Financial Statement Presentation The following discussion provides a brief description of certain key items that appear in our financial statements and general factors that impact these items. Net Revenue. Our net revenue is primarily derived from the sale of commercial spots to advertisers directly or through national, regional or local advertising agencies. Revenues are reported at the amount we expect to be entitled to receive under the contract. Local revenue generally consists of commercial advertising sales, digital advertising sales and other sales to advertisers in a stationâ€™s local market, either directly to the advertiser or through the advertiserâ€™s agency. National revenue generally consists of commercial advertising sales through advertiser agencies. National advertiser agencies generally purchase advertising for multiple markets. National sales are generally facilitated by our national representation firm, which serves as our agent in these transactions. Our net revenue is generally determined by the advertising rates that we are able to charge and the number of advertisements that we can broadcast without jeopardizing listener levels. Advertising rates are primarily based on the following factors: â€¢a stationâ€™s audience share in the demographic groups targeted by advertisers as measured principally by periodic reports issued by Nielsen Audio; â€¢the number of stations, as well as other forms of media, in the market competing for the attention of the same demographic groups; â€¢the supply of, and demand for, radio advertising time; and â€¢the size of the market. 13 Â Our net revenue is affected by general economic conditions, competition and our ability to improve operations at our radio market clusters. Seasonal revenue fluctuations are also common in the radio broadcasting industry and are primarily due to variations in advertising expenditures by local and national advertisers. Our revenues typically are lowest in the first calendar quarter of the year. In addition, our revenues tend to fluctuate between years, consistent with, among other things, increased advertising expenditures in even-numbered years by political candidates, political parties and special interest groups. This political spending typically is heaviest during the fourth quarter of such years. We use trade sales agreements to reduce cash paid for operating costs and expenses by exchanging advertising airtime for goods or services; however, we endeavor to minimize trade revenue in order to maximize cash revenue from our available airtime. We also continue to invest in digital support services to develop and promote our station websites, applications, and other distribution platforms. We derive revenue from our websites through the sale of advertiser promotions and advertising on our websites and the sale of advertising airtime during audio streaming of our stations over the internet. We also generate revenue from selling third-party digital products and services. Operating Expenses. Our operating expenses consist primarily of programming, engineering, sales, advertising and promotion, and general and administrative expenses incurred at our stations. We strive to control our operating expenses by centralizing certain functions at our corporate offices and consolidating certain functions in each of our market clusters. Critical Accounting Estimates The preparation of financial statements in conformity with GAAP requires us to make estimates and assumptions that affectreported amounts and related disclosures. We consider an accounting estimate to be critical if: â€¢it involves a significant level of estimation uncertainty; and â€¢changes in the estimate or different estimates that could have been selected have had or are reasonably likely to have a material impact on our results of operations or financial condition. Our critical accounting estimates are described in Part II, Item 7 of our Annual Report on Form 10-K for the year ended December 31, 2023. There have been no additional material changes to our critical accounting estimates during the six months ended June 30, 2024. Recent Accounting Pronouncements Recent accounting pronouncements are described in Note 2 to the accompanying condensed consolidated financial statements. Three Months Ended June 30, 2024 Compared to the Three Months Ended June 30, 2023 The following summary table presents a comparison of our results of operations for the three months ended June 30, 2023 and 2024, with respect to certain of our key financial measures. Net loss for the six months ended June 30, 2024 was $0.3 million compared to a net loss of $14.0 million for the six months ended June 30, 2023, as a result of the factors described above. Liquidity and Capital Resources Overview. Our primary sources of liquidity are internally generated cash flow and cash on hand. Our primary liquidity needs have been, and for the next 12 months and thereafter are expected to continue to be, for working capital, debt service, and other general corporate purposes, including capital expenditures and station acquisitions. Historically, our capital expenditures have not been significant. In addition to property and equipment associated with station acquisitions, our capital expenditures have generally been, and are expected to continue to be, related to the maintenance of our office and studio space, the maintenance of our towers and equipment, and digital products and information technology. We have also purchased or constructed office and studio space in some of our markets to facilitate the consolidation of our operations. Our board of directors has suspended future quarterly dividend payments until it is determined that resumption of dividendpayments is in the best interest of the Companyâ€™s stockholders. In addition, as discussed in â€œSecured Notesâ€ below, the Indenturegoverning