Yesâ˜NoxThe aggregate market value of the voting and non-voting common equity held by non-affiliates of the Registrant as of the last business day of the Registrantâ€™s most recently completed second quarter was $4.9 billion based upon the closing price on the New York Stock Exchange on such date.The number of Common Shares outstanding as of FebruaryÂ 7, 2025 was 219,664,567 ($.01 par value).DOCUMENTS INCORPORATED BY REFERENCEPortions of the definitive Proxy Statement related to the Registrantâ€™s Annual Meeting of Shareholders to be filed with the Securities and Exchange Commission are incorporated by reference into Part III, Items 10â€“14 of this Annual Report on Form 10-K as indicated herein.Table of ContentsEXPLANATORY NOTEThis report combines the annual reports on Form 10-K for the year endedÂ DecemberÂ 31, 2024Â of Kite Realty Group Trust, Kite Realty Group, L.P. and its subsidiaries. Unless stated otherwise or the context otherwise requires, references to â€œKite Realty Group Trustâ€ or the â€œParent Companyâ€ mean Kite Realty Group Trust, and references to the â€œOperating Partnershipâ€ mean Kite Realty Group, L.P. and its consolidated subsidiaries. The terms â€œCompany,â€ â€œewe,â€ â€œus,â€ and â€œourâ€ refer to the Parent Company and the Operating Partnership, collectively, and those entities owned or controlled by the Parent Company and/or the Operating Partnership.The Operating Partnership is engaged in the ownership, operation, acquisition, development and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States, and the Parent Company conducts substantially all of its activities through the Operating Partnership and its wholly owned subsidiaries. The Parent Company is the sole general partner of the Operating Partnership and, as ofÂ DecemberÂ 31, 2024,Â owned approximatelyÂ 98.1%Â of the common partnership interests in the Operating Partnership (â€œGeneral Partner Unitsâ€). The remaining 1.9% of the common partnership interests (â€œLimited Partner Unitsâ€ and, together with the General Partner Units, the â€œCommon Unitsâ€) are owned by the limited partners.We believe combining the annual reports on Form 10-K of the Parent Company and the Operating Partnership into this single report benefits investors by:â€¢enhancing investorsâ€™ understanding of the Parent Company and the Operating Partnership by enabling investors to view the business as a whole in the same manner as management views and operates the business;â€¢eliminating duplicative disclosure and providing a more streamlined and readable presentation of information as a substantial portion of the Companyâ€™s disclosure applies to both the Parent Company and the Operating Partnership; andâ€¢creating time and cost efficiencies through the preparation of one combined report instead of two separate reports.We believe it is important to understand the few differences between the Parent Company and the Operating Partnership in the context of how we operate as an interrelated consolidated company. The Parent Company has no material assets or liabilities other than its investment in the Operating Partnership. The Parent Company issues public equity from time to time but does not have any indebtedness as all debt is incurred by the Operating Partnership. In addition, the Parent Company currently does not nor does it intend to guarantee any debt of the Operating Partnership. The Operating Partnership has numerous wholly owned subsidiaries, and it also owns interests in certain joint ventures. These subsidiaries and joint

ventures own and operate retail shopping centers and other real estate assets. The Operating Partnership is structured as a partnership with no publicly traded equity. Except for net proceeds from equity issuances by the Parent Company, which are contributed to the Operating Partnership in exchange for General Partner Units, the Operating Partnership generates the capital required by the business through its operations, its incurrence of indebtedness, and the issuance of Limited Partner Units to third parties.Shareholdersâ€™ equity and partnersâ€™ capital are the main areas of difference between the consolidated financial statements of the Parent Company and those of the Operating Partnership. In order to highlight this and other differences between the Parent Company and the Operating Partnership, there are separate sections in this report, as applicable, that separately discuss the Parent Company and the Operating Partnership, including separate financial statements and separate Exhibit 31 and 32 certifications. In the sections that combine disclosure of the Parent Company and the Operating Partnership, this report refers to actions or holdings as being actions or holdings of the collective Company.Table of ContentsKITE REALTY GROUP TRUSTÂ AND KITE REALTY GROUP, L.P. Such statements are based on assumptions and expectations that may not be realized and are inherently subject to risks, uncertainties and other factors, many of which cannot be predicted with accuracy and some of which might not even be anticipated. Future events and actual results, performance, transactions or achievements, financial or otherwise, may differ materially from the results, performance, transactions or achievements, financial or otherwise, expressed or implied by the forward-looking statements.Risks, uncertainties and other factors that might cause such differences, some of which could be material, include but are not limited to:â€¢economic, business, banking, real estate and other market conditions, particularly in connection with low or negative growth in the U.S. economy as well as economic uncertainty (including a potential economic slowdown or recession, rising interest rates, inflation, unemployment, or limited growth in consumer income or spending);â€¢financing risks, including the availability of, and costs associated with, sources of liquidity;â€¢our ability to refinance, or extend the maturity dates of, our indebtedness;â€¢the level and volatility of interest rates;â€¢the financial stability of our tenants;â€¢the competitive environment in which we operate, including potential oversupplies of, or a reduction in demand for, rental space;â€¢acquisition, disposition, development and joint venture risks;â€¢property ownership and management risks, including the relative illiquidity of real estate investments, and expenses, vacancies or the inability to rent space on favorable terms or at all;â€¢our ability to maintain our status as a real estate investment trust (â€œREITâ€) for U.S. federal income tax purposes;â€¢potential environmental and other liabilities;â€¢impairment in the value of real estate property we own;â€¢the attractiveness of our properties to tenants, the actual and perceived impact of e-commerce on the value of shopping center assets, and changing demographics and customer traffic patterns;â€¢business continuity disruptions and a deterioration in our tenantsâ€™ ability to operate in affected areas or delays in the supply of products or services to us or our tenants from vendors that are needed to operate efficiently, causing costs to rise sharply and inventory to fall;â€¢risks related to our current geographical concentration of properties in the states of Texas, Florida, and North Carolina and the metropolitan statistical areas (â€œMSAsâ€) of New York, Atlanta, Seattle, Chicago, and Washington, D.C.;â€¢civil unrest, acts of violence, terrorism or war, acts of God, climate change, epidemics, pandemics, natural disasters and severe weather conditions, including such events that may result in underinsured or uninsured losses or other increased costs and expenses;â€¢changes in laws and government regulations, including governmental orders affecting the use of our properties or the ability of our tenants to operate, and the costs of complying with such changed laws and government regulations;â€¢possible changes in consumer behavior due to public health crises and the fear of future pandemics;â€¢our ability to satisfy environmental, social or governance standards set by various constituencies;â€¢insurance costs and coverage, especially in Florida and Texas coastal areas;2Table of Contentsâ€¢risks associated with cyber attacks and the loss of confidential information and other business disruptions;â€¢risks associated with the use of artificial intelligence and related tools;â€¢other factors affecting the real estate industry generally; andâ€¢other risks identified in this Annual Report on FormÂ 10-K and, from time to time, in other reports we file with the Securities and Exchange Commission (the â€œSECâ€) or in other documents that we publicly disseminate.We undertake no obligation to publicly update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.3Table of ContentsPART IITEM 1. BUSINESSUnless the context suggests otherwise, references to â€œwe,â€ â€œus,â€ â€œourâ€ or the â€œCompanyâ€ refer to Kite Realty Group Trust and our business and operations conducted through our directly or indirectly owned subsidiaries, including Kite Realty Group, L.P., our operating partnership (the â€œOperating Partnershipâ€).OverviewKite Realty Group Trust is a publicly held REIT that, through its majority-owned subsidiary, Kite Realty Group, L.P., owns interests in various operating subsidiaries and joint ventures engaged in the ownership, operation, acquisition, development, and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States.Â Following our merger with Retail Properties of America, Inc. (â€œRPAIâ€) in 2021, we became a top-five open-air shopping center REIT based upon market capitalization. We derive our revenue primarily from the collection of contractual rents and reimbursement payments from tenants under existing lease agreements at each of our properties.Â Therefore, our operating results depend materially on, among other things, the ability of our tenants to make required lease payments, the health and resilience of the U.S. retail sector, interest rate volatility, stability in the banking sector, job growth, the real estate market, and overall economic conditions.As of DecemberÂ 31, 2024, we owned interests in 179 operating retail properties totaling approximately 27.7 million square feet, excluding one operating retail property classified as held for sale as of DecemberÂ 31, 2024, and two office properties with 0.4 million square feet. Of the 179 operating retail properties, 10 contain an office component. We also owned two development projects under construction as of this date and an additional two properties with future redevelopment opportunities. Our operating retail portfolio was 95.0% leased to a diversified retail tenant base, with no single retail tenant accounting for more than 2.8% of our total annualized base rent (â€œABRâ€). In the aggregate, our largest 25 tenants accounted for 28.7% of our ABR.Â See Item 2. â€œPropertiesâ€ for a list of our top 25 tenants by ABR.Significant 2024 ActivitiesOperating Activitiesâ€¢The Company realized net income attributable to common shareholders of $4.1 million for the year ended DecemberÂ 31, 2024;â€¢The Company generated Funds From Operations (â€œFFOâ€), as defined by NAREIT, of $463.7 million;â€¢Same Property Net Operating Income (â€œSame Property NOIâ€) grew by 3.0% in 2024 compared to 2023 primarily due to contractual rent growth, higher base rent driven by positive new and renewal leasing spreads, and higher specialty leasing income, partially offset by higher bad debt expense;â€¢In 2024, we executed new and renewal leases on 720 individual spaces representing approximately 5.0 million square feet of retail space, achieving a blended cash leasing spread of 12.8% on 542 comparable leases. The blended cash leasing spread for comparable new and non-option renewal leases was 19.9%;â€¢Our operating retail portfolio was 95.0% leased as of DecemberÂ 31, 2024, with our anchor leased percentage at 97.1% and our small shop leased percentage at 91.2%;â€¢Our operating retail portfolio ABR per square foot was $21.15 as of DecemberÂ 31, 2024, an increase of $0.45, or 2.2%, from the prior year; andâ€¢As of DecemberÂ 31, 2024, we derived 80% of our operating retail portfolio ABR from properties with a grocery component, which includes shopping centers with a big box wine and spirits store.Financing and Capital Activitiesâ€¢We ended the year with full borrowing capacity on our $1.1 billion unsecured revolving credit facility (the â€œRevolving Facilityâ€);4Table of Contentsâ€¢In January 2024, we completed a public offering of $350.0 million aggregate principal amount of 5.50% senior unsecured notes due 2034 (the â€œNotes Due 2034â€), the proceeds of which were used to repay the $149.6 million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024 and the $120.0 million unsecured term loan that matured on July 17, 2024;â€¢In August 2024, we completed a public offering of $350.0 million aggregate principal amount of 4.95% senior unsecured notes due 2031 (the â€œNotes Due 2031â€);â€¢In October 2024, we extended the maturity date of the Revolving Facility to October 3, 2028, and we have the ability to obtain more favorable pricing in certain circumstances related to our total leverage ratio;â€¢In October 2024, we extended the maturity date of our $250.0 million unsecured term loan (the â€œ$250M Term Loanâ€) to October 24, 2027 and amended the terms to be priced on a ratings-based pricing grid;â€¢We acquired Parkside West Cobb, a grocery-anchored, multi-tenant retail property in the Atlanta MSA, for a gross purchase price of $40.1 million in August 2024;â€¢We began development activities on the retail and office portions of the expansion project at One Loudoun Downtown (the â€œOne Loudoun Expansionâ€) in the Washington, D.C. MSA during the three months ended September 30, 2024;â€¢We completed the major redevelopment construction activities at Carillon medical office building (â€œCarillon MOBâ€) in 2023 and reclassified the property from active redevelopment into our office portfolio in December 2024;â€¢We received gross proceeds of $30.6 million from the sale of Ashland & Roosevelt in the Chicago MSA in May 2024;â€¢We received gross proceeds of $7.6 million in connection with the sale of the first phase of a land parcel and the rights to develop 24 residential units at One Loudoun Expansion in the Washington, D.C. MSA in December 2024; andâ€¢We declared cash dividends totaling $1.03 per share during 2024.We have $430.0 million of debt principal scheduled to mature through December 31, 2025, the majority of which will be satisfied with proceeds from the Notes Due 2031, a net debt to EBITDA ratio of 4.7x, and approximately $128.1 million in cash on hand as of DecemberÂ 31, 2024.Â We have investment-grade corporate credit ratings from three nationally recognized credit rating agencies. During 2024, we received a credit rating upgrade with a stable outlook from two of the rating agencies and a positive credit rating outlook from the third rating agency.Business Objectives and StrategiesOur primary business objectives are to (i) increase the cash flow and value of our properties, (ii) achieve sustainable long-term growth, and (iii) maximize shareholder value primarily through the ownership, operation, acquisition, development, and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States.Â We invest in properties with well-located real estate and strong demographics, and we use our leasing and management strategies to improve the long-term value and economic returns of our properties.Â We believe that certain of our properties represent attractive opportunities for profitable redevelopment, renovation, densification, and expansion.We seek to implement our business objectives through the following strategies, each of which is further described in the sections that follow:â€¢Operating Strategy: Maximize the internal growth in revenue from our operating properties by leasing and re-leasing to a strong and diverse group of retail and mixed-use tenants at increasing rental rates, when possible, through embedded contractual rent escalations and redeveloping or renovating certain properties to make them more attractive to existing and prospective tenants and customers;â€¢Financing and Capital Preservation Strategy: Maintain a strong balance sheet with the flexibility to fund our operating and investment activities.Â Funding sources include the public equity and debt markets, our Revolving Facility with $1.1 billion of borrowing capacity as of DecemberÂ 31, 2024, secured debt, internally generated funds, proceeds from selling land and properties that no longer fit our strategy, and potential strategic joint ventures; and 5Table of Contentsâ€¢Growth Strategy: Prudently use available cash flow, targeted asset recycling, equity and debt capital to selectivelyÂ acquire additional retail properties and redevelop or renovate existing properties where we believe investment returns would meet or exceed internal benchmarks.Operating Strategy. Our primary operating strategy is to maximize our rental rates, returns on invested capital, and occupancy levels by attracting and retaining a strong and diverse tenant base. Most of our properties are located in regional and neighborhood trade areas with attractive demographics, which allows us to maximize returns on invested capital, occupancy, and rental rates. We seek to implement our operating strategy by, among other things:â€¢increasing rental rates upon the renewal of expiring leases or re-leasing space to new tenants while minimizing vacancy to the extent possible;â€¢maximizing the occupancy of our operating portfolio;â€¢minimizing tenant turnover;â€¢maintaining leasing and property management strategies that maximize rent growth and cost recovery;â€¢maintaining a diverse tenant mix that limits our exposure to the financial condition of any one tenant or category of retail tenants;â€¢maintaining and improving the physical appearance, condition, layout, and design of our properties and other improvements located on our properties to enhance our ability to attract customers;â€¢implementing offensive and defensive strategies against e-commerce competition;â€¢actively managing properties to minimize overhead and operating costs;â€¢maintaining strong tenant and retailer relationships to avoid rent interruptions and reduce marketing, leasing, and tenant improvement costs that result from re-leasing space to new tenants; andâ€¢taking advantage of underutilized land or existing square footage, reconfiguring properties for more profitable use, and adding ancillary income sources to existing properties.We successfully executed our operating strategy in 2024 in a number of ways, as best evidenced by our strong growth in Same Property NOI of 3.0%. Additionally, our leasing platform continues to perform at a high level, as evidenced by the execution of 720 new and renewal leases representing approximately 5.0 million square feet during the year ended DecemberÂ 31, 2024. Our leased-to-occupied spread represents approximately $27.3 million of net operating income (â€œNOIâ€), the majority of which is expected to commence in 2025. We have placed significant emphasis on maintaining a strong and diverse tenant mix, which has resulted in no tenant accounting for more than 2.8% of our ABR. See Item 2. â€œPropertiesâ€ for a list of our top tenants by gross leasable area (â€œGLAâ€) and ABR.Financing and Capital Strategy. We finance our acquisition, development, redevelopment, leasing, and re-leasing activities using the most advantageous sources of capital available to us at the time.Â These sources may include (i) the reinvestment of cash flows generated by operations, (ii) the reinvestment of net proceeds from the disposition of assets, (iii) the incurrence of additional indebtedness through secured or unsecured borrowings, (iv) entering into real estate joint ventures, and (v) the sale of common or preferred shares through public offerings or private placements.Our primary financing and capital strategy is to maintain a strong balance sheet and enhance our flexibility to fund operating and investment activities in the most cost-effective way. We consider a number of factors when evaluating the amount and type of additional indebtedness we may elect to incur.Â Among these factors are (i) the construction costs or purchase price of properties to be developed or acquired, (ii) the estimated market value of our properties and the Company as a whole upon consummation of the financing, and (iii) the ability to generate durable cash flows to cover expected debt service.Maintaining a strong balance sheet continues to be one of our top priorities.Â We maintain an investment-grade credit rating that we expect will continue to enable us to opportunistically access the public unsecured bond market and allow us to lower our cost of capital and provide greater flexibility in managing the acquisition and disposition of assets in our operating portfolio.6Table of ContentsWe intend to continue implementing our financing and capital strategies in a number of ways, which may include one or more of the following actions:â€¢prudently managing our balance sheet, including maintaining sufficient availability under our Revolving Facility so that we have additional capacity to fund our development and redevelopment projects and pay down maturing debt if refinancing that debt is not desired or practical;â€¢extending the scheduled maturity dates of and/or refinancing our near-term mortgage, construction, and other indebtedness;â€¢expanding our unencumbered asset pool;â€¢raising additional capital through the issuance of common shares, preferred shares, or other securities;â€¢managing our exposure to interest rate increases on our variable-rate debt through the selective use of fixed-rate hedging transactions;â€¢issuing unsecured bonds in the public marketsÂ and securing property-specific long-term, non-recourse financing; andâ€¢entering into joint venture arrangements in order to access less expensive capital and mitigate risk.Growth Strategy. Our growth strategy includes the selective deployment of financial resources to projects that are expected to generate investment returns that meet or exceed our internal benchmarks. We implement our growth strategy in a number of ways, including:â€¢continually evaluating our operating properties for redevelopment and renovation opportunities that we believe will make them more attractive for leasing to new tenants, rightsizing of anchor spaces while increasing rental rates, and re-leasing spaces to existing tenants at increased rental rates;â€¢completing our two active development and redevelopment projects at The Corner â€“ IN and One Loudoun Expansion;â€¢evaluating the entitled land holdings to determine the optimal real estate use and capital allocation decisions;â€¢disposing of select assets that no longer meet our long-term investment criteria and recycling the net proceeds into properties that provide attractive returns and rent growth potential in targeted markets or using the proceeds to repay debt, thereby reducing our leverage; andâ€¢selectively pursuing the acquisition of retail operating properties, portfolios, and companies in markets with strong demographics.In evaluating opportunities for potential acquisition, development, redevelopment, and disposition, we consider a number of factors, including:â€¢the expected returns and related risks associated with the investments relative to our weighted cost of capital to make such investments;â€¢the current and projected cash flows and market value of the property and the potential to increase cash flows and market value if the property were to be successfully re-leased or redeveloped;â€¢the price being offered for the

property, the current and projected operating performance of the property, the tax consequences of the transaction, and other related factors;â€¢opportunities for strengthening the tenant mix at our properties through the placement of anchor tenants such as grocers, value retailers, hardware stores, or sporting goods retailers, as well as further enhancing a diverse tenant mix that includes restaurants, specialty shops, and other essential retailers that provide staple goods to the community and offer a high level of convenience;â€¢the geographic location and configuration of the property, including ease of access, availability of parking, visibility, and the demographics of the surrounding area; andâ€¢the level of success of existing properties in the same or nearby markets.7Table of ContentsDuring 2024, we acquired one operating retail property for a gross purchase price of $40.1 million and generated gross proceeds of $30.6 million from one property disposition and net proceeds of $13.2 million from the sale of land parcels.CompetitionThe U.S. commercial real estate market continues to be highly competitive. We face competition from other REITs, including other retail REITs, and other owner-operators engaged in the ownership, leasing, acquisition, and development of shopping centers, as well as from numerous local, regional, and national real estate developers and owners in each of our markets.Â Some of these competitors may have greater capital resources than we do, although we do not believe that any single competitor or group of competitors is dominant in any of the markets in which we own properties.We face significant competition in our efforts to lease available space to prospective tenants at our properties. The nature of the competition for tenants varies based on the characteristics of each local market in which we own properties. We believe that the principal competitive factors in attracting tenants in our market areas are location, demographics, rental rates, the presence of anchor tenants, competitor shopping centers in the same geographic area, and the maintenance, appearance, access, and traffic patterns of our properties.Â There can be no assurance that in the future we will be able to compete successfully with our competitors in our development, acquisition, and leasing activities.Government RegulationWe are subject to a variety of federal, state, and local environmental, health, safety, and similar laws, including:Americans with Disabilities Act and Other Regulations. Our properties must comply with Title III of the Americans with Disabilities Act (the â€œADAâ€) to the extent that such properties are public accommodations as defined by the ADA. The ADA may require removal of structural barriers to allow access by persons with disabilities in certain public areas of our properties where such removal is readily achievable. We believe our existing properties are in substantial compliance with the ADA and that we will not be required to make substantial capital expenditures to address the requirements of the ADA. However, noncompliance with the ADA could result in orders requiring us to spend substantial sums to cure violations, pay attorneysâ€™ fees, or other amounts. The obligation to make readily accessible accommodations is an ongoing one, and we will continue to assess our properties and make alterations as appropriate in this respect. In addition, our properties are subject to fire and safety regulations, building codes, and other land use regulations.Affordable Care Act. We may be subject to excise taxes under the employer mandate provisions of the Affordable Care Act (the â€œACAâ€) if we (i) do not offer health care coverage to substantially all of our full-time employees and their dependents or (ii) do not offer health care coverage that meets the ACAâ€™s affordability and minimum value standards. The excise tax is based on the number of full-time employees. We do not anticipate being subject to a penalty under the ACA; however, even in the event that we are, any such penalty would be less than $1.0 million, as we had 227 full-time employees as of DecemberÂ 31, 2024.Environmental Regulations. Under various laws, ordinances, and regulations, as an owner or operator of real property, we may be or may become liable for the costs of investigation, removal, or remediation of releases of certain hazardous or toxic substances (including petroleum products) at or from our currently or formerly owned or operated properties, or for property damage or bodily injury (including third-party claims), fines, liens, or natural resource damages arising from the presence of such hazardous or toxic substances. In addition, we could be liable for the costs of investigating or remediating contamination at off-site waste disposal facilities to which we have arranged for the disposal or treatment of hazardous or toxic substances. Under certain laws, such liability may be imposed without regard to whether or not we knew of, or caused, the presence of these hazardous or toxic substances, or whether we complied with environmental laws, and the liability may be joint and several.Some properties in our portfolio contain, may have contained, or are adjacent to or near other properties that have contained or currently contain underground storage tanks for petroleum products or other hazardous or toxic substances. These storage tanks may have released, or have the potential to release, such substances into the environment.In addition, some of our properties have tenants that may use hazardous or toxic substances in the routine course of their business. In general, these tenants have covenanted in their lease agreements with us to use these substances, if any, in compliance with all environmental laws and agreed to indemnify us for any damages we may suffer as a result of their use of such substances and any contamination they cause. However, these lease provisions may not fully protect us if a tenant responsible for environmental noncompliance or contamination becomes insolvent. Also, certain of our properties have confirmed asbestos-containing building materials (â€œACBMâ€), and other properties may contain such materials. Environmental 8Table of Contentslaws require that ACBM be properly managed and maintained, and fines and penalties may be imposed on building owners or operators for failure to comply with these requirements. In addition, third parties may be allowed to seek recovery from owners or operators for personal injury associated with exposure to asbestos fibers.In addition, our operations and those of our tenants are also subject to various federal, state, and local laws and regulations governing air emissions, wastewater, stormwater, and the use, storage, and disposal of hazardous and toxic substances.Neither existing environmental, health, safety, and similar laws nor the costs of our compliance with these laws have had a material adverse effect on our financial condition or results of operations, and management does not believe that they will in the future.Â In addition, we have not incurred, and do not expect to incur, any material costs or liabilities due to environmental contamination at properties we currently own or operate or have owned or operated in the past. However, we cannot predict the impact of new or changed laws or regulations on properties we currently own or operate or may acquire or operate in the future.We have continued to demonstrate our strong commitment to being a responsible corporate citizen through resource reduction and employee training that has resulted in reductions of energy consumption and waste and improved maintenance cycles.InsuranceWe have a wholly owned captive insurance company, Birch Property and Casualty, LLC (â€œBirchâ€), which insures the first layer of general liability insurance for our properties subject to certain limitations. Birch was formed as part of our overall risk management program and to stabilize insurance costs, manage exposure, and recoup expenses through the function of the captive program. We have capitalized Birch in accordance with the applicable regulatory requirements.We also carry comprehensive liability, fire, extended coverage, and rental loss insurance that covers all properties in our portfolio. We believe the policy specifications and insured limits are appropriate and adequate given the relative risk of loss, cost of the coverage, geographic locations of our assets, and industry practice. Certain risks, such as loss from riots, war, or acts of God, and, in some cases, flooding, are not insurable, or the cost to insure against these events is cost prohibitive; therefore, we do not carry insurance for these losses. Some of our policies, such as those covering losses due to terrorism and floods, are insured subject to limitations involving large deductibles or co-payments and policy limits that may not be sufficient to cover losses.OfficesOur principal executive offices are located at 30 S. Meridian Street, Suite 1100, Indianapolis, IN 46204, and our telephone number is (317)Â 577-5600.Human CapitalAs of DecemberÂ 31, 2024, we had 227 full-time employees. The majority of these employees were based at our Indianapolis, Indiana headquarters, though we also maintain regional offices across the United States. We believe our employees are the most important part of our business. We are committed to providing a work environment that attracts, develops, and retains high-performing individuals and treats employees with dignity and respect.Diversity, Equity and InclusionOur policies are designed to promote fairness, equal opportunities, and diversity within the Company. When attracting, developing, and retaining talent, we seek individuals who hold varied experiences and viewpoints and embody our core values to create an inclusive and diverse culture and workplace that allows each employee to do their best work and drive our collective success. We believe that a diverse workforce possesses a broader array of perspectives that businesses need to remain competitive in todayâ€™s economy. We maintain employment policies that comply with federal, state, and local labor laws and promote a culture of fairness and respect. These policies set forth our goal to provide equal employment opportunity without discrimination or harassment on the basis of age, gender (including identity or expression), marital status, civil partnership status, sexual orientation, disability, color, nationality, race or ethnic origin, or religion or belief. All of our employees must adhere to a Code of Business Conduct and Ethics that sets standards for appropriate behavior, and all employees must also complete required internal training on respect in the workplace and diversity to further enhance our cultural behaviors.In 2023, we achieved our targets of at least 30% diverse representation on our Board of Trustees and at least one female-chaired committee with the chairing of our Corporate Governance and Nominating Committee by a female trustee. As of 9Table of ContentsDecemberÂ 31, 2024, approximately 51% of our workforce was female, and minorities represented approximately 23% of our team.Professional Development and TrainingWe believe a commitment to our employeesâ€™ learning and development through training, educational opportunities, and mentorship is critical to our ability to continue to innovate. We focus on professional development at every level of the organization. We align employeesâ€™ goals with our overall strategic direction to create a clear link between individual efforts and the long-term success of the Company and provide effective feedback on employeesâ€™ performance towards goals to ensure their growth and development. We use the following tools to recognize our employees, advance our talent pool, and create a sustainable and long-term enterprise: (i) performance plans, (ii) Level Up award that recognizes employees who have made an extraordinary effort to help the Company achieve success, (iii) FOCUSED award that acknowledges employees who have embodied our FOCUSED values (forward-thinking, optimistic, collaborative, urgent, sound, empowered, and dedicated) throughout the year, and (iv) individual development planning, along with reward packages. The Company also provides reimbursement opportunities for employees pursuing educational degrees or certification programs that are relevant to their roles or professional development, and we have a learning management system to enhance our employeesâ€™ technical and professional development.Community DevelopmentWe seek to foster a corporate culture where our many stakeholders, including our employees, engage in the topic of community development and collaborate to extend resources towards the advancement of this principle. We are proud to be active citizens of the communities in which we operate. In furtherance of this commitment, we partner with and support local charitable organizations that we believe are contributing to the growth and development of the community and host dozens of free community events throughout our portfolio. Our Kite Cares initiative contributes to the welfare of local youth and those in need. The programâ€™s efforts are community-focused and have included:â€¢charitable grants to programs benefiting our communities;â€¢Company-wide service projects focused on feeding those in need and supporting local farmers;â€¢fundraising to support displaced workers;â€¢contributions to healthcare workers and first responders; andâ€¢construction of a youth community center.In addition, our employees have donated and coordinated substantial fundraising and have spent many hours volunteering to support a variety of charities with which we partner. The Company supports these efforts with dedicated paid volunteer time off given annually to all employees and a 100% match of employee donations, subject to certain limits, to charitable causes.Team WellnessThe health, safety, and well-being of our employees is always a top priority, and we foster an environment that allows our employees to succeed while balancing work and life. We provide a wide range of employee benefits, including comprehensive medical, prescription, dental, and vision insurance coverage, the majority of which is paid by the Company. We also provide paid maternity, paternity, and adoption leave; matching 401(k) contributions; free life insurance; disability benefits; spousal death benefits; education assistance reimbursements; and remote working and flexible scheduling arrangements. In addition, to enhance the well-being of our employees, we provide them with access to health and wellness programs that support physical, mental, and financial health, such as Lunch & Learns and Wellness Wednesdays.Environmental, Social and Governance MattersThe Company strives to be a responsible corporate citizen, and we recognize the importance that environmental, social, and governance (â€œESGâ€) initiatives play in our ability to generate long-term, sustainable returns. In 2020, we established a cross-functional task force (the â€œESG Task Forceâ€) that is comprised of senior leadership and members from a variety of functional areas and is led by our Chief Executive Officer. The ESG Task Force meets quarterly and focuses on setting, implementing, monitoring, and communicating to our investors and other stakeholders our ESG strategy and related initiatives and regularly reports to the Board of Trustees.10Table of ContentsIn June 2024, the ESG Task Force issued the Companyâ€™s annual Corporate Responsibility Report, which is published on our website and provides a comprehensive overview of our ESG strategies and initiatives. The Company is committed to implementing sustainable business practices at our properties and is actively undertaking multiple projects to make our operations more energy efficient and reduce our environmental impact. These current projects include: â€¢installing LED lighting in parking lots (78% of our properties have installed such LED lighting as of DecemberÂ 31, 2024, with a goal of 80% of the portfolio by the end of 2026);â€¢implementing smart meters and other initiatives aimed at water conservation, recycling, and waste diversion (22% of our properties have implemented smart irrigation controls as of DecemberÂ 31, 2024, with a goal of 25% of the portfolio by the end of 2026);â€¢installing electric vehicle (â€œEVâ€) charging stations (332 charging stations have been installed across 27 properties for a total of 15% of the portfolio as of DecemberÂ 31, 2024, with a goal of 20% of the portfolio by the end of 2026); andâ€¢receiving IREM certifications (100 properties or 56% of the portfolio have received such certifications as of DecemberÂ 31, 2024, with a goal of 75% of the portfolio by the end of 2026).In addition, we implemented a policy to transition landscaping in all future redevelopment projects to drought-tolerant landscaping where permitted by code. Recent business initiatives encourage tenants to adopt green leases, also referred to as â€œhigh-performanceâ€ or â€œenergy-alignedâ€ leases, to equitably align the costs and benefits of energy and water efficiency investments for building owners and tenants based on principles and best practices from the Green Lease Leaders Reference Guide by the Institute for Market Transformation and the U.S. Department of Energy. The Company has continued its partnership with One Tree Planted, a non-profit organization committed to reforestation and has planted over 47,000 new trees through its Project Green reforestation effort. We continue to evaluate potential actions that might reduce our carbon footprint or otherwise mitigate our environmental impact.As described above, we are highly committed to our employees, and our policies are designed to promote fairness, equal opportunities, diversity, well-being, and professional development within the Company. Our corporate governance structure, led by our Board of Trustees, closely aligns our interests with those of our shareholders, as further described in our annual Proxy Statement.Available InformationOur website address is http://www.kiterealty.com. We make available free of charge on our website our Annual Reports on FormÂ 10-K, Quarterly Reports on FormÂ 10-Q, Current Reports on FormÂ 8-K, and any amendments to those reports as soon as reasonably practicable after those reports are electronically filed with, or furnished to, the SEC. Our website and the information contained therein or connected thereto are not intended to be incorporated into this Annual Report on FormÂ 10-K.Also available on our website are copies of our Code of Business Conduct and Ethics, Code of Ethics for Principal Executive Officer and Senior Financial Officers, Corporate Governance Guidelines, and the charters for each of the committees of our Board of Trusteesâ€”the Audit Committee, the Corporate Governance and Nominating Committee, and the Compensation Committee. Copies of these documents are also available from us in print and free of charge to any shareholder upon request. Any person wishing to obtain such copies should contact our Investor Relations department by mail at our principal executive offices.The SEC maintains a website (http://www.sec.gov) that contains reports, proxy statements, information statements, and other information regarding issuers that file electronically with the SEC.ITEM 1A. RISK FACTORSThe following factors, among others, could cause actual results to differ materially from those contained in forward-looking statements made in this Annual Report on Form 10-K and presented elsewhere by management from time to time. These factors, among others, may have a material adverse effect on our business, financial condition, operating results and cash flows, including our ability to make distributions to our shareholders. It is not possible to predict or identify all such factors, and this list should not be considered a complete statement of all potential risks or uncertainties. We have separated the risks into three categories: (i) risks related to our operations; (ii) risks related to our organization and structure; and (iii) risks related to tax matters.11Table of ContentsRISKS RELATED TO OUR OPERATIONSOur business, financial condition, performance, and value are subject to risks and conditions associated with real estate assets and the real estate industry.Our primary business is the ownership, operation, acquisition, and re/development of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use and lifestyle assets in the United States. Our business, financial condition, results of operations, cash flows, per share trading price of our common shares, and ability to satisfy our debt service obligations and make distributions to our shareholders are subject to, and could be materially and adversely affected by, risks associated with acquiring, owning and operating these types of real estate assets. These risks include events and conditions that are beyond our control, such as periods of economic slowdown or recession, declines in the financial condition of our tenants, rising interest rates, difficulty in leasing vacant space and/or renewing existing tenants, a decline in the value of our assets, or the public perception that any of these events may occur. Additionally, certain costs of our business, such as insurance, real estate taxes, utilities, and corporate expenses, are relatively inflexible and generally do not decrease if a property is not fully occupied, rental rates decline, a tenant fails to pay rent, or other circumstances cause our revenues to decrease. If we are unable to lower our operating costs when revenues decline and/or fully recover cost increases from our tenants, our financial condition, operating results and cash flows could be materially and adversely impacted. Also, complying with the REIT requirements may cause us to forgo and/or liquidate otherwise attractive investments, which could have the effect of reducing our income and the amount available for distribution to our shareholders. Thus, compliance with the REIT requirements may hinder our ability to make or, in certain cases, maintain ownership of certain attractive investments, which could impact our financial condition, operating results and cash flows.Ongoing challenges facing our retail tenants, including bankruptcies, financial instability and consolidations, could have a material adverse effect on our

business.We derive the majority of our revenue from retail tenants who lease space from us at our properties; therefore, our ability to generate cash from operations is dependent upon the ability of our tenants to pay the base rent, expense recoveries and other charges due under their leases on a timely basis. The success of our tenants in operating their businesses continues to be impacted by many current economic challenges, including, but not limited to, their ability to rely on external sources to grow and operate their business, inflation, labor shortages, domestic tariff policies, supply chain constraints, retail theft, violent crime, decreased consumer confidence and discretionary spending, and increased energy prices and interest rates. Sustained weakness in certain sectors of the U.S. economy could result in the bankruptcy or weakened financial condition of a number of retailers, including some of our tenants, and an increase in store closures. Tenants may also choose to consolidate, downsize or relocate their operations for various reasons, including mergers or other restructurings. These events, or other similar events, and economic conditions are beyond our control and could affect the overall economy as well as specific properties in our portfolio and our overall cash flow and results of operations, including the following, any of which could have a material adverse effect on our business:â€¢Collections. Tenants may have difficulty paying their rent and other charges due under their lease agreements on a timely basis or request rent deferrals, reductions or abatements.â€¢Leasing. Tenants may delay or cancel lease commencements, decline to extend or renew leases upon expiration, reduce the size of their leased space, or close certain locations or declare bankruptcy, which could result in the termination of the tenantâ€™s lease with us and the related loss of rental income. Such terminations or cancellations could result in lease terminations or reductions in rent by certain other tenants in the same shopping center because of contractual co-tenancy termination or rent reduction rights contained in some leases.â€¢Re-leasing. We may be unable to re-lease vacated space at attractive rents or at all. In some cases, it may take an extended period of time or increased costs for renovations or concessions to re-lease a space, particularly if it involves a significant tenant or a non-owned anchor tenant in multiple locations.Inflation may adversely affect our financial condition and results of operations.Inflation has moderated significantly from peak levels experienced two years ago when the U.S. economy was recovering from the coronavirus pandemic. The slow decline in inflation negatively impacted, and a sharp rise in the future could negatively impact, consumer confidence and spending and our tenantsâ€™ sales and overall health. This, in turn, has and could in the future put downward pricing pressure on rents that we are able to charge to new or renewing tenants, such that rent spreads and, in some cases, our percentage rents, could be adversely impacted. Most of our leases contain provisions designed to mitigate the adverse impact of inflation, including stated rent increases and requirements for tenants to pay a share of operating expenses, including common area maintenance, real estate taxes, insurance, or other operating expenses related to the 12Table of Contentsmaintenance of our properties, with escalation clauses in most leases. However, the stated rent increases or limits on such a tenantâ€™s obligation to pay its share of operating expenses could be lower than the increase in inflation at any given time. Inflation may also limit our ability to recover all of our operating expenses. In addition, a portion of our leases are based on a fixed amount or fixed percentage that is not subject to adjustment for inflation. Increased inflation could have a more pronounced negative impact on our interest and general and administrative expenses, as these costs could increase at a higher rate than our rents charged to tenants. If we are unable to lower our operating costs when revenues decline and/or fully recover cost increases from our tenants, our financial performance could be materially and adversely affected.Tenant bankruptcies have in the past and could in the future make it difficult for us to collect rent or make claims against a tenant in bankruptcy.A bankruptcy filing by one of our tenants would legally prohibit us from collecting any unpaid rent from that tenant unless we receive an order from the bankruptcy court permitting us to do so. Such bankruptcies have in the past and could in the future delay, reduce, or ultimately preclude the collection of amounts owed to us, including both past and future rent. A tenant in bankruptcy may attempt to renegotiate their lease or request significant rent concessions. If a lease is assumed by a tenant in bankruptcy, all pre-bankruptcy amounts owed under the lease must be paid in full to us. However, if a lease is rejected by a tenant in bankruptcy, we would have only a general unsecured claim for damages that would be paid only to the extent that funds are available and in the same percentage as is paid to all other holders of unsecured claims. As a result, it is likely that we would recover substantially less than the full value of any unsecured claim we hold from a tenant in bankruptcy, if at all, which would reduce our cash flows and could have a material adverse effect on us.E-commerce and other changes in consumer buying practices may impact our tenants and our business.Many of our tenants face increasing competition from e-commerce, which could affect decisions made by current and prospective tenants in leasing space and how they compete and innovate in a rapidly changing retail environment, including potentially reducing the size or number of their retail locations in the future. We cannot predict with certainty how changes in e-commerce will impact the demand for space or the revenue generated at our properties in the future. We continue to respond to these trends and are heavily focused on anchoring and diversifying our properties with tenants whose businesses are either more resistant to, or synergistic with, e-commerce, as well as adapting our properties to allow our tenants to serve as last-mile fulfillment centers. In addition, changes in consumer buying practices and shopping trends may also impact the financial condition of retailers that do not adapt to changes in market conditions. The risks associated with e-commerce could have a material adverse effect on the business outlook and financial results of our current and future tenants, which, in turn, could have a material adverse effect on us.We face significant competition in leasing space at our properties, which may impact our rental rates, leasing terms and expenditures for capital improvements.We compete for tenants with numerous developers, owners, and operators of retail shopping centers and regional and outlet malls, including institutional investors and other REITs, many of whom own properties similar to, and in the same sub-markets as, our properties. As of DecemberÂ 31, 2024, leases representing approximately 8.1% of our total retail ABR were scheduled to expire in 2025.Â Some of our competitors may have greater capital resources than we do or may be willing to offer lower rental rates or more favorable terms to tenants, such as substantial rent reductions or abatements, tenant allowances or other improvements, and/or early termination rights. These accommodations may pressure us to reduce our rental rates, undertake unexpected capital improvements, or offer other terms less favorable to us, which could adversely affect our financial condition. Additionally, if retailers or consumers perceive that shopping at other locations is more convenient, cost-effective, or otherwise more attractive, our revenues and results of operations may also suffer.Changing economic and retail market conditions in geographic areas where our properties are concentrated could materially and adversely affect our financial condition and results of operations.The economic conditions in markets where our properties are concentrated can greatly influence our financial performance. The specific markets in which we operate may face challenging economic conditions that could persist into the future. As of DecemberÂ 31, 2024, rents from our retail properties in the states of Texas, Florida, Maryland, North Carolina, and Virginia comprised 26.7%, 11.7%, 5.9%, 5.7%, and 5.4% of our ABR, respectively.Â This level of concentration could expose us to greater market-dependent economic risks than if we owned properties in more geographic regions. Adverse economic or real estate trends in these states or the surrounding regions or any decrease in demand for retail space resulting from the local regulatory environment, business climate, or fiscal problems in these states could have a material adverse effect on us and limit our ability to meet our financial obligations.13Table of ContentsUninsured losses or losses in excess of insurance coverage could materially and adversely affect us.We do not carry insurance for generally uninsurable losses such as loss from riots, war or acts of God and, in some cases, floods. In addition, insurance companies may no longer offer coverage against certain types of losses such as environmental liabilities or other catastrophic events or, if offered, the expense of obtaining such coverage may not be justified. Some of our insurance policies, such as those covering losses due to terrorism and floods, are insured subject to limitations, and in the future, we may be unable to renew our current insurance coverage or initiate new coverage at adequate levels or at reasonable prices.Â Given the continued increase in severe climate-related events, we have continued to experience a significant increase in insurance rates for property insurance and may continue to do so in the future. The rates for casualty insurance have also continued to increase significantly due to an increase in litigation. In addition, tenants generally are required to indemnify and hold us harmless from liabilities resulting from injury to persons or damage to personal or real property on the leased premises due to activities conducted by them (including, without limitation, any environmental contamination). Tenants are also required, at their expense, to obtain and keep in full force during the term of the lease liability and property damage insurance policies. However, tenants may not properly maintain their insurance policies or have the ability to pay the deductibles associated with them.Â If we experience a loss that is uninsured or exceeds our policy limits, we could lose all or a portion of the capital we have invested in the damaged property, as well as the anticipated future cash flows, but remain obligated for any recourse indebtedness even if the property was irreparably damaged. Inflation, changes in building codes and ordinances, environmental considerations, and other factors might also make it impractical or undesirable to use insurance proceeds to replace a property after it has been damaged or destroyed. As a result, our financial condition, operating results and cash flows could be materially and adversely affected.Developments and redevelopments have inherent risks that could adversely impact us.As of DecemberÂ 31, 2024, we had development projects under construction at The Corner â€“ IN and One Loudoun Expansion. Based on our current plans and estimates, we anticipate that it will require approximately $65.0 million to $75.0 million of investment from us to complete these projects. We also had eight redevelopment opportunities currently in the planning stage, including de-leasing space and evaluating development plans and costs with potential tenants and partners. Some of these plans include non-retail uses such as multifamily housing and a hotel. New development and redevelopment projects are subject to a number of risks, including the following:â€¢expenditure of capital and time on projects that may not be pursued or completed;â€¢failure or inability to obtain construction or permanent financing on favorable terms or at all;â€¢inability to secure necessary zoning or regulatory approvals;â€¢higher than estimated construction or operating costs, particularly labor and material costs, including as a result of inflation and domestic tariff policies;â€¢inability to complete construction on schedule due to a number of factors, including labor and supply chain disruptions and shortages, inclement weather, or natural disasters such as fires, earthquakes or floods;â€¢significant time lag between commencement and stabilization resulting in delayed returns and greater risks due to fluctuations in the general economy, shifts in demographics and competition;â€¢decrease in customer traffic during the development or redevelopment period causing a decrease in tenant sales;â€¢inability to secure key anchor or other tenants or complete the lease-up at anticipated absorption rates or at all; â€¢occupancy and rental rates at a newly completed project may not meet expectations;â€¢investment returns from developments may be less than expected; andâ€¢suspension of development projects after construction has begun due to changes in economic conditions or other factors that may result in the write-off of costs, payment of additional costs or increases in overall costs if the project is restarted.As part of our investment decision to develop or redevelop a particular property, we make certain assumptions regarding the expected future performance of that property, which, if not met, could materially and adversely affect our financial performance. If a development or redevelopment project is unsuccessful, our entire investment could be at risk for loss, or an impairment charge could occur. In addition, new development and significant redevelopment activities, regardless of whether they are ultimately successful, typically require substantial time and attention from management.14Table of ContentsPandemics or other public health crises could materially and adversely affect our business, financial performance and condition, operating results, and cash flows.A future public health crisis could have significant repercussions across domestic and global economies, including the retail sector within the U.S., and the financial markets. Factors that may negatively impact our ability to operate successfully as a result of a pandemic or other health crises include, among others:â€¢the inability of our tenants to meet their lease obligations to us in full, or at all, due to changes in their businesses or local or national economic conditions, including labor shortages, inflation, or reduced discretionary spending;â€¢business continuity disruptions and delays in the supply of products or services to us or our tenants from vendors that are needed to operate efficiently, causing costs to rise sharply and inventory to fall; andâ€¢changes in consumer behavior in favor of e-commerce.The full extent of the impact of a pandemic on our business is largely uncertain and dependent upon a number of factors that are beyond our control, such as the scope, severity and duration of the public health concern. Therefore, we are not able to estimate with any degree of certainty the effect a pandemic or other public health crises or measures intended to curb its spread could have on our business, results of operations, financial condition and cash flows.We and our tenants face risks related to cyber attacks that could cause loss of confidential information and other business disruptions.We and our tenants rely extensively on information technology (â€œITâ€) systems to process transactions and manage our respective businesses; as a result, we are at risk from, and may be impacted by, cybersecurity incidents. Cybersecurity incidents could include (i) unintentional or malicious attempts to gain unauthorized access to, or acquisition of, our data and/or IT systems by individuals, including employees or contractors, or sophisticated organizations using advanced hacking tools and techniques such as artificial intelligence; (ii) failures during routine operations such as system upgrades or user errors; (iii) network or hardware failures; or (iv) the introduction of malicious or disruptive software. Such cybersecurity incidents may involve social engineering, business email compromise, cyber extortion, ransomware, denial of service, or attempts to exploit vulnerabilities, or may be predicated by geopolitical events, natural disasters, failures or impairments of telecommunications networks, or other catastrophic events.A cybersecurity incident could compromise the confidential information of our employees, tenants, and vendors; disrupt the proper functioning of our networks; result in misstated financial reports, violations of loan covenants, and/or missed reporting deadlines; impede our ability to maintain the building systems that our tenants rely on for the efficient use of their leased space; require significant management attention to remedy any damages; result in reputational damage to ourselves or our tenants; or lead to potential litigation or regulatory investigation, increased oversight, fines, or other penalties. Increased regulation of data collection, use, and retention practices, including self-regulation and industry standards; changes in existing laws and regulations; enactment of new laws and regulations; increased enforcement activity; and changes in the interpretation of laws could increase our cost of compliance and operations, limit our ability to grow our business, or otherwise harm us.We employ a variety of measures to prevent, detect, respond to, and recover from cybersecurity threats; however, there is no guarantee such efforts will be successful in preventing a cybersecurity incident. We have identified, and expect to continue to identify, cyber attacks and other cybersecurity incidents on our IT systems and those of third parties, including through e-mail phishing attempts and scams, but none of the cybersecurity incidents identified as of DecemberÂ 31, 2024 has had a material impact on our business or operations. The interpretation and application of cybersecurity and data protection laws and regulations are often uncertain and evolving. As a result, there can be no assurance that our security measures will be deemed adequate, appropriate, or reasonable by a regulator or court. Moreover, even security measures that are deemed appropriate, reasonable, and/or in accordance with applicable legal requirements may be unable to protect our IT systems or the information we maintain.In addition, we rely on a number of service providers and vendors to provide important software, tools, and services, and operational functions, including payroll, accounting, budgeting, and lease management. As a result, cybersecurity risks at these service providers and vendors create additional risks for our information and business. While we may be entitled to damages if our service providers and vendors fail to satisfy their security-related obligations to us, any award may be insufficient to cover our damages, or we may be unable to recover such an award. A cybersecurity incident impacting us directly or through third parties may result in the disruption of our operations, material harm to our financial condition, cash flows, and the market price of our common shares; misappropriation of our assets; compromise or corruption of confidential information collected while conducting our business; liability for information or assets that were inappropriately accessed, stolen, altered, or made 15Table of Contentsunavailable; increased cybersecurity protection and insurance costs; regulatory scrutiny or enforcement; litigation; and damage to our stakeholder relationships and reputation. Although we make efforts to maintain the security and integrity of our IT networks and related systems on which we rely, there can be no assurance that our efforts and measures or those of our third-party service providers will be effective or that attempted cyber attacks or disruptions will not be successful or damaging.While we have obtained cybersecurity insurance, there are no assurances that the coverage would be adequate in relation to any incurred losses. Moreover, as cyber attacks increase in frequency and magnitude, we may be unable to obtain cybersecurity insurance in amounts and on terms we view as adequate for our operations in the future.We may be unable to obtain additional capital through the debt and equity markets on favorable terms or at all.Due in part to the distribution requirements of a REIT, we may be unable to fund all of our future capital needs with income from operations. Consequently, we may rely on external sources of capital. Our access to external capital depends on several factors, including general market conditions, our current and potential future earnings, the marketâ€™s perception of our growth potential and risk profile, and our cash distributions. Disruptions in the financial markets could impact the overall amount of debt and equity capital available, our ability to access new capital on acceptable terms, and loan-to-value ratios and could cause a tightening of lender underwriting standards and terms and higher interest rate spreads. As a result, we may be unable to refinance or extend our existing indebtedness on favorable terms or at all. We have $430.0 million of debt principal scheduled to mature through December 31, 2025, the majority of which we expect will be satisfied with proceeds from the Notes Due 2031 that were issued in August 2024. If we are unable to obtain debt or equity capital on favorable terms or at all, it could have negative effects on our business and affect our ability to (i) operate, maintain, or reinvest in our portfolio; (ii) dispose of properties on favorable terms due to an immediate need for capital; (iii) repay or refinance our indebtedness on or before maturity; (iv) acquire or develop properties when strategic opportunities exist; or (v) make distributions to our shareholders, all of which could have a material adverse effect on our business. If economic conditions deteriorate in any of our markets, we may have to seek less attractive, alternative sources of financing and adjust our business plan accordingly.We have a significant amount of indebtedness outstanding and high interest rates could materially adversely affect us.As of DecemberÂ 31, 2024, we had approximately $3.2 billion of consolidated indebtedness outstanding, of which $169.6Â million bore interest at variable rates after giving effect to

