely for the purpose of calculating the interest rate applicable to such Term Benchmark Loan, such Term Benchmark Loan denominated in any Agreed Currency other than Dollars shall be deemed to be a Term Benchmark Loan denominated in Dollars and shall accrue interest at the same interest rate applicable to Term Benchmark Loans denominated in Dollars at such time or (iv) if such RFR Loan is denominated in any Agreed Currency other than Dollars, then such Loan shall bear interest at the Central Bank Rate for the applicable Agreed Currency plus the Applicable Margin; provided that, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the Central Bank Rate for the applicable Agreed Currency cannot be determined, any outstanding affected RFR Loans denominated in any Agreed Currency, at the Borrowerâ€™s election, shall either (A) be converted into ABR Loans denominated in Dollars (in an amount equal to the Dollar Equivalent of such Alternate Currency) immediately or (B) be prepaid in full immediately. (h) Notwithstanding the foregoing provisions of this Section 2.8 or anything in any Loan Document to the contrary, any Benchmark Replacement and Benchmark Replacement Adjustment agreed upon by the Administrative Agent and the Borrowers and any Benchmark Replacement Conforming Changes shall be on terms no less favorable to the Borrowers than corresponding terms in 61Â Â Â Â credit facilities to which JPMorgan Chase Bank, N.A. serves as administrative agent with borrowers similarly situated to and of similar creditworthiness to the Borrowers, in general, but not necessarily all such credit facilities with respect to which JPMorgan Chase Bank, N.A. serves as administrative agent; provided, further, that nothing in this clause (g) shall obligate the Administrative Agent to disclose any information regarding other borrowers or facilities. Section 2.9 Pro Rata Treatment and Payments. (a) Each borrowing by any Borrower of Revolving Credit Loans using the Tranche A Commitments or the Tranche B Commitments, as applicable, each payment by any Borrower on account of any fees hereunder and any reduction of the Tranche A Commitments or Tranche B Commitments (other than pursuant to Section 10.10(a)), as applicable, shall be made pro rata according to the respective Applicable Percentages of the Lenders. Each payment (including each prepayment) by any Borrower on account of principal of and interest on the Tranche A Loans or Tranche B Loans, as applicable, shall be made pro rata according to the respective outstanding principal amounts of such Borrowerâ€™s Tranche A Loans or Tranche B Loans, as applicable, then held by the Lenders in the currency in which such Revolving Credit Loan was made. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed Letter of Credit drawings, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed Letter of Credit drawings then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed Letter of Credit drawings then due to such parties. All payments (including prepayments) to be made by the Borrowers hereunder and under the Notes, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, New York City time, or, if the payment is due in an Alternate Currency, local time for the principal market of such currency, on the due date thereof to the Administrative Agent, for the account of the applicable Lenders, at (x) in the case of payments due in Dollars the Administrative Agentâ€™s office specified in Section 10.2 in immediately available funds and (y) in the case of payments due in an Alternate Currency, to such office as the Administrative Agent may hereafter specify by notice to the Borrowers. It is understood that, if any payment of principal is made on any day in accordance with the preceding sentence, no interest shall accrue on such day in respect of such principal. The Administrative Agent shall distribute such payments to the applicable Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on Term Benchmark Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Term Benchmark Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day (and, with respect to any such payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. (b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest 62Â Â Â Â thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.9(b) shall be conclusive in the absence of manifest error. If such Lenderâ€™s share of such borrowing is not made available to the Administrative Agent by such Lender within three (3) Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to the rate per annum applicable to such Borrowing, on demand, from the applicable Borrower. Section 2.10 Illegality. Notwithstanding any other provision herein, if the adoption of or any Change in Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Term Benchmark Loans or RFR Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Term Benchmark Loans or RFR Loans, to continue Term Benchmark Loans or RFR Loans as such, or to convert ABR Loans to Term Benchmark Loans or RFR Loans shall forthwith be cancelled, (b) such Lenderâ€™s Revolving Credit Loans then outstanding as Term Benchmark Loans or RFR Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law and (c) such Lenderâ€™s Competitive Loans then outstanding as Term Benchmark Loans, if any, shall, if required by law, be converted automatically to ABR Loans. If any such conversion of a Term Benchmark Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the applicable Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.13. Section 2.11 Requirements of Law. (a) If any Change in Law: (i) shall impose, modify or hold applicable any reserve (except to the extent that such reserve is specifically subject to Section 2.11(c)), special deposit, liquidity, compulsory loan, insurance charge, or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any relevant office of such Lender or Issuing Lender which is not otherwise included in the determination of the Adjusted Term CORRA Rate, the Adjusted EURIBOR Rate, the Adjusted TIBOR Rate, the Short Term Rate or the Fixed Rate; (ii) shall impose on such Lender or Issuing Lender any other condition, cost or expense affecting this Agreement (other than Taxes); or (iii) subject any Recipient to any Taxes on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto (other than (x) Indemnified Taxes and (y) Excluded Taxes); and the result of any of the foregoing is to increase the cost to such Lender, the Issuing Lender or such other Recipient, by an amount which such Lender, the Issuing Lender or such other Recipient, as the case may be, deems to be material, of making, converting into, continuing or maintaining Term Benchmark Loans, RFR Loans, Short Term Loans or Fixed Rate Loans or issuing or participating in Letters of Credit or to reduce any amount receivable hereunder in respect thereof, then, in any such case, (x) each Borrower shall promptly pay such Lender, the Issuing Lender or such other Recipient, upon its demand, 63Â Â Â Â any additional amounts necessary to compensate such Lender, the Issuing Lender or such other Recipient, as the case may be, for such increased cost or reduced amount receivable solely with respect to such Borrowerâ€™s Loans and Letters of Credit and (y) the Borrowers agree, jointly and severally, to pay such Lender, the Issuing Lender or such other Recipient, upon its demand, any additional amounts necessary to compensate such Lender, the Issuing Lender or such other Recipient, as the case may be, for such increased cost or reduced amount receivable with respect to this Agreement or the Revolving Commitments generally and not solely with respect to any particular Borrowerâ€™s Loans and Letters of Credit. If any Lender, the Issuing Lender or any other Recipient becomes entitled to claim any additional amounts pursuant to this Section 2.11(a), it shall promptly notify the Borrowers, through the Administrative Agent, of the event by reason of which it has become so entitled, provided that such amounts shall be no greater than amounts that such Lender, the Issuing Lender or such other Recipient is generally charging other

borrowers or account parties similarly situated to and of similar creditworthiness to the Borrowers. (b) If any Lender or the Issuing Lender shall have determined that the application of any Requirement of Law or any Change in Law regarding capital adequacy or liquidity or compliance by such Lender or the Issuing Lender or any corporation controlling such Lender or the Issuing Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority does or shall have the effect of reducing the rate of return on such Lenderâ€™s or the Issuing Lenderâ€™s or such corporationâ€™s capital or liquidity as a consequence of its obligations hereunder or under any Letter of Credit to a level below that which such Lender or the Issuing Lender or such corporation could have achieved but for such application or compliance (taking into consideration such Lenderâ€™s or the Issuing Lenderâ€™s or such corporationâ€™s policies with respect to capital adequacy and liquidity and such Lenderâ€™s or the Issuing Lenderâ€™s treatment of its Revolving Commitments and Letters of Credit for internal purposes as of the date on which it became a party hereto) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender or the Issuing Lender to the Borrowers (with a copy to the Administrative Agent) of a written request therefor (setting forth in reasonable detail the basis for such request), (i) each Borrower shall pay to such Lender or the Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Lender or such corporation, as the case may be, for such reduction solely with respect to such Borrowerâ€™s Loans and Letters of Credit and (ii) the Borrowers shall, jointly and severally, pay to such Lender or the Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or the Issuing Lender or such corporation, as the case may be, for such reduction with respect to this Agreement or the Revolving Commitments generally and not solely with respect to any particular Borrowerâ€™s Loans and Letters of Credit; provided that such amounts shall be no greater than amounts that such Lender or the Issuing Lender is generally charging other borrowers or account parties similarly situated to and of similar creditworthiness to the Borrowers. (c) [Reserved.] (d) A certificate as to any additional amounts payable pursuant to this Section 2.11 submitted by any Lender, through the Administrative Agent, to the Borrowers shall be conclusive in the absence of manifest error. The agreements in this Section 2.11 shall survive the termination of this Agreement, the expiration, cancellation, or other termination of the Letters of Credit, and the payment of the Revolving Credit Loans, the Competitive Loans and all other amounts payable hereunder (the date on which all of the foregoing shall have occurred, the â€œFinal Dateâ€), until the first anniversary of the Final Date. Notwithstanding anything contained in this Section 2.11, no Borrower shall be obligated to pay any greater amounts than such Lender(s) or Issuing Lender(s) is (are) generally charging other borrowers or account parties similarly situated to and of similar creditworthiness to the Borrowers. 64Â Â Â Â (e) For the avoidance of doubt, this Section 2.11 (i) shall not entitle any Recipient to compensation in respect of any Excluded Taxes, (ii) shall not apply to (A) Indemnified Taxes imposed on payments by or on account of any obligations of the Borrowers hereunder or under any Loan Document or (B) Other Taxes, it being understood that such Indemnified Taxes and Other Taxes shall be governed exclusively by Section 2.12, and (iii) shall not relieve any Lender or Issuing Lender of any obligation pursuant to Section 2.12. Section 2.12 Taxes. (a) All payments made by any Loan Party under this Agreement and the Notes shall be made without withholding for any Taxes, unless such withholding is required by any law. If any Withholding Agent determines in its sole discretion exercised in good faith, that it is so required to withhold Taxes, then such Withholding Agent may so withhold and shall timely pay the full amount of withheld Taxes to the relevant Governmental Authority in accordance with applicable law. If such Taxes are Indemnified Taxes, then the amount payable by any Loan Party shall be increased as necessary so that, net of such withholding (including such withholding applicable to additional amounts payable under this Section), the applicable Recipient receives the amount it would have received had no such withholding been made. Each Loan Party shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law. As soon as practicable after any payment of Indemnified Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent. (b) Indemnification by each Loan Party. Without duplication of any payments made pursuant to Section 2.12(a), each Loan Party shall jointly and severally indemnify each Recipient for any Indemnified Taxes that are directly paid or payable by such Recipient or required to be withheld or deducted from a payment to such Recipient in connection with this Agreement and the other Loan Documents (including amounts paid or payable under this Section 2.12(b)) and any reasonable expenses arising therefrom or with respect thereto. The indemnity under this Section 2.12(b) shall be paid within 10 days after the Recipient delivers to the applicable Loan Party a certificate stating the amount of any Indemnified Taxes so paid or payable by such Recipient and describing the basis for the indemnification claim. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent. (c) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent for any Taxes (but, in the case of any Indemnified Taxes, only to the extent that the applicable Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of such Loan Party to do so) attributable to such Lender that are paid or payable by the Administrative Agent in connection with this Agreement and the other Loan Documents and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The indemnity under this Section 2.12(c) shall be paid within 10 days after the Administrative Agent delivers to the applicable Lender a certificate stating the amount of Taxes so paid or payable by the Administrative Agent. Such certificate shall be conclusive of the amount so paid or payable absent manifest error. (d) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under this Agreement and the other Loan 65Â Â Â Â Documents shall deliver to the Borrowers and the Administrative Agent, at the time or times reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to any withholding (including backup withholding) or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.12(d)(ii)(A) through (E) below) shall not be required if in the Lenderâ€™s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Upon the reasonable request of the Borrowers or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.12(d). If any form or certification previously delivered pursuant to this Section expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrowers and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. (ii) Without limiting the generality of the foregoing, if the applicable Borrower or Loan Party (or, if such Borrower or Loan Party is disregarded as an entity separate from its owner for U.S. federal income tax purposes, its sole owner) is a U.S. Person, any Lender (or if such Lender is disregarded as an entity separate from its owner for U.S. Federal income tax purposes, its sole owner) with respect to such Borrower shall, if it is legally eligible to do so, deliver to such Borrower and the Administrative Agent (in such number of copies reasonably requested by such Borrower and the Administrative Agent) on or prior to the date on which such Lender becomes a party hereto, duly completed and executed copies of whichever of the following is applicable: (A) IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax; (B) (1) with respect to payments of interest under this Agreement and the other Loan Documents, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the â€œinterestâ€ article of such tax treaty and (2) with respect to any other applicable payments under this Agreement and the other Loan Documents, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding Tax pursuant to the â€œbusiness profitsâ€ or â€œother incomeâ€ article of such tax treaty; (C) IRS Form W-8ECI; (D) (1) IRS Form W-8BEN or IRS Form W-8BEN-E and (2) a certificate substantially in the form of Exhibit H (a â€œU.S. Tax Certificateâ€) to the effect that such Lender is not (a) a â€œbankâ€ within the meaning of Section 881(c)(3)(A) of the Code, (b) a â€œ10 percent shareholderâ€ of the applicable Borrower within the meaning of Section 881(c)(3)(B) of the Code, (c) a â€œcontrolled foreign corporationâ€ described in Section 881(c)(3)(C) of the Code and (d) conducting a trade or business in the United States with which the relevant interest payments are effectively connected; 66Â Â Â Â (E) (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), (D) and (F) of this subsection (d)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership and one or more of its partners are claiming the exemption for portfolio interest under Section 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or (F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. Federal withholding Tax together with such supplementary documentation necessary to enable such Borrower or Loan Party or the Administrative Agent to determine the amount of Tax (if any) required by law to be withheld. (iii) If a payment made to a Lender under this Agreement and the other Loan Documents would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lenderâ€™s obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 2.12(d)(iii), â€œFATCAâ€ shall include any amendments made to FATCA after the date of this Agreement. (e) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 2.12 (including by the payment of additional amounts pursuant to this Section 2.12), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.12 with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.12(e) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.12(e), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.12(e) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person. (f) Survival. Each partyâ€™s obligation under this Section 2.12 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement, the expiration, cancellation, or other termination of the Letters of Credit, and the payment of the Revolving Credit Loans, the Competitive Loans and all other amounts payable hereunder. 67Â Â Â Â (g) Defined Terms. For purposes of this Section 2.12, the term â€œLenderâ€ includes any Issuing Lender. Section 2.13 Indemnity. Each Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense (including post-judgment expenses) which such Lender may sustain or incur as a consequence of (a) default by such Borrower in making a borrowing of Term Benchmark Loans, RFR Loans, Short Term Loans or Fixed Rate Loans or in the conversion into or continuation of Term Benchmark Loans after such Borrower has given a notice requesting or accepting the same in accordance with the provisions of this Agreement, (b) default by such Borrower in making any prepayment after such Borrower has given a notice thereof in accordance with the provisions of this Agreement, or (c) the making of a prepayment or conversion of Term Benchmark Loans, RFR Loans, Short Term Loans or Fixed Rate Loans on a day which is not the last day of an Interest Period (or the Interest Payment Date, in the case of RFR Loans) or the Short Term Loan Maturity Date, as the case may be, with respect thereto. Such indemnification may, at the option of any Lender, include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of the relevant Interest Period or the relevant Short Term Loan Maturity Date, as the case may be (or proposed Interest Period or proposed Short Term Loan Maturity Date, as the case may be), in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin or Margin) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank market or other relevant market. This covenant shall survive the termination of this Agreement, the expiration, cancellation, or other termination of the Letters of Credit, and the payment of the Revolving Credit Loans, the Competitive Loans and all other amounts payable hereunder, until the first anniversary of the Final Date. Section 2.14 Change of Lending Office. Each Lender and each Transferee agrees that, upon the occurrence of any event giving rise to the operation of Section 2.10, 2.11 or 2.12 with respect to such Lender or Transferee, it will, if requested by any Borrower, use reasonable efforts (subject to overall policy considerations of such Lender or Transferee) to designate another lending office for any Revolving Credit Loans or Competitive Loans affected by such event with the object of avoiding the consequences of such event; provided that such designation is made on terms that, in the sole judgment of such Lender or Transferee, cause such Lender or Transferee and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section 2.14 shall affect or postpone any of the obligations of any Borrower or the rights of any Lender or Transferee pursuant to Sections 2.10, 2.11 and 2.12. Section 2.15 Replacement of Lenders under Certain Circumstances. Kimco shall be permitted to replace any Lender which (a) requests reimbursement for amounts owing pursuant to Section 2.11 (other than Section 2.11(c)) or 2.12, (b) is affected in the manner described in Section 2.10 and as a result thereof any of the actions described in Section 2.10 is required to be taken, (c) becomes a Defaulting Lender, (d) does not consent to any amendment, waiver, supplement or modification to any Loan Document for which the consent of the Required Lenders has been obtained but that requires the consent of additional Lenders pursuant to any Loan Document, or (e) is a Protesting Lender, with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at 68Â Â Â Â the time of such replacement, (iii) the Borrowers shall repay (or the replacement bank or institution shall purchase, at par) all Revolving Credit Loans and other amounts (other than Competitive Loans) owing to such replaced Lender prior to the date of replacement, (iv) the applicable Borrowers shall be liable to such replaced Lender under Section 2.13 if any Term Benchmark Loan, Short Term Loan or Fixed Rate Loan owing to such replaced Lender shall be prepaid (or purchased) other than on the last day of the Interest Period or the Short Term Loan Maturity Date, as the case may be, relating thereto, (v) the replacement bank or institution, if not already a Lender, and the terms and conditions of such replacement, shall be satisfactory to the Administrative Agent and the Issuing Lender, (vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that Kimco shall be obligated to pay the registration and processing fee referred to therein), (vii) the replaced Lender shall (except as provided in the following clause (ix)) be released from its obligations under this Agreement, (viii) until such time as such replacement shall be consummated, the applicable Borrowers shall pay all additional amounts (if any) required pursuant to Section 2.11 or 2.12, as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights which any Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender if it defaulted in its obligation to make Revolving Credit Loans hereunder. Section 2.16 Additional Reserve Costs. (a) If and so long as any Lender is required to comply with reserve assets, liquidity, cash margin or other requirements of any monetary or other authority (including any such requirement imposed by the European Central Bank or the European System of Central Banks, in respect of any of such Lenderâ€™s Alternate Currency Loans, such Lender may require the applicable Borrower to pay, contemporaneously with each payment of interest on each of such Lenderâ€™s Alternate Currency Loans (to the extent such Loans were made to such Borrower) subject to such requirements, additional interest on such Alternate Currency Loan at a rate per annum specified by such Lender to be the cost to such Lender of complying with such requirements in relation to such Alternate Currency Loan. (b) Any additional interest owed pursuant to paragraph (a) above shall be determined by the relevant Lender, which determination shall be conclusive absent manifest error, and notified (which notice shall show the basis for the calculation of such additional interest) to the applicable Borrower (with a copy to the Administrative Agent) at least five Business Days before each date on which interest is payable for the

relevant Alternate Currency Loan, and such additional interest so notified by such Lender shall be payable to the Administrative Agent for the account of such Lender on each date on which interest is payable for such Alternate Currency Loan. Notwithstanding anything contained in this Section 2.16, no Borrower shall be obligated to pay any greater amounts than such Lender(s) is (are) generally charging other borrowers similarly situated to and of similar creditworthiness to the Borrowers. Section 2.17 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender: (a) fees shall cease to accrue on the Revolving Commitment of such Defaulting Lender pursuant to Section 2.5(a); (b) the Revolving Commitment and Revolving Exposure of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 69Â Â Â Â 10.1); provided, that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby; (c) if any L/C Exposure exists at the time such Lender becomes a Defaulting Lender then: (i) all or any part of the L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent (x) the conditions set forth in Section 5.2 are satisfied at the time of such reallocation (and, unless the Borrowers shall have otherwise notified the Administrative Agent at such time, the Borrowers shall be deemed to have represented and warranted that such conditions are satisfied at such time), (y) the sum of all non-Defaulting Lendersâ€™ Revolving Exposures plus such Defaulting Lenderâ€™s L/C Exposure does not exceed the total of all non-Defaulting Lendersâ€™ Revolving Commitments, and (z) any non-Defaulting Lenderâ€™s Revolving Exposure does not exceed such nonâ‘Defaulting Lenderâ€™s Revolving Commitment; (ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, such Defaulting Lenderâ€™s L/C Exposure shall be cash collateralized for the benefit of the Issuing Lender (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with clause (e) of this Section 2.17 for so long as such L/C Exposure is outstanding; (iii) to the extent any portion of such Defaulting Lenderâ€™s L/C Exposure is cash collateralized pursuant to clause (e) or (c)(v) of this Section 2.17, the Borrowers shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3 with respect to such Defaulting Lenderâ€™s L/C Exposure during the period such Defaulting Lenderâ€™s L/C Exposure is cash collateralized; (iv) to the extent the L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Section 2.5 and Section 3.3 shall be adjusted in accordance with such non-Defaulting Lendersâ€™ Applicable Percentages as reallocated; (v) if all or any portion of such Defaulting Lenderâ€™s L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then the applicable Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of the Issuing Lender only such Borrowerâ€™s obligations corresponding to such Defaulting Lenderâ€™s L/C Exposure incapable of being reallocated pursuant to clause (i) or (ii) above; and (vi) if all or any portion of such Defaulting Lenderâ€™s L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i), (ii) or (v) above, then, without prejudice to any rights or remedies of the Issuing Lender or any other Lender hereunder, all facility fees that otherwise would have been payable to such Defaulting Lender pursuant to Section 2.5(a) (solely with respect to the portion of such Defaulting Lenderâ€™s Commitment that was utilized by such L/C Exposure) and Letter of Credit Fees payable under Section 3.3 with respect to such Defaulting Lenderâ€™s L/C Exposure shall be payable to the Issuing Lender until and to the extent that such L/C Exposure is reallocated and/or cash collateralized; (d) so long as such Lender is a Defaulting Lender, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lenderâ€™s then outstanding L/C Exposure will be 100% covered by the Revolving 70Â Â Â Â Commitments of the non-Defaulting Lenders and/or cash collateral will be provided by the Borrowers in accordance with Section 2.17(c), and participating interests in any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.17(c)(i) or cash collateralized in a manner consistent with Section 2.17(c)(ii) or (v) (and such Defaulting Lender shall not participate therein); and (e) any amount payable by the Borrowers to a Defaulting Lender under this Agreement (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender when paid by the Borrowers, and in satisfaction of any such payment obligation, be retained by the Administrative Agent in a segregated account and, subject to any requirements of applicable law, be applied at such time or times as may be determined by the Administrative Agent in its discretion (i) first, to the funding of any Loan or the funding or cash collateralization of any participating interest in any Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (ii) second, if so determined by the Administrative Agent and Kimco, held in such account as cash collateral for future funding obligations of the Defaulting Lender under this Agreement, (iii) third, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (iv) fourth, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any Issuing Lender hereunder, (v) fifth, to the payment of any amounts owing to the Lenders or the Issuing Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Lenders against such Defaulting Lender as a result of such Defaulting Lenderâ€™s breach of its obligations under this Agreement or under any other Loan Document, (vi) sixth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement or under any other Loan Document, and (vii) seventh, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that, if such payment is a prepayment of the principal amount of any Loans or reimbursement obligations in respect of the Letters of Credit which a Defaulting Lender has not funded, such payment shall be applied solely to prepay the Loans of, and reimbursement obligations owed to, all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or reimbursement obligations owed to, any Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.17 shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto. In the event that the Administrative Agent, the Borrowers and the Issuing Lender each agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender (provided that the consent of the Borrowers shall not be required if an Event of Default has occurred and is continuing at such time), then the Revolving Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lenderâ€™s Commitment and on such date such Lender shall purchase at par such of the Loans of the other Lenders (other than Competitive Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Applicable Percentage. Section 2.18 Reallocation of Tranche A Commitments and Tranche B Commitments. (a) Kimco may, from time to time during the Commitment Period, by written notice to the Administrative Agent (a â€œReallocation Noticeâ€), increase the aggregate Tranche B Commitments with a corresponding reduction in the aggregate Tranche A Commitments (and without any change in the aggregate Revolving Commitments), and each Tranche B Lender hereby agrees that its Tranche B 71Â Â Â Â Commitment will be automatically increased and its Tranche A Commitment will be automatically decreased in an amount equal to its Applicable Percentage of the amount specified in such Reallocation Notice, subject to satisfaction of the following conditions: (i) in such Reallocation Notice, Kimco shall specify the amount of the increase in the aggregate Tranche B Commitments (and the corresponding decrease in the aggregate Tranche A Commitments), which shall be in a minimum amount of $25,000,000 and integral multiples of $5,000,000 in excess thereof and shall not exceed $250,000,000 in the aggregate for all such requested reallocations during the Commitment Period (resulting in aggregate Tranche B Commitments not to exceed $500,000,000); (ii) Kimco may make a maximum of three (3) reallocation requests during the term of this Agreement; (iii) no reallocation shall be permitted if, after giving effect thereto and to any concurrent prepayments hereunder, the aggregate Tranche A Exposure would exceed the aggregate Tranche A Commitments or the aggregate Tranche B Exposure would exceed the aggregate Tranche B Commitments; (iv) no Default exists as of the applicable Reallocation Effective Date; and (v) the Borrowers shall prepay any Revolving Credit Loans outstanding on the Reallocation Effective Date (as defined below) (and pay any additional amounts required by Section 2.13) to the extent necessary to keep the outstanding Tranche A Loans and Tranche B Loans ratable with the revised Tranche A Commitments and Tranche B Commitments. (b) Kimco (in consultation with the Administrative Agent) shall determine the effective date (the â€œReallocation Effective Dateâ€) of any reallocation requested in accordance with Section 2.18(a), and the Administrative Agent shall notify Kimco and the Lenders of the Reallocation Effective Date of such reallocation and shall provide Kimco and the Lenders with a revised Schedule 1.1A that sets forth the Tranche A Commitment and Tranche B Commitment of each Lender resulting from such reallocation. Section 2.19 Sustainability Adjustments. (a) Following the date on which Kimco provides a Pricing Certificate in respect of the most recently ended calendar year, (i) the Applicable Margin shall be increased or decreased (or neither increased nor decreased), as applicable, pursuant to the Sustainability Rate Adjustment as set forth in such Pricing Certificate, (ii) the Facility Fee Rate shall be increased or decreased (or neither increased nor decreased), as applicable, pursuant to the Sustainability Facility Fee Adjustment as set forth in such Pricing Certificate and (iii) the L/C Fee Rate shall be increased or decreased (or neither increased nor decreased), as applicable, pursuant to the Sustainability L/C Fee Adjustment as set forth in such Pricing Certificate. For purposes of the foregoing, (A) the Sustainability Rate Adjustment, Sustainability Facility Fee Adjustment and the Sustainability L/C Fee Adjustment shall be applied as of the fifth Business Day following receipt by the Administrative Agent of a Pricing Certificate delivered pursuant to Section 2.19(f) based upon the KPI set forth in such Pricing Certificate and the calculations of the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment and the Sustainability L/C Fee Adjustment therein (such day, the â€œSustainability Pricing Adjustment Dateâ€) and (B) each change in the Applicable Margin, the Facility Fee Rate and L/C Fee Rate resulting from a Pricing Certificate shall be effective during the period commencing on and including the applicable Sustainability Pricing Adjustment Date 72Â Â Â Â and ending on the date immediately preceding the next such Sustainability Pricing Adjustment Date (or, in the case of non-delivery of a Pricing Certificate, the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 2.19(f)). (b) For the avoidance of doubt, only one Pricing Certificate may be delivered in respect of any calendar year. It is further understood and agreed that the Applicable Margin and L/C Fee Rate will never be reduced or increased by more than 0.04% and that the Facility Fee Rate will never be reduced or increased by more than 0.01%, pursuant to the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment and the Sustainability L/C Fee Adjustment, respectively, during any calendar year. For the avoidance of doubt, any adjustment to the Applicable Margin, L/C Fee Rate or Facility Fee Rate by reason of meeting the KPI in any year shall not be cumulative year-over-year. Each applicable adjustment shall only apply until the date on which the next adjustment is due to take place. (c) It is hereby understood and agreed that if no such Pricing Certificate is delivered by Kimco (or if any Pricing Certificate shall be incomplete and fail to satisfy the requirements set forth in the definition of â€œPricing Certificateâ€) with regard to (i) the 2022 calendar year, the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment and the Sustainability L/C Fee Adjustment shall each be 0.00% commencing on the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 2.19(f) and continuing until Kimco delivers a Pricing Certificate to the Administrative Agent for the applicable calendar year and (ii) a particular calendar year commencing with the 2023 calendar year, the Sustainability Rate Adjustment will be positive 0.04%, the Sustainability Facility Fee Adjustment will be positive 0.01%, and the Sustainability L/C Fee Adjustment will be positive 0.04% commencing on the last day such Pricing Certificate could have been delivered pursuant to the terms of Section 2.19(f) and continuing until Kimco delivers a Pricing Certificate to the Administrative Agent for the applicable calendar year. (d) If (i)(A) any Lender becomes aware of any material inaccuracy in the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment, Sustainability L/C Fee Adjustment or the KPI as reported in a Pricing Certificate (any such material inaccuracy, a â€œPricing Certificate Inaccuracyâ€) and such Lender delivers, not later than 10 Business Days after obtaining knowledge thereof, a written notice to the Administrative Agent and Kimco describing such Pricing Certificate Inaccuracy in reasonable detail, or (B) Kimco becomes aware of a Pricing Certificate Inaccuracy and Kimco and the Administrative Agent shall mutually agree that there was a Pricing Certificate Inaccuracy at the time of delivery of a Pricing Certificate, and (ii) a proper calculation of the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment, Sustainability L/C Fee Adjustment or the KPI would have resulted in an increase in the Applicable Margin, L/C Fee Rate or Facility Fee Rate for any period, Kimco shall be obligated to pay to the Administrative Agent for the account of the applicable Lenders promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to any Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), automatically and without further action by the Administrative Agent or any Lender), but in any event within 10 Business Days after Kimco has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy, an amount equal to the excess of (1) the amount of interest and fees that should have been paid for such period over (2) the amount of interest and fees actually paid for such period. Notwithstanding the foregoing or anything to the contrary herein, any information in a Pricing Certificate shall be deemed to be not materially inaccurate (and no Pricing Certificate Inaccuracy shall be deemed to have occurred in respect thereof), and any calculation of the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment, the Sustainability L/C Fee Adjustment or the KPI Metrics shall be deemed proper, and in each case shall not implicate this Section 2.19(d), if such information or calculation was made by Kimco 73Â Â Â Â in good faith based on information reasonably available to Kimco at the time that such calculation was made. It is understood and agreed that any Pricing Certificate Inaccuracy shall not constitute a Default or Event of Default; provided, that, Kimco complies with the terms of this Section 2.19 and Section 6.7(f) with respect to such Pricing Certificate Inaccuracy. Notwithstanding anything to the contrary herein, unless such amounts shall be due upon the occurrence of an actual or deemed entry of an order for relief with respect to a Borrower under the Bankruptcy Code (or any comparable event under non-U.S. Debtor Relief Laws), (a) any additional amounts required to be paid pursuant to the immediately preceding paragraph shall not be due and payable until the earlier to occur of (i) written demand for such payment by the Administrative Agent in accordance with such paragraph or (ii) 10 Business Days after Kimco has received written notice of (in the case of clause (d)(i)(A) above), or has agreed in writing that there was (in the case of clause (d)(i)(B) above), a Pricing Certificate Inaccuracy (such date, the â€œCertificate Inaccuracy Payment Dateâ€), (b) any nonpayment of such additional amounts prior to the Certificate Inaccuracy Payment Date shall not constitute a Default (whether retroactively or otherwise) and (c) none of such additional amounts shall be deemed overdue prior to the Certificate Inaccuracy Payment Date or shall accrue interest at the Default Rate prior to the Certificate Inaccuracy Payment Date. (e) Each party hereto hereby agrees that none of the Sustainability Structuring Agent, the Administrative Agent, any Joint Lead Arranger or any Lender shall have any responsibility for (or liability in respect of) reviewing, auditing or otherwise evaluating any calculation by Kimco of any Sustainability Rate Adjustment, Sustainability L/C Fee Adjustment or Sustainability Facility Fee Adjustment (or any of the data or computations that are part of or related to any such calculation) set forth in any Pricing Certificate (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry). (f) As soon as available and in any event within 240 days following the end of each calendar year (commencing with the calendar year ending December 31, 2022), Kimco shall deliver to the Administrative Agent and the Lenders a Pricing Certificate for the most recently ended calendar year; provided, that, for any calendar year Kimco may elect not to deliver a Pricing Certificate, and such election shall not constitute a Default or Event of Default (but such failure to so deliver a Pricing Certificate by the end of such 240-day period shall result in the Sustainability Rate Adjustment, the Sustainability Facility Fee Adjustment and the Sustainability L/C Fee Adjustment being applied as set forth in clause (c) above. Article IIILETTERS OF CREDIT Section 3.1 L/C Commitment. (a) Subject to the terms and conditions hereof, each Issuing Lender, in reliance on the agreements of the Lenders set forth in Section 3.4(a), agrees to issue Letters of Credit for the account of any Borrower on any Business Day during the Commitment Period other than the last ten (10) Business Days thereof in such form as may be acceptable from time to time to such Issuing Lender; provided that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the sum of the L/C Exposure of all the Lenders would exceed the L/C Commitment, (ii) the sum of the Tranche A Exposure of all the Lenders would exceed the sum of the Tranche A Commitments of all the Lenders, (iii) the sum of the Tranche B Exposure of all the Lenders would exceed the sum of the Tranche B Commitments of all the Lenders, (iv) the Available Commitment of any Lender would be less than 74Â Â Â Â zero, (v) the sum of the Revolving Exposure of all the Lenders plus the aggregate principal amount of all outstanding Competitive Loans would exceed the aggregate Revolving Commitments or (vi) unless such Issuing Lender otherwise agrees, the L/C Obligations with respect to all Letters of Credit issued by such Issuing Lender would exceed its Issuing Lender Commitment. No Issuing Lender shall have any obligation to issue, amend or extend any Letter of Credit (A) the beneficiary of which is a Sanctioned Person, (B) to fund any prohibited activity or business with any Sanctioned Person, or in any country or territory, that at the time of such issuance is the subject of any Sanctions or (C) in any manner that would result in a violation of any Sanctions by any party to this Agreement. (b) Each Letter of Credit (i) shall be denominated (x) in the case of Tranche A Letters of Credit, only in Dollars, or (y) in the case of Tranche B Letters of Credit, in Dollars or in an Alternate Currency, (ii) shall be available by sight payment (rather than by acceptance, by deferred payment or by negotiation), (iii) shall be a standby letter of credit issued to support obligations of Kimco and its Subsidiaries, contingent or otherwise, incurred in the ordinary course of business and (iv) shall expire no later than ten (10) Business Days prior to the

Termination Date (such expiration date, the â€œLetter of Credit Expiration Dateâ€); provided, that a Letter of Credit may expire after the Letter of Credit Expiration Date if (x) such Letter of Credit shall be cash collateralized (or backstopped by another letter of credit in a manner reasonably acceptable to the Issuing Lender and from a financial institution reasonably acceptable to the Issuing Lender) on or before the date that is ten (10) Business Days prior to the Termination Date in an amount equal to 103% of the face amount of such Letter of Credit and on customary terms reasonably satisfactory to the Administrative Agent and (y) such Letter of Credit shall expire no later than one year after the date of issuance of such Letter of Credit (or in the case of any renewal or extension thereof, one year after such renewal or extension). (c) Each Letter of Credit shall be subject to the Uniform Customs or the ISP and, to the extent not inconsistent therewith, the laws of the State of New York or any other jurisdiction requested by the applicable Borrower and acceptable to the Administrative Agent and the Issuing Lender in their sole discretion. (d) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit hereunder if (i) such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable Requirement of Law or (ii) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit or request that such Issuing Lender refrain from issuing such Letter of Credit, or any law applicable to such Issuing Lender shall prohibit the issuance of letters of credit generally or such Letter of Credit in particular, or any such order, judgment, decree or law shall impose upon such Issuing Lender with respect to such Letter of Credit any restriction, reserve or capital or liquidity requirement (for which such Issuing Lender is not otherwise compensated hereunder) not in effect on the Effective Date and that is material to such Issuing Lender, or shall impose upon such Issuing Lender any unreimbursed loss, cost or expense that was not applicable on the Effective Date and that is material to such Issuing Lender. Section 3.2 Procedure for Issuance of Letters of Credit. Each Borrower may from time to time request that the Issuing Lender issue (or amend, renew or extend) a Letter of Credit by delivering to the Issuing Lender, with a copy to the Administrative Agent, in each case, at the applicable address for notices specified herein (i) an Application therefor, specifying whether such Letter of Credit is to be a Tranche A Letter of Credit (in which case such Letter of Credit when issued shall be deemed to use the Tranche A Commitments to the extent of the amount of such Letter of Credit) or a Tranche B Letter of Credit (in which case such Letter of Credit when issued 75Â Â Â Â shall be deemed to use the Tranche B Commitments to the extent of the amount of each Letter of Credit) and otherwise completed to the satisfaction of the Issuing Lender, and (ii) such other certificates, documents and other papers and information as the Issuing Lender may request. Upon receipt of any Application, the Issuing Lender will confirm with the Administrative Agent (by telephone or in writing) that the limitations contained in Section 3.1(a) shall not be violated and shall then process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue (or amend, renew or extend) the Letter of Credit requested thereby (but in no event shall the Issuing Lender be required to issue (or amend, renew or extend) any Letter of Credit earlier than three (3) Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit (or amendment, renewal or extension) to the beneficiary thereof or as otherwise may be agreed by the Issuing Lender and the applicable Borrower. The Issuing Lender shall furnish a copy of such Letter of Credit (or amendment, renewal or extension) to the applicable Borrower and the Administrative Agent promptly following the issuance thereof, and the Administrative Agent shall promptly notify the Lenders thereof. Section 3.3 Fees and Other Charges. (a) The applicable Borrower shall pay to the Administrative Agent, for the account of the Issuing Lender and the L/C Participants (in the case of a Tranche A Letter of Credit, having Tranche A Commitments, and, in the case of a Tranche B Letter of Credit, having Tranche B