our Notes limits our ability to pay dividends. Secured Notes. On February 2, 2021, we issued $300.0 million aggregate principal amount of 8.625% senior secured notes due on February 1, 2026 (the â€œNotesâ€) under an indenture dated February 2, 2021 (the â€œIndentureâ€). Interest on the Notes accrues at the rate of 8.625% per annum and is payable semiannually in arrears on February 1 and August 1 of each year. The Notes are secured on a first-lien priority basis by substantially all assets of the Company and its majority-owned subsidiaries and are guaranteed jointly and severally by the Company and its majority-owned subsidiaries. The Indenture contains restrictive covenants that limit the ability of the Company and its subsidiaries to, among other things, incur additional indebtedness, guarantee indebtedness or issue disqualified stock or, in the case of such subsidiaries, preferred stock; pay dividends on, repurchase or make distributions in respect of our capital stock or make other restricted payments; make certain investments or acquisitions; sell, transfer or otherwise convey certain assets; create liens; enter into agreements restricting certain subsidiariesâ€™ ability to pay dividends or make other intercompany transfers; consolidate, merge, sell or otherwise dispose of all or substantially all of our assets; enter into transactions with affiliates; prepay certain kinds of indebtedness; and issue or sell stock of our subsidiaries. In the second quarter of 2023, we repurchased $3.0 million principal amount of the Notes for a price equal to 66% of the principal amount and recorded a gain of $1.0 million as a result of the repurchase. From time to time, we repurchase sufficient shares of our Class A common stock to fund

withholding taxes in connection with the vesting of restricted stock units. We paid approximately $37,000 to repurchase 52,579 shares during the six months ended June 30, 2024. From time to time, we may seek to repurchase, redeem or otherwise retire our Notes through cash purchases and/or exchanges for equity securities, in open market purchases, privately negotiated transactions, tender offers or otherwise. Such repurchases, redemptions or other transactions, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions, and other factors. The amounts involved may be material. We expect to provide for future liquidity needs through one or a combination of the following sources of liquidity: â€¢internally generated cash flow; â€¢additional borrowings or notes offerings, to the extent permitted under the Indenture governing our Notes; and â€¢additional equity offerings. We believe we will have sufficient liquidity and capital resources to permit us to provide for our liquidity requirements and meet our financial obligations for the next 12 months and thereafter. However, poor financial results or unanticipated expenses could give rise to default under the Notes, additional debt servicing requirements or other additional financing or liquidity requirements sooner than we expect, and we may not secure financing when needed or on acceptable terms. Off-Balance Sheet Arrangements. We did not have any off-balance sheet arrangements as of June 30, 2024. 17 Â Cash Flows. The following summary table presents a comparison of our cash flows for the six months ended June 30, 2023 and 2024 with respect to certain of our key measures affecting our liquidity. The changes set forth in the table are discussed in greater detail below. This section should be read in conjunction with the condensed consolidated financial statements and notes to condensed consolidated financial statements included in Part I, Item 1 of this report. Net cash provided by operating activities was $2.6 million during the six months ended June 30, 2024, as compared to net cash provided by operating activities of approximately $24,000 during the six months ended June 30, 2023. The $2.5 million increase in net cash provided by operating activities was primarily due to a $1.1 million decrease in interest payments, a $1.0 million increase in other income, net, a $0.9 million decrease in income tax payments, and a $0.7 million decrease in cash paid for corporate expenses, partially offset by a $1.0 decrease in cash receipts from revenue. Net Cash Provided By (Used In) Investing Activities. Net cash provided by investing activities during the six months ended June 30, 2024 included proceeds of $6.0 million from the sale of an investment, partially offset by payments of $2.0 million for capital expenditures. Net cash used in investing activities for the same period in 2023 included payments of $2.0 million for capital expenditures. Net Cash Used In Financing Activities. Net cash used in financing activities during the six months ended June 30, 2023 included Notes repurchases of $2.0 million. ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK. Not required for smaller reporting companies. ITEM 4. CONTROLS AND PROCEDURES. Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we have evaluated the effectiveness of our disclosure controls and procedures pursuant to Exchange Act Rule 13a-15(b) as of the end of the period covered by this report. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that these disclosure controls and procedures are effective as of the end of the period covered by this report. There were no changes in our internal control over financial reporting during the quarter ended June 30, 2024 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting. 18 Â PART II OTHER INFORMATION ITEM 1. LEGAL PROCEEDINGS. We currently and from time to time are involved in ordinary routine litigation and are the subject of threats of litigation that are incidental to the conduct of our business. These include indecency claims and related proceedings at the FCC, as well as claims and threatened claims by private third parties. However, we are not a party to any lawsuit or other proceedings, or the subject of any threatened lawsuit or other proceedings, which, in the opinion of management, is likely to have a material adverse effect on our financial condition or results of operations. ITEM 1A. RISK FACTORS. Except for the risk factor discussed below, there have been no material changes to the risks affecting our Company as previouslydisclosed in Part I, Item 1A, â€œRisk Factorsâ€ of our annual report on Form 10-K for the year ended December 31, 2023. There can be no assurance that we will be able to comply with the continued listing standards of the Nasdaq Capital Market. Our Class A common stock, par value $0.001 per share (the â€œCommon Stockâ€) is currently listed for trading on the Nasdaq Capital Market, and we must satisfy certain continued listing requirements to maintain the listing. On April 27, 2023, we received a written notice from the Listing Qualifications Department of The Nasdaq Stock Market LLC (â€œNasdaqâ€) notifying us that, for the last 30 consecutive business days, the bid price for the Common Stock had closed below the $1.00 per share minimum bid price requirement for continued inclusion on the Nasdaq Global Market pursuant to Nasdaq Listing Rule 5450(a)(1) (the â€œMinimum Bid Price Requirementâ€). On May 19, 2023, we received a notice from Nasdaq notifying us that we had regained compliance with the Minimum Bid Price Requirement and that the matter was closed. On October 13, 2023, we received a written notice from the Listing Qualifications Department of Nasdaq notifying us that, for the last 30 consecutive business days, the bid price for the Common Stock had closed below the Minimum Bid Price Requirement. In accordance with Nasdaq rules, we were provided with a period of 180 calendar days, or until April 10, 2024, to regain compliance. On April 16, 2024, we received approval from Nasdaq to transfer the listing of the Common Stock from the Nasdaq Global Market to the Nasdaq Capital Market (the â€œApprovalâ€). The Common Stock was transferred to the Nasdaq Capital Market at the opening of business on April 18, 2024, and continues to trade under the symbol â€œBBGI.â€ As a result of the Approval, we were granted an additional 180-day compliance period, or until October 7, 2024, to regain compliance with the Minimum Bid Price Requirement. To regain compliance with the Minimum Bid Price Requirement and qualify for continued listing on the Nasdaq Capital Market, the minimum bid price per share of the Companyâ€™s Common Stock must be at least $1.00 for at least ten consecutive business days during the additional 180-day compliance period. We intend to actively monitor the closing bid price of the Common Stock and will consider all reasonable available options to regain compliance with the Minimum Bid Price Requirement, which may include seeking stockholder approval to effect a reverse stock split. There can be no assurance that we will regain compliance with the Minimum Bid Price Requirement by October 7, 2024, maintain compliance with the other Nasdaq listing requirements or be successful in appealing any delisting determination. If we are delisted from Nasdaq but obtain a substitute listing for the Common Stock, it will likely be on a market with less liquidity, and therefore experience potentially more price volatility than experienced on Nasdaq. Stockholders may not be able to sell their shares of the Common Stock on any such substitute market in the quantities, at the times, or at the prices that could potentially be available on a more liquid trading market. As a result of these factors, if the Common Stock is delisted from Nasdaq, the value and liquidity of the Common Stock would likely be significantly adversely affected. Â Â Â Â Â 19 Â ITEM 2. In the event of the death of the Executive during the Term of this Agreement, Company shall pay to Executive or Executiveâ€™s widow, if surviving, otherwise to his estate or legal representative, the Executiveâ€™s prorated Annual Base Salary and all vested benefits referenced herein through the Date of Termination. ii.Disability. If the Company determines in good faith that the Executive has incurred a Disability, the Company shall give the Executive a minimum of thirty (30) daysâ€™ written notice of its intention to terminate the Executiveâ€™s employment after the 180 day period referenced in Section 1(h) (the â€œDisability Noticeâ€). In such event, the Executiveâ€™s employment with the Company shall terminate effective on the 30th day after receipt of the Disability Notice, provided that within the 30 days after such receipt, the Executive either has not returned to full-time performance of his duties or requested a return to performance of his duties with a reasonable accommodation for his Disability. The Executive shall receive his prorated Annual Base Salary and all vested benefits referenced herein through the Date of Termination. b.Notice of Termination. Any termination of the Executiveâ€™s employment by the Company or by the Executive under this Section 5 (other than termination pursuant to Section 5(a)(i)) shall be communicated by a written notice to the other party hereto indicating the specific termination provision in this Agreement relied upon, setting forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Executiveâ€™s employment under the provision so indicated, and specifying a Date of Termination (a â€œNotice of Terminationâ€) which, except in the case of termination for Cause or resignation for Good Reason, shall be at least fourteen days following the date of such notice or thirty days if termination is pursuant to Section 5(a)(ii) and not more than forty-five days, except that in the case of a resignation without Good Reason shall be at least ninety (90) days following the date of such notice. 