interest rate swaps. Due to the high inflation environment we experienced over the past three years, the U.S. Federal Reserve sharply raised short-term interest rates in 2022 and 2023 to curtail high inflation, which resulted in higher incremental borrowing costs for us. The U.S. Federal Reserve cut interest rates by 1.00% in 2024 as inflationary pressures have eased due to stronger economic data and an improving economic growth outlook. If the U.S. Federal Reserve raises interest rates in the future, the U.S. economy could be adversely impacted, including slowing economic growth and potentially causing a recession. In addition, increases in interest rates negatively affect the terms under which we are able to refinance our outstanding debt as it matures, to the extent we have not hedged our exposure to changes in interest rates. If our interest expense increased significantly, it could materially adversely affect us. For example, if market rates of interest on our variable rate debt outstanding as of DecemberÂ 31, 2024, net of interest rate swaps, increased by 1%, the increase in interest expense on our unhedged variable rate debt would decrease future cash flows by approximately $1.7 million annually.We may incur additional debt in connection with various development and redevelopment projects and upon the acquisition of operating properties. Our organizational documents do not limit the amount of indebtedness that we may incur. In addition, we may increase our mortgage debt by obtaining loans secured by some or all of the real estate properties we develop or acquire. We may also borrow funds, if necessary, to satisfy the requirement that we distribute to our shareholders at least 90% of our annual â€œREIT taxable incomeâ€ (determined before the deduction for dividends paid and excluding net capital gains) or otherwise as is necessary to ensure we maintain our qualification as a REIT for U.S. federal income tax purposes or avoid paying taxes that can be eliminated through distributions to our shareholders.Our substantial debt could materially and adversely affect our business in other ways, including (i) requiring us to use a substantial portion of our cash flow to service our indebtedness, which would reduce the cash available to fund general corporate purposes and distributions; (ii) limiting our ability to obtain additional financing to fund our working capital needs, capital expenditures, acquisitions, other debt service requirements, or other purposes; (iii) increasing our costs of incurring additional debt and our exposure to variable interest rates; (iv) increasing our vulnerability to economic and industry downturns and reducing our flexibility in responding to changing business and economic conditions; and (v) placing us at a competitive disadvantage compared to other real estate investors that are not as highly leveraged. The impact of any of these potential adverse consequences could have a material adverse effect on us.16Table of ContentsWe could be adversely affected by the financial and other covenants and provisions contained in our financing agreements.Our Revolving Facility, senior unsecured term loans and notes require compliance with certain financial and operating covenants, including, among others, certain leverage and interest coverage ratios and limitations on our ability to incur debt, make dividend payments, sell all or substantially all our assets and engage in mergers, consolidations and certain acquisitions. These covenants may limit our operating and financial flexibility and ability to respond to changes in our business or pursue strategic opportunities in the future, including the ability to obtain additional financing needed to address cash shortfalls or pursue growth opportunities or other accretive transactions. Further, our Revolving Facility is priced, in part, on a leverage grid that resets quarterly. Deterioration in our leverage covenant calculation could lead to a higher credit spread component within the applicable interest rate for this debt agreement and result in higher interest expense.In the event of a default under any of our debt agreements, our lenders or noteholders have various rights, including, but not limited to, the ability to require the acceleration of payment of all principal and interest then due and/or to terminate the agreements, which could have a material adverse effect on our business, limit our ability to make distributions to our shareholders, and prevent us from obtaining additional financing to address cash shortfalls or pursue growth opportunities. In addition, our debt agreements contain cross-defaults to certain other material indebtedness (including recourse indebtedness at various amounts between $40.0 million and $75.0 million, depending on the agreement) such that an â€œEvent of Defaultâ€ under one of these agreements could trigger an â€œEvent of Defaultâ€ under the other debt obligations. These provisions could allow our lenders and noteholders to accelerate the amount due under the loans and notes. If payment is accelerated, our liquid assets may not be sufficient to repay such debt in full. As of DecemberÂ 31, 2024, we believe we were in compliance with all applicable covenants under our debt agreements, although there can be no assurance that we will continue to remain in compliance in the future.Adverse changes in our credit ratings could affect our borrowing capacity and borrowing terms.Our creditworthiness is rated by nationally recognized credit rating agencies. The credit ratings assigned are based on our operating performance, liquidity and leverage ratios, financial condition and prospects, and other factors viewed by the credit rating agencies as relevant to our industry and the general economic outlook. Our credit rating can affect the amount of capital we access and the rate we receive, as well as the terms of certain existing and potential future debt financings. Since we depend on debt financing to fund the growth of our business, an adverse change in our credit rating, including changes in our credit outlook, or even the initiation of a review of our credit rating that could result in an adverse change, could have a material adverse effect on us. Furthermore, certain of our senior unsecured term loans are priced, in part, on our credit rating. A downgrade of our credit rating could result in a higher credit spread component within the applicable interest rate for those debt agreements and higher interest expense.We are subject to risks associated with hedging agreements, including potential performance failures by counterparties and termination costs.We use a combination of interest rate protection agreements, including interest rate swaps and treasury locks, to manage the risks associated with interest rate volatility. These hedging agreements involve risk, including the risk that counterparties may fail to honor their obligations under the hedging arrangements and that these arrangements may not be effective in reducing our exposure to interest rate changes. Developing and implementing an effective interest rate risk management strategy is complex, and no strategy can completely insulate us from the risks associated with fluctuations in interest rates. There can be no assurance that our hedging arrangements will qualify for hedge accounting or that our hedging activities will have the desired beneficial impact on our results of operations or financial condition. Further, should we choose to terminate a hedging agreement, there could be significant costs and cash requirements involved to fulfill our initial obligation under the agreement.Joint venture investments could be adversely affected by the structure, terms and activities of our joint venture partners.As of DecemberÂ 31, 2024, we owned interests in Delray Marketplace and a residential building at One Loudoun Downtown through consolidated joint ventures and interests in the following through unconsolidated joint ventures: a three-property retail portfolio consisting of Livingston Shopping Center, Plaza Volente and Tamiami Crossing; the hotel component at Eddy Street Commons; and the development project at The Corner â€“ IN. We may pursue co-investing with third parties through other joint ventures in the future. Our joint ventures and the value and performance of such investments may involve risks not present with respect to our wholly owned properties, including (i) shared decision-making authority, which may prevent us from taking actions that are in our best interest; (ii) restrictions on our ability to sell our interests in the joint ventures without the other partnerâ€™s consent; (iii) potential conflicts of interest or other disputes, including potential litigation or arbitration that would prevent management from focusing their time and effort on our business; (iv) potential losses or 17Table of Contentsincreased costs or expenses arising from actions taken in respect of the joint ventures; (v) actions by our partners that could jeopardize our REIT status, require us to pay taxes or subject the properties owned by the joint venture to liabilities greater than those contemplated by the terms of the joint venture agreements; and (vi) joint venture agreements may contain buy-sell provisions pursuant to which one partner may initiate procedures requiring us to buy the other partnerâ€™s interest, all of which could affect our business, financial condition, results of operations and cash flows.We face significant competition and risks in pursuing acquisition opportunities.We continue to evaluate the market for potential acquisitions and may acquire properties when we believe strategic opportunities exist. When we pursue acquisitions, we may face competition from other real estate investors, some of which may have substantial capital and a willingness to accept more risk than we do, which could (i) limit our ability to acquire properties, (ii) increase the purchase price we are required to pay, thus reducing the return to our shareholders, and (iii) cause us to agree to material restrictions or limitations in the acquisition agreements. In addition, properties we acquire in the future may fail to successfully integrate into our existing operating platform or achieve the expected occupancy and/or rental rates within the projected time frame, if at all, which may result in the propertiesâ€™ failure to achieve the expected investment returns. In certain circumstances, we may abandon a potential acquisition after spending significant resources to pursue the opportunity. These factors and any others could impede our growth and materially and adversely affect our financial condition and results of operations.We may be unable to sell properties at the time we desire, on favorable terms or at all, which could limit our ability to access capital through dispositions.Real estate investments are illiquid and generally cannot be sold quickly. Our ability to dispose of properties on advantageous terms depends upon many factors that are beyond our control, and we cannot predict the various market conditions affecting real estate investments that will exist in the future.Â We may be unable to dispose of any of our properties on terms favorable to us or at all, and each individual sale will depend upon, among other things, (i) general economic and market conditions, (ii) competition from other sellers, (iii) increases in market capitalization rates, (iv) individual asset characteristics, and (v) the availability of attractive financing for potential buyers of our properties. Further, we may incur expenses and transaction costs in connection with dispositions.In addition, the Internal Revenue Code of 1986, as amended (the â€œCodeâ€) generally imposes a 100% penalty tax on gains recognized by REITs upon the disposition of assets if the assets are held primarily for sale in the ordinary course of business rather than for investment, which could cause us to forgo or defer sales of properties that might otherwise be in our best interest to sell. This in turn may limit our ability to appropriately adjust our portfolio mix in response to market conditions. We will also be subject to income taxes on gains from the sale of any properties owned by any taxable REIT subsidiary (â€œTRSâ€).We could experience a decline in the fair value of our real estate assets and be subject to impairment charges.Our real estate properties are carried at cost unless circumstances indicate that the carrying value of these assets may not be recoverable through future operations. We periodically evaluate whether there are any indicators, including declines in property operating performance and general market conditions, that the carrying value of our real estate assets may be impaired. Changes in our disposition strategy or in the marketplace may alter the holding period of an asset or group of assets, which may result in an impairment loss that could be material to our financial condition or operating performance. To the extent the carrying value of the asset exceeds the estimated future undiscounted property cash flows, an impairment loss is recognized equal to the excess of the carrying value over the estimated fair value, which is highly subjective and involves a significant degree of management judgment regarding various assumptions. During the years ended DecemberÂ 31, 2024 and 2023, we recognized impairment charges of $66.2 million and $0.5 million, respectively. We did not recognize any impairment during the year ended December 31, 2022. There can be no assurance that we will not recognize additional impairment charges in the future related to our assets, which could have a material adverse effect on our results of operations in the period in which the charge is recognized.We could be materially and adversely affected if we are found to be in breach of a ground lease at one of our properties or are unable to renew a ground lease.As of DecemberÂ 31, 2024, we had 10 properties in our portfolio that are either completely or partially on land that is owned by third parties and leased to us pursuant to ground leases. If we are found to be in breach of a ground lease and that breach cannot be cured or we are unable to extend the lease terms or purchase the fee interest in the underlying land prior to expiration, for which no assurance can be given, we could lose our interest in the improvements and the right to operate the property. As a result, we would be unable to derive income from such property, which could materially and adversely affect us. Assuming we exercise all available options to extend the terms, our ground leases will expire between 2045 and 2115. In certain cases, our 18Table of Contentsability to exercise the extension option is subject to the condition that we are not in default under the terms of the ground lease at the time we exercise such option, and we can provide no assurances that we will be able to exercise the extension options at such times.Natural disasters, severe weather conditions, climate change, and terrorism or other acts of crime or violence could have an adverse impact on our financial condition and results of operations.A significant number of our properties are located in areas that are susceptible to, or have been affected by, natural disasters and severe weather conditions such as hurricanes, tropical storms, tornadoes, earthquakes, floods and wildfires. Changing weather patterns and climatic conditions, primarily as a result of climate change, may affect the predictability and frequency of natural disasters and severe weather conditions in some parts of the world and create additional uncertainty as to future trends and exposures, including certain areas in which our portfolio is concentrated, such as the states of Texas, Florida, and North Carolina and the MSAs of New York, Atlanta, Seattle, Chicago, and Washington, D.C. Over time, the occurrence of natural disasters, severe weather conditions, and changing climatic conditions can delay new development and redevelopment projects, increase costs to repair or replace damaged properties and future operating and insurance costs, and negatively impact the demand for retail space in the affected areas, or in extreme cases, affect our ability to operate the properties at all.In addition, changes in federal, state, and local laws and regulations on climate may require us to make additional investments in our properties, resulting in increased capital expenditures and operating costs, implement new or additional processes and controls to facilitate compliance, and/or pay additional energy, insurance, and real estate taxes, or potentially result in fines for noncompliance. For example, â€œgreenâ€ building codes may seek to reduce emissions by imposing certain standards for design, construction materials, water and energy usage and efficiency, and waste management. These developments could increase the costs of maintaining or improving our properties and could also result in increased compliance costs or additional operating restrictions that could adversely impact our tenantsâ€™ businesses and their ability to pay rent, which could adversely affect our financial condition, results of operations and cash flows.Potential terrorist attacks, shooting incidents, and other acts of crime or violence could also harm the demand for and value of our properties, including through damage, destruction, or loss at our properties; increased security costs; utility outages; and limited availability of terrorism insurance. If concerns regarding safety were to alter shopping habits or deter customers from visiting shopping centers, our tenants would be adversely affected, which could impact their ability to meet their lease obligations, make it difficult for us to renew or re-lease space at our properties at rental rates equal to or above historical rates, or result in increased volatility in the financial markets and economies.Any one of these events could decrease demand for real estate, impact the occupancy at our properties, and limit our access to capital or increase our cost of raising capital, which could materially and adversely affect our financial condition and results of operations.We could incur significant costs related to environmental matters, and our ability to identify environmental liabilities may be limited.Under various laws, ordinances, and regulations, as an owner or operator of real property, we may be or may become liable for the costs of investigation, removal, or remediation of releases of certain hazardous or toxic substances (including petroleum products) at or from our currently or formerly owned or operated properties, or for property damage or bodily injury (including third-party claims), fines, liens, or natural resource damages arising from the presence of such hazardous or toxic substances. In addition, we could be liable for the costs of investigating or remediating contamination at off-site waste disposal facilities to which we have arranged for the disposal or treatment of hazardous or toxic substances. Under certain laws, such liability may be imposed without regard to whether or not we knew of, or caused, the presence of these hazardous or toxic substances, or whether we complied with environmental laws, and the liability may be joint and several. Some properties in our portfolio contain, may have contained, or are adjacent to or near other properties that have contained or currently contain underground storage tanks for petroleum products or other hazardous or toxic substances, and some of our properties have tenants that may use hazardous or toxic substances in the course of their business. Indemnities in our lease agreements may not fully protect us if a tenant responsible for environmental noncompliance or contamination becomes insolvent. As is the case with many community and neighborhood shopping centers, many of our properties had or have on-site dry cleaners and/or gas stations, the prior or current use of which could potentially increase our environmental liability exposure. The cost of investigation and removal or remediation of such hazardous or toxic substances or other contamination-related liabilities may be substantial and could exceed the value of the property, and the presence of these hazardous or toxic substances or the failure to properly remediate them may adversely affect our ability to sell or lease a contaminated property, borrow funds using the property as collateral, or increase future development costs, or may result in operational restrictions on the property.19Table of ContentsCertain of our properties have confirmed ACBM, and other properties may contain such materials. Environmental laws require that ACBM be properly managed and maintained, and fines and penalties may be imposed on building owners or operators for failure to comply with these requirements. In addition, third parties may be allowed to seek recovery from owners or operators for personal injury associated with exposure to asbestos fibers.Federal, state, and local governments impose environmental laws and regulations that govern our operations and those of our tenants, including with respect to air emissions, wastewater, stormwater, and the use, storage, and disposal of hazardous and toxic substances and petroleum products. We evaluate our properties for compliance with applicable environmental laws on a limited basis. The cost to comply with such laws and regulations may be significant, and such laws may become more stringent over time. If we fail to comply with such laws, including if we fail to obtain any required permits or licenses, we could face substantial fines or possible revocation of our authority to conduct some of our operations.We can provide no assurance that existing environmental studies with respect to our properties reveal all potential environmental liabilities or that current or future uses, conditions, or changes in environmental laws and regulations, including those related to climate change, will not result in environmental liabilities, additional costs, or operating restrictions on our properties or adversely affect our ability to sell or develop our properties or borrow funds using our properties as collateral.Compliance with the ADA and fire, safety and other regulations may require us to make significant capital expenditures.All of the properties in our portfolio are required to comply with Title III of the ADA to the extent that they are public accommodations as defined by the ADA. Compliance with the ADA requirements may require the removal of access barriers, and noncompliance could result in orders requiring us to make substantial capital expenditures to cure violations and pay attorneysâ€™ fees or other amounts.

Although we believe our properties substantially comply with the present requirements of the ADA, we have not conducted an audit or investigation of all our properties to determine our compliance. While our tenants are typically obligated to cover costs associated with compliance, if required changes involve greater expenditures or faster timelines than anticipated, the ability of some of our tenants to cover these costs could be limited. In addition, we are required to operate our properties in compliance with fire and safety regulations, building codes, and other land use regulations as they are adopted by governmental entities and become applicable to our properties. We may be required to make substantial capital expenditures to comply with these regulations, and we may be restricted in our ability to renovate the properties subject to these requirements, which could affect our cash flows and results of operations.Use of artificial intelligence presents risks and challenges that could impact our business.As with many technological innovations, the use of artificial intelligence, including generative AI tools (â€œAIâ€), presents risks and challenges that could adversely affect our business. We are evaluating AI solutions to assist our employees with research, content generation, and decision support. Our vendors may incorporate AI tools into their services and deliverables without disclosing this to us, and the providers of these AI tools may not meet existing or rapidly evolving regulatory or industry standards with respect to security, privacy, and data protection. If we, our vendors, or third parties experience an actual or perceived privacy or security incident because of the use of AI, we could lose valuable intellectual property and confidential information, and our reputation and the public perception of the effectiveness of our security measures could be harmed. In addition, AI or machine learning models may create incomplete, inaccurate, or otherwise flawed outputs, some of which may appear correct. Due to these issues, these models could lead us to make flawed decisions that could result in adverse consequences to us, including reputational and competitive harm, loss of customers, and legal liability. Moreover, uncertainty in the regulatory environment related to AI may require significant resources to modify and maintain business practices to comply with applicable law, the nature of which continues to evolve and may prevent or limit our ability to use AI in our business, lead to regulatory fines or penalties, or require us to change our business practices. If we cannot use AI, or that use is restricted, our business may be less efficient, or we may be at a competitive disadvantage, which could adversely affect our business. In addition, investments in AI may not realize the benefits that were anticipated.RISKS RELATED TO OUR ORGANIZATION AND STRUCTUREOur organizational documents and Maryland law contain provisions that may delay, defer or prevent a change in control of the Company.Our organizational documents contain provisions that may have an anti-takeover effect and inhibit a change in control transaction, which could prevent our shareholders from being paid a premium for their common shares over the then-prevailing market prices.20Table of Contents(1)Â There are ownership limits and restrictions on transferability in our declaration of trust. In order for us to qualify as a REIT, no more than 50% of the value of our outstanding common shares may be owned, actually or constructively, by five or fewer individuals at any time during the last half of each taxable year. To ensure that we will not fail to satisfy this requirement and for anti-takeover reasons, our declaration of trust generally prohibits any shareholder (other than an excepted holder or certain designated investment entities, as defined in our declaration of trust) from owning (actually, constructively or by attribution), more than 7% of the value or number, whichever is more restrictive, of our outstanding common shares. Our declaration of trust provides an excepted holder limit that allows certain members of the Kite family (and certain entities controlled by Kite family members) as a group to own more than 7% of our outstanding common shares, subject to applicable tax attribution rules. Currently, any single excepted holder would be attributed all the common shares owned by the other excepted holders, and, accordingly, the excepted holders as a group would not be allowed to own in excess of 21.5% in value or number, whichever is more restrictive, of our common shares. If at a later time there was not one excepted holder that would be attributed all of the shares owned by the excepted holders as a group, the excepted holder limit would not permit each excepted holder to own in excess of 21.5% of our common shares. Rather, the excepted holder limit would prevent two or more excepted holders who are treated as individuals under the applicable tax attribution rules from owning a higher percentage of our common shares than the maximum amount of common shares that could be owned by any one excepted holder (21.5%), plus the maximum amount of common shares that could be owned by any one or more other individual common shareholders who are not excepted holders (7%). Certain entities that are defined as designated investment entities in our declaration of trust, which generally includes pension funds, mutual funds, and certain investment management companies, are permitted to own up to 9.8% in value or number, whichever is more restrictive, of the outstanding shares of any class or series of shares so long as each beneficial owner of the shares owned by such designated investment entity would satisfy the 7% ownership limit if those beneficial owners owned directly their proportionate share of the common shares owned by the designated investment entity. Our Board of Trustees may waive, and has waived in the past, the ownership limits, subject to certain conditions. In addition, our declaration of trust contains certain other ownership restrictions intended to prevent us from earning income from related parties if such income would cause us to fail to comply with the REIT gross income requirements. The various ownership restrictions may discourage a tender offer or other change in control transaction or compel a shareholder who has acquired our common shares in excess of these ownership limitations to dispose of the additional shares.(2)Â Our declaration of trust permits our Board of Trustees to issue preferred shares with terms that may discourage a third party from acquiring us. Our declaration of trust permits our Board of Trustees to issue up to 20.0 million preferred shares, having those preferences, conversion or other rights, voting powers, restrictions, limitations as to distributions, qualifications, or terms or conditions of redemption as determined by our Board of Trustees.(3)Â Our declaration of trust and bylaws contain other possible anti-takeover provisions. Our declaration of trust and bylaws contain other provisions such as advance notice requirements for shareholder proposals, the ability of our Board of Trustees to reclassify shares or issue additional shares, and the absence of cumulative voting rights that may have the effect of delaying, deferring, or preventing a change in control of the Company or the removal of existing management.(4)Â The Maryland General Corporation Law, as amended (the â€œMGCLâ€) permits our Board of Trustees, without shareholder approval and regardless of what is currently provided in our declaration of trust or bylaws, to implement certain takeover defenses. Although we have opted out of these provisions of Maryland law, our Board of Trustees may opt to make these provisions applicable to us at any time, which may have the effect of inhibiting a third party from making a proposal to acquire us or impeding a change in control under circumstances that otherwise could provide the holders of our common shares with the opportunity to realize a premium over the then-prevailing market price of our common shares.Our bylaws provide that the Circuit Court for Baltimore City, Maryland will be the exclusive forum for any internal corporate claims and other matters, which could limit our shareholdersâ€™ ability to obtain a favorable judicial forum for disputes with us or our trustees, officers, employees, or shareholders.Our bylaws provide that the Circuit Court for Baltimore City, Maryland, or, if that Court does not have jurisdiction, the United States District Court for the District of Maryland, Northern Division, shall be the sole and exclusive forum for (i) any Internal Corporate Claim as defined under the MGCL, (ii) any derivative action or proceeding brought in the right or on behalf of the Company, (iii) any action asserting a claim of breach of any duty owed by any trustee, officer, employee or agent of the Company to the Company or our shareholders, (iv) any action asserting a claim against the Company or any trustee, officer, employee or agent of the Company arising pursuant to any provision of the MGCL, our declaration of trust or our bylaws, or (v) any action asserting a claim against the Company or any trustee, officer, employee or agent of the Company that is governed by the internal affairs doctrine.The federal district courts of the United States shall, to the fullest extent permitted by law, be the sole and exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act. Since Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability 21Table of Contentscreated by the Securities Act or the rules and regulations thereunder, there is uncertainty as to whether a court would enforce an exclusive forum provision for actions arising under the Securities Act. The provision may limit a shareholderâ€™s ability to bring a claim in a judicial forum that it finds favorable for disputes with us or our trustees, officers, employees, or shareholders, which may discourage such lawsuits. Alternatively, if a court were to find the choice of forum provision contained in our bylaws to be inapplicable or unenforceable in an action, we may incur additional costs associated with resolving such action in other jurisdictions, which could materially and adversely affect us.Focus on corporate responsibility, specifically related to ESG practices, may impose additional costs and expose us to new risks.Investors and other stakeholders continue to focus on understanding how companies address a variety of ESG matters and may look to ESG ratings systems or disclosure frameworks that have been developed by third parties to allow comparisons between companies on ESG factors to guide their investment strategies. With this focus and demand, public reporting regarding ESG practices is becoming more broadly expected. We provide corporate disclosures regarding our existing ESG programs and goals, including greenhouse gas emissions reduction targets and other sustainability initiatives, within our annual Corporate Responsibility Reports, which are published on our website. We also use GRESB, an independent organization that provides validated ESG performance data and peer benchmarks, as a method of engaging with shareholders. The focus and activism related to ESG and related matters may constrain our business operations or cause us to incur additional costs. We may also face reputational damage in the event our corporate responsibility initiatives do not meet the standards set by various constituents, including those of third-party providers of corporate responsibility ratings and reports. Moreover, while we may publish voluntary disclosures in our Corporate Responsibility Reports, such voluntary disclosures are often based on hypothetical assumptions that may or may not be representative of current or actual risks or events or forecasts of expected risks or events. Furthermore, should peer companies outperform us in such metrics, potential or current investors may elect to invest with our competitors, which could have a material and adverse impact on our financial condition, the market price of our common shares, and our ability to raise capital.As we continue to evolve our ESG practices, we could also be criticized by ESG detractors for the scope or nature of our ESG initiatives or goals. We could also encounter negative reactions from governmental actors (such as anti-ESG legislation or retaliatory legislation) and tenants and residents that could have a material adverse effect on us.Our rights and the rights of our shareholders to take action against our trustees and officers are limited.Maryland law provides that a trustee has no liability in that capacity if he or she satisfies his or her duties to us and our shareholders. Under current Maryland law, our trustees and officers will not have any liability to us or our shareholders for money damages, except for liability resulting from (i) the actual receipt of an improper benefit or profit in money, property, or services or (ii) active or deliberate dishonesty by the trustee or officer that was established in a judgment or other final adjudication to be material to the cause of action.In addition, our declaration of trust, bylaws, and indemnification agreements require us to indemnify our trustees and officers for actions taken by them in those capacities to the maximum extent permitted by Maryland law. As a result, we and our shareholders may have more limited rights against our trustees and officers than might otherwise exist. Accordingly, if actions taken in good faith by any of our trustees or officers impede our performance, our shareholdersâ€™ ability to recover damages from such trustees or officers will be limited. In addition, we may be obligated to advance the defense costs incurred by our trustees and executive officers and may, in the discretion of our Board of Trustees, advance the defense costs incurred by our other officers, employees, and other agents in connection with legal proceedings.Our UPREIT structure may result in potential conflicts of interest with limited partners in our Operating Partnership, including certain of our officers, whose interests may not be aligned with those of our shareholders.Certain of our officers own limited partner units in our Operating Partnership. These individuals may have personal interests that conflict with the interests of our shareholders with respect to business decisions affecting us and our Operating Partnership, such as interests in the timing and pricing of property dispositions or refinancing transactions to obtain favorable tax treatment. Under the limited partnership agreement of the Operating Partnership, Kite Realty Group Trust, as the general partner, is responsible for the management of the Operating Partnershipâ€™s business and affairs. Conflicts of interest may exist or could arise in the future as a result of the relationships between us and our affiliates, on the one hand, and our Operating Partnership or any of its partners, on the other. Our trustees and officers have duties to our Company under Maryland law in connection with their management of Kite Realty Group Trust. At the same time, they have duties and obligations to our Operating Partnership and its limited partners under Delaware law as modified by the partnership agreement of our Operating Partnership in connection with the management of our Operating Partnership as the general partner. Kite Realty Group Trustâ€™s 22Table of Contentsduties and obligations as the general partner of our Operating Partnership may come into conflict with the duties of our trustees and officers to our Company and our shareholders.Departure or loss of our key personnel could have an adverse effect on us.We depend significantly on the efforts and expertise of ourÂ executive management team, whose experience in real estate acquisitions, developments, finance, and management is a critical element of our future success. If any of our executive officers or other key personnel were to leave the Company for any reason, we may not be able to replace these individuals with an executive with equal skill, ability, and industry expertise within a reasonable timeframe, which could negatively affect our operations and financial condition.The cash available for distribution to our shareholders may not be sufficient to pay distributions at expected levels nor can we assure you of our ability to make distributions in the future; we may use borrowed funds to make cash distributions and/or choose to make distributions payable, in part, in our common shares.To qualify as a REIT, we are required to distribute to our shareholders each year at least 90% of our â€œREIT taxable income,â€ as determined before the deduction for dividends paid and excluding net capital gains. In order to eliminate U.S. federal income tax, we are required to distribute annually 100% of our net taxable income, including capital gains. If cash available for distribution generated by our assets decreases in future periods from expected levels, our inability to make expected distributions could result in a decrease in the market price of our common shares.Â Distributions, if any, are made at the discretion of our Board of Trustees and depend upon our earnings, financial condition, maintenance of our REIT qualification, and other factors as our Board of Trustees may deem relevant from time to time. We may be unable to make distributions in the future at current levels or at all. In addition, some of our distributions may include a return of capital. To the extent we choose to make distributions in excess of our current and accumulated earnings and profits, such distributions would generally be considered a return of capital for U.S. federal income tax purposes to the extent of the holderâ€™s adjusted tax basis in their common shares. A return of capital is not taxable, but it has the effect of reducing the holderâ€™s adjusted tax basis in their investment. To the extent that distributions exceed the adjusted tax basis of a holderâ€™s shares, they will be treated as gain from the sale or exchange of such shares. If we borrow to fund distributions, our future interest costs would increase, thereby reducing our earnings and cash available for distribution in the future. Finally, although we do not currently intend to do so, in order to maintain our REIT qualification, we may make distributions that are payable, in part, in our common shares. Taxable shareholders receiving such distributions will be required to include the full amount of such distributions as ordinary dividend income to the extent of our current or accumulated earnings and profits. Taxable shareholders may also be required to sell shares received in such distribution or other shares or assets owned by them at a time that may be disadvantageous in order to satisfy any tax imposed on such distribution. If a significant number of our shareholders determine that they need to sell common shares in order to pay taxes owed on dividend income, such a sale may put downward pressure on the market price of our common shares.Future offerings of debt securities, which would be senior to our equity securities, may adversely affect the market price of our common shares.In the future, we may seek to increase our capital resources through offerings of debt securities, including unsecured notes, medium-term notes, and senior or subordinated notes, as well as debt securities that are convertible into equity. Holders of our debt securities will generally be entitled to receive interest payments, both current and in connection with any liquidation or sale, prior to the holders of our common shares. Future offerings of debt securities, or the perception that such offerings may occur, may reduce the market price of our common shares and/or the distributions we pay with respect to our common shares. Because we may generally issue such debt securities in the future without obtaining the consent of our shareholders, our shareholders will bear the risk of future offerings reducing the market price of our equity securities.RISKSÂ RELATED TO TAX MATTERSÂ If the October 2021 merger with RPAI did not qualify as a reorganization, there may be adverse tax consequences.The parties intended that the October 2021 merger with RPAI will be treated as a reorganization within the meaning of Section 368(a) of the Code, and it was a condition to the merger that we and RPAI received opinions from each partyâ€™s respective counsel to the effect that, for U.S. federal income tax purposes, the merger constitutes a reorganization within the meaning of Section 368(a) of the Code. These tax opinions represent the legal judgment of counsel rendering the opinion and are not binding on the Internal Revenue Service (the â€œIRSâ€) or any court. If the merger fails to qualify as a reorganization, U.S. holders of shares of RPAI common stock generally would recognize gain or loss, as applicable, equal to the difference between 23Table of Contents(i) the sum of the fair market value of the Companyâ€™s common shares and cash in lieu of fractional common shares of the Company received by such holder in the merger and (ii) such holderâ€™s adjusted tax basis in their RPAI common stock.We may incur adverse tax consequences if we fail, or RPAI has failed, to qualify as a REIT for U.S. federal income tax purposes.We believe that we have qualified for taxation as a REIT for U.S. federal income tax purposes commencing with our taxable year ended December 31, 2004, and that RPAI had operated in a manner that allowed it to qualify as a REIT, and we intend to operate in a manner we believe allows us to continue to qualify as a REIT for U.S. federal income tax purposes.Â We have not requested and do not plan to request a ruling from the IRS that we qualify as a REIT, and the statements in this Annual Report on Form 10-K are not binding on the IRS or any court. Qualification as a REIT involves the application of highly technical and complex provisions of the Code for which there are only limited judicial and administrative interpretations. Certain facts and circumstances not entirely within our control may affect our ability to qualify as a REIT. In order to qualify as a REIT, we (before and after the merger) and RPAI (before the merger) must satisfy a number of requirements, including the ownership of our stock and the composition of our gross income and assets. Also, a REIT must make annual distributions to shareholders aggregating at least 90% of its net taxable

income, excluding any net capital gains. The fact that we hold substantially all of our assets through our Operating Partnership and its subsidiaries and joint ventures further complicates the application of the REIT requirements for us. Even a technical or inadvertent mistake could jeopardize our REIT status, and, given the highly complex nature of the rules governing REITs and the ongoing importance of factual determinations, we cannot provide any assurance that we will continue to qualify as a REIT. If we fail to qualify as a REIT for U.S. federal income tax purposes and are unable to avail ourselves of certain savings provisions set forth in the Code, we will face serious tax consequences that would substantially reduce our cash available for distribution because:â€¢we would be subject to U.S. federal income tax on our net income at regular corporate income tax rates for the years we did not qualify for taxation as a REIT (and, for such years, would not be allowed a deduction for dividends paid to shareholders in computing our taxable income);â€¢we could be subject to certain taxes enacted by the Inflation Reduction Act of 2022 that are applicable to non-REIT corporations, including the non-deductible 1% excise tax on certain stock repurchases;â€¢we could be subject to the federal alternative minimum tax and possibly increased state and local taxes for such periods;â€¢unless we are entitled to relief under applicable statutory provisions, neither the Company nor any â€œsuccessorâ€ corporation, trust, or association could elect to be taxed as a REIT until the fifth taxable year following the year during which we were disqualified;â€¢if we were to re-elect REIT status, we would have to distribute all earnings and profits from non-REIT years before the end of the first new REIT taxable year; andâ€¢for the five years following re-election of REIT status, upon a taxable disposition of an asset owned as of such re-election, we would be subject to corporate level tax with respect to any built-in gain inherent in such asset at the time of re-election.Even if we retain our REIT status, if RPAI loses its REIT status for a taxable year before the October 2021 merger, we will face serious tax consequences that would substantially reduce our cash available for distribution because:â€¢unless we are entitled to relief under applicable statutory provisions, the Company, as the â€œsuccessorâ€ trust to RPAI, could not elect to be taxed as a REIT until the fifth taxable year following the year during which RPAI was disqualified;â€¢the Company, as the successor by merger to RPAI, would be subject to any corporate income tax liabilities of RPAI, including penalties and interest;â€¢assuming that we otherwise maintained our REIT qualification, we would be subject to tax on the built-in gain on each asset of RPAI existing at the time of the merger if we were to dispose of the RPAI asset for up to five years following the merger; andâ€¢assuming that we otherwise maintained our REIT qualification, we would succeed to any earnings and profits accumulated by RPAI for taxable periods that it did not qualify as a REIT, and we would have to pay a special dividend and/or employ applicable deficiency dividend procedures, including interest payments to the IRS, to eliminate such earnings and profits.24Table of ContentsIn addition, if there is an adjustment to RPAIâ€™s taxable income or deductions for dividends paid, we could elect to use the deficiency dividend procedures in order to maintain RPAIâ€™s REIT status, which could require us to make substantial distributions to our shareholders and pay a considerable amount of interest to the IRS.As a result of these factors, our failure (before or after the merger) or RPAIâ€™s failure (before the merger) to qualify as a REIT could impair our ability to grow our business and raise capital and would materially adversely affect the value of our common shares.We will pay some taxes even if we qualify as a REIT.Even if we qualify as a REIT for U.S. federal income tax purposes, we will be required to pay certain U.S. federal, state, and local taxes on our income and property. For example, we will be subject to income tax to the extent we distribute less than 100% of our REIT taxable income, including capital gains. Additionally, we will be subject to a 4% non-deductible excise tax on the amount, if any, by which dividends paid by us in any calendar year are less than the sum of 85% of our ordinary income, 95% of our capital gain net income, and 100% of our undistributed income from prior years. Moreover, if we have net income from â€œprohibited transactions,â€ that income will be subject to a 100% penalty tax.In addition, any net taxable income earned directly by our TRSs or through entities that are disregarded for U.S. federal income tax purposes as entities separate from our TRSs will be subject to U.S. federal and possibly state corporate income tax. We have elected to treat Kite Realty Holdings, LLC and IWR Protective Corporation as TRSs of the Operating Partnership, and we may elect to treat other subsidiaries as TRSs in the future. In this regard, several provisions of the laws applicable to REITs and their subsidiaries ensure that a TRS will be subject to an appropriate level of U.S. federal income taxation. For example, a TRS is limited in its ability to deduct interest payments made to an affiliated REIT. In addition, the REIT is required to pay a 100% penalty tax on some payments that it receives or on some deductions taken by the TRS if the economic arrangements between the REIT, the REITâ€™s tenants, and the TRS are not comparable to similar arrangements between unrelated parties. Finally, some state and local jurisdictions may tax some of our income even though, as a REIT, we are not subject to U.S. federal income tax on that income because not all states and localities treat REITs the same way they are treated for U.S. federal income tax purposes. To the extent that we and our affiliates are required to pay U.S. federal, state, and local taxes, we will have less cash available for distributions to our shareholders.REIT distribution requirements may increase our debt.We may be required, from time to time and under certain circumstances, to accrue income for U.S. federal income tax purposes that has not yet been received. In such event, or upon the repayment of principal on our outstanding debt, we could have taxable income without sufficient cash to enable us to meet the distribution requirements of a REIT. Accordingly, we could be required to borrow funds or liquidate investments on disadvantageous terms in order to meet these distribution requirements. Additionally, the sale of properties resulting in significant tax gains could require higher distributions to our shareholders or payment of additional income taxes in order to maintain our REIT status.Complying with REIT requirements may limit our ability to hedge effectively and cause us to incur tax liabilities.The REIT provisions of the Code may limit our ability to hedge our liabilities. Generally, income from a hedging transaction will be excluded from â€œgross incomeâ€ for purposes of the 75% and 95% gross income tests if the instrument hedges interest rate risk on liabilities used to carry or acquire real estate assets or manages the risk of certain currency fluctuations, and such instrument is properly identified under applicable Treasury Regulations. Income from hedging transactions that does not meet these requirements will generally constitute non-qualifying income for purposes of both gross income tests. As a result of these rules, we may be required to limit our use of hedging techniques that might otherwise be advantageous or implement those hedges through a TRS, which could increase the cost of our hedging activities because our TRS would be subject to tax on gains or expose us to greater risks associated with changes in interest rates than we would otherwise want to bear.Complying with the REIT requirements may cause us to forgo and/or liquidate otherwise attractive investments.To qualify as a REIT, we must continually satisfy tests concerning, among other things, (i) the sources of our income, (ii) the nature and diversification of our assets, (iii) the amounts we distribute to our shareholders, and (iv) the ownership of our common shares. In order to meet these tests, we may be required to forgo investments we might otherwise make or liquidate investments from our portfolio that otherwise would be considered attractive. In addition, we may be required to make distributions to our shareholders at disadvantageous times or when funds are not readily available, which could reduce our income and amounts available for distribution to our shareholders.25Table of ContentsDividends paid by REITs generally do not qualify for effective tax rates as low as dividends paid by non-REIT â€œCâ€ corporations.The maximum tax rate applicable to â€œqualified dividend incomeâ€ paid by non-REIT â€œCâ€ corporations to certain non-corporate U.S. shareholders has been reduced by legislation to 23.8%, taking into account the 3.8% Medicare tax applicable to net investment income.Â Dividends payable by REITs, however, are generally not eligible for the reduced rates. Effective for taxable years beginning before January 1, 2026, non-corporate shareholders may deduct 20% of their dividends from REITs, excluding qualified dividend income and capital gains dividends. For non-corporate shareholders in the top marginal tax bracket of 37%, the deduction for REIT dividends yields an effective income tax rate of 29.6% on REIT dividends, which is higher than the 20% tax rate on qualified dividend income paid by non-REIT â€œCâ€ corporations. These rules do not adversely affect the taxation of REITs; however, they could cause certain non-corporate investors to perceive investments in REITs to be relatively less attractive than investments in the shares of non-REIT â€œCâ€ corporations that pay dividends, which could adversely affect the value of our common shares.If a transaction intended to qualify as a Code Section 1031 tax-deferred exchange is later determined to be taxable, we may face adverse consequences.From time to time, we may dispose of properties in transactions that are intended to qualify as â€œlike-kind exchangesâ€ under Section 1031 of the Code (a â€œ1031 Exchangeâ€). It is possible that the qualification of a transaction as a 1031 Exchange could be challenged and determined to be currently taxable. In such a case, our taxable income and earnings and profits would increase, which could increase the income applicable to our shareholders and, therefore, may require additional distributions to shareholders or, in lieu of that, require us to pay corporate income tax, possibly including interest and penalties. As a result, we may need to borrow funds in order to pay additional distributions or taxes, which could cause us to have less cash available to distribute to our shareholders. Moreover, it is possible that legislation is enacted that could modify or repeal the laws with respect to 1031 Exchanges, which could make it more difficult or impossible for us to dispose of properties on a tax-deferred basis.If the Operating Partnership fails to qualify as a partnership for U.S. federal income tax purposes, we could fail to qualify as a REIT and suffer other adverse consequences.We believe that our Operating Partnership has been organized and operated in a manner that allows it to be treated as a partnership and not as an association or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes. As a partnership, our Operating Partnership is not subject to U.S. federal income tax on its income. Instead, each of its partners is allocated its share of our Operating Partnershipâ€™s income. We can provide no assurance, however, that the IRS will not challenge our Operating Partnershipâ€™s status as a partnership for U.S. federal income tax purposes or that a court would not sustain such a challenge. If the IRS were successful in treating our Operating Partnership as an association or a publicly traded partnership taxable as a corporation for U.S. federal income tax purposes, we would fail to meet the gross income tests and certain of the asset tests applicable to REITs and, accordingly, would cease to qualify as a REIT. Also, the failure of the Operating Partnership to qualify as a partnership would cause it to become subject to U.S. federal corporate income tax, which would significantly reduce the amount of cash available for debt service and for distribution to its partners, including the Parent Company.There is a risk that the tax laws applicable to REITs may change.The IRS, the U.S. Treasury Department, and Congress frequently review U.S. federal income tax legislation, regulations, and other guidance. The Company cannot predict whether, when, or to what extent new U.S. federal tax laws, regulations, interpretations, or rulings will be adopted. Any legislative action may prospectively or retroactively modify the Companyâ€™s tax treatment and, therefore, may adversely affect the taxation of the Company or its shareholders.ITEM 1B. UNRESOLVED STAFF COMMENTSNone.26Table of ContentsITEM 1C. CYBERSECURITYCybersecurity Risk Management ProcessThe Company relies extensively on IT systems to operate and manage its business and process transactions. As a result, our business is at risk from, and may be impacted by, cybersecurity incidents. The Companyâ€™s cybersecurity risk management program leverages the National Institute of Standards and Technology (â€œNISTâ€) Cybersecurity Framework, which is used to benchmark and tailor the Companyâ€™s strategies and program to our risk profile and specific operational needs and goals.As risk management is an ongoing process, the Company regularly assesses its cybersecurity risks and adjusts its program accordingly. Via multiple monitoring solutions, potential cyber threats are automatically logged and proactively addressed. Our monitoring tools use well-established vulnerability scoring to aid in the overall risk assessment. The scoring ranks by potential severity and likelihood and includes a review of mitigating factors. The Company prioritizes its cybersecurity investments based on the likelihood and impact of potential threats.We recognize that cybercriminals frequently target employees to gain unauthorized access to information systems. Therefore, from onboarding and at least annually thereafter, the Company educates and trains its employees on cybersecurity leading practices using a variety of methods, which is supplemented throughout the year with regular phishing and other cyber-related testing. The Company regularly performs internal and external penetration testing and vulnerability scanning with the support of well-established third-party providers. Identified deficiencies or vulnerabilities are reviewed by the IT staff and management, and remediation steps are taken based on the criticality of the results.Cybersecurity tools and services are configured to identify threats and risks that may be associated with the use of third-party applications or solutions. We prioritize our cybersecurity efforts relating to third parties based on the likelihood and potential impact of cybersecurity threats. These efforts may include reviewing security documentation or protocols of key vendors, service providers, and external users of our systems.The Company has developed cybersecurity incident response plans to contain, investigate, respond to, and recover from cybersecurity incidents that may jeopardize the confidentiality, integrity, or availability of our IT systems. Key members of management, including the Companyâ€™s Chief Financial Officer, Chief Operating Officer, and Chief Legal Officer, as well as employees from IT, internal audit, marketing and communications, and human resources, serve on the Companyâ€™s security incident response team to help the Company mitigate and remediate cybersecurity incidents of which they are notified. Our response plans require prompt notification to members of senior management in the event of a significant cybersecurity incident and prompt briefings on further developments as appropriate.Risks And Impact From Cybersecurity ThreatsAs of DecemberÂ 31, 2024, we are not aware of any risks from cybersecurity threats or incidents that have materially affected or are reasonably likely to materially affect the Company, including our business strategy, results of operations or financial condition. However, evolving cybersecurity threats make it increasingly challenging to anticipate, detect, and defend against cybersecurity threats and incidents. For more information regarding our cybersecurity risks, see â€œWe and our tenants face risks related to cyber attacks that could cause loss of confidential information and other business disruptionsâ€ in Item 1A. â€œRisk Factorsâ€ within this Annual Report on Form 10-K.Board of Trustees OversightOur Board of Trustees oversees various risks that the Company may face from time to time. While the full Board of Trustees has primary responsibility for risk oversight, it has delegated to the Audit Committee the responsibility for overseeing the Companyâ€™s enterprise risk management and risk mitigation policies and programs, including matters related to privacy and cybersecurity. The Audit Committee reviews the Companyâ€™s cybersecurity risks and the effectiveness of its cybersecurity program every quarter, including current threat levels and ongoing program enhancements. Reports on these topics are provided to the Audit Committee by the Vice President, Chief Information Security Officer (â€œCISOâ€) and the Vice President, Internal Audit and Enterprise Risk Management on a quarterly basis. In addition, when appropriate, cybersecurity risks and incidents will be reported to the Board of Trustees by the Companyâ€™s Chief Financial Officer.Managementâ€™s RoleThe Companyâ€™s management team is responsible for implementing and managing the Companyâ€™s cybersecurity risk management program. The management team regularly reviews the Companyâ€™s cybersecurity risks and adjusts the program as 27Table of Contentsneeded. Risk data analyzed includes summary and detailed data from monitoring and protection systems along with remediation reports to help ensure the constant evolution of the program.Key members of the IT team responsible for information security include several individuals with over 20 years of experience within various industries, including real estate, global retail, fintech, and insurance, along with experience working for several top IT service and solutions providers. The IT team provides quarterly reports to the Companyâ€™s senior management, which typically address, among other things, the Companyâ€™s cybersecurity strategy, initiatives, key security metrics, business response plans, and the evolving cybersecurity threat landscape.The Company has cybersecurity insurance designed to cover certain expenses related to cybersecurity incidents. The Company also carries other insurance that may cover ancillary aspects of a cybersecurity incident; however, damage and claims arising from a cybersecurity incident may exceed the amount of any insurance available.28Table of ContentsITEM 2. PROPERTIESAs of DecemberÂ 31, 2024, we own interests in a portfolio of 179 operating retail properties totaling approximately 27.7Â million square feet, excluding one operating retail property classified as held for sale as of DecemberÂ 31, 2024, and two office properties with 0.4Â million square feet in 24 states.Â Of the 179 operating retail properties, 10 contain an office component. We also own interests in two development projects that are under construction as of DecemberÂ 31, 2024 and an additional two properties with future redevelopment opportunities. See â€œSchedule III â€“ Consolidated Real Estate and Accumulated Depreciationâ€ for a list of encumbrances on our properties.Operating PropertiesThe following table summarizes the geographic diversity of the Companyâ€™s retail operating properties by region and state, ranked by ABR, as of DecemberÂ 31, 2024 (GLA and ABR in thousands):Region/StateNumber of Properties(1)Owned GLA(2)TotalWeightedRetail ABR(3)% ofWeightedRetail ABR(3)SouthTexas44Â 7,493Â $157,891Â 26.7Â %Florida30Â 3,505Â 69,218Â 11.7Â %Maryland8Â 1,410Â 35,017Â 5.9Â %North Carolina8Â 1,535Â 33,700Â 5.7Â %Virginia7Â 1,107Â 31,857Â 5.4Â %Georgia11Â 1,849Â 30,581Â 5.2Â %Tennessee3Â 580Â 8,877Â 1.5Â %Oklahoma3Â 506Â 8,148Â 1.4Â %South Carolina2Â 262Â 3,663Â 0.6Â %Total South116Â 18,247Â 378,952Â 64.1Â %WestWashington10Â 1,633Â 31,098Â 5.3Â %Nevada5Â 841Â 28,526Â 4.8Â %Arizona5Â 714Â 16,088Â 2.7Â %California2Â 531Â 12,712Â 2.2Â %Utah2Â 38 West24Â 4,107Â 96,639Â 16.4Â %MidwestIndiana15Â 1,600Â 31,558Â 5.3Â %Illinois7Â 1,059Â 22,779Â 3.9Â %Michigan1Â 308Â 6,729Â 1.1Â %Missouri1Â 453Â 4,402Â 0.7Â %Ohio1Â 236Â 2,1 Midwest25Â 3,656Â 67,620Â 11.4Â %NortheastNew York7Â 713Â 25,563Â 4.3Â %New Jersey4Â 339Â 11,296Â 1.9Â %Massachusetts1Â 264Â 4,761Â 0.8Â %Connecticut1Â 206Â 4,008Â 0.7Â %Pennsylvania1Â 136Â 1,982Â 0.4Â %Total Northeast14Â 1,658Â 47,610Â 8.1Â %Total(4)179Â 27,668Â $590,821Â 100.0Â %(1)Number of properties represents consolidated and unconsolidated retail properties.(2)Owned GLA represents gross leasable area owned by the Company and excludes the square footage of development and redevelopment projects.(3)Total weighted retail ABR and percent of weighted retail ABR includes ground lease rent and represents the Companyâ€™s share of the ABR at consolidated and unconsolidated properties.(4)Excludes one operating retail property classified as held for sale as of DecemberÂ 31, 2024.29Table of ContentsDevelopment and Redevelopment ProjectsÂ In addition to our operating properties, as of DecemberÂ 31, 2024, we own interests in two

development projects that are currently under construction.Â The following table sets forth information with respect to the Companyâ€™s active development projects as of DecemberÂ 31, 2024:ProjectMSAKRGOwnership %ProjectedCompletion Date(1)TotalCommercial GLATotalMultifamily UnitsTotal Project Costs â€“ at KRG's ShareKRG EquityRequirementKRGRemaining SpendEstimatedStabilized NOIto KRGEstimated RemainingNOI to Come Online(2)Active ProjectsThe Corner â€“ IN(3)Indianapolis, IN50%Q1 202524,000Â 285Â $31.9M$â€“Â $â€“Â $1.7Mâ€“$1.9M$1.7Mâ€“$1.9MOne Loudoun Expansion(4)Washington, D.C./Baltimore100%Q4 2026119,000Â â€“Â $81.0Mâ€“$91.0M$65.0Mâ€“$75.0M$65.0Mâ€“$75.0M$4.7Mâ€“$6.2M$3.2Mâ€“$4.7MTotal143,000Â 285Â $112.9Mâ€“$122.9M$65.0Mâ€“$75.0M$65.0Mâ€“$75.0M$6.4M completion date represents the earlier of one year after completion of project construction or substantial occupancy of the property.(2)Estimated remaining NOI to come online excludes in-place NOI and NOI related to tenants that have signed leases but have not yet commenced paying rent.(3)The Company does not have any equity requirements related to this development. Excludes tenant reimbursements and ground lease revenue.Lease Activity â€“ New and RenewalDuring 2024, the Company executed new and renewal leases on 720 individual spaces totaling 5.0 million square feet (12.8% cash leasing spread on 542 comparable leases).Â New leases were signed on 204 individual spaces for 1.1 million square feet of GLA (31.9% cash leasing spread on 117 comparable leases), while non-option renewal leases were signed on 336 individual spaces for 1.6 million square feet of GLA (13.3% cash leasing spread on 245 comparable leases) and option renewals were signed on 180 individual spaces for 2.4 million square feet of GLA (6.7% cash leasing spread). The blended cash spread for comparable new and non-option renewal leases was 19.9%. Comparable new and renewal leases are defined as those for which the space was occupied by a tenant within the last 12 months.ITEM 3. LEGAL PROCEEDINGSWe are not subject to any material litigation, nor, to managementâ€™s knowledge, is any material litigation currently threatened against us. We are parties to routine litigation, claims, and administrative proceedings arising in the ordinary course of business.Â Management believes that such matters will not have a material adverse impact on our consolidated financial condition, results of operations or cash flows taken as a whole.ITEM 4. MINE SAFETY DISCLOSURESNot applicable.32Table of ContentsPART IIITEM 5. MARKET FOR REGISTRANTâ€™S COMMON EQUITY, RELATED SHAREHOLDER MATTERS AND ISSUER PURCHASES OF EQUITY SECURITIESMarket InformationOur common shares trade on the New York Stock Exchange (the â€œNYSEâ€) under the symbol â€œKRG.â€Â On FebruaryÂ 7, 2025, the closing price of our common shares on the NYSE was $23.54.HoldersOn FebruaryÂ 7, 2025, there were 8,932 registered holders of record of our common shares, which does not include beneficial or non-registered holders that hold their shares through various brokerage firms.Â This figure does not represent the actual number of beneficial owners of our common shares because our common shares are frequently held in â€œstreet nameâ€ by securities dealers and others for the benefit of beneficial owners who may vote the shares.Distributions, if any, will be declared and paid at the discretion of our Board of Trustees and will depend upon a number of factors, including the amount of cash generated by operating activities, our financial condition, capital requirements, the annual distribution requirements under the REIT provisions of the Code, and such other factors as our Board of Trustees deem relevant.Distributions by us to the extent of our current and accumulated earnings and profits for U.S. federal income tax purposes will be taxable to shareholders as either ordinary dividend income or capital gain income if so declared by us.Â Distributions in excess of taxable earnings and profits generally will be treated as a non-taxable return of capital.Â These distributions, to the extent they do not exceed the shareholderâ€™s adjusted tax basis in its common shares, have the effect of deferring taxation until the sale of a shareholderâ€™s common shares.Â To the extent that distributions are both in excess of taxable earnings and profits and the shareholderâ€™s adjusted tax basis in its common shares, the distribution will be treated as gain from the sale of common shares.Â In order to maintain our qualification as a REIT, we must make annual distributions to shareholders of at least 90% of our â€œREIT taxable incomeâ€ (determined before the deduction for dividends paid and excluding net capital gains), and we must make distributions to shareholders equal to 100% of our net taxable income to eliminate U.S. federal income tax liability.Â Under certain circumstances, we could be required to make distributions in excess of cash available for distributions in order to meet such requirements.Â For the taxable year ended DecemberÂ 31, 2024, approximately 96.4% of our distributions to shareholders constituted taxable ordinary income dividends and approximately 3.6% constituted taxable capital gains dividends.Under our Revolving Facility, we are permitted to make distributions to our shareholders provided that no event of default exists. If an event of default exists, we may only make distributions sufficient to maintain our REIT status.Â However, we may not make any distributions if any event of default resulting from nonpayment or bankruptcy exists or if our obligations under the Revolving Facility are accelerated.Issuer Repurchases; Unregistered Sales of SecuritiesFrom time to time, certain of our employees surrender common shares owned by them to satisfy their statutory minimum U.S. federal and state tax obligations associated with the vesting of restricted common shares of beneficial interest issued under the Companyâ€™s 2013 Equity Incentive Plan, as amended and restated as of May 11, 2022. These shares are repurchased by the Company. There were no shares of common stock surrendered or repurchased during the three months ended DecemberÂ 31, 2024.As of DecemberÂ 31, 2024, $300.0 million remains available for repurchases under the Companyâ€™s authorized Share Repurchase Program, which was announced in February 2021. In April 2022, the Companyâ€™s Board of Trustees increased the size of the program from $150.0 million to $300.0 million, and in January 2025, extended the program for an additional year. The program may be suspended or terminated at any time by the Company and will terminate on February 28, 2026, if not terminated or extended prior to that date.Issuances Under Equity Compensation PlansFor information regarding the securities authorized for issuance under our equity compensation plans, see Item 12 of this Annual Report on Form 10-K.Â 33Table of ContentsPerformance GraphNotwithstanding anything to the contrary set forth in any of our filings under the Securities Act or the Exchange Act that might incorporate SEC filings, in whole or in part, the following performance graph will not be incorporated by reference into any such filings.The following graph compares the cumulative total shareholder return of our common shares for the period from DecemberÂ 31, 2019 to DecemberÂ 31, 2024, to the S&P 500 Index and the published NAREIT All Equity REIT Index over the same period.Â The graph assumes that the value of the investment in our common shares and each index was $100 at DecemberÂ 31, 2019 and that all cash distributions were reinvested.Â The shareholder return shown on the graph below is not indicative of future performance.The actual returns shown on the graph above are as follows:Â 12/196/2012/206/2112/216/2212/226/2312/236/2412/24Kite Realty Group Trust$100.00Â $60.91Â $79.85Â $119.67Â $120.51Â $97.39Â $121.47Â $131.93Â $138.06Â $138.35Â $159.42Â S&P 500$100.00Â $96.92Â $118.40Â $136.46Â $152.39Â $121.97Â $124.79Â $145.87Â $157.59Â $181.69Â $197.02Â FTSE NAREIT Equity REITs$100.00Â $81.29Â $92.00Â $112.20Â $131.78Â $105.16Â $99.67Â $105.02Â $113.35Â $113.20Â $123.25Â ITEM 6. [RESERVED]34Table of ContentsITEM 7. MANAGEMENTâ€™S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONSThe following discussion should be read in conjunction with the accompanying audited consolidated financial statements and related notes thereto and Item 1A. â€œRisk Factorsâ€ appearing elsewhere in this Annual Report on Form 10-K. In this discussion, unless the context suggests otherwise, references to â€œour Company,â€ â€œwe,â€ â€œus,â€ and â€œourâ€ mean Kite Realty Group Trust and its direct and indirect subsidiaries, including Kite Realty Group, L.P.OverviewIn the following overview, we discuss, among other things, the status of our business and properties, the effect that current U.S. economic conditions are having on our retail tenants and us, and the current state of the financial markets and how it impacts our financing strategy.Our Business and PropertiesKite Realty Group Trust is a publicly held REIT that, through its majority-owned subsidiary, Kite Realty Group, L.P., owns interests in various operating subsidiaries and joint ventures engaged in the ownership, operation, acquisition, development, and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States.Â Following our merger with RPAI in 2021, we became a top-five open-air shopping center REIT based upon market capitalization. We derive our revenue primarily from the collection of contractual rents and reimbursement payments from tenants under existing lease agreements at each of our properties.Â Therefore, our operating results depend materially on, among other things, the ability of our tenants to make required lease payments, the health and resilience of the U.S. retail sector, interest rate volatility, stability in the banking sector, job growth, the real estate market, and overall economic conditions.As of DecemberÂ 31, 2024, we own interests in 179 operating retail properties totaling approximately 27.7 million square feet, excluding one operating retail property classified as held for sale as of DecemberÂ 31, 2024, and two office properties with 0.4 million square feet. Of the 179 operating retail properties, 10 contain an office component. We also own interests in two development projects under construction as of DecemberÂ 31, 2024 and an additional two properties with future redevelopment opportunities.InflationMany of our leases contain provisions designed to mitigate the adverse impact of inflation, including stated rent increases and requirements for tenants to pay a share of operating expenses, including common area maintenance, real estate taxes, insurance, or other operating expenses related to the maintenance of our properties, with escalation clauses in certain leases. Over the past two years, we have made significant progress in executing leases that include higher fixed-rent bumps while also including CPI-based, anti-gouging protection for tenants. However, the stated rent increases or limits on such tenantâ€™s obligation to pay its share of operating expenses could be lower than the increase in inflation at any given time. Inflation may also increase labor or other general and administrative expenses, which cannot be easily reduced.Historically, economic indicators such as GDP growth, consumer confidence, and employment have been correlated with demand for certain of our tenantsâ€™ products and services. If an economic recession returns, it could, among other impacts, increase the number of our tenants that are unable to meet their lease obligations to us and limit the demand from new tenants for space in our properties.Portfolio UpdateOver the past two years, demand for open-air retail real estate has been strong due to the limited availability of desirable retail space and limited new construction over the previous 15 years. As a result, in 2024 we experienced our highest annual leasing activity in the Companyâ€™s history with approximately 5.0 million square feet of leasing volume. Open-air centers are thriving for a variety of reasons, including their ability to function as last-mile fulfillment centers and their convenient and affordable nature for retailers and consumers. This includes conveniently located and easily accessible parking fields, lower operating costs as compared to other retail formats, and essential anchors that drive daily trips. In addition, the Companyâ€™s property types are particularly suited for retailersâ€™ current and evolving needs, including curbside pick-up and buying online and picking up in store (â€œBOPISâ€), which we believe will benefit from tenant demand for additional space. The strength of the Companyâ€™s real estate is further evidenced by our continued strong cash leasing spreads and ABR for the retail portfolio of $21.15 per square foot as of DecemberÂ 31, 2024.35Table of ContentsIn evaluating potential acquisition, development, and redevelopment opportunities, we look for strong sub-markets where average household income, educational attainment, population density, traffic counts, and daytime workforce populations are above the broader market average.Â We also focus on locations that are benefiting from current population migratory patterns, namely major cities in business-friendly states with no or relatively low income taxes and mild or temperate climates.Â In our largest sub-markets, household incomes are significantly higher, and state income taxes are relatively lower than the medians for the broader markets.In addition to targeting sub-markets with strong consumer demographics, we focus on having the most desirable tenant mix at each shopping center.Â We have aggressively targeted and executed leases with prominent grocers, including Lidl, Aldi, Whole Foods, Trader Joeâ€™s, Sprouts Farmers Market, and BJâ€™s Wholesale Club, expanding retailers such as Nordstrom Rack, Homesense, Ross Dress for Less, Burlington, Sierra, J.Crew Factory, and pOpshelf, service and restaurant retailers, and other retailers such as Ulta Beauty, REI, Five Below, L.L.Bean, and Total Wine & More.Â Additionally, we have identified cost-efficient ways to relocate, re-tenant, and renegotiate leases at several of our properties, which allows us to attract more suitable tenants.Capital and Financing ActivitiesIn 2024, we maintained a conservative balance sheet and ample liquidity to fund future growth. We ended 2024 with approximately $1.6 billion of combined cash and borrowing capacity on the Revolving Facility.Â In addition, as of DecemberÂ 31, 2024, we had $430.0 million of debt principal scheduled to mature through December 31, 2025, which we expect will be satisfied through a combination of proceeds from the Notes Due 2031 that were issued in August 2024, cash flows generated from operations, capital markets transactions, and borrowings on the Revolving Facility.The three investment-grade credit ratings we maintain provide us with access to the unsecured public bond market, which we may continue to use in the future to finance acquisitions, repay maturing debt, and fix interest rates.Results of OperationsAs of DecemberÂ 31, 2024, we own interests in 179 operating retail properties, excluding one operating retail property classified as held for sale as of DecemberÂ 31, 2024, two office properties, two development projects that are currently under construction, and two additional properties with future redevelopment opportunities. The following table sets forth the total operating properties and development projects we own as of DecemberÂ 31, 2024, 2023 and 2022:Number of Properties202420232022Operating retail properties(1)179Â 180Â 183Â Office properties2Â 1Â 1Â Active development and redevelopment projects2Â 2Â 3Â Future development and redevelopment opportunities2Â 2Â 1Â (1)Included within operating retail properties are 10, 10, and 11 properties that contain an office component as of DecemberÂ 31, 2024, 2023 and 2022, respectively.The comparability of results of operations for the year ended DecemberÂ 31, 2024 is affected by our development, redevelopment, and operating property acquisition and disposition activities between 2022 through 2024. Therefore, we believe it is most useful to review the comparisons of our results of operations for these years (as set forth below under â€œComparison of Operating Results for the Years Ended DecemberÂ 31, 2024 and 2023â€) in conjunction with the discussion of our activities during those periods, which is set forth below.36Table of ContentsAcquisitionsThe following operating properties were acquired during the years ended DecemberÂ 31, 2024, 2023 and 2022:Property NameMSAAcquisition DateGLAPebble MarketplaceLas VegasFebruary 16, 202285,796Â MacArthur Crossing two-tenant buildingDallas/Ft. The total number of properties in our portfolio was not affected by this transaction.In addition, during the year ended December 31, 2024, the joint venture that owned Glendale Center Apartments, of which we have an 11.5% ownership interest, sold the 267-unit property to a third party. Glendale Center Apartments is adjacent to our Glendale Town Center operating retail property in the Indianapolis MSA.37Table of ContentsDevelopment and Redevelopment ProjectsThe following properties were under active development or redevelopment at various times during the years ended DecemberÂ 31, 2024, 2023 and 2022 and removed from our operating portfolio:Project NameMSATransition toDevelopment or Redevelopment(1)Transition toOperating PortfolioGLAActive ProjectsThe Corner â€“ IN(2)IndianapolisDecember 2015Pending24,000Â One Loudoun Expansion(3)Washington, D.C.September 2024Pending119,000Â Future OpportunitiesHamilton Crossing Centre(2)(4)IndianapolisJune 2014Pending92,283Â Edwards Multiplex â€“ Ontario(2)Los AngelesMarch 2023Pending124,614Â Completed ProjectsEddy Street Commons â€“ Phase IIISouth Bend, INSeptember 2020March 202218,600Â Shoppes at QuarterfieldBaltimoreOctober 2021June 202258,000Â One Loudoun Downtown â€“ Pads G&HResidentialWashington, D.C.October 2021June 2022â€”Â Circle EastBaltimoreOctober 2021September 202282,000Â One Loudoun Downtown â€“ Pads G&HCommercialWashington, D.C.October 2021December 202267,000Â The Landing at Tradition â€“ Phase IIPort St. Lucie, FLSeptember 2021June 202339,900Â Carillon MOB(5)Washington, D.C.October 2021December 2024126,000Â (1)Transition date represents the date the property was transferred from our operating portfolio into redevelopment status. For legacy RPAI projects, the transition date represents the later of the date of the closing of the merger (October 2021) and the date the project was transferred into redevelopment status.(2)This property has been identified as a redevelopment property and is not included in the operating portfolio or the same property pool. The redevelopment projects at Hamilton Crossing Centre and The Corner â€“ IN will include the creation of a mixed-use development.(3)The property is comprised of the development project (which has been excluded from the Companyâ€™s same property pool due to the ongoing development) and the remaining retail operating portion of the property (which is included in the Companyâ€™s same property pool as of DecemberÂ 31, 2024).(4)Approximately half of the Hamilton Crossing site was sold in January 2022 to Republic Airways Inc. In addition to the sale, the Company entered into a development and construction management agreement for the development of a corporate campus for Republic Airways. Phase I of the corporate campus was completed in 2023.(5)This property is included in the office portfolio and is not included in the operating portfolio or the same property pool.In addition, during the year ended December 31, 2024, the Company disposed of the first phase of a land parcel and the rights to develop 24 residential units at One Loudoun Expansion in the Washington, D. C. MSA. The Company is under contract to sell the remaining land and the rights to develop an additional 54 residential units, which are expected to close in phases through 2026.38Table of ContentsComparison of Operating Results for the Years Ended DecemberÂ 31, 2024 and 2023The following table reflects changes in the components of our consolidated statements of operations for the years ended DecemberÂ 31, 2024 and 2023 (in thousands):Year Ended December 31,20242023ChangeRevenue:Â Â Â Rental income$826,548Â $810,146Â $16,402Â Other property-related revenue10,631Â 8,492Â 2,139Â Fee income4,663Â 4,366Â 297Â Total revenue841,842Â 823,004Â 18,838Â Expenses:Â Â Â Property operating113,601Â 107,958Â 5,643Â Real estate taxes103,893Â 102,426Â 1,467Â General, administrative and other52,558Â 56,142Â (3,584)Depreciation and amortization393,335Â 426,361Â (33,026)Impairment charges66,201Â 477Â 65,724Â Total expenses729,588Â 693,364Â 36,224Â (Loss) gain on sales of operating properties, net(864)22,601Â (23,465)Operating income111,390Â 152,241Â (40,851)Other (expense) income:Interest expense(125,691)(105,349)(20,342)Income tax expense of taxable REIT subsidiary(139)(533)394Â Loss on extinguishment of debt(180)â€”Â (180)Equity in (loss) earnings of unconsolidated subsidiaries(1,158)33Â (1,191)Gain on sale of unconsolidated property, net2,325Â â€”Â 2,325Â Other income, net17,869Â 1,991Â 15,878Â Net income4,416Â 48,383Â (43,967)Net income attributable to noncontrolling interests(345)(885)540Â Net income attributable to common shareholders$4,071Â $47,498Â $(43,427)Property operating expense to total revenue ratio13.5Â %13.1Â %Rental income (including tenant reimbursements) increased $16.4 million, or 2.0%, due to the following (in thousands):Net ChangeYear EndedDecember 31, 2023 to 2024Properties or components of properties sold or held for sale during 2023 and/or 2024$(14,039)Properties under redevelopment or acquired during 2023 and/or 20247,677Â Properties fully operational during 2023 and 2024 and other22,764Â Total$16,402Â The net increase of $22.8 million in rental income for properties that were fully operational during 2023 and 2024 is primarily due to increases in the following: (i) base minimum rent of $13.5 million due to changes via contractual rate increases and leasing spreads, (ii) tenant reimbursements of $11.1 million due to higher recoverable common area maintenance expenses, and (iii) ancillary income of $0.5 million. These variances were partially offset by an increase in bad debt expense of $1.3 million and decreases in lease termination income of $0.6 million and overage rent of $0.4 million. The occupancy of the fully operational properties decreased from 92.0% for 2023 to 91.6% for 2024.We continued to experience strong leasing volumes in 2024 and generate higher base rent on new leases and renewals. The average base rents for new comparable leases signed in 2024 was $27.29 per square foot compared to average expiring base 39Table of Contentsrents of $20.69 per square foot in that period. The average base rents for renewals signed in 2024 was $17.27 per square foot compared to average expiring base rents of $16.19 per square foot in that period. For the entire portfolio, the spread between leased and occupied square footage is approximately 240 basis points and represents approximately $27.3 million of NOI, the majority of which is expected to come online in 2025. In addition, the ABR per square foot of our operating retail portfolio continued to improve, as it increased to $21.15 per square foot as of DecemberÂ 31, 2024 from $20.70 per square foot as of DecemberÂ 31, 2023.Other property-related revenue primarily consists of parking revenues, gains on the sale of land, and other miscellaneous activity.Â This revenue increased by $2.1 million primarily as a result of higher gains on sales of land of $2.7 million recognized during the year ended DecemberÂ 31, 2024, partially offset by decreases in miscellaneous income of $0.5 million and parking revenue of $0.1 million.We recorded fee income of $4.7 million and $4.4 million during the years ended DecemberÂ 31, 2024 and 2023, respectively, from property management and development services provided to third parties and unconsolidated joint ventures. The increase in fee income is primarily related to development fees earned related to the development of a hotel on the Pan Am Plaza site during 2024, partially offset by a decrease in development fees earned related to the development of a corporate campus for Republic Airways at Hamilton Crossing Centre in 2024 due to the completion of Phase I of the corporate campus in 2023.Property operating expenses increased $5.6 million, or 5.2%, due to the following (in thousands):Net ChangeYear EndedDecember 31, 2023 to 2024Properties or components of properties sold or held for sale during 2023 and/or 2024$(3,407)Properties under redevelopment or acquired during 2023 and/or 2024838Â Properties fully operational during 2023 and 2024 and other8,212Â Total$5,643Â The net increase of $8.2 million in property operating expenses for properties that were fully operational during 2023 and 2024 is primarily due to increases in the following: (i) $4.8 million in insurance expenses, (ii) $2.5 million in landscaping and repairs and maintenance expenses, (iii) $0.8 million in non-recoverable operating expenses, the majority of which relates to vacancies caused by retailer bankruptcies, and (iv) $0.3 million in security expenses. These variances were partially offset by a decrease in utilities of $0.3 million. As a percentage of revenue, property operating expenses increased from 13.1% to 13.5% primarily due to an increase in expenses in 2024.Real estate taxes increased $1.5 million, or 1.4%, due to the following (in thousands):Net ChangeYear EndedDecember 31, 2023 to 2024Properties or components of properties sold or held for sale during 2023 and/or 2024$(1,880)Properties under redevelopment or acquired during 2023 and/or 2024732Â Properties fully operational during 2023 and 2024 and other2,615Â Total$1,467Â The net increase of $2.6 million in real estate taxes for properties that were fully operational during 2023 and 2024 is primarily due to higher real estate tax assessments at certain properties in the portfolio in 2024, most notably for certain of our Illinois and Indiana properties, and higher real estate tax consulting fees, partially offset by higher capitalized real estate tax expenses related to signed leases at certain properties in the portfolio in 2024. The majority of real estate tax expenses are recoverable from tenants and such recovery is reflected within â€œRental incomeâ€ in the accompanying consolidated statements of operations and comprehensive income.General, administrative and other expenses decreased $3.6 million, or 6.4%, primarily due to lower compensation expenses and a decrease in consulting fees in 2024, partially offset by higher marketing expenses.40Table of ContentsDepreciation and amortization expense decreased $33.0 million, or 7.7%, due to the following (in thousands):Net ChangeYear EndedDecember 31, 2023 to 2024Properties or components of properties sold or held for sale during 2023 and/or 2024$(11,135)Properties under redevelopment or acquired during 2023 and/or 20244,831Â Properties fully operational during 2023 and 2024 and other(26,722)Total$(33,026)The net increase of $4.8 million in depreciation and amortization at properties under redevelopment or acquired during 2023 and/or 2024 is primarily due to the acquisitions of Prestonwood Place in September 2023 and Parkside West Cobb in August 2024 along with the reclassification of Edwards Multiplex â€“ Ontario into redevelopment in March 2023 and depreciation and amortization recorded for Carillon medical office building through December 2024. The net decrease of $26.7Â million in depreciation and amortization at properties that were fully operational during 2023 and 2024 is primarily due to the timing of placing assets in service and writing-off tenant-related assets as a result of tenant move-outs along with certain assets acquired in the October 2021 merger with RPAI that became fully depreciated during the year.Based on a reduction in the expected future hold period (see Note 4 to the accompanying consolidated financial statements), we recorded a $66.2 million impairment charge during the year ended December 31, 2024 related to City Center, a retail operating property in the New York MSA that is classified as held for sale as of December 31, 2024. During the year ended December 31, 2023, we recorded a $0.5 million impairment charge on Eastside, a retail operating property in the Dallas/Ft. Worth MSA that was sold on October 24, 2023.We recorded a net loss on sales of operating properties of $0.9 million for the year ended DecemberÂ 31, 2024 primarily on the sale of Ashland & Roosevelt, which loss was offset by the receipt of a $0.6 million escrow related to the sale of Reisterstown Road Plaza that previously closed on September 11, 2023. During the year ended DecemberÂ 31, 2023, we recorded a net gain on sales of operating properties of $22.6 million on the sale of Kingwood Commons, the undeveloped land and related parking garage at Pan Am Plaza, Reisterstown Road Plaza, and Eastside.Interest expense increased $20.3 million, or 19.3%, primarily due to interest on the Notes Due 2034 and the Notes Due 2031, which were issued in 2024, partially offset by favorable interest rate swaps.The $2.3 million gain on sale of unconsolidated property represents our share of the gain on the sale of Glendale Center Apartments recognized during the year ended December 31, 2024. No such gain was recorded during the year ended December 31, 2023.Other income, net increased $15.9 million primarily due to interest income earned on the proceeds from the Notes Due 2034 and the Notes Due 2031, which were invested in short-term deposits at various points during the year ended December 31, 2024.Managementâ€™s discussion of the financial condition, changes in financial condition and results of operations for the year ended DecemberÂ 31, 2023, with comparison to the year ended DecemberÂ 31, 2022, was included in Item 7. â€œManagementâ€™s Discussion and Analysis of Financial Condition and Results of Operationsâ€ of our Annual Report on Form 10-K for the year ended December 31, 2023.Â Net Operating Income and Same Property Net Operating IncomeWe use property net operating income (â€œNOIâ€), a non-GAAP financial measure, to evaluate the performance of our properties. We define NOI as income from our real estate, including lease termination fees received from tenants, less our property operating expenses. NOI excludes amortization of capitalized tenant improvement costs and leasing commissions and certain corporate-level expenses, including merger and acquisition costs. We believe that NOI is helpful to investors as a measure of our operating performance because it excludes various items included in net income that do not relate to or are not indicative of our operating performance, such as depreciation and amortization, interest expense, and impairment, if any.We also use same property NOI (â€œSame Property NOIâ€), a non-GAAP financial measure, to evaluate the performance of our properties. Same Property NOI is net income excluding properties that have not been owned for the full periods presented. Same Property NOI also excludes (i) net gains from outlot sales, (ii) straight-line rent revenue, (iii) lease termination income in 41Table of Contentsexcess of lost rent, (iv) amortization of lease intangibles, and (v) significant prior period expense recoveries and adjustments, if any. When we receive payments in excess of any accounts receivable for terminating a lease, Same Property NOI will include such excess payments as monthly rent until the earlier of the expiration of 12 months or the start date of a replacement tenant. We believe that Same Property NOI is helpful to investors as a measure of our operating performance because it includes only the NOI of properties that have been owned for the full periods presented. We believe such presentation eliminates disparities in net income due to the acquisition or disposition of properties during the particular periods presented and thus provides a more consistent metric for the comparison of our properties. Same Property NOI includes the results of properties that have been owned for the entire current and prior year reporting periods.NOI and Same Property NOI should not, however, be considered as an alternative to net income (calculated in accordance with GAAP) as an indicator of our financial performance. Our computation of NOI and Same Property NOI may differ from the methodology used by other REITs and, therefore, may not be comparable to such other REITs.When evaluating the properties that are included in the Same Property Pool, we have established specific criteria for determining the inclusion of properties acquired or those recently under development. An acquired property is included in the Same Property Pool when there is a full quarter of operations in both years subsequent to the acquisition date. Development and redevelopment properties are included in the Same Property Pool four full quarters after the properties have been transferred to the operating portfolio. A redevelopment property is first excluded from the Same Property Pool when the execution of a redevelopment plan is likely, and we (a) begin recapturing space from tenants or (b) the contemplated plan significantly impacts the operations of the property.For the year ended DecemberÂ 31, 2024, the Same Property Pool excludes the following:â€¢properties acquired or placed in service during 2023 and 2024;â€¢The Landing at Tradition â€“ Phase II, which was reclassified from active redevelopment into our operating portfolio in June 2023;â€¢our active development and redevelopment projects at The Corner â€“ IN and One Loudoun Expansion;â€¢Hamilton Crossing Centre and Edwards Multiplex â€“ Ontario, which were reclassified from our operating portfolio into redevelopment in June 2014 and March 2023, respectively;â€¢properties sold or classified as held for sale during 2023 and 2024; andâ€¢office properties, including Carillon medical office building, which was reclassified from active redevelopment into our office portfolio in December 2024.42Table of ContentsThe following table presents Same Property NOI and a reconciliation to net income attributable to common shareholders for the years ended DecemberÂ 31, 2024 and 2023 (unaudited) (dollars in thousands):Year Ended December 31,20242023ChangeNumber of properties in Same Property Pool for the period(1)177Â 177Â Leased percentage at period end95.0Â %94.2Â %Economic occupancy percentage at period end92.5Â %91.3Â %Economic occupancy percentage(2)91.6Â %92.0Â %Same Property NOI$578,823Â $561,791Â 3.0Â %Reconciliation of Same Property NOI to mostdirectly comparable GAAP measure:Net operating income â€“ same properties$578,823Â $561,791Â Net operating income â€“ non-same activity(3)40,862Â 46,463Â Total property NOI619,685Â 608,254Â 1.9Â %Other income, net21,235Â 5,857Â General, administrative and other(52,558)(56,142)Loss on extinguishment of debt(180)â€”Â Impairment charges(66,201)(477)Depreciation and amortization(393,335)(426,361)Interest expense(125,691)(105,349)(Loss) gain on sales of operating properties, net(864)22,601Â Gain on sale of unconsolidated property, net2,325Â â€”Â Net income attributable to noncontrolling interests(345)(885)Net income attributable to common shareholders$4,071Â $47,498Â (1)Same Property NOI excludes the following: (i) properties acquired or placed in service during 2023 and 2024; (ii) The Landing at Tradition â€“ Phase II, which was reclassified from active redevelopment into our operating portfolio in June 2023; (iii) our active development and redevelopment projects at The Corner â€“ IN and One Loudoun Expansion; (iv) Hamilton Crossing Centre and Edwards Multiplex â€“ Ontario, which were reclassified from our operating portfolio into redevelopment in June 2014 and March 2023, respectively; (v) properties sold or classified as held for sale during 2023 and 2024; and (vi) office properties, including Carillon medical office building, which was reclassified from active redevelopment into our office portfolio in December 2024.(2)Excludes leases that are signed but for which tenants have not yet commenced the payment of cash rent; calculated as a weighted average based on the timing of cash rent commencement and expiration during the period.(3)Includes non-cash activity across the portfolio as well as NOI from properties not included in the Same Property Pool, including properties sold during both periods.Our Same Property NOI increased 3.0% in 2024 compared to 2023 primarily due to contractual rent growth, higher base rent driven by positive new and renewal leasing spreads, and an increase in specialty leasing income from certain tenants, partially offset by higher bad debt expense.Funds From OperationsFunds from Operations (â€œFFOâ€) is a widely used performance measure for real estate companies and is provided here as a supplemental measure of our operating performance. We calculate FFO, a non-GAAP financial measure, in accordance with the best practices described in the April 2002 National Policy Bulletin of the National Association of Real Estate Investment Trusts (â€œNAREITâ€), as restated in 2018. The NAREIT white paper defines FFO as net income (calculated in accordance with GAAP), excluding (i) depreciation and amortization related to real estate, (ii) gains and losses from the sale of certain real estate assets, (iii) gains and losses from change in control, and (iv) impairment write-downs of certain real estate assets and investments in entities when the impairment is directly attributable to decreases in the value of depreciable real estate held by the entity.Considering the nature of our business as a real estate owner and operator, the Company believes that FFO is helpful to investors in measuring our operational performance because it excludes various items included in net

income that do not relate to or are not indicative of our operating performance, such as gains or losses from sales of depreciated property and 43Table of Contentsdepreciation and amortization, which can make periodic and peer analyses of operating performance more difficult. FFO (a) should not be considered as an alternative to net income (calculated in accordance with GAAP) for the purpose of measuring our financial performance, (b) is not an alternative to cash flows from operating activities (calculated in accordance with GAAP) as a measure of our liquidity, and (c) is not indicative of funds available to satisfy our cash needs, including our ability to make distributions. Our computation of FFO may not be comparable to FFO reported by other REITs that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do.From time to time, the Company may report or provide guidance with respect to â€œFFO, as adjusted,â€ which removes the impact of certain non-recurring and non-operating transactions or other items the Company does not consider to be representative of its core operating results including, without limitation, (i) gains or losses associated with the early extinguishment of debt, (ii) gains or losses associated with litigation involving the Company that is not in the normal course of business, (iii) merger and acquisition costs, (iv) the impact on earnings from employee severance, (v) the excess of redemption value over carrying value of preferred stock redemption, and (vi) the impact of prior period bad debt or the collection of accounts receivable previously written off (â€œprior period collection impactâ€) due to the recovery from the COVID-19 pandemic, which are not otherwise adjusted in the Companyâ€™s calculation of FFO.Core Funds From Operations (â€œCore FFOâ€) is a non-GAAP financial measure of operating performance that modifies FFO for certain non-cash transactions that result in recording income or expense and impact the Companyâ€™s period-over-period performance, including (i) amortization of deferred financing costs, (ii) non-cash compensation expense and other, (iii) straight-line rent related to minimum rent and common area maintenance, (iv) market rent amortization income, and (v) amortization of debt discounts, premiums and hedge instruments. The Company believes that Core FFO is useful to investors in evaluating the core cash flow-generating operations of the Company by adjusting for items that we do not consider to be part of our core business operations, allowing for comparison of core operating performance of the Company between periods. Core FFO should not be considered as an alternative to net income as an indicator of the Companyâ€™s performance or as an alternative to cash flow as a measure of liquidity or the Companyâ€™s ability to make distributions. The Companyâ€™s computation of Core FFO may differ from the methodology for calculating Core FFO used by other REITs, and therefore, may not be comparable to such other REITs.44Table of ContentsOur calculations of FFO and reconciliations to net income (loss), FFO, as adjusted, and Core FFO for the years ended DecemberÂ 31, 2024, 2023 and 2022 (unaudited) are as follows (dollars in thousands):Year Ended December 31,202420232022Net income (loss)$4,416Â $48,383Â $(12,154)Less: net income attributable to noncontrolling interests in properties(280)(257)(623)Add/less: loss (gain) on sales of operating properties, net864Â (22,601)(27,069)Less: gain on sale of unconsolidated property, net(2,325)â€”Â â€”Â Add: impairment charges66,201Â 477Â â€”Â Add: depreciation and amortization of consolidated andunconsolidated entities, net of noncontrolling interests394,847Â 427,335Â 471,086Â FFO of the Operating Partnership(1)463,723Â 453,337Â 431,240Â Less: Limited Partnersâ€™ interests in FFO(7,889)(6,447)(5,395)FFO attributable to common shareholders(1)$455,834Â $446,890Â $425,845Â FFO per share of the Operating Partnership â€“ diluted$2.07Â $2.03Â $1.94Â FFO of the Operating Partnership(1)$463,723Â $453,337Â $431,240Â Add: merger and acquisition costsâ€”Â â€”Â 925Â Less: prior period collection impactâ€”Â â€”Â (2,556)FFO, as adjusted, of the Operating Partnership$463,723Â $453,337Â $429,609Â FFO, as adjusted, per share of the Operating Partnership â€“ diluted$2.07Â $2.03Â $1.93Â FFO, as adjusted, of the Operating Partnership(1)$463,723Â $453,337Â $429,609Â Add:Â Â Amortization of deferred financing costs4,650Â 3,609Â 3,163Â Â Â Non-cash compensation expense and other11,276Â 11,063Â 10,897Â Less:Â Â Straight-line rent â€“ minimum rent and common area maintenance12,085Â 11,820Â 16,660Â Â Â Market rent amortization income10,082Â 12,117Â 4,826Â Â Â Amortization of debt discounts, premiums and hedge instruments13,592Â 19,503Â 20,140Â Core FFO of the Operating Partnership$443,890Â $424,569Â $402,043Â Core FFO per share of the Operating Partnership â€“ diluted$1.99Â $1.90Â $1.93Â (1)â€œFFO of the Operating Partnershipâ€ measures 100% of the operating performance of the Operating Partnershipâ€™s real estate properties. â€œFFO attributable to common shareholdersâ€ reflects a reduction for the redeemable noncontrolling weighted average diluted interest in the Operating Partnership.Earnings before Interest, Taxes, Depreciation, and Amortization (â€œEBITDAâ€)We define EBITDA, a non-GAAP financial measure, as net income before interest expense, income tax expense of the TRSs, and depreciation and amortization. For informational purposes, we also provide Adjusted EBITDA, which we define as EBITDA less (i) EBITDA from unconsolidated entities, as adjusted, (ii) gains on sales of operating properties or impairment charges, (iii) merger and acquisition costs, (iv) other income and expense, (v) noncontrolling interest Adjusted EBITDA, and (vi) other non-recurring activity or items impacting comparability from period to period. Annualized Adjusted EBITDA is Adjusted EBITDA for the most recent quarter multiplied by four. Net Debt to Adjusted EBITDA is our share of net debt divided by Annualized Adjusted EBITDA. EBITDA, Adjusted EBITDA, Annualized Adjusted EBITDA, and Net Debt to Adjusted EBITDA, as calculated by us, are not comparable to EBITDA and EBITDA-related measures reported by other REITs that do not define EBITDA and EBITDA-related measures exactly as we do. EBITDA, Adjusted EBITDA, and Annualized Adjusted EBITDA do not represent cash generated from operating activities in accordance with GAAP and should not be considered alternatives to net income as an indicator of performance or as alternatives to cash flows from operating activities as an indicator of liquidity.45Table of ContentsConsidering the nature of our business as a real estate owner and operator, we believe that EBITDA, Adjusted EBITDA, and the ratio of Net Debt to Adjusted EBITDA are helpful to investors in measuring our operational performance because they exclude various items included in net income that do not relate to or are not indicative of our operating performance, such as gains or losses from sales of depreciated property and depreciation and amortization, which can make periodic and peer analyses of operating performance more difficult. For informational purposes, we also provide Annualized Adjusted EBITDA, adjusted as described above. We believe this supplemental information provides a meaningful measure of our operating performance. We believe presenting EBITDA and the related measures in this manner allows investors and other interested parties to formÂ a more meaningful assessment of our operating results.The following table presents a reconciliation of our EBITDA, Adjusted EBITDA, and Annualized Adjusted EBITDA to net income (the most directly comparable GAAP measure) and a calculation of Net Debt to Adjusted EBITDA (in thousands):Three Months EndedDecember 31, 2024Net income$22,230Â Depreciation and amortization97,009Â Interest expense32,706Â Income tax benefit of taxable REIT subsidiaries(186)EBITDA151,759Â Unconsolidated EBITDA, as adjusted1,134Â Loss on extinguishment of debt180Â Other income and expense, net(5,618)Noncontrolling interests(210)Adjusted EBITDA147,245Â Annualized Adjusted EBITDA(1)$588,980Â Company share of Net Debt:Â Mortgage and other indebtedness, net$3,226,930Â Add: Company share of unconsolidated joint venture debt44,569Â Add: debt discounts, premiums and issuance costs, net1,255Â Less: Partner share of consolidated joint venture debt(2)(9,801)Companyâ€™s consolidated debt and share of unconsolidated debt3,262,953Â Less: cash, cash equivalents, restricted cash and short-term deposits(485,280)Company share of Net Debt$2,777,673Â Net Debt to Adjusted EBITDA4.7x(1)Represents Adjusted EBITDA for the three months ended DecemberÂ 31, 2024 (as shown in the table above) multiplied by four.(2)Partner share of consolidated joint venture debt is calculated based upon the partnerâ€™s pro rata ownership of the joint venture, multiplied by the related secured debt balance.Liquidity and Capital ResourcesOverviewOur primary finance and capital strategy is to maintain a strong balance sheet with sufficient flexibility to fund our operating and investment activities in a cost-effective manner. We consider a number of factors when evaluating our level of indebtedness and making decisions regarding additional borrowings or equity offerings, including the interest or dividend rate, the maturity date and the Companyâ€™s debt maturity ladder, the impact of financial metrics such as overall Company leverage levels and coverage ratios, and the Companyâ€™s ability to generate cash flow to cover debt service. We continuously monitor the capital markets and may consider raising additional capital through the issuance of our common or preferred shares, unsecured debt securities, or other securities.As of DecemberÂ 31, 2024, we had approximately $128.1 million in cash and cash equivalents on hand, $5.3 million in restricted cash and escrow deposits, $350.0 million in short-term deposits, and $1.1 billion of remaining availability under the Revolving Facility compared to $430.0 million of debt maturities due in 2025. During the year ended DecemberÂ 31, 2024, we completed (i) a public offering of the Notes Due 2034, the proceeds of which were used to satisfy all 2024 debt maturities and 46Table of Contentsfor general corporate purposes, and (ii) a public offering of the Notes Due 2031, the proceeds of which are currently invested in short-term deposits that will be used to repay the $350.0 million principal balance of the 4.00% senior unsecured notes due March 2025. We believe we will have adequate liquidity over the next 12 months and beyond to operate our business and meet our cash requirements.We derive the majority of our revenue from tenants who lease space from us under existing lease agreements at each of our properties. Therefore, our ability to generate cash from operations is dependent upon the rents that we are able to charge and collect from our tenants. While we believe that the nature of the properties in which we typically investâ€”primarily neighborhood and community shopping centersâ€”provides a relatively stable revenue flow, an economic downturn, instability in the banking sector, tenant bankruptcies, inflation, labor shortages, supply chain constraints, severe weather events, and/or increasing energy prices and interest rates, among other events, could adversely affect the ability of some of our tenants to meet their lease obligations.Our Principal Capital ResourcesFor a discussion of cash generated from operations, see â€œCash Flowsâ€ beginning on page 49.Â In addition to cash generated from operations, our other principal capital resources are discussed below.Over the last several years, we have made substantial progress in enhancing our liquidity position and reducing our leverage and borrowing costs. We continue to focus on a balanced approach to growth and staggering debt maturities in order to retain our financial flexibility.As of DecemberÂ 31, 2024, we had approximately $1.1 billion available under the Revolving Facility for future borrowings. We also had $478.1 million in cash, cash equivalents and short-term deposits as of DecemberÂ 31, 2024.We were in compliance with all applicable financial covenants under the Revolving Facility, unsecured term loans and senior unsecured notes as of DecemberÂ 31, 2024.On June 7, 2024, the Company filed with the SEC a new shelf registration statement on Form S-3, which is effective for a term of three years, relating to the offer and sale, from time to time, of an indeterminate amount of equity and debt securities. Equity securities may be offered and sold by the Parent Company, and the net proceeds of any such offerings would be contributed to the Operating Partnership in exchange for additional General Partner Units. Debt securities may be offered and sold by the Operating Partnership with the Operating Partnership receiving the proceeds. From time to time, we may issue securities under this shelf registration statement for general corporate purposes, which may include acquisitions of additional properties, repayment of outstanding indebtedness, capital expenditures, the expansion, redevelopment, and/or improvement of properties in our portfolio, working capital, and other general purposes.In the future, we will continue to monitor the capital markets and may consider raising additional capital through the issuance of our common shares, preferred shares, or other securities. We may also raise capital by disposing of properties, land parcels, or other assets that are no longer core components of our growth strategy.Â The sales price may differ from our carrying value at the time of sale.Our Principal Liquidity NeedsShort-Term Liquidity NeedsNear-Term Debt Maturities. As of DecemberÂ 31, 2024, we have no secured debt, excluding scheduled monthly principal payments, and $430.0 million of unsecured debt scheduled to mature in 2025. We believe we have sufficient liquidity to repay this obligation through a combination of proceeds from the Notes Due 2031, cash flows generated from operations, capital markets transactions, and borrowings on the Revolving Facility.Other Short-Term Liquidity Needs.Â The requirements for qualifying as a REIT and for a tax deduction for some or all of the dividends paid to shareholders necessitate that we distribute at least 90% of our taxable income on an annual basis. Such requirements cause us to have substantial liquidity needs over both the short and long term. Our short-term liquidity needs consist primarily of funds necessary to pay operating expenses associated with our operating properties, scheduled interest and principal payments on our debt of approximately $140 million and $5.2 million, respectively, in 2025, expected dividend payments to our common shareholders and common unit holders, and recurring capital expenditures.Â In February 2025, our Board of Trustees declared a cash distribution of $0.27 per common share and Common Unit for the first quarter of 2025, which is expected to be paid on April 16, 2025 to common shareholders and common unit holders of 47Table of Contentsrecord as of April 9, 2025. Future distributions, if any, are at the discretion of the Board of Trustees, who will continue to evaluate our sources and uses of capital, liquidity position, operating fundamentals, maintenance of our REIT qualification, and other factors they may deem relevant. We believe we have sufficient liquidity to pay any dividend from available cash on hand and borrowings on the Revolving Facility.Other short-term liquidity needs include expenditures for tenant improvements, external leasing commissions, and recurring capital expenditures. During the year ended DecemberÂ 31, 2024, we incurred $25.8 million for recurring capital expenditures on operating properties and $90.9 million for tenant improvements and external leasing commissions, which includes costs to re-lease anchor space at our operating properties related to tenants open and operating as of DecemberÂ 31, 2024 (excluding development and redevelopment properties). We currently anticipate incurring approximately $120 million of additional major tenant improvement costs related to executed leases for tenants not yet open at a number of our operating properties over the next 12 to 24 months. We believe we have the ability to fund these costs through cash flows from operations or borrowings on the Revolving Facility.During the year ended DecemberÂ 31, 2024, we began development activities on the retail and office portions of the expansion project at One Loudoun Downtown (the â€œOne Loudoun Expansionâ€), our mixed-use lifestyle center in the Washington, D.C. MSA. We also completed the major redevelopment construction activities at Carillon medical office building in 2023 and reclassified the property from active redevelopment into our office portfolio in December 2024. In addition to the One Loudoun Expansion, as of DecemberÂ 31, 2024, we had a development project under construction at The Corner â€“ IN. Our share of the total estimated costs for the two active projects is approximately $112.9Â million to $122.9Â million, of which our share of the expected funding requirement is approximately $65.0 million to $75.0Â million.Â As of DecemberÂ 31, 2024, we have not incurred any of these costs. We anticipate incurring the majority of the costs for these projects over the next 12 to 24 months and believe we have the ability to fund these projects through cash flows from operations or borrowings on the Revolving Facility.Share Repurchase ProgramIn February 2021, our Board of Trustees approved a share repurchase program under which the Company may repurchase, from time to time, up to an aggregate of $150.0 million of its common shares. In April 2022, our Board of Trustees authorized a $150.0Â million increase to the size of the share repurchase program, authorizing share repurchases up to a maximum of $300.0Â million of its common shares (the â€œShare Repurchase Programâ€). The Company intends to fund any future repurchases under the Share Repurchase Program with available cash on hand or availability under the Revolving Facility, subject to any applicable restrictions. The timing of share repurchases and the number of common shares to be repurchased under the Share Repurchase Program will depend upon prevailing market conditions, regulatory requirements, and other factors. In January 2025, the Company extended the Share Repurchase Program for an additional year to February 28, 2026, if not terminated or extended prior to that date. As of DecemberÂ 31, 2024, the Company has not repurchased any shares under the Share Repurchase Program.Long-Term Liquidity NeedsOur long-term liquidity needs consist primarily of funds necessary to pay for any new development projects, redevelopment of existing properties, non-recurring capital expenditures, acquisitions of properties, payment of indebtedness at maturity, and obligations under ground leases.Selective Acquisitions, Developments and Joint Ventures. We may selectively pursue the acquisition, development, and redevelopment of other properties, which would require additional capital.Â It is unlikely that we would have sufficient funds on hand to meet these long-term capital requirements; therefore, we would have to satisfy these needs through additional borrowings, sales of common or preferred shares, issuance of Operating Partnership units, cash generated through property dispositions, and/or participation in joint venture arrangements.Â We cannot be certain that we would have access to these sources of capital on satisfactory terms, if at all, to fund our long-term liquidity requirements.Â We evaluate all future opportunities against pre-established criteria, including, but not limited to, location, demographics, expected return, tenant credit quality, tenant relationships, and the amount of existing retail space.Â Our ability to access the capital markets will depend on a number of factors, including general capital market conditions.Potential Debt Repurchases. We may, from time to time, depending on market conditions and prices, contractual restrictions, our financial liquidity, and other factors, seek to repurchase our senior unsecured notes maturing at various dates through March 2034 in open market transactions, by tender offer, or otherwise, as market conditions warrant.48Table of ContentsCommitments under Ground Leases. We are obligated under 12 ground leases for approximately 98 acres of land as of DecemberÂ 31, 2024. Most of these ground leases require fixed annual rent payments,Â and the expiration dates of the remaining initial terms of these ground leases range from 2025 to 2092. Assuming we exercise all available options to extend the terms of our ground leases, our ground leases will expire between 2045 and 2115.Capital Expenditures on Consolidated PropertiesThe following table summarizes cash capital expenditures for our development and redevelopment projects and other capital expenditures for the year ended DecemberÂ 31, 2024 (in thousands):Year EndedDecemberÂ 31, 2024Active development and redevelopment projects$12,827Â Recurring operating capital expenditures (primarily tenant improvements) and other128,122Â Total$140,949Â We capitalize certain indirect costs, such as interest, payroll, and other general and administrative costs related to these development activities.Â If we had experienced a 10% reduction in development and redevelopment activities without a corresponding decrease in indirect project costs, we would have recorded additional expenses of $0.4 million for the year ended DecemberÂ 31, 2024.Impact of Changes in Credit Ratings on Our LiquidityWe have received investment-grade corporate credit ratings from three nationally recognized credit rating agencies. During the year ended December 31, 2024, we received a credit rating upgrade with a stable outlook from two of the rating agencies and a positive credit rating outlook from the third rating agency.In the future, these ratings could change based upon,

among other things, the impact that prevailing economic conditions may have on our results of operations and financial condition. Credit rating reductions by one or more rating agencies could also adversely affect our access to funding sources, the cost and other terms of obtaining funding, as well as our overall financial condition, operating results and cash flow.Cash FlowsAs of DecemberÂ 31, 2024, we had cash, cash equivalents and restricted cash of $133.6 million. We may be subject to concentrations of credit risk with regard to our cash and cash equivalents.Â We place our cash and short-term investments with highly rated financial institutions.Â While we attempt to limit our exposure at any point in time, occasionally such cash and investments may temporarily exceed the Federal Deposit Insurance Corporation (â€œFDICâ€) and the Securities Investor Protection Corporation (â€œSIPCâ€) insurance limits.Â We also maintain certain compensating balances in several financial institutions in support of borrowings from those institutions.Â Such compensating balances were not material to the accompanying consolidated balance sheets.Comparison of the Year Ended DecemberÂ 31, 2024 to the Year Ended DecemberÂ 31, 2023The following table summarizes our cash flow activities (in thousands):Year Ended December 31,20242023ChangeNet cash provided by operating activities$419,028Â $394,648Â $24,380Â Net cash used in investing activities(498,991)(81,731)(417,260)Net cash provided by (used in) financing activities172,085Â (393,457)565,542Â Increase (decrease) in cash, cash equivalents and restricted cash92,122Â (80,540)172,662Â Cash, cash equivalents and restricted cash, at beginning of year41,430Â 121,970Â Cash, cash equivalents and restricted cash, at end of year$133,552Â $41,430Â Cash provided by operating activities was $419.0Â million for the year ended DecemberÂ 31, 2024 and $394.6Â million for the same period of 2023.Â The cash flows were positively impacted by an increase in net operating income and interest income received from the short-term certificates of deposit.49Table of ContentsCash used in investing activities was $499.0Â million for the year ended DecemberÂ 31, 2024 and $81.7Â million for the same period of 2023.Â Highlights of significant cash sources and uses in investing activities are as follows:â€¢We invested $615.0 million of proceeds from the Notes Due 2034 and the Notes Due 2031 in short-term certificates of deposit in 2024 and received $265.0 million in principal upon maturity of the certificates of deposit that matured in June and July 2024;â€¢We acquired Parkside West Cobb in 2024 and made an acquisition deposit related to the purchase of Village Commons for $40.6Â million compared to the acquisition of Prestonwood Place for $78.3Â million in 2023;â€¢We received net proceeds of $43.6Â million from the sale of Ashland & Roosevelt, six parcels of land, and the receipt of an escrow related to the disposition of Reisterstown Road Plaza in 2024 compared to net proceeds of $140.9Â million from the sale of Kingwood Commons, the undeveloped land and related parking garage at Pan Am Plaza, Reisterstown Road Plaza, Eastside, and four parcels of land in 2023;â€¢Capital expenditures decreased by $1.6Â million primarily related to the timing of capital projects along with a change in construction payables of $0.5Â million in 2024;â€¢We contributed a total of $13.2 million to unconsolidated joint ventures in 2024 primarily related to our share of the repayment of the construction loan associated with the development of the Embassy Suites at the University of Notre Dame; andâ€¢We received a $1.6 million distribution upon the joint venture's disposition of Glendale Center Apartments, of which we own an 11.5% interest, to a third party in 2024.Cash provided by financing activities was $172.1Â million for the year ended DecemberÂ 31, 2024 compared to cash used in financing activities of $393.5Â million for the same period of 2023.Â Highlights of significant cash sources and uses in financing activities are as follows:â€¢We received total proceeds of $693.0 million from the Notes Due 2034 and the Notes Due 2031 and borrowed $40.0Â million on the Revolving Facility in 2024 compared to borrowings of $274.0 million on the Revolving Facility and proceeds of $95.1 million from the origination of a mortgage payable in 2023;â€¢We repaid the following in 2024: (i)Â $149.6 million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024, (ii) $120.0 million unsecured term loan that matured on July 17, 2024, (iii) $40.0 million of borrowings on the Revolving Facility, and (iv) $5.1 million of mortgages payable compared to the following repayments in 2023: (i) $274.0 million of borrowings on the Revolving Facility, (ii) $175.4 million of mortgages payable, and (iii) $95.0 million principal balance of the 4.23% senior unsecured notes that matured on September 10, 2023;â€¢We incurred $19.0 million in debt and equity issuance costs in 2024 primarily related to the restatement and extension of the Revolving Facility and the $250M Term Loan; andâ€¢We made distributions to common shareholders and holders of common partnership interests in the Operating Partnership of $225.5 million in 2024 compared to distributions of $213.5Â million in 2023.Management's discussion of the cash flows for the year ended DecemberÂ 31, 2022, with comparison to the year ended DecemberÂ 31, 2023, was included in Item 7. â€œManagement's Discussion and Analysis of Financial Condition and Results of Operationsâ€ of our Annual Report on Form 10-K for the year ended DecemberÂ 31, 2023.Other MattersFinancial InstrumentsWe are exposed to capital market risk, such as changes in interest rates. In order to reduce the volatility related to interest rate risk, we may enter into interest rate hedging arrangements from time to time. We do not use derivative financial instruments for trading or speculative purposes.50Table of ContentsObligations in Connection with Projects Under ConstructionWe are obligated under various completion guarantees with certain lenders and lease agreements with tenants to complete all or portions of a development project and tenant-specific space that are currently under construction. We believe we currently have sufficient financing in place to fund these projects and expect to do so primarily through free cash flow or borrowings on the Revolving Facility.We provide repayment and completion guaranties on loans totaling $66.2 million associated with the development of The Corner mixed-use project in the Indianapolis MSA. As of DecemberÂ 31, 2024, the outstanding balance of the loans was $68.4Â million, of which our share was $34.2 million.Our share of estimated future costs for under construction and future developments and redevelopments is further discussed beginning on page 47 in the â€œShort- and Long-Term Liquidity Needsâ€ sections.Outstanding IndebtednessThe following table provides details on our consolidated indebtedness outstanding as of DecemberÂ 31, 2024 and 2023 (in thousands):December 31, 2024December 31, 2023Senior unsecured notes$2,205,000Â $1,654,635Â Senior exchangeable notes â€“ fixed rate175,000Â 175,000Â Unsecured revolving line of creditâ€”Â â€”Â Unsecured term loans700,000Â 820,000Â Mortgages payable â€“ fixed rate133,585Â 136,306Â Mortgages payable â€“ variable rate14,600Â 17,000Â Debt discounts, premiums and issuance costs, net(1,255)26,261Â Mortgage and other indebtedness, net$3,226,930Â $2,829,202Â Consolidated indebtedness, including weighted average interest rates and weighted average maturities as of DecemberÂ 31, 2024, considering the impact of interest rate swaps, is summarized below (dollars in thousands):AmountOutstandingRatioWeighted AverageInterest RateWeightedAverage Yearsto MaturityFixed rate debt(1)$3,058,585Â 95Â %4.08Â %4.3Â Variable rate debt(2)169,600Â 5Â %7.64Â %1.7Â Debt discounts, premiums and issuance costs, net(1,255)N/AN/AN/AMortgage and other indebtedness, net$3,226,930Â 100Â %4.27Â %4.2Â (1)Fixed rate debt includes the portion of variable rate debt that has been hedged by interest rate swaps. As of DecemberÂ 31, 2024, $700.0Â million in variable rate debt is hedged to a fixed rate for a weighted average of 0.9 years.(2)Variable rate debt includes the portion of fixed rate debt that has been hedged by interest rate swaps. As of DecemberÂ 31, 2024, $155.0Â million in fixed rate debt is hedged to a floating rate for a weighted average of 0.7 years.Mortgage indebtedness is collateralized by certain real estate properties and leases and is generally repaid in monthly installments of principal and interest with maturities over various terms through 2033.The interest rate on our variable rate mortgage is based on SOFR plus 215 basis points as of DecemberÂ 31, 2024.Â The one-month SOFR interest rate was 4.33% as of DecemberÂ 31, 2024.Â Fixed interest rates on mortgages payable range from 3.75% to 5.73%.Critical Accounting EstimatesOur significant accounting policies are more fully described in Note 2. â€œSummary of Significant Accounting Policiesâ€ to the accompanying consolidated financial statements. As disclosed in Note 2, the preparation of financial statements in accordance with accounting principles generally accepted in the United States (â€œGAAPâ€) requires management to make estimates and assumptions about future events that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. We believe that the following discussion addresses our most critical 51Table of Contentsaccounting policies, which are those that are most important to the compilation of our financial condition and results of operations and, in some cases, require management's most difficult, subjective, or complex judgments.Revenue RecognitionAs a lessor of real estate assets, the Company retains substantially all of the risks and benefits of ownership and accounts for its leases as operating leases.Contractual minimum base rent, percentage rent, and expense reimbursements from tenants for common area maintenance costs, insurance, and real estate taxes are our principal sources of revenue.Â Base minimum rents are recognized on a straight-line basis over the terms of the respective leases.Â Certain lease agreements contain provisions that provide for additional rents based on a tenant's sales volume (contingent overage rent). Overage rent is recognized when tenants achieve the specified sales targets as defined in their lease agreements.Â If we determine that collectibility is probable, we recognize income from rentals based on the methodology described above. If we determine that collectibility is not probable, we recognize income only to the extent that cash has been received from the tenant. We have accounts receivable due from tenants and are subject to the risk of tenant defaults and bankruptcies, which may affect the collection of outstanding receivables. These receivables are reduced for credit loss, which is recognized as a reduction to rental income. We regularly evaluate the collectibility of these lease-related receivables by analyzing past-due account balances and consider such factors as the credit quality of the tenant, historical write-off experience, tenant creditworthiness, and current economic trends when evaluating the collectibility of rental income. Although we estimate uncollectible receivables and provide for them through charges against income, actual experience may differ from those estimates.We recognize the sale of real estate when control transfers to the buyer.Â As part of our ongoing business strategy, we will, from time to time, sell properties, land parcels and outlots, some of which are ground-leased to tenants.Valuation of Investment PropertiesManagement reviews our operating and development projects, land parcels, and intangible assets for impairment on a property-by-property basis whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. This review for possible impairment requires certain assumptions, estimates, and significant judgment. Examples of situations considered to be impairment indicators for both operating properties and development projects include, but are not limited to:â€¢a substantial decline in or continued low occupancy rate or cash flow;â€¢expected significant declines in occupancy in the near future;â€¢continued difficulty in leasing space;â€¢a significant concentration of financially troubled tenants;â€¢a reduction in the anticipated holding period;â€¢a cost accumulation or delay in the project completion date significantly above and beyond the original development or redevelopment estimate;â€¢a significant decrease in the market price not in line with general market trends; andâ€¢any other quantitative or qualitative events or factors deemed significant by the Company's management or Board of Trustees.Impairment losses for investment properties and intangible assets are measured when the undiscounted cash flows estimated to be generated by the investment properties during the expected holding period are less than the carrying amounts of those assets. The evaluation of impairment is subject to certain management assumptions, including projected net operating income, anticipated holding period, expected capital expenditures, and the capitalization rate used to estimate the property's residual value. Impairment losses are recorded as the excess of the carrying value over the estimated fair value of the asset. Our impairment review for land and development properties assumes we have the intent and ability to complete the developments or projected uses for the land parcels. If we determine those plans will not be completed or our assumptions with respect to operating assets are not realized, an impairment loss may be appropriate.52Table of ContentsDepreciation may be accelerated for a redevelopment project, including partial demolition of existing structures, after the asset is assessed for impairment.The Company classifies an operating property as held for sale only when the property is available for immediate sale in its present condition and for which management believes it is probable that a sale of the property will be completed within one year, among other factors. An operating property classified as held for sale is carried at the lower of cost or fair value less estimated costs to sell. Depreciation and amortization are suspended during the held-for-sale period.Acquisition of Investment PropertiesReal estate assets are recognized on our consolidated balance sheets at historical cost, less accumulated depreciation and amortization. Upon acquisition of real estate operating properties, we estimate the fair value of acquired identifiable tangible assets (consisting of land, buildings and improvements) and identified intangible assets and liabilities (consisting of above-market and below-market leases and in-place leases), assumed debt, and any noncontrolling interest in the acquiree at the date of acquisition based upon an evaluation of information and estimates available at the acquisition date.Â Based on these estimates, we record the estimated fair value to the applicable assets and liabilities.Â In making estimates of fair value, a number of sources are used, including information obtained as a result of pre-acquisition due diligence, marketing, and leasing activities. The estimates of fair value were determined to have primarily relied upon Level 2 and Level 3 inputs, as defined below.Fair value is determined for tangible assets and intangible assets and liabilities, including:â€¢the fair value of the building on an as-if-vacant basis and the fair value of land determined either by comparable market data, real estate tax assessments, independent appraisals, or other relevant data;â€¢above-market and below-market in-place lease values for acquired properties, which are based on the present value (using an interest rate that reflects the risks associated with the leases acquired) of the difference between (i) the contractual amounts to be paid pursuant to the in-place leases and (ii) management's estimate of fair market lease rates for the corresponding in-place leases, measured over the remaining non-cancelable term of the leases.Â Any below-market renewal options are also considered in the in-place lease values.Â The capitalized above-market and below-market lease values are amortized as a reduction of, or addition to, rental income over the term of the leases.Â Should a tenant vacate, terminate its lease, or otherwise notify us of its intent to do so, the unamortized portion of the lease intangibles would be charged or credited to income as applicable;â€¢the value of having a lease in place at the acquisition date.Â We use independent and internal sources for our estimates to determine the respective in-place lease values.Â Our estimates of value use methods similar to those used by independent appraisers.Â Factors we consider in our analysis include an estimate of costs to execute similar leases, including tenant improvements, leasing commissions, and foregone costs related to the reimbursement of property operating expenses, and fair market rent received during the estimated lease-up period as if the space was vacant.Â The value of in-place leases is amortized to depreciation and amortization expense over the remaining initial terms of the respective leases; andâ€¢the fair value of any assumed financing that is determined to be above- or below-market terms.Â We use third-party and independent sources for our estimates to determine the respective fair value of each mortgage and other indebtedness, including related derivative instruments, assumed.Â The fair market value of each is amortized to interest expense over the remaining initial terms of the respective instruments.We also consider whether there is any value to in-place leases that have a related customer relationship intangible value.Â Characteristics we consider in determining these values include the nature and extent of existing business relationships with the tenant, growth prospects for developing new business with the tenant, the tenant's credit quality, and expectations of lease renewals, among other factors.Â To date, we have not developed a tenant relationship that we consider to have a current intangible value.53Table of ContentsITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISKOur future income, cash flows and fair values relevant to financial instruments depend upon prevailing interest rates. We are exposed to interest rate changes primarily through our Revolving Facility, unsecured term loans, and other property-specific variable-rate mortgages. Our objectives with respect to interest rate risk are to balance the potential impact of interest rate changes on operations and cash flows against our desire to lower our overall borrowing costs. To achieve these objectives, we may borrow at fixed or variable rates and enter into derivative financial instruments such as interest rate swaps, hedges, etc., in order to mitigate the interest rate risk.Â As a matter of policy, we do not use financial instruments for trading or speculative transactions.As of DecemberÂ 31, 2024, we had $3.2 billion of outstanding consolidated indebtedness (inclusive of net unamortized debt discounts, premiums and issuance costs of $1.3 million). In addition, we were party to various consolidated interest rate hedge agreements totaling $855.0 million with maturities over various terms through 2026. Reflecting the effects of these hedge agreements, our fixed and variable rate debt would have been $3.1 billion (95%) and $169.6 million (5%), respectively, of our total consolidated indebtedness as of DecemberÂ 31, 2024.As of DecemberÂ 31, 2024, we had $350.0 million of fixed rate debt scheduled to mature in 2025.Â A 100-basis point change in interest rates on this debt as of DecemberÂ 31, 2024 would change our annual cash flow by $3.5 million. A 100-basis point change in interest rates on our unhedged variable rate debt as of DecemberÂ 31, 2024 would change our annual cash flow by $1.7Â million.Â Based upon the terms of our variable rate debt, we are most vulnerable to a change in short-term SOFR interest rates.ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATAThe consolidated financial statements of the Company included in this Report are listed in Part IV, Item 15(a) of this report.ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURENone.ITEM 9A. CONTROLS AND PROCEDURESKite Realty Group TrustÂ Evaluation of Disclosure Controls and ProceduresAn evaluation was performed under the supervision and with the participation of the Parent Company's management, including its Chief Executive Officer and Chief Financial Officer, of the effectiveness of its disclosure controls and procedures (as defined inÂ Rules 13a-15(e) and 15d-15(e) under the Securities and Exchange Act of 1934, as amended) as of the end of the period covered by this report. Based on that evaluation, the Parent Company's Chief Executive Officer and Chief Financial Officer concluded that these disclosure controls and procedures were effective.Changes in Internal Control Over Financial ReportingThere were no changes to the Parent Company's internal control over financial reporting during the fourth quarter ended DecemberÂ 31, 2024 that have materially affected, or are reasonably likely to materially affect, its internal control over financial reporting.Management Report on Internal Control Over Financial ReportingThe Parent Company is responsible for establishing and maintaining adequate internal control over financial reporting, as that term is defined in Rule 13a-15(f) of the Exchange Act. Under the supervision of and with the participation of the Parent Company's management, including its Chief Executive Officer and Chief Financial Officer, the Parent Company conducted an evaluation of the effectiveness of its internal control over financial reporting based on the 2013 framework in Internal Control â€“ Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission.Â Based on its evaluation under

the framework in Internal Control â€“ Integrated Framework, the Parent Companyâ€™s management has concluded that its internal control over financial reporting was effective as of DecemberÂ 31, 2024. The Parent Companyâ€™s 54independent auditors, KPMG LLP, an independent registered public accounting firm, have issued a report on its internal control over financial reporting as stated in their report which is included herein.The Parent Companyâ€™s internal control system was designed to provide reasonable assurance to our management and Board of Trustees regarding the preparation and fair presentation of published financial statements.Â All internal control systems, no matter how well designed, have inherent limitations.Â Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation.Kite Realty Group, L.P.Evaluation of Disclosure Controls and ProceduresAn evaluation was performed under the supervision and with the participation of the Operating Partnershipâ€™s management, including its Chief Executive Officer and Chief Financial Officer, of the effectiveness of its disclosure controls and procedures (as defined inÂ Rules 13a-15(e) and 15d-15(e) under the Securities and Exchange Act of 1934, as amended) as of the end of the period covered by this report. Based on that evaluation, the Operating Partnershipâ€™s Chief Executive Officer and Chief Financial Officer concluded that these disclosure controls and procedures were effective.Changes in Internal Control Over Financial ReportingThere were no changes to the Operating Partnershipâ€™s internal control over financial reporting during the fourth quarter ended DecemberÂ 31, 2024 that have materially affected, or are reasonably likely to materially affect, its internal control over financial reporting.Management Report on Internal Control Over Financial ReportingThe Operating Partnership is responsible for establishing and maintaining adequate internal control over financial reporting, as that term is defined in Rule 13a-15(f) of the Exchange Act. Under the supervision of and with the participation of the Operating Partnershipâ€™s management, including its Chief Executive Officer and Chief Financial Officer, the Operating Partnership conducted an evaluation of the effectiveness of its internal control over financial reporting based on the 2013 framework in Internal Control â€“ Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission.Â Based on its evaluation under the framework in Internal Control â€“ Integrated Framework, the Operating Partnershipâ€™s management has concluded that its internal control over financial reporting was effective as of DecemberÂ 31, 2024. The Operating Partnershipâ€™s independent auditors, KPMG LLP, an independent registered public accounting firm, have issued a report on its internal control over financial reporting as stated in their report which is included herein.The Operating Partnershipâ€™s internal control system was designed to provide reasonable assurance to our management and Board of Trustees regarding the preparation and fair presentation of published financial statements.Â All internal control systems, no matter how well designed, have inherent limitations.Â Therefore, even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation.55REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMTo the Shareholders and Board of Trustees of Kite Realty Group Trust:Opinion on Internal Control Over Financial ReportingWe have audited Kite Realty Group Trust and subsidiariesâ€™ (the Company) internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission.We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Company as of DecemberÂ 31, 2024 and 2023, the related consolidated statements of operations and comprehensive income, shareholdersâ€™ equity, and cash flows for each of the years in the three-year period ended DecemberÂ 31, 2024, and the related notes and financial statement schedule III â€“ Consolidated Real Estate and Accumulated Depreciation (collectively, the consolidated financial statements), and our report dated FebruaryÂ 12, 2025 expressed an unqualified opinion on those consolidated financial statements.Basis for OpinionThe Companyâ€™s management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Companyâ€™s internal control over financial reporting based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audit also included performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.Definition and Limitations of Internal Control Over Financial ReportingA companyâ€™s internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A companyâ€™s internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the companyâ€™s assets that could have a material effect on the financial statements.Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate./s/ KPMG LLPIndianapolis, IndianaFebruaryÂ 12, 202556REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMTo the Partners of Kite Realty Group, L.P. and subsidiaries and Board of Trustees of Kite Realty Group Trust:Opinion on Internal Control Over Financial ReportingWe have audited Kite Realty Group, L.P. and subsidiariesâ€™ (the Partnership) internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. In our opinion, the Partnership maintained, in all material respects, effective internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission.We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the consolidated balance sheets of the Partnership as of DecemberÂ 31, 2024 and 2023, the related consolidated statements of operations and comprehensive income, partnerâ€™s equity, and cash flows for each of the years in the three-year period ended DecemberÂ 31, 2024, and the related notes and financial statement schedule III â€“ Consolidated Real Estate and Accumulated Depreciation (collectively, the consolidated financial statements), and our report dated FebruaryÂ 12, 2025 expressed an unqualified opinion on those consolidated financial statements.Basis for OpinionThe Partnershipâ€™s management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting, included in the accompanying Management Report on Internal Control Over Financial Reporting. Our responsibility is to express an opinion on the Partnershipâ€™s internal control over financial reporting based on our audit. In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company as of DecemberÂ 31, 2024 and 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended DecemberÂ 31, 2024, in conformity with U.S. generally accepted accounting principles.We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Companyâ€™s internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated FebruaryÂ 12, 2025 expressed an unqualified opinion on the effectiveness of the Companyâ€™s internal control over financial reporting.Basis for OpinionThese consolidated financial statements are the responsibility of the Companyâ€™s management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.Critical Audit MatterThe critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.Evaluation of investment properties for potential impairmentAs discussed in Note 2 to the consolidated financial statements, land, buildings, and improvements, net was $7,591,036 thousand as of DecemberÂ 31, 2024. The Companyâ€™s investment properties are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. This review for potential impairment triggering events requires certain assumptions, estimates, and significant judgment, including about the anticipated holding period for an investment property.We identified the evaluation of certain investment properties for potential impairment as a critical audit matter. Subjective and challenging auditor judgment was required to evaluate the Companyâ€™s intent and ability to hold investment properties for particular periods of time. A shortening of the anticipated holding period could indicate a potential impairment.F-1The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Companyâ€™s process to evaluate potential impairment triggering events, including a control related to the evaluation of the holding period. We compared the holding periods assumed in the Companyâ€™s analysis to the Companyâ€™s historical holding periods for similar properties. We inquired of Company management and inspected documents, such as meeting minutes of the board of trustees and its sub-committees, and managementâ€™s capital allocation committee to evaluate the Companyâ€™s intent and ability to hold investment properties for particular periods of time. We read external communications with investors and analysts in order to identify information regarding potential sales of the Companyâ€™s investment properties./s/ KPMG LLPWe have served as the Companyâ€™s auditor since 2020.Indianapolis, Indiana FebruaryÂ 12, 2025F-2REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRMTo the Partners of Kite Realty Group, L.P. and subsidiaries and Board of Trustees of Kite Realty Group Trust:Opinion on the Consolidated Financial StatementsWe have audited the accompanying consolidated balance sheets of Kite Realty Group, L.P. and subsidiaries (the Partnership) as of DecemberÂ 31, 2024 and 2023, the related consolidated statements of operations and comprehensive income, partnerâ€™s equity, and cash flows for each of the years in the three-year period ended DecemberÂ 31, 2024, and the related notes and financial statement schedule III â€“ Consolidated Real Estate and Accumulated Depreciation (collectively, the consolidated financial statements). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Partnership as of DecemberÂ 31, 2024 and 2023, and the results of its operations and its cash flows for each of the years in the three-year period ended DecemberÂ 31, 2024, in conformity with U.S. generally accepted accounting principles.We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Partnershipâ€™s internal control over financial reporting as of DecemberÂ 31, 2024, based on criteria established in Internal Control â€“ Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission, and our report dated FebruaryÂ 12, 2025 expressed an unqualified opinion on the effectiveness of the Partnershipâ€™s internal control over financial reporting.Basis for OpinionThese consolidated financial statements are the responsibility of the Partnershipâ€™s management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Partnership in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.Critical Audit MatterThe critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of a critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.Evaluation of investment properties for potential impairmentAs discussed in Note 2 to the consolidated financial statements, land, buildings, and improvements, net was $7,591,036 thousand as of DecemberÂ 31, 2024. The Partnershipâ€™s investment properties are reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. This review for potential impairment triggering events requires certain assumptions, estimates, and significant judgment, including about the anticipated holding period for an investment property.We identified the evaluation of certain investment properties for potential impairment as a critical audit matter. Subjective and challenging auditor judgment was required to evaluate the Partnershipâ€™s intent and ability to hold investment properties for particular periods of time. A shortening of the anticipated holding period could indicate a potential impairment.F-3The following are the primary procedures we performed to address this critical audit matter. We evaluated the design and tested the operating effectiveness of certain internal controls related to the Partnershipâ€™s process to evaluate potential impairment triggering events, including a control related to the evaluation of the holding period. We compared the holding periods assumed in the Partnershipâ€™s analysis to the Partnershipâ€™s historical holding periods for similar properties. We inquired of Partnership management and inspected documents, such as meeting minutes of Kite Realty Group Trustâ€™s (the Parent Companyâ€™s) board of trustees and its sub-committees, and managementâ€™s capital allocation committee to evaluate the Partnershipâ€™s intent and ability to hold investment properties for particular periods of time. We read external communications with investors and analysts in order to identify information regarding potential sales of the Partnershipâ€™s investment properties./s/ KPMG LLPWe have served as the Partnershipâ€™s auditor since 2020.Indianapolis, IndianaFebruaryÂ 12, 2025F-4Table of ContentsKITE REALTY GROUP TRUSTConsolidated Balance Sheets(in thousands, except share and per share data)Â December 31,2024December 31,2023Assets:Â Â Investment properties, at cost:$7,634,191Â $7,740,061Â Less: accumulated depreciation(1,587,661)(1,381,770)Net investment properties6,046,530Â 6,358,291Â Cash and cash equivalents128,056Â 36,413Â Tenant and other receivables, including accrued straight-line rent of $67,377and $55,482, respectively125,768Â 113,290Â Restricted cash and escrow deposits5,271Â 5,017Â Deferred costs, net238,213Â 304,171Â Short-term deposits350,000Â â€”Â Prepaid and other assets104,627Â 117,834Â Investments in unconsolidated subsidiaries19,511Â 9,062Â Assets associated with investment property held for sale73,791Â â€”Â Total assets$7,091,767Â $6,944,078Â Liabilities and Equity:Liabilities:Mortgage and other indebtedness, net$3,226,930Â $2,829,202Â Accounts payable and accrued expenses202,651Â 198,079Â Deferred revenue and other liabilities246,100Â 272,942Â Liabilities associated with investment property held for sale4,009Â â€”Â Total liabilities3,679,690Â 3,300,223Â Commitments and contingenciesLimited Partnersâ€™ interests in the Operating Partnership98,074Â 73,287Â Equity:Common shares, $0.01 par value, 490,000,000 shares authorized,219,667,067 and 219,448,429 shares issued and outstanding atDecemberÂ 31, 2024 and 2023, respectively2,197Â 2,194Â Additional paid-in capital4,868,554Â 4,886,592Â Accumulated other comprehensive income36,612Â 52,435Â Accumulated deficit(1,595,253)(1,373,083)Total shareholdersâ€™ equity3,312,110Â 3,568,138Â Noncontrolling interests1,893Â 2,430Â Total equity3,314,003Â 3,570,568Â Total liabilities and equity$7,091,767Â $6,944,078Â The accompanying notes are an integral part of these consolidated financial statements.F-5Table of ContentsKITE REALTY GROUP TRUSTConsolidated Statements of Operations and Comprehensive Income(in thousands, except share and per share data)Â Year Ended December 31,Â 20242023 2022Revenue:Â Â Â Rental income$826,548Â $810,146Â $782,349Â Other property-related revenue10,631Â 8,492Â 11,108Â Fee income4,663Â 4,366Â 8,539Â Total revenue841,842Â 823,004Â 801,996Â Expenses:Â Property operating113,601Â 107,958Â 107,217Â Real estate taxes103,893Â 102,426Â 104,589Â General, administrative and other52,558Â 56,142Â 54,860Â Merger and acquisition costsâ€”Â â€”Â 925Â Depreciation and amortization393,335Â 426,361Â 469,805Â Impairment charges66,201Â 477Â â€”Â Total expenses729,588Â 693,364Â 737,396Â (Loss) gain on sales of operating properties, net(864)22,601Â 27,069Â Operating income111,390Â 152,241Â 91,669Â Other (expense) income:Interest expense(125,691)(105,349)(104,276)Income tax expense of taxable REIT subsidiary(139)(533)(43)Loss on extinguishment of debt(180)â€”Â â€”Â Equity in (loss) earnings of unconsolidated subsidiaries(1,158)33Â 256Â Gain on sale of unconsolidated property, net2,325Â â€”Â â€”Â Other income, net17,869Â 1,991Â 240Â Net income (loss)4,416Â 48,383Â (12,154)Net income attributable to noncontrolling interests(345)(885)(482)Net income (loss) attributable to common shareholders$4,071Â $47,498Â $(12,636)Net income (loss) per common share â€“ basic and diluted$0.02Â $0.22Â $(0.06)Weighted average common shares outstanding â€“ basic219,614,149Â 219,344,832Â 219,074,448Â Weighted average common shares outstanding â€“ diluted219,727,496Â 219,728,283Â 219,074,448Â Net income

AND SUBSIDIARIESNOTES TO CONSOLIDATED FINANCIAL STATEMENTSDecemberÂ 31, 2024(dollars in thousands, except share, per share, unit and per unit amounts and where indicated in millions or billions)NOTE 1. ORGANIZATION AND BASIS OF PRESENTATIONKite Realty Group Trust (the â€œParent Companyâ€), through its majority-owned subsidiary, Kite Realty Group, L.P. (the â€œOperating Partnershipâ€), owns interests in various operating subsidiaries and joint ventures engaged in the ownership, operation, acquisition, development and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States. The terms â€œCompany,â€ â€œwe,â€ â€œus,â€ and â€œourâ€ refer to the Parent Company and the Operating Partnership, collectively, and those entities owned or controlled by the Parent Company and/or the Operating Partnership.The Operating Partnership was formed on August 16, 2004, when the Parent Company contributed properties and the net proceeds from an initial public offering (â€œIPOâ€) of shares of its common stock to the Operating Partnership. The Parent Company was organized in Maryland in 2004 to succeed in the acquisition, development, construction and real estate businesses of its predecessor. We believe the Company qualifies as a real estate investment trust (â€œREITâ€) under sections 856-860 of the Internal Revenue Code of 1986, as amended.The Parent Company is the sole general partner of the Operating Partnership and, as ofÂ DecemberÂ 31, 2024,Â owned approximatelyÂ 98.1%Â of the common partnership interests in the Operating Partnership (the â€œGeneral Partner Unitsâ€). The remaining 1.9% of the common partnership interests (the â€œLimited Partner Unitsâ€ and, together with the General Partner Units, the â€œCommon Unitsâ€) were owned by the limited partners. As the sole general partner of the Operating Partnership, the Parent Company has full, exclusive and complete responsibility and discretion in the day-to-day management and control of the Operating Partnership. The Parent Company and the Operating Partnership operate as one enterprise. The management of the Parent Company consists of the same members as the management of the Operating Partnership. As the sole general partner with control of the Operating Partnership, the Parent Company consolidates the Operating Partnership for financial reporting purposes, and the Parent Company does not have any significant assets other than its investment in the Operating Partnership.The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States (â€œGAAPâ€).Â GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and revenues and expenses during the reported period.Â Actual results could differ from those estimates.Unless otherwise noted, all dollar amounts are stated in thousands, except share, per share, and per square foot data. Number of properties and square feet are unaudited.As of DecemberÂ 31, 2024, the Companyâ€™s portfolio consisted of the following:PropertiesSquare FootageOperating retail properties(1)179Â 27,668,416Â Office properties(2)2Â 412,568Â Development and redevelopment projects:The Corner â€“ IN(3)1Â 24,000Â One Loudoun Expansion(4)â€”Â 119,000Â Hamilton Crossing Centre1Â 92,283Â Edwards Multiplex â€“ Ontario1Â 124,614Â (1)Included within operating retail properties are 10 properties that contain an office component. Excludes one operating retail property classified as held for sale as of DecemberÂ 31, 2024. Of the 179 operating retail properties, 176 are consolidated within these financial statements and the remaining three are accounted for under the equity method.(2)Office properties include Carillon medical office building, which was reclassified from active redevelopment into our office portfolio in December 2024.(3)This property is held in an unconsolidated joint venture in which the Company has a 50% ownership interest.(4)During the three months ended September 30, 2024, the Company began development activities on the retail and office portions of the expansion project at One Loudoun Downtown (the â€œOne Loudoun Expansionâ€) in the Washington, D.C. metropolitan statistical area (â€œMSAâ€). The Company estimates that it will incur net project costs of approximately $65.0Â million to $75.0Â million related to the One Loudoun Expansion.F-13Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsNOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIESInvestment PropertiesCapitalization and DepreciationInvestment properties are recorded at cost and include costs of land acquisition, development, predevelopment, construction, certain allocated overhead, tenant allowances and improvements, and interest and real estate taxes incurred during construction.Â Significant renovations and improvements are capitalized when they extend the useful life, increase capacity, or improve the efficiency of the asset.Â If a tenant vacates a space prior to the lease expiration, terminates its lease, or otherwise notifies the Company of its intent to do so, any related unamortized tenant allowances are expensed over the shortened lease period.Â Ordinary repairs and maintenance that do not extend the useful lives of the respective assets are expensed as incurred and included within â€œProperty operatingâ€ expense in the accompanying consolidated statements of operations and comprehensive income.Predevelopment costs are incurred prior to vertical construction and for certain land held for development during the due diligence phase and include contract deposits, legal, engineering, cost of internal resources, and other professional fees related to evaluating the feasibility of developing or redeveloping a shopping center or other project.Â These predevelopment costs are capitalized and included within â€œInvestment properties, at costâ€ in the accompanying consolidated balance sheets.Â If we determine that the completion of a development project is no longer probable, all previously incurred predevelopment costs are immediately expensed.Â Land is transferred to construction in progress once construction commences on the related project.We also capitalize costs such as land acquisition, building construction, interest, real estate taxes, and the costs of personnel directly involved with the

development of our properties.Â As a portion of a development project becomes operational, we expense a pro rata amount of the related costs.Depreciation expense is computed using the straight-line method. Buildings and improvements are depreciated over estimated original useful lives ranging from 10 to 35 years.Â Tenant improvements and allowances are depreciated over the term of the related lease.Â Equipment and fixtures are depreciated over five to 10 years. Depreciation may be accelerated for a redevelopment project, including partial demolition of an existing structure, after the asset is assessed for impairment.The following table summarizes the composition of the Companyâ€™s investment properties as of DecemberÂ 31, 2024 and 2023 (in thousands):December 31, 2024December 31, 2023Land, buildings and improvements$7,591,036Â $7,684,066Â Construction in progress43,155Â 55,995Â Investment properties, at cost$7,634,191Â $7,740,061Â Valuation of Investment PropertiesManagement reviews our operating and development projects, land parcels, and intangible assets for impairment on a property-by-property basis whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. This review for possible impairment requires certain assumptions, estimates, and significant judgment. Examples of situations considered to be impairment indicators for both operating properties and development projects include, but are not limited to:â€¢a substantial decline in or continued low occupancy rate or cash flow;â€¢expected significant declines in occupancy in the near future;â€¢continued difficulty in leasing space;â€¢a significant concentration of financially troubled tenants;â€¢a reduction in the anticipated holding period;F-14Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statementsâ€¢a cost accumulation or delay in the project completion date significantly above and beyond the original development or redevelopment estimate;â€¢a significant decrease in the market price not in line with general market trends; andâ€¢any other quantitative or qualitative events or factors deemed significant by the Companyâ€™s management or Board of Trustees.Impairment losses for investment properties and intangible assets are measured when the undiscounted cash flows estimated to be generated by the investment properties during the expected holding period are less than the carrying amounts of those assets. The evaluation of impairment is subject to certain management assumptions, including projected net operating income, anticipated holding period, expected capital expenditures, and the capitalization rate used to estimate the propertyâ€™s residual value. Impairment losses are recorded as the excess of the carrying value over the estimated fair value of the asset. Our impairment review for land and development properties assumes we have the intent and ability to complete the developments or projected uses for the land parcels. If we determine those plans will not be completed or our assumptions with respect to operating assets are not realized, an impairment loss may be appropriate.Investment Properties Held for SaleThe Company classifies an operating property as held for sale only when the property is available for immediate sale in its present condition and for which management believes it is probable that a sale of the property will be completed within one year, among other factors. An operating property classified as held for sale is carried at the lower of cost or fair value less estimated costs to sell. Depreciation and amortization are suspended during the held-for-sale period. One property was classified as held for sale as of DecemberÂ 31, 2024 and no properties qualified for held-for-sale accounting treatment as of DecemberÂ 31, 2023.Acquisition of Investment PropertiesReal estate assets are recognized on our consolidated balance sheets at historical cost, less accumulated depreciation and amortization. Upon acquisition of real estate operating properties, we estimate the fair value of acquired identifiable tangible assets (consisting of land, buildings and improvements) and identified intangible assets and liabilities (consisting of above-market and below-market leases and in-place leases), assumed debt, and any noncontrolling interest in the acquiree at the date of acquisition based upon an evaluation of information and estimates available at the acquisition date.Â Based on these estimates, we record the estimated fair value to the applicable assets and liabilities.Â In making estimates of fair value, a number of sources are used, including information obtained as a result of pre-acquisition due diligence, marketing, and leasing activities. The estimates of fair value were determined to have primarily relied upon Level 2 and Level 3 inputs, as defined below.Fair value is determined for tangible assets and intangible assets and liabilities, including:â€¢the fair value of the building on an as-if-vacant basis and the fair value of land determined either by comparable market data, real estate tax assessments, independent appraisals, or other relevant data;â€¢above-market and below-market in-place lease values for acquired properties, which are based on the present value (using an interest rate that reflects the risks associated with the leases acquired) of the difference between (i) the contractual amounts to be paid pursuant to the in-place leases and (ii) managementâ€™s estimate of fair market lease rates for the corresponding in-place leases, measured over the remaining non-cancelable term of the leases.Â Any below-market renewal options are also considered in the in-place lease values.Â The capitalized above-market and below-market lease values are amortized as a reduction of, or addition to, rental income over the term of the leases.Â Should a tenant vacate, terminate its lease, or otherwise notify us of its intent to do so, the unamortized portion of the lease intangibles would be charged or credited to income as applicable; â€¢the value of having a lease in place at the acquisition date.Â We use independent and internal sources for our estimates to determine the respective in-place lease values.Â Our estimates of value use methods similar to those used by independent appraisers.Â Factors we consider in our analysis include an estimate of costs to execute similar leases, including tenant improvements, leasing commissions, and foregone costs related to the reimbursement of property operating expenses, and fair market rent received during the estimated lease-up period as if the space was vacant.Â The F-15Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statementsvalue of in-place leases is amortized to depreciation and amortization expense over the remaining initial terms of the respective leases; andâ€¢the fair value of any assumed financing that is determined to be above- or below-market terms.Â We use third-party and independent sources for our estimates to determine the respective fair value of each mortgage and other indebtedness, including related derivative instruments, assumed.Â The fair market value of each is amortized to interest expense over the remaining initial terms of the respective instruments.We also consider whether there is any value to in-place leases that have a related customer relationship intangible value.Â Characteristics we consider in determining these values include the nature and extent of existing business relationships with the tenant, growth prospects for developing new business with the tenant, the tenantâ€™s credit quality, and expectations of lease renewals, among other factors.Â To date, we have not developed a tenant relationship that we consider to have a current intangible value.Consolidation and Investments in Joint VenturesThe accompanying financial statements are presented on a consolidated basis and include all accounts of the Parent Company, the Operating Partnership, the taxable REIT subsidiaries (â€œTRSsâ€) of the Operating Partnership, subsidiaries of the Operating Partnership that are controlled, and any variable interest entities (â€œVIEsâ€) in which the Operating Partnership is the primary beneficiary.Â In general, a VIE is a corporation, partnership, trust or any other legal structure used for business purposes that either (a) has equity investors that do not provide sufficient financial resources for the entity to support its activities, (b) does not have equity investors with voting rights, or (c) has equity investors whose votes are disproportionate from their economics, and substantially all of the activities are conducted on behalf of the investor with disproportionately fewer voting rights.The Operating Partnership accounts for properties that are owned by joint ventures in accordance with the consolidation guidance by evaluating each joint venture and determining first whether to follow the VIE or the voting interest entity (â€œVOEâ€) model. Once the appropriate consolidation model is identified, the Operating Partnership then evaluates whether it should consolidate the joint venture. Under the VIE model, the Operating Partnership consolidates an entity when it has (i) the power to direct the activities of the VIE that most significantly impact the VIEâ€™s economic performance and (ii) the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. Under the VOE model, the Operating Partnership consolidates an entity when (i) it controls the entity through ownership of a majority voting interest if the entity is not a limited partnership or (ii) it controls the entity through its ability to remove the other partners or owners in the entity, at its discretion, when the entity is a limited partnership.In determining whether to consolidate a VIE with the Operating Partnership, we consider all relationships between the Operating Partnership and the applicable VIE, including development and management agreements and other contractual arrangements, in determining whether we have the power to direct the activities of the VIE that most significantly affect the VIEâ€™s performance.Â As of DecemberÂ 31, 2024, we owned investments in two consolidated joint ventures that were VIEs in which the partners did not have substantive participating rights, and we were the primary beneficiary.Â As of DecemberÂ 31, 2024, these consolidated VIEs had mortgage debt totaling $109.7 million, which was secured by assets of the VIEs totaling $218.0Â million.Â The Operating Partnership guarantees the mortgage debt of these VIEs.The Operating Partnership is considered a VIE as the limited partners do not hold kick-out rights or substantive participating rights. The Parent Company consolidates the Operating Partnership as it is the primary beneficiary in accordance with the VIE model.As of DecemberÂ 31, 2024, the Company also owned investments in four unconsolidated joint ventures accounted for under the equity method, which are not considered VIEs, as follows:Three Property Retail Portfolio Joint VentureOn June 29, 2018, the Company formed a joint venture with Nuveen Real Estate, formerly known as TH Real Estate. The Company soldÂ threeÂ properties (Livingston Shopping Center, Plaza Volente and Tamiami Crossing) to the joint venture, valued atÂ $99.8 millionÂ in the aggregate, and, after considering third-party debt obtained by the joint venture upon formation, the Company contributedÂ $10.0 millionÂ for aÂ 20% noncontrolling ownership interest in the joint venture. The Company is the F-16Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statementsoperating member responsible for the day-to-day management of the properties and receives property management and leasing fees. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.Embassy Suites at Eddy Street CommonsIn December 2017, we formed a joint venture with an unrelated third party to develop and own an Embassy Suites hotel next to Eddy Street Commons, our operating retail property at the University of Notre Dame. We contributed $1.4Â million of cash to the joint venture in return for a 35% ownership interest in the joint venture. In 2017, the joint venture entered into a $33.8Â million construction loan, which was repaid during the year ended DecemberÂ 31, 2024, of which the Company contributed $10.2Â million, representing our 35% share of the debt repaid. The Company accounts for the joint venture under the equity method, as both members have substantive participating rights, and we do not control the activities of the joint venture.Glendale Multifamily Joint VentureIn May 2020, the Company formed a joint venture for the planned development of a multifamily project adjacent to our Glendale Town Center operating retail property in the Indianapolis metropolitan statistical area (â€œMSAâ€). The Company contributed land valued at $1.6Â million to the joint venture and retained a 12% ownership interest in the joint venture. On January 31, 2024, the joint venture sold the 267-unit property to a third party, resulting in a gain on sale of $20.2Â million. The Company recognized its share of the gain on the sale of unconsolidated property of $2.3Â million during the year ended December 31, 2024. In addition, the Company received a $1.6Â million distribution upon the disposition of the property. The Company maintains an investment in the joint venture, which is in the process of winding up its activities and distributing its remaining net assets. The Companyâ€™s partner is the operating member responsible for the day-to-day management of the property. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.Buckingham Mixed-Use Joint VentureIn September 2021, the Company formed a joint venture for the planned redevelopment of The Corner in the Indianapolis MSA into a mixed-use, multifamily, and retail project. The Company contributed land valued at $4.0Â million to the joint venture and retained a 50% ownership interest in the joint venture. The Companyâ€™s partner is the operating member responsible for the day-to-day management of the property. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.Cash and Cash EquivalentsWe consider all highly liquid investments purchased with an original maturity of 90 days or less to be cash and cash equivalents.Â From time to time, such investments may temporarily be held in accounts that exceed the Federal Deposit Insurance Corporation (â€œFDICâ€) and the Securities Investor Protection Corporation (â€œSIPCâ€) insurance limits. The Company periodically assesses the credit risk associated with these financial institutions and believes the risk of loss is minimal.The following table summarizes our total cash, cash equivalents and restricted cash as presented in the accompanying consolidated statements of cash flows for the years ended DecemberÂ 31, 2024, 2023 and 2022 (in thousands):Year Ended December 31,202420232022Cash and cash equivalents$128,056Â $36,413Â $115,799Â Restricted cash and escrow deposits5,271Â 5,017Â 6,171Â Restricted cash associated with investment property held for sale225Â â€”Â â€”Â Cash, cash equivalents and restricted cash$133,552Â $41,430Â $121,970Â F-17Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsRestricted Cash and Escrow DepositsEscrow deposits consist of cash held for real estate taxes, property maintenance, insurance and other requirements at specific properties as required by lending institutions, certain municipalities or other agreements.Short-Term DepositsIn January 2024, the Company invested $265.0Â million in short-term deposits at Goldman Sachs Bank USA (â€œGoldman Sachsâ€) and KeyBank National Association (â€œKeyBankâ€). These short-term deposits earned interest at a weighted average interest rate of 5.34% with a final maturity date of July 22, 2024. During the year ended December 31, 2024, the Company earned $6.3Â million of interest income on the January 2024 deposits, which is recorded within â€œOther income, netâ€ in the accompanying consolidated statements of operations and comprehensive income.In August 2024, the Company invested $350.0Â million in short-term deposits at Goldman Sachs and KeyBank. The deposit balance approximates fair value and earns interest at a weighted average interest rate of 5.05% with a final maturity date in February 2025. During the year ended December 31, 2024, the Company earned $6.6Â million of interest income on the August 2024 deposits, which is recorded within â€œOther income, netâ€ in the accompanying consolidated statements of operations and comprehensive income.Fair Value MeasurementsWe follow the framework established under Financial Accounting Standards Board (â€œFASBâ€) Accounting Standards Codification (â€œASCâ€) 820, Fair Value Measurements and Disclosures, for measuring fair value of non-financial assets and liabilities that are not required or permitted to be measured at fair value on a recurring basis but only in certain circumstances, such as a business combination or upon determination of an impairment.Assets and liabilities recorded at fair value in the accompanying consolidated balance sheets are categorized based on the inputs to the valuation techniques as follows:â€¢Level 1 fair value inputs are quoted prices in active markets for identical instruments to which we have access.â€¢Level 2 fair value inputs are inputs other than quoted prices included in Level 1 that are observable for similar instruments, either directly or indirectly, and appropriately consider counterparty creditworthiness in the valuation.â€¢Level 3 fair value inputs reflect our best estimate of inputs and assumptions market participants would use in pricing an instrument at the measurement date. The inputs are unobservable in the market and significant to the valuation estimate.In instances where the determination of the fair value measurement is based upon inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. Our assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.Note 3. â€œAcquisitionsâ€ to the accompanying consolidated financial statements includes a discussion of the fair values recorded for asset acquisitions. Level 3 inputs to these transactions include our estimations of net rental rates of retail anchor and small shop space, capitalization rates, and disposal values. Note 4. â€œDispositions and Impairment Chargesâ€ to the accompanying consolidated financial statements includes a discussion of the fair values recorded when we recognized impairment charges during the years ended December 31, 2024 and 2023. Level 2 inputs to these transactions include the expected sales price from an executed sales contract and Level 3 inputs include our estimation of capitalization rates. Note 8. â€œMortgage and Other Indebtednessâ€ to the accompanying consolidated financial statements includes a discussion of the estimated fair value of fixed and variable rate debt, which are estimated using Level 2 and Level 3 inputs. As discussed in Note 9. â€œDerivative Instruments, Hedging Activities and Other Comprehensive Incomeâ€ to the accompanying consolidated financial statements, we have determined that derivative valuations are classified within Level 2 of the fair value hierarchy.Cash and cash equivalents, accounts receivable, escrows and deposits, and other working capital balances approximate fair value.F-18Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsDerivative Financial InstrumentsThe Company accounts for its derivative financial instruments at fair value calculated in accordance with ASC 820, Fair Value Measurements and Disclosures.Â Gains and losses resulting from changes in the fair value of the derivatives are accounted for depending on the use of the derivative and whether it qualifies for hedge accounting.Â We use derivative instruments such as interest rate swaps or interest rate locks to mitigate interest rate risk on the related financial instruments.Changes in the fair value of derivatives that qualify as cash flow hedges are recorded within â€œAccumulated other comprehensive incomeâ€ in the accompanying consolidated balance sheets and amortized over the underlying term of the hedged transaction, while any ineffective portion of a derivativeâ€™s change in fair value is recognized immediately in earnings. For derivative contracts designated as fair value hedges, the gain or loss on the derivative is included within â€œMortgage and other indebtedness, netâ€ in the accompanying consolidated balance sheets. We include the gain or loss on the hedged item in the same account as the offsetting gain or loss on the related derivative contract. As of DecemberÂ 31, 2024 and 2023, all of our derivative financial instruments qualify for hedge accounting.Revenue RecognitionAs a lessor of real estate assets, the Company retains substantially all of the risks and benefits of ownership and accounts for its leases as operating

leases.Contractual minimum base rent, percentage rent, and expense reimbursements from tenants for common area maintenance costs, insurance, and real estate taxes are our principal sources of revenue.Â Base minimum rents are recognized on a straight-line basis over the terms of the respective leases.Â Certain lease agreements contain provisions that provide for additional rents based upon a tenantâ€™s sales volume (contingent overage rent). Overage rent is recognized when tenants achieve the specified sales targets as defined in their lease agreements and is included within â€œRental incomeâ€ in the accompanying consolidated statements of operations and comprehensive income. If we determine that collectibility is probable, we recognize income from rentals based on the methodology described above. If we determine that collectibility is not probable, we recognize income only to the extent that cash has been received from the tenant. We have accounts receivable due from tenants and are subject to the risk of tenant defaults and bankruptcies, which may affect the collection of outstanding receivables. These receivables are reduced for credit loss, which is recognized as a reduction to rental income. We regularly evaluate the collectibility of these lease-related receivables by analyzing past-due account balances and consider such factors as the credit quality of the tenant, historical write-off experience, tenant creditworthiness, and current economic trends when evaluating the collectibility of rental income. Although we estimate uncollectible receivables and provide for them through charges against income, actual experience may differ from those estimates.We recognize the sale of real estate when control transfers to the buyer.Â As part of our ongoing business strategy, we will, from time to time, sell properties, land parcels and outlots, some of which are ground-leased to tenants.Â Net gains realized on such sales were $4.4 million, $1.7 million, and $4.5 million for the years ended DecemberÂ 31, 2024, 2023 and 2022, respectively, and are included within â€œOther property-related revenueâ€ in the accompanying consolidated statements of operations and comprehensive income.Tenant and Other Receivables and Allowance for Uncollectible AccountsTenant receivables consist primarily of billed minimum rent, accrued and billed tenant reimbursements, and accrued straight-line rent.Â The Company generally does not require specific collateral from its tenants other than corporate or personal guarantees. Other receivables consist primarily of amounts due from municipalities and tenants for non-rental revenue-related activities.An allowance for uncollectible accounts, including future credit losses of the accrued straight-line rent receivables, is maintained for estimated losses resulting from the inability of certain tenants to meet contractual obligations under their lease agreements.Â Accounts are written off when, in the opinion of management, the balance is deemed uncollectible. The provision for revenues deemed uncollectible represented 0.6%, 0.3%, and 0.7% of total revenues in each of the years ended DecemberÂ 31, 2024, 2023 and 2022, respectively.F-19Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsConcentration of Credit RiskWe may be subject to concentrations of credit risk with regard to our cash and cash equivalents. We place cash and temporary cash investments with high-credit-quality financial institutions. From time to time, such cash and investments may temporarily be in excess of insurance limits. In addition, our leases with tenants potentially subject us to a concentration of credit risk related to our accounts receivable and revenue.For the year ended DecemberÂ 31, 2024, the percentage of the Companyâ€™s revenue recognized from tenants leasing space in the states where the majority of our portfolio is concentrated, which includes Texas, Florida, Virginia, Indiana, and New York, was as follows:Texas26.8Â %Florida11.0Â %Virginia7.3Â %Indiana6.4Â %New York6.1Â %Income Taxes and REIT CompliancParent CompanyThe Parent Company has been organized and operated, and intends to continue to operate, in a manner that will enable it to maintain its qualification as a REIT for U.S. federal income tax purposes. As a result, it generally will not be subject to U.S. federal income tax on the earnings that it distributes to the extent it distributes its â€œREIT taxable incomeâ€ (determined before the deduction for dividends paid and excluding net capital gains) to shareholders of the Parent Company and meets certain other requirements on a recurring basis. To the extent that it satisfies this distribution requirement but distributes less than 100% of its taxable income, it will be subject to U.S. federal income tax on its undistributed REIT taxable income at regular corporate income tax rates. REITs are subject to a number of organizational and operational requirements. If the Parent Company fails to qualify as a REIT in any taxable year, it will be subject to U.S. federal income tax on its taxable income at regular corporate income tax rates for a period of four years following the year in which qualification is lost. Additionally, we may also be subject to certain taxes enacted by the Inflation Reduction Act of 2022 that are applicable to non-REIT corporations, including the non-deductible 1% excise tax on certain stock repurchases. We may also be subject to certain U.S. federal, state, and local taxes on our income and property and to U.S. federal income and excise taxes on our undistributed taxable income even if the Parent Company does qualify as a REIT. The Operating Partnership intends to continue to make distributions to the Parent Company in amounts sufficient to assist the Parent Company in adhering to REIT requirements and maintaining its REIT status.We have elected to treat Kite Realty Holdings, LLC and IWR Protective Corporation as TRSs of the Operating Partnership, and we may elect to treat other subsidiaries as TRSs in the future. This election enables us to receive income and provide services that would otherwise be impermissible for a REIT. Deferred tax assets and liabilities are established for temporary differences between the financial reporting bases and the tax bases of assets and liabilities at the tax rates expected to be in effect when the temporary differences reverse. Deferred tax assets are reduced by a valuation allowance if it is more likely than not that some portion or all of the deferred tax assets will not be realized.Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date. The Company recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. The Company records interest related to unrecognized tax benefits within â€œInterest expenseâ€ and penalties within â€œGeneral, administrative and otherâ€ expenses in the accompanying consolidated statements of operations and comprehensive income.F-20Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsOur tax return for the year ended DecemberÂ 31, 2024 has not been filed as of the filing date of this Annual Report on Form 10-K of the Parent Company and the Operating Partnership. The taxable information presented for our dividends paid in 2024 is based upon managementâ€™s estimate. Consequently, the taxable nature of dividends is subject to change. The following table summarizes the tax characterization of the dividends paid by the Parent Company for the years ended DecemberÂ 31, 2024, 2023 and 2022:Year Ended December 31,202420232022Ordinary income96.4Â %90.6Â %86.1Â %Return of capital0.0Â %0.0Â %0.0Â %Capital gains3.6Â %9.4Â %13.9Â %100.0Â %100.0Â %100.0Â %Operating PartnershipThe allocated share of income and loss, other than the operations of our TRSs, is included in the income tax returns of the Operating Partnershipâ€™s partners. Accordingly, the only U.S. federal income taxes included in the accompanying consolidated financial statements are in connection with the TRSs.Noncontrolling InterestsÂ We report the non-redeemable noncontrolling interests in subsidiaries as equity, and the amount of consolidated net income attributable to these noncontrolling interests is set forth separately in the accompanying consolidated financial statements.Â The following table summarizes the non-redeemable noncontrolling interests in consolidated properties for the years ended DecemberÂ 31, 2024, 2023 and 2022 (in thousands):Year Ended December 31,202420232022Noncontrolling interests balance as of January 1,$2,430Â $5,370Â $5,146Â Net income allocable to noncontrolling interests, excludingredeemable noncontrolling interests280Â 256Â 224Â Distributions to noncontrolling interests(1)(817)(3,196)â€”Â Noncontrolling interests balance as of December 31,$1,893Â $2,430Â $5,370Â (1)During the year ended December 31, 2023, we received a $3.2Â million distribution from excess proceeds related to a third-party financing.Noncontrolling Interests â€“ Joint VenturePrior to the merger with RPAI in October 2021, RPAI entered into a joint venture related to the development, ownership and operation of the multifamily rental portion of the expansion project at One Loudoun Downtown â€“ Pads G & H. The Company owns 90% of the joint venture.Under terms defined in the joint venture agreement, after construction completion and stabilization of the development project (as defined in the joint venture agreement), the Company has the ability to call, and the joint venture partner has the ability to put to the Company, subject to certain conditions, the joint venture partnerâ€™s interest in the joint venture at fair value. As of DecemberÂ 31, 2024, the conditions for exercising the put and call options have been met but neither the Company nor the joint venture partner has exercised their respective options.The joint venture is considered a VIE primarily because the Companyâ€™s joint venture partner does not have substantive kick-out rights or substantive participating rights. The Company is considered the primary beneficiary as it has a controlling financial interest in the joint venture. As such, the Company has consolidated this joint venture and presented the joint venture partnerâ€™s interests as noncontrolling interests.F-21Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsRedeemable Noncontrolling Interests â€“ Limited PartnersLimited Partner Units are redeemable noncontrolling interests in the Operating Partnership. We classify redeemable noncontrolling interests in the Operating Partnership in the accompanying consolidated balance sheets outside of permanent equity because we may be required to pay cash to holders of Limited Partner Units upon redemption of their interests in the Operating Partnership or deliver registered shares upon their conversion.Â The carrying amount of the redeemable noncontrolling interests in the Operating Partnership is reflected at the greater of historical book value or redemption value with a corresponding adjustment to additional paid-in capital. As of DecemberÂ 31, 2024 and 2023, the redemption value of the redeemable noncontrolling interests in the Operating Partnership exceeded the historical book value, and the balances were accordingly adjusted to redemption value.We allocate net operating results of the Operating Partnership after noncontrolling interests in the consolidated properties based on the partnersâ€™ respective weighted average ownership interest.Â We adjust the redeemable noncontrolling interests in the Operating Partnership at the end of each reporting period to reflect their interests in the Operating Partnership or redemption value.Â This adjustment is reflected in our shareholdersâ€™ and Parent Companyâ€™s equity.Â For the years ended DecemberÂ 31, 2024, 2023 and 2022, the weighted average interests of the Parent Company and the limited partners in the Operating Partnership were as follows:Â Year Ended December 31,Â 202420232022Parent Companyâ€™s weighted average interest in the Operating Partnership98.3Â %98.6Â %98.7Â %Limited partnersâ€™ weighted average interests in the Operating Partnership 1.7Â %1.4Â %1.3Â %As of DecemberÂ 31, 2024, the Parent Companyâ€™s interest and the limited partnersâ€™ redeemable noncontrolling ownership interests in the Operating Partnership were 98.1% and 1.9%, respectively. As of DecemberÂ 31, 2023, the Parent Companyâ€™s interest and the limited partnersâ€™ redeemable noncontrolling ownership interests in the Operating Partnership were 98.4% and 1.6%, respectively.Concurrent with the Parent Companyâ€™s IPO and related formation transactions, certain individuals received Limited Partner Units of the Operating Partnership in exchange for their interests in certain properties. The limited partners have the right to redeem Limited Partner Units for cash or, at the Parent Companyâ€™s election, common shares of the Parent Company in an amount equal to the market value of an equivalent number of common shares of the Parent Company at the time of redemption. Such common shares must be registered, which is not fully in the Parent Companyâ€™s control. Therefore, the limited partnersâ€™ interest is not reflected within permanent equity. The Parent Company also has the right to redeem the Limited Partner Units directly from the limited partner in exchange for either cash in the amount specified above or a number of its common shares equal to the number of Limited Partner Units being redeemed.There were 4,192,597 and 3,512,868 Limited Partner Units outstanding as of DecemberÂ 31, 2024 and 2023, respectively. The increase in Limited Partner Units outstanding from DecemberÂ 31, 2023 is due to non-cash compensation awards granted to our executive officers in the form of Limited Partner Units and the exercise of previously granted Appreciation Only Long-Term Incentive Plan Units (â€œAO LTIP Unitsâ€) in exchange for Limited Partner Units.Redeemable Noncontrolling Interests â€“ SubsidiariesPrior to the merger with Inland Diversified Real Estate Trust, Inc. (â€œInland Diversifiedâ€) in 2014, Inland Diversified formed joint ventures with the previous owners of certain properties and issued Class B units in three joint ventures that indirectly own those properties.Â As of December 31, 2021, the Class B units related to one of these joint ventures that owned Crossing at Killingly Commons, our multi-tenant retail property in Dayville, Connecticut, were outstanding and accounted for as noncontrolling interests in the remaining venture.Â In October 2022, the remaining Class B units became redeemable at the partnerâ€™s election and the fulfillment of certain redemption criteria for cash or Limited Partner Units in the Operating Partnership.Â In October 2022, we received notice from our joint venture partner of its exercise of their right to redeem the remaining Class B units for cash in the amount of $9.7Â million, which redemption was funded using available cash on October 3, 2022. Prior to the redemption, the Class B units did not have a maturity date and were not mandatorily redeemable unless either party had elected for the units to be redeemed. Prior to the redemption, we consolidated this joint venture because we controlled the decision-making, and our joint venture partner had limited protective rights.F-22Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe redeemable noncontrolling interests in the Operating Partnership and subsidiaries for the years ended DecemberÂ 31, 2024, 2023 and 2022 were as follows (in thousands):Year Ended December 31,202420232022Redeemable noncontrolling interests balance as of January 1,$73,287Â $53,967Â $55,173Â Net income allocable to redeemable noncontrolling interests65Â 629Â 258Â Distributions declared to redeemable noncontrolling interests(3,970)(3,159)(2,622)Payment for redemption of redeemable noncontrolling interestsâ€”Â â€”Â (10,070)Other, net including adjustments to redemption value28,692Â 21,850Â 11,228Â Total limited partnersâ€™ interests in the Operating Partnership and otherredeemable noncontrolling interests balance as of December 31,$98,074Â $73,287Â $53,967Â Limited partnersâ€™ interests in the Operating Partnership$98,074Â $73,287Â $53,967Â Other redeemable noncontrolling interests in certain subsidiariesâ€”Â â€”Â â€”Â Total limited partnersâ€™ interests in the Operating Partnership and otherredeemable noncontrolling interests balance as of December 31,$98,074Â $73,287Â $53,967Â Effects of Accounting PronouncementsAdoption of New Accounting PronouncementsEffective January 1, 2024, the Company adopted Accounting Standards Update (â€œASUâ€) 2023-07, Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures, on a retrospective basis. This new guidance provides new disclosure requirements on significant segment expenses that are regularly provided to the chief operating decision maker and other significant segment items. Public entities with a single reportable segment, such as the Company, must apply all of the new disclosure requirements as well as all existing segment disclosure and reconciliation requirements in Topic 280 on an annual and interim basis. The adoption of this pronouncement did not have any effect on the Companyâ€™s consolidated financial statements. See Note 11. â€œSegment Reportingâ€ to the accompanying consolidated financial statements for the Companyâ€™s reportable segment disclosures.Recently Issued Accounting PronouncementsIn November 2024, the FASB issued ASU 2024-03, Income Statementâ€”Reporting Comprehensive Incomeâ€”Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses. This new guidance requires public entities to disclose, in a tabular format, the amounts of certain natural expenses included within relevant expense captions presented on the face of the income statement, as well as provide additional disclosures about selling expenses. The new disclosure requirements are effective for annual reporting periods beginning after December 15, 2026 and interim periods within annual reporting periods beginning after December 15, 2027, with early adoption permitted, and may be applied either prospectively or retrospectively. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.SEC Final RuleIn March 2024, the SEC issued a final rule, The Enhancement and Standardization of Climate-Related Disclosures for Investors. This final rule requires companies to annually disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts on the Company, information about board oversight, risk management activities, and any material climate-related targets or goals. In addition, the final rule requires disclosure of material Scope 1 and/or Scope 2 greenhouse gas emissions, which will be subject to independent third-party assurance, and the financial statement effects of severe weather events and other natural conditions. In April 2024, the SEC announced a stay of these climate disclosure rules pending judicial review. The Company is continuing to evaluate the impact of this final rule until it becomes effective.F-23Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. The total number of properties in our portfolio was not affected by this transaction.(2)Plaza Del Lago also contained 8,800 square feet of residential space comprised of 18 multifamily rental units.(3)The Company sold the ground lease interest in one tenant at Lincoln Plaza, an existing multi-tenant operating retail property. The total number of properties in our portfolio was not affected by this transaction.During the year ended December 31, 2024, the Company also received net proceeds of $6.4Â million and recognized a gain of $2.5Â million in connection with the sale of the first phase of a land parcel and the rights to develop 24 residential units at One Loudoun Expansion. In addition, during the year ended December 31, 2024, the Company received proceeds of $0.6Â million and recognized a gain of $0.6Â million as a result of the receipt of an escrow related to the disposition of Reisterstown Road Plaza that previously closed on September 11, 2023.Since June 30, 2024, we have classified City Center, a 362,278 square foot multi-tenant retail property in the New York MSA, as held for sale as the Company has committed to a plan to sell this asset and expects that the sale will be completed within one year. This property qualified for held-for-sale accounting treatment upon meeting all applicable GAAP criteria as of F-25Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsJune 30, 2024, at which time depreciation and amortization were ceased. In addition, the assets and liabilities associated with this property remain separately classified as held for sale in the accompanying consolidated balance sheet as of DecemberÂ 31, 2024. No properties qualified for held-for-sale accounting treatment as of DecemberÂ 31, 2023.As of June 30, 2024, in connection with the preparation and review of the second quarter 2024 financial statements and in conjunction with classifying City Center as held for sale, we evaluated City Center for impairment and recorded a $66.2Â million impairment charge due to changes in the facts and circumstances underlying the Companyâ€™s expected future hold period of the property. A shortening of the expected future hold period is considered an impairment indicator; therefore, we assessed the recoverability of City Center by comparing the carrying value of long-lived assets of $135.1Â million as of June 30, 2024 to its estimated fair value of $69.6Â million, which was determined using the income approach, less estimated selling costs of $0.7Â million. The income approach involves discounting the estimated income stream and reversion (presumed sale) value of a property over an estimated hold period to a present value at a risk-adjusted rate. We used capitalization rates as a significant assumption in the valuation model, which are considered to be Level 3 inputs within the fair value hierarchy. We applied capitalization rates ranging from 6.0% to 15.0% to property income streams based upon the risk profile of the respective tenants and market rent of the leasable space. Based on this analysis, we recorded a $66.2Â million non-cash impairment charge on City Center during the three months ended June 30, 2024. Subsequent to December 31, 2024, the Company received bona fide purchase offers on City Center with a range of expected sales prices that are in line with the Companyâ€™s estimated fair value of $69.6Â million determined as of June 30, 2024. Therefore, the estimated fair value of City Center determined as of June 30, 2024 continues to be a reasonable estimate of value.The following table presents the assets and liabilities associated with City Center, the investment property that remains classified as held for sale as of DecemberÂ 31, 2024 (in thousands):December 31, 2024AssetsNet investment properties$68,991Â Tenant and other receivables1,760Â Restricted cash and escrow deposits225Â Deferred costs, net2,634Â Prepaid and other assets181Â Assets associated with investment property held for sale$73,791Â LiabilitiesAccounts payable and accrued expenses$544Â Deferred revenue and other liabilities3,465Â Liabilities associated with investment property held for sale$4,009Â During the year ended December 31, 2023, in connection with the preparation and review of the third quarter 2023 financial statements, the Company recorded a $0.5 million impairment charge in connection with the sale of Eastside, a 43,640 square foot, multi-tenant retail property in the Dallas/Ft. Worth MSA, as a result of a change in the expected hold period. The Company recorded the asset at the lower of cost or fair value less estimated costs to sell, which was approximately $14.1Â million. The estimated fair value of Eastside was based upon the expected sales price from an executed sales contract and determined to be a Level 3 input within the fair value hierarchy. Eastside was sold on October 24, 2023 for a gross sales price of $14.4 million.There were no discontinued operations for the years ended DecemberÂ 31, 2024, 2023 and 2022 as none of the dispositions or planned dispositions represented a strategic shift that has had, or will have, a material effect on our operations or financial results.F-26Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsNOTE 5. SHARE-BASED COMPENSATIONOverviewThe Companyâ€™s 2013 Equity Incentive Plan was amended and restated as of May 11, 2022 (the â€œEquity Planâ€) to, among other things, provide for the issuance of up to an additional 3,000,000 common share equivalents of the Company. The Equity Plan authorizes the issuance of share options, share appreciation rights, restricted shares and units, long-term incentive plan units (â€œLTIP Unitsâ€), â€œappreciation onlyâ€ LTIP Units (â€œAO LTIP Unitsâ€), performance awards, and other share-based awards to employees and trustees.Â As of DecemberÂ 31, 2024, there were 4,645,972 common share equivalents available for grant under the Equity Plan. The Company accounts for its share-based compensation in accordance with the fair value recognition provisions provided in ASC 718, Stock Compensation.During the years ended DecemberÂ 31, 2024, 2023 and 2022, the Company recognized $10.2 million, $10.1 million, and $10.3 million of share-based compensation expense, net of amounts capitalized, respectively, which is included within â€œGeneral, administrative and otherâ€ expenses in the accompanying consolidated statements of operations and comprehensive income.Â During the years ended DecemberÂ 31, 2024, 2023 and 2022, the Company capitalized $1.6 million, $1.4 million, and $1.3 million of share-based compensation for development activities, respectively. The Company recognizes forfeitures as they occur.Share OptionsPursuant to the Equity Plan, the Company may periodically grant options to purchase common shares at an exercise price equal to the grant date fair value of the Companyâ€™s common shares.Â Options granted typically vest over a five-year period and expire 10 years from the grant date.Â The Company issues new common shares upon the exercise of options.There was no option activity during the years ended DecemberÂ 31, 2024 and 2023 as all outstanding options were exercised during 2022. In addition, no options were granted during the years ended December 31, 2024, 2023 or 2022.The aggregate intrinsic value of the 1,250 options exercised during the year ended December 31, 2022 was $3,300.Restricted SharesThe Equity Plan authorizes the grant of restricted common shares, which are considered outstanding shares from the date of grant and typically vest over a period ranging from three to five years.Â The Company pays dividends on restricted shares, and such dividends are included within â€œAccumulated deficitâ€ in the accompanying consolidated balance sheets.The following table summarizes the activity for the restricted shares that were granted to the Companyâ€™s employees and Board of Trustees for the year ended DecemberÂ 31, 2024:Â Number ofRestricted SharesWeighted AverageGrant Date FairValue per ShareRestricted shares outstanding as of January 1, 2024337,077Â $21.28Â Shares granted256,134Â 21.20Â Shares forfeited(32,117)21.11Â Shares vested(175,858)20.99Â Restricted shares outstanding as of December 31, 2024385,236Â $21.37Â F-27Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe following table summarizes the restricted share grants and vestings during the years ended DecemberÂ 31, 2024, 2023 and 2022 (dollars in thousands, except share and per share data):Number ofRestricted Shares GrantedWeighted AverageGrant Date FairValue per ShareFair Value ofRestricted Shares Vested2024256,134Â $21.20Â $3,736Â 2023229,551Â $21.45Â $3,936Â 2022206,855Â $21.15Â $4,459Â As of DecemberÂ 31, 2024, there was $4.9 million of total unrecognized compensation expense related to restricted shares, which is expected to be recognized over a weighted average period of one year.Â We expect to incur approximately $3.1 million of this expense in 2025, $1.6 million in 2026, and the remainder in 2027.LTIP UnitsTime-based LTIP Unit awards were granted on a discretionary basis to the Companyâ€™s named executive officers during the years ended December 31, 2024, 2023 and 2022 based on a review of the prior yearâ€™s performance.The following table summarizes the activity for the LTIP Units that were granted to the Companyâ€™s named executive officers for the year ended DecemberÂ 31, 2024:Â Number ofLTIP UnitsWeighted AverageGrant Date FairValue per UnitLTIP Units outstanding as of January 1, 2024402,870Â $15.61Â LTIP Units granted194,136Â 16.99Â LTIP Units vested(186,297)15.26Â Restricted units outstanding as of December 31, 2024410,709Â $16.43Â The following table summarizes the LTIP Unit grants and vestings during the years ended DecemberÂ 31, 2024, 2023 and 2022 (dollars in thousands, except unit and per unit data):Number ofLTIP Units GrantedWeighted AverageGrant Date FairValue per UnitFair Value ofLTIP Units Vested2024194,136Â $16.99Â $4,270Â 2023163,515Â $17.45Â $3,740Â 2022138,505Â $17.07Â $3,173Â As of DecemberÂ 31, 2024, there was $4.4 million of total unrecognized compensation expense related to LTIP Units, which is expected to be recognized over a weighted average period of 1.0 year.Â We expect to incur approximately $2.9 million of this expense in 2025, $1.3 million in 2026, and the remainder in 2027.AO LTIP UnitsDuring the years ended DecemberÂ 31, 2024, 2023 and 2022, the Companyâ€™s executive officers exercised 485,593, 551,817, and 439,415 AO LTIP Units, respectively, which were previously granted in connection with the Companyâ€™s annual review of executive compensation. AO LTIP Units are designed to have economics similar to stock options and allow the recipient, subject to vesting requirements, to realize value above a threshold level set as of the grant date of the award (the â€œParticipation Thresholdâ€).Â The value of vested AO LTIP Units is realized through conversion into a number of vested LTIP Units in the Operating Partnership determined on the basis of how much the value of a common share of the Company has increased over the Participation Threshold.F-28Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe AO LTIP Units became exercisable and convertible into vested LTIP Units of the Operating Partnership after they became vested AO LTIP Units.Â The awards of AO LTIP Units were subject to both time-based and stock price performance-based vesting requirements.Â Subject to the terms of the award agreements, the AO LTIP Units vested and became fully exercisable as of the date that both of the following requirements had been met:Â (i)Â the grantee remains in continuous service from the grant date through the third anniversary of the grant date; and (ii)Â at any time during theÂ five-year period following the grant date for awards granted in 2019 and at any time during the period beginning in the second year and ending at the end of the fifth year following the grant date for awards granted in 2020 and 2021, the reported closing price per common share of the Company appreciates at leastÂ 20% for awards granted in 2019 and at least 15%Â for awards granted in 2020 and 2021 over the applicable Participation Threshold per AO LTIP Unit for a minimum ofÂ 20Â consecutive trading days.The AO LTIP Units were valued using a Monte Carlo simulation and the resulting compensation expense was amortized over a period of three to five years. During the years ended DecemberÂ 31, 2024, 2023 and 2022, the Company recognized compensation expense for the AO LTIP Units of $0.8 million, $1.7 million, and $1.9 million, respectively.Special Long-Term Equity AwardIn January 2022, the Compensation Committee of the Companyâ€™s Board of Trustees granted a total of 363,883 LTIP Units to the Companyâ€™s named executive officers as a special long-term equity award related to the October 2021 merger with RPAI, which are subject to both performance and service conditions. The LTIP Units granted were subject to an approximate three-year performance and service period, from October 23, 2021 through December 31, 2024, with the following performance components: (i) cumulative annualized net operating income for executed new leases from October 1, 2021 to December 31, 2024, which will be weighted at 60%; (ii) post-merger cash general and administrative expense synergies achieved as of the end of the performance period, which will be weighted at 20%; and (iii) same property net operating income margin improvement over the performance period, which will be weighted at 20%. Overall performance is further subject to an absolute total shareholder return modifier that can increase (or decrease) the total number of LTIP Units eligible to vest by up to 25% (not to exceed the maximum number of LTIP Units). Distributions will accrue during the performance period and be paid only on LTIP Units that vest at the conclusion of the performance period, and any accrued distributions on vested LTIP Units will be settled in cash at such time.NOTE 6. DEFERRED COSTS AND INTANGIBLES, NETDeferred costs consist primarily of acquired lease intangible assets, broker fees and capitalized internal commissions incurred in connection with lease originations.Â Deferred leasing costs, lease intangibles and similar costs are amortized on a straight-line basis over the terms of the related leases. As of DecemberÂ 31, 2024 and 2023, deferred costs consisted of the following (in thousands):December 31, 2024December 31, 2023Acquired lease intangible assets$357,674Â $433,771Â Deferred leasing costs and other89,762Â 74,662Â Â 447,436Â 508,433Â Less: accumulated amortization(206,589)(204,262)$240,847Â $304,171Â Less: deferred costs associated with investment property held for sale(2,634)â€”Â Deferred costs, net$238,213Â $304,171Â F-29Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. As of DecemberÂ 31, 2024, $155.0Â million in fixed rate debt is hedged to a floating rate for a weighted average of 0.7 years.Mortgages PayableÂ The following table summarizes the Companyâ€™s mortgages payable (dollars in thousands):December 31, 2024December 31, 2023BalanceWeighted AverageInterest RateWeighted Average Yearsto MaturityBalanceWeighted AverageInterest RateWeighted Average Yearsto MaturityFixed rate mortgages payable(1)$133,585Â 5.10Â %7.1$136,306Â 5.09Â %8.1Variable rate mortgage payable(2)14,600Â 6.48Â %1.617,000Â 7.59Â %2.6Total mortgages payable$148,185Â $153,306Â (1)The fixed rate mortgages had interest rates ranging from 3.75% to 5.73% as of DecemberÂ 31, 2024 and 2023.F-31Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statements(2)On October 1, 2024, the index on the variable rate mortgage was replaced with the Secured Overnight Financing Rate (â€œSOFRâ€) plus 215 basis points from the Bloomberg Short Term Bank Yield Index (â€œBSBYâ€) plus 215 basis points. The one-month SOFR rate was 4.33% as of December 31, 2024, and the one-month BSBY rate was 5.44% as of December 31, 2023.Mortgages payable, which are secured by certain real estate and, in some cases, by guarantees from the Operating Partnership, are generally due in monthly installments of principal and interest and mature over various terms through 2033. During the year ended DecemberÂ 31, 2024, we made scheduled principal payments of $5.1 million related to amortizing loans.Unsecured NotesThe following table summarizes the Companyâ€™s senior unsecured notes and exchangeable senior notes (dollars in thousands):December 31, 2024December 31, 2023Maturity DateBalanceInterest RateBalanceInterest RateSenior notes â€“ 4.58% due 2024June 30, 2024$â€”Â â€”Â %$149,635Â 4.58Â %Senior notes â€“ 4.00% due 2025March 15, 2025350,000Â 4.00Â %350,000Â 4.00Â %Senior notes â€“ SOFR + 3.65% due 2025(1)September 10, 202580,000Â 7.70Â %80,000Â 9.27Â %Senior notes â€“ 4.08% due 2026September 30, 2026100,000Â 4.08Â %100,000Â 4.08Â %Senior notes â€“ 4.00% due 2026October 1, 2026300,000Â 4.00Â %300,000Â 4.00Â %Senior exchangeable notes â€“ 0.75% due 2027April 1, 2027175,000Â 0.75Â %175,000Â 0.75Â %Senior notes â€“ SOFR + 3.75% due 2027(2)September 10, 202775,000Â 7.80Â %75,000Â 9.37Â %Senior notes â€“ 4.24% due 2028December 28, 2028100,000Â 4.24Â %100,000Â 4.24Â %Senior notes â€“ 4.82% due 2029June 28, 2029100,000Â 4.82Â %100,000Â 4.82Â %Senior notes â€“ 4.75% due 2030September 15, 2030400,000Â 4.75Â %400,000Â 4.75Â %Senior notes â€“ 4.95% due 2031December 15, 2031350,000Â 4.95Â %â€”Â â€”Â %Senior notes â€“ 5.50% due 2034(3)March 1, 2034350,000Â 4.60Â %â€”Â â€”Â %Total senior unsecured notes$2,380,000Â $1,829,635Â (1)$80,000 of 4.47% senior unsecured notes due 2025 has been swapped to a variable rate of three-month SOFR plus 3.65% through September 10, 2025.(2)$75,000 of 4.57% senior unsecured notes due 2027 has been swapped to a variable rate of three-month SOFR plus 3.75% through September 10, 2025.(3)The coupon rate of the Notes Due 2034 (defined below) is 5.50%; however, as a result of hedging activities, the Companyâ€™s interest rate is 4.60%.Private Placement Senior Unsecured NotesIn October 2021, in connection with the merger with Retail Properties of America, Inc. (â€œRPAIâ€), the Operating Partnership entered into a number of assumption agreements pursuant to which the Operating Partnership assumed all of RPAIâ€™s obligations under RPAIâ€™s existing note purchase agreements related to an aggregate of $450.0Â million in principal of privately placed senior unsecured notes. During the year ended December 31, 2024, the Company repaid the $149.6Â million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024. In addition, in August 2015, the Operating Partnership entered into a note purchase agreement in connection with the issuance of $250.0Â million of senior unsecured notes at a blended interest rate of 4.41% and an average maturity of 9.8 years (collectively, the â€œPrivate Placement Notesâ€). During the year ended December 31, 2023, the Company repaid the $95.0Â million principal balance of the 4.23% senior unsecured notes that matured on September 10, 2023.Each series of Private Placement Notes requires semi-annual interest payments each year until maturity. The Operating Partnership may prepay at any time all, or from time to time any part of, any series of the Private Placement Notes in an amount not less than 5% of the aggregate principal amount of such series of the Private Placement Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid plus a make-whole amount (as defined in the applicable note purchase agreement). The make-whole amount is equal to the excess, if any, of the discounted value of the remaining scheduled payments with respect to the Private Placement Notes being prepaid over the amount of such Private Placement Notes.F-32Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsEach note purchase agreement contains customary financial maintenance covenants, including a maximum total leverage ratio, secured and unsecured leverage ratios, and a minimum interest coverage ratio. Each note purchase agreement also contains restrictive covenants that restrict the ability of the Operating Partnership and its subsidiaries to, among other things, enter into transactions with affiliates, merge or consolidate, transfer assets, or incur liens. Further, each note purchase agreement contains customary events of default, including in relation to non-payment, breach of covenants, defaults under certain other indebtedness, judgment defaults, and bankruptcy events. In the case of an event of default, the holders of the Private Placement Notes may, among other remedies, accelerate the payment of all obligations.Publicly Placed Senior Unsecured NotesIn August 2024, the Operating Partnership completed a public offering of $350.0Â million in aggregate principal amount of 4.95% senior unsecured notes due 2031 (the â€œNotes Due 2031â€). The Notes Due 2031 were priced at 99.328% of the principal amount to yield 5.062% to maturity and will mature on December 15, 2031, unless earlier redeemed. The Company expects the proceeds will be used to repay the $350.0Â million principal balance of the 4.00% senior unsecured notes due 2025 (the â€œNotes Due 2025â€) and for general corporate purposes.In January 2024, the Operating Partnership completed a public offering of $350.0Â million in aggregate principal amount of 5.50% senior unsecured notes due 2034 (the â€œNotes Due 2034â€). The Notes Due 2034 were priced at 98.670% of the principal amount to yield 5.673% to maturity and will mature on March 1, 2034, unless earlier redeemed. The proceeds were used to repay the $149.6Â million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024, the $120.0Â million unsecured term loan that matured on July 17, 2024 (the â€œ$120M Term Loanâ€), and for general corporate purposes.In October 2021, in connection with the merger with RPAI, the Operating Partnership (as successor by merger to RPAI) assumed all of RPAIâ€™s outstanding $750.0Â million aggregate principal of publicly placed senior unsecured notes. In addition, the Operating Partnership completed a $300.0Â million public offering of 4.00% senior unsecured notes in September 2016 (collectively, the â€œPublic Placement Notesâ€). The Public Placement Notes require semi-annual interest payments each year until maturity.The Public Placement Notes are the direct, senior unsecured obligations of the Operating Partnership and rank equally in right of payment with all of its existing and future unsecured and unsubordinated indebtedness. The Operating Partnership may redeem the Public Placement Notes at its option and in its sole discretion, at any time or from time to time, prior to three months prior to the respective maturity date (such date, the â€œPar Call Dateâ€), at a redemption price equal to 100% of the principal amount of the applicable Public Placement Notes being redeemed, plus accrued and unpaid interest and a â€œmake-wholeâ€ premium calculated in accordance with the indenture. Redemptions on or after the respective Par Call Date are not subject to the addition of a â€œmake-wholeâ€ premium.Exchangeable Senior NotesIn March 2021, the Operating Partnership issued $175.0Â million aggregate principal amount of 0.75% exchangeable senior notes maturing in April 2027 (the â€œExchangeable Notesâ€). The Exchangeable Notes are governed by an indenture between the Operating Partnership, the Company and U.S. Bank National Association, as trustee. The Exchangeable Notes were sold in the U.S. only to accredited investors pursuant to an exemption from the Securities Act of 1933, as amended (the â€œSecurities Actâ€), and subsequently resold to qualified institutional investors pursuant to Rule 144A under the Securities Act. The net proceeds from the offering of the Exchangeable Notes were approximately $169.7Â million after deducting the underwriting fees and other expenses paid by the Company. The Exchangeable Notes bear interest at a rate of 0.75% per annum, payable semi-annually in arrears, and will mature on April 1, 2027. During each of the years ended DecemberÂ 31, 2024, 2023 and 2022, we recognized approximately $1.3Â million of interest expense related to the Exchangeable Notes.Prior to January 1, 2027, the Exchangeable Notes will be exchangeable into cash up to the principal amount of the Exchangeable Notes exchanged and, if applicable, cash or common shares or a combination thereof only upon certain circumstances and during certain periods. On or after January 1, 2027, the Exchangeable Notes will be exchangeable into cash up to the principal amount of the Exchangeable Notes exchanged and, if applicable, cash or common shares or a combination thereof at the option of the holders at any time prior to the close of business on the second scheduled trading day preceding the maturity date. The initial exchange rate was 39.6628 common shares per $1,000 principal amount of Exchangeable Notes, which was equivalent to an initial exchange price of approximately $25.21 per common share and an exchange premium of F-33Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statementsapproximately 25% based upon the closing price of $20.17 per common share on March 17, 2021. The exchange rate is subject to adjustment upon the occurrence of certain events but will not be adjusted for any accrued and unpaid interest. As of DecemberÂ 31, 2024, the exchange rate of the Exchangeable Notes is 41.1225 common shares per $1,000 principal amount of Exchangeable Notes due to adjustments related to dividends paid.The Operating Partnership may redeem the Exchangeable Notes at its option, in whole or in part, on any business day on or after April 5, 2025, if the last reported sale price of the common shares has been at least 130% of the exchange price then in effect for at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period ending on, and including, the trading day immediately preceding the date on which the Operating Partnership provides notice of redemption at a redemption price equal to 100% of the principal amount of the Exchangeable Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date.In connection with the Exchangeable Notes, the Operating Partnership entered into privately negotiated capped call transactions (the â€œCapped Call Transactionsâ€) with certain of the initial purchasers of the Exchangeable Notes or their respective affiliates. The Capped Call Transactions initially cover, subject to anti-dilution adjustments substantially similar to those applicable to the Exchangeable Notes, the number of common shares underlying the Exchangeable Notes. The Capped Call Transactions are generally expected to reduce the potential dilution to holders of common shares upon exchange of the Exchangeable Notes. The cap price of the Capped Call Transactions was initially approximately $30.26, which represented a premium of approximately 50% over the last reported sale price of our common shares on March 17, 2021 and is subject to anti-dilution adjustments under the terms of the Capped Call Transactions. We incurred $9.8Â million of costs related to the Capped Call Transactions, which are included within â€œAdditional paid-in capitalâ€ in the accompanying consolidated balance sheets.Unsecured Term Loans and Revolving Line of CreditThe following table summarizes the Companyâ€™s term loans and revolving line of credit (dollars in thousands):December 31, 2024December 31, 2023Maturity DateBalanceInterest RateBalanceInterest RateUnsecured term loan due 2024 â€“ fixed rate(1)July 17, 2024$â€”Â â€”Â %$120,000Â 2.68Â %Unsecured term loan due 2026 â€“ fixed rate(2)July 17, 2026150,000Â 2.73Â %150,000Â 2.73Â %Unsecured term loan due 2027 â€“ fixed rate(3)October 24, 2027250,000Â 3.94Â %250,000Â 5.09Â %Unsecured term loan due 2029 â€“ fixed rate(4)July 29, 2029300,000Â 3.72Â %300,000Â 3.82Â %Total unsecured term loans$700,000Â $820,000Â Unsecured credit facility revolving line of credit â€“variable rate(5)October 3, 2028$â€”Â 5.64Â %$â€”Â 6.58Â %(1)As of December 31, 2023, $120,000 of SOFR-based variable rate debt had been swapped to a fixed rate of 1.58% plus a credit spread based on a ratings grid ranging from 0.80% to 1.65% through July 17, 2024. The applicable credit spread was 1.10% as of December 31, 2023.(2)$150,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 1.68% plus a credit spread based on a ratings grid ranging from 0.75% to 1.60% through July 17, 2026. The applicable credit spread was 1.05% as of DecemberÂ 31, 2024 and 2023.(3)$250,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.99% plus a credit spread based on a ratings grid through October 24, 2025. As of December 31, 2024, the credit spread ranged from 0.75% to 1.60% and the applicable credit spread was 0.95%. As of December 31, 2023, the credit spread ranged from 2.00% to 2.50% and the applicable credit spread was 2.10%. The maturity date of the term loan may be extended by one one-year period at the Operating Partnershipâ€™s election, subject to certain conditions.(4)$300,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.47% plus a credit spread based on a ratings grid ranging from 1.15% to 2.20% through August 1, 2025. The applicable credit spread was 1.25% as of DecemberÂ 31, 2024 and 1.35% as of December 31, 2023.(5)The revolving line of credit can be extended for either one one-year period or up to two six-month periods at the Companyâ€™s election, subject to (i) customary representations and warranties, including, but not limited to, the absence of an event of default as defined in the unsecured credit agreement and (ii) payment of an extension fee equal to 0.075% of the revolving line of credit capacity.F-34Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsUnsecured Revolving Credit FacilityIn October 2024, the Operating Partnership, as borrower, and the Company entered into the Third Amendment (the â€œThird Amendmentâ€) to the Sixth Amended and Restated Credit Agreement, dated as of July 8, 2021 (as amended, the â€œCredit Agreementâ€) with a syndicate of financial institutions to provide for an unsecured revolving credit facility aggregating $1.1Â billion (the â€œRevolving Facilityâ€) and a seven-year $300.0Â million unsecured term loan that matures in July 2029 (the â€œ$300M Term Loanâ€). Under the Credit Agreement, the Operating Partnership has the option, subject to certain customary conditions, to increase the Revolving Facility and/or incur additional term loans up to a maximum aggregate amount not to exceed $2.0Â billion. The Third Amendment extended the maturity date of the Revolving Facility to October 3, 2028, which maturity date may be extended for either one one-year period or up to two six-month periods at the Operating Partnershipâ€™s option, subject to certain conditions.Borrowings under the Revolving Facility bear interest at a rate per annum equal to SOFR plus a margin based on the Operating Partnershipâ€™s leverage ratio or credit rating, respectively, plus a facility fee based on the Operating Partnershipâ€™s leverage ratio or credit rating, respectively. The SOFR rate is also subject to an additional 0.10% spread adjustment. The Revolving Facility is currently priced on the leverage-based pricing grid. In accordance with the Credit Agreement, the credit spread set forth in the leverage grid resets quarterly based on the Companyâ€™s leverage, as calculated at the previous quarter end. The Company may irrevocably elect to convert to the ratings-based pricing grid at any time. As of DecemberÂ 31, 2024, making such an election would have resulted in a lower interest rate; however, the Company has not made the election to convert to the ratings-based pricing grid. As specified in the Third Amendment, in the event that the Company so elects to convert to the ratings-based pricing grid, the Company has the ability to obtain more favorable pricing in certain circumstances when its total leverage ratio is (x) less than or equal to 35.0% or (y) greater than 35.0% but less than or equal to 37.5% with respect to not more than one fiscal quarter following a period in which the condition described in clause (x) was satisfied (the â€œLeverage Toggleâ€). The Third Amendment also includes an adjustment to the sustainability-linked pricing provisions that allows the otherwise applicable interest rate margin to be reduced by up to two basis points (previously one basis point) if certain greenhouse gas emission reduction targets are achieved. The greenhouse gas emission reduction targets have not been achieved as of DecemberÂ 31, 2024.The following table summarizes the key terms of the Revolving Facility as of DecemberÂ 31, 2024 (dollars in thousands):Leverage-Based PricingInvestment-Grade PricingCredit AgreementMaturity DateExtension OptionsExtension FeeCredit SpreadFacility FeeCredit SpreadFacility FeeSOFR Adjustment$1,100,000 unsecured revolving line of credit10/3/20281 one-year or 2 six-month0.075%1.05%â€“1.50%0.15%â€“0.30%0.725%â€“1.40%0.125%â€“0.30%0.10%The Operating Partnershipâ€™s ability to borrow under the Credit Agreement is subject to ongoing compliance by the Operating Partnership and its subsidiaries with various restrictive covenants, including with respect to liens, transactions with affiliates, dividends, mergers and asset sales. In addition, the Credit Agreement requires that the Operating Partnership satisfy certain financial covenants, including (i) a maximum leverage ratio; (ii) a minimum fixed charge coverage ratio; (iii) a maximum secured indebtedness ratio; (iv) a maximum unsecured leverage ratio; and (v) a minimum unencumbered interest coverage ratio. As of DecemberÂ 31, 2024, we were in compliance with all such covenants.The Credit Agreement includes customary representations and warranties, which must continue to be true and correct in all material respects as a condition to future draws under the Revolving Facility. The Credit Agreement also contains customary events of default, the occurrence of which, following any applicable grace period, would permit the lenders to, among other things, declare the principal, accrued interest and other obligations under the Credit Agreement to be immediately due and payable.Unsecured Term LoansIn July 2022, in conjunction with the second amendment to the Credit Agreement, the Operating Partnership obtained a $300M Term Loan that is priced on a ratings-based pricing grid at a rate of SOFR plus a credit spread ranging from 1.15% to 2.20%. The SOFR rate is also subject to an additional 0.10% spread adjustment. Proceeds from the $300M Term Loan were used to repay outstanding indebtedness and for general corporate purposes. The Operating Partnership is permitted to prepay the $300M Term Loan in whole or in part, at any time, without premium or penalty. The Third Amendment to the Credit F-35Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsAgreement also applied the Leverage Toggle and adjustment to the sustainability-linked pricing provisions to the $300M Term Loan.In October 2021, in connection with the merger with RPAI, the Operating Partnership (as successor by merger to RPAI) assumed RPAIâ€™s $120M Term Loan and $150.0Â million unsecured term loan that matures in July 2026 (the â€œ$150M Term Loanâ€), which were originally priced on a leverage-based pricing grid with the credit spread set forth in the leverage grid resetting quarterly based upon the Companyâ€™s leverage, as calculated at the previous quarter end. The Operating Partnership had the option to irrevocably elect to convert to a ratings-based pricing grid at any time. In August 2022, the Operating