Commitments), a letter of credit fee with respect to each Letter of Credit issued for its account at a per annum rate, for each day during the period from and including the date of issuance of such Letter of Credit to and including the first date thereafter on which such Letter of Credit shall expire or be cancelled or fully drawn, equal to the L/C Fee Rate in effect on such day, calculated on the basis of a 360-day year, of the Dollar Equivalent of the aggregate amount available to be drawn under such Letter of Credit on such day. In addition, the applicable Borrower shall pay to the Issuing Lender for its own account a fronting fee of 0.100% per annum on the Dollar Equivalent of the undrawn and unexpired amount of each Letter of Credit issued for its account. Letter of credit fees and fronting fees pursuant to this paragraph shall be payable in Dollars quarterly in arrears on each L/C Fee Payment Date to occur while the relevant Letter of Credit is outstanding and shall be nonrefundable. (b) In addition to the foregoing fees, the applicable Borrower shall pay or reimburse the Issuing Lender in Dollars for such normal and customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, effecting payment under, amending or otherwise administering any Letter of Credit issued for its account. (c) The Administrative Agent shall, promptly following its receipt thereof, distribute to the Issuing Lender and the applicable L/C Participants all fees received by the Administrative Agent for their respective accounts pursuant to this Section 3.3. Section 3.4 L/C Participations. (a) The Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant (in the case of a Tranche A Letter of Credit, having Tranche A Commitments, and, in the case of a Tranche B Letter of Credit, having Tranche B Commitments), and, to induce the Issuing Lender to issue Letters of Credit hereunder, each applicable L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participantâ€™s own account and risk an undivided interest equal to such L/C Participantâ€™s Applicable Percentage of the Tranche A Commitments or Tranche B Commitments, as 76Â Â Â Â applicable, in the Issuing Lenderâ€™s obligations and rights in respect of each Letter of Credit issued hereunder (and in respect of each amendment to a Letter of Credit increasing the amount thereof in accordance with the provisions of this Agreement) and the amount of each draft or other demand for payment paid by the Issuing Lender thereunder. Each applicable L/C Participant unconditionally and irrevocably agrees with the Issuing Lender that, if the Issuing Lender notifies it that a draft or other demand for payment has been paid under any Letter of Credit for which the Issuing Lender has not been reimbursed in full by the applicable Borrower in accordance with the terms of this Agreement, such L/C Participant shall pay to the Issuing Lender upon demand at the Issuing Lenderâ€™s address for notices specified herein an amount equal to such L/C Participantâ€™s Applicable Percentage of the Tranche A Commitments or the Tranche B Commitments, as applicable, of the amount of such draft or other demand for payment, or any part thereof, which is not so reimbursed. (b) If any amount required to be paid by any L/C Participant to the Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is paid to the Issuing Lender within three (3) Business Days after the date such payment is due, such L/C Participant shall pay to the Issuing Lender on demand an amount equal to the product of (i) the Dollar Equivalent of such amount, times (ii) the daily average Federal Funds Effective Rate, as quoted by the Issuing Lender, during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 3.4(a) is not in fact made available to the Issuing Lender by such L/C Participant within three (3) Business Days after the date such payment is due, the Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans hereunder (or, if such Letter of Credit is denominated in an Alternate Currency, the rate per annum applicable to Term Benchmark Loans for Interest Periods of one month). A certificate of the Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error. (c) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its pro rata share of such payment in accordance with this Section 3.4, the Issuing Lender receives any payment related to such Letter of Credit (whether directly from the applicable Borrower or otherwise, including proceeds of any collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will promptly distribute to such L/C Participant its pro rata share thereof; provided that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such L/C Participant shall return to the Issuing Lender the portion thereof previously distributed by the Issuing Lender to it. Section 3.5 Reimbursement Obligation of the Borrowers. (a) Each Borrower agrees to reimburse the Issuing Lender on each date on which the Issuing Lender notifies such Borrower of the date and amount of a draft or other demand for payment presented under any Letter of Credit issued for its account and paid by the Issuing Lender for the amount in the currency of such Letter of Credit of (i) such draft or other demand so paid (which reimbursement may be effected through the procedure described in Section 3.5(c)) and (ii) any taxes, fees, charges or other costs or expenses (including post-judgment taxes, fees, charges or other costs or expenses) incurred by the Issuing Lender in connection with such payment. Each such payment shall be made to the Issuing Lender at its address for notices specified herein in the currency of such Letter of Credit and in immediately available funds. 77Â Â Â Â (b) Interest shall be payable on the Dollar Equivalent of any and all amounts remaining unpaid by the applicable Borrower under this Article III from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) until payment in full at the rate which would be payable on any outstanding ABR Loans which were then overdue. (c) Each drawing under any Letter of Credit denominated in Dollars shall constitute a request by the applicable Borrower to the Administrative Agent for a borrowing pursuant to Section 2.2(d) of ABR Loans in the amount of such drawing. The Borrowing Date with respect to such borrowing shall be the date of such drawing. Section 3.6 Obligations Absolute. (a) Each Borrowerâ€™s obligations under this Article III shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment which such Borrower may have or have had against the Issuing Lender, any L/C Participant or any beneficiary of a Letter of Credit. (b) Each Borrower also agrees that the Issuing Lender and the L/C Participants shall not be responsible for, and such Borrowerâ€™s Reimbursement Obligations under Section 3.5(a) shall not be affected by, among other things, (i) the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or (ii) any dispute between or among such Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred, (iii) any claims whatsoever of such Borrower against any beneficiary of such Letter of Credit or any such transferee, (iv) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein, or (v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of a Borrowerâ€™s obligations hereunder. (c) The Issuing Lender shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any Letter of Credit, except for direct damages resulting from errors or omissions caused by the Issuing Lenderâ€™s gross negligence, willful misconduct or material breach of its obligations under this Agreement (as determined by a final and non-appealable judgment of a court of competent jurisdiction). (d) Each Borrower agrees that any action taken or omitted by the Issuing Lender under or in connection with any Letter of Credit issued for its account or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with any applicable standard of care specified in the Uniform Commercial Code of the State of New York (or other law applicable to such Letters of Credit), shall be binding on such Borrower and shall not result in any liability of the Issuing Lender or any L/C Participant to such Borrower. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that (i) with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, (ii) the Issuing Lender may, in its sole discretion, (x) assert or waive application of Article 17 and Article 45 of the Uniform Customs, or (y) accept as a draft any written demand or request for payment under a Letter of Credit even if non-negotiable or not in the form of a draft, and (iii) with respect to documents presented which the Issuing Lender determines do not appear on their face to comply with the terms of a Letter of Credit, the Issuing Lender may, in its sole discretion, 78Â Â Â Â approach the applicable Borrower for a waiver of the discrepancy(ies), but neither requesting such a waiver from such Borrower nor receiving such a waiver from such Borrower shall obligate the Issuing Lender to make payment against such documents. The applicable Borrower will notify the Issuing Lender in writing of any objection such Borrower may have to the Issuing Lenderâ€™s issuance or amendment of any Letter of Credit, the Issuing Lenderâ€™s honor or dishonor of any presentation under any Letter of Credit, or any other action or inaction taken or proposed to be taken by the Issuing Lender under or in connection with this Agreement or any Letter of Credit. The applicable Borrowerâ€™s notice of objection must be delivered to the Issuing Lender within five (5) Business Days after such Borrower receives notice of the action or inaction it objects to. Any Borrowerâ€™s failure to give such notice of objection within five (5) Business Days after such Borrowerâ€™s actual receipt of notice of the action or inaction it objects to shall automatically waive such Borrowerâ€™s objection, authorize or ratify the Issuing Lenderâ€™s action or inaction, and preclude such Borrower from raising the objection as a defense or claim against the Issuing Lender. Section 3.7 Letter of Credit Payments. If any draft or other demand for payment shall be presented for payment under any Letter of Credit, the Issuing Lender shall, within the time allowed by applicable law or the terms of the Letter of Credit, examine all documents purporting to be a demand for payment and promptly after such examination notify the applicable Borrower of the date and amount thereof. The responsibility of the Issuing Lender to the applicable Borrower in connection with any draft or other demand for payment presented for payment under any Letter of Credit issued for such Borrowerâ€™s account shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft or other demand for payment) delivered under such Letter of Credit in connection with such presentment appear on their face to be in conformity with the terms and conditions of such Letter of Credit. Section 3.8 Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Article III, the provisions of this Article III shall apply. Section 3.9 Replacement of the Issuing Lender; Alternate Issuing Lender. (a) The Issuing Lender may be replaced at any time by written agreement among the Borrowers, the Administrative Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Lenders of any such replacement of the Issuing Lender. At the time any such replacement shall become effective, the Borrowers shall, jointly and severally, pay all unpaid fees accrued for the account of the replaced Issuing Lender. From and after the effective date of any such replacement, (i) the successor Issuing Lender shall have all the rights and obligations of the Issuing Lender under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term â€œIssuing Lenderâ€ shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context shall require. After the replacement of an Issuing Lender hereunder, the replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit. (b) Subject to the appointment and acceptance of a successor Issuing Lender, any Issuing Lender may resign as an Issuing Lender at any time upon thirty daysâ€™ prior written notice to the 79Â Â Â Â Administrative Agent, Kimco and the Lenders, in which case, such resigning Issuing Lender shall be replaced in accordance with Section 3.9(a) above. (c) Kimco may request that a Lender other than one of the Lead Lenders (such Lender, an â€œAlternate Issuing Lenderâ€) be an Issuing Lender; provided that (i) no Lender shall have any obligation to serve as such Alternate Issuing Lender, (ii) any such Alternate Issuing Lender must agree to such customary record-keeping and reporting requirements relating to the applicable Letter(s) of Credit as the Administrative Agent shall reasonably require in connection with the Revolving Credit Facility and (iii) such Alternate Issuing Lender shall deliver a notice to the Administrative Agent on or prior to the date that such Lender becomes an Alternate Issuing Lender setting forth such Alternate Issuing Lenderâ€™s Issuing Lender Commitment. Section 3.10 Existing Letters of Credit. Schedule 3.10 (existing Letters of Credit) contains a schedule of certain letters of credit issued by the applicable Existing Issuing Lender prior to the effectiveness of the amendment and restatement contemplated hereby for the account of the applicable account parties under the Existing Revolving Credit Agreement. Kimco may from time to time request increases in the amount of the L/C Commitment, in minimum increments of $5,000,000 (or whole multiples of $1,000,000 in excess of $5,000,000), provided that the total amount by which the L/C Commitment may be increased under this Section 3.11 shall be limited to $150,000,000 in the aggregate (resulting in a total L/C Commitment not to exceed $250,000,000). Any Issuing Lender or, with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) and Kimco, any additional bank, financial institution or other entity that is not then an Issuing Lender may elect to become an Issuing Lender hereunder and may increase its (or make an) Issuing Lender Commitment. No Issuing Lender or Lender shall have any obligation to increase its Issuing Lender Commitment. The form of documentation pursuant to which any such Issuing Lender Commitments and L/C Commitment are increased or obtained shall be customary and must be acceptable to Kimco and the Administrative Agent (each acting reasonably). Each increase of the Issuing Lender Commitments and L/C Commitment under this Section 3.11 is subject to the following conditions: (a) Each of the representations and warranties made by Kimco in or pursuant to the Loan Documents shall be true

and correct in all material respects (or, in the case of any representation and warranty that is qualified as to â€œmateriality,â€ â€œMaterial Adverse Effectâ€ or similar language, true and correct (after giving effect to any qualification therein) in all respects) on and as of the date of such increase as if made on and as of such date except for representations and warranties expressly stated to relate to a specific earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date; and (b) No Default or Event of Default shall have occurred and be continuing on the date of such increase, after giving effect thereto. 80Â Â Â Â Article IVREPRESENTATIONS AND WARRANTIES To induce the Administrative Agent, the Issuing Lender, and the Lenders to enter into this Agreement, to make or maintain the Revolving Credit Loans and Competitive Loans, and to issue or participate in the Letters of Credit, Kimco hereby represents and warrants, on the Effective Date and (other than with respect to the representations and warranties contained in Sections 4.2, 4.6 and 4.22) on each Representation and Warranty Date, as to itself only, and not as to any other Loan Party (and, solely with respect to the representations and warranties contained in Sections 4.3(b) (only as to itself and not as to its Subsidiaries), 4.4, 4.5(b), 4.13, 4.14, 4.15, 4.16 and 4.22 (the â€œBaseline Representations and Warrantiesâ€), on any applicable Subsidiary Borrower Representation and Warranty Date in respect of a specific Subsidiary Borrower, such Subsidiary Borrower hereby represents and warrants as to itself) to the Administrative Agent, the Issuing Lender, and each Lender that: Section 4.1 Financial Condition. All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP applied consistently throughout the periods involved. Except as set forth on Schedule 4.1, neither Kimco nor any of the Consolidated Entities has, at the Effective Date, any material Indebtedness, Guarantee Obligation, contingent liability or liability for taxes, or any unusual forward or long-term commitment, including any interest rate or foreign currency swap or exchange transaction, which is not reflected in the foregoing statements or in the notes thereto. (b) Each Subsidiary (i) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, (ii) has the corporate (or limited partnership or limited liability company or other form of organization, as applicable) power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (iii) is duly qualified as a foreign corporation (or limited partnership or limited liability company or other form of organization, as applicable) and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, and (iv) is in compliance with all Requirements of Law except, in the case of clauses (i), (ii), (iii) or (iv) above, as could not, in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each applicable Loan Party party thereto. Section 4.5 No Legal Bar. (a) The execution, delivery and performance of the Loan Documents and the Borrowings and requests for Letters of Credit hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of Kimco and will not result in, or require, the creation or imposition of any Lien on any of its properties or revenues pursuant to any such Requirement of Law or Contractual Obligation, except, in each case, where the same could not reasonably be expected to have a Material Adverse Effect. (b) The execution, delivery and performance of the Loan Documents and the Borrowings and requests for Letters of Credit hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any Contractual Obligation of the applicable Loan Party other than Kimco and will not result in, or require, the creation or imposition of any Lien on any of its properties or revenues pursuant to any such Requirement of Law or Contractual Obligation, except, in each of the foregoing cases, where the same could not reasonably be expected to have a Material Adverse Effect. Article IXTHE AGENTS Section 9.1 The Agents. For purposes of this Section 9.1 and Section 10.6, the term â€œRelated Partiesâ€ shall mean, with respect to any specified Person, (i) any Person that directly, or indirectly through one or more intermediaries, Controls, is Controlled by, or is under common Control with such specified Person, and (ii) the respective directors, officers, employees, agents and advisors of such specified Person and of any other Person referred to in the preceding clause (i). (a) Each of the Lenders and the Issuing Lender hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the foregoing, each Lender and each Issuing Lender hereby authorizes the Administrative Agent to execute and deliver, and to perform its obligations under, each of the Loan Documents to which the Administrative Agent is a party, and to exercise all rights, powers and remedies that the Administrative Agent may have under such Loan Documents. (b) The bank serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and such bank and each Person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by or is under common Control with such bank (an â€œAdministrative Agent Affiliateâ€) may accept deposits from, lend money to and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder. 100Â Â Â Â (c) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein, and its duties are entirely administrative in nature. Without limiting the generality of the foregoing, (i) the Administrative Agent shall not be subject to any fiduciary or similar duties, regardless of whether a Default or Event of Default has occurred and is continuing (and it is understood and agreed that the use of the term â€œagentâ€ (or any similar term) herein or in any other Loan Document with reference to the Administrative Agent is not intended to connote any fiduciary duty or implied (or express) obligations arising under agency doctrine of any applicable law, and that such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties); additionally, each Lender agrees that it will not assert any claim against the Administrative Agent based on an alleged breach of fiduciary duty by the Administrative Agent in connection with this Agreement and/or the transactions contemplated hereby, (ii) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is required to exercise or refrain from exercising as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided herein), for which the Administrative Agent shall be fully protected in so acting or refraining from acting, and, unless and until revoked in writing, such directions shall be binding upon each Lender and each Issuing Lender; provided, however, that the Administrative Agent shall not be required to take any action that (A) the Administrative Agent in good faith believes exposes it to liability unless the Administrative Agent receives an indemnification and is exculpated in a manner satisfactory to it from the Lenders and the Issuing Lenders with respect to such action or (B) is contrary to this Agreement or any other Loan Document or applicable law, including any action that may be in violation of the automatic stay under any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any requirement of law relating to bankruptcy, insolvency or reorganization or relief of debtors; provided, further, that the Administrative Agent may seek clarification or direction from the Required Lenders prior to the exercise of any such instructed action and may refrain from acting until such clarification or direction has been provided, and (iii) except as expressly set forth herein, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to Kimco or any of its Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Administrative Agent Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided herein) or in the absence of its own gross negligence or willful misconduct (which shall be deemed to exist only if determined by a court of competent jurisdiction by a final and non-appealable judgment). The Administrative Agent shall be deemed not to have knowledge of any Default or Event of Default other than nonpayment of principal or interest unless and until written notice thereof is given to the Administrative Agent by Kimco or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) 101Â Â Â Â the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document, or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article V or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Neither the Administrative Agent nor any of its Related Parties shall be responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by the Borrowers or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of the Borrowers to perform their obligations hereunder or thereunder. (d) The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent (i) may treat the payee of any promissory note as its holder until such promissory note has been assigned in accordance with Section 10.6, (ii) may rely on the Register to the extent set forth in Section 10.6, (iii) makes no warranty or representation to any Lender or Issuing Lender and shall not be responsible to any Lender or Issuing Lender for any statements, warranties or representations made by or on behalf of the Borrowers in connection with this Agreement or any other Loan Document, and (iv) in determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or an Issuing Lender, may presume that such condition is satisfactory to such Lender or Issuing Lender unless the Administrative Agent shall have received notice to the contrary from such Lender or Issuing Lender sufficiently in advance of the making of such Loan or the issuance of such Letter of Credit. (e) The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and non-appealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agent. (f) Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign at any time by giving 30 daysâ€™ prior written notice to the Lenders, the Issuing Lender and Kimco. If a Bankruptcy Event shall occur with respect to the Administrative Agent, then effective on the date that is thirty (30) Business Days after the date of such Bankruptcy Event, the Administrative Agent automatically and without any further action by any Person, shall be removed as Administrative Agent, and at the end of such thirty (30) Business Day 102Â Â Â Â period the Administrative Agent shall be deemed discharged from its duties and obligations as Administrative Agent hereunder and under any other Loan Document. By the Required Lendersâ€™ giving at least thirty (30) Business Days prior written notice to the Administrative Agent and Kimco, the Administrative Agent may be removed, by action of the Required Lenders (excluding the bank serving as Administrative Agent (the â€œAgent Bankâ€)), (i) at any time for gross negligence or willful misconduct, as determined by the Required Lenders (excluding for such determination the Agent Bank), or (ii) in the event that the Agent Bank, in its capacity as a Lender, shall have assigned all of its outstanding Revolving Commitments, Loans, and its Applicable Percentage of the L/C Obligations to another bank, financial institution or other entity pursuant to Section 10.6, and at the end of such thirty (30) Business Day period the Agent Bank shall be deemed discharged from its duties and obligations as Administrative Agent hereunder and under any other Loan Documents, provided that it is a condition to the removal of the Administrative Agent under clause (ii) above in the circumstance in which the Agent Bank is the Issuing Lender hereunder, that all outstanding Letters of Credit issued by the Issuing Lender (including Letters of Credit issued by any Affiliate of the Agent Bank) hereunder shall be returned to the Issuing Lender for cancellation, that the Issuing Lender shall be reimbursed for all drafts or other demands for payment under the Letters of Credit that have not yet been reimbursed by the Borrowers or paid by the L/C Participants (except to the extent of the Applicable Percentage of L/C Obligations assigned by the Agent Bank), that all fees and expenses accrued and payable to the Issuing Lender be paid, and that the Issuing Lender shall be deemed to be replaced under Section 3.9(a) hereof. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with Kimco, to appoint a successor. In the case of resignation by the Administrative Agent, if no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Lender, appoint a successor Administrative Agent which shall be a bank with an office in New York, New York, or a Person that directly, or indirectly through one or more intermediaries, Controls or is Controlled by or is under common Control with any such bank. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor to a retired Administrative Agent, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under any other Loan Documents. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After the Administrative Agentâ€™s resignation or removal hereunder, the provisions of this Article, including Section 9.2, shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent. (g) Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent, the Joint Lead Arrangers, the Sustainability Structuring Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Joint Lead Arrangers, the Sustainability Structuring Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. Each Lender and each Issuing Lender also acknowledges and agrees that (A) none of the Administrative Agent, any Bookrunner, any Joint Lead Arranger, any Syndication Agent, any Documentation Agent, or the Sustainability Structuring Agent acting in such capacities have made any assurances as to (i) whether the credit facility evidenced by this Agreement meets such Lenderâ€™s or Issuing Lenderâ€™s criteria or expectations with regard to environmental impact and 103Â Â Â Â sustainability performance, (ii) whether any characteristics of such credit facility, including the characteristics of the relevant key performance indicators to which Kimco will link a potential margin step-up or step-down, including their environmental and sustainability criteria, meet any industry standards for sustainability-linked credit facilities and (B) such Lender or Issuing Lender has performed its own independent investigation and analysis of such credit party and whether such credit facility meets its own criteria or expectations with regard to environmental impact and/or sustainability performance. (h) The provisions of this Article (other than Section 9.1(f)) are solely for the benefit of the Administrative Agent, the Lenders and the Issuing Lenders, and, except solely to the extent of the Borrowersâ€™ rights to consent pursuant to and subject to the conditions set forth in this Section 9.1, none of the Borrowers, or any of their respective Affiliates, shall have any rights as a third party beneficiary under any such provisions. Other than as set forth in Section 9.1(f), nothing in this Article shall relate to, govern or limit the obligations of the Administrative Agent to the Borrower or the rights of the Borrower with respect to the Administrative Agent. The provisions of this Section 9.1 shall survive the repayment of the Loans, the expiration or termination of the Revolving Commitments and the termination of this Agreement. Section 9.2 Indemnification. Subject to the immediately following sentence, the Lenders agree to indemnify the Administrative Agent in its capacity as such (to the extent not reimbursed by the Borrowers and without limiting the obligation of the Borrowers to do so), ratably according to their respective Applicable Percentages of the Revolving Commitments in effect on the date on which indemnification is sought under this Section 9.2 (or, if indemnification is sought after the date upon which the Revolving Commitments shall have terminated and the Revolving Credit Loans and Competitive Loans shall have been paid in full, ratably in accordance with their Applicable Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever which may at any time (including at any time following the payment of the Revolving Credit Loans and Competitive Loans and regardless of whether pre-judgment or post-judgment) be imposed on, incurred by or asserted against the Administrative Agent in any way relating to or arising out of this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements to the extent resulting solely from the Administrative Agentâ€™s gross negligence or willful misconduct. Each Lender shall severally indemnify the Administrative Agent for the full amount of any Excluded Taxes attributable to such Lender that are paid or payable by the Administrative Agent in connection with this Agreement or any other Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Excluded Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. The agreements in this Section 9.2 shall survive the termination of this Agreement and the other Loan Documents and the payment of the Revolving Credit Loans and all other amounts payable hereunder and thereunder. Section 9.3 The Syndication Agents, Documentation Agents, Managing Agents, Sustainability Structuring Agent, Joint Lead Arrangers, and Bookrunners. Each of the Syndication Agents, Documentation Agents, Managing Agents, Sustainability Structuring Agent, Bookrunners and Joint Lead Arrangers referred to on the cover of this

Agreement in its capacity as such shall have no rights, duties or responsibilities hereunder, nor any 104Â Â Â fiduciary relationship with any party hereto, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Syndication Agents, Documentation Agents, Managing Agents, Sustainability Structuring Agent, Bookrunners or Joint Lead Arrangers in their respective capacities as such. (b) In addition, unless sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Joint Lead Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrowers or any other Loan Party, that none of the Administrative Agent, or any Joint Lead Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the 105Â Â Â reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto). (c) The Administrative Agent, and each Joint Lead Arranger hereby informs the Lenders that each such Person is not undertaking to provide investment advice or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Revolving Commitments, this Agreement and any other Loan Documents (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Revolving Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Revolving Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, bankerâ€™s acceptance fees, breakage or other early termination fees or fees similar to the foregoing. Section 9.5 Erroneous Payments. (a) Each Lender hereby agrees that (x) if the Administrative Agent notifies such Lender that the Administrative Agent has determined in its sole discretion that any funds received by such Lender from the Administrative Agent or any of its Affiliates (whether as a payment, prepayment or repayment of principal, interest, fees or otherwise; individually and collectively, a â€œPaymentâ€) were erroneously transmitted to such Lender (whether or not known to such Lender), and demands the return of such Payment (or a portion thereof), such Lender shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect, and (y) to the extent permitted by applicable law, such Lender shall not assert, and hereby waives, as to the Administrative Agent, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Payments received, including without limitation any defense based on â€œdischarge for valueâ€ or any similar doctrine. A notice of the Administrative Agent to any Lender under this â€ŽSection 9.5 shall be conclusive, absent manifest error. (b) Each Lender hereby further agrees that if it receives a Payment from the Administrative Agent or any of its Affiliates (x) that is in a different amount than, or on a different date from, that specified in a notice of payment sent by the Administrative Agent (or any of its Affiliates) with respect to such Payment (a â€œPayment Noticeâ€) or (y) that was not preceded or accompanied by a Payment Notice, it shall be on notice, in each such case, that an error has been made with respect to such Payment. Each Lender agrees that, in each such case, or if it otherwise becomes aware a Payment (or portion thereof) may have been sent in error, such Lender shall promptly notify the Administrative Agent of such occurrence and, upon demand from the Administrative Agent, it shall promptly, but in no event later than one Business Day thereafter, return to the Administrative Agent the amount of any such Payment (or portion thereof) as to which such a demand was made in same day funds, together with interest thereon in respect of each day from and including the date such Payment (or portion thereof) was received by such Lender to the date such amount is repaid to the Administrative Agent at the greater of the NYFRB Rate 106Â Â Â and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. (c) The parties hereto agree that (x) in the event an erroneous Payment (or portion thereof) is not recovered from any Lender that has received such Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights of such Lender with respect to such amount and (y) an erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party except, in each case, solely to the extent such Payment is comprised of funds received by the Administrative Agent from the Borrower or another Loan Party for the purpose of making a payment on the Obligations. (d) Each partyâ€™s obligations under this â€ŽSection 9.5 shall survive the resignation or replacement of the Administrative Agent or any transfer of rights or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations under any Loan Document. Article XMISCELLANEOUS Section 10.1 Amendments and Waivers. (b) Notices and other communications to the Lenders and the Issuing Lender hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Article II unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, further, that (x) approval of such procedures may be limited to particular notices or communications, (y) for the avoidance of doubt, as and from the date hereof until the Borrowers provide written notice to the Administrative Agent otherwise, the Borrowers do not agree to accept notices or other communications hereunder by electronic communications, and (z) for the avoidance of doubt, as and from the date hereof until the Administrative Agent provides written notice to the Borrowers otherwise, the Administrative Agent does not agree to accept notices or other communications hereunder by electronic communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the senderâ€™s receipt of an acknowledgement from the intended recipient (such as by the â€œreturn receipt requestedâ€ function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient. (c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. 110Â Â Â (d) Electronic Systems. (i) Each Loan Party agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the Issuing Lender and the other Lenders by posting the Communications (as defined below) on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System. (ii) Any Electronic System used by the Administrative Agent and the Communications are provided â€œas isâ€ and â€œas available.â€ The Agent Parties (as defined below) do not warrant the adequacy or completeness of the Communications or the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications or the Electronic System. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. Each of the Lenders, each of the Issuing Lenders and the Borrowers acknowledges and agrees that the distribution of material through the Electronic System is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Electronic System, and that there may be confidentiality and other risks associated with such distribution. Other than (solely with respect to direct damages arising therefrom) in the case of gross negligence or willful misconduct of, or material breach of this Agreement by, an Agent Party (as defined below) to the extent determined in a final non-appealable judgment by a court of competent jurisdiction, in no event shall the Administrative Agent or any of its Related Parties (collectively, the â€œAgent Partiesâ€) have any liability to the Borrowers or the other Loan Parties, any Lender, the Issuing Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrowersâ€™, any Loan Partyâ€™s or the Administrative Agentâ€™s transmission of Communications through an Electronic System. â€œCommunicationsâ€ means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent, any Lender or any Issuing Lender by means of electronic communications pursuant to this Section, including through an Electronic System. (iii) Each Lender and each Issuing Lender agrees that notice to it (as provided in the next sentence) specifying that Communications have been posted to the Electronic System shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender and Issuing Lender agrees (i) to notify the Administrative Agent in writing (which could be in the form of electronic communication) from time to time of such Lender's or Issuing Lender's (as applicable) email address to which

the foregoing notice may be sent by electronic transmission and (ii) that the foregoing notice may be sent to such email address. (iv) Although the Electronic System and its primary web portal are secured with generally-applicable security procedures and policies implemented or modified by the Administrative Agent from time to time (including, as of the Effective Date, a user ID/password authorization system) and the Electronic System is secured through a per-deal authorization method whereby each user may access the Electronic System only on a deal-by-deal basis, each of the Lenders, each of the Issuing Lenders and the Borrower acknowledges and agrees that the distribution of material through an electronic medium is not necessarily secure, that the Administrative Agent is not responsible for approving or vetting the representatives or contacts of any Lender that are added to the Electronic System, and that there may be confidentiality and other risks associated with such distribution. Each of the Lenders, each of the Issuing Lenders and the Borrower hereby approves distribution of the 111Â Â Â Communications through the Electronic System and understands and assumes the risks of such distribution. (v) Each of the Lenders, each of the Issuing Lenders and the Borrower agrees that the Administrative Agent may, but (except as may be required by applicable law) shall not be obligated to, store the Communications on the Electronic System in accordance with the Administrative Agentâ€™s generally applicable document retention procedures and policies. (vi) Nothing herein shall prejudice the right of the Administrative Agent, any Lender, any Issuing Lender or any Borrower to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document. Section 10.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Issuing Lender or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law. Section 10.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of the extensions of credit hereunder. Section 10.5 Payment of Expenses and Taxes. Kimco agrees (a) to pay or reimburse the Administrative Agent for all its reasonable outâ€'ofâ€'pocket costs and expenses incurred in connection with the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents, any Letters of Credit, and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements of counsel to the Administrative Agent; (b) to pay or reimburse each Lender, the Issuing Lender and the Administrative Agent for all its reasonable costs and expenses (including post-judgment costs and expenses) incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents, any Letters of Credit, and any such other documents, including the fees and disbursements of counsel to the Administrative Agent, the Issuing Lender and the several Lenders; (c) to pay, and indemnify and hold harmless each Lender, the Issuing Lender and the Administrative Agent and their affiliates (and their respective officers, directors, employees, advisors and agents) from and against, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, documentary, stamp, excise and other similar taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents, any Letters of Credit, and any such other documents; and (d) to pay, and indemnify and hold harmless each Lender, the Issuing Lender, the Administrative Agent and the Sustainability Structuring Agent and their affiliates (and their respective officers, directors, employees, 112Â Â Â advisors and agents) from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (and regardless of whether pre-judgment or post-judgment) with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents, the Letters of Credit, and any such other documents, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of Kimco, any of its Subsidiaries or any of the Properties (all the foregoing in this clause (d), collectively, the â€œindemnified liabilitiesâ€), provided that (x) Kimco shall have no obligation hereunder to any indemnitee with respect to indemnified liabilities arising from the gross negligence or willful misconduct of such indemnitee to the extent determined in a final nonâ€'appealable judgment by a court of competent jurisdiction, and (y) this clause (d) shall not apply with respect to Taxes other than any Taxes that represent losses or damages arising from any non-Tax claim. The agreements in this Section 10.5 shall survive the termination of this Agreement, the expiration, cancellation, or other termination of the Letters of Credit, and the payment of the Revolving Credit Loans, the Competitive Loans and all other amounts payable hereunder. Section 10.6 Successors and Assigns. For purposes of this Section 10.6 the term â€œRelated Partiesâ€ shall have the meaning given thereto in Section 9.1 hereof. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Lender that issues any Letter of Credit (an â€œIssuing Lender Affiliateâ€)), except that (i) none of the Loan Parties may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Loan Party without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Issuing Lender Affiliate), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Issuing Lender and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement or any other Loan Document. (b) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (other than an Ineligible Institution) all or a portion of its rights and obligations under this Agreement and under the other Loan Documents (including all or a portion of its Revolving Commitment, participations in Letters of Credit and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of: (A) Kimco, provided that (I) no consent of Kimco shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below), or, if an Event of Default has occurred and is continuing, any other assignee and (II) Kimco shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof; (B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of any Revolving Commitment or Loan to an assignee that is a Lender, an Affiliate of a Lender or an Approved Fund; and 113Â Â Â Â (C) the Issuing Lender. (ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lenderâ€™s Revolving Commitment or Loans of any Class, the amount of the Tranche A Commitment or Tranche B Commitment or Tranche A Loans or Tranche B Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption (as defined below) with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless Kimco and the Administrative Agent otherwise consent, provided that no such consent of Kimco shall be required if an Event of Default has occurred and is continuing; (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lenderâ€™s rights and obligations in respect of its Tranche A Commitment or its Tranche B Commitment, as applicable, under this Agreement and the other Loan Documents; (C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption substantially in the form of Exhibit A or in any other form (including electronic records generated by the use of an electronic platform) approved by the Administrative Agent (an â€œAssignment and Assumptionâ€) (or to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Electronic System as to which the Administrative Agent and the parties to the Assignment and Assumption are participants), together with a processing and recordation fee of $4,000 (which, except as provided in Section 2.15, shall not be payable by the Borrowers); (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in the form approved by the Administrative Agent (an â€œAdministrative Questionnaireâ€); and (E) assignments shall not be permitted to be made to any Ineligible Institution. (iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lenderâ€™s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.11, 2.12, 2.13 and 10.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section. (iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Tranche A Commitment and Tranche B Commitment of, and principal amount of the Loans and payments 114Â Â Â Â made by the Issuing Lender pursuant to the Letters of Credit, owing to, each Lender pursuant to the terms hereof from time to time (the â€œRegisterâ€). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Lender and any Lender, at any reasonable time and from time to time upon reasonable prior notice. (v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assigneeâ€™s completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this paragraph (b) and any written consent to such assignment required by this paragraph (b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.9(b), 3.4, 3.5 or 9.2, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph. (c) Any Lender may, without the consent of any Borrower, the Administrative Agent, or the Issuing Lender, sell participations to one or more banks or other entities (other than any Ineligible Institution) (a â€œParticipantâ€) in all or a portion of such Lenderâ€™s rights and obligations in respect of its Tranche A Commitment or its Tranche B Commitment, as applicable, under this Agreement and under the other Loan Documents (including all or a portion of its Revolving Commitment, participations in Letters of Credit and the Loans owing to it); provided that (A) such Lenderâ€™s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrowers, the other Loan Parties, the Administrative Agent, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lenderâ€™s rights and obligations under this Agreement and the other Loan Documents. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or any other Loan Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 10.1 that affects such Participant. Each Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.11, 2.12 and 2.13 (subject to the requirements and limitations therein, including the requirements under Section 2.12 (d) (it being understood that the documentation requirement under Section 2.12(d) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Sections 2.9 and 2.15 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.11 or 2.12, with respect to any participation, than its participating Lender would have been entitled to receive. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.11(b) as though it were a Lender, provided such Participant agrees to be subject to Section 10.11(a) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participantâ€™s interest in the Loans or other obligations under this Agreement (the â€œParticipant Registerâ€); provided that no Lender shall have any obligation to 115Â Â Â Â disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participantâ€™s interest in any Revolving Commitments, Loans, Letters of Credit, or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Revolving Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. (d) Any Lender may at any time pledge or assign a security interest in, all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto. Section 10.7 Disclosure. Subject to Section 10.19, each Borrower authorizes each Lender to disclose to any Participant or assignee (each, a â€œTransfereeâ€) and any prospective Transferee any and all financial information in such Lenderâ€™s possession concerning such Borrower and its Affiliates which has been delivered to such Lender by or on behalf of such Borrower pursuant to this Agreement or which has been delivered to such Lender by or on behalf of such Borrower in connection with such Lenderâ€™s credit evaluation of such Borrower and its Affiliates prior to becoming a party to this Agreement. Section 10.8 Increases of Loan Commitments. Kimco may from time to time request (i) increases in the aggregate amount of the Tranche A Commitments or the Tranche B Commitments (â€œNew Revolving Commitmentsâ€) and/or (ii) new term loan commitments to be established (â€œNew Term Commitmentsâ€, and together with the New Revolving Commitments, the â€œIncremental Commitmentsâ€), in minimum increments of $50,000,000 (or whole multiples of $5,000,000 in excess of $50,000,000), provided that the total combined amount of the Incremental Commitments under this Section 10.8 shall be limited to $750,000,000 in the aggregate. Any Lender or, with the consent of the Administrative Agent and, in the case of a New Revolving Commitment, each Issuing Lender (such consent not to be unreasonably withheld or delayed) and Kimco, any additional bank, financial institution or other entity that is not then a Lender may elect to become a Lender hereunder and make an Incremental Commitment. No Lender shall have any obligation to make any Incremental Commitment, nor shall the Administrative Agent, the Joint Lead Arrangers or the Syndication Agents have any obligation to locate banks, financial institutions or other entities willing to make any Incremental Commitment. If (x) existing or new Lenders are willing to provide such New Revolving Commitments, the Revolving Commitments may be increased from time to time by the addition of a new Lender or the increase of the Revolving Commitment of an existing Lender (each, a â€œNew Revolving Lenderâ€, and the loans made pursuant to any New Revolving Commitment being referred to herein as â€œNew Revolving Loansâ€) or (y) Lenders are willing to provide such New Term Commitments, term loans may be made hereunder (the â€œNew Term Loansâ€) by such Lenders (each, a â€œNew Term Lenderâ€). Each Incremental Commitment under this Section 10.8 is subject to the following conditions: (a) Each of the representations and warranties made by Kimco in or pursuant to the Loan Documents shall be true and correct in all material respects (or, in the case of any representation and 116Â Â Â Â warranty that is qualified as to â€œmateriality,â€ â€œMaterial Adverse Effectâ€ or similar language, true and correct (after giving effect to any qualification therein) in all respects) on and as of the effective date of such Incremental Commitment as if made on and as of such date except for representations and warranties expressly stated to relate to a specific earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date; and (b) (i) No Default or Event of Default shall have occurred and be continuing on the effective date of such Incremental Commitment or after giving effect thereto and (ii) Kimco would be in compliance with each financial covenant set forth in paragraphs (a) through (f) of Section 7.1 if the ratio or amount referred to therein were to be calculated as of the most recent Test Period as to which a compliance certificate has been delivered pursuant to Section 6.2(b) after giving pro forma effect to the incurrence of Indebtedness, if any, under such Incremental Commitments, on the effective date of such Incremental Commitments, and the use of proceeds

thereof). Each request for an Incremental Commitment under this Section 10.8 shall constitute a representation and warranty by Kimco as of the date of such Incremental Commitment that the conditions contained in this Section 10.8 have been satisfied, and shall be accompanied by a certificate of a Responsible Officer of Kimco to such effect. Any Incremental Commitments hereunder shall be evidenced by the execution and delivery of an amendment to this Agreement by the Borrowers, the Administrative Agent, the Issuing Lenders (in the case of New Revolving Commitments) and the New Revolving Lenders or New Term Lenders, as applicable, providing such Incremental Commitments, a copy of which shall be forwarded to each Lender by the Administrative Agent promptly after execution thereof. Each such amendment executed in connection with an Incremental Commitment hereunder may, without the consent of any other Lenders or (except in the case of New Revolving Commitments) Issuing Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the good faith judgment of Administrative Agent, to effect the provisions of this Section 10.8 and the Incremental Commitments, subject to approval by the Borrowers and the New Revolving Lenders or New Term Lenders, as applicable, including without limitation to (x) include the New Revolving Lenders and/or New Term Lenders as â€œLendersâ€ hereunder, (y) to include the New Revolving Loans and New Term Loans as â€œLoansâ€ hereunder, and (z) to include the New Revolving Lenders and their Applicable Percentages and/or the New Term Lenders and their New Term Loans for purposes of the definition of â€œRequired Lendersâ€. All such amendments and joinder agreements entered into with the Borrowers by the Administrative Agent, the Issuing Lenders (in the case of New Revolving Commitments) and the New Revolving Lenders or New Term Lenders, as applicable, shall be binding and conclusive on all Lenders. On the effective date of any New Revolving Commitments, the aggregate Revolving Commitments and the Revolving Commitments of the New Revolving Lenders shall be increased, the Applicable Percentages shall be adjusted and the Borrowers and the Administrative Agent shall cause the New Revolving Lenders to hold their Applicable Percentages of all Revolving Credit Loans outstanding at the close of business on such day, by either funding more than its or their Applicable Percentage of New Revolving Loans made on such date or purchasing shares of outstanding Revolving Credit Loans held by the other Lenders or a combination thereof. The Lenders agree to cooperate in any required sale and purchase of outstanding Revolving Credit Loans to achieve such result. The Borrowers agree to pay all fees associated with the New Revolving Commitments including any amounts due under Section 2.13 in connection with any reallocation of Term Benchmark Loans and RFR Loans. On the effective date of any New Term Commitments of any Series, (a) each New Term Lender of such Series shall make a New Term Loan to the Borrowers in an amount equal to its New Term 117Â Â Â Â Commitment of such Series, and (b) each New Term Lender of such Series shall become a Lender hereunder with respect to the New Term Commitments of such Series and the New Term Loans of such Series made pursuant thereto. Any New Term Loans made on such effective date shall be designated a separate series (a â€œSeriesâ€) of New Term Loans for all purposes of this Agreement. The terms and provisions of the New Revolving Loans and New Revolving Commitments shall be identical to the then existing Revolving Credit Loans and Revolving Commitments. The terms of any New Term Loans of any Series made hereunder (a) shall not provide for any amortization payments on or prior to the Maturity Date, but may permit voluntary prepayments, (b) shall provide that the applicable New Term Loan maturity date of each Series shall be no earlier than the Maturity Date, (c) shall rank pari passu to the other Loans hereunder and (d) subject to the above provisions of this Section 10.8, shall include such other terms and pricing as may be agreed by the Borrowers, the Administrative Agent and the New Term Lenders. Section 10.9 Extension of Maturity Date. By written notice to the Administrative Agent (a â€œMaturity Extension Noticeâ€) not earlier than twelve (12) months nor later than one (1) month before the Maturity Date for the Revolving Credit Facility specified in clause (i) of the definition of the term â€œMaturity Dateâ€ (the â€œOriginal Maturity Dateâ€), Kimco may extend the Maturity Date for the Revolving Credit Facility (the â€œFirst Extension Optionâ€) to the date six (6) months after the Original Maturity Date (the â€œFirst Extended Maturity Dateâ€) subject to the satisfaction on the applicable extension date of each of the applicable Extension Conditions. In addition, Kimco, at its option, may elect to extend the First Extended Maturity Date (the â€œSecond Extension Optionâ€) to the date six (6) months after the First Extended Maturity Date (the â€œSecond Extended Maturity Dateâ€), subject to the satisfaction on the applicable extension date of each of the applicable Extension Conditions, by providing a Maturity Extension Notice to the Administrative Agent not earlier than the date, if any, on which Kimco elects to extend the Original Maturity Date to the First Extended Maturity Date nor later than one (1) month before the First Extended Maturity Date. Each Maturity Extension Notice shall constitute a representation and warranty by Kimco as of the applicable extension date that the Extension Conditions required to be satisfied as of such date (as set forth in the definition of â€œExtension Conditionsâ€) have been satisfied, and shall be accompanied by a certificate of a Responsible Officer of Kimco to such effect. The Administrative Agent shall promptly notify the Lenders of any such extension. Section 10.10 Subsidiary Borrowers and Subsidiary Guarantors. (a) At the election of Kimco at any time and from time to time, upon not less than seven (7) Business Daysâ€™ notice (or 15 daysâ€™ notice in the event the Subsidiary is organized under the laws of a jurisdiction other than the United States (a â€œForeign Subsidiary Borrowerâ€)) to the Administrative Agent, at the time of such election, one or more Wholly Owned Subsidiaries shall become a Borrower hereunder (each, a â€œSubsidiary Borrowerâ€) by Kimco and such Subsidiary Borrowerâ€™s executing and delivering to the Administrative Agent, as applicable, (i) an Adherence Agreement, (ii) an incumbency certificate as to the names, titles and specimen signatures of such Wholly Owned Subsidiaryâ€™s officers or other representatives authorized to act on its behalf in connection with the Revolving Credit Facility, and (iii) if and to the extent generally issued by the applicable jurisdiction, a current good standing certificate as to such Wholly Owned Subsidiary from its jurisdiction of organization and a certified copy of its organizational or constituent documents (such as a certificate or articles of incorporation or formation and by-laws, limited liability company agreement or limited partnership agreement, as applicable); provided that (x) each such Wholly Owned Subsidiary shall satisfy the Baseline Conditions on and as of the date such Wholly Owned Subsidiary delivers its Adherence 118Â Â Â Â Agreement, (y) Kimco shall be deemed to represent and warrant as of such date that such proposed Subsidiary Borrower is a Wholly Owned Subsidiary, and (z) no Subsidiary Borrower shall cease to be a Subsidiary Borrower solely because it ceases to be a Wholly-Owned Subsidiary. Following the giving of any notice pursuant to this Section 10.10(a) and prior to the effectiveness of any such Subsidiary becoming a Subsidiary Borrower, if the designation of such Subsidiary Borrower obligates the Administrative Agent or any Lender to comply with â€œknow your customerâ€ or similar identification procedures in accordance with applicable laws and regulations in circumstances where the necessary information is not already available to it, the applicable Subsidiary Borrower shall, promptly upon the request of the Administrative Agent or such Lender (but only if the Administrative Agent or such Lender shall have made such a request by a date that is no later than five (5) Business Days after the giving of notice pursuant to Section 10.10(a) designating such Subsidiary Borrower), supply such documentation and other evidence as is reasonably and customarily requested by the Administrative Agent or such Lender in order for the Administrative Agent or such Lender to be satisfied (in good faith) it has complied with all necessary â€œknow your customerâ€ or other similar verifications under all applicable laws and regulations. Notwithstanding the foregoing, (x) with respect to any Foreign Subsidiary Borrower, any Lender may, with notice to the Administrative Agent and Kimco, fulfill its Revolving Commitment by causing an Affiliate of such Lender to act as the Lender in respect of such Foreign Subsidiary Borrower (and such Lender shall, to the extent of Loans made to and participations in Letters of Credit issued for the account of such Foreign Subsidiary Borrower, be deemed for all purposes hereof to have pro tanto assigned such Loans and participations to such Affiliate in compliance with the provisions of Section 10.6; and (y) as soon as practicable and in any event within seven (7) Business Days after notice of the designation under this Section of a Foreign Subsidiary Borrower, any Lender that (I) may not legally lend to such Foreign Subsidiary Borrower, or (II) would incur or suffer materially adverse regulatory or legal consequences by lending to such Foreign Subsidiary Borrower and, in either case (I) or (II), is generally not lending to other borrowers similarly situated to such Foreign Subsidiary Borrower (a â€œProtesting Lenderâ€) shall so notify Kimco and the Administrative Agent in writing. With respect to each Protesting Lender, Kimco shall, effective on or before the date that such Foreign Subsidiary Borrower shall have the right to borrow hereunder, either (I) (A) replace such Protesting Lender in accordance with Section 2.15 or (B) notify the Administrative Agent and such Protesting Lender that the Revolving Commitments of such Protesting Lender shall be terminated (whereupon such Revolving Commitments shall be terminated); provided that, in the case of this clause (B), (1) Kimco shall have received the prior written consent of the Administrative Agent and each Issuing Lender, which consents shall not unreasonably be withheld, and (2) such Protesting Lender shall have received payment of an amount equal to the outstanding principal of its Loans (other than Competitive Loans), accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the relevant Borrower (in the case of all other amounts), or (II) cancel its request to designate such Subsidiary as a â€œSubsidiary Borrowerâ€ hereunder. (b) At the election of Kimco at any time and from time to time, at the time of such election, one or more Wholly Owned Subsidiaries shall become a guarantor of the Revolving Credit Facility (each, a â€œSubsidiary Guarantorâ€) by executing and delivering to the Administrative Agent, as applicable, a Subsidiary Guarantee; provided that (x) each such Wholly Owned Subsidiary shall satisfy the Baseline Conditions on and as of the date such Wholly Owned Subsidiary delivers its Subsidiary Guarantee and (y) Kimco shall be deemed to represent and warrant as of such date that such proposed Subsidiary Guarantor is a Wholly Owned Subsidiary. If the designation of such Subsidiary Guarantor obligates the Administrative Agent or any Lender to comply with â€œknow your customerâ€ or similar identification procedures in accordance with applicable laws and regulations in circumstances where the necessary information is not already available to it, the applicable Subsidiary Guarantor shall, promptly upon the request of the Administrative Agent or such Lender, supply such documentation and other evidence as is reasonably and customarily requested by the Administrative Agent or such Lender in order 119Â Â Â Â for the Administrative Agent or such Lender to be satisfied (in good faith) it has complied with all necessary â€œknow your customerâ€ or other similar verifications under all applicable laws and regulations. For the avoidance of doubt, no Wholly Owned Subsidiary that is not a U.S. Person (or, if such Wholly Owned Subsidiary is disregarded as an entity separate from its owner for U.S. federal income tax purposes, has an owner that is not a U.S. Person) shall guarantee any obligation of any Borrower that is a U.S. Person (or, if such Borrower is disregarded as an entity separate from its owner for U.S. federal income tax purposes, of its owner). (c) A Subsidiary Borrower shall be released as a Borrower hereunder upon written request by Kimco; provided that (i) any Loans to and/or other obligations of such Subsidiary Borrower proposed to be released shall have been either (A) repaid (and any outstanding Letters of Credit issued for its account shall have been fully cash collateralized unless Kimco is a co-applicant thereof) or (B) assumed (pursuant to a written agreement reasonably satisfactory in form and substance to the Administrative Agent), concurrently with or prior to such release, by Kimco or by another Subsidiary Borrower (which other Subsidiary Borrower satisfies the Baseline Conditions at the time of such assumption), (ii) there is no Event of Default after giving effect to such release, (iii) Kimco is in compliance with each of the financial covenants set forth in paragraphs (a) through (f) of Section 7.1 if the ratio or amount referred to therein were to be calculated as of such date, but after giving effect to such release (provided that for the purposes of determining such compliance, Gross Asset Value shall be determined for the most recent Test Period as to which a compliance certificate has been delivered pursuant to Section 6.2(b), after giving effect to such release), and (iv) Kimco has furnished to the Administrative Agent a certificate of its chief financial officer or other authorized officer as to the matters referred in the preceding sub-clauses (ii) and (iii) (d) A Subsidiary Guarantor shall be released from any Subsidiary Guarantee upon written request by Kimco; provided that (i) there is no Event of Default after giving effect to such release (including any changes resulting from any Propertyâ€™s ceasing to be an Unencumbered Property if such released guarantor immediately prior to giving effect to such release was an Obligated Property Owner in respect thereof), (ii) Kimco is in compliance with each of the financial covenants set forth in paragraphs (a) through (f) of Section 7.1 if the ratio or amount referred to therein were to be calculated as of such date, but after giving effect to such release (including any changes resulting from any Propertyâ€™s ceasing to be an Unencumbered Property if such released guarantor was an Obligated Property Owner in respect thereof immediately prior to giving effect to such release and provided that for the purposes of determining such compliance, Gross Asset Value shall be determined for the most recent Test Period as to which a compliance certificate has been delivered pursuant to Section 6.2(b)), and (iii) Kimco has furnished to the Administrative Agent a certificate of its chief financial officer or other authorized financial officer as to the matters referred to in the preceding clauses (i) and (ii). Section 10.11 Adjustments; Set-off. (a) If any Lender (a â€œBenefited Lenderâ€) shall at any time receive any payment of all or part of its Tranche A Exposure or Tranche B Exposure, as applicable, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Article VIII(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lenderâ€™s Tranche A Exposure or Tranche B Exposure, as applicable, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lenderâ€™s Tranche A Exposure or Tranche B Exposure, as applicable, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each 120Â Â Â Â of the Lenders; provided that (i) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by any Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Credit Loans or Competitive Loans or participations in respect of Letters of Credit to any assignee or participant, other than to any Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply, except, for the avoidance of doubt, for payments made pursuant to Section 2.15 or Section 10.10(a) hereof). (b) In addition to any rights and remedies of the Lenders provided by law, each Lender and each of its Affiliates shall have the right, without prior notice to the Borrowers any such notice being expressly waived by the Borrowers to the extent permitted by applicable law, upon and during the continuance of any Event of Default, to set off and appropriate and apply against any amounts due hereunder or under any Notes at such time, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, obligations, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any of its Affiliates or any branch or agency thereof to or for the credit or the account of such Borrower. Each Lender agrees promptly to notify the applicable Borrower, the Issuing Lender and the Administrative Agent after any such setoff and application made by such Lender, provided that the failure to give such notice shall not affect the validity of such setoff and application. Section 10.12 Counterparts; Electronic Execution. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts each of which shall constitute an original, but all of which when taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with Kimco, the Issuing Lender and the Administrative Agent. Delivery of an executed counterpart of a signature page of this Agreement by any electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words â€œexecution,â€ â€œsigned,â€ â€œsignature,â€ â€œdelivery,â€ and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Section 10.13 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Section 10.14 Integration. 121Â Â Â Â This Agreement and the other Loan Documents represent the entire agreement of the Borrowers, the Guarantors, the Administrative Agent, the Issuing Lender and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent, the Issuing Lender or any Lender relative to subject matter hereof or thereof not expressly set forth or referred to herein or in the other Loan Documents. Section 10.15 GOVERNING LAW. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Each of the parties hereto hereby irrevocably and unconditionally: (a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in the Borough of Manhattan (or if such court lacks subject matter jurisdiction, the Supreme Court of the State of New York sitting in the Borough of Manhattan), and any appellate court from any thereof; (b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such