6.Severance Payments. a.Entitlement to Severance Payments. Subject to Section 6(b), if the Executiveâ€™s employment terminates due to Executiveâ€™s death (pursuant to Section 5(a)(i)), pursuant to a termination without Cause (pursuant to Section 5(a)(iv)), due to Disability (pursuant to Section 5(a)(ii)) or resignation for Good Reason (pursuant to Section 5(a)(v)), then provided that the Executiveâ€™s termination of employment constitutes a â€œseparation from serviceâ€ as defined under Treas. Reg. Section 1.409A-1(h): i.The Company shall pay/distribute the following severance payment (â€œSeverance Paymentâ€) to the Executive, or in the event of Executiveâ€™s death to Executiveâ€™s widow, if surviving, otherwise to his estate or legal representative: (a) an amount equal to his then Annual Base Salary for the remainder of the Initial Term or one year, whichever is greater (the â€œSeverance Periodâ€), payable over the Severance Period at the same time and in the same manner as such Annual Base Salary would have been paid if the Executive had remained in active employment until the end of the Severance Period in accordance with the Companyâ€™s normal payroll practices as in effect on the date of termination of the Executiveâ€™s employment and (b) an amount equal to the highest Annual Bonus paid to Executive during the preceding three (3) year period, or $600,000.00, whichever is greater, payable in a single installment within sixty (60) days of the Date of Termination. Notwithstanding the foregoing, if the Executiveâ€™s employment termination occurs (x) during any period when the Company is party to a binding agreement obligating the Company to enter into a transaction or series of transactions that, when consummated, will constitute a Change in Control or (y) on or within two years following the date of a Change in Control, then the Severance Payment shall be the greater of the amount of the Severance Payment determined in accordance with the immediately preceding sentence or an amount equal to the sum of (A) $1,200,000 and (B) two (2) times the highest Annual Bonus paid to Executive during the preceding three (3) year period, which amount shall be paid in a single installment on the sixtieth (60th) day following the Date of Termination to the extent such payment does not result in the imposition of an excise tax under Section 409A of the Code and shall otherwise be paid as provided in this first sentence of this Section 6(a)(i). ii.Executive shall be entitled to continue coverage under the Companyâ€™s group health plan as required by Section 4980B of the Code (â€œCOBRAâ€) and the Companyâ€™s group life plan for the eighteen month period commencing on the Date of Termination. The Company shall pay Executiveâ€™s (and his eligible dependents) premiums under COBRA (except to the extent it results in a duplication of payments made to Executive under Section 6(a)(i) of this Agreement) until the earlier of (A) eighteen months following the Date of Termination or (B) the date the Executive becomes eligible for coverage under another group health plan (the â€œCOBRA Payment Periodâ€). Notwithstanding the foregoing, if at any time the Company determines that its payment of COBRA premiums on the Executiveâ€™s behalf would result in a violation of applicable law (including but not limited to the 2010 Patient Protection and Affordable Care Act, as amended by the 2010 Health Care and Education Reconciliation Act), then in lieu of paying COBRA premiums pursuant to this Section 6(a)(ii), the Company shall pay the Executive on the last day of each remaining month of the COBRA Payment Period, a fully taxable cash payment equal to the COBRA premium for such month, subject to applicable tax withholding (such amount, the â€œSpecial Severance Paymentâ€), such Special Severance Payment to be made without regard to the Executiveâ€™s payment of COBRA premiums. Nothing in this Agreement shall deprive the Executive of his rights under COBRA or ERISA for benefits under plans and policies arising under his employment by the Company. iii.Notwithstanding the terms or conditions of the Equity Plan or any stock option or other award agreement between the Company and the Executive, all granted and outstanding stock options and other stock-based awards, shall become fully vested and, to the extent applicable, exercisable as of the Date of Termination, and, to the extent exercisable, shall remain exercisable until the earlier to occur of (A) the expiration of such stock option or other award pursuant to its terms or (B) the expiration of 90 days following the Date of Termination. b.Release. Notwithstanding anything to the contrary in this Section 6, the Executive shall not be entitled to any severance payments or benefits under Section 6(a), unless the Executive, or in the case of Executiveâ€™s death, the Executiveâ€™s widow, if surviving, otherwise his estate executor or legal representative (or, alternatively, whomever is entitled to the severance payment set forth in Section 6(a)(i)), executes and does not revoke the release of claims in substantially the form attached hereto as Exhibit A (and such release becomes effective and irrevocable) within thirty (30) days following the Date of Termination. Notwithstanding anything to the contrary in this Section 6, the payments due under Section 6(a)(i) shall be payable commencing on the Companyâ€™s first payroll date occurring on or after the 30th day following the Date of Termination (the â€œFirst Payroll Dateâ€), and any amounts that would otherwise have been paid pursuant to such Section 6(a)(i) prior to the First Payroll Date shall be paid in a lump-sum on the First Payroll Date. To the extent that, in the event of Executiveâ€™s death, Florida law does not allow the Executiveâ€™s widow, if surviving, or his estate executor or legal representative (or, alternatively, whomever is entitled to the severance payment set forth in Section 6(a)(i)) to execute the release of claims, then the individual authorized under Florida law to release claims on behalf of a deceased individual, if any, shall execute the release of claims set forth above. If no person is authorized under Florida law, then this provision shall be waived. c.Survival. The expiration or termination of the Term shall not impair the rights or obligations of any party hereto which shall have accrued hereunder prior to such expiration. d.Mitigation of Damages. In no event shall the Executive be obligated to seek other employment or take any other action by way of mitigation of the amount payable to the Executive under any of the provisions of this Agreement and such amounts shall not be reduced (except as provided in Section 6(a)(ii)) whether or not the Executive obtains other employment. Neither the Executive nor the Company shall be liable to the other party for any damages in addition to the amounts payable under Section 6 arising out of the termination of the Executiveâ€™s employment prior to the end of the Term (except as provided in Section 9). 7.Restrictive Covenants. a.Non-Competition. The â€œTerm of Non-Competitionâ€ shall be defined as the term beginning on the date hereof and continuing until the first anniversary of the Date of Termination; provided, however, that if the Executiveâ€™s employment is terminated by the Company, other than for Cause, or terminated by Executive for Good Reason as set forth in Section 5(a)(v), the Term of Non-Competition shall expire upon the earlier of the first anniversary of the Date of Termination or the date that the Executive waives his entitlement to any further payments under Section 6, or the Date of Termination if no payments are to be made under Section 6. During the Term of Nonâ€‘Competition, the Executive shall not, without the prior written consent of the Board, directly or indirectly engage in, or have any equity interest in, or manage, be employed or engaged by or operate any person, firm, corporation, partnership or business (whether as director, officer, employee, agent, representative, partner, security holder, consultant or otherwise) that engages in, any business which competes with any business of the Company or any entity owned by it that is within 75 miles of any transmission site on which the Company or any entity owned by it operates a radio station at the

Date of Termination, provided, however, that the Executive shall be permitted to acquire a stock interest in such a corporation provided such stock is publicly traded and the stock so acquired is not more than five percent (5%) of the outstanding shares of such corporation. b.Construction of this Section. In the event the terms of this Section 7 shall be determined by any court of competent jurisdiction to be unenforceable by reason of its extending for too great a period of time or over too great a geographical area or by reason of its being too extensive in any other respect, it will be interpreted to extend only over the maximum period of time for which it may be enforceable, and/or over the maximum geographical area as to which it may be enforceable and/or to the maximum extent in all other respects as to which it may be enforceable, all as determined by such court in such action. 8.Nondisclosure of Proprietary Information. a.Confidentiality. Except as required in the faithful performance of the Executiveâ€™s duties hereunder or pursuant to subsection (c), the Executive shall, in perpetuity, maintain in confidence and shall not directly, indirectly or otherwise, use, disseminate, disclose or publish, or use for his benefit or the benefit of any person, firm, corporation or other entity any confidential or proprietary information or trade secrets of or relating to the Company, including, without limitation, information with respect to the Companyâ€™s operations, processes, products, inventions, business practices, finances, principals, vendors, suppliers, customers, potential customers, marketing methods, costs, prices, contractual relationships, regulatory status, compensation paid to employees or other terms of employment, or deliver to any person, firm, corporation or other entity any document, record, notebook, computer program or similar repository of or containing any such confidential or proprietary information or trade secrets. The parties hereby stipulate and agree that as between them the foregoing matters are important, material and confidential proprietary information and trade secrets and affect the successful conduct of the businesses of the Company (and any successor or assignee of the Company). b.Return of Materials. Upon termination of the Executiveâ€™s employment with Company for any reason and upon the Companyâ€™s request, the Executive will promptly deliver to the Company all correspondence, drawings, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, or any other documents concerning the Companyâ€™s customers, business plans, marketing strategies, products or processes and/or which contain proprietary information or trade secrets. Executive shall keep his cellular phone and phone number. c.Response to Legal Process. The Executive may respond to a lawful and valid subpoena or other legal process but shall give the Company the earliest possible notice thereof, and shall, as much in advance of the return date as possible, make available to the Company and its counsel the documents and other information sought and shall assist such counsel in resisting or otherwise responding to such process. d.Certain Exclusions. Notwithstanding anything in this Agreement to the contrary, nothing in this Agreement shall prohibit the Executive from reporting possible violations of Federal law or regulation to any United States governmental agency or entity in accordance with the provisions of and rules promulgated under Section 21F of the Securities Exchange Act of 1934 or Section 806 of the Sarbanes-Oxley Act of 2002, or any other whistleblower protection provisions of State or Federal law or regulation (including the right to receive an award for information provided to any such government agencies). Furthermore, in accordance with 18 U.S.C. Â§ 1833, the Company hereby notifies the Executive that, notwithstanding anything to the contrary herein: (a) the Executive shall not be in breach of this Agreement, and shall not be held criminally or civilly liable under any Federal or State trade secret law (i) for the disclosure of a trade secret that is made in confidence to a Federal, State, or local government official or to an attorney solely for the purpose of reporting or investigating a suspected violation of law, or (ii) for the disclosure of a trade secret that is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal; and (b) if the Executive files a lawsuit for retaliation by Company for reporting a suspected violation of law, the Executive may disclose the trade secret to the Executiveâ€™s attorney, and may use the trade secret information in the court proceeding, if the Executive files any document containing the trade secret under seal, and does not disclose the trade secret, except pursuant to court order. 9.Injunctive Relief. Â It is recognized and acknowledged by the Executive that a breach of the covenants contained in Sections 7 and 8 will cause irreparable damage to Company and its goodwill, the exact amount of which will be difficult or impossible to ascertain, and that the remedies at law for any such breach will be inadequate. Accordingly, the Executive agrees that in the event of a breach of any of the covenants contained in Sections 7 and 8, in addition to any other remedy which may be available at law or in equity, the Company will be entitled to seek specific performance and injunctive relief. 10.Binding on Successors. Â This Agreement shall be binding upon and inure to the benefit of the Company, the Executive and their respective successors, assigns, personnel and legal representatives, executors, administrators, heirs, distributees, devisees, and legatees, as applicable. The Company may assign its rights and obligations under this Agreement to any successor to all or substantially all of the business or the assets of the Company. The Executive may not assign the Executiveâ€™s rights or obligations under this Agreement other than the Executiveâ€™s rights to payments hereunder, which may only be assigned by will or the operation of the laws of descent and distribution. 11.Governing Law. Â This Agreement shall be governed, construed, interpreted and enforced in accordance with the substantive laws of the State of Florida, without reference to the principles of conflicts of law of the State of Florida or any other jurisdiction, and where applicable, the laws of the United States. Executive agrees that any claim arising out of or relating to this Agreement shall be brought exclusively in the state or federal courts of competent jurisdiction for Collier County, Florida. Executive consents to the personal jurisdiction of such courts and thereby waives: (a) any objection to jurisdiction or venue; or (b) any defense claiming lack of jurisdiction or improper venue, in any action brought in such courts. Executive further acknowledges that Employee is executing this Agreement in the State of Florida. 12.Validity. Â The invalidity or unenforceability of any provision or provisions of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect. 13.Notices. Â Any notice, request, claim, demand, document and other communication hereunder to any party shall be effective upon receipt (or refusal of receipt) and shall be in writing and delivered personally or sent by overnight courier service or certified or registered mail, postage prepaid, as follows: Beasley Broadcast Group, Inc.3033 Riviera Drive, Suite 200Naples, Florida 34103Attn: Chief Executive Officer With a copy to: Beasley Broadcast Group, Inc.3033 Riviera Drive, Suite 200 Â Naples, Florida 34103Attn: General Counsel If to the Executive, to his at the address set forth below under his signature; or at any other address as any party shall have specified by notice in writing to the other parties. 14.Counterparts. Â The terms of this Agreement are intended by the parties to be the final expression of their agreement with respect to the employment of the Executive by the Company and may not be contradicted by evidence of any prior or contemporaneous agreement. The parties further intend that this Agreement shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever may be introduced in any judicial, administrative, or other legal proceeding to vary the terms of this Agreement. The parties agree that this Agreement replaces and supersedes the Prior Employment Agreement in its entirety. 16.Amendments; Waivers. Â This Agreement may not be modified, amended, or terminated except by an instrument in writing, signed by the Executive and a duly authorized officer of the Company. By an instrument in writing similarly executed, the Executive or the Company may waive compliance by the other party or parties with any provision of this Agreement that such other party was or is obligated to comply with or perform, provided, however, that such waiver shall not operate as a waiver of, or estoppel with respect to, any other or subsequent failure. No failure to exercise and no delay in exercising any right, remedy, or power hereunder preclude any other or further exercise of any other right, remedy, or power provided herein or by law or in equity. 