MATERIAL FACT Enel Chile S.A. Â Â Â Santiago, November 7, 2024 Gen. Mgmt. No.017/2024 Â Â Mrs. Solange
Berstein Chair Financial Market Commission 1449 Libertador Bernardo Oâ™ Higgins Ave. Santiago, Chile Â Â Ref.:
MATERIAL FACT Â Â Â Dear Madam, Â Pursuant to the provisions of Articles 9 and 10, second paragraph, of Law
No. 18,045 of the Securities Market and General Rule No. 30 of the Financial Market Commission (âœCMFâ€), duly
authorized and on behalf of Enel Chile S.A. (âœEnel Chileâ€ or âœthe Companyâ€), I hereby inform you, as a
material fact, the following: Â In an extraordinary Board of Directors meeting held today, it was agreed to approve the
change of the Companyâ€™s functional currency from Chilean pesos to United States dollars, effective January 1, 2025,
due to the fact that the US currency will become the currency that will significantly influence the economic
environment in which Enel Chile operates. Â This change, which will be made in compliance with International
Financial Reporting Standards, arises substantially as a result of the fact that its subsidiaries Enel GeneraciÃ³n Chile
S.A. and Empresa ElÃ©ctrica Pehuenche S.A. will change their functional currency from Chilean pesos to U.S. dollars
as of January 1, 2025, according to material facts disclosed by these subsidiaries today. Consequently, considering the
relevance of the generation segment for Enel Chile, the Company's main source of income, i.e. dividends from said
subsidiaries, will be determined on a US dollar basis. Finally, the Extraordinary Shareholders' Meeting of the Company
will be responsible for approving the amendment of the bylaws regarding the currency in which the capital stock is
expressed, which will take place during the first four months of year 2025. Â Enel Chile and its subsidiary Enel
GeneraciÃ³n Chile S.A. maintain certain operations defined as cash flow hedges covering exchange rate risks, linked to
the evolution of the United States dollar, which lose their effectiveness and, therefore, should be discontinued. As a
consequence of the above, Enel Chile will have to recognize a net loss in the consolidated results of the current year
estimated in approximately USD 450 million at this date, which will not have an impact on cash. In order to neutralize
the effects of such net loss, the Company's Board of Directors agreed to modify the Dividend Policy by proposing to the
Ordinary Shareholders' Meeting, to be held during the first four months of 2025, the distribution of an eventual
dividend that allows maintaining the same pay-out already contemplated in the dividend policy for the year 2024 as if
the aforementioned loss had not been applied. Such eventual dividend will be determined at the closing of the annual
fiscal year. 1 Â Â Yours sincerely, Â Giuseppe Turchiarelli Chief Executive Officer Enel Chile S.A. Â Â Â Â c.c.:
