Inc.Notes to Consolidated Financial Statements(Unaudited)Note 1. Description of Business and Basis of PresentationDescription of BusinessOUTFRONT Media Inc. (the â€œCompanyâ€) and its subsidiaries (collectively, â€œwe,â€ â€œusâ€ or â€œourâ€) is a real estate investment trust (â€œREITâ€), which provides advertising space (â€œdisplaysâ€) on out-of-home advertising structures and sites in the United States (the â€œU.S.â€). Our inventory consists of billboard displays, which are primarily located on the most heavily traveled highways and roadways in top Nielsen Designated Market Areas (â€œDMAsâ€), and transit advertising displays operated under exclusive multi-year contracts with municipalities in large cities across the U.S. In total, we have displays in all of the 25 largest markets in the U.S. and approximately 120 markets across the U.S. We currently manage our operations through one operating segment, U.S. Billboard and Transit, which is included in our U.S. Media reportable segment. Prior to its sale, our Canadian operations comprised our International operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other through the date of sale.On JuneÂ 7, 2024, we sold all of our equity interests in Outdoor Systems Americas ULC and its subsidiaries (the â€œTransactionâ€), which hold all of the assets of the Companyâ€™s outdoor advertising business in Canada (the â€œCanadian Businessâ€). (See Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business.) Basis of Presentation and Use of EstimatesThe accompanying unaudited consolidated financial statements have been prepared pursuant to the rules of the Securities and Exchange Commission (the â€œSECâ€). In the opinion of our management, the accompanying unaudited consolidated financial statements reflect all adjustments, consisting of normal and recurring adjustments, necessary for a fair statement of our financial position, results of operations and cash flows for the periods presented. These financial statements should be read in conjunction with the more detailed financial statements and notes thereto, included in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on FebruaryÂ 22, 2024. The preparation of our financial statements in conformity with accounting principles generally accepted in the United States of America (â€œGAAPâ€) requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ materially from these estimates under different assumptions or conditions.Revision of Previously Issued Financial InformationIn the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SECâ€™s Staff Accounting Bulletin (â€œSABâ€) No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary. (See Note 19. Revised Consolidated Financial Information.)As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2Â million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect 12Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings. (See Note 19. Revised Consolidated Financial Information.)The impact of the revisions have been reflected throughout the Consolidated Financial Statements, including the applicable Notes to the Consolidated Financial Statements, as appropriate.Note 2. New Accounting StandardsRecent PronouncementsIn November 2024, the Financial Accounting Standards Board (the â€œFASBâ€) issued guidance to improve disclosure of expenses by providing more detailed information about specific expense categories included in commonly presented financial statement expense captions in the notes to the financial statements. The guidance is effective for fiscal years beginning after December 15, 2026, and interim periods within fiscal years beginning after December 15, 2027. Early adoption is permitted. This guidance does not change or remove current expense disclosure requirements and will not have any impact on our consolidated financial statements.In November 2023, the FASB issued guidance to improve reportable segment disclosure requirements, primarily through enhanced disclosures about significant segment expenses. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within fiscal years beginning after December 15, 2024. Early adoption is permitted. We are currently evaluating the impact of this guidance on our consolidated financial statements.In December 2023, the FASB issued guidance to enhance the transparency and decision usefulness of income tax disclosures primarily related to rate reconciliation and income taxes paid information. The guidance is effective for annual periods beginning after December 15, 2024. Early adoption is permitted. Retrospective application is permitted. We are currently evaluating the impact of this guidance on our consolidated financial statements. Note 3. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. In the three months ended September 30, 2023, we recorded impairment charges of $12.1 million representing additional MTA equipment deployment costs spending during the quarter, and in the nine months ended September 30, 2023, we recorded impairment charges of $523.5 million, primarily representing $455.2 million of impairment charges related to our MTA asset group.Note 5. In return, we will retain all revenues from the sale of advertising with respect to the Assets less the following payments to the Providence Affiliate or its payment designee, as applicable: (i) a minimum annual guarantee payment paid to the Providence Affiliateâ€™s payment designee that increases from approximately $1.8Â million to $3.5Â million during the term of the Billboard Agreement; (ii) a minimum annual guarantee payment paid to the Providence Affiliate that increases from $8.5Â million to $12.0Â million by year six and adjusted for inflation thereafter through year ten; (iii) a percentage revenue share payment on gross revenues generated above $22.0Â million paid to the Providence Affiliate during the term of the Billboard Agreement; (iv) a percentage revenue share payment on net revenues until $100.0Â million is paid to the Providence Affiliate or its payment designee, as applicable; and (v) a one-time payment of $10.0Â million paid to the Providence Affiliate on the fifth anniversary of the closing of the Billboard Transaction (the â€œBillboard Transaction Closingâ€) if we have not yet acquired the Assets as described below. The Billboard Agreement also provides that (i) we have the option to 15Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)acquire the Assets from the Providence Affiliate between the third and seventh anniversaries of the Billboard Transaction Closing at pre-agreed prices depending on the time at which we exercise the option; (ii) prior to the seventh anniversary of the Billboard Transaction Closing, we have a right of first offer prior to any sale of the Assets by the Providence Affiliate to a third-party; and (iii) in the event of a termination of the Billboard Agreement by the Providence Affiliate after a sale to a third-party, we may in certain circumstances be entitled to receive a termination payment. As of SeptemberÂ 30, 2024, operating lease assets related to the Billboard Agreement were $87.0 million, current operating lease liabilities related to the Billboard Agreement were $4.1 million and non-current operating lease liabilities related to the Billboard Agreement were $90.0 million, and are included in Operating lease assets, current Operating lease liabilities and non-current Operating lease liabilities, respectively, on the Consolidated Statements of Financial Position. Accounts Receivable Securitization FacilityAs of SeptemberÂ 30, 2024, we have a $150.0Â million revolving accounts receivable securitization facility (the â€œAR Facilityâ€), which terminates in June 2027, unless further extended. On JuneÂ 14, 2024, we entered into an amendment to the agreements governing the AR Facility, pursuant to which we (i) extended the term of the AR Facility so that it now terminates on June 14, 2027, unless further extended; and (ii) modified the upfront fee and modified the program fee so that the program fee may increase or decrease based on the Companyâ€™s Consolidated Net Secured Leverage Ratio (as defined and described below). The amendment to the agreements governing the AR Facility do not change how we account for the AR Facility as a collateralized financing activity.In connection with the AR Facility, Outfront Media LLC and Outfront Media Outernet Inc., each a wholly-owned subsidiary of the Company, and certain of the Companyâ€™s taxable REIT subsidiaries (â€œTRSsâ€) (the â€œOriginatorsâ€), will sell and/or contribute their respective existing and future accounts receivable and certain related assets to either Outfront Media Receivables LLC, a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s qualified REIT subsidiary accounts receivable assets (the â€œQRS SPVâ€) or Outfront Media Receivables TRS, LLC a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s TRS accounts receivable assets (the â€œTRS SPVâ€ and together with the QRS SPV, the â€œSPVsâ€). The SPVs may transfer undivided interests in their respective accounts receivable assets to certain purchasers from time to time (the â€œPurchasersâ€). The SPVs are separate legal entities with their own separate creditors who will be entitled to access the SPVsâ€™ assets before the assets become available to the Company. Accordingly, the SPVsâ€™ assets are not available to pay creditors of the Company or any of its subsidiaries, although collections from the receivables in excess of amounts required to repay the Purchasers and other creditors of the SPVs may be remitted to the Company. Outfront Media LLC will service the accounts receivables on behalf of the SPVs for a fee. The Company has agreed to guarantee the performance of the Originators and Outfront Media LLC, in its capacity as servicer, of their respective obligations under the agreements governing the AR Facility. Neither the Company, the Originators nor the SPVs guarantee the collectability of the receivables under the AR Facility. Further, the TRS SPV and the QRS SPV are jointly and severally liable for their respective obligations under the agreements governing the AR Facility.As of SeptemberÂ 30, 2024, there were $40.0 million of outstanding borrowings under the AR Facility, at a borrowing rate of 6.3%. As of SeptemberÂ 30, 2024, borrowing capacity remaining under the AR Facility was $110.0 million based on approximately $339.8 million of accounts receivable that could be used as collateral for the AR Facility in accordance with the agreements governing the AR Facility. One of the exceptions to the restriction on our ability to incur additional indebtedness is satisfaction of a Consolidated Total Leverage Ratio, which is the ratio of our consolidated total debt to our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 6.0 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Total Leverage Ratio was 4.9 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement.18Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)The terms of the Credit Agreement (and under certain circumstances, the agreements governing the AR Facility) require that we maintain a Consolidated Net Secured Leverage Ratio, which is the ratio of (i) our consolidated secured debt (less up to $150.0Â million of unrestricted cash) to (ii) our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 4.5 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Net Secured Leverage Ratio was 1.6 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement. As of SeptemberÂ 30, 2024, we are in compliance with our debt covenants.Deferred Financing CostsAs of SeptemberÂ 30, 2024, we had deferred $22.4 million in fees and expenses associated with the Term Loan, the Revolving Credit Facility, the AR Facility and our senior notes. We are amortizing the deferred fees through Interest expense, net, on our Consolidated Statement of Operations over the respective terms of the Term Loan, Revolving Credit Facility, AR Facility and our senior notes.Fair ValueUnder the fair value hierarchy, observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities are defined as Level 1; observable inputs other than quoted prices included within Level 1 that are either directly or indirectly observable for the asset or liability are defined as Level 2; and unobservable inputs for the asset or liability are defined as Level 3. The aggregate fair value of our debt, which is estimated based on quoted market prices of similar liabilities, was approximately $2.5Â billion as of SeptemberÂ 30, 2024, and $2.7 billion as of DecemberÂ 31, 2023. The fair value of our debt as of both SeptemberÂ 30, 2024, and DecemberÂ 31, 2023, is classified as Level 2. Note 9. Redeemable Noncontrolling InterestsIndependent noncontrolling shareholders in certain consolidated subsidiaries of the Company have buy/sell arrangements under their respective joint venture operating agreements that allow them to sell their equity interests to the Company upon the satisfaction of certain conditions, principally the passage of time. To the extent that the redemption amount of these interests exceeds the value determined by normal noncontrolling interest accounting, the value of such interests is adjusted to the redemption amount with a corresponding adjustment to Additional Paid-In Capital on our Consolidated Statements of Financial Position. To the extent that the noncontrolling interestsâ€™ buy/sell arrangement redemption amount is correlated with the estimated fair value of the subsidiary or its underlying assets, we have used the market method to estimate such fair values. The redemption value of these interests, as of all periods presented, is classified as Level 3. (See Note 8. Debt: Fair Value.)In the third quarter of 2024, as a result of the exercise of a buy/sell arrangement by one of our joint venture partners, we purchased the outstanding noncontrolling interest in a consolidated subsidiary for cash and non-cash consideration totaling $24.6Â million.Note 10. EquityAs of SeptemberÂ 30, 2024, 450,000,000 shares of our common stock, par value $0.01 per share, were authorized; 165,981,974 shares were issued and outstanding; and 50,000,000 shares of our preferred stock, par value $0.01 per share, were authorized, with 125,000 shares of our Series A Convertible Perpetual Preferred Stock (the â€œSeries A Preferred Stockâ€), par value $0.01 per share, issued and outstanding.The Series A Preferred Stock ranks senior to the shares of the Companyâ€™s common stock with respect to dividend and distribution rights. Holders of the Series A Preferred Stock are entitled to a cumulative dividend accruing at the initial rate of 7.0% per year, payable quarterly in arrears, subject to increases as set forth in the Articles Supplementary, effective as of April 20, 2020 (the â€œArticlesâ€). Dividends may, at the option of the Company, be paid in cash, in-kind, through the issuance of additional shares of Series A Preferred Stock or a combination of cash and in-kind, until April 20, 2028, after which time dividends will be payable solely in cash. So long as any shares of Series A Preferred Stock remain outstanding, the Company may not, without the consent of a specified percentage of holders of shares of Series A Preferred Stock, declare a dividend on, or make any distributions relating to, capital stock that ranks junior to, or on a parity basis with, the Series A Preferred Stock, subject to certain exceptions, including but not limited to (i) any dividend or distribution in cash or capital stock of the Company on or in respect of the capital stock of the Company to the extent that such dividend or distribution is necessary to maintain the Companyâ€™s status as a REIT; and (ii) any dividend or distribution in cash in respect of our common stock that, together with the dividends or distributions during the 12-month period immediately preceding such dividend or distribution, is 19Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)not in excess of 5% of the aggregate dividends or distributions paid by the Company necessary to maintain its REIT status during such 12-month period. If any dividends or distributions in respect of the shares of our common stock are paid in cash, the shares of Series A Preferred Stock will participate in the dividends or distributions on an as-converted basis up to the amount of their accrued dividend for such quarter, which amounts will reduce the dividends payable on the shares of Series A Preferred Stock dollar-for-dollar for such quarter. The Series A Preferred Stock is convertible at the option of any holder at any time into shares of our common stock at an initial conversion price of $16.00 per share and an initial conversion rate of 62.50 shares of our common stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments and a share cap as set forth in the Articles. Subject to certain conditions set forth in the Articles (including a change of control), each of the Company and the holders of the Series A Preferred Stock may convert or redeem the Series A Preferred Stock at the prices set forth in the Articles, plus any accrued and unpaid dividends.During the three months ended September 30, 2024, we paid cash dividends of $2.2Â million on the Series A Preferred Stock and during the nine months ended September 30, 2024, we paid cash dividends of $6.6Â million on the Series A Preferred Stock. As of SeptemberÂ 30, 2024, the maximum number of shares of common stock that could be required to be issued on conversion of the outstanding shares of Series A Preferred Stock was approximately 7.8Â million shares.We have a sales agreement in connection with an â€œat-the-marketâ€ equity offering program (the â€œATM Programâ€), under which we may, from time to time, issue and sell shares of our common stock up to an aggregate offering price of $300.0 million. We have no obligation to sell any of our common stock under the sales agreement and may at any time suspend solicitations and offers under the sales agreement. No shares were sold under the ATM Program during the nine months ended September 30, 2024. As of SeptemberÂ 30, 2024, we had approximately $232.5 million of capacity remaining under the ATM Program. On NovemberÂ 12, 2024, we announced that our board of directors approved a special dividend of $0.75 per share on our common stock payable on DecemberÂ 31, 2024, to stockholders of record at the close of business on NovemberÂ 15, 2024. Approximately $0.30 per share will be paid in cash (exclusive of cash paid in lieu of fractional shares) and approximately $0.45 per share will be paid in shares of our common stock. Stockholders will have the option to elect to receive their special dividend in all cash or all stock, however the aggregate amount of cash to be distributed will be equal to approximately $49.8 million, with the balance of the special dividend payable in the form of our common stock.Note 11. Income TaxesWe are organized in conformity with the requirements for qualification and taxation as a REIT under the Internal Revenue Code of 1986, as amended (the â€œCodeâ€) and, accordingly, we have not provided for U.S. federal income tax on our REIT taxable income that we distribute to our stockholders. We have elected to treat our subsidiaries that participate in certain non-REIT qualifying activities as TRSs. As such, we have provided for their federal, state and foreign income taxes.Tax years 2020 to present are open for examination by the tax authorities. Our effective income tax rate represents a combined annual effective tax rate for federal, state, local and foreign taxes applied to interim operating results. In the three and nine months ended September 30, 2024 and 2023, our effective tax rate differed from the U.S. federal statutory income tax rate primarily due to our REIT status, including the dividends paid deduction, the impact of state and local taxes, and the effect of foreign operations (including the impact of the Transaction). 23Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)Note 16. Commitments and ContingenciesOff-Balance Sheet ArrangementsOur off-balance sheet commitments primarily consist of guaranteed minimum annual payments. These arrangements result from our normal course of business and represent obligations that are payable over several years.Contractual ObligationsWe have agreements with municipalities and transit operators which entitle us to operate advertising displays within their transit systems, including on the interior and exterior of rail and subway cars and buses, as well as on benches, transit shelters, street kiosks, and transit platforms. Under most of these franchise agreements, the franchisor is entitled to receive the greater of a percentage of the relevant revenues, net of agency fees, or a specified guaranteed minimum annual payment.Under the current MTA agreement, which was amended in June 2020 and July 2021 and is subject to modification as agreed-upon by us and the MTA (as amended, the â€œMTA Agreementâ€):â€¢Deployments. We must deploy, over a number of years, (i) 5,433 digital advertising screens on subway and train platforms and entrances, (ii) 15,896 smaller-format digital advertising screens on rolling stock, and (iii) 9,283 MTA communications displays. We are also obligated to deploy certain additional digital advertising screens and MTA communications displays in subway and train stations and rolling stock that the MTA may build or acquire in the future (collectively, the â€œNew Inventoryâ€).â€¢Recoupment of Equipment Deployment Costs. We may retain incremental revenues that exceed an annual base revenue amount for the cost of deploying advertising and communications displays throughout the transit system. As presented in the table below, recoupable MTA equipment deployment costs are recorded as Prepaid MTA equipment deployment costs and Intangible assets on our Consolidated Statement of Financial Position, and as these costs are recouped from incremental revenues that the MTA would otherwise be entitled to receive, Prepaid MTA equipment deployment costs will be reduced. If incremental revenues generated over the term of the agreement are not sufficient to cover all or a portion of the equipment deployment costs, the costs will not be recouped, which could have an adverse effect on our 24Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)business, financial condition and results of operations, including impairment charges (see Note 4. Intangible Assets). If we do not recoup all costs of deploying advertising and communications screens with respect to the New Inventory by the end of the term of the MTA Agreement, the MTA will be obligated to reimburse us for these costs. Deployment costs in an amount not to exceed $50.7Â million, which are deemed authorized before December 31, 2020, will be paid directly by the MTA. For any deployment costs deemed authorized after December 31, 2020, the MTA and the Company will no longer be obligated to directly pay 70% and 30% of the costs, respectively, and these costs will be subject to recoupment in accordance with the MTA Agreement. We did not recoup any equipment deployment costs in the nine months ended September 30, 2024, and we do not expect to recoup any equipment deployment costs in the remainder of 2024.â€¢Payments. We must pay to the MTA the greater of a percentage of revenues or a guaranteed minimum annual payment. Our payment obligations with respect to guaranteed minimum annual payment amounts owed to the MTA resumed on January 1, 2021, in accordance with the terms of the MTA Agreement, and any guaranteed minimum annual payment amounts that would have been paid for the period from April 1, 2020 through December 31, 2020 (less any revenue share amounts actually paid during this period using an increased revenue share percentage of 65%) will instead be added in equal increments to the guaranteed minimum annual payment amounts owed for the period from January 1, 2022, through December 31, 2026. The MTA Agreement also provides that if prior to April 1, 2028 the balance of unrecovered costs of deploying advertising and communications screens throughout the transit system is equal to or less than zero, then in any year following the year in which such recoupment occurs (the â€œRecoupment Yearâ€), the MTA is entitled to receive an additional payment equal to 2.5% of the annual base revenue amount for such year calculated in accordance with the MTA Agreement, provided that gross revenues in such year (i) were at least equal to the gross revenues generated in the Recoupment Year, and (ii) did not decline by more than 5% from the prior year.â€¢Term. In July 2021, we extended the initial 10-year term of the MTA Agreement to a 13-year base term (the â€œAmended Termâ€). We have the option to extend the Amended Term for an additional five-year period at the end of the Amended Term, subject to satisfying certain quantitative and qualitative conditions. During the nine months ended September 30, 2024, we had no recoupment from incremental revenues. As of SeptemberÂ 30, 2024, 25,345 digital displays had been installed, composed of 5,008 digital advertising screens on subway and train platforms and entrances, 14,548 smaller-format digital advertising screens on rolling stock and 5,789 MTA communications displays. In the three months ended September 30, 2024, 1,374 installations occurred, for a total of 5,648 installations in the nine months ended September 30, 2024.As a result of negative aggregate cash flow forecasts related to our MTA asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. 25Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)(in millions)Beginning BalanceDeployment Costs IncurredRecoupment/MTA FundingAmortization/ImpairmentReclassificationEnding BalanceNine months ended September 30, 2024:Other current assets$1.1Â $â€”Â $â€”Â $â€”Â $â€”Â $1.1Â Intangible assets (franchise agreements)â€”Â 24.5Â â€”Â (18.1)â€”Â 6.4Â Total$1.1Â $24.5Â $â€”Â (18.1)â€”Â $7.5Â Year ended December 31, 2023:Prepaid MTA equipment deployment costs$363.2Â $21.8Â $â€”Â $â€”Â (385.0)â€”Â Other current assets1.6Â (0.4)(0.1)â€”Â â€”Â 1.1Â Intangible assets (franchise agreements)62.0Â 22.3Â â€”Â (469.3)385.0Â â€”Â Total$426.8Â $43.7Â (0.1)(469.3)$â€”Â $1.1Â Letters of CreditWe have indemnification obligations with respect to letters of credit and surety bonds primarily used as security against non-performance in the normal course of business. Legal MattersOn an ongoing basis, we are engaged in lawsuits and governmental proceedings and respond to various investigations, inquiries, notices and claims from national, state and local governmental and other authorities (collectively, â€œlitigationâ€). Litigation is inherently uncertain and always difficult to predict. (See Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business.)Note 19. Revised Consolidated Financial InformationIn the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary.As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2Â million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings.There is no impact to net cash provided by operating activities, investing activities or financing activities in our Consolidated Statements of Cash Flows.The following table presents the impact of correcting the error related to the classification of redeemable noncontrolling interests on the affected line items of our Consolidated Statement of Financial Position as of December 31, 2023.As of December 31, 2023(in millions)As ReportedAdjustmentsAs RevisedRedeemable noncontrolling interests$â€”Â $31.3Â $31.3Â Additional paid-in capital2,432.2Â (29.7)2,402.5Â Total stockholdersâ€™ equity607.0Â (29.7)577.3Â Noncontrolling interests3.3Â (1.6)1.7Â 29Table of ContentsÂ Â Â Â OUTFRONT Media Inc.Notes to Consolidated Financial Statements(Unaudited)The following tables present the impact of correcting the errors related to the classification of redeemable noncontrolling interests and variable lease costs on the affected line items of our Consolidated Statements of Redeemable Noncontrolling Interests, Preferred Stock and Equity for the three and six months ended June 30, 2024, three months ended March 31, 2024, year ended December 31, 2023, three and nine months ended September 30, 2023, three and six months ended June 30, 2023, three months ended March 31, 2023, and year ended December 31, 2022.As ReportedStockholdersâ€™ Equity(in millions, except per share amounts)Redeemable Non-controlling InterestsAdditional Paid-In CapitalTotal Stockholdersâ€™ EquityNon-controlling InterestsBalance as of March 31, 2024$â€”Â $2,431.9Â $524.2Â $3.2Â Net incomeâ€”Â â€”Â 176.8Â 0.2Â Other comprehensive incomeâ€”Â â€”Â 8.6Â â€”Â Stock-based payments:Amortizationâ€”Â 7.6Â 7.6Â â€”Â Shares paid for tax withholding for stock-based paymentsâ€”Â (0.2)(0.2)â€”Â Series A Preferred Stock dividends (7%)â€”Â â€”Â (2.2)â€”Â Dividends ($0.30 per share)â€”Â â€”Â (49.9)â€”Â Otherâ€”Â â€”Â â€”Â 0.2Â Balance as of June 30, 2024$â€”Â $2,439.3Â $664.9Â $3.6Â AdjustmentsStockholdersâ€™ Equity(in millions)Redeemable Non-controlling InterestsAdditional Paid-In CapitalTotal Stockholdersâ€™ EquityNon-controlling InterestsBalance as of March 31, 2024$34.9Â (33.3)(33.3)$(1.6)Net income (loss)0.2Â â€”Â â€”Â (0.2)Adjustment to redeemable value of noncontrolling interests2.9Â (2.9)(2.9)â€”Â Other0.2Â â€”Â â€”Â (0.2)Balance as of June 30, 2024$38.2Â (36.2)(36.2)$(2.0)As RevisedStockholdersâ€™ Equity(in millions, except per share amounts)Redeemable Non-controlling InterestsAdditional Paid-In CapitalTotal Stockholdersâ€™ EquityNon-controlling InterestsBalance as of March 31, 2024$34.9Â $2,398.6Â $490.9Â $1.6Â Net income0.2Â â€”Â 176.8Â â€”Â Other comprehensive incomeâ€”Â â€”Â 8.6Â â€”Â Stock-based payments:Amortizationâ€”Â 7.6Â 7.6Â â€”Â Shares paid for tax withholding for stock-based

This MD&A contains forward-looking statements that involve numerous risks and uncertainties. The forward-looking statements are subject to a number of important factors, including, but not limited to, those factors discussed in the sections entitled â€œRisk Factorsâ€ in this Quarterly Report on Form 10-Q and in our Annual Report on Form 10-K for the year ended DecemberÂ 31, 2023, filed with the SEC on FebruaryÂ 22, 2024, and the section entitled â€œCautionary Statement Regarding Forward-Looking Statementsâ€ in this Quarterly Report on Form 10-Q, that could cause our actual results to differ materially from the results described herein or implied by such forward-looking statements. We currently manage our operations through one operating segment, U.S. Billboard and Transit, which is included in our U.S. Media reportable segment. Prior to its sale, our Canadian operations comprised our International operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other (see Note 18. Segment Information to the Consolidated Financial Statements) through the date of sale.On JuneÂ 7, 2024, we sold all of our equity interests in Outdoor Systems Americas ULC and its subsidiaries (the â€œTransactionâ€), which hold all of the assets of the Companyâ€™s outdoor advertising business in Canada (the â€œCanadian Businessâ€). (See Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business to the Consolidated Financial Statements.)BusinessWe are one of the largest providers of advertising space on out-of-home advertising structures and sites across the U.S. Our inventory consists of billboard displays, which are primarily located on the most heavily traveled highways and roadways in top Nielsen Designated Market Areas (â€œDMAsâ€), and transit advertising displays operated under exclusive multi-year contracts with municipalities in large cities across the U.S. In total, we have displays in all of the 25 largest markets in the U.S. and approximately 120 markets in the U.S. Our top market, high-profile, location-focused portfolio includes sites in and around both Grand Central Station and Times Square in New York, various locations along Sunset Boulevard in Los Angeles, and the Bay Bridge in San Francisco. The breadth and depth of our portfolio provides our customers with a range of options to address their marketing objectives, from national, brand-building campaigns to hyper-local campaigns that drive customers to the advertiserâ€™s website or retail location â€œone mile down the road.â€Â In addition to providing location-based displays, we also focus on delivering mass and targeted audiences to our customers. Geopath, the out-of-home advertising industryâ€™s audience measurement system, enables us to build campaigns based on the size and demographic composition of audiences. As part of our technology platform, we are developing solutions for enhanced demographic and location targeting, and engaging ways to connect with consumers on-the-go. We believe out-of-home continues to be an attractive form of advertising, as our displays are always viewable and cannot be turned off, skipped, blocked or fast-forwarded. Further, out-of-home advertising can be an effective â€œstand-aloneâ€ medium, as well as an integral part of a campaign to reach audiences using multiple forms of media, including television, radio, print, online, mobile and social media advertising platforms. We provide our customers with a differentiated advertising solution at an attractive price point relative to other forms of advertising. In addition to leasing displays, we provide other value-added services to our customers, such as pre-campaign category research, consumer insights, print production, creative services and post-campaign tracking and analytics. Economic EnvironmentOur revenues and operating results are sensitive to fluctuations in advertising expenditures, general economic conditions and other external events beyond our control, such as supply chain disruptions, current levels of inflation, pandemics like the 42Table of ContentsCOVID-19 pandemic, industry shutdowns or slowdowns (including due to labor strikes), and shifts in market demographics and transportation patterns (including reductions in foot traffic, roadway traffic, commuting, transit ridership and overall target audiences due to remote work, safety concerns or otherwise), as described in this MD&A. These sensitivities may adversely impact our revenues and operating results on a consolidated basis and/or may have a disproportionate adverse impact on our U.S. transit business within our U.S. Media reportable segment.We rely on third parties to manufacture and transport our digital displays. As a result of the current market-wide supply shortages and logistics disruptions, we have experienced delays and price increases with respect to certain of our digital displays, which may continue throughout 2024, and could have an adverse effect on our business, financial condition and results of operations.Due to the current levels of inflation and commodity prices in the U.S. and abroad, which has resulted in elevated interest rates, we have experienced increases with respect to some of our posting, maintenance and other expenses, some of our corporate expenses, and our interest expense, which could have an adverse effect on our business, financial condition and results of operations. Our billboard property lease expenses and transit franchise expenses have been less impacted by the current levels of inflation due to the long-term nature of most of our operating leases and transit franchise agreements. However, our transit franchise agreements that contain inflationary price adjustments may cause increases in our transit franchise expenses in the near-term. Though the Company cannot reasonably estimate the full impact of the current levels of inflation on our business, financial condition and results of operations at this time, a portion of these increases may be partially offset by increases in advertising rates on our displays and cost efficiencies.Business EnvironmentThe outdoor advertising industry is fragmented, consisting of several companies operating on a national basis, as well as hundreds of smaller regional and local companies operating a limited number of displays in a single or a few local geographic markets. We compete with these companies for both customers and structure and display locations. We also compete with other media, including online, mobile and social media advertising platforms and traditional advertising platforms (such as television, radio, print and direct mail marketers). In addition, we compete with a wide variety of out-of-home media, including advertising in shopping centers, airports, movie theaters, supermarkets and taxis.Increasing the number of digital displays in our prime audience locations is an important element of our organic growth strategy, as digital displays have the potential to attract additional business from both new and existing customers. We believe digital displays are attractive to our customers because they allow for the development of richer and more visually engaging messages, provide our customers with the flexibility both to target audiences and to quickly launch new advertising campaigns, and eliminate or greatly reduce print production and installation costs. In addition, digital displays enable us to run multiple advertisements on each display. Digital billboard displays generate approximately four to five times more revenue per display on average than comparable traditional static billboard displays. Digital billboard displays also incur, on average, approximately two to four times more costs, including higher variable costs associated with the increase in revenue than comparable traditional static billboard displays. As a result, digital billboard displays generate higher profits and cash flows than comparable traditional static billboard displays. We have deployed state-of-the-art digital transit displays in connection with several transit franchises we operate and we expect to continue these deployments over the coming years, but at a slower pace than our historical deployments.Â We believe revenues generated on our network of digital transit displays will be higher than revenues generated on a comparable portfolio of our static transit displays.We have incurred, and we intend to incur, significant equipment deployment costs and capital expenditures, in the coming years to continue increasing the number of digital displays in our portfolio. However, we expect our annual equipment deployment cost spending with respect to the New York Metropolitan Transportation Authority (the â€œMTAâ€) transit franchise will decline now that we have substantially completed our initial deployment during 2024. 43Table of ContentsDuring the nine months ended September 30, 2024, we built or convertedÂ 65Â new digital billboard displays in the U.S. and entered into marketing arrangements to sell advertising on 14 third-party digital billboard displays in the U.S. In the nine months ended September 30, 2024, we built, converted or replaced 5,717 digital transit and other displays in the U.S. The following table sets forth information regarding our digital displays. (See Note 1. Description of Business and Basis of Presentation and Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business to the Consolidated Financial Statements.)Our revenues and profits may fluctuate due to seasonal advertising patterns and influences on advertising markets. Typically, our revenues and profits are highest in the fourth quarter, during the holiday shopping season, and lowest in the first quarter, as advertisers adjust their spending following the holiday shopping season. As described above, our revenues and profits may also fluctuate due to external events beyond our control.We have a diversified base of customers across various industries. During the three months ended September 30, 2024, our largest categories of advertisers were entertainment, retail and health/medical, each of which represented approximately 18%, 12% and 8% of our total U.S. Media segment revenues, respectively. During the three months ended September 30, 2023, our largest categories of advertisers were entertainment, retail and health/medical, each of which represented approximately 19%, 11% and 9% of our total U.S. Media segment revenues, respectively. During the nine months ended September 30, 2024, our largest categories of advertisers were entertainment, retail and health/medical, each of which represented approximately 18%, 11% and 9% of our total U.S. Media segment revenues, respectively. During the nine months ended September 30, 2023, our largest categories of advertisers were entertainment, retail and health/medical, each of which represented approximately 20%, 10% and 9% of our total U.S. Media segment revenues, respectively. Our large-scale portfolio allows our customers to reach a national audience and also provides the flexibility to tailor campaigns to specific regions or markets. We generated approximately 42% of our U.S. Media segment revenues from national advertising campaigns in the three months ended September 30, 2024, compared to approximately 43% in the same prior-year period. We generated approximately 41% of our U.S. Media segment revenues from national advertising campaigns in the nine months ended September 30, 2024, compared to approximately 42% in the same prior-year period. Our transit businesses require us to periodically obtain and renew contracts with municipalities and other governmental entities. When these contracts expire, we generally must participate in highly competitive bidding processes in order to obtain or renew contracts.Key Performance IndicatorsOur management reviews our performance by focusing on the indicators described below.Several of our key performance indicators are not prepared in conformity with Generally Accepted Accounting Principles in the United States of America (â€œGAAPâ€). We believe these non-GAAP performance indicators are meaningful supplemental measures of our operating performance and should not be considered in isolation of, or as a substitute for, their most directly comparable GAAP financial measures.44Table of ContentsThree Months EndedNine Months EndedSeptember 30,%September 30,%(in millions, except percentages)20242023Change20242023ChangeRevenues$451.9Â $454.8Â (1)%$1,337.7Â $1,319.4Â 1Â %Organic revenues(a)(b)451.9Â 430.5Â 5Â 1,302.8Â 1,253.6Â 4Â Operating income (loss)71.3Â 58.6Â 22314.4Â (364.2)*Adjusted OIBDA(b)117.1Â 116.9Â â€”Â 309.6Â 304.5Â 2Â Adjusted OIBDA(b) margin26Â %26Â %23Â %23Â %Net income (loss) attributable to OUTFRONT Media Inc.34.6Â 17.0Â 104Â 184.2Â (485.6)*Funds from operations (â€œFFOâ€)(b) attributable to OUTFRONT Media Inc.82.7Â 73.4Â 13Â 188.8Â 35.9Â *Adjusted FFO (â€œAFFOâ€)(b) attributable to OUTFRONT Media Inc.80.8Â 75.7Â 7Â 188.8Â 167.7Â 13Â *Â Â Â Â Calculation is not meaningful.(a)Organic revenues exclude revenues associated with the impact of the Transaction and the impact of foreign currency exchange rates (â€œnon-organic revenuesâ€). The decrease in billboard property lease expenses as a percentage of billboard revenues in the three months ended September 30, 2024, is primarily due to lower variable billboard property lease costs driven by higher revenue performance in advertising markets that have lower variable billboard property lease costs and lower revenue performance in advertising markets that have higher variable billboard property lease costs, partially offset by the impact of new locations, including through acquisitions. Billboard property lease expenses represented 34% of billboard revenues in the nine months ended September 30, 2024, and 35% in the nine months ended September 30, 2023. The decrease in billboard property lease expenses as a percentage of billboard revenues in the nine months ended September 30, 2024, is primarily due to lower variable billboard property lease costs driven by higher revenue performance in advertising markets that have lower variable billboard property lease costs and lower revenue performance in advertising markets that have higher variable billboard property lease costs (see Note 5. The decrease in transit franchise expenses, as a percentage of transit display revenues in the nine months ended September 30, 2024, compared to the same prior-year period, was primarily driven by MTA revenues growing at a faster pace than the inflationary increase to the guaranteed minimum annual payments to the MTA under the MTA Agreement (as defined below), partially offset by the net impact of new and lost transit franchise contracts. Billboard property lease and transit franchise expenses decreased $5.3 million, or 3%, in the three months ended September 30, 2024, compared to the same prior-year period, primarily due to the impact of the Transaction, lower variable property lease expenses and the net impact of new and lost transit franchise contracts, partially offset by higher guaranteed minimum annual payments to the MTA and the impact of new locations, including through acquisitions. Billboard property lease and transit 47Table of Contentsfranchise expenses decreased $6.8 million, or 1%, in the nine months ended September 30, 2024, compared to the same prior-year period, primarily due to lower variable property lease expenses, the impact of the Transaction and the net impact of new and lost transit franchise contracts, partially offset by higher guaranteed minimum annual payments to the MTA and the impact of new locations, including through acquisitions.Posting, maintenance and other expenses as a percentage of revenues were 12% in each of the three months ended September 30, 2024 and 2023, and 13% in each of the nine months ended September 30, 2024, and 2023. Posting, maintenance and other expenses decreased $1.4 million, or 2%, in the three months ended September 30, 2024, compared to the same prior-year period, primarily due to the impact of the Transaction and lower materials costs driven by lower third-party equipment sales, partially offset by higher compensation-related expenses and higher posting and rotation costs, driven by higher business activity. Posting, maintenance and other expenses increased $2.4 million, or 1%, in the nine months ended September 30, 2024, compared to the same prior-year period, primarily due to higher compensation-related expenses, higher posting and rotation costs, driven by higher business activity, and higher maintenance and utilities cost, driven by inflationary cost increases, partially offset by the impact of the Transaction and lower materials costs driven by lower third-party equipment sales.Selling, General and Administrative Expenses (â€œSG&Aâ€)SG&A expenses represented 24% of Revenues in the three months ended September 30, 2024, 23% of Revenues in the three months ended September 30, 2023, 25% of Revenues in the nine months ended September 30, 2024 and 24% of Revenues in the nine months ended September 30, 2023. SG&A expenses increased $3.4 million, or 3%, in the three months ended September 30, 2024, compared to the same prior-year period, primarily due to higher compensation-related expenses, including salaries and commissions, the impact of market fluctuations on an unfunded equity-linked retirement plan offered by the Company to certain employees and higher professional fees, as a result of a management consulting project, partially offset by the impact of the Transaction and a lower provision for doubtful accounts. SG&A expenses increased $16.5 million, or 5%, in the nine months ended September 30, 2024, compared to the same prior-year period, primarily due to higher compensation-related expenses, including salaries and commissions, higher professional fees, as a result of a management consulting project, the impact of market fluctuations on an unfunded equity-linked retirement plan offered by the Company to certain employees and higher rent related to new offices, partially offset by the impact of the Transaction. We continue to evaluate methods to lower SG&A expense growth.Net (Gain) Loss on DispositionsNet loss on dispositions was $1.5 million in the three months ended September 30, 2024. Net gain on dispositions was $153.6 million in the nine months ended September 30, 2024, compared to a Net loss on dispositions of $0.2 million in the same prior-year period, due primarily to the impact of the Transaction. Impairment ChargesAs a result of negative aggregate cash flow forecasts related to our MTA asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. In the three months ended September 30, 2023, we recorded impairment charges of $12.1 million, representing additional MTA equipment deployment costs spending during the quarter, and in the nine months ended September 30, 2023, we recorded impairment charges of $523.5 million, primarily representing $455.2 million of impairment charges related to our MTA asset group (see Note 4. Intangible Assets to the Consolidated Financial Statements) and an impairment charge of $47.6 million representing the entire goodwill balance associated with our U.S. Transit and Other reporting unit. In addition, in the nine months ended September 30, 2023, we recorded an impairment charge of $0.3 million related to an other-than-temporary decline in fair value of a cost-method investment.DepreciationDepreciation decreased $0.7 million, or 4%, in the three months ended September 30, 2024, compared to the same prior-year period, and decreased $3.6 million, or 6%, in the nine months ended September 30, 2024, compared to the same prior-year period, due primarily to the impact of the Transaction (see Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business), partially offset by higher depreciation on current year projects.48Table of ContentsAmortizationAmortization decreased $1.0 million, or 5%, in the three months ended September 30, 2024, and decreased $9.4 million, or 15%, in the nine months ended September 30, 2024, compared to the same prior-year periods, due primarily to the impact of the Transaction (see Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business), partially offset by higher amortization related to asset acquisitions completed within the last year.Interest Expense, NetInterest expense, net, was $37.1 million (including $1.5 million of deferred financing costs) in the three months ended September 30, 2024, and $40.2 million (including $1.6 million of deferred financing costs) in the same prior-year period. Interest expense, net, decreased in the three months ended September 30, 2024, compared to the same prior-year period, due primarily to a lower average debt balance, partially offset by higher interest rates. Interest expense, net, was $119.6 million (including $4.6 million of deferred financing costs) in the nine months ended September 30, 2024, and $117.6 million (including $5.0 million of deferred financing costs) in the same prior-year period. Interest expense, net, increased in the nine months ended September 30, 2024, compared to the same prior-year period, primarily due to higher interest rates, partially offset by a lower average debt balance.Loss on Extinguishment of DebtIn the nine months ended September 30, 2024, we recorded a loss on extinguishment of debt of $1.2 million, relating to the write-off of deferred financing costs and a portion of the discount on the Term Loan (as defined below), due to prepayments on the Term Loan. Benefit (Provision) for Income TaxesBenefit for income taxes was $0.2 million in the three months ended September 30, 2024, compared to a Provision for income taxes of $1.4 million in the same prior-year period, due primarily to the impact of the Transaction. Provision for income taxes increased $8.2 million in the nine months ended September 30, 2024, compared to the same prior-year period, due primarily to a gain on disposition related to the Transaction.Net Income (Loss)Net income before allocation to redeemable and non-redeemable noncontrolling interests increased $18.1 million, or 108%, in the three months ended September 30, 2024, compared to the same prior-year period, primarily driven by higher operating income, impairment charges incurred in 2023 and lower interest expense. Net income before allocation to redeemable and non-redeemable noncontrolling interests was $184.7 million in the nine months ended September 30, 2024, compared a Net loss before allocation to redeemable and non-redeemable noncontrolling interests of $485.2 million in the same prior-year period, primarily driven by higher operating income, due primarily to a gain on disposition related to the Transaction and higher impairment charges incurred in 2023, partially offset by a higher provision for income taxes and higher interest expense.Reconciliation of Non-GAAP Financial MeasuresAdjusted OIBDAWe calculate Adjusted OIBDA as operating income (loss) before depreciation, amortization, net (gain) loss on dispositions, stock-based compensation and impairment charges. We calculate Adjusted OIBDA margin by dividing Adjusted OIBDA by total revenues. Adjusted OIBDA and Adjusted OIBDA margin are among the primary measures we use for managing our business, evaluating our operating performance and planning and forecasting future periods, as each is an important indicator of our operational strength and business performance. Our management believes users of our financial data are best served if the information that is made available to them allows them to align their analysis and evaluation of our operating results along the same lines that our management uses in managing, planning and executing our business strategy. Our management also believes that the presentations of Adjusted OIBDA and Adjusted OIBDA margin, as supplemental measures, are useful in evaluating our business because eliminating certain non-comparable items highlight operational trends in our business that may not otherwise be apparent when relying solely on GAAP financial measures. It is managementâ€™s opinion that these supplemental measures provide users of our financial data with an important perspective on our operating performance and also make it easier for users of our financial data to compare our results with other companies that have different financing and capital structures or tax rates. 49Table of ContentsFFO and AFFOWhen used herein, references to â€œFFOâ€ and â€œAFFOâ€ mean â€œFFO attributable to OUTFRONT Media Inc.â€ and â€œAFFO attributable to OUTFRONT Media Inc.,â€ respectively. We calculate FFO in accordance with the definition established by the National Association of Real Estate Investment Trusts (â€œNAREITâ€). FFO reflects net income (loss) attributable to OUTFRONT Media Inc. adjusted to exclude gains and losses from the sale of real estate assets, impairment charges, depreciation and amortization of real estate assets, amortization of direct lease acquisition costs and the same adjustments for our equity-based investments and redeemable and non-redeemable noncontrolling interests, as well as the related income tax effect of adjustments, as applicable. We calculate AFFO as FFO adjusted to include cash paid for direct lease acquisition costs as such costs are generally amortized over a period ranging from four weeks to one year and therefore are incurred on a regular basis. AFFO also includes cash paid for maintenance capital expenditures since these are routine uses of cash that are necessary for our operations. In addition, AFFO excludes losses on extinguishment of debt, as well as certain non-cash items, including non-real estate depreciation and amortization, impairment charges on non-real estate assets, stock-based compensation expense, accretion expense, the non-cash effect of straight-line rent, amortization of deferred financing costs and the same adjustments for our redeemable and non-redeemable noncontrolling interests, along with the non-cash portion of income taxes, and the related income tax effect of adjustments, as applicable. We use FFO and AFFO measures for managing our business and for planning and forecasting future periods, and each is an important indicator of our operational strength and business performance, especially compared to other REITs. Our management believes users of our financial data are best served if the information that is made available to them allows them to align their analysis and evaluation of our operating results along the same lines that our management uses in managing, planning and executing our business strategy. Our management also believes that the presentations of FFO and AFFO, as supplemental measures, are useful in evaluating our business because adjusting results to reflect items that have more bearing on the operating performance of REITs highlight trends in our business that may not otherwise be apparent when relying solely on GAAP financial measures. It is managementâ€™s opinion that these supplemental measures provide users of our financial data with an important perspective on our operating performance and also make it easier to compare our results to other companies in our industry, as well as to REITs.Since Adjusted OIBDA, Adjusted OIBDA margin, FFO and AFFO are not measures calculated in accordance with GAAP, they should not be considered in isolation of, or as a substitute for, operating income (loss), net income (loss) attributable to OUTFRONT Media Inc., and revenues, the most directly comparable GAAP financial measures, as indicators of operating performance. These measures, as we calculate them, may not be comparable to similarly titled measures employed by other companies. In addition, these measures do not necessarily represent funds available for discretionary use and are not necessarily a measure of our ability to fund our cash needs.50Table of ContentsThe following table reconciles Operating income (loss) to Adjusted OIBDA, and Net income (loss) attributable to OUTFRONT Media Inc. to FFO attributable to OUTFRONT Media Inc. and AFFO attributable to OUTFRONT Media Inc. (See the â€œKey Performance Indicatorsâ€ section of this MD&A and Note 18. Segment Information to the Consolidated Financial Statements.)We currently manage our operations through one operating segment, U.S. Billboard and Transit, which is included in our U.S. Media reportable segment. Prior to its sale, our Canadian operations comprised our International operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other through the date of sale (see Note 18. Segment Information to the Consolidated Financial Statements). Our segment reporting therefore includes U.S. Media and Other. Due to seasonal advertising patterns and influences on advertising markets, our revenues and operating income are typically highest in the fourth quarter, during the holiday shopping season, and lowest in the first quarter, as advertisers adjust their spending following the holiday shopping season. Further, certain of our municipal transit contracts require guaranteed minimum annual payments to be paid on a monthly or quarterly basis, as applicable.Our short-term cash requirements primarily include payments for operating leases, guaranteed minimum annual payments, interest, capital expenditures, equipment deployment costs and dividends. Funding for short-term cash needs will come primarily from our cash on hand, operating cash flows, our ability to issue debt and equity securities, and borrowings under the Revolving Credit Facility (as defined below), the AR Facility (as defined below) or other credit facilities that we may establish, to the extent available. In addition, as part of our growth strategy, we frequently evaluate strategic opportunities to acquire new businesses, assets or digital technology, directly or in connection with joint ventures (including buy/sell arrangements with joint venture partners). Consistent with this strategy, we regularly evaluate potential acquisitions, ranging from small transactions to larger acquisitions, 56Table of Contentswhich transactions and transaction-related expenses will be funded through cash on hand, additional borrowings, equity or other securities, or some combination thereof. Our long-term cash needs include principal payments on outstanding indebtedness and commitments related to operating leases and franchise and other agreements, including any related guaranteed minimum annual payments, and equipment deployment costs. Funding for long-term cash needs will come from our cash on hand, operating