Partnership made the election to convert to the ratings-based pricing grid. During the year ended December 31, 2024, the Operating Partnership repaid the $120M Term Loan that matured on July 17, 2024. On October 31, 2024, the Operating Partnership entered into a fifth amendment to the loan agreement related to the $150M Term Loan that implemented certain changes to the representations and warranties, covenants, and events of default consistent with the Third Amendment. The loan agreement related to the $150M Term Loan includes a sustainability metric based on targeted greenhouse gas emission reductions, which results in a reduction of the otherwise applicable interest rate margin by one basis point upon achievement of targets set forth therein. The greenhouse gas emission reduction targets have not been achieved as of DecemberÂ 31, 2024.Under the loan agreement related to the $150M Term Loan, the Operating Partnership has the option to increase the term loan to $250.0Â million upon the Operating Partnershipâ€™s request, subject to certain conditions including obtaining commitments from any one or more lenders, whether or not currently party to the term loan agreement, to provide such increased amounts. The Operating Partnership is permitted to prepay the $150M Term Loan in whole or in part, at any time, without being subject to a prepayment fee.In OctoberÂ 2018, the Operating Partnership entered into a term loan agreement with a group of financial institutions providing for an unsecured term loan facility of up to $250.0Â million (the â€œ$250M Term Loanâ€). In October 2024, the Operating Partnership entered into the Second Amendment (the â€œSecond Amendmentâ€) to the term loan agreement that extended the maturity date of the $250M Term Loan to October 24, 2027 with the option to extend such maturity date by one one-year period at the Companyâ€™s election, subject to the payment of an extension fee and certain other customary conditions. In conjunction with the Second Amendment, the $250M Term Loan is priced on a ratings-based pricing grid with the interest rate equal to (x) a margin ranging from 0.75% to 1.60% or (y) a base rate plus a margin ranging from 0.00% to 0.60% and includes the same Leverage Toggle for determining pricing and sustainability-linked pricing provisions as described above for the Third Amendment to the Credit Agreement. In conjunction with the Second Amendment to the term loan agreement, the Company recorded a $0.2Â million loss on extinguishment of debt related to the write-off of unamortized debt issuance costs. The Operating Partnership has the option to increase the $250M Term Loan to $300.0Â million, subject to certain conditions, including obtaining commitments from any one or more lenders, whether or not currently party to the term loan agreement, to provide such increased amounts. The Operating Partnership is permitted to prepay the $250M Term Loan in whole or in part without premium or penalty.The unsecured term loan agreements contain representations, financial and other affirmative and negative covenants, and events of default that are substantially similar to those contained in the Credit Agreement. The unsecured term loan agreements all rank pari passu with the Operating Partnershipâ€™s Revolving Facility and other unsecured indebtedness of the Operating Partnership.The following table summarizes the key terms of the unsecured term loans as of DecemberÂ 31, 2024 (dollars in thousands):Unsecured Term LoansMaturity DateLeverage-Based PricingCredit SpreadInvestment-Grade PricingCredit SpreadSOFR Adjustment$150,000 unsecured term loan due 20267/17/20261.20% â€“ 1.70%0.75% â€“ 1.60%0.10%$250,000 unsecured term loan due 202710/24/2027(1)N/A0.75% â€“ 1.60%0.10%$300,000 unsecured term loan due 20297/29/2029N/A1.15% â€“ 2.20%0.10%(1)The maturity date may be extended by one one-year period at the Operating Partnershipâ€™s option, subject to certain conditions.F-36Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe following table summarizes the terms and fair values of the Companyâ€™s derivative financial instruments that were designated and qualified as part of a hedging relationship as of DecemberÂ 31, 2024 and 2023 (dollars in thousands):Fair Value Assets (Liabilities)(1)Type of HedgeNumber of InstrumentsAggregate NotionalReference RateInterest RateEffective DateMaturity DateDecember 31, 2024December 31, 2023Cash FlowFour$250,000Â SOFR2.99Â %12/1/202210/24/2025$2,307Â $4,952Â Cash FlowTwo100,000Â SOFR2.66Â %8/1/20228/1/2025884Â $2,415Â Cash FlowTwo200,000Â SOFR2.37Â %11/22/20238/1/20252,101Â 5,716Â Cash FlowThreeâ€”Â SOFR1.58Â %8/15/20227/17/2024â€”Â $2,236Â Cash FlowThree150,000Â SOFR1.68Â %8/15/20227/17/20265,316Â 7,744Â $700,000Â $10,608Â $23,063Â Fair Value(2)Two$155,000Â SOFRSOFR + 3.70%4/23/20219/10/2025$(3,937)$(9,408)Forward-StartingCash Flow(3)Three$150,000Â SOFR3.44Â %6/28/20246/28/2034$â€”Â $(700)(1)Derivatives in an asset position are included within â€œPrepaid and other assetsâ€ and derivatives in a liability position are included within â€œAccounts payable and accrued expensesâ€ in the accompanying consolidated balance sheets.(2)The derivative agreements swap a blended fixed rate of 4.52% for a blended floating rate of three-month SOFR plus 3.70%.(3)The forward-starting interest rate swaps were terminated in conjunction with the issuance of the Notes Due 2034 in January 2024.In August 2024, we entered into two intraday interest rate lock agreements with notional amounts totaling $350.0Â million that fixed the interest rate on a portion of the Notes Due 2031, which were issued in August 2024, at 3.75%. We paid $0.1Â million upon termination, which is included as a component of â€œAccumulated other comprehensive incomeâ€ in the accompanying consolidated balance sheets and is being reclassified as an increase to interest expense over the term of the debt.In December 2023, we entered into three forward-starting interest rate swap agreements with notional amounts totaling $150.0Â million that swap a floating rate of compound SOFR for a fixed rate of 3.44% with an effective date of June 28, 2024 and a maturity date of June 28, 2034. These interest rate swaps fixed the interest rate on a portion of the Notes Due 2034, which were issued in January 2024, and were subsequently terminated upon issuance of the Notes Due 2034. We received $0.7Â million upon termination, which is included as a component of â€œAccumulated other comprehensive incomeâ€ in the accompanying consolidated balance sheets and is being reclassified as a reduction to interest expense over the term of the debt.In October 2022, we terminated two forward-starting interest rate swaps with notional amounts totaling $150.0Â million and a maturity date of June 1, 2032 and received $30.9Â million upon termination. This settlement is included as a component of â€œAccumulated other comprehensive incomeâ€ in the accompanying consolidated balance sheets and is being reclassified to earnings over time as the hedged items are recognized in earnings. During the year ended December 31, 2023, we accelerated the reclassification of $3.1Â million in accumulated other comprehensive income as a reduction to interest expense as a result of a portion of the hedged forecasted transaction becoming probable not to occur.These interest rate derivative agreements are the only assets or liabilities that we record at fair value on a recurring basis.Â The valuation of these assets and liabilities is determined using widely accepted techniques, including discounted cash flow analysis.Â These techniques consider the contractual terms of the derivatives (including the period to maturity) and use observable market-based inputs such as interest rate curves and implied volatilities.Â We also incorporate credit valuation adjustments into the fair value measurements to reflect nonperformance risk on both our part and that of the respective counterparties.We have determined that the majority of the inputs used to value our derivatives fall within Level 2 of the fair value hierarchy, although the credit valuation adjustments associated with our derivatives use Level 3 inputs such as estimates of current credit spreads to evaluate the likelihood of default by us and our counterparties.Â As of DecemberÂ 31, 2024 and 2023, we assessed the significance of the impact of the credit valuation adjustments on the overall valuation of our derivative positions F-39Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial Statementsand determined that the credit valuation adjustments were not significant to the overall valuation of our derivatives. As a result, we have determined that our derivative valuations are classified within Level 2 of the fair value hierarchy.Amounts reported in accumulated other comprehensive income related to derivatives will be reclassified to earnings over time as the hedged items are recognized in earnings.Â Approximately $17.4 million was reclassified as a reduction to interest expense during both of the years ended December 31, 2024 and 2023. Approximately $7.3 million was reclassified as an increase to interest expense during the year ended December 31, 2022. As interest payments on our derivatives are made over the next 12 months, we estimate the decrease to interest expense to be approximately $13.0 million, assuming the current SOFR curve.Unrealized gains and losses on our interest rate derivative agreements are the only components of the change in accumulated other comprehensive income.NOTE 10. LEASE INFORMATIONRental IncomeThe Company receives rental income from the leasing of retail and office space. The lease agreements generally provide for certain increases in base rent, reimbursement for certain operating expenses, and may require tenants to pay contingent rent to the extent their sales exceed a defined threshold. Certain tenants have the option in their lease agreement to extend their lease upon the expiration of the contractual term. Variable lease payments are based upon tenant sales information and are recognized once a tenantâ€™s sales volume exceeds a defined threshold. Variable lease payments for the reimbursement of operating expenses are based upon the operating expense activity for the period.Rental income related to the Companyâ€™s operating leases is comprised of the following for the years ended DecemberÂ 31, 2024, 2023 and 2022 (in thousands):Year Ended December 31, 202420232022Fixed contractual lease payments â€“ operating leases$653,537Â $637,915Â $615,773Â Variable lease payments â€“ operating leases156,200Â 151,853Â 151,304Â Bad debt reserve(5,356)(3,459)(6,027)Straight-line rent adjustments12,742Â 13,186Â 17,031Â Straight-line rent reserve for uncollectibility(653)(1,374)(553)Amortization of in-place lease liabilities, net10,078Â 12,025Â 4,821Â Rental income$826,548Â $810,146Â $782,349Â The weighted-average remaining term of the lease agreements is approximately 5.1 years.Â During the years ended DecemberÂ 31, 2024, 2023 and 2022, the Company earned overage rent totaling $7.1 million, $7.5 million, and $5.9 million, respectively.As of DecemberÂ 31, 2024, future minimum rentals to be received under non-cancelable operating leases, excluding variable lease payments and amounts deferred under lease concession agreements, for each of the next five years and thereafter are as follows (in thousands):Lease Payments2025$643,851Â 2026597,134Â 2027524,291Â 2028435,178Â 2029332,941Â Thereafter999,811Â Total$3,533,206Â F-40Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsCommitments under Ground LeasesAs of DecemberÂ 31, 2024, we are obligated under 12 ground leases for approximately 98 acres of land. Most of these ground leases require fixed annual rent payments.Â The expiration dates of the remaining initial terms of these ground leases range from 2025 to 2092 with a weighted average remaining term of 33.5 years.Â Certain of these leases have five- to 10-year extension options ranging in total from 20 to 25 years.Right-of-use assets are included within â€œPrepaid and other assetsâ€ and lease liabilities are included within â€œDeferred revenue and other liabilitiesâ€ in the accompanying consolidated balance sheets.During the years ended DecemberÂ 31, 2024, 2023 and 2022, the Company incurred ground lease expense on these operating leases of $6.3 million, $6.2 million, and $6.2 million, respectively. The Company made payments of $5.2 million, $5.2 million, and $5.1 million during the years ended DecemberÂ 31, 2024, 2023 and 2022, respectively, which are included within operating cash flows.As of DecemberÂ 31, 2024, future minimum lease payments due under ground leases for each of the next five years and thereafter are as follows (in thousands):Lease Obligations2025$5,169Â 20265,174Â 20275,219Â 20284,979Â 20294,935Â Thereafter100,709Â $126,185Â Adjustment for discounting(59,148)Lease liabilities as of December 31, 2024$67,037Â NOTE 11. SEGMENT REPORTINGAn operating segment is a component of a public entity that engages in business activities from which it may earn revenues and incur expenses and has discrete financial information available that is regularly reviewed by the chief operating decision maker (the â€œCODMâ€).The Companyâ€™s primary business is the ownership and operation of high-quality, open-air shopping centers and mixed-use assets that are primarily grocery-anchored and located in high-growth Sun Belt markets and select strategic gateway markets in the United States. We derive our revenue primarily from the collection of contractual rents and reimbursement payments from tenants under existing lease agreements at each of our properties. The Companyâ€™s CODM, which is its Chief Executive Officer, regularly reviews operating and financial information for each property on an individual basis; therefore, each property represents an individual operating segment. The CODM does not distinguish or group our operations on a geographical or any other basis for purposes of measuring performance and allocating capital. Across our properties, the financial performance, revenue generating activities, and customer base is determined to be economically similar; therefore, all operating segments have been aggregated into one reportable segment.The CODM measures and evaluates the financial performance of our portfolio of properties and decides how resources are allocated based on net operating income. The CODM uses net operating income to evaluate income generated from each property in deciding whether to reinvest profits for recurring capital expenditures or into other parts of the business, such as for acquisitions, developments, scheduled interest and principal payments on our indebtedness, or to pay dividends. Net operating income is also used to monitor budget versus actual results in assessing the performance of our properties. The CODM does not regularly review total assets for our single reportable segment as total assets are not used to assess performance or allocate resources.F-41Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe following table presents information on the Companyâ€™s reported segment revenue, net operating income, and significant segment expenses that are provided to the CODM and included within the Companyâ€™s single reportable operating segment measure of profit or loss:Year Ended December 31,202420232022Revenue:Minimum rent$650,331Â $642,255Â $620,847Â Tenant reimbursements174,510Â 163,877Â 161,594Â Bad debt reserve(5,356)(3,459)(6,027)Other property-related revenue8,787Â 6,416Â 8,756Â Overage rent7,063Â 7,473Â 5,935Â Total revenue835,335Â 816,562Â 791,105Â Expenses:Property operating â€“ recoverable96,894Â 90,180Â 91,295Â Property operating â€“ non-recoverable15,455Â 16,348Â 14,400Â Real estate taxes103,301Â 101,780Â 103,759Â Total expenses215,650Â 208,308Â 209,454Â Net operating income619,685Â 608,254Â 581,651Â Other (expense) income:Other general and administrative expenses(52,558)(56,142)(54,860)Fee income4,663Â 4,366Â 8,539Â Impairment charges(66,201)(477)â€”Â Depreciation and amortization(393,335)(426,361)(469,805)Merger and acquisition costsâ€”Â â€”Â (925)Interest expense(125,691)(105,349)(104,276)Equity in (loss) earnings of unconsolidated subsidiaries(1,158)33Â 256Â Gain on sale of unconsolidated property, net2,325Â â€”Â â€”Â Income tax expense of taxable REIT subsidiaries(139)(533)(43)Loss on extinguishment of debt(180)â€”Â â€”Â Other income, net17,869Â 1,991Â 240Â (Loss) gain on sales of operating properties, net(864)22,601Â 27,069Â Net income (loss)4,416Â 48,383Â (12,154)Net income attributable to noncontrolling interests(345)(885)(482)Net income (loss) attributable to common shareholders$4,071Â $47,498Â $(12,636)NOTE 12. SHAREHOLDERSâ€™ EQUITYDistributionsÂ Our Board of Trustees declared a cash distribution of $0.27 per common share and Common Unit for the fourth quarter of 2024. This distribution was paid on January 16, 2025 to common shareholders and common unitholders of record as of January 9, 2025.For the years ended DecemberÂ 31, 2024, 2023 and 2022, we declared cash

distributions totaling $1.03, $0.97, and $0.87, respectively, per common share and Common Unit.F-42Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsShare Repurchase ProgramIn February 2021, our Board of Trustees approved a share repurchase program under which the Company may repurchase, from time to time, up to an aggregate of $150.0Â million of its common shares. In April 2022, our Board of Trustees authorized a $150.0Â million increase to the size of the share repurchase program, authorizing share repurchases up to a maximum of $300.0Â million of its common shares (the â€œShare Repurchase Programâ€). The Company intends to fund any future repurchases under the Share Purchase Program with cash on hand or availability under the Revolving Facility, subject to any applicable restrictions. The timing of share repurchases and the number of common shares to be repurchased under the Share Repurchase Program will depend upon prevailing market conditions, regulatory requirements, and other factors. In January 2025, the Company extended the Share Repurchase Program for an additional year to February 28, 2026, if not terminated or extended prior to that date. As of DecemberÂ 31, 2024, the Company has not repurchased any shares under the Share Repurchase Program.Dividend Reinvestment and Share Purchase PlanWe maintain a dividend reinvestment and share purchase plan that offers shareholders and new investors the option to invest all or a portion of their common share dividends in additional common shares.Â Participants in this plan are also able to make optional cash investments with certain restrictions.NOTE 13. EARNINGS PER SHARE OR UNITBasic earnings per share or unit is calculated based on the weighted average number of common shares or units outstanding during the period.Â Diluted earnings per share or unit is calculated based on the weighted average number of common shares or units outstanding during the period combined with the incremental weighted average common shares or units that would have been outstanding assuming the conversion of all potentially dilutive common shares or units into common shares or units as of the earliest date possible.Potentially dilutive securities include (i) outstanding options to acquire common shares; (ii) Limited Partner Units, which may be exchanged for either cash or common shares at the Parent Companyâ€™s option and under certain circumstances; (iii) AO LTIP Units; (iv) deferred common share units, which may be credited to the personal accounts of members of the Board of Trustees in lieu of compensation paid in cash or the issuance of common shares to such trustees, and (v) common shares issuable upon the exchange of the Companyâ€™s Exchangeable Notes.Â The Company calculates the potential dilutive effect of the Exchangeable Notes under the if-converted method, which considers only the amounts settled in excess of the principal in diluted earnings per share as the principal must be paid in cash. Limited Partner Units have been omitted from the Parent Companyâ€™s denominator for the purpose of computing diluted earnings per share since the effect of including those amounts in the denominator would have no dilutive impact. Weighted average Limited Partner Units outstanding were 3.8 million, 3.2Â million, and 2.8 million for the years ended DecemberÂ 31, 2024, 2023 and 2022, respectively.F-43Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsThe following summarizes the calculation of basic and diluted earnings per share for the Parent Company for the years ended DecemberÂ 31, 2024, 2023 and 2022. We have omitted the calculation of basic and diluted earnings per unit since the dilutive securities for the Operating Partnership are the same as those for the Parent Company (dollars in thousands, except per share data):Year Ended December 31,202420232022Numerator:Net income (loss) attributable to common shareholders â€“ basic and diluted$4,071Â $47,498Â $(12,636)Denominator:Weighted average common shares outstanding â€“ basic219,614,149Â 219,344,832Â 219,074,448Â Effect of dilutive securities:AO LTIP Units43,331Â 325,603Â â€“Â Deferred common share units70,016Â 57,848Â â€“Â Exchangeable Notesâ€“Â â€“Â â€“Â Weighted average common shares outstanding â€“ diluted219,727,496Â 219,728,283Â 219,074,448Â Net income (loss) per common share â€“ basic$0.02Â $0.22Â $(0.06)Net income (loss) per common share â€“ diluted$0.02Â $0.22Â $(0.06) Due to the net loss allocable to common shareholders and common unitholders for the year ended December 31, 2022, no securities had a dilutive impact for that period.NOTE 14. COMMITMENTS AND CONTINGENCIESOther Commitments and ContingenciesWe are obligated under various completion guarantees with certain lenders and lease agreements with tenants to complete all or portions of a development project and tenant-specific space that are currently under construction.Â We believe we currently have sufficient financing in place to fund these projects and expect to do so primarily through free cash flow or borrowings on the Revolving Facility.In 2017, we provided a repayment guaranty on a $33.8 million construction loan associated with the development of the Embassy Suites at the University of Notre Dame, consistent with our 35% ownership interest. Our portion of the repayment guaranty was limited to $5.9Â million, and the guarantyâ€™s term was through July 1, 2024, the maturity date of the construction loan. In July 2024, the joint venture repaid the construction loan, of which we contributed $10.2Â million, representing our 35% share of the debt repaid.In 2021, we provided repayment and completion guaranties on loans totaling $66.2 million associated with the development of The Corner mixed-use project in the Indianapolis MSA. As of DecemberÂ 31, 2024, the outstanding balance of the loans was $68.4 million, of which our share was $34.2 million.Legal ProceedingsWe are not subject to any material litigation, nor, to managementâ€™s knowledge, is any material litigation currently threatened against us. We are parties to routine litigation, claims, and administrative proceedings arising in the ordinary course of business.Â Management believes that such matters will not have a material adverse impact on our consolidated financial condition, results of operations or cash flows taken as a whole.F-44Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. AND SUBSIDIARIESNotes to Consolidated Financial StatementsNOTE 15. RELATED PARTIES AND RELATED PARTY TRANSACTIONSSubsidiaries of the Company provide certain management, construction management and other services to a number of entities owned by several members of the Companyâ€™s management.Â During each of the years ended DecemberÂ 31, 2024, 2023 and 2022, we earned less than $0.1 million from entities owned by certain members of management.We reimburse entities owned by certain members of the Companyâ€™s management for certain travel and related services.Â During the years ended DecemberÂ 31, 2024, 2023 and 2022, we paid $0.2 million, $0.3 million, and $0.3 million, respectively, to this related entity.During the year ended December 31, 2023, a wholly owned subsidiary of the Company (â€œKRG Developmentâ€) assigned to Pan Am Development Partners, LLC (the â€œAssigneeâ€) certain rights and obligations related to the development of a hotel on the Pan Am Plaza site in Indianapolis, IN, including certain future development rights and a right of first offer involving the project (collectively, the â€œProject Rights and Obligationsâ€). The Assignee is a wholly owned subsidiary of Circle Block Investor, LLC, the parent company that owns the Conrad Indianapolis hotel, of which Mr. Alvin E. Kite, our Chairman Emeritus and the father of Mr. John A. Kite, is the majority owner, and Mr. John A. Kite, our Chief Executive Officer and Chairman of the Board, and Mr. Thomas K. McGowan, our President and Chief Operating Officer, are minority owners. In connection with the transaction, the Assignee assumed all Project Rights and Obligations from and after August 7, 2023 and paid KRG Development a $3.5Â million assignment fee (the â€œAssignment Feeâ€) during the year ended December 31, 2024 upon the completion of certain development activities. In connection with the transactions, Mr. Kite and Mr. McGowan expressly acknowledged and agreed that they remain subject to their executive employment agreements with the Company, including, without limitation, the obligation of each executive to devote substantially all his business time and effort to the performance of his duties for the Company. Assignee will engage a team of full-time professionals to perform the Project Rights and Obligations. The transaction was approved by a special transaction committee of the independent trustees of the Company (the â€œTransaction Committeeâ€) as well as the Companyâ€™s independent trustees. The Transaction Committee engaged a third-party financial advisor to assist in determining the net value of the Project Rights and Obligations and establishing the Assignment Fee.NOTE 16. SUBSEQUENT EVENTSSubsequent to DecemberÂ 31, 2024, we closed on the acquisition of Village Commons, a 170,976-square-foot, grocery-anchored, multi-tenant retail property located in West Palm Beach, Florida, for a gross purchase price of $68.4Â million.F-45Table of ContentsKITE REALTY GROUP TRUST AND KITE REALTY GROUP, L.P. All the terms used herein which are not otherwise defined herein shall have the meanings set forth in the Loan Agreement.2.Modification of the Loan Agreement. Borrower, the Agent and the Lenders do hereby modify and amend the Loan Agreement as follows:(a)By deleting in its entirety the definition of â€œAdjusted EBITDAâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new definition:â€œâ€œAdjusted EBITDAâ€ means, as of any date, the Consolidated Net Income for the most recent four (4) full fiscal quarters of the Parent for which financial results have been reported, as adjusted, without duplication, by (i) adding or deducting for, as appropriate, any adjustment made under GAAP for straight lining of rents, gains or losses from sales of assets, extraordinary or non-recurring items, impairment and other non-cash charges, depreciation, amortization, interest expenses, taxes and the Consolidated Group Pro Rata Share of interest, taxes, depreciation and amortization in Investment Affiliates; (ii) deducting therefrom the Capital Expenditure Reserve Deduction for such period and (iii) adding back all master lease income (not to exceed 5% of Consolidated Net Income), charges (including any premiums or make-whole amounts) associated with any prepayment, redemption or repurchase of indebtedness or early retirement of preferred stock and costs in connection with acquisitions, including non-capitalized costs incurred in connection with

acquisitions that fail to close. For purposes of this definition, non-recurring items shall be deemed to include, but not be limited to, (1) gains and losses on early extinguishment of Indebtedness, (2) severance and other restructuring charges, and (3) transaction costs of acquisitions, dispositions, capital markets offerings, debt financings and amendments thereto not permitted to be capitalized pursuant to GAAP (including, without limitation, any portion of the purchase price payable with respect to an acquisition that is not permitted to be capitalized pursuant to GAAP).â€; (b)By deleting in its entirety the definition of â€œConsolidated Interest Expenseâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new definition:â€œâ€œConsolidated Interest Expenseâ€ means, for any period without duplication, the sum of (a) the amount of interest expense, determined in accordance with GAAP, of the Consolidated Group for such period attributable to Consolidated Outstanding Indebtedness during such period (excluding amortization of any deferred financing fees and prepayment penalties and costs associated with early extinguishment of debt, to the extent constituting interest expense in accordance with GAAP) plus (b) the applicable Consolidated Group Pro Rata Share of any interest expense, determined in accordance with GAAP after taking into account the exclusions set forth in clause (a), of each Investment Affiliate, for such period, whether recourse or non-recourse.â€;(c)By deleting in its entirety the definition of â€œFixed Charge Coverage Ratioâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new definition:â€œâ€œFixed Charge Coverage Ratioâ€ means (i) Adjusted EBITDA divided by (ii) the sum of (A) Consolidated Debt Service for the most recent four (4) fiscal quarters for which financial results of Borrower have been reported, plus (B) all Preferred Dividends, if any, paid or payable during such four (4) fiscal quarters (except to the extent such Preferred Dividends are paid or payable solely in Capital Stock payable to holders of such class of Capital Stock).â€;(d)By deleting in its entirety clause (h) of the definition of â€œIndebtednessâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new clause (h):â€œ(h) any Net Mark-to-Market Exposure (except to the extent arising under a Financial Contract entered into as a hedge against interest rate risk in respect of existing Indebtedness)â€;2 (e)By deleting the words â€œEquity Interestsâ€ appearing in clause (a) of the definition of â€œPermitted Transfer Restrictionsâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the words â€œCapital Stockâ€;(f)By deleting in its entirety clause (iii) of the definition of â€œTotal Asset Valueâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new clause (iii):â€œ(iii) cash and Cash Equivalents which would be included on the Consolidated Groupâ€™s consolidated balance sheet as of such date (including fully refundable deposits associated with any potential acquisition, and cash in respect of Section 1031 exchanges that are subject to customary Section 1031 exchange terms) and Marketable Securities owned by the Consolidated Group as of the end of such fiscal quarterâ€;(g)By inserting the following new definition into Article I of the Existing Loan Agreement, in the appropriate alphabetical order:â€œâ€œUnencumbered Cash and Cash Equivalentsâ€ means, as of any date of determination, (a) the aggregate book value of all cash and Cash Equivalents owned by members of the Consolidated Group that are not pledged or otherwise restricted for the benefit of any creditor or subject to any escrow, cash trap, reserves, Liens or claims of any kind in favor of any Person, plus, without duplication, (b) the applicable Consolidated Group Pro Rata Share of such cash and Cash Equivalents owned by each Investment Affiliate. For the avoidance of any doubt, any Cash Collateral pledged or delivered by Borrower pursuant to this Agreement shall not be included in Unencumbered Cash and Cash Equivalents.â€;(h)By deleting in its entirety the definition of â€œUnencumbered Leverage Ratioâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new definition:â€œâ€œUnencumbered Leverage Ratioâ€ means, as of any date, (x) the then-current Unsecured Indebtedness of the Consolidated Group minus all Unencumbered Cash and Cash Equivalents, divided by (y) the then-current Unencumbered Pool Value.â€;(i)By deleting in its entirety the definition of â€œWholly-Owned Subsidiaryâ€ appearing in Article 1 of the Existing Loan Agreement and inserting in lieu thereof the following new definition:â€œâ€œWholly-Owned Subsidiaryâ€ of a Person means (i) any Subsidiary all of the beneficial ownership of which (other than, in the case of a corporation, directorsâ€™ qualifying shares or, in the case of a REIT, preferred shares issued to comply with Section 856(a)(5) of the Code) shall at the time be owned or controlled, directly or indirectly, by such Person or one or more Wholly-Owned Subsidiaries of such Person, or by such Person and one or more Wholly-Owned Subsidiaries of such Person, or (ii) any partnership, limited liability 3 company, association, joint venture or similar business organization 100% of the beneficial ownership of which (other than, in the case of a REIT, preferred shares issued to comply with Section 856(a)(5) of the Code) shall at the time be so owned or controlled.â€;(j)By inserting the following parenthetical after the word â€œreportâ€ appearing in the first sentence of Section 5.9 of the Existing Loan Agreement: â€œ(other than financial projections, other forward looking statements and information of a general economic or industry nature)â€;(k)By deleting the word â€œcouldâ€ appearing in the last sentence of Section 5.12 of the Existing Loan Agreement and inserting in lieu thereof the words â€œwould reasonably be expected toâ€;(l)By inserting the following new parenthetical after the word â€œcertifiedâ€ appearing in Section 6.1(i) of the Existing Loan Agreement: â€œ(subject to normal year-end audit adjustments and the inclusion in the final year-end statements of footnotes that are not contained in the quarterly financial statements)â€;(m)By deleting the words â€œand substanceâ€ appearing in Section 6.1(iv) of the Existing Loan Agreement;(n)By inserting the following words after the words â€œcompliance withâ€ appearing in Section 6.1(v) of the Existing Loan Agreement: â€œSection 6.21 ofâ€;(o) By inserting the following words after the word â€œcouldâ€ appearing in Section 6.1(vii) of the Existing Loan Agreement: â€œreasonably be expected toâ€;(p)By deleting the words â€œclause (ix)â€ appearing in Section 6.1(x) of the Existing Loan Agreement and inserting in lieu thereof the words â€œclause (x)â€;(q)By deleting in its entirety Section 6.3 of the Existing Loan Agreement and inserting in lieu thereof the following new section:â€œ6.3Â Â Â Â Notice of Default or Springing Recourse Event. The Borrower will give notice in writing to the Administrative Agent of (i) the occurrence of any Default or Unmatured Default promptly after an Authorized Officer of the Parent or the Borrower, as applicable, obtains knowledge of the same, (ii) any other development, financial or otherwise (including the filing of material litigation), which could reasonably be expected to have a Material Adverse Effect and (iii) the occurrence of any Springing Recourse Event promptly after an Authorized Officer of the Parent or the Borrower, as applicable, obtains knowledge of the same.â€;(r)By inserting the following proviso at the end of Section 6.21(i) of the Existing Loan Agreement:4 â€œ; provided, further, that for purposes of this Section 6.21(i), (1) Consolidated Outstanding Indebtedness on any date shall be adjusted by deducting therefrom an amount equal to the aggregate amount of cash and Cash Equivalents which would be included on the Consolidated Groupâ€™s consolidated balance sheet as of such date (including fully refundable deposits associated with any potential acquisition, and cash in respect of Section 1031 exchanges that are subject to customary Section 1031 exchange terms) in excess of $25,000,000 and (2) Total Asset Value shall be adjusted by deducting therefrom the amount by which Consolidated Outstanding Indebtedness is adjusted under clause (1)â€;(s)By inserting the following proviso at the end of the parenthetical appearing in Section 7.2 of the Existing Loan Agreement:â€œ; provided that solely with respect to Sections 6.3(ii) and (iii), a Default shall not occur unless Borrower fails to comply with any requirement thereunder for a period of more than ten (10) daysâ€;(t)By deleting the amount â€œ$75,000,000â€ appearing in Section 7.5 of the Existing Loan Agreement and inserting in lieu thereof the amount â€œ$100,000,000â€; and(u)By deleting the amount â€œ$75,000,000â€ appearing in Section 7.8 of the Existing Loan Agreement and inserting in lieu thereof the amount â€œ$100,000,000â€.3.References to Loan Agreement. All references in the Loan Documents to the Loan Agreement shall be deemed a reference to the Loan Agreement as modified and amended herein.4.Acknowledgment of Borrower and Guarantor. Borrower and Guarantor hereby acknowledge, represent and agree that the Loan Documents, as modified and amended herein, remain in full force and effect and constitute the valid and legally binding obligation of Borrower and Guarantor, as applicable, enforceable against Borrower and Guarantor in accordance with their respective terms (except as enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting generally the enforcement of creditorsâ€™ rights and the effect of general principles of equity), and that the execution and delivery of this Amendment does not constitute, and shall not be deemed to constitute, a release, waiver or satisfaction of Borrowerâ€™s or Guarantorâ€™s obligations under the Loan Documents.5.Representations and Warranties. Borrower and Guarantor represent and warrant to the Agent and the Lenders as follows:(a)Authorization. The execution, delivery and performance of this Amendment and any agreements executed and delivered in connection herewith and the transactions contemplated hereby and thereby (i) are within the authority of Borrower and Guarantor, (ii) have been duly authorized by all necessary proceedings on the part of the Borrower and Guarantor, (iii) do not and will not conflict with or result in any breach or contravention of any provision of law, statute, rule or regulation to which any of the Borrower or Guarantor is subject or any judgment, order, writ, injunction, license or permit applicable to any of the Borrower or Guarantor, (iv) do not and will not conflict with or constitute a default 5 (whether with the passage of time or the giving of notice, or both) under any provision of the partnership agreement or certificate, certificate of formation, operating agreement, articles of incorporation or other charter documents or bylaws of, or any mortgage, indenture, agreement, contract or other instrument binding upon, any of the Borrower or Guarantor or any of their respective properties or to which any of the Borrower or Guarantor is subject, and (v) do not and will not result in or require the imposition of any lien or other encumbrance on any of the properties, assets or rights of any of the Borrower or Guarantor.(b)Enforceability. This Amendment and any agreements executed and delivered in connection herewith are valid and legally binding obligations of Borrower and Guarantor enforceable in accordance with the respective terms and provisions hereof and thereof, except as enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or other laws relating to or affecting generally the enforcement of creditorsâ€™ rights and the effect of general principles of equity.(c)Approvals. The execution, delivery and performance of this Amendment and any agreements executed and delivered in connection herewith and the transactions contemplated hereby and thereby do not require the approval or consent of any Person or the authorization, consent, approval of or any license or permit issued by, or any filing or registration with, or the giving of any notice to, any court, department, board, commission or other governmental agency or authority other than those already obtained and any disclosure filings with the SEC as may be required with respect to this Amendment.(d)Reaffirmation. Borrower and Guarantor reaffirm and restate as of the date hereof each and every representation and warranty made by Borrower and Guarantor and their respective Subsidiaries in the Loan Documents (as amended hereby) or otherwise made by or on behalf of such Persons in connection therewith except for representations or warranties that expressly relate to an earlier date, which representations or warranties shall only be required to have been true and correct in as of such earlier date and except for changes in factual circumstances not prohibited under the Loan Documents.6.No Default. By execution hereof, Borrower and Guarantor certify that as of the date of this Amendment and immediately after giving effect to this Amendment and the other documents executed in connection herewith, no Unmatured Default or Default has occurred and is continuing.7.Waiver of Claims. Borrower and Guarantor acknowledge, represent and agree that none of such Persons has any defenses, setoffs, claims, counterclaims or causes of action of any kind or nature whatsoever arising on or before the date hereof with respect to the Loan Documents, the administration or funding of the Loan or with respect to any acts or omissions of the Agent or any Lender, or any past or present officers, agents or employees of the Agent or any Lender pursuant to or relating to the Loan Documents, and each of such Persons does hereby expressly waive, release and relinquish any and all such defenses, setoffs, claims, counterclaims and causes of action arising on or before the date hereof, if any.8.Ratification. Except as hereinabove set forth, all terms, covenants and provisions of the Loan Agreement remain unaltered and in full force and effect, and the parties hereto do hereby expressly ratify and confirm the Loan Documents as modified and amended herein. 6 Guarantor hereby consents to the terms of this Amendment. Nothing in this Amendment or any other document delivered in connection herewith shall be deemed or construed to constitute, and there has not otherwise occurred, a novation, cancellation, satisfaction, release, extinguishment or substitution of the indebtedness evidenced by the Notes or the other obligations of Borrower and Guarantor under the Loan Documents.9.Effective Date. This Amendment shall be deemed effective and in full force and effect (the â€œEffective Dateâ€) upon satisfaction of the following conditions:(a)the execution and delivery of this Amendment by Borrower, Guarantor, the Agent and the Lenders;(b)receipt by Agent of such other resolutions, certificates, documents, instruments and agreements as the Agent may reasonably request; and(c)receipt by the Agent of evidence that Borrower shall have paid all fees due and payable with respect to this Amendment.10.Fees and Expenses. Borrower shall pay the reasonable fees and expenses of the Agent in connection with this Amendment and the transactions contemplated hereby in accordance with Section 9.7 of the Loan Agreement.11.Accrued Interest and Fees. All interest and fees accrued prior to the date of this Amendment under provisions of the Loan Agreement modified by this Amendment shall remain payable at the due dates set forth in the Loan Agreement.12.Amendment as Loan Document. This Amendment shall constitute a Loan Document.13.Counterparts. This Amendment may be executed in any number of counterparts which shall together constitute but one and the same agreement.14.MISCELLANEOUS. THIS AMENDMENT SHALL PURSUANT TO NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401 BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS EXECUTED, AND TO BE FULLY PERFORMED, IN SUCH STATE. This Amendment shall be binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors, successors-in-title and assigns as provided in the Loan Agreement.15.Electronic Signatures. Delivery of an executed counterpart of a signature page to this Amendment by facsimile or as an attachment to an electronic mail message in .pdf, .jpeg, .TIFF or similar electronic format shall be effective as delivery of a manually executed counterpart of this Amendment for all purposes. The words â€œexecution,â€ â€œsigned,â€ â€œsignature,â€ â€œdelivery,â€ and words of like import in or relating to this Amendment and any other Loan Document to be signed in connection with this Amendment, the other Loan Documents and the transactions contemplated hereby and thereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the 7 same legal effect, validity or enforceability as manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that nothing herein shall require the Agent to accept electronic signatures in any form or format without its prior written consent. For the purposes hereof, â€œElectronic Signaturesâ€ means an electronic sound, symbol, or process attached to, or associated with, a contract or other record and adopted by a Person with the intent to sign, authenticate or accept such contract or record. Each of the parties hereto represents and warrants to the other parties hereto that it has the corporate capacity and authority to execute the Amendment through electronic means and there are no restrictions for doing so in that partyâ€™s constitutive documents. Without limiting the generality of the foregoing, each of Borrower and Guarantor hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among any of the Agent or the Lenders and any of Borrower or Guarantor, electronic images of this Agreement or any other Loan Document (in each case, including with respect to any signature pages thereto) shall have the same legal effect, validity and enforceability as any paper original, and (ii) waives any argument, defense or right to contest the validity or enforceability of any Loan Document based solely on the lack of paper original copies of such Loan Document, including with respect to any signature pages thereto.[CONTINUED ON NEXT PAGE]8 IN WITNESS WHEREOF, the parties hereto have hereto set their hands and affixed their seals as of the day and year first above written.BORROWER:KITE REALTY GROUP, L.P., a Delaware limited partnershipBy:Kite Realty Group Trust, a Maryland corporation, its soleGeneral PartnerBy:/s/ HEATH FEARHeath Fear, Executive Vice President andChief Financial OfficerGUARANTOR:KITE REALTY GROUP TRUST, a Maryland corporationBy:/s/ HEATH FEARName:Heath FearTitle:Executive Vice President and Chief Financial Officer(Signatures Continued On Next Page)[Signature Page to Fifth Amendment to Term Loan Agreement]AGENT AND LENDERS:KEYBANK NATIONAL ASSOCIATION, as theAgent and as a LenderBy:/s/ Jim KomperdaName:Jim KomperdaTitle:Senior Vice PresidentWELLS FARGO BANK, NATIONALASSOCIATIONBy:/s/ Scott S. Insider trading violations are pursued vigorously by the Securities and Exchange Commission (the â€œSECâ€) and other governmental agencies and can result in severe penalties. While the regulatory authorities usually concentrate their efforts on the individuals who trade, or who tip Inside Information to others who trade, the federal securities laws also impose potential liability on companies and other â€œcontrolling personsâ€ if they fail to take reasonable steps to prevent insider trading by company personnel.The Company has adopted this Policy on Inside Information and Insider Trading (this â€œPolicyâ€) both to satisfy the Companyâ€™s obligation to prevent insider trading and to help the Companyâ€™s personnel and its external advisors avoid violating insider trading laws.B.Applicability of Policy1.Covered PersonsThis Policy applies to the following people (collectively, â€œCovered Personsâ€):â€¢all officers of the Company and its subsidiaries;â€¢all members of the Board of Trustees of the Company (â€œTrusteesâ€);â€¢all employees of the Company and its subsidiaries; â€¢any family members or persons that reside in the same household as any of the foregoing persons; andâ€