court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same; (c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to its address set forth in Section 10.2 or at such other address of which it shall have been notified pursuant thereto; (d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and (e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding in connection with this Agreement or any other Loan Document any special, exemplary, punitive or consequential damages; provided that, nothing in this clause (e) shall relieve a Borrower of any obligation it may have to indemnify a Person who is entitled to indemnification pursuant to Section 10.5(c) against special, indirect, consequential or punitive damages asserted against such Person by a third party. 122Â Â Â Â Section 10.17 Acknowledgments. Each Borrower hereby acknowledges that: (a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents; (b) none of the Administrative Agent, the Lenders or the Issuing Lenders (the â€œCredit Partiesâ€) will have any obligations except those obligations expressly set forth herein and in the other Loan Documents and each Credit Party is acting solely in the capacity of an armâ€™s length contractual counterparty to the Borrowers with respect to the Loan Documents and the transactions contemplated herein and therein and not as a financial advisor or a fiduciary to, or an agent of, the Borrowers or any other Person. Each Borrower agrees that it will not assert any claim against any Credit Party based on an alleged breach of fiduciary duty by such Credit Party in connection with this Agreement and the transactions contemplated hereby; (c) no Credit Party is advising the Borrowers as to any legal, tax, investment, accounting, regulatory or any other matters in any jurisdiction, and the Borrowers shall consult with their own advisors concerning such matters and shall be responsible for making their own independent investigation and appraisal of the transactions contemplated herein or in the other Loan Documents, and the Credit Parties shall have no responsibility or liability to the Borrowers with respect thereto; (d) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Credit Parties or among the Borrowers and the Credit Parties; (e) each Credit Party, together with its Affiliates, is a full service securities or banking firm engaged in securities trading and brokerage activities as well as providing investment banking and other financial services. With respect to any securities and/or financial instruments so held by any Credit Party or any of its customers, all rights in respect of such securities and financial instruments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion; and (f) each Credit Party and its Affiliates may be providing debt financing, equity capital or other services (including financial advisory services) to other companies in respect of which the Borrowers may have conflicting interests regarding the transactions described herein and otherwise. Section 10.18 WAIVERS OF JURY TRIAL. THE BORROWERS, THE ADMINISTRATIVE AGENT, THE ISSUING LENDER AND THE LENDERS HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN. Section 10.19 Confidentiality. Each of the Administrative Agent, the Issuing Lender and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to 123Â Â Â Â its and its Affiliatesâ€™ directors, officers, employees and agents, including accountants, legal counsel, consultants, service providers and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to any regulatory authority or self-regulatory body, to the extent requested thereby, (c) to the extent required by applicable laws or regulations or by any subpoena or similar compulsory legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, (i) to any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to any Borrower and its obligations, (g) with the prior written consent of any Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Issuing Lender or any Lender on a nonconfidential basis from a source other than the Borrowers that is not, to the knowledge of the Administrative Agent, Issuing Lender or such Lender, as applicable, subject to confidentiality obligations to Kimco or any of its Subsidiaries. In addition, the Lead Lenders may disclose the existence of this Agreement and information about this Agreement to data service providers, including league table providers, that serve the lending industry, to the extent such Information is customarily provided by arrangers to such service providers. For the purposes of this Section, â€œInformationâ€ means all information received from the Borrowers or their Subsidiaries relating to any Borrower or any Subsidiary of any Borrower or their respective businesses; provided that in the case of information received from or on behalf of the Borrowers after the date hereof, such information is clearly identified at the time of delivery as confidential. Notwithstanding anything herein to the contrary, â€œInformationâ€ shall not include, and each party hereto may disclose to any and all Persons, without limitation of any kind, any information with respect to the U.S. federal income tax treatment and U.S. federal income tax structure of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to such party relating to such tax treatment and tax structure. Section 10.20 Judgment Currency. (a) The obligations hereunder and under the other Loan Documents of the Borrowers to make payments in Dollars or in an Alternate Currency, as the case may be (the â€œObligation Currencyâ€), shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than the Obligation Currency, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Issuing Lender or a Lender of the full amount of the Obligation Currency expressed to be payable to the Administrative Agent, the Issuing Lender or such Lender under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Borrower in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than the Obligation Currency (such other currency being hereinafter referred to as the â€œJudgment Currencyâ€) an amount due in the Obligation Currency, the conversion shall be made, at the Dollar Equivalent of such amount, in each case, as of the date immediately preceding the day on which the judgment is given (such Business Day being hereinafter referred to as the â€œJudgment Currency Conversion Dateâ€). (b) If there is a change in the rate of exchange prevailing between the Judgment Currency Conversion Date and the date of actual payment of the amount due, the applicable Borrower obligated in respect thereof covenants and agrees to pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount), as may be necessary to ensure that the amount paid in the 124Â Â Â Â Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Judgment Currency Conversion Date. (c) For purposes of determining the Dollar Equivalent under this Section, such amounts shall include any premium and costs payable in connection with the purchase of the Obligation Currency. Section 10.21 USA Patriot Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the â€œPatriot Actâ€), hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender to identify the Loan Parties in accordance with the Patriot Act. Section 10.22 Sharing Event. (a) Upon the occurrence of a Sharing Event, automatically (and without the taking of any action) (x) all then outstanding Term Benchmark Loans and RFR Loans denominated in an Alternate Currency shall be automatically converted into Loans denominated in Dollars (in an amount equal to the Dollar Equivalent, as determined by the Administrative Agent in accordance with this Agreement, of the aggregate principal amount of such Term Benchmark Loans and RFR Loans on the date such Sharing Event first occurred, which Loans denominated in Dollars (i) shall thereafter be deemed to be ABR Loans and (ii) shall be immediately due and payable on the date such Sharing Event occurred) and (y) all accrued and unpaid interest and other amounts owing with respect to such Term Benchmark Loans and RFR Loans shall be immediately due and payable in Dollars, in an amount equal to the Dollar Equivalent of such accrued and unpaid interest and other amounts. (b) Upon the occurrence of a Sharing Event, and after giving effect to any automatic conversion pursuant to Section 10.22(a), each Lender shall (and hereby unconditionally and irrevocably agrees to) purchase and sell (in each case in Dollars) undivided participating interests in all Loans (other than Competitive Rate Loans) outstanding to, and any unpaid amounts the Issuing Lender has disbursed under a Letter of Credit owing by, any Borrower in amounts such that each Lender shall have a share of the outstanding Loans (other than Competitive Loans) and unpaid amounts the Issuing Lender has disbursed under a Letter of Credit then owing by any Borrower equal to its Applicable Percentage of the Revolving Commitments (although if because of fluctuations in currency exchange rates any Lender would be required to purchase such participations after giving effect to which such Lenderâ€™s Loans and Letter of Credit participations (including participations therein purchased pursuant to this Section) would exceed such Lenderâ€™s Revolving Commitment, then such participations shall be in an amount after giving effect to which such Lenderâ€™s Loans and Letter of Credit participations (including participations therein purchased pursuant to this Section) would equal such Lenderâ€™s Revolving Commitment). Upon any such occurrence, the Administrative Agent shall notify each Lender and shall specify the amount of Dollars required from such Lender in order to effect the purchases and sales by the various Lenders of participating interests in the amounts required above (together with accrued interest with respect to the period for the last Interest Payment Date through the date of the Sharing Event); provided that, in the event that a Sharing Event shall have occurred, each Lender shall be deemed to have purchased, automatically and without request, such participating interests. Promptly upon receipt of such request, 125Â Â Â Â each Lender shall deliver to the Administrative Agent (in immediately available funds in Dollars) the net amounts as specified by the Administrative Agent. The Administrative Agent shall promptly deliver the amounts so received to the various Lenders in such amounts as are needed to effect the purchases and sales of participations as provided above. Promptly following receipt thereof, each Lender which has sold participations in any of its Loans and Letter of Credit participations (through the Administrative Agent) will deliver to each Lender (through the Administrative Agent) which has so purchased a participating interest a participation certificate dated the date of receipt of such funds and in such amount. It is understood that the amount of funds delivered by each Lender shall be calculated on a net basis, giving effect to both the sales and purchases of participations by the various Lenders as required above. (c) Upon the occurrence of a Sharing Event, (i) no further Loans shall be made, (ii) all amounts from time to time accruing with respect to, and all amounts from time to time payable on account of, any outstanding Term Benchmark Loans and RFR Loans denominated in any Alternate Currency (including any interest and other amounts which were accrued but unpaid on the date of such purchase) shall be converted to Loans denominated in Dollars in accordance with Section 10.22(a) and be payable immediately in Dollars as if such Term Benchmark Loans and RFR Loans had originally been made in Dollars and shall be distributed by the relevant Lenders (or their affiliates) to the Administrative Agent for the account of the Lenders which made such Loans or are participating therein and (iii) the Revolving Commitments of the Lenders shall be automatically terminated. Notwithstanding anything to the contrary contained above, the failure of any Lender to purchase its participating interest in any Loans upon the occurrence of a Sharing Event shall not relieve any other Lender of its obligation hereunder to purchase its participating interests in a timely manner, but no Lender shall be responsible for the failure of any other Lender to purchase the participating interest to be purchased by such other Lender on any date. (d) If any amount required to be paid by any Lender pursuant to Section 10.22(b) is not paid to the Administrative Agent within one (1) Business Day following the date upon which such Lender receives notice from the Administrative Agent of the amount of its participations required to be purchased pursuant to said Section, such Lender shall also pay to the Administrative Agent on demand an amount equal to the product of (i) the amount so required to be paid by such Lender for the purchase of its participations times (ii) the daily average Federal Funds Effective Rate during the period from and including the date of request for payment to the date on which such payment is immediately available to the Administrative Agent times (iii) a fraction the numerator of which is the number of days that elapsed during such period and the denominator of which is 360. If any such amount required to be paid by any Lender pursuant to Section 10.22(b) is not in fact made available to the Administrative Agent within three (3) Business Days following the date upon which such Lender receives notice from the Administrative Agent as to the amount of participations required to be purchased by it, the Administrative Agent shall be entitled to recover from such Lender on demand, such amount with interest thereon calculated from such request date at the rate per annum applicable to ABR Loans hereunder. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts payable by any Lender pursuant to this Section shall be deemed conclusive absent manifest error. Amounts payable under this Section shall be paid to the Administrative Agent for the account of the relevant Lenders; provided that, if the Administrative Agent (in its sole discretion) has elected to fund on behalf of such Lender the amounts owing to such Lenders, then the amounts shall be paid to the Administrative Agent for its own account. (e) Whenever, at any time after the relevant Lenders have received from any Lenders purchases of participations in any Loans pursuant to this Section, the Lenders receive any payment on account thereof, such Lenders will distribute to the Administrative Agent, for the account of the various Lenders participating therein, such Lendersâ€™ participating interests in such amounts (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such participations were outstanding) in like funds as received; provided, that in the event that such payment received by any 126Â Â Â Â Lenders are required to be returned, the Lenders who received previous distributions in respect of their participating interests therein will return to the respective Lenders any portion thereof previously so distributed to them in like funds as such payment is required to be returned by the respective Lenders. (f) Each Lenderâ€™s obligation to purchase participating interests pursuant to this Section shall be absolute and unconditional and shall not be affected by any circumstances including (i) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against any other Lender, any Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of an Event of Default, (iii) any adverse change in the condition (financial or otherwise) of Kimco or any other Person, (iv) any breach of this Agreement by Kimco, any of its Subsidiaries or any Lender or any other Person, or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. (g) Notwithstanding anything to the contrary contained elsewhere in this Agreement, upon any purchase of participations as required above, each Lender which has purchased such participations shall be entitled to receive from the applicable Borrower any increased costs and indemnities directly from the applicable Borrower to the same extent as if it were the direct Lender as opposed to a participant therein. Each Borrower acknowledges and agrees that, upon the occurrence of a Sharing Event and after giving effect to the requirements of this Section, increased taxes may be owing by such Borrower pursuant to Section 2.12, which taxes shall be paid (to the extent provided in Section 2.12) by such Borrower, without any claim that the increased taxes are not payable because same resulted from the participations effected as otherwise required by this Section. Section 10.23 Amendment and Restatement; Transitional Agreements. This Agreement shall, upon the effectiveness of the amendment and restatement contemplated hereby, replace and supersede the Existing Revolving Credit Agreement in its entirety, except as expressly provided in this Section 10.23. For the avoidance of doubt, each of the parties hereto (including JPMorgan Chase Bank, N.A., in its capacities as administrative agent under the Existing Revolving Credit Agreement and under this Agreement) understands and agrees that, upon the effectiveness of the amendment and restatement contemplated hereby, without any further action, (a) the commitments of the Existing Revolving Lenders and the Existing Issuing Lender to make any loans or advance any credit, including letters of credit, as applicable, under the Existing Revolving Credit Agreement or under any other Existing Loan Document shall be terminated, (b) any reimbursement obligations of the Existing Revolving Lenders to the Existing Issuing Lender and any obligations of the Existing Revolving Lenders to purchase participations in the Existing Issuing Lenderâ€™s obligations and rights in respect of each existing Letter of Credit shall be terminated (subject to Section 3.10), (c) excluding those obligations that are specified in the Existing Revolving Credit Agreement or in any of the other Existing Loan Documents as surviving that respective agreementâ€™s termination (which, as so specified, shall survive without prejudice and remain in full force and effect), all Existing Obligations and all Existing Guaranteed Obligations shall be deemed paid in full, released and discharged, (d) the Lenders party hereto shall have Revolving Commitments in the amounts set forth in Schedule 1.1A, (e) the â€œRevolving Credit Loansâ€ outstanding under the Existing Revolving Credit Agreement shall become Revolving Credit Loans under this Agreement, and (f) the Lendersâ€™ interests in the Revolving Credit Loans and participations in the Letters of Credit shall be reallocated and continued in a cashless roll transaction on the Effective Date ratably in accordance with each Lenderâ€™s applicable Revolving Commitments, and the Lenders shall make such purchases of Revolving Credit Loans from each other as necessary to effect such reallocation. As soon as reasonably practicable after its receipt of any Note requested by a Lender hereunder on the Effective Date, to the extent such Lender was a party to the Existing Revolving Credit Agreement and had a promissory note issued to such Lender under the terms of 127Â Â Â Â the Existing Revolving Credit Agreement, such Lender will promptly return to the Borrowers, marked â€œSubstitutedâ€ or â€œCancelledâ€, as the case may be, any promissory notes of the

Borrowers held by such Lender pursuant to the Existing Revolving Credit Agreement. Each Lender party to this Agreement that was a party to the Existing Revolving Credit Agreement hereby waives its rights to indemnification pursuant to Section 2.13 in connection with prepayment or conversion of any Term Benchmark Loans or RFR Loans as a result of any prepayment or conversion of Revolving Credit Loans on the Effective Date or the reallocation of the Revolving Credit Loans on the Effective Date described above. Section 10.24 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of nonâ€'usurious interest permitted by applicable law (the â€œMaximum Rateâ€). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the applicable Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder. Section 10.25 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority. Section 10.26 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Agreements or any other agreement or instrument that is a QFC (such support â€œQFC Credit Supportâ€ and each such QFC a â€œSupported QFCâ€), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal 128Â Â Â Â Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the â€œU.S. Special Resolution Regimesâ€) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States): In the event a Covered Entity that is party to a Supported QFC (each, a â€œCovered Partyâ€) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support. As used in this Section 10.26, the following terms have the following meanings: â€œBHC Act Affiliateâ€ of a party means an â€œaffiliateâ€™ (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party. â€œCovered Entityâ€ means any of the following: (i) a â€œcovered entityâ€ as that term is defined in, and interpreted in accordance with, 12 C.F.R. Â§ 252.82(b); (ii) a â€œcovered bankâ€ as that term is defined in, and interpreted in accordance with, 12 C.F.R. Â§ 47.3(b); or (iii) a â€œcovered FSIâ€ as that term is defined in, and interpreted in accordance with, 12 C.F.R. Â§ 382.2(b). â€œDefault Rightâ€ has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. Â§Â§ 252.81, 47.2 or 382.1, as applicable. â€œQFCâ€ has the meaning assigned to the term â€œqualified financial contractâ€ in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D). Article XIGUARANTEE BY KIMCO Section 11.1 Guarantee. 129Â Â Â Â In order to induce the Lenders to extend credit hereunder, Kimco hereby irrevocably and unconditionally guarantees to the Administrative Agent for the benefit of the Lender Parties and the Administrative Agent, as a primary obligor and not merely as a surety, the due and punctual payment of all Obligations of all the Subsidiary Borrowers (collectively, the â€œGuaranteed Obligationsâ€). Kimco agrees that the Guaranteed Obligations may be extended or renewed, in whole or in part, without notice to or further assent from it, and that it will remain bound upon its guarantee notwithstanding any extension or renewal of any Guaranteed Obligations. Each and every default in payment or performance on any Guaranteed Obligation shall give rise to a separate cause of action hereunder, and separate suits may be brought hereunder as each cause of action arises. Section 11.2 Guaranteed Obligations Not Waived. To the fullest extent permitted by applicable law, Kimco waives presentment to, demand of payment from and protest to any Subsidiary Borrower or to any other guarantor of any of the Guaranteed Obligations, and also waives notice of acceptance of its guarantee and notice of protest for nonpayment. To the fullest extent permitted by applicable law, the obligations of Kimco hereunder shall not be affected by (a) the failure of any Lender Party to assert any claim or demand or to enforce or exercise any right or remedy against the applicable Borrower or any other Loan Party under the provisions of the Loan Documents or otherwise; (b) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of any Loan Document or any other agreement; (c) the failure or delay of any Lender Party for any reason whatsoever to exercise any right or remedy against any other guarantor of the Obligations; (d) the failure of any Lender Party to assert any claim or demand or to enforce any remedy under any Loan Document, any guarantee or any other agreement or instrument; (e) any default, failure or delay, willful or otherwise, in the performance of any Guaranteed Obligations; (f) any change in the corporate existence or structure of any Borrower; (g) the existence of any claims or set-off rights that Kimco may have; (h) any law, regulation, decree or order of any jurisdiction or any event affecting any term of a guaranteed obligation; or (i) any other act, omission or delay to do any other act which may or might in any manner or to any extent vary the risk of Kimco or otherwise operate as a discharge or exoneration of Kimco as a matter of law or equity or which would impair or eliminate any right of Kimco to subrogation. Section 11.3 Guarantee of Payment. Kimco agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, that such guarantee may be enforced at any time and from time to time, on one or more occasions, during the continuance of any Event of Default, without any prior demand or enforcement in respect of any Guaranteed Obligations, and that Kimco waives any right to require that any resort be had by any Lender Party to any other Guarantor or other guarantee, or to any security held for payment of any Guaranteed Obligations. The solicitation of, or the delivery by Kimco of, any confirmation or reaffirmation of this Agreement under any circumstance shall not give rise to any inference as to the continued effectiveness of this Agreement in any other circumstance in which the confirmation or reaffirmation hereof has not been solicited or has not been delivered (whether or not solicited), and the obligations of Kimco hereunder shall continue in effect as herein provided notwithstanding any solicitation or delivery of any confirmation or reaffirmation hereof, or any failure to solicit or to deliver any such confirmation or reaffirmation, under any circumstances. This is a continuing guaranty of the payment of all Guaranteed Obligations. Section 11.4 No Discharge or Diminishment of Guarantee. 