cash flows, our ability to issue debt and equity securities, and borrowings under the Revolving Credit Facility or other credit facilities that we may establish, to the extent available. Although we have taken several actions to date to enhance our financial flexibility and increase our liquidity, our short-term and long-term cash needs and related funding capability may be adversely affected by the current levels of inflation and related economic environment if cash on hand and operating cash flows decrease in 2024, and our ability to issue debt and equity securities and/or borrow under our existing or new credit facilities on reasonable pricing terms, or at all, may become uncertain. (See the â€œOverviewâ€ section of this MD&A.)Working capital was a deficit of $183.3Â million as of SeptemberÂ 30, 2024, compared to a deficit of $195.4Â million as of DecemberÂ 31, 2023, primarily driven by the impact of the Transaction.Under the current MTA agreement, which was amended in June 2020 and July 2021 and is subject to modification as agreed-upon by us and the MTA (as amended, the â€œMTA Agreementâ€):â€¢Deployments. We must deploy, over a number of years, (i) 5,433 digital advertising screens on subway and train platforms and entrances, (ii) 15,896 smaller-format digital advertising screens on rolling stock, and (iii) 9,283 MTA communications displays. We are also obligated to deploy certain additional digital advertising screens and MTA communications displays in subway and train stations and rolling stock that the MTA may build or acquire in the future (collectively, the â€œNew Inventoryâ€). â€¢Recoupment of Equipment Deployment Costs. We may retain incremental revenues that exceed an annual base revenue amount for the cost of deploying advertising and communications displays throughout the transit system. As presented in the table below, recoupable MTA equipment deployment costs are recorded as Prepaid MTA equipment deployment costs and Intangible assets on our Consolidated Statement of Financial Position, and as these costs are recouped from incremental revenues that the MTA would otherwise be entitled to receive, Prepaid MTA equipment deployment costs will be reduced. If incremental revenues generated over the term of the agreement are not sufficient to cover all or a portion of the equipment deployment costs, the costs will not be recouped, which could have an adverse effect on our business, financial condition and results of operations, including impairment charges (see Note 4. Intangible Assets to the Consolidated Financial Statements). If we do not recoup all costs of deploying advertising and communications screens with respect to the New Inventory by the end of the term of the MTA Agreement, the MTA will be obligated to reimburse us for these costs. Deployment costs in an amount not to exceed $50.7Â million, which are deemed authorized before December 31, 2020, will be paid directly by the MTA. For any deployment costs deemed authorized after December 31, 2020, the MTA and the Company will no longer be obligated to directly pay 70% and 30% of the costs, respectively, and these costs will be subject to recoupment in accordance with the MTA Agreement. We did not recoup any equipment deployment costs in the nine months ended September 30, 2024. In addition, we currently do not expect to recoup any equipment deployment costs throughout the remainder of the Amended Term (as defined below) of the MTA Agreement. We expect our MTA equipment deployment costs to be approximately $50.0 million in 2024. After 2024, we expect MTA equipment deployment costs to be approximately $30.0 million to $40.0 million annually throughout the remainder of the Amended Term (as defined below) of the MTA Agreement and encompass replacement costs. Accordingly, we expect annual MTA equipment deployment costs after 2024 to be significantly below prior year levels as we have substantially completed our initial deployment during 2024. â€¢Payments. We must pay to the MTA the greater of a percentage of revenues or a guaranteed minimum annual payment. Our payment obligations with respect to guaranteed minimum annual payment amounts owed to the MTA resumed on January 1, 2021, in accordance with the terms of the MTA Agreement, and any guaranteed minimum annual payment amounts that would have been paid for the period from April 1, 2020 through December 31, 2020 (less any revenue share amounts actually paid during this period using an increased revenue share percentage of 65%) will instead be added in equal increments to the guaranteed minimum annual payment amounts owed for the period from January 1, 2022, through December 31, 2026. The MTA Agreement also provides that if prior to April 1, 2028 the balance of unrecovered costs of deploying advertising and communications screens throughout the transit system is equal to or less than zero, then in any year following the year in which such recoupment occurs (the â€œRecoupment Yearâ€), the MTA is entitled to receive an additional payment equal to 2.5% of the annual base revenue amount for such year calculated in accordance with the MTA Agreement, provided that gross revenues in such year (i) were at 57Table of Contentsleast equal to the gross revenues generated in the Recoupment Year, and (ii) did not decline by more than 5% from the prior year.â€¢Term. In July 2021, we extended the initial 10-year term of the MTA Agreement to a 13-year base term (the â€œAmended Termâ€). We have the option to extend the Amended Term for an additional five-year period at

the end of the Amended Term, subject to satisfying certain quantitative and qualitative conditions. We may utilize cash on hand and/or incremental third-party financing to fund equipment deployment costs over the next couple of years. However, given the current levels of inflation and related economic environment, we cannot reasonably estimate the aggregate financing amount, if any, at this time. As of SeptemberÂ 30, 2024, we have issued surety bonds in favor of the MTA totaling approximately $136.0 million, which amount is subject to change as equipment installations are completed and revenues are generated. As indicated in the table below, we incurred $24.5 million related to MTA equipment deployment costs in the nine months ended September 30, 2024 (which includes equipment deployment costs related to future deployments), for a total of $604.1 million to date, of which $33.9 million had been recouped from incremental revenues to date. As of SeptemberÂ 30, 2024, 25,345 digital displays had been installed, composed of 5,008 digital advertising screens on subway and train platforms and entrances, 14,548 smaller-format digital advertising screens on rolling stock and 5,789 MTA communications displays. In the three months ended September 30, 2024, 1,374 installations occurred, for a total of 5,648 installations in the nine months ended September 30, 2024. MTA performance during the nine months ended September 30, 2024, was slightly better than the expectations and assumptions included in our year-end 2023 model and our current long-term assumptions continue to be in line with our year-end 2023 model. As a result of negative aggregate cash flow forecasts related to our MTA asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. (See the â€œCritical Accounting Policiesâ€ section of this MD&A and Note 4. Intangible Assets to the Consolidated Financial Statements.) We currently expect positive aggregate cash flows on an undiscounted basis from the fourth quarter of 2024 through to the end of the Amended Term of the MTA Agreement. If our MTA performance continues to be in line with, or better than, our current model, we would not expect to incur additional impairment charges on our MTA equipment deployment cost spending. There can be no assurance that these estimates and assumptions will prove to be an accurate prediction of the future, and a downward revision of these estimates and/or assumptions would decrease our cash flows, which could result in additional impairment charges in the future. The total fees under the letter of credit facilities were immaterial in each of the three and nine months ended September 30, 2024 and 2023. Accounts Receivable Securitization FacilityAs of SeptemberÂ 30, 2024, we have a $150.0Â million revolving accounts receivable securitization facility (the â€œAR Facilityâ€), which terminates in June 2027, unless further extended. On JuneÂ 14, 2024, we entered into an amendment to the agreements governing the AR Facility, pursuant to which we (i) extended the term of the AR Facility so that it now terminates on JuneÂ 14, 2027, unless further extended; and (ii) modified the upfront fee and modified the program fee so that the program fee may increase or decrease based on the Companyâ€™s Consolidated Net Secured Leverage Ratio (as defined and described below). The amendment to the agreements governing the AR Facility do not change how we account for the AR Facility as a collateralized financing activity.In connection with the AR Facility, Outfront Media LLC and Outfront Media Outernet Inc., each a wholly-owned subsidiary of the Company, and certain of the Companyâ€™s taxable REIT subsidiaries (â€œTRSsâ€) (the â€œOriginatorsâ€), will sell and/or contribute their respective existing and future accounts receivable and certain related assets to either Outfront Media Receivables LLC, a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s qualified REIT subsidiary accounts receivable assets (the â€œQRS SPVâ€) or Outfront Media Receivables TRS, LLC a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s TRS accounts receivable assets (the â€œTRS SPVâ€ and together with the QRS SPV, the â€œSPVsâ€). The SPVs may transfer undivided interests in their respective accounts receivable assets to certain purchasers from time to time (the â€œPurchasersâ€). The SPVs are separate legal entities with their own separate creditors who will be entitled to access the SPVsâ€™ assets before the assets become available to the Company. Accordingly, the SPVsâ€™ assets are not available to pay creditors of the Company or any of its subsidiaries, although collections from the receivables in excess of amounts required to repay the Purchasers and other creditors of the SPVs may be remitted to the Company. Outfront Media LLC will service the accounts receivables on behalf of the SPVs for a fee. The Company has agreed to guarantee the performance of the Originators and Outfront Media LLC, in its capacity as servicer, of their respective obligations under the agreements governing the AR Facility. Neither the Company, the Originators nor the SPVs guarantee the collectability of the receivables under the AR Facility. Further, the TRS SPV and the QRS SPV are jointly and severally liable for their respective obligations under the agreements governing the AR Facility.As of SeptemberÂ 30, 2024, there were $40.0 million of outstanding borrowings under the AR Facility, at a borrowing rate of 6.3%. As of SeptemberÂ 30, 2024, borrowing capacity remaining under the AR Facility was $110.0 million based on approximately $339.8 million of accounts receivable that could be used as collateral for the AR Facility in accordance with the agreements governing the AR Facility. The commitment fee based on the amount of unused commitments under the AR Facility was $0.1Â million in the three months ended September 30, 2024, immaterial for the three months ended September 30, 2023, $0.2 million in the nine months ended September 30, 2024, and $0.1Â million in the nine months ended September 30, 2023. In October and November 2024, we made repayments totaling $20.0 million under the AR Facility.Debt CovenantsOur credit agreement, dated as of January 31, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified, the â€œCredit Agreementâ€), governing the Senior Credit Facilities, the agreements governing the AR Facility, and the indentures governing our senior notes contain customary affirmative and negative covenants, subject to certain exceptions, including but not limited to those that restrict the Companyâ€™s and its subsidiariesâ€™ abilities to (i) pay dividends on, repurchase or make distributions in respect to the Companyâ€™s or its wholly-owned subsidiary, Outfront Media Capital LLCâ€™s capital stock or make other restricted payments other than dividends or distributions necessary for us to maintain our REIT status, subject to certain conditions and exceptions, (ii) enter into agreements restricting certain subsidiariesâ€™ ability to pay dividends or make other intercompany or third-party transfers, and (iii) incur additional indebtedness. One of the exceptions to the restriction on our ability to incur additional indebtedness is satisfaction of a Consolidated Total Leverage Ratio, which is the ratio of our 60Table of Contentsconsolidated total debt to our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 6.0 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Total Leverage Ratio was 4.9 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement.The terms of the Credit Agreement (and under certain circumstances, the agreements governing the AR Facility) require that we maintain a Consolidated Net Secured Leverage Ratio, which is the ratio of (i) our consolidated secured debt (less up to $150.0Â million of unrestricted cash) to (ii) our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 4.5 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Net Secured Leverage Ratio was 1.6 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement. As of SeptemberÂ 30, 2024, we are in compliance with our debt covenants.Deferred Financing CostsAs of SeptemberÂ 30, 2024, we had deferred $22.4 million in fees and expenses associated with the Term Loan, the Revolving Credit Facility, the AR Facility and our senior notes. We are amortizing the deferred fees through Interest expense, net, on our Consolidated Statement of Operations over the respective terms of the Term Loan, Revolving Credit Facility, AR Facility and our senior notes.EquityAt-the-Market Equity Offering ProgramWe have a sales agreement in connection with an â€œat-the-marketâ€ equity offering program (the â€œATM Programâ€), under which we may, from time to time, issue and sell shares of our common stock up to an aggregate offering price of $300.0 million. We have no obligation to sell any of our common stock under the sales agreement and may at any time suspend solicitations and offers under the sales agreement. No shares were sold under the ATM Program during the nine months ended September 30, 2024. As of SeptemberÂ 30, 2024, we had approximately $232.5 million of capacity remaining under the ATM Program. Series A Preferred Stock IssuanceOn April 20, 2020, we issued 400,000 shares of our Series A Convertible Perpetual Preferred Stock (the â€œSeries A Preferred Stockâ€), par value $0.01 per share. The Series A Preferred Stock ranks senior to the shares of the Companyâ€™s common stock with respect to dividend and distribution rights. Holders of the Series A Preferred Stock are entitled to a cumulative dividend accruing at the initial rate of 7.0% per year, payable quarterly in arrears, subject to increases as set forth in the Articles Supplementary, effective as of April 20, 2020 (the â€œArticlesâ€). Dividends may, at the option of the Company, be paid in cash, in-kind, through the issuance of additional shares of Series A Preferred Stock or a combination of cash and in-kind, until April 20, 2028, after which time dividends will be payable solely in cash. So long as any shares of Series A Preferred Stock remain outstanding, the Company may not, without the consent of a specified percentage of holders of shares of Series A Preferred Stock, declare a dividend on, or make any distributions relating to, capital stock that ranks junior to, or on a parity basis with, the Series A Preferred Stock, subject to certain exceptions, including but not limited to (i) any dividend or distribution in cash or capital stock of the Company on or in respect of the capital stock of the Company to the extent that such dividend or distribution is necessary to maintain the Companyâ€™s status as a REIT; and (ii) any dividend or distribution in cash in respect of our common stock that, together with the dividends or distributions during the 12-month period immediately preceding such dividend or distribution, is not in excess of 5% of the aggregate dividends or distributions paid by the Company necessary to maintain its REIT status during such 12-month period. If any dividends or distributions in respect of the shares of our common stock are paid in cash, the shares of Series A Preferred Stock will participate in the dividends or distributions on an as-converted basis up to the amount of their accrued dividend for such quarter, which amounts will reduce the dividends payable on the shares of Series A Preferred Stock dollar-for-dollar for such quarter. The Series A Preferred Stock is convertible at the option of any holder at any time into shares of our common stock at an initial conversion price of $16.00 per share and an initial conversion rate of 62.50 shares of our common stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments and a share cap as set forth in the Articles. Subject to certain conditions set forth in the Articles (including a change of control), each of the Company and the holders of the Series A Preferred Stock may convert or redeem the Series A Preferred Stock at the prices set forth in the Articles, plus any accrued and unpaid dividends.61Table of ContentsCash Flows The following table presents our cash flows in the nine months ended September 30, 2024 and 2023.Nine Months EndedSeptember 30,%(in millions, except percentages)20242023ChangeNet cash flow provided by operating activities$174.7Â $149.2Â 17Â %Net cash flow provided by (used for) investing activities230.7Â (93.4)*Net cash flow used for financing activities(413.0)(51.9)*Effect of exchange rate changes on cash and cash equivalents(0.4)0.1Â *Net increase (decrease) in cash and cash equivalents(8.0)4.0Â **Calculation is not meaningful.Cash provided by operating activities increased $25.5 million, or 17%, in the nine months ended September 30, 2024, compared to the same prior-year period, due primarily to a decrease in prepaid MTA equipment deployment costs, and a smaller use of cash related to accounts payable and accrued expenses, driven by lower incentive compensation payments made in 2024, partially offset by the timing of receivables and lower net income in 2024 compared to 2023, due to increased SG&A expenses and higher interest expense. In the nine months ended September 30, 2024, we paid net cash of $18.8Â million related to MTA equipment deployment costs and installed 5,648 digital displays. In the nine months ended September 30, 2023, we paid net cash of $33.4Â million related to MTA equipment deployment costs and installed 4,633 digital displays.Cash provided by investing activities was $230.7 million in the nine months ended September 30, 2024, compared to Cash used by investing activities of $93.4 million in the same prior-year period, due primarily to cash received from the Transaction and lower cash paid for acquisitions and capital expenditures. The following table presents our capital expenditures in the nine months ended September 30, 2024 and 2023.Nine Months EndedSeptember 30,%(in millions, except percentages)20242023ChangeGrowth$42.0Â $39.1Â 7Â %Maintenance17.9Â 24.5Â (27)Total capital expenditures$59.9Â $63.6Â (6)Capital expenditures decreased $3.7 million, or 6%, in the nine months ended September 30, 2024, compared to the same prior-year period, primarily due to lower spending related to the renovation of certain office facilities and lower spending on software and technology, partially offset by increased growth in digital displays, increased maintenance spending for billboard display upgrades, and higher spending on safety-related projects.For the full year of 2024, we expect our capital expenditures to be approximately $85.0 million, which will be used primarily for growth in digital displays, the renovation of certain office facilities, software and technology, maintenance and safety-related projects. This estimate does not include equipment deployment costs that will be incurred in connection with the MTA Agreement (as described above).Cash used for financing activities increased by $361.1 million in the nine months ended September 30, 2024 compared to the same prior-year period. In the nine months ended September 30, 2024, we prepaid $200.0 million on the outstanding balance of the Term Loan, made net repayments on the AR Facility of $25.0 million and paid total cash dividends of $156.4 million on our common stock, the Series A Preferred Stock and vested restricted share units granted to employees, and paid $23.9 million related to the exercise of a buy/sell arrangement by one of our joint venture partners resulting in our purchase of the outstanding noncontrolling interest in a consolidated subsidiary. In the nine months ended September 30, 2023, we drew $120.0 million of net borrowings on the AR Facility and paid total cash dividends of $155.4 million on our common stock, the Series A Preferred Stock and vested restricted share units granted to employees.Cash paid for income taxes was $11.4 million in the nine months ended September 30, 2024, compared to $5.9 million in the nine months ended September 30, 2023. The increase was due primarily to income tax payments related to the Transaction. 62Table of ContentsOff-Balance Sheet ArrangementsOur off-balance sheet commitments primarily consist of guaranteed minimum annual payments. (See Note 17. Commitments and Contingencies to the Consolidated Financial Statements for information about our off-balance sheet commitments.)Critical Accounting PoliciesThe preparation of our financial statements in conformity with GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. On an ongoing basis, we evaluate these estimates, which are based on historical experience and on various assumptions that we believe are reasonable under the

circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of revenues and expenses that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions.For information regarding accounting policies we consider to be the most critical as they are significant to our financial condition and results of operations, and require significant judgment and estimates on the part of management in their application, see â€œItem 7. Managementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€”Critical Accounting Policiesâ€ in our Annual Report on Form 10-K for the year ended DecemberÂ 31, 2023, filed with the SEC on FebruaryÂ 22, 2024.For a summary of our significant accounting policies, see Item 8., Note 2. For a further discussion of these and other factors that could impact our future results, performance or transactions, see the section entitled â€œRisk Factorsâ€ in this Quarterly Report on Form 10-Q and in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on FebruaryÂ 22, 2024. You should understand that it is not possible to predict or identify all such factors. Consequently, you should not consider any such list to be a complete set of all potential risks or uncertainties.ItemÂ 3.Â Â Â Â Quantitative and Qualitative Disclosures About Market Risk.We are exposed to market risk related to commodity prices and to a limited extent, interest rates and credit risks.Commodity Price RiskWe incur various operating costs that are subject to price risk caused by volatility in underlying commodity values. Commodity price risk is present in electricity costs associated with powering our digital billboard displays and lighting our traditional static billboard displays at night.We do not currently use derivatives or other financial instruments to mitigate our exposure to commodity price risk. However, we do enter into contracts with commodity providers to limit our exposure to commodity price fluctuations. For the year ended DecemberÂ 31, 2023, such contracts accounted for 6.2% of our total utility costs. As of SeptemberÂ 30, 2024, we had active electricity purchase agreements with fixed contract rates for locations in Illinois, New Jersey and Texas, which expire at various dates through June 2025. Interest Rate RiskWe are subject to interest rate risk to the extent we have variable-rate debt outstanding, including under the Senior Credit Facilities and the AR Facility. 64Table of ContentsAs of SeptemberÂ 30, 2024, we had a $400.0 million variable-rate Term Loan due 2026 outstanding, which has an interest rate of 6.6%Â per year. An increase or decrease of 1/4% in our interest rate on the Term Loan will change our annualized interest expense by approximately $1.0 million. As of SeptemberÂ 30, 2024, there were $40.0 million of outstanding borrowings under the AR Facility, at a borrowing rate of 6.3%. An increase or decrease of 1/4% in our interest rate on the AR Facility will change our annualized interest expense by approximately $0.1 million. In October and November 2024, we made repayments totaling $20.0 million under the AR Facility.We are not currently using derivatives or other financial instruments to mitigate interest rate risk, although we may do so in the future. Credit RiskIn the opinion of our management, credit risk is limited due to the large number of customers and advertising agencies utilized. We perform credit evaluations on our customers and agencies and believe that the allowances for credit losses are adequate. We do not currently use derivatives or other financial instruments to mitigate credit risk. ItemÂ 4.Â Â Â Â Controls and Procedures.Evaluation of Disclosure Controls and ProceduresAs required by RuleÂ 13a-15(b) of the Securities Exchange Act of 1934, as amended (the â€œExchange Actâ€), our management has carried out an evaluation, under the supervision of and with the participation of our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures, as defined in RuleÂ 13a-15(e)Â of the Exchange Act, as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on the foregoing, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures as of the end of the period covered by this report, were effective to provide reasonable assurance that information required to be disclosed by us in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the Securities and Exchange Commissionâ€™s rulesÂ and forms and is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosure.Changes in Internal Control Over Financial Reporting There have been no changes in our internal control over financial reporting, as defined in Rule 13a-15(f) under the Exchange Act, during the period covered by this Quarterly Report on Form 10-Q that have materially affected, or that are reasonably likely to materially affect, our internal control over financial reporting. Limitations on Effectiveness of Disclosure Controls and Procedures and Internal Control Over Financial ReportingIn designing and evaluating our disclosure controls and procedures and internal control over financial reporting, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures and internal control over financial reporting must reflect the fact that there are resource constraints and that management is required to apply its judgment in evaluating the benefits of possible controls and procedures relative to their costs.65Table of ContentsPART IIItemÂ 1. Legal Proceedings.On an ongoing basis, we are engaged in lawsuits and governmental proceedings and respond to various investigations, inquiries, notices and claims from national, state and local governmental and other authorities (collectively, â€œlitigationâ€). Litigation is inherently uncertain and always difficult to predict. Although it is not possible to predict with certainty the eventual outcome of any litigation, in our opinion, none of our current litigation is expected to have a material adverse effect on our results of operations, financial position or cash flows. ItemÂ 1A. Risk Factors.We have disclosed the risk factors affecting our business, results of operations and financial condition in the section entitled â€œRisk Factorsâ€ in our Annual Report on Form 10-K for the year ended DecemberÂ 31, 2023, filed with the SEC on FebruaryÂ 22, 2024. Securities outstanding equals securities issued minus securities held in treasury. Temporary equity is a security with redemption features that are outside the control of the issuer, is not classified as an asset or liability in conformity with GAAP, and is not mandatorily redeemable.

Includes any type of security that is redeemable at a fixed or determinable price or on a fixed or determinable date or dates, is redeemable at the option of the holder, or has conditions for redemption which are not solely within the control of the issuer. If convertible, the issuer does not control the actions or events necessary to issue the maximum number of shares that could be required to be delivered under the conversion option if the holder exercises the option to convert the stock to another class of equity. If the security is a warrant or a rights issue, the warrant or rights issue is considered to be temporary equity if the issuer cannot demonstrate that it would be able to deliver upon the exercise of the option by the holder in all cases. Includes stock with put option held by ESOP and stock redeemable by holder only in the event of a change in control of the issuer. + ReferencesReference 1: http://fasb.org/us-gaap/role/ref/legacyRef -Topic 210 -SubTopic 10 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.5-02(27)(b)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147480566/210-10-S99-1 + Details Name: us-gaap_TemporaryEquitySharesOutstanding Namespace Prefix: us-gaap_ Data Type: xbrli:sharesItemType Balance Type: na Period Type: instant XML 15 R4.htm IDEA: XBRL DOCUMENT v3.24.3 Consolidated Statements of Operations (Unaudited) - USD ($) shares in Millions, $ in Millions 3 Months Ended 9 Months Ended Sep. 30, 2024 Sep. 30, 2023 Sep. 30, 2024 Sep. 30, 2023 Revenues: Â Â Â Â Billboard $ 360.6 $ 363.6 $ 1,062.8 $ 1,055.8 Transit and other 91.3 91.2 274.9 263.6 Total revenues 451.9 454.8 1,337.7 1,319.4 Expenses: Â Â Â Â Operating 233.1 239.8 711.6 716.0 Selling, general and administrative 108.7 105.3 338.3 321.8 Net (gain) loss on dispositions 1.5 0.0 (153.6) 0.2 Impairment charges 0.0 12.1 17.9 523.5 Depreciation 18.6 19.3 55.5 59.1 Amortization 18.7 19.7 53.6 63.0 Total expenses 380.6 396.2 1,023.3 1,683.6 Operating income (loss) 71.3 58.6 314.4 (364.2) Interest expense, net (37.1) (40.2) (119.6) (117.6) Loss on extinguishment of debt 0.0 0.0 (1.2) 0.0 Other income (loss), net (0.1) (0.1) 1.0 0.1 Income (loss) before benefit (provision) for income taxes and equity in earnings of investee companies 34.1 18.3 194.6 (481.7) Benefit (provision) for income taxes 0.2 (1.4) (10.4) (2.2) Equity in earnings of investee companies, net of tax 0.5 (0.2) 0.5 (1.3) Net income (loss) before allocation to redeemable and non-redeemable noncontrolling interests 34.8 16.7 184.7 (485.2) Net income (loss) attributable to redeemable and non-redeemable noncontrolling interests 0.2 (0.3) 0.5 0.4 Net income (loss) attributable to OUTFRONT Media Inc. $ 34.6 $ 17.0 $ 184.2 $ (485.6) Net income (loss) per common share: Â Â Â Â Basic (in dollars per share) $ 0.20 $ 0.09 $ 1.07 $ (2.98) Diluted (in dollars per share) $ 0.19 $ 0.09 $ 1.06 $ (2.98) Weighted average shares outstanding: Â Â Â Â Basic (in shares) 166.0 165.0 165.8 164.9 Diluted (in shares) [2] 167.2 [1] 165.2 [1] 174.4 164.9 [1] [1] The potential impact of 7.8 million shares of our common stock issuable upon conversion of the Series A Preferred Stock in each of the three months ended September 30, 2024 and 2023, and nine months ended September 30, 2023, were antidilutive. If convertible, the issuer does not control the actions or events necessary to issue the maximum number of shares that could be required to be delivered under the conversion option if the holder exercises the option to convert the stock to another class of equity. If the security is a warrant or a rights issue, the warrant or rights issue is considered to be temporary equity if the issuer cannot demonstrate that it would be able to deliver upon the exercise of the option by the holder in all cases. Includes stock with put option held by ESOP and stock redeemable by holder only in the event of a change in control of the issuer. + ReferencesReference 1: http://fasb.org/us-gaap/role/ref/legacyRef -Topic 210 -SubTopic 10 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.5-02(27)(b)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147480566/210-10-S99-1 + Details Name: us-gaap_TemporaryEquitySharesOutstanding Namespace Prefix: us-gaap_ Data Type: xbrli:sharesItemType Balance Type: na Period Type: instant XML 18 R7.htm IDEA: XBRL DOCUMENT v3.24.3 Consolidated Statements of Equity (Unaudited) (Parenthetical) - $ / shares 3 Months Ended 6 Months Ended 9 Months Ended 12 Months Ended Sep. 30, 2024 Jun. 30, 2024 Mar. 31, 2024 Sep. 30, 2023 Jun. 30, 2023 Mar. 31, 2023 Jun. 30, 2024 Jun. 30, 2023 Sep. 30, 2024 Sep. 30, 2023 Dec. 31, 2023 Dec. 31, 2022 Statement of Stockholders' Equity [Abstract] Â Â Â Â Â Â Â Â Â Â Â Â Common stock, par value per share ($ per share) $ 0.01 $ 0.01 Â $ 0.01 $ 0.01 Â $ 0.01 $ 0.01 $ 0.01 $ 0.01 $ 0.01 $ 0.01 Series A Preferred Stock, par value per share ($ per share) $ 0.01 $ 0.01 Â $ 0.01 $ 0.01 Â $ 0.01 $ 0.01 $ 0.01 $ 0.01 $ 0.01 $ 0.01 Series A Preferred Stock dividend rate (%) 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% 7.00% Dividends declared per common share ($ per share) $ 0.30 $ 0.30 $ 0.30 $ 0.30 $ 0.30 $ 0.30 $ 0.60 $ 0.60 $ 0.90 $ 0.90 $ 1.20 $ 1.20 X - DefinitionAggregate dividends declared during the period for each share of common stock outstanding. + ReferencesReference 1: http://fasb.org/us-gaap/role/ref/legacyRef -Topic 505 -SubTopic 10 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.3-04) -Publisher FASB -URI https://asc.fasb.org/1943274/2147480008/505-10-S99-1 + Details Name: us-gaap_CommonStockDividendsPerShareDeclared Namespace Prefix: us-gaap_ Data Type: dtr-types:perShareItemType Balance Type: na Period Type: duration X - DefinitionFace amount or stated value per share of common stock. + ReferencesReference 1: http://fasb.org/us-gaap/role/ref/legacyRef -Topic 210 -SubTopic 10 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.5-02(29)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147480566/210-10-S99-1 + Details Name: us-gaap_CommonStockParOrStatedValuePerShare Namespace Prefix: us-gaap_ Data Type: dtr-types:perShareItemType Balance Type: na Period Type: instant X - DefinitionThe percentage rate used to calculate dividend payments on preferred stock. + ReferencesReference 1: http://www.xbrl.org/2003/role/disclosureRef -Topic 505 -SubTopic 10 -Name Accounting Standards Codification -Section 50 -Paragraph 13 -Subparagraph (b) -Publisher FASB -URI https://asc.fasb.org/1943274/2147481112/505-10-50-13Reference 2: http://www.xbrl.org/2003/role/disclosureRef -Topic 946 -SubTopic 320 -Name Accounting Standards Codification -Section S99 -Paragraph 2 -Subparagraph (SX 210.12-12A(Column A)(Footnote 3)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147477271/946-320-S99-2Reference 3: http://www.xbrl.org/2003/role/disclosureRef -Topic 946 -SubTopic 320 -Name Accounting Standards Codification -Section S99 -Paragraph 1 -Subparagraph (SX 210.12-12(Column A)(Footnote 4)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147477271/946-320-S99-1Reference 4: http://www.xbrl.org/2003/role/disclosureRef -Topic 946 -SubTopic 320 -Name Accounting Standards Codification -Section S99 -Paragraph 3 -Subparagraph (SX 210.12-12B(Column A)(Footnote 3)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147477271/946-320-S99-3Reference 5: http://www.xbrl.org/2003/role/disclosureRef -Topic 946 -SubTopic 320 -Name Accounting Standards Codification -Section S99 -Paragraph 6 -Subparagraph (SX 210.12-14(Column A)(Footnote 3)) -Publisher FASB -URI https://asc.fasb.org/1943274/2147477271/946-320-S99-6 + Details Name: us-gaap_PreferredStockDividendRatePercentage Namespace Prefix: us-gaap_ Data Type: dtr-types:percentItemType Balance Type: na Period Type: duration X - ReferencesNo definition available. + Details Name: us-gaap_StatementOfStockholdersEquityAbstract Namespace Prefix: us-gaap_ Data Type: xbrli:stringItemType Balance Type: na Period Type: duration X - DefinitionPer share amount of par value or stated value of stock classified as temporary equity. (the â€œCompanyâ€) and its subsidiaries (collectively, â€œwe,â€ â€œusâ€ or â€œourâ€) is a real estate investment trust (â€œREITâ€), which provides advertising space (â€œdisplaysâ€) on out-of-home advertising structures and sites in the United States (the â€œU.S.â€). Our inventory consists of billboard displays, which are primarily located on the most heavily traveled highways and roadways in top Nielsen Designated Market Areas (â€œDMAsâ€), and transit advertising displays operated under exclusive multi-year contracts with municipalities in large cities across the U.S. In total, we have displays in all of the 25 largest markets in the U.S. and approximately 120 markets across the U.S. We currently manage our operations through one operating segment, U.S. Billboard and Transit, which is included in our U.S. Media reportable segment. Prior to its sale, our Canadian operations comprised our International operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other through the date of sale.On JuneÂ 7, 2024, we sold all of our equity interests in Outdoor Systems Americas ULC and its subsidiaries (the â€œTransactionâ€), which hold all of the assets of the Companyâ€™s outdoor advertising business in Canada (the â€œCanadian Businessâ€). (See Note 12. Acquisitions and Dispositions: Dispositions: Canadian Business.) Basis of Presentation and Use of EstimatesThe accompanying unaudited consolidated financial statements have been prepared pursuant to the rules of the Securities and Exchange Commission (the â€œSECâ€). In the opinion of our management, the accompanying unaudited consolidated financial statements reflect all adjustments, consisting of normal and recurring adjustments, necessary for a fair statement of our financial position, results of operations and cash flows for the periods presented. These financial statements should be read in conjunction with the more detailed financial statements and notes thereto, included in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on FebruaryÂ 22, 2024. The preparation of our financial statements in conformity with accounting principles generally accepted in the United States of America (â€œGAAPâ€) requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ materially from these estimates under different assumptions or conditions.Revision of Previously Issued Financial InformationIn the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SECâ€™s Staff Accounting Bulletin (â€œSABâ€) No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary. (See Note 19. Revised Consolidated Financial Information.)As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period

adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2Â million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings. (See Note 19. Revised Consolidated Financial Information.)The impact of the revisions have been reflected throughout the Consolidated Financial Statements, including the applicable Notes to the Consolidated Financial Statements, as appropriate. Amortization expense was $18.7 million in the three months ended September 30, 2024, $19.7 million in the three months ended September 30, 2023, $53.6 million in the nine months ended September 30, 2024, and $63.0 million in the nine months ended September 30, 2023.As a result of negative aggregate cash flow forecasts related to our New York Metropolitan Transportation Authority (the â€œMTAâ€) asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. In the three months ended September 30, 2023, we recorded impairment charges of $12.1 million representing additional MTA equipment deployment costs spending during the quarter, and in the nine months ended September 30, 2023, we recorded impairment charges of $523.5 million, primarily representing $455.2 million of impairment charges related to our MTA asset group. Pursuant to an agreement between us and the Providence Affiliate (the â€œBillboard Agreementâ€), we agreed to exclusively market, license and make advertising space available on the Assets to third-party advertisers for a term of up to ten years (the â€œBillboard Transactionâ€). In return, we will retain all revenues from the sale of advertising with respect to the Assets less the following payments to the Providence Affiliate or its payment designee, as applicable: (i) a minimum annual guarantee payment paid to the Providence Affiliateâ€™s payment designee that increases from approximately $1.8Â million to $3.5Â million during the term of the Billboard Agreement; (ii) a minimum annual guarantee payment paid to the Providence Affiliate that increases from $8.5Â million to $12.0Â million by year six and adjusted for inflation thereafter through year ten; (iii) a percentage revenue share payment on gross revenues generated above $22.0Â million paid to the Providence Affiliate during the term of the Billboard Agreement; (iv) a percentage revenue share payment on net revenues until $100.0Â million is paid to the Providence Affiliate or its payment designee, as applicable; and (v) a one-time payment of $10.0Â million paid to the Providence Affiliate on the fifth anniversary of the closing of the Billboard Transaction (the â€œBillboard Transaction Closingâ€) if we have not yet acquired the Assets as described below. The Billboard Agreement also provides that (i) we have the option to acquire the Assets from the Providence Affiliate between the third and seventh anniversaries of the Billboard Transaction Closing at pre-agreed prices depending on the time at which we exercise the option; (ii) prior to the seventh anniversary of the Billboard Transaction Closing, we have a right of first offer prior to any sale of the Assets by the Providence Affiliate to a third-party; and (iii) in the event of a termination of the Billboard Agreement by the Providence Affiliate after a sale to a third-party, we may in certain circumstances be entitled to receive a termination payment. As of SeptemberÂ 30, 2024, operating lease assets related to the Billboard Agreement were $87.0 million, current operating lease liabilities related to the Billboard Agreement were $4.1 million and non-current operating lease liabilities related to the Billboard Agreement were $90.0 million, and are included in Operating lease assets, current Operating lease liabilities and non-current Operating lease liabilities, respectively, on the Consolidated Statements of Financial Position. As of SeptemberÂ 30, 2024, we had issued letters of credit totaling approximately $5.7 million against the letter of credit facility sublimit under the Revolving Credit Facility. Standalone Letter of Credit FacilitiesAs of SeptemberÂ 30, 2024, we had issued letters of credit totaling approximately $65.0 million under our aggregate $81.0 million standalone letter of credit facilities. The total fees under the letter of credit facilities were immaterial in each of the three and nine months ended September 30, 2024 and 2023. Accounts Receivable Securitization FacilityAs of SeptemberÂ 30, 2024, we have a $150.0Â million revolving accounts receivable securitization facility (the â€œAR Facilityâ€), which terminates in June 2027, unless further extended. On JuneÂ 14, 2024, we entered into an amendment to the agreements governing the AR Facility, pursuant to which we (i) extended the term of the AR Facility so that it now terminates on June 14, 2027, unless further extended; and (ii) modified the upfront fee and modified the program fee so that the program fee may increase or decrease based on the Companyâ€™s Consolidated Net Secured Leverage Ratio (as defined and described below). The amendment to the agreements governing the AR Facility do not change how we account for the AR Facility as a collateralized financing activity.In connection with the AR Facility, Outfront Media LLC and Outfront Media Outernet Inc., each a wholly-owned subsidiary of the Company, and certain of the Companyâ€™s taxable REIT subsidiaries (â€œTRSsâ€) (the â€œOriginatorsâ€), will sell and/or contribute their respective existing and future accounts receivable and certain related assets to either Outfront Media Receivables LLC, a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s qualified REIT subsidiary accounts receivable assets (the â€œQRS SPVâ€) or Outfront Media Receivables TRS, LLC a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Companyâ€™s TRS accounts receivable assets (the â€œTRS SPVâ€ and together with the QRS SPV, the â€œSPVsâ€). The SPVs may transfer undivided interests in their respective accounts receivable assets to certain purchasers from time to time (the â€œPurchasersâ€). The SPVs are separate legal entities with their own separate creditors who will be entitled to access the SPVsâ€™ assets before the assets become available to the Company. Accordingly, the SPVsâ€™ assets are not available to pay creditors of the Company or any of its subsidiaries, although collections from the receivables in excess of amounts required to repay the Purchasers and other creditors of the SPVs may be remitted to the Company. Outfront Media LLC will service the accounts receivables on behalf of the SPVs for a fee. The Company has agreed to guarantee the performance of the Originators and Outfront Media LLC, in its capacity as servicer, of their respective obligations under the agreements governing the AR Facility. Neither the Company, the Originators nor the SPVs guarantee the collectability of the receivables under the AR Facility. Further, the TRS SPV and the QRS SPV are jointly and severally liable for their respective obligations under the agreements governing the AR Facility.As of SeptemberÂ 30, 2024, there were $40.0 million of outstanding borrowings under the AR Facility, at a borrowing rate of 6.3%. As of SeptemberÂ 30, 2024, borrowing capacity remaining under the AR Facility was $110.0 million based on approximately $339.8 million of accounts receivable that could be used as collateral for the AR Facility in accordance with the agreements governing the AR Facility. The commitment fee based on the amount of unused commitments under the AR Facility was $0.1Â million in the three months ended September 30, 2024, immaterial for the three months ended September 30, 2023, $0.2 million in the nine months ended September 30, 2024, and $0.1Â million in the nine months ended September 30, 2023. In October and November 2024, we made repayments totaling $20.0 million under the AR Facility.Debt CovenantsOur credit agreement, dated as of January 31, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified, the â€œCredit Agreementâ€), governing the Senior Credit Facilities, the agreements governing the AR Facility, and the indentures governing our senior notes contain customary affirmative and negative covenants, subject to certain exceptions, including but not limited to those that restrict the Companyâ€™s and its subsidiariesâ€™ abilities to (i) pay dividends on, repurchase or make distributions in respect to the Companyâ€™s or its wholly-owned subsidiary, Outfront Media Capital LLCâ€™s capital stock or make other restricted payments other than dividends or distributions necessary for us to maintain our REIT status, subject to certain conditions and exceptions, (ii) enter into agreements restricting certain subsidiariesâ€™ ability to pay dividends or make other intercompany or third-party transfers, and (iii) incur additional indebtedness. One of the exceptions to the restriction on our ability to incur additional indebtedness is satisfaction of a Consolidated Total Leverage Ratio, which is the ratio of our consolidated total debt to our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 6.0 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Total Leverage Ratio was 4.9 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement.The terms of the Credit Agreement (and under certain circumstances, the agreements governing the AR Facility) require that we maintain a Consolidated Net Secured Leverage Ratio, which is the ratio of (i) our consolidated secured debt (less up to $150.0Â million of unrestricted cash) to (ii) our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 4.5 to 1.0. As of SeptemberÂ 30, 2024, our Consolidated Net Secured Leverage Ratio was 1.6 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement. As of SeptemberÂ 30, 2024, we are in compliance with our debt covenants.Deferred Financing CostsAs of SeptemberÂ 30, 2024, we had deferred $22.4 million in fees and expenses associated with the Term Loan, the Revolving Credit Facility, the AR Facility and our senior notes. We are amortizing the deferred fees through Interest expense, net, on our Consolidated Statement of Operations over the respective terms of the Term Loan, Revolving Credit Facility, AR Facility and our senior notes.Fair ValueUnder the fair value hierarchy, observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities are defined as Level 1; observable inputs other than quoted prices included within Level 1 that are either directly or indirectly observable for the asset or liability are defined as Level 2; and unobservable inputs for the asset or liability are defined as Level 3. The aggregate fair value of our debt, which is estimated based on quoted market prices of similar liabilities, was approximately $2.5Â billion as of SeptemberÂ 30, 2024, and $2.7 billion as of DecemberÂ 31, 2023. The fair value of our debt as of both SeptemberÂ 30, 2024, and DecemberÂ 31, 2023, is classified as Level 2. To the extent that the redemption amount of these interests exceeds the value determined by normal noncontrolling interest accounting, the value of such interests is adjusted to the redemption amount with a corresponding adjustment to Additional Paid-In Capital on our Consolidated Statements of Financial Position. To the extent that the noncontrolling interestsâ€™ buy/sell arrangement redemption amount is correlated with the estimated fair value of the subsidiary or its underlying assets, we have used the market method to estimate such fair values. The redemption value of these interests, as of all periods presented, is classified as Level 3. (See Note 8. Holders of the Series A Preferred Stock are entitled to a cumulative dividend accruing at the initial rate of 7.0% per year, payable quarterly in arrears, subject to increases as set forth in the Articles Supplementary, effective as of April 20, 2020 (the â€œArticlesâ€). Dividends may, at the option of the Company, be paid in cash, in-kind, through the issuance of additional shares of Series A Preferred Stock or a combination of cash and in-kind, until April 20, 2028, after which time dividends will be payable solely in cash. These arrangements result from our normal course of business and represent obligations that are payable over several years.Contractual ObligationsWe have agreements with municipalities and transit operators which entitle us to operate advertising displays within their transit systems, including on the interior and exterior of rail and subway cars and buses, as well as on benches, transit shelters, street kiosks, and transit platforms. Under most of these franchise agreements, the franchisor is entitled to receive the greater of a percentage of the relevant revenues, net of agency fees, or a specified guaranteed minimum annual payment.Under the current MTA agreement, which was amended in June 2020 and July 2021 and is subject to modification as agreed-upon by us and the MTA (as amended, the â€œMTA Agreementâ€):â€¢Deployments. We must deploy, over a number of years, (i) 5,433 digital advertising screens on subway and train platforms and entrances, (ii) 15,896 smaller-format digital advertising screens on rolling stock, and (iii) 9,283 MTA communications displays. We are also obligated to deploy certain additional digital advertising screens and MTA communications displays in subway and train stations and rolling stock that the MTA may build or acquire in the future (collectively, the â€œNew Inventoryâ€).â€¢Recoupment of Equipment Deployment Costs. We may retain incremental revenues that exceed an annual base revenue amount for the cost of deploying advertising and communications displays throughout the transit system. As presented in the table below, recoupable MTA equipment deployment costs are recorded as Prepaid MTA equipment deployment costs and Intangible assets on our Consolidated Statement of Financial Position, and as these costs are recouped from incremental revenues that the MTA would otherwise be entitled to receive, Prepaid MTA equipment deployment costs will be reduced. If incremental revenues generated over the term of the agreement are not sufficient to cover all or a portion of the equipment deployment costs, the costs will not be recouped, which could have an adverse effect on our business, financial condition and results of operations, including impairment charges (see Note 4. Intangible Assets). If we do not recoup all costs of deploying advertising and communications screens with respect to the New Inventory by the end of the term of the MTA Agreement, the MTA will be obligated to reimburse us for these costs. Deployment costs in an amount not to exceed $50.7Â million, which are deemed authorized before December 31, 2020, will be paid directly by the MTA. For any deployment costs deemed authorized after December 31, 2020, the MTA and the Company will no longer be obligated to directly pay 70% and 30% of the costs, respectively, and these costs will be subject to recoupment in accordance with the MTA Agreement. We did not recoup any equipment deployment costs in the nine months ended September 30, 2024, and we do not expect to recoup any equipment deployment costs in the remainder of 2024.â€¢Payments. We must pay to the MTA the greater of a percentage of revenues or a guaranteed minimum annual payment. Our payment obligations with respect to guaranteed minimum annual payment amounts owed to the MTA resumed on January 1, 2021, in accordance with the terms of the MTA Agreement, and any guaranteed minimum annual payment amounts that would have been paid for the period from April 1, 2020 through December 31, 2020 (less any revenue share amounts actually paid during this period using an increased revenue share percentage of 65%) will instead be added in equal increments to the guaranteed minimum annual payment amounts owed for the period from January 1, 2022, through December 31, 2026. The MTA Agreement also provides that if prior to April 1, 2028 the balance of unrecovered costs of deploying advertising and communications screens throughout the transit system is equal to or less than zero, then in any year following the year in which such recoupment occurs (the â€œRecoupment Yearâ€), the MTA is entitled to receive an additional payment equal to 2.5% of the annual base revenue amount for such year calculated in accordance with the MTA Agreement, provided that gross revenues in such year (i) were at least equal to the gross revenues generated in the Recoupment Year, and (ii) did not decline by more than 5% from the prior year.â€¢Term. In July 2021, we extended the initial 10-year term of the MTA Agreement to a 13-year base term (the â€œAmended Termâ€). We have the option to extend the Amended Term for an additional five-year period at the end of the Amended Term, subject to satisfying certain quantitative and qualitative conditions. During the nine months ended September 30, 2024, we had no recoupment from incremental revenues. As of SeptemberÂ 30, 2024, 25,345 digital displays had been installed, composed of 5,008 digital advertising screens on subway and train platforms and entrances, 14,548 smaller-format digital advertising screens on rolling stock and 5,789 MTA communications displays. In the three months ended September 30, 2024, 1,374 installations occurred, for a total of 5,648 installations in the nine months ended September 30, 2024.As a result of negative aggregate cash flow forecasts related to our MTA asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of SeptemberÂ 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. As of SeptemberÂ 30, 2024, the outstanding letters of credit were approximately $70.7 million and outstanding surety bonds were approximately $172.5 million, and were not recorded on the Consolidated Statements of Financial Position. Legal MattersOn an ongoing basis, we are engaged in lawsuits and governmental proceedings and respond to various investigations, inquiries, notices and claims from national, state and local governmental and other authorities (collectively, â€œlitigationâ€). Litigation is inherently uncertain and always difficult to predict. Although it is not possible to predict with certainty the eventual outcome of any litigation, in our opinion, none of our current litigation is expected to have a material adverse effect on our results of operations, financial position or cash flows. and Error Corrections [Abstract] Â Revised Consolidated Financial Information Revised Consolidated Financial InformationIn the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary.As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2Â million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings.There is no impact to net cash provided by operating activities, investing activities or financing activities in our Consolidated Statements of Cash Flows.The following table presents the impact of correcting the error related to the classification of redeemable noncontrolling interests on the Ended Sep. 30, 2024 Organization, Consolidation and Presentation of Financial Statements [Abstract] Â Use of estimates The preparation of our financial statements in conformity with accounting principles generally accepted in the United States of America (â€œGAAPâ€) requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ materially from these estimates under different assumptions or conditions. Period Adjustments Restatement [Line Items] Â Â Â Â Â Revision of previously issued financial statements Â Â Revision of Previously Issued Financial InformationIn the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SECâ€™s Staff Accounting Bulletin (â€œSABâ€) No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary. (See Note 19. Revised Consolidated Financial Information.)As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2Â million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SECâ€™s SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings. (See Note 19. Revised Consolidated Financial Information.)The impact of the revisions have been reflected throughout the Consolidated Financial Statements, including the applicable Notes to the Consolidated Financial Statements, as appropriate.  OUTFRONT Media Inc. (the "Company") and its subsidiaries (collectively, "we," "us" or "our") is a real estate investment trust ("REIT"). which provides advertising space ("displays") on out-of-home advertising structures and sites in the United States (the "U.S."). Our inventory consists of billboard displays, which are primarily located on the most heavily traveled highways and roadways in top Nielsen Designated Market Areas ("DMAs"); and transit advertising displays operated under exclusive multi-year contracts with municipalities in large cities across the U.S. In total, we have displays in all of the 25 largest markets in the U.S. and approximately 120 markets across the U.S. We currently manage our operations through one operating segment, U.S. Billboard and Transit, which is included in our U.S. Media reportable segment. Prior to its sale, our Canadian operations comprised our International operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other through the date of sale.