17.No Inconsistent Actions. Â The parties hereto shall not voluntarily undertake or fail to undertake any action or course of action inconsistent with the provisions or essential intent of this Agreement. Furthermore, it is the intent of the parties hereto to act in a fair and reasonable manner with respect to the interpretation and application of the provisions of this Agreement. 18.Arbitration. Â Any dispute or controversy arising under or in connection with this Agreement shall be settled exclusively by arbitration, conducted before a panel of three arbitrators in Collier County, Florida in accordance with the rules of the American Arbitration Association then in effect. Judgment may be entered on the arbitratorâ€™s award in any court having jurisdiction; provided, however, that the Company shall be entitled to seek a restraining order or injunction in any court of competent jurisdiction to prevent any continuation of any violation of the provisions of Sections 7 or 8 of this Agreement and the Executive hereby consents that such restraining order or injunction may be granted without the necessity of the Companyâ€™s posting any bond. The fees and expense of the arbitrator shall be borne by the Company. The prevailing party in any action or arbitration proceeding hereunder shall be entitled to recover its reasonable attorneyâ€™s fees and costs from the other party. 19.Claw-back. The Company shall be entitled to withhold from any amounts payable under this Agreement, any federal, state, local or foreign withholding or other taxes or charges which the Company is required to withhold. 21.Section 409A. Â Notwithstanding anything to the contrary in this Agreement, if at the time of the Executiveâ€™s separation from service with the Company, the Executive is a â€œspecified employeeâ€ as defined in Section 409A of the Internal Revenue Code of 1986, as amended (the â€œCodeâ€), as determined by the Company in accordance with Section 409A of the Code, and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such separation from service is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the Company will defer the commencement of the payment of any such payments or benefits hereunder (without any reduction in the payments or benefits ultimately paid or provided to the Executive) until the date that is at least six (6) months following the Executiveâ€™s separation from service with the Company (or the earliest date permitted under Section 409A of the Code), whereupon the Company will pay the Executive a lump-sum amount equal to the cumulative amounts that would have otherwise been previously paid to the Executive under this Agreement during the period in which such payments or benefits were deferred. Thereafter, payments will resume in accordance with this Agreement. For purposes of Section 409A of the Code, the Executiveâ€™s right to receive any installment payments under this Agreement, including each payment made after a â€œseparation from service,â€ will be considered as a right to receive a series of separate payments. This Agreement is intended to be written, administered, interpreted and construed in a manner such that no payment or benefits provided under the Agreement become subject to (a) the gross income inclusion set forth within Code Section 409A(a)(1)(A) or (b) the interest and additional tax set forth within Code Section 409A(a)(1)(B) (together, referred to herein as the â€œSection 409A Penaltiesâ€), including, where appropriate, the construction of defined terms to have meanings that would not cause the imposition of Section 409A Penalties. In no event shall the Company be required to provide a tax gross-up payment to Executive with respect to Section 409A Penalties. Notwithstanding anything to the contrary in this Agreement, in-kind benefits and reimbursements provided under this Agreement during any calendar year shall not affect in-kind benefits or reimbursements to be provided in any other calendar year, other than an arrangement providing for the reimbursement of medical expenses referred to in Section 105(b) of the Code, and are not subject to liquidation or exchange for another benefit. Notwithstanding anything to the contrary in this Agreement, reimbursement requests must be timely submitted by the Executive and, if timely submitted, reimbursement payments shall be promptly made to the Executive following such submission, but in no event later than December 31st of the calendar year following the calendar year in which the expense was incurred. In no event shall the Executive be entitled to any reimbursement payments after December 31st of the calendar year following the calendar year in which the expense was incurred. This paragraph shall only apply to in-kind benefits and reimbursements that would result in taxable compensation income to the Executive. Additionally, in the event that following the date hereof the Company or the Executive reasonably determines that any compensation or benefits payable under this Agreement may be subject to Section 409A of the Code, the Company and the Executive shall work together to adopt such amendments to this Agreement or adopt other policies or procedures (including amendments, policies and procedures with retroactive effect), or take any other commercially reasonable actions necessary or appropriate to (x) exempt the compensation and benefits payable under this Agreement from Section 409A of the Code and/or preserve the intended tax treatment of the compensation and benefits provided with respect to this Agreement or (y) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance. 22.Indemnification. Â Company hereby indemnifies, holds harmless and agrees to defend Executive from and against any and all losses, claims, demands, damages, costs, expenses and liabilities including without limitation, reasonable attorneysâ€™ fees and disbursements incurred in connection therewith as set forth in the By-laws of the Company. 