130Â Â Â Â The obligations of Kimco under this guarantee shall not be subject to any reduction, limitation, impairment or termination for any reason (other than the payment in full in cash of the Guaranteed Obligations), including any claim of waiver, release, surrender, amendment, modification, alteration or compromise of any of the Guaranteed Obligations or of any collateral security or guarantee or other accommodation in respect thereof, and shall not be subject to any defense or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or any Loan Document or any provision thereof (or of this Agreement or any provision hereof) or otherwise. Without limiting the generality of the foregoing, the obligations of Kimco under this guarantee shall not be discharged or impaired or otherwise affected by any change of location, form or jurisdiction of any Subsidiary Borrower or any other Person, any merger, consolidation or amalgamation of any Subsidiary Borrower or any other Person into or with any other Person, any sale, lease or transfer of any of the assets of any Subsidiary Borrower or any other Person to any other Person, any other change of form, structure, or status under any law in respect of any Subsidiary Borrower or any other Person, or any other occurrence, circumstance, happening or event whatsoever, whether similar or dissimilar to the foregoing, whether foreseen or unforeseen, that might otherwise constitute a legal or equitable defense, release, exoneration, or discharge or that might otherwise limit recourse against any Subsidiary Borrower or Kimco or any other Person. The obligations of Kimco under this guarantee shall extend to all Guaranteed Obligations without limitation of amount, and Kimco agrees that it shall be obligated to honor its guarantee hereunder whether or not any other Guarantor (i) has been called to honor its guarantee, (ii) has failed to honor its guarantee in whole or in part, or (iii) has been released for any reason whatsoever from its obligations under its guarantee. Section 11.5 Defenses Waived; Maturity of Guaranteed Obligations. To the fullest extent permitted by applicable law, Kimco waives any defense based on or arising out of any defense of any Subsidiary Borrower or any other guarantor or the unenforceability of the Guaranteed Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Subsidiary Borrower, other than the final payment in full in cash of the Guaranteed Obligations. The Lender Parties may, at their election, compromise or adjust any part of the Guaranteed Obligations, make any other accommodation with any Subsidiary Borrower or any other Person (including any other Guarantor) or exercise any other right or remedy available to them against such Subsidiary Borrower or any other Person (including any other Guarantor), without affecting or impairing in any way the liability of any Guarantor hereunder except to the extent the Guaranteed Obligations have been fully and finally paid in cash. To the fullest extent permitted by applicable law, Kimco waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of Kimco against any Subsidiary Borrower or any other Person, as the case may be, or any security. Kimco agrees that, as between Kimco, on the one hand, and the Lender Parties, on the other hand, (i) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated for the purposes of Kimcoâ€™s guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration as to any Subsidiary Borrower in respect of the Guaranteed Obligations guaranteed hereby (other than any notices and cure periods expressly granted to any Subsidiary Borrower in this Agreement or any other Loan Document evidencing or securing the Guaranteed Obligations) and (ii) in the event of any such acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable in full by Kimco for purposes of this Agreement. Section 11.6 Agreement to Pay; Subordination. In furtherance of the foregoing and not in limitation of any other right that any Lender Party has at law or in equity against Kimco by virtue hereof, upon the failure of any Subsidiary Borrower 131Â Â Â Â to pay (after the giving of any required notice and the expiration of any cure period expressly granted to such Subsidiary Borrower in this Agreement or any other Loan Document evidencing any Guaranteed Obligation) any Guaranteed Obligation when and as the same shall become due, whether at maturity, upon mandatory prepayment, by acceleration, after notice of prepayment or otherwise, Kimco hereby promises to and will forthwith pay, or cause to be paid, to the Administrative Agent for the benefit of the Lender Parties, in cash the amount of such unpaid Guaranteed Obligation. Upon payment by Kimco of any sums as provided above, all rights of Kimco against the applicable Subsidiary Borrower or any other Person arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subordinate and junior in right of payment to the prior payment in full in cash of all the Guaranteed Obligations. In addition, any indebtedness of any Subsidiary Borrower now or hereafter held by Kimco is hereby subordinated in right of payment to the prior payment in full in cash of the Guaranteed Obligations. If any amount shall erroneously be paid to Kimco on account of (i) such subrogation, contribution, reimbursement, indemnity or similar right or (ii) any such indebtedness of any Subsidiary Borrower, such amount shall be held in trust for the benefit of the Lender Parties and shall forthwith be paid to the Administrative Agent to be credited against the payment of the Guaranteed Obligations, whether matured or unmatured. Section 11.7 Reinstatement. Kimco further agrees that its obligations hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Guaranteed Obligation is rescinded or must otherwise be restored by any Lender Party upon the bankruptcy or reorganization of any Subsidiary Borrower or otherwise. Nothing shall discharge or satisfy the liability of Kimco hereunder except the full performance and payment in full in cash of the Guaranteed Obligations. Section 11.8 Information. Kimco assumes all responsibility for being and keeping itself informed of the Subsidiary Borrowersâ€™ financial condition and assets, and of all other circumstances bearing upon the nature, scope and extent of the risks that Kimco assumes and incurs hereunder, and agrees that neither the Administrative Agent nor any other Lender Party will have any duty to advise Kimco of information now or hereafter known to it or any of them regarding any of the foregoing. Business and OrganizationKimco Realty Corporation and its subsidiaries (the â€œParent Companyâ€) operates as a Real Estate Investment Trust ("REIT"), of which substantially all of the Parent Companyâ€™s assets are held by, and substantially all of the Parent Companyâ€™s operations are conducted through, Kimco Realty OP, LLC (â€œKimco OPâ€), either directly or through its subsidiaries, as the Parent Companyâ€™s operating company. The Parent Company is the managing member and exercises exclusive control over Kimco OP. As of June 30, 2024, the Parent Company owned 99.84% of the outstanding limited liability company interests (the "OP Units") in Kimco OP. The terms â€œKimcoâ€, â€œthe Companyâ€ and â€œourâ€ each refer to the Parent Company and Kimco OP, collectively, unless the context indicates otherwise. In statements regarding qualification as a REIT, such terms refer solely to Kimco Realty Corporation.The Company is North Americaâ€™s largest publicly traded owner and operator of open-air, grocery-anchored shopping centers and a growing portfolio of mixed-use assets. The Companyâ€™s portfolio is primarily concentrated in the first-ring suburbs of the top major metropolitan markets, including those in high-barrier-to-entry coastal markets and rapidly expanding Sun Belt cities, with a tenant mix focused on essential, necessity-based goods and services that drive multiple shopping trips per week. The Company, its affiliates and related real estate joint ventures are engaged principally in the ownership, management, development and operation of open-air shopping centers, including mixed-use assets, which are anchored primarily by grocery stores, off-price retailers, discounters or service-oriented tenants. Additionally, the Company provides complementary services that capitalize on the Companyâ€™s established retail real estate expertise. The Companyâ€™s mission is to create destinations for everyday living that inspire a sense of community and deliver value to our many stakeholders. The Company evaluates performance on a property specific or transactional basis and does not distinguish its principal business or group its operations on a geographical basis for purposes of measuring performance. Accordingly, the Company believes it has a single reportable segment for disclosure purposes in accordance with accounting principles generally accepted in the United States of America (â€œGAAPâ€).The Company elected status as a REIT for federal income tax purposes commencing with its taxable year which began January 1, 1992 and operates in a manner that enables the Company to maintain its status as a REIT. To qualify as a REIT, the Company must meet several organizational and operational requirements, and is required to annually distribute at least 90% of its net taxable income, determined without regard to the dividends paid deduction and excluding any net capital gain. In addition, the Company will be subject to federal income tax at regular corporate rates to the extent that it distributes less than 100% of its net taxable income, including any net capital gains. In January 2023, the Company consummated the Reorganization into an UPREIT structure as described in the Explanatory Note at the beginning of this Quarterly Report on Form 10-Q. If, as the Company believes, it is organized and operates in such a manner so as to qualify and remain qualified as a REIT under the Code, the Company, generally, will not be subject to U.S. federal income tax, provided that distributions to its stockholders equal at least the amount of its REIT taxable income, as defined in the Code. The Company maintains certain subsidiaries that have made joint elections with the Company to be treated as taxable REIT subsidiaries (â€œTRSsâ€), that permit the Company to engage through such TRSs in certain business activities that the REIT may not conduct directly. A TRS is subject to federal and state income taxes on its income, and the Company includes, when applicable, a provision for taxes in its condensed consolidated financial statements. RPT MergerOn August 28, 2023, the Company and RPT Realty (â€œRPTâ€) announced that they had entered into a definitive merger agreement (the â€œMerger Agreementâ€) pursuant to which the Company would acquire RPT through a series of mergers (collectively, the â€œRPT Mergerâ€). On January 2, 2024, RPT merged with and into the Company, with the Company continuing as the surviving public company. The RPT Merger added 56 open-air shopping centers, 43 of which are wholly owned and 13 of which are owned through a joint venture, comprising 13.3 million square feet of gross leasable area (â€œGLAâ€). In addition, as a result of the RPT Merger, the Company obtained RPTâ€™s 6% stake in a 49-property net lease joint venture.Under the terms of the Merger Agreement, each RPT common share was converted into 0.6049 of a newly issued share of the Companyâ€™s common stock, together with cash in lieu of fractional shares, and each 7.25% Series D Cumulative Convertible Perpetual Preferred Share of RPT was converted into the right to receive one depositary share representing one one-thousandth of a share of the Companyâ€™s newly issued 7.25% Class N Cumulative Convertible Perpetual Preferred Stock, par value $1.00 per share (â€œClass N Preferred Stockâ€). During the six months ended June 30, 2024, the Company incurred expenses of $25.2 million associated with the RPT Merger, primarily comprised of severance, legal and professional fees. See Footnote 3 of the Notes to Condensed Consolidated Financial Statements for further details.Economic ConditionsThe economy continues to face several issues including inflation risk, liquidity constraints, a lack of qualified employees, tenant bankruptcies and supply chain disruptions, which could impact the Company and its tenants. In response to the rising rate of inflation the Federal Reserve steadily increased interest rates in 2022 and 2023 and has kept them at increased levels. The Federal Reserve may continue to increase interest rates or maintain these increased levels, until the rate of inflation begins to decrease. These increased interest rates could adversely impact the business and financial results of the Company and its tenants. In addition, slower economic growth and the potential for a recession could have an adverse effect on the Company and its tenants. This could negatively affect the overall demand for retail space, including the demand for leasable space in the Companyâ€™s properties. Any of these events could materially adversely impact the Companyâ€™s business, financial condition, results of operations or stock price. The Company continues to monitor economic, financial, and social conditions and will assess its asset portfolio for any impairment indicators. If the Company determines that any of its assets are impaired, the Company would be required to take impairment charges, and such amounts could be material. Summary of Significant Accounting PoliciesBasis of PresentationThis report combines the quarterly reports on Form 10-Q for the quarterly period ended June 30, 2024, of the Parent Company and Kimco OP into this single report. The accompanying Condensed Consolidated Financial Statements include the accounts of the Parent Company and Kimco OP and their consolidated subsidiaries. The Reorganization resulted in a merger of entities under common control in accordance with GAAP. The Companyâ€™s subsidiaries include subsidiaries which are wholly owned or which the Company has a controlling interest, including where the Company has been determined to be a primary beneficiary of a variable interest entity (â€œVIEâ€) in accordance with the consolidation guidance of the Financial Accounting Standards Board (â€œFASBâ€) Accounting Standards Codification (â€œASCâ€). The Parent Company serves as the general member of Kimco OP. The limited members of Kimco OP have limited rights over Kimco OP and do not have the power to direct the activities that most significantly impact Kimco OPâ€™s economic performance. As such, Kimco OP is considered a VIE, and the Parent Company, which consolidates it, is the primary beneficiary. All inter-company balances and transactions have been eliminated in consolidation. The information presented in the accompanying Condensed Consolidated Financial Statements is unaudited and reflects all adjustments which are, in the opinion of management, necessary to reflect a fair statement of the results for the interim periods presented, and all such adjustments are of a normal recurring nature. Amounts as of December 31, 2023 included in the Condensed Consolidated Financial Statements have been derived from the audited Consolidated Financial Statements as of that date, but does not include all annual disclosures required by GAAP. These Condensed Consolidated Financial Statements should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2023, as certain disclosures in this Quarterly Report that would duplicate those included in such Annual Report on Form 10-K are not included in these Condensed Consolidated Financial Statements.On January 2, 2024, the Parent Company, as managing member of Kimco OP, entered into an amended and restated limited liability company agreement of Kimco OP (the â€œAmended and Restated Limited Liability Company Agreementâ€), providing for, among other things, the creation of Class N Preferred Units of Kimco OP, having the preferences, rights and limitations set forth therein, and certain modifications to the provisions regarding LTIP Units (as defined in the Amended and Restated Limited Liability Company Agreement), including provisions governing distribution and tax allocation requirements and the procedures for converting LTIP Units.Subsequent EventsThe Company has evaluated subsequent events and transactions for potential recognition or disclosure in its Condensed Consolidated Financial Statements (See Footnote 11 of the Notes to Condensed Consolidated Financial Statements). New Accounting PronouncementsThe following table represents Accounting Standards Updates (â€œASUsâ€) to the FASBâ€™s ASC that, as of June 30, 2024, are not yet effective for the Company and for which the Company has not elected early adoption, where permitted:Â ASU Description Effective Date Effect on the financial statements or other significant matters ASU 2023-07, SegmentReporting (Topic 280):Improvements to Reportable Segment Disclosures The amendments in this ASU improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. In addition, the amendments enhance interim disclosure requirements, clarify circumstances in which an entity can disclose multiple segment measures of profit or loss, provide new segment disclosure requirements for entities with a single reportable segment, and contain other disclosure requirements. Annual fiscal yearsbeginning January 1, 2024, and interim periods for fiscal years beginning January 1, 2025Í¾ Early adoption permitted There are aspects of this ASU that apply to entities with one reportable segment. The Company will review the extent of new disclosures necessary prior to implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations.Â ASU 2023-05, Business Combinations â€“ Joint Venture Formations (Subtopic 805-60): Recognition and Initial Measurement The amendments in this ASU address the accounting for contributions made to a joint venture, upon formation, in a joint ventureâ€™s separate financial statements. To reduce diversity in practice and provide decision-useful information to a joint ventureâ€™s investors, these amendments require that a joint venture apply a new basis of accounting upon formation. By applying a new basis of accounting, a joint venture, upon formation, will recognize and initially measure its assets and liabilities at fair value (with exceptions to fair value measurement that are consistent with the business combinations guidance). Additionally, existing joint ventures have the option to apply the guidance retrospectively.Â January 1, 2025; Early adoption permitted This ASU does not impact accounting for joint ventures by the venturers. As such, the Company does not expect the adoption of this ASU will have a material impact on the Companyâ€™s financial position and/or results of operations. ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures This ASU requires entities to provide additional information in the rate reconciliation and additional disclosures about income taxes paid. The guidance requires public business entities to disclose in their rate reconciliation table additional categories of information about federal, state and foreign income taxes and to provide more details about the reconciling items in some categories if the items meet a quantitative threshold. The guidance requires all entities annually to disclose income taxes paid (net of refunds received) disaggregated by federal (national), state and foreign taxes and to disaggregate the information by jurisdiction based on a quantitative threshold.Â Annual fiscal yearsbeginning January 1, 2025, and interim periods for fiscal years beginning January 1, 2026Í¾ Early adoption permitted The Company will review the extent of new disclosures necessary prior to

implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations. ASU 2024-01, Compensation - Stock Compensation (Topic 718) The amendments in this ASU clarify how to determine whether profits interest and similar awards should be accounted for as a share-based payment arrangement (ASC 718) or as a cash bonus or profit-sharing arrangement (ASC 710, Compensation - General, or other guidance) and applies to all reporting entities that account for profits interest awards as compensation to employees or non-employees. In addition to the illustrative guidance, this ASU modifies the language in paragraph 718-10-15-3 to improve its clarity and operability without changing the guidance. The amendments should be applied either retrospectively to all prior periods presented in the financial statements, or prospectively to profits interests and similar awards granted or modified on or after the adoption date. January 1, 2025; Early adoption permitted The Company does not expect the adoption of this ASU to have a material impact on the Companyâ€™s financial position and/or results of operations. Â The following ASU to the FASBâ€™s ASC has been adopted by the Company as of the date listed:Â ASU Description Adoption Date Effect on the financial statements or other significant matters ASU 2022-03, Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions This ASU clarifies the guidance in Topic 820, Fair Value Measurement, when measuring the fair value of an equity security subject to contractual restrictions that prohibit the sale of an equity security and provides new disclosure requirements for equity securities subject to contractual sale restrictions that are measured at fair value in accordance with Topic 820.Â January 1, 2024Â The adoptionÃ of this ASU did notÂ have a material impact on the Companyâ€™s financial position and/or results of operations.