¢any other person whose transactions in Company securities are directed by the foregoing persons, including any trust, partnership, corporation or other entity over which such persons have investment control.The failure of any person subject to this Policy to observe and strictly adhere to the policies and procedures set forth herein at all times will be grounds for disciplinary action, up to and including dismissal. To ensure that Company confidences are protected to the maximum extent possible, no individuals other than specifically authorized personnel may release material information to the public or respond to inquiries from the media, analysts or others outside the Company, as set forth in the Companyâ€™s Public Disclosure Policy.1All consultants and outside advisors assisting the Company on sensitive matters are expected to abide by the Policy, although the Company assumes no responsibility with respect to the actions of persons who are not under its direct control.2.Restricted PersonsCertain Covered Persons are more likely to have access to Inside Information regarding the Company because of their positions or affiliations with the Company and, as a result, their trades are more likely to be subject to greater scrutiny. Accordingly, such persons are subject to additional restrictions on their ability to engage in purchase or sale transactions involving the Companyâ€™s securities (see Section D.1 (Blackout Period) and Section D.3 (Pre-Clearance) of this Policy). The following people are referred to as â€œRestricted Personsâ€ (in addition to being Covered Persons):â€¢all Trustees;â€¢all executive officers of the Company and its subsidiaries;â€¢all key employees of the Company and its subsidiaries set forth on Schedule A hereto (as may be amended from time to time by the Compliance Officer); andâ€¢any family members or persons that reside in the same household as any of the foregoing persons.3.Covered TransactionsThis Policy applies to all transactions in the Companyâ€™s securities, including common shares (including any securities that are exercisable for, or convertible or exchangeable into, common shares, including units of limited partnership interest) and any other securities the Company may issue from time to time whether or not pursuant to any benefit plan adopted by the Company.For purposes of this Policy, the Company considers transactions between Covered Persons and the Company with respect to grants under any Company equity incentive plan (or, to the extent applicable, granted outside such plan) to be exempt from this Policy. Such transactions include, without limitation, the following:â€¢the exercise of options for cash;â€¢the exercise of options on a â€œnet exerciseâ€ basis pursuant to which an optionee either (i) delivers outstanding common shares to the Company or (ii) authorizes the Company to withhold from issuance common shares issuable upon exercise of the option, in either case, having a fair market value on the date of exercise equal to the aggregate exercise price; orâ€¢the forfeiture to the Company of restricted common shares or share units to cover withholding tax obligations.2Thus, restrictions contained in this Policy would apply to the sale of the Companyâ€™s securities in the open market to pay the exercise price of an option and to the â€œcashless exerciseâ€ effected through a broker or â€œsame day saleâ€ of an option. In addition, any sale of the underlying securities acquired upon the exercise of an option is subject to the Policy. This Policy does not apply to the granting of options or other equity awards. Furthermore, bona fide gifts of securities (including transfers of Company securities made to trusts for estate planning purposes) are not transactions subject to this Policy, unless the person making the gift has reason to believe that the recipient intends to sell the Companyâ€™s securities while the person making the gift is aware of material nonpublic information, provided that Covered Persons must still pre-clear the transaction as described in Section D.3 below (â€œSpecific Policiesâ€”Pre-clearanceâ€).In addition to the other restrictions set forth in this Policy, all Covered Persons and any of their respective designees are strictly prohibited at all times from purchasing financial instruments (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, exchange funds and call or put options) or otherwise engaging in transactions that are designed to or have the effect of hedging or offsetting any decrease in the market value of equity securities of the Company or any of its subsidiaries (including, but not limited to, short sales and using margin accounts) granted to the Covered Person by the Company as compensation or otherwise held, directly or indirectly, by the Covered Person, except as otherwise approved by the Trustees of the Company.If you are unsure whether a particular transaction is prohibited under this Policy, you should consult with the Companyâ€™s Compliance Officer prior to engaging in, or entering into, an agreement, understanding or arrangement to engage in, such transaction.C.General PolicyNo Covered Person who is in possession of Inside Information may, either directly or indirectly (including, without limitation, through a family member, friend or entity in which such Covered Person or any of his or her family members is a director, trustee, officer or controlling equity holder or beneficiary), (i) purchase or sell the Companyâ€™s securities, (ii) engage in any other action to take advantage of Inside Information or (iii) provide Inside Information to any other person outside of the Company, including family and friends.In addition, Covered Persons may not purchase or sell any securities of any other company, such as a lender, possible acquisition target or competitor of the Company, when in possession of material non-public information concerning any such other company obtained in the course of his or her employment with, or service to, the Company or any of its subsidiaries.D.Specific Policies1.Black-out PeriodsRestricted Persons are prohibited from trading in the Companyâ€™s securities during the period beginning on the close of market on the last day of each fiscal quarter and ending after one 3full trading day following public disclosure of the financial results for that quarter or the full year.QuarterBlackout Period BeginsBlackout Period Ends1April 1After one full trading day after Q1 earnings are publicly released (typically late April)2July 1After one full trading day after Q2 earnings are publicly released (typically late July)3October 1After one full trading day after Q3 earnings are publicly released (typically late October)4January 1After one full trading day after Q4 earnings are publicly released (typically late February)In addition, from time to time, the Company may impose special black-out periods on Restricted Persons and other employees of the Company if, in the judgement of the Compliance Officer, it is likely that such person or persons have become aware of significant corporate developments that have not yet been disclosed to the public, even when trading otherwise may be permitted. In the event that certain Restricted Persons or other employees of the Company become subject to a special black-out period, such persons are prohibited from (i) trading in the Companyâ€™s securities and (ii) disclosing to others the fact that they are subject to such special black-out period. These special black-out periods may vary in length and may or may not be broadly communicated to Covered Persons. This restriction does not apply to transactions made under an approved Trading Plan (as defined below). The Company would re-open trading after one full trading day has passed following the date of public disclosure of such significant corporate developments.2.â€œTippingâ€ of InformationCovered Persons may not disclose, convey or â€œtipâ€ Inside Information to any person by providing them with Inside Information other than to disclose on a â€œneed to knowâ€ basis to officers and employees of the Company or outside advisors in the course of performing their duties for the Company. When sharing Inside Information with other officers and employees of the Company or outside advisors, or other persons involved in the business and affairs of the Company, such information should be confined to as small a group as possible. Unlawful tipping includes passing on Inside Information to friends, family members or acquaintances under circumstances that suggest that persons subject to this Policy were trying to help the recipients of such information to make a profit or avoid a loss by trading in the Companyâ€™s securities based on such information.3.Pre-clearanceA Restricted Person must obtain prior clearance from the Compliance Officer, or such personâ€™s designee, before such Restricted Person makes any purchases or sales (or gifts) of the Companyâ€™s securities, regardless of whether or not a black-out period is then in effect, and such person must certify that he or she is not in possession of any Inside Information at that time. In evaluating each proposed transaction, the Compliance Officer or such personâ€™s designee will 4consult as necessary with senior management and outside counsel before clearing any proposed trade.Clearance of a transaction is valid for no more than the 5-business day period immediately following the day of receipt by the Restricted Person of such clearance. Pre-clearance does not, in any circumstance, relieve anyone of their legal obligation to refrain from trading while in possession of Inside Information. In other words, even if pre-clearance is received, if the requesting person becomes aware of Inside Information or becomes subject to a black-out period, the transaction may not be completed. If clearance is denied, the fact of such denial must be kept confidential by the person requesting such clearance. Restricted Persons do not need to receive pre-clearance for trades pursuant to an approved Trading Plan, but they must receive prior approval before implementing such a plan by the Compliance Officer or such personâ€™s designee.4.Post-Transaction NoticeThe Restricted Persons who have a reporting obligation under Section 16 of the Securities Exchange Act of 1934, as amended (the â€œExchange Actâ€), shall also notify the Compliance Officer or the person designated by the Chief Executive Officer to serve in this role of the occurrence of any purchase, sale or other acquisition or disposition or gift of Company securities as soon as possible following the transaction, but in any event within one business day after the transaction. Such notification may be oral or in writing (including by e-mail) and should include the identity of the Restricted Persons, the type of transaction, the date of the transaction, the number of shares involved and the purchase or sale price (if applicable).For both the â€œPre-clearanceâ€ section above and this â€œPost-Transaction Noticeâ€ section, a purchase, sale or other acquisition or disposition or gift shall be deemed to occur at the time the person or entity becomes irrevocably committed to it (for example, in the case of an open market purchase or sale, this occurs when the trade is executed, not when it settles).5.Trading PlansÂ Â Â Â Notwithstanding the prohibition against insider trading, Rule 10b5-l under the Exchange Act (â€œRule 10b5-1â€) and this Policy permit Restricted Persons to trade in Company securities regardless of their awareness of Inside Information if the transaction is made pursuant to a pre-arranged trading plan (a â€œTrading Planâ€) that (i) meets certain conditions of Rule 10b5-1, (ii) was entered into outside of a black-out period and when the Restricted Person was not in possession of material, non-public information about the Company, and (iii) is operated in good faith. This Policy requires Trading Plans to be written, to specify the amount of, date on, and price at which the Company securities are to be traded or establish a formula for determining such items, and to comply with and be operated in accordance with the conditions of Rule 10b5-1, including the following:5â€¢trades under the Trading Plan, and in certain circumstances, an amended Trading Plan, may not commence until expiration of the â€œcooling-off periodâ€ set forth in Rule 10b5-11;â€¢the Trading Plan must include representations that (i) the person is not aware of material non-public information about the Company or its securities; and (ii) the person is adopting, or in certain cases amending, the Trading Plan in good faith and not as part of a plan or scheme to evade the prohibitions of Rule 10b5-1;â€¢no person may have more than one Trading Plan outstanding at any given time, unless otherwise permitted by the limited exceptions of Rule 10b5-1 (such as plans relating to â€œsell to coverâ€ arrangements intended to satisfy tax withholding obligations upon the vesting of equity awards); andâ€¢no person may have more than one single-trade Trading Plan (a plan designed to effect the open-market purchase or sale of the total amount of securities covered by the plan in a single transaction) within any consecutive 12-month period, unless otherwise permitted by the limited exceptions of Rule 10b5-1.A Restricted Person who wishes to enter into, amend or terminate (other than by expiration) a Trading Plan must submit the Trading Plan, or the amendment or notice of termination of the Trading Plan, to the Compliance Officer for approval prior to the adoption, amendment or termination of the Trading Plan. Subject to prior approval by the Compliance Officer, a Restricted Person may amend or replace his or her Trading Plan only during periods when trading is permitted in accordance with this Policy and when the Restricted Person was not in possession of material, non-public information about the Company.Restricted Persons subject to this Policy must promptly report to the Compliance Officer the adoption, amendment or termination of any trading plan that is not a Trading Plan, but that was entered into by a Company Trustee or executive officer at a time they asserted they were not aware of material non-public information about the Company or its securities.E.ComplianceAll Covered Persons must promptly report, in accordance with the procedures set forth in the Companyâ€™s Code of Business Conduct and Ethics (including through the use of the Companyâ€™s Ethics Hotline described in the Code of Business Conduct and Ethics), any trading in the Companyâ€™s securities by any Covered Person, or any disclosure of Inside Information or material non-public information concerning other companies by such Covered Person, that such person has reason to believe may violate this Policy or federal or state securities laws.Persons in possession of Inside Information when their employment or service terminates may not trade in the Companyâ€™s securities until that information has become public or is no longer material.1 For Trustees and Section 16 officers, such cooling-off period is generally the later of (i) 90 days after execution of the Trading Plan or (ii) two business days following the filing of the Form 10-K or Form 10-Q for the reporting period in which the Trading Plan was executed; for all other insiders, such cooling-off period is 30 days after execution of the Trading Plan.6F.Additional Information1.What is Inside Information?â€œInside Informationâ€ is material information about the Company that is not available to the public. Information generally becomes available to the public when it has been disclosed by the Company or third parties in a press release or another authorized public statement, including any filing with the SEC. In general, information is considered to have been made available to the public after one full trading day has passed since formal release of the information. In other words, there is a presumption that the public needs approximately one complete trading day to receive and absorb such information.2.What is Material Information?As a general rule, information about the Company is â€œmaterialâ€ if it could reasonably be expected to affect someoneâ€™s decision to buy, hold or sell the Companyâ€™s securities. In particular, information is considered to be material if its disclosure to the public would be reasonably likely to affect (i) an investorâ€™s decision to buy or sell the securities of the company to which the information relates, or (ii) the market price of that companyâ€™s securities. While it is not possible to identify in advance all information that will be deemed to be material, some examples of such information would include the following:â€¢significant changes in financial results and/or financial condition;â€¢unpublished financial or operating results, positive or negative;â€¢projections or changes in projections of financial or operating results, upwards or downwards;â€¢news of major new contracts or possible loss of business;â€¢dividends or stock splits;â€¢share redemption or repurchase programs;â€¢changes in management or control;â€¢plans or agreements related to significant mergers, acquisitions, reorganizations or joint ventures;â€¢significant litigation or regulatory developments;â€¢significant increases or decreases in the amount of outstanding securities or indebtedness;â€¢write-ups or write-downs of assets or changes in accounting methods;â€¢a change in the Companyâ€™s independent registered public accounting firm;â€¢the need to restate financial statements;â€¢impending bankruptcy or liquidity problems;7â€¢actual or projected changes in industry circumstance or competitive conditions that could significantly affect the Companyâ€™s revenues, earnings, financial position or future prospects;â€¢transactions with Trustees, officers or principal security holders; andâ€¢other events or developments that the Company would be required to disclose in a Form 8-K to be filed with the SEC.It can sometimes be difficult to know whether information would be considered â€œmaterial.â€ The determination of whether information is material is almost always clearer after the fact, when the effect of that information on the market can be quantified. Although you may have information about the Company that you do not consider to be material, federal regulators and others may conclude (with the benefit of hindsight) that such information was material. Therefore, trading in the Companyâ€™s securities when you possess non-public information about the Company can be risky. When doubt exists, the information should be presumed to be material. If you are unsure whether you are in possession of material, non-public information, you should consult with the Compliance Officer prior to engaging in, or entering into an agreement, understanding or arrangement to engage in, a purchase or sale transaction of any of the Companyâ€™s securities.3.What is the Penalty for Insider Trading?Trading on Inside Information is a crime. The consequence of insider trading and tipping are severe and may, in some cases, be applied to the Company as well as to the individual who illegally trades or tips. Possible consequences include criminal prosecution with the potential for prison terms and additional fines if convicted, civil penalties, termination of employment and personal embarrassment resulting from adverse publicity.G.CertificationYou must sign, date and return the attached Acknowledgement and Certification (or such other certification as the Compliance Officer may deem appropriate) stating that you have received, read, understand and agree to comply with the Companyâ€™s Policy on Inside Information and Insider Trading. The Company may require you to sign such an Acknowledgment and Certification on an annual basis, which Acknowledgment and Certification may be in electronic format. Please note that you are bound by the Policy regardless of whether you sign the Acknowledgment and Certification.If you have any questions with regard to this Policy, you should consult with the Compliance Officer.Originally approved by Board of Trustees on November 21, 2016, amended on August 10, 2022 and November 8, 2023.8Schedule ARestricted PersonsChairman and Chief Executive OfficerPresident and Chief Operating OfficerExecutive Vice President and Chief Financial OfficerExecutive Vice President of Employee ExperienceCorporate Secretary, Senior Vice President, Chief Legal OfficerSenior Vice President, Head of Real Estate LegalSenior Vice President, Chief Accounting OfficerSenior Vice President - Capital Markets, Investor Relations, Finance & TreasurerSenior Vice President, DevelopmentSenior Vice President, LeasingSenior Vice President, Property ManagementVice President, Capital Markets/Investor RelationsVice President, ControllerVice President, FinanceVice President, Property ManagementSenior Director, SEC Reporting/TechnicalDirector, AccountingDirector, Capital Markets/Investor RelationsDirector, FinanceDirector, Property Management & Budgeting/ForecastingBudget AnalystsFinance ManagerFinancial AnalystsExecutive Assistance to Chief Executive OfficerExecutive Assistant to Chief Operating OfficerExecutive Assistant to Chief Financial Officer9KITE REALTY GROUP TRUSTPOLICY ON INSIDE INFORMATION AND INSIDER TRADINGACKNOWLEDGMENT AND CERTIFICATIONI hereby acknowledge and certify that I have received, read, understand and will comply with the Kite Realty Group Trust Policy on Inside Information and Insider Trading.I understand that my agreement to comply with the Policy on Inside Information and Insider Trading does not constitute a contract of employment.Please sign here:Print name:Date:10 EX-21.1 4 exhibit21112-31x24.htm EXHIBIT 21.1 SUBSIDIARY LIST DocumentExhibit 21.1KITE REALTY GROUP TRUSTSubsidiary ListAs of December 31, 2024Name of SubsidiaryJurisdiction ofIncorporation or Formation116 & Olio, LLCIndiana3503 RP Carillon 1A Apartment, L.L.C.Delaware3503 RP Regal Cinemas SPE, L.L.C.Delaware3503 RPK Ashburn Loudoun JV, L.L.C.Delaware3503 RPK Ashburn Loudoun Property, L.L.C.Delaware6179 N Rural, LLCIndianaBirch Property & Casualty, LLCVermontBrentwood Land Partners, LLCDelawareCarmel Corner Holdings, LLCIndianaCarmel Corner Project Company, LLCIndianaCarmel Corner Project Partners, LLCIndianaCC Lending Company, LLCIndianaCorner Associates, LPIndianaDallas Metro Maintenance, L.L.C.DelawareDayville Property Development, LLCConnecticutDenville

ORGANIZATION AND BASIS OF PRESENTATION	12 Months Ended Dec. 31, 2024
Organization, Consolidation and Presentation of Financial Statements [Abstract]	
ORGANIZATION AND BASIS OF PRESENTATION	

ORGANIZATION AND BASIS OF PRESENTATION

Kite Realty Group Trust (the "Parent Company"), through its majority-owned subsidiary, Kite Realty Group, L.P. (the "Operating Partnership"), owns interests in various operating subsidiaries and joint ventures engaged in the ownership, operation, acquisition, development and redevelopment of high-quality, open-air, grocery-anchored shopping centers and vibrant mixed-use assets that are primarily located in high-growth Sun Belt markets and select strategic gateway markets in the United States. The terms "Company," "we," "us," and "our" refer to the Parent Company and the Operating Partnership, collectively, and those entities owned or controlled by the Parent Company and/or the Operating Partnership.

The Operating Partnership was formed on August 16, 2004, when the Parent Company contributed properties and the net proceeds from an initial public offering ("IPO") of shares of its common stock to the Operating Partnership. The Parent Company was organized in Maryland in 2004 to succeed in the acquisition, development, construction and real estate businesses of its predecessor. We believe the Company qualifies as a real estate investment trust ("REIT") under sections 856-860 of the Internal Revenue Code of 1986, as amended.

The Parent Company is the sole general partner of the Operating Partnership and, as of December 31, 2024, owned approximately 98.1% of the common partnership interests in the Operating Partnership (the "General Partner Units"). The remaining 1.9% of the common partnership interests (the "Limited Partner Units" and, together with the General Partner Units, the "Common Units") were owned by the limited partners. As the sole general partner of the Operating Partnership, the Parent Company has full, exclusive and complete responsibility and discretion in the day-to-day management and control of the Operating Partnership. The Parent Company and the Operating Partnership operate as one enterprise. The management of the Parent Company consists of the same members as the management of the Operating Partnership. As the sole general partner with control of the Operating Partnership, the Parent Company consolidates the Operating Partnership for financial reporting purposes, and the Parent Company does not have any significant assets other than its investment in the Operating Partnership.

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and revenues and expenses during the reported period. Actual results could differ from those estimates.

Unless otherwise noted, all dollar amounts are stated in thousands, except share, per share, and per square foot data. Number of properties and square feet are unaudited.

As of December 31, 2024, the Company's portfolio consisted of the following:

	Properties	Square Footage
Operating retail properties[1]	179	27,668,416
Office properties[2]	2	412,568
Development and redevelopment projects:		
The Corner – IN[3]	1	24,000
One Loudoun Expansion[4]	—	119,000
Hamilton Crossing Centre	1	92,283
Edwards Multiplex – Ontario	1	124,614

(1) Included within operating retail properties are 10 properties that contain an office component. Excludes one operating retail property classified as held for sale as of December 31, 2024. Of the 179 operating retail properties, 176 are consolidated within these financial statements and the remaining three are accounted for under the equity method.
(2) Office properties include Carillon medical office building, which was reclassified from active redevelopment into our office portfolio in December 2024.
(3) This property is held in an unconsolidated joint venture in which the Company has a 50% ownership interest.
(4) During the three months ended September 30, 2024, the Company began development activities on the retail and office portions of the expansion project at One Loudoun Downtown (the "One Loudoun Expansion") in the Washington, D.C. metropolitan statistical area ("MSA"). The Company estimates that it will incur net project costs of approximately $65.0 million to $75.0 million related to the One Loudoun Expansion.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES	12 Months Ended Dec. 31, 2024
Accounting Policies [Abstract]	
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES	

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Properties

Capitalization and Depreciation

Investment properties are recorded at cost and include costs of land acquisition, development, predevelopment, construction, certain allocated overhead, tenant allowances and improvements, and interest and real estate taxes incurred during construction. Significant renovations and improvements are capitalized when they extend the useful life, increase capacity, or improve the efficiency of the asset. If a tenant vacates a space prior to the lease expiration, terminates its lease, or otherwise notifies the Company of its intent to do so, any related unamortized tenant allowances are expensed over the shortened lease period. Ordinary repairs and maintenance that do not extend the useful lives of the respective assets are expensed as incurred and included within "Property operating" expense in the accompanying consolidated statements of operations and comprehensive income.

Predevelopment costs are incurred prior to vertical construction and for certain land held for development during the due diligence phase and include contract deposits, legal, engineering, cost of internal

resources, and other professional fees related to evaluating the feasibility of developing or redeveloping a shopping center or other project. These predevelopment costs are capitalized and included within "Investment properties, at cost" in the accompanying consolidated balance sheets. If we determine that the completion of a development project is no longer probable, all previously incurred predevelopment costs are immediately expensed. Land is transferred to construction in progress once construction commences on the related project.

We also capitalize costs such as land acquisition, building construction, interest, real estate taxes, and the costs of personnel directly involved with the development of our properties. As a portion of a development project becomes operational, we expense a pro rata amount of the related costs.

Depreciation expense is computed using the straight-line method. Buildings and improvements are depreciated over estimated original useful lives ranging from 10 to 35 years. Tenant improvements and allowances are depreciated over the term of the related lease. Equipment and fixtures are depreciated over five to 10 years. Depreciation may be accelerated for a redevelopment project, including partial demolition of an existing structure, after the asset is assessed for impairment.

The following table summarizes the composition of the Company's investment properties as of December 31, 2024 and 2023 *(in thousands)*:

	December 31, 2024	December 31, 2023
Land, buildings and improvements	$ 7,591,036	$ 7,684,066
Construction in progress	43,155	55,995
Investment properties, at cost	$ 7,634,191	$ 7,740,061

Valuation of Investment Properties

Management reviews our operating and development projects, land parcels, and intangible assets for impairment on a property-by-property basis whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. This review for possible impairment requires certain assumptions, estimates, and significant judgment. Examples of situations considered to be impairment indicators for both operating properties and development projects include, but are not limited to:

- a substantial decline in or continued low occupancy rate or cash flow;
- expected significant declines in occupancy in the near future;
- continued difficulty in leasing space;
- a significant concentration of financially troubled tenants;
- a reduction in the anticipated holding period;
- a cost accumulation or delay in the project completion date significantly above and beyond the original development or redevelopment estimate;
- a significant decrease in the market price not in line with general market trends; and
- any other quantitative or qualitative events or factors deemed significant by the Company's management or Board of Trustees.

Impairment losses for investment properties and intangible assets are measured when the undiscounted cash flows estimated to be generated by the investment properties during the expected holding period are less than the carrying amounts of those assets. The evaluation of impairment is subject to certain management assumptions, including projected net operating income, anticipated holding period, expected capital expenditures, and the capitalization rate used to estimate the property's residual value. Impairment losses are recorded as the excess of the carrying value over the estimated fair value of the asset. Our impairment review for land and development properties assumes we have the intent and ability to complete the developments or projected uses for the land parcels. If we determine those plans will not be completed or our assumptions with respect to operating assets are not realized, an impairment loss may be appropriate.

Investment Properties Held for Sale

The Company classifies an operating property as held for sale only when the property is available for immediate sale in its present condition and for which management believes it is probable that a sale of the property will be completed within one year, among other factors. An operating property classified as held for sale is carried at the lower of cost or fair value less estimated costs to sell. Depreciation and amortization are suspended during the held-for-sale period. One property was classified as held for sale as of December 31, 2024 and no properties qualified for held-for-sale accounting treatment as of December 31, 2023.

Acquisition of Investment Properties

Real estate assets are recognized on our consolidated balance sheets at historical cost, less accumulated depreciation and amortization. Upon acquisition of real estate operating properties, we estimate the fair value of acquired identifiable tangible assets (consisting of land, buildings and improvements) and identified intangible assets and liabilities (consisting of above-market and below-market leases and in-place leases), assumed debt, and any noncontrolling interest in the acquiree at the date of acquisition based upon an evaluation of information and estimates available at the acquisition date. Based on these estimates, we record the estimated fair value to the applicable assets and liabilities. In making estimates of fair value, a number of sources are used, including information obtained as a result of pre-acquisition due diligence, marketing, and leasing activities. The estimates of fair value were determined to have primarily relied upon Level 2 and Level 3 inputs, as defined below.

Fair value is determined for tangible assets and intangible assets and liabilities, including:

- the fair value of the building on an as-if-vacant basis and the fair value of land determined either by comparable market data, real estate tax assessments, independent appraisals, or other relevant data;
- above-market and below-market in-place lease values for acquired properties, which are based on the present value (using an interest rate that reflects the risks associated with the leases acquired) of the difference between (i) the contractual amounts to be paid pursuant to the in-place leases and (ii) management's estimate of fair market lease rates for the corresponding in-place leases, measured over the remaining non-cancelable term of the leases. Any below-market renewal options are also considered in the in-place lease values. The capitalized above-market and below-market lease values are amortized as a reduction of, or addition to, rental income over the term of the leases. Should a tenant vacate, terminate its lease, or otherwise notify us of its intent to do so, the unamortized portion of the lease intangibles would be charged or credited to income as applicable;
- the value of having a lease in place at the acquisition date. We use independent and internal sources for our estimates to determine the respective in-place lease values. Our estimates of value use methods similar to those used by independent appraisers. Factors we consider in our analysis include an estimate of costs to execute similar leases, including tenant improvements, leasing commissions, and foregone costs related to the reimbursement of property operating expenses, and fair market rent received during the estimated lease-up period as if the space was vacant. The

  value of in-place leases is amortized to depreciation and amortization expense over the remaining initial terms of the respective leases; and
- the fair value of any assumed financing that is determined to be above- or below-market terms. We use third-party and independent sources for our estimates to determine the respective fair value of each mortgage and other indebtedness, including related derivative instruments, assumed. The fair market value of each is amortized to interest expense over the remaining initial terms of the respective instruments.

We also consider whether there is any value to in-place leases that have a related customer relationship intangible value. Characteristics we consider in determining these values include the nature and extent of existing business relationships with the tenant, growth prospects for developing new business with the tenant, the tenant's credit quality, and expectations of lease renewals, among other factors. To date, we have not developed a tenant relationship that we consider to have a current intangible value.

Consolidation and Investments in Joint Ventures

The accompanying financial statements are presented on a consolidated basis and include all accounts of the Parent Company, the Operating Partnership, the taxable REIT subsidiaries ("TRSs") of the Operating Partnership, subsidiaries of the Operating Partnership that are controlled, and any variable interest entities ("VIEs") in which the Operating Partnership is the primary beneficiary. In general, a VIE is a corporation, partnership, trust or any other legal structure used for business purposes that either (a) has equity investors that do not provide sufficient financial resources for the entity to support its activities, (b) does not have equity investors with voting rights, or (c) has equity investors whose votes are disproportionate from their economics, and substantially all of the activities are conducted on behalf of the investor with disproportionately fewer voting rights.

The Operating Partnership accounts for properties that are owned by joint ventures in accordance with the consolidation guidance by evaluating each joint venture and determining first whether to follow the VIE or the voting interest entity ("VOE") model. Once the appropriate consolidation model is identified, the Operating Partnership then evaluates whether it should consolidate the joint venture. Under the VIE model, the Operating Partnership consolidates an entity when it has (i) the power to direct the activities of the VIE that most significantly impact the VIE's economic performance and (ii) the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. Under the VOE model, the Operating Partnership consolidates an entity when (i) it controls the entity through ownership of a majority voting interest if the entity is not a limited partnership or (ii) it controls the entity through its ability to remove the other partners or owners in the entity, at its discretion, when the entity is a limited partnership.

In determining whether to consolidate a VIE with the Operating Partnership, we consider all relationships between the Operating Partnership and the applicable VIE, including development and management agreements and other contractual arrangements, in determining whether we have the power to direct the activities of the VIE that most significantly affect the VIE's performance. As of December 31, 2024, we owned investments in two consolidated joint ventures that were VIEs in which the partners did not have substantive participating rights, and we were the primary beneficiary. As of December 31, 2024, these consolidated VIEs had mortgage debt totaling $109.7 million, which was secured by assets of the VIEs totaling $218.0 million. The Operating Partnership guarantees the mortgage debt of these VIEs.

The Operating Partnership is considered a VIE as the limited partners do not hold kick-out rights or substantive participating rights. The Parent Company consolidates the Operating Partnership as it is the primary beneficiary in accordance with the VIE model.

As of December 31, 2024, the Company also owned investments in four unconsolidated joint ventures accounted for under the equity method, which are not considered VIEs, as follows:

Three Property Retail Portfolio Joint Venture

On June 29, 2018, the Company formed a joint venture with Nuveen Real Estate, formerly known as TH Real Estate. The Company sold three properties (Livingston Shopping Center, Plaza Volente and Tamiami Crossing) to the joint venture, valued at $99.8 million in the aggregate, and, after considering third-party debt obtained by the joint venture upon formation, the Company contributed $10.0 million for a 20% noncontrolling ownership interest in the joint venture. The Company is the

operating member responsible for the day-to-day management of the properties and receives property management and leasing fees. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.

Embassy Suites at Eddy Street Commons

In December 2017, we formed a joint venture with an unrelated third party to develop and own an Embassy Suites hotel next to Eddy Street Commons, our operating retail property at the University of Notre Dame. We contributed $1.4 million of cash to the joint venture in return for a 35% ownership interest in the joint venture. In 2017, the joint venture entered into a $33.8 million construction loan, which was repaid during the year ended December 31, 2024, of which the Company contributed $10.2 million, representing our 35% share of the debt repaid. The Company accounts for the joint venture under the equity method, as both members have substantive participating rights, and we do not control the activities of the joint venture.

Glendale Multifamily Joint Venture

In May 2020, the Company formed a joint venture for the planned development of a multifamily project adjacent to our Glendale Town Center operating retail property in the Indianapolis metropolitan statistical area ("MSA"). The Company contributed land valued at $1.6 million to the joint venture and retained a 12% ownership interest in the joint venture. On January 31, 2024, the joint venture sold the 267-unit property to a third party, resulting in a gain on sale of $20.2 million. The Company recognized its share of the gain on the sale of unconsolidated property of $2.3 million during the year ended December 31, 2024. In addition, the Company received a $1.6 million distribution upon the disposition of the property. The Company maintains an investment in the joint venture, which is in the process of winding up its activities and distributing its remaining net assets. The Company's partner is the operating member responsible for the day-to-day management of the property. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.

Buckingham Mixed-Use Joint Venture

In September 2021, the Company formed a joint venture for the planned redevelopment of The Corner in the Indianapolis MSA into a mixed-use, multifamily, and retail project. The Company contributed land valued at $4.0 million to the joint venture and retained a 50% ownership interest in the joint venture. The Company's partner is the operating member responsible for the day-to-day management of the property. Both members have substantive participating rights over major decisions that impact the economics and operations of the joint venture. The Company accounts for the joint venture under the equity method as it has the ability to exercise influence but not control over the operating and financial policies of the joint venture.

Cash and Cash Equivalents

We consider all highly liquid investments purchased with an original maturity of 90 days or less to be cash and cash equivalents. From time to time, such investments may temporarily be held in accounts

that exceed the Federal Deposit Insurance Corporation ("FDIC") and the Securities Investor Protection Corporation ("SIPC") insurance limits. The Company periodically assesses the credit risk associated with these financial institutions and believes the risk of loss is minimal.

The following table summarizes our total cash, cash equivalents and restricted cash as presented in the accompanying consolidated statements of cash flows for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Cash and cash equivalents	$ 128,056	$ 36,413	$ 115,799
Restricted cash and escrow deposits	5,271	5,017	6,171
Restricted cash associated with investment property held for sale	225	—	—
Cash, cash equivalents and restricted cash	$ 133,552	$ 41,430	$ 121,970

Restricted Cash and Escrow Deposits

Escrow deposits consist of cash held for real estate taxes, property maintenance, insurance and other requirements at specific properties as required by lending institutions, certain municipalities or other agreements.

Short-Term Deposits

In January 2024, the Company invested $265.0 million in short-term deposits at Goldman Sachs Bank USA ("Goldman Sachs") and KeyBank National Association ("KeyBank"). These short-term deposits earned interest at a weighted average interest rate of 5.34% with a final maturity date of July 22, 2024. During the year ended December 31, 2024, the Company earned $6.3 million of interest income on the January 2024 deposits, which is recorded within "Other income, net" in the accompanying consolidated statements of operations and comprehensive income.

In August 2024, the Company invested $350.0 million in short-term deposits at Goldman Sachs and KeyBank. The deposit balance approximates fair value and earns interest at a weighted average interest rate of 5.05% with a final maturity date in February 2025. During the year ended December 31, 2024, the Company earned $6.6 million of interest income on the August 2024 deposits, which is recorded within "Other income, net" in the accompanying consolidated statements of operations and comprehensive income.

Fair Value Measurements

We follow the framework established under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures,* for measuring fair value of non-financial assets and liabilities that are not required or permitted to be measured at fair value on a recurring basis but only in certain circumstances, such as a business combination or upon determination of an impairment.

Assets and liabilities recorded at fair value in the accompanying consolidated balance sheets are categorized based on the inputs to the valuation techniques as follows:

- Level 1 fair value inputs are quoted prices in active markets for identical instruments to which we have access.
- Level 2 fair value inputs are inputs other than quoted prices included in Level 1 that are observable for similar instruments, either directly or indirectly, and appropriately consider counterparty creditworthiness in the valuation.
- Level 3 fair value inputs reflect our best estimate of inputs and assumptions market participants would use in pricing an instrument at the measurement date. The inputs are unobservable in the market and significant to the valuation estimate.

In instances where the determination of the fair value measurement is based upon inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. Our assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

Note 3. "Acquisitions" to the accompanying consolidated financial statements includes a discussion of the fair values recorded for asset acquisitions. Level 3 inputs to these transactions include our estimations of net rental rates of retail anchor and small shop space, capitalization rates, and disposal values. Note 4. "Dispositions and Impairment Charges" to the accompanying consolidated financial statements includes a discussion of the fair values recorded when we recognized impairment charges during the years ended December 31, 2024 and 2023. Level 2 inputs to these transactions include the expected sales price from an executed sales contract and Level 3 inputs include our estimation of capitalization rates. Note 8. "Mortgage and Other Indebtedness" to the accompanying consolidated financial statements includes a discussion of the estimated fair value of fixed and variable rate debt, which are estimated using Level 2 and Level 3 inputs. As discussed in Note 9. "Derivative Instruments, Hedging Activities and Other Comprehensive Income" to the accompanying consolidated financial statements, we have determined that derivative valuations are classified within Level 2 of the fair value hierarchy.

Cash and cash equivalents, accounts receivable, escrows and deposits, and other working capital balances approximate fair value.

Derivative Financial Instruments

The Company accounts for its derivative financial instruments at fair value calculated in accordance with ASC 820, *Fair Value Measurements and Disclosures*. Gains and losses resulting from changes in the fair value of the derivatives are accounted for depending on the use of the derivative and whether it qualifies for hedge accounting. We use derivative instruments such as interest rate swaps or interest rate locks to mitigate interest rate risk on the related financial instruments.

Changes in the fair value of derivatives that qualify as cash flow hedges are recorded within "Accumulated other comprehensive income" in the accompanying consolidated balance sheets and amortized over the underlying term of the hedged transaction, while any ineffective portion of a derivative's change in fair value is recognized immediately in earnings. For derivative contracts designated as fair value hedges, the gain or loss on the derivative is included within "Mortgage and other indebtedness, net" in the accompanying consolidated balance sheets. We include the gain or loss on the hedged item in the same account as the offsetting gain or loss on the related derivative contract. As of December 31, 2024 and 2023, all of our derivative financial instruments qualify for hedge accounting.

Revenue Recognition

As a lessor of real estate assets, the Company retains substantially all of the risks and benefits of ownership and accounts for its leases as operating leases.

Contractual minimum base rent, percentage rent, and expense reimbursements from tenants for common area maintenance costs, insurance, and real estate taxes are our principal sources of revenue. Base minimum rents are recognized on a straight-line basis over the terms of the respective leases. Certain lease agreements contain provisions that provide for additional rents based upon a tenant's sales volume (contingent overage rent). Overage rent is recognized when tenants achieve the specified sales targets as defined in their lease agreements and is included within "Rental income" in the accompanying consolidated statements of operations and comprehensive income. If we determine that collectibility is probable, we recognize income from rentals based on the methodology described above. If we determine that collectibility is not probable, we recognize income only to the extent that cash has been received from the tenant. We have accounts receivable due from tenants and are subject to the risk of tenant defaults and bankruptcies, which may affect the collection of outstanding receivables. These receivables are reduced for credit loss, which is recognized as a reduction to rental income. We regularly evaluate the collectibility of these lease-related receivables by analyzing past-due account balances and consider such factors as the credit quality of the tenant, historical write-off experience, tenant creditworthiness, and current economic trends when evaluating the collectibility of rental income. Although we estimate uncollectible receivables and provide for them through charges against income, actual experience may differ from those estimates.

We recognize the sale of real estate when control transfers to the buyer. As part of our ongoing business strategy, we will, from time to time, sell properties, land parcels and outlots, some of which are ground-leased to tenants. Net gains realized on such sales were $4.4 million, $1.7 million, and $4.5 million for the years ended December 31, 2024, 2023 and 2022, respectively, and are included within "Other property-related revenue" in the accompanying consolidated statements of operations and comprehensive income.

Tenant and Other Receivables and Allowance for Uncollectible Accounts

Tenant receivables consist primarily of billed minimum rent, accrued and billed tenant reimbursements, and accrued straight-line rent. The Company generally does not require specific collateral from its tenants other than corporate or personal guarantees. Other receivables consist primarily of amounts due from municipalities and tenants for non-rental revenue-related activities.

An allowance for uncollectible accounts, including future credit losses of the accrued straight-line rent receivables, is maintained for estimated losses resulting from the inability of certain tenants to meet contractual obligations under their lease agreements. Accounts are written off when, in the opinion of management, the balance is deemed uncollectible. The provision for revenues deemed uncollectible represented 0.6%, 0.3%, and 0.7% of total revenues in each of the years ended December 31, 2024, 2023 and 2022, respectively.

Concentration of Credit Risk

We may be subject to concentrations of credit risk with regard to our cash and cash equivalents. We place cash and temporary cash investments with high-credit-quality financial institutions. From time to time, such cash and investments may temporarily be in excess of insurance limits. In addition, our leases with tenants potentially subject us to a concentration of credit risk related to our accounts receivable and revenue.

For the year ended December 31, 2024, the percentage of the Company's revenue recognized from tenants leasing space in the states where the majority of our portfolio is concentrated, which includes Texas, Florida, Virginia, Indiana, and New York, was as follows:

Texas	26.8 %
Florida	11.0 %
Virginia	7.3 %
Indiana	6.4 %
New York	6.1 %

Income Taxes and REIT Compliance

Parent Company

The Parent Company has been organized and operated, and intends to continue to operate, in a manner that will enable it to maintain its qualification as a REIT for U.S. federal income tax purposes. As a result, it generally will not be subject to U.S. federal income tax on the earnings that it distributes to the extent it distributes its "REIT taxable income" (determined before the deduction for dividends paid and excluding net capital gains) to shareholders of the Parent Company and meets certain other requirements on a recurring basis. To the extent that it satisfies this distribution requirement but distributes less than 100% of its taxable income, it will be subject to U.S. federal income tax on its undistributed REIT taxable income at regular corporate income tax rates. REITs are subject to a number of organizational and operational requirements. If the Parent Company fails to qualify as a REIT in any taxable year, it will be subject to U.S. federal income tax on its taxable income at regular corporate income tax rates for a period of four years following the year in which qualification is lost. Additionally, we may also be subject to certain taxes enacted by the Inflation Reduction Act of 2022 that are applicable to non-REIT corporations, including the non-deductible 1% excise tax on certain stock repurchases. We may also be subject to certain U.S. federal, state, and local taxes on our income and property and to U.S. federal income and excise taxes on our undistributed taxable income even if the Parent Company does qualify as a REIT. The Operating Partnership intends to continue to make distributions to the Parent Company in amounts sufficient to assist the Parent Company in adhering to REIT requirements and maintaining its REIT status.

We have elected to treat Kite Realty Holdings, LLC and IWR Protective Corporation as TRSs of the Operating Partnership, and we may elect to treat other subsidiaries as TRSs in the future. This election enables us to receive income and provide services that would otherwise be impermissible for a REIT. Deferred tax assets and liabilities are established for temporary differences between the financial reporting bases and the tax bases of assets and liabilities at the tax rates expected to be in effect when the temporary differences reverse. Deferred tax assets are reduced by a valuation allowance if it is more likely than not that some portion or all of the deferred tax assets will not be realized.

Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date. The Company recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. The Company records interest related to unrecognized tax benefits within "Interest expense" and penalties within "General, administrative and other" expenses in the accompanying consolidated statements of operations and comprehensive income.

Our tax return for the year ended December 31, 2024 has not been filed as of the filing date of this Annual Report on Form 10-K of the Parent Company and the Operating Partnership. The taxable information presented for our dividends paid in 2024 is based upon management's estimate. Consequently, the taxable nature of dividends is subject to change. The following table summarizes the tax characterization of the dividends paid by the Parent Company for the years ended December 31, 2024, 2023 and 2022:

	Year Ended December 31,		
	2024	2023	2022
Ordinary income	96.4 %	90.6 %	86.1 %
Return of capital	0.0 %	0.0 %	0.0 %
Capital gains	3.6 %	9.4 %	13.9 %
	100.0 %	100.0 %	100.0 %

Operating Partnership

The allocated share of income and loss, other than the operations of our TRSs, is included in the income tax returns of the Operating Partnership's partners. Accordingly, the only U.S. federal income taxes included in the accompanying consolidated financial statements are in connection with the TRSs.

Noncontrolling Interests

We report the non-redeemable noncontrolling interests in subsidiaries as equity, and the amount of consolidated net income attributable to these noncontrolling interests is set forth separately in the accompanying consolidated financial statements. The following table summarizes the non-redeemable noncontrolling interests in consolidated properties for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Noncontrolling interests balance as of January 1,	$ 2,430	$ 5,370	$ 5,146
Net income allocable to noncontrolling interests, excluding redeemable noncontrolling interests	280	256	224
Distributions to noncontrolling interests[1]	(817)	(3,196)	—
Noncontrolling interests balance as of December 31,	$ 1,893	$ 2,430	$ 5,370

(1) During the year ended December 31, 2023, we received a $3.2 million distribution from excess proceeds related to a third-party financing.

Noncontrolling Interests – Joint Venture

Prior to the merger with RPAI in October 2021, RPAI entered into a joint venture related to the development, ownership and operation of the multifamily rental portion of the expansion project at One Loudoun Downtown – Pads G & H. The Company owns 90% of the joint venture.

Under terms defined in the joint venture agreement, after construction completion and stabilization of the development project (as defined in the joint venture agreement), the Company has the ability to call, and the joint venture partner has the ability to put to the Company, subject to certain conditions, the joint venture partner's interest in the joint venture at fair value. As of December 31, 2024, the conditions for exercising the put and call options have been met but neither the Company nor the joint venture partner has exercised their respective options.

The joint venture is considered a VIE primarily because the Company's joint venture partner does not have substantive kick-out rights or substantive participating rights. The Company is considered the primary beneficiary as it has a controlling financial interest in the joint venture. As such, the Company has consolidated this joint venture and presented the joint venture partner's interests as noncontrolling interests.

Redeemable Noncontrolling Interests – Limited Partners

Limited Partner Units are redeemable noncontrolling interests in the Operating Partnership. We classify redeemable noncontrolling interests in the Operating Partnership in the accompanying consolidated balance sheets outside of permanent equity because we may be required to pay cash to holders of Limited Partner Units upon redemption of their interests in the Operating Partnership or deliver registered shares upon their conversion. The carrying amount of the redeemable noncontrolling interests in the Operating Partnership is reflected at the greater of historical book value or redemption value with a corresponding adjustment to additional paid-in capital. As of December 31, 2024 and 2023, the redemption value of the redeemable noncontrolling interests in the Operating Partnership exceeded the historical book value, and the balances were accordingly adjusted to redemption value.

We allocate net operating results of the Operating Partnership after noncontrolling interests in the consolidated properties based on the partners' respective weighted average ownership interest. We adjust the redeemable noncontrolling interests in the Operating Partnership at the end of each reporting period to reflect their interests in the Operating Partnership or redemption value. This adjustment is reflected in our shareholders' and Parent Company's equity. For the years ended December 31, 2024, 2023 and 2022, the weighted average interests of the Parent Company and the limited partners in the Operating Partnership were as follows:

	Year Ended December 31,		
	2024	2023	2022
Parent Company's weighted average interest in the Operating Partnership	98.3 %	98.6 %	98.7 %
Limited partners' weighted average interests in the Operating Partnership	1.7 %	1.4 %	1.3 %

As of December 31, 2024, the Parent Company's interest and the limited partners' redeemable noncontrolling ownership interests in the Operating Partnership were 98.1% and 1.9%, respectively. As of December 31, 2023, the Parent Company's interest and the limited partners' redeemable noncontrolling ownership interests in the Operating Partnership were 98.4% and 1.6%, respectively.

Concurrent with the Parent Company's IPO and related formation transactions, certain individuals received Limited Partner Units of the Operating Partnership in exchange for their interests in certain properties. The limited partners have the right to redeem Limited Partner Units for cash or, at the Parent Company's election, common shares of the Parent Company in an amount equal to the market value of an equivalent number of common shares of the Parent Company at the time of redemption. Such common shares must be registered, which is not fully in the Parent Company's control. Therefore, the limited partners' interest is not reflected within permanent equity. The Parent Company also has the right to redeem the Limited Partner Units directly from the limited partner in exchange for either cash in the amount specified above or a number of its common shares equal to the number of Limited Partner Units being redeemed.

There were 4,192,597 and 3,512,868 Limited Partner Units outstanding as of December 31, 2024 and 2023, respectively. The increase in Limited Partner Units outstanding from December 31, 2023 is due to non-cash compensation awards granted to our executive officers in the form of Limited Partner Units and the exercise of previously granted Appreciation Only Long-Term Incentive Plan Units ("AO LTIP Units") in exchange for Limited Partner Units.

Redeemable Noncontrolling Interests – Subsidiaries

Prior to the merger with Inland Diversified Real Estate Trust, Inc. ("Inland Diversified") in 2014, Inland Diversified formed joint ventures with the previous owners of certain properties and issued Class B units in three joint ventures that indirectly own those properties. As of December 31, 2021, the Class B units related to one of these joint ventures that owned Crossing at Killingly Commons, our multi-tenant retail property in Dayville, Connecticut, were outstanding and accounted for as noncontrolling interests in the remaining venture. In October 2022, the remaining Class B units became redeemable at the partner's election and the fulfillment of certain redemption criteria for cash or Limited Partner Units in the Operating Partnership. In October 2022, we received notice from our joint venture partner of its exercise of their right to redeem the remaining Class B units for cash in the amount of $9.7 million, which redemption was funded using available cash on October 3, 2022. Prior to the redemption, the Class B units did not have a maturity date and were not mandatorily redeemable unless either party had elected for the units to be redeemed. Prior to the redemption, we consolidated this joint venture because we controlled the decision-making, and our joint venture partner had limited protective rights.

The redeemable noncontrolling interests in the Operating Partnership and subsidiaries for the years ended December 31, 2024, 2023 and 2022 were as follows *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Redeemable noncontrolling interests balance as of January 1,	$ 73,287	$ 53,967	$ 55,173
Net income allocable to redeemable noncontrolling interests	65	629	258
Distributions declared to redeemable noncontrolling interests	(3,970)	(3,159)	(2,622)
Payment for redemption of redeemable noncontrolling interests	—	—	(10,070)
Other, net including adjustments to redemption value	28,692	21,850	11,228
Total limited partners' interests in the Operating Partnership and other redeemable noncontrolling interests balance as of December 31,	$ 98,074	$ 73,287	$ 53,967
Limited partners' interests in the Operating Partnership	$ 98,074	$ 73,287	$ 53,967
Other redeemable noncontrolling interests in certain subsidiaries	—	—	—
Total limited partners' interests in the Operating Partnership and other redeemable noncontrolling interests balance as of December 31,	$ 98,074	$ 73,287	$ 53,967

Effects of Accounting Pronouncements

Adoption of New Accounting Pronouncements

Effective January 1, 2024, the Company adopted Accounting Standards Update ("ASU") 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, on a retrospective basis. This new guidance provides new disclosure requirements on significant segment expenses that are regularly provided to the chief operating decision maker and other significant segment items. Public entities with a single reportable segment, such as the Company, must apply all of the new disclosure requirements as well as all existing segment disclosure and reconciliation requirements in Topic 280 on an annual and interim basis. The adoption of this pronouncement did not have any effect on the Company's consolidated financial statements. See Note 11, "Segment Reporting" to the accompanying consolidated financial statements for the Company's reportable segment disclosures.

Recently Issued Accounting Pronouncements

In November 2024, the FASB issued ASU 2024-03, *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. This new guidance requires public entities to disclose, in a tabular format, the amounts of certain natural expenses included within relevant expense captions presented on the face of the income statement, as well as provide additional disclosures about selling expenses. The new disclosure requirements are effective for annual reporting periods beginning after December 15, 2026 and interim periods within annual reporting periods beginning after December 15, 2027, with early adoption permitted, and may be applied either prospectively or retrospectively. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

SEC Final Rule

In March 2024, the SEC issued a final rule, *The Enhancement and Standardization of Climate-Related Disclosures for Investors*. This final rule requires companies to annually disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts on the Company, information about board oversight, risk management activities, and any material climate-related targets or goals. In addition, the final rule requires disclosure of material Scope 1 and/or Scope 2 greenhouse gas emissions, which will be subject to independent third-party assurance, and the financial statement effects of severe weather events and other natural conditions. In April 2024, the SEC announced a stay of these climate disclosure rules pending judicial review. The Company is continuing to evaluate the impact of this final rule until it becomes effective.

ACQUISITIONS

	12 Months Ended Dec. 31, 2024
Business Combination, Asset Acquisition, and Joint Venture Formation [Abstract]	
ACQUISITIONS	ACQUISITIONS

Asset Acquisitions

The Company closed on the following asset acquisitions during the years ended December 31, 2024, 2023 and 2022 *(dollars in thousands)*:

Date	Property Name	MSA	Property Type	Square Footage	Acquisition Price
2024					
August 30, 2024	Parkside West Cobb	Atlanta	Multi-tenant retail	141,627	$ 40,125
2023					
September 22, 2023	Prestonwood Place	Dallas/Ft. Worth	Multi-tenant retail	155,975	$ 81,000
2022					
February 16, 2022	Pebble Marketplace	Las Vegas	Multi-tenant retail	85,796	$ 44,100
April 13, 2022	MacArthur Crossing	Dallas/Ft. Worth	Two-tenant building	56,077	21,920
July 15, 2022	Palms Plaza	Miami	Multi-tenant retail	68,976	35,750
				210,849	$ 101,770

The above acquisitions were funded using a combination of available cash on hand, proceeds from dispositions and borrowings on the Company's unsecured revolving line of credit. The fair values of the real estate and other assets acquired were primarily determined using the income approach, which required us to make assumptions about market leasing rates, tenant-related costs, discount rates, and disposal rates. The estimates of fair value primarily relied upon Level 2 and Level 3 inputs, as previously defined.

The following table summarizes the fair value of assets acquired and liabilities assumed for the asset acquisitions completed during the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Investment properties, net	$ 38,080	$ 75,506	$ 99,096
Tenant and other receivables, net	18	—	—
Lease-related intangible assets, net[1]	4,607	6,971	5,223
Other assets	—	—	11
Total acquired assets	42,705	82,477	104,330
Accounts payable and accrued expenses	664	2,823	1,140
Deferred revenue and other liabilities	2,496	1,556	2,855
Total assumed liabilities	3,160	4,379	3,995
Fair value of net assets acquired	$ 39,545	$ 78,098	$ 100,335

(1) The weighted average remaining life of leases at the acquired properties is approximately 6.1 years, 6.2 years, and 6.7 years for asset acquisitions completed during the years ended December 31, 2024, 2023 and 2022, respectively.

The range of the most significant Level 3 assumptions used in determining the value of the real estate and related assets acquired through asset acquisitions are as follows:

	2024	2023	2022
Net rental rate per square foot – Retail Anchors	$18.75 to $19.00	N/A	$20.50 to $40.00
Net rental rate per square foot – Small Shops	$20.00 to $45.00	$30.00 to $65.00	$24.00 to $65.00
Discount rate	8.50%	8.50%	5.75% to 7.25%

The results of operations for each of the properties acquired through asset acquisitions during the years ended December 31, 2024, 2023 and 2022 have been included in operations since their respective dates of acquisition.

Subsequent to December 31, 2024, the Company acquired Village Commons, a 170,976-square-foot, grocery-anchored, multi-tenant retail property in the Miami MSA, for a gross purchase price of $68.4 million.

October 24, 2023	Eastside	Dallas/Ft. Worth	Multi-tenant retail & office	43,640	14,425	—
				578,495	$ 142,050	$ 22,601
2022						
January 26, 2022	Hamilton Crossing Centre	Indianapolis	Redevelopment[1]	—	$ 6,900	$ 3,168
June 16, 2022	Plaza Del Lago	Chicago	Multi-tenant retail[2]	100,016	58,650	23,958
October 27, 2022	Lincoln Plaza – Lowe's	Worcester, MA	Ground lease interest[3]	—	10,000	(57)
				100,016	$ 75,550	$ 27,069

(1) The Company sold a portion of the redevelopment at Hamilton Crossing Centre. The total number of properties in our portfolio was not affected by this transaction.