23.Survival. Â The obligations, covenants, rights and remedies of the Parties under Sections 6 through 11, 13 and 18 through 23 shall expressly extend beyond and survive termination of this Agreement and the Term. Consolidation and Presentation of Financial Statements [Abstract] Â Interim Financial Statements (1)Interim Financial StatementsÂ The accompanying unaudited condensed consolidated financial statements should be read in conjunction with the consolidated financial statements of Beasley Broadcast Group, Inc. and its subsidiaries (the â€œCompanyâ€) included in the Companyâ€™s Annual Report on Form 10-K for the year ended December 31, 2023. These financial statements have been prepared in accordance with U.S. generally accepted accounting principles (â€œGAAPâ€) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, the financial statements reflect all adjustments necessary for a fair statement of the financial position and results of operations for the interim periods presented, and all such adjustments are of a normal and recurring nature. The Companyâ€™s results are subject to seasonal fluctuations; therefore the results shown on an interim basis are not necessarily indicative of results for the full year. The transaction price is allocated to performance obligations based on executed contracts, which represent relative standalone selling prices. Payment is generally due within 30 days, although certain advertisers are required to pay in advance. Revenues are reported at the amount the Company expects to be entitled to receive under the contract. The Company has elected to use the practical expedient to expense sales commissions as incurred. Payments received from advertisers before the performance obligation is satisfied are recorded as deferred revenue in the balance sheets. Substantially all deferred revenue is recognized within 12 months of the payment date.Â Â December 31, Â Â June 30, Â Â 2023 Â Â 2024 Â Deferred revenue Â $ 4,835,984 Â Â $ 4,832,273 Â Â Audio revenue includes revenue from the sale or trade of aired commercial spots to advertisers directly or through national, regional or local advertising agencies. Each commercial spot is considered a performance obligation. Revenue is recognized when the commercial spots have aired. Trade sales are recorded at the estimated fair value of the goods or services received. If commercial spots are aired before the goods or services are received, then a trade sales receivable is recorded. If goods or services are received before the commercial spots are aired, then a trade sales payable is recorded. Other revenue includes revenue from concerts, promotional events, talent fees and other miscellaneous items. Such revenue is generally recognized when the concert, promotional event, or talent services are completed.Â Â Â December 31, Â Â June 30, Â Â 2023 Â Â 2024 Â Trade sales receivable Â $ 1,417,692 Â Â $ 1,211,495 Â Trade sales payable Â Â 481,471 Â Â Â 512,935 Â Â Â Three months ended June 30, Â Â Six months ended June 30, Â Â 2023 Â Â 2024 Â Â 2023 Â Â 2024 Â Trade sales revenue Â $ 1,466,652 Â Â $ 1,211,615 Â Â $ 2,847,494 Â Â $ 2,476,078 Â Â Digital revenue includes revenue from the sale of streamed commercial spots, station-owned assets and third-party products. Each streamed commercial spot, station-owned asset and third-party product is considered a performance obligation. Revenue is recognized when the commercial spots have streamed. Station-owned assets are generally scheduled over a period of time and revenue is recognized over time as the digital items are used for advertising content, except for streamed commercial spots. Third-party products are generally scheduled over a period of time with an impression target each month. Revenue from the sale of third-party products is recognized over time as the digital items are used for advertising content and impression targets are met each month. The Company assesses each digital sales order to determine if the Company is operating as the principal or an agent. The Company currently operates as the principal for digital revenue. These financial statements have been prepared in accordance with U.S. generally accepted accounting principles (“GAAP”) for interim financial information and with the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by GAAP for complete financial statements. In the opinion of management, the financial statements reflect all adjustments necessary for a fair statement of the financial position and results of operations for the interim periods presented, and all such adjustments are of a normal and recurring nature. The Company’s results are subject to seasonal fluctuations; therefore the results shown on an interim basis are not necessarily indicative of results for the full year. The Company is currently in the process of reviewing the new guidance. In November 2023, the FASB issued guidance which requires additional disclosures for the Company's reportable segments, primarily related to significant segment expenses. The guidance is effective for fiscal years beginning after December 15, 2023, and interim periods within the fiscal years beginning after December 15, 2024, with early adoption permitted. The amendments should be applied retrospectively to all prior periods presented in the financial statements. The Company is currently in the process of reviewing the new guidance. The transaction price is allocated to performance obligations based on executed contracts, which represent relative standalone selling prices. Payment is generally due within 30 days, although certain advertisers are required to pay in advance. Revenues are reported at the amount the Company expects to be entitled to receive under the contract. The Company has elected to use the practical expedient to expense sales commissions as incurred. Payments received from advertisers before the performance obligation is satisfied are recorded as deferred revenue in the balance sheets.