Â Â Regulatory UpdateOn March 6, 2024, the Securities and Exchange Commission (â€œSECâ€) adopted final rules that will require registrants to disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts, descriptions of board oversight and risk management activities, and any material climate-related targets or goals. The landmark rules also will require accelerated and large accelerated filers to disclose material Scope 1 and Scope 2 greenhouse gas emissions. These disclosures will be subject to independent third-party assurance. Registrants will also have to disclose, among other things, certain effects of severe weather events and other natural conditions and amounts related to carbon offsets and renewable energy credits or certificates in their audited financial statements. On March 15, 2024, a federal appellate court imposed a temporary stay pending judicial review of these new rules. The SEC voluntarily stayed its recently adopted climate disclosure rules pending the completion of judicial review. The Company plans to comply with the disclosure requirements of the final rules when they become effective, and are currently evaluating the impact these final rules will have on the Companyâ€™s SEC filings and related disclosures. Hedging Activities Disclosure [Abstract] Â Derivatives 12. Derivatives Derivative Instruments & Hedging ActivitiesThe Company is exposed to certain risks arising from both its business operations and economic conditions. The Company manages economic risks, including interest rate, liquidity, and credit risks primarily by managing the amount, sources, and duration of its debt funding and the use of derivative financial instruments. Specifically, the Company may use derivatives to manage exposures that arise from changes in interest rates and limits the risk by following established risk management policies and procedures, including the use of derivatives.On January 2, 2024, the Company entered into 21 interest rate swap agreements with notional amounts aggregating to $510.0 million. The interest rate swap agreements are designated as cash flow hedges and are held by the Company to reduce the impact of changes in interest rates on variable rate debt. The differential between fixed and variable rates to be paid or received is accrued, as interest rates change, and recognized as interest expense in the Companyâ€™s Condensed Consolidated Statements of Income. If the hedges are deemed to be effective, the fair value is included within the Accumulated other comprehensive income ("AOCI") on the Companyâ€™s Condensed Consolidated Balance Sheets, and subsequently reclassified into earnings in the period that the hedged forecasted transaction affects earnings. As of June 30, 2024, all interest rate swaps were deemed effective and are therefore included within AOCI. As of June 30, 2024, the Company expects approximately $6.1 million of accumulated comprehensive income on derivative instruments to be reclassified into earnings as a reduction to interest expense during the next 12 months.The interest rate swaps are measured at fair value using the market standard methodology of netting the discounted future fixed cash receipts (or payments) and the discounted expected variable cash payments (or receipts). The variable cash payments (or receipts) are based on an expectation of future interest rates (forward curves) derived from observable market interest rate curves. The Company classifies the interest rate swaps as Level 2 and are measured on a recurring basis. Noncontrolling InterestsNoncontrolling interests represent the portion of equity that the Company does not own in those entities it consolidates as a result of having a controlling interest or having determined that the Company was the primary beneficiary of a VIE in accordance with the provisions of the FASBâ€™s Consolidation guidance. The Company accounts and reports for noncontrolling interests in accordance with the Consolidation guidance and the Distinguishing Liabilities from Equity guidance issued by the FASB. The Company identifies its noncontrolling interests separately within the equity section on the Companyâ€™s Condensed Consolidated Balance Sheets. The amounts of consolidated net income attributable to the Company and to the noncontrolling interests are presented separately on the Companyâ€™s Condensed Consolidated Statements of Income.In connection with the RPT Merger, the Parent Company issued 953,400 OP units in Kimco OP, which had a fair market value of $21.0 million. Upon consummation of the RPT Merger, the Parent Company owned 99.86% of the outstanding OP Units in Kimco OP, which is no longer a disregarded entity for federal income tax purposes. In addition, during the six months ended June 30, 2024, the Parent Company issued 326,140 long term incentive plan units (â€œLTIP Unitsâ€) OP Units. See Footnote 16 of the Notes to Condensed Consolidated Financial Statements for further disclosure. As of June 30, 2024, the Parent Company owned 99.84% of the outstanding OP units in Kimco OP.The Company owns eight shopping center properties located in Long Island, NY, which were acquired during 2022, partially through the issuance of $122.1 million of Preferred Outside Partner Units and $13.6 million of Common Outside Partner Units. The noncontrolling interest is classified as mezzanine equity and included in Redeemable noncontrolling interests on the Companyâ€™s Condensed Consolidated Balance Sheets as a result of the put right available to the unit holders, an event that is not solely in the Companyâ€™s control. During 2024, 101,369 Preferred Outside Partner Units and 3,441 Common Outside Partner Units were redeemed for cash of $2.1 million, in separate transactions. These transactions resulted in a net decrease in Redeemable noncontrolling interests of $1.3 million and a decrease in the embedded derivative liability in Other liabilities of $0.8 million on the Companyâ€™s Condensed Consolidated Balance Sheets. As of June 30, 2024, the Outside Partner Units related to these acquisitions total $93.0 million, including noncontrolling interests of $59.8 million and an embedded derivative liability associated with put and call options of these unitholders of $33.2 million. Variable Interest EntitiesConsolidated Operating PropertiesIncluded within the Companyâ€™s operating properties at June 30, 2024 and December 31, 2023 are 30 consolidated entities, that are VIEs for which the Company is the primary beneficiary. These entities have been established to own and operate real estate property. The Companyâ€™s involvement with these entities is through its majority ownership and management of the properties. The entities were deemed VIEs primarily because the unrelated investors do not have substantive kick-out rights to remove the general or managing partner by a vote of a simple majority or less, and they do not have substantive participating rights. The Company determined that it was the primary beneficiary of these VIEs as a result of its controlling financial interest. At June 30, 2024, total assets of these VIEs were $1.7 billion, and total liabilities were $167.9 million. At December 31, 2023, total assets of these VIEs were $1.8 billion, and total liabilities were $180.9 million.The majority of the operations of these VIEs are funded with cash flows generated from the properties. The Company has not provided financial support to any of these VIEs that it was not previously contractually required to provide, which consists primarily of funding any capital expenditures, including tenant improvements, which are deemed necessary to continue to operate the entity and any

operating cash shortfalls that the entity may experience.All liabilities of these consolidated VIEs are non-recourse to the Company (â€œVIE Liabilitiesâ€). The assets of the unencumbered VIEs are not restricted for use to settle only the obligations of these VIEs. The remaining VIE assets are encumbered by third-party non-recourse mortgage debt. The assets associated with these encumbered VIEs (â€œRestricted Assetsâ€) are collateral under the respective mortgages and are therefore restricted and can only be used to settle the corresponding liabilities of the VIE. The table below summarizes the consolidated VIEs and the classification of the Restricted Assets and VIE Liabilities on the Companyâ€™s Condensed Consolidated Balance Sheets, exclusive of Kimco OP, as follows (dollars in millions):Â Â Â As of June 30, 2024 Â Â As of December 31, 2023 Â Number of unencumbered VIEs Â Â 28 Â Â Â 28 Â Number of encumbered VIEs Â Â 2 Â Â Â 2 Â Total number of consolidated VIEs Â Â 30 Â Â Â 30 Â Â Â Â Â Â Â Restricted Assets: Â Â Â Â Â Â Real estate, net Â $ 324.1 Â Â $ 379.8 Â Cash and cash equivalents Â Â 2.8 Â Â Â 3.9 Â Accounts and notes receivable, net Â Â 2.2 Â Â Â 3.6 Â Other assets Â Â 1.4 Â Â Â 1.3 Â Total Restricted Assets Â $ 330.5 Â Â $ 388.6 Â Â Â Â Â Â Â VIE Liabilities: Â Â Â Â Â Â Â Mortgages payable, net Â $ 85.8 Â Â $ 97.3 Â Accounts payable and accrued expenses Â Â 13.3 Â Â Â 11.4 Â Operating lease liabilities Â Â 4.9 Â Â Â 5.0 Â Other liabilities Â Â 63.9 Â Â Â 67.2 Â Total VIE Liabilities Â $ 167.9 Â Â $ 180.9 Â Â Unconsolidated Redevelopment InvestmentIncluded in the Companyâ€™s preferred equity investments at June 30, 2024, is an unconsolidated development project which is a VIE for which the Company is not the primary beneficiary. This preferred equity investment was primarily established to develop real estate property for long-term investment and was deemed a VIE primarily based on the fact that the equity investment at risk was not sufficient to permit the entity to finance its activities without additional financial support. The initial equity contributed to this entity was not sufficient to fully finance the real estate construction as development costs are funded by the partners over the construction period. The Company determined that it was not the primary beneficiary of this VIE based on the fact that the Company has shared control of this entity along with the entityâ€™s partners and therefore does not have a controlling financial interest.As of June 30, 2024, the Companyâ€™s investment in this VIE was $36.6 million, which is included in Other investments on the Companyâ€™s Condensed Consolidated Balance Sheets. The Companyâ€™s maximum exposure to loss as a result of its involvement with this VIE is the Companyâ€™s carrying value in this investment. The Company has not provided financial support to this VIE that it was not previously contractually required to provide. All future costs of development will be funded with construction loan financing or capital contributions from the Company and the outside partner in accordance with their respective ownership percentages if necessary. Fair Value MeasurementsAll financial instruments of the Company are reflected in the accompanying Condensed Consolidated Balance Sheets at amounts which, in managementâ€™s estimation, based upon an interpretation of available market information and valuation methodologies, reasonably approximate their fair values, except those listed below, for which fair values are disclosed. The valuation method used to estimate fair value for fixed-rate and variable-rate debt, and mortgage and other finance receivables, is based on discounted cash flow analyses, with assumptions that include credit spreads, market yield curves, trading activity, loan amounts and debt maturities. The fair values for marketable securities are based on published values, securities dealersâ€™ estimated market values or comparable market sales. The fair value for embedded derivative liability is based on using the â€œwith-and-withoutâ€ method. Such fair value estimates are not necessarily indicative of the amounts that would be realized upon disposition. Interest rate swaps are measured at fair value using the market standard methodology of netting the discounted future fixed cash receipts (or payments) and the discounted expected variable cash payments (or receipts). The variable cash payments (or receipts) are based on an expectation of future interest rates (forward curves) derived from observable market interest rate curves. As a basis for considering market participant assumptions in fair value measurements, the FASBâ€™s Fair Value Measurements and Disclosures guidance establishes a fair value hierarchy that distinguishes between market participant assumptions based on market data obtained from sources independent of the reporting entity (observable inputs that are classified within Levels 1 and 2 of the hierarchy) and the reporting entityâ€™s own assumptions about market participant assumptions (unobservable inputs classified within Level 3 of the hierarchy).The following are financial instruments for which the Companyâ€™s estimated fair value differs from the carrying amount (in thousands):Â Â Â Â June 30, 2024 Â Â December 31, 2023 Â Â Fair Value Hierarchy Â CarryingAmounts Â Â EstimatedFair Value Â Â CarryingAmounts Â Â EstimatedFair Value Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Mortgage and other financing receivables (1) Â Level 3 Â $ 469,694 Â Â $ 460,853 Â Â $ 130,745 Â Â $ 122,323 Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Notes payable, net (2) Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Senior unsecured notes Â Level 2 Â $ 6,614,230 Â Â $ 5,943,296 Â Â $ 7,262,851 Â Â $ 6,671,450 Â Term loans Â Level 3 Â $ 508,774 Â Â $ 510,216 Â Â $ - Â Â $ - Â Credit facility Â Level 3 Â $ 214,249 Â Â $ 220,655 Â Â $ - Â Â $ - Â Mortgages payable, net (3) Â Level 3 Â $ 337,456 Â Â $ 312,653 Â Â $ 353,945 Â Â $ 329,955 Â Â (1)The carrying value includes allowance for credit losses of $5.8 million and $1.3 million as of June 30, 2024 and December 31, 2023, respectively.(2)The carrying value includes deferred financing costs of $68.1 million and $65.0 million as of June 30, 2024 and December 31, 2023, respectively.(3)The carrying value includes deferred financing costs of $1.0 million and $1.2 million as of June 30, 2024 and December 31, 2023, respectively.The Company has certain financial instruments that must be measured under the FASBâ€™s Fair Value Measurements and Disclosures guidance, including available for sale securities, interest rate swaps and embedded derivative liabilities. The Company currently does not have non-financial assets and non-financial liabilities that are required to be measured at fair value on a recurring basis. In instances where the determination of the fair value measurement is based on inputs from different levels of the fair value hierarchy, the level of the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. The Companyâ€™s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.The tables below present the Companyâ€™s financial assets and liabilities measured at fair value on a recurring basis at June 30, 2024 and December 31, 2023, aggregated by the level of the fair value hierarchy within which those measurements fall (in thousands):Â Â Balance at June 30, 2024 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Marketable equity securities Â $ 1,612 Â Â $ 1,612 Â Â $ - Â Â $ - Â Interest rate swaps derivative assets Â $ 7,820 Â Â $ - Â Â $ 7,820 Â Â $ - Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Embedded derivative liability Â $ 33,191 Â Â $ - Â Â $ - Â Â $ 33,191 Â Â Â Balance atÂ December 31, 2023 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Assets: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Marketable equity securities Â $ 330,057 Â Â $ 330,057 Â Â $ - Â Â $ - Â Liabilities: Â Â Â Â Â Â Â Â Â Â Â Â Â Â Â Embedded derivative liability Â $ 30,914 Â Â $ - Â Â $ - Â Â $ 30,914 Â Â The significant unobservable input (Level 3 inputs) used in measuring the Companyâ€™s embedded derivative liability, which is categorized with Level 3 of the fair value hierarchy, is the discount rate of 6.50% and 6.40% as of June 30, 2024 and December 31, 2023, respectively.The table below presents the change in fair value of the embedded derivative liability measured using Level 3 inputs for the six months ended June 30, 2024 and 2023 (in thousands):Â Â Six Months Ended June 30, Â Â 2024 Â Â 2023 Â Balance as of January 1, Â $ 30,914 Â Â $ 56,000 Â Settlements Â Â (802) Â Â - Â Change in fair value (included in Other income, net) Â Â 3,079 Â Â Â - Â Balance as of June 30, Â $ 33,191 Â Â $ 56,000 Â Â Assets measured at fair value on a non-recurring basis at December 31, 2023 were as follows (in thousands):Â Â Balance atÂ December 31, 2023 Â Â Level 1 Â Â Level 2 Â Â Level 3 Â Real estate Â $ 11,724 Â Â $ - Â Â $ - Â Â $ 11,724 Â Â During the six months ended June 30, 2024 and 2023, the Company recognized impairment charges related to adjustments to property carrying values of $3.9 million and $11.8 million, respectively. The accompanying Condensed Consolidated Financial Statements include the accounts of the Parent Company and Kimco OP and their consolidated subsidiaries. The Reorganization resulted in a merger of entities under common control in accordance with GAAP. The Companyâ€™s subsidiaries include subsidiaries which are wholly owned or which the Company has a controlling interest, including where the Company has been determined to be a primary beneficiary of a variable interest entity (â€œVIEâ€) in accordance with the consolidation guidance of the Financial Accounting Standards Board (â€œFASBâ€) Accounting Standards Codification (â€œASCâ€). The Parent Company serves as the general member of Kimco OP. The limited members of Kimco OP have limited rights over Kimco OP and do not have the power to direct the activities that most significantly impact Kimco OPâ€™s economic performance. As such, Kimco OP is considered a VIE, and the Parent Company, which consolidates it, is the primary beneficiary. All inter-company balances and transactions have been eliminated in consolidation. The information presented in the accompanying Condensed Consolidated Financial Statements is unaudited and reflects all adjustments which are, in the opinion of management, necessary to reflect a fair statement of the results for the interim periods presented, and all such adjustments are of a normal recurring nature. Amounts as of December 31, 2023 included in the Condensed Consolidated Financial Statements have been derived from the audited Consolidated Financial Statements as of that date, but does not include all annual disclosures required by GAAP. These Condensed Consolidated Financial Statements should be read in conjunction with the Company's Annual Report on Form 10-K for the year ended December 31, 2023, as certain disclosures in this Quarterly Report that would duplicate those included in such Annual Report on Form 10-K are not included in these Condensed Consolidated Financial Statements.On January 2, 2024, the Parent Company, as managing member of Kimco OP, entered into an amended and restated limited liability company agreement of Kimco OP (the â€œAmended and Restated Limited Liability Company Agreementâ€), providing for, among other things, the creation of Class N Preferred Units of Kimco OP, having the preferences, rights and limitations set forth therein, and certain modifications to the provisions regarding LTIP Units (as defined in the Amended and Restated Limited Liability Company Agreement), including provisions governing distribution and tax allocation requirements and the procedures for converting LTIP Units. Subsequent Events Subsequent EventsThe Company has evaluated subsequent events and transactions for potential recognition or disclosure in its Condensed Consolidated Financial Statements (See Footnote 11 of the Notes to Condensed Consolidated Financial Statements). New Accounting Pronouncements New Accounting PronouncementsThe following table represents Accounting Standards Updates (â€œASUsâ€) to the FASBâ€™s ASC that, as of June 30, 2024, are not yet effective for the Company and for which the Company has not elected early adoption, where permitted:Â ASU Description Effective Date Effect on the financial statements or other significant matters ASU 2023-07, SegmentReporting (Topic 280):Improvements to Reportable Segment Disclosures The amendments in this ASU improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. In addition, the amendments enhance interim disclosure requirements, clarify circumstances in which an entity can disclose multiple segment measures of profit or loss, provide new segment disclosure requirements for entities with a single reportable segment, and contain other disclosure requirements. Annual fiscal yearsbeginning January 1, 2024, and interim periods for fiscal years beginning January 1, 2025Í¾ Early adoption permitted There are aspects of this ASU that apply to entities with one reportable segment. The Company will review the extent of new disclosures necessary prior to implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations.Â ASU 2023-05, Business Combinations â€“ Joint Venture Formations (Subtopic 805-60): Recognition and Initial Measurement The amendments in this ASU address the accounting for contributions made to a joint venture, upon formation, in a joint ventureâ€™s separate financial statements. To reduce diversity in practice and provide decision-useful information to a joint ventureâ€™s investors, these amendments require that a joint venture apply a new basis of accounting upon formation. By applying a new basis of accounting, a joint venture, upon formation, will recognize and initially measure its assets and liabilities at fair value (with exceptions to fair value measurement that are consistent with the business combinations guidance). Additionally, existing joint ventures have the option to apply the guidance retrospectively.Â January 1, 2025; Early adoption permitted This ASU does not impact accounting for joint ventures by the venturers. As such, the Company does not expect the adoption of this ASU will have a material impact on the Companyâ€™s financial position and/or results of operations. ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures This ASU requires entities to provide additional information in the rate reconciliation and additional disclosures about income taxes paid. The guidance requires public business entities to disclose in their rate reconciliation table additional categories of information about federal, state and foreign income taxes and to provide more details about the reconciling items in some categories if the items meet a quantitative threshold. The guidance requires all entities annually to disclose income taxes paid (net of refunds received) disaggregated by federal (national), state and foreign taxes and to disaggregate the information by jurisdiction based on a quantitative threshold.Â Annual fiscal yearsbeginning January 1, 2025, and interim periods for fiscal years beginning January 1, 2026Í¾ Early adoption permitted The Company will review the extent of new disclosures necessary prior to implementation. Other than additional disclosure, the adoption of this ASU is not expected to have a material impact on the Companyâ€™s financial position and/or results of operations. ASU 2024-01, Compensation - Stock Compensation (Topic 718) The amendments in this ASU clarify how to determine whether profits interest and similar awards should be accounted for as a share-based payment arrangement (ASC 718) or as a cash bonus or profit-sharing arrangement (ASC 710, Compensation - General, or other guidance) and applies to all reporting entities that account for profits interest awards as compensation to employees or non-employees. In addition to the illustrative guidance, this ASU modifies the language in paragraph 718-10-15-3 to improve its clarity and operability without changing the guidance. The amendments should be applied either retrospectively to all prior periods presented in the financial statements, or prospectively to profits interests and similar awards granted or modified on or after the adoption date. January 1, 2025; Early adoption permitted The Company does not expect the adoption of this ASU to have a material impact on the Companyâ€™s financial position and/or results of operations. Â The following ASU to the FASBâ€™s ASC has been adopted by the Company as of the date listed:Â ASU Description Adoption Date Effect on the financial statements or other significant matters ASU 2022-03, Fair Value Measurement (Topic 820): Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions This ASU clarifies the guidance in Topic 820, Fair Value Measurement, when measuring the fair value of an equity security subject to contractual restrictions that prohibit the sale of an equity security and provides new disclosure requirements for equity securities subject to contractual sale restrictions that are measured at fair value in accordance with Topic 820.Â January 1, 2024Â The adoptionÂ of this ASU did notÂ have a material impact on the Companyâ€™s financial position and/or results of operations.Â Regulatory Update Regulatory UpdateOn March 6, 2024, the Securities and Exchange Commission (â€œSECâ€) adopted final rules that will require registrants to disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts, descriptions of board oversight and risk management activities, and any material climate-related targets or goals. The landmark rules also will require accelerated and large accelerated filers to disclose material Scope 1 and Scope 2 greenhouse gas emissions. These disclosures will be subject to independent third-party assurance. Registrants will also have to disclose, among other things, certain effects of severe weather events and other natural conditions and amounts related to carbon offsets and renewable energy credits or certificates in their audited financial statements. On March 15, 2024, a federal appellate court imposed a temporary stay pending judicial review of these new rules. The SEC voluntarily stayed its recently adopted climate disclosure rules pending the completion of judicial review. The Company plans to comply with the disclosure requirements of the final rules when they become effective, and are currently evaluating the impact these final rules will have on the Companyâ€™s SEC filings and related disclosures. The new term loans retained the amounts and maturities of the assumed term loans, however the rates (Adjusted Term SOFR plus 0.905% and tied to sustainability metric targets, as described in the agreement) and covenants were revised to match those within the Company's Credit Facility. In January 2024, the Company entered into swap rate agreements with various lenders swapping the interest rates to fixed rates ranging from 4.674% to 4.875%.