(2) Plaza Del Lago also contained 8,800 square feet of residential space comprised of 18 multifamily rental units.

(3) The Company sold the ground lease interest in one tenant at Lincoln Plaza, an existing multi-tenant operating retail property. The total number of properties in our portfolio was not affected by this transaction.

During the year ended December 31, 2024, the Company also received net proceeds of $6.4 million and recognized a gain of $2.5 million in connection with the sale of the first phase of a land parcel and the rights to develop 24 residential units at One Loudoun Expansion. In addition, during the year ended December 31, 2024, the Company received proceeds of $0.6 million and recognized a gain of $0.6 million as a result of the receipt of an escrow related to the disposition of Reisterstown Road Plaza that previously closed on September 11, 2023.

Since June 30, 2024, we have classified City Center, a 362,278 square foot multi-tenant retail property in the New York MSA, as held for sale as the Company has committed to a plan to sell this asset and expects that the sale will be completed within one year. This property qualified for held-for-sale accounting treatment upon meeting all applicable GAAP criteria as of

June 30, 2024, at which time depreciation and amortization were ceased. In addition, the assets and liabilities associated with this property remain separately classified as held for sale in the accompanying consolidated balance sheet as of December 31, 2024. No properties qualified for held-for-sale accounting treatment as of December 31, 2023.

As of June 30, 2024, in connection with the preparation and review of the second quarter 2024 financial statements and in conjunction with classifying City Center as held for sale, we evaluated City Center for impairment and recorded a $66.2 million impairment charge due to changes in the facts and circumstances underlying the Company's expected future hold period of the property. A shortening of the expected future hold period is considered an impairment indicator; therefore, we assessed the recoverability of City Center by comparing the carrying value of long-lived assets of $135.1 million as of June 30, 2024 to its estimated fair value of $69.6 million, which was determined using the income approach, less estimated selling costs of $0.7 million. The income approach involves discounting the estimated income stream and reversion (presumed sale) value of a property over an estimated hold period to a present value at a risk-adjusted rate. We used capitalization rates as a significant assumption in the valuation model, which are considered to be Level 3 inputs within the fair value hierarchy. We applied capitalization rates ranging from 6.0% to 15.0% to property income streams based upon the risk profile of the respective tenants and market rent of the leasable space. Based on this analysis, we recorded a $66.2 million non-cash impairment charge on City Center during the three months ended June 30, 2024. Subsequent to December 31, 2024, the Company received bona fide purchase offers on City Center with a range of expected sales prices that are in line with the Company's estimated fair value of $69.6 million determined as of June 30, 2024. Therefore, the estimated fair value of City Center determined as of June 30, 2024 continues to be a reasonable estimate of value.

The following table presents the assets and liabilities associated with City Center, the investment property that remains classified as held for sale as of December 31, 2024 *(in thousands)*:

	December 31, 2024
Assets	
Net investment properties	$ 68,991
Tenant and other receivables	1,760
Restricted cash and escrow deposits	225
Deferred costs, net	2,634
Prepaid and other assets	181
Assets associated with investment property held for sale	$ 73,791
Liabilities	
Accounts payable and accrued expenses	$ 544
Deferred revenue and other liabilities	3,465
Liabilities associated with investment property held for sale	$ 4,009

During the year ended December 31, 2023, in connection with the preparation and review of the third quarter 2023 financial statements, the Company recorded a $0.5 million impairment charge in connection with the sale of Eastside, a 43,640 square foot, multi-tenant retail property in the Dallas/Ft. Worth MSA, as a result of a change in the expected hold period. The Company recorded the asset at the lower of cost or fair value less estimated costs to sell, which was approximately $14.1 million. The estimated fair value of Eastside was based upon the expected sales price from an executed sales contract and determined to be a Level 3 input within the fair value hierarchy. Eastside was sold on October 24, 2023 for a gross sales price of $14.4 million.

There were no discontinued operations for the years ended December 31, 2024, 2023 and 2022 as none of the dispositions or planned dispositions represented a strategic shift that has had, or will have, a material effect on our operations or financial results.

SHARE-BASED COMPENSATION

12 Months Ended

Dec. 31, 2024

Share-Based Payment Arrangement [Abstract]

SHARE-BASED COMPENSATION

SHARE-BASED COMPENSATION

Overview

The Company's 2013 Equity Incentive Plan was amended and restated as of May 11, 2022 (the "Equity Plan") to, among other things, provide for the issuance of up to an additional 3,000,000 common share equivalents of the Company. The Equity Plan authorizes the issuance of share options, share appreciation rights, restricted shares and units, long-term incentive plan units ("LTIP Units"), "appreciation only" LTIP Units ("AO LTIP Units"), performance awards, and other share-based awards to employees and trustees. As of December 31, 2024, there were 4,645,972 common share equivalents available for grant under the Equity Plan. The Company accounts for its share-based compensation in accordance with the fair value recognition provisions provided in ASC 718, *Stock Compensation*.

During the years ended December 31, 2024, 2023 and 2022, the Company recognized $10.2 million, $10.1 million, and $10.3 million of share-based compensation expense, net of amounts capitalized, respectively, which is included within "General, administrative and other" expenses in the accompanying consolidated statements of operations and comprehensive income. During the years ended December 31, 2024, 2023 and 2022, the Company capitalized $1.6 million, $1.4 million, and $1.3 million of share-based compensation for development activities, respectively. The Company recognizes forfeitures as they occur.

Share Options

Pursuant to the Equity Plan, the Company may periodically grant options to purchase common shares at an exercise price equal to the grant date fair value of the Company's common shares. Options granted typically vest over a five-year period and expire 10 years from the grant date. The Company issues new common shares upon the exercise of options.

There was no option activity during the years ended December 31, 2024 and 2023 as all outstanding options were exercised during 2022. In addition, no options were granted during the years ended December 31, 2024, 2023 or 2022.

The aggregate intrinsic value of the 1,250 options exercised during the year ended December 31, 2022 was $3,300.

Restricted Shares

The Equity Plan authorizes the grant of restricted common shares, which are considered outstanding shares from the date of grant and typically vest over a period ranging from three to five years. The Company pays dividends on restricted shares, and such dividends are included within "Accumulated deficit" in the accompanying consolidated balance sheets.

The following table summarizes the activity for the restricted shares that were granted to the Company's employees and Board of Trustees for the year ended December 31, 2024:

	Number of Restricted Shares	Weighted Average Grant Date Fair Value per Share
Restricted shares outstanding as of January 1, 2024	337,077	$ 21.28
Shares granted	256,134	21.20
Shares forfeited	(32,117)	21.11
Shares vested	(175,858)	20.99
Restricted shares outstanding as of December 31, 2024	385,236	$ 21.37

The following table summarizes the restricted share grants and vestings during the years ended December 31, 2024, 2023 and 2022 *(dollars in thousands, except share and per share data)*:

	Number of Restricted Shares Granted	Weighted Average Grant Date Fair Value per Share	Fair Value of Restricted Shares Vested
2024	256,134	$ 21.20	$ 3,736
2023	229,551	$ 21.45	$ 3,936
2022	206,855	$ 21.15	$ 4,459

As of December 31, 2024, there was $4.9 million of total unrecognized compensation expense related to restricted shares, which is expected to be recognized over a weighted average period of one year. We expect to incur approximately $3.1 million of this expense in 2025, $1.6 million in 2026, and the remainder in 2027.

LTIP Units

Time-based LTIP Unit awards were granted on a discretionary basis to the Company's named executive officers during the years ended December 31, 2024, 2023 and 2022 based on a review of the prior year's performance.

The following table summarizes the activity for the LTIP Units that were granted to the Company's named executive officers for the year ended December 31, 2024:

	Number of LTIP Units	Weighted Average Grant Date Fair Value per Unit
LTIP Units outstanding as of January 1, 2024	402,870	$ 15.61
LTIP Units granted	194,136	16.99
LTIP Units vested	(186,297)	15.26
Restricted units outstanding as of December 31, 2024	410,709	$ 16.43

The following table summarizes the LTIP Unit grants and vestings during the years ended December 31, 2024, 2023 and 2022 *(dollars in thousands, except unit and per unit data)*:

	Number of LTIP Units Granted	Weighted Average Grant Date Fair Value per Unit	Fair Value of LTIP Units Vested
2024	194,136	$ 16.99	$ 4,270
2023	163,515	$ 17.45	$ 3,740
2022	138,505	$ 17.07	$ 3,173

As of December 31, 2024, there was $4.4 million of total unrecognized compensation expense related to LTIP Units, which is expected to be recognized over a weighted average period of 1.0 year. We expect to incur approximately $2.9 million of this expense in 2025, $1.3 million in 2026, and the remainder in 2027.

AO LTIP Units

During the years ended December 31, 2024, 2023 and 2022, the Company's executive officers exercised 485,593, 551,817, and 439,415 AO LTIP Units, respectively, which were previously granted in connection with the Company's annual review of executive compensation. AO LTIP Units are designed to have economics similar to stock options and allow the recipient, subject to vesting requirements, to realize value above a threshold level set as of the grant date of the award (the "Participation Threshold"). The value of vested AO LTIP Units is realized through conversion into a number of vested LTIP Units in the Operating Partnership determined on the basis of how much the value of a common share of the Company has increased over the Participation Threshold.

The AO LTIP Units became exercisable and convertible into vested LTIP Units of the Operating Partnership after they became vested AO LTIP Units. The awards of AO LTIP Units were subject to both time-based and stock price performance-based vesting requirements. Subject to the terms of the award agreements, the AO LTIP Units vested and became fully exercisable as of the date that both of the following requirements had been met: (i) the grantee remains in continuous service from the grant date through the third anniversary of the grant date; and (ii) at any time during the five-year period following the grant date for awards granted in 2019 and at any time during the period beginning in the second year and ending at the end of the fifth year following the grant date for awards granted in 2020 and 2021, the reported closing price per common share of the Company appreciates at least 20% for awards granted in 2019 and at least 15% for awards granted in 2020 and 2021 over the applicable Participation Threshold per AO LTIP Unit for a minimum of 20 consecutive trading days.

The AO LTIP Units were valued using a Monte Carlo simulation and the resulting compensation expense was amortized over a period of three to five years. During the years ended December 31, 2024, 2023 and 2022, the Company recognized compensation expense for the AO LTIP Units of $0.8 million, $1.7 million, and $1.9 million, respectively.

Special Long-Term Equity Award

In January 2022, the Compensation Committee of the Company's Board of Trustees granted a total of 363,883 LTIP Units to the Company's named executive officers as a special long-term equity award related to the October 2021 merger with RPAI, which are subject to both performance and service conditions. The LTIP Units granted were subject to an approximate three-year performance and service period, from October 23, 2021 through December 31, 2024, with the following performance components: (i) cumulative annualized net operating income for executed new leases from October 1, 2021 to December 31, 2024, which will be weighted at 60%; (ii) post-merger cash general and administrative expense synergies achieved as of the end of the performance period, which will be weighted at 20%; and (iii) same property net operating income margin improvement over the performance period, which will be weighted at 20%. Overall performance is further subject to an absolute total shareholder return modifier that can increase (or decrease) the total number of LTIP Units eligible to vest by up to 25% (not to exceed the maximum number of LTIP Units). Distributions will accrue during the performance period and be paid only on LTIP Units that vest at the conclusion of the performance period, and any accrued distributions on vested LTIP Units will be settled in cash at such time.

DEFERRED COSTS AND INTANGIBLES, NET

Deferred Costs, Capitalized, Prepaid, and Other Assets Disclosure [Abstract]

DEFERRED COSTS AND INTANGIBLES, NET

12 Months Ended

Dec. 31, 2024

DEFERRED COSTS AND INTANGIBLES, NET

Deferred costs consist primarily of acquired lease intangible assets, broker fees and capitalized internal commissions incurred in connection with lease originations. Deferred leasing costs, lease intangibles and similar costs are amortized on a straight-line basis over the terms of the related leases. As of December 31, 2024 and 2023, deferred costs consisted of the following *(in thousands)*:

	December 31, 2024	December 31, 2023
Acquired lease intangible assets	$ 357,674	$ 433,771
Deferred leasing costs and other	89,762	74,662
	447,436	508,433
Less: accumulated amortization	(206,589)	(204,262)
	$ 240,847	$ 304,171
Less: deferred costs associated with investment property held for sale	(2,634)	—
Deferred costs, net	$ 238,213	$ 304,171

The estimated net amounts of amortization of acquired lease intangible assets for properties owned as of December 31, 2024 for each of the next five years and thereafter are as follows *(in thousands)*:

	Amortization of above-market leases	Amortization of acquired lease intangible assets	Total
2025	$ 6,722	$ 43,502	$ 50,224
2026	4,777	30,030	34,807
2027	3,402	20,561	23,963
2028	2,363	16,167	18,530
2029	1,124	11,128	12,252
Thereafter	1,405	26,882	28,287
Total	$ 19,793	$ 148,270	$ 168,063

The amortization of deferred leasing costs, lease intangibles and other is included within "Depreciation and amortization" in the accompanying consolidated statements of operations and comprehensive income. The amortization of above-market lease intangibles is included as a reduction to "Rental income" in the accompanying consolidated statements of operations and comprehensive income. The amounts of such amortization included in the accompanying consolidated statements of operations and comprehensive income are as follows *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of deferred leasing costs, lease intangibles and other	$ 77,224	$ 107,542	$ 150,245
Amortization of above-market lease intangibles	$ 9,479	$ 12,007	$ 13,562

~~XML 38 R19.htm IDEA: XBRL DOCUMENT~~

DEFERRED REVENUE, INTANGIBLES, NET AND OTHER LIABILITIES

Other Liabilities Disclosure [Abstract]

DEFERRED REVENUE, INTANGIBLES, NET AND OTHER LIABILITIES

12 Months Ended

Dec. 31, 2024

DEFERRED REVENUE, INTANGIBLES, NET AND OTHER LIABILITIES

Deferred revenue and other liabilities consist of (i) the unamortized fair value of below-market lease liabilities recorded in connection with purchase accounting, (ii) retainage payables for development and redevelopment projects, (iii) tenant rent payments received in advance of the month in which they are due, and (iv) lease liabilities recorded upon adoption of ASU 2016-02, *Leases (Topic 842)*. The amortization of below-market lease liabilities is recognized as revenue over the remaining life of the leases (including option periods for leases with below-market renewal options) through 2085. Tenant rent payments received in advance are recognized as revenue in the period to which they apply, which is typically the month following their receipt.

As of December 31, 2024 and 2023, deferred revenue, intangibles, net and other liabilities consisted of the following *(in thousands)*:

	December 31, 2024	December 31, 2023
Unamortized in-place lease liabilities	$ 142,035	$ 159,449
Retainages payable and other	8,317	9,229
Tenant rents received in advance	32,176	35,339
Lease liabilities	67,037	68,925
	$ 249,565	$ 272,942
Less: deferred revenue associated with investment property held for sale	(3,465)	—
Deferred revenue and other liabilities	$ 246,100	$ 272,942

The amortization of below-market lease intangibles is included as a component of "Rental income" in the accompanying consolidated statements of operations and comprehensive income and totaled $19.6 million, $24.0 million, and $18.4 million for the years ended December 31, 2024, 2023 and 2022, respectively.

The estimated net amounts of amortization of in-place lease liabilities and the increasing effect on minimum rent for properties owned as of December 31, 2024 for each of the next five years and thereafter are as follows *(in thousands)*:

2025	$ 14,600
2026	12,110
2027	10,126
2028	9,504
2029	8,294
Thereafter	87,401
Total	$ 142,035

MORTGAGE AND OTHER INDEBTEDNESS

Debt Disclosure [Abstract]

MORTGAGE AND OTHER INDEBTEDNESS

12 Months Ended

Dec. 31, 2024

MORTGAGE AND OTHER INDEBTEDNESS

The following table summarizes the Company's indebtedness as of December 31, 2024 and 2023 *(in thousands)*:

	December 31, 2024	December 31, 2023
Mortgages payable	$ 148,185	$ 153,306
Senior unsecured notes	2,380,000	1,829,635
Unsecured term loans	700,000	820,000
Unsecured revolving line of credit	—	—
	3,228,185	2,802,941
Unamortized discounts and premiums, net	22,191	35,765
Unamortized debt issuance costs, net	(23,446)	(9,504)
Mortgage and other indebtedness, net	$ 3,226,930	$ 2,829,202

Consolidated indebtedness, including weighted average interest rates and weighted average maturities as of December 31, 2024, considering the impact of interest rate swaps, is summarized below *(dollars in thousands)*:

	Amount Outstanding	Ratio	Weighted Average Interest Rate	Weighted Average Years to Maturity
Fixed rate debt[1]	$ 3,058,585	95 %	4.08 %	4.3
Variable rate debt[2]	169,600	5 %	7.64 %	1.7
Debt discounts, premiums and issuance costs, net	(1,255)	N/A	N/A	N/A
Mortgage and other indebtedness, net	$ 3,226,930	100 %	4.27 %	4.2

(1) Fixed rate debt includes the portion of variable rate debt that has been hedged by interest rate swaps. As of December 31, 2024, $700.0 million in variable rate debt is hedged to a fixed rate for a weighted average of 0.9 years.

(2) Variable rate debt includes the portion of fixed rate debt that has been hedged by interest rate swaps. As of December 31, 2024, $155.0 million in fixed rate debt is hedged to a floating rate for a weighted average of 0.7 years.

Mortgages Payable

The following table summarizes the Company's mortgages payable *(dollars in thousands)*:

	December 31, 2024			December 31, 2023		
	Balance	Weighted Average Interest Rate	Weighted Average Years to Maturity	Balance	Weighted Average Interest Rate	Weighted Average Years to Maturity
Fixed rate mortgages payable[1]	$ 133,585	5.10 %	7.1	$ 136,306	5.09 %	8.1
Variable rate mortgage payable[2]	14,600	6.48 %	1.6	17,000	7.59 %	2.6
Total mortgages payable	$ 148,185			$ 153,306		

(1) The fixed rate mortgages had interest rates ranging from 3.75% to 5.73% as of December 31, 2024 and 2023.

(2) On October 1, 2024, the index on the variable rate mortgage was replaced with the Secured Overnight Financing Rate ("SOFR") plus 215 basis points from the Bloomberg Short Term Bank Yield Index ("BSBY") plus 215 basis points. The one-month SOFR rate was 4.33% as of December 31, 2024, and the one-month BSBY rate was 5.44% as of December 31, 2023.

Mortgages payable, which are secured by certain real estate and, in some cases, by guarantees from the Operating Partnership, are generally due in monthly installments of principal and interest and mature over various terms through 2033. During the year ended December 31, 2024, we made scheduled principal payments of $5.1 million related to amortizing loans.

Unsecured Notes

The following table summarizes the Company's senior unsecured notes and exchangeable senior notes *(dollars in thousands)*:

		December 31, 2024		December 31, 2023	
	Maturity Date	Balance	Interest Rate	Balance	Interest Rate
Senior notes – 4.58% due 2024	June 30, 2024	$ —	— %	$ 149,635	4.58 %
Senior notes – 4.00% due 2025	March 15, 2025	350,000	4.00 %	350,000	4.00 %
Senior notes – SOFR + 3.65% due 2025[1]	September 10, 2025	80,000	7.70 %	80,000	9.27 %
Senior notes – 4.08% due 2026	September 30, 2026	100,000	4.08 %	100,000	4.08 %
Senior notes – 4.00% due 2026	October 1, 2026	300,000	4.00 %	300,000	4.00 %
Senior exchangeable notes – 0.75% due 2027	April 1, 2027	175,000	0.75 %	175,000	0.75 %
Senior notes – SOFR + 3.75% due 2027[2]	September 10, 2027	75,000	7.80 %	75,000	9.37 %
Senior notes – 4.24% due 2028	December 28, 2028	100,000	4.24 %	100,000	4.24 %
Senior notes – 4.82% due 2029	June 28, 2029	100,000	4.82 %	100,000	4.82 %
Senior notes – 4.75% due 2030	September 15, 2030	400,000	4.75 %	400,000	4.75 %
Senior notes – 4.95% due 2031	December 15, 2031	350,000	4.95 %	—	— %
Senior notes – 5.50% due 2034[3]	March 1, 2034	350,000	4.60 %	—	— %
Total senior unsecured notes		$ 2,380,000		$ 1,829,635	

(1) $80,000 of 4.47% senior unsecured notes due 2025 has been swapped to a variable rate of three-month SOFR plus 3.65% through September 10, 2025.

(2) $75,000 of 4.57% senior unsecured notes due 2027 has been swapped to a variable rate of three-month SOFR plus 3.75% through September 10, 2025.

(3) The coupon rate of the Notes Due 2034 (defined below) is 5.50%; however, as a result of hedging activities, the Company's interest rate is 4.60%.

Private Placement Senior Unsecured Notes

In October 2021, in connection with the merger with Retail Properties of America, Inc. ("RPAI"), the Operating Partnership entered into a number of assumption agreements pursuant to which the Operating Partnership assumed all of RPAI's obligations under RPAI's existing note purchase agreements related to an aggregate of $450.0 million in principal of privately placed senior unsecured notes. During the year ended December 31, 2024, the Company repaid the $149.6 million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024. In addition, in August 2015, the Operating Partnership entered into a note purchase agreement in connection with the issuance of $250.0 million of senior unsecured notes at a blended interest rate of 4.41% and an average maturity of 9.8 years (collectively, the "Private Placement Notes"). During the year ended December 31, 2023, the Company repaid the $95.0 million principal balance of the 4.23% senior unsecured notes that matured on September 10, 2023.

Each series of Private Placement Notes requires semi-annual interest payments each year until maturity. The Operating Partnership may prepay at any time all, or from time to time any part of, any series of the Private Placement Notes in an amount not less than 5% of the aggregate principal amount of such series of the Private Placement Notes then outstanding in the case of a partial prepayment, at 100% of the principal amount so prepaid plus a make-whole amount (as defined in the applicable note purchase agreement). The make-whole amount is equal to the excess, if any, of the discounted value of the remaining scheduled payments with respect to the Private Placement Notes being prepaid over the amount of such Private Placement Notes.

Each note purchase agreement contains customary financial maintenance covenants, including a maximum total leverage ratio, secured and unsecured leverage ratios, and a minimum interest coverage ratio. Each note purchase agreement also contains restrictive covenants that restrict the ability of the Operating Partnership and its subsidiaries to, among other things, enter into transactions with affiliates, merge or consolidate, transfer assets, or incur liens. Further, each note purchase agreement contains customary events of default, including in relation to non-payment, breach of covenants, defaults under certain other indebtedness, judgment defaults, and bankruptcy events. In the case of an event of default, the holders of the Private Placement Notes may, among other remedies, accelerate the payment of all obligations.

Publicly Placed Senior Unsecured Notes

In August 2024, the Operating Partnership completed a public offering of $350.0 million in aggregate principal amount of 4.95% senior unsecured notes due 2031 (the "Notes Due 2031"). The Notes Due 2031 were priced at 99.328% of the principal amount to yield 5.062% to maturity and will mature on December 15, 2031, unless earlier redeemed. The Company expects the proceeds will be used to repay the $350.0 million principal balance of the 4.00% senior unsecured notes due 2025 (the "Notes Due 2025") and for general corporate purposes.

In January 2024, the Operating Partnership completed a public offering of $350.0 million in aggregate principal amount of 5.50% senior unsecured notes due 2034 (the "Notes Due 2034"). The Notes Due 2034 were priced at 98.670% of the principal amount to yield 5.673% to maturity and will mature on March 1, 2034, unless earlier redeemed. The proceeds were used to repay the $149.6 million principal balance of the 4.58% senior unsecured notes that matured on June 30, 2024, the $120.0 million unsecured term loan that matured on July 17, 2024 (the "$120M Term Loan"), and for general corporate purposes.

In October 2021, in connection with the merger with RPAI, the Operating Partnership (as successor by merger to RPAI) assumed all of RPAI's outstanding $750.0 million aggregate principal of publicly placed senior unsecured notes. In addition, the Operating Partnership completed a $300.0 million public offering of 4.00% senior unsecured notes in September 2016 (collectively, the "Public Placement Notes"). The Public Placement Notes require semi-annual interest payments each year until maturity.

The Public Placement Notes are the direct, senior unsecured obligations of the Operating Partnership and rank equally in right of payment with all of its existing and future unsecured and unsubordinated indebtedness. The Operating Partnership may redeem the Public Placement Notes at its option and in its sole discretion, at any time or from time to time, prior to three months prior to the respective maturity date (such date, the "Par Call Date"), at a redemption price equal to 100% of the principal amount of the applicable Public Placement Notes being redeemed, plus accrued and unpaid interest and a "make-whole" premium calculated in accordance with the indenture. Redemptions on or after the respective Par Call Date are not subject to the addition of a "make-whole" premium.

Exchangeable Senior Notes

In March 2021, the Operating Partnership issued $175.0 million aggregate principal amount of 0.75% exchangeable senior notes maturing in April 2027 (the "Exchangeable Notes"). The Exchangeable Notes are governed by an indenture between the Operating Partnership, the Company and U.S. Bank National Association, as trustee. The Exchangeable Notes were sold in the U.S. only to accredited investors pursuant to an exemption from the Securities Act of 1933, as amended (the "Securities Act"), and subsequently resold to qualified institutional investors pursuant to Rule 144A under the Securities Act. The net proceeds from the offering of the Exchangeable Notes were approximately $169.7 million after deducting the underwriting fees and other expenses paid by the Company. The Exchangeable Notes bear interest at a rate of 0.75% per annum, payable semi-annually in arrears, and will mature on April 1, 2027. During each of the years ended December 31, 2024, 2023 and 2022, we recognized approximately $1.3 million of interest expense related to the Exchangeable Notes.

Prior to January 1, 2027, the Exchangeable Notes will be exchangeable into cash up to the principal amount of the Exchangeable Notes exchanged and, if applicable, cash or common shares or a combination thereof only upon certain circumstances and during certain periods. On or after January 1, 2027, the Exchangeable Notes will be exchangeable into cash up to the principal amount of the Exchangeable Notes exchanged and, if applicable, cash or common shares or a combination thereof at the option of the holders at any time prior to the close of business on the second scheduled trading day preceding the maturity date. The initial exchange rate was 39.6628 common shares per $1,000 principal amount of Exchangeable Notes, which was equivalent to an initial exchange price of approximately $25.21 per common share and an exchange premium of

approximately 25% based upon the closing price of $20.17 per common share on March 17, 2021. The exchange rate is subject to adjustment upon the occurrence of certain events but will not be adjusted for any accrued and unpaid interest. As of December 31, 2024, the exchange rate of the Exchangeable Notes is 41.1225 common shares per $1,000 principal amount of Exchangeable Notes due to adjustments related to dividends paid.

The Operating Partnership may redeem the Exchangeable Notes at its option, in whole or in part, on any business day on or after April 5, 2025, if the last reported sale price of the common shares has been at least 130% of the exchange price then in effect for at least 20 trading days (whether or not consecutive) during any 30 consecutive trading day period ending on, and including, the trading day immediately preceding the date on which the Operating Partnership provides notice of redemption at a redemption price equal to 100% of the principal amount of the Exchangeable Notes to be redeemed, plus accrued and unpaid interest to, but excluding, the redemption date.

In connection with the Exchangeable Notes, the Operating Partnership entered into privately negotiated capped call transactions (the "Capped Call Transactions") with certain of the initial purchasers of the Exchangeable Notes or their respective affiliates. The Capped Call Transactions initially cover, subject to anti-dilution adjustments substantially similar to those applicable to the Exchangeable Notes, the number of common shares underlying the Exchangeable Notes. The Capped Call Transactions are generally expected to reduce the potential dilution to holders of common shares upon exchange of the Exchangeable Notes. The cap price of the Capped Call Transactions was initially approximately $30.26, which represented a premium of approximately 50% over the last reported sale price of our common shares on March 17, 2021 and is subject to anti-dilution adjustments under the terms of the Capped Call Transactions. We incurred $9.8 million of costs related to the Capped Call Transactions, which are included within "Additional paid-in capital" in the accompanying consolidated balance sheets.

Unsecured Term Loans and Revolving Line of Credit

The following table summarizes the Company's term loans and revolving line of credit *(dollars in thousands)*:

		December 31, 2024		December 31, 2023	
	Maturity Date	Balance	Interest Rate	Balance	Interest Rate
Unsecured term loan due 2024 – fixed rate[1]	July 17, 2024	$ —	— %	$ 120,000	2.68 %
Unsecured term loan due 2026 – fixed rate[2]	July 17, 2026	150,000	2.73 %	150,000	2.73 %
Unsecured term loan due 2027 – fixed rate[3]	October 24, 2027	250,000	3.94 %	250,000	5.09 %
Unsecured term loan due 2029 – fixed rate[4]	July 29, 2029	300,000	3.72 %	300,000	3.82 %
Total unsecured term loans		$ 700,000		$ 820,000	
Unsecured credit facility revolving line of credit – variable rate[5]	October 3, 2028	$ —	5.64 %	$ —	6.58 %

(1) As of December 31, 2023, $120,000 of SOFR-based variable rate debt had been swapped to a fixed rate of 1.58% plus a credit spread based on a ratings grid ranging from 0.80% to 1.65% through July 17, 2024. The applicable credit spread was 1.10% as of December 31, 2023.

(2) $150,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 1.68% plus a credit spread based on a ratings grid ranging from 0.75% to 1.60% through July 17, 2026. The applicable credit spread was 1.05% as of December 31, 2024 and 2023.

(3) $250,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.99% plus a credit spread based on a ratings grid through October 24, 2025. As of December 31, 2024, the credit spread ranged from 0.75% to 1.60% and the applicable credit spread was 0.95%. As of December 31, 2023, the credit spread ranged from 2.00% to 2.50% and the applicable credit spread was 2.10%. The maturity date of the term loan may be extended by one one-year period at the Operating Partnership's election, subject to certain conditions.

(4) $300,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.47% plus a credit spread based on a ratings grid ranging from 1.15% to 2.20% through August 1, 2025. The applicable credit spread was 1.25% as of December 31, 2024 and 1.35% as of December 31, 2023.

(5) The revolving line of credit can be extended for either one one-year period or up to two six-month periods at the Company's election, subject to (i) customary representations and warranties, including, but not limited to, the absence of an event of default as defined in the unsecured credit agreement and (ii) payment of an extension fee equal to 0.075% of the revolving line of credit capacity.

Unsecured Revolving Credit Facility

In October 2024, the Operating Partnership, as borrower, and the Company entered into the Third Amendment (the "Third Amendment") to the Sixth Amended and Restated Credit Agreement, dated as of July 8, 2021 (as amended, the "Credit Agreement") with a syndicate of financial institutions to provide for an unsecured revolving credit facility aggregating $1.1 billion (the "Revolving Facility") and a seven-year $300.0 million unsecured term loan that matures in July 2029 (the "$300M Term Loan"). Under the Credit Agreement, the Operating Partnership has the option, subject to certain customary conditions, to increase the Revolving Facility and/or incur additional term loans up to a maximum aggregate amount not to exceed $2.0 billion. The Third Amendment extended the maturity date of the Revolving Facility to October 3, 2028, which maturity date may be extended for either one one-year period or up to two six-month periods at the Operating Partnership's option, subject to certain conditions.

Borrowings under the Revolving Facility bear interest at a rate per annum equal to SOFR plus a margin based on the Operating Partnership's leverage ratio or credit rating, respectively, plus a facility fee based on the Operating Partnership's leverage ratio or credit rating, respectively. The SOFR rate is also subject to an additional 0.10% spread adjustment. The Revolving Facility is currently priced on the leverage-based pricing grid. In accordance with the Credit Agreement, the credit spread set forth in the leverage grid resets quarterly based on the Company's leverage, as calculated at the previous quarter end. The Company may irrevocably elect to convert to the ratings-based pricing grid at any time. As of December 31, 2024, making such an election would have resulted in a lower interest rate; however, the Company has not made the election to convert to the ratings-based pricing grid. As specified in the Third Amendment, in the event that the Company so elects to convert to the ratings-based pricing grid, the Company has the ability to obtain more favorable pricing in certain circumstances when its total leverage ratio is (x) less than or equal to 35.0% or (y) greater than 35.0% but less than or equal to 37.5% with respect to not more than one fiscal quarter following a period in which the condition described in clause (x) was satisfied (the "Leverage Toggle"). The Third Amendment also includes an adjustment to the sustainability-linked pricing provisions that allows the otherwise applicable interest rate margin to be reduced by up to two basis points (previously one basis point) if certain greenhouse gas emission reduction targets are achieved. The greenhouse gas emission reduction targets have not been achieved as of December 31, 2024.

The following table summarizes the key terms of the Revolving Facility as of December 31, 2024 *(dollars in thousands)*:

				Leverage-Based Pricing		Investment-Grade Pricing		
Credit Agreement	Maturity Date	Extension Options	Extension Fee	Credit Spread	Facility Fee	Credit Spread	Facility Fee	SOFR Adjustment
$1,100,000 unsecured revolving line of credit	10/3/2028	1 one-year or 2 six-month	0.075%	1.05%–1.50%	0.15%–0.30%	0.725%–1.40%	0.125%–0.30%	0.10%

The Operating Partnership's ability to borrow under the Credit Agreement is subject to ongoing compliance by the Operating Partnership and its subsidiaries with various restrictive covenants, including with respect to liens, transactions with affiliates, dividends, mergers and asset sales. In addition, the Credit Agreement requires that the Operating Partnership satisfy certain financial covenants, including (i) a maximum leverage ratio; (ii) a minimum fixed charge coverage ratio; (iii) a maximum secured indebtedness ratio; (iv) a maximum unsecured leverage ratio; and (v) a minimum unencumbered interest coverage ratio. As of December 31, 2024, we were in compliance with all such covenants.

The Credit Agreement includes customary representations and warranties, which must continue to be true and correct in all material respects as a condition to future draws under the Revolving Facility. The Credit Agreement also contains customary events of default, the occurrence of which, following any applicable grace period, would permit the lenders to, among other things, declare the principal, accrued interest and other obligations under the Credit Agreement to be immediately due and payable.

Unsecured Term Loans

In July 2022, in conjunction with the second amendment to the Credit Agreement, the Operating Partnership obtained a $300M Term Loan that is priced on a ratings-based pricing grid at a rate of SOFR plus a credit spread ranging from 1.15% to 2.20%. The SOFR rate is also subject to an additional 0.10% spread adjustment. Proceeds from the $300M Term Loan were used to repay outstanding indebtedness and for general corporate purposes. The Operating Partnership is permitted to prepay the $300M Term Loan in whole or in part, at any time, without premium or penalty. The Third Amendment to the Credit

Agreement also applied the Leverage Toggle and adjustment to the sustainability-linked pricing provisions to the $300M Term Loan.

In October 2021, in connection with the merger with RPAI, the Operating Partnership (as successor by merger to RPAI) assumed RPAI's $120M Term Loan and $150.0 million unsecured term loan that matures in July 2026 (the "$150M Term Loan"), which were originally priced on a leverage-based pricing grid with the credit spread set forth in the leverage grid resetting quarterly based upon the Company's leverage, as calculated at the previous quarter end. The Operating Partnership had the option to irrevocably elect to convert to a ratings-based pricing grid at any time. In August 2022, the Operating Partnership made the election to convert to the ratings-based pricing grid. During the year ended December 31, 2024, the Operating Partnership repaid the $120M Term Loan that matured on July 17, 2024. On October 31, 2024, the Operating Partnership entered into a fifth amendment to the loan agreement related to the $150M Term Loan that implemented certain changes to the representations and warranties, covenants, and events of default consistent with the Third Amendment. The loan agreement related to the $150M Term Loan includes a sustainability metric based on targeted greenhouse gas emission reductions, which results in a reduction of the otherwise applicable interest rate margin by one basis point upon achievement of targets set forth therein. The greenhouse gas emission reduction targets have not been achieved as of December 31, 2024.

Under the loan agreement related to the $150M Term Loan, the Operating Partnership has the option to increase the term loan to $250.0 million upon the Operating Partnership's request, subject to certain conditions including obtaining commitments from any one or more lenders, whether or not currently party to the term loan agreement, to provide such increased amounts. The Operating Partnership is permitted to prepay the $150M Term Loan in whole or in part, at any time, without being subject to a prepayment fee.

In October 2018, the Operating Partnership entered into a term loan agreement with a group of financial institutions providing for an unsecured term loan facility of up to $250.0 million (the "$250M Term Loan"). In October 2024, the Operating Partnership entered into the Second Amendment (the "Second Amendment") to the term loan agreement that extended the maturity date of the $250M Term Loan to October 24, 2027 with the option to extend such maturity date by one one-year period at the Company's election, subject to the payment of an extension fee and certain other customary conditions. In conjunction with the Second Amendment, the $250M Term Loan is priced on a ratings-based pricing grid with the interest rate equal to (x) a margin ranging from 0.75% to 1.60% or (y) a base rate plus a margin ranging from 0.00% to 0.60% and includes the same Leverage Toggle for determining pricing and sustainability-linked pricing provisions as described above for the Third Amendment to the Credit Agreement. In conjunction with the Second Amendment to the term loan agreement, the Company recorded a $0.2 million loss on extinguishment of debt related to the write-off of unamortized debt issuance costs. The Operating Partnership has the option to increase the $250M Term Loan to $300.0 million, subject to certain conditions, including obtaining commitments from any one or more lenders, whether or not currently party to the term loan agreement, to provide such increased amounts. The Operating Partnership is permitted to prepay the $250M Term Loan in whole or in part without premium or penalty.

The unsecured term loan agreements contain representations, financial and other affirmative and negative covenants, and events of default that are substantially similar to those contained in the Credit Agreement. The unsecured term loan agreements all rank pari passu with the Operating Partnership's Revolving Facility and other unsecured indebtedness of the Operating Partnership.

The following table summarizes the key terms of the unsecured term loans as of December 31, 2024 *(dollars in thousands)*:

Unsecured Term Loans	Maturity Date	Leverage-Based Pricing Credit Spread	Investment-Grade Pricing Credit Spread	SOFR Adjustment
$150,000 unsecured term loan due 2026	7/17/2026	1.20% – 1.70%	0.75% – 1.60%	0.10%
$250,000 unsecured term loan due 2027	10/24/2027[1]	N/A	0.75% – 1.60%	0.10%
$300,000 unsecured term loan due 2029	7/29/2029	N/A	1.15% – 2.20%	0.10%

(1) The maturity date may be extended by one one-year period at the Operating Partnership's option, subject to certain conditions.

Debt Issuance Costs

Debt issuance costs are amortized over the terms of the respective loans. The following amounts of amortization of debt issuance costs are included as a component of "Interest expense" in the accompanying consolidated statements of operations and comprehensive income *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of debt issuance costs	$ 4,650	$ 3,609	$ 3,163

Debt Discounts and Premiums

Debt discounts and premiums, including the related value of interest rate swaps that were assumed in the October 2021 merger with RPAI, are amortized over the terms of the respective loan agreements. The following amounts of amortization are included as a component of "Interest expense" in the accompanying consolidated statements of operations and comprehensive income *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of debt discounts, premiums and hedge instruments	$ 13,592	$ 19,503	$ 20,140

In addition, the estimated amounts of the reduction to interest expense as of December 31, 2024 for each of the next five years and thereafter related to the amortization of debt discounts, premiums and assumed hedge instruments, assuming these instruments are held to maturity, are as follows *(in thousands)*:

2025	$ 7,486
2026	5,832
2027	4,914
2028	4,904
2029	3,978
Thereafter	484
Total unamortized debt discounts, premiums and hedge instruments	$ 27,598

The following table reconciles total unamortized debt discounts, premiums and hedge instruments as of December 31, 2024 to the balance of unamortized discounts and premiums, net *(in thousands)*:

Unamortized discounts and premiums on mortgages payable, senior unsecured notes and unsecured term loans	$ 26,128
Unamortized hedge instruments	1,470
Total unamortized debt discounts, premiums and hedge instruments	27,598
Unamortized hedge instruments (included in accumulated other comprehensive income)	(1,470)
Fair value of variable interest rate swaps	(3,937)
Unamortized discounts and premiums, net	$ 22,191

Debt Maturities

The following table summarizes the scheduled maturities and principal amortization of the Company's indebtedness as of December 31, 2024 *(in thousands)*:

	Secured Debt			
	Scheduled Principal Payments	Term Maturities	Unsecured Debt	Total
2025	$ 5,248	$ —	$ 430,000	$ 435,248
2026	4,581	10,600	550,000	565,181
2027	3,120	—	500,000	503,120
2028	3,757	—	100,000	103,757
2029	4,324	—	400,000	404,324
Thereafter	23,767	92,788	1,100,000	1,216,555
	$ 44,797	$ 103,388	$ 3,080,000	$ 3,228,185
Debt discounts, premiums and issuance costs, net				(1,255)
Mortgage and other indebtedness, net				$ 3,226,930

Other Debt Activity

During the years ended December 31, 2024, 2023 and 2022, we capitalized interest totaling $3.9 million, $3.7 million, and $2.4 million, respectively.

Fair Value of Fixed and Variable Rate Debt

As of December 31, 2024, the estimated fair value of fixed rate debt was $2.5 billion compared to the book value of $2.5 billion. The fair value was estimated using Level 2 and Level 3 inputs with cash flows discounted at current borrowing rates for similar instruments, which ranged from 5.92% to 7.06%. As of December 31, 2024, the estimated fair value of variable rate debt was $714.6 million compared to the book value of $715.9 million. The fair value was estimated using Level 2 and Level 3 inputs with cash flows discounted at a current borrowing rate for similar instruments of 5.48%.

DERIVATIVE INSTRUMENTS, HEDGING ACTIVITIES AND OTHER COMPREHENSIVE INCOME

Derivative Instruments and Hedging Activities Disclosure [Abstract]

DERIVATIVE INSTRUMENTS, HEDGING ACTIVITIES AND OTHER COMPREHENSIVE INCOME

12 Months Ended

Dec. 31, 2024

DERIVATIVE INSTRUMENTS, HEDGING ACTIVITIES AND OTHER COMPREHENSIVE INCOME

In order to manage potential future variable interest rate risk, we enter into interest rate derivative agreements from time to time. We do not use interest rate derivative agreements for trading or speculative purposes. The agreements with each of our derivative counterparties provide that in the event of default on any of our indebtedness, we could also be declared in default on our derivative obligations.

The following table summarizes the terms and fair values of the Company's derivative financial instruments that were designated and qualified as part of a hedging relationship as of December 31, 2024 and 2023 *(dollars in thousands)*:

							Fair Value Assets (Liabilities)[1]	
Type of Hedge	Number of Instruments	Aggregate Notional	Reference Rate	Interest Rate	Effective Date	Maturity Date	December 31, 2024	December 31, 2023
Cash Flow	Four	$ 250,000	SOFR	2.99 %	12/1/2022	10/24/2025	$ 2,307	$ 4,952
Cash Flow	Two	100,000	SOFR	2.66 %	8/1/2022	8/1/2025	884	2,415
Cash Flow	Two	200,000	SOFR	2.37 %	11/22/2023	8/1/2025	2,101	5,716
Cash Flow	Three	—	SOFR	1.58 %	8/15/2022	7/17/2024	—	2,236
Cash Flow	Three	150,000	SOFR	1.68 %	8/15/2022	7/17/2026	5,316	7,744
		$ 700,000					$ 10,608	$ 23,063
Fair Value[2]	Two	$ 155,000	SOFR	SOFR + 3.70%	4/23/2021	9/10/2025	$ (3,937)	$ (9,408)
Forward-Starting Cash Flow[3]	Three	$ 150,000	SOFR	3.44 %	6/28/2024	6/28/2034	$ —	$ (700)

(1) Derivatives in an asset position are included within "Prepaid and other assets" and derivatives in a liability position are included within "Accounts payable and accrued expenses" in the accompanying consolidated balance sheets.

(2) The derivative agreements swap a blended fixed rate of 4.52% for a blended floating rate of three-month SOFR plus 3.70%.

(3) The forward-starting interest rate swaps were terminated in conjunction with the issuance of the Notes Due 2034 in January 2024.

In August 2024, we entered into two intraday interest rate lock agreements with notional amounts totaling $350.0 million that fixed the interest rate on a portion of the Notes Due 2031, which were issued in August 2024, at 3.75%. We paid $0.1 million upon termination, which is included as a component of "Accumulated other comprehensive income" in the accompanying consolidated balance sheets and is being reclassified as an increase to interest expense over the term of the debt.

In December 2023, we entered into three forward-starting interest rate swap agreements with notional amounts totaling $150.0 million that swap a floating rate of compound SOFR for a fixed rate of 3.44% with an effective date of June 28, 2024 and a maturity date of June 28, 2034. These interest rate swaps fixed the interest rate on a portion of the Notes Due 2034, which were issued in January 2024, and were subsequently terminated upon issuance of the Notes Due 2034. We received $0.7 million upon termination, which is included as a component of "Accumulated other comprehensive income" in the accompanying consolidated balance sheets and is being reclassified as a reduction to interest expense over the term of the debt.

In October 2022, we terminated two forward-starting interest rate swaps with notional amounts totaling $150.0 million and a maturity date of June 1, 2032 and received $30.9 million upon termination. This settlement is included as a component of "Accumulated other comprehensive income" in the accompanying consolidated balance sheets and is being reclassified to earnings over time as the hedged items are recognized in earnings. During the year ended December 31, 2023, we accelerated the reclassification of $3.1 million in accumulated other comprehensive income as a reduction to interest expense as a result of a portion of the hedged forecasted transaction becoming probable not to occur.

These interest rate derivative agreements are the only assets or liabilities that we record at fair value on a recurring basis. The valuation of these assets and liabilities is determined using widely accepted techniques, including discounted cash flow analysis. These techniques consider the contractual terms of the derivatives (including the period to maturity) and use observable market-based inputs such as interest rate curves and implied volatilities. We also incorporate credit valuation adjustments into the fair value measurements to reflect nonperformance risk on both our part and that of the respective counterparties.

We have determined that the majority of the inputs used to value our derivatives fall within Level 2 of the fair value hierarchy, although the credit valuation adjustments associated with our derivatives use Level 3 inputs such as estimates of current credit spreads to evaluate the likelihood of default by us and our counterparties. As of December 31, 2024 and 2023, we assessed the significance of the impact of the credit valuation adjustments on the overall valuation of our derivative positions

and determined that the credit valuation adjustments were not significant to the overall valuation of our derivatives. As a result, we have determined that our derivative valuations are classified within Level

2 of the fair value hierarchy.

Amounts reported in accumulated other comprehensive income related to derivatives will be reclassified to earnings over time as the hedged items are recognized in earnings. Approximately $17.4 million was reclassified as a reduction to interest expense during both of the years ended December 31, 2024 and 2023. Approximately $7.3 million was reclassified as an increase to interest expense during the year ended December 31, 2022. As interest payments on our derivatives are made over the next 12 months, we estimate the decrease to interest expense to be approximately $13.0 million, assuming the current SOFR curve.

Unrealized gains and losses on our interest rate derivative agreements are the only components of the change in accumulated other comprehensive income.

LEASE INFORMATION	12 Months Ended Dec. 31, 2024
Leases [Abstract]	

LEASE INFORMATION

LEASE INFORMATION

Rental Income

The Company receives rental income from the leasing of retail and office space. The lease agreements generally provide for certain increases in base rent, reimbursement for certain operating expenses, and may require tenants to pay contingent rent to the extent their sales exceed a defined threshold. Certain tenants have the option in their lease agreement to extend their lease upon the expiration of the contractual term. Variable lease payments are based upon tenant sales information and are recognized once a tenant's sales volume exceeds a defined threshold. Variable lease payments for the reimbursement of operating expenses are based upon the operating expense activity for the period.

Rental income related to the Company's operating leases is comprised of the following for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Fixed contractual lease payments – operating leases	$ 653,537	$ 637,915	$ 615,773
Variable lease payments – operating leases	156,200	151,853	151,304
Bad debt reserve	(5,356)	(3,459)	(6,027)
Straight-line rent adjustments	12,742	13,186	17,031
Straight-line rent reserve for uncollectibility	(653)	(1,374)	(553)
Amortization of in-place lease liabilities, net	10,078	12,025	4,821
Rental income	$ 826,548	$ 810,146	$ 782,349

The weighted-average remaining term of the lease agreements is approximately 5.1 years. During the years ended December 31, 2024, 2023 and 2022, the Company earned overage rent totaling $7.1 million, $7.5 million, and $5.9 million, respectively.

As of December 31, 2024, future minimum rentals to be received under non-cancelable operating leases, excluding variable lease payments and amounts deferred under lease concession agreements, for each of the next five years and thereafter are as follows *(in thousands)*:

	Lease Payments
2025	$ 643,851
2026	597,134
2027	524,291
2028	435,178
2029	332,941
Thereafter	999,811
Total	$ 3,533,206

Commitments under Ground Leases

As of December 31, 2024, we are obligated under 12 ground leases for approximately 98 acres of land. Most of these ground leases require fixed annual rent payments. The expiration dates of the remaining initial terms of these ground leases range from 2025 to 2092 with a weighted average remaining term of 33.5 years. Certain of these leases have five- to 10-year extension options ranging in total from 20 to 25 years.

Right-of-use assets are included within "Prepaid and other assets" and lease liabilities are included within "Deferred revenue and other liabilities" in the accompanying consolidated balance sheets.

During the years ended December 31, 2024, 2023 and 2022, the Company incurred ground lease expense on these operating leases of $6.3 million, $6.2 million, and $6.2 million, respectively. The Company made payments of $5.2 million, $5.2 million, and $5.1 million during the years ended December 31, 2024, 2023 and 2022, respectively, which are included within operating cash flows.

As of December 31, 2024, future minimum lease payments due under ground leases for each of the next five years and thereafter are as follows *(in thousands)*:

	Lease Obligations
2025	$ 5,169
2026	5,174
2027	5,219
2028	4,979
2029	4,935
Thereafter	100,709
	$ 126,185
Adjustment for discounting	(59,148)
Lease liabilities as of December 31, 2024	$ 67,037

LEASE INFORMATION

LEASE INFORMATION

Rental Income

The Company receives rental income from the leasing of retail and office space. The lease agreements generally provide for certain increases in base rent, reimbursement for certain operating expenses, and may require tenants to pay contingent rent to the extent their sales exceed a defined threshold. Certain tenants have the option in their lease agreement to extend their lease upon the expiration of the contractual term. Variable lease payments are based upon tenant sales information and are recognized once a tenant's sales volume exceeds a defined threshold. Variable lease payments for the reimbursement of operating expenses are based upon the operating expense activity for the period.

Rental income related to the Company's operating leases is comprised of the following for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022

SEGMENT REPORTING	12 Months Ended Dec. 31, 2024
Segment Reporting [Abstract]	
SEGMENT REPORTING	SEGMENT REPORTING

An operating segment is a component of a public entity that engages in business activities from which it may earn revenues and incur expenses and has discrete financial information available that is regularly reviewed by the chief operating decision maker (the "CODM").

The Company's primary business is the ownership and operation of high-quality, open-air shopping centers and mixed-use assets that are primarily grocery-anchored and located in high-growth Sun Belt markets and select strategic gateway markets in the United States. We derive our revenue primarily from the collection of contractual rents and reimbursement payments from tenants under existing lease agreements at each of our properties. The Company's CODM, which is its Chief Executive Officer, regularly reviews operating and financial information for each property on an individual basis; therefore, each property represents an individual operating segment. The CODM does not distinguish or group our operations on a geographical or any other basis for purposes of measuring performance and allocating capital. Across our properties, the financial performance, revenue generating activities, and customer base is determined to be economically similar; therefore, all operating segments have been aggregated into one reportable segment.

The CODM measures and evaluates the financial performance of our portfolio of properties and decides how resources are allocated based on net operating income. The CODM uses net operating income to evaluate income generated from each property in deciding whether to reinvest profits for recurring capital expenditures or into other parts of the business, such as for acquisitions, developments, scheduled interest and principal payments on our indebtedness, or to pay dividends. Net operating income is also used to monitor budget versus actual results in assessing the performance of our properties. The CODM does not regularly review total assets for our single reportable segment as total assets are not used to assess performance or allocate resources.

The following table presents information on the Company's reported segment revenue, net operating income, and significant segment expenses that are provided to the CODM and included within the Company's single reportable operating segment measure of profit or loss:

	Year Ended December 31,		
	2024	2023	2022
Revenue:			
Minimum rent	$ 650,331	$ 642,255	$ 620,847

SHAREHOLDERS' EQUITY	12 Months Ended Dec. 31, 2024
Stockholders' Equity Note [Abstract]	
SHAREHOLDERS' EQUITY	SHAREHOLDERS' EQUITY

Distributions

Our Board of Trustees declared a cash distribution of $0.27 per common share and Common Unit for the fourth quarter of 2024. This distribution was paid on January 16, 2025 to common shareholders and common unitholders of record as of January 9, 2025.

For the years ended December 31, 2024, 2023 and 2022, we declared cash distributions totaling $1.03, $0.97, and $0.87, respectively, per common share and Common Unit.

Share Repurchase Program

In February 2021, our Board of Trustees approved a share repurchase program under which the Company may repurchase, from time to time, up to an aggregate of $150.0 million of its common shares. In April 2022, our Board of Trustees authorized a $150.0 million increase to the size of the share repurchase program, authorizing share repurchases up to a maximum of $300.0 million of its common shares (the "Share Repurchase Program"). The Company intends to fund any future repurchases under the Share Purchase Program with cash on hand or availability under the Revolving Facility, subject to any applicable restrictions. The timing of share repurchases and the number of common shares to be repurchased under the Share Repurchase Program will depend upon prevailing market conditions, regulatory requirements, and other factors. In January 2025, the Company extended the Share Repurchase Program for an additional year to February 28, 2026, if not terminated or extended prior to that date. As of December 31, 2024, the Company has not repurchased any shares under the Share Repurchase Program.

Dividend Reinvestment and Share Purchase Plan

We maintain a dividend reinvestment and share purchase plan that offers shareholders and new investors the option to invest all or a portion of their common share dividends in additional common shares. Participants in this plan are also able to make optional cash investments with certain restrictions.

EARNINGS PER SHARE OR UNIT	12 Months Ended Dec. 31, 2024
Earnings Per Share [Abstract]	
EARNINGS PER SHARE OR UNIT	EARNINGS PER SHARE OR UNIT

Basic earnings per share or unit is calculated based on the weighted average number of common shares or units outstanding during the period. Diluted earnings per share or unit is calculated based on the weighted average number of common shares or units outstanding during the period combined with the incremental weighted average common shares or units that would have been outstanding assuming the conversion of all potentially dilutive common shares or units into common shares or units as of the earliest date possible.

Potentially dilutive securities include (i) outstanding options to acquire common shares; (ii) Limited Partner Units, which may be exchanged for either cash or common shares at the Parent Company's option and under certain circumstances; (iii) AO LTIP Units; (iv) deferred common share units, which may be credited to the personal accounts of members of the Board of Trustees in lieu of compensation paid in cash or the issuance of common shares to such trustees, and (v) common shares issuable upon the exchange of the Company's Exchangeable Notes. The Company calculates the potential dilutive effect of the Exchangeable Notes under the if-converted method, which considers only the amounts settled in excess of the principal in diluted earnings per share as the principal must be paid in cash. Limited Partner Units have been omitted from the Parent Company's denominator for the purpose of computing diluted earnings per share since the effect of including those amounts in the denominator would have no dilutive impact. Weighted average Limited Partner Units outstanding were 3.8 million, 3.2 million, and 2.8 million for the years ended December 31, 2024, 2023 and 2022, respectively.

The following summarizes the calculation of basic and diluted earnings per share for the Parent Company for the years ended December 31, 2024, 2023 and 2022. We have omitted the calculation of basic and diluted earnings per unit since the dilutive securities for the Operating Partnership are the same as those for the Parent Company *(dollars in thousands, except per share data)*:

	Year Ended December 31,		
	2024	2023	2022
Numerator:			
Net income (loss) attributable to common shareholders – basic and diluted	$ 4,071	$ 47,498	$ (12,636)
Denominator:			
Weighted average common shares outstanding – basic	219,614,149	219,344,832	219,074,448
Effect of dilutive securities:			
AO LTIP Units	43,331	325,603	—
Deferred common share units	70,016	57,848	—
Exchangeable Notes	—	—	—
Weighted average common shares outstanding – diluted	219,727,496	219,728,283	219,074,448
Net income (loss) per common share – basic	$ 0.02	$ 0.22	$ (0.06)
Net income (loss) per common share – diluted	$ 0.02	$ 0.22	$ (0.06)

Due to the net loss allocable to common shareholders and common unitholders for the year ended December 31, 2022, no securities had a dilutive impact for that period.

COMMITMENTS AND CONTINGENCIES	12 Months Ended Dec. 31, 2024
Commitments and Contingencies Disclosure [Abstract]	
COMMITMENTS AND CONTINGENCIES	COMMITMENTS AND CONTINGENCIES

Other Commitments and Contingencies

We are obligated under various completion guarantees with certain lenders and lease agreements with tenants to complete all or portions of a development project and tenant-specific space that are currently under construction. We believe we currently have sufficient financing in place to fund these projects and expect to do so primarily through free cash flow or borrowings on the Revolving Facility.