 On June 7, 2024, we sold all of our equity interests in Outdoor Systems Americas ULC and its subsidiaries (the "Transaction"), which held all of the assets of the Company's outdoor advertising business in Canada (the "Canadian Business"). (See Note 12. Acquisitions and Dispositions. Dispositions. Canadian Business.)
 Basis of Presentation and Use of Estimates
 The accompanying unaudited consolidated financial statements have been prepared pursuant to the rules of the Securities and Exchange Commission (the "SEC"). In the opinion of our management, the accompanying unaudited consolidated financial statements reflect all adjustments, consisting of normal and recurring adjustments, necessary for a fair statement of our financial position, results of operations and cash flows for the periods presented. These financial statements should be read in conjunction with the more detailed financial statements and notes thereto, included in our Annual Report on Form 10-K for the year ended December 31, 2023, filed with the SEC on February 23, 2024.
 The preparation of our financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ materially from these estimates under different assumptions or conditions.
 Revision of Previously Issued Financial Information
 In the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SEC's Staff Accounting Bulletin ("SAB") No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements and, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary. (See Note 19. Revised Consolidated Financial Information.)
 As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2 million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SEC's SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings. (See Note 19. Revised Consolidated Financial Information.)
 The impact of the revisions have been reflected throughout the Consolidated Financial Statements, including the applicable Notes to the Consolidated Financial Statements, as appropriate. 251201 The preparation of our financial statements in

second, third and fourth quarters of 2023, as well as the first and second quarters of 2024, due to the long-term outlook of our U.S. Transit and Other reporting unit.
 In the nine months ended September 30, 2024, we acquired 8 displays, resulting in amortizable intangible assets for permits and leasehold agreements of $8.6 million, which are amortized using the straight-line method over their estimated useful lives, an average period of 16.5 years.
 All of our intangible assets, except goodwill, are subject to amortization. Amortization expense was $18.7 million in the three months ended September 30, 2024, $19.7 million in the three months ended September 30, 2023, $53.6 million in the nine months ended September 30, 2024, and $63.0 million in the nine months ended September 30, 2023.
 As a result of negative aggregate cash flow forecasts related to our New York Metropolitan Transportation Authority (the "MTA") asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of September 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024. In the three months ended September 30, 2023, we recorded impairment charges of $12.1 million representing additional MTA equipment deployment costs spending during the quarter, and in the nine months ended September 30, 2023, we recorded impairment charges of $523.5 million, primarily representing $455.2 million of impairment charges related to our MTA asset group.</div><div style="color:#000000;font-family:'Times New Roman';sans-serif;font-size:10pt;font-weight:400;line-height:120%">Our identifiable intangible assets primarily consist of acquired permits and leasehold agreements, and franchise agreements, which grant us the right to operate out-of-home structures in specified locations and the right to provide advertising space on railroad and municipal transit properties. (the "Providence Affiliate") in connection with the Providence Affiliate's purchase of a lease for certain outdoor advertising assets (the "Assets") from a third-party seller. Pursuant to an agreement between us and the Providence Affiliate (the "Billboard Agreement"), we agreed to exclusively market, license and make advertising space available on the Assets to third-party advertisers for a term of up to ten years (the "Billboard Transaction"). In return, we will retain all revenues from the sale of advertising with respect to the Assets less the following payments to the Providence Affiliate or its payment designee, as applicable: (i) a minimum annual guarantee payment paid to the Providence Affiliate's payment designee that increases from approximately $1.8 million to $3.5 million during the term of the Billboard Agreement; (ii) a minimum annual guarantee payment paid to the Providence Affiliate that increases from $8.5 million to $12.0 million by year six and adjusted for inflation thereafter through year ten; (iii) a percentage revenue share payment on gross revenues generated above $22.0 million paid to the Providence Affiliate during the term of the Billboard Agreement; (iv) a percentage revenue share payment on net revenues until $100.0 million is paid to the Providence Affiliate or its payment designee, as applicable; and (v) a one-time payment of $10.0 million paid to the Providence Affiliate on the fifth anniversary of the closing of the Billboard Transaction (the "Billboard Transaction Closing") if we have not yet acquired the Assets as described below. The Billboard Agreement also provides that (i) we have the option to acquire the Assets from the Providence Affiliate between the third and seventh anniversaries of the Billboard Transaction Closing at pre-agreed prices depending on the time at which we exercise the option; (ii) prior to the seventh anniversary of the Billboard Transaction Closing, we have a right of first offer prior to any sale of the Assets by the Providence Affiliate to a third-party; and (iii) in the event of a termination of the Billboard Agreement by the Providence Affiliate after a sale to a third-party, we may in certain circumstances be entitled to receive a termination payment. As of September 30, 2024, operating lease assets related to the Billboard Agreement were $87.0 million; current operating lease liabilities related to the Billboard Agreement were $4.1 million and non-current operating lease liabilities related to the Billboard Agreement were $90.0 million, and are included in Operating lease assets, current Operating lease liabilities and non-current Operating lease liabilities, respectively, on the Consolidated Statements of Financial Position. Billboard revenues related to the Billboard Agreement were $2.5 million in the three months ended September 30, 2024, $1.9 million in the three months ended September 30, 2023, $7.7 million in the nine months ended September 30, 2024 and $5.7 million in the nine months ended September 30, 2023 and recorded in Revenues on the Consolidated Statement of Operations. Operating lease expenses related to the Billboard Agreement were $2.8 million in the three months ended September 30, 2024, $2.4 million in the three months ended September 30, 2023, $9.1 million in the nine months ended September 30, 2024, and $7.3 million in the nine months ended September 30, 2023, and recorded in Operating expenses on the Consolidated Statement of Operations.
 Additionally, we have a 50% ownership interest in one active joint venture that operates transit shelters in the greater Los Angeles area and two active joint ventures which operate a total of nine billboard displays in New York and Boston. All of these joint ventures are accounted for as equity investments. These investments totaled $9.4 million as of September 30, 2024, and $8.2 million as of December 31, 2023, and are included in Other assets on the Consolidated Statements of Financial Position. In 2023, in connection with the Transaction, an equity investment was reclassified as Assets held for sale on the Consolidated Statement of Financial Position. (See Note 12. Acquisitions and Dispositions. Dispositions. Canadian Business.) We provided sales and management services to these joint ventures and recorded management fees in Revenues on the Consolidated Statement of Operations of $1.0 million in the three months ended September 30, 2024, $1.0 million in the three months ended September 30, 2023, $3.2 million in the nine months ended September 30, 2024 and $3.4 million in the nine months ended September 30,  The interest rate on the term loan due in 2026 (the "Term Loan") was 6.6% per annum as of September 30, 2024. As of September 30, 2024, a discount of $0.5 million on the Term Loan remains unamortized. The discount is being amortized through interest expense, net, on the Consolidated Statement of Operations. In June 2024, we prepaid $200.0 million of the outstanding principal balance on the Term Loan. In the nine months ended September 30, 2024, we recorded a Loss on extinguishment of debt of $1.2 million on the Consolidated Statement of Operations, relating to the write-off of deferred financing costs and a portion of the discount on the Term Loan.
 Revolving Credit Facility
 We also have a $500.0 million revolving credit facility, which matures in 2028 (the "Revolving Credit Facility," together with the Term Loan, the "Senior Credit Facilities").
 As of September 30, 2024, there were no outstanding borrowings under the Revolving Credit Facility.
 The commitment fee based on the amount of unused commitments under the Revolving Credit Facility was $0.5 million in each of the three months ended September 30, 2024 and 2023, $1.5 million in the nine months ended September 30, 2024, and $1.3 million in the nine months ended September 30, 2023. As of September 30, 2024, we had issued letters of credit totaling approximately $5.7 million against the letter of credit facility sublimit under the Revolving Credit Facility. Standalone Letter of Credit Facilities
 As of September 30, 2024, we had issued letters of credit totaling approximately $65.0 million under our aggregate $81.0 million standalone letter of credit facilities. The total fees under the letter of credit facilities were immaterial in each of the three and nine months ended September 30, 2024 and 2023.

terminates in June 2027, unless further extended.
 On June 14, 2024, we entered into an amendment to the agreements governing the AR Facility, pursuant to which we (i) extended the term of the AR Facility so that it now terminates on June 14, 2027, unless further extended, and (ii) modified the upfront fee and modified the program fee so that the program fee may increase or decrease based on the Company's Consolidated Net Secured Leverage Ratio (as defined and described below). The amendment to the agreements governing the AR Facility do not change how we account for the AR Facility as a collateralized financing activity.
 In connection with the AR Facility, Outfront Media LLC and Outfront Media Outernet Inc., each a wholly-owned subsidiary of the Company, and certain of the Company's taxable REIT subsidiaries ("TRSs") (the "Originators"), will sell and/or contribute their respective existing and future accounts receivable and certain related assets to either Outfront Media Receivables LLC, a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Company's qualified REIT subsidiary accounts receivable assets (the "QRS SPV") or Outfront Media Receivables TRS, LLC a special purpose vehicle and wholly-owned subsidiary of the Company relating to the Company's TRS accounts receivable assets (the "TRS SPV" and together with the QRS SPV, the "SPVs"). The SPVs may transfer undivided interests in their respective accounts receivable assets to certain purchasers from time to time (the "Purchasers"). The SPVs are separate legal entities with their own separate creditors who will be entitled to access the SPVs' assets before the assets become available to the Company. Accordingly, the SPVs' assets are not available to pay creditors of the Company or any of its subsidiaries, although collections from the receivables in excess of amounts required to repay the Purchasers and other creditors of the SPVs may be remitted to the Company. Outfront Media LLC will service the accounts receivables on behalf of the SPVs for a fee. The Company has agreed to guarantee the performance of the Originators and Outfront Media LLC, in its capacity as servicer, of their respective obligations under the agreements governing the AR Facility. Neither the Company, the Originators nor the SPVs guarantee the collectability of the receivables under the AR Facility. Further, the TRS SPV and the QRS SPV are jointly and severally liable for their respective obligations under the agreements governing the AR Facility.
 As of September 30, 2024, there were $40.0 million of outstanding borrowings under the AR Facility, at a borrowing rate of 6.3%. As of September 30, 2024, borrowing capacity remaining under the AR Facility was $260.0 million based on applicable eligible accounts receivable at such date, as collateralized by the agreements governing the AR Facility. The commitment fee based on the amount of unused commitments under the AR Facility was $0.3 million in the three months ended September 30, 2024, immaterial for the three months ended September 30, 2023, $0.2 million for the nine months ended September 30, 2024, and $0.1 million in the nine months ended September 30, 2023. In October and November 2024, we made repayments totaling $20.0 million under the AR Facility.
 Debt Covenants

 Our credit agreement, dated as of January 31, 2014 (as amended, restated, amended and restated, supplemented or otherwise modified, the "Credit Agreement"), governing the Senior Credit Facilities, the agreements governing the AR Facility, and the indentures governing our senior notes contain customary affirmative and negative covenants, subject to certain exceptions, including but not limited to those that restrict the Company's and its subsidiaries' abilities to (i) pay dividends on, repurchase or make distributions in respect to the Company's or its wholly-owned subsidiary, Outfront Media Capital LLC's capital stock or make other restricted payments other than dividends or distributions necessary for us to maintain our REIT status, subject to certain conditions and exceptions, (ii) enter into agreements restricting certain subsidiaries' ability to pay dividends or make other intercompany or third-party transfers, and (iii) incur additional indebtedness. One of the exceptions to the restriction on our ability to incur additional indebtedness is satisfaction of a Consolidated Total Leverage Ratio, which is the ratio of our consolidated total debt to our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 6.0 to 1.0. As of September 30, 2024, our Consolidated Total Leverage Ratio was 4.9 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement. The terms of the Credit Agreement (and under certain circumstances, the agreements governing the AR Facility) require that we maintain a Consolidated Net Secured Leverage Ratio, which is the ratio of (i) our consolidated secured debt (less up to $150.0 million of unrestricted cash) to (ii) our Consolidated EBITDA (as defined in the Credit Agreement) for the trailing four consecutive quarters, of no greater than 4.5 to 1.0. As of September 30, 2024, our Consolidated Net Secured Leverage Ratio was 1.6 to 1.0, as adjusted to give pro forma effect to the Transaction, in accordance with the Credit Agreement. As of September 30, 2024, we are in compliance with our debt covenants.
 Deferred Financing Costs
 As of September 30, 2024, we had deferred $22.4 million in fees and expenses associated with the Term Loan, the Revolving Credit Facility, the AR Facility and our senior notes. We are amortizing the deferred fees through interest expense, net on our Consolidated Statement of Operations over the respective terms of the Term Loan, Revolving Credit Facility, AR Facility and our senior notes.
 Fair Values Under the fair value hierarchy, observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities are defined as Level 1; observable inputs other than quoted prices included within Level 1 that are either directly or indirectly observable for the asset or liability are defined as Level 2; and unobservable inputs for the asset or liability are defined as Level 3. The aggregate fair value of our debt, which is estimated based on quoted market prices of similar liabilities, was approximately $2.5 billion as of September 30, 2024, and $2.7 billion as of December 31, 2023. The fair value of our debt as of both September 30, 2024, and December 31, 2023, is classified as Level 2.<div>Debt, net, consists of the following:</div><div To the extent that the redemption amount of these interests exceeds the value determined by normal noncontrolling interest accounting, the value of such interests is adjusted to the redemption amount with a corresponding adjustment to Additional Paid-In Capital on our Consolidated Statements of Financial Position. To the extent that the noncontrolling interests' buy/sell arrangement redemption amount is correlated with the estimated fair value of the subsidiary or its underlying assets, we have used the market method to estimate such fair values. The redemption value of these interests, as of all periods presented, is classified as Level 3. (See Note 8, Debt: Fair Value.)
 In the third quarter of 2024, as a result of the exercise of a buy/sell arrangement by one of our joint venture partners, we purchased the outstanding noncontrolling interest in a consolidated subsidiary for cash and non-cash consideration totaling $24.6 million. Independent noncontrolling shareholders in certain consolidated subsidiaries of the Company have buy/sell arrangements under their respective joint venture operating agreements that allow them to sell their equity interests to the Company upon the satisfaction of certain conditions, principally the passage of time. To the extent that the redemption amount of these interests exceeds the value determined by normal noncontrolling interest accounting, the value of such interests is adjusted to the redemption amount with a corresponding adjustment to Additional Paid-In Capital on our Consolidated Statements of Financial Position. To the extent that the noncontrolling interests' buy/sell arrangement redemption amount is correlated with the estimated fair value of the subsidiary or its underlying assets, we have used the market method to estimate such fair values.160000Equity As of September 30, 2024, 450,000,000 shares of our common stock, par value $0.01 per share, were authorized, 165,981,974 shares were issued and outstanding, and 50,000,000 shares of our preferred stock, par value $0.01 per share, were authorized, with 125,000 shares of our Series A Convertible Perpetual Preferred Stock (the "Series A Preferred Stock"), par value $0.01 per share, issued and outstanding.
 The Series A Preferred Stock ranks senior to the shares of the Company's common stock with respect to dividend and distribution rights. Holders of the Series A Preferred Stock are entitled to a cumulative dividend accruing at the initial rate of 7.0% per year, payable quarterly in arrears, subject to increases as set forth in the Articles Supplementary, effective as of April 20, 2020 (the "Articles"). Dividends may, at the option of the Company, be paid in cash, in-kind, through the issuance of additional shares of Series A Preferred Stock or a combination of cash and in-kind, until April 20, 2028, after which time dividends will be payable solely in cash. So long as any shares of Series A Preferred Stock remain outstanding, the Company may not, without the consent of a specified percentage of holders of shares of Series A Preferred Stock, declare a dividend on, or make any distributions relating to, capital stock that ranks junior to, or on a parity basis with, the Series A Preferred Stock, subject to certain exceptions, including but not limited to (i) any dividend or distribution in cash or capital stock of the Company on or in respect of the capital stock of the Company to the extent that such dividend or distribution is necessary to maintain the Company's status as a REIT, and (ii) any dividend or distribution in cash in respect of our common stock that, together with the dividends or distributions during the 12-month period immediately preceding such dividend or distribution, is not in excess of 5% of the aggregate dividends or distributions paid by the Company necessary to maintain its REIT status during such 12-month period. If any dividends or distributions in respect of the shares of our common stock are paid in cash, the shares of Series A Preferred Stock will participate in the dividends or distributions on an as-converted basis up to the amount of their accrued dividend for such quarter, which amounts will reduce the dividends payable on the shares of Series A Preferred Stock dollar-for-dollar for such quarter. The Series A Preferred Stock is convertible at the option of any holder at any time into shares of our common stock at an initial conversion price of $16.00 per share and an initial conversion rate of 62.50 shares of our common stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments and a share cap as set forth in the Articles. Subject to certain conditions set forth in the Articles (including a change of control), each of the Company and the holders of the Series A Preferred Stock may convert or redeem the Series A Preferred Stock at the prices set forth in the Articles, plus any accrued and unpaid dividends.
 During the three months ended September 30, 2024, we paid cash dividends of $2.2 million on the Series A Preferred Stock and during the nine months ended September 30, 2024, we paid cash dividends of $6.6 million on the Series A Preferred Stock. As of September 30, 2024, the maximum number of shares of common stock that could be required to be issued on conversion of the outstanding shares of Series A Preferred Stock was approximately 7.8 million shares.
 We have a sales agreement in connection with an "at-the-market" equity offering program (the "ATM Program"), under which we may, from time to time, issue and sell shares of our common stock up to an aggregate offering price of $300.0 million. We have no obligation to sell any of our common stock under the sales agreement and may at any time suspend solicitations and offers under the sales agreement. No shares were sold under the ATM Program during the nine months ended September 30, 2024. As of September 30, 2024, we had approximately $232.5 million of capacity remaining under the ATM Program.

On November 12, 2024, we announced that our board of directors approved a special dividend of $0.75 per share on our common stock payable on December 31, 2024, to stockholders of record at the close of business on November 15, 2024. Approximately $0.30 per share will be paid in cash (exclusive of cash paid in lieu of fractional shares) and approximately $0.45 per share will be paid in shares of our common stock. Stockholders will have the option to elect to receive their special dividend in all cash or all stock, however the aggregate amount of cash to be distributed will be equal to approximately $49.8 million, with the balance of the special dividend payable in the form of our common stock. 4500000000.011659819741659819745000000000.011250001250000.010.070P12M0.05P12MThe Series A Preferred Stock is convertible at the option of any holder at any time into shares of our common stock at an initial conversion price of $16.00 per share and an initial conversion rate of 62.50 shares of our common stock per share of Series A Preferred Stock, subject to certain anti-dilution adjustments and a share cap as set forth in the Articles.  We are organized in conformity with the requirements for qualification and taxation as a REIT under the Internal Revenue Code of 1986, as amended (the "Code") and, accordingly, we have not provided for U.S. federal income tax on our REIT taxable income that we distribute to our stockholders. We have elected to treat our subsidiaries that participate in certain non-REIT qualifying activities as TRSs. As such, we have provided for their federal, state and foreign income taxes.
 Tax years 2020 to present are open for examination by the tax authorities.
 Our effective income tax rate represents a combined annual effective tax rate for federal, state, local and foreign taxes applied to interim operating results. In the three and nine months ended September 30, 2024 and 2023, our effective tax rate differed from the U.S. federal statutory income tax rate primarily due to our REIT status, including the dividends paid deduction, the impact of state and local taxes, and the effect of foreign operations (including the impact of the Transaction).2020Earnings Per Share ("EPS") <table style="border-collapse:collapse;display:inline-table;margin-bottom:5pt;vertical-align:text-bottom;width:100.000%"><tr><td style="width:1.0%"></td><td style="width:44.514%"></td><td style="width:0.1%"></td><td style="width:0.530%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:11.765%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.530%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:11.765%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.530%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:11.771%"></td><td style="width:0.1%"></td></tr><tr><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="9" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Three Months Ended</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="9" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Nine Months Ended</td></tr>

 Our off-balance sheet commitments primarily consist of guaranteed minimum annual payments. These arrangements result from our normal course of business and represent obligations that are payable over several years.
 Contractual Obligations
 We have agreements with municipalities and transit operators which entitle us to operate advertising displays within their transit systems, including on the interior and exterior of rail and subway cars and buses, as well as on benches, transit shelters, street kiosks, and transit platforms. Under most of these franchise agreements, the franchisor is entitled to receive the greater of a percentage of the relevant revenues, net of agency fees, or a specified guaranteed minimum annual payment.
 Under the current MTA agreement, which was amended in June 2020 and July 2021 and is subject to modification as agreed-upon by us and the MTA (as amended, the "MTA Agreement"):
 •Deployments. We must deploy, over a number of years, (i) 5,433 digital advertising screens on subway and train platforms and entrances, (ii) 15,896 smaller-format digital advertising screens on rolling stock, and (iii) 9,283 MTA communications displays. We are also obligated to deploy certain additional digital advertising screens and MTA communications displays in subway and train stations and rolling stock that the MTA may build or acquire in the future (collectively, the "New Inventory").
 •Recoupment of Equipment Deployment Costs.We may retain incremental revenues that exceed an annual base revenue amount for the cost of deploying advertising and communications displays throughout the transit system. As presented in the table below, recoupable MTA equipment deployment costs are recorded as Prepaid MTA equipment deployment costs, and Intangible assets on our Consolidated Statement of Financial Position, and as these costs are recouped from incremental revenues that the MTA would otherwise be entitled to receive. Prepaid MTA equipment deployment costs will be reduced. If incremental revenues generated over the term of the agreement are not sufficient to cover all or a portion of the equipment deployment costs, the costs will not be recouped, which could have an adverse effect on our business, financial condition and results of operations, including impairment charges (see Note 4. Intangible Assets). If we do not recoup all costs of deploying advertising and communications screens with respect to the New Inventory by the end of the term of the MTA Agreement, the MTA will be obligated to reimburse us for these costs. Deployment costs in an amount not to exceed $50.7 million, which are deemed authorized before December 31, 2020, will be paid directly by the MTA. For any deployment costs deemed authorized after December 31, 2020, the MTA and the Company will no longer be obligated to directly pay 70% and 30% of the costs, respectively, and these costs will be subject to recoupment in accordance with the MTA Agreement. We did not recoup any equipment deployment costs in the nine months ended September 30, 2024, and we do not expect to recoup any equipment deployment costs in the remainder of 2024.
 •Payments. We must pay to the MTA the greater of a percentage of revenues or a guaranteed minimum annual payment. Our payment obligations with respect to guaranteed minimum annual payment amounts owed to the MTA resumed on January 1, 2021, in accordance with the terms of the MTA Agreement, and any guaranteed minimum annual payment amounts that would have been paid for the period from April 1, 2020 through December 31, 2020 (less any revenue share amounts actually paid during this period using an increased revenue share percentage of 65%) will instead be added in equal increments to the guaranteed minimum annual payment amounts owed for the period from January 1, 2022, through December 31, 2026. The MTA Agreement also provides that if prior to April 1, 2028 the balance of unrecovered costs of deploying advertising and communications screens throughout the transit system is equal to or less than zero, then in any year following the year in which such recoupment occurs (the "Recoupment Year"), the MTA is entitled to receive an additional payment equal to 2.5% of the annual base revenue amount for such year calculated in accordance with the MTA Agreement, provided that gross revenues in such year (i) were at least equal to the gross revenues generated in the Recoupment Year, and (ii) did not decline by more than 5% from the prior year.
 •Term. In July 2021, we extended the initial 10-year term of the MTA Agreement to a 13-year base term (the "Amended Term"). We have the option to extend the Amended Term for an additional five-year period at the end of the Amended Term, subject to satisfying certain quantitative and qualitative conditions.
 During the nine months ended September 30, 2024, we had no recoupment from incremental revenues. As of September 30, 2024, 25,345 digital displays had been installed, composed of 5,008 digital advertising screens on subway and train platforms and entrances, 14,548 smaller-format digital advertising screens on rolling stock and 5,789 MTA communications displays. In the three months ended September 30, 2024, 1,374 installations occurred, for a total of 5,648 installations in the nine months ended September 30, 2024.
 As a result of negative aggregate cash flow forecasts related to our MTA asset group, we performed quarterly impairment analyses on the MTA asset group during the three months ended March 31, 2024 and June 30, 2024, and recorded impairment charges of $9.1 million and $8.8 million, respectively, in those periods for a total of $17.9 million in the six months ended June 30, 2024. The impairment charges recorded during 2024 represented additional MTA equipment deployment cost spending during the six months ended June 30, 2024. Our analysis performed as of September 30, 2024, resulted in positive aggregate cash flows in excess of the carrying value of our MTA asset group. As such, no impairment charges were recorded during the three months ended September 30, 2024.</div><div></div><div style="margin-top:5pt;text-align:center"><table  Letters of Credit
We have indemnification obligations with respect to letters of credit and surety bonds primarily as a security against performance by the principal under the outstanding letters of credit and bonds. Outstanding letters of credit were approximately $72.5 million, and were recorded on the Consolidated Statements of Financial Position.
 Legal Matters
 On an ongoing basis, we are engaged in lawsuits and governmental proceedings and respond to various investigations, inquiries, notices and claims from national, state and local governmental and other authorities (collectively, "litigation"). Litigation is inherently uncertain and always difficult to predict. Although it is not possible to predict with certainty the eventual outcome of any litigation, in our opinion, none of our current litigation is expected to have a material adverse effect on our results of operations, financial position or cash flows. 5433158969283507000000.700.300.6500.0250.05P10YP13Y5Y025345500814548578913745648910000088000001790000000 <table style="border-collapse:collapse;display:inline-table;margin-bottom:5pt;vertical-align:text-bottom;width:100.000%"><tr><td style="width:1.0%"></td><td style="width:26.997%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.520%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:10.283%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.520%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:9.995%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.520%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:9.995%"></td><td style="width:0.1%"></td><td style="width:0.520%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:10.283%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.520%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:10.283%"></td><td style="width:0.1%"></td><td style="width:0.1%"></td><td style="width:0.376%"></td><td style="width:0.1%"></td><td style="width:1.0%"></td><td style="width:10.288%"></td><td style="width:0.1%"></td></tr><tr><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:left;vertical-align:bottom">(in millions)</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Beginning Balance</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Deployment Costs Incurred</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Recoupment/MTA Funding</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Amortization/Impairment</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Reclassification</td><td colspan="3" style="border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="border-top:1pt solid #000000;padding:2px 1pt;text-align:center;vertical-align:bottom">Ending Balance</td></tr><tr><td colspan="3" style="background-color:#ceecff;border-top:1pt solid #000000;padding:2px 1pt 2px 10pt;text-align:left;text-indent:-9pt;vertical-align:bottom">Nine months ended September 30, 2024:</td><td colspan="3" style="background-color:#ceecff;padding:0 1pt"></td><td colspan="3" style="background-color:#ceecff;border-top:1pt solid #000000;padding:0 1pt"></td><td colspan="3" style="background-color:#ceecff

Prior to the Transaction, our Canadian operations comprised our international operating segment, which did not meet the criteria to be a reportable segment and accordingly, was included in Other. Historical operating results of our Canadian operations are included in Other through the date of sale.
 The following tables set forth our financial performance by segment. <table style="border-collapse:collapse;display:inline-table;margin-bottom:5pt;vertical-align:text-bottom;width:100.000%"><tr><td 4850200004962600000214300000485020000051769000000Revised Consolidated Financial Information In the third quarter of 2024, we identified an error related to the accounting for noncontrolling interests in our consolidated joint ventures, which include buy/sell clauses. The error related to the appropriate classification of these noncontrolling interests as redeemable and recognition of these redeemable noncontrolling interests at the maximum redemption value for each period. The Company assessed the materiality of the error on its previously issued financial statements in accordance with the SEC's SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements, but would have been material to certain of our financial statements in the current period. Accordingly, we have revised our previously issued financial information. All relevant prior period amounts affected by these revisions have been corrected in the applicable Notes to the Consolidated Financial Statements, as appropriate. Any prior periods not presented herein may be revised in future filings to the extent necessary.
 As previously disclosed, for the three months ended March 31, 2023, the Company recorded an out-of-period adjustment relating to variable billboard property lease costs and accrued lease and franchise costs in 2022, resulting in a $5.2 million increase in operating expenses for the three months ended March 31, 2023. The Company assessed the materiality of the amount reflected in this adjustment on its previously issued financial statements in accordance with the SEC's SAB No. 99 and SAB No. 108 and concluded that the amount was not material, individually or in the aggregate, to any of its previously issued financial statements. In the third quarter of 2024, we voluntarily revised our previously issued financial information to reflect the out-of-period adjustment amount. Prior periods not presented herein will be voluntarily revised, as applicable, in future filings.</div><div>