In 2017, we provided a repayment guaranty on a $33.8 million construction loan associated with the development of the Embassy Suites at the University of Notre Dame, consistent with our 35% ownership interest. Our portion of the repayment guaranty was limited to $5.9 million, and the guaranty's term was through July 1, 2024, the maturity date of the construction loan. In July 2024, the joint venture repaid the construction loan, of which we contributed $10.2 million, representing our 35% share of the debt repaid.

In 2021, we provided repayment and completion guaranties on loans totaling $66.2 million associated with the development of The Corner mixed-use project in the Indianapolis MSA. As of December 31, 2024, the outstanding balance of the loans was $68.4 million, of which our share was $34.2 million.

Legal Proceedings

We are not subject to any material litigation, nor, to management's knowledge, is any material litigation currently threatened against us. We are parties to routine litigation, claims, and administrative proceedings arising in the ordinary course of business. Management believes that such matters will not have a material adverse impact on our consolidated financial condition, results of operations or cash flows taken as a whole.

Related Party Transactions [Abstract]

RELATED PARTIES AND RELATED PARTY TRANSACTIONS

RELATED PARTIES AND RELATED PARTY TRANSACTIONS

Subsidiaries of the Company provide certain management, construction management and other services to a number of entities owned by several members of the Company's management. During each of the years ended December 31, 2024, 2023 and 2022, we earned less than $0.1 million from entities owned by certain members of management.

We reimburse entities owned by certain members of the Company's management for certain travel and related services. During the years ended December 31, 2024, 2023 and 2022, we paid $0.2 million, $0.3 million, and $0.3 million, respectively, to this related entity.

During the year ended December 31, 2023, a wholly owned subsidiary of the Company ("KRG Development") assigned to Pan Am Development Partners, LLC (the "Assignee") certain rights and obligations related to the development of a hotel on the Pan Am Plaza site in Indianapolis, IN, including certain future development rights and a right of first offer involving the project (collectively, the "Project Rights and Obligations"). The Assignee is a wholly owned subsidiary of Circle Block Investor, LLC, the parent company that owns the Conrad Indianapolis hotel, of which Mr. Alvin E. Kite, our Chairman Emeritus and the father of Mr. John A. Kite, is the majority owner, and Mr. John A. Kite, our Chief Executive Officer and Chairman of the Board, and Mr. Thomas K. McGowan, our President and Chief Operating Officer, are minority owners. In connection with the transaction, the Assignee assumed all Project Rights and Obligations from and after August 7, 2023 and paid KRG Development a $3.5 million assignment fee (the "Assignment Fee") during the year ended December 31, 2024 upon the completion of certain development activities. In connection with the transactions, Mr. Kite and Mr. McGowan expressly acknowledged and agreed that they remain subject to their executive employment agreements with the Company, including, without limitation, the obligation of each executive to devote substantially all his business time and effort to the performance of his duties for the Company. Assignee will engage a team of full-time professionals to perform the Project Rights and Obligations. The transaction was approved by a special transaction committee of the independent trustees of the Company (the "Transaction Committee") as well as the Company's independent trustees. The Transaction Committee engaged a third-party financial advisor to assist in determining the net value of the Project Rights and Obligations and establishing the Assignment Fee.

* This property or a portion of the property is subject to a ground lease for the land.

** This category generally includes land held for development. We also have certain additional land parcels at our development and operating properties, which amounts are included elsewhere in this table.

RECONCILIATION OF INVESTMENT PROPERTIES

The changes in investment properties for the years ended December 31, 2024, 2023 and 2022 are as follows:

	Year Ended December 31,		
	2024	2023	2022
Balance as of January 1,	$ 7,740,061	$ 7,732,573	$ 7,584,735
Acquisitions related to the RPAI merger	—	—	(16,672)
Acquisitions	38,101	75,587	99,064
Property held for sale	(105,828)	—	—
Improvements	139,895	140,654	152,165
Impairment of property	(101,678)	—	—
Disposals	(76,360)	(208,753)	(86,719)
Balance as of December 31,	$ 7,634,191	$ 7,740,061	$ 7,732,573

The unaudited aggregate cost of investment properties for U.S. federal income tax purposes as of December 31, 2024 was approximately $8.2 billion.

RECONCILIATION OF ACCUMULATED DEPRECIATION

The changes in accumulated depreciation for the years ended December 31, 2024, 2023 and 2022 are as follows:

	Year Ended December 31,		
	2024	2023	2022
Balance as of January 1,	$ 1,381,770	$ 1,161,148	$ 879,306
Depreciation expense	314,632	317,593	318,809
Property held for sale	(1,360)	—	—
Impairment of property	(35,477)	—	—
Disposals	(71,904)	(96,971)	(36,967)
Balance as of December 31,	$ 1,587,661	$ 1,381,770	$ 1,161,148

Depreciation of investment properties reflected in the accompanying consolidated statements of operations and comprehensive income is calculated over the estimated original lives of the assets as follows:

Buildings	20 – 35 years
Building improvements	10 – 35 years
Tenant improvements	Term of related lease
Furniture and fixtures	5 – 10 years

All other schedules have been omitted because they are inapplicable, not required or the information is included elsewhere in the accompanying consolidated financial statements or notes thereto.

Cybersecurity Risk Management, Strategy, and Governance [Line Items]	
Cybersecurity Risk Management Processes for Assessing, Identifying, and Managing Threats [Text Block]	*Cybersecurity Risk Management Process* The Company relies extensively on IT systems to operate and manage its business and process transactions. As a result, our business is at risk from, and may be impacted by, cybersecurity incidents. The Company's cybersecurity risk management program leverages the National Institute of Standards and Technology ("NIST") Cybersecurity Framework, which is used to benchmark and tailor the Company's strategies and program to our risk profile and specific operational needs and goals. As risk management is an ongoing process, the Company regularly assesses its cybersecurity risks and adjusts its program accordingly. Via multiple monitoring solutions, potential cyber threats are automatically logged and proactively addressed. Our monitoring tools use well-established vulnerability scoring to aid in the overall risk assessment. The scoring ranks by potential severity and likelihood and includes a review of mitigating factors. The Company prioritizes its cybersecurity investments based on the likelihood and impact of potential threats. We recognize that cybercriminals frequently target employees to gain unauthorized access to information systems. Therefore, from onboarding and at least annually thereafter, the Company educates and trains its employees on cybersecurity leading practices using a variety of methods, which is supplemented throughout the year with regular phishing and other cyber-related testing. The Company regularly performs internal and external penetration testing and vulnerability scanning with the support of well-established third-party providers. Identified deficiencies or vulnerabilities are reviewed by the IT staff and management, and remediation steps are taken based on the criticality of the results. Cybersecurity tools and services are configured to identify threats and risks that may be associated with the use of third-party applications or solutions. We prioritize our cybersecurity efforts relating to third parties based on the likelihood and potential impact of cybersecurity threats. These efforts may include reviewing security documentation or protocols of key vendors, service providers, and external users of our systems. The Company has developed cybersecurity incident response plans to contain, investigate, respond to, and recover from cybersecurity incidents that may jeopardize the confidentiality, integrity, or availability of our IT systems. Key members of management, including the Company's Chief Financial Officer, Chief Operating Officer, and Chief Legal Officer, as well as employees from IT, internal audit, marketing and communications, and human resources, serve on the Company's security incident response team to help the Company mitigate and remediate cybersecurity incidents of which they are notified. Our response plans require prompt notification to members of senior management in the event of a significant cybersecurity incident and prompt briefings on further developments as appropriate. *Risks And Impact From Cybersecurity Threats* As of December 31, 2024, we are not aware of any risks from cybersecurity threats or incidents that have materially affected or are reasonably likely to materially affect the Company, including our business strategy, results of operations or financial condition. However, evolving cybersecurity threats make it increasingly challenging to anticipate, detect, and defend against cybersecurity threats and incidents. For more information regarding our cybersecurity risks, see *"We and our tenants face risks related to cyber attacks that could cause loss of confidential information and other business disruptions"* in Item 1A. "Risk Factors" within this Annual Report on Form 10-K.

Cybersecurity Risk Board of Directors Oversight [Text Block]	Our Board of Trustees oversees various risks that the Company may face from time to time. While the full Board of Trustees has primary responsibility for risk oversight, it has delegated to the Audit Committee the responsibility for overseeing the Company's enterprise risk management and risk mitigation policies and programs, including matters related to privacy and cybersecurity. The Audit Committee reviews the Company's cybersecurity risks and the effectiveness of its cybersecurity program every quarter, including current threat levels and ongoing program enhancements. Reports on these topics are provided to the Audit Committee by the Vice President, Chief Information Security Officer ("CISO") and the Vice President, Internal Audit and Enterprise Risk Management on a quarterly basis. In addition, when appropriate, cybersecurity risks and incidents will be reported to the Board of Trustees by the Company's Chief Financial Officer.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Policies)	12 Months Ended Dec. 31, 2024
Accounting Policies [Abstract]	
Investment Properties	Investment properties are recorded at cost and include costs of land acquisition, development, predevelopment, construction, certain allocated overhead, tenant allowances and improvements, and interest and real estate taxes incurred during construction. Significant renovations and improvements are capitalized when they extend the useful life, increase capacity, or improve the efficiency of the asset. If a tenant vacates a space prior to the lease expiration, terminates its lease, or otherwise notifies the Company of its intent to do so, any related unamortized tenant allowances are expensed over the shortened lease period. Ordinary repairs and maintenance that do not extend the useful lives of the respective assets are expensed as incurred and included within “Property operating” expense in the accompanying consolidated statements of operations and comprehensive income. Predevelopment costs are incurred prior to vertical construction and for certain land held for development during the due diligence phase and include contract deposits, legal, engineering, cost of internal resources, and other professional fees related to evaluating the feasibility of developing or redeveloping a shopping center or other project. These predevelopment costs are capitalized and included within “Investment properties, at cost” in the accompanying consolidated balance sheets. If we determine that the completion of a development project is no longer probable, all previously incurred predevelopment costs are immediately expensed. Land is transferred to construction in progress once construction commences on the related project. We also capitalize costs such as land acquisition, building construction, interest, real estate taxes, and the costs of personnel directly involved with the development of our properties. As a portion of a development project becomes operational, we expense a pro rata amount of the related costs. Depreciation expense is computed using the straight-line method. Buildings and improvements are depreciated over estimated original useful lives ranging from 10 to 35 years. Tenant improvements and allowances are depreciated over the term of the related lease. Equipment and fixtures are depreciated over five to 10 years. Depreciation may be accelerated for a redevelopment project, including partial demolition of an existing structure, after the asset is assessed for impairment. We recognize the sale of real estate when control transfers to the buyer. As part of our ongoing business strategy, we will, from time to time, sell properties, land parcels and outlots, some of which are ground-leased to tenants.
Valuation of Investment Properties	Management reviews our operating and development projects, land parcels, and intangible assets for impairment on a property-by-property basis whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. This review for possible impairment requires certain assumptions, estimates, and significant judgment. Examples of situations considered to be impairment indicators for both operating properties and development projects include, but are not limited to: • a substantial decline in or continued low occupancy rate or cash flow; • expected significant declines in occupancy in the near future; • continued difficulty in leasing space; • a significant concentration of financially troubled tenants; • a reduction in the anticipated holding period; • a cost accumulation or delay in the project completion date significantly above and beyond the original development or redevelopment estimate; • a significant decrease in the market price not in line with general market trends; and • any other quantitative or qualitative events or factors deemed significant by the Company’s management or Board of Trustees. Impairment losses for investment properties and intangible assets are measured when the undiscounted cash flows estimated to be generated by the investment properties during the expected holding period are less than the carrying amounts of those assets. The evaluation of impairment is subject to certain management assumptions, including projected net operating income, anticipated holding period, expected capital expenditures, and the capitalization rate used to estimate the property’s residual value. Impairment losses are recorded as the excess of the carrying value over the estimated fair value of the asset. Our impairment review for land and development properties assumes we have the intent and ability to complete the developments or projected uses for the land parcels. If we determine those plans will not be completed or our assumptions with respect to operating assets are not realized, an impairment loss may be appropriate.
Investment Properties Held for Sale	The Company classifies an operating property as held for sale only when the property is available for immediate sale in its present condition and for which management believes it is probable that a sale of the property will be completed within one year, among other factors. An operating property classified as held for sale is carried at the lower of cost or fair value less estimated costs to sell. Depreciation and amortization are suspended during the held-for-sale period.
Acquisition of Investment Properties	Real estate assets are recognized on our consolidated balance sheets at historical cost, less accumulated depreciation and amortization. Upon acquisition of real estate operating properties, we estimate the fair value of acquired identifiable tangible assets (consisting of land, buildings and improvements) and identified intangible assets and liabilities (consisting of above-market and below-market leases and in-place leases), assumed debt, and any noncontrolling interest in the acquiree at the date of acquisition based upon an evaluation of information and estimates available at the acquisition date. Based on these estimates, we record the estimated fair value to the applicable assets and liabilities. In making estimates of fair value, a number of sources are used, including information obtained as a result of pre-acquisition due diligence, marketing, and leasing activities. The estimates of fair value were determined to have primarily relied upon Level 2 and Level 3 inputs, as defined below. Fair value is determined for tangible assets and intangible assets and liabilities, including: • the fair value of the building on an as-if-vacant basis and the fair value of land determined either by comparable market data, real estate tax assessments, independent appraisals, or other relevant data; • above-market and below-market in-place lease values for acquired properties, which are based on the present value (using an interest rate that reflects the risks associated with the leases acquired) of the difference between (i) the contractual amounts to be paid pursuant to the in-place leases and (ii) management’s estimate of fair market lease rates for the corresponding in-place leases, measured over the remaining non-cancelable term of the leases. Any below-market renewal options are also considered in the in-place lease values. The capitalized above-market and below-market lease values are amortized as a reduction of, or addition to, rental income over the term of the leases. Should a tenant vacate, terminate its lease, or otherwise notify us of its intent to do so, the unamortized portion of the lease intangibles would be charged or credited to income as applicable; • the value of having a lease in place at the acquisition date. We use independent and internal sources for our estimates to determine the respective in-place lease values. Our estimates of value use methods similar to those used by independent appraisers. Factors we consider in our analysis include an estimate of costs to execute similar leases, including tenant improvements, leasing commissions, and foregone costs related to the reimbursement of property operating expenses, and fair market rent received during the estimated lease-up period as if the space was vacant. The value of in-place leases is amortized to depreciation and amortization expense over the remaining initial terms of the respective leases; and • the fair value of any assumed financing that is determined to be above- or below-market terms. We use third-party and independent sources for our estimates to determine the respective fair value of each mortgage and other indebtedness, including related derivative instruments, assumed. The fair market value of each is amortized to interest expense over the remaining initial terms of the respective instruments. We also consider whether there is any value to in-place leases that have a related customer relationship intangible value. Characteristics we consider in determining these values include the nature and extent of existing business relationships with the tenant, growth prospects for developing new business with the tenant, the tenant’s credit quality, and expectations of lease renewals, among other factors. To date, we have not developed a tenant relationship that we consider to have a current intangible value.
Consolidation and Investments in Joint Ventures	The accompanying financial statements are presented on a consolidated basis and include all accounts of the Parent Company, the Operating Partnership, the taxable REIT subsidiaries (“TRSs”) of the Operating Partnership, subsidiaries of the Operating Partnership that are controlled, and any variable interest entities (“VIEs”) in which the Operating Partnership is the primary beneficiary. In general, a VIE is a corporation, partnership, trust or any other legal structure used for business purposes that either (a) has equity investors that do not provide sufficient financial resources for the entity to support its activities, (b) does not have equity investors with voting rights, or (c) has equity investors whose votes are disproportionate from their economics, and substantially all of the activities are conducted on behalf of the investor with disproportionately fewer voting rights. The Operating Partnership accounts for properties that are owned by joint ventures in accordance with the consolidation guidance by evaluating each joint venture and determining first whether to follow the VIE or the voting interest entity (“VOE”) model. Once the appropriate consolidation model is identified, the Operating Partnership then evaluates whether it should consolidate the joint venture. Under the VIE model, the Operating Partnership consolidates an entity when it has (i) the power to direct the activities of the VIE that most significantly impact the VIE’s economic performance and (ii) the obligation to absorb losses or the right to receive benefits that could potentially be significant to the VIE. Under the VOE model, the Operating Partnership consolidates an entity when (i) it controls the entity through ownership of a majority voting interest if the entity is not a limited partnership or (ii) it controls the entity through its ability to remove the other partners or owners in the entity, at its discretion, when the entity is a limited partnership. In determining whether to consolidate a VIE with the Operating Partnership, we consider all relationships between the Operating Partnership and the applicable VIE, including development and management agreements and other contractual arrangements, in determining whether we have the power to direct the activities of the VIE that most significantly affect the VIE’s performance. The Operating Partnership is considered a VIE as the limited partners do not hold kick-out rights or substantive participating rights. The Parent Company consolidates the Operating Partnership as it is the primary beneficiary in accordance with the VIE model.
Cash and Cash Equivalents	We consider all highly liquid investments purchased with an original maturity of 90 days or less to be cash and cash equivalents. From time to time, such investments may temporarily be held in accounts that exceed the Federal Deposit Insurance Corporation (“FDIC”) and the Securities Investor Protection Corporation (“SIPC”) insurance limits. The Company periodically assesses the credit risk associated with these financial institutions and believes the risk of loss is minimal.
Restricted Cash and Escrow Deposits	Escrow deposits consist of cash held for real estate taxes, property maintenance, insurance and other requirements at specific properties as required by lending institutions, certain municipalities or other agreements.
Fair Value Measurements	We follow the framework established under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures,* for measuring fair value of non-financial assets and liabilities that are not required or permitted to be measured at fair value on a recurring basis but only in certain circumstances, such as a business combination or upon determination of an impairment. Assets and liabilities recorded at fair value in the accompanying consolidated balance sheets are categorized based on the inputs to the valuation techniques as follows: • Level 1 fair value inputs are quoted prices in active markets for identical instruments to which we have access. • Level 2 fair value inputs are inputs other than quoted prices included in Level 1 that are observable for similar instruments, either directly or indirectly, and appropriately consider counterparty creditworthiness in the valuation. • Level 3 fair value inputs reflect our best estimate of inputs and assumptions market participants would use in pricing an instrument at the measurement date. The inputs are unobservable in the market and significant to the valuation estimate. In instances where the determination of the fair value measurement is based upon inputs from different levels of the fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety. Our assessment of the significance of a particular input to the fair value measurement

in its entirety requires judgment and considers factors specific to the asset or liability.

Note 3. "Acquisitions" to the accompanying consolidated financial statements includes a discussion of the fair values recorded for asset acquisitions. Level 3 inputs to these transactions include our estimations of net rental rates of retail anchor and small shop space, capitalization rates, and disposal values. Note 4. "Dispositions and Impairment Charges" to the accompanying consolidated financial statements includes a discussion of the fair values recorded when we recognized impairment charges during the years ended December 31, 2024 and 2023. Level 2 inputs to these transactions include the expected sales price from an executed sales contract and Level 3 inputs include our estimation of capitalization rates. Note 8. "Mortgage and Other Indebtedness" to the accompanying consolidated financial statements includes a discussion of the estimated fair value of fixed and variable rate debt, which are estimated using Level 2 and Level 3 inputs. As discussed in Note 9. "Derivative Instruments, Hedging Activities and Other Comprehensive Income" to the accompanying consolidated financial statements, we have determined that derivative valuations are classified within Level 2 of the fair value hierarchy.

Cash and cash equivalents, accounts receivable, escrows and deposits, and other working capital balances approximate fair value.

Derivative Financial Instruments

The Company accounts for its derivative financial instruments at fair value calculated in accordance with ASC 820, *Fair Value Measurements and Disclosures*. Gains and losses resulting from changes in the fair value of the derivatives are accounted for depending on the use of the derivative and whether it qualifies for hedge accounting. We use derivative instruments such as interest rate swaps or interest rate locks to mitigate interest rate risk on the related financial instruments.

Changes in the fair value of derivatives that qualify as cash flow hedges are recorded within "Accumulated other comprehensive income" in the accompanying consolidated balance sheets and amortized over the underlying term of the hedged transaction, while any ineffective portion of a derivative's change in fair value is recognized immediately in earnings. For derivative contracts designated as fair value hedges, the gain or loss on the derivative is included within "Mortgage and other indebtedness, net" in the accompanying consolidated balance sheets. We include the gain or loss on the hedged item in the same account as the offsetting gain or loss on the related derivative contract. As of December 31, 2024 and 2023, all of our derivative financial instruments qualify for hedge accounting.

Revenue Recognition

As a lessor of real estate assets, the Company retains substantially all of the risks and benefits of ownership and accounts for its leases as operating leases.

Contractual minimum base rent, percentage rent, and expense reimbursements from tenants for common area maintenance costs, insurance, and real estate taxes are our principal sources of revenue. Base minimum rents are recognized on a straight-line basis over the terms of the respective leases. Certain lease agreements contain provisions that provide for additional rents based upon a tenant's sales volume (contingent overage rent). Overage rent is recognized when tenants achieve the specified sales targets as defined in their lease agreements and is included within "Rental income" in the accompanying consolidated statements of operations and comprehensive income. If we determine that collectibility is probable, we recognize income from rentals based on the methodology described above. If we determine that collectibility is not probable, we recognize income only to the extent that cash has been received from the tenant. We have accounts receivable due from tenants and are subject to the risk of tenant defaults and bankruptcies, which may affect the collection of outstanding receivables. These receivables are reduced for credit loss, which is recognized as a reduction to rental income. We regularly evaluate the collectibility of these lease-related receivables by analyzing past-due account balances and consider such factors as the credit quality of the tenant, historical write-off experience, tenant creditworthiness, and current economic trends when evaluating the collectibility of rental income. Although we estimate uncollectible receivables and provide for them through charges against income, actual experience may differ from those estimates.

Tenant and Other Receivables and Allowance for Uncollectible Accounts

Tenant receivables consist primarily of billed minimum rent, accrued and billed tenant reimbursements, and accrued straight-line rent. The Company generally does not require specific collateral from its tenants other than corporate or personal guarantees. Other receivables consist primarily of amounts due from municipalities and tenants for non-rental revenue-related activities.

An allowance for uncollectible accounts, including future credit losses of the accrued straight-line rent receivables, is maintained for estimated losses resulting from the inability of certain tenants to meet contractual obligations under their lease agreements. Accounts are written off when, in the opinion of management, the balance is deemed uncollectible.

Concentration of Credit Risk

We may be subject to concentrations of credit risk with regard to our cash and cash equivalents. We place cash and temporary cash investments with high-credit-quality financial institutions. From time to time, such cash and investments may temporarily be in excess of insurance limits. In addition, our leases with tenants potentially subject us to a concentration of credit risk related to our accounts receivable and revenue.

Income Taxes and REIT Compliance and Operating Partnership

Parent Company

The Parent Company has been organized and operated, and intends to continue to operate, in a manner that will enable it to maintain its qualification as a REIT for U.S. federal income tax purposes. As a result, it generally will not be subject to U.S. federal income tax on the earnings that it distributes to the extent it distributes its "REIT taxable income" (determined before the deduction for dividends paid and excluding net capital gains) to shareholders of the Parent Company and meets certain other requirements on a recurring basis. To the extent that it satisfies this distribution requirement but distributes less than 100% of its taxable income, it will be subject to U.S. federal income tax on its undistributed REIT taxable income at regular corporate income tax rates. REITs are subject to a number of organizational and operational requirements. If the Parent Company fails to qualify as a REIT in any taxable year, it will be subject to U.S. federal income tax on its taxable income at regular corporate income tax rates for a period of four years following the year in which qualification is lost. Additionally, we may also be subject to certain taxes enacted by the Inflation Reduction Act of 2022 that are applicable to non-REIT corporations, including the non-deductible 1% excise tax on certain stock repurchases. We may also be subject to certain U.S. federal, state, and local taxes on our income and property and to U.S. federal income and excise taxes on our undistributed taxable income even if the Parent Company does qualify as a REIT. The Operating Partnership intends to continue to make distributions to the Parent Company in amounts sufficient to assist the Parent Company in adhering to REIT requirements and maintaining its REIT status.

We have elected to treat Kite Realty Holdings, LLC and IWR Protective Corporation as TRSs of the Operating Partnership, and we may elect to treat other subsidiaries as TRSs in the future. This election enables us to receive income and provide services that would otherwise be impermissible for a REIT. Deferred tax assets and liabilities are established for temporary differences between the financial reporting bases and the tax bases of assets and liabilities at the tax rates expected to be in effect when the temporary differences reverse. Deferred tax assets are reduced by a valuation allowance if it is more likely than not that some portion or all of the deferred tax assets will not be realized.

Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date. The Company recognizes the effect of income tax positions only if those positions are more likely than not to be sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. The Company records interest related to unrecognized tax benefits within "Interest expense" and penalties within "General, administrative and other" expenses in the accompanying consolidated statements of operations and comprehensive income.

Our tax return for the year ended December 31, 2024 has not been filed as of the filing date of this Annual Report on Form 10-K of the Parent Company and the Operating Partnership. The taxable information presented for our dividends paid in 2024 is based upon management's estimate. Consequently, the taxable nature of dividends is subject to change.

The allocated share of income and loss, other than the operations of our TRSs, is included in the income tax returns of the Operating Partnership's partners. Accordingly, the only U.S. federal income taxes included in the accompanying consolidated financial statements are in connection with the TRSs.

Noncontrolling Interests

We report the non-redeemable noncontrolling interests in subsidiaries as equity, and the amount of consolidated net income attributable to these noncontrolling interests is set forth separately in the accompanying consolidated financial statements.

Prior to the merger with RPAI in October 2021, RPAI entered into a joint venture related to the development, ownership and operation of the multifamily rental portion of the expansion project at One Loudoun Downtown – Pads G & H. The Company owns 90% of the joint venture.

Under terms defined in the joint venture agreement, after construction completion and stabilization of the development project (as defined in the joint venture agreement), the Company has the ability to call, and the joint venture partner has the ability to put to the Company, subject to certain conditions, the joint venture partner's interest in the joint venture at fair value. As of December 31, 2024, the conditions for exercising the put and call options have been met but neither the Company nor the joint venture partner has exercised their respective options.

The joint venture is considered a VIE primarily because the Company's joint venture partner does not have substantive kick-out rights or substantive participating rights. The Company is considered the primary beneficiary as it has a controlling financial interest in the joint venture. As such, the Company has consolidated this joint venture and presented the joint venture partner's interests as noncontrolling interests.

Limited Partner Units are redeemable noncontrolling interests in the Operating Partnership. We classify redeemable noncontrolling interests in the Operating Partnership in the accompanying consolidated balance sheets outside of permanent equity because we may be required to pay cash to holders of Limited Partner Units upon redemption of their interests in the Operating Partnership or deliver registered shares upon their conversion. The carrying amount of the redeemable noncontrolling interests in the Operating Partnership is reflected at the greater of historical book value or redemption value with a corresponding adjustment to additional paid-in capital. As of December 31, 2024 and 2023, the redemption value of the redeemable noncontrolling interests in the Operating Partnership exceeded the historical book value, and the balances were accordingly adjusted to redemption value.

We allocate net operating results of the Operating Partnership after noncontrolling interests in the consolidated properties based on the partners' respective weighted average ownership interest. We adjust the redeemable noncontrolling interests in the Operating Partnership at the end of each reporting period to reflect their interests in the Operating Partnership or redemption value. This adjustment is reflected in our shareholders' and Parent Company's equity.

As of December 31, 2024, the Parent Company's interest and the limited partners' redeemable noncontrolling ownership interests in the Operating Partnership were 98.1% and 1.9%, respectively. As of December 31, 2023, the Parent Company's interest and the limited partners' redeemable noncontrolling ownership interests in the Operating Partnership were 98.4% and 1.6%, respectively.

Concurrent with the Parent Company's IPO and related formation transactions, certain individuals received Limited Partner Units of the Operating Partnership in exchange for their interests in certain properties. The limited partners have the right to redeem Limited Partner Units for cash or, at the Parent Company's election, common shares of the Parent Company in an amount equal to the market value of an equivalent number of common shares of the Parent Company at the time of redemption. Such common shares must be registered, which is not fully in the Parent Company's control. Therefore, the limited partners' interest is not reflected within permanent equity. The Parent Company also has the right to redeem the Limited Partner Units directly from the limited partner in exchange for either cash in the amount specified above or a number of its common shares equal to the number of Limited Partner Units being redeemed.

There were 4,192,597 and 3,512,868 Limited Partner Units outstanding as of December 31, 2024 and 2023, respectively. The increase in Limited Partner Units outstanding from December 31, 2023 is due to non-cash compensation awards granted to our executive officers in the form of Limited Partner Units and the exercise of previously granted Appreciation Only Long-Term Incentive Plan Units ("AO LTIP Units") in exchange for Limited Partner Units.

Redeemable Noncontrolling Interests – Subsidiaries

Prior to the merger with Inland Diversified Real Estate Trust, Inc. ("Inland Diversified") in 2014, Inland Diversified formed joint ventures with the previous owners of certain properties and issued Class B units in three joint ventures that indirectly own those properties. As of December 31, 2021, the Class B units related to one of these joint ventures that owned Crossing at Killingly Commons, our multi-tenant retail property in Dayville, Connecticut, were outstanding and accounted for as noncontrolling interests in the remaining venture. In October 2022, the remaining Class B units became redeemable at the partner's election and the fulfillment of certain redemption criteria for cash or Limited Partner Units in the Operating Partnership. In October 2022, we received notice from our joint venture partner of its exercise of their right to redeem the remaining Class B units for cash in the amount of $9.7 million, which redemption was funded using available cash on October 3, 2022. Prior to the redemption, the Class B units did not have a maturity date and were not mandatorily redeemable unless either party had elected for the units to be redeemed. Prior to the redemption, we consolidated this joint venture because we controlled the decision-making, and our joint venture partner had limited protective rights.

Effects of Accounting Pronouncements

Adoption of New Accounting Pronouncements

Effective January 1, 2024, the Company adopted Accounting Standards Update ("ASU") 2023-07, *Segment Reporting (Topic 280): Improvements to Reportable Segment Disclosures*, on a retrospective basis. This new guidance provides new disclosure requirements on significant segment expenses that are regularly provided to the chief operating decision maker and other significant segment items. Public entities with a single reportable segment, such as the Company, must apply all of the new disclosure requirements as well as all existing segment disclosure and reconciliation requirements in Topic 280 on an annual and interim basis. The adoption of this pronouncement did not have any effect on the Company's consolidated financial statements. See Note 11. "Segment Reporting" to the accompanying consolidated financial statements for the Company's reportable segment disclosures.

Recently Issued Accounting Pronouncements

In November 2024, the FASB issued ASU 2024-03, *Income Statement—Reporting Comprehensive Income—Expense Disaggregation Disclosures (Subtopic 220-40): Disaggregation of Income Statement Expenses*. This new guidance requires public entities to disclose, in a tabular format, the amounts of certain natural expenses included within relevant expense captions presented on the face of the income statement, as well as provide additional disclosures about selling expenses. The new disclosure requirements are effective for annual reporting periods beginning after December 15, 2026 and interim periods within annual reporting periods beginning after December 15, 2027, with early adoption permitted, and may be applied either prospectively or retrospectively. The Company is currently evaluating the impact of this guidance on its consolidated financial statements and related disclosures.

SEC Final Rule

In March 2024, the SEC issued a final rule, *The Enhancement and Standardization of Climate-Related Disclosures for Investors*. This final rule requires companies to annually disclose climate-related information in registration statements and annual reports, including material climate-related risks and impacts on the Company, information about board oversight, risk management activities, and any material climate-related targets or goals. In addition, the final rule requires disclosure of material Scope 1 and/or Scope 2 greenhouse gas emissions, which will be subject to independent third-party assurance, and the financial statement effects of severe weather events and other natural conditions. In April 2024, the SEC announced a stay of these climate disclosure rules pending judicial review. The Company is continuing to evaluate the impact of this final rule until it becomes effective.

BASIS OF PRESENTATION (Tables)

Dec. 31, 2024

Organization, Consolidation and Presentation of Financial Statements [Abstract]

Schedule of Investment Properties

As of December 31, 2024, the Company's portfolio consisted of the following:

	Properties	Square Footage
Operating retail properties[1]	179	27,668,416
Office properties[2]	2	412,568
Development and redevelopment projects:		
The Corner – IN[3]	1	24,000
One Loudoun Expansion[4]	—	119,000
Hamilton Crossing Centre	1	92,283
Edwards Multiplex – Ontario	1	124,614

(1) Included within operating retail properties are 10 properties that contain an office component. Excludes one operating retail property classified as held for sale as of December 31, 2024. Of the 179 operating retail properties, 176 are consolidated within these financial statements and the remaining three are accounted for under the equity method.
(2) Office properties include Carillon medical office building, which was reclassified from active redevelopment into our office portfolio in December 2024.
(3) This property is held in an unconsolidated joint venture in which the Company has a 50% ownership interest.
(4) During the three months ended September 30, 2024, the Company began development activities on the retail and office portions of the expansion project at One Loudoun Downtown (the "One Loudoun Expansion") in the Washington, D.C. metropolitan statistical area ("MSA"). The Company estimates that it will incur net project costs of approximately $65.0 million to $75.0 million related to the One Loudoun Expansion.

The following table summarizes the composition of the Company's investment properties as of December 31, 2024 and 2023 *(in thousands)*:

	December 31, 2024	December 31, 2023
Land, buildings and improvements	$ 7,591,036	$ 7,684,066
Construction in progress	43,155	55,995
Investment properties, at cost	$ 7,634,191	$ 7,740,061

Schedule of Cash and Cash Equivalents

The following table summarizes our total cash, cash equivalents and restricted cash as presented in the accompanying consolidated statements of cash flows for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Cash and cash equivalents	$ 128,056	$ 36,413	$ 115,799
Restricted cash and escrow deposits	5,271	5,017	6,171
Restricted cash associated with investment property held for sale	225	—	—
Cash, cash equivalents and restricted cash	$ 133,552	$ 41,430	$ 121,970

Schedule of Restricted Cash

The following table summarizes our total cash, cash equivalents and restricted cash as presented in the accompanying consolidated statements of cash flows for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Cash and cash equivalents	$ 128,056	$ 36,413	$ 115,799
Restricted cash and escrow deposits	5,271	5,017	6,171
Restricted cash associated with investment property held for sale	225	—	—
Cash, cash equivalents and restricted cash	$ 133,552	$ 41,430	$ 121,970

Schedule of Revenue Concentration

For the year ended December 31, 2024, the percentage of the Company's revenue recognized from tenants leasing space in the states where the majority of our portfolio is concentrated, which includes Texas, Florida, Virginia, Indiana, and New York, was as follows:

Texas	26.8 %
Florida	11.0 %
Virginia	7.3 %
Indiana	6.4 %
New York	6.1 %

Schedule of Tax Characterization of Dividends Paid

The following table summarizes the tax characterization of the dividends paid by the Parent Company for the years ended December 31, 2024, 2023 and 2022:

	Year Ended December 31,		
	2024	2023	2022
Ordinary income	96.4 %	90.6 %	86.1 %
Return of capital	0.0 %	0.0 %	0.0 %
Capital gains	3.6 %	9.4 %	13.9 %
	100.0 %	100.0 %	100.0 %

Schedule of Noncontrolling Interests

The following table summarizes the non-redeemable noncontrolling interests in consolidated properties for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Noncontrolling interests balance as of January 1,	$ 2,430	$ 5,370	$ 5,146
Net income allocable to noncontrolling interests, excluding redeemable noncontrolling interests	280	256	224
Distributions to noncontrolling interests[1]	(817)	(3,196)	—
Noncontrolling interests balance as of December 31,	$ 1,893	$ 2,430	$ 5,370

(1) During the year ended December 31, 2023, we received a $3.2 million distribution from excess proceeds related to a third-party financing.

Schedule of Ownership Interests of the Parent Company and Limited Partners

For the years ended December 31, 2024, 2023 and 2022, the weighted average interests of the Parent Company and the limited partners in the Operating Partnership were as follows:

	Year Ended December 31,		
	2024	2023	2022
Parent Company's weighted average interest in the Operating Partnership	98.3 %	98.6 %	98.7 %
Limited partners' weighted average interests in the Operating Partnership	1.7 %	1.4 %	1.3 %

Schedule of Redeemable Noncontrolling Interests

The redeemable noncontrolling interests in the Operating Partnership and subsidiaries for the years ended December 31, 2024, 2023 and 2022 were as follows *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Redeemable noncontrolling interests balance as of January 1,	$ 73,287	$ 53,967	$ 55,173
Net income allocable to redeemable noncontrolling interests	65	629	258
Distributions declared to redeemable noncontrolling interests	(3,970)	(3,159)	(2,622)
Payment for redemption of redeemable noncontrolling interests	—	—	(10,070)
Other, net including adjustments to redemption value	28,692	21,850	11,228
Total limited partners' interests in the Operating Partnership and other redeemable noncontrolling interests balance as of December 31,	$ 98,074	$ 73,287	$ 53,967
Limited partners' interests in the Operating Partnership	$ 98,074	$ 73,287	$ 53,967
Other redeemable noncontrolling interests in certain subsidiaries	—	—	—
Total limited partners' interests in the Operating Partnership and other redeemable noncontrolling interests balance as of December 31,	$ 98,074	$ 73,287	$ 53,967

Business Combination, Asset Acquisition, and Joint Venture Formation [Abstract]

Schedule of Asset Acquisitions

The Company closed on the following asset acquisitions during the years ended December 31, 2024, 2023 and 2022 *(dollars in thousands)*:

Date	Property Name	MSA	Property Type	Square Footage	Acquisition Price
2024					
August 30, 2024	Parkside West Cobb	Atlanta	Multi-tenant retail	141,627	$ 40,125
2023					
September 22, 2023	Prestonwood Place	Dallas/Ft. Worth	Multi-tenant retail	155,975	$ 81,000
2022					
February 16, 2022	Pebble Marketplace	Las Vegas	Multi-tenant retail	85,796	$ 44,100
April 13, 2022	MacArthur Crossing	Dallas/Ft. Worth	Two-tenant building	56,077	21,920
July 15, 2022	Palms Plaza	Miami	Multi-tenant retail	68,976	35,750
				210,849	$ 101,770

Schedule of Fair Value of Assets Acquired and Liabilities Assumed

The following table summarizes the fair value of assets acquired and liabilities assumed for the asset acquisitions completed during the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Investment properties, net	$ 38,080	$ 75,506	$ 99,096
Tenant and other receivables, net	18	—	—
Lease-related intangible assets, net[1]	4,607	6,971	5,223
Other assets	—	—	11
Total acquired assets	42,705	82,477	104,330
Accounts payable and accrued expenses	664	2,823	1,140
Deferred revenue and other liabilities	2,496	1,556	2,855
Total assumed liabilities	3,160	4,379	3,995
Fair value of net assets acquired	$ 39,545	$ 78,098	$ 100,335

(1) The weighted average remaining life of leases at the acquired properties is approximately 6.1 years, 6.2 years, and 6.7 years for asset acquisitions completed during the years ended December 31, 2024, 2023 and 2022, respectively.

Schedule of Level 3 Assumptions Used in Determining Value of Acquired Assets

The range of the most significant Level 3 assumptions used in determining the value of the real estate and related assets acquired through asset acquisitions are as follows:

	2024	2023	2022
Net rental rate per square foot – Retail Anchors	$18.75 to $19.00	N/A	$20.50 to $40.00
Net rental rate per square foot – Small Shops	$20.00 to $45.00	$30.00 to $65.00	$24.00 to $65.00
Discount rate	8.50%	8.50%	5.75% to 7.25%

Senior exchangeable notes – 0.75% due 2027	April 1, 2027	175,000	0.75 %	175,000	0.75 %
Senior notes – SOFR + 3.75% due 2027[2]	September 10, 2027	75,000	7.80 %	75,000	9.37 %
Senior notes – 4.24% due 2028	December 28, 2028	100,000	4.24 %	100,000	4.24 %
Senior notes – 4.82% due 2029	June 28, 2029	100,000	4.82 %	100,000	4.82 %
Senior notes – 4.75% due 2030	September 15, 2030	400,000	4.75 %	400,000	4.75 %
Senior notes – 4.95% due 2031	December 15, 2031	350,000	4.95 %	—	— %
Senior notes – 5.50% due 2034[3]	March 1, 2034	350,000	4.60 %	—	— %
Total senior unsecured notes		$ 2,380,000		$ 1,829,635	

(1) $80,000 of 4.47% senior unsecured notes due 2025 has been swapped to a variable rate of three-month SOFR plus 3.65% through September 10, 2025.

(2) $75,000 of 4.57% senior unsecured notes due 2027 has been swapped to a variable rate of three-month SOFR plus 3.75% through September 10, 2025.

(3) The coupon rate of the Notes Due 2034 (defined below) is 5.50%; however, as a result of hedging activities, the Company's interest rate is 4.60%.

The following table summarizes the Company's term loans and revolving line of credit *(dollars in thousands)*:

		December 31, 2024		December 31, 2023	
	Maturity Date	Balance	Interest Rate	Balance	Interest Rate
Unsecured term loan due 2024 – fixed rate[1]	July 17, 2024	$ —	— %	$ 120,000	2.68 %
Unsecured term loan due 2026 – fixed rate[2]	July 17, 2026	150,000	2.73 %	150,000	2.73 %
Unsecured term loan due 2027 – fixed rate[3]	October 24, 2027	250,000	3.94 %	250,000	5.09 %
Unsecured term loan due 2029 – fixed rate[4]	July 29, 2029	300,000	3.72 %	300,000	3.82 %
Total unsecured term loans		$ 700,000		$ 820,000	
Unsecured credit facility revolving line of credit – variable rate[5]	October 3, 2028	$ —	5.64 %	$ —	6.58 %

(1) As of December 31, 2023, $120,000 of SOFR-based variable rate debt had been swapped to a fixed rate of 1.58% plus a credit spread based on a ratings grid ranging from 0.80% to 1.65% through July 17, 2024. The applicable credit spread was 1.10% as of December 31, 2023.

(2) $150,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 1.68% plus a credit spread based on a ratings grid ranging from 0.75% to 1.60% through July 17, 2026. The applicable credit spread was 1.05% as of December 31, 2024 and 2023.

(3) $250,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.99% plus a credit spread based on a ratings grid through October 24, 2025. As of December 31, 2024, the credit spread ranged from 0.75% to 1.60% and the applicable credit spread was 0.95%. As of December 31, 2023, the credit spread ranged from 2.00% to 2.50% and the applicable credit spread was 2.10%. The maturity date of the term loan may be extended by one one-year period at the Operating Partnership's election, subject to certain conditions.

(4) $300,000 of SOFR-based variable rate debt has been swapped to a fixed rate of 2.47% plus a credit spread based on a ratings grid ranging from 1.15% to 2.20% through August 1, 2025. The applicable credit spread was 1.25% as of December 31, 2024 and 1.35% as of December 31, 2023.

(5) The revolving line of credit can be extended for either one one-year period or up to two six-month periods at the Company's election, subject to (i) customary representations and warranties, including, but not limited to, the absence of an event of default as defined in the unsecured credit agreement and (ii) payment of an extension fee equal to 0.075% of the revolving line of credit capacity.

Schedule of Weighted Average Interest Rates and Maturities

Consolidated indebtedness, including weighted average interest rates and weighted average maturities as of December 31, 2024, considering the impact of interest rate swaps, is summarized below *(dollars in thousands)*:

	Amount Outstanding	Ratio	Weighted Average Interest Rate	Weighted Average Years to Maturity
Fixed rate debt[1]	$ 3,058,585	95 %	4.08 %	4.3
Variable rate debt[2]	169,600	5 %	7.64 %	1.7
Debt discounts, premiums and issuance costs, net	(1,255)	N/A	N/A	N/A
Mortgage and other indebtedness, net	$ 3,226,930	100 %	4.27 %	4.2

(1) Fixed rate debt includes the portion of variable rate debt that has been hedged by interest rate swaps. As of December 31, 2024, $700.0 million in variable rate debt is hedged to a fixed rate for a weighted average of 0.9 years.

(2) Variable rate debt includes the portion of fixed rate debt that has been hedged by interest rate swaps. As of December 31, 2024, $155.0 million in fixed rate debt is hedged to a floating rate for a weighted average of 0.7 years.

Schedule of Mortgages Payable

The following table summarizes the Company's mortgages payable *(dollars in thousands)*:

	December 31, 2024			December 31, 2023		
	Balance	Weighted Average Interest Rate	Weighted Average Years to Maturity	Balance	Weighted Average Interest Rate	Weighted Average Years to Maturity
Fixed rate mortgages payable[1]	$ 133,585	5.10 %	7.1	$ 136,306	5.09 %	8.1
Variable rate mortgage payable[2]	14,600	6.48 %	1.6	17,000	7.59 %	2.6
Total mortgages payable	$ 148,185			$ 153,306		

(1) The fixed rate mortgages had interest rates ranging from 3.75% to 5.73% as of December 31, 2024 and 2023.

(2) On October 1, 2024, the index on the variable rate mortgage was replaced with the Secured Overnight Financing Rate ("SOFR") plus 215 basis points from the Bloomberg Short Term Bank Yield Index ("BSBY") plus 215 basis points. The one-month SOFR rate was 4.33% as of December 31, 2024, and the one-month BSBY rate was 5.44% as of December 31, 2023.

Schedule of Key Terms of Revolving Credit Facility and Term Loans

The following table summarizes the key terms of the Revolving Facility as of December 31, 2024 *(dollars in thousands)*:

				Leverage-Based Pricing		Investment-Grade Pricing		
Credit Agreement	Maturity Date	Extension Options	Extension Fee	Credit Spread	Facility Fee	Credit Spread	Facility Fee	SOFR Adjustment
$1,100,000 unsecured revolving line of credit	10/3/2028	1 one-year or 2 six-month	0.075%	1.05%–1.50%	0.15%–0.30%	0.725%–1.40%	0.125%–0.30%	0.10%

The following table summarizes the key terms of the unsecured term loans as of December 31, 2024 *(dollars in thousands)*:

Unsecured Term Loans	Maturity Date	Leverage-Based Pricing Credit Spread	Investment-Grade Pricing Credit Spread	SOFR Adjustment
$150,000 unsecured term loan due 2026	7/17/2026	1.20% – 1.70%	0.75% – 1.60%	0.10%
$250,000 unsecured term loan due 2027	10/24/2027[1]	N/A	0.75% – 1.60%	0.10%
$300,000 unsecured term loan due 2029	7/29/2029	N/A	1.15% – 2.20%	0.10%

(1) The maturity date may be extended by one one-year period at the Operating Partnership's option, subject to certain conditions.

Schedule of Deferred Cost Amortization

The amounts of such amortization included in the accompanying consolidated statements of operations and comprehensive income are as follows *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of deferred leasing costs, lease intangibles and other	$ 77,224	$ 107,542	$ 150,245
Amortization of above-market lease intangibles	$ 9,479	$ 12,007	$ 13,562

The following amounts of amortization of debt issuance costs are included as a component of "Interest expense" in the accompanying consolidated statements of operations and comprehensive income *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of debt issuance costs	$ 4,650	$ 3,609	$ 3,163

Schedule of Debt Discounts, Premiums and Hedge Instruments Amortization

The following amounts of amortization are included as a component of "Interest expense" in the accompanying consolidated statements of operations and comprehensive income *(in thousands)*:

	Year Ended December 31,		
	2024	2023	2022
Amortization of debt discounts, premiums and hedge instruments	$ 13,592	$ 19,503	$ 20,140

Schedule of Debt Discounts, Premiums and Hedge Instruments Amortization Maturity

In addition, the estimated amounts of the reduction to interest expense as of December 31, 2024 for each of the next five years and thereafter related to the amortization of debt discounts, premiums and assumed hedge instruments, assuming these instruments are held to maturity, are as follows *(in thousands)*:

2025	$ 7,486
2026	5,832
2027	4,914
2028	4,904
2029	3,978
Thereafter	484
Total unamortized debt discounts, premiums and hedge instruments	$ 27,598

Schedule of Reconciliation of Unamortized Debt Discounts, Premiums and Hedge Instruments

The following table reconciles total unamortized debt discounts, premiums and hedge instruments as of December 31, 2024 to the balance of unamortized discounts and premiums, net *(in thousands)*:

Unamortized discounts and premiums on mortgages payable, senior unsecured notes and unsecured term loans	$ 26,128
Unamortized hedge instruments	1,470
Total unamortized debt discounts, premiums and hedge instruments	27,598
Unamortized hedge instruments (included in accumulated other comprehensive income)	(1,470)
Fair value of variable interest rate swaps	(3,937)
Unamortized discounts and premiums, net	$ 22,191

Schedule of Maturities of Long-term Debt

The following table summarizes the scheduled maturities and principal amortization of the Company's indebtedness as of December 31, 2024 *(in thousands)*:

	Secured Debt			
	Scheduled Principal Payments	Term Maturities	Unsecured Debt	Total
2025	$ 5,248	$ —	$ 430,000	$ 435,248
2026	4,581	10,600	550,000	565,181
2027	3,120	—	500,000	503,120
2028	3,757	—	100,000	103,757
2029	4,324	—	400,000	404,324
Thereafter	23,767	92,788	1,100,000	1,216,555
	$ 44,797	$ 103,388	$ 3,080,000	$ 3,228,185
Debt discounts, premiums and issuance costs, net				(1,255)
Mortgage and other indebtedness, net				$ 3,226,930

Leases [Abstract]

Schedule of Rental Income Related to Operating Leases

Rental income related to the Company's operating leases is comprised of the following for the years ended December 31, 2024, 2023 and 2022 *(in thousands)*:

	Year Ended December 31, 2024	2023	2022
Fixed contractual lease payments – operating leases	$ 653,537	$ 637,915	$ 615,773
Variable lease payments – operating leases	156,200	151,853	151,304
Bad debt reserve	(5,356)	(3,459)	(6,027)
Straight-line rent adjustments	12,742	13,186	17,031
Straight-line rent reserve for uncollectibility	(653)	(1,374)	(553)
Amortization of in-place lease liabilities, net	10,078	12,025	4,821
Rental income	$ 826,548	$ 810,146	$ 782,349

Schedule of Future Minimum Lease Payments to be Received

As of December 31, 2024, future minimum rentals to be received under non-cancelable operating leases, excluding variable lease payments and amounts deferred under lease concession agreements, for each of the next five years and thereafter are as follows *(in thousands)*:

	Lease Payments
2025	$ 643,851
2026	597,134
2027	524,291
2028	435,178
2029	332,941
Thereafter	999,811
Total	$ 3,533,206

Schedule of Future Minimum Lease Payments under Ground Leases

As of December 31, 2024, future minimum lease payments due under ground leases for each of the next five years and thereafter are as follows *(in thousands)*:

	Lease Obligations
2025	$ 5,169
2026	5,174
2027	5,219
2028	4,979
2029	4,935
Thereafter	100,709
	$ 126,185
Adjustment for discounting	(59,148)
Lease liabilities as of December 31, 2024	$ 67,037

EARNINGS PER SHARE OR UNIT (Tables)	12 Months Ended Dec. 31, 2024
Earnings Per Share [Abstract]	
Schedule of Earnings per Share, Basic and Diluted	

The following summarizes the calculation of basic and diluted earnings per share for the Parent Company for the years ended December 31, 2024, 2023 and 2022. We have omitted the calculation of basic and diluted earnings per unit since the dilutive securities for the Operating Partnership are the same as those for the Parent Company *(dollars in thousands, except per share data)*:

	Year Ended December 31,		
	2024	2023	2022
Numerator:			
Net income (loss) attributable to common shareholders – basic and diluted	$ 4,071	$ 47,498	$ (12,636)
Denominator:			
Weighted average common shares outstanding – basic	219,614,149	219,344,832	219,074,448
Effect of dilutive securities:			
AO LTIP Units	43,331	325,603	—
Deferred common share units	70,016	57,848	—
Exchangeable Notes	—	—	—
Weighted average common shares outstanding – diluted	219,727,496	219,728,283	219,074,448
Net income (loss) per common share – basic	$ 0.02	$ 0.22	$ (0.06)
Net income (loss) per common share – diluted	$ 0.02	$ 0.22	$ (0.06)

style="color:#000000;font-family:'Times New Roman',sans-serif;font-size:10pt;font-weight:400;line-height:120%">As risk management is an ongoing process, the Company regularly assesses its cybersecurity risks and adjusts its program accordingly. Via multiple monitoring solutions, potential cyber threats are automatically logged and proactively addressed. Our monitoring tools use well-established vulnerability scoring to aid in the overall risk assessment. The scoring ranks by potential severity and likelihood and includes a review of mitigating factors. The Company prioritizes its cybersecurity investments based on the likelihood and impact of potential threats. We recognize that cybercriminals frequently target employees to gain unauthorized access to information systems. Therefore, from onboarding and at least annually thereafter, the Company educates and trains its employees on cybersecurity leading practices using a variety of methods, which is supplemented throughout the year with regular phishing and other cyber-related testing. The Company regularly performs internal and external penetration testing and vulnerability scanning with the support of well-established third-party providers. Identified deficiencies or vulnerabilities are reviewed by the IT staff and management, and remediation steps are taken based on the criticality of the results. Cybersecurity tools and services are configured to identify threats and risks that may be associated with the use of third-party applications or solutions. We prioritize our cybersecurity efforts relating to third parties based on the likelihood and potential impact of cybersecurity threats. These efforts may include reviewing security documentation or protocols of key vendors, service providers, and external users of our systems. The Company has developed cybersecurity incident response plans to contain, investigate, respond to, and recover from cybersecurity incidents that may jeopardize the confidentiality, integrity, or availability of our IT systems. Key members of management, including the Company's Chief Financial Officer, Chief Operating Officer, and Chief Legal Officer, as well as employees from IT, internal audit, marketing and communications, and human resources, serve on the Company's security incident response team to help the Company mitigate and remediate cybersecurity incidents of which they are notified. Our response plans require prompt notification to members of senior management in the event of a significant cybersecurity incident and prompt briefings on further developments as appropriate. Risks And Impact From Cybersecurity Threats As of December 31, 2024, we are not aware of any risks from cybersecurity threats or incidents that have materially affected or are reasonably likely to materially affect the Company, including our business strategy, results of operations or financial condition. However, evolving cybersecurity threats make it increasingly challenging to anticipate, detect, and defend against cybersecurity threats and incidents. For more information regarding our cybersecurity risks, see "We and our tenants face risks related to cyber attacks that could cause loss of confidential information and other business disruptions" in Item 1A. "Risk Factors" within this Annual Report on Form 10-K. The Company relies extensively on IT systems to operate and manage its business and process transactions. As a result, our business is at risk from, and may be impacted by, cybersecurity incidents. The Company's cybersecurity risk management program leverages the National Institute of Standards and Technology ("NIST") Cybersecurity Framework, which is used to benchmark and tailor the Company's strategies and program to our risk profile and specific operational needs and goals. truetruetruefalse Our Board of Trustees oversees various risks that the Company may face from time to time. While the full Board of Trustees has primary responsibility for risk oversight, it has delegated to the Audit Committee the responsibility for overseeing the Company's enterprise risk management and risk mitigation policies and programs, including matters related to privacy and cybersecurity. The Audit Committee reviews the Company's cybersecurity risks and the effectiveness of its cybersecurity program every quarter, including current threat levels and ongoing program enhancements. Reports on these topics are provided to the Audit Committee by the Vice President, Chief Information Security Officer ("CISO") and the Vice President, Internal Audit and Enterprise Risk Management on a quarterly basis. In addition, when appropriate, cybersecurity risks and incidents will be reported to the Board of Trustees by the Company's Chief Financial Officer. Audit CommitteeThe Audit Committee reviews the Company's cybersecurity risks and the effectiveness of its cybersecurity program every quarter, including current threat levels and ongoing program enhancements.trueReports on these topics are provided to the Audit Committee by the Vice President, Chief Information Security Officer ("CISO") and the Vice President, Internal Audit and Enterprise Risk Management on a quarterly basis.true The Company's management team is responsible for implementing and managing the Company's cybersecurity risk management program. The management team regularly reviews the Company's cybersecurity risks and adjusts the program as needed. Risk data analyzed includes summary and detailed data from monitoring and protection systems along with remediation reports to help ensure the constant evolution of the program. Key members of the IT team responsible for information security include several individuals with over 20 years of experience within various industries, including real estate, global retail, fintech, and insurance, along with experience working for several top IT service and solutions providers. The Company's management team is responsible for implementing and managing the Company's cybersecurity risk management program. The management team regularly reviews the Company's cybersecurity risks and adjusts the program as needed. Risk data analyzed includes summary and detailed data from monitoring and protection systems along with remediation reports to help ensure the constant evolution of the program. Key members of the IT team responsible for information security include several individuals with over 20 years of experience within various industries, including real estate, global retail, fintech, and insurance, along with experience working for several top IT service and solutions providers. The IT team provides quarterly reports to the Company's senior management, which typically address, among other things, the Company's cybersecurity strategy, initiatives, key security metrics, business response plans, and the evolving cybersecurity threat landscape. The Company has cybersecurity insurance designed to cover certain expenses related to cybersecurity incidents. The Company also carries other insurance that may cover ancillary aspects of a cybersecurity incident; however, damage and claims arising from a cybersecurity incident may exceed the amount of any insurance available. Key members of the IT team responsible for information security include several individuals with over 20 years of experience within various industries, including real estate, global retail, fintech, and insurance, along with experience working for several top IT service and solutions providers.falsefalsefalsefalsetrue238238KPMG LLPIndianapolis, IndianaKPMG LLPIndianapolis,
